This is not the case when one firm advises both of you. If you ask us to continue to serve you jointly, our effort will be to assist in developing a coordinated overall plan and to encourage the resolution of differing interests in an equitable manner and in the best interests of your marriage. If the two of you have a difference of opinion concerning your proposed estate plan, we can point out the pros and cons of those divergent opinions. However, we cannot be an advocate for one of you against the other. Matters that one of you might discuss with us in the estate planning process cannot be kept from the other, although it certainly is privileged from disclosure to third parties.

Although I doubt that it will happen, if conflicts do arise between the two of you such that it is impossible in our judgment to perform our obligations to each of you in accordance with this letter, it would become necessary for us to withdraw as your joint attorney. We would then advise one or both of you to obtain independent counsel.

After considering these factors, each of you must decide whether you wish us to continue to represent you jointly in connection with your estate planning and related matters. If you do, please sign and return the enclosed copy of this letter in the envelope provided. By signing and returning the letter, you are acknowledging that you have read and

understand this letter and wish us to proceed with your representation.

Please keep in mind that you are each completely free at any time to have the advice of separate counsel. Please contact me if you have any questions whatsoever about this matter.

Sincerely,

CLIENTS' CONSENT TO REPRESENTATION

We have each reviewed the foregoing letter and understand its contents. We understand the discussion of conflicts set forth above and realize that there are areas where our interests and objectives may differ, and areas of potential or actual conflict of interest between us in connection with our estate planning and related matters. We understand that either of us may retain separate, independent counsel in connection with these matters at any time. After careful consideration, each of us requests that _____[*name of attorney or firm*] represent us jointly in connection with our estate planning and related matters and each of us consents to that dual representation. Each of us also understands and agrees that communications and information _____[*name of attorney or firm*] receives from either of us relating to these matters may be shared with the other.

PART IV. FORMS
B. Estate Planning and Decedent's Estates

28-86A California Legal Forms--Transaction Guide § 86A.212

§ 86A.212 Contingent Fee Agreement Regarding Will Contest--Letter Form

[1] Comment

[a] Use of Form

This form is a letter-style contingent fee agreement confirming an attorney's retention by a client who desires to contest a will or to defend against a will contest. For discussion of the law governing contingency fee contracts, see *§ 86A.11[4]*.

Most attorneys prefer the informality of letter-style as opposed to contract-style retention agreements. However, if the attorney and/or client desire a more formal employment contract, this form can be adapted to a contract-style agreement [*see § 86A.201*].

For forms that may be used in the will contest itself, see California Forms of Pleading and Practice, Ch. 444, *Probate: Will Contests* , (Matthew Bender).

[b] Required Contents

All contingency fee contracts, other than those for the recovery of workers compensation benefits and the recovery of claims between merchants [*see Bus. & Prof. Code § 6147.5(a)*], must be in writing and contain the following [*Bus. & Prof. Code § 6147(a), (c)*; *see Bus. & Prof. Code § 6147(d)* (effective January 1, 2000)]:

- The contingency fee rate on which the parties agreed.

- An explanation of the manner in which costs and disbursements incurred in prosecuting or settling the claim will affect the contingency fee and the client's recovery.

- A statement to what extent, if any, the client may be required to compensate the attorney for related matters arising out of their relationship but not covered by the contingency fee contract. This statement

may include any amounts collected for the plaintiff by the attorney.

- A statement that the fee is negotiable and not set by law [*see Bus. & Prof. Code § 6146* (limitations on fees)].

- A statement that the rates set forth in *Bus. & Prof. Code § 6146* are the maximum limits for the contingency fee contract [*see* [2], *below*].

[c] Estate's Liability for Extraordinary Attorneys' Fees

A decedent's estate is liable for fees to the executor's or administrator's attorney who conducts ordinary probate proceedings. In addition, the court may award just and reasonable attorneys' fees from the estate for any extraordinary services, including extraordinary services by any paralegal performing those services under the direction and supervision of an attorney [*Prob. Code § 10811*]. However, because payment for extraordinary services is in the discretion of the court, and not an entitlement [*see Estate of McKenzie (1962) 199 Cal. App. 2d 393, 399, 18 Cal. Rptr. 680]* , an attorney who accepts employment on behalf of a party to a will contest or any other extraordinary probate proceeding should make an arrangement regarding fees.

The attorney for a personal representative may agree to perform extraordinary service on a contingent fee basis, but only if the agreement meets statutory conditions. The agreement must be in writing, and must comply with requirements for contingent fee contracts in general [*Prob. Code § 10811(c)(1)*; *see Bus. & Prof. Code § 6147*; *see also § 86A.11[4]*]. In addition, the agreement must be approved by the court following a properly noticed hearing [*Prob. Code § 10811(c)(2)*; *see Prob. Code § 10812* (notice requirements)]. The court must determine that the compensation provided in the agreement is just and reasonable, and that the agreement is to the advantage of the estate and in the best interests of the persons who are interested in the estate [*Prob. Code § 10811(c)(3)*].

[d] Specificity in Agreements Regarding Probate Matters

It is important to clearly specify the basis on which a contingency fee in a will contest or any other extraordinary probate proceeding will be determined. Frequently, several people will have an interest in the outcome of a will contest. However, unless an attorney is retained by all parties sharing a common interest, that attorney's contingency fee will depend on the extent of recovery realized by the individual client who employed him or her [*see Estate of Ott (1979) 99 Cal. App. 3d 605, 611, 160 Cal. Rptr. 402]* . Accordingly, if a group of persons sharing a common interest in a will contest wish to retain an attorney on a contingency fee basis, the agreement should recite the names of all members of the group and clearly define the percentage of each one's recovery that will constitute the attorney fee. In these cases the attorney must be certain to avoid representing potentially conflicting interests [*see § 86A.12[3]*].

[e] Execution Requirements

Both parties must sign the contingency fee contract, and counsel must provide the client with a copy of the contract at the time of execution [*Bus. & Prof. Code § 6147(a)*]. If the contract does not contain all of the required information, is not properly signed, or if the client is not provided with a copy, it is voidable at the client's option. However, counsel will be entitled to collect a reasonable fee for his or her services [*Bus. & Prof. Code § 6147(b)*]. For further discussion, see *§ 86A.200[1][e]*.

Any attorney who negotiates a contract for legal services primarily in a language other than English may have to provide the client with a translation of the contract in that other language. For contracts entered into prior to July 1, 2004, this requirement is applicable only to contracts negotiated primarily in Spanish. On and after July 1, 2004, it is applicable to contracts negotiated primarily in Spanish, Chinese, Tagalog, Vietnamese, or Korean [*see Civ. Code § 1632*]. For further discussion, see *§ 86A.111[6]*. For a detailed discussion of these translation requirements, and related

requirements, see *Ch. 45, Consumer Installment Loans and Credit Sales, § 45.64*.

Dear _____ [*name of client*] :

This letter will confirm the terms on which you have retained this office to represent you _____[in contesting the will of _____ (*name*) ("decedent"), dated _____ *or* defending your interests in the will of _____ (*name*) ("decedent") dated _____, against the will contest filed by _____ (*name(s) of contestant(s))*].

The attorneys' fee will be a percentage of the fair market value of whatever you receive from the estate of the decedent as of the time you receive it. If you receive nothing, you will not be obligated to compensate this office for its services. This office will advance all legal, investigative, and trial costs necessary for [contesting *or* defending] the will of the decedent on your behalf. You will reimburse this office for these costs regardless of whether any amount is recovered on your behalf.

From the amount recovered for you, this office will first be repaid for all costs advanced on your behalf. The attorneys' fee will be a percentage of the fair market value of the remaining balance, depending on the stage at which the matter is resolved. The following fees have been negotiated by you and this office and are not set by law:

_____ [*e.g.*, 10 *or* 20 *or* 30] percent if the matter is resolved before the commencement of trial.

_____ [*e.g.*, 20 *or* 30 *or* 40] percent if the matter is resolved after the commencement of trial but before an appeal or a new trial.

_____ [*e.g.*, 30 *or* 40 *or* 50] percent if the matter is resolved after either the filing of an appeal by any party or the commencement of a second trial.

You will not be obligated to compensate this office for any matter related to, but not specifically covered in, this agreement.

No settlement of your interest in the decedent's estate will be made without your complete approval. This office may associate any other attorney at its discretion and expense. [*Optional:* This office may withdraw at any time after giving you reasonable notice.]

You have given this office an equitable lien for its services and costs advanced on your claims and recovery. You will keep this office advised of your whereabouts at all times, appear on reasonable notice at any depositions and court appearances, and comply with all reasonable requests in connection with the preparation and presentation of this matter.

If you agree to the terms of this letter, please date and sign the enclosed copy and return it to this office in the enclosed self-addressed envelope. Enclosed is an additional copy, which you should retain for your records.

28-86A California Legal Forms--Transaction Guide § 86A.213

§ 86A.213 Contingent Fee Agreement Regarding Claim That Some or All of Deceased Spouse's Estate is Community Property--Letter Form

[1] Comment

[a] Use of Form

This form is a letter-style contingent fee agreement under which an attorney agrees to pursue a claim that certain assets in a client's deceased spouse's estate are community property. Most attorneys prefer the informality of letter-style, as opposed to contract-style, retainer agreements. However, if the attorney or client desires a more formal employment contract, this form can be adapted to the contract style of § 86A.201.

For an analysis of the law governing contingency fee contracts, see *§§ 86A.11[4]* and *86A.200[1][b]*.

[b] Testamentary Disposition of Community Property

When one spouse dies, half of his or her community property belongs to the surviving spouse and the other half is subject to the decedent's testamentary disposition [*Prob. Code § 100(a)*; *see Prob. Code § 6401*], unless the spouses have agreed in writing to otherwise divide their community property [*see Prob. Code § 100(b)*]. A surviving spouse may want to institute an action to have his or her rights judicially determined if the decedent's will disposes of property in the decedent's name to persons other than the surviving spouse and the executor of the estate refuses to acknowledge that the surviving spouse has a community property interest in that property.

In some instances, part of a decedent's estate will be community or quasi-community property either devised to the surviving spouse or passing to that spouse through intestacy. In these situations, the surviving spouse may petition the court in which probate administration normally would occur to declare the character of the property and to declare that administration will not be necessary [*see Prob. Code § 13650*]. For further discussion, see *Ch. 61, Will Drafting and Complete Will Forms, § 61.14*; California Probate Practice, Ch. 4, *Transfers of Property Without Administration* (Matthew Bender); and California Forms of Pleading and Practice, Ch. 441, *Probate: Disposition Without Administration* (Matthew Bender).

The attorneys' fees for services rendered in connection with filing the petition and obtaining the court order should be determined by private agreement between the parties and are not subject to court approval [Prob. Code § 13660; *see Bus. & Prof. Code § 6147* (contingency fee requirements); *see also § 86A.11[4]*].

[c] Execution Requirements

Both parties must sign the contingency fee contract, and counsel must provide the client with a copy of the contract at the time of execution [*Bus. & Prof. Code § 6147(a)*]. If the contract does not contain all of the required information, is not properly signed, or if the client is not provided with a copy, it is voidable at the client's option. However, counsel will be entitled to collect a reasonable fee for his or her services [*Bus. & Prof. Code § 6147(b)*]. For further discussion, see *§ 86A.200[1][e]*.

If an attorney negotiates primarily in Spanish, the attorney must deliver an unexecuted Spanish language translation of any contract or agreement that contains a statement of fees or charges for legal services *before* the parties execute the retention agreement [*Civ. Code § 1632(a)(5)*]. For further discussion, see *§ 86A.200[1][d]*.

§ 86A.220 Contingent Fee Agreement Regarding Condemnation Proceeding--Contract Form

[1] Comment--Use of Form

This form is a contingent fee contract for representing a property owner in a condemnation proceeding. The agreement is drafted in contract format. Many attorneys prefer the informality of letter-style retention agreements. If the attorney wants the professional relationship to begin on a less formal note, this form can be adapted to the letter-style contingency fee agreement in § 86A.201.

As a matter of practice, the contingency fee in condemnation proceedings generally is based on the difference between the condemnor's original offer and the amount ultimately received, as opposed to being based on the amount the owner recovers. Accordingly, the percentages employed are higher than in most other contingent fee cases.

For an analysis of the law governing contingency fee contracts, including the information that must be included in the agreement, see *§ 86A.11[4]* and *§ 86A.200[1][b]*. For discussion of execution and Spanish-language requirements, see *§ 86A.200[1][d]*, *[e]*. For forms to be used in this type of action, see California Forms of Pleading and Practice, Ch. 247, *Eminent Domain* (Matthew Bender).

[2] FORM

Contingent Fee Agreement Regarding Condemnation Proceeding--Contract Form

CONTINGENT FEE CONTRACT

_____[*name of client*], "Client," and _____[*name of attorney or law firm*], "Attorney," agree as follows:

Purpose of Representation

1. Client employs Attorney to represent Client in the condemnation proceeding instituted by _____[*name of condemnor*] as condemnor involving Client's real property located at [*location*].

Advancement of Litigation Expenses

2. Attorney will advance all expenses (including court costs, appraisal expenses, and the costs of obtaining and presenting evidence) that appear to Attorney to be reasonably necessary for the proper handling of the condemnation proceeding.

Reimbursement of Amounts Advanced

3. Client will reimburse Attorney for all costs advanced on Client's behalf. Client's obligation to reimburse Attorney for all costs advanced will not be affected by the amount received by Client in the condemnation proceeding.

Attorney's Fee

4. From the total amount received by Client from the condemnor, Attorney will first be repaid for all costs advanced on behalf of Client under Paragraph 3 of this Agreement. The attorneys' fee will be [*e.g.*, 50] percent of the difference between the remaining balance and the amount of the condemnor's present offer of $_____.

Negotiation of Fees

5. The attorney's fees set forth in Paragraph 4 are not regulated by law but are negotiable between Attorney and Client. Unless the parties negotiate and execute a separate agreement, Client will not be liable to compensate Attorney for any matter related to, but not specifically covered in, this Agreement.

Client's Approval Necessary for Settlement

6. No settlement of any nature will be made as to any of Client's claims without Client's complete prior approval.

Association of Other Attorneys

7. Attorney, at Attorney's sole discretion and expense, may associate any other attorney in representing Client's claims.

Withdrawal of Attorney

8. Attorney may withdraw from the representation of Client with regard to the claims covered by this Agreement within a reasonable time after giving Client notice of the withdrawal.

Attorney's Lien

9. Attorney will have a lien for services rendered and costs advanced on the sums recovered by Client, whether by

settlement or judgment, on account of the condemnation proceeding.

Cooperation of Client

10. Client will keep Attorney advised of Client's address at all times, will appear on reasonable notice at any and all depositions and court appearances, and will comply with all reasonable requests of Attorney in connection with the preparation and presentation of the condemnation proceeding.

Attorney's Authority

11. Client gives Attorney the power and authority to execute any and all pleadings, claims, settlements, drafts, checks, compromises, releases, dismissals, deposits, orders, and other papers that Client could properly execute, and to receive on Client's behalf any moneys or other things of value to which Client may be entitled because of any judgment recovered, or any settlement agreed on, in connection with the claims covered by this Agreement.

Applicable Law

12. The laws of the State of California govern the construction and interpretation of this Agreement and any dispute between the parties, including without limitation, disputes arising out of or relating to this Agreement, the professional relationship between the parties, and the professional services rendered under this Agreement.

Entire Agreement

13. This document sets forth and constitutes the entire agreement between the undersigned parties and supersedes any previous discussions, negotiations, or agreements on the same subject.

Severability

14. If any provision of this Agreement is held unenforceable, in whole or in part, the remainder of the provision and the entire Agreement is severable and remains in effect.

Modification of Agreement

15. Any revisions or modifications of this Agreement must be made in writing and signed by both Attorney and Client.

Client's Receipt of Agreement and Knowledge of Terms

16. Client acknowledges that Client has read and fully understood all of the terms and conditions of this Agreement before signing it; that the undersigned is authorized to enter into this Agreement on behalf of Client; and that Client has received an executed copy of this Agreement.

PART IV. FORMS
C. Other Contingent Fee Agreements

28-86A California Legal Forms--Transaction Guide § 86A.221

§ 86A.221 Contingent Fee Agreement for Collections--Letter Form

[1] Comment

[a] Use of Form

This form is a contingent fee agreement confirming retention in a collection matter. It is designed to be used by an attorney whose client is a business, either wholesale or retail, with delinquent accounts. Most attorneys prefer the informality of letter-style, as opposed to contract-style, retention agreements. However, if the attorney and/or client desire a more formal employment contract, this form can be adapted to the contract style of § 86A.201.

Unlike the other types of contingent fee arrangements, this form provides that the attorney's percentage fee will decline as the amount recovered increases. The rationale behind this declining fee scale is that the collection of a small claim involves the same amount of work as a large one. This form defines "claim" as a debt arising from a transaction or series of transactions, the entire amount of which was due at the time the client referred the matter to counsel for collection to avoid any future misunderstanding with the client. If this definition is not suitable, the attorney should modify it to fit the circumstances.

For an analysis of the law governing contingency fee contracts, including the information that must be included in the agreement, see *§§ 86A.11[4], 86A.200[1][b]*. For discussion of execution and Spanish-langauge requirements, see *§ 86A.200[1][d], [e]*.

[b] Other Fee Agreements for Collection Cases

Collections that involve only one or very few claims are sometimes undertaken on contingent fee arrangements in which the percentage fees increase as the collection suits progress. This form may be adapted by including a fee scale similar to that in § 86A.200[1][b], [2] if this arrangement is preferable in light of the circumstances.

Other collection attorneys employ fixed fee schedules (for example, $25 for each letter requesting payment that the attorney sends to the debtor). If the attorney fails to collect the amount owed, the client turns the matter over to a

collection agency or suit is filed and the parties execute a contingency fee contract [*see § 86A.11[5]*].

[c] Regulation of Attorney Acting as Debt Collector

The conduct of attorneys and their employees who engage or assist in debt collecting is regulated [*see Bus. & Prof. Code § 6077.5*]. In general, they must comply with statutes regulating the practice of debt collecting [*see Civ. Code §§ 1788.10-1788.16*]. For discussion of the regulation of debt collecting, see Ch. 92, *Service Contracts* .

Contingent Fee Agreement for Collections--Letter Form

[*Letterhead of attorney or law firm*]
_____[*date*]
_____[*name of client*]
_____[*street address*]
_____[*city, state, zip*]

Dear _____ [*name of client*] :

This letter will confirm our conversation of _____[*date*], in which you retained this office to collect the following claims on behalf of your firm: [*specify claims e.g.*, $4,000 due from XYZ Corporation].

For purposes of this agreement, a "claim" is a debt arising from a transaction or series of transactions, the entire amount of which is due at the time you first refer the matter to this office for collection.

The attorneys' fee will be a percentage of the net amount obtained for you with regard to each claim. This office will advance all costs necessary for the collection of these claims. You will reimburse this office for those costs.

From the amount recovered on each claim, this office will first be repaid for all costs advanced on your behalf with regard to that claim and for which you have not yet made reimbursement. The attorneys' fee will be a percentage of the remaining balance recovered on each claim:

_____ [*e.g.*, 40 *or* 45] percent of the first $_____ [*e.g.*, 500 *or* 1,000].

_____ [*e.g.*, 35 *or* 40] percent of the next $_____ [*e.g.*, 500 *or* 1,000].

_____ [*e.g.*, 30 *or* 35] percent of the excess over $_____ [*e.g.*, 1,000 *or* 2,000].

No settlement of any claim will be made without your approval. This office may associate any other attorney at its discretion and expense [*optional:* and may withdraw at any time after giving you reasonable notice]. You have given this office an equitable lien for its services and costs advanced on your claims and recovery. You will appear on reasonable notice at any depositions and court appearances, and comply with all reasonable requests in connection with the preparation and presentation of this matter.

We appreciate the opportunity of being of service to you. If the terms of this letter differ in any respect from your understanding of our conversation of _____[*date*], please advise me. Otherwise, please date and sign the enclosed copy and return it to this office in the enclosed self-addressed envelope. Enclosed is an additional copy that you should retain for your records.

§ 86A.222 Contingent Fee Agreement for Employment Discrimination Claim--Letter Form

[1] Comment--Use of Form

This form is a letter-style contingent fee agreement that confirms an attorney's retention to represent a client in an employment discrimination class action under the Civil Rights Act of 1964 [*see 42 U.S.C. §§ 2000e-2000e-17*]. Most attorneys prefer the informality of letter style, as opposed to contract style retention agreements. However, if the attorney and/or client desire a more formal employment contract, this form can be adapted to the style of § 86A.201.

This form is drafted to include potential class representation. In employment discrimination actions under the Civil Rights Act of 1964, attorneys' fees are awarded to the prevailing party. This form provides that the client agrees to pursue an appeal if the court fails to award adequate attorneys' fees.

For an analysis of the law governing contingency fee contracts, see *§§ 86A.11[4], 86A.200[1][b]*. For discussion of execution and Spanish-language requirements, see *§ 86A.200[1][d], [e]*.

Dear _____ [*name of client*] :

This letter will confirm our understanding with you (and a class consisting of others similarly situated) that the matters discussed in our conversation of _____[*date*] will probably lead to a lawsuit for racial discrimination and other wrongs done.

This office will represent you and the class on the following terms:

- Two types of expenses will likely be incurred: out-of-pocket costs and hourly costs. Our office will advance these costs on your behalf. If the case is won or settled, the expenses may be fully recovered. If they are not fully recovered, then your award or settlement will first be used to pay any unrecovered out-of-pocket costs, after which _____ [*e.g.*, 331/3] percent of the remainder of your award will be held to cover unrecovered hourly expenses.

- If the court fails to award adequate attorneys' fees, you agree to appeal that matter on the recommendation of this office.

- No settlement of your claim will be made without your prior approval. You agree to consider seriously any settlement recommendations that we make, and you will not unreasonably withhold your consent to a recommended settlement proposal

- You will not be obligated to compensate this office for any matters related to, but not specifically covered in, this agreement.

The terms of our agreement for compensation are not set by law but have been negotiated between this office and yourself.

Please review this letter and, if it meets with your approval, sign and date the enclosed copy of this letter and return it to us in the envelope provided. § 86A.230 Retainer Agreement for Regular Legal Services for a Business--Letter Form

[1] Comment

[a] Use of Form

This form is a standard retainer agreement in which an attorney agrees to provide ordinary legal services for a business at a stipulated monthly rate. Most attorneys prefer the informality of letter-style, as opposed to contract-style, retainer agreements. However, if the attorney or client desires a more formal employment contract, this form can be adapted to the contract style of § 86A.201.

This form provides that the monthly rate does not cover the preparation of legal documents, obtaining patents and copyrights, the prosecution or defense of any legal or equitable action or other claims, or representing the client before any governmental agencies. The form further provides that counsel will be available to handle these additional matters, and that client will be charged at at the attorney's regular rates.

For an analysis of the principles governing the reasonableness of fees, see *§ 86A.16[1]*. For discussion of execution and Spanish-language requirements, see *§ 86A.200[1][d], [e]*.

[b] Retainer Agreements

A retainer fee arrangement exists when a client pays an attorney a specified sum of money to secure that attorney's availability over a given period of time. The attorney earns the retainer as soon as it is paid because the attorney is entitled to the money regardless of whether or not any legal services are actually peformed [*Baranowski v. State Bar (1979) 24 Cal. 3d 153, 164, 154 Cal. Rptr. 752, 593 P.2d 613]* . Retainer fee arrangements are particularly appropriate for attorneys with small business clients who ordinarily have questions that can be handled quickly and for which the attorneys prefer not to bill directly. The retainer arrangement benefits the small business client by affording that client readily available legal advice regarding ordinary matters. For an analysis of the factors that distinguish a retainer fee arrangement from an advance fee payment, see *§ 86A.11[3]*.

§ 86A.232 Retainer Agreement for Representation of Client in Action for Marital Dissolution--Letter Form

[1] Comment

[a] Use of Form

This form is a retainer agreement in letter-style in which an attorney agrees to represent a party to a marital dissolution action. It is designed so that it can be used for the representation of either the petitioner or the respondent.

Many attorneys prefer a letter-style retention agreement because they believe it allows the professional relationship to begin on a friendly note. However, if the attorney and/or the client prefer a more formal retention agreement, this form can be adapted to the contract style of § 86A.201. However, if this form is adapted to the contract-style of § 86A.201, care should be taken that the fee arrangement is not set out on a contingency basis [*see* [b], *below*].

For forms used in marital dissolution proceedings, See California Forms of Pleading and Practice, Ch. 220, *Dissolution of Marriage: Master Procedural Guide* (Matthew Bender).

For discussion of execution and Spanish-language requirements, see *§ 86A.200[1][d]* and *[e]*.

[b] Contracts for Representing Parties to Marital Dissolutions

Parties to a marital dissolution action often agree between themselves regarding property division, support, and child custody matters and consult an attorney solely to reduce their agreement to writing and obtain an appropriate court order. Since the parties may be unaware of the extent to which their interests in the matter conflict, the attorney must be extremely careful in accepting employment in these situations [*see § 86A.12[2]*; *see also § 86A.247* (contract addendum explaining multiple representation)].

A contingency fee contract between an attorney and the petitioner in a marital dissolution proceeeding generally is void as against the public policy favoring preservation of marriages [*see Coons v. Kary (1968) 263 Cal. App. 2d 650, 652-653, 69 Cal. Rptr. 712]* . However, a contingency fee contract between an attorney and a respondent may be

enforceable if it was executed after the dissolution action was instituted and an analysis of the circumstances (e.g., whether there is any possibility of a reconciliation) indicates that upholding the contract would not frustrate public policy [*see Krieger v. Bulpitt (1953) 40 Cal. 2d 97, 100-101, 251 P.2d 673]* .

For an analysis of the law governing contingency fee and other types of contracts, see *§ 86A.11* and *§ 86A.200[1][b]*.

Some attorneys representing parties to a marital dissolution charge an additional flat fee for obtaining the final decree. The retainer agreement should clearly state whether or not the attorney will charge an additional fee for this service and, if so, what that fee will be.

§ 86A.233 Retainer Agreement for Representation of Client in Federal Tax Matters--Letter Form

[1] Comment--Use of Form

This form is a retainer agreement for the representation of a client concerning collection problems with the Internal Revenue Service. Many attorneys prefer a letter style retainer agreement because they believe it allows the professional relationship to begin on a friendly note. However, if the attorney or the client prefers a more formal retention agreement, this form can be adapted to the contract style of § 86A.201.

_____[*city, state, zip*]

Dear _____ [*name of client*] :

This ATTORNEY-CLIENT FEE CONTRACT ("Contract") is entered in to between _____[*name of client(s)*] ("Client(s)") and _____[*name of attorney*] ("Attorney").

This agreement is required by *Business and Professions Code Section 6148* and is intended to fulfill the requirements of

that statute.

1. **Conditions.** This contract will not take effect, and Attorney will have no obligation to provide legal services, until Client[s] return a signed copy of this Contract and pay the deposit called for under Paragraph 3.

2. **Scope and Duties.** Client[s] hire Attorney to provide legal services in connection with their collection problems with the Internal Revenue Service for the tax years [*specify time period as limiting scope of representation, e.g.*, 2000 and 2001]. Attorney will provide those legal services reasonably required to represent Client[s] and will take reasonable steps to keep Client[s] informed of progress and to respond to [Client's *or* Clients'] inquiries. Attorney's services will not include litigation of any kind, whether in court, in administrative hearings, or before government agencies or arbitration tribunals. Client[s] will be truthful with Attorney, cooperate with Attorney, keep Attorney informed of developments, abide by this contract, pay Attorney's bill on time and keep Attorney advised of [Client's *or* Clients'] address, telephone number and whereabouts.

3. **Deposit.** Client[s] paid $_____ on _____[*date*]. Clients will pay an additional $_____ by _____[*date*]. Any part of this sum that has not been earned at that point will be deposited in a trust account, to be used to pay costs and expenses and fees for legal services. Client[s] authorize Attorney to withdraw sums from the trust account to pay costs and fees incurred on behalf of Client[s]. Any unused deposit at the conclusion of Attorney's services will be refunded.

4. **Legal Fees.** Client[s] agree to pay legal services at the following rates:

Attorney: _____ [*specify hourly rate, e.g.*, $250.00/hr.]

Paralegal: _____ [*specify hourly rate, e.g.*, $50.00/hr.]

Secretary: _____ [*specify hourly rate, e.g.*, $25.00/hr.]

5. **Costs and Expenses.** In addition to paying legal fees, Client[s] will reimburse Attorney for all costs and expenses incurred by the Attorney, including, but not limited to fees fixed by law or assessed by public agencies, long distance telephone calls, messenger and delivery fees, postage, copying at $_____ per page, parking fees, mileage at _____ cents per mile, investigation expenses, consultant's fees, and other similar items. Client[s] authorize Attorney to incur all reasonable costs and to hire any investigators or consultants reasonably necessary in Attorney's judgment, unless one or both of the clauses below are initialed by Client[s] and Attorney.

_____ Attorney will obtain [Client's *or* Clients'] consent before incurring any cost in excess of $_____.

_____ Attorney will obtain [Client's *or* Clients'] consent before retaining outside investigators or consultants.

6. **Statements.** Attorney will send Client[s] periodic statements within [*specify, e.g.*, 35 days] of each statement's date. Client[s] may request a statement at intervals of no less than [*specify, e.g.*, 30 days]. On [Client's *or* Clients'] request, Attorney will provide a statement within [*specify, e.g.*, 10 days].

7. **Discharge and Withdrawal.** Client[s] may discharge Attorney at any time. Attorney may withdraw with [Client's *or* Clients'] consent or for good cause. Good cause includes [Client's *or* Clients'] breach of this Contract, [Client's *or* Clients'] refusal to cooperate with Attorney or to follow Attorney's advice on a material matter, or any other fact or circumstance that would render Attorney's continuing representation unlawful or unethical.

8. **Conclusion of Service.** When Attorney's services conclude, all unpaid charges will become immediately due and payable. After Attorney's services conclude, Attorney, at [Client's *or* Clients'] request, will deliver [Client's *or* Clients'] original documents, if any, to Client[s], along with Client funds or property in Attorney's possession.

9. **Disclaimer of Guarantee.** Nothing in this Agreement and nothing in Attorney's statements to Client[s] will be construed as a promise or guarantee about the outcome of [Client's *or* Clients'] matter or that a specific result will be achieved. Attorney makes no promises or guarantees. Attorney's comments about the outcome of [Client's *or* Clients'] matter are expressions of opinion only.

10. **Effective Date.** This Contract will take effect when Client[s] [has *or* have] performed the conditions stated in Paragraph 1, but its effective date will be retroactive to the date Attorney first provided services. The date at the beginning of this Contract is for reference only. Even if this Contract does not take effect, Clients will be obliged to pay Attorney the reasonable value of any services Attorney may have performed for Clients.

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 86A AGREEMENTS FOR LEGAL SERVICES
PART IV. FORMS
D. Other Retention Agreements

28-86A California Legal Forms--Transaction Guide § 86A.234

§ 86A.234 Hourly Fee Agreement for Representation--Contract Form

[1] Comment

[a] Use of Form

This form is a compensation agreement under which an attorney agrees to perform stated services for a client for a designated hourly fee that is not contingent on the attainment of a specified result. The hourly rate may easily be converted to a statutory fee or flat fee. This form is drafted for use in a contract style agreement but may be adapted for use in a letter style agreement.

For clarity, this form provides for separate hourly rates for attorneys and legal assistants. Further, the form explains that time is charged in increments of an hour, and assigns a percentage for tasks such as telephone calls and letters. Finally, the form permits counsel to charge less than the designated hourly rate for certain tasks, such as travel time [*see* [2], PP 4, 5, *below*].

[b] Advantages of Hourly Billing

When the amount of time that will be needed to complete the task is difficult to determine in advance, an hourly rate agreement may be the fairest arrangement for both attorney and client. It ensures that the attorney will be compensated for all work actually performed, even if the task takes more time than originally anticipated. Conversely, it assures the client that he or she will pay only for the time it actually takes the attorney to complete the task. Thus, if the attorney is able to complete the task in less time than anticipated, the attorney's fee may be less than if a lump sum was charged for the same service. Finally, if the client has a change of mind about the service or terminates the attorney's services before the task is complete, it is much easier to determine the fee due to the attorney under an hourly rate arrangement than under a flat fee or contingent fee agreement.

[c] Writing and Content Requirements

With stated exceptions [*see Bus. & Prof. Code § 6148(d)*; *see also § 86A.11[2][c]*], attorneys' fees agreements other

than contingent fee contracts [*see Bus. & Prof. Code § 6147*; *see also § 86A.11[4]*] must be in writing if it is reasonably foreseeable that total expense to the client, including attorneys' fees, will exceed $1,000. These contracts must contain the following [*Bus. & Prof. Code § 6148(a)*; *see Bus. & Prof. Code § 6148(e), (f)* (rule applicable to fee agreements executed after January 1, 2000)]. Written contracts must contain all of the following [*Bus. & Prof. Code § 6148(a)*]:

- The basis of compensation including, but not limited to, hourly rates, statutory fees or flat fees, and other standard rates, fees, and charges applicable to the case.
- The general nature of the legal services to be provided to the client.
- The respective responsibilities of the attorney and the client as to the performance of the contract.

These statutory requirements are somewhat vague. For example, the statutory reference to fees and charges applicable to the "case" could be construed to limit application of the statute to situations involving an actual case or controversy, as opposed, for example, to nonlitigation work such as estate planning, business transactions, and real estate transactions. The statute also offers no guidance on what ought to be included in "standard rates, fees, and charges," how much detail the statement of the "general nature of the legal services" should contain, and what matters should be included under the description of the "respective responsibilities of the attorney and the client."

The lack of detail in the statute poses a definite drafting problem for attorneys. Given the uncertainties noted above, it is recommended that attorneys make the descriptions of fees, legal services, and responsibilities of the parties as detailed as reasonably possible, and that a written contract complying with the statutory requirements be used in nonlitigation transactions as well as those relating to representation in a "case." No harm will be done by the use of a more detailed written agreement, and the more detail that is included, the less likely that the contract will be voided for failure to comply with the statutory requirements.

When the parties enter into the contract, the attorney must provide a duplicate copy of the contract signed by both the attorney and the client, or the client's guardian or representative, to the client or to the client's guardian or representative [*Bus. & Prof. Code § 6148(a)*].

The failure to comply with any of these requirements renders the fee agreement voidable at the option of the client. However, if the agreement is voided, the attorney is still entitled to collect a reasonable fee for his or her services [*Bus. & Prof. Code § 6148(c)*; *see § 86A.11[2][d]*].

Employment of Attorney[s]

2. Client retains and employs [Attorney *or* Attorneys] to act as legal counsel for Client in the matter of _____[*specify case title if a legal action is pending, e.g.,* Dupree v. August West & Co., Case No. _____, _____ (*court); or describe subject or transaction; e.g.,* the sale of the apartment building located at _____].

Obligations of Attorney[s]

[*For representation involving litigation:*]

3. [Attorney *or* Attorneys] will [*specify services that attorney(s) will provide, e.g.,* defend Client in the action specified in Paragraph 2, including, as necessary and with the prior consent of Client: the preparation of pleadings, motions, and related matters; conduct of discovery; filing of cross-complaints and any complaints against third parties relating to the action described in Paragraph 2; conduct of settlement negotiations; and conduct of trial].

[*Or, for representation not involving litigation:*]

3. [Attorney *or* Attorneys] will [*specify all actions and activities that attorney will have to take, e.g,* draft or review all necessary documents and advise Client regarding the legal effect of all proposed terms and conditions; counsel Client regarding the legal consequences of the sale; negotiate with the prospective purchasers, if requested to do so by Client, regarding the resolution of any legal issues connected with the sale; and assist Client in obtaining all necessary permits and taking any other steps that may be necessary to complete the transaction].

Basic Hourly Fees

4. Client agrees to pay [Attorney *or* Attorneys] for the services described in Paragraph 3, above, as follows: _____ [*specify hourly rate for counsel and legal assistants, e.g.,*

- Senior partner: _____ (*specify hourly rate, e.g.,* $250.00/hr.)

- Facsimile charges at the rate of $_____ per page.

- Any filing fees, permit fees, or other fees paid or advanced by _____ [Attorney *or* Firm] on behalf of Client in accordance with Paragraph 6, *below*.

- _____ [*Specify any other costs or expenses to be paid by client*.]

Costs

6. Client agrees to pay all fees, costs, and expenses arising out of the matter referred to in Paragraph 3, above. [Attorney *or* Attorneys] will not be obligated to pay or advance any fees, costs, or expenses, and may at _____[his *or* her *or* their] sole option (1) require Client to advance payment for any such costs; or (2) arrange to have those costs directly billed to Client. Notwithstanding this Paragraph 6, [Attorney *or* Attorneys] may, at _____[his *or* her *or* their] sole option, advance such costs as _____[he *or* she *or* they] deem[s] appropriate and obtain reimbursement from Client under Paragraph 5. The fact that [Attorney *or* Attorneys] elect[s] to advance any particular item of cost of behalf of Client does not create an obligation to advance the same or similar items of cost at any future time.

Billing

7. [Attorney *or* Attorneys] will submit monthly billing statements to Client itemizing amounts charged under the basic hourly rate stated in Paragraph 4, above, and any costs and expenses for which [Attorney is *or* Attorneys are] entitled to reimbursement under Paragraph 5, above. Client agrees to pay the amount due within 30 days following receipt of the

billing statement.

Cooperation includes, but is not limited to attendance at all proceedings, meetings, conferences, and other events at which Client's presence is required; and providing [Attorney *or* Attorneys] with any necessary documents and other information promptly on request.

Governing Law

9. The validity of this Agreement and of any of its terms or provisions, as well as the rights and duties of the parties under this Agreement, will be construed pursuant to and in accordance with California law.

Entire Agreement

10. This document sets forth and constitutes the entire agreement between Client and [Attorney *or* Attorneys] and supersedes any previous discussions, negotiations, or oral or written agreements on the same subject. This Agreement contains all of the covenants and agreements between the parties with respect to the subject matter of this Agreement, and each party to this Agreement acknowledges that no representations, inducements, promises, or agreements have been made by or on behalf of any party except those covenants and agreements embodied in this Agreement. No agreement, statement, or promise not contained in this Agreement is valid or binding.

Severability

11. If any provision of this Agreement is held unenforceable, in whole or in part, the remainder of the provision and the entire Agreement is severable and remains in effect.

Modification of Agreement

[*Either:*]

12. Any revisions or modifications of this Agreement must be made in writing and signed by both Client and [Attorney *or* Attorneys].

[*OR, to permit oral modification:*]

12. Any revisions or modifications of this Agreement must be made in writing and signed by both Client and [Attorney *or* Attorneys] or by oral agreement to the extent that the parties act in accordance with the modification.

[*Continue with the following:*]

Client's Receipt of Agreement and Knowledge of Terms

13. Client acknowledges that Client has read and fully understood all of the terms and conditions of this Agreement before signing it; that the undersigned is authorized to enter into this Agreement on behalf of Client; [*optional:* that Client has consulted with counsel other than [Attorney *or* Attorneys] for advice with respect to this Agreement;] that Client has received an executed copy of this Agreement.

[1] Comment--Use of Form

This form is a provision for the accrual of interest on overdue attorneys' fees. It may be included in any retention agreement if the attorney wants to charge his or her client interest on overdue accounts. It is drafted in letter format but can be easily converted to contract format.

Including this type of interest provision may facilitate prompt collections of attorneys' fees. However, this form lends a commercial tone to the creation of the attorney-client relationship. Attorneys who are concerned about their professional relationships commencing on a friendly level and who take a more service-oriented approach toward their practices will probably prefer not to use this form.

§ 86A.245 Mediation Provision

[1] Comment--Use of Form

This form provides that the parties will make good faith efforts to resolve disputes by mediation before pursuing other forms of dispute resolution. This form is drafted for use in a contract style agreement but may be adapted for use in a letter style agreement.

Mediation offers attorneys and clients an opportunity to resolve disputes in a confidential setting [*see Bus. & Prof. Code § 6200(h)*]. The mediation process is based on direct negotiations between the attorney and his or her client, and is an extension of the negotiated settlement process. All discussions and offers of settlement are confidential and may not be disclosed in subsequent arbitration or other proceedings [*Bus. & Prof. Code § 6200(h)*].

Mediation is voluntary for both clients and attorneys [*Bus. & Prof. Code § 6200(c)*]. The parties should be cognizant of the fact that counsel probably will not be able to compel client mediation involuntarily if it would affect the client's rights to arbitrate a fee dispute [*see Bus. & Prof. Code § 6200 et seq.*].

For further discusssion of mediation and arbitration, see *§ 86A.19*.

E. Miscellaneous Provisions and Related Forms

28-86A California Legal Forms--Transaction Guide § 86A.247

§ 86A.247 Contract Addendum Explaining Joint Representation

[1] Comment

[a] Use of Form

This form is an addendum to a legal services agreement that may be used when counsel will be representing multiple clients. The form is intended primarily for use when the prospective clients are spouses, but may also be used in other situations involving joint representation.

This form is detailed and specific and is drafted in formal contract language. It can be converted to letter format if desired. For a letter form agreement dealing with the provision of estate planning services, see *§ 86A.211*. Attorneys who prefer a simpler, less formal disclosure letter, may wish to use the alternative conflict of interest disclosure *form in Ch. 60, Estate Planning, § 60.201*, in situations involving estate planning services. For a detailed conflict of interest disclosure letter for use in situations involving the formation of a business, see *Ch. 1A, Role of Counsel In Starting a New Business, § 1A.203*.

For discussion of an attorney's basic duties with respect to conflicts of interest and other issues that typically arise in the context of joint representation, see *§ 86A.12[3]*.

[b] Disclosures Regarding Communications and Confidential Information

The form explains that communications and information may be fully disclosed to the other client unless the client informs counsel that a a particular communication or item of information must be considered confidential from the other client. It also explains that this disclosure is an exception to the general rule that attorneys not disclose confidential communications or secrets of a client. By signing the addendum, each client expressly consents to this limited disclosure, except for communications or items of information that the client has indicated must remain confidential from the other client [*see* [2], P 2, *below*].

[c] Conflict of Interest Disclosures

The form informs the clients that the Rules of Professional Conduct of the State Bar of California require counsel to inform clients in writing of the relevant circumstances and of the actual and foreseeable adverse consequences to a client before an attorney may represent two or more clients interested in the same subject matter [*see* Cal. Rules Prof. Cond., Rule 3-310, discussed in *§ 86A.12[3]*]. When the clients' interests potentially conflict, counsel may not represent them without their informed written consent [*see* [2], P 3, *below*].

[d] Withdrawal of Counsel

The form explains that counsel may withdraw if one client object to the withholding of information as requested by the other client, or if there is an actual conflict between the interests of the Client, provided the withdrawal is permitted under the State Bar's Rules of Professional Conduct. By signing the addendum, each client expressly consents to the multiple representation despite the possibility of conflict [*see* [2], P 4, *below*].

[e] Representation of Adverse Interests

The form informs the clients that the Rules of Professional Conduct require that counsel inform a client in writing of the relevant circumstances and of the actual and reasonably foreseeable adverse consequences to the client, before beginning or continuing to represent the client, when the attorney has or had a relationship with another party interested in the subject matter of the attorney's proposed representation of the client. The form explains that counsel is unaware of any relationship with any other party interested in the subject matter of the services for the client under the agreement, or of any separate matter in which client has an interest adverse to that of any client of attorney other than that stated in the agreement. By signing the addendum, each client expressly consents to the multiple representation despite the possibility of conflict [*see* [2], P 5, *below*].

Contract Addendum Explaining Joint Representation

ADDENDUM TO LEGAL SERVICES AGREEMENT:
Confidentiality, Conflicts of Interest, and Representation of Adverse Interests in Situations Involving Joint Representation of Multiple Clients

Additional Provisions

1. In addition to the terms and conditions stated in the agreement for legal services between Attorney and Clients being executed concurrently with this document, Clients understand and agree to the following additional terms and conditions arising from the fact that Attorney will be jointly representing both Clients with respect to the matters set forth in the agreement for legal services.

Communications and Confidentiality

2. Any communications and information may be fully disclosed by Attorney to either Client unless one Client informs Attorney of his or her desire that a particular communication or item of information be considered confidential and be withheld from the other Client. Clients have been informed and understand that California law requires that an attorney not disclose confidential communications or secrets of a client. Each Client hereby expressly consents to disclosure to the other Client except for communications or items of information about which he or she informs Attorney that confidentiality from the other Client must be maintained. If a Client informs Attorney that confidentiality must be maintained from the other Client with respect to a particular communication or item of information, Attorney will

advise the other Client that such a request has been made, without divulging its subject matter, and will inquire whether the other Client objects to Attorney withholding the communication or item of information from the other Client. Nothing in this provision is intended to authorize, under any circumstances, Attorney's disclosure of confidential communications or secrets of either Client to any individual or entity other than the other Client.

Conflicts of Interest

3. Clients have been informed and understand that the Rules of Professional Conduct of the State Bar of California require that before an attorney may represent two or more clients interested in the same subject matter, the attorney must inform each client in writing of the relevant circumstances and of the actual and foreseeable adverse consequences to the client. Clients are further informed that the Rules require that when the interests of the clients potentially conflict, the attorney may not represent them without their informed written consent. Attorney has explained to Clients the possibility of conflict that is raised by multiple representation with respect to the legal services that Attorney will be providing to Clients. Each Client hereby consents to the multiple representation despite the possibility of conflict.

Attorney Withdrawal

4. Attorney may withdraw from representing both Clients if one Client objects to Attorney withholding from him or her a communication or item of information as requested by the other Client, or if there is an actual conflict between the interests of the Clients, provided the withdrawal is permitted under the Rules of Professional Conduct of the State Bar of California.

Representation of Adverse Interests

5. Clients have been informed and understand that the Rules of Professional Conduct of the State Bar of California require that before an attorney may begin or continue to represent a client when the attorney has or had a professional relationship with another party interested in the subject matter of the attorney's proposed representation of the client, the attorney must inform the client in writing of the relevant circumstances and of the actual and reasonably foreseeable adverse consequences to the client. Client is further informed that the Rules require that, before an attorney may represent a party who, in a separate matter, has an interest adverse to that of the attorney's client in the separate matter, the attorney obtain the informed written consent of both parties. Attorney is not aware of any relationship with any other party interested in the subject matter of Attorney's services for client under this Agreement or of any separate matter in which Client has an interest adverse to that of any client of Attorney other than what is set forth in this Agreement.

Clients' Understanding and Agreement

6. Clients acknowledge that Attorney has discussed with each of them the issues that may arise when an attorney jointly represents more than one client, that each of them has carefully read this document, and that Attorney has answered all questions that Clients have asked regarding any aspects of this joint representation about which they may have been unsure. Clients represent that each of them understands the matters contained in this document and explained by Attorney regarding joint representatation, and that with full awareness of these matters, each Client is willing and agrees to be jointly represented by Attorney. Clients further acknowledge that Attorney has suggested to them that each of them may wish to consult independent counsel regarding the advisability of joint representation, and that they have either consulted such counsel or do not wish to do so.

PART IV. FORMS
E. Miscellaneous Provisions and Related Forms

28-86A California Legal Forms--Transaction Guide § 86A.248

§ 86A.248 Letter Demanding Fees and/or Costs and Advising Client Regarding Availability of Arbitration and/or Mediation

[1] Comment

[a] Use of Form

This form is a demand letter for attorneys' fees, costs, or both. It advises the client of the availability of arbitration and/or voluntary mediation to settle a fee and/or cost dispute. It is designed to be used when the attorney and client disagree regarding the amount due to the attorney for his or her services. The letter in this form should be sent only after the attorney has made a reasonable attempt at resolving the fee dispute. It should be sent through certified or registered mail with a return receipt requested so that the date of receipt can be verified if the need arises.

This form should not be used when the client does not dispute that attorneys' fees and/or costs are due but lacks sufficient money to pay those amounts. In cases of this type, the attorney should evaluate the client's financial situation and consider discounting the amount owed, abandoning the claim, or taking a promissory note from the client.

For further discussion of mediation and arbitration, see *§ 86A.19*. For an analysis of the factors involved in determining whether attorneys' fees are reasonable and the principles followed in collection suits by attorneys against their clients, see the *discussion under § 86A.16*. For forms to be used in suits to collect legal fees and/or costs, see *California Forms of Pleading and Practice, Ch. 72, Attorney Practice and Ethics, § 72.430 et seq.* (Matthew Bender)**,** and California Points and Authorities, Ch. 25, *Attorney's Fees* (Matthew Bender).

[b] Arbitration of Fee and/or Cost Disputes

Before, or at the same time as, the attorney serves a client with a summons in an action for collection of fees and/or costs, or in any other proceeding against the client under a contract between the attorney and the client that provides for an alternative to arbitration for fees and/or costs, an attorney must give the client written notice of his or her right to arbitrate their dispute under *Bus. & Prof. Code §§ 6200-6206*. An attorney's failure to properly notify the client of the available arbitration program constitutes grounds for dismissal of any collection suit or other proceeding that the

attorney may begin against the client [*Bus. & Prof. Code § 6201(a)*]. However, this notice is not required before initiating mediation of the dispute [*Bus. & Prof. Code § 6201(a)*; *see § 86A.19[2]*].

A client who does not request arbitration within 30 days after receiving the notice waives the right to arbitrate [*Bus. & Prof. Code § 6201(a)*]. Further, a client's right to request or maintain arbitration is waived if the client commences an action or files any pleading seeking (1) judicial resolution of a fee dispute; or (2) affirmative relief against the attorney for damages or otherwise based on alleged malpractice or professional misconduct [*Bus. & Prof. Code § 6201(d)*]. However, even if a client waives the right to arbitration, the parties may stipulate to set aside the waiver and to proceed with arbitration [*Bus. & Prof. Code § 6201(e)*].

The State Bar is required to establish by rule an appropriate procedure to disqualify an arbitrator or mediator at the request of either party [*Bus. & Prof. Code § 6204.5(a)*; *see* Rules of Procedure for Fee Arbitrations and the Enforcement of Awards by the State Bar of California, Rule 23]. The State Bar, or a local bar association delegated to conduct the arbitration, must deliver a notice to the parties advising them of their rights to judicial relief after the arbitration proceeding [*Bus. & Prof. Code § 6204.5(b)*].

[c] Practical Considerations

An attorney who contemplates suing his or her client for fees and/or costs should consider the ethical and practical problems associated with that course of action [*see § 86A.12[2]*]. Further, if the attorney is handling other matters for the client, the attorney must weigh the extent of the fee and/or cost dispute, and balance it against the total value of the client's business. The attorney must also consider the likelihood that the client will cross-complain for legal malpractice. If the attorney decides to proceed with a collection suit, he or she should obtain separate counsel to prosecute that suit, and should also ensure that the client is advised to obtain independent counsel.

[1] Comment--Use of Form

This form is a letter declining employment. It is designed to be used by an attorney who has been consulted by a prospective client but who has decided to decline employment. Immediately after deciding not to accept employment, an attorney should orally advise the rejected party of that decision. The attorney should then confirm the declination with the letter in this form.

If the rejected party provided the attorney with any documents relative to the proposed employment, counsel should return these documents when sending this letter. An attorney should send all declination letters by either registered or certified mail with a return receipt requested. If ever the need ever arises, counsel will be able to document that an attorney-client relationship never existed with the rejected party.

CHAPTER 88 LICENSING OF CONTRACTORS

29-88 California Legal Forms--Transaction Guide Scope

Scope

Scope

This chapter covers the licensing of contractors pursuant to the Contractors' State License Law [*Bus. & Prof. Code § 7000 et seq.*] and its implementing regulations [*16 Cal. Code Reg. § 810 et seq.*]. These licensing requirements basically apply to any person who engages in construction work for more than $500 in compensation [*see Bus. & Prof. Code § 7048*], unless the person or proposed project is specifically exempted. The Legal Background presents an overview of the licensing requirements, and the Transaction Guide lists the exemptions and sets forth a step-by-step guide for complying with the requirements.

The Transaction Guide also deals with certain post-licensing provisions of the Contractors' State License Law, such as the requirements for renewing licenses, preparing acceptable advertisements, and replacing key personnel. It also contains a brief discussion of the procedures for reinstating licenses that were revoked or suspended in a disciplinary proceeding. For a thorough discussion of licensing-related litigation, see California Forms of Pleading and Practice, Ch. 104, *Building Contracts* (Matthew Bender).

For related discussions, see Ch. 89, *Home Improvement and Specialty Contracts* , Ch. 90A, *State Government Contracts* , Ch. 90B, *Federal Government Contracts* , and Ch. 30D, *Construction Contracts and Subcontracts* .

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 88 LICENSING OF CONTRACTORS
PART II. LEGAL BACKGROUND

29-88 California Legal Forms--Transaction Guide § 88.10

§ 88.10 Overview of Licensing Requirement

[1] Purpose and Administration

The Contractors' State License Law [*Bus. & Prof. Code § 7000 et seq.*] is designed to protect the public against the consequences of incompetent workmanship, imposition, and deception [Asdourian v. Araj (1985) 38 Cal. 3d 276, 282, 211 Cal. Rptr. 703, 696 P.2d 95] . It is intended to insure the safety and protection of the public by preventing the inexperienced from acting as contractors [Gatti v. Highland Park Builders, Inc. (1946) 27 Cal. 2d 687, 690, 166 P.2d 265 ; *see Bus. & Prof. Code § 7068(a)* (Contractors' State License Board may require applicant to show such knowledge and experience as Board deems necessary for safety and protection of public)]. The law is administered by the Contractors' State License Board [*Bus. & Prof. Code § 7010*; *see Bus. & Prof. Code §§ 7000.5-7021*]. The Board's highest priority is protecting the public. Whenever that priority is inconsistent with other interests sought to be promoted, protecting the public is paramount [*Bus. & Prof. Code § 7000.6*]. Many of the administrative duties of the Board are carried out by the Registrar of Contractors (referred to in this chapter as the "Registrar"), who is the executive officer and secretary of the Board [*Bus. & Prof. Code § 7011* (to remain in effect until January 1, 2011, and repealed as of that date, unless later enacted statute that is enacted before January 1, 2011, deletes or extends that date)].

[2] Licenses and Ongoing Regulation

All potential contractors, including individuals, partnerships, and corporations, must be licensed unless a specific exemption is available. It is a misdemeanor for any nonexempt person or entity to engage in the business or act in the capacity of a contractor in California without having a contractor's license [*Bus. & Prof. Code §§ 7028(a), 7065*; *see Bus. & Prof. Code § 7025*].

The Contractors' State License Law also governs licensed contractors. Any licensee violating the ongoing standards of conduct prescribed by the law will be subject to disciplinary action [*see Bus. & Prof. Code §§ 7090-7124.6* (disciplinary proceedings)].

[3] Exempt Persons and Projects

Numerous persons, projects, and businesses are exempt from the requirements of the Contractors' State License Law [

see Bus. & Prof. Code §§ 7040-7054.5]. One of the most important exemptions applies to improvements made by the owner of the affected property, if the work is not done for purposes of sale and certain other requirements are met [*see Bus. & Prof. Code § 7044(a)(1)*]. Another significant exemption applies to improvements made by a homeowner on his or her own principal residence [*see Bus. & Prof. Code § 7044(a)(3)*]. For a complete list of these exemptions, see *§ 88.110*.

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 88 LICENSING OF CONTRACTORS
PART II. LEGAL BACKGROUND

29-88 California Legal Forms--Transaction Guide § 88.11

§ 88.11 Definition of "Contractor"

For purposes of the Contractors' State License Law, the terms "contractor" and "builder" are synonymous. "Contractor" means any person (defined as an individual or certain entities) [*see Bus. & Prof. Code § 7025*] who undertakes to construct, alter, repair, add to, subtract from, improve, move, wreck, or demolish any building, highway, road, parking facility, railroad, excavation, or other structure, project, development, or improvement. Certain work performed in connection with these tasks, such as cleaning or erecting scaffolding or preparing and removing roadway construction zones, lane closures, flagging, or traffic diversions, or installing, repairing, maintaining, or calibrating monitoring equipment for underground storage tanks, is also the work of a contractor. Note that there is no requirement that the above work involve the addition of any material or article of merchandise [*Bus. & Prof. Code § 7026*].

"Contractor" specifically includes subcontractors and specialty contractors [*Bus. & Prof. Code § 7026*]. In addition, the term includes persons who engage in the following activities:

- Servicing air conditioning, heating, or refrigeration equipment that is a fixed part of the structure to which it is attached [*Bus. & Prof. Code § 7026.1(a)*; *but see Bus. & Prof. Code § 7053* ("contractor" does not include employee who does not customarily engage in independently established business, and who does not have control over work)];

- Undertaking, offering to undertake, purporting to have the capacity to undertake, or submitting a bid to construct buildings or home improvement projects [*Bus. & Prof. Code § 7026.1(b)*];

- A temporary-labor service agency that, as the employer, provides employees to perform work for which a license is required [*Bus. & Prof. Code § 7026.1(c)*];

- Trimming or removing trees (except incidental pruning by a nursery person or gardener) [*Bus. & Prof. Code § 7026.1(d)*];

- Drilling water wells [*Bus. & Prof. Code § 7026.1(e)*];

- Installing carpet (not including the sale of installed carpet by the holder of a retail furniture dealer's license if the carpet is installed by a licensed contractor and that fact is properly certified by the seller) [*Bus. & Prof. Code § 7026.3*; *see Bus. & Prof. Code § 19051* (retail furniture dealer's license)];

- Working on mobilehomes or mobilehome accessory buildings and structures for the purpose of occupancy as a dwelling [*Bus. & Prof. Code § 7026.2(a)*; *see Bus. & Prof. Code §§ 7045*, *7046*]; and

- Installing home improvement goods [*Bus. & Prof. Code § 7045*; *see Bus. & Prof. Code § 7151* ("home improvement goods" defined)].

The term "contractor" does not include persons who perform construction management services [*The Fifth Day LLC v. Bolotin, (2009) 172 Cal. App. 4th 939, 950, 91 Cal. Rptr. 3d 633]* .

Any person who indicates to the public that he or she is a contractor is subject to the Contractors' State License Law, whether or not his or her operations are specifically exempted from its requirements [*Bus. & Prof. Code § 7027*].

Some persons and entities falling within the above definition are specifically exempted from the requirements of the Contractors State License Law [*see § 88.110*].

For the definition of "home improvement contractor," see *§ 88.20[1]*.

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 88 LICENSING OF CONTRACTORS
PART II. LEGAL BACKGROUND

29-88 California Legal Forms--Transaction Guide § 88.12

§ 88.12 Classifications of Contractors

[1] Classification Process

Because the definition of "contractor" is extremely broad and the varied activities of contractors require different experience, skills, and qualifications, licensees are classified according to their talents [*see 16 Cal. Code Reg. §§ 830, 834*]. Consequently, each applicant for an original license must give on the application form [*see § 88.200[2]*] a statement of the classification applied for. After passing an examination that is tailored to the specified classification [*see § 88.13[1]*], the licensee will be classified by the Registrar [*16 Cal. Code Reg. §§ 830(a), 832*]. Licensees are generally prohibited from contracting outside of the classification in which they are licensed [*16 Cal. Code Reg. § 830*; *see* [5], *below*, for an exception to this prohibition].

[2] Categories for All Contractors

Every licensed contractor is classified into one or more of the following categories (also referred to as "branches") by the Registrar [*Bus. & Prof. Code § 7055*; *16 Cal. Code Reg. § 830(a)*]:

- General engineering contractor;
- General building contractor; and
- Specialty contractor.

A general engineering contractor deals primarily with fixed works requiring specialized engineering knowledge and skill, such as irrigation projects, highways, and excavations [*Bus. & Prof. Code § 7056*]. A general building contractor's principal contracting business involves structures used for persons, animals, chattels, or any kind of movable property, requiring in their construction the use of at least two unrelated building trades or crafts [*Bus. & Prof. Code § 7057(a)*]. The Transaction Guide contains the nonexclusive statutory list of projects falling within those two classifications [*see § 88.110*, P 3]. Finally, specialty contractors perform specialized tasks that are subclassified into specific categories for licensing purposes [*see* [4], *below*].

[3] Restrictions on General Building Contractors' Contracts and Work

A general building contractor may take a prime contract or a subcontract for a framing or carpentry project. However, to protect the public against contractors who have not demonstrated competence in specified specialty aspects of work for which a specialty license is required [*see* 1996 Stats., ch. 812, § 9(b)], a general building contractor may not take a prime contract for any project involving trades other than framing or carpentry unless one of the following occur [*Bus. & Prof. Code § 7057(b)*]:

- The prime contract requires at least two unrelated building trades or crafts other than framing or carpentry;
- The general contractor holds the appropriate license classification; or
- The general contractor subcontracts with an appropriately licensed contractor to perform the work.

The same conditions apply to a general building contractor who seeks a subcontract involving trades other than framing or carpentry, i.e., either the subcontract must require at least two unrelated trades or crafts other than framing or carpentry, or the general contractor must hold the required license classification [*Bus. & Prof. Code § 7057(b)*].

In either situation, the general contractor may not count framing or carpentry in calculating the two unrelated trades necessary for the contractor to be able to take the prime contract or subcontract [*Bus. & Prof. Code § 7057(b)*].

A general building contractor is specifically prohibited from performing fire protection or well drilling contracting work unless he or she holds the license classification or subcontracts with an appropriately licensed contractor [*Bus. & Prof. Code § 7057(c)*].

The 1997 legislation that specifically limited the ability of general building contractors to perform work for which a specialty license is required was a response to two decisions in which the courts voided a long-standing Board regulation that generally prohibited a general building contractor from contracting for a job requiring fewer than three unrelated building trades. The courts ruled that the "three-trade" regulation was inconsistent with the definition of a general building contractor. The courts also ruled that the regulation was invalid on the technical issue that it went beyond the Board's rule-making authority [*see Hazard, Jr. Enterprises, Inc. v. Insurance Co. of the West (1997) 52 Cal. App. 4th 1088, 60 Cal. Rptr. 2d 921* ; *Home Depot U.S.A., Inc. v. Contractors' State License Bd. (1996) 41 Cal. App. 4th 1592, 1600-1603, 49 Cal. Rptr. 2d 302]* . The courts' invalidation of the regulation technically opened the door for general building contractors, who generally are experienced only in carpentry and framing, to undertake any of the specialties [*see* [4], *below*] that they may not necessarily be qualified to do. In enacting the 1997 legislation, the Legislature expressed its intent to modify the *Home Depot* and *Hazard Enterprises* holdings to the extent that they could be construed to support the proposition that any entity possessing a general building contractor's license may perform any work that otherwise requires a specialty license [*see* 1997 Stats., ch. 812, § 9(a)].

[4] Subclassification of Specialty Contractors

Specialty contractors perform construction work that requires special skill and involves the use of specialized building trades or crafts [*Bus. & Prof. Code § 7058(a)*]. Specialty contractors include contractors (1) who service or test fire extinguishing systems [*Bus. & Prof. Code § 7058(b)*]; (2) who install and lay carpets, linoleum, and resilient floor covering [*Bus. & Prof. Code § 7058(c)*]; and (3) whose operations are concerned with preparing or removing roadway construction zones, lane closures, flagging, or traffic diversions on roadways [*Bus. & Prof. Code § 7058(d)*]. Because of the skills required for specialty contracting, specialty contractors must qualify for licensing in one or more of the following subclassifications that are, as their names imply, based on specialized skills:

- Boiler, hot-water heating, and steam-fitting [*see 16 Cal. Code Reg. § 832.04*].
- Building moving and demolition [*see 16 Cal. Code Reg. § 832.21*].
- Cabinet, millwork, and finish carpentry [*see 16 Cal. Code Reg. § 832.06*].
- Communications and low-voltage systems [*see 16 Cal. Code Reg. § 832.07*].
- Concrete [*see 16 Cal. Code Reg. § 832.08*].
- Drywall [*see 16 Cal. Code Reg. § 832.09*].
- Earthwork and paving [*see 16 Cal. Code Reg. § 832.12*].
- Electrical (general) [*see 16 Cal. Code Reg. § 832.10*].
- Electrical sign [*see 16 Cal. Code Reg. § 832.45*].
- Elevator [*see 16 Cal. Code Reg. § 832.11*].
- Fencing [*see 16 Cal. Code Reg. § 832.13*].
- Fire protection [*see 16 Cal. Code Reg. § 832.16*].
- Flooring and floor covering [*see 16 Cal. Code Reg. § 832.15*].
- General manufactured housing [*see 16 Cal. Code Reg. § 832.47*].
- Glazing [*see 16 Cal. Code Reg. § 832.17*].
- Insulation and acoustical [*see 16 Cal. Code Reg. § 832.02*].
- Landscaping [*see 16 Cal. Code Reg. § 832.27*].
- Lathing and plastering [*see 16 Cal. Code Reg. § 832.35*].
- Limited specialty [*see 16 Cal. Code Reg. § 832.61*].
- Masonry [*see 16 Cal. Code Reg. § 832.29*].
- Ornamental metal [*see 16 Cal. Code Reg. § 832.23*].
- Painting and decorating [*see 16 Cal. Code Reg. § 832.33*].
- Parking and highway improvement [*see 16 Cal. Code Reg. § 832.32*].
- Pipeline [*see 16 Cal. Code Reg. § 832.34*].
- Plumbing [*see 16 Cal. Code Reg. § 832.36*].

- Refrigeration [*see 16 Cal. Code Reg. § 832.38*].
- Roofing [*see 16 Cal. Code Reg. § 832.39*].
- Sanitation system [*see 16 Cal. Code Reg. § 832.42*].
- Sheet metal [*see 16 Cal. Code Reg. § 832.43*].
- Solar [*see 16 Cal. Code Reg. §§ 832.46, 832.62*].
- Steel reinforcing [*see 16 Cal. Code Reg. § 832.50*].
- Steel, structural [*see 16 Cal. Code Reg. § 832.51*].
- Swimming pool [*see 16 Cal. Code Reg. § 832.53*].
- Tile (ceramic and mosaic) [*see 16 Cal. Code Reg. § 832.54*].
- Warm-air heating, ventilating, and air-conditioning [*see 16 Cal. Code Reg. § 832.20*].
- Water conditioning [*see 16 Cal. Code Reg. § 832.55*].
- Welding [*see 16 Cal. Code Reg. § 832.60*].
- Well drilling [*see 16 Cal. Code Reg. § 832.57*].

Under certain circumstances, specialty contractors may perform work in trades for which they are not licensed [*see* [5], *below*].

[5] Additional Classifications

A contractor may be licensed in more than one classification by meeting the qualifications required for the additional classification or classifications [*Bus. & Prof. Code § 7059(a)*].

A specialty contractor may take and execute a contract involving the use of two or more crafts or trades if any work performed in crafts or trades for which the contractor is not licensed is incidental and supplemental to work for which the specialty contractor is licensed [*Bus. & Prof. Code § 7059(a)*; *16 Cal. Code Reg. § 834(c)*]. Work in another classification is "incidental and supplemental" to the work for which a specialty contractor is licensed, if that work is essential to accomplish the work for which the contractor is licensed. A specialty contractor may use subcontractors or his or her own employees to complete the incidental and supplemental work [*16 Cal. Code Reg. § 831*].

CHAPTER 88 LICENSING OF CONTRACTORS
PART II. LEGAL BACKGROUND

29-88 California Legal Forms--Transaction Guide § 88.13

§ 88.13 License Application Process

[1] Written Application and Examination

Applicants for contractors' licenses must complete a written application form [*see § 88.200[2]*] and demonstrate sufficient knowledge and experience in the classification applied for and sufficient knowledge of the laws and administrative principles applicable to the contracting business [*Bus. & Prof. Code § 7068(a)*]. Ordinarily, this knowledge and experience must be demonstrated by passing a written examination and by submitting proof of experience in the appropriate contracting classification. However, no examination is required of a qualifying individual [*see* [2], *below*] if within the five years preceding the application, the qualifying individual has either personally passed the written test for the same classification or served as the qualifying individual for a licensee in good standing in the same qualification [*Bus. & Prof. Code § 7065*]. The examination requirement may be waived for an applicant whose experience satisfies statutory standards [*Bus. & Prof. Code § 7065.1*; *see § 88.122*], or for one who has previously held a valid California contractor's license and has been acting as a contractor for the federal government in a position exempt from state licensing [*Bus. & Prof. Code § 7065.2*].

The Registrar is required to review experience gained by applicants from other states to determine if all of that experience was gained in a lawful manner in those states [*Bus. & Prof. Code § 7068(h)*].

[2] Qualifying Individual

Individual applicants (that is, applicants for sole proprietorship contractors' licenses) may choose to satisfy the application requirements personally. Applicants that are entities must, and individual applicants may, have a "qualifying individual" take the written examination and satisfy the experience requirement on the applicant's behalf. There is no requirement that any other employee of the applicant meet these criteria or possess a contractor's license. A qualifying individual must be a member of the applicant entity, such as a partner, or a "responsible managing employee" (RME) [*Bus. & Prof. Code § 7068(b)*]. An RME must be a "bona fide employee" of the applicant actively engaged in the classification for which he or she is the qualifying individual [*Bus. & Prof. Code § 7068(c)*; *see Handyman Connection of Sacramento, Inc. v. Sands (2004) 123 Cal. App. 4th 867, 889-890, 20 Cal. Rptr. 3d 727* (salesperson licensed only in specialty classification unrelated to home improvement goods and services that he sold was not exempt from registration requirement as qualifying individual)]. A "bona fide employee" is an employee permanently employed by

the applicant and actively engaged in the operation of the applicant's contracting business for at least 32 hours per week or 80 percent of the total hours per week the business is in operation, whichever is less [*16 Cal. Code Reg. § 823(a)*]. Furthermore, the RME must be qualified for the same license classification as the classification being applied for, and must possess sufficient experience [*Bus. & Prof. Code § 7068(a), (b)*].

Once a license has been issued, the qualifying individual need not directly and continuously supervise every construction project, but must see to it that the construction operations of the licensee comply with all applicable laws. Furthermore, the individual may not serve as the qualifying individual for any other licensee unless the licensees are related in one of the three ways specified by statute [*see* discussion of *Bus. & Prof. Code § 7068.1* in *§ 88.120*]. Moreover, a qualifying individual may act as the qualifier for no more than three firms in any one-year period [*Bus. & Prof. Code § 7068.1(d)*].

[3] Financial Qualifications

[a] Minimum Operating Capital and Contractor's Bond

An applicant for any contractor's license, except a joint venture license [*see Bus. & Prof. Code § 7029*], must have operating capital exceeding $2,500 [*Bus. & Prof. Code § 7067.5*]. Furthermore, as a condition precedent to the issuance of a license, the applicant must file a contractor's bond in the amount set by statute and, if applicable, a judgment bond to cover any unsatisfied final judgment [*Bus. & Prof. Code §§ 7071.6(a), 7071.17(a)*; *see Bus. & Prof. Code § 7071.12* (acceptable cash deposits)]. Certain qualifying individuals must also file a separate bond [*Bus. & Prof. Code § 7071.9(a)*; *see Bus. & Prof. Code § 7071.10* (form of bond)]. Finally, if the applicant or certain key employees or members of the applicant have had a contractor's license suspended or revoked, an additional bond will be required in a sum to be fixed by the Registrar and based on the seriousness of the violation [*Bus. & Prof. Code § 7071.8*; *see § 88.17* (suspension or revocation of licenses)]. Before 1999, a deposit of money or other securities could be given to the Secretary of State instead of a bond as provided in *Code Civ. Proc. § 995.710 et seq.* [*Bus. & Prof. Code § 7071.12*]. Any contractor who made a deposit in lieu of posting a bond before 1999 may continue to use the deposit in lieu of a bond; however, the deposit cannot be renewed [*Code Civ. Proc. § 995.710(e)*]. If the licensee fails to maintain a sufficient bond, the license is subject to suspension or revocation [*Bus. & Prof. Code § 7071.15*].

[b] Workers' Compensation Insurance

All applicants or licensees seeking issuance, reinstatement, reactivation, renewal, or continued maintenance of a license must file or have on file a Certificate of Workers' Compensation Insurance issued by one or more insurers licensed to write that insurance, or must secure a certificate of consent to self-insurance [*see Lab. Code § 3700*] from the Director of Industrial Relations [*Bus. & Prof. Code § 7125*; *see also § 88.14*]. Failing to provide for workers' compensation insurance is cause for citation or suspension of a contractor's license [*see Bus. & Prof. Code § 7109.2*].

[4] Group Qualifications

In addition to the criteria that must be satisfied solely by the applicant or its qualifying individual, a few requirements apply to both the applicant and several key members of its personnel, including its qualifying individual. Specifically, they must not have committed acts or crimes that are grounds for denial of licensure [*Bus. & Prof. Code § 7069(a)*; *see Bus. & Prof. Code § 480*]. They also must never have been refused a license or had a license revoked for reasons that would preclude the granting of the license applied for [*Bus. & Prof. Code § 7070*].

[5] License for Joint Venture

A joint venture license is a license issued to any combination of individuals, corporations, partnerships, or other joint ventures, each of which holds a current, active license in good standing. A joint venture license may be issued in any classification in which at least one of the entities is licensed. An active joint venture license will be automatically

suspended by operation of law during any period in which any member of the venture does not hold a current, active license in good standing [*Bus. & Prof. Code § 7029*].

Licensees must secure a joint venture license before being awarded a joint contract or otherwise acting as joint contractors, even when each of them is licensed to act separately as a contractor in California. Failure to do so is grounds for disciplinary action. If a combination of licensees bids to perform work that requires a joint venture license, the failure to get that license will not prevent the imposition of any penalty set by law for the failure of a bidding contractor to enter into a contract pursuant to the bid [*Bus. & Prof. Code § 7029.1*].

For coverage of joint ventures generally, see Ch. 29A, *Joint Ventures* .

[6] Probationary License

Every original contractor's license, except an additional classification [*see Bus. & Prof. Code § 7059*; *see also § 88.12[5]*], will be a probationary license until the license is renewed. During the probationary period, if information regarding any act or omission of the licensee constituting grounds for denial, revocation, or suspension of an application or license is brought to the attention of the Registrar, the Registrar must conduct a hearing to determine whether the probationary license should be revoked [*Bus. & Prof. Code §§ 7073(e), 7077*; *see Gov. Code §§ 11500-11529*].

[7] Voiding of Application

An application for an original license, for an additional classification [*see § 88.12[5]*], or for a change of qualifier [*see* [2], *above*] becomes void when [*Bus. & Prof. Code § 7074(a)(1)-(8)*]:

- The applicant or examinee for the applicant has failed to appear for the scheduled qualifying examination [*see* [1], *above*] and fails to request and pay the fee for rescheduling within 90 days of notification of failure to appear, or, after being rescheduled, has failed to appear for a second examination.

- The applicant or examinee for the applicant has failed to achieve a passing grade in the scheduled qualifying examination, and fails to request and pay the fee for rescheduling within 90 days of notification of failure to pass the examination.

- The applicant or the examinee for the applicant has failed to achieve a passing grade in the qualifying examination within 18 months after the application has been deemed acceptable by the Board.

- The applicant for an original license, after having been notified to do so, fails to pay the initial license fee within 90 days from the date of the notice.

- The applicant, after having been notified to do so, fails to file within 90 days from the date of the notice any bond or cash deposit or other documents that may be required for issuance or granting pursuant to Contractors' State License Law.

- After filing, the applicant withdraws the application.

- The applicant fails to return the application rejected by the Board for insufficiency or incompleteness within 90 days from the date of original notice or rejection.

- The application is denied after disciplinary proceedings conducted in accordance with the provisions of the Business & Professions Code.

The void date on an application may be extended up to 90 days or one examination may be rescheduled without a fee on documented evidence by the applicant that the failure to complete the application process or to appear for an examination was due to a medical emergency or other circumstance beyond the applicant's control [*Bus. & Prof. Code § 7074(b)*].

An application voided in accordance with *Bus. & Prof. Code § 7074* remains in the Registrar's possession for the period as the Registrar deems necessary and will not be returned to the applicant. Any reapplication for a license must be accompanied by the fee fixed by this chapter [*Bus. & Prof. Code § 7074(c)*; *see Bus. & Prof. Code §§ 7137-7138.1* (fees)].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 88 LICENSING OF CONTRACTORS
PART II. LEGAL BACKGROUND

29-88 California Legal Forms--Transaction Guide § 88.14

§ 88.14 Workers' Compensation Insurance Requirement

An applicant or licensee must at all times have on file with the Contractors' State License Board a current and valid Certificate of Workers' Compensation Insurance or Certification of Self-Insurance as a condition precedent to the issuance, reinstatement, reactivation, renewal, or continued maintenance of a license [*Bus. & Prof. Code § 7125(a)*]. This requirement does not apply to an applicant or licensee who has no employees, provided that he or she files a statement to that effect with the Registrar on a prescribed form. Filing a false statement is cause for disciplinary action [*Bus. & Prof. Code § 7125(b)*; *see Bus. & Prof. Code § 7125.4*]. It also does not apply to the holder of an inactive license [*Bus. & Prof. Code § 7125(c)*]. If a contractor's policy is subsequently canceled for any reason, the insurer, including the State Compensation Insurance Fund, must report to the Registrar specified information about the policy, including the dates that coverage is scheduled to commence and lapse and any applicable cancellation date [*Bus. & Prof. Code § 7125(d)*]. Once a contractor is licensed, the license is subject to automatic suspension by operation of law if the licensee is required to maintain workers' compensation insurance and fails to do so [*Bus. & Prof. Code § 7125.2(a)*].

Until January 1, 2011, a roofing contractor holding an active C-39 license may be exempt from the workers' compensation certificate requirement for up to one year after which he or she will be placed on inactive status [*see* Bus. & Prof. Code § 7125(e), (f)].

For further coverage of employers' workers' compensation insurance requirements, see *Hanna, California Law of Employee Injuries and Workers' Compensation, §§ 2.10-2.17* (Matthew Bender).

§ 88.15 Local Permits, Inspections, and Licenses

A city or county may not regulate the licensing of contractors. However, a city or county may regulate the quality and character of installations made by contractors through permits and inspections that are designed to implement applicable state and local building laws, and may enforce other local laws necessary for the protection of the public health and safety. Furthermore, a city or county may insist on approving any plans and specifications for an installation before the commencement of construction [*Bus. & Prof. Code § 7032*]. An applicant for a local construction permit, or for a local business license that is required for a regulated contracting activity, must file a signed statement with the local government stating that the applicant is licensed under the Contractors' State License Law or indicating that the applicant is exempt from that law [*Bus. & Prof. Code §§ 7031.5, 7033*]. Most local permit/license applications contain such a statement.

§ 88.16 Renewal of Licenses

A contractor's license expires two years from the last day of the month in which the license was issued, or two years from the date on which the renewed license last expired [*16 Cal. Code Reg. § 852*]. The Registrar will mail a renewal form with instructions to each licensee before the license expires [*16 Cal. Code Reg. § 853(a)*]. If the application and the appropriate renewal fee [*see Bus. & Prof. Code § 7137(e)*] are not submitted before the expiration date [*see Bus. & Prof. Code § 7140*; *16 Cal. Code Reg. § 853(b)* (renewal application not postmarked by expiration date is delinquent)], the license may still be renewed at any time within five years of its expiration, but the applicant must pay a delinquency fee [*Bus. & Prof. Code §§ 7137(f), 7141*; *16 Cal. Code Reg. § 853(d)*]. If a license is not renewed within three years, the licensee must again apply for an original license [*Bus. & Prof. Code § 7141*; *see § 88.13* (license application process)].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 88 LICENSING OF CONTRACTORS
PART II. LEGAL BACKGROUND

29-88 California Legal Forms--Transaction Guide § 88.17

§ 88.17 Suspension or Revocation of License

The Registrar may deny the licensure or the renewal of licensure of, or cite, suspend, or revoke a contractor's license if the holder is guilty of or commits certain acts or omissions that constitute causes for disciplinary action under the Contractors' State License Law [*Bus. & Prof. Code § 7090*], such as abandoning a project [*see Bus. & Prof. Code § 7107*]. Within five days of a license suspension, revocation, or denial of renewal, the contractor must surrender to the Board the plasticized identification card that evidences the contractor's license status [*Bus. & Prof. Code § 7072.5(a)*]. In addition, when a person to whom an identification card has been issued leaves the employ of a licensed contractor, the former employee must surrender the card to the licensee who must then mail or deliver it to the Board for cancellation [*Bus. & Prof. Code § 7072.5(b)*].

A suspended license may be reinstated by the Registrar once the contractor has complied with the reinstatement provisions specified in the suspension decision or, in the absence of a decision or reinstatement provisions, in the sound discretion of the Registrar [*Bus. & Prof. Code § 7102*]. After revocation, a license may not be reinstated or reissued, nor may a license be issued to implicated personnel of the former licensee, for a minimum of one year up to a maximum of five years. In considering whether to extend the minimum period, the Registrar will consider (1) the gravity of the violation, (2) the history of previous violations, and (3) any criminal convictions. Even at the end of this period, a license may be issued, reissued, or reinstated only if a proper showing is made that all loss caused by the act or omission prompting the revocation has been fully satisfied and that all conditions imposed by the decision of revocation have been complied with. However, when the loss has been reduced to a monetary obligation or debt, the obligation or debt need not be satisfied if it has been adjudicated in a bankruptcy proceeding. Any nonmonetary condition not adjudicated in a bankruptcy proceeding must be complied with before the issuance, reissuance, or reinstatement of a license [*Bus. & Prof. Code § 7102*].

PART II. LEGAL BACKGROUND

29-88 California Legal Forms--Transaction Guide § 88.17A

§ 88.17A Prohibitions Related to Individual With Revoked License Who Performs Acts for Which License Is Required

[1] Acts Performed by Individual Whose License Has Been Revoked

An individual is prohibited from performing any act regulated under the Contractors' License Law for or on behalf of a licensee, other than as a bona fide nonsupervising employee, when that individual [Bus. & Prof. Code § 7121.6(a)]:

- Was a member, officer, director, owner, or partner of a license that was revoked;
- Had knowledge of or participated in any act or omission for which the license was revoked; and
- Is not eligible for license reinstatement.

An individual also is prohibited from performing any act regulated under the License Law for or on behalf of a licensee, other than as a bona fide nonsupervising employee, when that individual [Bus. & Prof. Code § 7121.6(b)]:

- Furnished the qualifications for licensure and that license was revoked [*see* Bus. & Prof. Code § 7068];
- Served in the capacity of the qualifying individual during the commission or omission of any of the acts that resulted in the license revocation, whether or not the individual had knowledge of or participated in those acts; and
- Is not eligible for license reinstatement.

A "bona fide nonsupervising employee" is a person who is exempt from the license requirement because he or she (1) receives wages as his or her sole compensation, (2) does not customarily engage in an independently established business, (3) does not have the right to control or discretion as to the manner of performance so as to determine the final results of the work performed, and (4) does not otherwise meet the test of an independent contractor [Bus. & Prof. Code

§ 7121.8; *see* Bus. & Prof. Code § 7053; Labor Code § 2750.5].

A violation of these prohibitions is a misdemeanor punishable by a fine of not less than $4,500, and/or imprisonment in county jail for not less than 90 days nor more than one year [Bus. & Prof. Code § 7121.6(c)]. An indictment for violating either of these prohibitions must be found, or an information or complaint must be filed within four years of the prohibited act [Bus. & Prof. Code § 7121.6(d)].

Before becoming an employee in any capacity by an entity that is subject to the contractors' license requirements, an individual described in *Bus. & Prof. Code § 7121.6(a)* or *(b)*, described above, must provide the prospective employer with written notice of the revocation [Bus. & Prof. Code § 7121.65].

[2] Acts by Licensee Employing Individual Whose License Has Been Revoked

A qualifying individual, officer, partner, or other person named on a license is prohibited from knowingly employing an individual who is violating *Bus. & Prof. Code § 7121.6(a)* or *(b)*, described § 88.17A[1], except as a bona fide nonsupervising employee [Bus. & Prof. Code § 7121.7(a); *see* Bus. & Prof. Code § 7121.8 ("bona fide nonsupervising employee" defined)].

A violation of this prohibition is a misdemeanor punishable by a fine of not less than $4,500, and/or imprisonment in county jail for not less than 30 days nor more than one year [Bus. & Prof. Code § 7121.7(b)]. An indictment for violating this prohibition must be found, or an information or complaint must be filed within four years of the prohibited act [Bus. & Prof. Code § 7121.7(c)].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 88 LICENSING OF CONTRACTORS
PART II. LEGAL BACKGROUND

29-88 California Legal Forms--Transaction Guide § 88.18

§ 88.18 Failure to Obtain License

In general, no person engaged in the business or acting in the capacity of a contractor may bring or maintain any action, or recover in law or equity in any action, to collect compensation for performing any act or contract for which a license is required without alleging that he or she was a duly licensed contractor at all times during the performance of the act or contract, regardless of the merits of the cause of action [*Bus. & Prof. Code § 7031(a)*; *MW Erectors, Inc. v. Niederhauser Ornamental and Metal Works Co. (2005) 36 Cal. 4th 412, 430-431, 30 Cal. Rptr. 3d 755, 115 P.3d 41*]. Section 7031 does not allow a contractor who was unlicensed at any time during contractual performance to recover compensation for individual acts performed while he or she was duly licensed [*MW Erectors, Inc. v. Niederhauser Ornamental and Metal Works Co. (2005) 36 Cal. 4th 412, 425, 30 Cal. Rptr. 3d 755, 115 P.3d 41]* . However, if fully licensed at all times during contractual performance, a contractor is not barred from recovering compensation for the work solely because he or she was unlicensed when the contract was executed [*MW Erectors, Inc. v. Niederhauser Ornamental and Metal Works Co. (2005) 36 Cal. 4th 412, 440, 30 Cal. Rptr. 3d 755, 115 P.3d 41]* .

The prohibition applies regardless of the merits of the cause of action. For example, the prohibition applied to a licensed contractor whose unlicensed corporation entered in a subcontract with a general contractor who could not sue to recover compensation, even though the contractor's license number appeared on all documents relating to the contract. The corporation was the contracting party, and recovery therefore was barred [*Opp v. State Farm Fire & Marine Ins. Co. (2007) 154 Cal. App. 4th 71, 76, 64 Cal. Rptr. 3d 260]* . However, It does not apply to contractors who are each individually licensed but who fail to comply with the joint venture license requirement [*Bus. & Prof. Code § 7031(a)*; *see Bus. & Prof. Code § 7029*; *see also § 88.13[5]*]. The prohibition also does not apply to a corporation that simply furnishes laborers to another, and does not actually perform or supervise any construction services or contract, bid, or promise to do so. A person or company in the business of supplying equipment or hiring out laborers to be supervised by others does not act in the capacity of a contractor and is not required to have a license [*see Contractors Labor Pool, Inc. v. Westway Contractors, Inc. (1997) 53 Cal. App. 4th 152, 163-165, 61 Cal. Rptr. 2d 715* (corporation that furnished labor to work of public improvement entitled to recover against payment bond); *see also Contractors Dump Truck Service, Inc. v. Gregg Constr. Co. (1965) 237 Cal. App. 2d 1, 7, 46 Cal. Rptr. 738* (appellant not entitled to raise lack of contractor's license for first time on appeal)].

If an unlicensed contractor is paid for performing work for which a professional license is required, the person who

utilized the contractor's services and paid the compensation has a cause of action against the contractor to recover all compensation paid for work for which a licensed was required [*Bus. & Prof. Code § 7031(b)*].

A person who obtains a security interest to secure payment for performing an act or contract for which a license is required must be duly licensed at all times while performing the act or contract; otherwise the security interest is unenforceable [*Bus. & Prof. Code § 7031(c)*]. Under narrow circumstances defined by statute, an unlicensed person may be able to avoid the bar to compensation by alleging that he or she substantially complied with the licensure requirements [*see Bus. & Prof. Code § 7031(e), (f)*].

For further discussion of the consequences faced by unlicensed persons who perform acts for which a license is required, see *California Real Estate Law and Practice, Ch. 430, Licensing of Contractors, §§ 430.70-430.72* (Matthew Bender).

Not only does the unlicensed person run the risk of being barred from compensation, but performing contracting services without a license is also punishable as a misdemeanor [*Bus. & Prof. Code § 7028(a)*]. Continuing violations may be enjoined [*Bus. & Prof. Code §§ 7028.3, 7028.4*]. It is also a misdemeanor for a person to advertise for construction work covered by the Contractors' State License Law unless that person is licensed in the classification advertised, except that a licensed building or engineering contractor may advertise as a general contractor [*Bus. & Prof. Code § 7027.1*]. Submitting a bid to a public agency to engage in the business or act in the capacity of a contractor without having a license, except in limited circumstances, is a misdemeanor [*Bus. & Prof. Code § 7028.15*]; and an unlicensed person who engages in the business or acts in the capacity of a contractor in connection with repairs caused by a natural disaster for which a state of emergency has been declared is subject to fine, imprisonment, or both [*Bus. & Prof. Code § 7028.16*; *see Gov. Code § 8625*]. In addition, a person who utilized the services of the unlicensed contractor is a victim of crime regardless of whether that person had knowledge that the contractor was unlicensed [*Bus. & Prof. Code § 7028.16*]. The Registrar may also issue citations containing abatement orders and imposing civil penalties on unlicensed persons performing acts for which a license is required [*see Bus. & Prof. Code §§ 7028.6-7028.14*].

PART II. LEGAL BACKGROUND

29-88 California Legal Forms--Transaction Guide § 88.19

§ 88.19 Starting Contracting Business

Attorneys are often retained by licensed contractors who want to start a contracting business. An attorney in this position should use this chapter in conjunction with Chapters 1A-1F regarding starting a new business. These chapters reference other chapters that may be relevant depending on the type of business entity involved, such as Chapter 2A, *Incorporating a Going Business*, and Chapter 15, *General Partnerships*.

Several of the topics discussed in this chapter should be carefully reviewed in connection with the establishment of a contracting business. The most important consideration is whether or not the proposed business will be exempt from the requirements of the Contractors' State License Law [*see § 88.110*]. Another important issue is whether a currently licensed contractor or an ex-employee of a licensee may be the qualifying individual. If so, the examination requirement may be waived [*see § 88.122*]. If two or more licensees are involved, a joint license should be considered [*see § 88.13[5]*]. Other potential concerns include:

- Establishing the character qualifications of the applicant's personnel [*see § 88.110*];
- Making proper disclosures when applying for a local business license [*see § 88.136*];
- Determining whether the business will hire licensed "employees" [*see § 88.110*]; and
- Deciding on the proper classifications [*see § 88.110*].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 88 LICENSING OF CONTRACTORS
PART II. LEGAL BACKGROUND

29-88 California Legal Forms--Transaction Guide § 88.20

§ 88.20 Home Improvement

[1] Contractors

Certain persons involved in the home improvement business, including those entering into service and repair contracts [*see Bus. & Prof. Code § 7159.10*], are subject to licensing and registration requirements imposed by the Contractors' State License Law [*see Bus. & Prof. Code §§ 7150-7168*]. "Home improvement" means repairing, remodeling, altering, converting, modernizing, or adding to residential property. That definition specifically includes, but is not limited to, the construction, erection, replacement, or improvement of driveways, swimming pools, including spas and hot tubs, terraces, patios, landscaping, fences, porches, garages, fallout shelters, basements, and other improvements of the structures or land that is adjacent to a dwelling house [*Bus. & Prof. Code § 7151*].

"Home improvement" also means the installation of home improvement goods or the furnishing of home improvement services. "Home improvement goods or services" means goods and services, as defined in *Civ. Code § 1689.5*, which are bought in connection with the improvement of real property. These goods and services include, but are not limited to, carpeting, texture coating, fencing, air conditioning or heating equipment, and termite extermination. Home improvement goods also include goods that are affixed to, but not necessarily severable from, real property in such a manner that they become a part of the real property [*Bus. & Prof. Code § 7151*].

The term "home improvement contractor" means a contractor licensed under the Contractors' State License Law who is engaged in the business of home improvement either full time or part time, and includes a swimming pool contractor [*Bus. & Prof. Code § 7150.1*]. Most home improvement contractors are licensed as general building contractors. Special provisions govern the form and contents of home improvement contracts and service and repair contracts [*see Bus. & Prof. Code §§ 7030, 7030.1, 7159, 7159.10*].

Because the scope of this chapter is limited to licensing and registration requirements, the attorney should consult Chapter 89, *Home Improvement and Specialty Contracts*, for further discussion of other aspects of the home improvement business.

[2] Salespersons

A home improvement salesperson is a person employed by a licensed contractor to solicit, sell, negotiate, or execute home improvement contracts for the sale, installation, or furnishing of home improvement goods or services or to solicit, sell, negotiate, or execute swimming pool contracts [*Bus. & Prof. Code § 7152(a)*]. It is a misdemeanor to act as a home improvement salesperson without having a registration issued by the Registrar. A separate registration must be obtained for each home improvement contractor, if any, by whom the salesperson is employed [*Bus. & Prof. Code § 7153(a)*]. A home improvement contractor who employs an unregistered person to sell home improvement contracts is subject to disciplinary action [*Bus. & Prof. Code § 7154*; *see Handyman Connection of Sacramento, Inc. v. Sands (2004) 123 Cal. App. 4th 867, 889-890, 20 Cal. Rptr. 3d 727]* . Any security interest taken by a contractor to secure payment under a contract solicited by an unlicensed person on or after January 1, 1995, is unenforceable [*Bus. & Prof. Code § 7153(b)*].

The following need not register as home improvement salespersons [*Bus. & Prof. Code § 7152(b)*]:

- An officer of a licensed corporate contractor.
- A general partner listed on the license record of a licensed partnership.
- Qualifying individuals [*see Bus. & Prof. Code § 7068*; *see also § 88.13[2]*].
- A salesperson whose sales are all made in transactions initiated by the buyer at or with a general merchandise retailer that operates from a fixed location.
- A person who contacts prospective buyers to schedule appointments for registered salespersons.
- Persons employed by licensed contractors to make repairs requested by buyers.

The exemption provided to the first three categories listed above applies only to those individuals who, at the time of the sales transaction, are listed as personnel of record for the licensee responsible for soliciting, negotiating, or contracting for a service or improvement that is subject to the statutes governing the home improvement business [Bus. & Prof. Code § 7152(c); *see* Bus. & Prof. Code § 7150 et seq.].

1. Status of applicant:

a. Individual.

b. Partnership.

c. Corporation.

d. Other organization.

2. Name and address of applicant and of following members of applicant's personnel, as appropriate:

NOTE:
The official application for an original contractor's license [***see*** *§ 88.200*] requires full legal names; initials may be used only if the legal name contains initials only. If a full street address is not available, the applicant must provide the name of a road or district and the nearest cross streets; in these cases, any other designations (e.g., P.O. Boxes, General Delivery, etc.) are unacceptable.

a. If applicant is partnership, all partners.

b. If applicant is corporation, association, or other organization:
(1) President.

(2) Secretary.

(3) Treasurer.

(4) Responsible managing officer(s) or responsible managing employee.

c. If applicant is individual or partnership, responsible managing employee who will attempt to satisfy applicant's experience and knowledge qualifications [*see § 88.120*], if already selected.

3. If applicant is corporation, corporate number assigned by Secretary of State.

4. Complete statement of general nature of proposed contracting business.

5. Concise statement of classification(s) under which applicant wishes to be qualified.

6. If more than one classification is desired, principal business area in which applicant intends to fully qualify (i.e., primary classification).

7. Previous related experience of applicant or responsible managing employee.

8. If applicant or any member of applicant's personnel has been previously licensed:

a. Firm name, name-style, date and location of written examination, and classification.

b. Details concerning any denial, suspension, or revocation of contractor's license or any other professional or vocational license.

9. Amount of applicant's operating capital.

10. Concerning all members of applicant's personnel:

NOTE:
Although the following information need not be obtained at the initial client interview, it must be compiled before the official application for an original license is completed.

a. Birthdates.

b. Details concerning any convictions other than for acting in unlicensed capacity.

PART III. TRANSACTION GUIDE
B. Preliminary Determinations

29-88 California Legal Forms--Transaction Guide § 88.110

§ 88.110 Obtaining License

1. Determine whether proposed business or project is of type that normally would require contractor's license [*see §§ 88.10[2], 88.12*].

2. Ascertain whether applicant, proposed business, or project fits into any of the following categories, which are exempt from licensing requirements:

a. Owner of property if [*Bus. & Prof. Code § 7044(a)(1)*]:
(1) Proposed project involves building or improving structure on owner's own property; and

(2) Work is to be done by:
(a) Owner; or

(b) Owner's employees with wages as their sole compensation.

b. Owner of property if [*Bus. & Prof. Code § 7044(a)(2)*]:

(1) Proposed project involves building or improving structure on owner's own property;

(2) Owner directly contracts with licensees who are fully licensed to contract for work of respective trades involved in completing project; and

(3) If project involves single-family residential structures, no more than four of these are intended or offered for sale in calendar year.

NOTE:

If the owner contracts with a general contractor for the construction, (3) does not apply [*Bus. & Prof. Code § 7044(a)(2)(C)*].

c. Homeowner improving own principal residence or its appurtenances, provided [*Bus. & Prof. Code § 7044(a)(3)*]:

(1) Work is performed before sale;

(2) Homeowner actually resided in residence for 12 months before completion of work; and

(3) During any three-year period, homeowner has not claimed this specific exemption on more than two structures.

NOTE:

With regard to (a)-(c), above, proof that an owner-builder sold or offered a structure for sale within one year after completion of the project raises a rebuttable presumption that a sale was intended [*Bus. & Prof. Code § 7044(b)(1)*]. Proof that the owner-builder sold or offered five or more structures for sale within one year after completion of the projects constitutes a conclusive presumption that sales were intended [*Bus. & Prof. Code § 7044(b)(2)*].

d. Sale or installation of finished products, materials, or articles of merchandise if they [*Bus. & Prof. Code § 7045*]:

(1) Do not become fixed part of structure; or

(2) Are furnished by material supplier or manufacturer who does not install or contract for installation of those items.

NOTE:

The term "finished products" does not include installed carpets, mobilehomes, or mobilehome accessory structures [*Bus. & Prof. Code § 7045*; ***see*** *Bus. & Prof. Code § 7026.2*]. The exemption for finished products, materials, or merchandise does not apply to the installation of home improvement goods [*Bus. & Prof. Code § 7045*; ***see*** *Bus. & Prof. Code § 7151*].

e. Any work or operation on one undertaking or project by one or more contracts with aggregate contract price of less than $500, unless [*Bus. & Prof. Code § 7048*]:

(1) Work is only part of larger or major operation, whether undertaken by same or different contractor;

(2) Division of operation is made in contracts of amounts less than $500, whether or not for purpose of evasion of Contractors' State License Law; or

(3) Work done by person who advertises that he or she is contractor or is qualified to engage in contracting business.

f. Any person furnishing materials or supplies without fabricating them into, or consuming them in performance of, contractor's work [*Bus. & Prof. Code § 7052*].

g. Any person who engages in regulated contracting activities as employee who [*Bus. & Prof. Code § 7053*; *but see Bus. & Prof. Code §§ 7152, 7153*]:

(1) Receives wages as sole compensation;

(2) Does not customarily engage in independently established business; and

(3) Does not have right to control or discretion as to manner of performance so as to determine final results of work performed.

NOTE:
An attorney who has been retained to start a new contracting business should not utilize this employee exemption without consulting the discussion surrounding starting a new business [***see*** Chs. 1A- 1F].

h. Any construction, alteration, improvement, or repair of personal property except mobilehomes and mobilehome accessory buildings [*Bus. & Prof. Code § 7046*].

i. Authorized representatives of governmental entities [*see Bus. & Prof. Code § 7040*].

NOTE:
Neither the state nor its representative may enter into or authorize a contract with an unlicensed contractor if the work to be done requires a licensed contractor [*Bus. & Prof. Code § 7040(b)*].

j. Court officers acting within scope of their office [*Bus. & Prof. Code § 7041*].

k. Public utilities operating under regulation of State Railroad Commission on construction, maintenance, and development work incidental to their own business [*Bus. & Prof. Code § 7042*; *see Bus. & Prof. Code § 7042.1*].

l. Projects incidental to discovering or producing petroleum or gas, or performed by an owner or lessee of, and affecting, a petroleum or gas well [*Bus. & Prof. Code § 7043*].

m. Certain projects involving irrigation, reclamation, fire prevention, or agricultural work [*see Bus. & Prof. Code § 7049*].

n. Licensed architect or registered civil or professional engineer acting solely in his or her professional capacity [*Bus. & Prof. Code § 7051*].

o. Licensed structural pest control operator acting within scope of his or her license [*Bus. & Prof. Code § 7051*].

p. Licensee operating within scope of Geologist and Geophysicist Act [*Bus. & Prof. Code § 7051*; *see Bus. & Prof. Code § 7800 et seq.* (Geologist and Geophysicist Act)].

q. Any licensed alarm company operator [*Bus. & Prof. Code § 7054*; *see Bus. & Prof. Code § 7590 et seq.* (Alarm Company Act)].

r. Persons registered with Bureau of Electronic and Appliance Repair performing installations of satellite antenna systems on residential structures or property [*Bus. & Prof. Code § 7054.5*; *see Bus. & Prof. Code § 9800 et seq.*].

s. Real estate licensee acting within course and scope of his or her license [*Bus. & Prof. Code § 7044.1*].

NOTE:
This does not authorize a real estate licensee or property manager to act in the capacity of a contractor

without being licensed as a contractor [*Bus. & Prof. Code § 7044.1*].

t. Admitted surety insurer that engages contractor to complete contract on which performance or completion bond was issued by surety insurer [*Bus. & Prof. Code § 7044.2*].

NOTE:

For this exemption to apply, all actual construction work must be performed by licensed contractors [*Bus. & Prof. Code § 7044.2*].

3. Determine whether applicant has selected appropriate classification(s).

a. General engineering contracting.

NOTE:

A general engineering contractor deals principally with fixed works requiring specialized engineering knowledge and skill, including the following divisions or subjects [*Bus. & Prof. Code § 7056*]: irrigation, drainage, water power, water supply, flood control, inland waterways, harbors, docks and wharves, shipyards and ports, dams and hydroelectric projects, levees, river control and reclamation works, railroads, highways, streets and roads, tunnels, airports and airways, sewers and sewage disposal plants and systems, waste reduction plants, bridges, overpasses, underpasses and other similar works, pipelines and other systems for the transmission of petroleum and other liquid or gaseous substances, parks, playgrounds and other recreational works, refineries, chemical plants and similar industrial plants requiring specialized engineering knowledge and skill, powerhouses, power plants and other utility plants and installations, mines and metallurgical plants, land leveling and earthmoving projects, excavating, grading, trenching, paving and surfacing work and cement and concrete works in connection with the above fixed works. A licensed general engineering contractor must operate only within the scope defined above [*16 Cal. Code Reg. § 834(a)*].

b. General building contractor.

NOTE:

A general building contractor's principal contracting business involves the use of at least two unrelated building trades or crafts in the construction of any structure for the support, shelter, and enclosure of persons, animals, chattels, or movable property of any kind. Specifically excluded from the definition of general building contractor is anyone who merely furnishes materials or supplies under *Bus. & Prof. Code § 7045* [***see** § 88.110*] without fabricating them into or consuming them in the performance of the work of the general building contractor [*Bus. & Prof. Code § 7057(a)*]. Unless he or she is willing to risk disciplinary action by the Contractors' State License Board, a general building contractor may not undertake a contract for any project involving trades other than framing or carpentry unless (1) the project requires at least two trades that are unrelated to framing or carpentry, (2) the contractor holds the appropriate license classification, or (3) the contractor subcontracts with an appropriately licensed contractor [*Bus. & Prof. Code § 7057(b)*; ***see** § 88.12*]. In most instances, the general building contractor will sub out the specialty work to licensed specialty contractors.

c. Specialty contractor [*see § 88.12[4]*].

4. If joint venture license is desired, determine whether every member entity has current, active contractor's license in good standing [*16 Cal. Code Reg. § 821*].

5. Determine whether applicant's operating capital exceeds $2,500 [*Bus. & Prof. Code § 7067.5*].

NOTE:

"Operating capital" is defined as the difference between current assets and current liabilities [*16 Cal. Code Reg. § 817(a)*]. "Current assets" include cash and other assets or resources reasonably expected to be realized in cash or sold or consumed during the normal operating cycle of the business [*16 Cal. Code Reg. § 817(b)*]. "Current liabilities" include those obligations whose liquidation is reasonably expected to require the use of existing resources properly identifiable as current assets or the creation of other current liabilities [*16 Cal. Code Reg. § 817(c)*].

6. Determine whether applicant will designate qualifying individual [*see § 88.13[2]*].

7. Determine whether all character qualifications have been met by applicant and its personnel.

NOTE:

For purposes of the character criteria listed below, "personnel" refers to any responsible officer or director of an applicant that is a corporation or similar organization, and to any member of a partnership applicant [*Bus. & Prof. Code § 7071*].

a. Ascertain whether applicant or any of its personnel has committed or been subjected to any of following acts constituting grounds for denial of licensure [*Bus. & Prof. Code § 7069(a)*; *see Bus. & Prof. Code § 480*]:

NOTE:

In addition to the personnel identified in the NOTE to Paragraph 7, ***above***, the requirement set forth in this Subparagraph 7(a) also applies to associates and any responsible managing employee [*Bus. & Prof. Code § 7069(a)*].

The Board may deny a license on one of the first three grounds specified below only if the crime or act is substantially related to the qualifications, functions, or duties of the contracting profession [***see*** *Bus. & Prof. Code § 480*]. A crime or act is "substantially related" if it evidences that the applicant or licensee is presently or potentially unfit to perform the functions authorized by the license in a manner consistent with the public health, safety, and welfare [*16 Cal. Code Reg. § 868*]. A license will not be denied solely on the basis that an applicant has been (1) convicted of a felony if the applicant has obtained a certificate of rehabilitation under the Penal Code [***see*** *Penal Code § 4852.01*], or (2) convicted of a misdemeanor if the applicant has met all applicable requirements of the criteria of rehabilitation developed by the Board [*Bus. & Prof. Code § 480*; ***see*** *16 Cal. Code Reg. § 869* (criteria of rehabilitation)]. The earliest date on which an applicant may reapply for licensure depends on the original reason for denial [*see* 16 Cal. Code Reg. § 868.9 (criteria to aid in determining earliest date denied applicant may reapply for licensure)].

To facilitate a criminal history record check, applicants are required to furnish a full set of fingerprints as part of the application process [*Bus. & Prof. Code § 7069(b)*].

(1) Convicted of a crime;

(2) Committed any act involving dishonesty, fraud, or deceit with intent to substantially benefit or substantially injure any person;

(3) Committed any act that, if done by licensed contractor, would be grounds for suspension or revocation of license; or

(4) Knowingly made false statement of fact required to be revealed in application.

b. Ascertain whether applicant or any member of its personnel has ever had a license refused or revoked for reasons that would preclude approval of current application [*Bus. & Prof. Code § 7070*].

C. Procedure for Obtaining Contractor's License

29-88 California Legal Forms--Transaction Guide § 88.120

§ 88.120 Preparing and Submitting Application for Original License

1. Unless applicant is individual who plans to personally satisfy all licensing requirements, have applicant designate qualifying individual as follows:

a. Instruct applicant to select qualifying individual who:
(1) Is a responsible managing employee (RME) [*Bus. & Prof. Code § 7068*; *16 Cal. Code Reg. § 825(e)*; *see § 88.13[2]*] or a member of applicant entity.

NOTE:
The following persons and officers are considered members of applicant entities for purposes of the above requirement [*Bus. & Prof. Code § 7068*]: (1) if the applicant is an individual, the applicant; (2) if the applicant is a partnership, a general partner; and (3) if the applicant is a corporation or any other combination or organization, a responsible managing officer.

(2) Will be responsible for supervising and controlling construction operations to extent necessary to secure full compliance with applicable laws, rules, and regulations [*Bus. & Prof. Code § 7068.1*].

NOTE:
The Contractors' State License Law provides that the Board must require every applicant or licensee qualifying by the appearance of a qualifying individual to submit detailed information on that individual's duties and responsibilities for the above supervision and control [*Bus. & Prof. Code § 7068.1*]

(3) Within last 10 years immediately preceding filing of application, had at least four years experience as journeyman, foreman, supervising employee, or contractor in particular class within which applicant intends to be licensed [*Bus. & Prof. Code § 7068*; *16 Cal. Code Reg. § 825(a)*], or has equivalent experience [*see* Paragraph 1(b), *below*].

NOTE:

If the proposed qualifying individual was formerly a qualifier on a license in the classification now being applied for, the requisite four years experience need not have been obtained within the last 10 years [*16 Cal. Code Reg. § 825(b)*]. Any time spent in the United States armed forces during a national emergency will not be counted for purposes of computing the 10-year period [*16 Cal. Code Reg. § 825(c)*].

Acceptable technical training in an accredited school or completion of an approved apprenticeship program in accordance with the California Labor Code (or its equivalent as approved by the Registrar) will be counted as up to three years experience [*16 Cal. Code Reg. § 825(d)*].

The Registrar must review experience gained by any applicants from another state to determine if the experience was gained in accordance with the contractors' licensing law of that other state [*Bus. & Prof. Code § 7068(h)*].

b. If proposed qualifying person does not possess experience specified in Paragraph (1)(a)(3), *above*, but has equivalent knowledge, training, or experience, then at time of application submit request to Registrar for certification of adequacy of equivalent skills [*see 16 Cal. Code Reg. § 826*].

c. If proposed qualifying individual already serves as qualifying individual for another individual or firm, confirm that one of following conditions exists [*Bus. & Prof. Code § 7068.1*]:

NOTE:

As used in this Subparagraph c, "firm" means a partnership, corporation, or any other combination or organization described in *Bus. & Prof. Code § 7068*, and "persons" means natural persons [*Bus. & Prof. Code § 7068.1*].

A qualifying individual may act as qualifier for no more than three firms in any one-year period [*Bus. & Prof. Code § 7068.1(d)*; ***see*** *Bus. & Prof. Code § 7068.1(d), (e)* (transitional rule)].

(1) There is common ownership of at least 20 percent of equity of each individual or firm for which person acts in qualifying capacity.

(2) If applicant is firm, it is subsidiary of or joint venture with entity for which proposed qualifying individual currently serves as qualifying individual.

NOTE:

"Subsidiary" means any firm at least 20 percent of the equity of which is owned by the other firm [*Bus. & Prof. Code § 7068.1*].

(3) With regard to licensed corporations or partnerships, majority of partners or officers are same for each firm for which person acts as qualifying individual.

2. If applicant is individual who will not appoint qualifying individual, confirm that applicant meets experience qualification discussed in Paragraph (1)(a)(3), *above* [*Bus. & Prof. Code § 7068*; *see 16 Cal. Code Reg. § 825*].

3. Complete official application form for original license [*see § 88.200*].

NOTE:
Application forms for an Original Contractor's License may be ordered from the Contractors' State License Board by phone at 1-800-321-CSLB (2752), or online atwww.cslb.ca.gov/services/forms.asp. They may also be downloaded and printed out from the same web address. In addition, applicants may use other forms approved by the Registrar of Contractors [*Bus. & Prof. Code § 7066.5*].

4. Include following in application package:

a. One or more official certificates verifying experience claimed on application [*Bus. & Prof. Code § 7068*].

NOTE:
These certificates are available from the Board. Each certificate must be completed by a qualified and responsible person who has direct knowledge of the experience qualifications of the applicant or its qualifying individual, as the case may be.

b. If applicant is a corporation, certificate (obtained from Board) showing that applicant has registered with Secretary of State [*16 Cal. Code Reg. § 819*].

c. If appropriate, a request for waiver of examination requirement [*see Bus. & Prof. Code § 7065.1*; *see also § 88.122*].

d. Any other information requested by Registrar.

5. Submit application, appropriate supporting documents, and appropriate fee [*see Bus. & Prof. Code §§ 7137, 7138.1*; *16 Cal. Code Reg. § 816(c)*] to: Contractors' State License Board, P.O. Box 26000, Sacramento, CA 95826-0026.

NOTE:
On receiving an application, the Board will send an acknowledgment explaining how to check the status of the application online at www.cslb.ca.gov.

6. If application is rejected as incomplete or insufficient and license is still desired:

a. Rectify all flaws identified by Registrar at time application is returned [*see 16 Cal. Code Reg. § 818(b)*]; and

b. Resubmit application within 90 days from date of original notification of rejection [*16 Cal. Code Reg. § 813(a)*].

NOTE:
An application is void when the applicant fails to return the application rejected for insufficiency or incompleteness within 90 days from the date of original notice or rejection [*Bus. & Prof. Code § 7074(a)(7)*].

NOTE:

For a definition of a joint license, see *§ 88.13[5]*.

An applicant for a joint license need not take an examination [*16 Cal. Code Reg. § 822*]. Therefore, after complying with the procedures set forth below, the attorney should refer to the security requirements discussed in *§ 88.123*.

1. Complete official application (available from Board online atwww.cslb.ca.gov/services/forms.asp).

2. Have application signed by one member of each licensee constituting joint venture [*16 Cal. Code Reg. § 822*].

§ 88.122 Satisfying Examination Requirement

1. If qualifying individual has been selected, determine whether examination will be waived because qualifying individual, within five-year period immediately preceding application, either [*Bus. & Prof. Code § 7065*]:

a. Personally passed written examination for same classification currently being applied for; or

b. Served as qualifying individual for licensee whose license was:
(1) In good standing at any time during that five-year period; and

(2) In same classification being applied for.

2. Attach letter to application requesting waiver of examination requirement if qualifying individual meets any of following requirements:

a. For five of seven years immediately preceding application, has been listed in Board's records as member of personnel of licensee [*Bus. & Prof. Code § 7065.1(a)*]:

(1) Whose license was active and in good standing;

(2) Whose license was in same classification being applied for; and

(3) Who during period listed on license has been actively engaged in licensee's construction activities in same classification within which applicant applies for license.

b. Is immediate member of family of licensee whose individual license was active and in good standing for five of seven years immediately preceding application, and all of following apply [*Bus. & Prof. Code § 7065.1(b)*]:

(1) Qualifying individual has been actively engaged in licensee's business for five of seven years immediately preceding application for licensure;

(2) License is needed to continue existing family business in event of licensee's absence or death; and

(3) Current application is for same classification(s) in which licensee is or was licensed.

c. Is employee of corporation seeking to replace its former qualifying individual, and following conditions have existed for five of seven years immediately preceding application [*Bus. & Prof. Code § 7065.1(c)*]:

NOTE:
For purposes of this provision, "employee" includes, but is not limited to, the officers of a corporation [*Bus. & Prof. Code § 7065.1*].

(1) Qualifying individual has been continually employed by corporation in supervisory capacity in same classifications being applied for; and

(2) Corporation has held active license in good standing in same classifications being applied for.

(3) Corporation has not requested waiver within last five years.

d. Has previously held valid California contractor's license and has been acting as contractor for federal government in position exempt from state licensing [*Bus. & Prof. Code § 7065.2*].

3. If applicant is licensed in similar classification in another state, provide written certification from that state that license has been in good standing for previous five years [*Bus. & Prof. Code § 7065.4*].

NOTE:
The Registrar may waive the examination if (1) the other state accepts the qualifications of California contractors for licensure in that state, (2) the Board ascertains that the professional qualifications and conditions of good standing for licensure and continued licensure are at least the same or greater in that state as in California, and (3) the applicant provides the required certification [*Bus. & Prof. Code § 7065.4*].

4. If waiver is not available, have examinee take examination at place and on date prescribed in examination notification letter.

5. If applicant or examinee for applicant does not show up for examination, request rescheduling of examination and pay rescheduling fee [*Bus. & Prof. Code § 7137(b), (c)*] within 90 days of notification of failure to appear [*Bus. & Prof. Code § 7074(a)(1)*; *16 Cal. Code Reg. § 842*].

NOTE:
The rescheduling request must be made and the fee paid within 90 days of the notification of failure to

appear, or the application becomes void. The application is also void if the applicant or examinee fails to appear at the rescheduled examination [*Bus. & Prof. Code § 7074(a)(1)*].

6. If applicant or examinee for applicant fails examination and wants to be reexamined, request rescheduling of examination and pay rescheduling fee [*Bus. & Prof. Code § 7137(b)*] within 90 days of notification of failure to pass examination [*Bus. & Prof. Code § 7074(a)(2)*; *16 Cal. Code Reg. § 842*].

NOTE:

The rescheduling request must be made and the fee paid within 90 days of the notification of failure to pass, or the application becomes void [*Bus. & Prof. Code § 7074(a)(2)*]. The application is also void if the applicant or the examinee for the applicant fails to pass within 18 months after the application has been deemed acceptable by the Board [*Bus. & Prof. Code § 7074(a)(3)*].

CHAPTER 88 LICENSING OF CONTRACTORS
PART III. TRANSACTION GUIDE
C. Procedure for Obtaining Contractor's License

29-88 California Legal Forms--Transaction Guide § 88.123

§ 88.123 Posting Adequate Security

1. File bond with Registrar [*Bus. & Prof. Code § 7071.6*].

NOTE:

A contractor's bond must be executed by an admitted surety in favor of the State of California in a form acceptable to the Registrar of Contractors. The bond must be filed with the Registrar by the licensee or applicant [*Bus. & Prof. Code § 7071.5*].

The sum of the bond required for all contractors with an active license is $12,500 [*Bus. & Prof. Code § 7071.6(a)*]. Under specified circumstances related to an applicant's citation or conviction for contracting without a license, the applicant may be required to post a bond for twice the statutory amount [*Bus. & Prof. Code § 7071.6(d)*].

For a list of the persons to be benefited by the bond, see *Bus. & Prof. Code § 7071.5*.

2. If required, file judgment bond for amount of unsatisfied judgment for failure or refusal to pay contractor, subcontractor, consumer, materials supplier, or employee [*Bus. & Prof. Code § 7071.17(a)*].

NOTE:

As a condition precedent to accepting an application for licensure, renewal, reinstatement, or to change officers or other personnel of record, and in addition to the normal contractor's bond, an applicant or licensee previously found to have failed or refused to pay a contractor, subcontractor, consumer, materials supplier, or employee based on an unsatisfied final judgment must file with the Board a judgment bond or secured equivalent equal to the amount of the unsatisfied judgment [*Bus. & Prof. Code § 7071.17(a)*; ***see*** *Bus. & Prof. Code § 7071.17(i)* ("judgment" includes final arbitration award)]. For the bond requirement to apply, the judgment must be substantially related to the

qualifications, functions, or duties of the license [*Bus. & Prof. Code § 7071.17(e)*]. In lieu of filing a bond, the licensee may provide the Board with a notarized copy of any accord reached with the creditor holding an unsatisfied final judgment. As part of the application process, the applicant is required to state, under penalty of perjury, whether he or she has any unpaid judgments. If the statement is falsified and a license is issued, it will be retroactively suspended until the judgment bond is filed [*Bus. & Prof. Code § 7071.17(a)*].

The judgment bond requirement does not apply when the financial obligation for which a bond or other security is required has been discharged in bankruptcy [*Bus. & Prof. Code § 7071.17(f)*].

A licensee must notify the Registrar in writing of any unsatisfied final judgments within 90 days from the date of judgment. Failure to report the judgment will result in an automatic license suspension that will not be removed until proof of satisfaction of judgment is submitted to the Registrar [*Bus. & Prof. Code § 7071.17(b)*].

If the licensee notifies the Registrar within 90 days of any unsatisfied final judgments, the licensee may maintain the validity of the license by posting a judgment bond or other security sufficient to guarantee payment of the unsatisfied judgments. The bond or other security must be filed within 90 days or the license will be suspended [*Bus. & Prof. Code § 7071.17(b)*].

The qualifying person and any member or other personnel of the license named as a judgment debtor on the unsatisfied judgment is automatically prohibited from serving as an officer, director, associate, partner, owner, qualifying individual, or other personnel of record of another licensee. This prohibition will also cause the suspension of the license of any other existing renewable licensed entity with any of the same personnel of record as the judgment debtor licensee. The suspension will last until either the judgment debtor's license is reinstated, or those same personnel of record disassociate themselves from the renewable licensed entity [*Bus. & Prof. Code § 7071.17(j)*; ***see*** *Bus. & Prof. Code § 7068.2* (disassociation)].

3. File additional bond (or deposit) of $12,500 if applicant has designated qualifying individual who is not [*Bus. & Prof. Code § 7071.9(a), (c)*]:

NOTE:

If a bond is to be furnished, it must be executed by an admitted surety insurer in favor of the State of California, and in a form acceptable to the Registrar. The bond must be filed with the Registrar by the qualifying individual [*Bus. & Prof. Code § 7071.10(a)*].

For a list of the persons to be benefited by the above bond, see *Bus. & Prof. Code § 7071.10(a).*

a. Proprietor;

b. General partner;

c. Joint licensee; or

d. Reponsible managing officer of corporation who owns at least 10 percent or more of voting stock of that corporation.

4. File special bond in amount fixed by Registrar if application is for license, for renewal or restoration of license, for change in corporate officers, or for continued valid use of license that has been subject of disciplinary proceedings, and applicant is any of following [*Bus. & Prof. Code § 7071.8(a)*]:

a. Person whose license has been suspended or revoked in disciplinary action, or person who was qualifying individual for licensee any time during which cause for disciplinary action occurred resulting in suspension or revocation of license, regardless of whether individual knew of or participated in prohibited act or omission.

NOTE:
The amount of the bond or deposit [***see*** *Bus. & Prof. Code § 7071.12* (any required bond may be replaced by deposit)] required as the result of a suspension or revocation will depend on the seriousness of the violation, but will not be less than $15,000 or more than 10 times the standard bond for a contractor's license [*Bus. & Prof. Code § 7071.8(b)*; ***see*** *Bus. & Prof. Code § 7071.6* (standard contractor's license bond)]. The bond, which is in addition to any other required bond, must remain on file with the Registrar for at least two years and for any additional time required by the Registrar. The bond period will run only while the license is current, active, and in good standing and will be extended until the license has been current, active, and in good standing for the required period. Each applicant or licensee will be required to file only one disciplinary contractor's bond of this type for each application or license subject to this bond requirement [*Bus. & Prof. Code § 7071.8(c)*].

b. Person who, at time license was suspended or revoked as result of disciplinary action, was:

(1) Officer, director, member, partner, or qualifying individual of disciplined licensee; and

(2) Knew of or participated in act or omission that caused disciplinary action.

c. Partnership, corporation, firm, or association of which any existing or new officer, director, member, partner, or qualifying person either:

(1) Has had license suspended or revoked in disciplinary action; or

(2) Was member, officer, director, partner, or qualifying person of licensee at any time during which license was suspended or revoked in disciplinary action, and knew of or participated in act or omission resulting in disciplinary action.

5. File bond required by Paragraphs (1), (2), or (3) within 90 days of effective date of bond, or show that failure to have bond on file was due to circumstances beyond licensee's control.

NOTE:
A bond required by *Bus. & Prof. Code § 7071.6*, *7071.8*, or *7071.9* that is received by the Registrar within 90 days of the effective date shown on the bond will be accepted as of that date [*Bus. & Prof. Code § 7071.7(a)*]. For a bond filed after that time to be accepted as of its effective date, the licensee

must show that the failure to have a bond on file was due to circumstances beyond the licensee's control [*Bus. & Prof. Code § 7071.7(b)*].

1. On receipt of notification to do so, have applicant:

a. Pay initial license fee within 90 days from date of notice [*Bus. & Prof. Code § 7074(a)(4)*; *see Bus. & Prof. Code §§ 7137, 7138.1*].

b. File any required [*see Bus. & Prof. Code § 7074(a)(5)*]:
(1) Bond or cash deposit.

(2) Other documents.

2. Have licensee display license in licensee's main office or chief place of business [*Bus. & Prof. Code § 7075*].

3. File one of following with Registrar [*Bus. & Prof. Code § 7125(a)*]:

NOTE:
These requirements do not apply to an applicant who has no employees; however, a person with no employees must file a statement to that effect with the Board on a form provided by the Registrar. Filing a false statement is cause for disciplinary action [*Bus. & Prof. Code § 7125(b), (c)*].

a. Certificate of Workers' Compensation Insurance issued and filed by one or more insurers duly licensed to write workers' compensation insurance in California; or

b. Certification of Self-Insurance issued and filed by Director of Industrial Relations.

4. If licensee is corporation licensed to do business in California, ensure that it is registered and in good standing with

Secretary of State [*Bus. & Prof. Code § 7076.2*].

NOTE:

Failure of contractor licensed to do business as a corporation in California to be registered and in good standing with the Secretary of State after notice from the Registrar will result in automatic suspension of the corporate license by operation of law. Reinstatement may be made at any time following suspension by providing proof that the corporate license is properly registered and in good standing with the Secretary of State [*Bus. & Prof. Code § 7076.2*].

§ 88.130 Renewing License

1. Submit official application for renewal and pay renewal fee before expiration date of license, which will be two years from last day of month in which license was issued [*Bus. & Prof. Code § 7140*; *see 16 Cal. Code Reg. §§ 853, 854* (renewal applicaiton and renewal fee)].

NOTE:
The Registrar will provide the renewal application. The renewal will be effective on the date on which the application is filed with the Board. Except as provided in Paragraph 3, ***below***, the licensee will be considered unlicensed during the time, if any, between the expiration date and the date the renewal becomes effective [*Bus. & Prof. Code § 7141*].

2. At time of application, have responsible managing individual file a statement (on an official form) verifying individual's capacity as responsible managing employee [*Bus. & Prof. Code § 7068*].

3. If renewal application is returned incomplete or delinquent [*see 16 Cal. Code Reg. § 853(b)-(d)*]:

a. Correct insufficiencies identified by Registrar; and

b. Pay any delinquent fee that may have accrued [*see Bus. & Prof. Code § 7137(f)*].

NOTE:
The delinquency fee is 50 percent of the renewal fee [*Bus. & Prof. Code § 7137(f)*].

4. If renewal is desired after license expires:

a. File application for renewal any time within three years after expiration [*Bus. & Prof. Code § 7141*]:

NOTE:
If a license is not renewed within three years, the contractor must apply for a license [*Bus. & Prof. Code § 7141*; ***see*** *Bus. & Prof. Code § 7066*]:

(1) On official application form [*see § 88.200*].

(2) Accompanied by current renewal and delinquency fees [*see Bus. & Prof. Code § 7137(e), (f)*].

b. If application is filed within first 90 days after original date for renewal, file all of the following [*Bus. & Prof. Code § 7141.5*]:

(1) Petition requesting retroactive renewal;

(2) Application for renewal;

(3) Proof that failure to renew was caused by circumstances beyond licensee's control; and

(4) Payment of required renewal and delinquency fees.

5. If client's license has been suspended, take following steps [*Bus. & Prof. Code § 7143*]:

a. Follow standard renewal procedure; and

b. Inform licensee that license may only be renewed as inactive and that renewal does not entitle licensee to engage in licensed activity while suspended or to violate order or judgment suspending license.

6. Ensure that Registrar has either of following on file [*Bus. & Prof. Code § 7125(a)*]:

NOTE:
These requirements do not apply to (1) a licensee who has no employees, or (2) a holder of an inactive license. A person with no employees must file a statement to that effect with the Board on a form provided by the Registrar. Filing a false statement is cause for disciplinary action [*Bus. & Prof. Code § 7125(b), (c)*; ***see*** *Bus. & Prof. Code § 7125.4*].

a. Current and valid Certificate of Workers' Compensation Insurance issued and filed by one or more insurers duly licensed to write workers' compensation insurance in California; or

b. Current and valid Certification of Self-Insurance issued and filed by Director of Industrial Relations.

§ 88.132 Handling Disassociation of Qualifying Individual

1. If responsible managing officer or responsible managing employee disassociates from licensed entity, have licensee or qualifying individual notify Registrar within 90 days after date of disassociation [*Bus. & Prof. Code § 7068.2*].

NOTE:

Compliance with the above requirement will prolong the effectiveness of the license for a period of 90 days from the date of disassociation. Failure to replace the qualifier within 90 days of disassociation will result in automatic suspension of the license or removal of the classification at the end of the 90 days. The failure of the licensee or the qualifier to notify the Registrar within 90 days will result in automatic suspension of the license and the removal of the qualifier from the license, effective as of the date the written notice is received at the Contractors State License Board's headquarters office. This failure to notify is grounds for disciplinary action [*Bus. & Prof. Code § 7068.2*].

The qualifying individual will be responsible for the licensee's construction operations until the Contractors State License Board receives the written notice of disassociation [*Bus. & Prof. Code § 7068.2*].

2. To replace qualifying responsible managing officer or responsible managing employee, have licensee file following with Registrar [*Bus. & Prof. Code § 7068.2*]:

a. Application prescribed by Registrar; and

b. Appropriate fee [*see Bus. & Prof. Code § 7137(a)*].

29-88 California Legal Forms--Transaction Guide § 88.133

§ 88.133 Handling Death of Sole Proprietor, Death or Disassociation of Partner, or Dissolution of Corporation

NOTE:
An individual license is canceled on the licensed person's death [*Bus. & Prof. Code § 7076(a)*]. A partnership license is canceled when a general partner dies or is disassociated, or when the partnership is dissolved. Death of a limited partner does not affect the partnership license unless there is only one limited partner [*Bus. & Prof. Code § 7076(b), (c)*]. A joint venture license is canceled when any of its entity licenses are canceled, revoked, or disassociated, or when the joint venture itself is dissolved [*Bus. & Prof. Code § 7076(f)*]. A corporation license is canceled when the corporation is dissolved or merged, or when it surrenders its right to do business in California [*Bus. & Prof. Code § 7076(i)*].

1. On death of sole proprietor licensed as individual contractor [*Bus. & Prof. Code § 7076(a)*]:

a. Inform immediate family of right to request license continuance to complete projects in progress and undertake new work as permitted by Board's rules.

b. If continuance of license is desired:
(1) Draft and file written request at Board's headquarters office within 90 days after sole proprietor's death.

NOTE:
Approval of a continuance may be contingent on satisfying the bond requirements discussed in *§ 88.123* [*Bus. & Prof. Code § 7076(a)*; ***see*** *Bus. & Prof. Code §§ 7071.5, 7071.6*].

(2) Ensure that family member requesting continuance prepares and files application for own license before continuance expires.

2. On death of general partner [*Bus. & Prof. Code § 7076(b)*]:

NOTE:
The requirements for continuing a limited partnership when the sole limited partner dies are virtually the same as those that apply when a general partner dies, except that the license will not be canceled at all if a new limited partner is added within 90 days of death [***see** Bus. & Prof. Code § 7076(d)*].

a. Have remaining partner or partners notify Registrar of partner's death in writing within 90 days.

NOTE:
Failure to notify the Registrar of a partner's death within 90 days is grounds for disciplinary action [*Bus. & Prof. Code § 7076(b)*].

b. Inform remaining partner or partners of right to request license continuance to complete projects in progress and undertake new work as permitted by Board's rules.

c. If continuance of license is desired:

(1) Draft and file written request at Board's headquarters office within 90 days after partner's death.

(2) Ensure that surviving partners prepare and file application for new license to continue contracting after continuance expires.

3. On disassociation of general partner or dissolution of partnership [*Bus. & Prof. Code § 7076(c)*]:

a. Have disassociating partner or remaining partner or partners notify Registrar in writing within 90 days of general partner's disassociation or partnership's dissolution.

NOTE:
If written notification does not reach the Registrar within the 90-day period, the license will be canceled effective on the date an untimely written notification is received at the Board's headquarters office. Failure to notify the Registrar of the disassociation or dissolution within 90 days is grounds for disciplinary action [*Bus. & Prof. Code § 7076(c)*]. This same notice is required when a limited partner is disassociated [*Bus. & Prof. Code § 7076(e)*].

b. Inform remaining partner or partners of right to request license continuance to complete projects in progress and undertake new work as permitted by Board's rules.

c. If continuance of license is desired:

(1) Draft and file written request at Board's headquarters office within 90 days after disassociation or dissolution.

(2) Ensure that remaining general partner or partners prepare and file application for new license to continue contracting after continuance expires.

4. On cancellation, revocation, or disassociation of license of joint venture entity, or dissolution of joint venture [*Bus. & Prof. Code § 7076(f)*]:

a. See that Registrar is notified in writing within 90 days of disassociation of entity or dissolution of joint venture.

NOTE:
If written notice does not reach the Registrar within the 90-day period, the license will be canceled effective the date an untimely written notification is received at the Board's headquarters office. Failure to notify the Registrar of the disassociation or dissolution within 90 days is grounds for disciplinary action [*Bus. & Prof. Code § 7076(e)*].

b. Inform any remaining joint venture entities of right to request license continuance to complete projects in progress and undertake new work as permitted by Board's rules.

c. If continuance of license is desired:

(1) Draft and file written request at Board's headquarters office within 90 days after disassociation or dissolution.

(2) Ensure that remaining entity or entities prepare and file application for new license to continue contracting after continuance expires.

5. On dissolution, merger, or surrender of corporation's right to do business in California, ensure that Registrar is notified in writing within 90 days of event [*Bus. & Prof. Code § 7076(h)*].

NOTE:
If written notification does not reach the Registrar within the 90-day period, the license will be canceled effective on the date an untimely written notification is received at the Board's headquarters office. If the corporation fails to notify the Board of the dissolution, merger, or surrender, the license will be canceled 60 days after the Board discovers the dissolution, merger, or surrender by researching the Secretary of State's corporate records. Failure to notify the Registrar of the dissolution, merger, or surrender within 90 days is grounds for disciplinary action [*Bus. & Prof. Code § 7076(h)*].

§ 88.134 Handling Inactive Licenses

NOTE:
Inactive status should be requested if the licensee will not be using the license for a significant period of time, because the renewal fee for inactive licenses is much lower than for active licenses [***see*** *Bus. & Prof. Code § 7137(e)*].

1. If licensee wants to inactivate license, submit following documents to Registrar [*Bus. & Prof. Code § 7076.5(a)*]:

NOTE:
Any licensed contractor not engaged in work or activities that require a license may apply for an inactive license [*Bus. & Prof. Code § 7076.5(b)*].

a. Official request form; and

b. Current active license certificate.

NOTE:
If the current license certificate has been lost, the licensee must pay the required fee and replace the license [*Bus. & Prof. Code § 7076.5(a)*].

2. Inform holder of inactive license that:

a. Holder may not practice as contractor until license is reinstated [*Bus. & Prof. Code § 7076.5(a)*].

b. Inactive status will not bar any disciplinary action by Board against licensee under Contractors' State License Law [*Bus. & Prof. Code § 7076.5(h)*].

c. Bonding requirements [*Bus. & Prof. Code §§ 7071.6, 7071.8, 7071.9*] will not apply [*Bus. & Prof. Code § 7076.5(d)*].

d. Qualifier requirement [*Bus. & Prof. Code § 7068*] will not apply [*Bus. & Prof. Code § 7076.5(d)*].

3. Renew inactive license on each established renewal date [*see § 88.130*] by submitting renewal application and paying inactive renewal fee [*Bus. & Prof. Code § 7076.5(f)*; *see Bus. & Prof. Code § 7137(e)*].

4. To reactivate inactive license, submit following to Registrar at any time within period for which license was issued [*Bus. & Prof. Code § 7076.5(g)*; *see Bus. & Prof. Code § 7137(e)*; *16 Cal. Code Reg. § 867*]:

NOTE:
No examination is required to reactivate an inactive license [*Bus. & Prof. Code § 7076.5(g)*].

a. Official application form; and

b. Renewal fee.

5. If licensee does not want reinstatement to be effective on later of date on which request is received or date on which full renewal fee is paid, request later effective date [*16 Cal. Code Reg. § 867(a)*].

6. If license is suspended and licensee desires reinstatement, take following steps [*Bus. & Prof. Code § 7102*]:

a. Comply with any provisions of reinstatement decision and submit proof of compliance to Registrar.

NOTE:
In the absence of any reinstatement provisions, reinstatement may be granted in the Registrar's sound discretion [*Bus. & Prof. Code § 7102*].

b. File special bond or cash deposit [*Bus. & Prof. Code § 7071.8*; *see § 88.123*].

c. Ensure that Registrar has either of following on file [*Bus. & Prof. Code § 7125(a)*]:

NOTE:
These requirements do not apply to (1) a licensee who has no employees, or (2) a holder of an inactive license. A person with no employees must file a statement to that effect with the Board on a form provided by the Registrar. Filing a false statement is cause for disciplinary action [*Bus. & Prof. Code §§ 7125(b), (c), 7125.4*].

(1) Current and valid Certificate of Workers' Compensation Insurance issued and filed by one or more insurers duly licensed to write workers' compensation insurance in California; or

(2) Current and valid Certification of Self-Insurance issued and filed by Director of Industrial Relations.

7. If license has been revoked and former licensee desires reinstatement or reissuance, take following action:

a. After one year has passed since final decision of revocation, make proper showing of each of following [*Bus. & Prof. Code § 7102*]:

NOTE:
A revoked license may not be reinstated for a minimum of one year or a maximum of five years after the final decision of revocation. In considering whether to extend the minimum period, the Registrar will consider the gravity of the violation, the history of previous violations, and criminal convictions [*Bus. & Prof. Code § 7102*].

(1) All loss caused by act or omission for which license revoked has been fully satisfied; and

NOTE:
However, if the above loss has been reduced to a monetary obligation or debt and the debt or obligation has been adjudicated in a bankruptcy proceeding, then the satisfaction of that debt or obligation is not a prerequisite for the license's reinstatement or reissuance. Any nonmonetary condition not adjudicated in a bankruptcy proceeding must be complied with [*Bus. & Prof. Code § 7102*].

(2) All conditions imposed by revocation decision have been complied with.

b. File special bond or cash deposit [*Bus. & Prof. Code § 7071.8*; *see § 88.123*].

c. If former licensee has failed or refused to pay contractor, subcontractor, consumer, materials supplier, or employee, post bond to cover that debt if it is established by recorded and unsatisfied judgment or unsatisfied arbitration award [*Bus. & Prof. Code § 7071.17*; *see § 88.123*].

§ 88.135 Complying With Advertising Restrictions

1. If client is not licensed contractor and wants to advertise for work covered by Contractors' State License Law, instruct client to:

NOTE:
Violation of the following disclosure requirements is a misdemeanor [***see*** *Bus. & Prof. Code § 7027.1*].

a. State in advertisement that he or she is not licensed contractor [*Bus. & Prof. Code § 7027.2*].

b. Refrain from listing name in classified advertisement or directory under classification for work covered by Contractors' State License Law [*Bus. & Prof. Code § 7027*].

c. Refrain from advertising or putting out any sign, card, or other device indicating to public that client is licensed contractor [*Bus. & Prof. Code § 7027*].

2. If client is licensed contractor, instruct client to comply with advertising requirements as follows:

a. Advertise only for classification in which licensed.

NOTE:
The only exception to this requirement provides that a licensed building or engineering contractor may advertise as a general contractor [*Bus. & Prof. Code § 7027.1(a)*].

b. Include license number in all of following [*Bus. & Prof. Code § 7030.5*; *16 Cal. Code Reg. § 861*]:

(1) Construction contracts;

(2) Subcontracts and calls for bid; and

(3) Most forms of advertising.

NOTE:
The following forms of advertising are subject to the above requirement [*16 Cal. Code Reg. § 861*]: Any cards, contract proposals, signs, billboards, brochures, pamphlets, circulars, newspapers, magazines, airwave or electronic transmissions, and any directory listing for "contractors" or any other category of work for which a contractor's license is required.

c. Do not include in advertisement any reference to any bond required under Contractors' State License Law [*Bus. & Prof. Code § 7071.13*].

d. If name or position of public official is to be used in advertisement or promotional material, obtain official's written authorization [*Bus. & Prof. Code § 7190(a)*; *see Bus. & Prof. Code § 7190(b)* ("public official" defined)].

NOTE:
In addition to a written authorization, any advertisement or promotional material must include the following disclaimer: "The name of [***specify name of public official***] does not imply that [***specify name of public official***] endorses this product or service in [his ***or*** her] official capacity and does not imply an endorsement by any governmental entity." If the advertisement is printed, it must be in at least 10-point roman boldface type in a color or print that contrasts with the background so as to be easily legible, and set apart from any other printed matter. If it is broadcast, the disclaimer must be read in a clearly audible tone of voice [*Bus. & Prof. Code § 7190(a)*].

3. If client is engaged in asbestos-related services, include certification and registration numbers in advertisement [*Bus. & Prof. Code § 7099.11(a)*].

NOTE:
Contractors engaged in asbestos-related activities must be certified by the Contractors' State License Board and registered with the Division of Occupational Safety and Health [*Bus. & Prof. Code § 7058.5(a)*; *Lab. Code § 6501.5*].

§ 88.136 Complying With Miscellaneous Requirements

1. Report to Registrar, on a prescribed form, all changes of information under Contractors' State License Law within 90 days after changes are made [*Bus. & Prof. Code § 7083*].

NOTE:
These changes include, but are not limited to, changes in address, personnel, business name, qualifying individual bond exemption, or exemption to qualify multiple licenses [*Bus. & Prof. Code § 7083*; ***see*** *Bus. & Prof. Code §§ 7071.9* (qualifying individual bond exemption), 7068.1 (exemption to qualify multiple licenses)]. The licensee's failure to notify the Registrar of these changes within 90 days is grounds for disciplinary action, and will cause the change to be effective only as of the date the written notification is received at the Board's headquarters office [*Bus. & Prof. Code § 7083*].

2. Within 90 days after any workers' compensation insurance policy is issued to licensed contractor, take following steps [*Bus. & Prof. Code § 7125*]:

a. Provide Registrar with written report indicating name and address of insurer; and

b. Send copy of above report to insurer.

3. If proposed project requires construction permit from city or county as condition precedent to issuance of permit, file signed statement containing [*Bus. & Prof. Code § 7031.5*]:

NOTE:
Any violation of this requirement will be subject to a civil penalty of not more than $500 [*Bus. & Prof. Code § 7031.5*].

a. If applicant is licensed, all of following information:
(1) Allegation that applicant is properly licensed;

(2) Applicant's license number; and

(3) Allegation that license is in full force and effect.

b. If applicant is exempt from Contractors' State License Law, basis for exemption.

4. If client is practicing contracting business in city or county that requires issuance of business license, submit following to local jurisdiction [*Bus. & Prof. Code § 7033*]:

a. If client is licensed, signed statement that:

(1) Applicant possesses contractor's license; and

(2) License is in full force and effect.

b. If client is not licensed, proof of facts that entitle client to exemption.

5. If qualifying individual wishes to serve in same capacity for additional individual or firm, inform him or her of need to satisfy conditions specified in § 88.120 [*see Bus. & Prof. Code § 7068.1*].

6. If licensee enters United States Armed Forces, provide Registrar, within 30 days after entry, with:

a. Renewal fee; and

b. Name(s) of responsible managing person or persons who [*Bus. & Prof. Code § 7071.3*]:

NOTE:
The license will remain in effect only for the 30-day period. Any person or persons designated to conduct the licensee's business may be qualified by the Registrar. Those persons must possess the good character required of an applicant for a contractor's license, and will be removed from the licensee's business (after a hearing) if they commit any of the acts or crimes specified in *Bus. & Prof. Code § 480* [*Bus. & Prof. Code § 7071.3*].

(1) Will act for licensee during term of service;

(2) Have not committed acts or crimes constituting grounds for denial of licensure under *Bus. & Prof. Code § 480* [*see § 88.110*]; and

(3) If approved by Registrar, will have authority to act for maximum of one year after licensee's discharge [*Bus. & Prof. Code § 7071.3*].

CHAPTER 88 LICENSING OF CONTRACTORS
PART IV. FORMS

29-88 California Legal Forms--Transaction Guide § 88.200

§ 88.200 Application for Original Contractor's License

[1] Comment

[a] Use of Form

This form is the official application for an original contractor's license. It must be submitted along with an application fee [*see Bus. & Prof. Code § 7137(a)*] to the Contractors' State License Board in Sacramento. An "original license" is the first contractor's license obtained by a particular licensee.

Before completing this form, the attorney should check to see if the applicant or the proposed business or project is exempt from the requirements of the Contractors' State License Law [*see § 88.110*].

Application forms for an Original Contractor's License may be ordered from the Contractors' State License Board by phone at 1-800-321-CSLB (2752), or online at http://www.cslb.ca.gov/GeneralInformation/Library/FormsAndApplications.asp. In addition, applicants may use other forms approved by the Registrar of Contractors [*Bus. & Prof. Code § 7066.5*].

[b] Information to Be Furnished

The following information must be included in any application for an original contractor's license:

- Evidence of financial solvency [*Bus. & Prof. Code § 7067.5* (operating capital in excess of $2,500); *16 Cal. Code Reg. § 816(a)(1)*].

- Description of experience in the classification applied for [*Bus. & Prof. Code § 7068(a)*; *16 Cal. Code Reg. § 816(a)(2)*; *see* "Certification of Work Experience" portion of form].

- Information on the qualifying individual's duties and responsibilities for supervision and control of the applicant's construction operations [*Bus. & Prof. Code § 7068.1*].

- Whether applicant or applicant's personnel or anyone with whom applicant or applicant's personnel has been associated in the contracting vocation has ever been licensed or had a professional or vocational license refused or revoked [*16 Cal. Code Reg. § 816(a)(3)*].

- A current and valid Certificate of Workers' Compensation Insurance or Certificate of Self-Insurance, unless the applicant has no employees, in which case he or she must file a statement to that effect with the Registrar on a prescribed form [*Bus. & Prof. Code § 7125(a), (b)*].

The Registrar is also authorized to seek additional information relating to the applicant's qualifications [*see 16 Cal. Code Reg. § 816(c)* (Registrar has authority to require applicant to provide additional information necessary to determine applicant's qualifications)].

[c] Insufficient Applications

No license will be issued until the applicant provides the information required in the application form [*16 Cal. Code Reg. § 818(a)*; *see 16 Cal. Code Reg. § 816* (required information); *see also* [b], *above*]. Incomplete or insufficient applications will be rejected and returned to the applicant with a statement of the reasons for the rejection [*16 Cal. Code Reg. § 818(b)*; *see Bus. & Prof. Code § 7074(a)(7)* (application becomes void when applicant fails to return application rejected by Board for insufficiency or incompleteness within 90 days from date of original notice or rejection)]. An application, other than a renewal application, that is rejected for insufficiency or incompleteness must be returned within 90 days from the date of the original notice of rejection or the application will be deemed abandoned. However, the Registrar may extend this 90-day period for good cause [*16 Cal. Code Reg. § 813(a)*]. An abandoned application may not be reinstated, but the applicant may file a new application with the required fee [*16 Cal. Code Reg. § 813(b)*].

[d] Waiver of Certain Disclosure Requirements

If the applicant is eligible for waiver of the examination requirement [*see Bus. & Prof. Code § 7065.1*; *see also § 88.122*] or does not have to take the examination [*see Bus. & Prof. Code § 7065*; *see also § 88.122*], then the Registrar may exempt the applicant from supplying information about the qualifying individual's previous experience in the classification applied for [*16 Cal. Code Reg. § 816(c)*].

[e] Execution and Verification

The application must be signed under penalty of perjury [*16 Cal. Code Reg. § 816(b)*] by the qualifying individual, if any, and by the applicant [*Bus. & Prof. Code § 7067.6*]. The signature or signatures for the applicant must be by each member of its personnel [*16 Cal. Code Reg. § 816(b)*]. The personnel of an applicant include the following:

- If the applicant is an individual, the owner.

- If the applicant is a partnership, all the partners.

- If the applicant is a corporation, all the officers, including at least the president, secretary, and treasurer.

[f] Denial of Application

The Registrar of Contractors may deny any application if the applicant fails to comply with any rule or regulation adopted under the Contractors' State License Law [*see Bus. & Prof. Code § 7000 et seq.*] or if there are grounds for denial under *Bus. & Prof. Code § 480* [*Bus. & Prof. Code § 7073*; for discussion of the grounds for denial of a license under *Bus. & Prof. Code § 480*, *see § 88.110*; *see also Bus. & Prof. Code § 7074(a)* (grounds for voiding of application)]. The Registrar may also deny an application if an investigation of the applicant's activities shows that the

applicant is guilty of or has committed one or more acts or omissions constituting cause for disciplinary action [*Bus. & Prof. Code § 7090*]. The failure to pay a civil penalty or to comply with an order of correction or an order to pay a specified sum to an injured party in lieu of correction once the order has become final are also grounds for denial of (or refusal to renew) a license [*Bus. & Prof. Code § 7090.1(a)(1)*].

A licensee cited under the provisions of *Bus. & Prof. Code § 7090.1* is also automatically prohibited from serving as an officer, director, associate, partner, or qualifying individual of another licensee. The employment, election, or association of the cited licensee by any other licensee will subject the other licensee to disciplinary action. Any qualifying individual who is disassociated from a licensee pursuant to *Bus. & Prof. Code § 7090.1* must be replaced within 90 days of the date of disassociation, and failure to do so will result in the automatic suspension of the license of the other licensee [*Bus. & Prof. Code § 7090.1(b)*; *see Bus. & Prof. Code §§ 7068, 7068.2* (qualification)].

In lieu of denying licensure, the registrar may issue an applicant a probationary license with terms and conditions. During the probationary period, if information is brought to the registrar's attention regarding any act or omission of the licensee constituting grounds for discipline or denial of licensure for which the registrar determines that revocation of the probationary license would be proper, the registrar will notify the applicant to show cause within 30 days why the probationary license should not be revoked. A probationary license cannot be renewed during any period in which a show cause proceeding is pending [*Bus. & Prof. Code § 7073(e)*; *see Gov. Code § 11500 et seq.* (procedure governing show cause proceedings)].

CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS

29-89 California Legal Forms--Transaction Guide Scope

Scope

Scope

This chapter covers home improvement, service and repair, and specialty contracts. It discusses what constitutes a home improvement and focuses on the consumer protection legislation that regulates the home improvement business. It explains the statutory requirements for language in home improvement contracts. There is a limited discussion of home solicitation contracts and the regulations governing consumer credit transactions. This chapter discusses the role of specialty contractors as general contractors and as subcontractors and explains the limitations imposed on the work they may perform. It also covers the separate requirements relating to swimming pool construction contracts.

The Transaction Guide provides the information necessary to determine the laws applicable to a proposed home improvement, service and repair, swimming pool construction, or specialty construction project. It also contains a checklist of mandatory and optional provisions to be included in contracts for those projects.

The forms provide complete representative home improvement contracts and related notices. They include provisions for both financed and nonfinanced projects, and general as well as particularized specialty contracts.

This chapter does not cover the contractor's actual performance under a home improvement, service and repair, or specialty contract. For a discussion of general contract principles (for example, capacity to contract) and home solicitation contracts, see Ch. 75, *Formation of Contracts and Standard Contractual Provisions* . For discussion of the licensing and regulation of home improvement contractors, specialty contractors, and home improvement salespersons, see Ch. 88, *Licensing of Contractors* .

For an analysis of the law and forms relating to contracts and financing for the construction of homes and other large scale construction projects, and a discussion of contractors' liability for defective materials, see Ch. 30D, *Construction Contracts and Subcontracts* . For an analysis of the law and forms relating to publicly financed construction projects, see Ch. 90A, *State Government Contracts* , and Ch. 90B, *Federal Government Contracts* . For a more detailed discussion of the law governing performance bonds, see Ch. 79, *Suretyship, Guaranty, and Indemnity* .

Contract bidding procedures are not covered in this chapter, although bids should normally be solicited for home improvement or specialty projects. For an analysis of the laws governing bidding, and a representative set of related forms, see Ch. 30D, *Construction Contracts and Subcontracts* .

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART II. LEGAL BACKGROUND

29-89 California Legal Forms--Transaction Guide § 89.10

§ 89.10 Statutory Requirements Applicable to All Construction Contracts

[1] Contents of Written Contract

To accommodate those entitled to give preliminary 20-day notice in connection with private works of improvement, every written contract between a property owner and an original contractor must provide space for the owner to enter his or her name and residential and business addresses. If the contract is not one for home improvements or swimming pool construction, it must also include space for the owner to enter the name and address of any construction lenders. The original contractor must make the owner's and lender's information available to anyone seeking to serve a preliminary 20-day notice [*Civ. Code § 3097(l), (m)*]. If a private work of improvement involves subcontracting any of the work, any contract between an original contractor and a subcontractor, or between subcontractors, must provide space for the name and address of the owner, original contractor, and any construction lender [*Civ. Code § 3097(l), (m)*]. If the owner secures construction financing after construction is underway, he or she must provide all lenders' names and addresses to each person who has given the owner a preliminary 20-day notice [*Civ. Code § 3097(n)*]. For discussion of the preliminary 20-day notice requirement for private works of improvement, see *Ch. 31, Mechanics' Liens, § 31.202[1]*.

[2] Licensing Requirements

In general, no person engaged in the business or acting in the capacity of a contractor may bring or maintain any action, or recover in law or equity in any action, to collect compensation for performing any act or contract for which a license is required without alleging that he or she was a duly licensed contractor at all times during the performance of the act or contract, regardless of the merits of the cause of action [*Bus. & Prof. Code § 7031(a)*; *MW Erectors, Inc. v. Niederhauser Ornamental & Metal Works Co. (2005) 36 Cal. 4th 412, 430-431, 30 Cal. Rptr. 3d 755, 115 P.3d 41]* . Section 7031 does not allow a contractor who was unlicensed at any time during contractual performance to recover compensation for individual acts performed while he or she was duly licensed [*MW Erectors, Inc. v. Niederhauser Ornamental & Metal Works Co. (2005) 36 Cal. 4th 412, 425, 30 Cal. Rptr. 3d 755, 115 P.3d 41]* . Furthermore, owners or tenants who use unlicensed contractors may not be able to pursue complaints through the Contractors State License Board. The only remedy may be in civil court.

In addition, the owner or tenant may be liable for damages arising out of any injuries to the unlicensed contractor or the

unlicensed contractor's employees [*see Heiman v. Workers' Comp. Appeals Bd. (2007) 149 Cal. App. 4th 724, 735* (owner or occupant of residential dwelling who hires unlicensed contractor whose employee is injured may be "employer" liable for workers' compensation under *Lab. Code § 2750.5* or *3351(d)* if the employee worked sufficient hours under *Lab. Code § 3352(h)*, and may also be liable in tort under *Lab. Code § 2750.5*); *see also Mendoza v. Brodeur (2006) 142 Cal. App. 4th 72, 47 Cal. Rptr. 3d 310]* . In such cases, homeowners may not have workers' compensation coverage under their homeowners' policies, which often require that the contractor be licensed for coverage to apply.

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART II. LEGAL BACKGROUND

29-89 California Legal Forms--Transaction Guide § 89.11

§ 89.11 Home Improvement Contracts

[1] Governing Statutes

With the exception of certain agreements for the construction of swimming pools [*see Bus. & Prof. Code §§ 7165-7168*; *see also § 89.13*], home improvement contracts are governed by *Bus. & Prof. Code § 7150 et seq.*

[2] Types of Home Improvement Contracts

[a] Agreement for Performance of Home Improvement

There are two types of "home improvement contracts." The first is an agreement between a contractor and an owner or tenant for the performance of a home improvement [*Bus. & Prof. Code § 7151.2*]. Any work (for example, repair, modernization, conversion, or addition) performed on residential property is a "home improvement." Specifically, home improvements include work affecting structures or land (for example, driveways, terraces, patios, landscaping, fences, porches, garages, fallout shelters, and basements) adjacent to dwellings.

[b] Agreement for Sale, Furnishing, or Installation of Goods or Services

The second type of home improvement contract is an agreement between a salesperson and an owner or tenant for the sale, furnishing, or installation of home improvement goods or services [*Bus. & Prof. Code § 7151.2*]. "Home improvement goods and services" are tangible chattels (for example, fencing, carpeting, texture coating, and heating or air conditioning equipment) and labor (for example, termite extermination) bought in connection with the improvement of real property [*Bus. & Prof. Code § 7151*; *see Civ. Code § 1689.5(c), (d)*]. Contracts for home improvement goods and services secured by a lien on real property must meet specific requirements [*see Bus. & Prof. Code §§ 7159.1, 7159.2*; *see also § 89.11[7]*].

[c] Service and Repair Contracts

Like home improvement contracts, service and repair contracts are also subject to specific requirements. A service and repair contract is an agreement between a general or specialty contractor, or salesperson for such a contractor, who is

licensed or subject to be licensed with regard to the transaction, and a homeowner or a tenant, for the performance of a home improvement, that conforms to specified requirements [*see Bus. & Prof. Code § 7159.10(a)(1)*].

Some contracts that fall within these general definitions must include specific information and statutory disclosures and therefore must be in writing [*see Bus. & Prof. Code §§ 7159-7159.14*; *see also § 89.11[3]*].

[3] Requirements for Written Home Improvement and Service and Repair Contracts

[a] Home Improvement Contracts

Although *Bus. & Prof. Code § 7159*, which sets forth the content requirements for a home improvement contract, provides that such contracts may be oral or written, there is no practical way to satisfy those requirements in the absence of a writing; though the contract may consist of more than one document. Thus, the following discussion assumes that a writing is required for a home improvement contract that is between a contractor and an owner or between a contractor and a tenant, regardless of the number of residence or dwelling units contained in the building in which the owner or tenant resides, if [*Bus. & Prof. Code § 7159(b)*]:

- The work is to be performed in, to, or on the owner's or tenant's residence or dwelling unit;

- The contract is for the performance of a home improvement, and includes all labor, services, and materials to be furnished and performed by the contractor [*see Bus. & Prof. Code § 7151* ("home improvement defined")]; and

- The aggregate contract price specified in the contract, including all labor, services, and materials to be furnished by the contractor, exceeds $500.

The home improvement contract content requirements do not apply to service and repair contracts, which are subject to their own requirements [*see* Bus. & Prof. Code § 7159.10; *see also § 89.11[3][b]*]. These requirements also do not apply to contracts for the sale, installation, and servicing of a fire alarm sold in conjunction with an alarm system, provided (1) all costs attributable to making the system operable do not exceed $500, and (2) the licensee complies with the requirements that are specific to the sale, installation, and servicing of fire alarm systems [Bus. & Prof. Code § 7159(a)(3), (4); *see* Bus. & Prof. Code § 7159.9].

A writing is also required for an agreement between a salesperson, whether or not he or she is a home improvement salesperson, and an owner or tenant, regardless of the number of residence or dwelling units contained the building in which the owner or tenant resides, which provides for the sale, installation, or furnishing of home improvement goods or services [*Bus. & Prof. Code § 7159(b)*; *see Bus. & Prof. Code §§ 7151, 7152* ("home improvement goods and services" and "home improvement salesperson" defined)].

[b] Service and Repair Contracts

A service and repair contract is an agreement between a general or specialty contractor, or salesperson for such a contractor [*see Bus. & Prof. Code § 7159.10(f)*], who is licensed or subject to be licensed with regard to the transaction, and a homeowner or a tenant, for the performance of a home improvement that meets the following conforming requirements [*Bus. & Prof. Code § 7159.10(a)(1)*]:

- The contract amount can be no more than $750;

- The prospective buyer must initiate contact with the contractor to request the work;

- The contractor may not sell the buyer goods or services beyond those reasonably necessary to take care of the particular problem that caused the buyer to contact the contractor; and

- No payment will be due, or accepted by the contractor, until the work is completed [*see Bus. & Prof. Code § 7159.10(a)(2)* ("work is completed" defined)].

If all of these conforming requirements are *not* met, a contract that is presented to the buyer as a service and repair contract will be treated as a home improvement contract, and must satisfy the requirements for such a contract, including any rights to rescind, regardless of the aggregate contract price [*Bus. & Prof. Code § 7159.10(b)*; *Civ. Code § 1689.6(a)(3)(B)*; *see Bus. & Prof. Code § 7159(c)-(e)* (applicable home improvement contract requirements); *Civ. Code §§ 1689.6, 1689.7* (applicable rescission rights)].

If all of the conforming requirements are met, the notices and requirements described in *Bus. & Prof. Code § 7159.10(c)* must be included [*see §§ 89.131, 89.201[1]*].

[c] Enforcement of Oral Agreements

A contractor who undertakes a home improvement project under an oral contract in violation of the requirements for a written contract [*see Bus. & Prof. Code § 7159*] is subject to a criminal fine or imprisonment [*see Bus. & Prof. Code § 7159*]. However, contrary to the general rule that illegal contracts are void, the oral contract may be enforceable. Whether or not it will be enforced depends on a factual analysis and a balancing of public policy considerations. The writing requirement is intended to protect consumers in an economic area that would otherwise provide an opportunity for abuse by contractors. Thus, an oral home improvement contract may be enforced if [*see* Calwood Structures, Inc. v. Herskovic (1980) 105 Cal. App. 3d 519, 522, 164 Cal. Rptr. 463 , overruled on other grounds, Asdourian v. Araj (1985) 38 Cal. 3d 276, 293 n.11, 211 Cal. Rptr. 703, 696 P.2d 95] :

- The project is completed;

- The violation of the writing requirement does not involve moral turpitude;

- The penalty resulting from denial of enforcement is disproportionately harsh in relation to the violation; and

- The owner or tenant would be unjustly enriched at the contractor's expense.

The requirement for a written home improvement contract for an amount exceeding $500 [*Bus. & Prof. Code § 7159*] applies to a home improvement contract entered into by a real estate investor [Asdourian v. Araj (1985) 38 Cal. 3d 276, 291, 211 Cal. Rptr. 703, 696 P.2d 95]. Although a contract that violates this requirement would generally be void, that rule is not inflexible. In compelling cases, illegal contracts will be enforced to avoid unjust enrichment to one party and a disproportionately harsh penalty against the other. Thus, an unwritten home improvement contract for an amount exceeding $500 may be enforced [Asdourian v. Araj (1985) 38 Cal. 3d 276, 291-292, 211 Cal. Rptr. 703, 696 P.2d 95]. Moreover, such contracts do not involve the kind of illegality that automatically renders an agreement void [Asdourian v. Araj (1985) 38 Cal. 3d 276, 293, 211 Cal. Rptr. 703, 696 P.2d 95].

PRACTICE TIP:

Effect of Failure to Obtain Permit. The applicable statute does not clarify whether the home improvement contract is unenforceable if the "home improvement contractor" does not obtain a permit as required by local law. Arguably, the homeowner could defend enforcement of the contact on the ground that it was illegal. The contractor might reply that if it was illegal, it was the homeowner's responsibility to obtain the permit; the homeowner might then reply that it had delegated that responsibility to the home

improvement contractor. Most likely, a court would resolve the claim by finding that the parties were "in pari delicto" and at least award to the home improvement contractor a restitution remedy equal to the fair market value of the services rendered or the value added to the property by the contractor. *Commentary by Timothy F. O'Leary.*

[4] Parties

[a] In General

Home improvement contracts may be entered into by contractors [*see § 89.11[4][b]*], salespersons [*see § 89.11[4][c]*], property owners, and tenants. If the party contracting to have work performed is a tenant, the work must affect the unit in which that tenant resides [*see Bus. & Prof. Code § 7151.2*]. It is also important to identify the capacity under which a contractor will work on a construction project since the contractor may only perform activities for which he or she is licensed [*see* Ch. 88, *Licensing of Contractors* ; *see also* Ch. 30D, *Construction Contracts and Subcontracts*].

For a more detailed discussion of home improvement contractors, home improvement salespersons, and the licensing and registration regulations with which they must comply, see Ch. 88, *Licensing of Contractors* .

[b] "Home Improvement Contractor"

A "home improvement contractor," including a swimming pool contractor, is a contractor as defined and licensed under the Contractors' State License Law [*see Bus. & Prof. Code § 7100 et seq.*] who is engaged in the business of home improvement either full or part time [*Bus. & Prof. Code § 7150.1*]. Home improvement contractors may be either general building contractors [*see Bus. & Prof. Code § 7057*] or specialty contractors [*see Bus. & Prof. Code § 7058*; *see also § 89.12[1]*].

[c] "Home Improvement Salesperson"

A "home improvement salesperson" is a person employed by a licensed home improvement contractor to solicit, sell, negotiate, or execute contracts for home improvements, for the sale, installation, or furnishing of home improvemente goods or services, or of swimming pools, spas, or hot tubs [*Bus. & Prof. Code § 7152(a)*]. The following individuals are specifically excluded from the home improvement salesperson classification [*Bus. & Prof. Code § 7152(b)*]:

- Officers of corporations licensed under the Contractors' State License Law.

- General partners listed on the license records of licensed partnerships.

- Persons who qualify as contractors on behalf of other firms or individuals [*see Bus. & Prof. Code § 7068*; *but see Handyman Connection of Sacramento, Inc. v. Sands (2004) 123 Cal. App. 4th 867, 889-890, 20 Cal. Rptr. 3d 727* (salesperson licensed only in specialty classification unrelated to home improvement goods and services that he sold was not exempt from registration requirement as qualifying individual)].

- Salespersons who make all their sales pursuant to negotiations between the parties if the negotiations are initiated by the prospective buyer at or with a general merchandise retail establishment that operates from a fixed location where goods or services are offered for sale.

- Persons who contact prospective buyers for the exclusive purpose of scheduling appointments for a registered home improvement salesperson.

- Bona fide service repairpersons employed by a licensed contractor and responding to a

buyer-initiated service, repair, or emergency repair call.

The exemption provided to the first three categories listed above applies only to those individuals who, at the time of the sales transaction, are listed as personnel of record for the licensee responsible for soliciting, negotiating, or contracting for a service or improvement that is subject to the statutes governing the home improvement business [Bus. & Prof. Code § 7152(c); *see* Bus. & Prof. Code § 7150 et seq.].

[5] Required Contents

[a] Home Improvement Contracts

If the aggregate price of a home improvement contract exceeds $500, the contract must contain certain statements and notices specified by statute. It must include information regarding the parties and must also describe the work to be done, the materials to be used, and the terms under which payments will be made [*Bus. & Prof. Code § 7159*; *see § 89.130*, P 1]. A contractor's failure to include the required information in a home improvement contract is a misdemeanor [*see Bus. & Prof. Code § 7159*].

For a list of the provisions that must be included in a contract for a home improvement if the aggregate price exceeds $500, see *§ 89.200[1][f][i]*.

PRACTICE TIP:

Disclosure Requirements. A fertile area for legal actions brought by buyers of residential real estate is the failure of the seller to disclose that home improvement contracts were performed without the benefit of a permit. The Transfer Disclosure Statute requires that the seller state whether the work was performed without a permit or without being in compliance with building codes [*see Civ. Code § 1102.6*]. Practitioners should always recommend to sellers that they disclose any home improvement contracts that the sellers have had performed. If the seller is not aware whether the work was performed with a permit when it should have been, or whether it was in compliance with building codes, then at least the disclosure of the contract's existence, the identity of the contractor, and the description of the work performed might place the onus of investigation on the buyer and relieve the seller of liability. *Commentary by Timothy F. O'Leary.*

[b] Service and Repair Contracts

Similar to a home improvement contract, a service and repair contract, which by definition has an upper limit of $750 [*see Bus. & Prof. Code § 7159.10(a)*], also must include statements and notices specified by statute, as well as information regarding the parties and a description of the work to be done [*see Bus. & Prof. Code § 7159.10(c)*]. For a list of the required provisions and notices, see *§§ 89.131* and *89.201[1]*.

[6] Provisions for Loans

[a] Contract Is Unenforceable Under Certain Conditions

A home improvement contract is unenforceable against the buyer if obtaining a loan for all or part of the contract price is a condition precedent to the contract or if the contractor provides financing, in any way helps the buyer obtain a loan, or refers the buyer to a lender or loan arranger, unless certain requirements are satisfied. These requirements are that the lender must in fact agree to make the loan, the buyer must agree to accept the loan, and the buyer must not rescind the loan or financing transaction within the three-day period prescribed by the federal Truth in Lending Act [*Bus. & Prof. Code § 7163(a)*; *see 15 U.S.C. § 1635*].

Until these requirements are satisfied, the contractor may not deliver any property or perform any services other than obtaining building permits or other similar services preliminary to the commencement of the home improvement for which no mechanics' lien can be claimed [*Bus. & Prof. Code § 7163(b)(1)*], or represent in any manner that the contract is enforceable or that the buyer has any obligation under the contract [*Bus. & Prof. Code § 7163(b)(2)*]. If the contractor performs any of these acts, the contract is rendered unenforceable [*Bus. & Prof. Code § 7163(b)*].

[b] Refund of Consideration and Return of Property

If the contract is unenforceable under the provisions in [a], *above*, the contractor must immediately and unconditionally refund all consideration given by the buyer. If the buyer gave property as consideration and the contractor does not or cannot return it, he or she must immediately return its fair market value or the value specified for it in the contract, whichever is greater [*Bus. & Prof. Code § 7163(c)*].

The buyer must make any property delivered by the contractor under an unenforceable contract available for return to the contractor if it is practical to return it without causing damage to the buyer, if the contractor returns any consideration received, and if the contractor picks up the property at its expense within 60 days after execution of the contract [*see Bus. & Prof. Code § 7163(d)(2)*]. Otherwise, the buyer may retain, without obligation, any services or property provided under the contract [*Bus. & Prof. Code § 7163(d)(1)*].

These rules apply to home improvement contracts. "Goods" are covered regardless of whether they are to become fixtures or not [*Bus. & Prof. Code § 7163(e)*]. The rights and remedies discussed above are nonexclusive and cumulative with other legal rights and remedies [*Bus. & Prof. Code § 7163(f)*].

[c] Waiver

In general, any waiver of the requirements of *Bus. & Prof. Code § 7163* is contrary to public policy, void, and unenforceable [*Bus. & Prof. Code § 7163(g)*]. However, the buyer may waive the provisions of *Bus. & Prof. Code § 7163(a)* and *(b)* to the extent that the contract is executed in connection with emergency repairs or services necessary for the immediate protection of people or property. The buyer's waiver for emergency repairs or services must be in a dated written statement. The statement must (1) describe the emergency, (2) state that the contractor has informed the buyer of *Bus. & Prof. Code § 7163(a)* and *(b)* and that the buyer waives those provisions, and (3) be signed by each owner of the property. Waivers on printed forms are void and unenforceable [*Bus. & Prof. Code § 7163(g)*].

For a form meeting the statutory requirements for such a waiver, see *§ 89.206[2]*.

[d] Swimming Pool Contracts

If a swimming pool contract is to be financed by a third party lender and certain statutory conditions are met, the requirements of *Bus. & Prof. Code § 7165* may be substituted for those of *Bus. & Prof. Code § 7163(a)(1)-(3)* [*Bus. & Prof. Code § 7165*]. For a form containing the required disclosures, see *§ 89.202[2]*.

[7] Requirements for Contracts Secured by Real Property

No home improvement goods or services contract of $5,000 or less may provide for a security interest in real property, except a mechanic's lien or other interest that arises by operation of law. Any lien purportedly created by such a contract is void and unenforceable [*Bus. & Prof. Code § 7159.2(a)*].

When a home improvement goods or services contract of more than $5,000 is secured by a mortgage or deed of trust on real property, the person or entity making the loan may pay the contractor only by an instrument payable to the borrower or jointly to the borrower and contractor or, if the borrower so elects, through a third-party escrow agent under

the terms of a written agreement signed by the parties before the funds are disbursed [*Bus. & Prof. Code § 7159.2(b)*].

With specified exceptions, any contract for the sale of home improvement goods or services offered by door-to-door sale that contains or is secured by a lien on real property must be accompanied by a prescribed notice [*Bus. & Prof. Code § 7159.1*]. For a form of notice, see *§ 89.208[2]*. A security interest created in any door-to-door sales contract that does not provide the notice is void and unenforceable [*Bus. & Prof. Code § 7159.1*].

The notice requirement does not apply to any of the following [*Bus. & Prof. Code § 7159.1(a)-(c)*]:

- Contracts subject to the Unruh Act [*see Civ. Code § 1801 et seq.*; *see also § 89.18[1]*];
- Mechanics' liens [*see Civ. Code § 3109 et seq.*; *see also* Ch. 31, *Mechanics' Liens*]; and
- Home improvement goods or services contracts of $5,000 or less [*see Bus. & Prof. Code § 7159.2(a)*; *see* discussion *above*].

CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART II. LEGAL BACKGROUND

29-89 California Legal Forms--Transaction Guide § 89.12

§ 89.12 Specialty Contractors

[1] Definitions

Many home improvement projects are performed by general building contractors who let out specialty work (e.g., plumbing, electrical wiring, and painting) to subcontractors. A "general building contractor" is a contractor who works on structures for support or shelter of persons, animals, or chattels and who, in doing so, uses at least two unrelated building trades or crafts [*see Bus. & Prof. Code § 7057(a)*].

A "specialty contractor" is one whose work requires a particular skill and who uses specialized building trades or crafts in his or her principal contracting business [*see Bus. & Prof. Code § 7058*]. For a list of classes of specialty contractors and a discussion of contractor classifications, see Ch. 88, *Licensing of Contractors* .

[2] Incidental and Supplemental Work

A specialty contractor may perform work in multiple crafts or trades in which he or she is not licensed, provided that the work is incidental and supplemental to work in the craft for which the specialty contractor is licensed [*Bus. & Prof. Code § 7059(a)*].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART II. LEGAL BACKGROUND

29-89 California Legal Forms--Transaction Guide § 89.13

§ 89.13 Swimming Pool Contracts

[1] Treated as Home Improvement Contracts, Generally

Contracts for the repair, remodeling, altering, converting, modernizing, or construction of swimming pools (including spas and hot tubs) adjacent to dwelling houses are home improvement contracts [*Bus. & Prof. Code §§ 7151.2, 7151*]. Therefore, they are subject to the provisions governing home improvement contracts [*Bus. & Prof. Code § 7150 et seq.*; *see § 89.11*]. However, swimming pool contracts are also subject to additional rules [*see Bus. & Prof. Code §§ 7165-7168*]. In addition, certain swimming pool contracts are exempt from the rules governing home improvement contracts [*see § 89.13[4]*].

[2] Special Provisions Regarding Loans

As with other home improvement contracts [*see § 89.11[6]*], if obtaining a loan is a condition precedent to the contract, or if the contractor provides or assists in obtaining financing, a swimming pool contract is not normally enforceable until a third party agrees to make a loan to finance the construction cost of the swimming pool, the buyer agrees to accept the loan, and the buyer does not cancel the loan within the period prescribed by the Truth in Lending Act [*see 15 U.S.C. § 1601 et seq.*] or Regulation Z [*Bus. & Prof. Code § 7163(a), (b)*; *see* 12 C.F.R. pt. 226].

However, an alternative procedure is available for swimming pool contracts. The buyer may ask the contractor to start work and deliver materials before the cancellation period of the loan is over if [*Bus. & Prof. Code § 7165(e), (f)*]:

- The lender has agreed in writing to provide financing for the maximum estimated construction cost of the swimming pool.

- The lender has given the buyer a written copy of the terms and conditions of a loan for the maximum estimated cost, including the annual percentage rate, the finance charge, the amount financed, the total of payments, the payment schedule, and a description of the security interest to be taken.

- The lender has agreed that if the construction cost is determined after completion of excavation to be a smaller amount than the maximum estimated construction cost, the lender will offer a loan for that

smaller amount on the same terms and conditions.

- The lender has agreed in writing to offer those terms and conditions for a period of not less than 15 days following completion of the excavation of the swimming pool.

- The required statutory notice is set forth on a document separate and apart from the swimming pool contract in the required form.

- The buyer acknowledges receipt of all required writings and, no sooner than three business days after receiving them, signs the notice form to request the contractor to begin construction before the expiration of the buyer's loan rescission period.

- The contractor provides the buyer with a copy of the buyer's signed request at the time of its execution.

These requirements apply to each buyer who signs the swimming pool contract or the promissory note, other evidence of indebtedness, or security interest incident to the loan for swimming pool construction [*Bus. & Prof. Code § 7165(c), (g)*].

For a discussion of the notice and disclosure requirements and the text of the statutory form, see *§ 89.202*.

[3] Drafting Requirements

Any contract whose primary purpose is the construction of a swimming pool must comply with certain drafting requirements or the contract is void and unenforceable by the contractor as contrary to public policy [*Bus. & Prof. Code § 7167(a)*; *see Bus. & Prof. Code § 7159(c)(4), (5), (d)(7)-(9)* (applicable requirements)].

[4] Certain Swimming Pool Contracts Exempt from Home Improvement Contract Requirements

In addition to the alternative lending procedures described in § 89.14[2], swimming pool contracts are treated differently from other home improvement contracts in other ways. Contracts for the construction of swimming pools to be built for the use and enjoyment of other than a single-family unit on or contiguous to premises occupied only by a single-family unit, or for the construction of swimming pools built as part of an original building plan by the same contractor who builds a single-family dwelling unit on the premises, are exempt from home improvement contract requirements [*Bus. & Prof. Code § 7166*].

[5] Attorneys' Fees

In any action arising out of a swimming pool construction contract the prevailing party is entitled to reasonable attorneys' fees [*Bus. & Prof. Code § 7168*].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART II. LEGAL BACKGROUND

29-89 California Legal Forms--Transaction Guide § 89.14

§ 89.14 Installation and Warranty of Goods

[1] Implied Warranty

An implied warranty that goods furnished under a home improvement contract are reasonably suitable for their ordinary use may be imposed in certain cases. When the contractor or subcontractor who performs the home improvement furnishes the materials with which the work is performed, he or she may be liable for any defect in those materials under a theory similar to the implied warranty of merchantability established by the Uniform Commercial Code [*see* Aced v. Hobbs-Sesack Plumbing Co. (1961) 55 Cal. 2d 573, 582-583, 12 Cal. Rptr. 257, 360 P.2d 897 ; *see also Com. Code § 2314*].

PRACTICE TIP:

Presumption That Defect Is Repaired. Sellers often fall into the trap of presuming that the home improvement contractor successfully has repaired the defect. Practitioners should conservatively recommend to sellers that they describe generally the work performed pursuant to a home improvement contract, the identity of the contractor, and if it is still available, provide a copy of the contract. Sellers who fail to disclose the existence of the home improvement contract may do so thinking that the defect has been repaired, and thus since no material defect exists, it need not be disclosed. However, if after the close of escrow the new buyer discovers that the condition persists, this innocent intent might well be misconstrued by the buyer. The buyer may claim that the home improvement repairs were cosmetic, and that the seller's failure to disclose the home improvement contract was at least negligent, or worse, evidence of an intent to conceal a material defect. *Commentary by Timothy F. O'Leary*

[2] Magnuson-Moss Warranty--Federal Trade Commission Improvement Act

[a] "Consumer Product" Defined

A home improvement contractor or salesperson who offers a written warranty covering home improvement goods is a warrantor who must comply with the Magnuson-Moss Warranty--Federal Trade Commission Improvement Act [*15 U.S.C. § 2301 et seq.*], which governs warranties of consumer products. For purposes of the Act, a "consumer product" is any tangible personal property distributed in commerce and normally used for personal, family, or household

purposes including goods intended to be installed in real property [*see 15 U.S.C. § 2301(1)*]. Accordingly, the definitions of "consumer products" and "home improvement goods" are functionally identical. Both definitions encompass major kitchen appliances, furnaces, air conditioners, water heaters, and similar items.

For additional coverage of the Magnuson-Moss Warranty--Federal Trade Commission Improvement Act, see Ch. 52, *Sale of Goods Under the Uniform Commercial Code* , Part III(I)(7) of the Transaction Guide.

[b] Contents of Warranty

The Act requires that the terms of a written warranty of consumer goods be set forth conspicuously and in understandable language. The warranty must include certain detailed statements [*see 15 U.S.C. § 2302(a)*; *see also § 89.130*, P 4]. The required statements are intended to let the consumer know the warranty's limits and to provide the consumer with all information necessary to obtain the warrantor's performance under its terms.

[c] Duties of Warrantors, Suppliers, Contractors, and Sellers

The warrantor must agree to perform in a specified manner in order to meet federal minimum standards for warranties. If the goods malfunction, are defective, or fail to conform with the written warranty, the warrantor must remedy the problem within a reasonable time and without charge. There can be no limitation on the duration of an implied warranty [for an analysis of implied warranties, see Ch. 52, *Sales of Goods Under the Uniform Commercial Code* , Part III(J) of the Transaction Guide]. The warrantor may not exclude or limit consequential damages for breach of the warranty unless the exclusion or limitation appears conspicuously on the face of the warranty. If, after a reasonable number of attempts, the warrantor is unable to repair a defective product, it must permit the consumer to elect either a replacement of the product without charge or a refund [*see 15 U.S.C. § 2304(a)(1)-(4)*].

The Act restricts the ability of suppliers [*see 15 U.S.C. § 2301(4)*] who make written warranties of consumer products or who, no later than 90 days after sale, enter into service contracts with consumers, to disclaim or modify any implied warranties they may have made [*see 15 U.S.C. § 2308*]. Warrantors are encouraged to establish informal dispute resolution procedures [*15 U.S.C. § 2310(a)(1)*] and, if they do so, they must include an explanation of those procedures in their warranties [*see 15 U.S.C. § 2302(a)(7)*].

A contractor who makes an express warranty of consumer goods may also have to comply with the provisions of the Song-Beverly Consumer Warranty Act [*Civ. Code § 1790 et seq.*]. For a complete discussion of the requirements of the Song-Beverly Consumer Warranty Act, see *Ch. 92, Service Contracts, §§ 92.51, 92.52[2], 92.222, 92.223.*

A seller may not, directly or indirectly, enter into a consumer credit contract for the sale of goods or services which does not contain a notice of the consumer's claims and defenses afforded by applicable federal regulations [*see 16 C.F.R. § 433.2*].

[d] Remedies

Any violation of the Act constitutes a method of unfair competition and subjects the violating party to federal criminal penalties [*15 U.S.C. § 2310(b); see 15 U.S.C. § 45(a)(1)*].

§ 89.15 Representations Regarding Brand Names or Trademarks

Any representation that a contractor makes regarding the brand name, trademark, quality, or size of goods or materials that he or she will provide pursuant to a home improvement contract must be set out in writing in the contract. Written confirmation of the representation must appear in the contract specifications and must include a description of the goods or materials as well as any brand name, model number, or similar designation [*Bus. & Prof. Code § 7162(a)*]. A contractor who fails to provide goods or materials conforming to these representations is subject to disciplinary action [*Bus. & Prof. Code § 7162(b)*].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART II. LEGAL BACKGROUND

29-89 California Legal Forms--Transaction Guide § 89.17

§ 89.17 Home Solicitation Contracts

[1] Definitions

A "home solicitation contract or offer" is any contract or offer for goods and/or services that is made at some location other than business or trade premises [*see Civ. Code § 1689.5(a)*]. The emphasis in characterizing a transaction as a home solicitation contract is on the place at which the contract is made and not on which party initiated the steps leading up to execution of the agreement [*Williams v. Kapilow & Son, Inc. (1980) 105 Cal. App. 3d 156, 161, 164 Cal. Rptr. 176]* . For purposes of the law governing home solicitation contracts, the definitions of "goods" and "services" [*see Civ. Code § 1689.5(c), (d)*] are functionally identical to the definitions of those terms contained in the Contractors' State License Law [*see Bus. & Prof. Code § 7151*; *see also § 89.11[2]*].

[2] Purpose of Regulation

The regulation of home solicitations focuses on protecting consumers against pressures that arise when salespersons appear at their homes [*see Weatherall Aluminum Products Co. v. Scott (1977) 71 Cal. App. 3d 245, 248, 139 Cal. Rptr. 329* ; *see also Civ. Code §§ 1689.6, 1689.7*]. Any confession of judgment or waiver of a consumer's rights under the laws governing home solicitations is void as against public policy [*Civ. Code § 1689.12*]. The contract must be written in the same language that was principally used in the oral sales presentation [*Civ. Code § 1689.7(a)(1)*].

[3] Exemptions from Laws Governing Home Solicitation Contracts

The laws governing home solicitation contracts do not apply to any transaction in which the consumer has rescission rights under the Truth in Lending Act [*Civ. Code § 1689.5(a)*; *see § 89.18[1]*].

Furthermore, the laws governing home solicitation contracts do not apply to any contract for repair services with a licensed contractor for less than $100, when (1) the negotiation between the parties was initiated by the prospective purchaser, and (2) the contract contains a written and dated statement signed by the prospective purchaser stating that the prospective purchaser initiated the contract negotiation [*Civ. Code § 1689.5(a)*].

[4] Right of Buyer to Cancel Contract or Offer

[a] Cancellation Period

Except for a home solicitation contract written pursuant to *Bus. & Prof. Code § 7151.2* or *7159.10*, which respectively govern home improvement and service and repair contracts, the buyer has an absolute right to cancel a home solicitation contract or offer until midnight of the third business day after he or she executes it [*Civ. Code § 1689.6(a)(1)*]. Three days is also the cancellation period applicable to home improvement and service and repair contracts written pursuant to *Bus. & Prof. Code §§ 7151.2* and *7159.10*, but the period does not begin to run until the buyer receives a signed and dated copy of the contract or offer to purchase [*see Civ. Code § 1689.6(a)(2), (3)*; *see also Bus. & Prof. Code §§ 7159(e)(6), 7159.10(e)(12)*].

In addition to any other right to revoke an offer, a buyer has the right to cancel a home solicitation contract or offer to repair or restore residential premises damaged by a disaster that was not void pursuant to *Civ. Code § 1689.14*, until midnight of the seventh business day after the buyer executes the contract, unless the provisions of *Civ. Code § 1689.15* apply [*Civ. Code § 1689.6(c)*; *see Bus. & Prof. Code § 7159(e)(7)*]. *Civ. Code § 1689.14* provides that any home solicitation contract or offer for the repair or restoration of residential premises signed by the buyer on or after the date on which a disaster causes damage to the residential premises, but not later than midnight of the seventh business day after that date, will be void, unless the buyer or his or her agent or insurance representative solicited the contract or offer at the seller's trade premises [*Civ. Code § 1689.14*]. *Civ. Code § 1689.15* relates to service and repair contracts written pursuant to *Bus. & Prof. Code § 7159.10* and permits a licensed contractor to commence work on a service and repair project as soon as the buyer receives a signed and dated copy of the contract that meets all of the requirements of *§ 7159.10*, at which time any right to cancel is extinguished by operation of law. Until the buyer receives such a copy and the contractor in fact commences work, the buyer retains the seven-day right to cancel the contract [*Civ. Code § 1689.15*].

The period is also seven days for home solicitation contracts or offers for simple personal emergency response units [*Civ. Code § 1689.6(b)*]. However, the three-day cancellation period applies to home solicitation contracts or offers for personal emergency response units that (1) are installed by licensed alarm company operators as part of a home security alarm system subject to the Alarm Company Act [*see Bus. & Prof. Code § 7590 et seq.*], and (2) have two or more stationary protective devices used to enunciate an intrusion or fire [*Civ. Code § 1689.6(b)*].

[b] Duties of Seller

Except for a home solicitation contract written pursuant to *Bus. & Prof. Code § 7151.2* or *7159.10*, which respectively govern home improvement and service and repair contracts, the seller must attach to the contract a copy of a duly completed notice that explains the buyer's right to cancel and serves as a form that the buyer may use to effect a cancellation [*Civ. Code § 1689.7(c)*; *see § 89.203[2]*]. A conspicuous statement must appear on the contract in immediate proximity to the space reserved for the buyer's signature, notifying the buyer of these cancellation rights and referring to the attached notice of cancellation [*Civ. Code § 1689.7(a)(1)*]. The seller must provide the buyer with a copy of the contract or offer and the attached notice of cancellation. In addition, at the time the contract or offer to purchase is executed, the seller must orally inform the buyer of his or her right to cancel, and of the requirement that the cancellation be in writing [*Civ. Code § 1689.7(f)*]. If the seller fails to provide proper notice of the buyer's right to cancel, the buyer may cancel at any time until the seller complies with notice requirements [*Civ. Code § 1689.7(g)*].

In the case of a home solicitation contract written pursuant to the home improvement contract requirements of *Bus. & Prof. Code § 7151.2*, the seller has a similar duty to include in the contract itself a statutory statement explaining the right to cancel [*see Civ. Code § 1689.7(a)(4), (e)*; *see also Bus. & Prof. Code § 7159(e)(6)(B), (7)(A)*], as well as to attach a notice of cancellation form to be given to the seller if the right to cancel is exercised [*see Bus. & Prof. Code § 7159(e)(6)(C), (7)(B)*].

[c] Exception to Buyer's Right of Cancellation

There is one important exception to the buyer's general rights of cancellation under a home improvement contract. If the contract is for the sale of goods to be affixed to real property and the buyer, after signing the contract, sells the property to a bona fide purchaser or encumbers it to a person who was not a party to the contract or to a related loan agreement, the buyer does not have the automatic right to cancel the contract within three days from executing it [*Civ. Code § 1689.9*].

[5] Seminar Sales Solication Contracts and Contracts Offered Door-to-Door

Seminar sales solicitation contracts are governed by a statutory scheme that parallels the one applicable to home solicitation contracts [*see Civ. Code §§ 1689.20-1689.24*]. For further discussion of the requirements for both kinds of contracts, see *§ 89.203[1]*.

Some contracts for the sale of home improvement goods or services offered by door-to-door sale that contain or are secured by a lien on real property must include a notice warning the buyer of the consequences of default [*see Bus. & Prof. Code § 7159.1*]. For more specific discussion, see *§ 89.11[7]*. For a form of notice, see *§ 89.208*.

[6] Consumer Legal Remedies Act

Under the Consumers Legal Remedies Act [*Civ. Code § 1750 et seq.*], in some circumstances it is unlawful to enter into any transaction at a senior citizen's primary residence, when the transaction is not initiated by the senior citizen and it results in the making of a loan that encumbers the citizen's primary residence for the purpose of paying for home improvements. To be unlawful, the transaction must be part of a pattern or practice that violates provisions of the Truth in Lending Act, which prohibit granting credit secured by real property without regard to the mortgagee's ability to pay and establish requirements for payments under home improvement contracts [*Civ. Code § 1770(a)(23)*; *see Civ. Code § 1761(h)* (definition of "home solicitation" for these purposes); *see also 15 U.S.C. § 1639(h), (i)*; *12 C.F.R. § 226.32(e)* (relevant provisions of Truth in Lending Act)]. For further coverage of the Consumers Legal Remedies Act, see Ch. 92, *Service Contracts* .

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART II. LEGAL BACKGROUND

29-89 California Legal Forms--Transaction Guide § 89.18

§ 89.18 Truth in Lending and Unruh Acts

[1] Applicability

[a] "Consumer Credit Transactions"

An owner or tenant will sometimes arrange financing for a home improvement through the contractor who will perform the work. The contractor may assign the owner's or tenant's obligation to a bank or may personally handle the extension of credit [*see* Ch. 45, *Consumer Installment Loans and Credit Sales*]. In either case, the arrangement may constitute a "consumer credit transaction" in which the contractor is a creditor [*see 12 C.F.R. § 226.2(a)*] and to which the federal Truth in Lending Act [*15 U.S.C. § 1601 et seq.*] and/or the Unruh Act [*Civ. Code § 1801 et seq.*; *see § 89.18[1][b]*] apply. Determining whether either or both of these Acts applies to a particular transaction is important since it will determine whether certain disclosures and other statements must appear in the contract [*see § 89.18[2]*]. For an analysis of consumer credit transactions, see Ch. 45, *Consumer Installment Loans and Credit Sales* .

A transaction in which credit is extended or goods are purchased primarily for personal, family, or household use is a "consumer credit transaction" for purposes of the Truth in Lending and the Unruh Acts [*15 U.S.C. § 1602(h)*; *12 C.F.R. § 226.2(a)*; *see Civ. Code § 1802.1*]. The Truth in Lending Act applies to consumer credit transactions in which the credit extended is subject to a finance charge and/or is payable in more than four installments [*12 C.F.R. § 226.1(c)*]. An extension of credit exceeding $25,000, or in which there is an express written commitment to extend credit in excess of $25,000, is not governed by the Act unless it is secured by real property or by personal property used or expected to be used as the consumer's principal dwelling [*12 C.F.R. § 226.3(b)*]. If a contractor regularly extends, or arranges the extension of, consumer credit payable by agreement in more than four installments or for which a finance charge may be imposed, he or she is a creditor to whom the Truth in Lending Act applies [*15 U.S.C. § 1602(f)*].

[b] Unruh Act Provisions

The Unruh Act does not contain a similar exemption for low-volume creditors. Every home improvement contract or offer for home improvement goods or services that provides for a lien on real property is subject to the Unruh Act [*Civ. Code § 1689.8(a)*; *see § 89.18[3]*]. The Unruh Act also governs contracts for retail installment sales of consumer goods and services regardless of whether they create liens on realty. For purposes of the Unruh Act, a "retail installment

contract" is an agreement for the sale of goods or services for a deferred price payable in installments and under which [*Civ. Code § 1802.6*]:

- The buyer agrees to pay a finance charge;
- The buyer does not agree to pay a finance charge but would have received more or better quality goods for a cash payment or paid a lesser price for a credit card or cash payment; or
- Payment will be made in more than four installments.

A contractor must comply with the Unruh Act if he or she engages in the business of selling goods or furnishing services under retail installment contracts to persons who do not purchase those goods or services primarily for resale [*see Civ. Code §§ 1803.2-1803.6*].

[2] Disclosure Requirements

[a] Under Truth in Lending Act

Regulation Z [*see* 12 C.F.R. pt. 226] contains the disclosure requirements for consumer credit transactions governed by the Truth in Lending Act [*see* Ch. 45, *Consumer Installment Loans and Credit Sales*]. These disclosures must be made in writing in a form that the consumer (i.e., owner or tenant) may keep [*see 12 C.F.R. § 226.17(a)*]. However, the disclosures need not be set out in any particular manner. The Federal Reserve Board issues model disclosure documents complying with Regulation Z [*see* 12 C.F.R. pt. 226, app. H].

[b] Under Unruh Act

If a home improvement or specialty contract is a retail installment sale subject to the provisions of the Unruh Act, the parties' entire agreement must be contained in a single written document executed by the owner or tenant [*see Civ. Code §§ 1803.1, 1803.2(a)*]. The contract must include specific information and disclosures [*see Civ. Code §§ 1803.2, 1803.3*; *see also* Ch. 45, *Consumer Installment Loans and Credit Sales*]. With the exception of the itemization of the amount financed [*see Civ. Code § 1803.3(c)*], the disclosures required by the Unruh Act may be made in any manner or terminology required by Regulation Z as long as all additional requirements of the Unruh Act are satisfied [*Civ. Code § 1801.5*; *see Civ. Code § 1802.18*; *see also Civ. Code § 1803.3(b)*].

[3] Transactions Creating Liens on Dwellings

[a] Truth in Lending Act Provisions

The owner's or tenant's obligation to the contractor under a home improvement contract will sometimes be secured by a lien on the improved dwelling. Both the Truth in Lending Act and the Unruh Act impose additional requirements for contracts that contain this type of security agreement.

Under the Truth in Lending Act, a person whose ownership interest is subject to a seller's security interest in a dwelling normally has the right to rescind a contract that provides for a lien on his or her dwelling [*15 U.S.C. § 1635(a)*; *see 12 C.F.R. § 226.23(a)*]. The purchaser's right to rescind may be exercised at any time until midnight of the third business day following consummation, delivery of a required notice of rescission rights, or delivery of all material Truth in Lending disclosures, whichever occurs last [*12 C.F.R. § 226.23(a)(3)*]. For an analysis of the Truth in Lending Act's rescission provisions, see Ch. 25, *Real Estate Loans* .

[b] Unruh Act Provisions

A retail installment contract for goods may not provide for a security interest in real property unless the goods are to be attached to that property [*Civ. Code § 1804.3(b)*]. The Unruh Act requires that any contract providing for a security interest in real property must include a warning alerting the buyer to the fact that he or she will create a security interest in realty by signing the agreement. The warning must be set out in specified language and format [*see Civ. Code § 1803.2(b)(3)*].

A contract for home improvement goods and services that is secured by a lien on real property may also be subject to additional requirements [*see Bus. & Prof. Code §§ 7159.1, 7159.2*], as discussed in *§ 89.11[7]*.

[c] Consumer Legal Remedies Act Provisions

The Consumers Legal Remedies Act prohibits certain home solicitation transactions involving senior citizens that result in a loan for home improvements secured by the citizen's primary residence [*see Civ. Code § 1770(a)(23)*; *see also § 89.17*].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART II. LEGAL BACKGROUND

29-89 California Legal Forms--Transaction Guide § 89.19

§ 89.19 Illegal Practices in Home Improvement Business

[1] Salespersons and Contractors

[a] Prohibited Acts

Salespersons must turn over all proceeds received in connection with home improvement transactions to their contractor-principals, and all contract forms that they use must disclose the names of those principals [*Bus. & Prof. Code § 7156*]. In general, no one may offer compensation to or otherwise reward an owner for procuring or placing home improvement business with others [*Bus. & Prof. Code § 7157(a)*]. However, a contractor or his or her agent or salesperson may give a prospective customer a one-time unconditional gift of a tangible item whose value does not exceed five dollars [*see Bus. & Prof. Code § 7157(b)*]. Contractors' salespersons and agents are precluded from accepting or making payment relating to home improvement transactions on behalf of anyone other than their contractor-principals [*see Bus. & Prof. Code § 7157(c)*]. Similarly, contractors may not pay an unlicensed person for home improvement work unless the person to whom payment is made is exempt from the licensing requirements of, or the transaction is not subject to the provisions of, the Contractors' State License Law [*see Bus. & Prof. Code § 7157(d)*].

In addition, a contractor may not directly or indirectly publish any advertisement relating to home improvements or other works of improvement that contains a false or misleading statement. A contractor may not advertise or purport to offer to the general public any improvement work with the intent not to accept a contract for that work or not to perform it at the price that is advertised or offered. However, any advertisement that is subject to and complies with the existing rules, regulations, or guides of the Federal Trade Commission will not be deemed false, deceptive, or misleading [*Bus. & Prof. Code § 7161(e)*]. A contractor who arranges financing for a project must not overstate the purchaser's obligation (e.g., improper computations of finance charges) or alter any document incident to the improvement project [*see Bus. & Prof. Code § 7161(c), (d)*].

[b] Restitution, Fines, and Penalties

A contractor who commits any of these acts is guilty of a misdemeanor and subject to disciplinary action by the Contractors' State License Board. If any of these violations are committed as part of a plan or scheme to defraud an owner in connection with repairs necessitated by a natural disaster, the guilty contractor will also be required to make

full restitution based on his or her ability to pay, and pay a fine of between $500 and $25,000 also based on the party's ability to pay [*Bus. & Prof. Code § 7161(f)*; *see Penal Code § 1203.1b* ("ability to pay" defined)].

It is unlawful to knowingly accept or receive a false completion certificate on a work of improvement and use that certificate in connection with an assignment or other negotiation of payment rights or for the purpose of obtaining or granting credit. Anyone who does so is guilty of a misdemeanor punishable by a fine of $500 to $5,000 or imprisonment for a term of one month to one year [*see Bus. & Prof. Code § 7158(a)*]. If the violation is committed as part of a plan or scheme to defraud an owner in connection with repairs necessitated by a natural disaster, the guilty party will also be required to make full restitution based on that party's ability to pay, and the fine may be increased up to $25,000, also based on the party's ability to pay [*Bus. & Prof. Code § 7158(b)*; *see Penal Code § 1203.1b* ("ability to pay" defined)].

Anyone who has been fraudulently induced to enter into a home improvement contract can collect a civil penalty of $500 from the contractor, in addition to damages and attorneys' fees [*see Bus. & Prof. Code § 7160*].

[2] Prohibited Acts of Mortgage Brokers and Lenders

It is an unfair or deceptive practice for a mortgage broker or lender to directly or indirectly use a home improvement contractor to negotiate the terms of any loan that is secured by the borrower's residence and used to finance a home improvement contract [*Civ. Code § 1770(b)(1)*]. However, a home improvement contractor may refer a consumer to a mortgage lender or broker provided the referral does not violate *Bus. & Prof. Code § 7157*, discussed in *§ 89.19[1][a]*.

[3] Consumers Legal Remedies Act Provisions

The Consumers Legal Remedies Act prohibits certain home solicitation transactions involving senior citizens that result in a loan for home improvements secured by the citizen's primary residence [*see Civ. Code § 1770(a)(23)*; *see also § 89.17*].

PART III. TRANSACTION GUIDE
B. Preliminary Determinations

29-89 California Legal Forms--Transaction Guide § 89.110

§ 89.110 Classification of Contract

NOTE:
If the work will be performed on residential property and otherwise falls within the categories outlined in PP 1 and 2, ***below***, it is a "home improvement." If the contract is between a contractor and an owner or tenant, it must contain specific language and information required by statute [***see*** *Bus. & Prof. Code §§ 7159, 7159.1, 7159.10*; ***see also*** *§ 89.130*].

1. Ascertain where proposed work will be performed.

a. Residential property, such as:
(1) House.

(2) Dwelling unit in apartment building.

(3) Other type of multiple dwelling unit (e.g., duplex).

b. Commercial property.

NOTE:
If the contemplated work will be performed on commercial property and involves anything other than specialty work [***see*** *§ 89.12*], see Ch. 30D, ***Construction Contracts and Subcontracts*** , for a discussion of general contracting law and representative forms.

2. Determine whether proposed work on residential premises will involve any of the following [*see Bus. & Prof. Code §§ 7151, 7151.2*]:

a. Construction.

b. Installation of goods that will become part of property.

c. Performance of services.

3. Determine whether proposed work will involve swimming pool repair or construction adjacent to existing residence.

NOTE:

Except as provided by *Bus. & Prof. Code § 7166* (see below), any contract to construct or repair a swimming pool adjacent to an existing dwelling house is a home improvement contract [***see** Bus. & Prof. Code § 7151*]. In addition if the aggregate contract price exceeds $500, the contract must conform to the drafting requirements applicable to such contracts [*see Bus. & Prof. Code § 7159*]. Certain of these drafting requirements must be met for a contract the primary purpose of which is the construction of a swimming pool, or the contract is void and unenforceable by the contractor as a matter of public policy [*Bus. & Prof. Code § 7167(a)*; ***see** Bus. & Prof. Code § 7159(c)(4), (5), (d)(7)-(9)*; ***see also** § 89.131*]. However, the contractor's failure to comply with *Bus. & Prof. Code § 7159(c)(5),* which requires the inclusion of a statement in the contract that the contractor must furnish a release of any claims related to any portion of the work performed for which payment has been made, does not preclude the contractor from recovering compensation for work performed based on quasi-contract, quantum meruit, restitution, or other similar legal or equitable remedies designed to prevent unjust enrichment [*Bus. & Prof. Code § 7167(b)*].

A contract for the construction of a swimming pool to be built for the use and enjoyment of other than a single-family unit on or contiguous to premises occupied only by a single-family unit, or for the construction of a swimming pool built as part of an original plan by the same contractor who builds a single-family dwelling unit on the premises, is not a home improvement contract [*Bus. & Prof. Code § 7166*].

4. Determine whether contract will be executed at place other than contractor's business premises.

NOTE:

If a contract for home improvement or specialty work is executed at some place other than the contractor's or salesperson's trade premises in amount of $25 or more, including interest and service charges, that contract is a "home solicitation contract" and must include a notice of the purchaser's cancellation rights [***see** Civ. Code §§ 1689.5(a), (b), 1689.6, 1689.7*; ***see also** § 89.17*]. If a home solicitation contract is a home improvement contract, the contract price of which exceeds $500 [***see** Bus. & Prof. Code § 7159(a)*], or a service and repair contact [***see** Bus. & Prof. Code § 7159.10(a)*], a slightly different notice of cancellation is required [***see** Civ. Code §§ 1689.6(a)(2), (3), 1689.7(a)(4), (e)*; *Bus. & Prof. Code §§ 7159(e)(6), (7), 7159.10(e)(12)*].

Laws governing home solicitation contracts do not apply to any transaction in which the consumer has rescission rights under the federal Truth in Lending Act [***see** Civ. Code § 1689.5(a)*; ***see also** § 89.18[1]*].

5. Ascertain whether contractor will need special skills to perform work [*see* Ch. 88, *Licensing of Contractors* , for list of categories of work for which contractors must hold specialty licenses].

6. Ascertain whether contractor's license is valid.

NOTE:

Contractors may present state license numbers that are no longer valid. It is important for an owner or tenant to verify the existence of a current valid license since an unlicensed contractor may not be adequately insured or bonded. If an unlicensed contractor is used, the Contractors' State License Board may not be able to help the owner or tenant resolve a complaint. The only remedy may be in civil court, and the owner or tenant may be liable for damages arising out of any injuries to the unlicensed contractor or the unlicensed contractor's employees. The current status of licenses can be verified through the Contractors' State License Board (CSLB) Office at (800) 321-2752 or on the internet at http://www.cslb.ca.gov/. Legal action history information is available from the CSLB Northern or Southern Regional Legal Action Disclosure telephone numbers. The Northern number is (916) 255-4041; the Southern Region can be reached at (562) 466-6021.

7. Determine what quality materials or goods will be used in performing work, and:

a. Whether they are warranted against defects by independent manufacturer.

b. Whether contractor will provide separate warranty against defects.

c. Whether contractor will make any specific representations regarding brand or trademark of materials or goods [*see Bus. & Prof. Code § 7162*; *see also § 89.130*, P 3].

NOTE:
If the contractor provides a warranty for consumer goods (e.g., major kitchen appliances), that warranty must conform to the requirements of the Magnuson-Moss Warranty--Federal Trade Commission Improvement Act [***see** § 89.14[2]*].

8. Determine whether contractor will be financially able to advance payments for materials.

NOTE:
The contractor's ability to afford materials will determine what, if any, down payment should be required, and may affect any payment schedule to be included in the contract.

9. Determine whether contractor should be required to post payment and/or performance bonds.

NOTE:
Often the property owner for whom work will be performed will require the contractor to post a payment bond guaranteeing that all subcontractors and material suppliers will be paid for their services on the project. Payment bonds help protect the property owner from liability for mechanics' liens following completion of the project. The payment bond should be for 50 percent or more of the total contract price [***see** Civ. Code § 3235*; ***see also** § 89.16*].

Home improvement contracts must contain a notice in close proximity to the signatures of the owner and the contractor stating that the owner has the right to require the contractor to have a performance and payment bond [*Bus. & Prof. Code § 7159(c)(6)*].

A contractor who furnishes a payment and performance bond, lien and completion bond, or a bond equivalent or joint control approved by the registrar covering full performance and payment need not include as part of the contract either the statement regarding the downpayment, the details and statement regarding progress payments, or the Mechanics' Lien Warning [Bus. & Prof. Code § 7159.5(a)(8); *see* Bus. & Prof. Code § 7159(d)(8)(C), (9), (e)(4)].

10. Determine whether property owner or tenant will use any areas on jobsite during course of work.

NOTE:

Property owners and tenants normally continue to occupy their homes while improvement work is being done. If the project is major, those occupants will probably experience certain inconveniences caused by interruptions in water and/or power supplies and similar disruptions related to construction work on residences. Before executing the agreement, the parties should reach a clear understanding regarding the extent to which the owner or tenant will be inconvenienced by the contractor's presence so that appropriate preparations can be made.

11. Determine what building permits must be secured before work on project can commence.

NOTE:

Securing the necessary permits for a construction project can be handled in several ways. The contractor may draw the plans, obtain the permits, and include the cost in the bid. Alternatively, the contractor may draw the plans and obtains the permits, but may specify that the permit costs are in excess of the bid and will be paid by the homeowner either directly to the local entity or through the contractor as an additional expense. Finally, the homeowner may personally obtain the permits. Which arrangement is actually used may be dictated to a certain extent by the size of the project and the owner's sophistication in construction matters. If the owner is unsophisticated, the contractor will need to be more actively involved in obtaining the proper permits. For an analysis of the regulations governing building permits and representative forms, see Ch. 30B, ***Zoning, Building, and Environmental Entitlements and Permits*** .

12. Determine whether there are any zoning restrictions at proposed job site that would prevent performance of contemplated work [*see §§ 30B.200-30B.202*].

13. Try to determine what types of accidents are most likely to occur on project.

NOTE:

It is important to consider the risks inherent in the project such that adequate and appropriate bonding and insurance can be arranged.

14. Anticipating that dispute may arise between parties during performance of contract, ascertain how long will it take to go to trial in particular jurisdiction.

a. Determine whether contractor can afford to carry outstanding obligation on his or her books for that period of time.

b. Determine whether owner or tenant can afford delay in completion of project.

CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART III. TRANSACTION GUIDE
B. Preliminary Determinations

29-89 California Legal Forms--Transaction Guide § 89.111

§ 89.111 Financing Arrangements

1. If owner or tenant has independently arranged financing for project:

NOTE:

No home improvement goods or services contract of $5,000 or less can provide for a security interest in real property, except a mechanic's lien or other interest that arises by operation of law. Any lien purportedly created by such a contract is void and unenforceable [*Bus. & Prof. Code § 7159.2(a)*].

When a home improvement goods or services contract of more than $5,000 is secured by a mortgage or deed of trust on real property, the person or entity making the loan may pay the contractor only by an instrument payable to the borrower or jointly to the borrower and contractor or, if the borrower so elects, through a third-party escrow agent pursuant to the terms of a written agreement signed by the parties before the funds are disbursed [*Bus. & Prof. Code § 7159.2(b)*].

a. Determine what he or she has pledged as security.

b. Determine how loan proceeds will be disbursed (e.g., periodic payments).

2. If owner does not plan to finance project, determine whether he or she has sufficient personal assets with which to pay contractor.

NOTE:

Most persons will require some type of financial assistance for a construction or home improvement project unless that project is quite minor (e.g., installation of fencing around

a yard).

3. Determine what liens or other security interests have already been recorded against property on which work will be done.

4. If contractor is prepared to extend credit, determine whether he or she will need to assign owner's or tenant's obligation to bank or other institutional lender.

NOTE:
When interest rates rise, many major banks discontinue their "dealer loan" home improvement programs that involve taking back paper from contractors who have extended credit to owners or tenants. A contractor who intends to make this type of assignment should have a firm understanding with the bank before he or she agrees to extend credit to the owner or tenant.

5. If contractor will extend credit necessary to finance project:

NOTE:
If the contractor fits the descriptions outlined below, he or she is a "creditor" for purposes of the federal Truth in Lending Act [*15 U.S.C. § 1601 et seq.*] and normally must make certain disclosures required under the Act [***see*** *§§ 89.18[2], 89.203*].

a. Determine whether principal obligation is initially payable to contractor [*see 15 U.S.C. § 1602(f)*; *12 C.F.R. § 226.2(a)(17)*].

b. Determine whether contractor regularly extends consumer credit [*15 U.S.C. § 1602(f)*]:

NOTE:
"Consumer credit" is credit offered or extended to a consumer primarily for personal, family, or household expenses [*12 C.F.R. § 226.2(a)(12)*; ***see*** *12 C.F.R. § 226.2(a)(11)* (definition of "consumer")].

(1) Payable in more than four installments; or

(2) For which finance charge is or may be required.

6. Determine whether contractor will extend credit for retail sale of consumer goods or services under conditions requiring repayment in [*see Civ. Code §§ 1802.3, 1803.6*]:

NOTE:
If the contemplated financing arrangement fits into either category listed below, the contractor is a retail seller under a retail installment contract and must comply with the disclosure requirements of the Unruh Act [*Civ. Code § 1801 et seq.*; ***see*** *§ 89.18*].

a. More than four installments.

b. Four or fewer installments when:

(1) Buyer agrees to pay finance charge; or

(2) Buyer does not agree to pay finance charge but would have paid less if he or she paid with cash or a credit card.

7. If contractor will extend credit:

NOTE:
The following information will be needed to draft an agreement that will comply with the Truth in Lending and Unruh Acts.

a. Determine amount of total contract price that will be financed [*see 15 U.S.C. § 1638(a)(2)(A)*; *Civ. Code § 1803.3(c)(7)*].

b. Determine what finance charge will be [*see 15 U.S.C. § 1638(a)(3)*].

c. Determine what annual percentage rate will be [*see 15 U.S.C. § 1638(a)(4)*; *Civ. Code § 1803.3(c)(7)*].

d. Determine how payment obligation will be scheduled [*see 15 U.S.C. § 1638(a)(6)*; *Civ. Code § 1803.3(d)*].

e. Determine what owner's or tenant's total payments (i.e., amount financed plus finance charge) will be [*see 15 U.S.C. § 1638(a)(5)*].

f. Determine what total sales price (i.e., cash price of property or services plus additional charges, plus finance charges) will be [*see 15 U.S.C. § 1638(a)(7)*].

g. Determine whether contractor will be able to penalize owner or tenant for late payments [*see 15 U.S.C. § 1638(a)(10)*].

h. Determine whether amount financed will include any insurance taken out on project [*see Civ. Code § 1803.3(c)(3)*; *see also 12 C.F.R. § 226.4(b)(5)*].

1. Secure copies of:

a. Architect's drawings or plans, if any.

b. Project specifications.

2. If contractor will subcontract out any portion of work:

a. If representing contractor, obtain written bids from potential subcontractors.

b. If representing owner or tenant, request itemization of bids from subcontractors.

3. Contact local building department to check whether specifications and plans comply with applicable local standards.

NOTE:
For discussion and forms relating to zoning restrictions and building and environmental permits, see Ch. 30B, ***Zoning, Building, and Environmental Entitlements and Permits*** .

4. If there is no local building department, contact California Department of Housing and Community Development, Codes and Standards Division, to determine compliance.

5. Contact local planning agencies to verify that proposed project complies with applicable zoning ordinances.

6. Collate all data and submit written bid to owner or tenant.

NOTE:

If the bid is for work to be performed on residential property with four or fewer units, include required notice and discipline disclosure [***see*** *Bus. & Prof. Code § 7030.1(a), (b)*; ***see also*** *§ 89.207*]. For coverage of the law governing construction bids and representative bid forms, see Ch. 30D, ***Construction Contracts and Subcontracts*** .

7. If bid is accepted, draft contract [*see §§ 89.130-89.132*].

29-89 California Legal Forms--Transaction Guide § 89.121

§ 89.121 Procedures After Award of Contract

1. Before work commences, deliver copy of contract signed by contractor to owner or tenant.

NOTE:

In the case of a home improvement contract written pursuant to *Bus. & Prof. Code § 7159* or a service and repair contract written pursuant to *Bus. & Prof. Code § 7159.10*, the buyer is entitled to receive a completely filled in and signed copy of the contract before any work may be started [*Bus. & Prof. Code §§ 7159(d)(4), 7159.10(d)(4)*]. In addition, the time period for the buyer's right to rescind a § 7159 home improvement contract does not begin to run until he or she receives a signed and dated copy of the contract. Assuming a § 7159.10 service and repair contract conforms to the basic requirements for such contracts [***see*** *Bus. & Prof. Code § 7159.10(a)(1)(A)-(D)*], delivery to the buyer of a signed copy of the contract and commencement of work cuts off the buyer's rescission rights [*Bus. & Prof. Code § 7159.10(e)(12)*; ***see*** *Civ. Code § 1689.5(a)(3)(A)*].

2. Obtain all payment and/or performance bonds required by property owner or lender [*see §§ 89.110* P 9, 89.220].

NOTE:

For a discussion of the law regulating performance and payment bonds, see California Real Estate Law and Practice, Ch. 422, ***Insurance and Bonding Practice*** , and Ch. 453, ***Payment Bonds*** (Matthew Bender). For a performance bond, see *Ch. 79*, ***Suretyship, Guaranty, and Indemnity, § 79.241*** .

3. Before work commences, file original contract in recorder's office for county where property is located [*see Civ. Code § 3235*].

4. Before work commences, record payment bond in office of county recorder where contract is recorded [*see Civ. Code § 3235*].

5. If financed project provides for security interest in owner's or tenant's principal dwelling, deliver two copies of notice of rescission to owner or tenant [*see 15 U.S.C. § 1635(a)*].

NOTE:

Whenever a person has a right to rescind a transaction under the Truth in Lending Act, the creditor must provide two copies of a statutory notice of rescission. The notice must be printed in capital and lower case letters of at least 12-point boldface type and must recite the creditor's name and business address and the date on which the transaction was consummated. The owner or tenant may cancel the transaction by executing one of the forms and returning it to the creditor within the three-day grace period [***see*** *12 C.F.R. §§ 226.15*, *226.23*].

For a detailed analysis of transactions involving liens on real property, see Ch. 25A, ***Security Instruments for Real Estate Financing*** .

D. Drafting Guide

29-89 California Legal Forms--Transaction Guide § 89.130

§ 89.130 Home Improvement and Specialty Contracts

1. If contract is for home improvement and aggregate contract price exceeds $500, include following information [*Bus. & Prof. Code § 7159(c)-(e)*]:

NOTE:

If the home improvement contract is between a contractor and an owner or tenant and the aggregate contract price, including all labor, services, and materials furnished by the contractor, exceeds $500, the contract must include the information listed below [*Bus. & Prof. Code § 7159(a)(1), (b)*]. This does not apply to service and repair contracts, which are subject to *Bus. & Prof. Code § 7159.10*, provided the contract for the applicable services complies with the statutes governing such contracts [*Bus. & Prof. Code § 7159(a)(2)*; ***see*** *Bus. & Prof. Code §§ 7159.10-7159.14*; ***see also*** *§ 89.132*]. Noncompliance by a licensed contractor, or his or her agent or salesperson, is cause for discipline [*Bus. & Prof. Code § 7159(a)(3)*].

a. Contractor's name, business address, and license number.

b. If applicable, name and registration number of any home improvement salesperson that solicited or negotiated contract.

c. Heading "Home Improvement" in at least 10-point boldface type;

d. Twelve-point boldface statement informing buyer that he or she is entitled to completely filled-in and signed copy of contract before work may be started;

e. Heading "Contract Price" followed by amount of contract [*see Bus. & Prof. Code §*

7159.5(a)(1)].

f. If applicable, heading "Finance Charge" followed by amount of charge [*see Bus. & Prof. Code § 7159.5(a)(2)*].

g. Heading "Description of the Project and Description of the Significant Materials to be Used and Equipment to be Installed" followed by that information.

NOTE:
If relevant, this should include, as an incorporated attachment, a plan and scale drawing of any swimming pool to be installed including the construction and equipment specifications [*Bus. & Prof. Code § 7159(d)(7)*]. A swimming pool construction contract that does not comply with the description requirements is void and unenforceable by the contractor as contrary to public policy [*Bus. & Prof. Code § 7167(a)*].

A contract, the primary purpose of which is to construct a swimming pool, which does not substantially comply with this requirement and the requirements described in PP h. and i, ***below***, is void and unenforceable by the contractor as contrary to public policy [Civ. Code § 7167(a)].

h. Details of any downpayment to be charged.

NOTE:
A downpayment may not exceed the lesser of $1,000 or 10 percent of the contract price and its details must be set forth in a statutory format [***see*** *Bus. & Prof. Code § 7159(d)(8)(A)-(C)*; ***see also*** *Bus. & Prof. Code § 7159.5(a)(3)* (downpayment limitation)]. A swimming pool construction contract that does not comply with this requirement is void and unenforceable by the contractor as contrary to public policy [*Bus. & Prof. Code § 7167(a)*].

A contractor who furnishes a payment and performance bond, lien and completion bond, or a bond equivalent or joint control approved by the registrar covering full performance and payment, is exempt from the downpayment limitation [*Bus. & Prof. Code § 7159.5(a)(8)*].

i. Schedule of progress payments.

NOTE:
If any progress payments are to be made, the contract must include (1) a schedule of those payments with specific reference to the amount of each payment and the amount of work or services to be performed and any materials and equipment to be supplied in connection with each payment, and (2) a statutorily-prescribed statement informing the buyer about the nature of the schedule with a notice that, while a contractor may require a downpayment, it is unlawful for the contractor to collect payment for work not completed or materials not yet delivered [***see*** *Bus. & Prof. Code §§ 7159(d)(9)(C), 7159.5(a)(4), (5)*]. A swimming pool construction contract that does not comply with this requirement is void and unenforceable by the contractor as contrary to public policy [*Bus. & Prof. Code § 7167(a)*].

If the contract provides for payment of a salesperson's commission out of the contract

price, that payment must be made on a pro rata basis in proportion to the schedule of progress payments [*Bus. & Prof. Code § 7159.5(a)(7)*].

A contractor who furnishes a payment and performance bond, lien and completion bond, or a bond equivalent or joint control approved by the registrar covering full performance and payment, is relieved from the requirement that the contract include a schedule of progress payments [Bus. & Prof. Code § 7159.5(a)(8); *see* Bus. & Prof. Code § 7159(d)(9)].

j. Statement that contractor will furnish full and unconditional release from any potential lien claimant or authorized mechanics' lien for work that has been performed and paid for.

NOTE:

The release must be furnished prior to any further payment being made, and must encompass any potential lien claimant or mechanics' lien authorized pursuant to *Civ. Code § 3114* for the portion of the work for which payment has been made [*Bus. & Prof. Code § 7159(c)(4)*]. A swimming pool construction contract that does not include this statement is void and unenforceable by the contractor as contrary to public policy [*Bus. & Prof. Code § 7167(a)*].

k. Heading "Approximate Start Date" followed by statement describing what constitutes substantial commencement of work and an approximate date for that commencement.

l. Heading "Approximate Completion Date" followed by that date.

m. If applicable, heading "List of Documents to be Incorporated into the Contract" followed by that list.

NOTE:

If the contract is for construction of a swimming pool, the plan and a scale drawing of the pool including its shape, size, dimensions, and construction and equipment specifications must be incorporated [*Bus. & Prof. Code § 7159(d)(7)*]. If a swimming pool contract is to be financed by a third party, but the parties want to avoid the buyer's loan rescission period, a notice and request for immediate commencement of construction must also be included [*Bus. & Prof. Code § 7165*; ***see*** *§ 89.202*]. Other incorporated documents might include the required noticed described in P p, ***below***.

n. Heading "Note about Extra Work and Change Orders" followed by statutorily-prescribed statement informing buyer of nature and effect of change orders [*see Bus. & Prof. Code § 7159(d)(13)*].

o. Statement that buyer has right to require contractor to have performance and payment bond.

p. Required Notices [*see Bus. & Prof. Code § 7159(e)*]:

NOTE:

Statutory notices concerning the following subject matter must be either included as part of the contract form, or, if otherwise specified, provided as an attachment to the form [*Bus. & Prof. Code § 7159(e)*].

(1) Commercial general liability insurance.

NOTE:

It is important that the owner or tenant (1) arrange for adequate insurance against destruction of the contractor's work, and (2) assure that there are no gaps in coverage. The contractor will want to be paid for work performed even if it is destroyed. Normally, adequate insurance will cover the owner or tenant's obligation to the contractor and there will be no delay in payments unless the loss is due to extreme vandalism, fire, earthquake, or other unusual causes.

(2) Workers' compensation insurance.

(3) Information concerning performance of extra or change-order work [*see Bus. & Prof. Code § 7159.6*].

(4) Mechanic's lien warning.

NOTE:

A contractor who furnishes a payment and performance bond, lien and completion bond, or a bond equivalent or joint control approved by the registrar covering full performance and payment, need not include the mechanics' lien warning [*Bus. & Prof. Code § 7159.5(a)(8)*].

(5) Information about role of the Contractors' State License Board, including how to contact Board.

(6) If applicable, notice of buyer's three-day right to cancel [*see Bus. & Prof. Code § 7159(e)(6)(B)* (wording of notice), (C) (format and location of notice in contract)].

NOTE:

The three-day notice is required unless (1) the contract is negotiated in the contractor's place of business, (2) the contract is to repair or restore residential premises damaged by a sudden or catastrophic event, or (3) the contractor is subject to licensure under the Alarm Company Act [*Bus. & Prof. Code § 7159(e)(6)(A)*; ***see*** *Bus. & Prof. Code § 7590 et seq.* (Alarm Company Act)].

(7) If contract involves repairing or restoring a residence damaged or destroyed by sudden or catastrophic event for which state of emergency has been declared, notice of buyer's seven-day right to cancel [*see Bus. & Prof. Code § 7159(e)(7)(A)* (wording of notice), (B) (format and location of notice in contract)].

q. If contract is for sale of home improvement goods or services offered by door-to-door sale that contains or is secured by lien on real property, include required notice to buyer [*Bus. & Prof. Code § 7159.1*; *see § 89.208[2]*].

NOTE:

A security interest created in any door-to-door sale contract that does not provide the notice is void and unenforceable [*Bus. & Prof. Code § 7159.1*].

The notice requirement does not apply to contracts subject to the Unruh Act [*Civ. Code § 1801 et seq.*], mechanics' liens [***see*** *Civ. Code § 3109 et seq.*], or home improvement goods or services contracts of $5,000 or less [***see*** *Bus. & Prof. Code § 7159.1(a)-(c)*; ***see also*** *Bus. & Prof. Code § 7159.2(a)*].

2. If agreement is in form of subcontract [*see § 89.223[2]*], include:

a. General contractor's name and business address.

b. Owner's or tenant's name, residential address, and business address, if any.

c. Identification of area in which subcontractor will work.

d. Provision protecting subcontractor from responsibility for delays resulting from interference from other subcontractors working on project.

3. If contractor makes representation regarding brand or trademark of goods or materials he or she provides [*see Bus. & Prof. Code § 7162(a)*]:

a. Describe goods or materials with regard to which representation was made.

b. Include designation such as brand name or model number.

NOTE:
A contractor who fails to install goods or materials that conform to the description by brand name or trademark used in the contract will be subject to disciplinary action [*Bus. & Prof. Code § 7162(b)*; ***see*** Ch. 88, ***Licensing of Contractors***].

4. If contractor warrants home improvement goods [*see 15 U.S.C. § 2302(a)*; *see also § 89.205[2]*]:

a. Include warrantor-contractor's name and address.

b. Identify person to whom warranty is extended.

NOTE:
As a matter of practice, a warranty of home improvement goods should be extended to a limited class of persons (e.g., the owner or tenant who buys the goods and his or her successors in interest).

c. Identify products or parts warranted.

d. State what contractor will do if goods are defective, malfunction, or fail to conform, including:

(1) At whose expense contractor will act.

(2) For what period of time contractor will undertake to correct problems.

e. State what owner or tenant must do and what expenses he or she must assume.

f. Set out any exceptions and/or exclusions from warranty.

g. Explain step-by-step procedure owner or tenant must take to obtain contractor's performance of warranty obligations.

h. Identify any person or class of persons authorized to perform warranty obligation.

i. Identify any informal dispute resolution procedure offered by contractor.

j. Specify whether owner or tenant must resort to informal dispute resolution procedures offered by contractor before pursuing legal or equitable remedies in courts.

k. Describe legal remedies available to owner or tenant.

l. Specify period of time within which, after receiving notice of defect, malfunction, or failure to conform, contractor will perform warranty obligations.

m. Specify time (e.g., within regular business hours of any day Monday through Friday) at which contractor will perform warranty obligations.

n. Specify characteristics or properties of products or parts not covered by warranty.

o. Explain elements of warranty in words or phrases that would not mislead average consumer with regard to nature or scope of warranty.

5. Identify matters that will constitute additional work (e.g., change-orders made necessary by modification of plans by public inspector) [*see § 89.200[2]*] and require that additional work or change-orders be covered by subsequent writings that clearly set forth scope of work encompassed by additional work or change-order and price to be charged [*see Bus. & Prof. Code § 7159(e)(3)*].

NOTE:

A change order form for changes or extra work will be incorporated into, and become part of, the contract only if it is in writing and signed by the parties before commencement of any work covered by the change order [*Bus. & Prof. Code § 7159(c)(5)*]. A swimming pool construction contract that does not include a provision to this effect is void and unenforceable by the contractor as contrary to public policy [*Bus. & Prof. Code § 7167(a)*].

A change order is not enforceable against a buyer unless it sets forth (1) the scope of work encompassed by the order, (2) the amount to be added or subtracted from the contract, and (3) the effect the order will make in the progress payments or the completion date. The buyer may not require a contractor to perform extra or change-order work without providing written authorization. Failure to comply with these requirements does not preclude the recovery of compensation for work performed based on legal or equitable remedies designed to prevent unjust enrichment [*Bus. & Prof. Code § 7159.6*].

6. If desired, apportion responsibility for specific job site safety precautions (e.g., locking away hazardous equipment on daily basis) between parties [*see § 89.220[2]*].

7. Specify rights of respective parties in case of default [*see § 89.220[2]*].

NOTE:

The parties may agree on any number of events and activities that will constitute default under their agreement. Typically, the property owner will want the default clauses triggered on the occurrence of any of the following: (1) a failure to complete the project on time without good excuse; (2) material breach of agreement; (3) act or omission by contractor resulting in liability to owner; (4) significant violations of health or safety laws; and (5) failure to pay subcontractors or materialmen. An attorney representing the contractor, on the other hand, will normally want to limit to the greatest extent possible the events that will constitute default.

8. If desired, include indemnity and hold-harmless provision [*see § 89.223[2]*]:

a. Specifying items for which contractor will indemnify owner.

b. If desired, allowing owner right to select own counsel.

NOTE:
Indemnity provisions are particularly important to the property owner. The owner will want indemnity for anything that might go wrong on the project. In return, the contractor will want to be indemnified against any damage caused by others (e.g., workers not under contractor's control).

9. Do not include provision purporting to indemnify contractor against liability for:

a. Any of the following which may occur from negligence or willful misconduct of contractor or contractor's agents or independent contractors directly responsible to contractor [*see Civ. Code § 2782*]:

(1) Death or bodily injury.

(2) Property damage.

(3) Other loss, damage, or expense.

b. Do not include any provision indemnifying contractor against liability for defects in design furnished by contractor [*see Civ. Code §§ 2782.1, 2782.2, 2782.5, 2782.6* (exceptions); *see also § 89.200[1][k]*].

10. Apportion responsibility for cleanup after completion of project and specify condition in which workers and/or contractor must leave job site.

11. If desired, include provision requiring parties to submit disputes to binding arbitration and specifying rules under which it will be conducted, such as:

a. Rules of American Arbitration Association; or

b. Other rules agreed on by parties.

NOTE:
Once a construction or improvement project commences, an imbalance of power develops between the owner or tenant and the contractor. In some cases, the owner or tenant is more concerned about prompt completion of the project than the contractor is about being paid. In other cases, the reverse is true. Arbitration clauses benefit the weaker party because they provide an avenue for quick resolution of disputes. The American Arbitration Association arbitrators are experienced in the construction industry. If either party objects to a proposed arbitration, he or she is granted a hearing within a specified number of days. Arbitrators may allow prearbitration discovery. Contractors are often opposed to discovery, since it allows the owner or tenant to inspect the contractor's paperwork and interview the project foreman.

If the contract is for work on residential property with four or fewer units and includes an

arbitration provision, it must also include a disclosure statement to be initialed by both parties. In such contracts, both the arbitration provision itself, and the disclosure must be set out either in at least 10-point roman boldface type or in contrasting red print in at least 8-point roman boldface type. If the contract is typed, the provision and disclosure must be set out in capital letters. Failure to comply with these requirements will preclude the contractor from enforcing the contract [*Bus. & Prof. Code § 7191*; ***see***, ***e.g.***, *§ 89.200[2]*].

12. Specify, if desired, that prevailing party in any dispute may recover attorneys' fees.

NOTE:
The prevailing party in an action arising from a home improvement contract to construct a swimming pool has a statutory right to an award of reasonable attorneys' fees [*Bus. & Prof. Code § 7168*].

13. If owner or tenant has arranged own financing, include provision documenting owner's or tenant's representation of that fact to contractor [*see § 89.200[2]*].

14. Specify whether either or both parties may assign rights and obligations under contract [*see § 89.220[2]*]:

a. If other party's consent to assignment is required, provide that consent may not be withheld unreasonably.

b. Specify what effect contractor's inability to continue performance will have on assignability of contract.

15. If contract is in form of a proposal, specify amount of time within which owner, tenant, or general contractor must accept [*see §§ 89.220[2], 89.221[2]*].

16. If contract arose from home solicitation [*see § 89.110*, P 4], include notice of buyer's right to cancel [*see Civ. Code §§ 1689.6, 1689.7, 1689.8*; *see also § 89.17[4]*]:

NOTE:
The right to cancel a home solicitation contract that is a home improvement contract written pursuant to *Bus. & Prof. Code § 7151.2* or a service and repair contract written pursuant to *Bus. & Prof. Code § 7159.10* have slightly different requirements and the relevant contract cancellation provisions are prescribed by *Bus. & Prof. Code § 7159(e)(6), (7)* and *Bus. & Prof. Code § 7159.10(e)(12)*, respectively [***see also*** *Civ. Code §§ 1689.6(a)(3), 1689.7(a)(4), (e), 1689.15*].

a. In at least 10-point boldface type.

b. In same language (e.g., Spanish) as was principally used in oral sales presentation.

c. Placed in close proximity to space reserved for owner's or tenant's signature.

d. Cross-referring to cancellation notice attached to contract [*see § 89.203[2]*; *see also § 89.121*, P 5.b].

17. If contract arose from negotiations initiated by prospective purchaser for repair services by licensed contractor in amount less than $100, include purchaser's statement regarding negotiations [*Civ. Code § 1689.5*].

NOTE:

Contracts of this type are excluded from the definition of "home solicitation contracts" [***see*** *Civ. Code § 1689.5(a)*]. This exclusion deprives the purchaser of certain statutory protections [***see*** *Civ. Code §§ 1689.6-1689.11*; ***see also*** *§ 89.203[1]*].

18. Paginate entire contract to reflect total number of pages in document (e.g., Page 1 of 20 Pages).

NOTE:

This manner of pagination may be useful if, after work on the project commences, disputes arise over what was contained in the original contract. It is particularly advisable in home improvement contracts that must be contained in single documents [***see*** *Bus. & Prof. Code § 7159*].

§ 89.131 Service and Repair Contracts

1. Ensure all conforming requirements for service and repair contract are met [*see Bus. & Prof. Code § 7159.10(a)(1)*].

NOTE:

A service and repair contract is an agreement between a contractor or salesperson for a contractor, whether a general contractor or specialty contractor, who is licensed to perform the work contracted for, and a homeowner or tenant, for the performance of a home improvement as defined by *Bus. & Prof. Code § 7151*, that conforms to the following requirements: (1) the contract amount is $750 or less; (2) the prospective buyer initiated contact with the contractor to request the work; (3) the contractor does not sell the buyer goods or services beyond those reasonably necessary to take care of the particular problem that caused the buyer to contact the contractor; and (4) no payment is due, or accepted by the contractor, until the work is completed [*Bus. & Prof. Code § 7159.10(a)(1)*; ***see*** *Bus. & Prof. Code § 7159.10(a)(2)* ("work is completed" defined)]. If all four of these conforming requirements are not met, any contract presented to the buyer as a service and repair contract will be a home improvement contract subject to the requirements set forth in *Bus. & Prof. Code § 7159(c), (d)*, and *(e)*, including rescission rights, regardless of the contract price [*Bus. & Prof. Code § 7159.10(b)*; ***see*** *§ 89.130*].

2. Ensure contract is legibly written in same language as principally used in any oral sales presentation, and that any printed forms are in at least 10-point typeface (unless otherwise described below) with boldface headings [*Bus. & Prof. Code § 7159.10(d)(1)-(4)*].

3. Draft contract to include following information, notices, and disclosures [Bus. & Prof. Code § 7159.20(d)(7), (8), (e)]:

a. Notice with heading "Commercial General Liability Insurance" followed by prescribed statement indicating whether or not contractor carries such insurance, or is self-insured.

NOTE:
The notice may be provided as an attachment to the contract.

b. Notice with heading "Workers' Compensation Insurance" followed by prescribed statement indicating whether contractor carries such insurance or is exempt.

NOTE:
The notice may be provided as an attachment to the contract.

c. Heading "Service and Repair" in at least 10-point boldface type.

d. "Notice to the Buyer" in at least 12-point boldface type informing buyer of conforming requirements for service and repair contract [*see Bus. & Prof. Code § 7159.10(a)(1)(A)-(D)*].

e. Twelve-point boldface notice informing buyer of his or her right to receive completely filled in and signed copy of contract before work begins.

f. If applicable, "List of Documents to be Incorporated into the Contract."

g. When contract is for fixed amount, heading "Contract Price" followed by relevant amount.

h. If there is a finance charge, heading "Finance Charge" followed by amount, which must be set out separately from contract amount.

i. If contract is estimated by time and materials formula, heading "Estimated Contract Price" followed by estimated contract amount.

NOTE:
The contract must disclose the set rate and estimated cost of materials. It also must disclose how time will be computed, e.g., in increments of quarter hours, half hours, or hours, and the following statement: "The actual contract amount of a time and materials contract may not exceed the estimated contract amount without written authorization from the buyer" [*Bus. & Prof. Code § 7159.10(e)(7)*].

j. Heading "Description of the Project and Materials to be Used and Equipment to be Installed" followed by that description.

k. Prescribed statement informing buyer that contractor is obligated to offer buyer any replaced parts with checkbox to be initialed if buyer does not want them.

l. If applicable, heading "Amount of Service Charge" followed by service charge and prescribed statement informing buyer that he or she may be charged only one service charge.

m. In immediate proximity to the space reserved for buyer's signature, 12-point boldface notice, wording of which is prescribed by statute, informing buyer of his or her cancellation rights.

NOTE:
The notice may be included as an attachment, in which case it must be signed and dated

by the buyer [***see*** *Bus. & Prof. Code § 7159.10(e)(12)(C)*; ***see also*** *Civ. Code § 1689.6(a)* (cancellation rights)].

§ 89.132 Additional Provisions for Financed Projects

1. If contractor has extended consumer credit to owner or tenant:

NOTE:
For a definition of "consumer credit," see NOTE to *§ 89.111*, P 5 b.

a. Include disclosures required under federal Truth in Lending Act [*see 15 U.S.C. § 1601 et seq.*].

NOTE:
For a complete checklist of provisions and format of disclosure statements for transactions governed by the Truth in Lending Act, see *Ch. 45, **Consumer Installment Loans and Credit Sales**, § 45.123*.

b. If obligation of owner or tenant is secured by his or her principal dwelling, include Notice of Rescission in separate form disclosing [*15 U.S.C. § 1635*; *see 12 C.F.R. § 226.15*; *see also* Ch. 25A, *Security Instruments for Real Estate Financing*]:

(1) Fact of retention or acquisition of a security interest in owner's or tenant's dwelling.

(2) Right of each person whose ownership interest is or will be subject to security interest to rescind transaction.

(3) How to exercise rescission rights.

(4) Effects of rescission [*see 12 C.F.R. § 226.23(d)*].

(5) Date rescission period expires.

2. If contractor has extended credit to owner or tenant for sale of consumer goods or services under retail installment contract [*see § 89.18[1]*], include mandatory Unruh Act disclosures as part of contract [*see Civ. Code § 1803.3(c)*].

NOTE:

For a complete checklist of provisions and format of disclosure statements for transactions governed by the Unruh Act [*Civ. Code § 1801 et seq.*], see *§§ 45.124*, *45.125*.

3. Specify property pledged by owner or tenant to secure loan.

NOTE:

For a complete analysis of the law governing security interests in realty, see Ch. 25A, ***Security Instruments for Real Estate Financing*** .

4. If swimming pool contract is financed by third party lender, prepare notice of alternative procedure permitting commencement of construction before expiration of loan rescission period [*see Bus. & Prof. Code § 7165(e)*; *see also § 89.202[2]* (statutory notice)].

5. If contract is to provide home improvement goods or services and loan is more than $5,000 and secured by lien on real property, specify one of following payment methods [*Bus. & Prof. Code § 7159.2(b)*]:

NOTE:

No home improvement goods or services contract of $5,000 or less can provide for a security interest in real property, except a mechanic's lien or other interest that arises by operation of law. Any lien purportedly created by such a contract is void and unenforceable [*Bus. & Prof. Code § 7159.2(a)*].

a. Payment by instrument payable to borrower or jointly to borrower and contractor; or

b. At borrower's election, payment through third-party escrow agent under terms of written agreement signed before disbursement by borrower, lender, and contractor.

NOTE:

There are detailed procedures for filing post-construction notices. A discussion of that subject is beyond the scope of this chapter. For an analysis of the law in this area and representative forms, see Ch. 31, ***Mechanics' Liens*** .

1. Record Notice of Completion [*see Civ. Code § 3093*]:

NOTE:

When the owner or tenant files a Notice of Completion, the time period in which contractors, mechanics, and material suppliers may file liens on the improved property commences [***see*** *Civ. Code §§ 3115, 3116*].

a. No later than 10 days after project is completed.

b. In office of recorder for county where work was performed.

2. Deliver preliminary 20-Day Notice [*see Civ. Code §§ 3097, 3098*] with affidavit of service:

NOTE:

A preliminary notice alerts the property owner, general contractor, and construction lender to the existence of persons who are entitled to record mechanics' liens, file stop notices, or assert claims against a payment bond for private works of improvement, and file stop notices or assert payment bond claims against public works. The preliminary notice will also inform the person served of the amount claimed.

a. For value of labor, material, services, or equipment furnished.

b. To property owner, general contractor, and construction lender, if any.

3. If contract was home solicitation contract and customer cancels within three-day grace period, return any negotiable instrument or property received from customer within 10 days after receiving notice of cancellation.

1. Record lien on improved property for value of work and/or goods supplied by any of the following [*see Cal. Const., art. XIV, § 3*; *see also Civ. Code §§ 3067-3082*]:

a. Mechanics.

b. Material suppliers.

c. Laborers.

d. Artisans.

2. If desired, on owner's or tenant's final payment to contractor, execute and record waiver of liens in office of recorder for county in which work was performed [*see § 89.224[2]*].

PART IV. FORMS
A. Home Improvement and Service and Repair Contracts

29-89 California Legal Forms--Transaction Guide § 89.200

§ 89.200 Home Improvement Contract [Bus. & Prof. Code § 7159]

[1] Comment

[a] Use of Form

This form is a home improvement contract that satisfies all requirements of *Bus. & Prof. Code § 7159* [*see § 89.200[1][f]*]. *Bus. & Prof. Code § 7159* applies to a contract between an owner or tenant and a licensed contractor for performance of a home improvement, when the aggregate contract price, including all labor, services, and materials, exceeds $500 [*see Bus. & Prof. Code § 7159(b)*; *see also Bus. & Prof. Code § 7151* ("home improvement" defined), and *§ 89.200[1][b]*].

[b] Projects Constituting Home Improvements

A "home improvement" is any work (e.g., repair, modernization, conversion, or addition) performed on residential property. Home improvements include work affecting structures or land (e.g., driveways, terraces, patios, landscaping, fences, porches, garages, fallout shelters, and basements) adjacent to dwellings [*Bus. & Prof. Code § 7151*]. For purposes of the Contractors' State License Law, "home improvements" also include the sale, furnishing, or installation of home improvement goods or services [*Bus. & Prof. Code § 7151.2*]. "Home improvement goods and services" are tangible chattels (e.g., fencing, carpeting, texture coating, and heating or air conditioning equipment) and labor (e.g., termite extermination) bought in connection with the improvement of real property [*Bus. & Prof. Code § 7151*; *see Civ. Code § 1689.5(c), (d)*; *see also § 89.200[1][d], [e]*].

The home improvement operator must be a contractor unless he or she is exempt from the licensing requirements of the Contractors' State License Law [*Bus. & Prof. Code § 7150.1*; *see § 89.12[1]*]. For an analysis of the various parties likely to be involved in home improvement transactions and the limits on their capacities to act, see *§ 89.11[4]*. For a list of contractor classifications and the types of work specific licensees are authorized to perform, see Ch. 88, *Licensing of Contractors* .

[c] Requirement for Written Agreement

If the aggregate contract price exceeds $500, an agreement between a contractor and an owner or tenant for improvement to a building or other structure must be in writing and must contain specific information [*Bus. & Prof. Code § 7159*; *see* Asdourian v. Araj (1985) 38 Cal. 3d 276, 290-294, 211 Cal. Rptr. 703, 696 P.2d 95 ; *see also 89.200[1][f]*]. All other home improvement contracts may be oral or, if written, contained in multiple documents [*Bus. & Prof. Code § 7151.2*].

[d] Home Improvement Services

"Home improvement services" are services purchased in connection with a real property improvement [*Bus. & Prof. Code § 7151*]. They include services furnished in improving residential premises (e.g., termite extermination) as well as services connected with the sale or repair of tangible chattels that become part of real property (e.g., installation of carpets) [*see Bus. & Prof. Code § 7151*; *see also Civ. Code §§ 1689.5(d), 1802.1*]. Courses of instruction, such as classes on home electrical wiring or the construction of patios, are home improvement services [*see Bus. & Prof. Code § 7151*; *see also Civ. Code § 1689.5(d)*]. However, the services of attorneys, investment counselors, real estate brokers, and other professionals are specifically excluded from the category of home improvement services and, accordingly, are not governed by the Contractors' State License Law [*see Civ. Code § 1689.5(d)*].

[e] Home Improvement Goods

"Home improvement goods" are tangible chattels (or certificates exchangeable for tangible chattels) bought in connection with the improvement of real property and used primarily for personal, family, or household purposes [*see Bus. & Prof. Code § 7151*; *see also Civ. Code § 1689.5(c)*]. Goods intended to be affixed to real property so as to become part of that property, regardless of whether they can be severed from it, are home improvement goods [*Bus. & Prof. Code § 7151*].

A home improvement contractor or salesperson who offers a written warranty covering home improvement goods is a warrantor who must comply with the Magnuson-Moss Warranty--Federal Trade Commission Improvement Act [*15 U.S.C. § 2301 et seq.*], which governs warranties of consumer products. For further analysis of the Act's requirements and a representative warranty, see *§ 89.205[1]*.

[f] Home Improvement Contracts

[i] General Requirements

A home improvement contract must be legible, or if it is printed, it must be readable and printed in at least 10-point typeface with 10-point boldface headings [*Bus. & Prof. Code § 7159(c)(1), (2)*]. Before work is commenced, the contractor must give the buyer a copy of the contract signed and dated by both parties [*see Bus. & Prof. Code § 7159(d)(4)*]. Because the buyer's receipt of the copy initiates the buyer's cancellation rights, the first page must include the date the buyer signed the contract along with the contractor's name and address to which a Notice of Cancellation must be mailed [*Bus. & Prof. Code § 7159(3)*].

The contract must also include a statement that, on satisfactory payment being made for partial performance, the contractor must, before any further payment is made, furnish a person contracting for home improvement or swimming pool work a full and unconditional release from any potential lien claimant or authorized mechanics' lien for the portion of the work for which payment has been made [*Bus. & Prof. Code § 7159(c)(4)*].

A change-order form for changes or extra work must be incorporated into and become part of the contract only if it is in writing and signed by the parties before any work covered by the change order has begun [*Bus. & Prof. Code § 7159(c)(5)*]. In close proximity to the parties' signatures there must be a notice stating that the owner or tenant has the right to require the contractor to have a performance and payment bond [*Bus. & Prof. Code § 7159(c)(6)*]. A contract,

the primary purpose of which is to construct a swimming pool, which does not substantially comply with either of these requirements, is void and unenforceable by the contractor as contrary to public policy. However, the contractor's failure to satisfy the change-order form requirement will not preclude him or her from recovering compensation for work performed based on quasi-contract, quantum meruit, restitution, or other similar legal or equitable remedies designed to prevent unjust enrichment [*Bus. & Prof. Code § 7167*].

If the contract provides for a contractor to furnish joint control, the contractor may not have any financial or other interest in the joint control [*Bus. & Prof. Code § 7159(c)(7)*].

As described in *§ 89.200[1][f][ii]* and *[iii]*, home improvement contracts have other, very specific, requirements for disclosures and other information that must be included in the writing.

[ii] Specific Requirements

A home improvement contract must include all of the following information [*Bus. & Prof. Code § 7159(d)*]:

1. The contractor's name, business address, and license number.

2. If applicable, the name and registration number of any home improvement salesperson that solicited or negotiated the contract.

3. The heading "Home Improvement" in at least 10-point boldface type.

4. A 12-point boldface statement informing the buyer that he or she is entitled to a completely filled-in and signed copy of the contract before work may be started.

5. The heading "Contract Price" followed by the amount of the contract [*see Bus. & Prof. Code § 7159.5(a)(1)*].

6. If applicable, the heading "Finance Charge" followed by the amount of the charge [*see Bus. & Prof. Code § 7159.5(a)(2)*].

7. The heading "Description of the Project and Description of the Significant Materials to be Used and Equipment to be Installed" followed by that information, including, if relevant, a plan and scale drawing of any swimming pool to be installed including the construction and equipment specifications.

8. If a downpayment will be charged, it may not exceed the lesser of $1,000 or 10 percent of the contract price and its details must be set forth in a statutory format [*see Bus. & Prof. Code § 7159(d)(8)(A)-(C)*; *see also Bus. & Prof. Code § 7159.5(a)(3)* (down payment limitation)].

9. If any progress payments are to be made, the contract must include (a) a schedule of those payments with specific reference to the amount of each payment and the amount of work or services to be performed and any materials and equipment to be supplied in connection with each payment; and (b) a statutorily-prescribed statement informing the buyer about the nature of the schedule with a notice that, while a contractor may require a downpayment, it is unlawful for the contractor to collect payment for work not completed or materials not yet delivered [*see Bus. & Prof. Code §§ 7159(d)(9)(C), 7159.5(a)(4), (5)*].

10. The heading "Approximate Start Date" followed by a statement describing what constitutes substantial commencement of work and an approximate date for that commencement.

11. The heading "Approximate Completion Date" followed by that date.

12. If applicable, the heading "List of Documents to be Incorporated into the Contract" followed by that list.

13. The heading "Note about Extra Work and Change Orders" followed by a statutorily-prescribed statement informing the buyer of the nature and effect of change orders [*see Bus. & Prof. Code § 7159(d)(13)*].

A contractor who furnishes a payment and performance bond, lien and completion bond, or a bond equivalent or joint control approved by the registrar covering full performance and payment, is exempt from the down payment limitation described in 8., *above*. The contractor who provides such security for his or her performance is also relieved the requirement that the contract include a schedule of progress payments, as described in 9., *above* [Bus. & Prof. Code § 7159.5(a)(8); *see* Bus. & Prof. Code § 7159(d)(9)].

If the contract provides for a payment of a salesperson's commission out of the contract price, that payment must be made on a pro rata basis in proportion to the schedule of progress payments described in 9., *above* [*Bus. & Prof. Code § 7159.5(a)(7)*].

A contract, the primary purpose of which is to construct a swimming pool, which does not substantially comply with the requirements enumerated in 7-9., *above*, is void and unenforceable by the contractor as contrary to public policy [*Bus. & Prof. Code § 7167(a)*].

[iii] Required Notices

Notices concerning the following subjects must be either included as part of the contract form, or, if otherwise specified, provided as an attachment to the form [*Bus. & Prof. Code § 7159(e)*]:

1. Commercial general liability insurance.

2. Workers' compensation insurance.

3. Information concerning the performance of extra or change-order work.

4. A mechanic's lien warning the wording of which is prescribed by statute [*see Bus. & Prof. Code § 7159(e)(4)*].

5. Information about the role of the Contractors' State License Board, including how to contact the Board.

6. If applicable, a notice informing the buyer that he or she has three days within which to cancel the contract the effect of which would be to place the parties in their pre-contract positions [*see Bus. & Prof. Code § 7159(e)(6)(B)* (wording of notice), (C) (format and location of notice in contract)]. The three-day notice is required unless (a) the contract is negotiated in the contractor's place of business, (b) the contract is to repair or restore residential premises damaged by a sudden or catastrophic event, or (c) the contractor is subject to licensure under the Alarm Company Act [*Bus. & Prof. Code § 7159(e)(6)(A)*; *see Bus. & Prof. Code § 7590 et seq.* (Alarm Company Act)].

7. If the contract involves repairing or restoring a residence damaged or destroyed by a sudden or

catastrophic event for which a state of emergency has been declared, a notice informing the buyer that he or she has seven days within which to cancel the contract the effect of which would be to place the parties in their pre-contract positions [*see Bus. & Prof. Code § 7159(e)(7)(A)* (wording of notice), (B) (format and location of notice in contract)].

A contractor who furnishes a payment and performance bond, lien and completion bond, or a bond equivalent or joint control approved by the registrar covering full performance and payment, need not include the mechanics' lien warning described in 4., *above* [*Bus. & Prof. Code § 7159.5(a)(8)*].

The three-day or seven-day notice to cancel described in 6., and 7., *above*, must be accompanied by a completed form in duplicate captioned "Notice of Cancellation," which must also be attached to the contract and be easily detachable. The wording of the notice of prescribed by statute must be written in the same language as used in the contract [*Bus. & Prof. Code § 7159(e)(6)(C)(vi), (7)(B)(vi)*].

[iv] Release for Partial Payment

On any payment by the buyer, and before any further payment is made, the contractor must, at the other buyer's request, obtain and furnish a full and unconditional release from any potential lien claimant claim or mechanics' lien authorized pursuant to *Civ. Code § 3110* for any portion of the work for which payment has been made. The buyer may withhold all further payments until these releases are furnished [*Bus. & Prof. Code § 7159.5(a)(6)*].

[v] Penalties for Violation of Requirements

Failure by a licensee, or a person subject to be licensed under the Contractors' State License Law, or by his or her agent or salesperson, to provide the required information, notices, and disclosures in a contract, or to comply with them, is cause for discipline [*Bus. & Prof. Code § 7159.5(a)*]. In addition, misrepresentation of, or failure to include, the contract price, violating the down payment limitations, or requesting or accepting payment that exceeds the value of work performed or material delivered is a misdemeanor punishable by a fine of between $100 and $5,000 and/or imprisonment for up to one year [*Bus. & Prof. Code § 7159.5(b)*].

Any person who violates the requirements described in *Bus. & Prof. Code § 7159.5(a)*, which generally relate to the contract requirements for contract price, finance charge, down payment, and progress payments, as part of a plan or scheme to defraud an owner or tenant of a residential or nonresidential structure, including a mobilehome or manufactured home, in connection with the offer or performance of repairs to the structure for damage caused by a natural disaster, will be ordered to make full restitution to the victim based on the person's ability to pay, as defined in *Penal Code § 1203.1b(e)*. In addition to full restitution, and imprisonment for up to one year, the court may impose a fine of not less than $500 nor more than $25,000, also based on the defendant's ability to pay. This applies to natural disasters for which the Governor proclaims a state of emergency, or for which an emergency or major disaster is declared by the President of the United States [*Bus. & Prof. Code § 7159.5(c)*].

[g] Requirements for Contracts Secured by Real Property

No home improvement goods or services contract of $5,000 or less can provide for a security interest in real property, except a mechanic's lien or other interest that arises by operation of law. Any lien purportedly created by such a contract is void and unenforceable [*Bus. & Prof. Code § 7159.2(a)*].

When a home improvement goods or services contract of more than $5,000 is secured by a mortgage or deed of trust on real property, the person or entity making the loan must pay the contractor either by an instrument payable to the borrower or jointly to the borrower and contractor or, if the borrower so elects, through a third-party escrow agent pursuant to the terms of a written agreement signed by the parties before the funds are disbursed [*Bus. & Prof. Code §*

7159.2(b)].

[h] Notice Requirement for Certain Door-to-Door Sales Contracts

With specified exceptions, any contract for the sale of home improvement goods or services offered by door-to-door sale that contains or is secured by a lien on real property must be accompanied by a prescribed notice [*Bus. & Prof. Code § 7159.1*]. A security interest created in any door-to-door sale contract that does not provide the notice is void and unenforceable [*Bus. & Prof. Code § 7159.1*]. For additional discussion and the required form, see *§ 89.208*.

[i] Use of Provisions for Loans

A home improvement contract is unenforceable against the buyer if obtaining a loan for all or part of the contract price is a condition precedent to the contract or if the contractor provides financing, in any way helps the buyer obtain a loan, or refers the buyer to a lender or loan arranger unless certain requirements are satisfied. These requirements are that the lender must in fact agree to make the loan, the buyer must agree to accept the loan, and the buyer must not rescind the loan or financing transaction within the three-day period prescribed by the federal Truth in Lending Act [*Bus. & Prof. Code § 7163(a)*; *see 15 U.S.C. § 1635*].

Until the requirements of *Bus. & Prof. Code § 7163(a)* are satisfied, the contractor must not deliver any property or perform any services other than obtaining building permits or other similar services preliminary to the commencement of the home improvement for which no mechanic's lien can be claimed [*Bus. & Prof. Code § 7163(b)(1)*]. Additionally, the contractor must not represent in any manner that the contract is enforceable or that the buyer has an obligation under the contract [*Bus. & Prof. Code § 7163(b)(2)*]. Any violation of these prohibitions renders the contract unenforceable [*Bus. & Prof. Code § 7163(b)*].

If the contract is unenforceable under these provisions, the contractor must immediately and unconditionally refund all consideration given by the buyer. If the buyer gave property as consideration and the contractor does not or cannot return it, the contractor must immediately return its fair market value or the value specified for it in the contract, whichever is greater [*Bus. & Prof. Code § 7163(c)*].

The buyer must make any property delivered by the contractor under an unenforceable contract available for return to the contractor if it is practical to return it without causing damage to the buyer, if the contractor returns any consideration received, and if the contractor picks up the property at its expense within 60 days after execution of the contract [*see Bus. & Prof. Code § 7163(d)(2)*]. Otherwise, the buyer may retain, without obligation, any services or property provided under the contract [*Bus. & Prof. Code § 7163(d)(1)*].

These rules apply to home improvement contracts. "Goods" are covered regardless of whether they are to become fixtures or not [*Bus. & Prof. Code § 7163(e)*]. The rights and remedies discussed above are nonexclusive and cumulative with other legal rights and remedies [*Bus. & Prof. Code § 7163(f)*]. Normally, a waiver of any rights under *Bus. & Prof. Code § 7163* is void and unenforceable. However, a limited exception exists when the contract is for emergency repairs necessary for the immediate protection of people and property [*Bus. & Prof. Code § 7163(g)*; *see § 89.206[1]*].

For swimming pool contracts, alternative procedures are available that will permit the contractor to begin work before expiration of the buyer's loan cancellation period without affecting the contract's enforceability. To invoke these procedures, certain conditions must be met and a statutory notice set forth [*see Bus. & Prof. Code § 7165*]. For a description of these procedures and the text of the required notice, see *§ 89.202*.

[j] Applicability of Truth in Lending Act and Unruh Act

If the home improvement project is financed, counsel must consider the potential applicability of the federal Truth in Lending Act [*15 U.S.C. § 1601 et seq.*] and/or California's Unruh Act [*Civ. Code § 1801 et seq.*]. Determining whether either or both of these Acts applies to a particular transaction is important since it will determine whether certain disclosures and other statements must be part of the contract [*see § 89.18*; *see also* Ch. 45, *Consumer Installment Sales and Credit Sales*].

[k] Home Solicitation Contract Requirements

A contract that is made at a location other than trade or business premises and that is subject to approval for work, labor, or services furnished in connection with work on residential premises is a "home solicitation contract or offer" unless the buyer has absolute rescission rights afforded by the federal Truth in Lending Act [*see Civ. Code § 1689.5(a), (d)*; *see also 15 U.S.C. § 1601 et seq.*]. A nonfinanced home improvement contract will normally be a home solicitation contract. However, it is important to note that if a home solicitation contract or offer for home improvement goods or services provides for a lien on real property, that contract is subject to the Unruh Act [*see Civ. Code §§ 1689.5, 1801 et seq.*; *see also § 89.18[1]*].

The regulation of home solicitations focuses on protecting consumers against pressures that arise when salespersons appear at their homes [*see Weatherall Aluminum Products Co. v. Scott (1977) 71 Cal. App. 3d 245, 248, 139 Cal. Rptr. 329* ; *see also Civ. Code §§ 1689.6, 1689.7*]. Any confession of judgment or waiver of a consumer's rights under the laws governing home solicitations is void as against public policy [*see* Civ. Code § 1689.12]. The contract must be written in the same language that was principally used in the oral sales presentation [*Civ. Code § 1689.7(a)(1)*].

In the case of a home improvement contract that is also a home solicitation contract, the buyer has an absolute right to cancel until midnight of the third business day after the buyer receives a signed and dated copy of the contract [*see Civ. Code § 1689.6(a)(2)*; *Bus. & Prof. Code § 7159(e)(6)*]. If the purpose of the contract is to repair or restore residential premises damaged by a disaster, the cancellation period is seven days, which also begins to run when the buyer receives a signed and dated copy of the contract [*Civ. Code § 1689.7(e)*; *see Bus. & Prof. Code § 7159(e)(7)*].

[l] Proscribed Contractual Provisions

A contractor may not insert a provision in any construction contract that purports to indemnify a contractor against liability for damages due to death or bodily injury to persons, injury to property, or any other loss, damage, or expense arising from the sole negligence or willful misconduct of the contractor, the contractor's agents, servants, or independent contractors who are directly responsible to the contractor, or for defects in design furnished by those persons [*Bus. & Prof. Code § 7034(a)*; *Civ. Code § 2782(a)*]. Prohibited provisions of this type, whether contained in or collateral to a construction contract, are generally void as against public policy and will not be enforced [*Civ. Code § 2782(b)*; *see National Union Fire Ins. Co. v. Nationwide Ins. Co. (1999) 69 Cal. App. 4th 709, 717-718, 82 Cal. Rptr. 2d 16]* ; *see also § 30D.15[3]* for further discussion of prohibited indemnity provisions.

However, the provisions of *Civ. Code § 2782* do not void an agreement by which a contractor indemnifies a person, firm, corporation, or state or other agency for whose account a construction contract is not being performed but who, as an accommodation to the contractor, permits the latter to enter upon the accommodating party's property for the purpose of performing a construction contract for others [*Civ. Code § 2782.1*]. Likewise, if the self-insured owner of a plant or facility has a net worth exceeding $10,000,000 and is audited annually, the owner may enter into a valid agreement to indemnify a professional engineer against liability exceeding $250,000 for negligent inspection services to the plant or facility provided by the engineer or the engineer's agents or employees [*Civ. Code § 2782.2*]. Parties may also negotiate and make an agreement regarding the allocation, release, liquidation, exclusion, or limitation of the promisee's or promisor's liability for damages attributable to design defects [*see Civ. Code § 2782.5*]. Furthermore, an agreement to indemnify professional engineers or geologists (or their agents, contractors, subsidiaries, or employees) from liability in providing hazardous materials identification, evaluation, preliminary assessment, design, remediation services, or other

specified services is not against public policy and therefore is permitted if statutory criteria are satisfied [*Civ. Code § 2782.6*; *see Health & Safety Code §§ 25322, 25323*; 40 C.F.R. pt. 300 (other services covered)].

[m] Swimming Pool Contracts

Contracts to repair, remodel, alter, convert, modernize, add to, replace, or improve swimming pools, spas, or hot tubs adjacent to dwelling houses are home improvement contracts [*Bus. & Prof. Code §§ 7151, 7151.2*]. Thus, they are subject to the same requirements as other home improvement contracts [*see Bus. & Prof. Code § 7159*; *see also § 89.200[1][f]*]. If the construction is financed by a third party lender, alternative procedures to those required by *Bus. & Prof. Code § 7163(a)* [*see § 89.200[1][i]*] are available that will permit the contractor to begin work before expiration of the buyer's loan cancellation period without affecting the enforceability of the contract [*see Bus. & Prof. Code § 7165*; *see also § 89.202*].

[n] Arbitration Disclosure for Small Residential Projects

Because the form in [2], *below*, includes an arbitration provision, it also includes the disclosure provision that is required for all contracts for work on residential property with four or fewer units that include an arbitration provision. In such contracts, both the arbitration provision itself, and the disclosure must be set out either in at least 10-point roman boldface type or in contrasting red print in at least 8-point roman boldface type. If the contract is typed, the provision and disclosure must be set out in capital letters. Failure to comply with these requirements will preclude the contractor from enforcing the contract [*Bus. & Prof. Code § 7191*].

Extra Work and Change Orders: The Buyer may not require the Contractor to perform extra or change order work without providing written authorization prior to the commencement of any work covered by the new change order. Extra work or a change order is not enforceable against the Buyer unless the change order also identifies all of the following in writing prior to the commencement of any work covered by the new change order: (1) the scope of the work encompassed by the order, (2) the amount to be added or subtracted from the Contract, and (3) the effect the order will make in the progress payments or the completion date. The Contractor's failure to comply with these requirements does not preclude the recovery of compensation for work performed based upon legal or equitable remedies designed to prevent unjust enrichment.

Note about Extra Work and Change Orders: Extra Work and Change Orders become part of the contract once the order is prepared in writing and signed by the parties prior to the commencement of any work covered by the new change order. The order must describe the scope of the extra work or change, the cost to be added or subtracted from the contract, and the effect the order will have on the schedule of progress payments.

Mechanics' Lien Warning:

Anyone who helps improve your property, but who is not paid, may record what is called a mechanics' lien on your property. A mechanics' lien is a claim, like a mortgage or home equity loan, made against your property and recorded with the county recorder.

Even if you pay your contractor in full, unpaid subcontractors, suppliers, and laborers who helped to improve your property may record mechanics' liens and sue you in court to foreclose the lien. If a court finds the lien is valid, you could be forced to pay twice or have a court officer sell your home to pay the lien. Liens can also affect your credit.

To preserve their right to record a lien, each subcontractor and material supplier must provide you with a document called a '20-day Preliminary Notice.' This notice is not a lien. The purpose of the notice is to let you know that the person who sends you the notice has the right to record a lien on your property if he or she is not paid.

BE CAREFUL. The Preliminary Notice can be sent up to 20 days after the subcontractor starts work or the supplier provides material. This can be a big problem if you pay your contractor before you have received the Preliminary Notices.

You will not get Preliminary Notices from your prime contractor or from laborers who work on your project. The law assumes that you already know they are improving your property.

PROTECT YOURSELF FROM LIENS. You can protect yourself from liens by getting a list from your contractor of all the subcontractors and material suppliers that work on your project. Find out from your contractor when these subcontractors started work and when these suppliers delivered goods or materials. Then wait 20 days, paying attention to the Preliminary Notices you receive.

PAY WITH JOINT CHECKS. One way to protect yourself is to pay with a joint check. When your contractor tells you it is time to pay for the work of a subcontractor or supplier who has provided you with a Preliminary Notice, write a joint check payable to both the contractor and the subcontractor or material supplier.

For other ways to prevent liens, visit CSLB's Internet Web site at www.cslb.ca.gov or call CSLB at 800-321-CSLB (2752).

REMEMBER, IF YOU DO NOTHING, YOU RISK HAVING A LIEN PLACED ON YOUR HOME. This can mean that you may have to pay twice, or face the forced sale of your home to pay what you owe.

[*If contract is for work on residential property with four or fewer units, arbitration provision and disclosure that follows must be in 10-point boldface type or 8-point red boldface type; if contract is typed, provision must be in capital letters (Bus. & Prof. Code § 7191(a)).*]

Arbitration of Disputes: Any controversy that develops between Contractor and Buyer with regard to matters arising out of, or relating to, this Contract, and that the parties do not promptly resolve, shall be decided by arbitration administered by and in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association unless the parties agree otherwise in writing. This Paragraph shall be specifically enforceable under the prevailing arbitration law. The award rendered by the arbitrators shall be final, and judgment may be entered on it in any court of competent jurisdiction.

Information about the Contractors' State License Board (CSLB):

CSLB is the state consumer protection agency that licenses and regulates construction contractors.

Contact CSLB for information about the licensed contractor you are considering, including information about disclosable complaints, disciplinary actions, and civil judgments that are reported to CSLB.

Use only licensed contractors. If you file a complaint against a licensed contractor within the legal deadline (usually four years), CSLB has authority to investigate the complaint. If you use an unlicensed contractor, CSLB may not be able to help you resolve your complaint. Your only remedy may be in civil court, and you may be liable for damages arising out of any injuries to the unlicensed contractor or the unlicensed contractor's employees.

PART IV. FORMS
A. Home Improvement and Service and Repair Contracts

29-89 California Legal Forms--Transaction Guide § 89.201

§ 89.201 Service and Repair Contract [Bus. & Prof. Code § 7159.10]

[1] Comment

[a] Use of Form

This form is a service and repair contract. Like home improvement contracts [*see § 89.200*], service and repair contracts are also subject to specific requirements.

A service and repair contract is an agreement between a general or specialty contractor, or salesperson for such a contractor, who is licensed or subject to be licensed with regard to the transaction, and a homeowner or a tenant, for the performance of a home improvement, that conforms to specified requirements [*Bus. & Prof. Code § 7159.10(a)(1)*; *see § 89.201[1][b]*].

[b] Requirements for Service and Repair Contracts

[i] General Requirements

A service and repair contract is an agreement between a general or specialty contractor, or salesperson for such a contractor [*see Bus. & Prof. Code § 7159.10(f)*], who is licensed or subject to be licensed with regard to the transaction, and a homeowner or a tenant, for the performance of a home improvement that meets all of the following conforming requirements [*Bus. & Prof. Code § 7159.10(a)(1)*]:

- The contract amount can be no more than $750;
- The prospective buyer must initiate contact with the contractor to request the work;
- The contractor may not sell the buyer goods or services beyond those reasonably necessary to take care of the particular problem that caused the buyer to contact the contractor; and

- No payment will be due, or accepted by the contractor, until the work is completed [*see Bus. & Prof. Code § 7159.10(a)(2)* ("work is completed" defined)].

For any contract written pursuant to *Bus. & Prof. Code § 7159.10(a)* or otherwise presented to the buyer as a service and repair contract, unless all of the conforming requirements for service and repair contracts specified in subdivision *Bus. & Prof. Code § 7159.10(a)* are met, the contract requirements for home improvements will be applicable, including any rights to rescind the contract, regardless of the aggregate contract price [*Bus. & Prof. Code § 7159.10(b)*; *Civ. Code § 1689.6(a)(3)(B)*; *see Bus. & Prof. Code § 7159(c)-(e)* (applicable home improvement contract requirements); *Civ. Code §§ 1689.6, 1689.7* (applicable rescission rights)].

If all of the conforming requirements are met, the notices and requirements described in *§ 89.201[1][b][ii]* will apply to the contract [*Bus. & Prof. Code § 7159.10(c)*].

[ii] Specific Requirements

A service and repair contract, and any changes or attachments to the contract, must be written in the same language as was principally used in any oral sales presentation and signed or acknowledged by the parties. If the contract is written, it must be legibly written. If it is printed, it must be readable and in at least 10-point typeface with 10-point boldface headings, unless specified otherwise [Bus. & Prof. Code § 1759.10(d)(1)-(3)].

Before work is started, the contractor must give the buyer a copy of the contract signed by both parties with the contractor's name, business address, and license number, and the date it was signed [*Bus. & Prof. Code § 7159.10(4)-(6)*].

The contract must include the following information, notices, and disclosures [Bus. & Prof. Code § 7159.20(d)(7), (8), (e); *but see Bus. & Prof. Code § 7159.10(g)* (contractor not relieved from compliance with other applicable laws)]:

1. A notice, which may be provided as an attachment, with the heading "Commercial General Liability Insurance" followed by a prescribed statement indicating whether or not the contractor carries such insurance, or is self-insured.

2. A notice, which may be provided as an attachment, with the heading "Workers' Compensation Insurance" followed by a prescribed statement indicating whether the contractor carries such insurance or is exempt.

3. A "Service and Repair" heading in at least 10-point boldface type.

4. A "Notice to the Buyer" in at least 12-point boldface type informing the buyer of the conforming requirements for a service and repair contract [*see Bus. & Prof. Code § 7159.10(a)(1)(A)-(D)*; *see also § 89.201[1][b][i]*].

5. A12-point boldface notice informing the buyer of his or her right to a completely filled in and signed copy of the contract before work begins.

6. If applicable, a "List of Documents to be Incorporated into the Contract."

7. When the contract is for a fixed amount, the heading "Contract Price" followed by the relevant amount.

8. If there will be a finance charge, the heading "Finance Charge" followed by the amount, which must

be set out separately from the contract amount.

9. If the contract is estimated by a time and materials formula, the heading "Estimated Contract Price" followed by the estimated contract amount. The contract must disclose the set rate and estimated cost of materials. It also must disclose how time will be computed, e.g., in increments of quarter hours, half hours, or hours, and the statement: "The actual contract amount of a time and materials contract may not exceed the estimated contract amount without written authorization from the buyer."

10. The heading "Description of the Project and Materials to be Used and Equipment to be Installed" followed by that description.

11. A prescribed statement informing the buyer that the contractor is obligated to offer the buyer any replaced parts with a checkbox to be initialed if the buyer does not want the parts.

12. If applicable, the heading "Amount of Service Charge" followed by the service charge and a prescribed statement informing the buyer that he or she may be charged only one service charge.

13. In immediate proximity to the space reserved for the buyer's signature, a 12-point boldface notice, the wording of which is prescribed by statute, informing the buyer of his or her cancellation rights. The notice may be included as an attachment in which case it must be signed and dated by the buyer [*see Bus. & Prof. Code § 7159.10(e)(12)(C)*; *see also Civ. Code § 1689.6(a)(3)*].

The notice of cancellation rights described in 13., *above*, informs the buyer that he or she may cancel the contract anytime before work begins. Even after work has begun, the buyer may cancel within three business days of signing a contract for normal service and repairs, or within seven business if the contract is to repair and correct conditions resulting from a sudden or catastrophic event for which a state of emergency has been declared, if the contract does not conform to any of the four basic requirements for a service and repair contract specified by *Bus. & Prof. Code § 7159.10(a)(1)(A)-(D)* [*see § 89.201[1][b][i]*]. The right to cancel may be exercised by email, postal mail, fax, or personal deliver to the contractor at his or her place of business with the relevant 3- or 7-day period. The cancellation must include the buyer's name, address, and the date he or she received a signed copy of the notice of cancellation rights. The effect of cancellation is to return the parties to their pre-contract positions [*Bus. & Prof. Code § 7159.10(e)(12)(A)*]. The cancellation notice does not apply to home improvement contracts entered into by a licensed alarm company operator provided the operator complies with the cancellation provisions applicable to such contracts under the law governing home solicitation contracts [*Bus. & Prof. Code § 7159.10(e)(12)(B)*; *see Civ. Code §§ 1689.5-1689.7*].

[iii] Release for Partial Payment

On any payment by the buyer, the contractor must, at the buyer's request, obtain and furnish a full and unconditional release from any potential lien claimant claim or mechanics' lien authorized pursuant to *Civ. Code § 3110* for any portion of the work for which payment has been made [*Bus. & Prof. Code § 7159.14(a)(11)*].

[iv] Penalties for Violation of Requirements

Failure by a licensee, or a person subject to be licensed under the Contractors' State License Law, or by his or her agent or salesperson, to provide the required information, notices, and disclosures in a contract, or to comply with them, is cause for discipline [*Bus. & Prof. Code §§ 7159.11, 7159.14(a)*]. In addition, misrepresentation of, or failure to include the contract price, violating the down payment limitations, or requesting or accepting payment that exceeds the value of work performed or material delivered, is a misdemeanor punishable by a fine of between $100 and $5,000 and/or imprisonment for up to one year [*Bus. & Prof. Code § 7159.14(b)*].

Any person who commits any of these, or other related violations [*see Bus. & Prof. Code § 7159.14(a)*], as part of a plan or scheme to defraud an owner or tenant of a residential or nonresidential structure, including a mobilehome or manufactured home, in connection with the offer or performance of repairs to the structure for damage caused by a natural disaster, will be ordered to make full restitution to the victim based on the person's ability to pay, as defined in *Penal Code § 1202.4*. In addition to full restitution, and imprisonment for up to one year, the court may impose a fine of not less than $500 nor more than $25,000, also based on the defendant's ability to pay. This applies to natural disasters for which the Governor proclaims a state of emergency, or for which an emergency or major disaster is declared by the President of the United States [*Bus. & Prof. Code § 7159.14(c)*].

YOUR RIGHTS TO CANCEL BEFORE WORK BEGINS

(A) You, the buyer, have the right to cancel this contract until:

1. You receive a copy of this contract signed and dated by you and the contractor; and

2. The contractor starts work

(B) However, even if the work has begun you, the buyer, may still cancel the contract for any of the reasons specified in items 1 through 4 of this paragraph. If any of these reasons occur, you may cancel the contract within three business days of signing the contract for normal service and repairs, or within seven business days of signing a contract to repair or correct conditions resulting from any sudden or catastrophic event for which a state of emergency has been declared by the President of the United States or the Governor, or for which a local emergency has been declared by the

executive officer or governing body of any city, county, or city and county:

1. You may cancel the contract if the price, including all labor and materials, is more than seven hundred fifty dollars ($750).

2. You may cancel the contract if you did not initiate the contact with the contractor to request the work.

3. You may cancel the contract if the contractor sold you goods or services beyond those reasonably necessary to take care of the particular problem that caused you to contact the contractor.

4. You may cancel the contract if the payment was due or the contractor accepted any money before the work was complete.

(C) If any of these reasons for canceling occurred, you may cancel the contract as specified under paragraph (B) above by e-mailing, mailing, faxing, or delivering a written notice to the contractor at the contractor's place of business within three business days or, if applicable, seven business days of the date you received a signed and dated copy of this contract. Include your name, your address, and the date you received a signed copy of the contract and this notice.

If you cancel, the contractor must return to you anything you paid within 10 days of receiving the notice of cancellation. For your part, you must make available to the contractor at your residence, in substantially as good condition as you received it, any goods delivered to you under this contract. Or, you may, if you wish, comply with the contractor's instructions on how to return the goods at the contractor's expense and risk. If you make the goods available to the contractor and the contractor does not pick them up within 20 days of the date of your notice of cancellation, you may keep them without any further obligation. If you fail to make the goods available to the contractor, or if you agree to return the goods to the contractor and fail to do so, then you remain liable for performance of all obligations under the contract.

Buyer hereby acknowledges receipt of this Notice:

PART IV. FORMS

29-89 California Legal Forms--Transaction Guide § 89.202

§ 89.202 Notice and Request for Immediate Commencement of Construction Under Third Party Financed Swimming Pool Construction Contract [Bus. & Prof. Code § 7165]

[1] Comment

[a] Use of Form

This form is a notice to the buyer under a third party financed swimming pool construction contract of the availability of a special procedure permitting the contractor to begin construction without waiting until the expiration of the buyer's loan rescission period, as is otherwise required by law for financed home improvement contracts [*Bus. & Prof. Code § 7165*; *see Bus. & Prof. Code § 7163(a), (b)*]. The form also serves as the document on which the buyer may request that the contractor begin performance pursuant to this alternative procedure [*see Bus. & Prof. Code § 7165(e)*].

No home improvement contract, including a swimming pool contract, is enforceable against the buyer if obtaining a loan for all or a portion of the contract price is a condition precedent to a contract, or if a contractor provides financing or in any way arranges for financing, unless a third party agrees to make the loan, the buyer agrees to accept the loan, and the buyer does not rescind within the period permitted by applicable federal law [*Bus. & Prof. Code § 7163(a)*; *see 15 U.S.C. § 1601 et seq.* (Truth in Lending Act); 12 C.F.R. pt. 226 (Regulation Z)]. Until these requirements are met, it is unlawful for a contractor to deliver any property or perform any service other than obtaining building permits or other preliminary services for which no mechanics' lien can be claimed, or to represent that the contract is enforceable or that a buyer has any obligation [*Bus. & Prof. Code § 7163(b)*].

For swimming pool contracts, alternative procedures are available that permit the buyer to waive these protections and request the contractor to begin work before the expiration of the buyer's loan cancellation period without affecting the enforceability of the contract. To invoke these procedures, certain statutory conditions must be met [*see Bus. & Prof. Code § 7165*; *see also § 89.202[1][b]*].

[b] Statutory Requirements

The requirements listed below may be substituted for the requirements ordinarily applicable to financed home

improvement contracts [*see Bus. & Prof. Code § 7163(a)(1)-(3)*, discussed in *§ 89.202[1][a]*] if the swimming pool contract is to be financed by a third party lender and all of the following listed conditions are met [*Bus. & Prof. Code § 7165*]:

1. The third party lender has agreed, in writing, to provide financing to the buyer for the maximum estimated construction cost of the swimming pool.

2. The lender has provided the buyer with a written copy of the terms and conditions of the loan for the maximum estimated construction cost, including terms disclosed in the manner required by the federal Truth in Lending Act [*15 U.S.C. § 1601 et seq.*] and Regulation Z [12 C.F.R. pt. 226] concerning the annual percentage rate, the finance charge, the amount financed, the total number of payments, the payment schedule, and a description of the security interest to be taken by the lender.

3. The lender has agreed in writing to offer a loan for the maximum estimated construction cost on the terms and conditions in 2., *above*.

4. If the construction cost of the swimming pool is determined after the completion of excavation to be less than the maximum estimated construction cost, the lender has agreed, in writing, to offer to loan the lesser amount needed to complete the construction on the same security as, and at an annual percentage rate and monthly payment amount not to exceed, that disclosed in 2., *above*.

5. The lender's written agreement specified in 3. and 4., *above*, states the duration of the offer, which cannot be less than 15 days following completion of the excavation of the swimming pool.

6. The buyer acknowledges receipt of the writings described in 1. through 5., *above*, and, no sooner than three business days after receiving all of these writings, requests on the form set out below that the contractor begin performance of the swimming pool contract before the expiration of any rescission period applicable to the loan [*see Bus. & Prof. Code § 7165(h)*; *see also Civ. Code § 9* ("business day" defined)].

7. The buyer's request is set forth on a document separate and apart from the swimming pool contract and contains statutory provisions in specified language and type size as set forth in this form.

8. The contractor provides the buyer with a copy of the buyer's signed request at the time of signature.

These requirements apply to each buyer who signs the swimming pool contract or the promissory note, other evidence of indebtedness, or security interest incident to the loan for swimming pool construction [*Bus. & Prof. Code § 7165(g)*].

[2] FORM

Notice and Request for Immediate Commencement of Construction Under Third Party Financed Swimming Pool Construction Contract [Bus. & Prof. Code § 7165]

NOTICE

Under the law, this contract is not enforceable until:

1. A third party agrees to make a loan to finance the construction cost of the swimming pool;

2. You agree to accept the loan; and

3. You do not cancel the loan within the period prescribed for cancellation under the federal Truth in Lending Act or Regulation Z (usually three business days after the loan is consummated).

Until the cancellation period is over, the contractor cannot deliver any materials or perform any services except preliminary services for which no mechanics' lien can be claimed.

However, as an alternative to the above, you can ask the contractor to start work and deliver materials before the cancellation period on the loan is over if all of the following have occurred:

1. The lender has agreed, in writing, to provide you with financing for up to the maximum estimated construction cost of the swimming pool.

2. The lender has provided you with a written copy of the terms and conditions of a loan for the maximum estimated cost, including the annual percentage rate, the finance charge, the amount financed, the total of payments, the payment schedule, and a description of the security interest to be taken by the lender.

3. The lender has agreed in writing to offer these terms and conditions for a period of not less than 15 days following completion of the excavation of the swimming pool.

4. Three business days have passed since you received the writing mentioned in paragraphs 1., 2., and 3., and you then sign a copy of this form to request that the contractor begin construction of the swimming pool before the cancellation period on your loan is over.

The first day you can sign the request for the contractor to begin construction of the swimming pool is [*insert third business day after buyer receives writings described in Bus. & Prof. Code § 165(a)-(c)*].

If you sign this request, the contractor will be permitted to immediately begin performance of the contract, and if the contractor is not paid in accordance with the terms of the contract, he or she may file a lien against your property for the value of the labor and materials provided.

REQUEST

I/we request that the contractor immediately start construction of the swimming pool.

§ 89.203 Notice of Cancellation of Home or Seminar Sales Solicitation Contract [Civ. Code § 1689.7]

[1] Comment

[a] Use of Form

This form sets forth the statement referring to, depending on the circumstances, the buyer's three- or seven-day right to cancel that must be placed in proximity to the space for the buyer's signature on a home solicitation contract or offer that is not a home improvement contract written pursuant to *Bus. & Prof. Code § 7151.2* or a service and repair contract written pursuant to *Bus. & Prof. Code § 7159.10* [*see Civ. Code § 1689.7(a)(1)-(3)*]. The statement is followed by the notice of the buyer's right to cancel, which must be filled in by the seller and attached to the contract or offer to be signed and returned by the buyer if he or she exercises that right [*see Civ. Code § 1689.7(c)*].

A "home solicitation contract or offer" is broadly defined as any contract or offer, which is subject to approval, for the sale, lease, or rental of goods or services or both, made at a place other than the seller's trade premises for $25 or more [*Civ. Code § 1689.5(a)*]. Although this definition includes home improvement and service and repair contracts [*compare Bus. & Prof. Code §§ 7151, 7151.2, 7159.10*], the buyer's right to cancel a home solicitation contract is governed by other statutes [*see Bus. & Prof. Code §§ 7159(e)(6), (7), 7159.10(e)(12)*; *Civ. Code §§ 1689.7(a)(4), (e), 1689.15*]. However, the notice requirements for all of these contracts are virtually the same. The sole difference is that the three- or seven-day right to cancel a home improvement or service and repair contract does not begin to run until the buyer has received a signed and dated copy of the contract [*see, e.g., Bus. & Prof. Code § 7159(c)(3)*; *see also §§ 89.200[2], 89.201[2]*].

This form may also be modified and used to cancel "seminar sales solicitation contracts and offers" [*Civ. Code § 1689.24(a)* (definition)]. Generally, these contracts are identical to home solicitation contracts except that they are made using selling techniques in a seminar setting [*see Civ. Code § 1689.24(a), (b)*]. For further discussion, see *§ 89.203[1][g]*.

[b] Right to Cancel

[i] Conditions

In addition to any other legal right to revoke an offer, a buyer has the right to cancel a home solicitation contract or offer, other than a contract written pursuant to *Bus. & Prof. Code § 7151.2* or *7159.10*, until midnight of the third "business day" [*see Civ. Code § 1689.5(e)*] after the day on which he or she signs it [*Civ. Code § 1689.6(a)*]. Cancellation occurs when the buyer gives written notice of cancellation to the seller at the address specified in the agreement or offer [*Civ. Code § 1689.6(d)*]. If the seller fails to comply with the notice and other requirements of *Civ. Code § 1689.7*, the buyer may cancel the contract or offer at any time before the seller complies [*Civ. Code § 1689.7(g)*]. For discussion of these requirements, see *§ 89.203[1][c]*.

If the goods sold under a home solicitation contract are so affixed to real property as to become a part of it, whether or not severable from it, the buyer does not have an unrestricted right to cancel (either within three days or indefinitely). There is no right to cancel if, subsequent to signing the contract, the buyer has sold or encumbered the real property involved to a bona fide purchaser or encumbrancer who was not a party to the sale of goods or to any loan agreement in connection with the sale [*Civ. Code § 1689.9*].

[ii] Contracts to Repair or Restore Residential Premises Damaged by Disaster

In addition to any other legal right to revoke an offer, a buyer has the right to cancel a home solicitation contract or offer, which was not otherwise void, for the repair or restoration of residential premises damaged by a disaster until midnight of the seventh business day after the buyer signs and dates the contract, unless (1) the contract meets the requirements for a service and repair contract pursuant to *Bus. & Prof. Code § 7159.10* [*see § 89.201*], (2) the buyer has received a signed and dated copy of the contract, and (3) the contractor has commenced work, in which case any cancellation rights are extinguished by operation of law [*Civ. Code § 1689.6(c)*; *see Civ. Code § 1689.15*].

Any home solicitation contract or offer to repair or restore residential premises signed by the buyer on or after the date on which a disaster causes damages to the residential premises, but not later than midnight of the seventh business day after that date, is void, unless the buyer or his or her agent or insurance representative solicited the contract or offer at the seller's appropriate trade premises. Any contract or offer to repair or restore residential premises after a disaster is not void if it is solicited by the buyer or his or her agent or insurance representative regardless of where the contract is made. Buyer solicitation includes a telephone call from the buyer to the seller's appropriate trade premises whether or not the call is in response to a prior home solicitation [*Civ. Code § 1689.14*].

[iii] Contracts for Personal Emergency Response Units

If purchasing a personal emergency response unit alone [*see Civ. Code § 1689.6(g)* (definition)], the buyer may cancel the home solicitation contract or offer until midnight of the seventh business day after the day on which he or she signs it. However, the cancellation period is three business days for contracts or offers for personal emergency response units that (1) are installed by licensed alarm company operators as part of a home security alarm system subject to the Alarm Company Act [*Bus. & Prof. Code § 7590 et seq.*], and (2) have two or more stationary protective devices used to enunciate an intrusion or fire [*Civ. Code § 1689.6(b)*]. This form includes optional text to provide for both three-day and seven-day cancellation periods [*see Civ. Code § 1689.7(a)(2), (d)*]. In all other respects, contracts and offers for personal emergency response units are subject to the same cancellation provisions as other home solicitation contracts and offers.

[iv] Exercise of Right to Cancel

A notice from the buyer of his or her exercise of the right to cancel, if given by mail, is effective when deposited in the mail properly addressed and with postage prepaid [*Civ. Code § 1689.6(d), (e)*]. This notice need not follow the particular statutory language included in this form [*see* [c][iii], *below*]. No matter how the buyer expresses his or her

notice of cancellation, it is effective if it indicates the intention of the buyer not to be bound [*Civ. Code § 1689.6(f)*].

[v] Waiver of Right Not Enforceable

Any confession of judgment or waiver of the right to cancel a home solicitation contract is deemed contrary to public policy. Any waiver or confession of judgment is void and unenforceable [*Civ. Code § 1689.12*].

[vi] Contracts Initiated by Buyer

Neither the right to cancel [*Civ. Code § 1689.6*], the statutory notice requirements [*Civ. Code § 1689.7*], nor any of the other safeguards available to a buyer under a home solicitation contract or offer [*see Civ. Code §§ 1689.6-1689.12, 1689.14*] apply to a contract that is initiated by the buyer or his or her agent or insurance representative and that is executed in connection with the making of emergency or immediate necessity repairs or services that are necessary for the immediate protection of persons or real or personal property; provided that the buyer furnishes the seller with a separate dated and signed personal statement describing the situation requiring immediate remedy and expressly acknowledging and waiving the right to cancel the sale within three or seven business days, whichever applies [*Civ. Code § 1689.13*].

[c] Home Solicitation Contracts

[i] Formal Requirements

The first page of any agreement or offer that meets the definition of a home solicitation contract or offer must set forth the name and address of the seller to which the notice of cancellation is to be mailed and the date the buyer signed the agreement. These must be in a type no smaller than that generally used in the body of the document [*Civ. Code § 1689.7(b)*]. Home solicitation contracts or offers must be written in the same language (for example, Spanish) that is used in the oral sales presentation. They must also be dated and signed by the buyer [*Civ. Code § 1689.7(a)(1)*].

The seller must give the buyer a copy of the contract or offer and the attached notice of cancellation. The seller must also inform the buyer orally of his or her right to cancel at the time it is executed [*Civ. Code § 1689.7(f)*].

[ii] Notice Advising of Right to Cancel

Every home solicitation contract or offer must include, in immediate proximity to the space reserved for the buyer's signature, a conspicuous statement in a size equal to at least 10-point bold type advising the buyer of his or her right to cancel and referring the buyer to an attached notice and explanation of that right [*Civ. Code § 1689.7(a)(1)*]. The form in [2], *below*, sets forth that notice.

[iii] Notice of Cancellation and Cancellation Form

Every home solicitation contract or offer must be accompanied by a completed form in duplicate. The form must be captioned "Notice of Cancellation," must be attached to the agreement or offer, and must be easily detachable. The notice must be printed in at least 10-point type and in the same language (for example, Spanish) that is used in the contract [*Civ. Code § 1689.7(c), (d)*].

[d] Definitions

[i] "Home Solicitation Contract or Offer"

A "home solicitation contract or offer" is any contract, or any offer that is subject to approval, for the sale, lease, or rental of goods or services, or both, made at other than appropriate trade premises in an amount of $25 or more.

Contracts that the buyer has the right to rescind under the federal Truth in Lending Act are excluded from coverage by this term [*Civ. Code § 1689.5(a)*; *see 15 U.S.C. § 1635*; *see also Ch. 25, Real Estate Loans, § 25.230*].

[ii] "Appropriate Trade Premises"

"Appropriate trade premises" means those where either the owner or seller normally carries on a business, or where goods are normally offered or exposed for sale in the course of a business carried on there [*Civ. Code § 1689.5(b)*].

[iii] "Goods" and "Services"

"Goods," for the purposes of home solicitation contracts, are tangible chattels bought for use primarily for personal, family, or household purposes, including certificates or coupons exchangeable for such goods, and including goods that, at the time of the sale or subsequently, are to be so affixed to real property as to become a part of it, whether or not severable. The term does not include vehicles required to be registered, nor any goods sold with such a vehicle if under a contract governed by *Civ. Code § 2982* [*Civ. Code § 1689.5(c)*]. Mobilehomes and goods sold with mobilehomes are also excepted from the definition of "goods" if either are sold under a contract subject to *Health & Safety Code § 18036.5* [*Civ. Code § 1689.5(c)*; *see Health & Safety Code § 18008*].

"Services" means work, labor, and services furnished in connection with the repair, restoration, alteration, or improvement of residential premises, including services furnished in connection with the sale or repair of goods as defined in *Civ. Code § 1802.1* and courses of instruction [*Civ. Code § 1689.5(d)*]. The term also includes the services of a public insurance adjusting firm that appears at a buyer's demolished home and contracts with the buyer to negotiate his or her claims against a fire insurance carrier [*Williams v. Kapilow & Son, Inc. (1980) 105 Cal. App. 3d 156, 161, 164 Cal. Rptr. 176]* .

"Services" does not include the services of attorneys, real estate brokers and salesmen, securities dealers or investment advisers, physicians, optometrists, or dentists, or the sale of insurance that is not connected with the sale of goods or services in this context, or services for which the tariffs, rates, charges, costs, or expenses, including in each instance the deferred payment price, are required by law to be filed with and approved by an agency of the federal or state government [*Civ. Code § 1689.5(d)*].

The financial services of banks, savings institutions, credit unions, industrial loan companies, personal property brokers, consumer finance lenders, or commercial finance lenders that are not connected with the sale involved are not services for these purposes [*Civ. Code § 1689.5(d)*].

[e] Seller's Rights and Obligations on Cancellation

Within 10 days after a home solicitation contract or offer has been cancelled, the seller must tender to the buyer any payments made and any note or other evidence of indebtedness given [*Civ. Code § 1689.10(a)*]. If the downpayment includes goods traded in, the goods must be tendered in substantially as good condition as when received [*Civ. Code § 1689.10(b)*]. The seller may reacquire any delivered goods from the buyer at the latter's address within 20 days after cancellation [*Civ. Code § 1689.11(a)*].

[f] Buyer's Rights and Obligations on Cancellation

Until the seller has complied with its obligations [*see* [e], *above*], the buyer may retain possession of any goods delivered by the seller and has a lien on them for any recovery to which he or she is entitled [*Civ. Code § 1689.10(c)*]. Otherwise, within 20 days after a home solicitation contract or offer has been cancelled, the buyer, on demand, must tender to the seller any goods delivered by the seller pursuant to the sale or offer. The buyer is not obligated to tender at any place other than his or her own address. If the seller fails to take possession within that time, the goods become the property of the buyer without obligation to pay for them. The buyer meanwhile has a duty to take reasonable care of the

goods in his or her possession, both before cancellation and during the 20 days following. However, the goods are at the seller's risk during the 20-day period after cancellation [*Civ. Code § 1689.11(a), (b)*].

The seller is entitled to no compensation for any services it may have performed before cancellation. If the seller's services result in the alteration of property of the buyer, the seller must restore it to substantially as good condition as it was at the time the services were rendered [*Civ. Code § 1689.11(c)*].

[g] Seminar Sales Solicitation Contracts

This form may be adapted for use with "seminar sales solicitation contracts or offers" by substituting that term for "home solicitation contract" in the heading of the form [*see Civ. Code § 1689.21(c)* (form)]. A seminar sales solicitation contract is identical to a home solicitation contract except that the former is made using selling techniques in a seminar setting [*see Civ. Code § 1689.24(a), (b)*]. The following requirements regarding home solicitation contracts apply to seminar sales solicitation contracts [*see Civ. Code §§ 1689.20-1689.23*]:

- Cancellation rights [*see Civ. Code § 1689.20*; *see also § 89.203[1][b]*];
- Specific format and clause requirements for contracts, including the statutory notice of cancellation [*see Civ. Code § 1689.21*; *see also* [c], *above*]; and
- Buyers' and sellers' rights and obligations on cancellation [*see Civ. Code §§ 1689.22, 1689.23*; *see also* [e], [f], *above*].

For a discussion of the definition of "goods" and "services," see [d][iii], *above*.

[1] Comment--Use of Form

This form is a customer's representation of authority to enter into a home improvement contract. It may be used as a separate document to be attached to the home improvement contract, or the language may be incorporated into the body of the home improvement contract itself.

Tenants may order works of improvement to dwellings that they reside in but do not own [*see Bus. & Prof. Code § 7151.2*]. If the contemplated home improvement is relatively minor (e.g., painting or wallpapering a room), the contractor may not be concerned about the tenant's authority to act. However, if the project will involve substantial alterations to the property, the contractor should be certain that the tenant or, in appropriate cases, the manager or other representative of the property owner, has authority to act. If possible, the contractor should examine any rental agreement or lease to determine whether the tenant's authority to alter the property is specifically restricted.

For a discussion of the laws regulating a property owner's notice of nonresponsibility for construction work on the property in which he or she has an interest, see *Ch. 31, Mechanics' Liens, § 31.201[1]*.

CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART IV. FORMS
A. Home Improvement and Service and Repair Contracts

29-89 California Legal Forms--Transaction Guide § 89.205

§ 89.205 Warranty of Home Improvement Goods

[1] Comment

[a] Use of Form

This form is a warranty for home improvement goods. It should be included in a home improvement contract if the contractor intends to warrant the quality of materials used or goods installed in completing the home improvement project. If desired, the warranty in this form can be inserted as an additional paragraph in the *form in § 89.200[2]*. This form complies with the federal requirements for warranties of consumer goods. For a detailed discussion of sales of consumer goods, see Ch. 52, *Sales of Goods Under the Uniform Commercial Code* .

This form complies with the requirements of the Magnuson-Moss Warranty--Federal Trade Commission Improvement Act [*15 U.S.C. § 2301 et seq.*] and the Song-Beverly Consumer Warranty Act [*Civ. Code § 1790 et seq.*]. However, it is not designed for use by contractors or salespersons who provide repair facilities within California. For appropriate warranties to be used by persons who provide in-state repair facilities, see *Ch. 92, Service Contracts, §§ 92.220-92.222*.

[b] Magnuson-Moss Act and Song-Beverly Consumer Warranty Act

[i] Requirements

A home improvement contractor or salesperson who offers a written warranty covering home improvement goods is a warrantor who must comply with the Magnuson-Moss Warranty--Federal Trade Commission Improvement Act [*15 U.S.C. § 2301 et seq.*]. If the contractor or salesperson engages in the business of selling consumer goods to retail buyers, he or she is a "retail seller" who must comply with the provisions of the Song-Beverly Consumer Warranty Act [*Civ. Code § 1790 et seq.*]. The Magnuson-Moss Act requires that written warranties of consumer goods contain specific provisions [*see § 89.205[1][b][iii]*]. The Song-Beverly Act requires that written warranties for consumer goods conform to the standards set forth in the Magnuson-Moss Act [*see Civ. Code § 1793.1*]. However, if the warrantor or seller provides repair facilities within the State of California, the Song-Beverly Act requires that additional provisions be included in the warranty [*see Civ. Code § 1793.1(b)*]. For express warranties to be used by sellers or warrantors who

provide repair facilities within this state, see *Ch. 92, Service Contracts, §§ 92.220-92.221*.

[ii] Home Improvement Goods as Consumer Products

For purposes of the Magnuson-Moss Warranty--Federal Trade Commission Improvement Act, a "consumer product" is any tangible property distributed in commerce and normally used for personal, family, or household purposes, including property goods intended to be installed in real property [*see 15 U.S.C. § 2301(1)*]. For purposes of the Song-Beverly Consumer Warranty Act [*Civ. Code § 1790 et seq.*], "consumer goods" includes new and certain used goods either bought or leased primarily for personal, family, or household purposes, other than clothing and consumables [*Civ. Code § 1791(a)*]. A lease for these purposes is any contract for the lease or bailment for the use of consumer goods by an individual for a term exceeding four months [*Civ. Code § 1791(g)*].

[iii] Terms of Written Warranty

The terms of a written warranty must be understandable and conspicuous. The warranty must include certain detailed statements [*see 15 U.S.C. § 2302(a)*; *see also § 89.130*, P 4]. The required statements are intended to let the consumer know the warranty's limits and to provide him or her with all information necessary to obtain the warrantor's performance under its terms.

The warrantor must agree to perform in a specied manner in order to meet federal minimum standards for warranties. If the goods malfunction, are defective, or fail to conform with the written warranty, the warrantor must remedy the problem within a reasonable time and without charge. There can be no limitation on the duration of an implied warranty [for an analysis of implied warranties, see pt. III(J) of the Transaction Guide in Ch. 52, *Sales of Goods Under the Uniform Commercial Code*]. The warrantor may not exclude or limit consequential damages for breach of the warranty unless the exclusion or limitation appears conspicuously on the face of the warranty. If, after a reasonable number of attempts, the warrantor is unable to repair a defective product, he or she must permit the consumer to elect either a replacement of the product without charge or a refund [*see 15 U.S.C. § 2304(a)(1)-(4)*].

[iv] Disclaimer of Warranty

The Magnuson-Moss Warranty--Federal Trade Commission Improvement Act restricts the ability of suppliers [*see 15 U.S.C. § 2301(4)*] to disclaim or modify implied warranties if they make written warranties of consumer products or if, no later than 90 days after sale, those suppliers enter into service contracts with consumers [*see 15 U.S.C. § 2308*]. Warrantors are encouraged to establish informal dispute resolution procedures [*15 U.S.C. § 2310(a)(1)*] and, if they do so, must explain those procedures in the warranties [*see 15 U.S.C. § 2302(a)(7)*].

Any violation of the Act constitutes a method of unfair competition and subjects the violating party to federal criminal penalties [*15 U.S.C. § 2310(b)*; *see 15 U.S.C. § 45(a)(1)*].

For additional analysis of the Magnuson-Moss Warranty--Federal Trade Commission Improvement Act, see the Transaction Guide in Ch. 52, *Sales of Goods Under the Uniform Commercial Code*.

[c] Contractor's Potential Liability Under Implied Warranty

When the contractor or subcontractor who performs the home improvement furnishes the materials with which the work is performed, he or she may be liable for any defect in those materials under a theory similar to the implied warranty of merchantability established by the Uniform Commercial Code [*see* Aced v. Hobbs-Sesack Plumbing Co. (1961) 55 Cal. 2d 573, 582, 583, 12 Cal. Rptr. 257, 360 P.2d 897 ; *see also Com. Code § 2314*].

[d] Representations Regarding Brand Name or Trademark

Any representation that a contractor makes regarding the brand name, trademark, quality, or size of goods or materials that he or she will provide pursuant to a home improvement contract must be set out in writing in the contract. Written confirmation of the representation must appear in the contract specifications and must include a description of the goods or materials as well as any brand name, model number, or similar designation [*Bus. & Prof. Code § 7162(a)*]. A contractor who fails to provide goods or materials conforming to these representations is subject to disciplinary action [*Bus. & Prof. Code § 7162(b)*].

[2] FORM

Warranty of Home Improvement Goods

Warranty of Home Improvement Goods

By Contractor

_____[*contractor's name*], "Contractor," State Contractor's License No. _____, whose business address is located at _____, extends this warranty to Customer [*or* Owner] and to Customer's successors in interest in the property on which work covered by this Agreement will be performed.

Contractor warrants the following goods: [*describe particular items, or refer to items in plans or specifications*], against original defects in material or workmanship for a period of [*specify time period, e.g.*, one year] from the date of completion of the work covered by this Agreement [*or other time, e.g.*, completion of entire construction project or the time Contractor's unit of work becomes functional].

During this period Contractor will repair or replace any defective component of the warranted goods at Contractor's own expense and at no cost to Customer except for [*specify costs that owner or tenant must assume, e.g.*, conveyance or lodging of workers]. However, Contractor will not remedy, replace, or pay for any work done on warranted goods by any parties other than Contractor and/or Contractor's authorized agents.

This warranty applies only to services and goods supplied by Contractor and not to effects on, or from, any other person or thing. The guarantee does not apply in any way to work performed by Contractor on materials, or according to plans or specifications provided by other sources.

To obtain Contractor's performance under this warranty, Customer must notify Contractor of any defect, malfunction, or nonconformity of the warranted goods or services in a writing addressed to Contractor's place of business. Within [*specify number*] business days after receipt of Customer's notice, Contractor shall begin to repair or replace the nonconforming, defective, or malfunctioning goods. Contractor shall perform repair or replacement work during the hours of _____ to _____, Monday through Friday.

Customer has the right to bring any action at law or equity to resolve disputes concerning, or to enforce the provisions of, this warranty.

[*Add if contractor provides informal dispute resolution procedure:*]

If Customer and Contractor disagree over either's performance under the terms of this warranty, Customer may submit the matter for resolution to [*identify panel or other body that will arbitrate dispute*]. Customer shall not be responsible for expenses incurred in submitting a dispute for resolution under the terms of this paragraph. Customer is [*or* is not] required to submit any dispute for resolution under this paragraph before pursuing any legal or equitable remedies to which _____[he *or* she] may be entitled.

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART IV. FORMS
A. Home Improvement and Service and Repair Contracts

29-89 California Legal Forms--Transaction Guide § 89.206

§ 89.206 Waiver of Buyer's Rights in Connection With Home Improvement Contract for Emergency Repairs or Services [Bus. & Prof. Code § 7163(a), (b), (g)]

[1] Comment

[a] Use of Form

This form is a buyer's waiver of rights under *Bus. & Prof. Code § 7163(a)* and *(b)* in connection with a home improvement contract for emergency repairs or protective services. Among other things, it permits the contractor to commence the repairs or services immediately, without waiting for financing arrangements to be finalized [*see § 89.206[1][c]*].

This type of waiver is subject to important statutory requirements that must be strictly followed or the waiver (and the contract itself) will be void and unenforceable [*Bus. & Prof. Code § 7163(b), (g)*]. For discussion of these requirements, see *§ 89.206[1][d]*.

[b] Buyer's Rights Relating to Contract Financing

Bus. & Prof. Code § 7163 protects buyers under home improvement contracts when obtaining a loan for all of the contract price as a condition precedent to the contract, or when the contractor provides financing, or in any manner assists the buyer to obtain a loan, or refers the buyer to any person who may make or arrange a loan for all or part of the contract price [*see Bus. & Prof. Code § 7163(a)*]. In these situations, a home improvement contract ordinarily is unenforceable unless (1) the third party, if any, agrees to make the loan; (2) the buyer agrees to accept the loan or financing; and (3) the buyer does not rescind the loan or financing within the period specified in the Federal Truth in Lending Act or Regulation Z, if applicable [*Bus. & Prof. Code § 7163(a)*; *see 15 U.S.C. § 1635*; *12 C.F.R. § 226.23*]. Further, until the three requirements listed above are satisfied, it is unlawful for the contractor to perform any services or deliver any property, or to represent that the contract is enforceable or that the buyer has any obligation under the contract [*Bus. & Prof. Code § 7163(b)*]. *Bus. & Prof. Code § 7163* also grants the buyer other rights and remedies that are not relevant to this form because they cannot be waived. For discussion of these rights and remedies, see *§ 89.11[6]*.

[c] Waiver of Statutory Rights

Ordinarily, any waiver by the buyer of any rights under *Bus. & Prof. Code § 7163* is to be deemed contrary to public policy, void, and unenforceable [*Bus. & Prof. Code § 7163(g)*]. However, a limited exception permits the buyer to waive the provisions of *Bus. & Prof. Code § 7163(a)* and *(b)* (discussed in *§ 89.206[1][b]*) to the extent that the contract is executed in connection with emergency repairs or services necessary for the immediate protection of people or property [*Bus. & Prof. Code § 7163(g)*].

A buyer's waiver for emergency repairs or services must be made in a dated written statement. The statement must (1) describe the emergency, (2) state that the contractor has informed the buyer of *Bus. & Prof. Code § 7163(a)* and *(b)* and that the buyer waives those provisions, and (3) be signed by each owner of the property [*Bus. & Prof. Code § 7163(g)*].

Waivers on printed forms are void and unenforceable [*Bus. & Prof. Code § 7163(g)*]. Thus, such a waiver may not be incorporated into the contract or prepared as a preprinted standard form, but rather must be individually prepared for each contract.

[2] FORM

Waiver of Buyer's Rights in Connection With Home Improvement Contract for Emergency Repairs or Services [Bus. & Prof. Code § 7163(a), (b), (g)]

WAIVER OF BUYER'S RIGHTS

_____[*name of buyer*] ("Buyer") acknowledges that [*name of contractor*] ("Contractor") has informed Buyer of the provisions of *California Business and Professions Code Section 7163(a)* and *(b)*, which provide as follows:

(a) No contract for home improvement shall be enforceable against the buyer if the obtaining of a loan for all or a portion of the contract price is a condition precedent to the contract or if the contractor provides financing, or in any manner assists the buyer to obtain a loan or refers the buyer to any person who may loan or arrange a loan for all or a portion of the contract price unless all of the following requirements are satisfied:

(1) The third party, if any, agrees to make the loan.

(2) The buyer agrees to accept the loan or financing.

(3) The buyer does not rescind the loan or financing transaction, within the period prescribed for rescission, pursuant to the federal Truth in Lending Act (*15 U.S.C. § 1601 et seq.*) or Regulation Z, if applicable.

(b) Until the requirements of paragraphs (1), (2), and (3) of subdivision (a) are satisfied, it shall be unlawful for the contractor to do any of the following:

(1) Deliver any property or perform any services other than obtaining building permits or other similar services preliminary to the commencement of the home improvement for which no mechanics' lien can be claimed.

(2) Represent in any manner that the contract is enforceable or that the buyer has any obligation thereunder.

Buyer acknowledges that _____[he *or* she] has read and understands the provisions set forth above.

Buyer hereby waives _____[his *or* her] rights under the foregoing provisions in connection with the

[repairs to be made *or* services to be provided] under that Contract between Buyer and Contractor dated _____[*date*]. Buyer understands that the effects of this waiver are that (1) Contractor may provide services or deliver property under that Contract before financing has been obtained and (2) the Contract will be enforceable against Buyer, and Buyer will be required to pay for all [repairs *or* services] (including materials) provided in accordance with the Contract, even if Buyer is unable to obtain financing, does not agree to accept financing on the available terms, or subsequently rescinds the loan or financing transaction.

This waiver is executed pursuant to *California Business and Professions Code Section 7163(g)*, which permits a buyer to waive his or her rights under *California Business and Professions Code Section 7163(a)* and *(b)* to the extent that a contract is executed in connection with emergency repairs or services necessary for the immediate protection of people or property. The [repairs *or* services] provided under this Contract are necessary because [*describe emergency, including immediate need and persons or property to be protected, e.g.*, a tree fell on the roof of Buyer's residence and caused damage that must be repaired before the next rain in order to protect the interior of Buyer's residence from potentially severe water damage].

This form is a disclosure that, under appropriate circumstances, must be provided in a bid, estimate, or other document before entering into a contract to perform work on residential property with four or fewer units. The disclosure must be given by any contractor who has had his or her license suspended or revoked two or more times within an eight-year period. The contractor must disclose any disciplinary license suspension or revocation during the last eight years resulting from any violation of the Contractors' License Law, whether or not the suspension or revocation was stayed. Like the first part of this form, this disclosure must appear in capital 10-point roman boldface type or in contrasting red 8-point roman boldface type [*Bus. & Prof. Code § 7030.1(a), (b)*]. Failure to make this disclosure when required will subject the contractor to the following penalties [*Bus. & Prof. Code § 7030.1(c)*]:

- First violation: $1,000.
- Second violation: $2,500.
- Third violation: $5,000 and a one-year license suspension by operation of law.
- Fourth violation: License revocation.

[1] Comment--Use of Form

This form is the statutory warning that must accompany a contract for the sale of home improvement goods or services offered by door-to-door sale if the contract contains or is secured by a lien on real property [*Bus. & Prof. Code § 7159.1*]. A security interest created in any door-to-door sale contract that does not provide the notice is void and unenforceable [*Bus. & Prof. Code § 7159.1*].

The notice must be in 18-point boldface type and in the same language as the rest of the contract. It must be on a separate piece of paper from the rest of the contract and must be signed and dated by the buyer. The home improvement contractor or salesperson must deliver to the buyer a legible copy of the signed and dated notice at the time it is signed [*Bus. & Prof. Code § 7159.1*].

The notice requirement does not apply to any of the following [*Bus. & Prof. Code § 7159.1(a)-(c)*]:

CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART IV. FORMS
B. General Specialty Construction Contracts

29-89 California Legal Forms--Transaction Guide § 89.220

§ 89.220 Specialty Contract--General Long Form

[1] Comment

[a] Use of Form

This form is a general long-form specialty construction contract that can be used if the specialty contractor is either acting as a subcontractor or contracting directly with the property owner. Occasionally, specialty contractors will be hired by the owner or manager of property to perform work under a direct contract during the course of a larger construction project. Contractors in most of the specialty classifications [*see* Ch. 88, *Licensing of Contractors*] can use this form to document direct contract agreements with property owners or managers. For a less detailed general specialty contract that would be appropriate for simpler projects, see *§ 89.221*. For a detailed subcontract, see Ch. 30D, *Construction Contracts and Subcontracts* . For a short-form subcontract, see *§ 89.223*.

If this form is used as an agreement between an owner or tenant and a contractor for work on residential property, it should be combined with the form in *§ 89.200[2]* to assure compliance with the statutory requirements for the contents of home improvement contracts [*see Bus. & Prof. Code § 7159*]. For a discussion of the law regulating home improvement contracts, see *§ 89.200[1]*.

Because this form includes an arbitration provision, it also includes the disclosure provision that is required for all contracts for work on residential property with four or fewer units that include an arbitration provision. In such contracts, both the arbitration provision itself and the disclosure must be set out either in at least 10-point roman boldface type or in contrasting red print in at least 8-point roman boldface type. If the contract is typed, the provision and disclosure must be set out in capital letters. Failure to comply with these requirements will preclude the contractor from enforcing the contract [*Bus. & Prof. Code § 7191*].

This form is not designed for use in financed home improvement projects. If the project will be financed by the contractor, follow the guidelines in Ch. 45, *Consumer Installment Loans and Credit Sales*, to ensure compliance with the applicable provisions of the federal Truth in Lending Act [*15 U.S.C. § 1601 et seq.*] and the Unruh Act [*Civ. Code § 1801 et seq.*].

[b] Format of Specialty Contracts

Specialty contractors usually present proposed contracts to property owners or managers in the form of proposals or bids which become binding when signed by both parties. Proposal contracts were originally developed for subcontract purposes since the solicited proposals allowed the general contractor to document his or her estimated costs for the developer or owner.

Every written contract entered into between a property owner and an original contractor must provide space for the owner to enter his or her name, residence, and place of business, if any. In addition, if this form is used for any contract between a property owner and an original contractor other than a home improvement contract or swimming pool contract [*see Bus. & Prof. Code §§ 7151, 7152*; *see also §§ 89.11[2], 89.13*], it must provide space for the owner to enter the name and address of the construction lender or lenders. If it is adapted for use as a contract between an original contractor and subcontractor, or between subcontractors, it must also provide a space for the name and address of the owner, original contractor, and any construction lender [*Civ. Code § 3097(m)*]. The original contractor must make available the owner's name and residence address, and the name and address of any construction lender, to any person seeking to serve a preliminary 20-day notice in connection with a mechanic's lien or stop notice [*Civ. Code § 3097(l), (m)*]. For discussion of the 20-day notice requirement, see *§ 31.202[1]*.

[c] Specialty Contractors

In most construction projects, the property owner or manager enters into an agreement with a general building contractor for the performance of the desired construction work. The general building contractor then enters into subcontracts with specialty contractors for the performance of skilled work necessary to the project. A contractor who works on structures for support or shelter of persons, animals, or chattels and who, in doing so, uses at least two unrelated building trades or crafts is a "general building contractor" [*see Bus. & Prof. Code § 7057(a)*]. A "specialty contractor" is one whose work requires a particular skill and who uses specialized building trades or crafts in his or her principal contracting business. Specialty contractors include contractors who service or test fire extinguishing systems, contractors who install carpet, linoleum, and resilient floor coverings, and contractors whose operations are concerned with preparing or removing roadway construction zones, lane closures, flagging, or traffic diversions on roadways [*Bus. & Prof. Code § 7058*].

For a list of the classes of specialty contractors and a discussion of contractor classifications, see Ch. 88, *Licensing of Contractors* .

[d] Incidental and Supplemental Work

A specialty contractor may perform work in multiple crafts or trades in which he or she is not licensed provided that the work is incidental and supplemental to work in the craft for which the specialty contractor is licensed [*Bus. & Prof. Code § 7059(a)*]. For example, a specialty contractor who is licensed to work on sewage disposal may install drains even though a general engineering contractor is also authorized to do so [*see 40 Ops. Cal. Atty. Gen. 112 (1962)]* .

[e] Warranties

Specialty contractors often install goods and/or equipment as part of their performance under a construction contract. These contractors sometimes offer warranties for the products they install. If the particular transaction constitutes the sale of consumer goods, any warranty given by the specialty subcontractor must comply with the requirements of the Magnuson-Moss Warranty--Federal Trade Commission Improvement Act [*15 U.S.C. § 2301 et seq.*]. This form does not contain a warranty provision. For a discussion of the Magnuson-Moss requirements and a representative warranty that can be included as an additional provision in a specialty contract, see *§ 89.205*.

Specialty Contract--General Long Form

ARTICLE 1. BASIC AGREEMENT

Section 1.01. _____[*contractor's name*], _____ State Contractor's License No. _____, whose business address is located at _____[*business address*], and who is referred to as "Contractor" in this Agreement, proposes to furnish all services, including labor, equipment, and materials to perform the work of [*contracting specialty, e.g.*, painting and decorating] on the [*structure or site, e.g.*, office building] at [*describe building or grounds*] for the price stated and according to the plans and specifications listed below [*or describe document containing plans and specifications*] for _____[*name of property owner or manager*] who resides at _____[*address of residence*] and whose business is located at _____[*business address*] and who is referred to in this Agreement as "Customer," who, on properly executed acceptance of this proposal [*or* contract], referred to as "Agreement," promises to purchase those services and goods, subject to all other terms and conditions of this Agreement. This proposal, unless accepted sooner, automatically expires at [*time, e.g.*, midnight] on _____[*date*].

ARTICLE 2. PRICE

Agreed Payment

Section 2.01. The price for the supply of services and goods will be $[*or* will be the actual cost to Contractor for all labor and materials plus _____ percent of that cost] including all applicable taxes. Customer will pay Contractor [*periodic interval, e.g.*, weekly for work done to date as indicated by invoices submitted to Customer or $_____ (*or* _____ percent) after completion of _____ (*particular stage of job, or after described inspection*)], holding _____ percent in reserve toward completion, and $[*or* _____ percent] on completion of job and after final inspection, including any amounts previously held in reserve.

Adjustment of Compensation

Section 2.02. If, according to [*specify indicator*] there is a rise or fall in the price of labor in Contractor's market in the area in which the work is to be performed, then the price stated in Section 2.01 of this Agreement, which is based on currently prevailing wages in the area, will be increased or decreased to reflect the portion represented by the change in the labor rate for the time period affected.

ARTICLE 3. WORK DESCRIPTION

General Job Description

Section 3.01. The work to be performed under this Agreement is generally as follows: [*describe work, e.g.*, Painting all surfaces exposed to normal or likely public sight of the building constructed on the premises described in Section 1.01 of this Agreement, according to plans and specifications listed below, with Contractor providing all labor and materials].

Plans

Section 3.02. The portions of the structure on which work is to be performed, the correct indications of what type of work is to be performed, and the appropriate use or placement of particular equipment or materials, are set out in Schedule A, which is attached to this Agreement and incorporated herein by reference.

Specifications

Section 3.03. In performing this Agreement, Contractor will generally provide the types of workmanship, equipment, or materials that are listed in Schedule B, attached to this Agreement and incorporated herein by reference. All surfaces will be properly prepared and treated to receive the first coat before original application. All surfaces will receive two coats with a minimum 12 hours drying period in between, during which the painted surfaces will be reexamined and brought to appropriate condition to receive subsequent coats.

ARTICLE 4. TIME FOR PERFORMANCE

Section 4.01. The work under this Agreement will commence [*on/about/not later than*] _____[*date*], and must be completed by _____[*date*]. If the work is not properly completed by that date because of circumstances beyond Contractor's control rendering completion objectively impossible, the work will be completed as soon thereafter as is reasonably possible. Obstructive circumstances include, but are not limited to, natural elements (including inclement weather), strikes, fire, and acts or omissions of other persons (including other contractors or customers). Customer shall be responsible for any increase in costs to Contractor resulting from any obstruction or delay for which Contractor is not responsible, including destruction of work performed or removal of materials, as if those costs had originally been included in this Agreement.

ARTICLE 5. SUBSEQUENT CHANGES

Section 5.01. Any changes from or additions to the work covered in this Agreement (other than as a result of delay or destruction) shall be set forth in a writing signed by both parties before the changed or additional work is required to be performed. In the absence of a written change-order contract, Customer will have no cause of action against Contractor for failure to deviate from the terms of this Agreement on the basis of an alleged oral contract; and Contractor will have no cause of action against Customer for failure to compensate Contractor for work deviating from the terms of this Agreement on the basis of an alleged oral contract. If the parties execute a written change-order contract, its terms will govern over those of any prior contract in this transaction. Otherwise, it will be automatically incorporated along with all prior change-order contracts into this initial Agreement.

ARTICLE 6. COMPLETION OF JOB

Section 6.01. On or before the date set for completion of the work [*or* On the following dates: _____ (*list dates*)], Contractor will notify Customer that the completed work [*or* work completed to the agreed stage] is finished and ready for inspection, at which time, or as soon as reasonably possible, Customer will inspect the work to ascertain whether or not it is in accordance with this Agreement. On demonstration that the completed work is not acceptable under this Agreement, Contractor will remedy any defective work as soon as reasonably possible and in keeping with the date for completion, or, if impossible, then as soon as reasonably possible after that date and without reference to any cause for damages which Customer might have for work unfinished by the date for completion. If work is satisfactory under this Agreement, Customer will promptly complete, and submit to the proper party, a certificate of completion in order that Contractor may be paid and, if the work is finished, remove workers and materials from the premises. If Customer fails to inspect the work within a reasonable time after receiving notice, Customer must nevertheless immediately fill out and submit a certificate of completion.

ARTICLE 7. PRECAUTIONARY PROCEDURES

Safety

Section 7.01. Contractor will take all necessary and customary precautions in introducing and maintaining safety measures against all hazards connected with the work under this Agreement. Contractor will make protective arrangements so as to prevent work operations from damaging the premises, or other work or operations.

Storage

Section 7.02. Contractor will keep all materials, equipment, or goods involved in Contractor's services stored in appropriate containers or at adequately marked and secured stations, for which Customer will provide sufficient space on the premises with reasonable access to Contractor's work areas.

Cleanup

Section 7.03. Contractor will perform all work as tidily as is consistent with correct performance in Contractor's specialty [*optional:* and will keep the premises clean from all work-related trash, rubble, clutter, and refuse on a daily basis]. Contractor will promptly remove all equipment and materials on completion of the work and payment, and will leave the premises free from all refuse in a manner consistent with correct completion of the Contractor's operation.

Permission to Operate on Neighboring Properties

Section 7.04. Contractor will be responsible for obtaining permission, whenever and wherever necessary during the course of the work, from the appropriate parties or authorities with respect to performing operations on or from adjoining properties. Contractor will fully indemnify the ownership or tenancy interests of those properties if required. However, Contractor will not be liable for any payment required to obtain that permission. Inability to obtain that permission on the basis of payment not forthcoming shall constitute an obstruction to work beyond Contractor's control. Inability of Contractor to obtain permission as a result of unreasonable refusal by persons representing adjoining property interests shall also constitute an obstruction to work beyond Contractor's control.

ARTICLE 8. OFFICIAL REQUIREMENTS

Permits

Section 8.01. Contractor will obtain all necessary licenses and permits (except for zoning changes) required for all or any portion of the work to be performed under this Agreement. Contractor will furnish to Customer, at Customer's request, copies of any certificates or other documents evidencing compliance with applicable laws, ordinances, or other regulations of the various agencies or departments involved.

Bonds

Section 8.02. Contractor will obtain and furnish to Customer a performance [*or* completion] bond for the work covered by this Agreement. The bond shall be in the sum of $_____, and appropriately executed with a surety in a form acceptable to Customer. The premium for the bond is included in the quoted price.

License

Section 8.03. Contractor presently holds a valid California contractor's license.

[*Include following notice in all contracts in which licensee is prime contractor except home improvement and service and repair contracts written pursuant to Bus. & Prof. Code §§ 7151.2 and 7159.10 (Bus. & Prof. Code § 7030(a)):*]

CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTORS' STATE LICENSE BOARD, WHICH HAS JURISDICTION TO INVESTIGATE COMPLAINTS AGAINST CONTRACTORS IF A COMPLAINT REGARDING A PATENT ACT OR OMISSION IS FILED WITHIN FOUR YEARS OF THE DATE OF THE ALLEGED VIOLATION. A COMPLAINT REGARDING A LATENT ACT OR OMISSION PERTAINING TO STRUCTURAL DEFECTS MUST BE FILED WITHIN 10 YEARS OF THE DATE OF THE ALLEGED VIOLATION. ANY QUESTIONS CONCERNING A CONTRACTOR MAY BE REFERRED TO THE REGISTRAR, CONTRACTORS' STATE LICENSE BOARD, P.O. BOX 26000, SACRAMENTO, CA 95826.

ARTICLE 9. ASSIGNMENT

By Contractor

Section 9.01. Contractor has been selected to perform the work covered by this Agreement on the basis of Contractor's personal service and, under normal circumstances, may not delegate any duties or responsibilities imposed by this Agreement. However, if Contractor, for any reason, becomes incapable of continuing performance under this Agreement, Contractor may, with Customer's written consent, assign Contractor's rights and obligations under this Agreement to another contractor of at least equivalent reputation for performance. Customer may not, under those circumstances, unreasonably withhold consent to an assignment. By consenting to an assignment, Customer will not waive any cause of action against Contractor arising out of circumstances preceding the assignment. Contractor may assign Contractor's right to payment under this Agreement at any time and to any source.

By Customer

Section 9.02. Customer may assign the benefits of this Agreement and receipt of Contractor's performance to any successor to the title or ownership or tenancy interest that Customer presently holds directly or for which Customer is the agent. Customer may delegate the duty of paying Contractor's compensation under this Agreement. However, Contractor retains the right to hold Customer personally liable for all payments until the requirement of compensation under this Agreement is completely satisfied.

ARTICLE 10. INSURANCE

By Customer

Section 10.01. While work is being performed under this Agreement, Customer shall continuously provide, entirely at Customer's own expense, adequate property damage and public liability insurance to cover the scope of all contemplated activities and the value of all services, labor, materials, and goods involved in this work, as well as all reasonable claims liable to occur during the course of the work.

By Contractor

Section 10.02. While work is being performed under this Agreement, Contractor shall continuously provide, entirely at Contractor's own expense, appropriate workers compensation coverage and liability insurance to protect against any results of Contractor's own negligence.

ARTICLE 11. DISPUTES

[*If contract is for work on residential property with four or fewer units, arbitration provision and disclosure that follows must be in 10-point boldface type or 8-point red boldface type; if contract is typed, provision must be in capital letters (Bus. & Prof. Code § 7191(a)):*]

Arbitration of Disputes

Section 11.01. Any dispute regarding performance under this Agreement shall be raised and settled in an arbitration proceeding held in accordance with [*e.g.*, the Construction Industry Rules of the American Arbitration Association then in effect *or* Part III, Title 9 of the Code of Civil Procedure].

[*Include if contract is for work on residential property with four or fewer units (Bus. & Prof. Code § 7191(b)):*]

Contractor's Initials

Attorneys' Fees

Section 11.02. In any litigation or arbitration between the parties regarding the terms of or performance under this Agreement, the prevailing party shall be entitled to an award of reasonable attorneys' fees incurred in prosecuting or defending the proceeding.

ARTICLE 12. DEFAULT

Remedies of Contractor

Section 12.01. If Customer fails to compensate Contractor according to the terms of this Agreement for a period of _____ days after compensation is due, Contractor, in addition to any other legal remedies or processes available, may terminate the Agreement and enter the premises and remove any portion of, or all, materials or goods installed at or affixed to the premises under this Agreement to the extent that they represent in their then current condition the portion of the price then owing to Contractor. However, the work of removal shall not substantially interfere with any materials or goods installed outside of this Agreement.

Remedies of Customer

Section 12.02. If Contractor becomes incapable of continuing performance under this Agreement, whether due to circumstances within or outside of Contractor's control, or voluntarily delays that performance for an unreasonable period of time when another contractor engaged in the same specialty work might be available and capable of continuing the work, Customer may terminate the Agreement and arrange to have the work continued within a reasonable amount of time. If Customer terminates the Agreement according to the terms of this Paragraph, Customer must, within 30 days after that termination, make other arrangements for the work to proceed.

ARTICLE 13. RETENTION OF TITLE

Section 13.01. Contractor shall retain title to any materials that Contractor supplies. Title shall not pass to Customer until satisfactory payment is made for any portion of the work performed, including subsequent extra work. Materials shall not be deemed to become a part of real property, regardless of their severability, until Customer makes the entire contract payment. Contractor may remove an amount or portion of materials equivalent in value to any payment then in default. No part of this provision may be asserted against any prior or subsequent lienholder whose lien has been granted as a security interest in the property for purposes of financing its improvement in any manner, or any assignee or successor of such a lienholder.

PART IV. FORMS
B. General Specialty Construction Contracts

29-89 California Legal Forms--Transaction Guide § 89.221

§ 89.221 Proposal by Specialty Contractor--General Short Form

[1] Comment--Use of Form

This form is a general short-form specialty construction contract. It is a proposal made by the specialty contractor to the general contractor and can be adapted for use by contractors licensed in any of the various specialties [*see* Ch. 88, *Licensing of Contractors* , for a list of the specialty classifications]. Specialty contractors usually work under a subcontract for a general building contractor but may work under a prime contract directly for a property owner. This form can be used in either situation, but if it is a direct contract between an owner or tenant and the contractor, it is a home improvement contract [*see Bus. & Prof. Code §§ 7151, 7151.2*]. If the aggregate contract price, including all labor, services, and materials, exceeds $500, the contract must satisfy the requirements of *Bus. & Prof. Code § 7159* [*see Bus. & Prof. Code § 7159(b)*], in which case this form should be combined with the *form in § 89.200[2]*. Similarly, if the conforming requirements for a service and repair contract are present [*see Bus. & Prof. Code § 7159.10(a)(1)(A)-(D)*; *see also § 89.201[1]*], this form should be combined with the *form in § 89.201[2]*.

For a detailed proposal contract appropriate for more complex projects, see *§ 89.220*. For more detailed subcontracts, see Ch. 30D, *Construction Contracts and Subcontracts* . For a short-form subcontract, see *§ 89.223*. For a discussion of specialty contracts and their contents, see *§ 89.220[1]*.

Every written contract between a property owner and an original contractor must provide space for the owner to enter his or her name, residence address, and place of business (if any) [*Civ. Code § 3097(l)*]. In addition, if this form is used for any contract between a property owner and an original contractor other than a home improvement contract or swimming pool contract [*see Bus. & Prof. Code §§ 7151, 7151.2*; *see also §§ 89.11[2], 89.13*], it must also provide space for the owner to enter the name and address of the construction lender or lenders. If it is adapted for use as a contract between an original contractor and subcontractor, or between subcontractors, it must also provide a space for the name and address of the owner, original contractor, and any construction lender [*Civ. Code § 3097(m)*].

If the project will be financed by the contractor, follow the guidelines in Ch. 45, *Consumer Installment Loans and Credit Sales*, to assure compliance with the applicable provisions of the federal Truth in Lending Act [*15 U.S.C. § 1601*

et seq.] and the Unruh Act [*Civ. Code § 1801 et seq.*].

29-89 California Legal Forms--Transaction Guide § 89.222

§ 89.222 Provision for Progress Payments

[1] Comment--Use of Form

This form is a provision for progress payments during the course of a construction project. This provision can be used in place of the payment provisions in *§§ 89.230[2]-89.235[2]*. It also may be used to replace Section 2.01 in the Owner-Specialty Contractor primary form set out in *§ 89.220[2]*. A specialty contractor who will either be engaged in a lengthy project or be interrupted by workers performing under other contracts and/or subcontracts may want to collect progress payments instead of waiting for lump-sum compensation on completion of the job.

For more detailed subcontracts, see Ch. 30D, *Construction Contracts and Subcontracts* .

[2] FORM

Provision for Progress Payments

Payments

Customer [*or* General Contractor] shall compensate Contractor [*or* Specialty Contractor] on a periodic basis. Customer [*or* General Contractor] shall pay to Contractor [*or* Specialty Contractor] 90 percent of the amount due for the work performed by Contractor [*or* Specialty Contractor] during any calendar month within 20 days of the last day of that calendar month. The remaining 10 percent shall be paid 45 days following the date that all work on the project is completed [*or, if the contractor is required to file a notice of completion:* within 20 days after the notice of completion is filed].

Contractor [*or* Subcontractor] will provide waivers of lien rights against the property only after payments have been made as agreed. Owner [*or* Contractor] agrees to pay to Contractor [*or* Subcontractor] interest on any delinquent balance at the rate of [*specify, e.g.*, 3/4 of 1 percent per month]. If suit is commenced to collect any unpaid balance due on this contract, the prevailing party shall pay all costs of collection, including reasonable attorneys' fees.

[*Add if this provision is executed as an addendum to an original contract or subcontract:*]

The provisions of this addendum shall supersede any provisions in the printed Agreement with which the provisions of this addendum conflict.

§ 89.223 Subcontract Between General Contractor and Specialty Contractor

[1] Comment

[a] Use of Form

This form is a short-form subcontract between a general building contractor and a specialty subcontractor. It can be adapted for use by a specialty contractor who is already working on a job and who wants to subcontract out a portion of the work. The agreement contains provisions incorporating all prime contract provisions and allowing attachment of any relevant federal contract requirements [*see* Ch. 90B, *Federal Government Contracts*]. For forms of detailed construction subcontracts, see Ch. 30D, *Construction Contracts and Subcontracts* .

This form provides that the subcontractor will be paid on a pro rata basis when the general contractor is paid by the property owner. For an alternative provision requiring progress payments to the subcontractor, see *§ 89.222[2]*.

For an analysis of the law and considerations governing construction projects carried out through subcontractors working under a general building contractor, see *§ 30D.30*.

[b] Bonding Requirements

This form requires the specialty subcontractor to secure payment and performance bonds covering the subcontracting work. All contractors licensed in California must be bonded [*see* Ch. 88, *Licensing of Contractors*]. However, if an owner or general contractor wants to assure that the investment made in a construction project is protected and that work will proceed, he or she must specifically require payment and/or performance bonds. For representative payment and performance bonds, see Ch. 79, *Suretyship, Guaranty, and Indemnity* .

TERMS AND CONDITIONS

SUBCONTRACTOR AGREES:

1. To furnish all materials and perform all work according to the terms and conditions of the contract between Owner and General Contractor or Contractor and between General Contractor and Contractor that are incorporated into and made part of this Subcontract.

2. To complete the work in a timely manner so as to enable Contractor and General Contractor to timely perform and complete their obligations to each other and to Owner.

3. To the extent of the work and materials called for under this subcontract, to be bound to Contractor by all the terms, general conditions, plans, drawings, and specifications between Contractor and General Contractor or Owner and to assume toward Contractor all of the obligations and responsibilities that Contractor assumes toward General Contractor or Owner.

4. To hold Contractor harmless from and indemnify Contractor against all cost, liability, or expense, including attorneys' fees, with respect to any claim or demand of the Owner, General Contractor or any other person concerning the work performed and materials provided by Subcontractor.

5. To provide, before commencing work, and maintain at Subcontractor's expense insurance coverage for public liability, property damage, and workers compensation insurance in a form, amount, and with a carrier satisfactory to Contractor and, when required, to arrange for Certificates of Insurance to be issued to Contractor from the carriers, which shall include clauses providing that the insurance shall not be canceled or reduced without 10 days' advance written notice to Contractor.

6. When required, before commencing work, to provide at Subcontractor's expense corporate surety bonds satisfactory to Contractor for the full and faithful performance of this Subcontract and the payment for labor and materials.

7. No additional work or changes in the work shall be done by Subcontractor except on the execution of a previous order in writing by Contractor agreeing to pay for that work. If additional work or change-orders are performed without the order required under this Paragraph, the Subcontractor shall not be entitled to any additional payment for that performance.

8. On federally-assisted contracts in which a "Federal Contract Requirements" schedule has been attached to and incorporated in this Subcontract, to perform in accord with the Federal Contract Requirements, Executive Order 11246 (relating to the elimination of discrimination because of race, creed, color, or national origin), and all applicable provisions of the Code of Federal Regulations, with respect to all work and materials covered by this Subcontract. Subcontractor shall include the Federal Contract Requirements in any lower tier subcontracts which Subcontractor may enter into, together with a clause requiring inclusion of those requirements in any further subcontracts that may be made. Subcontractor's breach of this Paragraph shall constitute ground for termination of this Subcontract by Contractor. If Contractor is injured by any such breach, Contractor shall have the right of legal action against Subcontractor to recover all damages incurred as a result thereof.

9. To pay Contractor all sums the court may fix as attorneys' fees in any suit instituted to enforce Subcontractor's obligations under this Subcontract.

CONTRACTOR AGREES:

1. To be bound by all the obligations set forth in the primary contract, including all general conditions, plans, drawings, and specifications.

2. To pay Subcontractor for work performed according to the terms and conditions of this Subcontract on receipt of payments from the Owner or General Contractor, pro rata as the value of Subcontractor's performance to date bears to the whole of Contractor's.

[*Include following notice in all contracts in which licensee is prime contractor except home improvement and service and repair contracts written pursuant to Bus. & Prof. Code §§ 7151.2 and 7159.10 (Bus. & Prof. Code § 7030(a)):*]

CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTORS' STATE LICENSE BOARD, WHICH HAS JURISDICTION TO INVESTIGATE COMPLAINTS AGAINST CONTRACTORS IF A COMPLAINT REGARDING A PATENT ACT OR OMISSION IS FILED WITHIN FOUR YEARS OF THE DATE OF THE ALLEGED VIOLATION. A COMPLAINT REGARDING A LATENT ACT OR OMISSION PERTAINING TO STRUCTURAL DEFECTS MUST BE FILED WITHIN 10 YEARS OF THE DATE OF THE ALLEGED VIOLATION. ANY QUESTIONS CONCERNING A CONTRACTOR MAY BE REFERRED TO THE REGISTRAR, CONTRACTORS' STATE LICENSE BOARD, P.O. BOX 26000, SACRAMENTO, CA 95826.

PART IV. FORMS
B. General Specialty Construction Contracts

29-89 California Legal Forms--Transaction Guide § 89.224

§ 89.224 Waiver of Liens by General Contractor With Representation That No Specialty Contractor May Claim Liens

[1] Comment--Use of Form

This form is a waiver of liens by a general contractor. It is designed to be used when all work on the project is completed and the owner makes the final payment to the contractor in charge of the project. At that time, the owner will normally ask for an assurance that all subcontractors under that contractor's supervision have been paid and that none of them is entitled to claim a lien on the owner's property. This form includes a representation to the owner that no specialty contractor who worked on the project under a subcontract will be able to claim liens against the owner's property. When the general contractor receives his or her final payment, all disbursements relating to the project should be made and no workers should have claims outstanding.

Construction funds may be processed through joint control agencies to regulate the disbursement and accounting of those funds and to assure a regular cash flow. For a discussion of joint control agencies, see Ch. 30E, *Joint (Builders') Control Agreements* . If a project is minor, contract provisions requiring the contractor and/or subcontractor to secure payment and performance bonds may be sufficient to assure that funds will be available for the payments due under the contract in case the obligor-contractor defaults [*see § 89.223[1][b]*].

This form may be acknowledged and recorded along with any other documents relating to the construction project (such as the Notice of Completion). Recordation may serve an evidentiary function in any subsequent disputes but will not invalidate properly filed liens. Any material supplier, laborer, or subcontractor who also executes this waiver relinquishes his or her lien rights against the owner's or tenant's property.

For a brief analysis of the law relating to liens on real property, see *§ 89.18[3]*.

29-89 California Legal Forms--Transaction Guide § 89.230

§ 89.230 Acoustical Contract

[1] Comment--Use of Form

This form is a contract between a specialty contractor and a real property owner for the installation of acoustical materials in a residence. It is a home improvement contract [*see Bus. & Prof. Code §§ 7151, 7151.2*] and therefore includes certain language required by statute [*see Bus. & Prof. Code § 7030(b)*]. If the aggregate contract price, including all labor, services, and materials, exceeds $500, the contract must satisfy the requirements of *Bus. & Prof. Code § 7159* [*see Bus. & Prof. Code § 7159(b)*], in which case this form should be combined with the form in *§ 89.200[2]*. Similarly, if the conforming requirements for a service and repair contract are present [*see Bus. & Prof. Code § 7159.10(a)(1)(A)-(D)*; *see also § 89.201[1]*], this form should be combined with the form in *§ 89.201[2]*.

This form is a short form specialty contract set forth as a proposal [*see § 89.220[1][b]*]. It is designed to be used in a direct owner-contractor transaction but can be adapted for use as a subcontract [*see § 89.223*]. If this form is modified for any contract between a property owner and an original contractor other than a home improvement contract [*see Bus. & Prof. Code §§ 7151, 7151.2*; *see also § 89.11[2]*], it must also provide space for the owner to enter the name and address of the construction lender or lenders. If it is adapted for use as a contract between an original contractor and subcontractor, or between subcontractors, it must also provide a space for the name and address of the owner, original contractor, and any construction lender [*Civ. Code § 3097(m)*; *see § 89.220*].

This form is not designed for use in financed home improvement projects. If the acoustical project will be financed by the contractor, follow the guidelines in Ch. 45, *Consumer Installment Loans and Credit Sales*, to assure compliance with the applicable provisions of the federal Truth in Lending Act [*15 U.S.C. § 1601 et seq.*] and the Unruh Act [*Civ. Code § 1801 et seq.*].

By: [*name of contractor*], State Contractor's License No.: _____, with offices located at _____[*contractor's business address*].

[*name of contractor*], "Contractor," proposes to furnish the materials and perform the labor for the completion of the following acoustical work: [*describe project, e.g.*, soundproofing a cellar] in accordance with the specifications set forth in Schedule A, attached to this Proposal and incorporated by reference, and in accordance with the following terms and conditions.

Contractor proposes to furnish all material and labor in accordance with the specifications contained in Schedule A for the sum of $_____.

On acceptance of this proposal by Owner, this proposal shall constitute a contract between Contractor and Owner.

TERMS AND CONDITIONS

Licensing

1. Contractor presently holds a valid California contractor's license.

[*Include following in home improvement contracts written pursuant to Bus. & Prof. Code § 7151.2 with aggregate contract price of $500 or less and therefore not subject to requirements of Bus. & Prof. Code § 7159 (see Bus. & Prof. Code §§ 7030(b), 7159(b)):*]

Information about the Contractors' State License Board (CSLB):

CSLB is the state consumer protection agency that licenses and regulates construction contractors.

Contact CSLB for information about the licensed contractor you are considering, including information about disclosable complaints, disciplinary actions and civil judgments that are reported to CSLB.

Use only licensed contractors. If you file a complaint against a licensed contractor within the legal deadline (usually four years), CSLB has authority to investigate the complaint. If you use an unlicensed contractor, CSLB may not be able to help you resolve your complaint. Your only remedy may be in civil court, and you may be liable for damages arising out of any injuries to the unlicensed contractor or the unlicensed contractor's employees.

For more information:

Visit CSLB's Web site at www.cslb.ca.gov.

Call CSLB at 800-321-CSLB (2752).

Write CSLB at P.O. Box 26000, Sacramento, CA 95826.

Time for Completion

2. Work under this contract shall commence within approximately _____ days after acceptance of this proposal by Owner. All construction shall be completed approximately on _____[*date*]. The completion date shall be extended for any delays caused by inclement weather, strikes or actions by labor unions, accidents, delays by carriers, shortages of materials and labor, and other delays unavoidable or beyond Contractor's control. Contractor's failure, without lawful excuse, to commence work within 20 days from the date specified in this agreement shall constitute a violation of the Contractors' State License Law. Contractor shall be deemed to have substantially commenced work when Contractor moves equipment onto the jobsite.

Payment Schedule

3. The payment schedule shall be as follows: 90 percent of the value of the work completed each month shall be due on or before the tenth day of the following month. The 10 percent balance shall be due within 35 days after completion of all spraying. If the sums called for in this contract are not paid when due, they shall be considered delinquent accounts and the Contractor shall be entitled to add 1 percent interest per month on all delinquent accounts.

Limitation Period on Acceptance

4. The quotations in this proposal are made for immediate acceptance and are subject to change unless accepted within 20 business days from the date appearing on the face of this proposal. If Contractor brings any action to enforce the terms or conditions of this instrument, or if Contractor is called on to defend any action brought to enforce these terms or conditions, Contractor shall be entitled to a reasonable sum for attorneys' fees and costs incurred as a result of that action.

Owner's Responsibilities

5. Owner shall be responsible for preparing the room for acoustical work by removing all drapes and rods and any small effects from the room. Owner shall also be responsible for the small amount of vacuuming required two to three hours after completion of the job. Owner shall secure the room in which acoustical work will be performed so as to prevent access to that room by any persons other than Owner, Contractor, or Contractor's workers and suppliers.

Existing Conditions

6. Contractor shall not be responsible for any preparation to the room that was done by others. Contractor shall not be responsible for peeling paint, wallpaper, or loose plaster unless otherwise noted.

Exclusions

7. Glitter will be added only at Owner's express written request. That request must be made, if at all, within five working days before the proposed time of spray. Addition of glitter shall be at no extra charge to Owner.

Additional Work or Changes

8. No extra or change-order work shall be required to be performed without prior written authorization of Owner. Any change-order forms for changes or extra work shall be incorporated into, and become part of, this agreement.

CONDITIONS

The following conditions are a part of this proposal. By signing the acceptance set out above [or on the reverse page], the Owner agrees that these conditions shall be part of the contract between us. The right to recover on any claim arising from this contract shall be contingent on performance of these conditions.

This contract constitutes the entire agreement between the parties and shall not be modified by any oral agreement.

Time

1. Work under this contract shall commence within approximately _____ days after acceptance of this proposal by Owner. The work shall be completed approximately _____ days after it is commenced. The completion date shall be extended for any delays caused by inclement weather, strikes or actions by labor unions,

accidents, delays by carriers, shortages of materials and labor, and other delays unavoidable or beyond Contractor's control. Contractor's failure, without lawful excuse, to commence work within 20 days from the date specified in this agreement shall constitute a violation of the Contractors' State License Law. Contractor shall be deemed to have substantially commenced work when Contractor moves equipment onto the jobsite.

Storage and Service

2. Owner shall furnish, at no cost to Contractor, a convenient room on the premises that can be kept locked, in which to store materials and equipment, and to supply all necessary heat, light, electricity, elevator or hoist service, and water.

Scaffolding

3. If scaffolding or swing staging is needed to do this work, it will be furnished by Contractor unless otherwise agreed to in writing. If necessary to the work, Owner shall secure permission to work on or over adjoining property at no cost to Contractor.

Payment

4. Payment of all or any part of the amount due to Contractor under this contract shall in no way be contingent on the acceptance of work done by others and over which Contractor has no control and Contractor assumes no responsibility for work done by others. Progress payments will be paid as agreed on. If Contractor incurs any expense in collecting money due under this contract, including reasonable attorneys' fees, Owner shall reimburse Contractor for that expense. The maximum legal rate of interest shall be charged on accounts not paid within 30 days from billing. Interest shall commence to run on the thirty-first day.

Additional Work or Changes

5. No extra or change-order work shall be required to be performed without prior written authorization of Owner. Any change-order forms for changes or extra work shall be incorporated into, and become part of, this agreement. Additions, alternations, or deviations to work covered by this contract shall be charged at cost of labor and materials plus overhead and profit.

Claims

6. Claims by either party for nonfulfillment of this contract shall be made in writing and shall be delivered to the other party not later than 30 days after completion of the work.

Unforeseen Conditions

7. This contract is based on visually observed conditions. If unforeseen conditions arise that could not be determined by visual inspection prior to starting work, additional work shall be performed on a Time and Material or Firm Bid Basis, after Owner or Owner's agent has been notified that additional work is necessary.

Sandblasting

8. If sandblasting is to be performed, Contractor shall use diligence and care to protect underlying and adjoining surfaces but shall not be responsible for damage to those surfaces.

Signs

9. Contractor shall exercise care in working around signs on buildings. However, Owner and Contractor agree that the signs are delicately constructed and that Contractor shall not be held liable for damage to signs.

Contingencies

10. Contractor's performance under this contract is contingent on the nonoccurrence of strikes, boycotts, accidents, inclement weather, earthquakes, or other acts of God which Contractor could not have reasonably foreseen or provided for or against.

[*Include if contractor has not furnished performance bond or provided for joint control:*]

Release for Payment

11. On satisfactory payment made for any portion of the work performed, Contractor shall, before any further payment is made, furnish to Owner a full and unconditional release from any claim or mechanics' lien for that portion of the work for which payment has been made.

SCHEDULE A

Plans and Specifications

CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART IV. FORMS
C. Contracts for Work in Particular Specialties

29-89 California Legal Forms--Transaction Guide § 89.232

§ 89.232 Masonry Contract

[1] Comment--Use of Form

This form is a proposal-style [*see § 89.220[1][b]*] contract for masonry work. It is a home improvement contract [*see Bus. & Prof. Code §§ 7151*, *7151.2*] and therefore includes certain language required by statute [*see Bus. & Prof. Code § 7030(b)*]. If the aggregate contract price, including all labor, services, and materials, exceeds $500, the contract must satisfy the requirements of *Bus. & Prof. Code § 7159* [*see Bus. & Prof. Code § 7159(b)*], in which case this form should be combined with the form in *§ 89.200[2]*. Similarly, if the conforming requirements for a service and repair contract are present [*see Bus. & Prof. Code § 7159.10(a)(1)(A)-(D)*; *see also § 89.201[1]*], this form should be combined with the form in *§ 89.201[2]*.

This form is designed to be used in a direct owner-contractor transaction but can be adapted for use as a subcontract [*see § 89.223*]. If this form is modified for any contract between a property owner and an original contractor other than a home improvement contract [*see Bus. & Prof. Code §§ 7151*, *7151.2*; *see also § 89.11[2]*], it must also provide space for the owner to enter the name and address of the construction lender or lenders. If it is adapted for use as a contract between an original contractor and subcontractor, or between subcontractors, it must also provide a space for the name and address of the owner, original contractor, and any construction lender [*Civ. Code § 3097(m)*; *see § 89.220*].

Because this form includes an arbitration provision, it also includes the disclosure provision that is required for all contracts for work on residential property with four or fewer units that include an arbitration provision. In such contracts, both the arbitration provision itself, and the disclosure must be set out either in at least 10-point roman boldface type or in contrasting red print in at least 8-point roman boldface type. If the contract is typed, the provision and disclosure must be set out in capital letters. Failure to comply with these requirements will preclude the contractor from enforcing the contract [*Bus. & Prof. Code § 7191*].

For an analysis of the law governing home improvement projects, see *§ 89.200[1]*. See Ch. 88, *Licensing of Contractors* , for a brief discussion of the various specialty classifications.

This form is not designed for use in financed home improvement projects. If the masonry project will be financed by the contractor, follow the guidelines in Ch. 45, *Consumer Installment Loans and Credit Sales* , to assure compliance with the applicable provisions of the federal Truth in Lending Act [*15 U.S.C. § 1601 et seq.*] and the Unruh Act [*Civ. Code § 1801 et seq.*].

[*name of contractor*], "Contractor," proposes to furnish the materials and perform the labor for the erection and completion of the following: [*describe masonry work, e.g.*, a brick wall or masonry construction] as set forth in Section(s) _____ of the specifications and in accordance with plans furnished by _____[*name of contractor, architect, or engineer who furnished plans*] dated _____ for work on the building erected for _____[*name of owner*], "Owner," on Lot _____, Block _____, Tract _____, No. _____, Street _____, City of _____, State of California. The contract price is $_____.

The payment schedule shall be as follows: 90 percent of the value of the work completed each month shall be due on or before the tenth day of the following month. The 10 percent balance shall be due within 35 days after completion of all work covered by this contract. If the sums called for in this contract are not paid when due, they shall be considered delinquent accounts and the Contractor shall be entitled to add 1 percent interest per month on all delinquent accounts.

This contract does not include any of the following: furnishing of reinforcing steel, placing of steel sash or door frames, shoring for openings and bond beams, water or electricity used during construction, or [*specify any additional exclusions*].

Work under this contract shall commence within approximately _____ days after acceptance of this proposal by Owner. If Contractor fails to commence work within 20 days from the approximate date of completion, Contractor shall be in violation of the Contractors' State License Law. Contractor shall be deemed to have substantially commenced work when Contractor brings equipment and on to the job site. The work shall be completed approximately _____ days after it is commenced. The completion date shall be extended for any delays caused by inclement weather, strikes or actions by labor unions, accidents, delays by carriers, shortages of materials and labor, strikes or actions by labor unions, and other delays unavoidable or beyond Contractor's control. The quotations in this proposal are made for immediate acceptance and are subject to change unless accepted within [*number*] days from the date hereof. If Contractor brings a contract action to enforce the terms or conditions of this instrument, or if Contractor is called on to defend a contract action brought to enforce these terms or conditions, Contractor shall be entitled to a reasonable sum for attorneys' fees and costs incurred as a result of that action.

On acceptance of this proposal by Owner, this proposal shall constitute a contract between Contractor and Owner. All conditions set out below [*or* on the reverse side of this proposal] are incorporated into and become a part of the

agreement between Contractor and Owner.

Respectfully submitted,

TERMS AND CONDITIONS

Equipment and Materials

1. Unless otherwise specified in the plans and specifications, Contractor shall have the right to select all equipment and materials. When specified equipment or materials are unavailable, Contractor shall have the right to substitute other

materials of equal or better quality for the specified materials.

Additional Work or Changes

2. No extra or change-order work shall be required to be performed without prior written authorization of Owner. Any change-order forms for changes or extra work shall be incorporated into, and become part of, this agreement. Additions or alterations to, or deviations from, work covered by this contract shall be charged at cost of labor and materials plus overhead and profit.

Contract Payments

3. Contractor shall have the right to suspend construction and/or terminate this contract if there are defaults in payments required under this contract.

Unavoidable Interruptions

4. Contractor shall not be held responsible or liable for any loss, damage, or delay caused by fire, strikes, civil or military authority, or by any other cause beyond Contractor's control.

Exclusions

5. This contract does not include any labor and/or materials not specifically mentioned.

Local Regulations

6. Requirements of governmental building codes, officials, or departments that are not provided for in the plans and specifications shall constitute additional work and shall be charged for as provided in Paragraph 2 of this contract.

Hold-Harmless Agreement

7. Contractor shall be held harmless from and against any and all loss, liability, claims, demands, suits at law or in equity, and judgments (including judgments for attorneys' fees and court costs) and awards, regardless of their merits, on account of any loss or damage to any person or property, alleged against Contractor and caused in whole or in part by the use of Contractor's equipment, owned or rented, used on the construction project by anyone other than Contractor's employees.

Arbitration of Disputes

[*If contract is for work on residential property with four or fewer units, arbitration provision and disclosure that follows must be in 10-point boldface type or 8-point red boldface type; if contract is typed, provision must be in capital letters (Bus. & Prof. Code § 7191(a)):*]

8. If a dispute arises over a matter other than payment of the contract price, the parties shall make a diligent effort to settle the dispute. If that effort fails, the dispute shall be arbitrated in accordance with the rules of the American Arbitration Association and the findings of the arbitration shall be binding on all parties to this contract.

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART IV. FORMS
C. Contracts for Work in Particular Specialties

29-89 California Legal Forms--Transaction Guide § 89.233

§ 89.233 Electrical Contract--Short Form

[1] Comment--Use of Form

This form is a short proposal-style contract for electrical work. It is designed to be used in a direct owner-contractor transaction but can be adapted for use as a subcontract [*see § 89.223*]. It should be used on relatively minor projects that do not require detailed terms and conditions. For a form to be used on more complex projects, see *§ 89.234*.

This form is a home improvement contract [*see Bus. & Prof. Code §§ 7151, 7151.2*] and therefore includes certain language required by statute [*see Bus. & Prof. Code § 7030(b)*]. If the aggregate contract price, including all labor, services, and materials, exceeds $500, the contract must satisfy the requirements of *Bus. & Prof. Code § 7159* [*see Bus. & Prof. Code § 7159(b)*], in which case this form should be combined with the *form in § 89.200[2]*. Similarly, if the conforming requirements for a service and repair contract are present [*see Bus. & Prof. Code § 7159.10(a)(1)(A)-(D)*; *see also § 89.201[1]*], this form should be combined with the *form in § 89.201[2]*.

Every written contract between a property owner and an original contractor must provide space for the owner to enter his or her name, residence address, and place of business (if any) [*Civ. Code § 3097(l)*]. If this form is modified for any contract between a property owner and an original contractor other than a home improvement contract [*see Bus. & Prof. Code §§ 7151, 7151.2*; *see also § 89.11[2]*], it must also provide space for the owner to enter the name and address of the construction lender or lenders. If it is adapted for use as a contract between an original contractor and subcontractor, or between subcontractors, it must also provide a space for the name and address of the owner, original contractor, and any construction lender [*Civ. Code § 3097(m)*; *see § 89.220*].

This form is not designed for use in financed home improvement projects. If the project will be financed by the contractor, follow the guidelines in Ch. 45, *Consumer Installment Loans and Credit Sales* , to assure compliance with the applicable provisions of the federal Truth in Lending Act [*15 U.S.C. § 1601 et seq.*] and the Unruh Act [*Civ. Code § 1801 et seq.*].

CONDITIONS

Wiring Standard

1. All workmanship and materials shall comply with the requirements of the National Electrical Code and the applicable local ordinances and the electrical plans and specifications specifically applicable to the job.

Scope of Work

2. Unless otherwise stated in this proposal, the scope of work covered by the proposal is limited to that work specifically covered by the electrical drawings and the electrical section of the specifications.

Lighting Fixtures

3. Unless it is specifically included in the electrical drawings and the electrical section of the specifications or specifically stated in this proposal, the furnishing and installing of electrical lighting fixtures and lamps is not included in this proposal.

Additional Work or Changes

4. Owner may order additional work or changes in writing at any time, at a price agreed on or at our regular rates for time and material used in additional work or change-orders. However, no extra or change-order work shall be required to be performed without prior written authorization of Owner. Any change-order forms for changes or extra work shall be incorporated into, and become part of, this agreement.

Written Orders

5. Contractor shall receive written orders for all additional work or changes signed by an authorized person before proceeding with any extra work or changes.

Payments for Additional Work or Changes

6. Payments for additional work or changes shall be made under the same terms and conditions set forth in the original contract.

Contract Payments

7. Contractor shall not be required to proceed with work if the payments due to Contractor have not been made as specified in this contract.

Unavoidable Interruptions

8. Contractor shall not be held responsible or liable for any loss, damage, or delay caused by fire, strikes, civil or military authority, or any other cause beyond Contractor's control.

Charges to the Contractor

9. Contractor shall not be liable for any charges for temporary wiring, electrical energy, heat, job cleanup, hoisting, job telephone, job office or storage space, etc., unless specifically stated in this contract.

Damages

10. Contractor shall not be liable for any damages resulting from delay in completion of the work caused by factors beyond Contractor's control.

Acceleration of Obligation on Transfer of Title

11. If Owner disposes of the property on which work is pending under this contract by sale or otherwise, prior to completion of all payments, the full amount remaining unpaid on this contract shall be due at once and payable within 48 hours after date of disposal.

Arbitration

12. Any controversy or claim relating to this contract shall be submitted to arbitration in accordance with the rules of the American Arbitration Association. The result of that arbitration shall be binding on the parties to this contract. Judgment on any arbitration award may be entered in any court having appropriate jurisdiction.

Default

13. If Owner does any of the following, Owner shall be deemed in default under this Agreement: fails to pay any installment or installments on the contract price when due; declares bankruptcy; makes an assignment for the benefit of creditors; or permits an attachment or execution to be levied against Owner. If Owner is in default according to the terms of this Paragraph, then as long as Owner remains on the premises, Contractor, at Contractor's option, may remove from those premises any materials or fixtures that have been installed or delivered by Contractor and may sell those materials or fixtures at private sale without notice, that notice being expressly waived. Contractor shall apply any amount received in that private sale on account for any indebtedness due to Contractor on the contract. The option provided for in this Paragraph shall be in addition to any and all other remedies Contractor may have to enforce this contract. If Contractor initiates legal proceedings against Owner to retake possession of or collect any money due under this contract, Owner agrees to pay all costs, interests, and reasonable attorneys' fees.

Contractor Licensing

14. Contractor presently holds a valid California contractor's license.

[*Include following in home improvement contracts written pursuant to Bus. & Prof. Code § 7151.2 with aggregate contract price of $500 or less and therefore not subject to requirements of Bus. & Prof. Code § 7159 (see Bus. & Prof. Code §§ 7030(b), 7159(b)):*]

CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART IV. FORMS
C. Contracts for Work in Particular Specialties

29-89 California Legal Forms--Transaction Guide § 89.234

§ 89.234 Electrical Subcontract--Detailed Subcontract

[1] Comment--Use of Form

This form is a detailed subcontract for electrical work between a specialty contractor and a general building contractor. It is designed to be used in major construction projects. For a shorter proposal-style electrical contract between a specialty contractor and a property owner or tenant, see *§ 89.233*.

This form is not designed to be used in a direct contractor-owner transaction. However, it may be adapted for that purpose by combining it with the form in *§ 89.220[2]*. If this form is used as a prime contract with a property owner or tenant for work on residential premises, it should be combined with the form in *§ 89.200[2]* to assure compliance with the requirements of *Bus. & Prof. Code § 7159*, governing the contents of home improvement contracts [*see §§ 89.10, 89.11[1], [3], [5]*]. For a discussion of the law governing home improvement projects, see *§ 89.200[1]*. See Ch. 88, *Licensing of Contractors* , for a brief discussion of the various specialty classifications.

This form is not designed for use in financed projects. If the project will be financed by the contractor, follow the guidelines in Ch. 45, *Consumer Installment Loans and Credit Sales* , to assure compliance with the applicable provisions of the federal Truth in Lending Act [*15 U.S.C. § 1601 et seq.*] and the Unruh Act [*Civ. Code § 1801 et seq.*].

This form is not designed to be used in a home solicitation transaction. See *§ 89.203[1]* for a discussion of the law governing home solicitation contracts.

[2] FORM

Electrical Subcontract--Detailed Subcontract

SUBCONTRACT WITH ELECTRICAL CONTRACTOR

THIS AGREEMENT is entered into at [*location*] on _____[*date*], between [*name of general building contractor*], "Contractor," and [*name of specialty electrical contractor*], "Subcontractor," with principal offices at [

location].

Recitals

On _____[*date*], Contractor entered into a prime contract with _____[*name of property owner*], "Owner," to perform the following construction work: [*briefly describe primary project*].

Work under this subcontract is to be performed in accordance with the prime contract, plans, and specifications prepared by [*name of architect who designed project*], "Architect."

Subcontractor certifies that Subcontractor is fully familiar with all of the terms, conditions, and obligations of the Contract Documents, as defined below, the location of the jobsite, and the conditions under which the work is to be performed, and that Subcontractor enters into this subcontract based on Subcontractor's own investigation of all these matters and is in no way relying on any opinions and representations of the Contractor, except as follows: [*specify, or, if no exceptions, insert:* None].

This subcontract represents the entire Agreement between Contractor and Subcontractor. All Contract Documents are incorporated in this Agreement by reference and shall have the same force and effect as if they were fully set forth in this subcontract. Contractor warrants that prior to the execution of this subcontract, Contractor delivered to Subcontractor copies of all Contract Documents. Contractor and all Subcontractors shall be bound by any and all of the Contract Documents insofar as they relate in any way, directly or indirectly, to the work covered by this Subcontract. For purposes of this Subcontract, the phrase "Contract Documents" means: [*list only documents delivered to subcontractor*].

Scope

Subcontractor agrees to furnish all labor, materials, installations, cartage, supplies, equipment, scaffolding, tools, and other facilities of every kind and description necessary to perform the work described under this Subcontract in strict accordance with the Contract Documents and as more particularly, though not exclusively, as provided in the specifications, except the following parts of the specifications: [*if no exceptions, insert:* None].

Contract Price

Contractor's payment obligations under this Section shall be subject to additions and deductions for any change-orders that the parties may agree on. Contractor agrees to pay Subcontractor the sum of $_____ in accordance with the payment schedule set forth in Section 3 for the performance of Subcontractor's work.

Payment Schedule

Contractor agrees to pay to Subcontractor as follows: on or before the _____ day of each month, the value of 90 percent of all labor and materials which have been placed in position; the remaining 10 percent to be retained by Contractor until 30 days after the work has been fully completed according to this contract and delivered to and accepted by the Owner, Architect, or Contractor. Monthly payments shall include the value of materials delivered to the jobsite when the monthly or progress payments of Owner to Contractor on the prime contract include payments for those materials. If retention between Owner and Contractor is reduced at any time, then the retention between Contractor and Subcontractor shall be automatically reduced to the same percentage retention as then exists between

Owner and Contractor, and Contractor shall pay the difference to Subcontractor. Subcontractor agrees to furnish, if and when required by Contractor, payroll affidavits, receipts, vouchers, and releases of claims of labor, materialmen, and subcontractors performing work or furnishing major items of material under this subcontract, and it is agreed that no payment shall be made, except at Contractor's option, until Subcontractor furnishes lien releases.

Special Provisions

[*Add any provisions necessitated by the particular contract; otherwise, insert:* NONE.]

This Subcontract shall be binding on the parties, their heirs, executors, successors, administrators, and assignees.

Executed _____[*date*].

CONDITIONS

Insurance

1. If Subcontractor performs any work or prepares or delivers materials to the jobsite before work starts, Subcontractor shall furnish certificates of insurance covering workers compensation in the amount of $_____, covering bodily injury and property damage in the amount of $_____, and fully protecting Contractor against all claims arising from Subcontractor's negligence.

Subcontractor shall indemnify Contractor and Owner for, and hold them harmless against, all claims, actions, demands, or damages made or awarded against them for personal injury, death, property damage, or other loss arising out of Subcontractor's negligence.

Workmanship

2. Subcontractor shall perform all work called for under this Agreement in a workmanlike manner and in accordance with the Contract Documents. All materials furnished by Subcontractor shall be new and shall be supplied in quantities sufficient to allow work to progress as expeditiously as possible unless specified otherwise in the Contract Documents. All questions regarding workmanship shall be judged by prevailing industry standards.

Satisfactory Employees

3. Workers shall be employed by Subcontractor under conditions that are satisfactory to Contractor. Subcontractor shall remove from the project any employee whom Contractor considers unsatisfactory. However, Contractor may not unreasonably withhold approval of any worker employed by Subcontractor and may not require the removal of an employee if that removal would conflict with any labor contract maintained by Subcontractor. Contractor shall indemnify and hold Subcontractor harmless against all claims, actions, demands, damages, liabilities, and expenses, including attorneys' fees, arising out of removal of a worker at Contractor's behest.

If a dispute arises over labor union jurisdiction covering any portion of Subcontractor's work, allowances will be made for work awarded to others and not performed by Subcontractor. Contractor shall reimburse Subcontractor for any additional work performed, but not included in this Subcontract, because of a labor jurisdiction award.

Provision for Inspection

4. Subcontractor shall furnish Contractor reasonable facilities and opportunities for inspecting materials at the jobsite, at the shops, or at any place where materials for use under this Agreement are being prepared, processed, manufactured, or treated.

Construction Progress Schedule

5. Contractor shall promptly furnish Subcontractor with a copy of the construction schedule for the project. That schedule shall include the approximate dates on which Subcontractor will perform work and Contractor shall provide reasonable notice of any change in the schedule. As often as is reasonably necessary, Subcontractor shall furnish to Contractor full reports regarding the progress of work at any place where materials under this Agreement are being prepared or manufactured. Those reports shall indicate the progress of preparation or manufacturing in whatever detail Contractor reasonably requires, including, but not limited to, drawings and/or diagrams.

Time

6. Time is of the essence in this Agreement. Subcontractor shall make every effort to conform to Contractor's progress schedule which is incorporated by reference and made part of this subcontract. To the extent required by the Contract Documents, Subcontractor shall prepare and obtain approval for all shop drawings, details, and samples. Subcontractor shall coordinate the work covered by this Subcontract with all other subcontractors and contractors in a manner that will facilitate completion of the entire project. If Subcontractor notifies Contractor that work under this Subcontract is being delayed by Contractor or other subcontractors, and specifies the nature of that delay, then Contractor shall pay for any additional crews necessary for Subcontractor to maintain the scheduled progress as an extra-work item. Contractor shall have complete control over the jobsite and the right to decide the time or order in which the various portions of the work will be installed, subject to the provisions of this Subcontract, and the duty to conduct all work on the project in a timely and orderly manner.

Default

7. If, at any time, Subcontractor refuses or neglects to supply a sufficient number of properly skilled workers or materials of adequate quality and quantity, is adjudicated a bankrupt, files an arrangement proceeding, commits any act of insolvency, makes an assignment for the benefit of creditors without Contractor's consent, fails to promptly pay for materials or labor, or fails to properly perform according to the terms of this Subcontract, Contractor shall, on giving Subcontractor 48 hours written notice, have the option to pay for any necessary labor and/or materials and deduct the

amount of that payment from any money due, or to become due, to Subcontractor. As an alternative, Contractor shall have the option to terminate Subcontractor's right to proceed with the work. If Contractor exercises that option, Contractor shall have the right to enter the jobsite and take possession of all materials, tools, and appliances and to employ other persons to finish the work and supply additional materials.

If Contractor revokes Subcontractor's right to proceed with the work, Subcontractor shall not be entitled to receive further payments under this Agreement until the Contractor completes the prime contract. At that time, if the unpaid balance of the amount due to Subcontractor under this Agreement exceeds the expenses incurred by Contractor in completing Subcontractor's work, Contractor shall pay the excess to Subcontractor. However, if the expenses exceed the unpaid balance, Subcontractor shall promptly pay Contractor the amount of the difference. Subcontractor shall be liable to Contractor for any expenses Contractor incurs in finishing Subcontractor's work and any damages suffered by Contractor as a result of Subcontractor's default.

Damages Caused by Delays

8. The prime contract contains a liquidated damages clause in the amount of $_____. Subcontractor shall be liable for its share of any liquidated damages sustained by Contractor as a result of delays caused by Subcontractor's default. However, Subcontractor shall not be liable under this Paragraph if the delays were caused by strikes, lockouts, other labor activity, Acts of God, or reasons beyond Subcontractor's control.

Liens

9. Subcontractor shall indemnify and hold Contractor harmless against liability for claims and/or liens of Subcontractor's laborers and/or materialmen, including costs of attorneys' fees. Subcontractor may litigate any lien or suit arising from such claims or liens provided that Subcontractor first removes the subject matter of the litigation from the jobsite and takes all steps necessary to assure that Owner does not, because of the claims or liens, withhold monies owed to Contractor.

Arbitration

10. All disputes regarding this Subcontract and/or performance under its terms that are not promptly resolved by the parties shall be submitted to arbitration for resolution. Each party shall select an arbitrator. The arbitrators selected by the parties shall select a third arbitrator. The matter shall be submitted to the panel of three arbitrators and the parties shall be bound by the arbitrators' decision.

Changes in the Work

11. Customer may order additional work or changes in writing at any time, at a price agreed on or at our regular rates for time and material used in additional work or change-orders. However, no extra or change-order work shall be required to be performed without prior written authorization of Owner. Any change-order forms for changes or extra work shall be incorporated into, and become part of, this agreement.

Subcontractor shall make changes or deviations from the original plans and specifications on receiving a written order to do so from Contractor. Contractor shall diligently process all change-orders and shall afford Subcontractor reasonable notice and time in which to perform them. Contractor is not liable for payments for any additional work and deviations from plans and specifications performed without written authorization. Prior to commencing work on a change-order,

Subcontractor shall submit to Contractor written copies of all costs or credit proposals for that work.

Assignment of Contract

12. Absent Contractor's written consent, Subcontractor shall not assign, transfer, or sublet any part of the work under this Agreement, or assign payments for work performed under this Agreement to others. Absent Subcontractor's written consent, Contractor shall not assign this Subcontract. Neither party shall unreasonably withhold consent to an assignment.

Protection of Subcontractor's Work

13. Subcontractor shall protect the work performed and the materials furnished under this Subcontract and shall assume full responsibility for the condition of that work and material until it is in its place in the building or structure on the jobsite.

Responsibility for Damage to Work in Place

14. Subcontractor shall be liable for loss of or damage to work in place and/or equipment at the jobsite caused by Subcontractor's negligence.

Layout Responsibility

15. Contractor shall establish principal axis lines and levels and Subcontractor shall lay out and be responsible for the accuracy of work under this Subcontract. Subcontractor shall be liable to other contractors working on the jobsite for loss or damage sustained as a result of Subcontractor's failure to lay out or perform work correctly. Subcontractor shall make every effort to assure that final conditions and details result in suitable alignment of finished surfaces. Subcontractor shall not be liable for any failures in layout due to changes or deviations in Contractor's work or the work of other subcontractors.

Cleanup

16. During the course of construction, Subcontractor shall remove waste materials from the jobsite as regularly as necessary to maintain the premises in a clean and orderly condition. On completion of the work under this Agreement, Subcontractor shall remove from the jobsite all temporary structures, debris, and waste left from that work. If Subcontractor fails to perform a proper cleanup within two days after receiving Contractor's instruction to do so, Contractor may proceed with the cleanup and may deduct the cost of doing so from amounts due to Subcontractor under this Agreement.

Guarantee

17. Subcontractor guarantees that all work under this Agreement shall be free from defect in materials and workmanship. Subcontractor shall replace, at Subcontractor's own expense and according to specifications, all material that proves defective or improperly installed at any time within one year from the completion and acceptance of Subcontractor's work.

Bonding of Subcontractor

18. Concurrently with the execution of this Agreement, Subcontractor shall [*optional:*, at Contractor's expense,] obtain a Labor and Material Bond and a Performance Bond in any amount requested by Contractor but not to exceed 100 percent of the contract price. Bonds obtained under this Paragraph shall be secured by an admitted surety insurer.

Independent Contractor

19. Subcontractor is an independent contractor and shall not be responsible for design or engineering work performed by others. Subcontractor shall be responsible for material and workmanship supplied under this Agreement and without increase in the contract price, and shall do all of the following: comply with all laws, rules, ordinances, and regulations of all federal, state, and local bodies having jurisdiction over the work; obtain all necessary permits and licenses for the work; and pay all manufacturers' taxes, federal and state taxes, sales taxes, use taxes, processing taxes, insurance, and contributions for social security and unemployment that are measured by wages, salaries, or other remuneration paid to employees and levied under existing laws, rules, or regulations.

Attorneys' Fees

20. If either party files an action at law or equity or initiates an arbitration proceeding to enforce or interpret the terms of this Agreement, the prevailing party shall be entitled to an award of reasonable attorneys' fees as part of the judgment or arbitration award.

When "Contractor" Refers to "Owner"

21. If there is no prime contractor and this Agreement is entered into by the property owner, this fact shall be indicated under the Owner's signature and whenever the word "Contractor" appears in this Agreement it shall be deemed that the word "Owner" has been substituted in its place.

Contractor Licensing

22. Contractor presently holds a valid California contractor's license.

[*Include following notice in all contracts in which licensee is prime contractor (Bus. & Prof. Code § 7030(a)):*]

CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTORS' STATE LICENSE BOARD, WHICH HAS JURISDICTION TO INVESTIGATE COMPLAINTS AGAINST CONTRACTORS IF A COMPLAINT REGARDING A PATENT ACT OR OMISSION IS FILED WITHIN FOUR YEARS OF THE DATE OF THE ALLEGED VIOLATION. A COMPLAINT REGARDING A LATENT ACT OR OMISSION PERTAINING TO STRUCTURAL DEFECTS MUST BE FILED WITHIN 10 YEARS OF THE DATE OF THE ALLEGED VIOLATION. ANY QUESTIONS CONCERNING A CONTRACTOR MAY BE REFERRED TO THE REGISTRAR, CONTRACTORS' STATE LICENSE BOARD, P.O. BOX 26000, SACRAMENTO, CA 95826.

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 89 HOME IMPROVEMENT AND SPECIALTY CONTRACTS
PART IV. FORMS
C. Contracts for Work in Particular Specialties

29-89 California Legal Forms--Transaction Guide § 89.235

§ 89.235 Heating and Cooling Contract

[1] Comment

[a] Use of Form

This form is a heating and cooling proposal-style contract. It should be used for projects that involve the installation of warm-air heating, air-conditioning, or ventilation systems. This is a home improvement contract [*see Bus. & Prof. Code §§ 7151, 7151.2*] and therefore includes certain language required by statute [*see Bus. & Prof. Code § 7030(b)*]. If the aggregate contract price, including all labor, services, and materials, exceeds $500, the contract must satisfy the requirements of *Bus. & Prof. Code § 7159* [*see Bus. & Prof. Code § 7159(b)*], in which case this form should be combined with the form in *§ 89.200[2]*. Similarly, if the conforming requirements for a service and repair contract are present [*see Bus. & Prof. Code § 7159.10(a)(1)(A)-(D)*; *see also § 89.201[1]*], this form should be combined with the form in *§ 89.201[2]*.

Work in the heating, air-conditioning, and ventilation specialty normally requires the use of expensive large machinery. Contractors who hold licenses in this specialty as well as in plumbing, boiler installations, or refrigeration construction are frequently referred to as "mechanical contractors," although the Contractors' State License Law does not include this as a separate specialty category. See Ch. 88, *Licensing of Contractors* , for a discussion of the various specialty classifications.

[b] Installation of Equipment Provided by Contractor

This form provides that the specialty contractor performing work under its terms will select and install the equipment and provides a limited guarantee with regard to that equipment. Even if the contractor does not expressly warrant the quality of the equipment it provides, an implied warranty of fitness for a particular purpose may be imposed if the equipment proves defective. For an analysis of the law governing this area and a more detailed representative warranty that can be substituted for the guarantee in this form, see *§ 89.205*.

[c] Name and Address of Owner and Construction Lender

Every written contract between a property owner and an original contractor must provide space for the owner to enter his or her name, residence address, and place of business (if any) [*Civ. Code § 3097(l)*]. If this form is used for any contract between a property owner and an original contractor other than a home improvement contract [*see Bus. & Prof. Code §§ 7151*, *7151.2*; *see also § 89.11[2]*], it must also provide space for the owner to enter the name and address of the construction lender or lenders. If it is adapted for use as a contract between an original contractor and subcontractor, or between subcontractors, it must also provide a space for the name and address of the owner, original contractor, and any construction lender [*Civ. Code § 3097(m)*; *see § 89.220*].

[2] FORM

Heating and Cooling Contract

PROPOSAL AND AGREEMENT

Basic Agreement

This agreement is between [*name of specialty contractor*], "Contractor," who agrees to furnish and install the equipment listed below to _____[*name of property owner or acting agent*], "Owner" on the premises located at _____[*address*], occupied by _____[*name of tenant*], and owned by _____[*name of property owner*].

The equipment schedule is as follows:

Quantity	Mfr.	Model No.	Remarks
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Time for Performance

Work under this contract shall commence within approximately _____ days after acceptance of this proposal by Owner. The work shall be completed approximately _____ days after it is commenced. The completion date shall be extended for any delays caused by inclement weather, strikes or actions by labor unions, accidents, delays by carriers, shortages of materials and labor, and other delays unavoidable or beyond Contractor's control. Contractor's failure, without lawful excuse, to commence work within 20 days from the date specified in this agreement shall constitute a violation of the Contractors' State License Law. Contractor shall be deemed to have substantially commenced work when Contractor moves equipment onto the jobsite.

Installation

Contractor shall install the equipment and all necessary ductwork in accordance with the plans and specifications as listed in Schedule A, attached to this Agreement and incorporated by reference. Existing materials will be used when, in

Contractor's opinion, they are suitable. Materials and equipment being replaced will become Owner's property unless the parties specifically agree otherwise in writing.

Responsibility

The following responsibilities shall be assumed by the Owner (O) or the Contractor (P), as indicated:

1. Equipment foundation: _____

2. Wiring to panel (_____ phase): _____

3. Wiring from panel to equipment: _____

4. Wiring of control system: _____

5. Cutting and patching: _____

6. Replacing flooring and framing: _____

7. Decorating and painting: _____

8. Plumbing and piping: _____

9. Pipe insulation: _____

10. Flue: _____

11. Removing existing equipment: _____

Performance Guarantee

Contractor guarantees that all work will be performed in a workmanlike manner and will comply with existing codes and regulations governing that work.

When installed as specified under "Installation," and operated according to Owner's instructions, the equipment is guaranteed to have sufficient capacity to condition the spaces in the installation plan as follows:

Summer duty: To cool the [*specify area*] to an average temperature of _____ degrees Fahrenheit, when the outside dry bulb temperature is _____ degrees Fahrenheit, the outside wet bulb temperature is _____ degrees Fahrenheit, and when the total heat introduced into or generated within the spaces is that originating from natural inleakage through enclosing walls and from the sources named in the spaces to be conditioned.

Winter Duty: To heat [*specify area*], to an average temperature of not less than _____ degrees Fahrenheit, with an outside temperature of not less than _____ degrees Fahrenheit.

This performance guarantee is contingent on the following:

1. Doors to nonconditioned spaces being kept closed except for normal passage of persons.

2. Windows being kept closed at all times.

3. Factors controlling heat gain, such as awnings, window shades, and heat-producing equipment within the conditioned areas being used as contemplated in the installation plan.

4. The system being under 24-hour thermostat control both summer and winter.

Contractor guarantees all work performed under this Agreement to be free from defects in materials and workmanship for a period of one year from the date of shipment or installation, whichever occurs first. However, no warranty or guarantee whatsoever is made with respect to motors, controls, or other apparatus that Contractor does not manufacture or fabricate, since these products are separately warranted by their respective manufacturers.

Service under this warranty, except for emergency calls, will be provided only during normal working hours. Service does not include filter or fuse replacement.

General Conditions

Owner shall have 30 days within which to accept this proposal. This proposal shall not be construed as an offer. Any subsequent agreements relating to the contents of this proposal shall be written and subject to approval by Contractor's _____[*address*] office, and shall be contingent upon strikes, acts of God, or other causes beyond Contractor's control. Contractor's liability under any subsequent agreement shall not exceed the price of goods, wares, and merchandise furnished by Contractor.

All installation work will be performed during normal working hours.

Seller shall retain title to the equipment until Owner has made all payments due under this Agreement, and Owner shall not delay any payment because of lack of suitable weather in which to test any part of the equipment.

Contractor shall have the right to transfer any or all notes held under this Agreement, and title or right of possession will pass to the legal holders of the notes.

Contractor shall take all reasonable precautions to avoid injury to persons and damage to property when installing equipment under this Agreement.

Owner shall pay for all equipment or labor furnished by Contractor in addition to that specified as required in this Agreement as an extra at Owner's normal rates.

This proposal shall become a contract between Owner and Contractor if approved by Owner and thereafter approved in writing by an authorized representative of Contractor.

This proposal sets forth the entire contract between the parties.

After equipment is installed, a qualified representative of Contractor will start, test, and provide instruction on the use of that equipment.

Contractor shall have 20 business days within which to approve this Proposal after it has been accepted by Owner.

Price and Terms

The net cash price of the work to be performed under this Agreement is as follows:

$_____ for [*specify item, e.g.*, foam insulation material].

$_____ for [*specify additional item, e.g.*, loose-fill insulation material].

$_____ for [*specify additional charges*].

Total Price: $_____

Payment under this Agreement shall be made as follows: on or before the _____ day of each month, the value of 90 percent of all labor and materials that have been placed in position shall be paid to Contractor. The remaining 10 percent shall be retained by Owner until 30 days after all work has been fully completed according to this Agreement. Monthly payments shall include the value of materials installed to the point at which payment is made.

Additional Work or Changes

Owner may order additional work or changes in writing at any time, at a price agreed on or at our regular rates for time and material used in additional work or change-orders. However, no extra or change-order work shall be required to be performed without prior written authorization of Owner. Any change-order forms for changes or extra work shall be incorporated into, and become part of, this agreement.

Default

At any time Owner defaults in payment, Contractor may serve on Owner written notice of Contractor's intent to enter the premises and remove any equipment to which Contractor has title. Within 12 hours after receiving that written notice, Owner shall allow Contractor to enter the premises and to remove that equipment.

Licensing

[*Include following in home improvement contracts written pursuant to Bus. & Prof. Code § 7151.2 with aggregate contract price of $500 or less and therefore not subject to requirements of Bus. & Prof. Code § 7159 (see Bus. & Prof. Code § 7030(b), 7159(b)):*]

Information about the Contractors' State License Board (CSLB):

CSLB is the state consumer protection agency that licenses and regulates construction contractors.

Contact CSLB for information about the licensed contractor you are considering, including information about disclosable complaints, disciplinary actions and civil judgments that are reported to CSLB.

Use only licensed contractors. If you file a complaint against a licensed contractor within the legal deadline (usually

four years), CSLB has authority to investigate the complaint. If you use an unlicensed contractor, CSLB may not be able to help you resolve your complaint. Your only remedy may be in civil court, and you may be liable for damages arising out of any injuries to the unlicensed contractor or the unlicensed contractor's employees.

For more information:

Visit CSLB's Web site at www.cslb.ca.gov.

Scope

Scope

This chapter discusses the law under which state and local agencies contract for construction projects, goods, and services. The chapter focuses on prequalification of prospective bidders, bidding procedures, protests against misawards of contracts, bidder relief in construction contracting, and contract dispute resolution procedures. It covers the laws governing state and local contracts and the qualifying, bidding, and awarding process. It also includes discussion of the types of special assistance available to small businesses, businesses in distressed areas, disabled veteran owned businesses.

The Transaction Guide enumerates the determinations the attorney must make before he or she can assist a client in qualifying as a responsible bidder and in obtaining the small business, distressed area, program area, and disabled veteran business preferences that are available to eligible firms. It includes the procedures for prequalifying a prospective bidder to bid on contracts for construction projects, supplies, or services, a guide to the submission of bids, the procedures for the limited relief available for bid mistakes in construction contracting, and protests against the award of contracts. Also covered are procedures governing the substitution of subcontractors after the award of a contract, and the resolution of contract disputes.

Forms include an illustrative bid proposal package for the State Contract Act, a small business and/or disabled veteran business enterprise application, an escrow agreement for use in lieu of a performance bond, a supplier's application for state bidders list, and forms for protesting awards and claiming bidder relief.

For coverage of contracts with the federal government, see Ch. 90B, *Federal Government Contracts* . For discussion of construction issues, see Ch. 30A, *Construction Financing* , Ch. 30C, *Agreements With Architects, Engineers, and Other Design Professionals* , and Ch. 30D, *Construction Contracts and Subcontracts* . Discussion of a contractor's duty to be licensed is covered in Ch. 88, *Licensing of Contractors* . For general coverage of contract issues, refer to Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , and Ch. 77, *Discharge of Obligations* .

PART II. LEGAL BACKGROUND
A. Governing Law

29-90A California Legal Forms--Transaction Guide § 90A.10

§ 90A.10 Authority for Construction Projects

[1] In General

Projects involving the construction, alteration, repair, or improvement of any state structure, improvement, or road are subject to the State Contract Act [*see* PC Code § 10100 et seq.; *but see Zumbrun Law Firm v. California Legislature (2008) 165 Cal. App. 4th 1603, 1616-1617, 82 Cal. Rptr. 3d 525* (Public Contract Code does not apply to contracts by California Legislature)] if the cost exceeds $100,000, adjusted as provided by statute [*see* PC Code § 10105(b)]. For calendar year 1995 and at two-year intervals thereafter, the Director of Finance will adjust the total cost limit to reflect the percentage change in the annual California Construction Index [PC Code § 10105(b)]. Covered projects include construction projects originated by the Department of Water Resources, the Department of General Services, the Department of Boating and Waterways, the Department of Corrections, and the Department of Transportation [PC Code § 10106]. However, notwithstanding the monetary limit stated above, work on a project in excess of $25,000 that would otherwise constitute a project may not be done by day labor unless the statutory requirements for a day labor contract are met [PC Code § 10122.6; *see* PC Code § 10122 (requirements for day labor contract)].

The State Building Construction Act of 1955 ("Building Construction Act") [*see Gov. Code § 15800 et seq.*] provides that the State Public Works Board [*Gov. Code § 15802(a)* ("Board")] may acquire and construct public buildings when the legislature authorizes it to do so [*Gov. Code § 15808*; *see Gov. Code § 15809* (powers of Board)]. However, the Board's construction projects generally are subject to the State Contract Act [*Gov. Code § 15815(a)*; *see Gov. Code § 15815(b)* (exceptions for University of California and California State University), discussed in*§ 90A.11*; *Gov. Code § 15815(c)* (exception for court facilities constructed under auspices of Administrative Office of the Courts in accordance with *Gov. Code § 70374*)], and the Building Construction Act itself is merely supplemental to powers conferred by other laws (including the State Contract Act) [*Gov. Code § 15803*]. Consequently, although the State Public Works Board may be in charge of a construction project, contracting for the project will be governed by the State Contract Act as well as the State Building Construction Act.

[2] Authority for Counties, Cities, and Local Agencies

Construction contracts for counties, cities, and local districts and agencies are governed by the Local Agency Public

Construction Act [*see* PC Code § 20100 et seq.]. For discussion of relevant provisions of the Act, see*§ 90A.40*.

PART II. LEGAL BACKGROUND
A. Governing Law

29-90A California Legal Forms--Transaction Guide § 90A.11

§ 90A.11 Authority for School Construction

[1] University of California

For construction or improvement projects exceeding $50,000 [*see* PC Code § 10500 ("project" defined)], the University of California must engage in competitive bidding [PC Code § 10501; *see* PC Code § 10500-10506 (purpose and procedures); *see also Gov. Code § 15815(b)(1)* (exempting Regents of University of California from certain rules relating to state building construction)]. For further discussion of University of California bidding procedures and coverage of University supplies contracts, see*§ 90A.24*.

[2] California State University

The California State University must award contracts for construction, repair, and improvement projects estimated to cost more than $5,000 [*see* PC Code § 10701(a) ("project" defined)] by competitive bidding [PC Code § 10705(b); *see Gov. Code § 15815(b)(2)*]. However, if the state's best interests are served, the Trustees of the University may carry out work that exceeds $5,000, but not more than $20,000, by day labor [PC Code § 10705(b)]. For further discussion of contracts with the California State University and coverage of State University supplies contracts, see*§ 90A.25*.

[3] School Districts and Community Colleges

The State School Building Aid Law of 1949 [*see Ed Code § 15700 et seq.*] requires that school district and community college construction contracts must be let under competitive bidding [PC Code § 20106; *see* PC Code §§ 20105-20107 (procedures)]. The Department of General Services administers the State School Building Aid Law [*Ed Code § 15702*; *see Gov. Code § 14651* (Department's duties and powers)]. Other school district contracts for public projects involving an expenditure of $15,000 or more are also subject to competitive bidding [PC Code § 20111(b); *see* PC Code §§ 20110-20118.4 (procedures)]. However, in connection with the procurement of computers, software, telecommunications equipment, microwave equipment, and related electronic equipment, a school district may use alternate competitive negotiation methods instead of competitive bidding [*see* PC Code § 20118.2(a); *see* PC Code § 20118.2(d) ("competitive negotiation" discussed)].

PART II. LEGAL BACKGROUND
A. Governing Law

29-90A California Legal Forms--Transaction Guide § 90A.12

§ 90A.12 Authority for Acquisition of Goods and Services

In general, all state agency contracts for (1) the acquisition of goods or elementary school textbooks, (2) services, (3) the construction, alteration, improvement, repair, or maintenance of property, or (4) the performance of services by the agency for or in conjunction with a private person or public agency must be approved by the Department of General Services [PC Code § 10295(a); *see* PC Code § 10290(d) (*goods* means all types of tangible personal property, including materials, supplies, and equipment)]. These contracts are subject to competitive bidding requirements and other procedures [*see* PC Code § 10290 et seq.]. State agencies seeking to acquire information technology goods or services must comply with a specific separate statutory scheme [*see* PC Code §§ 12100-12113]. In addition, state agencies are encouraged to use products made from recycled materials [*see* PC Code § 12153].

There is no statutory definition of "state agency" as the term is used in PC Code § 10295. However, the term does not include any agency in the judicial branch [*Los Angeles County Dependency Attorneys, Inc. v. Department of Gen. Servs. (2008) 161 Cal. App. 4th 230, 240, 73 Cal. Rptr. 3d 817* (Administrative Office of the Courts is not state agency required submit contract for services to Department of General Services for review and approval)].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 90A STATE GOVERNMENT CONTRACTS
PART II. LEGAL BACKGROUND
A. Governing Law

29-90A California Legal Forms--Transaction Guide § 90A.13

§ 90A.13 Rules for Certain Professional Service Contracts

[1] In General

A state or local agency head [*see Gov. Code § 4525(b),(c)* (definitions)] must select certain professional services on the basis of demonstrated competence and on the professional qualifications necessary for the satisfactory performance of the services required, rather than on the basis of competitive bidding. Professional services subject to this rule include private architectural, landscape architectural, engineering, environmental, land surveying, and construction project management firms [*Gov. Code § 4526*; *see Gov. Code § 4525(d)-(f)* (definitions)]. Agency heads must adopt procedures that ensure that these services will be engaged on the basis of demonstrated competence and relevant qualifications, and at fair and reasonable prices to the public agencies. The procedures must also ensure maximum participation of small business firms [*see Gov. Code § 14837(d)* ("small business" defined)]. In addition, the procedures must specifically prohibit practices that might result in unlawful activity (such as rebates, kickbacks, or other unlawful consideration), and must specifically prohibit interested government agency employees from participating in the selection process [*Gov. Code § 4526*; *see Gov. Code § 87100* (public officials must avoid conflicts of interest)].

Any firm proposing to provide construction project management services must provide evidence of expertise and experience in construction project design review and evaluation, construction mobilization and supervision, bid evaluation, project scheduling, cost-benefit analysis, claims review and negotiation, and general management and administration of a construction project [*Gov. Code § 4529.5*]. State agency heads must encourage firms to submit this data annually [*Gov. Code § 4527*]. If the selection is made by a state agency head, that official must make a statewide announcement of all projects requiring architectural, landscape architectural, engineering, environmental, land surveying, or construction project management services through publications of the respective professional societies [*Gov. Code § 4527(a)*]. State agency heads must evaluate current statements on file, and all those submitted for the project, and must discuss the requirements of the project with at least three firms, selecting (in order of preference) at least three of those firms deemed most qualified [*Gov. Code § 4527(a)*]. When a firm is selected, the state agency head must provide the selected firm with written instructions and other information necessary to proceed with the negotiation and execution of the contract in an orderly and timely fashion [*Gov. Code § 4526.5*; PC Code § 6106], and must follow statutory negotiation procedures [*see Gov. Code § 4528*].

When the selection is to be made by a local agency head, the procedures outlined above are optional, except for those involving the prohibition of unlawful activity and participation in the selection process by interested agency employees [*Gov. Code §§ 4527(b), 4528(b)*]. None of these procedures applies if the state or local agency head determines that the services needed are of a more technical nature and involve little professional judgment, and that requiring bids would be in the public interest [*Gov. Code § 4529*].

[2] Use of Private Contractors for Engineering and Architectural Services

Cal. Const., art. XXII, and The Fair Competition and Taxpayer Savings Act (Act) [*Gov. Code § 4529.10 et seq.*], approved by California voters on November 7, 2000, allow the state and local governments to contract with qualified private entities for architectural and engineering services for all phases of a public works project [*see* Cal. Const., art. XXII; *see also Gov. Code § 4529.20* (Act applies to charter cities as well as all other governmental entities)]. "Architectural and engineering services" include, in this context, all architectural, landscape architectural, environmental, engineering, land surveying, and construction project management services [*Gov. Code § 4529.10*; *see Gov. Code § 4529.15*]. In addition, all projects in the State Transportation Improvement Program (STIP) are covered by the requirements of Cal. Const., art. XXII [*see Gov. Code § 4529.11*]. The STIP includes public work projects to increase the capacity of the state's highways and to provide transit capital improvements, such as new freeways, new interchanges, and passenger rail rights-of-way. However, the Act does not prohibit or restrict the legislature's authority to provide different procurement methods for design-build projects or design-build-and-operate projects [*Gov. Code § 4529.13*].

All architectural and engineering services must be procured through a fair, competitive selection process that avoids conflicts of interest or unlawful activities [*Gov. Code § 4529.12*].

Private firms contracting for architectural and engineering services with governmental entities must meet established design, seismic, safety, or construction standards [*Gov. Code § 4529.13*]. Private firms must also comply with standard accounting practices and permit financial and performance audits, as necessary, to ensure that contract services are delivered within the agreed schedule and budget [*Gov. Code § 4529.14*].

§ 90A.14 Agencies Overseeing Construction Contracts

The Department of General Services provides centralized services, including the construction of state buildings [*see Gov. Code § 14600*], and is authorized to exercise all functions and powers vested in the Department of Transportation, the Division of Architecture, or the State Architect with respect to the construction, alteration, repair, or improvement of state buildings [*see Gov. Code §§ 14650, 14651, 14654*]. It also has jurisdiction over the construction of school and state college buildings [*Gov. Code § 14651*].

If a project is not placed by law under the jurisdiction of the Department of General Services [*see Gov. Code § 14600*], the Department of Water Resources [*see Water Code § 120*], the Department of Boating and Waterways [*see H&N Code § 65*], or the Department of Corrections [*see Pen Code § 7000*], the project will be administered by the Department of Transportation [PC Code § 10107]. However, any department may delegate contracting authority to other state agencies for projects costing $400,000 or less [*see* PC Code § 10108], and the Department of Parks and Recreation may be authorized to carry out historic restoration work for state parks [*see* PC Code § 10110].

§ 90A.15 Contracts with Expatriate Corporations

Absent a compelling public interest, the state generally may not enter into any agreement or contract with any publicly held expatriate corporation [PC Code § 10286.1(a); see PC Code § 10286.1(b)(2), (c)(f) (exceptions)]. For these purposes, an "expatriate corporation" is a United States-based company that has moved in name and on paper only to a tax haven country and has no substantial business activity in the country of reincorporation [see PC Code § 10286.1(b)(1); 2003 Stats., ch. 567, § 1 (statement of legislative intent)].

All state agencies, as a condition of the contract, must require any vendor that is offered a contract to do business with the state to submit a declaration stating that the vendor is eligible to contract with the state, in accordance with PC Code § 10286.1 [PC Code § 10286.1(d)(2)].

With two exceptions, this law applies to contracts entered into on or after January 1, 2004 [PC Code § 10286.1(e)(1)]. First, with respect to an entity that was a expatriate corporation before January 1, 2004, this law applies to contracts entered into on or after April 1, 2004 [PC Code § 10286.1(e)(2)]. Second, this law does not apply to a credit card purchase of goods of $2,500 or less, provided that the total amount of the exemption does not exceed $7,500 per year for each company from which a state agency is purchasing goods by credit card [PC Code § 10286.1(f)].

§ 90A.20 Licensing of Contractors

Contractors are subject to the Contractors' State License Law [*see B&P Code § 7000 et seq.*; *see also* Ch. 88, *Licensing of Contractors*]. It is a misdemeanor to engage in the business or act in the capacity of a contractor without a contractor's license, unless the person is particularly exempted from the provisions governing contractors [*B&P Code § 7028(a)*; *see B&P Code § 7040 et seq.* (exemptions)]. However, when federal funds are involved, a bidder is not required to have a California contractor's license at the time of the bid, but must be properly licensed at the time of the award. Any bidder or contractor not properly licensed is subject to penalties. Moreover, the failure to obtain licensing for an award will constitute a failure to execute the contract and result in forfeiture of the bid security [PC Code § 10164].

In public works contracts [*see* PC Code § 1101 ("public works contract" defined)], the awarding authority will determine the license category necessary to bid and perform the project. The awarding authority may not award a prime contract to a specialty contractor whose classification constitutes less than a majority of the project. When a specialty contractor does bid a project, all work to be done outside of that contractor's license specialty must be done by a licensed subcontractor, except for incidental and supplemental work [*B&P Code § 7059(b)*; *see M & B Construction v. Yuba County Water Agency (1999) 68 Cal. App. 4th 1353, 1360-1362, 81 Cal. Rptr. 2d 231* (*B&P Code § 7059(b)* expressly grants authority to consider license classifications in determining whether bidder is qualified to bid on contract; therefore, in soliciting bids for canal and pipeline project, agency could restrict bidding to contractors holding particular class of license)]. For discussion of the incidental and supplemental work a contractor may perform outside of his or her classification, see Ch. 88, *Licensing of Contractors* .

PART II. LEGAL BACKGROUND
B. The Contracting Process

29-90A California Legal Forms--Transaction Guide § 90A.21

§ 90A.21 Construction Contracts Under State Contract Act

[1] Advertising for Contract Bids

For most state construction projects [*see § 90A.10*], contracting agencies must solicit bids when the estimated cost of the construction project will exceed $25,000. However, informal day labor contracts may be available for up to $35,000 ($50,000 for contracts for district agricultural association fair projects) if the director of the contracting agency determines that the best interests of the state would not be served by the usual bidding procedures [PC Code § 10108; *see* PC Code § 10122 (performance of work by day labor in emergency situations or when bid procedure would not be in best interest of state)].

Public notice of a proposed project must be given by publication once a week for at least two consecutive weeks in a newspaper of general circulation in the county involved (or, if more than one county is involved, in a newspaper in the county where a major portion of the work is to be done) [PC Code § 10140(a)], and in a trade paper of general circulation in Los Angeles for projects located in Southern California (San Luis Obispo, Kern, Mono, Tulare, Inyo, Santa Barbara, Ventura, Los Angeles, San Bernardino, Orange, Riverside, San Diego, and Imperial counties) or in San Francisco for the counties located in Northern California [PC Code § 10140(b); *see Gov. Code §§ 6000-6008* (publications and official advertising); *see also* S&H Code § 187 (county groupings for purpose of allocating state highway funds)].

The notice must state the time and place for receiving and opening the sealed bids, and describe the work to be done in general terms. It must also state that bids will be required for the entire project or for the performance of separate designated parts of the project if the Department of General Services determines that division of the project into smaller parts is advisable [PC Code § 10141].

[2] Prequalification of Bidders

Prospective bidders may be required to prequalify before submitting a bid on projects. A contracting department has discretion to require prospective bidders to prequalify, that is, to complete, verify, and submit a standard questionnaire and financial statement, including a complete statement of the prospective bidder's financial ability and experience in

performing public works. Whenever a contracting department requires any bidder to prequalify on a contract, the department must require all prospective bidders to that contract to prequalify [PC Code § 10160].

Prequalification is initiated by answering a confidential financial statement and questionnaire [PC Code §§ 10160, 10165; *see § 90A.100*]. The Department of General Services applies a uniform system in evaluating prospective bidders for prequalification, rating them on the basis of the financial and other data included in their completed questionnaires [*see* PC Code § 10163].

Bids must be presented on standard proposal forms furnished by the Department. Because the Department will not furnish proposal forms to those who are required to submit the questionnaire and financial statement but who have not been prequalified by the Department on the basis of those forms at least five days before the date fixed for opening bids [*see* PC Code § 10166], it is crucial for any firm likely to bid on a California state construction contract to prequalify. For a discussion of the bidding process, see [3], *below*.

When bids for more than one project are to be received at the same bid opening, a bidder may submit bids for each project within the dollar amount of its prequalification rating, even if the rating is insufficient to permit the bidder to be awarded a contract for each project [PC Code § 10163]. However, the bidder will not be awarded a contract if the award would result in the bidder having contract work in excess of the amount authorized by the prequalification rating. If it is ultimately determined that the bidder would be awarded the contract for more than one project, but the rating is inadequate to handle all of the projects to be awarded, the Department will determine which bids will be accepted and which will be disregarded by making awards that will result in the lowest total cost for all projects involved [PC Code Contract Code § 10163].

The Department may also require prospective bidders to complete a standard questionnaire concerning the past safety record of the bidder, any officer of the bidder, and any managing employee of the bidder. A prospective bidder may be refused prequalification if it fails to submit the completed questionnaire when required, or if the information contained in the questionnaire indicates a continuing unsatisfactory safety record [PC Code § 10161].

All prospective bidders are required to complete a questionnaire indicating whether the bidder, any of its officers, or any of its employees having a proprietary interest in the bidder have ever been disqualified, removed, or otherwise prevented from bidding on or completing any government project because of a violation of law or a safety regulation. If there is any such history, the bidder must explain the circumstances. A bid may be rejected if the questionnaire reveals that the bidder has been disqualified, removed, or otherwise barred [PC Code § 10162].

[3] The Bidding Process

Bids must be submitted on forms provided by the Department [PC Code § 10166; *see, e.g., § 90A.200[2]*].

All bids must be sealed and accompanied by a bond or other undertaking, cash, certified check, or cashier's check equal to at least 10 percent of the amount bid [PC Code § 10167; *see CCP § 995.210(a)* (undertaking may satisfy requirement of statutory bond)]. Bids may not be received after the time stated in the public notice of the procurement for the opening of bids [PC Code § 10168]. A bid may be withdrawn any time before actual opening, on written request of the bidder filed with the Department for which the work is to be performed [PC Code § 10169].

[4] Award of Contract

On the day specified in the public notice, the Department will open the sealed bids and award the contract to the lowest responsible bidder [PC Code § 10180]. The director of the department receiving bids may, however, determine that accepting the lowest responsible bid is not in the best interest of the state and, after stating the reason for rejection, may reject all bids and complete the project by day labor or advertise it again for bids [PC Code § 10185]. The bidder who

submits the lowest bid does not have the right to have that bid accepted when all bids are rejected, even when the Department's cost estimate is not accurate. Rejection of all bids in the best interest of the state is allowed if the Department doubts that a contract based on such an estimate would be legally valid [*Charles L. Harney, Inc. v. Durkee (1951) 107 Cal. App. 2d 570, 579-580, 237 P.2d 561]* .

If the successful bidder refuses to execute the contract and the Department deems it in the best interest of the state, the contract may be awarded to the next lowest bidder [PC Code § 10182].

An "award" occurs when a written contract is tendered by the state to the successful bidder for execution [*Saliba-Kringlen Corp. v. Allen Engineering Co. (1971) 15 Cal. App. 3d 95, 107, 92 Cal. Rptr. 799]* . If the successful bidder fails to execute the contract, any bond or other security submitted with the bid will be forfeited [PC Code § 10181]. Failure to furnish any required payment or performance bond constitutes a failure to execute the contract [PC Code § 10183]. However, there is the possibility that the forfeiture can be recovered following the timely filing of a notice of bid mistake [*see § 90A.51*]. Awarded contracts are not binding on the state until approved by the Attorney General or the attorney authorized to represent the department under which it is to be performed [*see* PC Code § 10220].

Before awarding a contract for work to be performed by a contractor, a state agency [*see* PC Code § 10335.7 (definition)] must verify that the person seeking the contract is licensed in a classification appropriate to the work to be undertaken. Verification may be accomplished by checking with the Contractors' State License Board or by requiring the person seeking the contract to present his or her pocket license and to provide a signed statement regarding the validity of the license [PC Code § 6100].

A state agency must not award a public works or purchase contract to a bidder or contractor who, in the preceding five years, has been convicted of violating a state or federal law regarding the employment of undocumented aliens [PC Code § 6101].

[5] Contract Requirements

Contracts under the State Contract Act must be approved by the appropriate state attorney before they are binding on the state [*see* PC Code § 10220]. All contracts must provide that performance and payment bonds be filed by the contractor [PC Code § 10221; *see* PC Code § 10222 et seq. (purpose and procedures)]. Contracts must also specify completion times, and provide for decreased compensation for delays [*see* PC Code § 10226]. Contracts must allow the Department to make changes in plans and specifications [PC Code § 10227]. Contractors are required to certify that they will comply with pollution and recycled product requirements [*see* PC Code §§ 10231, 12200 et seq.].

[6] Modification of Contract

The State Contract Act allows the Department of General Services to alter contracts. The Department may revise the amount of work to be done under a unit-basis contract [PC Code § 10250]. In any contract, the Department may require extra work and additional materials if all bidders had an equal opportunity to know the proposed terms of the extra work [PC Code § 10251]. If necessary, the Department may grant time extensions to complete extra work [PC Code § 10252]. The Department may seek remedies against contractors who default in performing additional work [*see* PC Code § 10253 et seq.], and may complete the work by informal contracts [*see* PC Code § 10255 et seq.].

CHAPTER 90A STATE GOVERNMENT CONTRACTS
PART II. LEGAL BACKGROUND
B. The Contracting Process

29-90A California Legal Forms--Transaction Guide § 90A.22

§ 90A.22 Acquisition of Goods and Services

[1] Acquisition of Goods

[a] Authority

The Department of General Services has general authority to establish statewide acquisition standards to ensure the necessary quality of goods acquired by and under the supervision of the Department and to permit consolidation of acquisitions to effect greater economies in state contracting [*see* PC Code §§ 10307, 10308; *see also* PC Code § 10295 et seq. (contracts void unless approved by Department)]. Virtually every acquisition of goods in excess of $100 for any state agency is made by or under the supervision of the Department [*see* PC Code § 10308], although authority may be delegated by the Department to individual state agencies [*see* PC Code §§ 10309, 10332, 10333].

[b] Competitive Bidding Procedure

Contracts for the acquisition or lease of goods amounting to $25,000, or a higher amount as established by the Director of the Department of General Services, must be awarded to the lowest responsible bidder meeting the specifications [PC Code § 10301]. The state agency, however, may specify the quality of goods to be acquired. If the quality of goods specified is inconsistent with the statewide standards established by the Department of General Services (*see* [a], *above*), but the agency nevertheless is of the opinion that the state's interests would be best served by the acquisition of the particular goods, the agency may request a hearing before the State Board of Control. If the State Board of Control approves the purchase of the goods, the Department must issue a contract [PC Code § 10308]. Competitive bidding is not required in emergencies when immediate purchase of goods without bid is necessary for the protection of public health, welfare, or safety [PC Code § 10302].

When the Department contracts for goods in excess $25,000, or a higher amount as established by the Director, the Department must advertise in the California State Contracts Register. On request, the Department must furnish interested suppliers with copies of the solicitation [PC Code § 10302]. The department also must post a public copy of the solicitation until seven days after an award has been made [PC Code § 10302]. The Department must adopt and apply uniform standards for vendors based on questionnaires and statements, and may publish lists of qualified vendors

[PC Code § 10303].

All bids must be sealed, and will be publicly opened and read at the time stated in the solicitation. Late bids will not be considered [PC Code § 10304]. Tabulations of bids must be completed within seven days [PC Code § 10305]. Ordinarily, the award is made to the lowest responsible bidder [*see* PC Code § 10301]. If the award is not made to the lowest bidder, the lowest bidder must be notified before awarding the contract to another bidder [PC Code § 10306]. Protests may be filed [*see* PC Code § 10306; *see also §§ 90A.50[2]*].

[2] Acquisition of Information Technology Goods and Services

The Department of General Services has authority to acquire information technology goods and services [PC Code § 12100]. This authority may be delegated to other agencies [PC Code § 12101(c)]. Acquisitions generally must be made competitively [PC Code § 12101(b); *see* PC Code § 12102(a) (exceptions)].

[3] Procurement of Services

[a] Authority

Except as provided in PC Code § 10351, governing contracts under $75,000, contracts for the procurement of services must be approved by the Department of General Services and competitively bid [*see* PC Code § 10335(a); *see also* PC Code §§ 10336, 10337 (review of contracts by Department of Finance and by State Personnel Board, respectively)]. This approval and bidding requirement applies to all contracts, including amendments, entered into by any state agency for services to be rendered to the state government, regardless of whether the services involve the furnishing and use of equipment, materials, or supplies, or are performed by an independent contractor [PC Code § 10335(a); *see* PC Code § 10335.7 ("state agency" defined); *see also* PC Code § 10335(d) (exceptions to requirement that Department approve contract modifications or amendments)].

Until January 1, 2001, contracts for consulting and personal services [*see* former PC Code § 10356(a) ("consulting services contract" defined)] were subject to separate standards and regulation under former Article 5 of the Public Contract Code, "Consulting Services Contracts" [former PC Code § 10355 et seq.]. Effective January 1, 2001, however, the provisions regulating procedures for the procurement of consulting services and personal services [*see* PC Code § 10335.5 ("consulting services contract" defined)] were consolidated with those regulating contracts for services generally [*see* PC Code § 10335(a); 2000 Stats., Ch. 759]. Specific provisions applicable to consulting services contracts are discussed in*§ 90A.23*.

The following contracts are not subject to Article 4 of the Public Contract Code (*see* PC Code § 10335 et seq.), governing contracts for services [PC Code § 10335(a)]:

- Contracts for the construction, alteration, improvement, repair, or maintenance of real or personal property.

- Contracts for services subject to *Gov. Code § 4525 et seq.*, governing construction project management firms.

- Contracts listed as exceptions to PC Code § 10295 [*see § 90A.12*].

- Contracts of less than $5,000, or contracts of less that $5,000 when only per diem or travel expenses, or a combination of the two, are to be paid.

- Contracts between state agencies, or contracts between a state agency and a local agency or federal

agency.

[b] Competitive Bidding Procedure

Competitive bidding with at least three bids or proposals is generally required for contracts for services [*see* PC Code § 10340(a)]. However, three competitive bids or proposals are not required in any of the following cases:

- In emergency procurements [PC Code § 10340(b)(1)].

- When the agency awarding the contract has advertised the contract in the California State Contracts Register and the agency has solicited all known potential contractors but received less than three bids or proposals [PC Code § 10340(b)(2)].

- When the contract is with certain governmental bodies [*see* PC Code § 10340(b)(3)].

- When the contract meets the conditions prescribed by the Department for awards without competition and determinations of cost reasonableness [PC Code § 10340(b)(4); *see* PC Code § 10348(a) (required conditions)].

- When the contract was awarded without advertising or invitations for bids under *W&I Code § 19404*, governing use of material, supplies and labor provided by community rehabilitation programs [PC Code § 10340(b)(5)].

- Contracts entered into in accordance with *Gov. Code § 14838.5* (awards of contracts with value of greater than $5,000 and less than $250,000 to small businesses) [PC Code § 10340(b)(6); *see Gov. Code § 14838.5(a)*].

- Contracts for the development, maintenance, administration, or use of licensing or proficiency testing examinations [PC Code § 10340(b)(7)].

When competitive bidding is required, solicitations for bids may not be drafted in a manner that limits bidding directly or indirectly to only one bidder [PC Code § 10339(a)].

Bids received before the closing time stated in the solicitation must be publicly opened at the stated time, and the dollar amount of each bid must be read [PC Code § 10341]. Late bids will not be considered [*see* PC Code § 10341]. After bid opening, all bids will be available for public inspection [PC Code § 10342].

Ordinarily, the award is made to the lowest responsible bidder [*see* PC Code § 10345(a)]. If the award is not made to the lowest bidder, the lowest bidder must be notified before awarding the contract to another bidder [*see* PC Code § 10345(a)]. Protests may be filed [*see* PC Code § 10345(a)(2); *see also § 90A.50[3]*].

A contract for the procurement of services in excess of $200,000, other than consulting services contracts, must include a provision requiring the contractor to give priority consideration in filling vacancies in positions funded by the contract to persons receiving payments from the California Work Opportunity and Responsibility to Kids (CalWORKS) program [PC Code § 10353; *see W&I Code § 11200 et seq.*]. However, this requirement will not be construed to interfere with or violate any union contract or federal affirmative action or veterans' preference, require the contractor to hire unqualified persons, or result in discrimination [PC Code § 10353].

[c] Request for Proposal Procedure

Contracts for services may also be awarded under a procedure that makes use of a request for proposal [*see* PC Code § 10344]. In general, the contracting agency must issue a request for proposal that describes the work to be performed or services to be provided, describes the format for proposals, states the standards that the agency will use to evaluate proposals, and sets forth the deadline for submission [PC Code § 10344(a)]. Proposals must be evaluated and the contract awarded according to established requirements and standards [*see* PC Code § 10344(b),*(c)*]. The contract must be awarded to the lowest responsible bidder meeting the standards [PC Code § 10344(b)(3)].

CHAPTER 90A STATE GOVERNMENT CONTRACTS
PART II. LEGAL BACKGROUND
B. The Contracting Process

29-90A California Legal Forms--Transaction Guide § 90A.23

§ 90A.23 Consulting Services Contracts

[1] Authority

Contracts for consulting services, including any amendments to those contracts, must be approved by the Department of General Services [*see* PC Code § 10335(a) (requiring Department approval for all contracts, except those under $75,000, if specified conditions are met); *see also § 90A.22[3][a]*]. "Consulting services contracts" cover services that do all of the following [PC Code § 10335.5(a)]:

- Are of an advisory nature.
- Provide a recommended course of action or personal expertise.
- Have an end product that is (basically) a transmittal of information, either written or verbal, that is related to the governmental functions of state agency administration and management and program management or innovation [*see* PC Code § 10335.7 ("state agency" defined)].
- Are obtained by awarding a contract, a grant, or any other payment of funds for services of the above type. The product may include anything from answers to specific questions to design of a system or plan, and includes workshops, seminars, retreats, and conferences for which paid expertise is retained by contract.

However, the following consulting services contracts are exempt from the advertising and bidding requirements of Article 4 of the Public Contract Code (PC Code § 10335 et seq.) [PC Code § 10335.5(c); *see* PC Code § 10340 et seq. (advertising and bidding procedures); *see also § 90A.22[3][b]*]:

- Contracts that are temporary or time-limited appointments to a nontesting civil service classification for the purpose of meeting a time-limited employment need. Selection and compensation for these appointments must be made in accordance with state civil service requirements. Payment under a

consulting service contract may be on the basis of each hour or day devoted to the task or in one lump sum for the end product.

- Contracts that can only be performed by a public entity (*see UI Code § 605(b)* (definition).
- Contracts solely for the purpose of obtaining expert witnesses for litigation.
- Contracts for legal defense, legal advice, or legal services.
- Contracts in an amount of less than $5,000.
- Contracts entered into pursuant to *Gov. Code § 14838.5* (awards of contracts with value of greater than $5,000 and less than $250,000) [*see Gov. Code § 14838.5(a)*].

In addition, consulting services contracts do not include the following [PC Code § 10335.5(b)]:

- Contracts between a state agency (*see* PC Code § 10335.7 (definition)) and the federal government.
- Contracts with local agencies (*see* R&T Code § 2211 (definition)) to subvene federal funds for which no matching state funds are required.

Advertising and bidding procedures generally applicable to consulting services contracts are discussed in *§ 90A.22[3][b]*.

[2] Rules Specifically Applicable to Consulting Services Contracts

[a] In General

Each state agency may, regardless of the fiscal amount involved, use private resources for consulting services contracts only when the quality of work of the private resources is at least equal to the quality of state agency operated resources [PC Code § 10371(a)].

[b] Contents of Contracts

The Department of General Services will ensure that every consultant services contract contains standard language that fully informs the contractor of his or her duties, obligations, and rights under Article 4 of the Public Contract Code [PC Code § 10335 et seq.] and any additional contractor rights and obligations which the Department determines should be included [PC Code § 10381(b); *cf.* PC Code § 10367(a) (contractor of services must be advised in writing on standard contract form that contractor's or contractor's firm's performance under the contract will be evaluated)]. Each consulting services contract must have a provision for settlement of contract disputes [PC Code § 10381(c)].

[c] Approval Procedures

Any state agency that enters into or expects to enter into more than one consulting services contract with the same individual, business firm, or corporation within a 12-month period for an aggregate amount of $12,500 or more, must notify the Department in writing and must have Department approval for each contract that exceeds an aggregate amount of $12,500 [PC Code § 10371(b)]. Further, before signing a consulting services contract totaling $5,000 or more, each state agency must prepare detailed criteria and a mandatory progress schedule for the performance of the contract. The state agency also must require each selected contractor to provide a detailed analysis of the costs of performing the contract [PC Code § 10371(c)].

In addition, no consulting services contractor may be awarded a contract totaling $5,000, or more, unless all of the following apply [PC Code § 10371(e)(1), (2)]:

- The state agency has reviewed any contractor evaluation form on file with the department in accordance with PC Code § 10369 (requiring completion of post-evaluation form) [*see* PC Code § 10371(f) (special evaluation procedures beyond the post-evaluation); *see also* PC Code § 10371(h) (enforcement of proper use of post-evaluation forms)].

- A completed resume for each contract participant who will exercise a major administrative role or major policy or consultant role, as identified by the contractor, is attached to the contract for public record and is made a part of the contract.

The department must notify a state agency seeking approval of a proposed contract within 10 working days if it has a negative evaluation in its files on a previous contract awarded to this contractor [PC Code § 10371(e)(3)].

Except in an emergency [*see* PC Code § 10371(d) (definition)], no consulting services contract may be begun without formal approval by the Department or, if the Department's approval is not otherwise required, by the director of the state agency. No payments for any consulting services contract may be made before this approval of the award [PC Code § 10371(d)].

Sole-source contracts must be listed in the California State Contracts Register [*see* PC Code § 10371(g)].

These approval procedures apply to all consulting services contracts [PC Code § 10371].

[3] Limitations on Successful Bidders

Once a person, firm, or subsidiary of a firm receives a consulting services contract, it may not bid on or receive another contract for the provision of services, the acquisition of goods or supplies, or any other related action that is required, suggested, or otherwise deemed appropriate as an end product of the consulting services contract [PC Code § 10365.5(a)]. Persons, firms, or subsidiaries of firms receiving a subcontract of a consulting service contract that is no more than 10 percent of the total monetary value of the contract are exempt from this limitation, as are consulting contracts with professional architecture and engineering firms [PC Code § 10365.5(b), (c)].

[4] Negotiations With Professional Consulting Services

State agencies or departments negotiating fees and executing contracts for the professional consulting services of a private architectural, engineering, land surveying, environmental, or construction project management firm must provide written instructions for negotiation after notifying the successful firm of its selection [PC Code § 6106(a)]. Negotiation must begin within 14 days after notification of selection, or on receipt of the cost proposal. If additional time is necessary to begin negotiations, the state should notify the contractor [PC Code § 6106(b)]. On completion of negotiations, the state and private firm must proceed so that the state may complete the contracting process within 45 days. If the state requires more than 45 days, it should notify the contractor. Both the state and the private firm must work together to ensure the successful delivery of the requested services in a timely manner [PC Code § 6106(c)]. If an impasse is reached, the state has the option to terminate the negotiations and enter into negotiations with the next most qualified firm [PC Code § 6106(d); *see Gov. Code § 4528* (negotiation requirements)].

§ 90A.24 Contracts With the University of California

[1] Authority

Under the University of California competitive bidding statutes [*see* PC Code § 10500 et seq.], for construction or improvement projects exceeding $50,000, the Regents of the University of California must award contracts by competitive bidding [PC Code § 10501; *see* PC Code § 10500 ("project" defined)]. The Regents must also award all contracts for acquiring University goods and materials of more than $50,000 to the lowest responsible bidder [PC Code § 10507.7]. However, the Regents do not need to provide for competitive bidding for certain unique products and services, as long as the price is determined to be reasonable [PC Code § 10508].

[2] Advertising for Contract Bids

The Regents must give public notice of a project by publication twice within the 60-day period preceding the day set for receiving bids [PC Code § 10502]. The notice must appear in a newspaper of general circulation published in the county where the major portion of the project is located and in a trade paper circulated in that county [PC Code § 10502(a)]. The notice must state the time and place for receiving and opening the sealed bids, describe the work to be done, and describe how the lowest responsible bidder will be selected [PC Code § 10502(b)].

[3] Awarding of Contract

The Regents must award the contract to the lowest responsible bidder or reject all bids. If one or more bids is substantially equal to the lowest bid, and at least one of those bidders is a disadvantaged business enterprise or disabled veteran business enterprise, the contract may be awarded to that bidder [*see* PC Code § 10500.5]. If a successful bidder refuses or fails to execute a tendered contract, the contract may be awarded to the second lowest responsible bidder [*see* PC Code § 10501].

Before entering into a contract for any project, the Regents must prepare certain estimates, documents, and plans [*see* PC Code § 10503].

PART II. LEGAL BACKGROUND

29-90A California Legal Forms--Transaction Guide § 90A.25

§ 90A.25 Contracts With the California State University

[1] Authority

Under the California State University Contract Law [*see* PC Code § 10700 et seq.], the Trustees of the California State University generally must award contracts for construction, repair, and improvement projects estimated to cost more than $5,000 to the lowest responsible bidder or reject all bids [*see* PC Code § 10705(b); *see also* PC Code § 10701(a) ("project" defined)]. However, if the state's best interests are served, the trustees may carry out work for up to $20,000 by day labor [PC Code § 10705(b)]. Moreover, if the trustees determine, based on the nature of the work, that the application of all the provisions of the California State Contracting Law is not required, they may carry out a project if the estimated cost does not exceed $250,000 [PC Code § 10705(a)]. The trustees may contract with the Department of General Services to carry out their functions in construction contracting [PC Code § 10706], subject to the sole and direct control of the trustees [*see* PC Code § 10704]. The trustees may select a contractor both to design and to build a project; however, the contractor must be chosen through a competitive bidding process [PC Code § 10708(a), (b)].

The trustees also may enter into service contracts [*see* PC Code § 10707].

[2] Advertising for Contract Bids

For contract prices estimated to be $15,000 or less, notice must be published in Los Angeles or San Francisco for two consecutive weeks in a general circulation weekly contract trade paper, and once a week for two consecutive weeks in a newspaper of general circulation in the county where the project is located [PC Code § 10740]. The notice must state the time and place for receiving and opening sealed bids and describe the work to be done [PC Code § 10741].

For contract prices estimated to exceed $15,000, notice must be published once a week for at least two consecutive weeks (or longer as determined by the Trustees) preceding the day set for receiving bids [PC Code § 10742]. Notice must be published in Los Angeles or San Francisco for two consecutive weeks in a general circulation weekly contract trade paper, or, if the trustees so determine, in a newspaper of general circulation in the county where the project is located and in a trade paper in the county group [PC Code § 10742(a), (b); *see* S&H Code § 187 ("county group" defined)]. The notice must state the time and place for receiving and opening sealed bids and that bids are required for

the entire project or for segregate designated parts of the project, if the trustees determine that segregation is advisable [PC Code § 10743].

[3] Prequalification of Bidders

For contracts with the California State University estimated to exceed the value of a minor capital outlay project [*see* PC Code § 10108], and for other contracts as the Trustees determine, prospective bidders must complete a form questionnaire and provide a financial statement, intended to show the bidder's financial ability and experience in performing public works. The questionnaire and financial statement must be verified under oath [PC Code § 10760; *see* PC Code § 10763 (questionnaires and financial statements are not public)]. The Trustees must adopt and apply a uniform system for rating bidders, based on the questionnaire and financial statement [PC Code § 10761].

[4] Submission of Bids

Sealed bids must be submitted on furnished standard proposal forms and must be accompanied by bid security [PC Code §§ 10764, 10765(a)]. Bids may be submitted electronically, provided the bidder submits the required security within 24 hours after the opening of bids [PC Code § 10765(b); *see* PC Code § 1601 (authority to receive bids and supporting materially over the Internet)]. Bids may not be accepted after the time specified for opening bids [PC Code § 10766]. Bids may be withdrawn before the time for opening of bids only on written request filed with the Trustees. Bids may not be withdrawn after that time [PC Code § 10767].

[5] Awarding of Contract

On the day stated in the notice, the Trustees must publicly open the sealed bids and award the contract to the lowest responsible bidder [PC Code § 10780; *see* PC Code § 10780.5 (procedures for determining lowest bidder if additions or deletions from base bid are considered)]. If the successful bidder refuses or fails to execute the tendered contract, that bidder's security is forfeited and the contract may be awarded to the second lowest responsible bidder [PC Code §§ 10781, 10782; *see* PC Code §§ 10820-10827 (contract requirements)].

Ordinarily, work on all projects must be done under contract awarded to the lowest responsible bidder [PC Code §§ 10722, 10780]. However, in emergencies or when the best interests of the state otherwise dictate, work may be performed by day labor under the direction of the Trustees [PC Code § 10722(a), (b)]. When employing day labor, work may be let by contract on informal bids [PC Code § 10723].

[6] Contract Requirements

Contracts with the California State University are not binding on the state until approved by an authorized attorney [PC Code § 10820]. All contracts must provide for the filing of separate performance and payments bonds in specified amounts [*see* PC Code §§ 10821-10824]. Contracts also must specify a time when work will be completed, and must provide that the Trustees may make contract changes [*see* PC Code §§ 10826, 10827].

[7] Modification of Contract

The Trustees may revise the amount of work to be done under a unit-basis contract [PC Code § 10840]. In any contract, the Trustees may require extra work and additional materials if all bidders had an equal opportunity to know the proposed terms of the extra work [PC Code § 10841]. If necessary, the Trustees may grant time extensions to complete extra work [PC Code § 10842]. The Trustees may seek remedies against contractors who default in performing additional work [*see* PC Code §§ 10843-10845], and complete the work by informal contracts [*see* PC Code §§ 10845-10847].

§ 90A.26 Contract Payments

[1] In General

A state agency that acquires property or services pursuant to a contract with a business, including any approved change order or contract amendment, must make payment to the person or business on the date required by the contract and as required by *Gov. Code § 927.4*, or be subject to a late payment penalty [*Gov. Code § 927.1(a)(1)*; *see Gov. Code § 927.4* (time frames for state agency to issue warrant for payment on undisputed invoices in order to avoid late payment fees). Except in the event of a specified emergency [*see Gov. Code § 927.11*], the late payment penalties specified in the California Prompt Payment of Claims Act [*Gov. Code § 927 et seq.*] may not be waived, altered, or limited by a state agency acquiring property or services pursuant to a contract or by any person or business contracting with a state agency to provide property or services [*Gov. Code § 927.1(b)*].

Except in the case of a contract with a certified small business [*see Gov. Code § 927.2(l)* (definition)], a nonprofit organization, or a nonprofit public benefit corporation [*see Gov. Code § 927.2(e)* (definition)], if an invoice from a business under contract with the Department of Forestry and Fire Protection would become subject to late payment penalties during the annually declared fire season, the required payment approval date will be extended by 30 calendar days [*Gov. Code § 927.11(a)*].

No nonprofit public benefit corporation is eligible for a late payment penalty if a state agency fails to make timely payment because no Budget Act has been enacted [*Gov. Code § 927.11(b)*; *see Gov. Code § 927.11(d)* (penalties available in other circumstances)]. Further, if a state agency or the Controller is unable to promptly pay an invoice due to a major calamity, disaster, or criminal act, the applicable late payment penalty provisions contained in *Gov. Code § 927.6* and *927.7* will be suspended, except as they apply to specified claimants [*see Gov. Code § 927.11(c)*]. This suspension will remain in effect until the State Director of Finance determines that the suspended late payment provisions should be reinstated [*Gov. Code § 927.11(c)*].

Except when payment is made directly by a state agency [*see Gov. Code § 927.6* (applicable penalties for state agencies)], any undisputed invoice received by a state agency must be submitted to the Controller for payment by the

required payment approval date [*Gov. Code § 927.3*; *see Gov. Code § 927.2(j)* (required payment approval date is date specified in contract or, if no date is specified, 30 calendar days following date on which undisputed invoice is received by state agency); *see also Gov. Code § 927.2(i)* ("received by state agency" defined)]. A state agency may dispute an invoice for reasonable cause if the agency notifies the claimant within 15 working days from receipt of the invoice, or delivery of the property or services, whichever is later [*Gov. Code § 927.3*]. State employees may not dispute an invoice on the basis of minor or technical defects [*Gov. Code § 927.3*].

To avoid late payment penalties, a state agency must pay undisputed invoices within 45 calendar days from the date of receipt. If payment is not issued within these 45 calendar days, late payment penalties must be paid to the claimant in accordance with *Gov. Code §§ 927.6* and *927.7* [*Gov. Code § 927.4*].

The preceding rules do not apply to claims for reimbursement for health care services provided under Medi-Cal, unless the Medi-Cal health care service provider is a small business or nonprofit organization [*Gov. Code § 927.5*; *see Gov. Code § 927.2(l), (m)* ("small businesses" and "nonprofit organizations" defined for purposes of Medi-Cal); *W&I Code § 14000 et seq.* (Medi-Cal)].

For a discussion of the withholding of payments to ensure complete contractual performance, and the requirement of substitution of securities for money to be withheld, see *§ 90A.220[1][b]*.

[2] Under State Contract Act

Payments on contracts let under the State Contract Act are made by the Department of General Services on estimates it has made and approved. In general, progress payments will not be made in excess of 95 percent of the percentage of actual work completed or material delivered or stored and under state control. The Department will withhold not less than 5 percent of the contract price until final completion and acceptance of the project [PC Code § 10261].

At any time after 95 percent of the work has been completed, the Department may reduce the funds withheld to an amount not less than 125 percent of the estimated value of the work yet to be completed, subject to written approval of the sureties on the performance and payment bonds [PC Code § 10261]. The funds may be released by electronic funds transfer if that procedure is requested by the contractor in writing and the public entity has the mechanism for the transfer in place at the time of the request [PC Code § 10261].

A state agency that fails to make a progress payment pursuant to an undisputed and properly submitted payment request from a contractor on a construction contract within 30 days of receiving the request is liable for interest on the payment [PC Code § 10261.5].

[3] Under Contracts for Local Agency Public Construction

Progress payments on local agency construction projects in excess of $5,000 may not exceed 95 percent of the percentage of actual work completed plus a like percentage of the value of material delivered to the site ready for use. Not less than 5 percent of the contract price must be withheld until final completion and acceptance of the project. At any time after half of the work has been completed, the legislative body of the local entity, if it finds that satisfactory progress is being made, may make any of the remaining progress payments in full for actual work completed [PC Code § 9203(a); *see* PC Code § 9203(b) ($25,000 limitation for county water authority)].

A local agency that fails to make a progress payment within 30 days after receipt of an undisputed and properly submitted payment request from a contractor must pay the contractor interest at the legal rate for money judgments [PC Code § 20104.50(b); *see CCP § 685.010(a)* (rate interest accrues)].

[4] Under Contracts for Acquisition of Goods and Services

When a contract is for goods or services purchased through the Department of General Services, payment will be made after transmission of an invoice or demand for payment by the disbursing officer to the Controller. The invoice or demand for payment is accompanied by the disbursing officer's sworn statement that the goods or services have been provided to the state agency in accordance with the contract and law [PC Code § 10312].

If the contract is for services, the contract may provide for progress payments for work performed or costs incurred in performing the contract. Not less than 10 percent of the contract amount must be retained pending completion of the contract and evaluation of the contractor's work. However, if the contract is for the performance of separate and distinct tasks, any funds withheld with regard to a particular task may be paid on completion of that task [PC Code § 10346].

CHAPTER 90A STATE GOVERNMENT CONTRACTS
PART II. LEGAL BACKGROUND
B. The Contracting Process

29-90A California Legal Forms--Transaction Guide § 90A.27

§ 90A.27 Suspension of Bidders

[1] Violation of Antitrust Laws

The right of any person to bid on or be awarded public works or services contracts or to be a subcontractor at any tier can be suspended if that person has been convicted of state or federal antitrust law violations [PC Code § 10285.1; *see* PC Code § 10285 ("person" defined)]. Any state agency may order a suspension for a period of up to three years from the date of conviction. The suspension may be applied if the person or its partner, member, officer, director, responsible managing officer, or responsible managing employee has been convicted of any charge of fraud, bribery, collusion, conspiracy, or any other act in violation of the antitrust laws. However, the violation must have been in connection with bidding on, award of, or performance of any public works contract with any public entity (including the University of California and the California State University) [PC Code § 10285.1].

Moreover, the Public Contract Code does not require any state agency to contract with any person, or permit the employment of a person as a subcontractor, on a project funded in whole or in part by federal funds, if the person has been suspended or debarred by the federal agency providing the funds [PC Code § 10285.5].

[2] Determination of Eligibility

Any state agency may determine the eligibility of a person to enter into public works or services contracts. Toward that end, it may require a bidder or potential contractor to submit a statement under penalty of perjury declaring that neither that person nor any of its subcontractors has been convicted of any fraud, bribery, collusion, or conspiracy in connection with bidding on, award, or performance of any public works contract with any public entity within the preceding three-year period [PC Code § 10285.1].

[3] Determination Prior to Suspension

Before it suspends a person, a state agency must provide a hearing following reasonable notice. In determining whether to suspend, and the duration of the suspension period, the agency must consider all relevant factors, including the degree to which the person cooperated with state or federal authorities in the criminal proceeding and the degree to

which that person has agreed to restitution for damages incurred by the public entity as a result of the acts on which the conviction was based [PC Code § 10285.2]. Once a suspension has been ordered, other state agencies must adopt the terms of that suspension without further notice or hearing [PC Code § 10285.3].

[4] Termination of Suspension

If a state agency has ordered a suspension, it may terminate the suspension if it determines that termination is in the best interest of the agency. Any suspension order adopted by another agency under PC Code § 10285.3 must be terminated when the original suspending agency terminates its suspension [PC Code § 10285.4].

29-90A California Legal Forms--Transaction Guide § 90A.28

§ 90A.28 Listing of Subcontractors

To prevent successful bidders from "bid peddling" and "bid shopping" to obtain better subcontract prices after a contract is awarded, the Subletting and Subcontracting Fair Practices Act [*see* PC Code §§ 4100-4114] requires bids in procurements to specify names and business locations of subcontractors who will perform subcontract work valued in excess of one-half of one percent of the prime contractor's total bid and the portion of the work to be done by each specified subcontractor. In the case of bids or offers for the construction of streets or highways, including bridges, the person making the bid must specify the names and business locations of the subcontractors performing work in excess of one half of one percent or $10,000, whichever is greater [PC Code § 4104(a)(1)]. Only one subcontractor may be listed for each portion of the prime contract work [PC Code § 4104(b); *see R.J. Land & Assocs. Constr. Co. v. Kiewit-Shea (1999) 69 Cal. App. 4th 416, 424-428, 81 Cal. Rptr. 2d 615* (listed subcontractor sued prime contractor of public work who substituted another subcontractor to do work; because contractor failed to correct its error in listing subcontractors in bid, listed subcontractor had right to perform subcontract)]. Bids also must include the name and business address of any off-site subcontractor who will specially fabricate a portion of the work under the contract plans and specifications if the value of the work will exceed one-half of one percent of the prime contractor's total bid [PC Code § 4104(a)(1)]. This requirement does not affect the rights of the contracting parties in any other way [PC Code § 4103]. Subject to a state or local agency's option to implement this provision, the prime contractor may submit any information requested by the officer, department, board, or commission concerning any subcontractor whom the prime contractor is required to list in the bid package, other than the subcontractor's name and location of business, up to 24 hours after the deadline established for receipt of bids by prime contractors [PC Code § 4104(a)(2); *see also* PC Code § 4104.5 (extension of time for submission of bids by prime contractor in event of material change to bid invitation)].

Failure to specify a subcontractor when required, or specification of more than one subcontractor for any portion of the contract work, is construed as representing that the prime contractor will perform the work [PC Code § 4106]. An attempt to subcontract the work after failing to correctly specify a subcontractor under these circumstances, or an impermissible substitution of one subcontractor for another after the award of a contract, may result in cancellation of the contract by the awarding authority, assessment of a monetary penalty of not more than 10 percent of the amount of the subcontract involved, and disciplinary action by the Contractors' State License Board [PC Code §§ 4110, 4111].

The bidder for a prime contract (that is, one bidding directly with the state) may not list another general or specialty contractor who intends, in turn, to sublet portions constituting the majority of the work covered by the prime contract [PC Code § 4105; *see* PC Code § 4113 ("prime contractor" defined)]. Once the bid is accepted, the prime contractor may not unilaterally substitute another subcontractor in place of any listed in the bid except in certain prescribed situations with the consent of the awarding authority [*see* PC Code § 4107(a); *see also § 90A.140* (list of situations and procedures for substitution)], permit the subcontract to be voluntarily assigned or transferred, allow it to be performed by anyone other than the listed subcontractor, or subcontract any portion of the work (except for change orders) for which a subcontractor should have been listed but was not [PC Code § 4107(b),*(c)*]. PC Code § 4107 contemplates that the awarding authority's consent to substituting out a listed subcontractor and substituting in a replacement subcontractor will occur before the prime contractor permits the replacement subcontractor to perform any work. However, a deviation from this sequence is permissible as long as the procedure used actually complies with the substance of the reasonable objectives of the statute, which are (1) to prevent bid peddling and bid shopping after the award of a public works contract and (2) to provide an opportunity to the awarding authority to investigate the proposed replacement subcontractor before consenting to substitution [*Titan Elec. Corp. v. Los Angeles Unified Sch. Dist. (2008) 160 Cal. App. 4th 188, 193, 72 Cal. Rptr. 3d 570]* .

A listed subcontractor need not be licensed at the time the prime contractor's bid is submitted, unless the call for bids or bid specifications package expressly requires that listed subcontractors be licensed at the time the prime contractor submits a bid. The prime contractor's bid is not nonresponsive merely because a listed subcontractor is unlicensed. However, the deliberate listing of an unlicensed subcontractor, with no legitimate intention of using that subcontractor, could be a ground for determining that the prime contractor is not a responsible bidder [*D.H. Williams Constr., Inc. v. Clovis Unified Sch. Dist. (2007) 146 Cal. App. 4th 757, 771, 53 Cal. Rptr. 3d 345]* .

Any employer who seeks a contract with the state for construction work or the supply of goods or services is subject to statutory prohibitions against discrimination in employment [*see Gov. Code § 12990(a)*]. Before becoming a contractor or a subcontractor in a state procurement, the bidder may be required to submit a nondiscrimination program to the Department of Fair Employment and Housing for approval and certification [*Gov. Code § 12990(b),(e)*]. All state contracts contain a clause prohibiting discrimination [*see Gov. Code § 12940(a),(c)-(f)*] by contractors and subcontractors and requiring them to give written notice of their obligations under that clause to their unions [*see Gov. Code § 12990(c)*]. However, *Gov. § 90A.30 Application of California Public Records Act

[1] Duty to Disclose Public Records

Under the California Public Records Act [*see Gov. Code § 6250 et seq.*], the public has a right to information concerning the conduct of public business [*see Gov. Code § 6250*]. A public agency must make its public records accessible to the public and to elected members or officers of any state or local agency [*Gov. Code § 6253(a)*; *see Gov. Code § 6252(d)* (public agency means any state or local agency); *see also Gov. Code §§ 6252(b)* ("member of the public" defined), *6252.5* (ability of elected members or officers to access public records)], unless a statutory exemption applies [*see Gov. Code §§ 6254, 6255*]. Every agency may adopt regulations stating the procedures to be followed when making its records available [*Gov. Code § 6253.4*] and may adopt requirements that allow for faster, more efficient, or greater access to records than the minimum prescribed standards for access and copying [*Gov. Code § 6253(e)*; *see Gov. Code § 6253(c)* (determination, within 10 days, as to whether request seeks disclosable public records and "prompt" notification of requesting party, absent "unusual circumstances," justifying extension by written notice of no more than 14 days)]. However, an agency may justify withholding a record by showing that the record is specifically exempted from disclosure under a statutory provision or by showing that the public interest served by nondisclosure outweighs the public interest served by disclosure [*see Gov. Code § 6255*; *see also* [2], *below*].

"Public records" includes any writing containing information relating to the conduct of the public's business, prepared, owned, used, or retained by any public agency [*see Gov. Code § 6252(e)*; *see Gov. Code § 6252(g)* ("writing" defined)]. The Attorney General has ruled that this definition is intended to cover every conceivable kind of record involved in the governmental process and that only purely personal information is exempt *[58 Ops. Cal. Atty. Gen. 629, 634 (1975)]* . Any record required by law or kept as necessary or convenient to the discharge of a government official's official duty is a public record [*City Council v. Superior Court (1962) 204 Cal. App. 2d 68, 73, 21 Cal. Rptr. 896]* .

Thus, for example, the financial reports a city received from its waste disposal contractor in support of an application for a rate increase were subject to public disclosure because the information constituted a public record that was not within the exemptions from disclosure granted by law [*San Gabriel Tribune v. Superior Court (1983) 143 Cal. App. 3d 762, 775-778, 192 Cal. Rptr. 415* ; *see* discussion of financial statements exemption in [2], *below*]. Moreover, the

contractor waived any privacy interests it may have had by using the disputed data as it did [*San Gabriel Tribune v. Superior Court (1983) 143 Cal. App. 3d 762, 781, 192 Cal. Rptr. 415]* . The financial records constituted a "public record" because the city had delegated its public duty of trash collection to the contractor while retaining the power and duty to monitor its performance. The city's assurances to the contractor that the data would remain confidential were insufficient to convert what was a public record into a private record [*San Gabriel Tribune v. Superior Court (1983) 143 Cal. App. 3d 762, 775, 192 Cal. Rptr. 415]* .

[2] Exemptions From Disclosure

Records that are exempted from disclosure under federal or state law are exempt from disclosure under the Public Records Act [*see Gov. Code § 6254(k)*; *see also Gov. Code § 6275 et seq.* (listing statutes exempting information contained in public record from disclosure in accordance with *Gov. Code § 6254(k)*)]. These include, for example, "official information" acquired in confidence [*Gov. Code § 6276.32*; *see Evid. Code § 1040* (privilege to refuse to disclose "official information")] and trade secrets [*Gov. Code § 6276.44*; *see Evid. Code § 1060* (trade secrets privilege)]. However, *Evid. Code § 1040* grants a privilege of nondisclosure if disclosure is against public interest because there is a need to preserve confidentiality that outweighs the need for disclosure in the interest of justice [*see Evid. Code § 1040(b)(2)*]. Thus, in the absence of any evidence that disclosure would be against the public interest, when disclosure is shown to favor the public's interest, the privilege of nondisclosure will not be applied [*San Gabriel Tribune v. Superior Court (1983) 143 Cal. App. 3d 762, 776, 192 Cal. Rptr. 415]* .

The fact that disclosure may invade the contractor's privacy interests and have a chilling effect on obtaining information in future transactions are not sufficient reason to withhold disclosure in the name of the public interest [*see Gov. Code § 6255*] and do not outweigh the public's need to be informed with respect to governmental services contracted on their behalf [*San Gabriel Tribune v. Superior Court (1983) 143 Cal. App. 3d 762, 780, 192 Cal. Rptr. 415]* . In addition, the trade secret exemption does not apply when an agency states that the basis for its decision or order is stated in the data involved. Therefore, a city could not call for concealment after it used the data in its decision-making process [*San Gabriel Tribune v. Superior Court (1983) 143 Cal. App. 3d 762, 778, 192 Cal. Rptr. 415* ; *see Gov. Code § 6254(k)*; *Evid. Code § 1060*].

Statements of personal worth or data required by a licensing agency and filed by an applicant to establish personal qualification for a license are also exempt [*Gov. Code § 6254(k)*]. However, this exemption does not extend to contracts [*see Gov. Code § 6254(n)*]. The term "license" will be construed narrowly in order to give effect to the legislative intent that favors disclosure over secrecy [*San Gabriel Tribune v. Superior Court (1983) 143 Cal. App. 3d 762, 779-780, 192 Cal. Rptr. 415]* . Note that questionnaires and financial statements submitted to prequalify under the State Contract Act are not public records and are not open to public inspection [PC Code § 10165].

Computer software developed by a state or local agency, including computer mapping systems, computer programs, and computer graphic systems, are exempt from public records access [*Gov. Code § 6254.9(a),(b)*]. However, exemption does not alter the public record status of information merely because it is stored in a computer [*Gov. Code § 6254.9(d)*].

Public records access does not apply to archaeological site information and reports maintained by, or in the possession of, the Department of Parks and Recreation, the State Historical Resources Commission, the State Lands Commission, the Native American Heritage Commission, another state agency, or a local agency, including the records that the agency obtains through a consultation process between a California Native American tribe and state or local agency [*Gov. Code § 6254.10*].

CHAPTER 90A STATE GOVERNMENT CONTRACTS
PART II. LEGAL BACKGROUND
C. Local Contracting

29-90A California Legal Forms--Transaction Guide § 90A.40

§ 90A.40 Construction Contracting by Local Entities

[1] In General

Contracting by counties, cities, and local agencies is generally governed by the Local Agency Public Construction Act [*see* PC Code § 20100 et seq.]. Procedures and requirements vary depending on the type and size of the governmental entity [*see* [2]-[6], *below*].

In general, the Act requires that any procurement within its purview be advertised and competitive bids be received before the award of a contract to the lowest responsible bidder. For example, the procurement of county highway construction must be advertised [*see* PC Code §§ 20390, 20392] and contracts must be let to the lowest responsible bidder [*see* PC Code § 20393]. Similar requirements apply to the construction of county bridges or subways [*see* PC Code §§ 20400, *20404*, *20405*], and the construction of streets and highways by any legislative body or joint highway districts [*see* PC Code §§ 20410, *20412*, *20415*, *20482*, *20531*]. The main types of county and city procurement contracting procedures are described in [2]-[4], *below*.

In an emergency, a local public agency, after a four-fifths vote of its governing body, may repair or replace a public facility, take any other action required by the emergency, and procure the necessary equipment, services, and supplies for those purposes, without giving notice for bids to let contracts [PC Code § 22050(a)(1); *see* PC Code § 1102 ("emergency" defined)]. Before taking any such action, the governing body must make a finding based on substantial evidence set forth in the minutes of its meeting that the emergency will not permit a delay resulting from competitive bidding and that the action is necessary to respond to the emergency [PC Code § 22050(a)(2)].

[2] Counties With Population of More Than 500,000

For counties with a population of more than 500,000, most projects for construction or repairs estimated to cost more than $4,000 must be performed under contract [PC Code § 20121; *see* PC Code § 20131 (counties with purchasing agents); *see also* PC Code § 20120 (Local Agency Public Construction Act applicable to counties subject to *Gov. Code § 23000 et seq.*, covering government of counties)]. However, counties are not required to contract for grading, drainage, pipe laying, fencing, landscaping, instrument installation, and similar construction and repair work necessary

for day-to-day landfill operations [PC Code § 20121.1]. Prospective contracts for the construction or repair of public buildings [*see* PC Code § 20121] involving more than $6,500 in counties with a population of 500,000 or more [*see* PC Code § 20122], or $50,000 in counties with a population exceeding 2,000,000 [*see* PC Code § 20123] must be advertised [*see* PC Code § 20125]. An advertisement for bids must be published for 10 days in a daily or weekly newspaper of general circulation published in the county involved [*see Gov. Code §§ 6062, 6066*] or posted in three public places for at least two weeks, if no newspaper is published in the county [PC Code § 20125]. Bidders must be given the opportunity to examine plans, specifications, and working details [PC Code § 20127]. Bids for construction work must be sealed and must be accompanied by bid security [*see* PC Code § 20129(a)].

The contract must be awarded to the lowest responsible bidder [PC Code § 20128; *see M.G.M. Constr. Co. v. Alameda County (N.D. Cal. 1985) 615 F. Supp. 149, 150* (county affirmative action program illegal to extent it authorizes rejection of low bid on basis of bidder's failure to comply with local minority subcontractor participation requirements)]. However, for contracts for certain shipping facilities, all bids may be rejected and the work may be done by day labor if the county board of supervisors is advised that the work can be done for less than the lowest responsible bid [PC Code § 20130].

Contractors are required to perform in accordance with contract plans, specifications, and other documents unless the contract is modified by a four-fifths vote of the board of supervisors [PC Code § 20128]. However, the plans and specifications can be altered by a two-thirds vote of the board [PC Code § 20135] and contracts can be changed by a vote of two thirds of the board with the consent of the contractor [*see* PC Code § 20136(c)] or as provided by the contract [PC Code § 20136(b)]. Changes must be ordered in writing and must be within specified dollar limits [*see* PC Code § 20142].

[3] Counties With Population of 500,000 or Less

In counties with a population of 500,000 or less, projects involving the construction or repair of public buildings estimated to cost more than $4,000 must be performed under contract [PC Code § 20121] and must employ either formal or informal bidding procedures [*see* PC Code §§ 20150.1-20150.5] prescribed by PC Code §§ 20150-20150.14 [PC Code § 20150; *but see* PC Code § 20131 (counties with purchasing agents)]. However, counties are not required to contract for grading, drainage, pipe laying, fencing, landscaping, instrument installation, and similar construction and repair work necessary for day-to-day landfill operations [PC Code § 20121.1].

Projects between $4,000 and $10,000 may be let to contract by either informal or formal bidding procedures. Formal procedures must be employed for projects above $10,000 [PC Code § 20150.4]. Expenditures for public projects do not include costs for plans, specifications, engineering, and advertising, or material acquired by a public agency for timely completion [PC Code § 20150.3].

As soon as practicable after the time for renewal of contractors' licenses, the county must notify each contractor in the county of the opportunity to register to receive notices of informal bidding proceedings [PC Code § 20150.6]. Notice inviting informal bids must describe the project in general terms and must state a closing date for submission of bids. The notice must be published at least twice in a newspaper of general circulation published in the county, in a newspaper of general circulation distributed in the county, or posted in three public places in the county. Notice must be published at least 24 hours before the time scheduled for opening bids. Published or posted notice may be supplemented by published notice in a trade paper [PC Code § 20150.7; *see* PC Code 6061].

If formal bidding procedures are required, the notice inviting formal bids must state the time and place for receiving and opening sealed bids, and must describe the project to be done. The first notice must be at least ten days before the date for opening bids. The notice must be published at least twice, not less than five days apart, in a newspaper of general circulation published in the county, in a newspaper of general circulation distributed in the county, or posted in three public places in the county. Published or posted notice may be supplemented by published notice in a trade paper [PC

Code § 20150.8].

The county is entitled to reject any bids presented. If the county rejects all bids, after reevaluating its cost estimates, the county may abandon the project or readvertise for bids. If after readvertising, the county rejects all bids again, it may use county personnel on the project or readvertise again. If two bids tie for lowest position, the county may choose one. If no bids are received, the county may have the project done without further bidding [PC Code § 20150.9]. Alternatively, on projects of less than $75,000, after rejection of all bids and on resolution of the board of supervisors, the county may abandon the formalities of bidding and either negotiate with the original bidders at a lower price than any of the bids, or use county personnel [PC Code § 20150.10].

In all other respects, contracting procedures for counties of 500,000 or less is the same as for counties of more than 500,000 [*see* [2], *above*].

[4] Cities

City contracts for public projects exceeding $5,000 must be let to the lowest responsible bidder after notice [PC Code § 20162; *see* PC Code § 20161 ("public project" defined)]. The first notice of a city project must be given at least ten days before the date specified in the notice for the opening of bids. Notice must be published at least twice, not less than five days apart, in a newspaper of general circulation published in the city or, if there is no paper, notice must be posted in at least three public places designated for that purpose [PC Code § 20164].

The city legislative body may reject any bids and readvertise. If there are two or more equal lowest bids, the legislative body may choose one bid. If no bids are received, the legislative body may proceed with the work as it chooses [PC Code § 20166]. If all bids are rejected, the city may proceed by day labor or purchase of supplies in the open market if four fifths of the members of its legislative body find that the work can be performed more economically [PC Code § 20167].

All bids must be submitted under sealed cover and accompanied by bid security [*see* PC Code § 20170]. Bid security must be in an amount not less than 10 percent of the amount bid. The absence of the requisite bid security will preclude consideration of the bid [PC Code § 20171]. The successful bidder's security is subject to forfeiture if the bidder fails to execute the contract awarded to it [PC Code § 20172]. If the successful bidder fails or refuses to execute the contract, the city may award the contract to the second lowest bidder and the amount of the security forfeited must be applied to the difference between the two contracts. Any surplus will be refunded to the lowest bidder [*see* PC Code § 20174].

In an emergency, after passing a required resolution, a city may spend any sum necessary to deal with the emergency [PC Code § 20168; *see* PC Code § 22050 et seq. (emergency contracting procedures)].

Bidding requirements for city street lighting projects are also specified by the Public Contract Code [*see* PC Code §§ 20500, *20501, 20505, 20511, 20521*]. In addition, local ordinances may govern bidding and award procedures.

[5] School Districts

Local school districts [PC Code § 20110; *see Ed Code § 35000 et seq.*] must provide for competitive bidding for any contract involving an expenditure of more than $50,000 for (1) the purchase of equipment, materials, or supplies to be furnished, sold, or leased to the district; (2) services, except construction services; or (3) repairs, including maintenance as defined in PC Code § 20115 that are not a public project as defined in PC Code 22002(c) [PC Code § 20111(a)]. The contract must be awarded to the lowest responsible bidder who must give security as the board requires, or all bids must be rejected [PC Code § 20111(a); *see* PC Code § 20111(d)(requiring annual adjustment in minimum contract amount)]. For projects involving less expenditure, districts may proceed by use of day labor [*see* PC Code § 20114]. In emergencies, school districts may proceed by contracting without formal bidding, or by using day labor [*see* PC Code §

20113].

Notice must be published at least once a week for two weeks in a newspaper of general circulation published in the school district. If there is no such paper, notice must be published in a newspaper circulated in the county. Notice may also be posted on the district's web site or through an electronic portal. The notice must call for bids, state the work to be done or materials or supplies to be furnished, and state the time and place where bids will be opened. Bids may not be received after that time [PC Code § 20112]. Any contract for a public project [*see* PC Code § 22002(c) (definition)] involving an expenditure of $15,000 or more must be awarded to the lowest responsible bidder who must give security as the board requires, or all bids must be rejected. All bids for construction work must be presented under sealed cover and must be accompanied by one forms of bidder's security specified by statute [PC Code § 20111(b) (includes specification of acceptable forms of bidder's security)].

[6] Other Local Districts and Agencies

Other specific statutory schemes govern the making of contracts between private contractors and many types of local districts and agencies [*see* PC Code § 20185 et seq.]. For a list of these statutes, see*§ 90A.01[1]*.

[7] Alternative Bidding Methods

Qualifying local agencies may initiate projects under an alternative bidding procedure authorized by the Uniform Public Construction Cost Accounting Act [*see* PC Code §§ 22000-22045]. The Act's cost accounting standards and alternative bid methods are intended to promote uniformity of cost accounting standards and bidding procedures on construction, maintenance, and other work projects performed or contracted by public entities in California [PC Code § 22001]. Local agencies that elect to become subject to the uniform construction cost accounting procedures become eligible to use the alternative bidding methods [PC Code § 22003; *see* PC Code § 22030 et seq. (bidding procedures)].

Under the alternative methods, projects of $30,000 or less may be performed by the employees of a public agency by force account, by negotiated contract, or by purchase order [PC Code § 22032(a)]. Projects of $125,000 or less may be let to contract by informal procedures [PC Code § 22032(b); *see* PC Code § 22034 (informal procedure)]. Generally, projects of more than $125,000 must be let to contract by formal bidding procedures [PC Code § 22032(c); *see* PC Code § 22037 (notice inviting formal bids); *see also* PC Code § 22038(b) (award to lowest responsible bidder)].

[8] Hazardous Waste Clauses Required in Local Excavation Contracts

Any public works contract of a local public entity involving the digging of trenches or other excavations deeper than four feet below the surface must include specified clauses concerning hazardous waste. The contract must require the contractor to notify the public entity in writing before any of the following conditions are disturbed [PC Code § 7104(a)]:

- Material believed to be hazardous waste that is required to be removed to a designated disposal site [*see H&S Code § 25117* ("hazardous waste" defined)].

- Subsurface or latent physical conditions at the site differing from those indicated by information about the site made available to bidders before the deadline for submitting bids.

- Unknown physical conditions at the site of any unusual nature, materially different from those ordinarily encountered and generally recognized as inherent in similar projects.

The contract must state that the local public entity will promptly investigate the conditions at the site to determine if the conditions do materially differ from those indicated or involve hazardous waste, and if the conditions cause a decrease

or increase in the contractor's cost of, or the time required for, performance of any part of the work. The contract must also state that if these requirements are satisfied, the public entity will issue a change order under the procedures described in the contract [PC Code § 7104(b)].

In addition, the contract must state that if a dispute arises between the local public entity and the contractor as to whether conditions materially differ, involve hazardous waste, or cause an increase or decrease in the contractor's time or materials, the contractor may not be excused from any scheduled completion date stated in the contract but must proceed with all work to be performed under the contract. The contract must also state that the contractor will retain any and all rights provided either by the contract or by law that pertain to the resolution of disputes and protests between the contracting parties [PC Code § 7104(c)].

For further discussion of hazardous waste issues, see California Environmental Law and Land Use Practice, Div. VI, *Hazardous Waste and Toxic Substance Control* (Matthew Bender).

PART II. LEGAL BACKGROUND
D. Remedies

29-90A California Legal Forms--Transaction Guide § 90A.50

§ 90A.50 Remedies of Bidder for Misaward of Contract

[1] In General

Generally, an award to a bidder other than the lowest responsible bidder must be set aside [*see City of Inglewood-L.A. County Civic Center Auth. v. Superior Court (1972) 7 Cal. 3d 861, 870, 103 Cal. Rptr. 689, 500 P.2d 601* (construction contract)]. Note that in certain situations, if the lowest bidder refuses to execute the contract and the agency determines that it is in the best interest of the state, the contract may be awarded to the next lowest bidder [*see, e.g.*, PC Code § 10182]. Before awarding a public works contract to a bidder other than the lowest bidder, the public entity must notify the lowest bidder of any evidence reflecting on its responsibility received from others or adduced as a result of independent investigation, afford it an opportunity to rebut that adverse evidence, and permit it to present evidence that it is qualified to perform the contract [*City of Inglewood-L.A. County Civic Center Auth. v. Superior Court (1972) 7 Cal. 3d 861, 871, 103 Cal. Rptr. 689, 500 P.2d 601]* . In the absence of a statutory remedy, it would appear that the first remedy of the lowest responsible bidder is to demand the opportunity to show that it meets the responsibility criteria and, pending the outcome of that proceeding, seek a judicial order prohibiting any award. However, many competitive bidding schemes now provide for a review by the awarding agency on demand [*see, e.g.*, PC Code §§ 10306, *10345(a)*, *12102(h)*].

In the absence of any preliminary effort to halt proceedings and keep the contract from being awarded, an unsuccessful bidder's remedies are limited to damages. Because competitive bidding requirements are imposed solely for the benefit and protection of the public rather than for the benefit of the bidders, a misaward by a public entity of a public works contract to a bidder other than the lowest responsible bidder does not give the latter a cause of action in tort for monetary damages against the public entity [*Swinerton & Walberg Co. v. City of Inglewood-L.A. County Civic Center Authority (1974) 40 Cal. App. 3d 98, 101-103, 114 Cal. Rptr. 834* ; *see Rubino v. Lolli (1970) 10 Cal. App. 3d 1059, 1061-1063, 89 Cal. Rptr. 320]* .

However, a public entity may be liable for monetary damages for the misaward of a public works contract under a theory of promissory estoppel [*see Swinerton & Walberg Co. v. City of Inglewood-L.A. County Civic Center Authority (1974) 40 Cal. App. 3d 98, 103-105, 114 Cal. Rptr. 834* ; *see also US Ecology, Inc. v. State (2005) 129 Cal. App. 4th*

887, 891, 908, 28 Cal. Rptr. 3d 894 (as in ordinary contract actions, plaintiff seeking recovery on promissory estoppel theory must prove that defendant's breach of promise was substantial factor in causing plaintiff's injury)]. When the public entity in its bid solicitation promises to award the contract to the lowest responsible bidder, the reliance by a contractor who qualifies as a responsible bidder in preparing and submitting a bid is sufficient to create an informal contract entitling the lowest responsible bidder to damages if the contract is not awarded to it. The damages may, however, be limited to those sustained directly by the disappointed bidder by reason of its justifiable reliance on the entity's promise--the expenses incurred in its fruitless participation in the competitive bidding process [*see Swinerton & Walberg Co. v. City of Inglewood-L.A. County Civic Center Authority (1974) 40 Cal. App. 3d 98, 104-105, 114 Cal. Rptr. 834]* .

[2] Protest Against Award of Contract for Goods

Any bidder in a procurement for goods may protest a proposed award on the ground that it, rather than the party to whom the award is proposed, is the lowest responsible bidder meeting the procurement specifications. The protest must be filed with the Department of General Services, Procurement Division, before the award is made [*see* PC Code § 10306].

A bidder will be informed of an impending award under either of the following circumstances [PC Code § 10306]:

- When the contract is not to be awarded to the lowest bidder, that party will be notified 24 hours prior to the award.

- If a bidder has submitted a written request that notice of the proposed award be posted in a public place in the offices of the Department at least 24 hours before the award and the fact of the proposed award is somehow communicated to the bidder.

Saturdays, Sundays, and legal holidays are excluded in computing the 24-hour period [PC Code § 10306].

After the initial protest, a statement must be filed with the State Board of Control. The statement must be filed within 10 days of the original protest and must specify in detail the ground for the protest and the supporting facts. If a protest is filed before an award, the Department may not make the award until either the protest has been withdrawn or the State Board of Control has made a final decision on the issue [PC Code § 10306].

The protesting bidder may receive assistance from a Customer and Supplier Advocate in the Department of General Services [*see* PC Code § 10300(a),*(b)*]. Notification to bidders regarding the availability of services by the advocate, as well as procedures and time lines for these services, must be included in the solicitation [PC Code § 10300(c)].

For further coverage of the protest procedure, see*§ 90A.124*. For a form for protesting an award of a contract for goods, see*§ 90A.250*.

[3] Protest Against Award of Contract for Services

[a] Contracts Awarded Under Competitive Bidding Procedure

If a contract for services awarded under a procedure providing for competitive bidding is not awarded to the low bidder, the low bidder must be notified by telegram, electronic facsimile transmission, overnight courier, Internet transmission, or personal delivery five working days before the award [PC Code § 10345(a)]. In addition, any bidder may submit a written request that notice of the proposed award be posted in a place accessible by the general public, including any Internet site identified in the invitation for bids at least five working days before the award [PC Code § 10345(a)(1)].

If any bidder files a protest before the award, protesting the award of the contract on the grounds that he or she is the lowest responsible bidder meeting the specifications for the contract, the contract may not be awarded until either the protest has been withdrawn or the Department has decided the matter [PC Code § 10345(a)(2)]. "Lowest responsible bidder" has been construed to mean "the lowest bidder whose offer best responds in quality, fitness, and capacity for the particular requirements of the proposed work" [*City of Inglewood-L.A. County Civic Center Auth. v. Superior Court (1972) 7 Cal. 3d 861, 867, 103 Cal. Rptr. 689, 500 P.2d 601* (holding, despite use of term "best," that lowest responsible bidder must be selected without consideration of relative superiority vis-'a-vis other bidders); *see § 90A.252*]. Notably, this definition emphasizes the element of "responsiveness." A responsible bid is thus one that responds to all proper bid specifications, and, in setting those specification, the public agency must be accorded considerable latitude [*Associated Builders and Contractors, Inc. v. San Francisco Airports Comm'n (1999) 21 Cal. 4th 352, 366, 87 Cal. Rptr. 2d 654, 981 P.2d 499* ; *see, e.g., Domar Electric, Inc. v. City of Los Angeles (1994) 9 Cal. 4th 161, 174, 36 Cal. Rptr. 2d 521, 885 P.2d 934* (rejecting lowest monetary bidder absent required good faith documentation demonstrating compliance with city's outreach program for women and minority owned businesses)]. By necessary implication, the direct cost of the project need not be the agency's sole consideration in setting bid specifications. Rather, any requirements reasonably related to the "quality, fitness and capacity of the bidder to satisfactorily perform the proposed work" generally are permissible [*Associated Builders and Contractors, Inc. v. San Francisco Airports Comm'n (1999) 21 Cal. 4th 352, 366, 87 Cal. Rptr. 2d 654, 981 P.2d 499* , quoting *City of Inglewood-L.A. County Civic Center Auth. v. Superior Court (1972) 7 Cal. 3d 861, 867, 103 Cal. Rptr. 689, 500 P.2d 601* (prehire agreement, requiring among other things, payment of union wages, did not violate competitive bidding laws)].

Any protest filed before the award must be filed with the awarding state agency and the Department of General Services [PC Code § 10345(a)(2)]. Within five days after filing the protest, the protesting bidder must file with the Department and the awarding state agency a full and complete written statement specifying the grounds for the protest [PC Code § 10345(a)(3)].

[b] Contracts Awarded Using Request for Proposal

Contracts awarded under the procedure which makes use of a request for proposal [*see* PC Code § 10344; *see also §§ 90A.22[3][c]*] may be awarded only after a notice of the proposed award has been posted in a place accessible by the general public, including any Internet site identified in the request for proposal, for five working days [PC Code § 10345(b)]. If any bidder files a protest before the award with the awarding state agency and the Department against the awarding of the contract, the contract may not be awarded until either the protest has been withdrawn or the Department has decided the matter [PC Code § 10345(b)(1)]. Within five days after filing the protest, the protesting bidder must file with the Department and awarding state agency a full and complete written statement specifying the grounds for the protest [PC Code § 10345(b)(2); *see* PC Code § 10345(b)(2)(A)-(E) (grounds for protests)].

For further coverage of the protest procedure, see*§ 90A.125*. For a form for protesting an award of a contract for services, see*§ 90A.250*. For a form for protesting an award of a contract for services under a request for proposal, see*§ 90A.251*.

[4] Protest Against Award of Contract for Information Technology Goods and Services

Bidders who participate in procurements of information goods and services [*see* PC Code §§ 12100-12113] will be given an opportunity to protest any acquisition of those goods or services by the state. The Department of General Services is authorized to make final decisions on initial protests. If, before an award, a bidder has submitted an initial protest to the Department on the ground that its bid should have been selected in accordance with the selection criteria of the solicitation, no contract may be awarded until either the protest has been withdrawn or the State Board of Control has made a final decision as to the action to be taken on the protest. The protesting bidder has 10 days from the time it files a protest to file full substantiation with the Board [PC Code § 12102(h); *see United Systems of Arkansas, Inc. v.*

Stamison (1998) 63 Cal. App. 4th 1001, 1011-1012, 74 Cal. Rptr. 2d 407 (review of protest by Department of General Services cannot be considered substantial compliance with requirement of review and determination of protest by Board of Control)].

29-90A California Legal Forms--Transaction Guide § 90A.51

§ 90A.51 Relief of Successful Bidder From Bid Mistake

A successful bidder may not be relieved of a bid without the awarding agency's consent, nor may any changes be made in the bid on the ground that a mistake has been made [PC Code § 5101(a)]. If an awarding authority consents to relieve a bidder of a bid because of mistake, it must prepare a report documenting the facts establishing the existence of each element required by PC Code § 5103 [PC Code § 5101(b)]. These elements are the following [PC Code § 5103]:

- That a mistake was made.
- That the bidder gave the agency written notice of the mistake within five days after the opening of bids, specifying how the mistake occurred.
- That the mistake made the bid materially different than intended.
- That the mistake was made in filling out the bid rather than as an error in judgment or the result of carelessness in site inspection or in reading plans or specifications.

The report is a public record and must be filed with the State Board of Control (or the Regents of the University of California or the Trustees of a California State University if one of these is the awarding authority) [PC Code § 5101(b); *see § 90A.240*].

If the bidder forfeits the bid security as a result of its failure to execute the contract [*see* PC Code § 10181], it may bring an action against the agency in the county where the bids were opened to recover the amount forfeited, without interest or costs [PC Code § 5101(a)], on written notice within five working days, excluding Saturdays, Sundays, and state holidays, to the agency of the fact that a mistake had occurred and a detailed statement of how it occurred [PC Code § 5103(b); *see § 90A.123*, P 2; *see also § 90A.240* (form for notice of bid mistake)]. If the bidder is unsuccessful in court, it will be required to pay all costs incurred by the agency including reasonable attorneys' fees fixed by the court [PC Code § 5101(a)].

Other than the notice to the agency, no claim need be filed before bringing suit to reclaim any amounts forfeited [PC Code § 5104; *see* PC Code § 5103(b) (written notice requirement)]. The bidder who claims a bid mistake or forfeits bid security may not participate in further bidding on the same project [PC Code § 5105], and the agency may then award a contract to the second lowest bidder [PC Code § 5106].

These statutory provisions for the relief of bidders establish the exclusive procedure for relieving a bidder from a mistaken bid [*A & A Electric, Inc. v. City of King (1976) 54 Cal. App. 3d 457, 464, 126 Cal. Rptr. 585]* .

§ 90A.52 Resolution of Claims and Disputes

[1] In General

All public entities have full authority to compromise or otherwise settle any claim relating to a contract at any time [PC Code § 9201(a)]. When a state agency is involved, the presentation of a claim [*see Gov. Code § 900 et seq.* (governing claims against public entities)] is not required to commence a legal action or arbitration proceeding for money or damages on a contract. However, an action or proceeding must be commenced not later than six months after either the contracting agency's final written decision under the contract claim provisions or the accrual of a cause of action, if there are no such provisions [PC Code § 19100(a)]. These time limits do not apply to a claim that is subject to PC Code § 10240.1 [PC Code § 19100(b); *see* PC Code § 10240.1 (time limit for initiating arbitration)]. These time limits must be kept in mind when a dispute arises under a construction contract governed by the State Contract Act [*see* [2], *below*].

Public entities are required to include provisions in public works contracts for timely notification of the contractor of the receipt of any third-party claims relating to the contract [PC Code § 9201(b)].

[2] Construction Contracts

Arbitration is the remedy for claims arising under a construction contract entered into under the State Contract Act [PC Code § 10240], unless both parties to the contract agree to waive the governing statutory requirements [*see* PC Code §§ 10240-10240.13] and litigate instead [*see* PC Code § 10240.10]. A claimant's failure to diligently pursue and exhaust the administrative procedures contained in the contract will bar arbitration. However, if more than 240 days elapse after acceptance of the work by the Department, a claimant may commence arbitration proceedings even if the administrative procedures have not been concluded [PC Code § 10240.2].

Arbitration must be initiated not later than 90 days after the date the Department's final written decision on the claim is served on the claimant. However, that limitation does not apply to claims founded on any cost audit, latent defect, warranty, or guarantee under the contract [PC Code § 10240.1].

These rules governing arbitration also apply to public works contracts not awarded under the State Contract Act

involving construction work on real property [*see* PC Code §§ 22200, *22201*].

Claims of $375,000 or less that arise between a contractor and a local agency may be resolved through the informal methods described in PC Code §§ 20104-20104.6, if the local agency has not elected arbitration procedures outlined in PC Code §§ 10240-10240.13 [*see* PC Code § 20104(a)]. If the informal claim procedures are to apply, the relevant provisions (or a summary of them) must be set forth in the plans or specifications for work that may give rise to a qualifying claim [PC Code § 20104(c)].

For coverage of the procedures governing arbitration, see*§ 90A.141*.

Every state agency that issues permits or licenses or accepts applications, proposals, bids, or similar requests, must post on a website, no later than January 1, 2007, "customer service" links that contain specified information for frequently asked questions, forms, applications, and appeal-related documents, and instructions for filing complaints in electronic format via the internet [*Gov. 29-90A California Legal Forms--Transaction Guide § 90A.60

§ 90A.60 Procurement Assistance for Small Businesses

In accordance with the Small Business Procurement and Contract Act [*see Gov. Code § 14835 et seq.*], the Office of Small Business and Disabled Veteran Business Enterprise Services facilitates small business participation in state procurement of supplies and construction [*Gov. Code § 14839*]. To that end, the Department of General Services publishes the California State Contracts Register, a semi-monthly publication advertising procurements of construction and services by the state government as well as a wide range of other contracting opportunities [*see Gov. Code §§ 14825-14829.2*]. The Office of Small Business and Disabled Veteran Business Enterprise Services also assists small business firms in preparing all required prequalification questionnaires, obtaining necessary licensing, bonding, and insurance, preparing bids, and understanding the applicable statutes [*Gov. Code §§ 14838(d)*, *14839*].

In addition, the small business advocate in the California Department of General Services provides assistance to certified small businesses and certified disabled veteran business enterprises by providing information regarding potential contracting opportunities, solicitation protest procedures and time lines, and prompt payment procedures [*Gov. Code § 14845(a)*]. The advocate also promotes the availability of certified small business and certified disabled veteran business enterprise suppliers who deliver or provide commonly used goods and services to governmental agencies [*Gov. Code § 14845(b)*]. Further, each state agency that has contracting relations with small businesses is required to designate a small business advocate as the single point of contact for, and a liaison to, small business providers [*Gov. Code § 14846(a)(1)*]. At a minimum, these small business advocates must make information regarding pending solicitations available to, and consider offers from, California small business suppliers and must ensure that payments due on a contract with a small business are made promptly [*Gov. Code § 14846(a)(2)*; *see Gov. Code § 14846(a)(3)* (exception for state agencies whose contracting expenditures total less than $100,000 annually)].

In general, a "small business" is a California-based business that is independently owned and operated and not dominant in its field of operation [*see Gov. Code § 14837(d)(1)*; *see also 2 Cal. Code Reg. §§ 1896.4(w)*, *1896.12(a)* (definition; eligibility requirements for certification as small business)]. For the purposes of the implementing regulations, the term "small business" includes a microbusiness [*2 Cal. Code Reg. § 1896.4(w)*; *see Gov. Code § 14837(d)(2)*; *2 Cal. Code Reg. § 1896.4(q)* (definition)]. For a detailed listing of factors relevant to determining whether a prospective bidder qualifies as a small business, see*§ 90A.110*.

CHAPTER 90A STATE GOVERNMENT CONTRACTS
PART II. LEGAL BACKGROUND
E. State Assistance to Businesses

29-90A California Legal Forms--Transaction Guide § 90A.61

§ 90A.61 Small Business Preference

The Small Business Procurement and Contract Act provides for a small business preference under which, when responsibility and quality are equal, prequalified small businesses (including microbusinesses) may be granted a preference of 5 percent of the lowest responsible bid submitted by a bidder other than a small business, and given special consideration in qualifying for services, construction, or supplies contracts [*see Gov. Code § 14838(b),(c)*; *see also 2 Cal. Code Reg. §§ 1896.2-1896.22*]. A "non-small business" that is subcontracting a minimum of 25 percent of its net price bid to small businesses is also eligible for a 5-percent preference [*see 2 Cal. Code Reg. §§ 1896.6(b), 1896.8*; *see also 2 Cal. Code Reg. § 1896.4(t)* ("non-small business" means responsible bidder that is not certified as small business)]. The small business (or non-small business subcontractor) preference of 5 percent is calculated as specified in the implementing regulations [*see 2 Cal. Code Reg. § 1896.8(b)*]. If, after applying the small business preference to the small business's bid, that bid is equal to the lowest priced bid from a responsible non-small business, or is equal to the highest scored bid [*see 2 Cal. Code Reg. § 1896.8(b)(1)(B)*] of a non-small business, the contract must be awarded to the small business for the amount of its bid [*2 Cal. Code Reg. § 1896.8(c)*]. If, after application of the non-small business subcontractor preference, a non-small business has submitted the lowest bid, and does not displace a small business from winning the award, the contract must be awarded to the non-small business for the amount of its bid [*2 Cal. Code Reg. § 1896.8(d)*].

The small business or non-small business subcontractor preferences may not exceed $50,000 for any bid [*Gov. Code § 14838(b)*; *2 Cal. Code Reg. § 1896.8(e)*]. Further, the combined cost of the small business or non-small business subcontractor preference and preferences awarded under any other law may not exceed $100,000 [*2 Cal. Code Reg. § 1896.8(e)*]; and no preference will be allowed if doing so would result in a bid by the small business firm in excess of the funding for the project [*see Gov. Code § 14838.4*]. When a solicitation for bids reserves to the state the right to make multiple awards, the $50,000 maximum preference will be applied, to the extent possible, to maximize the dollar participation of small businesses, including microbusinesses, in the award [*Gov. Code § 14838(b)*; *2 Cal. Code Reg. § 1896.8(e)*].

If a large business bidder is entitled to a preference under any other provision of law, a qualified small business bidder in the same procurement will have precedence in that the application of the preference favoring the larger firm may not

result in denial of the award to the small firm. This rule will apply when the small bidder is also the lowest responsible bidder as well as when the small bidder is eligible for the 5 percent small business preference [*Gov. Code § 14838(f)*]. However, in the event of a precise tie between the low responsible bid of a qualified small business bidder and the low responsible bid of a bidder meeting the specifications of a disabled-veteran-owned small business, the contract will be awarded to the latter [*Gov. Code § 14838(f)*; *2 Cal. Code Reg. § 1896.8(f)*]. A "disabled veteran business enterprise" is a small business concern that is (1) at least 51 percent owned by one or more disabled veterans, (2) managed by, and the daily business operations controlled by, one or more disabled veterans, and (3) a sole proprietorship, corporation, or partnership with its home office located in the United States, which is not a branch or subsidiary of a foreign corporation, foreign firm, or other foreign-based business [*Gov. Code § 14837(e)*; M&V Code § 999(b)(7); *see also 2 Cal. Code Reg. §§ 1896.60-1896.95* (disabled veteran business participation goals)].

In addition, each state agency [*see Gov. Code § 14838.1(d)* (definition)] awarding contracts for the construction, alteration, demolition, repair, or improvement of the state's infrastructure financed with the proceeds of the infrastructure-related bond acts of 2006 [*see Gov. Code § 14838.1(c)* (listing relevant bond acts)] must establish a 25 percent goal for participation of small businesses [*Gov. Code § 14838.1(a)(1)*; *see Gov. Code § 14838.1(b)* ("small business" has same meaning as in *Gov. Code § 14837(d)*); *see also § 90A.60*]. State agencies must advertise all upcoming opportunities to bid on contracts for projects funded by those bond acts, and include in the advertisement an Internet link to information for prospective bidders, including bidding procedures and how to prepare a bid [*see Gov. Code § 14838.1(a)(2)*]. State agencies also must provide California small businesses with information about available training and technical assistance for understanding and bidding on contracts for projects funded by those bond acts [*see Gov. Code § 14838.1(a)(3)*].

For a procedural guide to qualifying for the small business preference, see*§ 90A.110*. For a form that contains a request for small business preference and certification that the bidder is a small business, see*§ 90A.200[2]*. For a small business certification and a disabled veteran business enterprise certification application, see*§ 90A.230[2]*.

§ 90A.62 California Business Preference in Construction Contracts

When awarding a public construction contract, a state agency must give a California company [*see* PC Code § 6107(a) ("California company" defined)] preference over a nonresident contractor from a state that provides a home-state contractor preference [PC Code § 6107(b)(1); *see* PC Code § 6107(b)(2) (amount of preference)]. To be eligible for the preference, the bidder must certify that it qualifies as a California company [PC Code § 6107(c)]. The preference is unavailable if its use might jeopardize the receipt of federal funds, or if the nonresident contractor certifies in its bid that its state of residency does not give a home-state preference in public construction contracts [PC Code § 6107(e)].

29-90A California Legal Forms--Transaction Guide § 90A.63

§ 90A.63 Distressed Area Preference in Contracts for Goods and Services

The Target Area Contract Preference Act [*see Gov. Code §§ 4530-4535.3*; *see also 2 Cal. Code Reg. §§ 1896.30-1896.41*] provides bidding preferences designed to encourage employment of persons with a high risk of unemployment [*see Gov. Code § 4532(f)* (definition)] in distressed areas by California-based companies bidding for contracts to supply more than $100,000 worth of goods or services [*see Gov. Code § 4531*]. A "distressed" area is a California urban area identified by the California Office of Planning and Research as such and identified as containing a population meeting income, age, racial, and educational criteria specified by law [*see Gov. Code § 4532(d)*; *see also § 90A.111*].

The Act provides for two categories of preference. First, a 5 percent preference is awarded to California companies certifying under penalty of perjury that, for goods contracts, at least 50 percent of the total labor hours required to perform the contract will be accomplished in a distressed area or, for service contracts, not less than 90 percent of the total labor hours required to perform the contract will be accomplished in a distressed area [*Gov. Code §§ 4533, 4534*; *see 2 Cal. Code Reg. §§ 1896.31, 1896.34*]. Second, if a bidder on a goods contract certifies that under penalty of perjury he or she will perform at least half the labor required in a distressed area [*see Gov. Code § 4533*], or if the worksite where at least half of the labor required to perform the contract is within commuting distance of a distressed area, an additional preference (up to 4 percent) is available based on the percentage of workers with a high risk of unemployment agreed to be hired [*Gov. Code §§ 4533.1, 4534.1*; *see 2 Cal. Code Reg. §§ 1896.32, 1896.35*]. For a checklist to determine eligibility for this preference, see*§ 90A.111*.

The maximum preference and incentive a bidder may be awarded under the distressed area preference and any other provision of the law is 15 percent. The maximum preference and incentive cost may not exceed $50,000 for any bid, and the combined cost of all preferences granted to a bidder under the distressed area preference and any other provision of law may not exceed $100,000. If the 15 percent cumulated preference and incentive cost would exceed this $100,000 limit, the $100,000 limit applies to bar award of the full 15 percent [*Gov. Code § 4535.2(a)*].

Notwithstanding the statutory provisions for the distressed area preference, small business bidders qualified for the small business preference have precedence over non-small-business bidders in that the application of any preference for

which non-small-business bidders may be eligible, including the distressed area preference, may not result in denial of an award to the small business bidder. This rule applies to cases in which the small business bidder is the lowest responsible bidder, as well as to cases in which the small business bidder is eligible for award as a result of application of the small business bidder preference and incentive [*Gov. Code § 4535.2(b); see Gov. Code § 14838*]. For a list of the specific factors involved, see*§ 90A.111*.

No preference will be granted unless the lowest responsible bid or proposal received is in excess of $100,000. Moreover, if the solicitation issued by the awarding authority has [Reserved] the right to award multiple contracts, no preference will be granted unless the lowest responsible bid for the particular contract involved exceeds $100,000 [*2 Cal. Code Reg. § 1896.37*].

Contracts awarded under this program must include conditions designed to ensure that the contractor actually performs the contract at the location specified and meets any commitment to employ persons with a high risk of unemployment [*Gov. Code § 4535*]. A business that requests and is given a preference as a result of false certification is subject to penalties and will be ineligible to transact business directly or indirectly with the state for a period of six to 36 months [*Gov. Code § 4535.1*].

29-90A California Legal Forms--Transaction Guide § 90A.64

§ 90A.64 Participation Goals for Certain Business Enterprises

[1] Businesses of Disabled Veterans

All contracts awarded by any state entity for materials, supplies, or equipment must comply with specified participation goals for disabled veteran business enterprises (DVBEs) [PC Code § 10115(c); *see* M&V Code § 999(b)(7) (definition); *see also 2 Cal. Code Reg. §§ 1896.60-1989.95* (disabled veteran business goals)]. These goals apply to the overall dollar amount spent each year by the awarding department [PC Code § 10115(c); *see* PC Code § 10115.1(a) ("awarding department" defined)]. The participation goal for DVBEs is 3 percent [PC Code § 10115(c)].

In awarding contracts to the lowest responsible bidder, the awarding department must consider the efforts of a bidder to meet DVBE goals [PC Code § 10115.2(a); *see 2 Cal. Code Reg. §§ 1896.60-1896.95*]. To qualify, a bidder must either meet the statewide participation goals noted above or demonstrate that a good faith effort was made to meet them [PC Code § 10115.2(a); *2 Cal. Code Reg. § 1896.62*; *see* PC Code § 10115.2(b); *2 Cal. Code Reg. § 1896.63* (elements of good faith effort)].

A business enterprise will be certified by a governmental agency as a DVBE if it meets certain established criteria [*see* M&V Code § 999(b)(7)(A)]. For a checklist to determine eligibility for DVBE preferences, see*§ 90A.112*.

Similar participation requirements may be applied to public utility procurement contracts providing subcontracting opportunities [*see* PU Code § 8281 et seq.].

[2] Businesses of Minority and Women Entrepreneurs

State law provides that in awarding contracts to the lowest responsible bidder, state departments must consider the efforts of the bidder to meet specified minority, women, and disabled veteran business goals, and award contracts to the lowest responsible bidder meeting or making good faith efforts to meet these goals [PC Code § 10115.2(a)]. Under the statutory scheme, a state department cannot award a contract to a bidder who neither meets nor makes a good faith effort to meet the percentage participation goals. To satisfy the requirement of "good faith efforts," the bidder must submit documentary evidence of actions taken to identify, focus advertising on, solicit, and consider bids from

subcontracting firms in the designated business enterprise groups [PC Code § 10115.2(b)]. When specifying the general conditions under which bids are taken in connection with the award of any contract, awarding departments must advise persons submitting bids to identify "each subcontractor certified as a minority, women, or disabled veteran business enterprise who will perform work or labor or render services to the prime contractor in connection with the performance of the contract and who will be used by the prime contractor to fulfill minority, women, or disabled veteran business enterprise participation goals" [PC Code § 10115.12]. Awarding departments are also compelled to establish a method of monitoring adherence to the stated participation goals, along with "rules and regulations for the purpose of implementing the article" [PC Code § 10115.3].

The Ninth Circuit in 1997 held that the participation goals for women and minority firms, and the requirement that contractors make good faith efforts to do outreach to women and minority firms, contained in PC Code § 10115 et seq., violated the *Equal Protection Clause* [*Monterey Mechanical Co. v. Wilson (9th Cir. 1997) 125 F.3d 702, 714-715]* . The court concluded that the mandates of the law classify "contractors differently according to their ethnicity and sex, with regard to the good faith requirement" [*Monterey Mechanical Co. v. Wilson (9th Cir. 1997) 125 F.3d 702, 711]* . The statutory compliance "also imposes higher compliance expenses on some firms than others, according to ethnicity and sex" [*Monterey Mechanical Co. v. Wilson (9th Cir. 1997) 125 F.3d 702, 712]* . Thus, the court determined that "[t]he statute benefits bidders and subcontractors who fit the classification 'minority business enterprise' and 'women business enterprise' " [*Monterey Mechanical Co. v. Wilson (9th Cir. 1997) 125 F.3d 702, 713-714]* . The court also concluded that "racial classification" imposed by the statutory scheme did not survive the "strict scrutiny" test of justification, which demands proof of "a narrowly tailored remedy for past discrimination, active or passive, by the governmental entity making the classification" [*Monterey Mechanical Co. v. Wilson (9th Cir. 1997) 125 F.3d 702, 713]* .

In response to the Ninth Circuit's opinion in *Monterey Mechanical*, the Governor of California issued Executive Order No. W-172-98. The order directed all state agencies and departments to "cease any enforcement of minority and business enterprise participation goals and the good faith efforts requirements related thereto under PC Code § 10115 et seq." entered into on or after March 10, 1998. The order further stated: "All actions, programs, and regulations which seek to monitor, promote, or comply with the minority or women business enterprise goals or the good faith efforts related thereto under PC Code § 10115 et seq. shall no longer be administered and where appropriate, be repealed."

This order does not apply to state contracts administered under other statutes that are federally funded or to contracts with entities such as cities, counties, port authorities, and utility companies [*see Monterey Mechanical Co. v. Wilson (9th Cir. 1997) 125 F.3d 702, 714-715* ; Executive Order No. W-172-98; Management Memo 98-04]. Programs not impacted by the *Monterey Mechanical* decision that remain in effect include the small business certification program and the disabled veterans business enterprise program [*see Monterey Mechanical Co. v. Wilson (9th Cir. 1997) 125 F.3d 702, 714-715* ; Executive Order No. W-172-98; Management Memo 98-04; *see also* PU Code § 8281 et seq. (participation requirements applicable to public utility procurement contracts providing subcontracting opportunities for minority and women entrepreneurs)].

[3] Joint Powers Agreements

Participation goals have been extended to include relationships between state agencies and other governmental entities. State agencies or departments that enter into joint powers agreements with a federal, county, or city government or agency or public district must ensure that participation goals are met [*Gov. Code § 6522*]. "Joint powers agreements" are agreements in which the contracting parties may jointly exercise any power inherent to either party [*see Gov. Code § 6502*].

§ 90A.65 Procurement Mandates for Recycled Products

Under the State Agency Buy Recycled Campaign (SABRC) [PC Code § 12200 et seq.], state agencies must purchase recycled products, instead of nonrecycled products, whenever recycled products of equal fitness and quality are available at the same, or lesser, total cost [PC Code § 12201(c); *see* PC Code § 12200(j) ("recycled product purchase" defined)]. Each state agency must ensure that at least 50 percent of reportable purchases for specified product categories are recycled products [PC Code § 12203(a),*(b)*; *see* PC Code § 12207 (applicable product categories)]. Each state agency also must require all businesses [PC Code § 12200(b) (definition)] to certify in writing the minimum percentage, if not the exact percentage, of post-consumer material in the products, materials, goods, or supplies offered or sold to the state, regardless of whether the product meets the defined minimum post-consumer content requirements [*see* PC Code § 12205(a)(1),*(b)(1)*; *see also* PC Code § 12209 (minimum post-consumer content requirements)].

Local governments are encouraged to purchase recycled products whenever they are available at the same, or a lesser, total cost than nonrecycled products [PC Code § 22150(a)]. Local public entities may give preference to suppliers of recycled products, and may define the amount of this preference [PC Code § 22150(b),*(c)*]. Local public entities must require all businesses to certify in writing the minimum, if not the exact, percentage of post-consumer material in the products, materials, goods, or supplies offered or sold [*see* PC Code § 22152(a)].

29-90A California Legal Forms--Transaction Guide § 90A.100

§ 90A.100 Prequalification of Construction Contract Bidder

NOTE:

Whenever a contracting department requires any bidder to prequalify on a contract, the department must require all prospective bidders to that contract to prequalify [PC Code § 10160]. Prequalification is initiated by answering a confidential financial statement and questionnaire [PC Code §§ 10160, *10165*]. The following information is needed to complete the prequalification questionnaire that the contracting department will furnish to a first-time prospective bidder. Because the prequalification questionnaire requires financial information and other accounting data, the assistance of the client's accountant may be required.

The information listed here can also be useful to prequalify for other types of contracts that require prequalification such as contracts with the California State University [***see*** PC Code § 10760; ***see also*** *§ 90A.25*].

[1] Facts

1. Name, corresponding with that on contractor's license issued to bidder.

2. Type of business entity:

a. Corporation.

b. Partnership.

c. Sole proprietorship.

d. Combination of businesses, and, if so, type of each component entity.

NOTE:
If business entity is another type (for example, a limited liability company), that fact should be indicated on the questionnaire.

3. Address of principal office.

4. Whether prospective bidder has contractor's license issued by state.

NOTE:
It is a misdemeanor for an unlicensed person to engage in the business or act as a contractor by submitting a bid to a public agency, unless the person is particularly exempted or the bid is submitted on certain state projects [***see*** PC Code § 10164] or certain local agency projects [***see*** PC Code § 20103.5] allowing for proper licensing up to the time the contract is awarded [*B&P Code § 7028.15(a)*]. These requirements do not apply to joint venture licenses [*B&P Code § 7028.15(c)*].

a. License number.

b. Type or specialty.

c. Date of issue.

5. Bidder's experience:

a. Type of work.

a. Description and quantity of each type.

b. Inventory value of these materials in following categories:

(1) Held for use on incomplete contracts.

(2) Future operations.

(3) Sale.

23. Negotiable securities:

a. Present market value of listed securities and present value of unlisted securities:

(1) Unit price.

(2) Amount.

b. Name of issuer.

c. Class of security.

d. Quantity.

e. Book value:

(1) Unit price.

(2) Amount.

f. Name of person who has possession.

g. If pledged or in escrow:

(1) For whom.

(2) Reason.

(3) Amount.

24. Description and amount of other current assets, including:

a. Bid deposits.

b. Prepaid expenses.

c. Cash value of life insurance.

d. Accrued interest.

25. Real estate:

a. Book value.

b. Location.

c. Description.

d. Name of titleholder.

e. Whether or not used for business purposes.

26. Value of construction plant and equipment.

27. Approximate annual income from rental of equipment owned by prospective bidder, exclusive of income from associated concerns.

28. Value of furniture and fixtures:

a. Appraised value if shown on appraisal schedule prepared by independent appraiser; or

b. Book value (cost less depreciation) if no appraisal schedule is available.

29. Description and value of noncurrent investments and assets.

30. Notes payable (other than equipment and real estate obligations):

a. To whom payable.

b. Security for note.

c. Due date.

NOTE:

This information is required to complete the questionnaire used by the California Department of General Services to prequalify potential vendors of goods [***see*** PC Code § 10303 (lists of qualified bidders); ***see also*** *§ 90A.22[1][b]*]. The Department may adopt and publish lists of qualified bidders. However, the Department may not preclude a qualified bidder not on the list from submitting a bid or bids and from being awarded a contract or contracts as the successful bidder [PC Code § 10303]. For a copy of the questionnaire, write the Department of General Services, Procurement Division, 1823 14th Street, Sacramento, CA 95814, or call (916) 445-6942 (Technical Staff). The Procurement Division operates as a clearinghouse of information for vendors and contractors seeking to do business with the state.

[1] Facts

1. Name and address.

2. Geographical description of marketing area served by client.

3. Description of service provided by client to accounts in areas beyond those normally served by its offices, warehouses, or other facilities.

NOTE:

A prospective vendor must show evidence of satisfactory service to accounts in the area it serves [*2 Cal. Code Reg. § 1890(b)(2)*].

4. Products offered by client.

NOTE:

A prospective vendor must show that the products it offers comply with standard state specifications [*2 Cal. Code Reg. § 1890(b)(3)*].

5. Amount of experience client has in selling its products.

6. Amount of experience client has in providing post-purchase service to its accounts, when applicable:

a. Number of years.

b. Availability of appropriate personnel.

NOTE:
A prospective vendor must show evidence of experience in selling and providing post-purchase service to accounts with requirements similar to the state [*2 Cal. Code Reg. § 1890(b)(4),(6)*].

7. Evidence of client's ability to supply products it offers:

a. Inventories readily available to client:

(1) New products and, if applicable, replacement or repair parts; or

(2) Ability to augment its inventory from other sources adequate to assure timely delivery.

NOTE:
A vendor must have a readily available inventory of products and replacement or repair parts, if applicable [*2 Cal. Code Reg. § 1890(b)(5)*].

b. Ready availability of facilities and personnel capable of manufacturing those products.

NOTE:
When pertinent, the client will have to show that it is capable of manufacturing products to state specifications [*2 Cal. Code Reg. § 1890(b)(8)*].

8. Whether client has any licenses or permits necessary to furnish goods or perform services it offers.

NOTE:
A vendor must have all licenses and permits required to furnish materials or perform labor under the contract [*2 Cal. Code Reg. § 1890(b)(7)*].

B. Preliminary Determinations

29-90A California Legal Forms--Transaction Guide § 90A.110

§ 90A.110 Qualification for Small Business Preference

NOTE:

A firm that has been found to qualify as a small business or as a microbusiness may be granted a preference of 5 percent of the lowest responsible bid submitted by a bidder other than a small business, and given special consideration in qualifying for construction, services, and supplies contracts [***see*** *Gov. Code § 14838(b),(c)*; ***see also*** *§ 90A.61*]. "Small business" means an independently owned and operated business that is not dominant in its field of operation, the principal office of which is located in California, the officers of which are domiciled in California, and which, together with affiliates, has 100 or fewer employees, and average annual gross receipts of $10,000,000 or less over the previous three years, or is a manufacturer [***see*** *Gov. Code § 14837(c)* (definition)] with 100 or fewer employees [*Gov. Code § 14837(d)(1)*; ***see*** *2 Cal. Code Reg. § 1896.4(w)* ("small business" means business that meets eligibility requirements and has been certified by Department of General Services as small business)]. For the purposes of the implementing regulations, the term "small business" includes a microbusiness [*2 Cal. Code Reg. § 1896.4(w)*]. A "microbusiness" is a small business which, together with affiliates, has average annual gross receipts of $2,500,000) or less over the previous three years, or is a manufacturer [***see*** *Gov. Code § 14837(c)* (definition)], with 25 or fewer employees [*Gov. Code § 14837(d)(2)*; *2 Cal. Code Reg. § 1896.4(q)*].

Disabled veteran business enterprise [***see*** *Gov. Code § 14837(e), Mil. & Vet. Code § 999(b)(7)* (definition)] are given preference in the event of a tie between low bidders eligible for preferred status [*Gov. Code § 14838(f)*; ***see*** *§ 90A.61*].

Qualified small businesses should keep in mind that state agencies are authorized to apply certain considerations to business awards made to small businesses, including the following [*Gov. Code § 14847(a)*]:

- Whether the bidder has the necessary facilities, organizational capacity, experience, managerial and technical competency and skills, and financial resources to fulfill the terms of the contract.

- Whether the bidder has the capability to comply with the required delivery or performance schedule, taking into consideration other business commitments.

- Whether the bidder has a history of satisfactory or better performance, as demonstrated by a results-oriented track record, written performance evaluations, or other information obtained from references.

A business that has been certified by another governmental organization may be eligible for certification as a small business if the organization uses substantially the same definitions as those set forth in *Gov. Code § 14837* (or more stringent definitions) and substantially the same certification analysis process as used by the Department of General Services (or a more stringent process) [*2 Cal. Code Reg. § 1896.12(f)*].

1. Does firm satisfy following requirements for qualification as small business or microbusiness for purposes of small business preference [*see Gov. Code § 14837*; *2 Cal. Code Reg. § 1896.12(a)*]:

a. Is firm independently owned and operated?

NOTE:
For a list of factors that presumptively show that an applicant business is not independently owned and operated, see *2 Cal. Code Reg. 1896.12(d)(8)*.

b. Is its principal office located in California?

NOTE:
For considerations in determining location of principal office, see *2 Cal. Code Reg. 1896.12(d)(6)*.

c. If firm is corporation, are its officers and/or managers domiciled in California?

NOTE:
For considerations in determining domicile, see *2 Cal. Code Reg. 1896.12(d)(5)*.

d. If firm is limited liability company, are officers and/or managers domiciled in California, or in absence of officers and/or managers, are all members domiciled in California?

e. If firm is any other type of business entity, are owners domiciled in California?

f. Does firm satisfy requirement that it may not itself, or together with any affiliate, be dominant in its field of operations, based on consideration of following factors [*see 2 Cal. Code Reg. § 1896.12(d)(9)*]?

NOTE:
"Affiliate" or "affiliation" refers to a relationship of direct or indirect control or shared interests between the applicant or a small business and another business [*2 Cal. Code Reg. § 1896.4(a)*; ***see*** *2 Cal. Code Reg. § 1896.12(d)(7)* (factors considered in determining affiliation)].

(1) Volume of business [*see* PP 2-4, *below*].

(2) Number of employees.

NOTE:

A small business, together with all affiliates, must have 100 or fewer employees [*2 Cal. Code Reg. § 1896.12(a)(5)(A)*]. A manufacturer seeking to qualify for small business certification, together with all affiliates, must have 100 or fewer employees [*2 Cal. Code Reg. § 1896.12(a)(5)(B)*]. Manufacturer, in this context, means a business as defined in *Gov. Code § 14837(c)* that meets the eligibility criteria for small business certification [*2 Cal. Code Reg. § 1896.4(p)*; ***see*** *2 Cal. Code Reg. § 1896.12(d)(4)* (consideration in determining whether business is manufacturer)].

A microbusiness must have 25 or fewer employees [*2 Cal. Code Reg. § 1896.12(q)*]. A manufacturer seeking to qualify for microbusiness certification, together with all affiliates, must have 25 or fewer employees [*2 Cal. Code Reg. § 1896.12(b)(2)*]. Joint ventures must be certified on a bid-by-bid basis. The joint venture is not subject to the average annual gross receipts and employee limits imposed by the Small Business Procurement and Contract Act [***see*** *Gov. Code § 14835 et seq.*]. However, each individual business participating in the joint venture must be certified as a small business [*2 Cal. Code Reg. § 1896.12(c)*].

(3) Financial resources.

NOTE:

The regulations do not specify a particular amount of financial resources.

(4) Competitive status or position.

NOTE:

A firm that can qualify as a small business eligible for assistance in state contracting is one that is not itself, or together with any affiliate, dominant in its field of operations [***see*** *2 Cal. Code Reg. § 1896.12(a)(4)*]. An applicant business that exercises or has the ability to exercise a controlling or major influence, on a statewide basis, in a kind of business activity or field of operation in which a number of business concerns are primarily engaged, is considered dominant in its field of operation [*2 Cal. Code Reg. § 1896.12(d)(9)*].

(5) Ownership or control of materials or processes.

(6) License agreements.

(7) Facilities.

(8) Sales territory.

(9) Nature of the business activity.

g. Does firm have average annual gross receipts of $10,000,000 or less over previous three years, if applying for small business certification [*see Gov. Code § 14837(d)(1)*; *2 Cal. Code Reg. § 1896.12(a)(5)(A)*]?

h. Does firm have average annual gross receipts of $2,500,000 or less over previous three years, as adjusted in accordance with *Gov. Code § 14837(d)*, if applying for designation as microbusiness [*see Gov. Code § 14837(d)(2)*; *2 Cal. Code Reg. § 1896.12(b)(1)*]?

§ 90A.111 Qualification for Distressed Area Preference

NOTE:

If an invitation for bids does not fix a worksite, the state will award a 5 percent preference to California companies bidding on goods and services contracts that certify that a qualifying amount of labor to perform a contract will be accomplished in a distressed area [***see*** *Gov. Code §§ 4533, 4534*]. A "distressed area" is a California urban area identified by the California Office of Planning and Research as such and as containing a population meeting income, age, racial, and educational criteria specified by law [***see*** *Gov. Code § 4532(d)*]. The Department of General Services, Procurement Division, in cooperation with the state Office of Planning and Research, will assist prospective bidders in identifying distressed areas [***see*** *2 Cal. Code Reg. § 1896.38*]. For further discussion, see *§ 90A.63*.

1. Can potential bidder certify as follows:

a. If procurement is for goods, that no less than half of labor required to perform contract will be accomplished at identified worksites located [*Gov. Code §§ 4533, 4533.1*]:
(1) In distressed area; or

(2) Within commuting distance of distressed area.

b. If procurement is for services, that not less than 90 percent of total labor hours required to perform contract will be accomplished at identified worksites located in distressed area [*Gov. Code § 4534*]?

2. What percentage of workforce of certifying bidder can be employed from among population with high risk of unemployment [*see Gov. Code §§ 4533.1, 4534.1*]?

NOTE:

If a bidder can certify the a qualifying percentage of persons with a high risk of unemployment will be hired, the state will grant the additional preferences listed below [*Gov. Code §§ 4533.1, 4534.1*]. A "person with a high risk of unemployment" is one who qualifies an employer for the work opportunity credit component of the general business credit [***see** I.R.C. § 38(b)(2)*], determined under *I.R.C. § 51(a)*. Qualifying employees include economically disadvantaged youth, Vietnam veterans, ex-convicts, SSI recipients, and others [***see** Gov. Code § 4532(f)(1)*], as well as recipients of CalWORKS [***see** Gov. Code § 4532(f)(2)*]. The Employment Development Department will assist prospective bidders to certify that they will employ persons with a high risk of unemployment [*2 Cal. Code Reg. § 1896.39*].

a. From 5 to 9 percent of workforce (1-percent preference).

b. From 10 to 14 percent of workforce (2-percent preference).

c. From 15 to 19 percent of workforce (3-percent preference).

d. Twenty percent or more of workforce (4-percent preference).

§ 90A.112 Qualifying as Disabled Veteran Business Enterprise

NOTE:

All state contracts for construction, professional services, materials, supplies, equipment, alteration, repair, or improvement must comply with specified participation goals for disabled veteran business enterprises [PC Code § 10115(c)]. These goals apply to the overall dollar amount spent each year by the awarding department [***see*** PC Code § 10115.1(a) (definition)]. These goals are usually met by prime contractors subcontracting the required percentages of contract work to qualifying businesses. It is therefore advantageous to qualify as a disabled veteran business enterprises. A business enterprise will be certified by a governmental agency as a qualifying business enterprise if it meets the criteria set forth below [M&V Code § 999(b)(7)(A)]. For further discussion of these participation goals, see *§ 90A.64*.

In certain types of contracts, such as University of California procurement contracts, business enterprises meeting the criteria specified here receive preference in the event of a tie [***see*** PC Code § 10501].

A "disabled veteran" is a veteran of the military, naval, or air service of the United States who has at least 10 percent service-connected disability and who is domiciled in California [M&V Code § 999(b)(6)]. In order to obtain disabled veteran business enterprise (DVBE) certification, all of the following criteria must be met [*2 Cal. Code Reg. § 1896.70*; ***see*** M&V Code § 999 et seq. (disabled veteran participation goals for state contracts)].

Regardless of PP 1-4, ***below***, a business that qualified as a disabled business enterprise before the death or permanent disability of the disabled veteran who is a majority owner of that business is deemed to be, solely for the purpose of any contract entered into before that death or certification of permanent disability, a disabled business enterprise for a period not to exceed three years after the death or certification, if the business is inherited or controlled by the spouse or child of the majority owner, or by both those persons [M&V Code § 999(b)(7)(B)].

1. Is business sole proprietorship, subsidiary, corporation, or joint venture:

a. At least 51 percent owned by one or more disabled veterans; or

b. For business whose stock is publicly held, one for which at least 51 percent of stock is owned by one or more disabled veterans?

2. Are management and daily operations of business controlled by one or more disabled veterans who own business?

NOTE:

To have operational control, the qualifying disabled veteran must demonstrate that he or she independently makes basic decisions in daily operations. He or she must maintain an active role in controlling the business [*2 Cal. Code Reg. § 1896.61(f)*]. A business's certification as a DVBE can be suspended by the Department of General Services if this requirement is not substantially and continuously met [*e.g., Niles Freeman Equip. v. Joseph (2008) 161 Cal. App. 4th 765, 770-771, 74 Cal. Rptr. 3d 690* (business entity was 51-percent owned by disabled veteran in partnership with other person, but certified status as DVBE was properly suspended because that veteran actually received very small portion of profits and had no significant role in business operations, while partner ran business and took most profits)].

3. Does business have home office located in United States?

4. Is business not branch or subsidiary of foreign business?

5. Can business provide required certification [*see § 90A.230*; *see also § 90A.202[1][c]*]?

6. Does business perform "commercially useful function?"

NOTE:

A DVBE contractor, subcontractor, or supplier is considered to perform a commercially useful function if (1) the business, person, or entity is responsible for the execution of a distinct element of the work of the contract, carrying out its obligation by actually performing, managing, or supervising the work involved, and performing work that is normal for its business services and functions; and (2) the business, person, or entity is not further subcontracting a greater portion of the work than would be expected by normal industry practices [M&V Code § 999(b)(5)(B); *2 Cal. Code Reg. § 1896.61*(***I***)].

§ 90A.113 Qualification of Vendor of Goods and Services

NOTE:

Vendors seeking to qualify to do business with the state must present evidence that they have the ability, resources, and facilities to adequately supply the state. The Department of General Services will consider all of the following in reviewing vendor applications [*2 Cal. Code Reg. § 1890(b)*].

1. Can prospective vendor prequalify as one adequately able to supply state [*see 2 Cal. Code Reg. § 1890(b)*]:

a. Does it provide satisfactory service to accounts in areas beyond those normally served by its offices, warehouses, or other facilities [*2 Cal. Code Reg. § 1890(b)(2)*]?

b. Do products it offers comply with standard state specifications [*2 Cal. Code Reg. § 1890(b)(3)*]?

NOTE:

The specifications are available from the agency awarding the contract.

c. Does it have adequate experience in selling and providing post-purchase service to accounts with requirements similar to those of state [*2 Cal. Code Reg. § 1890(b)(4)*; *but see* P h, *below* (small businesses)]?

NOTE:

The prospective bidder should provide proof that it has provided post-purchase service to accounts with requirements similar to those indicated in the state's solicitation for offers, as well as the period of time over which it has done so. Vendors with less than two years experience in selling the products involved

must show evidence of satisfactory service to other purchasing accounts in quantities and qualities similar to that normally required by the state [*2 Cal. Code Reg. § 1890(b)(4)*]. The determination that the applicant has demonstrated adequate experience, or that a small business vendor has provided satisfactory service, is made on a case-by-case basis by the Department.

d. Is there ready availability of inventories [*2 Cal. Code Reg. § 1890(b)(5)*; *but see* P h, *below* (small businesses)]:

(1) New products and, if applicable, replacement or repair parts; or

(2) Ability to augment its inventory from other sources adequate to assure timely delivery?

e. Are appropriate personnel available to provide post-purchase service or technical assistance on timely basis, when applicable [*2 Cal. Code Reg. § 1890(b)(6)*]?

f. Does prospective vendor have all licenses and permits needed to furnish required supplies or perform required services [*2 Cal. Code Reg. § 1890(b)(7)*]?

g. Does prospective vendor have facilities and personnel capable of manufacturing products to state specifications readily available, when applicable [*2 Cal. Code Reg. § 1890(b)(8)*]?

h. Does prospective vendor qualifies as small business [*see § 90A.110*]?

2. Does prospective vendor have other attributes contributing to determination of responsibility at time of award, such as [*2 Cal. Code Reg. § 1890(d)*]:

NOTE:

A contract for the acquisition or lease of goods will be awarded to the lowest responsible bidder who meets the specifications for the contract. The question of whether a bidder is "responsible" involves evaluation of the following factors at the time of award [***see** 2 Cal. Code Reg. § 1890(d)*].

In prequalifying, a prospective vendor must show that it satisfies some of these requirements [***see** 2 Cal. Code Reg. § 1890(b)*; ***see also** § 90A.121*]. The fact that it is prequalified will be considered, but the awarding state agency may still make a determination of nonresponsibility at the time of a particular award [*2 Cal. Code Reg. § 1890(d)*].

a. Experience.

b. Facilities.

c. Reputation.

d. Financial resources.

e. Other factors existing at time of award.

NOTE:

Although the regulations do not spell out what these factors might be, the contracting agency will likely consider past performance of other contracts as one of the most important factors relating to any particular bidder's responsibility.

3. If prospective bidder qualifies as small business [*see § 90A.110*], would that bidder be considered responsible without regard to fact that it may be entitled to small business preference?

NOTE:

For purposes of the small business preference, the "lowest responsible bid" is the one that, under the criteria set forth in the invitation for bids, would be entitled to an award without regard to any preference [*2 Cal. Code Reg. § 1896.30(i)*].

4. Is vendor in violation of air or water pollution requirements?

NOTE:

No state agency may purchase supplies, equipment, or services from any vendor in violation of state or federal air or water pollution requirements [***see*** *Gov. Code § 4477*].

29-90A California Legal Forms--Transaction Guide § 90A.120

§ 90A.120 Prequalification for Construction Contracts

1. Advise prospective bidder to prequalify for right to submit bids [*see* PC Code § 10160 (questionnaire and financial statement); *see also* PC Code § 10163 (rating bidders based on prequalification rating)]:

NOTE:

A contracting department may require prospective bidders to prequalify, that is, to complete, verify, and submit a standard questionnaire and financial statement, including a complete statement of the prospective bidder's financial ability and experience in performing public works; whenever a department requires any bidder to prequalify on a contract, the department must require all prospective bidders to that contract to prequalify [PC Code § 10160].

If prequalification is mandatory [***see*** PC Code § 10160], the questionnaire must be obtained from the contracting department, completed, and submitted to it before the department will furnish a proposal form. The contracting department may not furnish proposal forms to any prospective bidder who, although required to submit prequalification documents, has not submitted the prequalification documents at least five days, and been prequalified for at least one day, before the date for opening bids [PC Code § 10166]. If prequalification is not mandatory, the questionnaire is often provided as part of the bid package. For further discussion, see *§ 90A.21[2]*.

a. Complete questionnaire obtained in advance from Department or furnished by it with bid package, detailing prospective bidder's financial ability and experience.

b. Verify questionnaire under oath [*see* PC Code § 10160].

2. Advise prospective bidder to complete questionnaire concerning any prior disqualification, removal, or debarment in government contracting, including [PC Code § 10162]:

NOTE:
A bid may be rejected on the ground that the bidder, any of its officers, or any of its employees who have a proprietary interest in the firm have been disqualified, removed, or otherwise prevented from bidding on or completing a government contract for violation of law or a safety regulation [PC Code § 10162].

a. Whether bidder or any of its officers or employees who have proprietary interest in bidder has ever been disqualified, removed, or otherwise prevented from bidding on or completing any federal, state, or local government project for violation of:
(1) Law; or

(2) Safety regulation.

b. Under what circumstances disqualification, removal, or debarment occurred.

3. Advise prospective bidder that it may be required to complete questionnaire concerning past safety record of [PC Code § 10161]:

NOTE:
The Department of General Services may refuse to prequalify a prospective bidder who fails to submit a completed questionnaire when required. Prequalification may also be refused if information disclosed in the questionnaire or otherwise known to the department indicates a continuing unsatisfactory safety record [PC Code § 10161].

a. Bidder itself;

b. Any officer of bidder; and

c. Any managing employee of bidder.

4. Advise prospective bidder that it must be licensed to perform contracting work involved.

a. If project does not involve use of federal funds, advise bidder that it must be properly licensed before bidding.

NOTE:
It is a misdemeanor to engage in the business or act in the capacity of a contractor without a contractor's license, unless the person is particularly exempted from the provisions governing contractors [*B&P Code § 7028(a)*, (b); ***see*** *B&P Code § 7040 et seq.* (exemptions)]. For discussion of contractor licensing, see Ch. 88, ***Licensing of Contractors*** . A prospective bidder must be appropriate to the project. If the classification is not self-evident in the specifications for any particular proposed project, clarification may be obtained by contacting the Department of General Services, Contract Management Office.

b. If project involves federal funds and bidder is not licensed at time of bid, advise it to become properly licensed before first payment for work or material may be made [PC Code § 10164].

NOTE:

In the case of a federally funded project, a bidder need not be properly licensed prior to submission of bid or award of contract [PC Code § 10164]. For discussion of the licensing requirements applicable to contractors who bid on public works projects, see *§ 90A.20*.

5. If prospective bidder appears qualified as small business [*see § 90A.110*]:

a. Complete form requesting that it be qualified as small business [*see § 90A.230[2]*].

b. Include proof of certification, if certified, in bid package.

29-90A California Legal Forms--Transaction Guide § 90A.121

§ 90A.121 Prequalification for Vendors of Goods and Services

NOTE:

Prequalification is only one factor considered by the Department of General Services in reviewing vendor applications to determine whether a vendor will be viewed as a "responsible" bidder within the meaning of PC Code § 10301, which requires award of a contract for the acquisition or lease of goods in the amount of $25,000 or more be made to the lowest responsible bidder meeting specifications [***see*** PC Code § 10301; ***see also*** *2 Cal. Code Reg. § 1890*]. The other factors involved are outlined in *§ 90A.113*.

1. Advise prospective vendor that it must prequalify for right to submit bids [*see* PC Code § 10303].

NOTE:

The Department of General Services, Procurement Division, is required to rate bidders on the basis of questionnaires and required statements furnished by the Department and completed by prospective bidders to determine whether they prequalify as vendors of goods or services [***see*** PC Code § 10303; ***see also*** *2 Cal. Code Reg. § 1890*]. Special rules apply for small business bidders [***see*** *§ 90A.113*, P 1h].

2. Obtain copy of standard application form from Department of General Services, Procurement Division, Supplier Qualifications Unit, 1823 14th Street, Sacramento, CA 95814 [*see 2 Cal. Code Reg. § 1890(c)*].

3. Have prospective vendor complete questionnaire detailing its ability, resources, and facilities to supply state adequately, including evidence set forth in*§ 90A.113*, P 1 [*see 2 Cal. Code Reg. § 1890(b)* (test applied by Department in considering vendor application for prequalification)].

29-90A California Legal Forms--Transaction Guide § 90A.122

§ 90A.122 Submission of Bids

NOTE:

Contracts made without complying with the competitive bidding process are void and unenforceable unless exempted by statute [*Shore v. Central Contra Costa Sanitary Dist. (1962) 208 Cal. App. 2d 465, 468, 25 Cal. Rptr. 419]* .

1. Advise prospective bidder to obtain bid package from contracting entity.

NOTE:

If prequalification is required, it must be accomplished before the department will furnish a bid package [***see*** PC Code § 10166]. See*§§ 90A.120* and *90A.121* for the applicable prequalification procedures. The advertisement for the procurement will inform the prospective bidder of the bidding opportunity and the address from which the bid package can be obtained. One convenient resource is the California State Contracts Register, published by the Department of General Services, Office of Small Business and Disabled Veteran Business Enterprise Services, 1531 I Street, Second Floor, Sacramento, CA 95814-2016. The contracts register may be accessed on the internet at http://www.osmb.dgs.ca.gov.

For state construction projects, bid packages are obtained from, and completed bids submitted to, the contracting agency.

2. Advise prospective bidder that after receipt of bid package it should review plans and specifications carefully to understand what is required and determine that there are no errors or inconsistencies in them.

NOTE:

Specifications may not, directly or indirectly, limit the bidding to the product or material of any one specific concern, or call for the use of any product, material, or service by specific brand or trade name unless the specification is followed by the words "or equal" [PC Code § 3400(a)]. If the contracting agency is aware of an equal product manufactured in California, that product must be named in the specification [PC Code § 3400(a)]. Exceptions are allowed when the product is designed to match others on a particular public project either completed or in the course of completion, if the awarding agency finds that a particular material, product, or service is particularly called for in order that a field test or experiment may be made to determine its suitability for future use, or in order to obtain a necessary item that is only available from one source, or in order to respond to specified emergencies [***see*** PC Code § 3400(b)].

3. Advise prospective bidder to complete proposal contained in bid package [*see generally § 90A.200*]. Proposal for state construction contract will require bidder to:

a. Propose price for which bidder will supply all materials and services and perform all work required by plans and specifications contained in bid package.

NOTE:

The attorney advising a prospective bidder should bear in mind several important cost factors that must be considered in estimating a bid price, including complying with wage, working hour, and workers' compensation requirements [***see*** PC Code § 10128; ***see also*** *Lab. Code § 1720 et seq.* (employment regulation and supervision for public works contracts)], as well as payment and performance bonds [***see*** PC Code § 10221] and bodily injury and property damage liability insurance [***see*** *Gov. Code §§ 4420-4422* (unfair and coercive insurance requirements)].

b. State, in figures, all unit prices, lump-sum prices, and extensions.

c. Specify that bid is to be construed as offering all described items completed and in place.

d. Bid on all items listed unless otherwise indicated in bid proposal form.

4. Advise bidder to include following information about subcontractors in bid package [*see* PC Code § 4104]:

NOTE:

If a bidder for a prime contract fails to specify a subcontractor for any portion of the work, or if it specifies more than one subcontractor for the same portion of the work (in excess of one half of one percent of the total bid), the bidder is presumed by statute to have agreed that it is fully qualified to perform and will perform the work involved [PC Code § 4106].

a. Name and location of place of business of each subcontractor who will [PC Code § 4104(a)(1)]:

NOTE:

Subject to a state or local agency's option to implement this provision, the prime contractor may submit any information requested by the officer, department, board, or commission concerning any subcontractor whom the prime contractor is required to list in the bid package, other than the subcontractor's name and location of business, up to 24 hours after the deadline established for receipt of bids by prime contractors [PC Code §

4101(a)(2)].

A bidder may not list another contractor who will in turn sublet a majority of the work to be done under its prime contract [PC Code § 4105].

(1) Perform work or labor or render service to general contractor in amount exceeding one half of one percent of bidder's total bid.

(2) Specially fabricate and install portion of the work, according to contract plans and specifications, in amount exceeding one half of one percent of bidder's total bid.

(3) Perform construction work on streets or highways, including bridges, in amount exceeding one half of 1 percent of total bid or $10,000, whichever is greater.

b. Portion of contract work to be done by each subcontractor [PC Code § 4104(b)].

NOTE:
Only one subcontractor may be listed for each portion of the contract work as defined by the bidder in its bid [PC Code § 4104(b); ***see*** *R.J. Land & Assocs. Constr. Co. v. Kiewit-Shea (1999) 69 Cal. App. 4th 416, 424-428, 81 Cal. Rptr. 2d 615* (listed subcontractor sued prime contractor of public work who substituted another subcontractor to do work; because contractor failed to correct its error in listing subcontractors in bid, listed subcontractor had right to perform subcontract)].

5. Advise bidder to comply with any disabled veteran business enterprise participation requirements by doing all of following:

NOTE:
Bidders on most state contracts must certify compliance (or a good faith effort at compliance) with participation goals for disabled veteran enterprises, as required [***see*** PC Code § 10115]. These goals can be met by subcontracting the required percentage or percentages of contract work to qualifying businesses. Bids that fail to meet required participation goals will not be accepted [*see § 90A.200[1][a],[2]*]. For further discussion of this program, see*§ 90A.64*.

a. Meet good faith effort requirements [*see 2 Cal. Code Reg. § 1896.63*].

b. Provide information supporting compliance with participation goals [*see § 90A.202* (participation program requirements and forms)].

6. Advise bidder that bid security payable to director of contracting department must be enclosed with its bid [PC Code § 10167].

a. Bid security may be in form of one of following:

NOTE:
Bid security in other than one of the types listed below will preclude consideration of a bid[PC Code § 10167].

(1) Cash.

(2) Cashier's check.

(3) Certified check.

(4) Bidder's bond, executed by admitted surety insurer (or undertaking that otherwise satisfies bond requirements [*see CCP § 995.210*]).

b. Bid security must be equal to at least 10 percent of amount bid.

7. If bid is signed by agent other than owner, partner, or corporate officer, have bidder accompany bid with power of attorney.

NOTE:
The instructions accompanying the bid package will require submission of a power of attorney. For coverage of powers of attorney, see Ch. 98, ***Powers of Attorney*** .

8. Have bidder execute noncollusion affidavit and submit with bid [PC Code § 7106; *see § 90A.200[1][g]*].

9. Have bidder execute any required statement of compliance with nondiscrimination laws [*see Gov. Code § 12990*].

10. Have bidder present bid and all accompanying documents in sealed envelope no later than time fixed by public notice for opening of bids [PC Code §§ 10167, *10168*].

11. If bid is on contract for goods or services, advise bidder to include request that notice of proposed award be:

a. Posted:

(1) In public place in office of Department of General Services at least 24 hours before award of contract for goods [*see* PC Code § 10306 (contracts for goods)].

(2) In place accessible by general public, including any Internet site identified in invitation for bids at least five working days before award [*see* PC Code § 10345(a)(1),*(b)* (contracts for services by competitive bidding and contracts for services awarded under request for proposal)].

b. Sent by telegram, electronic facsimile transmission, overnight courier, Internet transmission, or personal delivery five working days before the award to bidder if it is not found to be lowest responsible bidder meeting specifications [*see* PC Code § 10345(a) (contract for services awarded by competitive bidding)].

§ 90A.123 Bid Mistakes

1. Advise bidder for contract under State Contract Act that bid may be withdrawn at any time before time fixed for opening, as follows [PC Code § 10169]:

NOTE:
Bids may be withdrawn before the time fixed for opening only on written request. Bids may not be withdrawn after the time fixed for opening [PC Code § 10169]. A bidder who has submitted the lowest responsible but mistaken bid may request the awarding authority's relief from the mistaken bid, and may sue for return of any forfeited bid security [***see*** P 2, ***below***].

a. Advise bidder that it or its duly authorized representative must execute written request for withdrawal of its bid.

b. File written request with director of department or chief of division for which work is to be performed.

c. Advise bidder that if time remains before bid opening, it may submit new bid.

2. If bidder fails to realize existence of bid mistake until after bid has been accepted by contracting agency, advise bidder to seek relief [*see § 90A.51*].

a. Send contracting agency written notice [*see § 90A.240*]:
(1) Requesting its consent to relief of bidder from its bid [PC Code § 5101].

(2) Specifying in detail how mistake occurred [PC Code § 5103(b)].

(3) Within five working days, excluding Saturdays, Sundays, and state holidays, after bid opening [PC Code § 5103(b)].

b. If bid security is forfeited for bidder's failure to execute contract, file complaint and serve summons on director of department or chief of division or other head of agency under which work is to be performed or appearance is to be made within 90 days after bid opening [*see* PC Code § 5102].

NOTE:

No other claim need be filed before bringing a legal action[PC Code § 5104]. The plaintiff must establish the following to the court's satisfaction [PC Code § 5103]:

- That a mistake was made;
- That the public entity was given written notice within five days after the opening of bids of how the mistake occurred;
- That the mistake made the bid materially different than intended; and
- That the mistake was made in filling out the bid and was not due to error in judgment or carelessness in inspecting the work site or in reading the plans or specifications.

§ 90A.124 Protest Against Award of Contract for Goods

NOTE:
For discussion of protests against the award of contracts for goods, see*§ 90A.50[2]*. The term "goods" means all types of tangible personal property, including materials, supplies, and equipment [PC Code § 10300(d)].

1. Advise unsuccessful bidder ("protesting bidder") to file protest against award of contract or purchase order to another bidder [*see* PC Code § 10306; *see also § 90A.250*]:

NOTE:
In practice, this protest is either filed at the time and place of bid opening by the protesting bidder or its representative or immediately thereafter.

a. Before award.

b. On ground that protesting bidder is lowest responsible bidder meeting specifications.

NOTE:
For a guide to determining whether the protesting bidder is responsible under the circumstances at the time of award, see*§ 90A.113*. The questions of whether a bidder is the lowest bidder or whether its bid meets the specifications are determined on a case-by-case basis. The specifications are available from the protesting bidder and expert opinion should be sought for a determination that the protesting bidder's bid met the specifications. After bid opening, all bids must be read in public (if any person present at the bid opening so desires) [PC Code § 10304] and are available for public inspection (but

tabulations may take as long as seven days to complete) [PC Code § 10305].

2. Have protesting bidder file notice of protest of proposed award of contract with Department of General Services before award of contract governed by PC Code § 10306 [*2 Cal. Code Reg. § 872.1*].

3. Have protesting bidder file full and complete written statement of protest with State Board of Control [PC Code § 10306; *2 Cal. Code Reg. § 872.7* (detailed statement of protest required)]:

a. Specify grounds of protest in detail:

(1) That bid was lowest and was responsive to specifications, and that protesting bidder is responsible; or

(2) That successful (lowest) bidder is not responsible while protesting bidder is responsible and its bid was responsive.

b. Support all allegations with facts.

c. Include request for hearing [*see 2 Cal. Code Reg. § 872.11* (assignment and scheduling for hearing)].

d. Mail or deliver protest to State Board of Control, 926 J Street, Suite 300, Sacramento, CA 95814, within 10 calendar days after filing initial protest with department.

NOTE:

At the hearing, the protesting bidder must prove that it is was the lowest responsible bidder meeting specifications in order for the protest to be granted [*2 Cal. Code Reg. § 873.7*; ***see*** *2 Cal. Code Reg. § 873.1 et seq.* (hearing procedure)].

§ 90A.125 Protest Against Award of Contract for Services

1. Advise unsuccessful bidder ("protesting bidder") that it may protest proposed award on ground that it is lowest responsible bidder meeting procurement specifications [*see* PC Code § 10345(a) (competitive bids); PC Code § 10345(b) (offers in response to request for proposals ("RFP")); *see also* PC Code § 10344 (use of RFP)].

NOTE:
For discussion of protests against the award of contracts for goods, see*§ 90A.50[2]*. For a guide to determining whether the protesting bidder is responsible under the circumstances at the time of award, see*§ 90A.113*.

2. Before award of contract, file initial protest with both [PC Code § 10345(a)(2) (competitive bids for services), (b)(1) (offers for services under RFP)]:

a. Awarding state agency; and

b. Department of General Services.

3. In addition, file complete written statement specifying grounds for protest [PC Code § 10345(a)(3),*(b)(2)*]:

a. With Department of General Services; and

NOTE:
The Department of General Services will establish written procedures for deciding protests under PC Code § 10345 [PC Code § 10345(c)].

b. With awarding state agency.

c. Within five days after filing initial protest [*see* P 2, *above*].

d. Specify ground of protest in detail:

(1) If procurement involves competitive bidding [*see § 90A.50[3]* (discussing "lowest responsible bidder"]:
(a) That protesting bidder's bid was responsive to specifications and lowest and that protesting bidder is responsible; or

(b) That protesting bidder is responsible and its bid was both responsive and next lowest while lowest bidder is not responsible.

(2) If procurement is noncompetitive (that is, pursuant to RFP) on grounds that state agency did one or more of following [PC Code § 10345(b)(2)]:

(a) Failed to follow required evaluation and selection procedures [*see* PC Code § 10344(b),*(c)* (procedures)].

(b) Failed to apply correctly its standards for reviewing format requirements or evaluating proposals as specified in its RFP.

(c) Used appropriate evaluation and selection procedure [*see* PC Code § 10344(b)], but is proposing to make award to bidder other than lowest responsible bidder.

(d) Used appropriate evaluation and selection procedure [*see* PC Code § 10344(c)], but failed to follow methods for evaluating and scoring stated in RFP.

(e) Used appropriate evaluation and selection procedure [*see* PC Code § 10344(c)], but is proposing to make award to bidder other than the one given highest score by its evaluation committee.

d. Support all allegations with facts.

4. If procurement is for information technology goods and services, advise unsuccessful bidder to protest award on ground that its bid should have been selected in accordance with selection criteria of solicitation [PC Code § 12102(h); *see, e.g., United Systems of Arkansas, Inc. v. Stamison (1998) 63 Cal. App. 4th 1001, 1011-1012, 74 Cal. Rptr. 2d 407* (out-of-state bidder protested DMV's award of contract for certified mail forms, attendant software, and printers to another bidder)]:

a. Initially to Department of General Services.

b. To State Board of Control within 10 days from the time it files initial protest with full substantiation.

§ 90A.126 Misaward of Construction Contract

1. If agency proposes to award contract to party other than lowest bidder, advise lowest bidder to demand [*see § 90A.252*]:

a. All evidence reflecting on its responsibility.

b. Opportunity to rebut that adverse evidence.

2. If opportunity to rebut adverse evidence is granted, have lowest bidder present evidence to agency showing that it is qualified to perform contract and must be awarded contract.

NOTE:

Absent a statute that provides otherwise, an award to a bidder other than the lowest responsible bidder must be set aside [***see*** *City of Inglewood-L.A. County Civic Center Auth. v. Superior Court (1972) 7 Cal. 3d 861, 870, 103 Cal. Rptr. 689, 500 P.2d 601* (construction contract)].

3. Advise lowest bidder that concurrently with demand for opportunity to present evidence bearing on its qualifications:

a. It should seek judicial order prohibiting any award and prosecute that action if administrative opportunity to rebut adverse evidence is denied.

b. If award is not halted as result of lowest bidder's protest, advise lowest bidder that it should also seek damages under theory of promissory estoppel.

NOTE:

When the public entity promises to award the contract to the lowest responsible bidder, the reliance by a contractor who qualifies as a responsible bidder in preparing and submitting a bid is sufficient to create

an informal contract entitling the lowest responsible bidder to damages under a theory of promissory estoppel if the contract is not awarded to that bidder [***see*** *Swinerton & Walberg Co. v. City of Inglewood-L.A. County Civic Center Authority (1974) 40 Cal. App. 3d 98, 104, 105, 114 Cal. Rptr. 834]* . For discussion of the measure of damages in such a case, see*§ 90A.50[1]*.

§ 90A.140 Substitution of Subcontractors After Contract Award

NOTE:
The practice of shopping for the lowest bid among several potential subcontractors ***before*** the award of a contract is regarded as a normal, competitive open-market procedure. However, the same practice ***after*** the contract has been awarded is illegal except under the circumstances indicated below [***see*** PC Code § 4107].

1. Advise contractor (or subcontractor) that substituting another subcontractor for subcontractor listed in original bid is prohibited, *except* when awarding authority consents in any of following situations [*see* PC Code § 4107(a)]:

NOTE:
Before approving a prime contractor's request for substitution, the awarding authority must give the subcontractor listed in the bid written notice of the request and the reasons for the request. The notice must be served by certified or registered mail to the last known address of the subcontractor. The listed subcontractor then has five working days to submit written objections to the substitution to the awarding authority. Failure to file written objections constitutes the listed subcontractor's consent to the substitution [PC Code § 4107(a)].

PC Code § 4107 contemplates that the awarding authority's consent to substituting out a listed subcontractor and substituting in a replacement subcontractor will occur before the prime contractor permits the replacement subcontractor to perform any work. However, a deviation from this sequence is permissible as long as the procedure used actually complies with the substance of the reasonable objectives of the statute, which are (1) to prevent bid peddling and bid shopping after the award

of a public works contract and (2) to provide an opportunity to the awarding authority to investigate the proposed replacement subcontractor before consenting to substitution [*Titan Elec. Corp. v. Los Angeles Unified Sch. Dist. (2008) 160 Cal. App. 4th 188, 193, 72 Cal. Rptr. 3d 570]* .

a. When listed subcontractor, after reasonable opportunity, fails or refuses to execute written contract for scope of work specified in subcontractor's bid and at price specified in subcontractor's bid, when written contract, based on general terms, conditions, plans, and specifications of project is presented to subcontractor by prime contractor.

b. When listed subcontractor becomes bankrupt or insolvent.

c. When listed subcontractor fails or refuses to perform subcontract.

d. When listed subcontractor fails or refuses to meet bond requirements set by general contractor [*see* PC Code § 4108].

e. When general contractor demonstrates that subcontractor's name was listed as result of inadvertent clerical error [*see* P 2, *below*].

f. When listed subcontractor is not properly licensed under Contractors' State License Law.

g. When awarding authority determines that work performed by listed subcontractor is substantially unsatisfactory and not in substantial accordance with plans and specifications.

h. When awarding authority determines that subcontractor is substantially delaying or disrupting progress of work.

i. When subcontractor is ineligible to work on public works project under *Lab. Code § 1777.1* (willful violations of *Lab. Code § 1720 et seq.* (public works)) or *Lab. Code § 1777.7* (noncompliance with provisions involving employment of apprentices).

j. When awarding authority determines that listed subcontractor is not a responsible contractor.

2. If general contractor makes inadvertent error in listing subcontractor, advise general contractor to assert claim as follows [PC Code § 4107.5; *see R.J. Land & Assocs. Constr. Co. v. Kiewit-Shea (1999) 69 Cal. App. 4th 416, 427, 81 Cal. Rptr. 2d 615* (contractor that contended it had made inadvertent error in listing subcontractors failed to timely invoke statutory procedure)]:

a. Give written notice of error to awarding authority within two working days after prime bid was opened.

b. Send or deliver copies of that notice to:
(1) Subcontractor that was erroneously listed.

(2) Subcontractor that general contractor actually intended to list ("intended

subcontractor").

NOTE:
The intended subcontractor must have submitted a bid on the same job to the general contractor before the bid opening. The erroneously listed subcontractor has six working days from the time of bid opening to submit a written objection to the claim to the general contractor and the awarding authority. The listed contractor's failure to file a written objection within the allotted time is primary evidence of its agreement that an inadvertent clerical error has been made [PC Code § 4107.5].

3. Advise contractor that awarding authority must hold public hearing and, absent compelling reasons to the contrary, consent to substitution of intended subcontractor if either [PC Code § 4107.5]:

a. Each of three parties involved admits, by affidavit or other evidence filed no more than eight days after bid opening, that inadvertent clerical error was made; or

b. Contractor and intended subcontractor file necessary affidavits within eight days after bid opening, and erroneously listed subcontractor does not submit written objection to claim of inadvertence within six working days to prime contractor and awarding authority.

NOTE:
If the erroneously listed subcontractor submits a written objection to the claim of inadvertent clerical error within six working days from the time the prime bid is opened, the awarding authority will conduct an investigation, hold a public hearing, and determine the validity of the claims [***see*** PC Code § 4107.5].

4. Advise contractor that no portion of work exceeding one half of one percent of total bid and for which no subcontractor was listed may be sublet or subcontracted except in cases of public emergency or necessity [PC Code § 4109].

§ 90A.141 Arbitration Proceedings for Determination of Claims Arising Under State Contract Act

NOTE:

For discussion of the settlement of claims arising under contracts authorized under other statutes, see*§ 90A.52*. See also California Forms of Pleading and Practice, Ch. 32, ***Contractual Arbitration: Agreements and Compelling Arbitration*** ; Ch. 481, ***Public Works*** (Matthew Bender).

1. Advise client who has claim under construction contract that it may be compromised or otherwise settled at any time [PC Code § 9201(a)].

NOTE:

A "claim" is a demand for money or damages arising under or relating to the performance of a contract awarded under the State Contract Act [PC Code § 10240.6].

2. If claim is not compromised or settled, advise client that it:

NOTE:

There are time limits on the right to file complaints or seek arbitration [***see*** PC Code § 19100(a),*(b)*, PC Code § 10240.1; ***see also*** *§ 90A.52*].

a. May be resolved through litigation if parties mutually agree to waive all statutory provisions governing resolution of contract claims [*see* PC Code §§ 10240-10240.13] and to litigate instead [PC Code § 10240.10].

b. Must be resolved through arbitration, absent settlement or agreement of parties to litigate [*see* PC Code § 10240].

3. In absence of agreement to waive statute and litigate, advise contractor that administrative procedures prescribed in contract for resolution of disputes must be diligently pursued and exhausted as prerequisite to arbitration [PC Code § 10240.2].

NOTE:
Although these administrative procedures must be initiated and pursued, it is not necessary for the claimant to exhaust administrative procedures before initiating arbitration if more than 240 days have elapsed since the contracting department accepted the work [PC Code § 10240.2].

4. Initiate arbitration by filing claim not later than 90 days after date claimant is served with department's final written decision on claim [*see* PC Code §§ 10240.1, *19100(a)*].

NOTE:
The 90-day limitation is inapplicable if the claim arises from any cost audit, latent defect, warranty, or guarantee under the contract[PC Code § 10240.1; ***but see*** PC Code § 19100(a) (time limit for filing arbitration claim)].

Costs are shared equally by the parties, except for filing fees, witness fees, costs of discovery, or other costs necessarily incurred by one party. The arbitrator may allow the prevailing party to recover costs and necessary disbursements, other than attorneys' fees, in the same manner as in civil cases [***see*** *CCP §§ 1021-1038*]. If one party makes an offer of settlement more favorable than the arbitrator's award, the party who rejects the offer may not recover costs or interest after the date of the offer and the party who makes a reasonable settlement offer may recover reasonable attorneys' fees incurred after that date. Attorneys' fees may also be awarded against a party who acts frivolously or in bad faith [PC Code § 10240.13].

5. Join other parties in arbitration proceeding [PC Code § 10240.9]:

a. Any suppliers, subcontractors, design professionals, sureties, or other parties who have agreed to joinder.

b. If joinder is necessary to prevent substantial risk that joined party would otherwise be subject to inconsistent obligations or decisions.

6. Select arbitrator or arbitrators [*see* PC Code § 10240.3]:

a. Advise contractor that more than one arbitrator may be used if both parties agree.

NOTE:
As a practical matter, it is desirable to have more than one arbitrator and to have an odd number of arbitrators so that there is a clear majority to decide any issue. It is common for three arbitrators to be used: one selected by each party and a third selected by the other two arbitrators.

b. Advise contractor that, absent agreement, only one arbitrator may be used.

NOTE:
The arbitrator is chosen by the parties from a list created by Public Works Contract

Arbitration Committee. If the parties cannot agree on an arbitrator, either party may petition the superior court to appoint an arbitrator from the list [PC Code § 10240.3].

7. Represent client in arbitration proceeding.

NOTE:

Arbitration proceedings are conducted in accordance with the arbitration provisions of the Code of Civil Procedure [***see*** *CCP §§ 1280-1294.2*], pending adoption of uniform regulations by the Departments of General Services, Transportation, and Water Resources [PC Code §§ 10240.5, *10240.11*]. For detailed treatment of the conduct of arbitration proceedings, see California Forms of Pleading and Practice, Chs. 30- 39 (Matthew Bender).

The contracting department's decision on any issue will not be deemed conclusive by the arbitrator [***see*** PC Code § 10240.4]. *CCP § 1283.05(e)*, which provides that there is no right to take depositions for discovery without the leave of the arbitrator, does not apply to proceedings under the Public Contract Code [PC Code § 10240.11].

8. If arbitration award is not supported by substantial evidence or in accordance with California law, advise contractor that it may sue to have award vacated unless parties have agreed to waive requirements governing arbitration decision [*see* PC Code §§ 10240.8, 10240.12].

NOTE:

In the absence of any agreement among the parties to the contrary, the arbitration decision must be made under and in accordance with California law, must be supported by substantial evidence, and must state the basis for the decision, findings of fact, and conclusions of law [PC Code § 10240.8].

PART IV. FORMS
A. Bid Proposal Package

29-90A California Legal Forms--Transaction Guide § 90A.200

§ 90A.200 Request for Proposal--Primary

[1] Comment

[a] Use of Form

This form is a standard proposal package for use by a bidder to submit its bid for a state contract. The form is available on at the Department of General Services' website, at http://www.ols.dgs.ca.gov/Contracting+Info/formsandinstruction.htm. Requests for Proposal--Secondary are available at the same URL [*see* [c], *below*, for definitions of "primary" and "secondary"]. All agreements include by reference General Terms and Conditions and Contractor Certification Clauses that may be viewed and downloaded at www.ols.dgs.ca./gov Standard+Language [*see* [2], *below*]. For those who do not have Internet access, a hard copy is available from the state agency releasing the request for proposal. Use of the forms provided by the contracting department is mandatory [*see* PC Code § 10166].

This form is illustrative only, and is included to apprise attorneys and prospective bidders of the typical content of a bid package. The prospective bidder should obtain a bid package for the project it wishes to bid on from the appropriate state agency. That agency is frequently the Real Estate Services Division, or the Office of the State Architect, contracting for the construction (including alteration, demolition, repair, or improvement) of state facilities.

While "invitation to bid" and "request for proposal" are often used interchangeably, a request for proposal (RFP) must describe the work to be performed or services to be provided, describe the format for proposals, state the standards that the agency will use to evaluate proposals, and include the deadline for submission and the timetable the agency will follow in reviewing and evaluating proposals [PC Code § 10344(a); *see § 90A.22[3][c]*]. When properly filled out and submitted, a request for proposal constitutes a bid [PC Code § 10166].

A standardized "Invitation to Bid" form is also available at the Department of General Services' website, at http://www.ols.dgs.ca.gov/Contracting+Info/formsandinstruction.htm. That form is identical to the RFP reproduced in [2], *below*, with the exception of Section C, Bid Requirements and Information, which omits the subsections entitled "Work Plan and Work Schedule Requirements" and "Cost Detail Format Requirements."

The request for proposal package reproduced below includes the following:

- Purpose and Description of Services
- Minimum Qualifications for Bidders
- Proposal Requirements and Information, including
    - Key Action Dates
    - Pre-Proposal Conference/Walkthrough (if applicable)
    - Work Plan and Work Schedule Requirements
    - Cost Detail Format and Requirements
    - Submission of Proposal
    - Evaluation Process
    - Award and Protest
    - Disposition of Proposals
    - Agreement Execution and Performance
- Preference Programs, including, for example the Small Business Preference (defining "small business" and describing the small business preference [*see* [f], *below*]). Not all preference programs apply to every request for proposal [*see* [2], § D, *below*].
- Required Attachments, including the Disabled Veteran Business Enterprise (DVBE) Participation Program [see*§ 90A.202[2]*].
- Sample Standard Agreement (STD 213)
    - Scope of Work
    - Budget Detail and Payment Provisions
    - General Terms and Conditions
    - Special Terms and Conditions (if applicable)
    - Any Additional Provisions

In order for a proposal to be responsive, a bidder must provide all required information and include all required attachments [*see* [2], *below*].

[b] Advertisements for Bids

Advance advertisement is required for construction projects [*see* PC Code § 10140; *see also § 90A.21[1]*]. These advertisements are published in public newspapers in the area in which the project is located, as well as in the California State Contracts Register, the Pacific Builder, and The Green Sheet. Notices are also published in builder exchanges throughout the state and in the offices of the contracting agency [*see* PC Code § 10140(a),*(b)*].

Information about contracting opportunities is also available on the Department of General Services web site at http://www.dgs.ca.gov/pd/.

In addition, each state agency [*see Gov. Code § 14838.1(d)* (definition)] awarding contracts for the construction, alteration, demolition, repair, or improvement of the state's infrastructure financed with the proceeds of the infrastructure-related bond acts of 2006 [*see Gov. Code § 14838.1(c)* (listing relevant bond acts)] must advertise all upcoming opportunities to bid on contracts for projects funded by those bond acts [*see Gov. Code § 14838.1(a)(2)*; *see also § 90A.61*].

[c] Primary and Secondary RFP Methods Defined

The "primary RFP method" is a "two-envelope method" for evaluating proposals, in which qualifications and cost proposals are submitted in two separate sealed envelopes. Qualifications are first evaluated according to criteria set in the RFP. For bidders who meet the minimum qualifications standards, the awarding agency then evaluates the cost proposals. The award is made to the lowest bidder meeting the minimum qualifications [State Contracting Manual, Glossary of Terms, available at http://www.ols.dgs.ca.gov/Contract+Manual/GlossaryofTermsandIndex.htm].

The "secondary RFP method is the method for evaluating proposals obtained through an RFP, in which an evaluation panel assesses each proposal according to a set of criteria that must include cost. Each criterion is assigned a weight, with substantial weight going to cost. The award is made to the bidder whose proposal is given the highest score [State Contracting Manual, Glossary of Terms, available at http://www.ols.dgs.ca.gov/Contract+Manual/GlossaryofTermsandIndex.htm].

[d] Prequalification of Prospective Bidders

The contracting department may require prospective bidders to prequalify; that is, to complete, verify, and submit a standard questionnaire and financial statement, including a complete statement of the prospective bidder's financial ability and experience in performing public works. Whenever a contracting department requires any bidder to prequalify on a contract, the department must require all prospective bidders to that contract to prequalify [PC Code § 10160; *see § 90A.21[2]*].

If a potential bidder that has not been prequalified requests a copy of the standard proposal form and prequalification is required, the contracting department will refuse to furnish a proposal package [PC Code § 10166], and instead will inform the bidder of the need for prequalification and supply a copy of a prequalification questionnaire ("Contractor's Statement of Experience and Financial Condition"). The questionnaire must be submitted at least five days before the date on which sealed bids for the contract are to be publicly opened. The contracting agency will then assign the bidder a prequalification rating at least one day before that date [PC Code § 10166]. For a list of the facts needed to fill out a prequalification questionnaire, see*§ 90A.100*.

[e] Required List of Subcontractors for Bids for Construction of Any Public Work or Improvement

Any bid proposal for the construction of any public work or improvement must specify the name and business location of each subcontractor who will perform subcontract work in excess of one half of one percent of the prime contractor's total bid and the portion of the work to be done by each listed subcontractor [PC Code § 4104(a)(1)]. Only one

subcontractor may be specified for each portion of the prime contract work [PC Code § 4104(b); *see R.J. Land & Assocs. Constr. Co. v. Kiewit-Shea (1999) 69 Cal. App. 4th 416, 424-428, 81 Cal. Rptr. 2d 615* (listed subcontractor sued prime contractor of public work who substituted another subcontractor to do work; because contractor failed to correct its error in listing subcontractors in bid, listed subcontractor had right to perform subcontract)]. Bids must also include the name and business address of any off-site subcontractor who will specially fabricate a portion of the work under the contract plans and specifications if the value of the work will exceed one half of one percent of the prime contractor's total bid or $10,000, whichever is greater [PC Code § 4104(a)(1)]. Subject to a state or local agency's option to implement this provision, the prime contractor may submit any information requested by the officer, department, board, or commission concerning any subcontractor whom the prime contractor is required to list in the bid package, other than the subcontractor's name and location of business, up to 24 hours after the deadline established for receipt of bids by prime contractors [PC Code § 4101(a)(2)].

Failure to specify a subcontractor when required, or specifying more than one subcontractor for any portion of the contract work, is construed as representing that the prime contractor will perform the work [PC Code § 4106]. An attempt to subcontract the work after failure to correctly specify a subcontractor under these circumstances, or an impermissible substitution of one subcontractor for another after the award of a contract, may result in the cancellation of the contract by the awarding authority, the assessment of a monetary penalty of not more than 10 percent of the amount of the subcontract involved, or disciplinary action by the Contractors' State License Board [PC Code §§ 4110, 4111]. In addition, a contractor may not circumvent the requirement to list subcontractors by listing another contractor who will in turn sublet work covered by the prime contract [PC Code § 4105]. For further discussion of the law regarding subcontractors, see*§ 90A.28*.

A successful bidder may not substitute a subcontractor in place of a subcontractor listed in the original bid, except in certain prescribed situations with the consent of the awarding authority [*see* PC Code § 4107(a)]. For a list of these situations and the procedure for substitution, see*§ 90A.140*. In addition, the contractor may not permit a subcontract to be voluntarily assigned, transferred, or performed by anyone other than the original subcontractor listed in the original bid without the consent of the awarding authority [PC Code § 4107(b)].

[f] Small Business Preference

This form contains a request for small business preference and certification that the bidder is a small business [*see Gov. Code § 14837(d)(1)*; *see 2 Cal. Code Reg. § 1896.4(w)* ("small business" defined)]. A prequalified small business may be granted a preference of 5 percent of the lowest responsible bid submitted by a business other than a small business, and may be given special consideration in qualifying for service, construction, or supply contracts [*see Gov. Code § 14838(b),(c)*]. The small business preference may not exceed $ 50,000 for any bid [*Gov. Code § 14838(b)*; *2 Cal. Code Reg. § 1896.8(e)*]. Further, the combined cost of the small business preference and preferences awarded under any other law may not exceed $ 100,000 [*2 Cal. Code Reg. § 1896.8(e)*]; and no preference will be allowed if doing so would result in a bid by a small business firm in excess of the project's funding [*see Gov. Code § 14838.4*]. For further discussion of the small business preference in state contracts, see*§§ 90A.61* and *90A.62*.

To obtain the small business certification required to seek a small business preference on a state contract, the bidder must [*2 Cal. Code Reg. § 1896.14(a)*]:

- Submit a completed application to the Department of General Services, including all required substantiating documentation and information needed by the Department to determine the business's eligibility for small business certification;

- Respond to any deficiency notice from the Department, by the date and time specified by the Department, with all additional information requested, or provide reasons acceptable to the Department regarding why the deficiency request cannot be fulfilled; and

- Meet all eligibility requirements [*see 2 Cal Code Reg. § 1896.12*].

A small business must provide written notification to the Department of any changes in its operation or ownership during its certification period that may affect its continuing eligibility as a small business [*2 Cal. Code Reg. § 1896.14(b)*]. In the event that the business is sold during its certification period, certification is not transferable to the new owners [*2 Cal. Code Reg. § 1896.14(b)*].

Every business certified as a small business is subject to verification of status at any time. Failure by a small business to provide requested information that supports its continued eligibility as a small business, by the date and time specified by the Department, is a ground for decertification [*2 Cal. Code Reg. § 1896.14(d)*].

Once granted, certification is valid for up to 36 months [*2 Cal. Code Reg. § 1896.16(d)*]. Before the end of the certification period, the Department, at its discretion, may extend the certification period for up to 24 months [*see 2 Cal. Code Reg. § 1896.16(d)*]. Certification, including extensions, may not exceed 60 months. At the end of the 60-month period, the business may again apply for certification [*2 Cal. Code Reg. § 1896.16(d)*].

If a business furnishes incorrect supporting information that results in its classification as a small business and is awarded a contract to which it would not otherwise be entitled, it must pay the state the difference between the contract amount and what the state's cost would have been if the contract had been properly awarded. It will also be assessed a penalty of up to 10 percent of the contract amount, and will be ineligible to transact any business, directly or indirectly, with the Department of General Services for a 3-month to 24-month period [*2 Cal. Code Reg. § 1896.16(h)*].

[g] Noncollusion Affidavit Required for Public Work Contracts

Any public works contract must include an affidavit, in the form provided by statute, stating that the bidder has not engaged in any collusive act in preparing and submitting its bid [*see* PC Code § 7106]. The affidavit should be executed as part of the RFP, or bid, as required.

[h] Submission of Bids and Bid Security

Bids must be received by the time fixed in the public notice for the opening of bids or they will not be accepted [PC Code § 10168; *see* PC Code § 4104.5(a) (state agency taking bids for construction of any public work or improvement must specify in bid invitation and public notice the place prime contractors' bids will be received and the time by which bids must be received)]. The date and time will be extended by no less than 72 hours if the officer, department, board, or commission issues any material changes, additions, or deletions to the invitation later than 72 hours prior to the bid closing [PC Code § 4104.5(a)]. Any bids received after the time specified in the notice or any extension due to material changes will be returned unopened [PC Code § 4104.5(a)]. As used in this context, "material change" means a change with a substantial cost impact on the total bid as determined by the awarding agency [PC Code § 4104.5(b)].

Bids must be presented in a sealed envelope and accompanied by an acceptable form of bid security. A bid will not be considered unless proper security is included with the bid [PC Code § 10167].

[i] Withdrawal of Bids

A bid may be withdrawn at any time before the time specified for the opening of bids, but only on the written request of the bidder (oral, telegraphic, or telephonic requests to withdraw a bid proposal are not acceptable and will therefore be ineffective). The request must be executed by the bidder or its duly authorized representative and filed with the director of the department or the chief of the division under which the work is to be performed. However, the mere fact that a bidder has withdrawn its bid before bid opening does not prejudice its right to file a new bid [PC Code § 10169].

There is no right to withdraw a bid after the time fixed for the opening of bids [*see* PC Code § 10169], although a bidder may be able to recover the amount forfeited for nonperformance [PC Code § 10181] if the bid amount resulted from a mistake [PC Code § 5101; *see §§ 90A.51, 90A.240* (form)].

[j] Award of Contract to Lowest Responsible Bidder

In general, an award to a bidder other than the lowest responsible bidder must be set aside [*see City of Inglewood-L.A. County Civic Center Auth. v. Superior Court (1972) 7 Cal. 3d 861, 870, 103 Cal. Rptr. 689, 500 P.2d 601]* . A contract for a public construction project must be awarded to the lowest monetary bidder unless the public entity determines that the lowest bidder is not responsible. The awarding authority may not choose between the two lowest bidders on the basis of which is the best bidder; there is no basis for the application of a relative superiority concept [*City of Inglewood-L.A. County Civic Center Auth. v. Superior Court (1972) 7 Cal. 3d 861, 867, 103 Cal. Rptr. 689, 500 P.2d 601]* . However, if a successful bidder refuses to execute a contract, and the contracting agency deems it in the best interest of the state, the contract may be awarded to the next lowest bidder [PC Code § 10182].

"Lowest responsible bidder" refers to the bidder with the lowest monetary bid that is qualified to do the particular work under consideration. "Responsible" includes the attribute of trustworthiness and refers to the quality, fitness, and capacity of the lowest bidder to perform the proposed work satisfactorily [*City of Inglewood-L.A. County Civic Center Auth. v. Superior Court (1972) 7 Cal. 3d 861, 867, 103 Cal. Rptr. 689, 500 P.2d 601* ; *but see* PC Code § 10115 (participation goals for disabled veteran business enterprises); *see also § 90A.64*].

Before awarding a contract for work to be performed by a contractor, a state agency or department [*see* PC Code § 10357 (definition)] must verify that the person seeking the contract is licensed in a classification appropriate to the work to be undertaken. Verification may be accomplished by checking with the Contractors' State License Board or by requiring the person seeking the contract to present his or her pocket license and to provide a signed statement regarding the validity of the license [PC Code § 6100]. For discussion of contractor licensing generally, see Ch. 88, *Licensing of Contractors* .

A state agency or department [*see* PC Code § 10357 (definition)] must not award a public works or purchase contract to a bidder or contractor who, in the preceding five years, has been convicted of violating a state or federal law regarding the employment of undocumented aliens [PC Code § 6101].

[k] Notice of Nonresponsibility to Lowest Bidder Before Award

Before the award of a public works contract to a bidder other than the lowest bidder, the public entity must notify the lowest monetary bidder of any evidence reflecting on its responsibility received from others or adduced as a result of independent investigation, afford it an opportunity to rebut that adverse evidence, and permit it to present evidence that it is qualified to perform the contract [*City of Inglewood-L.A. County Civic Center Auth. v. Superior Court (1972) 7 Cal. 3d 861, 871, 103 Cal. Rptr. 689, 500 P.2d 601]* . For a guide to the procedures involved in protests against the award of contracts for goods and services, see*§§ 90A.124* and *90A.125*.

§ 90A.202 Documentation of Disabled Veteran Business Enterprise Requirements [STD.840]

[1] Comment

[a] Use of Form

This form, the Documentation of Disabled Veteran Business Enterprise Requirements, STD.840, is a bidder's statement of compliance with the disabled veteran business enterprise (DVBE) requirements in a standard Request for Proposal [*see § 90A.200*]. Using this form, the bidder certifies a commitment to meet the full DVBE participation requirement, or certifies that the bidder has performed and documented a good faith effort to obtain DVBE participation, or certifies approval of a DVBE Business Utilization Plan.

This form must be submitted with the completed Request for Proposal or Invitation to Bid [*see § 90A.200[1][a]*]. Bids are accepted only from bidders who certify that they have achieved participation goals, have made a good faith effort to achieve them, or have an approved DVBE Business Utilization Plan [*see § 90A.200[2],* § D (Preference Programs)].

This form may be downloaded from the Department of General Services website at http://www.documents.dgs.ca.gov/pd/poliproc/Std840webproof5.pdf

[b] Bidder Declaration

This form refers to the Bidder Declaration Form GSPD-05-105 [*see* [2], *below*]. The Bidder Declaration requires the prime bidder to identify any current California certifications, including disabled veteran business enterprise (DVBE), small business, and microbusiness, and to identify certifications of any subcontractors. For further discussion and a reproduction of the Bidder Declaration form, see*§ 90A.203*.

[c] Participation Goals

All contracts awarded by any state agency, department, officer, or other governmental entity for construction, professional services, materials, supplies, equipment, alteration, repair, or improvement (with the exception of contracts

for professional bond services of an underwriter obtained by competitive bid [*see Gov. Code § 16850(a)*]) must comply with specified participation goals for disabled veteran business enterprises [PC Code § 10115(c); *see* M&V Code § 999(b)(7) (definition); *see also 2 Cal. Code Reg. §§ 1896.60-1896.95* (disabled veteran business goals)]. These goals apply to the overall dollar amount spent each year by the awarding department [*see* PC Code § 10115.1(a) (definition)]. The participation goal for disabled veteran business enterprises, is 3 percent [PC Code § 10115(c)]. State agencies awarding the contracts described above require that each bidder meet (or make a good faith effort to meet) specified goals to be eligible [*see § 90A.64*; *see, e.g., § 90A.200[2]* (bidder must establish compliance with DVBE participation requirements)].

In awarding contracts to the lowest responsible bidder [*see § 90A.200[1][j]*], the awarding department must consider the efforts of a bidder to meet required participation goals [PC Code § 10115.2(a)]. To qualify, a bidder must either meet the statewide participation goals noted above, or demonstrate that a good faith effort was made to meet them [PC Code § 10115.2(a); *2 Cal. Code Reg. § 1896.62* (disabled veterans business enterprise participation goals); *see* PC Code § 10115.2(b); *2 Cal. Code Reg. § 1896.63* (elements of good faith effort)].

This form contains both a disabled veteran business enterprise participation summary and a good faith effort documentation form. Before preparing a bid response, the bidder must determine which of these two options the bidder will document to meet Disabled Veteran Business Enterprise Participation Program requirements [*see* [2], *below*, Article 2.1].

Similar participation requirements apply to public utility procurement contracts [*see* PU Code § 8281(b)]. For further discussion of these requirements, see*§ 90A.64*.

Information about the disabled veteran business enterprise program is available on the Department of General Services web site at http://www.pd.dgs.ca.gov/smbus/default.htm .

[d] Certification As Disabled Veteran Business Enterprise

A business will be certified by a government agency as a DVBE if it meets established criteria [*see* M&V Code § 999(b)(7)(A)]. For a checklist to qualify as a DVBE, see*§ 90A.112*. For further discussion and an application for certification as a small business, a disabled veteran business enterprise (DVBE), or both, see*§ 90A.230*.

§ 90A.203 Bidder Declaration [GSPD 05-105]

[1] Comment--Use of Form

This form, a Bidder Declaration, GSPD 05-105, identifies the bidder's current certifications (small business, microbusiness, and disabled veteran business enterprise (DVBE)) and any certifications held by the bidder's subcontractors. The form is a required attachment to the standard Request for Proposal or Invitation to Bid [*see* 90A.200[1][b]].

The form is available at the Department of General Services, Procurement Division website, at http://www.documents.dgs.ca.gov/pd/delegations/GSPD105.pdf .

The form's purpose is to provide "buyers with a centralized location to evaluate the various factors required by law and policy as it relates to small business (SB), microbusiness (MB) and disabled veteran business enterprise (DVBE) programs. It also provides bidders and/or suppliers that submit responses to competitive solicitations or Request for Offers (RFO) a means to be compliant by targeting salient subcontractor requirements included in law and policy as well as making bidders and suppliers aware of a subcontractor's status" [http://www.documents.dgs.ca.gov/pd/delegations/BidDecNarBrdcst0106.pdf].

PART IV. FORMS

29-90A California Legal Forms--Transaction Guide § 90A.204

§ 90A.204 Drug-Free Workplace Certification [STD.21]

[1] Comment

[a] Use of Form

This form is a certification of a drug-free workplace. The completed form should be submitted with requests for proposals or invitations to bid for any state property or service contract [*see Gov. Code § 8355(a)*; [b], *below*].

[b] Duty to Provide Drug-Free Workplace

A contractor awarded a contract for the procurement of property or services from a state agency must certify to the contracting agency that it will provide a drug-free workplace [*Gov. Code § 8355*]. The contractor must certify that it will do all of the following [*Gov. Code § 8355(a)-(c)*]:

- Publish a statement that notifies employees that making, distributing, dispensing, possessing, or using controlled substances in the workplace is prohibited, and that specifies the action that will be taken for violations.

- Establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace, the company policy of maintaining a drug-free workplace, available drug counseling, rehabilitation, and employee assistance programs, and the penalties for drug abuse violations.

- Require that each employee engaged in performing the contract be given a copy of the statement about controlled substances noted above, and that as a condition of employment on the contract, each employee agrees to abide by the terms of the statement.

This certification requirement does not apply to a credit card purchase of goods of $2500 or less [*Gov. Code § 8355(b)(1)*]. However, the total amount of this exemption may not exceed $7500 per year for each company from which a state agency is purchasing goods by credit card [*Gov. Code § 8355(b)(2)*].

False certification is grounds for suspension of contract payments, termination of the contract, and debarment of the contractor [*see Gov. Code § 8356(a)*].

B. Security Agreements

29-90A California Legal Forms--Transaction Guide § 90A.220

§ 90A.220 Escrow Agreement for Security Deposits in Lieu of Retention

[1] Comment

[a] Use of Form

This form is an escrow agreement to be used when a contractor on a state contract wishes to deposit securities in escrow in place of having the public agency withhold money to ensure performance under the contract [*see* [b], [c], *below*]. The language of the form is taken from the escrow agreement set forth in PC Code § 22300. With limited exceptions [*see* [c], *below*], this agreement is applicable to any type of state contract. For a similar escrow agreement specifically applicable to the State Contract Act, see PC Code § 10263.

An escrow agreement is void and unenforceable unless it is substantially similar to the form presented in the statute [PC Code § 22300(f)]. This form complies with the requirements of the statute.

[b] Withholding of Payments

California law requires the withholding of part of the payment due on state contracts in order to ensure complete performance [*see* PC Code §§ 10261 (not less than 5 percent of payments from the Department of General Services on contracts under the State Contract Act),10346 (not less than 10 percent of progress payments on contracts for services),9203 (not less than 5 percent of progress payments on local agency construction projects)]. For further discussion of contract payments, see*§ 90A.26*.

[c] Substitution Provision Required

Provisions must be included in any invitation for bid and in any contract documents to allow the substitution of securities for any money withheld by a public agency to ensure contract performance. Failure to include these provisions in bid and contract documents will void any provisions for performance retentions in a public agency contract [PC Code § 22300(c)].

[d] Exceptions to Substitution Rule

There are two exceptions to the requirement of a substitution provision. Substitution provisions may not be included in contracts that involve financing provided by the Farmers Home Administration of the United States Department of Agriculture pursuant to the Consolidated Farm and Rural Development Act [*see 7 U.S.C. § 1921 et seq.*]. In addition, substitution provisions may not be included when federal regulations, federal policies, or both, do not allow the substitution of securities [PC Code § 22300(a)].

[e] Procedure for Substitution

At the request and expense of the contractor, securities equivalent to the amount withheld will be deposited with the public agency or with a state or federally chartered bank in California as the escrow agent. The agency or the escrow agent will then pay the withheld money to the contractor. On satisfactory completion of the contract, the securities will be returned to the contractor [PC Code § 22300(a)].

Alternatively, the contractor may request, and the agency must make, payment of the retentions earned directly to the escrow agent at the expense of the contractor. At the expense of the contractor, the contractor may direct the investment of the payments into securities and the contractor must receive the interest earned on the investments on the same terms as provided for by PC Code § 22300 for securities deposited by the contractor. On satisfactory completion of the contract, the contractor must receive from the escrow agent all securities, interest, and payments received by the escrow agent from the agency [PC Code § 22300(b)].

Securities that may be used for this purpose include the following [PC Code § 22300(c)]:

- Securities approved for investment of surplus state funds [*see Gov. Code § 16430* (securities eligible for investment of surplus moneys include bonds of state, federal, and local governments)].
- Prime quality commercial paper.
- Bankers acceptances, if eligible for purchase by the Federal Reserve System.
- Negotiable certificates of deposits.
- The portion of bank loans and obligations guaranteed by the federal SBA or FHA.
- Bank loans and obligations guaranteed by the Export-Import Bank.
- Federal student loan notes.
- Obligations issued, assumed, or guaranteed by various international development banks.
- Bonds, debentures, and notes of corporations organized and operating in the United States, (if rated in the top three by a nationally recognized ratings service).
- Bank or savings and loan certificates of deposit.
- Interest-bearing demand deposit accounts; standby letters of credit.
- Any other security mutually agreed to by the contractor and the public agency.

The contractor is the beneficial owner of any substituted securities and will receive any interest on those securities [PC Code § 22300(c)].

Any contractor who elects to receive interest on funds withheld in retention by a public agency must, at the request of any subcontractor performing more than 5 percent of the contractor's total bid, make that option available to the subcontractor regarding any funds withheld in retention by the contractor from the subcontractor [*see* PC Code § 22300(d)(1),*(2)* (effective for contracts entered into on or after January 1, 1999); *see also* former PC Code § 22300(b) (requiring, for contracts entered into before January 1, 1999, that contractor pay each subcontractor, not later than 20 days after receipt of payment, respective amount of interest earned, net of costs attributed to retention withheld from each subcontractor, on amount of retention withheld to ensure performance of contractor)].

Escrow Agreement for Security Deposits in Lieu of Retention

ESCROW AGREEMENT FOR SECURITY DEPOSITS IN LIEU OF RETENTION

This Escrow Agreement is entered into by [*public agency*] ("Owner"), whose address is _____, [*name of contractor*] ("Contractor"), whose address is _____, and [*escrow agent*] ("Escrow Agent"), whose address is _____.

For the consideration set forth in this Agreement, the Owner, Contractor, and Escrow Agent agree as follows:

(1) Pursuant to *California Public Contract Code § 22300*, Contractor has the option to deposit securities with Escrow Agent as a substitute for retention earnings required to be withheld by Owner pursuant to the Construction Contract ("Contract") entered into between the Owner and Contractor for [*identify subject of contract*] in the amount of $_____, dated _____. Alternatively, on written request of the Contractor, the Owner shall make payments of the retention earnings directly to the Escrow Agent. When Contractor deposits the securities as a substitute for Contract earnings, the Escrow Agent shall notify the Owner within ten days of the deposit. The market value of the securities at the time of the substitution must be at least equal to the cash amount then required to be withheld as retention under the terms of the Contract between the Owner and Contractor. Securities shall be held in the name of _____, and shall designate the Contractor as the beneficial owner.

(2) The Owner shall make progress payments to the Contractor for such funds which otherwise would be withheld from progress payments pursuant to the Contract provisions, provided that the Escrow Agent holds securities in the form and amount specified above.

(3) When the Owner makes payment of retentions earned directly to the Escrow Agent, the Escrow Agent shall hold them for the benefit of the Contractor until such time as the escrow created under this contract is terminated. The Contractor may direct the investment of the payments into securities. All terms and conditions of this agreement and the rights and responsibilities of the parties shall be equally applicable and binding when the Owner pays the Escrow Agent directly.

(4) Contractor shall be responsible for paying all fees for the expenses incurred by Escrow Agent in administering the Escrow Account and all expenses of the Owner. These expenses and payment terms shall be determined by the Owner, Contractor, and Escrow Agent.

(5) The interest earned on the securities or the money market accounts held in escrow and all interest earned on that interest shall be for the sole account of Contractor and shall be subject to withdrawal by Contractor at any time and from time to time without notice to the Owner.

(6) Contractor shall have the right to withdraw all or any part of the principal in the Escrow Account only by written notice to the Escrow Agent accompanied by written authorization from the Owner to the Escrow Agent that Owner consents to the withdrawal of the amount sought to be withdrawn by Contractor.

(7) The Owner shall have a right to draw on the securities in the event of default by the Contractor. On seven days' written notice to the Escrow Agent from the Owner of the default, the Escrow Agent shall immediately convert the securities to cash and distribute the cash as instructed by the Owner.

(8) On receipt of written notification from the Owner certifying that the Contract is final and complete, and that the Contractor has complied with all requirements and procedures applicable to the Contract, Escrow Agent shall release to Contractor all securities and interest on deposit less escrow fees and charges of the Escrow Account. The escrow shall be closed immediately upon disbursement of all moneys and securities on deposit and payments of fees and charges.

(9) Escrow Agent shall rely on the written notifications from the Owner and the Contractor pursuant to Sections (6) through (8), inclusive, of this agreement and the Owner and Contractor shall hold Escrow Agent harmless from Escrow Agent's release and disbursement of the securities and interest as set forth above.

(10) The names of the persons who are authorized to give written notice or to receive written notice on behalf of the Owner and on behalf of Contractor in connection with the foregoing, and exemplars of their respective signatures are as follows:

On behalf of Owner:
_____ [*signature*]
[*typed name*]

On behalf of Contractor:
_____ [*signature*]
[*typed name*]
_____ [*title*]
_____ [*address*]

On behalf of Escrow Agent:
_____ [*signature*]
[*typed name*]
_____ [*title*]
_____ [*address*]

At the time the Escrow Account is opened, the Owner and Contractor shall deliver to the Escrow Agent a fully executed counterpart of this Agreement.

The parties have executed this Agreement by their proper officers on the date first set forth in Paragraph (1), *above*.

§ 90A.230 Small Business and Disabled Veteran Business Enterprise (DVBE) Certification Application [STD.812]

[1] Comment

[a] Use of Form

This form, STD. 812, is an application for certification as a small business, a disabled veteran business enterprise (DVBE), or both. A business that wants to be eligible for the small business preference [*see* [c], *below*], the DVBE preference [*see* [d], *below*], or both, for service, construction, or supply contracts with the state must submit this form to the Office of Small Business and Disabled Veteran Business Enterprise Certification (OSDS), in the Procurement Division of the Department of General Services. An applicant's failure to provide requested information that supports its eligibility, by the date and time specified by the OSDS, is grounds for denial or decertification [*see* Application, page 4, reproduced in [2], *below*; *see also* Application, pages 5-6 (required supporting documentation)].

This certification application may be obtained from the Office of Small Business and Disabled Veteran Business Enterprise Certification, 707 Third Street, 1st Floor, Room 400, P.O. Box 989052, West Sacramento, CA 95798-9052, telephone (800) 559-5529 or (916) 375-4940. The application may also be downloaded from the Department of General Services web site at http://www.documents.dgs.ca.gov/pd/smallbus/std812rev020107c.pdf.

The applicant has the option of completing and submitting a new or renewal application online at http://www.pd.dgs.ca.gov/smbus/getcertified.htm .

The Standard Industrial Classification (SIC) codes necessary to complete the application may be obtained from the Department's web site at http://www.dgs.ca.gov/ or by calling the Department's business office at (800) 559-5529 or (916) 375-4940.

[b] Comparison: Small Business and DVBE Certifications

The primary differences between the small business and DVBE certifications lie in the eligibility requirements. A small

business's eligibility is primarily based on size standards (average gross annual receipts and number of employees) and a DVBE's eligibility focuses on the firm's disabled veteran owner or owners [*see* [2], *below*]. Common items considered in the certification process for both types of certification include: the business' structure, it's principal office location, business type, and the owners and their domicile [*see* [2], *below*].

How certification is applied in the state contracting arena also differs for small businesses and DVBEs. DVBE certification entitles the certified business to participate in the state's DVBE Participation Program, which establishes a goal of at least three percent of total overall annual state contracting dollars to be awarded to DVBEs [PC Code § 10115(c); *see* [d], *below*]. The small business participation goal is set at 25 percent [*see* Executive Orders (EO) EO D-37-01 (2001), EO S-02-06 (2006), and EO S-11-06 (2006); [c], *below*]. Small business certification also entitles the certified business to a five percent bid preference on applicable state contracts [*see Gov. Code § 14838(b),(c)*]. The five percent bid preference is only used for computational purposes to determine a contract award [*see 2 Cal. Code Reg. § 1896.8*].

Providing all eligibility and compliance requirements are met, a business may be certified as both small business and DVBE, and, accordingly, take advantage of the benefits of both certifications.

[c] Small Business Preference and Certification

A "small business" is a California-based business that is independently owned and operated and not dominant in its field of operation [*see Gov. Code § 14837(d)(1)*; *2* Cal. Code Reg. § 1896.4(w)]. For a list of factors relevant to determining whether a prospective bidder qualifies as a small business, see*§ 90A.110*.

The small business participation goal is 25 percent [*see* Executive Orders (EO) EO D-37-01 (2001), EO S-02-06 (2006), and EO S-11-06 (2006); *see also Gov. Code § 14838.1(a)(1)* (25 percent participation goal for contracts for the construction, alteration, demolition, repair, or improvement of the state's infrastructure financed with the proceeds of the infrastructure-related bond acts of 2006)].

When responsibility and quality are equal, prequalified small businesses may be granted a preference of five percent of the lowest responsible bid submitted by a bidder other than a small business, and may be given special consideration in qualifying for service, construction, or supplies contracts [*see Gov. Code § 14838(b),(c)*; *see also 2 Cal. Code Reg. §§ 1896.2*-1896.22]. The small business preference of five percent is calculated as specified in the implementing regulations [see *2 Cal. Code Reg. § 1896.8(b)*]. If, after applying the small business preference to the small business's bid, that bid is equal to the lowest priced bid from a responsible non-small business, or is equal to the highest scored bid [*see 2 Cal. Code Reg. § 1896.8(b)(1)(B)*] of a non-small business, the contract must be awarded to the small business for the amount of its bid [*2 Cal. Code Reg. § 1896.8(c)*]. For further discussion of the small business preference, see*§§ 90A.60*, *90A.61*, and *90A.110*.

[d] Disabled Veteran Business Enterprise Preference and Certification

"Disabled veteran business enterprise" means a business certified by the administering agency that meets all of the following requirements [*Mil. & Vet. Code § 999(b)(7)(A)*; *see 2 Cal. Code Reg. § 1896.70* (DVBE certification)]:

- Has one of the following forms:
    - A sole proprietorship with at least 51 percent owned by one or more disabled veterans.
    - A publicly owned business, in which at least 51 percent of its stock is owned by one or more disabled veterans.

- A subsidiary that is wholly owned by a parent corporation in which at least 51 percent of the voting stock of the parent corporation is owned by one or more disabled veterans.

- A joint venture in which at least 51 percent of the joint venture's management, control, and earnings are held by one or more disabled veterans.

- The management and control of the daily business operations are by one or more disabled veterans. The disabled veterans who exercise management and control are not required to be the same disabled veterans as the owners of the business.

- It is a sole proprietorship, corporation, or partnership with its home office located in the United States, which is not a branch or subsidiary of a foreign corporation, foreign firm, or other foreign-based business.

All contracts awarded by any state entity for materials, supplies, or equipment must comply with specified participation goals for disabled veteran business enterprises [PC Code § 10115(c); *see also 2 Cal. Code Reg. §§ 1896.60*-1896.95 (disabled veteran business goals)]. These goals apply to the overall dollar amount spent each year by the awarding department [*see* PC Code § 10115.1(a) (definition)]. The participation goal for disabled veteran business enterprises is three percent [PC Code § 10115(c)]. For further discussion of DVBE participation goals, see*§ 90A.64*. For a checklist to consult when applying for DVBE certification, see*§ 90A.112*.

PART IV. FORMS
D. Relief From Bid Mistakes

29-90A California Legal Forms--Transaction Guide § 90A.240

§ 90A.240 Notice of Mistake in Bid

[1] Comment

[a] Use of Form

This form is a notice that a bidder made a mistake in the bid that it submitted for a state contract [*see* [b], *below*]. This notice must be submitted to the contracting agency within five days after the opening of bids as a prerequisite to the bidder's right to sue for return of any bid security forfeited [*see* PC Code § 10181] because of the bidder's failure to execute a contract based on the allegedly erroneous bid [PC Code § 5103(b); *see* PC Code §§ 5101, *5102*].

[b] Grounds for Relief From Bid Mistake

A successful bidder may not be relieved of the bid without the awarding agency's consent [PC Code § 5101(a)]. If the agency consents to relieve the bidder of the bid because of mistake, it must prepare a report documenting the facts establishing the existence of each element required by PC Code § 5103 [PC Code § 5101(b)]. These elements are the following [PC Code § 5103]:

- That a mistake was made.
- That the bidder gave the agency written notice of the mistake within five days after the opening of bids, specifying how the mistake occurred.
- That the mistake made the bid materially different than intended.
- That the mistake was made in filling out the bid rather than as an error in judgment or the result of carelessness in site inspection or reading plans or specifications.

If the bidder forfeits the bid security as a result of its failure to execute the contract [*see* PC Code § 10181], it may bring an action against the agency in the county where the bids were opened to recover the amount forfeited, without interest

or costs [PC Code § 5101(a)], on written notice within five working days, excluding Saturdays, Sundays, and state holidays, to the agency of the fact that a mistake had occurred and a detailed statement of how it occurred [PC Code § 5103(b); *see § 90A.123*]. If the bidder is unsuccessful in court, it will be required to pay all costs incurred by the agency including reasonable attorneys' fees fixed by the court [PC Code § 5101(a)].

Other than the notice to the agency [*see* PC Code § 5103(b)], no claim need be filed before bringing suit to reclaim any amounts forfeited [PC Code § 5104]. However, a bidder who claims a bid mistake or forfeits bid security may not participate in further bidding on the same project [PC Code § 5105], and the agency may then award a contract to the second lowest bidder [PC Code § 5106]. These statutory provisions for the relief of bidders establish the exclusive procedure for relieving a bidder from a mistaken bid [*A & A Electric, Inc. v. City of King (1976) 54 Cal. App. 3d 457, 464, 126 Cal. Rptr. 585]* .

[c] Contents of Notice

The bidder must give the public entity written notice, within five working days, excluding Saturdays, Sundays, and state holidays, after the opening of bids, of the fact that a mistake has occurred and a detailed statement of how it occurred [PC Code § 5103(b)]. This form satisfies these minimum requirements. However, in court, the party seeking relief must show not only that it gave this notice, but also that a mistake was made, that the mistake made the bid materially different than intended, and that the mistake was made in filling out the bid and was not due to error in judgment or carelessness in inspecting the work site or in reading the plans or specifications [PC Code § 5103(a),*(c),(d)*]. As a matter of prudent practice, this form also fulfills these requirements.

Note that a bidder can be relieved of a bid if the awarding authority consents [*see* PC Code § 5101]. This form includes an optional request for that consent and adds evidence substantiating the claim that a mistake occurred.

E. Protest Against Misaward of Contract

29-90A California Legal Forms--Transaction Guide § 90A.250

§ 90A.250 Protest Against Award of Services or Goods Contract

[1] Comment

[a] Use of Form

This form is a notice of protest for use by an unsuccessful bidder in a competitive procurement of a contract for goods, governed by Article 3, PC Code § 10300 et seq. (Competitive Bidding and Other Procedures) [*see § 90A.22[1][b]*], or by an unsuccessful bidder in a competitive procurement of a contract for services, governed by Article 4, PC Code § 10335 et seq. (Contracts for Services) [*see § 90A.22[3][b]*].

The form is for use to protest the award to another bidder of the contract for services (including consulting services), whether or not the services involve the furnishing or use of equipment, materials, or supplies, on the ground that the protesting bidder is the lowest responsible bidder who is responsive to the specifications for the procurement [*see* PC Code § 10345 (protest procedure); *see also §§ 90A.50[3]*; *see also* PC Code § 10335(a) (services may involve furnishing or use of equipment, materials, or supplies)]. This form is not for use when the bidder in a procurement of services, including consulting services, pursuant to a request for proposal (as opposed to competitive bidding) desires to protest an impending award [*see § 90A.251*; *see also § 90A.22[3][a]* (contracts to which Article 4 is not applicable)].

This form also is for use to protest the award of a contract of goods, on the ground that the protesting bidder is the lowest responsible bidder who is responsive to the specifications for the procurement [*see* PC Code § 10306 (protest procedure); *see also § 90A.50[2]*].

For a form to make a bid protest with respect to a services contract awarded pursuant to a request for proposal, see*§ 90A.251*. For a form for protesting an award of a contract for construction, see*§ 90A.252*.

This form should be prepared in advance of the bid opening, and the bidder or bidder's representative should have it ready at the bid opening for submission immediately after it reasonably appears that the bidder will not be awarded the contract and that the bidder is nevertheless the lowest responsible responsive bidder. Alternatively, this form may be transmitted to the awarding authority as soon after the bid opening as practicable.

For discussion of the definition of "lowest responsible bidder," see*§ 90A.200[1][j]*. The factors leading to a determination that a prospective bidder is qualified to be a vendor of goods or services are *outlined in § 90A.113*.

If the protest is against the award of a contract for goods, the protest must be made to the Department of General Services [*see* PC Code § 10306; *see also* [c], *below*]. If it is against the award of a contract for services, including consulting services, the protest must be made to the Department and to the awarding state agency [*see* PC Code § 10345(a)(2),*(3)*; *see also* [d], *below*].

[b] "Award of Contract" Defined

The "award" of a contract occurs when the state tenders a written contract to the successful bidder for execution. When bids are opened and read in public, the fact that a particular bidder has made the lowest bid does not necessarily mean that it has been awarded a contract. Since a contract must be awarded to the lowest "responsible" bidder, an award cannot be made until the bids have been analyzed [*see Saliba-Kringlen Corp. v. Allen Engineering Co. (1971) 15 Cal. App. 3d 95, 108, 92 Cal. Rptr. 799* (construction contract); *see also § 90A.200[1][j]*].

[c] Protest Against Award of Contract for Goods

Any bidder in a contract for goods may protest a proposed award on the ground that it, rather than the party to whom the award is proposed, is the lowest responsible bidder meeting the procurement specifications. The protest must be filed with the Department of General Services, Procurement Division, before the award is made. The original protest must be followed by a formal protest filed with the State Board of Control. The formal protest must be filed with the Board of Control within ten days of the original protest and include a full and complete written statement detailing the basis for the protest and all supporting facts [PC Code § 10306].

For further coverage of the protest procedure, see*§§ 90A.50[2]* and *90A.124*.

[d] Protest Against Award of Contract for Services

Any bidder in a contract for services, including consulting services may protest a proposed award on the ground that it, rather than the party to whom the award is proposed, is the lowest responsible bidder meeting the specifications for the contract [*see* PC Code § 10345(a)]. If any bidder files a protest with the awarding state agency and the Department of General Services before the award, protesting the award of the contract on the grounds that he or she is the lowest responsible bidder meeting the specifications for the contract, the contract may not be awarded until either the protest has been withdrawn or the Department has decided the matter [PC Code § 10345(a)(2)]. Within five days after filing the protest, the protesting bidder must file with the Department and the awarding state agency a full and complete written statement specifying the grounds for the protest [PC Code § 10345(a)(3)].

For further coverage of the protest procedure, see*§§ 90A.50[3]* and *90A.125*.

PART IV. FORMS
E. Protest Against Misaward of Contract

29-90A California Legal Forms--Transaction Guide § 90A.251

§ 90A.251 Protest Against Award of Contract for Services Under Request for Proposal

[1] Comment

[a] Use of Form

This form is a notice of protest for use by an unsuccessful offeror to protest the award of a contract to another bidder in a procurement of services, including consulting services, pursuant to a request for proposal (RFP). This protest must be filed with both the Department of General Services and the awarding state agency [PC Code § 10345(b)(1)]. Unlike protests against awards in procurements involving competitive bidding [*see* PC Code § 10345(a)], the basis of the protest is not necessarily that the protesting bidder is the lowest responsible bidder [*see* [b], *below*]. For a protest for use in a services contract awarded by competitive bidding, see*§ 90A.250*. For general discussion of contracts for services, including consulting services, see*§ 90A.22[3]*. For discussion of rules relating specifically to consulting contracts, refer to § 90A.23.

[b] Grounds for Protest

Protests against the award of a contract for services pursuant to a request for proposal are limited to the following grounds [PC Code § 10345(b)(2)]:

- The awarding agency failed to follow the required evaluation and selection procedure [*see* PC Code § 10344(b),*(c)* (procedures)].

- The awarding agency failed to correctly apply the standards for reviewing the format requirements or evaluating the proposals as specified in the RFP.

- The awarding agency used the appropriate evaluation and selection procedure [*see* PC Code § 10344(b)], but is proposing to award the contract to a bidder other than the lowest responsible bidder [*see § 90A.200[1][j]*].

- The awarding agency used the appropriate evaluation and selection procedure [*see* PC Code § 10344(c)], but failed to follow the methods for evaluating and scoring the proposals stated in the RFP.

- The awarding agency used the appropriate evaluation and selection procedure [*see* PC Code § 10344(c)], but is proposing to award the contract to a bidder other than the bidder given the highest score by the state agency evaluation committee.

[c] Time Limits for Protest

Contracts for services may be awarded only after a notice of the proposed award has been posted in a place accessible by the general public, including any Internet site identified in the RFP for five working days [PC Code § 10345(b)].If any bidder files a protest before the award [*see § 90A.250[1][b]* ("award of contract" defined)], the contract may not be awarded until either the protest has been withdrawn or the Department of General Services has decided the matter [PC Code § 10345(b)(1)]. Within five days after filing the protest, the protesting bidder must file a full and complete written statement with the Department of General Services and the awarding state agency, specifying the grounds for the protest [PC Code § 10345(b)(2); *see* [b], *above* (grounds for protest)].

E. Protest Against Misaward of Contract

29-90A California Legal Forms--Transaction Guide § 90A.252

§ 90A.252 Protest Against Award of Contract for Construction Project

[1] Comment--Use of Form

This form is a notice of protest for use by an unsuccessful lowest bidder against the award of a construction contract to any other bidder. It also includes the unsuccessful bidder's demand for the opportunity to present evidence of its responsibility to the agency. Before a public works contract is awarded to a bidder other than the lowest bidder, the public entity must notify the lowest bidder of any evidence reflecting upon its responsibility received from others or adduced as a result of independent investigation, afford it an opportunity to rebut that adverse evidence, and permit it to present evidence that it is qualified to perform the contract [*City of Inglewood-L.A. County Civic Center Auth. v. Superior Court (1972) 7 Cal. 3d 861, 871, 103 Cal. Rptr. 689, 500 P.2d 601* ; *see § 90A.50[1]*].

For the definition of "award," see*§ 90A.250[1][b]*. For discussion of the definition of "lowest responsible bidder," see*§ 90A.200[1][j]*.

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 90B FEDERAL GOVERNMENT CONTRACTS

30-90B California Legal Forms--Transaction Guide Scope

Scope

Scope

This chapter discusses the statutory scheme under which federal agencies contract for supplies and services, including construction, and for architect-engineer services. The focus of the chapter is on those areas in which an attorney is most likely to advise a client who is involved or about to become involved in contracting with federal agencies: bidding procedures, award, protests, and contract dispute resolution procedures.

The Legal Background discusses the procurement methods used by the federal government, award considerations, award protests, the administration of government contracts, and the general rules governing contract disputes. In addition, the Legal Background discusses types of special assistance to certain small and disadvantaged businesses and businesses in distressed areas.

The Transaction Guide includes guides for determining whether a client qualifies as a responsible bidder or offeror and as a small business eligible for a small business set-aside preferences. It includes coverage of qualification requirements for a prospective government contractor for supplies or services, including construction, and for architect-engineer services, a guide to the submission of bids, withdrawal or modification of bids, correction of bid mistakes, award protests, resolution of contract disputes, and posting of required bonds for construction contracts.

The Forms section contains the standard forms for contracting with the government as prescribed in the federal acquisition regulations, including forms for application for solicitation mailing lists, responding to a request for quotations from the government, making offers in response to invitations for bids or requests for proposals, and completing information necessary for qualifying as a selected architect-engineer firm. There are also forms for use in correcting bid mistakes, making a protest against an award of contract, filing a claim under a procurement contract against the government, and noticing an appeal of a decision of an agency's contracting officer to the agency's board of contract appeals.

For coverage of contracts with state and local governments, see Ch. 90A, *State Government Contracts* . For discussion of construction issues, see Ch. 30A, *Construction Financing* , Ch. 30C, *Agreements With Architects, Engineers, and Other Design Professionals* , and Ch. 30D, *Construction Contracts and Subcontracts* . Discussion of a contractor's duty to be licensed by the state is covered in Ch. 88, *Licensing of Contractors* . For general coverage of contract issues, see Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , and Ch. 77, *Discharge of Obligations* . An

attorney practicing in the area of federal government contracts should also consult Federal Contract Management--A Manual for the Contract Professional(Matthew Bender).

30-90B California Legal Forms--Transaction Guide § 90B.10

§ 90B.10 Government Procurement

[1] In General

Extensive regulations govern the procurement of supplies, services, and construction by the federal government. These regulations describe in detail the procedures to be followed in contracting with the government, and include provisions regulating advertising and solicitation by government agencies, qualification of prospective contractors, negotiation of contracts, source selection procedures, prescribed contract clauses and forms, procedures in the event of default or termination of the contract, and procedures for protests against awards and claims relating to contracts.

The Federal Acquisition Regulations (FAR) govern procedures for both civilian and military procurement [48 C.F.R. pt. 1 et seq.; *see § 90B.11*].

[2] Federal Acquisition Planning

Federal acquisition planning is the process by which the efforts of all personnel responsible for a government acquisition are coordinated and integrated through a comprehensive plan for fulfilling the procuring agency's need in a timely manner and at a reasonable cost, and includes developing an overall strategy for managing the acquisition [*48 C.F.R. § 7.101*]. Pursuant to government policy to rely on private commercial sources for supplies and services [*48 C.F.R. § 7.301*], acquisition planning includes the following steps [*40 C.F.R. § 7.105*]:

- Acquisition plan approval by the procuring agency.
- Statement of work by the contracting officer.
- Specifications and descriptions of the required supplies or services.
- Data requirements.
- Completion of acquisitions-package preparation.

- Purchase request.
- Justification and approval for other than full and open competition when applicable.
- Issuance of synopses of proposed contract action.
- Advertisement in the form of issuance of solicitation for bids or proposals.
- Evaluation of bid offers or proposals.
- Negotiations of proposals.
- Contract preparation and clearance by procuring agency.
- The contract award.

§ 90B.11 The Federal Acquisition Regulations

[1] In General

The Federal Acquisition Regulations System was established on September 19, 1983, for the codification and publication of uniform policies and procedures for acquisition by all executive agencies of the federal government, in accordance with the regulations of the Office of Federal Procurement Policy (OFPP) established by congressional act in 1974 [*48 C.F.R. § 1.102*; *see 41 U.S.C. § 401 et seq.*].

The Federal Acquisition Regulatory System consists of the Federal Acquisition Regulations (FAR), which is the primary document [48 C.F.R. pt. 1 et seq.], and individual agency acquisition regulations that implement or supplement the FAR [*48 C.F.R. § 1.301 et seq.*]. There are two principal procurement statutes on which the FAR is based: the Federal Procurement Procedures [*41 U.S.C. § 251 et seq.*], and the Armed Forces Procurement Procedures [*10 U.S.C. § 2301 et seq.*]. The FAR is prepared, issued, and maintained jointly by the Secretary of Defense, the General Services Administrator, and the National Aeronautics Space Administration Administrator under their several statutory authorities [*48 C.F.R. § 1.102*]. Subject to these three authorities, revisions of the FAR are issued through the coordinated action of two councils, the Defense Acquisition Regulatory Council, and the Civilian Agency Acquisition Council [*48 C.F.R. § 1.201-1*].

Intended as a unified and simplified procurement regulatory scheme, the FAR is applicable to procurements by both civilian and military agencies and is essentially a replication of three preexisting systems: the Federal Procurement Regulations of 1949 (FPR) applicable to civilian procurement [former 41 C.F.R. pt. 1 et seq.; *now see* 48 C.F.R. pt. 1 et seq.], the Defense Acquisition Regulations (DAR), applicable to military procurement [former 32 C.F.R. pt. 1 et seq.; *now see* 48 C.F.R. pt. 201 et seq.], and the National Aeronautics and Space Administration Procurement Regulations [former 41 C.F.R. § 18; *now see* 48 C.F.R. pt. 1801 et seq.; *see also* 41 C.F.R. subtitle A note]. For a brief discussion of the former regulations applicable to pre-1984 contracts, see *§ 90B.12*.

[2] The Statutory Scheme

[a] In General

Chapter 1 of the FAR consists of general provisions applicable to all agency procurement, both civilian and military [*see* 48 C.F.R. pt. 1 et seq.]. The remaining chapters consist of individual agency provisions implementing these general provisions and supplementing them [*see* 48 C.F.R. pt. 2 et seq.]. The individual agency provisions are issued under their several authorities [*48 C.F.R. § 1.301*; *see* [1], *above*].

[b] Military Procurement

Chapter 2 of the FAR consist of policies and procedures specifically applicable to Department of Defense Procurement (DFAR) [*see* 48 C.F.R. pt. 201 et seq.]. Additionally, provisions regarding procurement by the individual departments of the Armed Forces may be found in their relevant subparts in Chapter 1 of the FAR [*see* 48 C.F.R. pts. 1201 et seq. (Department of Transportation), 5108 et seq. (Department of the Army), 5215 et seq. (Department of the Navy), 5315 et seq. (Department of the Air Force)]. Provisions applicable to military procurement are contained in other titles of the Code of Federal Regulations [*see* 32 C.F.R. § 592 (Department of Army procurement procedures); 48 C.F.R. pt. 201 et seq. (Department of Defense procurement policies and procedures)].

[3] Prescribed Clauses and Standard Forms Requirements

As provided for in the FAR, there are prescribed contract clauses and standard forms that must be used in government procurement [*see 48 C.F.R. §§ 52.000 et seq.* (prescribed clauses), 53.000 et seq. (prescribed standard forms)]. For a discussion of some of the commonly used prescribed clauses, see *§§ 90B.43* (mandatory work standards and compliance requirements), 90B.44 (contract administration--prescribed clauses), and 90B.45 (requirements for procurement integrity). Prospective contractors and other interested parties may obtain copies of standard forms from the Superintendent of Documents, Government Printing Office, Washington, DC 20402; standard and optional forms not available from the Superintendent of Documents may be obtained from the prescribing agency [*48 C.F.R. § 53.107*]. For discussion and illustration of the basic prescribed standard forms, see *§§ 90B.200*-90B.242.

§ 90B.12 Contracts Prior to April 1, 1984--The Federal Procurement Regulations

For contracts prior to April 1, 1984, there are two separate regulatory systems governing procurement with federal agencies: civilian procurement is governed by the Federal Procurement Regulations (FPR) [*see* former 41 C.F.R. § 1; now 48 C.F.R. pt. 1 et seq.], and military procurement is governed by the Defense Acquisition Regulations (DFAR) [former 32 C.F.R. §§ 1-39; *now see* 48 C.F.R. pt. 201 et seq.]. If issues arise relative to contracts formed prior to April 1, 1984, it is necessary to consult these former titles and sections of the Code of Federal Regulations to determine the applicable regulations. Both preexisting systems, the FPR and the DFAR, have been essentially replicated in the FAR under a different title and a different numbering system for contracts made on or after April 1, 1984 [*see § 90B.11[1], [2]*].

§ 90B.13 Federal Procurement Authority

[1] Authority Under Constitution and Statute

The federal government is constitutionally authorized to purchase only those supplies and services that Congress votes to fund by appropriations bills [*see* U.S. Const., art. I, §§ 8, 9]. Thus, with certain limited exceptions, federal agencies cannot make a contract or purchase on behalf of the United States unless the action is authorized by law or is under an appropriation adequate to its fulfillment [*41 U.S.C. § 11(a)*].

[2] Authority of Agency Contracting Officer

Executive agency heads may delegate their authority to bind the federal government to contracting officers [*48 C.F.R. § 1.601*]. The contracting officer must be appointed in writing on a "Certificate of Appointment," which must state any limitation on the scope of authority to be exercised [*48 C.F.R. § 1.603-3*; *see 48 C.F.R. § 53.301-1402* (Standard Form 1402, Certificate of Appointment)].

Contracting officers have the authority to enter into, administer, or terminate contracts and make related determinations and findings (D & F) [*48 C.F.R. § 1.602-1*; *see* 48 C.F.R. § 1.7 (policies and procedures for use of determinations and findings)]. They exercise a wide latitude of business judgment in meeting the responsibility for ensuring that all requirements of law and of applicable processes have been met, that there is compliance with the terms of the contract, and that the contractors receive impartial, fair, and equitable treatment [48 C.F.R. § 1.602]. However, contracting officers may bind the government only to the extent of the authority delegated to them [*48 C.F.R. § 1.602-1*]. In certain cases an unauthorized commitment may be ratified by a properly qualified official of the contracting agency if the following conditions are met [*48 C.F.R. § 1.602-3(c)*]:

- The government will obtain or has already obtained the benefit resulting from the unauthorized commitment;

- The ratifying officer could have entered into the contractual commitment at the time it was made;

- The resulting contract would have been otherwise proper if made by the appropriate contracting officer; and

- The price is determined to be fair and reasonable.

- The contracting officer recommends payment and legal counsel concurs in the recommendation, unless agency procedures expressly do not require that concurrence.

- Funds are available and were available at the time the unauthorized commitment was made.

- The ratification is in accordance with any other limitations prescribed under agency procedures.

§ 90B.20 Obtaining Government Procurement Information

[1] Dissemination of Information Using Electronic Databases

Electronic databases have replaced paper-based sources of contractor information. As part of this effort, the *Commerce Business Daily*, traditionally the source of information regarding government contracts, is no longer the publication media by which government agencies identify proposed contract actions and awards for procurements expected to exceed $25,000 [*see 68 Fed. Reg. 43655-43856 (2003)* (summary); *see also* former *48 C.F.R. § 5.101*]. Instead, the FedBizOpps.gov website is the single government point of entry (GPE) for federal government procurement opportunities over $25,000 [*see 48 C.F.R. §§ 5.101(a)(1), 5.201(d)*; http://www.FedBizOpps.gov]. Government buyers are able to publicize their business opportunities by posting information directly to this site, and commercial vendors seeking federal markets for their products and services can search, monitor and retrieve opportunities solicited by the entire Federal contracting community.

For acquisition of supplies and services, a contracting officer generally must transmit a notice to the GPE for any contract action expected to exceed $25,000, or any modification of an existing contract for additional services or supplies expected to exceed $25,000, or a contract action in any amount, if advantageous to the government [*48 C.F.R. § 5.201(b)(1)*; *see 48 C.F.R. § 5.202* (exceptions); *48 C.F.R. § 5.205* (special situations)].

For proposed contract actions expected to exceed $10,000, but not expected to exceed $25,000, contracting officers must disseminate information on proposed contract actions by displaying in a public place, or by any appropriate electronic means, an unclassified notice of the solicitation or a copy of the solicitation notice satisfying specified requirements [*48 C.F.R. § 5.101(a)(2)*; *see 48 C.F.R. § 5.207(c)* (requirements)].

Additional methods of dissemination of information include [*48 C.F.R. § 5.101(b)*]:

- Preparing periodic handouts and displaying them as provided in *48 C.F.R. § 5.101(a)(2)* (discussed above).

- Assisting local trade associations in disseminating information to their members.

- Making brief announcements of proposed contracts to newspapers, trade journals, magazines, or other mass media for publication, without any cost to the government.

- Placing paid advertisements in newspapers or other communications media, subject to specified limitations [*see 48 C.F.R. § 5.101(b)(4)*].

Whenever agencies are required to transmit a notice of proposed contract action to the GPE, the notice must be published at least 15 days before the solicitation, with certain exceptions for commercial items [*see 48 C.F.R. § 5.203(a)*]. Response time to a solicitation is generally 30 days, with 45 days allowed if the contract action is categorized as research and development [*see 48 C.F.R. § 5.203(b)-(d)*].

In order to broaden use and reliance on e-business applications, the Office of Federal Procurement Policy also has eliminated Form SF 129, Solicitation Mailing List Application, in favor of electronic databases and the Central Contractor Registration [*see 68 Fed. Reg. 43856 (2003)* ; *see also* former 48 C.F.R. § 53.301-129; *see also* [2], *below*].

[2] Central Contractor Registration

The Central Contractor Registration (CCR) is the primary government repository for contractor information that is required in order to conduct business with the United States government [*48 C.F.R. § 2.101*]. The CCR System is a centrally located, searchable database, accessible via the Internet, used by government agencies to develop, maintain, and provide sources for future procurements.

The Federal Acquisition Regulation (FAR) requires contractor registration in the CCR database prior to award of any contract, basic agreement, basic ordering agreement, or blanket purchase agreement on or after October 1, 2003 *[68 Fed. Reg. 43856 (2003)* ; Federal Acquisition Circular 2001-16; for full text of amendment to FAR, *see* http://www.acqnet.gov/far/FAC/fac01016.pdf.]. Contractors can register in the CCR database by going to the CCR website, located at http://www.ccr.gov. Pending changes to the FAR will require use of CCR as the single validated source of data on contractors doing business with the *Government [68 Fed. Reg. 43856 (2003)]* .

§ 90B.21 Competition in Contracting Requirement

[1] The Full and Open Competition Rule

Under the Competition in Contracting Act of 1984 [*41 U.S.C. § 252 et seq.*], contracts for a certain minimum amount to furnish supplies or services to the public or for the construction or repair of public works are generally required to be let only after competitive bidding [*41 U.S.C. § 253(a), (b)*; *48 C.F.R. § 6.101(a)*]. The goal is to promote full and open competition in the acquisition process, which means that all responsible offerors are permitted to compete [*48 C.F.R. § 6.000*; for a discussion of the requirements of responsibility, *see § 90B.22[1]*]. The purpose of requiring competitive bidding in letting public contracts is to guard against favoritism, improvidence, extravagance, fraud, and corruption, to prevent waste of public funds, and to obtain the best economic result for the public [*Graydon v. Pasadena Redevelopment Agency (1980) 104 Cal. App. 3d 631, 636, 164 Cal. Rptr. 56]* .

The two competitive methods used by procuring agencies are the invitation for bids (IFB) and the request for proposals (RFP) [*48 C.F.R. § 6.102(a), (b)*; *see §§ 90B.24[1]* (IFB), 90B.25[1] (RFP)]. Because sealed bidding and competitive proposals are both acceptable procedures in providing for full and open competition, a contracting officer must exercise good judgment in selecting the method that best meets the needs of the government [*48 C.F.R. § 6.401*]. If the choice is to use the RFP, the contracting officer must submit a brief written explanation why the use of competitive sealed bids is not appropriate [*48 C.F.R. § 6.401*; *see § 90B.24[1][b]* (discussion of four conditions requiring use of sealed bids)]. Responses to a solicitation are considered "offers" that are binding only on acceptance by the government [*48 C.F.R. § 2.101*]. A solicitation is any request to submit offers or quotations to the government. Solicitations under sealed bid procedures are called "invitations for bids." Solicitations under negotiated procedures are called "requests for proposals." Solicitations under simplified acquisition procedures may require submission of either a quotation or an offer [*48 C.F.R. § 2.101*]. Responses to invitations for bids (sealed bidding) are offers called "bids" or "sealed bids"; responses to requests for proposals (negotiation) are offers called "proposals"; however, responses to requests for quotations (simplified acquisition) are "quotations", not offers [*48 C.F.R. § 2.101*].

The competitive bid and proposal methods are generally used for procuring contracts for supplies or services, including

construction, in excess of $25,000 [*see § 90B.40[1], [2]* (supplies and services), [3] (construction)]. There is a different competitive method prescribed for use for procurement of architect-engineer services [*see § 90B.40[4]*].

[2] Exceptions

[a] Conditions Permitting Other Than Full and Open Competition

A government agency may use a procedure other than the competitive process in procurement only in the following situations [*48 C.F.R. §§ 6.302-1-6.302-7*; *see 41 U.S.C. § 253(c)*]:

- There is only one responsible source and no other supplies or services will satisfy the required need;
- The need for property or services is of unusually compelling urgency;
- It is necessary to award the contract to a particular source in order to maintain the source in case of national emergency or to establish or maintain essential engineering, research, or development capability;
- The terms of a superseding agreement such as an international treaty require proceedings other than full and open competition;
- Other proceedings are expressly authorized by statute;
- Disclosure of need would compromise national security; or
- The agency head determines it is in the public interest and notifies Congress.

A contracting officer cannot award any contract without full and open competition unless there is justification in writing [*48 C.F.R. § 6.303-1(a)*]. The written justification must include information about efforts the government has undertaken to locate possible alternate suppliers and an explanation of the reason why specifications for full and open competition could not be developed [*48 C.F.R. § 6.303-2(a)*]. Special agency approval is required for contracts over $500,000 [*48 C.F.R. § 6.304(a)(2)*]. Under the Freedom of Information Act [*5 U.S.C. § 552*], the written justification (including related information) for the sole source procurement is available for public inspection on request [*48 C.F.R. § 6.305*].

[b] Simplified Acquisition Procedures

For purchases of supplies and services, including construction, research and development, and commercial items, the aggregate amount of which does not exceed $100,000 (or $200,000 in the case of certain contracts awarded and performed, or purchases to be made, outside the United States) [*see 48 C.F.R. § 2.201* ("simplified acquisition threshold" defined)], contracting officers use simplified procedures and have discretion to choose the procedure most suitable, efficient, and economic in the circumstances [*48 C.F.R. §§ 13.000, 13.104* (procedures); *see 48 C.F.R. § 6.001*]. For a "micro-purchase" in an amount up to $2,500 (or $2,000 in the case of construction) [*see 48 C.F.R. § 2.201* ("micro-purchase" defined)], a contract may be made without securing competitive quotations, provided the contracting officer considers the price reasonable [*48 C.F.R. § 13.106-1(a)(2)*]. For any purchase exceeding the micro-purchase threshold, the contracting officer will solicit quotations from a reasonable number of sources in order to promote competition to the maximum extent practicable and to ensure that the price is advantageous to the government [*see 48 C.F.R. § 13.106-2(a)*]. This exception to the advertising requirement [*see § 90B.20[1]*] is intended to aid small and minority businesses, and most small purchases must be made from small business concerns [*see* 48 C.F.R. pt. 102].

Quotations are usually solicited orally to the extent practicable when FACNET (the Federal Acquisition Computer Network, providing for electronic data exchange of acquisition information between the government and the public sector) [*see 48 C.F.R. § 2.201*] is not available or a written determination has been made that it is not practicable or cost-effective to purchase through FACNET [*48 C.F.R. § 13.106-2(a)(3)*]. However, oral solicitation may not be practicable for contract actions exceeding $25,000 [*see 48 C.F.R. § 13.106-2(a)(3)*; *see also 48 C.F.R. § 5.101* (synopsis requirement)]. When the contracting officer makes a written solicitation for a small purchase, Standard Form 18, Request for Quotations (RFQ), *48 C.F.R. § 53.301-18*, or other agency authorized form or automated format, is used to obtain price, cost, delivery, and related information from suppliers for negotiated acquisitions [12 C.F.R. § 107(b); *see § 90B.210* (form of request for quotation); *see also* 12 C.F.R.§ 107(a) (Standard Form 1449-->Solicitation/Contract/Order, which is for commercial items)]. A quotation is not an offer, and issuance by the contracting officer of a purchase order for supplies or services in response to a supplier's quotation does not establish a contract, but is an offer by the government to buy certain supplies or services on specified terms and conditions. A contract is established when the supplier accepts the government's offer or begins performance [48 C.F.R. § 13.108(a); *see 48 C.F.R. § 53.301-44* (Standard Form 44, Purchase Order-Invoice-Voucher)].

CHAPTER 90B FEDERAL GOVERNMENT CONTRACTS
PART II. LEGAL BACKGROUND
B. The Contracting Process
1. Initiating Procurement

30-90B California Legal Forms--Transaction Guide § 90B.22

§ 90B.22 Contractor Qualification

[1] The Responsible Contractor

[a] General Requirements

Government contracts for supplies and services, including construction, may be awarded only to responsible prospective contractors [*48 C.F.R. § 9.103*], whose responsibility also extends to their subcontractors [*48 C.F.R. § 9.104-4*]. No purchase or award of contract will be made unless the contracting officer makes an affirmative determination of responsibility [*48 C.F.R. § 9.103(b)*]. A "responsible" contractor for supplies, services, or construction must satisfy are the following conditions [*48 C.F.R. § 9.104-1*]:

- Have adequate financial resources to perform the contract or the ability to obtain them.
- Have the ability to comply with the required or proposed delivery or performance schedule.
- Have a satisfactory performance record.
- Have a satisfactory record of integrity and business ethics, including satisfactory compliance with the law including tax laws, labor and employment laws, environmental laws, antitrust laws, and consumer protection laws.
- Have the necessary organizational, accounting, and operational experience and technical skills or the ability to obtain them.
- Have command of the necessary production, construction, and technical equipment and facilities or the ability to obtain them.
- Be otherwise qualified and eligible to receive an award under applicable laws and regulations [*see 48*

C.F.R. § 52.209-2 (prohibition on contracting with inverted domestic corporations)].

When information on hand or readily available to the contracting officer is not sufficient to make a determination regarding the contractor's responsibility, a pre-award survey may be required to evaluate a prospective contractor's capability to properly perform the contract. However, if the proposed contract is for an amount less than $25,000 or is a fixed-price contract of less than $100,000 and for commercial products only, the contracting officer should not request a pre-award survey unless the cost is justified [*48 C.F.R. § 9.106-1(a)*]. A pre-award survey is used primarily by military contract agencies [*see 48 C.F.R. § 209.106*].

A prospective contractor that is, or recently has been, seriously deficient in contracting performance will be presumed to be non-responsible unless the contracting officer determines that circumstances were properly beyond the contractor's control, or the contractor takes appropriate corrective measures. Past failure to apply sufficient tenacity and perseverance to perform acceptably is strong evidence of non-responsibility [*48 C.F.R. § 9.104-3(d)*; *see § 90B.23*]. For discussion of contractor requirements regarding certification for procurement integrity, see *§ 90B.45*. For checklists for determining whether a prospective contractor meets all elements of responsibility, see *§§ 90B.100* and *90B.110*.

[b] Additional Federal and State Requirements

In addition to meeting qualifications of responsibility, a government contractor may also be required to meet specific federal requirements, depending on the type of contract. For example, certain national defense contractors and subcontractors must comply with specific Cost Accounting Standards (CAS) published by the Cost Accounting Standards Board and disclose in writing their cost accounting practices [*see 50 U.S.C. App. § 2061 et seq.* (Defense Products Act of 1950); 48 C.F.R. §§ 2.230, 2.990].

Because prospective contractors must be considered "otherwise qualified and eligible to receive an award under applicable laws and regulations" [*48 C.F.R. § 9.104-1(g)*], government contractors are also subject to the California Contractors' State License Law [*see B&P Code § 7000 et seq.*; *see also* Ch. 88, *Licensing of Contractors*].

[2] The Qualified Manufacturer or Regular Dealer

[a] The Walsh-Healey Act

Under the Walsh-Healey Public Contracts Act [*41 U.S.C. § 35 et seq.*], all public contracts subject to the Walsh-Healey Act and entered into by any government agency for the manufacture or furnishing of materials, supplies, articles, and equipment in an amount exceeding $10,000 must [*48 C.F.R. § 22.602*; *see 48 C.F.R. § 52.222-20* (prescribed certification provision)]:

- Be with a manufacturer or regular dealer in the supplies manufactured or used in performing the contract; and

- Include or incorporate by reference a representation that the contractor is a manufacturer or regular dealer of such supplies, and the stipulations required by the Walsh-Healey Act pertaining to such matters as minimum wages, maximum hours, convict labor, child labor, and safe and sanitary working conditions.

An offeror qualifies as a manufacturer if it shows before the award that it is one of the following [48 C.F.R. § 22.606-1(a)]:

- An established manufacturer; or

- New entrant into a manufacturing activity and has made all necessary arrangements and commitments for manufacturing space, equipment and personnel.

An offeror qualifies as a regular dealer if it shows before the award that it regularly deals in the particular supplies of the general character offered to the government [48 C.F.R. § 22.606-2]. The responsibility for applying these eligibility requirements as a manufacturer or regular dealer rests in the first instance with the contracting officer [48 C.F.R. § 22.608-2(a)]. When a question arises as to the validity of a contractor's representation that it is a manufacturer or regular dealer, a contracting officer must investigate and determine the eligibility of the offeror and not rely on the offeror's representation [48 C.F.R. § 22.608-2(b)]. Protests as to the validity of a contractor's representation may also be made by interested parties [48 C.F.R. § 22.608-3; *see § 90B.60* (protests)]. For checklists for determining whether a prospective contractor qualifies as a manufacturer or regular dealer, see *§§ 90B.101* and *90B.111*.

[b] Qualified Products Lists

[i] Qualification Procedures

If the procuring agency has specific qualifications requirements regarding commercial products, the procuring agency must urge potential sources to demonstrate their ability to meet the specification or standard for qualification before the award [*48 C.F.R. § 9.205*; *see 48 C.F.R. § 9.200 et seq.* (qualifications requirements)]. A "qualifications requirement" is a government requirement for testing or other quality assurance demonstration that must be completed before the award of a contract [*48 C.F.R. § 9.201*]. Successful testing qualifies prospective suppliers of commercial products for listing on the Qualified Bidders List, Qualified Manufacturers List, or Qualified Products List [*48 C.F.R. § 9.203(a)*; *see 48 C.F.R. § 9.201* (definitions of qualified lists)]. Synopses of proposed actions for acquisition of supplies and materials will then be sent to prospective contractors listed on the qualified mailing lists [*see 48 C.F.R. §§ 9.203, 9.201*]. For other procedures used for obtaining information on government contract opportunities, see *§ 90B.120*.

[ii] Specifications and Standards for Qualified Products

Mandatory specifications, standards, and other purchase descriptions for qualified commercial products generally procured by both civilian and military government agencies may be obtained in advance [*48 C.F.R. § 9.203(b)*]. Federal specifications or standards describing items and services procured by civilian agencies are issued by the General Services Administration (GSA) and listed in the GSA Index of Federal Specifications, Standards and Commercial Item Descriptions (IOFSS) [*see 48 C.F.R. § 10.001*]. Military specifications describing items and services purchased by the Department of Defense, are listed in the Department of Defense Index of Specifications and Standards (DODISS), that may be obtained directly from the Department of Defense [48 C.F.R. § 210.008; *see* 48 C.F.R. § 253.303-1425(requisition form for specifications and standards)]. Publications containing the federal and the military indexes, as well as instructions concerning qualification procedures, may also be obtained from the Superintendent of Documents, Government Printing Office, Washington DC 20402-9325 [*48 C.F.R. § 9.203(d)*].

[3] The Qualified Architect-Engineer

Under the FAR there are provisions for a special competitive method used for selection and award of architect-engineer services contracts [*see 48 C.F.R. § 36.000 et seq.*]. To be considered as possible sources for architect-engineer services, prospective firms must first file Standard Form 330, Architect-Engineer Qualifications [*48 C.F.R. § 53.301-330*], with the appropriate agency office, providing information on the following [*48 C.F.R. § 36.603(b), (c)*]:

- Location of the firm;
- Any specialized experience;
- The firm's professional capabilities; and

- The firm's capacity with respect to scope of work that can be undertaken.

A firm's ability and experience in computer-assisted design should be considered, when appropriate. For checklists for determining whether an architect-engineer firm qualifies for award of a government contract, see *§§ 90B.102* and *90B.112*. For illustration of the form used to qualify as an architect-engineer firm, see *§ 90B.240*.

[4] The Qualified Small Business Concern

To get preference as a small business, a firm must represent in good faith that it is a small business at the time of the written representation [*48 C.F.R. § 19.301-1(a)*]. A "small business concern" is one, including its affiliates, that is independently owned and operated, not dominant in the field of operation in which it is bidding on government contracts, and one that meets size standards as established by the Small Business Administration (SBA) [*48 C.F.R. § 19.001*; *13 C.F.R. § 120.100*; *see 13 C.F.R. §§ 121.902, 121.601* (Standard Industrial Classification Codes and Size Eligibility Requirements); *48 C.F.R. § 19.102* (size eligibility requirements for small businesses and small disadvantaged businesses); *see also 13 C.F.R. §§ 125.2(a), 125.3* (contracting assistance for small business concerns)]. The validity of the representation as a small business by a firm may be challenged by any offeror, the SBA, or another interested party, including the procuring agency's contracting officer [*48 C.F.R. § 19.302*; *see § 90B.70[1][b]*]. However, for competitive "Section 8a contracts" [*see § 90B.70[3]*], the filing of a protest is limited to an offeror, the contracting officer, or the SBA [*48 C.F.R. § 19.302(a)*].

As a government contractor, a small business is also required to meet requirements of responsibility [*see* [1], *above*]. If an offer by a qualified small business concern is rejected because of a determination that the firm is non-responsible, the contracting officer must refer the matter to the SBA, which has the authority to issue a Certification of Competency for the small business concern on any element of responsibility [*48 C.F.R. § 19.601(a)*; *see § 90B.70[1][c]*]. For checklists for determining whether a business concern qualifies as a small business, see *§§ 90B.103* and *90B.113*. For the procedures used for making representation as a small business and for obtaining a Certification of Competency, see *§§ 90B.121* and *90B.122*.

[5] Bonding Requirements for Construction Contractors

[a] Bid Bond

A bid bond is a form of security assuring that the bidder will not withdraw within the period specified for acceptance and will execute a written contract and furnish required bonds within the time specified in the bid [*48 C.F.R. § 28.001*]. A bid bond is not required unless performance and payment bonds [*see* [b], *below*] are required [*48 C.F.R. § 28.101-1*; *see 48 C.F.R. § 53.301-24* (Standard Form 24, Bid Bond); *see also § 90B.231* (form)].

[b] Performance and Payment Bonds

Bonding requirements for construction contractors under government procurement contracts for public buildings or works are generally regulated by provisions of the Miller Act [*40 U.S.C. § 270(a)-(d)*], which requires performance and payment bonds for any construction contract exceeding $100,000 [*48 C.F.R. § 28.102-1(a)*]. Contractors providing construction for the government must furnish all bonds, including any necessary reinsurance agreements, before receiving notice to proceed with work or to start work [*48 C.F.R. § 28.102-1(b)*; *see 48 C.F.R. §§ 53.301-25* (Standard Form 25, Performance Bonds), 53.301-25-A (Standard Form 25-A, Payment Bond); *see also §§ 90B.232, 90B.233* (forms)]. In general, agencies are not required to demand payment and performance bonds for other than construction contracts, but in some cases may do so to protect government interests [*48 C.F.R. § 28.103-1*; *see 48 C.F.R. §§ 28.103-2, 28.103-3*]. Additionally, individual agencies have specific bonding requirements under the FAR [*see* 48 C.F.R. pts. 228 (Defense Department), 428 (Agriculture Department), 528 (General Services Administration), 728 (Agency for International Development), 828 (Veterans' Administration), 928, 970 (Energy Department), 1228

(Department of Transportation), 1828 (NASA), 2428 (Housing and Urban Development Department), 2828 (Justice Department), 2928 (Labor Department)]. For procedures used for posting bonds for construction contracts, see *§ 90B.141*. For illustration of the bid forms used, see *§§ 90B.232-90B.234*.

CHAPTER 90B FEDERAL GOVERNMENT CONTRACTS
PART II. LEGAL BACKGROUND
B. The Contracting Process
1. Initiating Procurement

30-90B California Legal Forms--Transaction Guide § 90B.23

§ 90B.23 Contractor Disqualification

[1] In General

The General Service Administration maintains a list of all contractors disqualified by federal agencies or by the General Accounting Office, including the names and addresses of disqualified contractors, the agency disqualifying, and the cause for disqualification [*48 C.F.R. §§ 9.403, 9.404*]. The effect of such a listing is that the contractors disqualified, suspended, or proposed for debarment are excluded from receiving contracts and agencies may not solicit offers from, award contracts to, or consent to subcontract with, those contractors, or with them as agents or representatives of other contractors [*48 C.F.R. § 9.405(a)*].

[2] Debarment

Debarment is an administrative action taken by a debarring official under provisions of the FAR to exclude a contractor from a government contract and government approved subcontractors for a reasonable specified period [*48 C.F.R. § 9.403*]. Causes for debarment include the following [*48 C.F.R. § 9.406-2*]:

- Committing fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public contract or subcontract.

- Violating a federal or state antitrust statute relating to the submission of offers.

- Committing embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.

- Intentionally affixing a label bearing a "Made in America" inscription (or similar inscription) to a product sold or shipped in the United States when it was not made in the United States.

- Committing any other offense indicating lack of business integrity or honesty.

- Violating terms of past government contracts.

- Violating the Drug-Free Workplace Act, pursuant to Executive Order 12564 *[51 Fed. Reg. 32889 (1986)]* .

- Committing an unfair trade practice [*see 48 C.F.R. § 9.403* (definition)].

- Any other cause of so serious or compelling a nature that it affects the present responsibility of a government contractor or subcontractor.

- Not complying with the Immigration and Nationality Act employment provisions, based on a determination by the Attorney General or the Secretary of Homeland Security [*48 C.F.R. 9.406-2(b)(2)*].

Debarment is generally not imposed for any period longer than necessary to protect the interests of the government [*48 C.F.R. § 9.402*]. The period is commensurate with the seriousness of the cause, but must be for a reasonable and definitely stated period of time. As a general rule, debarment may not exceed three years, although debarment under *48 C.F.R. 9.406-2(b)(2)* (for noncompliance with the Immigration and Nationality Act employment provisions) may be extended for additional periods of one year if the Attorney General or the Secretary of Homeland Security determines that the contractor continues to be in violation of those employment provisions [*48 C.F.R. § 9.406-4*]. Debarment is effective throughout the executive branch of the government unless an agency states in writing compelling reasons justifying continued business dealings between that agency and the debarred contractor [*48 C.F.R. § 9.406-1(c)*]. Under the Administrative Procedure Act [*5 U.S.C. § 551 et seq.*], debarment by a government agency is subject to judicial review [*Gonzalez v. Freeman (D.C. Cir. 1964) 334 F.2d 570, 576]* .

[3] Suspension

Suspension is an administrative action taken by the suspending officer under provisions of the FAR to disqualify a contractor temporarily from government contracting and government approved subcontracting [*48 C.F.R. § 9.403*]. Suspension is imposed for similar causes as for debarment [*48 C.F.R. § 9.407-2*; *see* [2], *above*]. The effect of suspension is the suspension of all divisions or other organizational elements of the suspended contractor [*48 C.F.R. § 9.407-1(c)*]. It is effective throughout the executive branch of the government unless a particular agency states in writing a compelling reason justifying continuing business between that agency and the suspended contractor [*48 C.F.R. § 9.407-1(d)*]. The suspension is ordered for a temporary period pending completion of an investigation or pending legal proceedings [*see 48 C.F.R. § 9.407-4*].

[4] Ineligibility

To be "ineligible" means to be excluded from government contracts and subcontracts pursuant to statute, executive order, or regulatory authority other than that of the FAR. For example, ineligibility can be pursuant to any of the following [*48 C.F.R. § 9.403*]: the Davis-Bacon Act [41 U.S.C. § 276a et seq.], the Service Contract Act [*41 U.S.C. § 351 et seq.*], the Equal Employment Opportunity Act, pursuant to Executive Order 11246 *[30 Fed. Reg. 12319, 12935 (1965)]* , the Walsh-Healey Act [*41 U.S.C. § 35 et seq.*], the Buy American Act [*41 U.S.C. § 10*], and the National Environmental Policy Act of 1969 [*42 U.S.C. § 4321 et seq.*].

CHAPTER 90B FEDERAL GOVERNMENT CONTRACTS
PART II. LEGAL BACKGROUND
B. The Contracting Process
1. Initiating Procurement

30-90B California Legal Forms--Transaction Guide § 90B.24

§ 90B.24 The Competitive Bid

[1] The Invitation for Bids--The Sealed Bid

[a] In General

A bid is an offer or a response to the invitation for bids (IFB) [*48 C.F.R. § 2.101*]. The sealed bid method is used for acquisition of supplies or service, including construction under specified circumstances [*see 48 C.F.R. § 6.401(a)*; [b], *below*; *see also 48 C.F.R. § 14.103-1* (procedure)]. Advertised, competitive procurement of bids includes the following steps [*48 C.F.R. § 14.101*; *see 48 C.F.R. §§ 7.306* (evaluation), 14.000 et seq. (sealed bidding); *see also* [c]-[j], *below*]:

- Preparation of the IFB describing the government's requirements;
- Publicizing the IFB;
- Submission of bids;
- Evaluation of bids; and
- Following the public opening of bids, award of a contract to the responsible bidder whose bid is in conformance with the IFB and is most advantageous to the government, considering only price and price-related factors.

For procedures used for submission of bids, see *§ 90B.124*; and for the forms used, see *§§ 90B.220-90B.223*.

[b] When Required

The sealed bid method must be used in the following situations [*48 C.F.R. § 6.401(a)*; *see 41 U.S.C. § 253(a)(2)(A)*]:

- Time permits solicitation, submission, and evaluation of sealed bids;
- Award will be made on the basis of price and other price-related factors;
- It is not necessary to conduct a discussion with responding offerors about the bids; and
- There is reasonable expectation of receiving more than one bid.

[c] Elements of Bids

The written invitation or solicitation is issued on a Standard Form 33, Solicitation, Offer and Award, as prescribed [*48 C.F.R. § 53.301-33*; *see § 90B.220* (form)]. For soliciting offers and awarding contracts for construction estimated to be in excess of $25,000, use of Standard Form 1442, Solicitation, Offer and Award [*48 C.F.R. § 53.301-1442*], is prescribed [*48 C.F.R. § 53.236-1(d)*; *see § 90B.230* (form)]. As described in the FAR, the contract format has four main parts [*see 48 C.F.R. §§ 14.201-1* (Table 14-1, Uniform Contract Format), 14.201-2-14.201-5 (Parts I through IV)]:

- Part I--Schedule of price specifications and performance schedule;
- Part II--Contract clauses as required by law and under the FAR;
- Part III--List of documents, exhibits, and other attachments; and
- Part IV--Representations and instructions (provisions requiring representations, certifications, or submission of other information by the bidder).

Contracting officers must prepare invitations for bids and contracts using the uniform contract format outlined in Table 14-1 "to the maximum practicable extent" [*48 C.F.R. § 14.201-1(a)*; *see 48 C.F.R. § 14.201-1(a)(1)-(5)* (exceptions to use of uniform contract format)]. Information suitable for inclusion in invitations for bids under the uniform contract format must also be included in invitations for bids not subject to that format, if applicable [*48 C.F.R. § 14.201-1(b)*]. Solicitations to which the uniform contract format applies must include Table 14-1, Parts I, II, III, and IV. If any section of the uniform contract format does not apply, the contracting officer must mark that section in the solicitation [*48 C.F.R. § 14.201-1(c)*]. Award by acceptance of a bid on the award portion of Standard Form 33, Solicitation, Offer and Award (SF 33) [*see § 90B.220*], Standard Form 26, Award/Contract (SF 26) [*see § 90B.221*], or Standard Form 1447, Solicitation/Contract (SF 1447) [*see § 90B.222*], incorporates Section K, Representations, certifications, and other statements of bidders, in the resulting contract even though not physically attached [*48 C.F.R. § 14.201-1(c)*].

The IFB must describe the government's requirements clearly, accurately, and completely; must avoid unnecessarily restrictive specifications or requirements that might unduly limit the number of bidders; and must include a complete description of requirements for and rules governing the procurement [*48 C.F.R. § 14.101(a)*; *see 48 C.F.R. § 10.000 et seq.* (specifications, standards, and other purchase descriptions)]. Solicitations issued for standard competitions must include prescribed notices, including, as applicable, either a Notice of Competition [*see 48 C.F.R. § 52.207-1*], or a Notice of Streamlined Competition [*see 48 C.F.R. § 52.207-2*], and a Right of First Refusal of Employment [*48 C.F.R. § 7.305 see 48 C.F.R. § 52.207-3* (notice)].

If it becomes necessary to make changes in the terms of the solicitation (such as to quantity, specifications, delivery schedule, or opening dates), or to correct a defective or ambiguous invitation, the contracting officer will make such changes by using Standard Form 30, Amendment of Solicitation/Modification of Contract [*48 C.F.R. § 53.301-30*], and by issuing an amendment [*48 C.F.R. § 14.208(a)*; *see § 90B.223* (form)]. Response to the bid by the offeror must include acknowledgment of the amendment [*see 48 C.F.R. § 53.301-33* (item 14, acknowledgment of amendment)].

A pre-bid conference may be appropriate in complex acquisitions as a means of briefing prospective bidders and explaining complicated specifications and requirements to them [*48 C.F.R. § 14.207*]. Pre-bid conferences may not be used to amend defective or ambiguous invitations for bids. Any needed amendment or modification must be accomplished by use of Standard Form 30, Amendment of Solicitation/Modification of Contract [*48 C.F.R. § 14.208(a)*; *see 48 C.F.R. § 53.301-30*].

[d] Receipt and Opening of Bids

Bids must be submitted within the time for the opening date designated in the IFB [*48 C.F.R. § 14.302(a)*]. The offeror indicates its offer in the space provided on Standard Form 33, Solicitation, Offer and Award [*48 C.F.R. § 53.301-33*; *see* [c], *above*]. If the bidder uses its own bid form or a letter to submit a bid, the bid will be considered only if it accepts all the terms and conditions of the bid invitation and if award on the bid would result in a binding contract with terms and conditions that do not vary from the terms and conditions of the invitation [*48 C.F.R. § 14.301(d)*]. To be considered responsive, bid offers must be in full conformance with the elements of the IFB [*48 C.F.R. § 14.301(a)*; *see* [c], *above*].

All bids must be opened publicly at the time and place specified in the original advertisement [*48 C.F.R. § 14.101(c)*]. At that time, all bids will be publicly opened, read aloud to those present when practicable, and recorded [*48 C.F.R. § 14.402-1*]. Interested parties are generally permitted to examine the bids [*48 C.F.R. § 14.402-1(c)*]. If, as is the general rule, the solicitation provides that a bid for a government contract will be irrevocable once it has been opened, the courts will not permit revocation after bid opening [*see Refining Associates v. UnitedStates (Ct. Cl. 1953) 109 F. Supp. 259, 261-262]* .

[e] Modification and Withdrawal

Bids may be modified or withdrawn by written or telegraphic notice received in the agency office designated in the bid by opening date [*48 C.F.R. § 14.303(a)*]. To be accepted, a late bid, modification of a bid, or withdrawal of a bid must be received before the contract award, must be determined by the contracting officer not to unduly delay the acquisition, and, if transmitted through an electronic commerce method authorized by the invitation for bid, must be received not later than 5:00 p.m. on the day before the date specified for the receipt of bids, or, if transmitted using other methods authorized by the invitation to bid (regular mail or facsimile), there must acceptable evidence to establish that it was received and was under the government's control before the time set for the receipt of bids [*48 C.F.R. § 14.304(b)(1)*]. However, a late modification of an otherwise successful bid that makes its terms more favorable to the government will be considered at any time it is received [*48 C.F.R. § 14.304(b)(1)*].

All bids, including modifications received before the time set for opening, are kept unopened until the time set for bid opening [*48 C.F.R. § 14.401*]. For procedures used for modifying or withdrawing bids before the time for the opening of bids, see *§ 90B.125*.

[f] Evaluation

[i] In General

In the sealed bidding method the award is made to the lowest, responsive, responsible bidder [*48 C.F.R. §§ 14.404-1(a)(1), 7.306*]. Determination of the lowest bid is based on the price of the low bidder relative to the cost estimate for performance made by the government as indicated on the cost-comparison form [*48 C.F.R. §§ 14.407-1, 7.306(a)(1)(i)*-(iv)]. A bidder is considered "responsive" when its bid complies in all material respects with the invitation for the bid [*48 C.F.R. § 14.301(a)*; *see* [c], *above*]. A "responsible" bidder or offeror is one who has adequate financial resources, can comply with delivery schedule, has a satisfactory performance record, and is otherwise qualified to perform the contract [*48 C.F.R. § 9.104-1*; *see § 90B.22[1][a]*].

[ii] Price and Price-Related Factors

An award will be made only to the responsible bidder whose bid is fully responsive to the terms of the invitation for the bid and most advantageous to the government, considering only price and price-related factors included in the invitation [*48 C.F.R. § 14.103-2*; *see 48 C.F.R. § 14.000 et seq.* (provisions of bid solicitation)].

Procuring agencies must make a cost-comparison between contractor and government performance [*48 C.F.R. § 7.302(a)*]. The contracting officer will evaluate the sealed bid at the bid opening by entering on the cost-comparison form the price of the apparent low-bidder, and announcing the result conditioned on evaluation for responsiveness and responsibility and completion of the required agency process [*48 C.F.R. § 7.306(a)(1)(i)-(iii)*]. In making the award, price-related factors included in the invitation may also be considered [*48 C.F.R. § 14.407-1(a)*]. "Price-related factors" may include the following [*48 C.F.R. § 14.201-8*]:

- Foreseeable costs or delays to the government;
- Changes made or requested by the bidder;
- Advantages or disadvantages to the government that might result from making more than one award;
- Federal, state, and local taxes; and
- Origin of supplies.

Pursuant to the requirement that the abstract of bids and completed cost-comparison forms and any necessary additional data be made available for public review, the agency must resolve any requests for review of the cost comparison before the result is approved [*48 C.F.R. § 7.306(a)(1)(iv), (v)*].

[g] Correction of Bid Mistakes

Minor informalities, irregularities, or apparent clerical mistakes may be corrected by the bidder before the award [*48 C.F.R. §§ 14.405, 14.407-2*]. Additionally, and subject to the limitation that permission to correct mistakes not be used to make otherwise unresponsive bids responsive, on request by a bidder, permission to correct mistakes may be obtained and administrative determinations regarding any other mistakes alleged in the bids may also be made [*see 48 C.F.R. § 14.407-3*].

Mistakes in bids discovered after the award may be corrected by contract amendment if the correction is favorable to the government and does not change the essential requirements of the specifications [*48 C.F.R. § 14.407-4(a)*]. The bidder wishing to correct a mistake after the award must establish by clear and convincing evidence both the existence of the mistake and the bid actually intended. However, if correction would result in displacing lower bids, the correction will not be permitted unless the existence of the mistake and the bid actually intended are ascertainable substantially from the invitation and the bid itself [*48 C.F.R. § 14.407-3(a)*]. Agencies also have the authority to make determinations to rescind, reform, or to otherwise leave the contract as is [*48 C.F.R. § 14.407-3(b)*]. For procedures used for correcting mistake bids, see *Section 90B.126*.

[h] Cancellation of Bids

Invitations may be cancelled and all bids rejected before award but after opening if, consistent with the preservation of the integrity of the system, the agency head determines in writing that [*48 C.F.R. § 14.404-1(c)*]:

(1) Inadequate or ambiguous specifications were cited in the invitation;

(2) Specifications have been revised;

(3) The supplies or services contracted for are no longer required;

(4) The invitation did not provide for consideration of all costs to the government;

(5) Bids received indicate that the needs of the government can be satisfied by a less expensive article differing from that solicited;

(6) All otherwise acceptable bids received are at unreasonable prices, or only one bid was received and the contracting officer cannot determine whether the bid price was reasonable;

(7) The bids were not independently arrived at in open competition, were collusive, or were submitted in bad faith;

(8) No responsive bid was received from a responsible bidder;

(9) The cost-comparison shows that government performance is more economical; or

(10) For other reasons cancellation is clearly in the public's interest.

When it is necessary to reject all bids, the contracting officer must notify each bidder that all have been rejected giving the reason for such action [*48 C.F.R. § 14.404-3*].

[i] Rejection of Bids

Bids may be rejected for the following reasons [*48 C.F.R. § 14.404-2(a)-(c), (f)-(j),* (*l*)]:

(1) Failure to conform to the essential requirements, to applicable specifications unless IBF authorized, or to the delivery schedule specified in the bid;

(2) Determination by the contracting officer that the bid price is unreasonable;

(3) Prices for line items or subline items are materially unbalanced;

(4) A bid is received from a bidder suspended, debarred, proposed for debarment, or declared ineligible as of the bid opening date, unless a compelling reason dictates otherwise [*see § 90B.23*];

(5) Bids are received from non-responsible persons [*see § 90B.22[1]*];

(6) Failure to provide required bid guarantee [*see § 90B.22[5]*];

(7) Transfer of a bidder's assets or that part of assets related to bid during bid opening and award, unless the transfer is effected by merger, operation of law, or other means not otherwise barred by applicable law; and

A bid may also be rejected because of imposition of conditions by the bidder that would modify the requirements of the IFB or limit the bidder's liability to the government as prejudicial to other bidders. However, conditions that are not substantial and that do not go to the price, quantity, quality, or delivery of items may be merely deleted from the bid and

the bid not rejected [*48 C.F.R. § 14.404-2(d), (e)*].

[j] Award and Protests

Award is by written or electronic notice, within the time for acceptance specified in the bid or an extension [*48 C.F.R. § 14.408-1(a)*; *see* 49 C.F.R. § 14.404-1(d) (extensions)]. With limited exceptions, contracting officers must synopsize through the government point-of-entry (GPE) awards exceeding $25,000 that are [*48 C.F.R. § 5.301(a)*]:

- Covered by the World Trade Organization Government Procurement Agreement or a Free Trade Agreement; or

- Likely to result in the award of any subcontracts.

However, the dollar threshold is not a prohibition against publicizing an award of a smaller amount when publicizing would be advantageous to industry or to the government [*48 C.F.R. § 5.301(a)*].

FedBizOpps.gov is the single GPE for federal government procurement opportunities over $25,000. Government buyers are able to publicize their business opportunities by posting information directly to FedBizOpps via the Internet.

The GPE may be accessed via the Internet at http://www.fedbizopps.gov [*see 48 C.F.R. § 5.003*; http://www.fedbizopps.gov].

Award is generally made by using the Award portion of Standard Form (SF) 33, Solicitation, Offer, and Award [*see § 90B.220*], or SF 1447, Solicitation/Contract [*48 C.F.R. § 14.408-1(d)(1)*; *48 C.F.R. § 53.214*; *see § 90B.222*]. If an offer on an SF 33 leads to further changes, the resulting contract must be prepared as a bilateral document on SF 26, Award/Contract [*48 C.F.R. § 14.408-1(d)(1)*; *see § 90B.221*]. Use of the Award portion of SF 33, SF 26, or SF 1447, does not preclude the additional use of informal documents, including telegrams or electronic transmissions, as notices of awards [*48 C.F.R. § 14.408-1(d)(2)*].

For a discussion of protests regarding alleged misawards, see *Section 90B.60*. For a list of procedures used for making protests, see *Section 90B.127*.

[2] The Two-Step Sealed Bid

The two-step sealed bid is a hybrid negotiable bid used when inadequate specifications preclude the use of the conventional sealed bid method. To use the two-step sealed bid method, all of the following conditions must be met [*48 C.F.R. § 14.502*]:

(1) Available specifications or purchase descriptions are not definite or complete, or may be too restrictive;

(2) Definite criteria exist for evaluating technical proposals;

(3) More than one technical qualified source is expected to be available;

(4) Sufficient time is available for the two-step method; and

(5) A firm-fixed-price contract or a fixed-price contract with economic price adjustment will be used [*see § 90B.41[2]*].

In the two-step formal advertising method, the first step consists of a request for, and the submission, evaluation, and discussion of technical proposals without pricing [*see 48 C.F.R. §§ 14.501(a), 14.503-1*]. The second step involves the submission of sealed priced bids by those who submitted acceptable technical proposals in step one. Bids submitted in step two are evaluated and the awards made in accordance with 48 C.F.R. §§ 14.300 et seq. and *14.400 et seq.* [*48 C.F.R. §§ 14.501(b), 14.503-2*; *see § 90B.24[1]*].

CHAPTER 90B FEDERAL GOVERNMENT CONTRACTS
PART II. LEGAL BACKGROUND
B. The Contracting Process
1. Initiating Procurement

30-90B California Legal Forms--Transaction Guide § 90B.25

§ 90B.25 The Negotiated Proposal

[1] The Request for Proposals

[a] In General

Any contract awarded without using sealed bidding procedures is a negotiated contract [*48 C.F.R. § 15.101*]. Requests for proposals (RFPs) are used in negotiated acquisitions to communicate government requirements to prospective contractors and to solicit proposals [*see 48 C.F.R. § 15.203(a)* (minimum requirements); *see 48 C.F.R. § 15.203(b)-(f)* (issuance of RFPs electronically, orally, by fax, letter, or government circular)]. The negotiated contract method is used for both solicited and unsolicited proposals [*see 48 C.F.R. § 15.600, [2], below*]. The general procedure for negotiating proposals includes receipt of proposals, evaluation, negotiation, and selection of the most advantageous proposal in accord with normal contract procedure [*see 48 C.F.R. § 15.200 et seq.*; *see also* [c]-[i], *below*]. The negotiated proposal permits bargaining and usually affords opportunity to revise the offer before award of contract; bargaining may apply to price, schedule, technical requirements, type of contract, or other terms of a proposed contract [*48 C.F.R. § 15.306(d)*].

The request for quotations (RFQ) is also used in negotiated acquisitions of small purchases to communicate government requirements [*see 48 C.F.R. § 53.301-18*; § 90B.21[2][b]; *see also § 90B.210* (form)].

[b] When Permissible

If sealed bids are not considered appropriate [*see § 90B.24[1][b]*], the contracting officer may solicit competitive proposals [*48 C.F.R. § 6.401*]. A contracting officer normally issues an RFP when it is considered reasonable to expect prospective contractors to respond with offers even though they anticipate negotiations after receipt of offers [*see 48 C.F.R. § 15.203*].

A negotiated contract may also be appropriate when the IFB is cancelled because sealed bids are not required [*48 C.F.R. § 6.401*], or all bids have been rejected [*48 C.F.R. § 14.404-1(e)*; *see 48 C.F.R. § 14.404-3*]. In those circumstances, the contracting officer may negotiate (in accordance with 48 C.F.R. pt. 15, as appropriate) and make award without issuing

a new solicitation, provided [*48 C.F.R. § 14.404-1(f)*]:

- Each responsible bidder in the sealed bid acquisition has been given notice that negotiations will be conducted and has been given an opportunity to participate in negotiations; and

- The award is made to the responsible bidder offering the lowest negotiated price.

[c] Elements of Proposals

When the negotiated proposal procedure is used, the basic elements of the solicitation and contract are similar to those for bids [*see § 90B.24[1][c]*]. As with the IFB, the contracting officer issues a written solicitation according to a prescribed uniform contract format [*48 C.F.R. § 15.204-1* (Table 15-1)], using the prescribed standard form [*see 48 C.F.R. § 53.301-33* (Standard Form 33, Solicitation, Offer and Award); *see also § 90B.220* (form)]. If it becomes necessary to make changes to solicitations (such as a significant change in quantity, specifications, or delivery schedules, correction of defects or ambiguities, or a change in the closing date for receipt of proposals), a contracting officer will use Standard Form 30, Amendment of Solicitation/Modification of Contract [*48 C.F.R. § 15.210(b)*; *see 48 C.F.R. § 53.301-30*; *see also § 90B.223* (form)]. A pre-proposal conference may be held in a complex situation to brief prospective offerors after solicitations are issued, but before offers are submitted, to explain or clarify complicated specifications and requirements [*48 C.F.R. § 15.207*; *see 48 C.F.R. § 15.201* (conference procedures)].

[d] Receipt and Handling of Proposals

Proposals must be submitted by the date designated in the request for proposal [*48 C.F.R. § 15.208(a)*]. On receipt at the location specified in the solicitation, proposals and information received in response to a request for information (RFI) are be marked with the date and time of receipt and transmitted to the designated officials [*48 C.F.R. § 15.207(a)*; *see 48 C.F.R. § 15.207(b)* (requirement to safeguard confidentiality)]. If any portion of a proposal received by the contracting officer electronically or by fax is unreadable, the contracting officer immediately will notify the offeror and permit the offeror to resubmit the unreadable portion of the proposal. For the purpose of determining timeliness [*see 48 C.F.R. § 208(a)*], the resubmission will be considered as if it were received at the date and time of the original unreadable submission, provided the offeror complies with the time and format requirements for resubmission prescribed by the contracting officer [*48 C.F.R. § 15.207(c)*].

[e] Late Proposals and Modifications

Any proposal, modification, or revision that is received at the designated government office after the exact time specified for receipt of proposals is "late" and generally will not be considered [*see 48 C.F.R. § 15.208(b)(1)*]. However, a late proposal, modification, or revision will still be considered if [*48 C.F.R. § 15.208(b)(1)*]:

- It is received before award is made; and

- The contracting officer determines that accepting the late proposal would not unduly delay the acquisition; and

- If it were transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of proposals; or

- Acceptable evidence establishes that it was received at the government installation designated for receipt of proposals and was under the government's control prior to the time set for receipt of proposals; or

- It was the only proposal received.

In addition, a late modification of an otherwise successful proposal that makes its terms more favorable to the government will be considered at any time it is received and may be accepted [*48 C.F.R. § 15.208(b)(2)*].

"Proposal modification" is a change made to a proposal before the solicitation closing date and time, or made in response to an amendment, or made to correct a mistake at any time before award [*48 C.F.R. § 15.001*].

"Proposal revision" is a change to a proposal made after the solicitation closing date, at the request of or as allowed by a contracting officer, as the result of negotiations [*48 C.F.R. § 15.001*].

[f] Contracting by Negotiation

The contracting officer's primary concern is the overall price the government will actually pay. The contracting officer's objective is to negotiate a contract of a type and with a price providing the contractor the greatest incentive for efficient and economical performance. The negotiation of a contract type and a price are related and should be considered together with the issues of risk and uncertainty to the contractor and the government. Therefore, the contracting officer should not become preoccupied with any single element and should balance the contract type, cost, and profit or fee negotiated to achieve a total result--a price that is fair and reasonable to both the government and the contractor [*48 C.F.R. § 15.405(b)*; *see 48 C.F.R. § 15.406-1* (pre-negotiation objectives)].

The contracting officer must document in the contract file the principal elements of the negotiated agreement [*see 48 C.F.R. § 15.406-3*].

[g] Proposal Evaluation

"Proposal evaluation" is an assessment of the proposal and the offeror's ability to perform the prospective contract successfully [*48 C.F.R. § 15.305(a)*]. An agency must evaluate competitive proposals and then assess their relative qualities solely on the factors and subfactors specified in the solicitation. The relative strengths, deficiencies, significant weaknesses, and risks supporting proposal evaluation must be documented in the contract file [*48 C.F.R. § 15.305(a)*; *see 48 C.F.R. § 15.304* (evaluation factors and significant subfactors)]. Normally, competition establishes price reasonableness [*48 C.F.R. § 15.305(a)(1)*].

The contracting authority may reject all proposals received in response to a solicitation, if doing so is in the best interest of the government [*48 C.F.R. § 15.305(b)*].

[h] Correction of Mistakes in Proposals

Mistakes in a contractor's proposal that are disclosed after award will be processed substantially in accordance with the procedures for mistakes in bids at 48 C.F.R. § 14.407-4 [*48 C.F.R. § 15.508*; *see § 90B.24[1][g]*]. For procedures used for correcting mistakes after the award, see *Section 90B.126*.

[i] Award and Protests

The contracting officer must award a contract to the successful offeror by furnishing the executed contract or other notice of the award to that offeror [*48 C.F.R. § 15.504*]. If the award document includes information that differs from the latest signed proposal, as amended by the offeror's written correspondence, both the offeror and the contracting officer must sign the contract award [*48 C.F.R. § 15.504(a)*].

Protests against award in negotiated acquisitions must be handled in accordance with 48 C.F.R. part 33 [*48 C.F.R. §*

15.507(a); *see 48 C.F.R. § 15.507(b)* (procedure when protest causes agency to issue new solicitation on protested contract award)]. Use of agency protest procedures that incorporate alternative dispute resolution provisions is encouraged for both preaward and postaward protests [*48 C.F.R. § 15.507(a)*].

For a discussion of protests regarding alleged misawards of contracts, see *Section 90B.60*. For the procedures used for making protests of alleged misawards, see *Section 90B.127*.

[2] The Unsolicited Proposal

Unsolicited proposals allow unique and innovative ideas or approaches to be made available to government agencies. Unsolicited proposals are offered with the intent that the government will enter into a contract with the offeror for research and development or other efforts supporting the government agency's mission, and often represent a substantial investment of time and effort by the offeror [*48 C.F.R. § 15.603(a)*].

"Unsolicited proposals" do not include advertising material, commercial item offers, contributions, or routine correspondence on technical issues [*48 C.F.R. § 15.603(b)*; *see 48 C.F.R. § 15.601* (definitions)].

A valid unsolicited proposal must [*48 C.F.R. § 15.603(c)*]:

- Be innovative and unique.
- Be independently originated and developed by the offeror.
- Be prepared without government supervision, endorsement, direction, or direct government involvement,
- Include sufficient detail to permit a determination that government support could be worthwhile and the proposed work could benefit the agency's research and development or other mission responsibilities.
- Not be an advance proposal for a known agency requirement that can be acquired by competitive methods; and
- Not address a previously published agency requirement.

Unsolicited proposals in response to a publicized general statement of agency needs are considered to be independently originated [*48 C.F.R. § 15.603(d)*].

A favorable evaluation of an unsolicited proposal does not, in itself, justify awarding a contract without providing for full and open competition. An unsolicited proposal will be returned to the offeror, citing reasons, when its substance [*48 C.F.R. § 15.607(a)*]:

- Is available to the government without restriction from another source;
- Closely resembles a pending competitive acquisition requirement;
- Does not relate to the activity's mission; or
- Does not demonstrate an innovative and unique method, approach, or concept;
- Or is otherwise not deemed a meritorious proposal.

The contracting officer may commence negotiations on a sole source basis only when [*48 C.F.R. § 15.607(b)*]:

- An unsolicited proposal has received a favorable comprehensive evaluation.
- A justification and approval has been obtained [*see 48 C.F.R. §§ 6.302-1(a)(2)(i)*, 6.303-2(b)].
- The agency technical office sponsoring the contract furnishes the necessary funds.
- The contracting officer has complied with the synopsis requirements of 48 C.F.R. subpart 5.2 (synopses for proposed contract actions)].

To prevent the use or disclosure of data or information in an unsolicited proposal for other than evaluation purposes, an offeror must mark the pages of the proposal as specified in *48 C.F.R. § 15.609* [*see 48 C.F.R. § 15.609(a), (b)*].

§ 90B.40 Categories of Procurement Contracts

[1] Supplies

For purposes of government procurement, "supplies" means all property except land or interests in land and includes, but is not limited to, public works, buildings, and facilities; ships, floating equipment, and vessels of every type together with parts and accessories; aircraft, aircraft parts, accessories, and equipment; machine tools; and the alteration or installation of any of the foregoing [*48 C.F.R. § 2.101*]. The Federal Supply Schedule Program, which is directed and managed by the General Services Administration, provides federal agencies with a simplified procedure for acquiring commonly used supplies and services in varying quantities and at lower prices while obtaining discounts associated with volume buying [*48 C.F.R. §§ 38.000-38.101(a)*]. Supplies contracts in excess of $25,000 are generally awarded through the competitive bids and negotiated proposals methods [*see §§ 90B.24* (bids), 90B.25 (proposals)]. A supplies contractor for federal procuring agencies must be a manufacturer or regular dealer of such supplies [48 C.F.R. §§ 22.606-1, 22.606-2; *see § 90B.22[2]*]. Supplies contracts must also comply with other federal wage and hour standards [*see § 90B.43[3][a][i]*]. For forms used for bidding for contracts for supplies, see *§§ 90B.220-90B.223*.

[2] Services

A contract for "services" is a contract that directly engages the time and effort of a contractor whose primary purpose is to perform an identifiable task rather than to provide an end item of supply [*48 C.F.R. § 37.101*]. A services contract may be either "personal," in which case persons rendering service appear to be government employees, or "non-personal," in which case persons rendering service are not subject to the supervision and control prevailing between the government and its employees. It can also cover a contract in which the services are performed by either professional or non-professional personnel, on either an individual or organizational basis [*48 C.F.R. § 37.101*]. It is government policy that agencies generally rely on the private sector for commercial services, but a contract may not be awarded for the performance of an inherently governmental function [*48 C.F.R. § 37.102(b), (c)*]. Services contracts are awarded through bids and competitive proposals [*see §§ 90B.24* (bids), 90B.25 (proposals)], and are subject to regulation under federal wage and hour standards [*see § 90B.43[3][a][ii]*]. For forms used for bidding on services contracts, including construction within the small purchase limitation, see *§§ 90B.220 through 90B.223*.

[3] Construction

[a] In General

A contract for "construction" is one for the construction, alteration, or repair of buildings, structures, or other real property. These terms include the improvement of all types of structures, such as bridges, dams, plants, highways, streets, subways, tunnels, sewers, mains, power lines, cemeteries, pumping stations, railways, airport facilities, terminals, docks, piers, and wharves. "Construction" does not include the manufacture, production, alteration, or repair of vessels, aircraft, or other kinds of personal property [*48 C.F.R. § 36.102*]. Construction contracts must comply with federal wage and hour standards [*see § 90B.43[3][a][iii]*].

[b] Procurement Procedure

Construction contracts are solicited through the sealed bid method whenever practicable, or through negotiated proposals, using procedures similar to those for soliciting and negotiating supplies or service contracts [*48 C.F.R. §§ 36.103* (bids), 36.402 (proposals); *see §§ 90B.24, 90B.25*]. Agencies generally use the firm-fixed-price method of contract to acquire construction [*48 C.F.R. § 36.207*]. Contracting officers are required to provide access to presolicitation notices electronically through the government point of entry (GPE), via the Internet, for federal government procurement opportunities over $25,000 [*see 48 C.F.R. § 5.204*; www.FedBizOpps.gov; § 90B.20[1]]. For purchase of construction within the small purchase limitation, Standard Form 33, Solicitation, Offer, and Award, and related forms are generally used [*see* [2], *above*]. For purchase of construction estimated to exceed $25,000, use of Standard Form 1442, Solicitation, Offer and Award (Construction, Alteration, or Repair) [*48 C.F.R. § 53.301-1442*], is prescribed [48 C.F.R. § 1101 et seq.]. There are bonding requirements for construction contract exceeding the small purchase limitation [*see § 90B.22[5]*]. For forms used for acquisition of construction, see *§§ 90B.230-90B.234*.

[4] Architect-Engineer Services

[a] In General

Architect-engineer services (A--E) include the following [*48 C.F.R. § 36.601-4*; *see 40 U.S.C. § 541(3)*]:

- Professional services of an architectural or engineering nature, as defined by state law, which are required to be performed or approved by persons so licensed, registered, or certified;
- Services associated with research, planning, development, design, construction, alteration, or repair of real property;
- Such other professional services of an architectural or engineering nature or incidental services that an architect or engineer may logically or justifiably perform; and
- Professional surveying and mapping services of an architectural or engineering nature.

[b] Procurement Procedure

The method used for procuring architectural and engineering services is a competitive procedure distinct from that prescribed for procuring supplies and services, including construction [*48 C.F.R. § 6.102(d)*; *see 48 C.F.R. § 36.601-3(a)*]. The government must publicly announce all requirements for A & E services estimated to be in excess of $10,000 and negotiate the contracts based on demonstrated competence and qualifications of prospective contractors to perform the services at a fair and reasonable price [*48 C.F.R. § 36.601-1*].

In order to be considered for A--E contracts, interested firms must have first filed Standard Form 330,

Architect-Engineer Qualifications [*48 C.F.R. § 53.301-330* (form); *see § 90B.240*] with the appropriate agencies seeking acquisition of A--E services [*48 C.F.R. § 36.702*]. After the procuring agency evaluation board has reviewed the information and data on the submitted questionnaires, the board makes recommendations of the most highly qualified firms to the agency head for final selection as to a specific contract [*48 C.F.R. § 36.602-3*]. The agency head then makes a final choice of the "selected firms," with whom the contracting officer will negotiate according to specific required procedure [*48 C.F.R. § 36.602-4(a), (b)*]. The contract is negotiated, starting with the firm first listed, and continues with successive firms until a firm is selected for award of the contract [*48 C.F.R. § 36.606(a)*].

[c] Criteria for Award

There are six selection criteria used in awarding a government A--E contract [*48 C.F.R. § 36.602-1(a)(1)-(6)*]:

- Professional qualifications necessary for satisfactory performance of the required services.
- Specialized experience and technical competence in the type of work required.
- Capacity to accomplish the work in the required time.
- Past performance on contracts with government agencies and private industry in terms of cost control, quality of work, and compliance with required schedules.
- The firm's location in the general geographical area of the project and knowledge of the locale of the project (applicable only if there remains a sufficient number of qualified firms, in relationship to the size and scope of the project, after application of this criterion).
- Acceptability under other appropriate evaluation criteria.

Award is made on Standard Form 252, Architect-Engineer Contract [*48 C.F.R. § 53.236-2(a)*; *see 48 C.F.R. § 53.301-252*]. For the procedures used for competing for A--E contracts, see *§ 90B.123*. For the form used, see *§ 90B.240*.

[5] Additional Contract Categories

[a] In General

Other categories of contracts commonly used by procuring agencies include major systems acquisition [*see 48 C.F.R. § 34.000 et seq.*], research and development contracting [*see 48 C.F.R. § 35.000 et seq.*], and information resources acquisition that includes acquisition of automatic data processing equipment [*see 48 C.F.R. § 39.000 et seq.*]. For further discussion, see [b] through [d], *below*.

[b] Major Systems Acquisitions

A "major systems acquisition" is a combination of elements that will function together to produce capabilities required to fulfill the agency's need; the elements may include hardware, equipment, software, or any combination thereof, but exclude construction or improvements to real property [*48 C.F.R. § 34.001*]. The program manager for the agency seeking acquisition is required to develop an acquisition strategy tailored to that particular major system acquisition program, and must promote full and open competition between sources as long as it is economically beneficial to do so [*48 C.F.R. §§ 34.004-34.005(a)*].

[c] Research and Development

As used in research and development (R & D) procurement contracts, "research" includes concepts of both basic research that is directed towards increased knowledge in science, and applied research that is the practical application of the knowledge that normally follows basic research, but that is not severable from it (and includes attempts to exploit the potential of scientific discovery and improvement, as well as to advance the state of art). "Development" is the systematic use of scientific and technical knowledge in the design, development, testing, or evaluation of a new product or service, or the improvement of existing products and service, to meet specific performance requirements or objectives [*48 C.F.R. § 35.001*; *see 48 C.F.R. § 27.000 et seq.* (provisions under the FAR regarding patents, data, and copyright)]. R & D contracts differ from contracts for supplies and services in that they are directed toward objectives for which the work or methods cannot be precisely described in advance [*48 C.F.R. § 35.002*]. The contract method is used only when the principal purpose is acquisition of supplies or services [*see* [1], [2], *above*] for the direct benefit or use of the government. When the principal purpose is to stimulate or support R & D for another public purpose, grants or cooperative agreements are used instead [*48 C.F.R. § 35.003*].

§ 90B.41 Types of Contracting Methods

[1] In General

A wide selection of contract types is available to the government and the contractor in order to provide the needed flexibility in acquiring the large variety and volume of supplies and services required by federal agencies. Types vary according to the degree and timing assumed by the contractor for costs of performance, and the amount and nature of the profit incentive offered to the contractor for achieving or exceeding specified standards or goals [*48 C.F.R. § 16.101(a)*]. The two broad categories used in government procurement are the fixed-price contract and the cost reimbursement, with a wide range of various incentive contracts in between [*48 C.F.R. § 16.101(b)*]. The general government objective is to negotiate a contract type and price that will result in reasonable contract risk for the contractor and provide incentive for efficient and economical performance [*48 C.F.R. § 16.103(a)*]. The factors for selecting and negotiating a contract type that the government will use include the following [*48 C.F.R. § 16.104*]:

- Price competition;
- Price analysis;
- Cost analysis;
- Type and complexity of contract requirement;
- Urgency of requirement;
- Period of performance or length of production run;
- Contractor's technical capability and financial responsibility;

- Adequacy of contractor's accounting system;
- Impact of concurrent contracts; and
- Extent and nature of proposed subcontracts.

[2] The Fixed-Price Contract

Fixed-price contracts provide for either a firm price or, in appropriate cases, an adjustable price [*48 C.F.R. § 16.201*]. The firm-fixed-price contract (FFP) provides for a price that is not subject to any adjustment on the basis of the contractor's cost experience in performing the contract, places on the contractor maximum risk and full responsibility for all costs and resulting profit or loss, and provides maximum incentive for the contractor to control costs and to perform effectively [*48 C.F.R. § 16.202-1*]. It is suitable for acquisition of commercial products or other supplies or services on the basis of definite functional or detailed specifications that allows the contracting officer to estimate a fair and reasonable price at the outset [*48 C.F.R. § 16.202-2*].

A fixed-price contract with an economic price adjustment provides for an upward or downward revision of the stated contract price on the occurrence of specified contingencies, with the price adjustment based on either estimated prices, actual costs of labor or material, or on cost indexes of labor or material [*48 C.F.R. § 16.203-1*]. Economic price adjustments are used when there is serious doubt concerning the stability of the market [*48 C.F.R. § 16.203-2*].

[3] The Cost-Reimbursement Contract

Cost-reimbursement contracts provide for payment of allowable incurred costs to a maximum extent by establishing a ceiling that the contract may not exceed without approval of the contracting officer, and are used only when there is uncertainty involved in contract performance and the situation does not permit costs to be established with sufficient accuracy so as to allow the use of fixed-price [*see* [2], *above*] contracts [*48 C.F.R. §§ 16.301-1, 16.301-2*]. Cost-reimbursement contracts may be used only when all of the following conditions are met [*48 C.F.R. § 16.301-3*]:

(1) The contractor's accounting system is adequate for determining costs applicable to the contract;

(2) There are available appropriate government surveillance resources to provide reasonable assurance that efficient methods and effective cost controls are used; and

(3) On the determination and finding by the agency that this type of contract is less costly than any other, and most practical in the situation.

Cost-reimbursement contracts may be tailored to fit certain situations, and include other types of contracts, such as cost-sharing contracts [*48 C.F.R. § 16.303*], cost-plus-incentive-fee contracts [*48 C.F.R. § 16.304*], cost-plus-award-fee contracts [*48 C.F.R. § 16.305*], and cost-plus-fixed-fee contracts [*48 C.F.R. § 16.306*].

[4] The Incentive Contract

The incentive contract is used in situations where a fixed price contract is not appropriate and the required supplies or services can be acquired at lower costs because of results achievable through improved technical performance or delivery by relating the amount of profit or fee payable to the contract performance [*48 C.F.R. § 16.401(a)*].

[5] Additional Contracting Methods

[a] In General

Some other types of contract methods used by procuring agencies include: indefinite delivery contracts [*see 48 C.F.R. § 16.500 et seq.*], time and materials, labor-hours, and letter contracts [*see* 48 C.F.R. § 16.600 et seq.]. For further discussion, see [b] through [d], *below*.

[b] Indefinite Delivery

Indefinite delivery contracts may be used when exact times and/or quantities of future deliveries are not known. These contracts offer advantages to the government by allowing stocks to be maintained at minimal levels, providing flexibility in quantities and delivery scheduling, maintaining government obligations at a minimum, and encouraging faster deliveries when production lead-time is involved [48 C.F.R. § 16.501(a), (b)].

[c] Time and Materials

Time and materials (T & M) contracts provide for acquiring agency supplies or services on the basis of (1) direct labor hours at specified fixed hourly rates that include wages, overhead, general and administrative expenses, and profit; and (2) materials at cost [*48 C.F.R. § 16.601(a)*]. A T & M contract may be used only when it is not possible, at the time of placing the contract, to establish accurately the extent or duration of the work, or to anticipate costs with any reasonable degree of confidence [*48 C.F.R. § 16.601(b)*]. However, since a T & M contract provides no incentive to the contractor for cost controls or labor efficiency, appropriate government surveillance is required to give reasonable assurance that efficient methods and effective cost controls are used [*48 C.F.R. § 16.601(b)(1)*]. A labor-hour contract is a variation of a T & M contract, differing only in that materials are not supplied by the contractor [*48 C.F.R. § 16.602*].

[d] Letter Contracts

A letter contract is a written preliminary contract instrument that authorizes the contractor to begin immediate manufacture of supplies or performance of services [*48 C.F.R. § 16.603-1*]. A letter contract is used when (1) government interests demand that a contractor be given a binding commitment so that work can start immediately; and (2) negotiating a definitive contract is not possible in time to meet the requirement [*48 C.F.R. § 16.603-2*]. Standard Form 26, Award/Contract [*48 C.F.R. § 53.301-26*], is prescribed for use by the contracting officer to definitize a letter contract [*48 C.F.R. § 43.103(a)*; *see § 90B.221* (form)].

§ 90B.42 Contract Financing

[1] In General

The goal of government financing is to aid in acquisition by expediting performance. However, financing will be provided only to the extent actually needed for prompt and efficient performance, taking into consideration the availability of private financing, and the probable impact of working capital on the predelivery expenditures and production lead-times associated with the contract, or groups of contracts or orders [*48 C.F.R. § 32.104*]. Contract financing methods used by the government include the following [*48 C.F.R. § 32.102*]:

- Advance payments to a prime contractor in anticipation of, and for the purpose of, complete performance and expected to be liquidated from payments due to the contractor incident to the performance of the contract;

- Progress payments based on costs made on the basis of costs incurred by the contractor as work progresses under the contract. The progress payments method does not include payments based on the percentage or stage of completion accomplished, payments for partial deliveries accepted by the government, or partial payments for a contract termination proposal;

- Loan guarantees made by Federal Reserve banks on behalf of designated guaranteeing agencies to enable contractors to obtain private source financing;

- Partial payments for accepted supplies and services. Partial payments, while not generally treated as a method of contract financing, enable contractors to participate in government contracts without, or with minimal, contract financing; and

- Progress payments based on percentage of stage of completion as authorized by statutes.

[2] Assignment of Claims

Under the Assignment of Claims Act of 1940 [*31 U.S.C. § 3727*], a contractor may assign moneys due under a government contract if all the following conditions are met [*48 C.F.R. § 32.802*]:

- The contract specifies payments aggregating $1,000 or more;
- Assignment is made to a bank, trust company, or other financing institution, including any federal lending agency;
- The contract does not prohibit assignment;
- Unless otherwise expressly permitted in the contract, the assignment covers all unpaid amounts payable under the contract; the assignment is made to only one party or to one party as an agent for two or more parties participating in the financing of the contract; and the assignment is not subject to further assignment; and
- The assignee sends written notice of assignment together with a true copy of its instrument to the contracting officer or the agency head, the surety on any bond applicable to the contract, and the disbursing officer designated in the contract to make payment.

§ 90B.43 Mandatory Work Standards and Compliance Requirements

[1] Government Policy

Government procuring agencies must cooperate with, and must encourage contractors to cooperate with, federal and state agencies responsible for enforcing labor requirements relating to safety, health, sanitation, maximum hours and minimum wages, equal employment opportunity, child and convict labor standards, age discrimination, disabled and Vietnam veteran employment, and employment of the handicapped [*48 C.F.R. § 22.102-1*; *see 48 C.F.R. § 22.000 et seq.* (application of labor laws to government acquisitions)]. Compliance under government contracts is also required with regard to conservation and environmental concerns [*see 48 C.F.R. § 23.000 et seq.*], use of American and designated country end-products [*see 48 C.F.R. § 25.000 et seq.*], and rights of privacy and of public access to government information [*see 48 C.F.R. § 24.000 et seq.*]. The contracting officer is required to ensure compliance with work standards and other requirements by inserting relevant prescribed clauses into solicitations, offers, and awards [*see 48 C.F.R. § 52.200 et seq.* (text of prescribed contract clauses); *see also* [2]-[6], *below*].

[2] The "Buy American" Requirement

The Buy American Act [*41 U.S.C. § 10a et seq.*] was designed during the depression as a device to foster and protect American industry, workers, and invested capital [*Textron, Inc., Bell Helicopter Textron Div. v. Adams (D.D.C. 1980) 493 F. Supp. 824, 830* ; Allis-Chalmers, Etc. v. Friedkin (3d Cir. [Pa.] 1980) *635 F.2d 248, 257]* . Under the Act, only manufactured articles, materials, and supplies that have been manufactured in the United States substantially all from articles, materials, or supplies mined, produced, or manufactured in the United States may be acquired for public use [*41 U.S.C. § 10a*].

The requirement for use of domestic construction material is applicable to procurement contracts except (1) when the cost would be unreasonable [*see* 48 C.F.R. § 25.303]; (2) when the head of the procuring agency determines that using a particular domestic construction material would be impracticable; or (3) when the head of the contracting activity or designee determines that the construction material is not mined, produced, or manufactured in the United States in sufficient and reasonably available commercial quantities of satisfactory quality [*48 C.F.R. § 25.202(a)*].

Every contract for public works must contain a provision that the materials used were immediately produced or manufactured in the United States [*48 C.F.R. § 25.205*; *see* 48 C.F.R. §§ 52.225-52.225-5 (prescribed "Buy American" clauses)]. Contractors in violation of this requirement are subject to debarment [*48 C.F.R. § 25.204*; *see also 48 C.F.R. § 25.400* (preference for end products of United States and designated countries)].

[3] Wage, Hour, and Workplace Standards

[a] Wage and Hour Standards

[i] Supplies Contracts

Under the Fair Labor Standards Act of 1938 [*29 U.S.C. § 201 et seq.*], employees engaged in commerce or in production of goods for commerce, or employed in enterprise engaged in commerce or in production of goods for commerce must be paid the minimum wage and cannot work more than the specified maximum hours per day and per week without being paid overtime wages [*29 U.S.C. §§ 206, 207*]. Accordingly, under the Walsh-Healey Public Contracts Act [*41 U.S.C. § 35 et seq.*], in addition to meeting the requirement that they qualify as manufacturers or regular dealers of such supplies [*see § 90B.22 [2]*], contractors who furnish supplies to the government under contracts in excess of $10,000 must also do the following [*48 C.F.R. § 22.602*; *see 41 U.S.C. § 35(b)-(e)*; *see also 48 C.F.R. § 52.222-20* (prescribed clauses implementing supplies contractor requirements)]:

- Pay employees the prevailing wage;
- Not work employees in excess of maximum daily or weekly hours;
- Observe certain minimum ages of employment; and
- Not permit contracted performance under unsanitary, hazardous, or dangerous conditions.

[ii] Services Contracts

Pursuant to the Service Contracts Act of 1965 [*41 U.S.C. § 351 et seq.*], every government procurement contract (and therefore any bid specification) entered into by the government, whether negotiated or advertised, the principal purpose of which is to furnish services in the United States through the use of service employees, must contain a provision for the statutory minimum wage as determined in accordance with prevailing rates for those employees and with minimum wage laws [*48 C.F.R. § 22.1002-1*; *see 48 C.F.R. §§ 52.222-40, 52.222-41* (prescribed clauses implementing the Service Contracts Act requirements); *see also 48 C.F.R. § 22.1002-4* (application of the Fair Labor Standards Act to service contracts)]. The Act covers a wide range of service contracts [*see 48 C.F.R. § 22.1003-5*]. Violation of the minimum wage requirement under the Act may result in debarment, contract termination, and withholding of contract funds [*48 C.F.R. § 22.1025*].

[iii] Construction Contracts

Under the Davis-Bacon Act [*40 U.S.C. §§ 3141-3144, 3146, 3147*], any government procurement contract in excess of $2,000 must include a provision that wages for laborers and mechanics employed under any contract for the construction, alteration, and/or repair of public buildings or of public works within the United States be the minimum prevailing wage [*48 C.F.R. § 22.403-1*; *see 48 C.F.R. § 52.222-6* (prescribed clause implementing minimum wage requirement under Davis-Bacon Act)].

Under the Contract Work Hours and Safety Standards Act [*40 U.S.C. § 3703 et seq.*], procurement contracts that may require or involve laborers or mechanics must contain a clause that no laborer or mechanic doing any part of the work

contemplated by the contract can be required or permitted to work more than 40 hours per week unless paid for all overtime hours at not less than one and one-half the basic rate of pay [*48 C.F.R. § 22.403-3*; *see* 29 C.F.R. pt. 5; *see also 48 C.F.R. § 52.222-4* (prescribed clause implementing overtime compensation requirement)].

Construction contracts are subject to the Anti-Kickback (Copeland) Act [*40 U.S.C. § 3145*], which makes it unlawful to induce by force, intimidation, threat of procuring dismissal from employment, or otherwise, any person employed in the construction or repair of public buildings or public works, financed in whole or part by the United States, to give up any part of the compensation to which that person is entitled under a contract of employment [*48 C.F.R. § 22.403-2*; *see 48 C.F.R. § 52.222-10* (prescribed kickback compliance clause)]. Construction contractors are also subject to the Anti-Kickback Act [*41 U.S.C. § 51 et seq.*], which prohibits kickback payments from subcontractors under negotiated construction contracts [*48 C.F.R. § 3.502-2*; *see § 90B.45[4]*].

[b] Safety and Health Standards

Under the Occupational Safety and Health Act of 1970 [*29 U.S.C. § 651 et seq.*], federal standards regulating safety and health conditions in the workplace are generally applicable to all employment performed within the United States or its territories [*29 U.S.C. § 653(a)*; *see 48 C.F.R. § 22.102-1* (general policy for enforcing labor regulations in procurement contracting), 23.302].

Pursuant to the Drug-Free Workplace Act, under Executive Order 12564 *[51 Fed. Reg. 32889 (1986)]* , no contractor is considered qualified or responsible for a government contract without making certification that a drug-free workplace will be provided [*48 C.F.R. § 23.505(a)*; *see 48 C.F.R. § 52.223-6* (prescribed provision for certification regarding drug-free workplace)].

[4] Affirmative Action Hiring Requirements

[a] Equal Employment Opportunity Act

Under Parts II and IV of Executive Order 11246 *[30 Fed. Reg. 12319, 12935 (1965)]* , setting forth the Equal Employment Opportunity Act clause, all government agencies must include an equal opportunity clause in all non-exempt government prime contracts and subcontracts and act to ensure compliance with the clause, as well as regulations of the Secretary of Labor, to promote equal employment opportunity regardless of race, color, religion, sex, or national origin [*48 C.F.R. § 22.802*; *see 48 C.F.R. § 52.222-21 et seq.* (prescribed clauses for affirmative action compliance requirements)]. Contracts that are exempt from this requirement include the following [*48 C.F.R. § 22.807(a), (b)*]:

- National security contracts as determined by the agency head;
- Contracts as specified by the Director of the Office of Federal Contract Compliance Programs, U.S. Department of Labor;
- Transactions of $10,000 or less;
- Work outside the United States;
- Contracts with state or local governments;
- Work on or near Indian reservations;
- Contractors' facilities not connected with the contract; and

- Indefinite quantity contracts not to exceed $10,000.
- Contracts with religious entities.

In addition, pursuant to Executive Order 11141 *[29 Fed. Reg. 2477 (1964)]* , stating the public policy against age discrimination in federal employment, government contractors and subcontractors, in connection with or in relation to employment, must not discriminate against persons because of age except upon the basis of bona fide occupational qualifications, retirement plan, or statutory requirement; use of a contract clause is not required [*48 C.F.R. § 22.901*].

[b] Rehabilitation Act

Under the Rehabilitation Act of 1973 [*29 U.S.C. § 701 et seq.*], any contract in excess of $10,000 entered into by a federal department or agency for procurement of supplies and services, including construction, must contain a provision requiring that the party contracting take affirmative action to employ and advance in employment qualified individuals with disabilities, without discrimination based on their physical or mental disability [*29 U.S.C. § 793*; *48 C.F.R. §§ 22.1401, 22.1402 see 48 C.F.R. § 52.222-36* (prescribed affirmative action for disabled workers clause); *see also 41 U.S.C. § 46 et seq.* (Wagner O'Day Act providing that all entities of government are required to purchase certain listed products and services from workshops for the blind and severely handicapped)].

[c] Vietnam Veterans' Assistance Act

Under the Vietnam Era Veterans' Readjustment Assistance Act of 1972 [*38 U.S.C. § 2012*], government contractors, when entering a contract with the government subject to the Act, are required to list all suitable employment openings with the local service employment office and take affirmative action to hire qualified special disabled veterans and veterans of the Vietnam era without discrimination based on their disability or veteran's status [*48 C.F.R. §§ 22.1300, 22.1301*; *see 48 C.F.R. §§ 52.222-35-52.222-37* (prescribed clauses for veteran employment compliance requirement)].

[5] Environmental and Conservation Requirements

Facilities of firms contracting with government agencies must be in compliance with the Clean Air Act and the Clean Water Act of 1977 [48 C.F.R. § 23.103(a); *see 42 U.S.C. § 7401 et seq.* (Clean Air Act); *33 U.S.C. § 1251 et seq.* (Clean Water Act); *see also 48 C.F.R. §§ 52.223-1, 52.223-2* (prescribed clauses for clean air and clean water compliance requirements)]. In addition, the National Environmental Policy Act contains provisions requiring all federal agencies to consider environmental factors in planning and decision making [*see 42 U.S.C. § 4321 et seq.*]. For example, government agencies must purchase "ENERGY STAR" or other energy-efficient items listed on the Department of Energy's Federal Energy Management Program (FEMP) Product Energy Efficiency Recommendations product list, if the products are cost-effective and available and meet the agency's need [*see 48 C.F.R. § 23.203(a)*]. Information is about ENERGY STAR is available online at http://www.energystar.gov/; and about FEMP at http://www.eere.energy.gov/femp/procurement [*48 C.F.R. § 23.203(b)*]. Under regulations issued by the Occupational Safety and Health Administration under the Occupational Safety and Health Act [*29 U.S.C. § 651 et seq.*], government contractors are also required to inform their employees about hazardous work conditions [*48 C.F.R. § 23.302*; *see 48 C.F.R. § 52.223-3* (prescribed clause for hazardous materials identification requirement)].

[6] Disclosure Requirements

[a] Right of Privacy and Protection for Proprietary Information

Pursuant to the Privacy Act of 1974 [*5 U.S.C. 552a*], when an agency contracts for the design, development, or operation of a system of records on individuals on behalf of the agency to accomplish an agency function, the agency must prohibit disclosure of records in its control regarding government contractors and contractors' employees working

on the contract [*48 C.F.R. §§ 24.000-24.101*; *see 48 C.F.R. §§ 52.224-1, 52.224-2* (prescribed clauses for Privacy Act requirements)].

Proprietary and source selection information is also protected from unauthorized disclosure [*48 C.F.R. § 3.104-5(a)*]. "Proprietary information" is information contained in bids or proposals or otherwise submitted to the government by competing contractors in response to agency procurement or information in unsolicited proposals that has been marked as proprietary information as required by law and the regulations [*48 C.F.R. § 3.104-4(j)(1)*; *see 48 C.F.R. §§ 52.203-9, 52.203-10* (prescribed clauses for procurement integrity requirements)].

[b] Right of Public Access to Agency Information

Under the Freedom of Information Act [*5 U.S.C. § 552*], agencies must make contracting records available on public request and comply with strict time standards for agency response, with the exception of certain specified records [*48 C.F.R. § 24.202*].

CHAPTER 90B FEDERAL GOVERNMENT CONTRACTS
PART II. LEGAL BACKGROUND
B. The Contracting Process
2. The Procurement Contract

30-90B California Legal Forms--Transaction Guide § 90B.44

§ 90B.44 Contract Administration--Prescribed Clauses

[1] Contract Modification

Government procurement contracts are generally not preceded by any real negotiations of general terms. Except for special agreements arrived at in the negotiation process for proposals [*see § 90B.25*], the government contracting officer issues a contract on a standard form containing mandatory clauses that must be accepted by the successful bidder or offeror [*see 48 C.F.R. §§ 42.000 et seq.* (contract administration), 52.000 et seq. (prescribed solicitation provisions and contract clauses); *see also §§ 90B.24[1][c]* (elements of bids), 90B.25[1][c] (elements of proposals)]. Even in negotiated procurements, there are prescribed clauses that must be joined with the negotiated portions of the contract [*see* 48 C.F.R. §§ 15.406, 15.407].

A contract modification may be either bilateral, arising from mutual agreement by the contractor and the government [*48 C.F.R. §§ 43.101, 43.103(a)*], or unilateral, arising by action on the part of the government alone [*48 C.F.R. § 43.103(b)*]. A "bilateral" modification or supplemental agreement is a contract modification that is signed by both the contractor and the government and is used to make a negotiated equitable adjustment [*see* [2][b], *below*], to make definite letter contracts [*see § 90B.41[5][d]*], and to reflect other agreements of the parties modifying the terms of the contract [*48 C.F.R. § 43.103(a)*]. The contracting officer will use Standard Form 26, Award/Contract [*48 C.F.R. § 53.301-26*], for bilateral modifications in both the sealed bid and negotiated proposal methods when the signatures of both parties on a single document are required [*48 C.F.R. §§ 14.407-1(d)* (bids), 15.414(b) (proposals); *see § 90B.221* (form)].

A "unilateral" modification of a contract is one signed only by the contracting officer and is used to do the following [*48 C.F.R. § 43.103(b)*]:

- Make administrative changes;
- Issue change orders [*see* [2][a], *below*];

- Make changes authorized by other than the changes clause [*see* [2], *below*]; and
- Issue termination notices [*see* [3], [4], *below*].

A contracting officer will use Standard Form 30, Amendment of Solicitation/Modification of Contract [*48 C.F.R. § 53.301-30*], to issue unilateral modifications [*48 C.F.R. § 43.301*; *see § 90B.223* (form)].

[2] Changes Clause

[a] In General

A changes clause permits a contracting officer to make unilateral changes within the general scope of a contract by means of a written change order to the contractor [*48 C.F.R. § 43.201(a)*]. A changes clause is mandatory in most procurement contracts [*see 48 C.F.R. § 43.205*; *see 48 C.F.R. §§ 52.243-1-52.243-7* (prescribed changes clauses)]. Under the changes clause, the contracting officer is authorized to issue unilateral written orders using Standard Form 30, Amendment of Solicitation/Modification of Contract [*48 C.F.R. §§ 43.205, 43.301(a)*; *see 48 C.F.R. § 53.301-30* (form)]. Once the contracting officer has ordered a change, the contractor has a duty imposed by the changes clause to proceed promptly with the changed work plan [*48 C.F.R. § 43.201(b)*].

A changes clause provides that changes may be ordered within the general scope of the contract [*48 C.F.R. § 48.201(a)*]. A contract modification that is so drastic as to go beyond scope of contract is considered a breach [*General Dynamics Corp. v. United States (Ct. Cl. 1978) 585 F.2d 457, 462* ; *Air-a-Plane Corporation v. United States (Ct. Cl. 1969) 408 F.2d 1030, 1033]* .

In some circumstances, a constructive change order, as distinct from a written order formalized in a change order, may result because of conduct on the part of the government that may allow an equitable adjustment for increased costs resulting from the change [*see Consolidated Diesel Elect. Co. v. United States (Ct. Cl. 1976) 533 F.2d 556, 576* (constructive change order resulting from government prohibition of substitution of one type of engine for another as originally provided for under contract for supply of quantities)].

[b] Equitable Claim Adjustment

A change order ordinarily requires two documents, a change order and a supplemental agreement reflecting the resulting equitable adjustment or corresponding modification of the contract agreed to by the government [*48 C.F.R. § 43.204(a)*]. An "equitable adjustment" is a modification of contract price or schedule to compensate the contractor for government-directed changes or other government actions [*see* [a], *above*]. Thus, when a change order causes either an increase or decrease in the estimated cost or time required to complete performance, an equitable adjustment reflecting the new cost or delivery schedule is made [*see 48 C.F.R. §§ 43.201-43.205*].

To obtain increased costs or other relief such as extra time for performance resulting from a change order, a contractor must file a claim for equitable adjustment before final payment and within 30 days of receiving the change order [*48 C.F.R. § 43.204*; *see 48 C.F.R. §§ 52.243-1-52.243-3*]. The parties must negotiate an equitable adjustment and resulting modification of contract [*48 C.F.R. § 43.204(b), (c)*]. Adjustment of the claim may be necessary if the contracting officer rejects the claim or the parties are unable to reach an agreement; the contractor may appeal the final decision of the contracting officer under the Contract Disputes Act of 1978 [*41 U.S.C. § 601 et seq.*], either to the appropriate agency's board of contract appeals or to the Court of Federal Claims [*see 48 C.F.R. § 52.243-1(e)*]. For discussion of resolution of claims and disputes under the Contract Disputes Act of 1978, see *§ 90B.61*. For the form provided for use for making a claim to a contracting officer, see *§ 90B.270*.

[3] Termination for Convenience Clause

Contracting officers are required to include a termination for convenience clause in most procurement contracts [*48 C.F.R. § 49.502*; *see 48 C.F.R. §§ 52.249-1-52.249-7* (prescribed clauses for termination for convenience)]. However, whether the clause is inserted or not, the government has the authority to terminate any contract for which such a clause is prescribed [*G.L. Christian and Associates v. United States (Ct. Cl. 1963) 312 F.2d 418, 424-425]* . A government contract may be terminated for convenience when it is determined that termination is in the best interest of the government or, if the contract was previously terminated for default, when a determination is made in the disputes resolution process that the contractor was not actually in default or that the default was excusable [*48 C.F.R. § 49.101(b)*]. The contract may be terminated for convenience only by written order to the contractor [*48 C.F.R. §§ 49.102(a), 49.402-3(g)*].

The notice of termination must contain the following [*48 C.F.R. § 49.102(a)*]:

- A statement that the contract is being terminated for the convenience of the government under the contract clause authorizing termination;
- The effective date of the termination;
- The extent of the termination;
- Any special instructions to the contractor; and
- The steps the contractor should take to minimize the effects of the termination on the work and the work force.

On receiving notice of termination for convenience, a contractor is required to stop work and to terminate all subcontracts related to the terminated portion of the contract [*48 C.F.R. § 49.104(a), (b)*]. An initial conference is then held to effect settlement [*48 C.F.R. § 49.105(c)*]. The contractor has the right to submit a settlement proposal setting forth the amount claimed by reason of termination [*48 C.F.R. § 49.206-1(a)*]. The proposal must be submitted on the prescribed form [48 C.F.R. § 49.206(1)(c); *see 48 C.F.R. §§ 53.301-1435-53.301-1438* (prescribed settlement proposal forms)]. Agencies must also establish procedures for review of proposed settlements [*48 C.F.R. § 49.111*].

[4] Termination for Default Clause

The termination for default clause gives the contracting officer the discretion to terminate, in whole or in part, a contractor's right to proceed because of the contractor's failure, whether actual or anticipated, to perform under the terms of the contract [*48 C.F.R. § 49.401(a)*]. The termination for default clause prescribes the government's right to terminate the contract for default, the effect of the termination, and the procedure in the event of default [*48 C.F.R. § 49.504*; *see 48 C.F.R. §§ 52.249-8-52.249-10* (prescribed clauses for termination for default)]. If the contractor can establish (or if it is otherwise determined) that the contractor was not in default or that the failure to perform was excusable and arose out of causes beyond the control of, and without negligence of, the contractor, the termination for default will be considered to have been a termination for the convenience of the government and the rights and obligations of the parties governed accordingly [*48 C.F.R. § 49.401(b)*]. The contracting officer has authority to reinstate a contractor if a written determination is made that the supplies or services are still required and reinstatement is advantageous to the government [*48 C.F.R. § 49.401(c)*]. Notice of termination for default must be given in writing [*48 C.F.R. § 49.102(a)*].

When there has been a termination for default, the government is not liable for the contractor's costs on undelivered work and is entitled to repayment of any advance payments or progress payments applicable to that work [*48 C.F.R. § 49.402-2(a)*]. However, the government will pay the contractor for work performed by the contractor and acquired by the government under the terms of the default clause [*48 C.F.R. § 49.402-2(c)*].

[5] Inspection Requirement Clause

In general, the government will rely on the contractor to accomplish all inspection and testing needed to ensure that the supplies or services acquired under small purchases conform to contract quality requirements before tender to the government [*48 C.F.R. § 46.202-1(a)*]. The contracting officer will insert an inspection clause, Contractor Inspection Requirements [*48 C.F.R. § 52.246-1*], in solicitations and contracts for supplies or services when the contract amount is expected to exceed the small purchase limitation and (1) inclusion of the clause is necessary to ensure an explicit understanding of the contractor's inspection responsibilities, or (2) inclusion is required under the procuring agency's procedures [*48 C.F.R. § 46.301*; *see 48 C.F.R. §§ 52.246-1-52.246-10* (prescribed clauses for standard inspection requirements)]. Standard inspection requirements clauses generally provide the following [*48 C.F.R. § 46.202-2(a)*]:

- A requirement that the contractor provide and maintain an inspection system that is acceptable to the government;

- The right of the government to make inspections and tests while the work is in progress; and

- A requirement that the contractor keep complete records of its inspections of work and make these records available to the government.

[6] Subcontracting Clause

If the contractor has an approved purchasing system, consent is required for subcontracts specifically identified by the contracting officer in the subcontracts clause of the contract [*48 C.F.R. § 44.201-1(a)*]. Consent may be required if the contracting officer for the government determines that it is necessary to protect the government adequately because of the subcontract type, complexity, or value, or because the subcontract needs special surveillance (subcontracts for critical systems, components, or services, for example) [*48 C.F.R. § 44.201-1(a)*]. However, even if the contractor has an approved purchasing system and consent to subcontract is not required under *48 C.F.R. § 44.201-1*, under cost-reimbursement contracts, the contractor is required to notify the contracting agency as follows [*48 C.F.R. § 44.201-2*; *see 10 U.S.C. § 2306(e)*; *41 U.S.C. § 254(b)* (notification requirements)]:

- For the Department of Defense, the Coast Guard, the National Aeronautics and Space Administration: before the award of any cost-plus-fixed-fee subcontract, or any fixed price subcontract that exceeds the greater of specified dollar amounts or percentages of the total estimated cost of the contract, unless the contractor maintains an approved purchasing system.

- For civil agencies other than the Coast Guard and the National Aeronautics and Space Administration, even if the contractor has an approved purchasing system, before the award of any cost-plus-fixed-fee subcontract, or any fixed price subcontract that exceeds specified dollar amounts or percentages of the total estimated cost of the contract.

If the contractor does not have an approved purchasing system, consent to subcontract is required for cost-reimbursement, time-and-materials, labor-hour, or letter contracts, and for unpriced actions under fixed price contracts that exceed the simplified acquisition threshold for cost-reimbursement, time-and-materials, and labor-hour subcontracts and for certain fixed price subcontracts that exceed either specified dollar amounts or percentages of the total estimated cost of the contract [*see 48 C.F.R. § 44.201-1(b)*; *see 48 C.F.R. §§ 44.204, 52.244-2* (subcontract clauses)].

Consent may also be required for subcontracts under prime contracts for architect-engineering services [*48 C.F.R. § 44.201-1(c)*; *see 48 C.F.R. §§ 44.204, 52.244-4* (subcontract clauses)].

The contracting officer's written authorization for the contractor to purchase from government sources constitutes consent [*48 C.F.R. § 44.201-1(d)*].

[7] Disputes Clause

The Contract Disputes Act of 1978 [*41 U.S.C. § 601 et seq.*] establishes procedures and requirements for asserting and resolving claims arising out of contracts with the government [*48 C.F.R. § 33.202*]. A disputes clause is a required component of most government contracts [*48 C.F.R. § 33.215*; *see* 48 C.F.R. § 32.233-1 (prescribed disputes clause)]. The disputes clause provides protection for the contractor against unjustified or wrong decisions by the contracting officer and entitles the contractor to pursue claims arising out of contract performance [*see 48 C.F.R. § 33.201 et seq.* (disputes and appeals)]. For a discussion of disputes resolution regarding claims arising out of procurement contracts, see *§ 90B.61*. For procedures used for making a claim under or relating to a procurement contract, see *§ 90B.140*.

§ 90B.45 Requirements for Procurement Integrity

[1] Government Policy

Government business must be conducted in a manner above reproach and, except as authorized by statute, with complete impartiality and with no preferential treatment. Transactions relating to the expenditure of public funds require the highest degree of public trust and impeccable standards of conduct. The general rule is to avoid any conflict of interest or even the appearance of conflict of interest [*48 C.F.R. § 3.101-1*].

Unless not required, all solicitations and contracts exceeding $100,000 must contain the Requirement for Certificate of Procurement Integrity clause [*48 C.F.R. § 52.203-8*], which certifies that the prospective contractor has no knowledge of any violation of the procurement regulations [48 C.F.R. § 3.104-10(a)].

For all solicitations and contracts exceeding $30,000, the contracting officer must insert the Certification Regarding Debarment, Suspension, Proposed Debarment, and Other Responsibility Matters clause [*48 C.F.R. § 52.209-5*], which certifies that the contractor is not disqualified because of disbarment, suspension, or proposed debarment, and requiring disclosure of such information by the contractor [*48 C.F.R. § 9.409*; *see § 90B.23* (contractor disqualification)].

[2] Prohibited Conduct

Under the Office of Federal Procurement Policy Act [*41 U.S.C. § 423*], certain conduct in government procurement is prohibited, including collusive conduct by competing contractors or procurement officers, unauthorized disclosures of procurement information, and certain improper post-employment practices by government procurement officials [*see 48 C.F.R. § 3.104-2*].

A contracting officer may not knowingly award a contract to a government employee or to a business concern or other organization owned, or substantially owned or controlled, by government employees [*48 C.F.R. § 3.601*]. No government employee may solicit or accept any gratuity or anything of monetary value from anyone seeking business with that employee's agency, conducting activities that are regulated by the employee's agency, or having interests that

may be substantially affected by the employee's performance or non-performance of official duties [*48 C.F.R. § 3.101-2*]. With limited exceptions, the prescribed gratuities clause must be inserted into all procurement contracts [*see 48 C.F.R. § 52.203-3* (prescribed gratuities clause)].

Contractors' arrangements to pay contingent fees for soliciting or obtaining government contracts are considered contrary to public policy because they may lead to attempted or actual exercise of improper influence [*48 C.F.R. § 3.402*]. Prospective contractors are generally required to disclose contingent fee arrangements in order to permit the government to evaluate such arrangements before award of a contract [*48 C.F.R. § 3.404*; *see 48 C.F.R. § 52.203-4* (prescribed contingent fee representation and agreement clause)].

In contracts procured with organizations, there may also be potential for organizational conflicts of interest resulting in the inability of a person within that organization to render impartial assistance or advice to the government, the impairment of that person's objectivity, or the possession by that person of unfair competitive advantage [*48 C.F.R. § 9.501*]. In such cases, when the nature of the work to be performed on a contract creates actual or potential conflict of interest on a future acquisition, some restriction on future activity may be required, or an agency may propose a course of action for limiting or avoiding potential conflict [*48 C.F.R. § 9.502(c)*]

[3] Interest of Congressional Member

Most government contracts are required to explicitly state that no member of Congress shall be admitted to any share or part of the contract or benefit arising from it. In addition, contracts must state that such violation may result in criminal penalties for both the employee awarding the contract and the member involved, voiding of the contract, and return of any consideration made by the government under the contract [*41 U.S.C. § 22*; 48 C.F.R. § 3.102-1; *48 C.F.R. § 52.203-1*(prescribed clause)].

[4] Anti-Kickback Act

The Anti-Kickback Act [*41 U.S.C. § 51 et seq.*], is intended to deter subcontractors from making payments, and contractors from accepting payments, for the purpose of improperly obtaining or rewarding favorable treatment in connection with a prime contractor subcontract related to a prime contract [*48 C.F.R. § 3.502-2*]. The Act prohibits anyone from [*48 C.F.R. § 3.502-2(a)*]:

(1) Providing, attempting to provide, or offering to provide a kickback;

(2) Soliciting, accepting, or attempting to accept a kickback; or

(3) Including directly or indirectly the amount of any kickback in the contract price charged by the subcontractor to the prime contractor, with criminal penalties for knowing and willful violation.

The contracting officer must insert an anti-kickback clause into all solicitations and contracts [*48 C.F.R. § 3.502-3*; *see 48 C.F.R. § 52.203-7* (prescribed clause)].

§ 90B.60 Protests Against Awards

[1] In General

A protest is a written objection by an interested party to a solicitation by an agency for offers for a proposed contract for the acquisition of supplies or services or a written objection by an interested party to a proposed award or the award of such a contract [*48 C.F.R. § 33.101*]. When a bidder believes that its bid has not been given a fair appraisal, or has been evaluated or rejected in an injudicious manner (for example, through the acceptance of a late bid or a late bid modification) and that an award is about to be made or has been made improperly as a result, it may file a written protest to solicitations by an agency for offers for a proposed contract or to a proposed award or the award of such a contract. The protest is filed with the procuring agency, the General Office of Accounting (GAO), or, for acquisition of automatic data processing equipment, the General Services Board of Contract Appeals (GSBCA) [*48 C.F.R. §§ 33.101, 33.102*]. Contracting officers must consider all protests, whether submitted before or after an award, and whether filed directly with the agency or with the GAO or GSBCA [*48 C.F.R. § 33.102(a)*]. For procedures used for making a protest to an agency against a contract award, see *Section 90B.127*. For the form to be used in making the protest, see *Section 90B.260*. For a discussion of appeals of final agencies' decisions, see *Section 90B.61[3]*.

In appropriate circumstances, unsuccessful bidders on government contracts may also seek declaratory, equitable, and legal relief in the appropriate federal district court or in the Court of Federal Claims; exhaustion of remedies is not required before filing suit [*see A & M. Gregos, Inc. v. Robertory (E.D. Pa. 1974) 384 F. Supp. 187, 191-193]* . To sue regarding a protest against an award of contract in district court, the following conditions must be met [*Gull Airborne Instruments, Inc. v. Weinberger (D.C. Cir. 1982) 694 F.2d 838, 841]* :

(1) Injury in fact to complainant;

(2) Arbitrary or capricious action by the agency that injured an interest arguably within the zone of interests to be protected as required by statute; and

(3) No clear and convincing indication of legislative intent to withhold review.

[2] Protest to Agency

A party wishing to protest an award is encouraged to seek resolution within the agency before filing a protest with the GAO or GSBCA [*48 C.F.R. § 33.102(c)(1)*]. Agency protests are submitted to the individual or location designated in the Service of Protest Clause [*48 C.F.R. § 52.233-2*], on the proposal or bid form [*48 C.F.R. § 33.103(b)*]. Protests must include specifically required information including a detailed statement of the legal and factual grounds for the protest, a request for ruling by the agency, and a statement of the relief requested [*48 C.F.R. § 33.103(b)(3)*]. When a protest is made to an agency, an award cannot be made until a decision is issued or the matter is otherwise resolved, unless the contracting officer determines that the supplies or services to be contracted for are urgent, failure to make the award promptly will result in undue delay, or a prompt award is otherwise advantageous to the government [*48 C.F.R. § 33.103(a)*]. Protests received after an award and filed with the procuring agency must be handled in accord with agency procedures [*48 C.F.R. § 33.103(b)(2)*].

[3] Protest to the General Accounting Office

In accord with GAO bid protest regulations [*see* 4 C.F.R. pt. 21 et seq.], an interested party may protest an alleged misaward to the GAO [*48 C.F.R. § 33.102(c)(2)*]. The protester must furnish a copy of the complete protest to the soliciting official or location no later than one day after the protest is filed with the GAO; failure to do so may result in dismissal of the protest [*48 C.F.R. § 33.104(a)(1)*]. The agency involved in the protest must prepare a report when the protest is lodged with the GAO [*48 C.F.R. § 33.104*]. The GAO will issue its recommendation on a protest within the time as required by regulation, unless the GAO establishes a longer period [*48 C.F.R. § 33.104(f)*]. The GAO will also reconsider its decision on request by any interested party or the federal agency involved in the protest [*see 4 C.F.R. § 21.1(a), (b)*].

[4] Protest to the General Services Administration Board of Contract Appeals

The administrator of the General Services Administration (GSA) has authority over government acquisition of automatic data processing equipment (ADPE) procurement and authority to review decisions of the procuring officers regarding awards of contracts for such acquisition [*48 C.F.R. § 39.002(a)*; *see 48 C.F.R. § 6101.0*; *see also § 90B.40[5][d]*]. Review procedures are in accord with GSBCA rules of procedure [*48 C.F.R. § 33.102(a)*; *see* 48 C.F.R. pt. 61 (GSBCA rules of procedure)]. Protests against awards of contracts for acquisition of ADPE not otherwise authorized to be heard by the GSBCA may be heard by the procuring agency, the courts, or the GAO [*48 C.F.R. § 33.105(a)(1)*]. The GSBCA's final decision on a protest involving an ADPE acquisition may also be appealed by the agency or any interested party as provided for under the Contract Disputes Act [*48 C.F.R. § 33.105(g)*; *see 48 C.F.R. § 33.201 et seq.*].

§ 90B.61 Resolution of Contract Claims and Disputes

[1] The Contract Disputes Act of 1978

The Contracts Disputes Act of 1978 [*41 U.S.C. § 601 et seq.*], contains procedures and requirements for asserting and resolving claims subject to it, including claims arising out of government procurement contracts [*48 C.F.R. § 33.202*]. The contracting agency is required to insert a disputes clause [*48 C.F.R. § 52.233-1*] in all solicitations and contracts [*48 C.F.R. § 33.215*]. Decisions by government officials under the disputes clause are final but subject to judicial review if the decisions are fraudulent, arbitrary and capricious, so grossly erroneous as to imply bad faith, or not supported by substantial evidence [*41 U.S.C. § 321* (scope of judicial review for agency actions under Wunderlich Act)].

[2] Submission of Claims

[a] Procedure in General

Under the Contract Disputes Act of 1978 [*see* [1], *above*], a contractor is required to submit disputes in writing, whether arising under the contract or by reason of an alleged breach of the contract by the government, to the agency contracting officer administering the contract [*48 C.F.R. § 33.206*; *see 41 U.S.C. § 605(a)*]. For claims exceeding $100,000 (or any claim, regardless of the amount when using alternate dispute resolution), the claim must be certified to be in good faith [*48 C.F.R. § 33.207*; *see § 90B.270[2]*, P 6].

The contracting officer is authorized to settle all claims relating to the contract and subject to the Contract Disputes Act [*48 C.F.R. § 33.210*]. Government policy is to try to resolve all contractual issues in controversy by mutual agreement at the contracting officer's level, and the contracting officer, before issuing a decision, is encouraged to use informal discussions or alternative dispute resolution to reach an agreement with the parties alleging a claim or dispute [*48 C.F.R. § 33.204*]. If a mutually agreed decision cannot be met, the contracting officer may seek assistance from legal and other advisers in making a determination [*48 C.F.R. § 33.211(a)(2)*]. Pending a final decision on a claim relating to a procurement contract, an agency is authorized to require the contractor to continue performance of the contract [*48 C.F.R. § 33.213(a)*].

If the claim is for $100,000 or less, the contracting officer's decision must be issued within 60 days from the time the contracting officer received the claim [*48 C.F.R. § 33.211(c)(1)*]. For claims greater than $100,000, if a decision is not issued within 60 days, the contracting officer must notify the contractor of the time within which a decision will be issued [*48 C.F.R. § 33.211(c)(2)*]. The decision must be issued within a reasonable time, taking into account such factors as the size and complexity of the claim and the adequacy of the supporting data provided by the contractor [*48 C.F.R. § 33.211(d)*]. The contracting officer has no obligation to render a final decision on any claim exceeding $100,000 that contains a defective certification, if within 60 days after receipt of the claim, the contracting officer notifies the contractor in writing of the reasons why the attempted certification was defective [*48 C.F.R. § 33.211(e)*]. If there is undue delay on the part of the contracting officer, the contractor may ask the agency's board of contract appeals to issue a decision within a specified time to be determined by the appeals board [*48 C.F.R. § 33.211(f)*]. Failure of the contracting officer to issue a decision within the time required will be deemed a denial by the contracting officer and will authorize the contractor to file an appeal or suit on the claim [*48 C.F.R. § 33.211(g)*; *see* [3], *below*].

The decision of the contracting officer must contain the following information [*48 C.F.R. § 33.211(a)(4)*]:

- A description of the claim or dispute.
- Reference to pertinent contract terms.
- A statement of the factual areas of agreement and disagreement.
- A statement of the contracting officer's decision with supporting rationale.
- A prescribed statement that the decision is final and appealable [*see 48 C.F.R. § 33.211(a)(4)(v)*].
- A demand for payment if the decision finds that the contractor is indebted to the government.

A copy of the decision must be sent to the complainant by certified mail, return receipt requested, or by any other method that provides evidence of receipt [*48 C.F.R. § 33.211(b)*].

For procedures used for resolution of contract claims and disputes, see *§ 90B.140*. For the form to use for making a claim directly to the agency contracting officer, see *§ 90B.270*.

[b] Fraudulent Claims

If there is a suspected fraudulent claim (that is, if a contractor is unable to support any part of the claim and there is evidence that the inability is attributable to misrepresentation of fact or to fraud on the part of the contractor), the contracting officer must refer the matter to the agency office responsible for investigating fraud [*48 C.F.R. § 33.209*] Under the Contract Disputes Act of 1978 [*41 U.S.C. § 601 et seq.*], a contractor who is found liable for a fraudulent claim is liable to the government for an amount equal to the unsupported part of its claim in addition to all costs to the government attributable to the cost of reviewing the claim [*41 U.S.C. § 604*]. A contractor who knowingly makes false claims against the government is also subject to both civil liability and criminal penalties under other provisions of federal law [*see 31 U.S.C. §§ 3729-3733* (civil liability under False Claims Act); *18 U.S.C. § 287* (criminal penalties)].

[3] Appeals

If a contractor decides to appeal a final decision of the contracting officer, that contractor, within 90 days from the date of receipt of the decision, must furnish written notice to the appropriate agency board of contract appeals and provide a copy of the appeal to the contracting officer. The contractor may also bring the appeal directly in the Court of Federal

Claims within 12 months of the date of receipt of the decision, unless the claim arises out of a maritime contract. If appealing to the board of contract appeals, a contractor may elect to proceed under the board's small claims procedure if the claim is for $50,000 or less or, in the case of a small business concern [*see 48 C.F.R. § 19.001* (definition); § 90B.22[4]], $150,000 or less, or under the accelerated procedure if the claim is $100,000 or less [*48 C.F.R. § 33.211(a)(4)(v)*; *see 41 U.S.C. § 606* (right of appeal to agency board of contract appeals under the Contract Disputes Act of 1978); *28 U.S.C. § 1491(a)(1), (2)* (jurisdiction of Court of Federal Claims regarding claims on implied or express contracts with government)].

The decision of an agency board of contract appeals is considered final, and is appealable by an agency head or by a contractor within 120 days after receipt of a copy of the decision, by filing a notice of appeal with the Court of Appeals for the Federal Circuit [*41 U.S.C. § 607(g)(1)*]. For a discussion of the procedures for appeal of an agency decision, see *§ 90B.140*. For the form provided for use for noticing an appeal from a contracting officer's adverse disposition of a contract claim to the agency board of contract appeals, see *§ 90B.271*.

§ 90B.62 Equal Access to Justice Act

Successful claimants against the government, who have been parties to a type of administrative proceeding known as an adversary adjudication may also be eligible for an award of attorney's fees and other adjudicated expenses [*see 5 U.S.C. § 504* (Equal Access to Justice Act); *Richlin Sec. Serv. Co. v. Chertoff (2008) 553 U.S. 571, 128 S. Ct. 2007, 2019, 170 L. Ed. 2d 960* (prevailing party that satisfies EAJA's other requirements may recover its paralegal fees from government at prevailing market rates, in addition to attorney's fees)]. An "adversary adjudication" is one that is required by statute to be determined on the record after opportunity for an agency hearing, and in which the position of the government was represented by counsel or otherwise [*see 5 U.S.C. § 554* (provision under Administrative Procedure Act)]. Parties may be able to receive awards over agencies unless the agency position in the proceedings was substantially justified or there are special circumstances that make an award unjust [*5 U.S.C. § 504(a)(1)*].

§ 90B.70 Small Business and Small Disadvantaged Business Preferences

[1] The Small Business Act Preference Programs

[a] In General

Under the Small Business Act [*15 U.S.C. § 631 et seq.*], it is the policy of the government, acting through the Small Business Administration (SBA), to provide maximum practicable opportunities in its acquisitions to small business concerns, HUBZone small business concern [*see 48 C.F.R. § 19.001* (definition)], small disadvantaged business concerns, and women-owned small business concerns, and to encourage participation as subcontractors in contracts awarded by any executive agency consistent with efficient contract performance [*48 C.F.R. § 19.201(a)*]. Through its procurement and technical assistance office, the SBA acts as an advocate for small businesses and small disadvantaged businesses to ensure their fair share of government procurement contracts [*48 C.F.R. § 19.401*; *see 48 C.F.R. § 19.201(a)*; *see also 15 U.S.C. § 637(a)*]. To ensure the opportunity for these business concerns to participate in performance of government contracts, qualified small business concerns and small disadvantaged business concerns may apply for total set-asides directly to individual agencies through the Office of Small and Disadvantaged Business Utilization (SADBU), or apply as subcontractors to the SBA under the Section 8(a) program [*see 48 C.F.R. §§ 19.501 et seq.* (set-asides for small businesses), 19.800 et seq. (contracting with the SBA as a small business); *see also* [2], [3], *below*]. For a checklist of facts and preliminary determinations for determining whether a firm qualifies as a small business or small disadvantaged business for business preferences, see *§§ 90B.103* and *90B.113*. For procedures used for competing for preferences as a small business concern or small disadvantaged business concern, see *§§ 90B.121* and *90B.122*.

[b] Qualifying as a Small Business Concern

[i] Representation as a Small Business Concern

To be eligible as a small business concern for obtaining a contract under the SBA's preference programs [*see* [a], *above*], an offeror must represent in good faith that it is a small business at the time of the written self-certification [*48 C.F.R. § 19.301-1(a)*; *see 48 C.F.R. § 52.219-1 et seq.* (prescribed clauses for representation as a small business

concern, a small disadvantaged business concern, and a women-owned small business concern)]. A firm may represent that it is a small business concern in connection with a specific solicitation if it meets the definition of a "small business concern" applicable to the solicitation and has not been determined otherwise by the SBA [*48 C.F.R. § 19.301-1(a)*; *see 13 C.F.R. §§ 121.902, 121.601* (SIC codes and size eligibility requirements); *48 C.F.R. § 19.102* (size eligibility requirements for small businesses and small disadvantaged businesses)]. For discussion of what constitutes a "qualified small business concern," see *§ 90B.22[4]*.

An offeror's representation that it is a small business is not binding on the SBA [*48 C.F.R. § 19.301-1(c)*]. Any offeror, the SBA, or other interested party, including a contracting officer, may protest the small business representation of an offeror in a specific offer [*48 C.F.R. § 19.302(a), (c)(1)*]. However, for competitive "Section 8a contracts" [*see* [3], *below*], the filing of a protest is limited to an offeror, the contracting officer, or the SBA [*48 C.F.R. § 19.302(a)*].

Misrepresentation as a small business concern in order to obtain a contract under the preference program is subject to criminal penalties and administrative sanctions [*see 48 C.F.R. § 19.301-1(d)*; *see also 13 C.F.R. § 121.108* (SBA regulations for penalties for misrepresentation as small business)]. For procedures used for making a representation as a small business, see *§ 90B.121*.

[ii] Obtaining a Certification of Competency

A Certificate of Competency (COC) is the certificate issued by the SBA stating that the holder is responsible (with respect to all elements of responsibility [*see § 90B.22[1]*]) for the purpose of receiving and performing a specific government contract [*48 C.F.R. § 19.601(a)*; *see 15 U.S.C. § 637(d)* (authorization for COC program under SBA)]. The certification is issued in response to a request for review by the contracting officer on determination that the responsive small business lacks certain elements of responsibility [*48 C.F.R. §§ 19.602-1, 19.602-2*]. On receipt of the request for review from the contracting officer, the SBA will notify the small business and offer it the opportunity to apply for a COC to the SBA regional office for the geographical area in which the small business is located [*48 C.F.R. § 19.602-2(a)*]. An SBA COC is conclusive with respect to all elements of responsibility of prospective small business contractors [*48 C.F.R. § 19.602-4(b)*]. For procedures used for obtaining a COC, see *§ 90B.122*.

[c] Qualifying as a Small Disadvantaged Business Concern

A small business that is also disadvantaged is also eligible for preference in government procurement [*48 C.F.R. § 19.202-1[b]*]. A "small disadvantaged business concern" means an offerer that represents, as part of its offer, that it is a small business under the size standard applicable to the acquisition and has received certification as a small disadvantaged business concern in accordance with 13 C.F.R. pt. 124, Subpart B (Small Disadvantaged Business Status Protest and Appeal Procedures) and that it meets other specified criteria, relating to certification, control and ownership [*48 C.F.R. § 19.001*; *see* 13 C.F.R. pt. 124; *see also 48 C.F.R. § 19.102* (size standard for small businesses and small disadvantaged businesses); 12 C.F.R. § 19001 ("concern" is business entity organized for profit--even if its ownership is in the hands of a nonprofit entity--located in United States and making significant contribution to U.S. economy by paying taxes)]. For prime contractors, a "small disadvantaged business concern" means an offerer that represents, as part of its offer, that it is a small business under the size standard applicable to the acquisition and has received certification as a small disadvantaged business concern in accordance with 13 C.F.R. pt. 124, Subpart B (Small Disadvantaged Business Status Protest and Appeal Procedures). However, a prime contractor also must represent that it has submitted a completed application to the SBA or a private certifier to be certified as a small business concern in accordance with 13 C.F.R. pt. 124, Subpart B (Small Disadvantaged Business Status Protest and Appeal Procedures), that a decision on that application is pending, and that no material change in disadvantaged ownership or control has occurred since its application was submitted [*48 C.F.R. § 19.001*]. In the event of any material change, a contractor must receive certification as a small disadvantaged business before the contract award [*48 C.F.R. § 19.001*].

Other definitions useful in the certification process include the following:

- A "socially disadvantaged individual" is one who has been subjected to racial or ethnic prejudice or cultural bias because of his or her identity as a member of a group without regard to qualifications as an individual [*48 C.F.R. § 19.001(a)*].

- An "economically disadvantaged individual" is one who is socially disadvantaged and whose ability to compete in the free enterprise system is impaired due to diminished economic opportunities as compared to an individual who is not socially disadvantaged. An individual who certifies that he or she is a member of certain named groups (including Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, and Subcontinent-Asian Americans) is considered socially and economically disadvantaged [*48 C.F.R. § 19.001(b)*].

- A "women-owned business concern" is a small business concern that is at least 51 percent owned by women (or in the case of any publicly owned business, at least 51 percent of the stock of which is owned by women) and whose management and daily business operations are controlled by women [12 C.F.R. § 19001(d)].

- A "labor surplus area" is a geographic area identified by the Department of Labor as an area of concentrated unemployment or an area of labor surplus. A "labor surplus area concern" is a concern that, together with its first tier subcontractors, will perform substantially in labor surplus areas [12 C.F.R. § 19001].

Heads of contracting activities are responsible for effectively implementing the Small Business and Small Disadvantaged Business Utilization Programs within their activities and to ensure participation of businesses in their agency contracting process [*48 C.F.R. § 19.201(c)*; *see* [2], *below*].

[2] Set-Asides Under the Small Business Act

A "set-aside" for small business is the reserving of an acquisition exclusively for participation by small business concerns [*48 C.F.R. § 19.501(a)*; *see 48 C.F.R. §§ 52.216-6-52.216-10*; *see also* 12 C.F.R. § 19001 ("concern" is business entity organized for profit located in United States and making significant contribution to U.S. economy by paying taxes); *48 C.F.R. §§ 52.219-1, 52.219-2* (prescribed clauses for notice of set-asides under Small Business Act)]. Information about set-asides generally is disseminated using electronic databases [*see 48 C.F.R. § 5.101*; § 90B.20[1]]. Pursuant to the small business preference program under the Small Business Act [*see* [1][a], *above*], each civilian and military agency that has a procurement office also has a SADBU office that is staffed by SADBU specialists [*see 48 C.F.R. § 19.201(c), (d)*]. Contracting officers must make affirmative efforts to ensure that small businesses and small disadvantaged businesses are afforded equitable opportunity to compete for all contracts they can perform to the extent consistent with government interest [*48 C.F.R. §§ 19.202, 19.202-1*]. The determination to make a set-aside may be made by the agency contracting officer alone, or may be a joint determination as recommended by the SBA procurement center representative and concurred in by the contracting officer [*48 C.F.R. § 19.501(b)*]. A set-aside may be offered by the agency directly to small businesses, or offered to the SBA for performance by small businesses participating in the Section 8a Program [*48 C.F.R. § 19.800*; *see* [3], *below*].

Set-asides may be either total or partial [*see 48 C.F.R. §§ 19.502-2, 19.502-3*]. With some exceptions, acquisitions for supplies or services estimated to cost more than $25,000 but not exceeding $100,000 must be reserved exclusively for small business concerns [*see 48 C.F.R. § 13.105* (small purchases set-asides)]. Contracts under total set-asides for small businesses are awarded by sealed bids or competitive proposals [*48 C.F.R. § 19.502-4(a)*]. When a procurement involves a partial set-aside, the portion not set aside is awarded in accordance with normal procurement procedures; thereafter, a contract for the set-aside portion will be awarded through negotiation with eligible concerns [*48 C.F.R. § 19.502-3(c)*].

To qualify for a set-aside as a small business, an offeror must certify itself as a small business at the time of making the offer [*48 C.F.R. § 19.301-1(a)*; *see* [1][b], *above*]. Additionally, if the contracting officer challenges the ability of the small business offeror to perform the contract, the small business should apply for a COC from the SBA [*48 C.F.R. § 19.601(a)*; *see* [1][b][ii], *above*].

[3] Section 8a Subcontracting With the Small Business Administration

Under the Section 8a Program of the Small Business Act [*15 U.S.C. § 637(a)*], it is the policy of the SBA to provide maximum practicable opportunities in its acquisitions to small business concerns, small disadvantaged business concerns, and women-owned small business concerns [*48 C.F.R. § 19.201*; *see 15 U.S.C. § 636(a)* (duty of SBA administrator to assist small businesses)]. Section 8a authorizes the SBA to enter into contracts with other government agencies and to let subcontracts for performance of those contracts to eligible firms; the SBA's subcontractors are referred to as "8(a) contractors" [*48 C.F.R. § 19.800(a)*]. Selecting concerns for the Section 8(a) program is the responsibility of the SBA [*see 48 C.F.R. § 19.800 et seq.*]. Small business concerns' capabilities are matched with agencies' requirements by the SBA [*48 C.F.R. § 19.803*]. The agency contracting officer is authorized, in his or her discretion, to award a contract to the SBA, certified as competent and responsible to perform a specific contract, based on mutually agreeable terms and conditions [*48 C.F.R. § 19.800(c)*; *see 48 C.F.R. §§ 52.219-11, 52.219-12* (prescribed clauses for special Section 8(a) contract conditions)].

It is government policy to provide incentives to prime contractors who use Indian organizations and Indian-owned economic entities as subcontractors [*see 25 U.S.C. § 1544*]. Accordingly, Indian organizations and Indian owned economic entities must be ensured maximum practicable opportunity to participate in performance of contracts awarded by government agencies [*48 C.F.R. § 26.102*]. PART III. TRANSACTION GUIDE
A. Client Interview--Facts and Documents

30-90B California Legal Forms--Transaction Guide § 90B.101

§ 90B.101 Manufacturer or Regular Dealer

NOTE:

Public contracts entered into by the government for the manufacture or furnishing of materials, supplies, articles, or equipment exceeding $10,000 must be with a manufacturer or regular dealer in the supplies manufactured or used in performing the contract [*48 C.F.R. § 22.602*; ***see*** *§ 90B.22 [2]*]. An offeror must certify itself as a manufacturer or regular dealer when responding to a solicitation [***see*** *48 C.F.R. § 52.222-20* (prescribed certification clause)]. To qualify as a manufacturer or regular dealer, an offeror must show before the award that it is either an established manufacturer, or newly entered into a manufacturing activity and has made all necessary arrangements and commitments for manufacturing space, equipment, and personnel [48 C.F.R. § 22.606-1(a)].

[1] Facts

NOTE:

The facts listed here are those particularly required to qualify as a manufacturer or regular dealer of supplies for procurement contracts whether already established or newly entered into the manufacturing activity [***see*** *48 C.F.R. § 22.602*]. For a list of facts required for a newly established manufacturer, see Paragraph 9, ***below***.

1. Name and address.

2. Geographical description of marketing area served by client.

3. Description of service beyond normal marketing area.

4. Products offered by client.

NOTE:

An established manufacturer must show before an award that it is an established manufacturer of the particular supplies of the general character sought by the government [48 C.F.R. § 22.606-1(a)(1)(i)].

5. Products' conformance to government qualifications requirements, specifications and standards.

NOTE:

Potential sources for government supplies of commercial products must meet any special "qualifications requirements" regarding commercial products required by the particular procuring agency [*48 C.F.R. § 9.205*]. Manufacturers that successfully meet testing and quality assurance demonstrations may be listed on qualified mailing lists [*48 C.F.R. § 9.203*; ***see*** *§ 90B.22[2][b][i]*]. Prospective vendors of supplies for government procurement must also show that their products comply with specifications and standards requirements issued by civilian and military agencies in published indexes [***see*** *§ 90B.22[2][b][ii]*].

6. Amount of experience client has in selling its product.

7. Evidence of client's ability to supply products it offers:

NOTE:

An established manufacturer must show before an award that it has a plant, equipment, and personnel to manufacture on the premises the items called for under the contract [48 C.F.R. § 22.606-1(a)(1)(ii)].

a. Inventories readily available to client:
(1) New products and, if applicable, replacement or repair parts; or

(2) Ability to augment its inventory from other sources adequate to assure timely delivery.

b. Ready availability of facilities and personnel capable of manufacturing those products.

8. Whether client has any licenses or permits necessary to furnish supplies it offers.

NOTE:

Contractors seeking to contract with the federal government must be otherwise qualified and eligible under applicable laws, including being licensed by the state [***see*** *48 C.F.R. § 9.104-1(g)*; ***see also*** *B&P Code § 7000 et seq.*].

9. If newly entered into manufacturing activity, ensure that prospective contractor has made all necessary arrangements and commitments for [48 C.F.R. § 22.606-1(a)(2)]:

a. Manufacturing space.

b. Equipment.

c. Sufficient personnel to perform on its own premises manufacturing operations required for fulfillment

of contract.

[2] Documents

1. Licenses and permits issued by public entities.

2. If already established manufacturer:

a. Evidence of sufficient experience.

b. List of inventory on hand or readily obtainable.

c. Evidence of sufficient personnel.

3. If newly entered into manufacturing activity, evidence of written, legally binding arrangements or commitments for:

NOTE:
A manufacturer or regular dealer cannot be barred from receiving an award merely because it has not yet done any contracting, even if its arrangements and commitments are contingent on receiving an award of contract [48 C.F.R. § 22.606-1(b)(1)].

a. Manufacturing space.

b. Necessary equipment.

c. Sufficient personnel to perform contract.

PART III. TRANSACTION GUIDE
A. Client Interview--Facts and Documents

30-90B California Legal Forms--Transaction Guide § 90B.102

§ 90B.102 Architect-Engineer

NOTE:

An architect-engineer firm must prequalify as a "selected firm" before it may be considered for award of a contract [*48 C.F.R. § 36.602-3*; ***see*** *§ 90B.112* (preliminary determinations)]. Award to a firm is based on specified criteria regarding professional qualifications, experience and technical competence, capacity to perform the contract in the required time, and record of past performance on contracts with the government and with private industry [*48 C.F.R. § 36.602-1*]. For a discussion of the competitive procedure used in awarding a contract for architect-engineer services, see *Section 90B.40[4]*.

[1] Facts

1. Professional qualifications necessary to satisfy performance of required architect-engineer services contract.

2. Special experience and technical competence in type of work required, including special experience of principal members of firm.

3. Capacity to accomplish work in required time.

4. Past performance or contracts with government agencies and private industry in terms of:

a. Cost control.

b. Quality of work.

c. Compliance with performance schedules.

5. Location in general geographical area of project and knowledge of locality of project.

NOTE:

Criterion based on location and knowledge of location will be applied only if it results in an appropriate number of qualified firms, given the nature and size of the project [*48 C.F.R. § 36.602-1(a)(5)*].

6. Acceptability under other appropriate criteria.

7. Nature and quality of design proposed for particular project [48 C.F.R. § 36.602(b)].

NOTE:

Agencies may evaluate firms on the basis of conceptual design of the project when use of design competition is approved by the agency head. Design competition is used when the situation is unique and involves "prestige projects" such as a memorial or structure of unusual significance, there is sufficient time for evaluation of concepts, and design competition, within its costs, will substantially benefit the project [*48 C.F.R. § 36.602-1(b)*].

[2] Documents

1. Evidence of professional qualifications, special experience, and technical competence for type of work required.

2. Evidence of past performance and contracts with government and private industry.

3. Evidence of knowledge of locality of particular project.

§ 90B.103 Small Business or Small Disadvantaged Business

NOTE:

The small business preference is available to qualifying firms [*48 C.F.R. § 19.301-1(a)*; *see 13 C.F.R. §§ 121.902, 121.601* (SIC codes and size eligibility requirements); *48 C.F.R. § 19.102* (size eligibility requirements for small businesses and small disadvantaged businesses)]. A "small business concern" is one that is independently owned and operated and that is not dominant in its field [*48 C.F.R. § 19.001*]. For discussion of qualifying as a small business, see *§ 90B.70[1][b]*.

There are also preferences for small disadvantaged businesses, small women-owned businesses, and small Indian-owned businesses [***see** 48 C.F.R. §§ 19.201, 26.102*]. For further discussion of these preferences, see *§ 90B.71*.

[1] Facts

1. Name and address of:

a. Principal office of business.

b. Any affiliate.

NOTE:

Business concerns are affiliates of each other if, directly or indirectly, either one controls or has power to control the other, or another concern has the power to control both [*48 C.F.R. § 19.101(1)*].

2. If small business applicant has affiliate, whether affiliate is owner of firm or subsidiary.

3. Following information for client or client and affiliate combined:

NOTE:
To qualify as a small business firm, a small business (or together with any affiliate) must not be dominant in its field of operation. A concern is "not dominant in its field of operation" when it does not exercise a controlling or major influence on a national basis in a kind of business activity in which a number of business concerns are primarily engaged [*48 C.F.R. § 19.001*].

a. Annual dollar volume of business.

b. Number of employees.

c. Financial resources.

d. Competitive status or position.

e. Ownership or control of materials or processes.

f. Patents or license agreements.

g. Facilities.

h. Sales territory.

i. Nature of business activity.

4. Addresses of firm's officers.

5. Type of work firm specializes in:

a. Construction contracting.

b. Non-manufacturer engaged in contracting to supply goods.

c. Manufacturer engaged in contracting to supply goods.

6. Aggregate amount of gross receipts from business operations of firm and its affiliates for preceding three years.

7. Information relating to:

a. Capitalization or financial backing.

b. Bondability.

c. Prior experience of individuals within small business firm.

d. Suppliers' willingness to make adequate supplies available.

8. If applying as small disadvantaged business [*see 48 C.F.R. § 19.001*]:

a. Percentage of ownership and control by socially and economically disadvantaged individuals.

b. Qualifying membership of socially and economically disadvantaged individuals in named minority groups.

9. If applying as small women-owned business [*see 48 C.F.R. § 19.001*]:

a. Percentage of ownership by women.

b. Whether controlled and operated by women.

10. If applying as small Indian-owned business, percentage of Indian ownership [*see 48 C.F.R. § 26.101*].

[2] Documents

1. Financial information for business and affiliate.

2. If applying as disadvantaged business, evidence of 51-percent ownership or control by qualified minorities with membership in prescribed racial or ethnic groups.

30-90B California Legal Forms--Transaction Guide § 90B.110

§ 90B.110 Qualifying as a Responsible Bidder or Offeror

NOTE:

No purchase or award of government contract will be made unless the contracting officer makes an affirmative determination of responsibility [*48 C.F.R. § 9.103(b)*]. To be determined "responsible," a contractor must have the required financial and technical ability, necessary personnel and facilities for performance, a satisfactory record of past performance and business integrity, and otherwise considered eligible under applicable laws and regulations [***see*** *48 C.F.R. § 9.104-1*; ***see*** *48 C.F.R. § 9.104-2* (special standards)]. For a discussion of elements of responsibility for a contractor, see *§ 90B.22[1]*.

1. Does bidder have adequate financial resources, or ability to obtain such resources, to perform contract [*48 C.F.R. § 9.104-1(a)*]?

2. Is bidder able to comply with required or proposed delivery or performance schedule, considering existing commercial or governmental business commitments [*48 C.F.R. § 9.104-1(b)*]?

3. Does bidder have satisfactory record of performance [*48 C.F.R. § 9.104-1(c)*]?

NOTE:

Prospective contractors who are or have been seriously deficient in current or recent contract performance are presumed unable to meet this requirement [*48 C.F.R. § 9.104-3(d)*].

4. Does bidder have satisfactory record of integrity and business ethics, including satisfactory compliance with the law including tax laws, labor and employment laws, environmental laws, antitrust laws, and consumer protection laws [*48 C.F.R. § 9.104-1(d)*]?

5. Does bidder have, or is it able to obtain, necessary [*48 C.F.R. § 9.104-1(e), (f)*]:

NOTE:
Generally, the prospective prime contractors are responsible for determining the responsibility of their prospective subcontractors [*48 C.F.R. § 9.104-4*].

a. Organization?

b. Technical experience?

c. Operational controls?

d. Production, construction, and technical equipment and facilities?

6. Is bidder otherwise qualified and eligible under applicable laws and regulations [*48 C.F.R. § 9.104-1(g)*], such as:

a. "Buy American" requirement [*see § 90B.43[2]*]?

b. Federal wage, hour, and workplace standards [*see § 90B.43[3]*]?

c. Equal employment opportunity and affirmative action hiring requirements [*see § 90B.43[4]*]?

d. Environment and conservation requirements [*see § 90B.43[5]*]?

e. Federal requirements for procurement integrity [*see § 90B.45*]?

7. Has bidder's prior work for government been satisfactory?

NOTE:
The contracting officer may consult contractor experience lists and performance evaluations of previous contract work maintained by the government [***see** 48 C.F.R. § 9.105-1(c)(2), (6)*].

8. If bidder is party to joint venture, what is sum of all financial resources and all individual capacities of its members?

9. If procurement is for construction, can bidder meet following additional minimum standards for bonding requirements [*see 48 C.F.R. § 28.000 et seq.* (bonds and insurance)]:

NOTE:
For procedures relating to posting of bonds, see *§ 90B.141*.

a. Is it able to furnish bid bond [*48 C.F.R. § 28.101-1*]?

NOTE:
A bid bond is not required unless performance and payment bonds are required [*48 C.F.R. § 28.101-1*].

b. Is it able to furnish performance and payment bonds [48 C.F.R. § 28.102]?

NOTE:
Performance and payment bonds generally are not required for contracts other than for construction [*48 C.F.R. § 28.103-1(a)*] unless posting of bonds is considered necessary to protect government interests [*48 C.F.R. §§ 28.103-2, 28.103-3*]. Performance and payment bonds are required for construction contracts exceeding the $100,000 small purchase limitation [*48 C.F.R. § 28.102-1(a)*].

c. As prerequisite to obtaining these bonds, can bidder demonstrate to surety following business characteristics:

(1) Financial resources.

(2) Technical expertise for type of work involved.

(3) Management and organization ability.

(4) Current workload (compatible with proposed contract work).

(5) Capability to complete contract in required time.

NOTE:
The contracting officer relies on the survey of the contractor by the surety [***see** 48 C.F.R. § 28.203(b)*].

10. Has bidder ever been debarred, suspended, or placed on list of ineligible concerns or individuals established by any government agency [*48 C.F.R. § 9.105-1(c)(1)*; *see § 90B.23*]?

NOTE:
The GSA maintains a list of contractors disqualified by federal agencies or the GAO [*48 C.F.R. § 9.404*]. Listed contractors are excluded from contracting with government agencies [*48 C.F.R. § 9.405(a)*].

11. Can bidder demonstrate that it meets responsibility standards from any of following sources:

NOTE:
The following sources may be used by the contracting officer to ascertain and clarify a prospective contractor's responsibility [*48 C.F.R. § 9.105-1(c)(1)*)]. When information on hand or readily available to the contracting officer is not sufficient to make a determination of responsibility, the contracting officer may require a pre-award survey to evaluate a prospective contractor's ability to perform the contract [*48 C.F.R. § 9.106-1(a)*].

a. Information from bidder:

NOTE:
Information is obtained from the bidder in the form of representations made in or attached to its bid and its replies to questionnaires required or requested by the contracting officer [*48 C.F.R. § 9.105-1(c)(3)*].

(1) Personnel records.

(2) Financial data, including balance sheets and profit and loss statements.

(3) Lists of tools, equipment, and facilities.

(4) Financial commitments.

(5) Subcontracts.

(6) Analyses of operational control procedures.

b. Publications such as credit rating, trade, and financial journals.

c. Lenders.

d. Credit agencies.

e. Trade associations.

f. Better Business Bureau or chambers of commerce.

12. If bidder is small business, can it qualify for SBA Certificate of Competency (in event it is determined nonresponsible by contracting officer after bid opening) [*48 C.F.R. §§ 19.601(a), 19.602-1* (procedure); *see § 90B.122*]?

PART III. TRANSACTION GUIDE
B. Preliminary Determinations

30-90B California Legal Forms--Transaction Guide § 90B.111

§ 90B.111 Qualifying as a Manufacturer or Regular Dealer

NOTE:

A contractor seeking to contract with government agencies for the manufacture or the furnishing of supplies must certify that it is a manufacturer or regular dealer of such supplies [48 C.F.R. § 22.608-1]. A bidder/offeror qualifies as a manufacturer or regular dealer if it can show that it is either (1) an established manufacturer of the particular supplies sought by the government and has sufficient plant, equipment, and personnel to supply contract requirements; or, (2) a manufacturer newly entered into the manufacturing activity that has made all necessary commitments for plant, equipment, and personnel [48 C.F.R. § 22.606-1(a)]. Paragraph 1 applies generally to qualifying as a manufacturer or regular dealer; Paragraph 2 applies to qualifying as a newly established manufacturer.

1. Does prospective bidder/offeror qualify as business able to adequately supply government agency:

a. Is it currently able to provide satisfactory service to areas beyond those normally served by its business?

b. Do its products comply with qualifications requirements, specifications, and standards as required by particular agency it seeks to do business with?

NOTE:

Prospective contractors can demonstrate their products' compliance with qualifications requirements of individual agencies by requesting that they be listed on qualified products' lists [*48 C.F.R. § 9.203*; ***see*** *§ 90B.22[2][b][i]*]. Prospective contractors may also obtain federal and military indexes of mandatory specifications and standards for commercial products [*48 C.F.R. § 9.203*; ***see*** *§ 90B.22[2][b][ii]*].

c. Is there ready availability of inventories:

(1) New products and, if applicable, replacement or repair parts; or

(2) Ability to augment inventory from other sources adequate to assure timely delivery?

d. Are appropriate personnel and facilities available?

e. Does prospective bidder/offeror have all licenses and permits needed to furnish required supplies?

f. If prospective contractor qualifies as small business [*see § 90B.113*], does it have:

(1) Adequate capitalization or financial backing?

(2) Bondability?

(3) Prior experience of individuals within small business firm?

(4) Adequate supplies to meet government needs?

2. If prospective contractor is newly entered into manufacturing activity:

a. Has it made necessary arrangements and commitments for [48 C.F.R. § 22.606-1(a)(2)]:

(1) Manufacturing space?

(2) Equipment?

(3) Personnel?

b. Can it show that it [48 C.F.R. § 22.606-1(b)]:

(1) Has made written legally binding arrangements and commitments to enter manufacturing business?

(2) Has not been set up solely to produce for government contract and that its operation will not be terminated on completion of contract?

(3) Has established arrangements for production on continuous basis of supplies needed by government?

(4) Has documentation to prove that necessary legally binding written arrangements or commitments have been met before award?

30-90B California Legal Forms--Transaction Guide § 90B.112

§ 90B.112 Qualifying as a Selected Architect-Engineer Firm

1. Has prospective bidder submitted appropriate questionnaires?

NOTE:
To be considered for A-E contracts, interested firms must have first filed Standard Form 330, Architect-Engineer Qualifications [*48 C.F.R. § 53.301-330* (form); see *§ 90B.240*] with the appropriate agencies seeking acquisition of A-E services [*48 C.F.R. § 36.702*]. After the procuring agency evaluation board has reviewed the information and data on the submitted questionnaires, the board recommends the most highly qualified firms to the agency head for final selection for a specific contract [*48 C.F.R. § 36.602-3*]. The agency head then makes a final choice of the "selected firms" with whom the contracting officer will negotiate according to specific required procedure [*48 C.F.R. § 36.602-4(a), (b)*]. The contract is negotiated, starting with the firm first listed, and continues with successive firms until a firm is selected for award of the contract [*48 C.F.R. § 36.606(a)*].

2. Does prospective bidder qualify under prescribed evaluation criteria [*48 C.F.R. § 36.602-1(a)*]:

NOTE:
Firms are evaluated in accord with prescribed selection criteria [*48 C.F.R. § 36.602-3(a)*].

a. Does it have professional qualifications necessary for satisfactory performance of contract [*48 C.F.R. § 36.602-1(a)(1)*]?]

b. Does it have specialized experience and technical competence in type of work required [*48 C.F.R. § 36.602-1(a)(2)*]?

c. Does it have capacity to accomplish work in required time [*48 C.F.R. § 36.602-1(a)(3)*]?

d. What is its record of past performance on contracts with government and private industry in terms of cost control, quality of work, and compliance with schedules [*48 C.F.R. § 36.602-1(a)(4)*]?

e. Is it acceptable under other appropriate evaluation criteria [*48 C.F.R. § 36.602-1(a)(6)*]?

3. In relation to particular project [*48 C.F.R. § 36.602-1(a)(5)*]:

a. Is bidder's firm located in general geographical area of project?

b. Is bidder's firm knowledgeable about location of project?

NOTE:
Evaluation criterion relating to location of project will only be applied if it results in an appropriate number of qualified firms, given the nature and size of the project [*48 C.F.R. § 36.602-1(a)(5)*].

4. If conceptual design is relevant criterion, is prospective bidder's design competitive [*48 C.F.R. § 36.602-1(b)*]?

NOTE:
Agencies may evaluate firms on the basis of their conceptual design of the project when the use of design competition is approved by the agency head or a designee. Design competition may be used (1) when a unique situation is involved such as the design of memorials or structures of unusual national significance; (2) when there is sufficient time for evaluation of conceptual designs; and (3) when the design competition, with its costs, will substantially benefit the project [*48 C.F.R. § 36.602-1(b)*].

§ 90B.113 Qualifying as a Small Business or Small Disadvantaged Business

NOTE:

To obtain the small business preference, a firm must be independently owned and operated and also qualify under size requirements established by the SBA [*48 C.F.R. § 19.001*; ***see*** 13 C.F.R. § 121.000 et seq. (small business size regulations)]. A contracting officer may determine that a small business does not qualify as a responsible bidder/offeror [*48 C.F.R. § 19.602-1*; ***see*** *§ 90B.22[4]* (elements of responsibility)]. In such a case, the small business bidder/offeror should apply to the SBA for a Certificate of Competency (COC) [***see*** *48 C.F.R. § 19.602-2*]. For the procedures used for representation as a small business concern and for obtaining a COC, see *§§ 90B.121* and *90B.122*.

1. Is prospective bidder independently owned and operated business (including affiliates) [*48 C.F.R. § 19.001*]?

NOTE:

Business concerns are affiliates of each other when one concern directly or indirectly controls or has the power to control the other, or both are subject to the same relationship with a third party [*48 C.F.R. § 19.101(1)*].

2. Can prospective bidder show that it is not dominant in field of operation in which it is bidding [*48 C.F.R. § 19.001*]?

NOTE:

A concern is not "dominant in its field" when it does not exercise a controlling or major influence on a national basis in a kind of business activity in which a number of business concerns are primarily engaged [*48 C.F.R. § 19.001*].

3. Can prospective bidder show that it is within SBA size criteria for particular industry or type of goods involved in procurement [*see 48 C.F.R. § 19.001*; *see also 13 C.F.R. § 120.100* (basic eligibility requirements for all applicants for SBA business loans)]?

4. If prospective bidder/offeror qualifies as small business, does it meet all requirements of contractor responsibility [*48 C.F.R. § 9.104-1*]?

NOTE:

For preliminary determination regarding a prospective contractor's responsibility, see *§ 90B.110*. If a small business is determined to lack elements of responsibility by a contracting officer, it may apply to the SBA for a Certificate of Competency (COC) certifying its responsibility [*48 C.F.R. § 19.602-2(a)-(d)*]. For procedures involved in applying for a COC, see *§ 90B.122*.

5. If applying as small disadvantaged business, can prospective bidder/offeror show that [*48 C.F.R. § 19.001*]:

a. It is 51 percent unconditionally owned by one or more individuals who are socially and economically disadvantaged?

NOTE:

A firm may also qualify as a small disadvantaged business concern if it is a publicly owned business that has at least 51 percent of its stock unconditionally owned by one or more socially and economically disadvantaged individuals with its management and daily business controlled by one or more such individuals [*48 C.F.R. § 19.001*]. For a discussion of what constitutes a disadvantaged business, see *§ 90B.70[1][c]*.

b. Socially and economically disadvantaged individuals who own and control small business can be identified with or shown to be members of qualifying groups?

NOTE:

There is a prescribed definition of who qualifies as a socially or economically disadvantaged individual [***see** 48 C.F.R. § 19.001*]. For discussion of what constitutes a socially and economically disadvantaged individual, see *§ 90B.70[1][c]*. For discussion of qualifying as a small disadvantaged business, see *§ 90B.70[1][c]*.

6. If applying as small women-owned business, can prospective bidder/offeror show that business is [*see 48 C.F.R. § 19.001*]:

a. At least 51 percent owned by women?

b. Controlled and operated by women?

7. If applying as small Indian-owned business, can prospective bidder/offeror show that business is at least 51 percent owned by Indians [*see 48 C.F.R. § 26.101*].

§ 90B.120 Obtaining Information on Government Procurement

NOTE:
Electronic databases generally have replaced paper-based sources of contractor information. For discussion, see *§ 90B.20*.

1. Obtain information about current procurements (outstanding Invitations for Bids (IFB), Requests for Proposals (RFP), bidding procedures, and contracts generally) from[*48 C.F.R. § 5.101*]:

a. Online, at FedBizOpps.gov. website [http://www.FedBizOpps.gov].

NOTE:
The FedBizOpps.gov website is the single government point of entry (GPE) for federal government procurement opportunities over $25,000 [***see*** *48 C.F.R. §§ 5.101(a)(1), 5.201(d)*].

b. Periodic government handouts [*see 48 C.F.R. § 5.101(a)(2)* (display requirements)].

c. Client's trade association.

d. Newspapers, trade journals, magazines, or other mass media.

2. Obtain copy of "U.S. Government Purchasing and Sales Directory" (containing comprehensive list of federal installations nationwide, including military services, with indications of items purchased by each) from Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.

3. If client is manufacturer of commercial products, advise client to:

a. Obtain specific qualifications requirements from individual agencies that might need client's products [*48 C.F.R. § 9.205*].

NOTE:

If an agency has qualifications requirements, it is required to encourage potential sources to demonstrate their ability to meet the standards specified and to give sufficient time, when possible, to arrange for qualification before an award [*48 C.F.R. § 9.205(a)*].

b. Comply with agency procedures for testing and other assurance demonstrations in order to qualify for products, manufacturers, or bidders mailing lists [*48 C.F.R. § 9.203*].

NOTE:

Qualification and listing on a Qualified Products List, Qualified Manufacturers List, or Qualified Bidders List is the process by which products are obtained from manufacturers or distributors and examined and tested for compliance with specified requirements. Manufacturers and potential offerors are given the opportunity to demonstrate their ability to meet the specified standards, and names of successful manufacturers or potential offerors are put on lists evidencing their status. Qualification is generally performed in advance and independent of any specific acquisition [*48 C.F.R. § 9.203(a)*].

4. Advise client to become listed on Central Contractor Registration (CCR) database.

NOTE:

The Federal Acquisition Regulation (FAR) requires contractor registration in the Central Contractor Registration (CCR) database prior to award of any contract, basic agreement, basic ordering agreement, or blanket purchase agreement on or after October 1, 2003 *[68 Fed. Reg. 43856 (2003)* ; Federal Acquisition Circular 2001-16]. Contractors can register in the CCR database by going to http://www.ccr.gov. For further discussion, see *§ 90B.20[2]*. For a sample registration form, see 90B.200[2].

30-90B California Legal Forms--Transaction Guide § 90B.121

§ 90B.121 Competing for Small Business Preferences--Representation as a Small Business Concern

NOTE:

Under programs administered by the SBA, a small business may obtain preference when contracting with the government on certifying that it is a small business [*see 48 C.F.R. §§ 19.301-1-19.301-3*; *see also 13 C.F.R. §§ 125.2(a), 125.3* (contracting assistance for small business concern); ***see*** *§ 90B.70*]. To be eligible for the preference, a firm must fall within SBA size standards for a small business [***see*** *48 C.F.R. § 19.102*]. A firm's representation as a small business may be challenged by another offeror or the contracting officer [48 C.F.R. § 19.301(b), (c)].

1. Advise small business client that it may qualify for small business preference on "self-certification" as small business in particular procurement if it believes in good faith it qualifies as small business firm [*48 C.F.R. § 19.301-1(a)*].

NOTE:

For a guide to determining whether the client qualifies a small business, see *§ 90B.113*.

2. Advise client that it may challenge small business status of any other bidder/offeror by [*48 C.F.R. § 19.302(c), (d)*]:

NOTE:

A small business's representation that it is a small business is not binding on the SBA [*48 C.F.R. § 19.301-1(c)*]. A bidder/offeror's representation generally may be protested by another bidder/offeror, by the contracting officer, or by another interested party [*48 C.F.R. § 19.302(a), (b)*]. However, for competitive "Section 8a contracts" [***see*** *§ 90B.70[3]*], the filing of a protest is limited to an offeror, the contracting officer, or the SBA [*48 C.F.R. § 19.302(a)*]. The SBA will make the final determination of the firm's

status as a small business [*48 C.F.R. § 19.302(g)(1)*].

a. Communicating protest to contracting officer [*48 C.F.R. § 19.302(c)(2), (d)*]:
(1) Orally, with written confirmation timely delivered; or

(2) By mail, timely delivered.

NOTE:
To be timely, a protest, including the written confirmation of an oral protest, must be received by the contracting officer by the close of the fifth business day after the bid opening [*48 C.F.R. § 19.302(d)(1)*].

b. Including in oral and written protest:

(1) Allegations that bidder who is subject of protest is not small business firm.

(2) Basis for statement and specific detailed evidence in support thereof.

3. If client's representation as small business is challenged, advise client that it will be required to file answer of allegations in protest with evidence to support its position with SBA regional office [*48 C.F.R. § 19.302(f)*].]

NOTE:
The contracting officer will forward the protest of another offeror to, or file its own protest with, the appropriate SBA Government Contracting regional office [*48 C.F.R. § 19.302(c)(1)*]. On receipt of the protest from the contracting officer, the SBA regional office will notify the challenged firm of the protest and furnish a blank SBA Form 355, Application for Small Business Determination [*48 C.F.R. § 19.302(e)*]. Within three business days after receiving a copy of the protest and the SBA Form 355, the challenged offeror must complete and file the form with the SBA regional office; failure to do so may result in a determination by the SBA that disclosure would be contrary to the offeror's interest [*48 C.F.R. § 19.302(f)*]. The SBA will make a size determination within 10 days after receipt of the protest [*48 C.F.R. § 19.302(g)(1)*].]

4. Advise client that it may appeal the decision of the SBA regional office to the SBA Office of Hearings and Appeals [*48 C.F.R. § 19.302(i)*].

NOTE:
Within 10 business days after receiving the protest, challenged offeror's response, and other pertinent information, the SBA will make a size determination and notify interested parties by certified mail [*48 C.F.R. § 19.302(g)(1)*]. The decision on size determination is final and appealable to the SBA Central Office, Office of Hearing and Appeals, Washington, D.C. 20416, in accord with SBA procedures [*48 C.F.R. § 19.302(g)(1), (i)*].

5. Advise client that it will be eligible for award of contract in question if [*48 C.F.R. § 19.302(g)(2)*]:

NOTE:
The SBA Central Office will inform the contractor of its ruling on appeal. If the decision is received before the award, it will apply to the pending acquisition; if received after the award, it will not apply [*48 C.F.R. § 19.302(g)(2)*].

a. Ruling is favorable to client.

b. SBA Central Office decision is received before award of contract.

30-90B California Legal Forms--Transaction Guide § 90B.122

§ 90B.122 Competing for Small Business Preferences--Obtaining a Certification of Competency

NOTE:

Requirements of responsibility are applicable to all government contractors [*48 C.F.R. § 9.104-1*]. A contracting officer may determine that a small business lacks elements of responsibility with relation to a particular contract, and must refer the matter to the SBA [*48 C.F.R. § 19.601(a)*]. The small business will be given the opportunity to apply to the SBA for a Certificate of Competency (COC), certifying it as to all elements of responsibility [*48 C.F.R. § 19.602-2(a)-(c)*]. For a discussion of obtaining a COC, see *§ 90B.70[1][b][ii]*.

1. If small business client's ability to perform specific contract is questioned and contracting officer makes determination of nonresponsibility, advise client that [*48 C.F.R. § 19.602-1(a)*]:

a. Contracting officer will request review by SBA [*48 C.F.R. § 19.602-1(a)*].

b. Award of contract will be withheld pending determination of responsibility by SBA area office [*48 C.F.R. § 19.602-1(a)(1)*].

c. Client should apply at SBA area office for COC [*48 C.F.R. § 19.602-2(a)*].

NOTE:

Within 15 days of receipt of a request from the contracting officer for review of a prospective small business contractor's responsibility, the SBA must notify the small business and offer it the opportunity to apply to the SBA area office for a COC [*48 C.F.R. § 19.602-2(a)*]. A COC issued by the SBA states that the holder is responsible, with respect to all elements of responsibility, including capability, competency, capacity, credit, integrity, perseverance, and tenacity to receive and perform a specific government

contract [*48 C.F.R. § 19.601(a)*].

d. Client should prepare for investigation by SBA.

NOTE:

On timely receipt of application for a COC and required documents, an SBA team will visit a small business concern to investigate it for specific elements of responsibility that the contracting officer noticed were lacking in order to make a recommendation to the SBA regional office [*48 C.F.R. § 19.602-2(b)*]. The SBA area office may consider denying a COC for reasons of nonresponsibility not originally cited by the contracting officer [*48 C.F.R. § 19.602-2(c)*; ***see*** *48 C.F.R. § 19.602-3* (resolving differences between contracting officer and SBA)].

e. Failure of SBA to issue COC within 15 days of referral, or within a longer time if agreed on by SBA and procuring agency, will result in contract award to another appropriate selected and responsible offeror [*48 C.F.R. § 19.602-4(c)*].

2. If award of contract not already made, advise client to provide any new information that might cause contracting officer to determine that client's small business is responsible.

NOTE:

If a contracting officer determines that a small business is responsible, it must reverse its determination of nonresponsibility, notify the SBA of its action, and proceed to award the contract [*48 C.F.R. § 19.602-4(a)*].

3. If SBA issues COC, advise client that it is entitled to award of contract.

NOTE:

The COC is conclusive with respect to all elements of responsibility, and the contracting officer must award a contract to the small business on SBA certification [*48 C.F.R. § 19.602-4(b)*].

30-90B California Legal Forms--Transaction Guide § 90B.123

§ 90B.123 Competing for Architect-Engineer Contracts

NOTE:

There are prescribed competitive procedures for government acquisition of architect-engineer (A--E) services [***see*** *48 C.F.R. § 36.000 et seq.*]. For discussion of contracting for A--E services, see *§ 90B.40[4]*. For preliminary determinations regarding qualification as an A & E contractor, see *§ 90B.112*.

1. If client is prospective offeror that wishes to qualify as A--E selected firm, advise client to submit information to particular agency for evaluation by agency board by [*48 C.F.R. § 36.603*]:

NOTE:

Architect-engineer firms must provide agencies with information on their qualifications in order to be evaluated by agency boards before selection for the negotiation process with regard to a particular contract [***see*** *48 C.F.R. § 36.600 et seq.* (contracting for architect-engineer services)]. For forms used to provide information to procuring agency, see *§ 90B.240*.

a. Filing Standard Form 330, Architect-Engineer Qualifications [*48 C.F.R. § 53.301-330* (form); *see § 90B.240*].

b. Updating information annually on Standard Form 330 [*see § 90B.240*].

NOTE:

Agencies are required to review and update A--E files at least once a year [*48 C.F.R. § 36.603(d)*].

2. Advise client to respond to procuring agency with respect to specific solicitations for A--E contracts.

NOTE:

The government publicly announces all requirements for A--E for A--E services contracts [*48 C.F.R. § 36.601.1*]. Information ordinarily is disseminated electronically [***see*** *48 C.F.R. §§ 5.101(a)(1), 5.201(d)*; § 90B.20[1]]; see a web site at http://www.FedBizOpps.gov. Location in the general geographical area of a specific project and knowledge of that location can be important criteria for selection for performance of a specific contract [***see*** *48 C.F.R. § 36.602-1(a)(5)*].

3. Advise client, if chosen as one of most highly qualified firms, to prepare for discussion with the agency evaluation board.

NOTE:

Firms are evaluated in accord with prescribed selection criteria [*48 C.F.R. § 36.602-3(b)*]. An agency evaluation board must hold discussions with at least three of the most highly qualified firms regarding concepts and the relative utility of alternative methods of furnishing the required services [*48 C.F.R. § 36.602-3(c)*]. Based on the discussions and its evaluations, an evaluation board makes a report and recommends, in order of preference, the most highly qualified firms to the agency head for final selection [*48 C.F.R. § 36.602-3(d)*].

4. Advise client, if chosen as selected firm by agency head, to prepare for negotiation of contract with agency contracting officer [*see 48 C.F.R. § 36.602-4(b)*].

NOTE:

The agency head or its designated authority makes a final selection based on the recommendation of the agency evaluation board and with the advice of appropriate technical and staff representatives [*48 C.F.R. § 36.602-4(a), (b)*].

5. Advise client, if requested to submit proposal by contracting officer, that:

a. Use of modern design method is not precluded by solicitation [*48 C.F.R. § 36.606(b)*].

b. Conceptual design may be important criterion for making award.

NOTE:

Agencies may evaluate firms on the basis of their conceptual design of the project if the use of design competition is approved by the particular agency. Design competition may be used when unique situations exist involving "prestige projects," there is sufficient time for production and evaluation of conceptual designs, and the design competition will substantially benefit the project [*48 C.F.R. § 36.602-1(b)*].

§ 90B.124 Submission of Bid or Proposal

1. Advise prospective bidder/offeror to obtain bid or proposal package from procuring agency.

NOTE:
The advertisement for procurement will inform the prospective bidder/offeror of the bidding opportunity and the address from which the bid or proposal package can be obtained.

2. Advise prospective bidder that after receipt of bid or proposal package, it should review plans and specifications carefully to understand what is required and to determine that there are no errors or inconsistencies in them.

NOTE:
If there are apparent defects or ambiguities in the terms of the bid or proposal, a prospective bidder/offeror may request clarification; the contracting officer, in appropriate situations, will issue amendments on Standard Form 30, Amendment of Solicitations/Modification of Contracts [*48 C.F.R. § 14.208(a)*; ***see*** *48 C.F.R. § 53.301-30*].

3. Advise prospective bidder to complete bid or proposal contained in package on prescribed standard forms provided, according to instructions provided.

NOTE:
To be considered responsive, bid offers must be in full conformance with the elements of the invitation for bids [*48 C.F.R. § 14.301*]. If the bidder uses its own form or a letter to submit a bid, the bid will be considered only if it accepts all the terms and conditions of the bid invitation and an award on the bid would result in a binding contract with terms

and conditions that do not vary from the terms and conditions of the invitation [*48 C.F.R. § 14.301(d)*]. In order to be selected for the negotiation procedure, proposal offers must be within the competitive range, as determined by an initial cost comparison [*48 C.F.R. § 15.609(a)*]. For the forms used in submitting bids or proposals, see *§§ 90B.220-90B.223*.

a. Propose price for which bidder will supply all materials and services and perform all work required by plans and specifications contained in bid or proposal package.

b. State in figures, all unit prices, lump-sum prices, and extensions.

c. Bid, or make an offer, on all items listed unless otherwise indicated in bid or proposal form.

d. Fill in all blanks in bid or proposal form.

e. Make no changes in wording of bid or proposal since any additions, deletions, conditions, limitations, or provisions by bidder may cause rejection of bid.

f. Date bid form.

4. Advise bidder/offeror to comply with subcontracting requirements.

NOTE:

The prime contractor is generally considered responsible for its subcontractors [*48 C.F.R. § 9.104-4*]. Government consent to subcontracts is specifically required when subcontract work is complex, the dollar value is substantial, or the government's interests would not otherwise be adequately protected [48 C.F.R. § 44.102(a)].

5. Advise bidder/offeror to comply with federal and state labor requirements.

NOTE:

Procuring agencies must encourage cooperation by contractors with federal and state labor requirements concerning matters such as safety, health and sanitation, maximum hours and minimum wages, equal employment opportunity, child and convict labor, age discrimination, disabled and veteran employment, and employment of the handicapped [*48 C.F.R. § 22.102-1*]. For discussion of mandatory wage, hour, and workplace standards, see *§ 90B.43[3]*.

6. Advise bidder/offeror to comply with affirmative action hiring requirements such as:

NOTE:

For discussion of affirmative action requirements, see *§ 90B.43[4]*.

a. Equal employment opportunity [*48 C.F.R. § 22.802*].

b. Employment of disabled and Vietnam era veterans [*48 C.F.R. § 22.1302*].

c. Employment of individuals with disabilities, without discrimination based on their

physical or mental disability [*48 C.F.R. § 22.1402*].

7. Advised bidder/offeror to comply with conservation and environment requirements such as:

NOTE:
For discussion of conservation and environment requirements, see *§ 90B.43[5]*.

a. Standards required under Clean Air Act and Clean Water Act [*see* 48 C.F.R. § 23.103].

b. Identification of hazardous materials and working conditions under Occupational Safety and Health Act [*48 C.F.R. § 23.302*].

8. Have bidder/offeror certify that workplace is drug-free.

NOTE:
All government contractors must certify that a drug-free workplace will be provided [*48 C.F.R. § 23.504(a)*].

9. Have bidder/offeror execute representations or certifications regarding procurement integrity such as:

NOTE:
Government procurement contracts must be conducted in a manner above reproach and parties must avoid any conflicts of interest [*48 C.F.R. § 3.101-1*]. For coverage of prohibited conduct, see *§ 90B.45*.

a. Prohibition on payment of gratuities to government employees or Congressional members [*48 C.F.R. §§ 3.101-2*, 3.102-1].

b. Required disclosure of contingent fee arrangement [*48 C.F.R. § 3.404*].

c. Prohibition against kickback payments from subcontractors [*48 C.F.R. § 3.502-2*; *see 48 C.F.R. § 3.502-1*].

10. If bid or offer is signed by agent other than owner, partner, or corporate officer, have bidder/offeror accompany bid or offer with power of attorney.

NOTE:
For coverage of powers of attorney, see Ch. 98, ***Powers of Attorney*** **.**

11. Have bidder/offeror present bid or offer and all accompanying documents in sealed envelope no later than time designated in bid or proposal for opening of bids and receipt of proposals.

NOTE:
Bids must be submitted so that they will reach the office designated in the invitation for bid no later than the exact time set for the opening of bids [*48 C.F.R. § 14.302(a)*]. Offers and proposals must reach the government office designated in the solicitation on time; unless the solicitation states a specific time, the time for receipt is 4:30 P.M. local time for the designated office on the date that the proposals are due [48 C.F.R. § 15.412(b)].

§ 90B.125 Withdrawal or Modification of Bid or Proposal

NOTE:
The process of withdrawal or modification of bids or proposals [*48 C.F.R. §§ 14.303, 15.400* et seq.] is distinguished from the correction of mistakes in bids or proposals [*48 C.F.R. §§ 14.406 et seq., 15.600* et seq.]. For the procedure used to correct bid mistakes, see *§ 90B.126*.

1. If client is responding to an invitation for bids (IFB), advise client that it may:

a. Modify or withdraw bid before time set for bid opening [*48 C.F.R. § 14.303(a)*]:
(1) By written or telegraphic notice only if notice is received in office designated in IFB not later than exact time set for bid opening.

NOTE:
A telegraphic modification or withdrawal received by telephone from the telegrapher's office will be considered only if the message is confirmed by the telephone company by sending a copy of the written telegram [*48 C.F.R. § 14.303(a)*].

(2) In person by bidder or authorized representative if, before exact time set for opening of bids, identification of person requesting withdrawal is established and that person signs receipt for bid [*48 C.F.R. § 14.303(b)*].

b. Submit late bid or modify or withdraw bid before time of award [*see 48 C.F.R. § 14.304(a), (b)*]:

NOTE:
Modification or withdrawal after bid opening is known as "late" modification or withdrawal and is subject to the rules governing late bids [***see*** *48 C.F.R. § 14.304*]. However, a late modification of an

otherwise successful bid that makes the terms of the bid more favorable to the government will be opened at any time it is received [*48 C.F.R. § 14.304(b)(2)*].

(1) If transmitted through electronic commerce method authorized by invitation for bid, it must be received at initial point of entry to government infrastructure not later than 5:00 p.m. on day before the date specified for the receipt of bids.

(2) If transmitted by any other method authorized by the invitation to bid (that is, regular mail or facsimile), there must acceptable evidence to establish that it was received and was under the government's control before the time set for the receipt of bids.

2. If client is responding to request for proposals (RFP), advise client that offers and modifications of offers in response to RFP reaching agency office on date later than that designated in solicitation must, in order to be accepted [48 C.F.R. § 15.412(b), (c)]:

a. Be received before award is made.

b. Meet specified mailing requirements [*48 C.F.R. § 52.215-10(a)*; *see* NOTE, *below*].

NOTE:

A late proposal or modification must be sent by registered or certified mail no later than the fifth calendar day before the date specified for receipt of offers. If it is sent by mail or, if authorized by solicitation, it is sent by telegram, it must be determined that late receipt was solely due to mishandling by government after receipt by the government. If it is sent by next-day service by the U.S. Postal Service, it must be sent not later than 5 P.M. at the place of mailing, two working days before the date specified for the receipt of proposals. It will also be acceptable if it is the only proposal received [*48 C.F.R. § 52.215-10(a)*].

§ 90B.126 Correction of Mistakes in Bid or Proposal

1. If client is responding to invitation for bid, advise client to:

a. Make corrections before award:
(1) Of minor informalities and irregularities [*48 C.F.R. § 14.405*].

NOTE:
A minor informality or irregularity is one that is merely a matter of form and not of substance, and pertains to some immaterial defect in the bid that can be corrected or waived without being prejudicial to other bidders. The contracting officer will either give the bidder opportunity to cure or to waive the deficiency, whichever is to the advantage of the government [*48 C.F.R. § 14.405*].

(2) Of apparent clerical mistakes.

NOTE:
If a contracting officer notes an apparent clerical mistake, the bidder will be asked to verify the bid and, on receipt of a verification stating the bid that was actually intended, the contracting officer will correct the bid [48 C.F.R. § 14.406-2(a)].

(3) Of other mistakes by requesting permission to do so [48 C.F.R. § 14.406-3].

NOTE:
Permission to correct mistakes may not be used to make otherwise unresponsive bids responsive [48 C.F.R. § 14.406-3]. Permission to correct a mistake will only be given on a show of clear and convincing evidence establishing both the existence of the mistake and the bid actually intended. If the correction would result in displacing one or more lower bids, permission will not be given unless the existence of

the mistake and the bid actually intended are ascertainable substantially from the invitation and the bid itself [48 C.F.R. § 14.406-3(b)]. For a form used for making a request for correction of a bid mistake, see *Section 90B.250*.

b. Request withdrawal of bid rather than permission to correct it, but only if there is clear and convincing evidence as to mistake only or evidence reasonably supports the mistake and is not clear and convincing [48 C.F.R. § 14.406-3(c)].

NOTE:

If the evidence is clear and convincing both as to the existence of the mistake and the bid actually intended, and the bid, both as uncorrected and corrected is the lowest received, the agency head may make a determination to correct the bid and not permit withdrawal [48 C.F.R. § 14.406-3(b)]. In specified circumstances, an agency also has the discretion to determine that a bid should neither be withdrawn nor corrected [***see*** 48 C.F.R. § 14.406-3(d)].

c. Make corrections after the award by [48 C.F.R. § 14.406-4]:

NOTE:

The contracting officer will request the bidder to support the alleged mistake by submission of written statements and pertinent evidence [48 C.F.R. § 14.406-4(e); ***see*** P 3, ***below***]. For a form that is adaptable for use for making a request for correction of a bid mistake after the award, see *Section 90B.250*.

(1) Obtaining contract amendment if correction of mistake would be favorable to government without changing essential requirements of specifications [48 C.F.R. § 14.406-4(a)].]

(2) Making claim under procedures authorized by Contract Disputes Act [48 C.F.R. § 14.406-4(b); *see 48 C.F.R. § 33.201 et seq.* (protests, disputes, and appeals)].

(3) Obtaining determination from agency to rescind or reform contract on basis of clear and convincing evidence that mistake made in bid [48 C.F.R. § 14.406-4(c)].

2. If client is responding to request for proposals, advise client to:

a. Make corrections before award by resolving during negotiations [*48 C.F.R. § 15.607(a), (b)*]:

(1) Minor informalities, irregularities, and apparent clerical mistakes.

(2) Other types of alleged mistakes.

b. Make corrections after award by using same procedures as for correction of mistakes in bids [48 C.F.R. § 15.1005]; *see* P 1c, *above*]

c. If contracting officer denies request, advise contractor that it may dispute that decision under Contract Disputes clause [*see 48 C.F.R. § 33.000 et seq.*; *see also § 90B.140*].

3. If correction of bid or proposal made after award, present clear and convincing evidence that mistake in bid made by providing the following [48 C.F.R. § 14.406-4(c), (e)(1)]:

a. Contractor's file copy of its bid.

b. Original worksheets and other data used in preparing bid.

c. Subcontractors' and suppliers' quotations, if any.

d. Published price lists.

e. Any other evidence that would serve to establish mistake, manner i n which it occurred, and bid actually intended.

NOTE:

In addition to a show of clear and convincing evidence as to the mistaken bid, it must also be shown that the mistake was (1) mutual or, (2) if unilaterally made by the contracting officer, so apparent as to have charged the contracting officer with notice of the probability of mistake [48 C.F.R. § 14.406-4(c)].

§ 90B.127 Protests Against Awards

NOTE:

A protest is a written objection by an interested party to an agency's solicitation for a proposed contract for supplies or services, or a written objection by an interested party to a proposed award of such contract [*48 C.F.R. § 33.101*]. Contract officers must consider all protests, whether submitted before or after the award, and whether filed with the procuring agency, the General Accounting Office (GAO), or, for automatic data processing equipment (ADPE), with the General Services Board of Contract Appeals (GSBCA) [*48 C.F.R. § 33.102*]. For discussion of protest as a remedy, see *Section 90B.60*. For forms used in making protests to the agency and the GAO, see *Section 90B.270*.

1. On receipt of notice from contracting officer that bid or offer is unsuccessful, request additional information, including [*48 C.F.R. § 14.408-1(c)*]:

a. Name and address of successful bidder.

b. Proposed contract price.

c. Place where abstract of bids is available for inspection.

d. Full explanation of basis for award if award was made to other than low bidder [*48 C.F.R. § 14.408-1(a)(1)(iii)*].

2. Advise unsuccessful bidder/offeror to protest any improprieties in solicitation or award of contract to [*48 C.F.R. § 33.102*]:

a. Procuring agency, either in writing or orally with written confirmation.

NOTE:

Interested parties are encouraged to seek resolution within the agency before filing a protest with the GAO or the GSA [*48 C.F.R. § 33.102(c)*]. When a protest is filed before an award, the agency may not make the award before the protest is resolved, except as provided in the agency's procurement regulations [***see** 48 C.F.R. § 33.103(a)*].

b. Comptroller General of GAO.

NOTE:

Protests to the GAO must be made in accordance with GAO Bid Protest Regulations [***see** 4 C.F.R. § 21.0 et seq.*]. If a protest is pending with the GAO, the protestant may not file a protest with the GSBCA with respect to the same contract [*48 C.F.R. § 33.102(c)(2)*].

c. GSBCA, if protest relates to contract for acquisition of ADPE.

NOTE:

The GSBCA has authority over government acquisition of ADPE, including handling of protests [***see** 48 C.F.R. §§ 33.105*, 61.01.2]. An interested party may protest the award of an ADPE contract to the GSBCA in accord with GSBCA Rules of Procedure [***see** 48 C.F.R. § 6101.0 et seq.*]. If a protest regarding an ADPE contract is pending with the GSBCA, the protestor may not file a protest with the GAO with respect to the same contract [*48 C.F.R. § 33.102(c)(3)*].

3. If protest directed to agency:

a. Address to individual or location designated in bid or proposal.

NOTE:

Agency protests are submitted to the individual or location designated in the Service of Protest clause [***see** 48 C.F.R. § 52.233-2*] on the proposal or bid form [*48 C.F.R. § 33.103(b)*].

b. Submit as soon as possible and before award.

NOTE:

To be effective, the protest must be lodged before the contract is awarded. Protests based on alleged improprieties in a solicitation that are apparent before bid opening or the closing date for receipt of proposals must be filed before those dates. In other cases, protests must be filed not later than 10 working days after the basis of the protest is known or should have been known, whichever is earlier. On a showing of good cause, an agency has discretion to consider a protest that is untimely filed, or that raises issues significant to the agency's acquisition system [*48 C.F.R. § 33.103(b)(2)*]. Protests received after an award and filed with the procuring agency must be handled in accord with agency procedures [*48 C.F.R. § 33.103(b)(2)*]. If the contract has been awarded and it is determined that the protest is valid, but the improperly awarded contract is not canceled or terminated, the protesting bidder may be able to recover its bid preparation costs [***see** Keco Industries, Inc. v. United States (Ct. Cl. 1970) 428 F.2d 1233, 1240]* .

c. Include following information [*48 C.F.R. § 33.103(b)(3)*]:

NOTE:

Failure to provide the required contents of the protest may be grounds for dismissal of the

protest; protests should be concise and logically presented to facilitate review by the agency [*48 C.F.R. § 33.103(b)(4)*].

(1) Name, address, and telephone number of protestor.

(2) Solicitation or contract number.

(3) Detailed statement of legal and factual grounds of protest, including copies of relevant documents.

(4) Request for ruling by agency.

(5) Statement of form of relief requested.

4. If protest is directed to GAO [*48 C.F.R. § 33.104*]:

NOTE:
Protests to GAO must be in accord with GAO bid protest regulations [***see*** 4 C.F.R. § 21 et seq.]. The GAO will dismiss any protest if the matter involved is the subject of litigation before a court of competent jurisdiction unless the court requests determination by the GAO [*4 C.F.R. § 21.9(a)*].

a. Furnish copy of complete protest filed with GAO to agency contracting officer [*see 4 C.F.R. § 21.1(d)*].

NOTE:
The protestor must furnish a complete copy of the protest to the soliciting official or agency location no later than one day after the protest is filed with the GAO; failure to do so may result in dismissal [*48 C.F.R. § 33.104(a)*].

b. File written protest directed to GAO as follows [*4 C.F.R. § 21.1(b)*]:

(1) Addressed to General Counsel, General Accounting Office, 441 G Street NW, Washington, D.C. 20548.

(2) Mark envelope: "Attention: Procurement Law Control Group."

c. File protest by transmittal or delivery in manner that will assure earliest receipt.

NOTE:
A protest that is not timely on its face may be dismissed [*4 C.F.R. § 21.2(b)*; ***see*** P 3b, ***above*** (time for filing)]. It is the protestor's obligation to include in a protest all information needed to demonstrate its timeliness. Protesters are not permitted to introduce for the first time in a request for reconsideration the information on which the timeliness of the protest relies [*4 C.F.R. § 21.2(b)*]. However, late protests may be considered if good cause is shown or the GAO determines that the protest raises significant issues relating to procurement practices or procedures [*4 C.F.R. § 21.2(c)*].

d. Include following [*see 4 C.F.R. § 21.1(c), (d)*; *see also* § 90.260 (form)]:

NOTE:

No formal briefs or other technical forms of pleading are required, but the protest and other items submitted should be concise, logically arranged, and clearly state sufficient grounds for the protest [*4 C.F.R. § 21.1(e)*].

(1) Name, address, and telephone number of protestor [*4 C.F.R. § 21.1(c)(1)*].

(2) Original signed by protester or representative, and at least one copy [*4 C.F.R. § 21.1(c)(2)*].

(3) Identification of issuing agency and either solicitation or contract number or both [*4 C.F.R. § 21.1(c)(3)*].]

(4) Detailed statement of legal and factual grounds of protest, including copies of relevant documents [*4 C.F.R. § 21.1(c)(4)*].

(5) Specific request for ruling by Comptroller General [*4 C.F.R. § 21.1(c)(5)*].

(6) Statement of form of relief requested [*4 C.F.R. § 21.1(c)(6)*].

(7) Statement that copy of protest document has been or will be furnished within one day to appropriate officer or agency [*4 C.F.R. § 21.1(d)*].

e. Obtain required agency report.

NOTE:

When a protest before or after an award is lodged with the GAO, the agency involved is required to prepare a report that must include copies of the protest, protest submitted by the protestor and offer being considered for the award, solicitation, abstract of offers, and any other relevant documents and the contracting officer's signed statement setting forth findings, actions, recommendations, evidence, and information deemed necessary in determining the validity of the protest. The report must also identify all parties being furnished copies of such report [*48 C.F.R. § 33.104(a)(3)(ii)(I)*; *4 C.F.R. § 21.3(c)*].

f. Request bid protest conference.

NOTE:

A conference on the merits of the protest may, at the discretion of the GAO, be held at the request of the protestor, agency, or interested party [*48 C.F.R. § 33.104(e)*]. The fact-finding conference is intended to resolve specific factual disputes essential to the resolution of the protest that cannot otherwise be resolved from the record [*48 C.F.R. § 33.104(e)*; *4 C.F.R. § 21.5(a)*].

g. If recommendation by GAO is adverse, request reconsideration in writing, containing [*4 C.F.R. § 21.14(c)*]:

NOTE:

The GAO will ordinarily issue its recommendation on a protest within 90 work days [*48 C.F.R. § 33.104(f)*; *4 C.F.R. § 21.7(a)*]. The GAO will reconsider its decision on written

request by the protestor or any interested party filed within 10 working days after the basis for its recommendation is known [*4 C.F.R. § 21.2(a), (b)*].

(1) Detailed statement of factual and legal grounds on which reversal or modification is deemed warranted.

(2) Specification of any errors of law made or information not previously considered.

5. If protest involves award of contract for ADPE acquisition, it may be filed directly with GSBCA [*48 C.F.R. § 33.102(c)(3)*; *see 48 C.F.R. 33.105(a)-(g)* (procedures for filing with GSBCA)].

NOTE:

Protests filed with the GSBCA are reviewed in accord with GSBCA rules of procedure [***see*** 48 C.F.R. pt. 61]. Final decision by the GSBCA is appealable by any interested party under provisions of the Contract Disputes Act [*48 C.F.R. § 33.105(g)*]. For discussion of appeals under the Contract Disputes Act, see *Section 90B.61 [3]*.

6. Consider filing suit directly in federal district court to contest award, and to have contract arbitrarily awarded to another declared void.

NOTE:

Suit regarding protest of an award may be filed directly in federal district court if (1) the complainant can allege injury in fact, (2) the complainant can assert that arbitrary or capricious action by the agency injured an interest arguably within zone of interests to be protected or regulated by the procurement statute, and (3) there is no clear and convincing indication of legislative intent to withhold judicial review [***see*** *Gull Airborne Instruments, Inc. v. Weinberger (D.C. Cir. 1982) 694 F.2d 838, 841* ; ***see also*** *5 U.S.C. §§ 702, 706* (scope of review of agency action)].

§ 90B.140 Resolving Claims and Disputes

NOTE:

A "claim" is a written demand or assertion by a contracting party seeking as a matter of right the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to a contract. [*48 C.F.R. § 2.101*]. However, a written demand or written assertion by the contractor seeking the payment of money exceeding $100,000 is not a "claim" under the Contract Disputes Act of 1978 [*41 U.S.C. § 601 et seq.*] until certified as required by the Act [*48 C.F.R. § 2.101*]. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim. The submission may be converted to a claim, by written notice to the contracting officer as provided in *48 C.F.R. § 33.206(a)*, if it is disputed either as to liability or amount or is not acted upon in a reasonable time [*48 C.F.R. § 2.101*].

A claim arising under a contract, unlike a claim relating to a contract, is a claim that can be resolved under the contract clause that provides for the relief sought by the claimant [*48 C.F.R. § 33.213(a)*]. Disputes between the contractor and the government may arise during performance, for example, because the government has expressly or constructively ordered extra or unanticipated work for which the contractor seeks additional compensation or a time extension [***see** § 90B.44 [1], [2]*]. The following procedures are prescribed for all government contracting agencies, both civilian and military, pursuant to procedures established under the Contract Disputes Act of 1978, [*48 C.F.R. § 33.202*]. For discussion of the resolution of claims and disputes, see *§ 90B.61*. For the forms used for making a claim to the contracting officer and noticing an appeal of an agency's decision, see *§§ 90B.270*, *90B.271*.

1. File claim for money, adjustment or interpretation of contract, or other relief under contract with contracting officer [*see 48 C.F.R. § 33.106*].

NOTE:

It is the government's policy to attempt resolution of contract disputes by mutual agreement at the contracting officer's level without litigation under the Contract Disputes Act of 1978 [*48 C.F.R. § 33.204*]. This resolution process includes informal discussions between the parties, conducted to the extent feasible, by persons who did not participate in the matter at issue [*48 C.F.R. § 33.204*]. The contracting officer is authorized, within the limits of its certification of authority, to settle all disputes arising under contract containing a Disputes clause (except in certain circumstances) [***see** 48 C.F.R. § 33.210*].

2. Support all parts of claim to avoid possible liability for fraud.

NOTE:

If there is evidence that the inability to support all parts of the claim is attributable to misrepresentation of fact or fraud on the part of the contractor, the contracting officer will refer the matter to the agency officer responsible for investigating fraud [*48 C.F.R. § 33.209*]. If there is evidence supporting the finding of fraud, a contractor may be liable for both civil and criminal penalties. For discussion of fraudulent claims, see *§ 90B.61 [2][b]*.

3. If claim exceeds $1,000,000, or arbitration or other alternative dispute resolution is used, include prescribed certification clause [*48 C.F.R. § 33.207*; *41 U.S.C. § 605*; *see § 90B.270[2]* (text of certification)].

4. Prepare to continue performance of contract in accord with contracting officer's decision pending final decision on claim [*48 C.F.R. § 33.213(a)*].

NOTE:

Agencies are authorized to require a contractor to continue contract performance in accordance with the contracting officer's decision pending final decision on a claim relating to a contract [*48 C.F.R. § 33.213(a)*].

5. If contracting officer's response is unsatisfactory, either [*see 48 C.F.R. § 33.211(a)*]:

NOTE:

When a claim cannot be satisfied or settled by mutual agreement, the contracting officer must issue a written decision containing a description of the claim or dispute, reference to pertinent contract terms, a statement of the factual areas of agreement and disagreement, a statement of its decision with supporting rationale, and notice of claimant's appeal rights [*48 C.F.R. § 33.211(a)(4)(i)-(v)*]. Failure of the contracting officer to issue a decision within the required time period is deemed a decision to deny the claim and authorizes the claimant to file an appeal or suit on the claim [*48 C.F.R. § 33.211(g)*].

a. File written notice of appeal with agency board of contract appeals within 90 days of receipt of written final decision [*see* § 90.271 (form)]; or

NOTE:

If the appeal is made to the agency board of contract appeals, the claimant may elect to proceed under the board's small claims proceedings for claims of $50,000 or less or, in the case of a small business concern [*see 48 C.F.R. § 19.001* (definition); § 90B.22[4]], $150,000 or less, or under the accelerated procedure if the claim is $100,000 or less [***see** 48 C.F.R. § 33.211(a)(4)(v)*]. For a detailed discussion of the procedures involved in filing and pursuing an appeal from the decision of a contracting officer through the appropriate

board of contract appeals, see J. McBride, I. Wachtel, & T. Touhey, Government Contracts, Ch. 6, ***Contract Appeal Boards*** (Matthew Bender), and N. Steiger, Federal Contract Management, Ch. 14, ***Disputes and Claims*** (Matthew Bender).

b. Bring suit in Court of Federal Claims within 12 months of receipt of written final decision by contracting officer.

6. If agency board of contact appeals renders decision adverse to contractor, appeal decision to federal Court of Appeals for Federal Circuit.

NOTE:

Agency board of contract appeals decisions are final, except that a claimant may appeal such decisions to the Court of Appeals for the Federal Circuit within 120 days after receipt of a copy of such a decision and the agency also has the same right [***see*** *41 U.S.C. § 607(g)(1)(A)* (right of review of agency action under Contract Disputes Act)].

§ 90B.141 Posting Bonds for Construction Contracts

NOTE:

Bid, payment, and performance bonds are generally not required for other than construction contracts unless they are necessary to protect the government's interests [*48 C.F.R. §§ 28.103-1(a), 28.103-2(a)*; ***see*** *§ 90B.22[5]*]. For forms used for posting bid, payment, and performance bonds, see *§§ 90B.231-90B.233*.

1. On award of contract exceeding small purchase limitation, post required payment and performance bonds.

NOTE:

If payment and performance bonds are required, then a bid bond must also be posted at the time of submission of the bid [***see*** *48 C.F.R. § 28.101-1(a)*; ***see also*** *§ 90B.124*]. Payment and performance bonds are required for construction contracts exceeding $100,000 [*48 C.F.R. § 28.102-1(a)*]. The contractor must furnish all bonds, including any necessary reinsurance agreements, before receiving notice to proceed with the work or being allowed to start work [*48 C.F.R. § 28.102-1(c)*; ***see*** *48 C.F.R. § 28.102-1(b)* (types of payment protection for construction contracts let for more than $25,000 but less than $100,000)].

2. If using individual surety for bonds [*see 48 C.F.R. § 28.203*]:

NOTE:

Agencies must obtain adequate security for bonds required or used with contracts for supplies and services, including construction contracts. Acceptable forms of sureties include corporate or individual sureties, U.S. bonds or notes, certified or cashier checks,

bank drafts, money orders, or currency [*48 C.F.R. § 28.201(a)*]. Corporate sureties must appear on the list contained in Department of the Treasury Circular 570, entitled "Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and Acceptable Reinsuring Companies" [*48 C.F.R. § 28.202(a)(1)*]. An individual surety is acceptable for all types of bonds except position schedule bonds; the contracting officer will determine its acceptability [*48 C.F.R. § 28.203(a), (b)*].

a. Have surety execute bonds.

b. Have surety execute standard affidavit form.

NOTE:
Standard Form 28, Affidavit of Individual Surety, executed by the individual surety must accompany standard payment and performance bonds [***see** 48 C.F.R. § 53.301-28*]. For the form used for an affidavit of individual surety, see *§ 90B.234*.

[1] Comment--Use of Form

This form is the official Central Contractor Registration Worksheet. It may be used by potential government contractors to collect necessary data required to register online as a potential supplier for government contracts.

The Central Contractor Registration (CCR) is the primary government repository for contractor information required to conduct business with the United States government [*48 C.F.R. § 2.101*]. The Federal Acquisition Regulation (FAR) requires contractor registration in the CCR database prior to award of any contract, basic agreement, basic ordering agreement, or blanket purchase agreement on or after October 1, 2003 *[68 Fed. Reg. 43856 (2003)* ; *see* Federal Acquisition Circular 2001-16]. Contractors can register in the CCR database by going to http://www.ccr.gov. The actual registration process must be completed online. The online registration process begins by entering the contractor's Dunn and Bradstreet number.

For further discussion, see *§ 90B.20[2]*. Additional information on filling out the form and completing the registration process is available on the CCR website, www.ccr.gov.

[1] Comment

[a] Use of Form

This form is the official GSA form used by government agencies to obtain information from prospective suppliers about the cost and availability of small purchases of supplies for the government.

Standard Form 18, Request for Quotations [*48 C.F.R. § 53.301-18*], is prescribed for use in obtaining price, cost, delivery, and related information from suppliers for purchases of supplies and services, the aggregate amount of which does not exceed $100,000 (or $200,000 in the case of certain contracts awarded and performed, or purchases to be made, outside the United States) [*48 C.F.R. §§ 13.000, 53.213(a)*; *see § 90B.21[2][b]*]. It is used when the contracting officer decides that a written, rather than an oral, request for quotation is needed, and is a request for information only; information and quotations furnished in response are not considered offers [*see* 48 C.F.R. §§ 13.107(b), *15.406-2*]. If the price quoted on the form is considered acceptable, the contracting officer then issues a purchase order, using either the individual agency's optional form or Standard Form 44, Purchase Order-Invoice-Voucher [*48 C.F.R. § 53.213(a)*; *see 48 C.F.R. § 53.301-44*].

Paper copies of the form can be ordered by calling Federal Supply customer assistance at (800) 525-8027. The form also may be downloaded from the Department of General Services web site (GSA Forms Library) at http://www.gsa.gov/. The applicant may complete the application online and then print it or may print the application and then fill it out manually. Instructions for completing the application are located at the web site.

[b] Classification as Small Business

Although Standard Form 18 no longer has a business classification space for indicating that the application is made on behalf of a small, disadvantaged, or women-owned business concern, the instructions opposite item 10 of the form [*see* [2], *below*] note that any representations or certifications attached to the form must be completed by the quoter. There

are prescribed clauses for making small-business representations [*see 48 C.F.R. §§ 52.219-1, 52.219-2*]. Classification as one of these types of businesses can result in preferential treatment in contracting [*see §§ 90B.70, 90B.71*].

[c] Amendment and Modification

The contracting officer uses Standard Form 30, Amendment of Solicitation/Modification of Contract [*48 C.F.R. § 53.301-30*], to modify small purchase orders issued in response to offers regarding oral or written requests for quotations [48 C.F.R. § 13.503(b); *see § 90B.223* (Standard Form 30)].

§ 90B.220 Solicitation, Offer, and Award--Standard Form 33

[1] Comment

[a] Use of Form

This form is the official GSA form used by government agencies to solicit bids on a supplies or services contract, and for awarding the contract that results from the bids [*see 48 C.F.R. § 53.214(c)*].

Standard Form 33, Solicitation, Offer, and Award [*48 C.F.R. § 53.301-33*], is prescribed for use in soliciting bids for supplies and services and for awarding the contracts that result from the bids, as specified in *48 C.F.R. 14.201-2(a)(1)*, unless award is accomplished by Standard Form 26 [*48 C.F.R. § 53.214(c)*; *see § 90B.221* (Standard Form 26)]. It also may be used in connection with the solicitation and award of negotiated contracts [*48 C.F.R. § 53.215-1(c)*]. For discussion of the competitive bid and the negotiated proposal methods, see *§§ 90B.24* and *90B.25*. There is a space on this form for identifying the procurement as either a sealed bid or negotiated proposal [*see* [2], *below* (item 4 of form)].

As required by the prescribed Uniform Contract Format, Standard Form 33 has four main sections, which are further subdivided into 13 subsections: Part I, The Schedule; Part II, Contract Clauses; Part III, List of Documents; and Part IV, Representations and Instructions [*see 48 C.F.R. §§ 14.201-1*, 15.204-1, *53.301-33*]. These four parts are listed in Item 11, Table of Contents, of Form 33. In essence, Standard Form 33 is a cover sheet or table of contents that serves as a guide to the many parts of a contract, which may consist of a variety of separate forms and attachments. For discussion of elements of bids and proposals as prescribed by the Uniform Contract Format, see *§§ 90B.24 [1][c]* and *90B.25[1][c]*. A bidder/offeror's response, in order to be considered responsive, must be fully in compliance with all terms of the bid [*48 C.F.R. § 14.301(d)*].

Paper copies of the form can be ordered by calling Federal Supply customer assistance at (800) 525-8027. The form also may be downloaded from the Department of General Services web site (GSA Forms Library) at http://www.gsa.gov/. The applicant may complete the application online and then print it or may print the application and then fill it out manually. Instructions for completing the application are located at the web site.

[b] Plans and Specifications

Part I, The Schedule, is used to explain the requirements and specifications of the particular procurement [*48 C.F.R. §§ 14.201-2, 15.406-2*]. In this part, the procuring agency sets forth details relating to specific requirements concerning the solicitation or contract form, supplies or services sought, prices and costs, descriptions and specifications, packaging and marking, inspection and acceptance delivery or performance, contract administration data, and special contract requirements [*see* [2], *below* (Subparts A--H of Part I)].

[c] Prescribed Contract Clauses

Part II, Contract Clauses, contains contract clauses as prescribed under the Solicitation Provisions and Contract Clauses [*48 C.F.R. § 52.000 et seq.*], section of the FAR [*48 C.F.R. §§ 14.201-3*, 15.204-3; *see § 90B.11[3]*]. The contracting officer uses this part to insert, or to incorporate by reference, prescribed contract clauses that are required in most government contracts such as contract administration clauses [*see 48 C.F.R. §§ 52.233-1* (disputes), 52.243-1-52.243-7 (changes clauses), 52.249-1-52.249-10 (termination for convenience and default)], clauses requiring the use of American produced or designated country end-products [*48 C.F.R. §§ 52.225-1-52.225-17*], and the clauses for certifying as to procurement integrity [*48 C.F.R. §§ 52.203-8, 52.203-9*]. For a discussion of the most commonly used prescribed clauses, see *§§ 90B.43-90B.45*.

[d] Documents and Attachments

Part III, List of Documents, Exhibits, and Other Attachments, is an inventory of all documents, information, and attachments to the solicitation [*48 C.F.R. § 14.201-4*].

[e] Representations and Instructions

Part IV is designated as Representations and Instructions. Subpart K, Representations, Certifications, and other Statements of Bidders/Offerors or Quoters, is the section used by the bidder or offeror to make representations concerning its business and to certify that it is in compliance with all applicable laws and regulations. The contracting officer uses Subpart K for inserting, or incorporating by reference, prescribed clauses to which the bidder/offeror must certify [*48 C.F.R. §§ 14.201-5(a),* 15.204-5(a)]. Commonly used clauses concern such matters as the following:

- Whether or not the bidder/offeror is a small, small disadvantaged, or women-owned business [*see 48 C.F.R. §§ 52.219-1-52.219-3*].

- Whether it complies with affirmative action hiring requirements [*see 48 C.F.R. §§ 52.222-21-52.222-37*].

- Whether it provides a drug-free workplace [*see 48 C.F.R. § 52.223-6*].

- Whether it complies with requirements under the Clean Air Act and the Clean Water Act [*see 48 C.F.R. §§ 52.223-1, 52.223-2*].

- Whether it has made a contingent fee arrangement [*see 48 C.F.R. § 52.203-4*].

The representations and certifications made by the proposed bidder/offeror as required by Subpart K do not physically become part of the resulting contract, but are incorporated by reference only, and retained as part of the agency's contract file in case of later dispute over their validity [*48 C.F.R. §§ 14.201-1(c), 15.204-1(b)*].

Subpart L of Part IV, Instructions, Conditions, and Notices to Offerors or Quoters, is the section used by the

government to give instructions to the bidder/offeror as to how to prepare and submit the bid or offer, and puts the bidder/offeror on notice of any special conditions or circumstances that may affect the bid or proposal [*48 C.F.R. §§ 14.201-5(b)*, 15.406-5(b)].

[f] Labor Laws

The principal labor law applicable to supplies contracts is the Walsh-Healey Public Contracts Act [*41 U.S.C. § 35 et seq.*], which requires that contractors who furnish supplies to the government under contracts in excess of $10,000 must comply with minimum wage and maximum hours requirements [*48 C.F.R. § 22.602*; *see 48 C.F.R. § 52.222-20* (prescribed contract clauses)]. The principal labor law applicable to services contracts is the Service Contract Act of 1965 [*41 U.S.C. § 351 et seq.*], which requires payment of minimum wage to service contract employees [*48 C.F.R. § 22.1002-1*; *see 48 C.F.R. §§ 52.222-40*, *52.222-41* (prescribed contract clauses)]. For discussion of wage, hour, and workplace standards applicable to supplies and services contracts, see *§ 90B.43[3]*.

[g] Small Business Preference

To apply for a small business preference, a firm must represent itself in good faith as a small business at the time of written self-certification [*48 C.F.R. § 19.301-1(a)*]. The prescribed clause, Small Business Concern Representation, included in Subpart K [*see* [e], *above*] of Part IV of Standard Form 33, is used for making the self-certification [*48 C.F.R. § 52.219-1*]. For a discussion of qualifying as a small business or small disadvantaged business, see *§ 90B.70[1][b], [c]*. For procedures used for making a representation as a small business and for obtaining, when necessary, a Certificate of Competency certifying a small business as responsible, see *§§ 90B.121* and *90B.122*.

[h] Submission, Withdrawal, and Award of Bid

In most cases, Standard Form 33 is used for both solicitation and award of the contract; award is made on the Award section of the form to the successful bidder or offeror with execution by the contracting officer only [*48 C.F.R. §§ 14.201-2(a) (bid)*, 15.204-1(b) (proposal); *see* [2], *below* (items 19-28)]. However, if negotiation results in changes, and signatures of both the contractor and the agency contracting officer are required on the same document, then the award is made on Standard Form 26, Award/Contract [*48 C.F.R. § 53.301-26*; *see § 90B.221* (form)].

For the procedures used for submitting, withdrawing, and correcting mistakes in bids and proposals, see *§§ 90B.124-90B.126*. For a form provided for use for correction of a mistake in a bid, see *§ 90B.250*.

[i] Bid Bond

A bid bond is required if payment and performance bonds are required [*48 C.F.R. § 28.101-1(a)*; *see 48 C.F.R. § 53.301-24* (form)]. Bonds are generally not required for other than construction contracts unless they are necessary to protect the government's interests [*48 C.F.R. §§ 28.103-1(a), 28.103-2(a)*]. For discussion of bonding requirements for construction contracts, see *§ 90B.22[5]*. For sample forms used for posting bonds, see *§§ 90B.231-90B.234*.

[j] Modification

The contracting officer uses Standard Form 30, Amendment of Solicitation/Modification of Contract [*48 C.F.R. § 53.301-30*], to amend an invitation for bid as specified [*48 C.F.R. § 14.208(a)*; *see § 90B.223* (form)].

[1] Comment--Use of Form

This form is the official GSA form used by government agencies to award negotiated contracts for supplies and services [*see 48 C.F.R. § 53.214(a)*]. Pending issuance of a new form, the reference in block one should be amended to read 15 C.F.R. § 700 [*48 C.F.R. § 53.214(a)*].

Standard Form 26 [*48 C.F.R. § 53.301-26*], is used in contracting by negotiation, except for construction, architect-engineer services, or small purchases [48 C.F.R. § 15.414(b)(1)-(3)]. It is prescribed for use in awarding sealed bid contracts for supplies and services when the bid is obtained on Standard Form 33, Solicitation, Offer and Award [*see § 90B.220*], but the bidder's offer leads to further changes and the resulting contract is prepared as a bilateral document on Standard Form 26 [*48 C.F.R. § 53.214(a)*; *see 48 C.F.R. § 14.408-1(d)*]. It also may be used in entering into negotiated contracts when the signature of both parties on a single document is appropriate, as when the prospective contractor has amended its offer [*48 C.F.R. § 53.215-1(a)*; *see 48 C.F.R. § 15.509*]. Pending issuance of a new form, the reference in block one should be amended to read 15 C.F.R. § 700 [*48 C.F.R. § 53.214(a)*].

Paper copies of the form can be ordered by calling Federal Supply customer assistance at (800) 525-8027. [1] Comment--Use of Form

This form is the official GSA form used by government agencies to award contracts that result from bids or offers [*see 48 C.F.R. § 53.214(a)*].

Standard Form 1447, Solicitation/Contract [*48 C.F.R. § 53.301-1447*], is prescribed for use for soliciting offers for supplies or services and for awarding contracts that result from the bid or offer. It must be used when the simplified contract format is used [*see 48 C.F.R. 14.201-9*], and may be used in place of the Standard Form 26 [*see § 90B.221*] or Standard Form 33 [*see § 90B.220*] with other solicitations and awards [*see* 48 C.F.R. § 53. 214(d) (optional use)]. Agencies may prescribe additional detailed instructions for use of the form [*48 C.F.R. § 53.214(d)*]. For firm-fixed-price and fixed-price with economic adjustment contracts for acquisition of supplies and services, the contracting officer may use Standard Form 1447 in lieu of the Uniform Contract Format [48 C.F.R. §§ 14.201(a)(5), *15.204-1(c)*].

Paper copies of the form can be ordered by calling Federal Supply customer assistance at (800) 525-8027. [1] Comment--Use of Form

This form is the official GSA form used by government agencies to amend or modify various types of solicitations, orders, and contracts for supplies and services [*see 48 C.F.R. § 53.243*].

Standard Form 30, Amendment of Solicitation/Modification of Contract [*48 C.F.R. § 53.301-30*], is used by a contracting officer to amend solicitations, modify purchase and delivery orders, and modify contracts regarding procurement for supplies and services, other than construction contracts or contracts for architect-engineer services [*48 C.F.R. § 53.243*]. It is also used when there are modifications of contracts resulting from change orders, or termination for default or convenience of the government [*48 C.F.R. § 53.243*; *see 48 C.F.R. §§ 42.1203(g), 43.301, 49.602-5*]. For a discussion of modification and termination of procurement contracts, see *§§ 90B.44[1] through [4]*.

In addition, this form may be used for modifying purchase orders issued in response to oral or written requests for quotations [*48 C.F.R. § 53.213(b)*; *see* 48 C.F.R. § 13.503(b); *see also § 90B.210* (Standard Form 18, Request for Quotations)]. Standard Form 30 is issued before execution of the contract and must be acknowledged by the contractor as an amendment to the original [*see* [2], *below* (item 11)].

[a] Use of Form

This form is the official GSA form used by government agencies to solicit offers and award contracts relating to construction, repair, and alteration [*see 48 C.F.R. § 53.236-1*].

Standard Form 1442, Solicitation, Offer, and Award (Construction, Alteration, or Repair) [*48 C.F.R. § 53.301-1442*], is prescribed for use in soliciting offers and awarding contracts expected to exceed the small purchase limitation for (1) construction, alteration, or repair, or (2) dismantling, demolition, or removal of improvements. It may also be used for construction contracts within the small purchase limitation [*48 C.F.R. § 53.236-1(d)*; *see 48 C.F.R. § 36.701(a)*].

Although the official form itself has not been revised, *48 C.F.R. § 53.236-1(e)* has been amended to replace the date on the form reproduced here with "(Rev. 3/2005)" [*see 69 Fed. Reg. 14955 (2005)]* .

Contracting officers are required to provide access to presolicitation notices electronically through the government point of entry (GPE), via the Internet, for federal government procurement opportunities over $25,000 [*see 48 C.F.R. § 5.204*; www.FedBizOpps.gov; § 90B.20[1]].

Either the sealed bid method or the competitive proposal may be used when negotiating prices for construction [*48 C.F.R. §§ 36.103* (bids), 36.402 (proposals); *see* [2], *below* (item 2, type of solicitation)]. Most construction contracts are invitations for bids, however, and use similar procedures, contract format, and prescribed clauses as those used in contracts for supplies or services [*see § 90B.220 [1]*], with the most common differences as noted [*see* [c]-[h], *below*].

Paper copies of the form can be ordered by calling Federal Supply customer assistance at (800) 525-8027. The form also may be downloaded from the Department of General Services web site (GSA Forms Library) at http://www.gsa.gov/. The applicant may complete the application online and then print it or may print the application

and then fill it out manually. Instructions for completing the application are located at the web site.

[b] Negotiation Procedures

Procedures for negotiated procurements of construction are similar to those used for negotiating contracts for supplies or services [*see* 48 C.F.R. § 36.402]. For a discussion of negotiation procedures for competitive proposals, see *§ 90B.25[1][f]*.

[c] Specifications and Drawings

The Specifications and Drawings for Construction clause [*48 C.F.R. § 52.236-21*] must be included in solicitations and contracts when a fixed-price construction contract or a fixed-price dismantling, demolition, or removal of improvements contract is contemplated and the contract amount is expected to exceed $25,000 [*48 C.F.R. § 36.521*]. The clause specifies that the contractor must keep on the worksite a copy of the specifications and drawings to which the contracting officer must have access at all times [*see 48 C.F.R. § 52.236-21(a)*].

[d] Differing Site Conditions

The Differing Site Conditions clause [*48 C.F.R. § 52.236-2*] must be included in solicitations and contracts when a fixed-price construction contract or a fixed-price dismantling, demolition, or removal of improvements contract is contemplated and the contract amount is expected to exceed $25,000 [*48 C.F.R. § 36.502*]. The clause provides for an adjustment in contract price if the contractor discovers that (1) the subsurface or latent physical conditions at the site differ materially from those indicated in the contract, or (2) unusual physical conditions exist that differ materially from those ordinarily encountered in the type of work specified in the contract [*48 C.F.R. § 52.236-2(a)*].

[e] Subcontracting

Government consent for subcontracting is generally not required under prime contracts that are firm-fixed-price or fixed-price with economic price adjustment provisions [*48 C.F.R. § 44.201-1(a)*]. However, if the prime contractor does not have an approved purchase system, consent is required if the subcontract is estimated to be over $100,000 or the subcontract is one of a number of contracts under the prime contract, with the same subcontractor for the the same supplies or services, that in the aggregate is estimated to be over $100,000 [*48 C.F.R. § 44.201-1(c), (d)*]. For government consent requirements for subcontracting, see *§ 90B.44[6]*.

Under the Anti-Kickback Act [*41 U.S.C. § 51 et seq.*], construction contracts must also contain an anti-kickback clause [*see 48 C.F.R. § 52.203-7*] that prohibits contractors from receiving, and subcontractors from making, payments or favorable treatment in relation to prime contracts for the government [*48 C.F.R. § 3.502-2*; *see § 90B.45[4]*].

[f] Labor Laws

There are three main labor laws applicable to construction contracts: the Davis-Bacon Act [*40 U.S.C. §§ 3141-3144, 3146, 3148*], requiring that minimum wage be paid to laborers and mechanics in construction contracts for over $2,000; the Kickback (Copeland) Act [*18 U.S.C. § 874*], making it unlawful to induce any person employed on a construction or repair project for the government to give up any part of his or her compensation; and the Contract Work Hours and Safety Standards Act [*40 U.S.C. § 3703 et seq.*], requiring that laborers on construction contracts be paid at least one and one-half times the basic rate of pay for hours worked in excess of 40 hours per week. For discussion of labor laws applicable to construction contracts, see *§ 90B.43[3][a][iii]*.

[g] Liquidated Damages Clause

A liquidated damages clause may be included if considered in the best interests of the government [*see 48 C.F.R. §*

11.502(a); *see also 48 C.F.R. § 52.211-12* (prescribed Liquidated Damages--Construction clause)]. This might occur, for example, when the time of delivery or performance is so important that the government could reasonably be expected to suffer damages in the event of failure of performance and the extent of damages would be difficult to discern. Construction contracts with liquidated damages provisions must describe the rates of the liquidated damages assessed per day of delay. The rates should include an amount for other expected expenses associated with delayed completion, such as renting substitute property, or paying additional allowance for living quarters [*48 C.F.R. § 11.502(b)*]. If the contract specifies more than one completion date for separate parts or stages of the work, the amount of liquidated damages for delay of each separate part or stage of the work should be stated [*48 C.F.R. § 11.503(b)*].

[h] Bonding

A bid bond is required for construction contracts when payment and performance bonds are required [*48 C.F.R. § 28.101-1(a)*]. Posting of payment and performance bonds is required for construction contracts exceeding the small purchase limitation [*48 C.F.R. § 28.102-1*]. Payment and performance bonds may also be required for contracts other than construction contracts [*see 48 C.F.R. § 28.103-1(a)*; *see also 48 C.F.R. §§ 28.103-2*, *28.103-3*]. For the forms used for posting bid and payment and performance bonds, see *§§ 90B.231-90B.234*.

§ 90B.231 Bid Bond--Standard Form 24

[1] Comment

[a] Use of Form

This form is the official GSA bid bond, which is used by a contractor to submit a bid bond for a construction contract. Bid bonds are generally required only when payment and performance bonds are required [*48 C.F.R. § 28.101-1*; *see* [b], *below*].

Paper copies of the form can be ordered by calling Federal Supply customer assistance at (800) 525-8027. The form also may be downloaded from the Department of General Services web site (GSA Forms Library) at http://www.gsa.gov/. The applicant may complete the application online and then print it or may print the application and then fill it out manually. Instructions for completing the application are located at the web site.

[b] When Bid Bond Is Required

Standard Form 24, Bid Bond [*48 C.F.R. § 53.301-24*], is required when payment and performance bonds are required under a construction contract, and must accompany the response to a solicitation for bid [*48 C.F.R. § 28.101-1(a)*]. Payment and performance bonds are required for construction contracts exceeding $100,000 [*48 C.F.R. § 28.102-1(a)*; *see 48 C.F.R. § 28.102-1(b)* (exceptions)]. A bid bond states that the bidder will be able to obtain payment and performance bonds within a certain period of time, if a contract is awarded [*see 48 C.F.R. § 28.001*; *see also § 90B.22[5]*]. Payment and performance bonds may also be required for contracts other than construction contracts, thereby invoking the requirement for a bid bond [*see 48 C.F.R. § 28.103-1(a)*].

The chief of the contracting office may waive the requirement for a bid bond if he or she determines that it is not in the best interest of the government for a specific acquisition (such as overseas construction or emergency acquisitions) [*48 C.F.R. § 28.101-1(c)*].

For procedures used for the submission of bids, see *§ 90B.124*.

[c] Amount of Bond

The bid bond must be in an bid guarantee amount adequate to protect the government from loss if the successful bidder fails to execute further contractual documents and bonds as required. The bid guarantee amount must be at least 20 percent of the bid price, but must not exceed $3 million [*48 C.F.R. § 28.101-2*].

[1] Comment

[a] Use of Form

This form is the official GSA performance bond, which is used by a contractor to submit a performance bond for a government contract [*48 C.F.R. § 28.102-1*; *see* [b], *below*].

Paper copies of the form can be ordered by calling Federal Supply customer assistance at (800) 525-8027. The form also may be downloaded from the Department of General Services web site (GSA Forms Library) at http://www.gsa.gov/. The applicant may complete the application online and then print it or may print the application and then fill it out manually. Instructions for completing the application are located at the web site.

[b] When Performance Bond Is Required

Standard Form 25, Performance Bond [*48 C.F.R. § 53.301-25*], is required for construction contracts exceeding $100,000 [*48 C.F.R. § 28.102-1(a)*; *see 48 C.F.R. § 28.102-1(b)* (exceptions)]. Performance bonds may also be required for contracts other than construction contracts [*see 48 C.F.R. § 28.103-1(a)*]. Performance bonds must be furnished by the successful bidder after the Notice of Award is given but before the contract is awarded [*48 C.F.R. § 28.102-1(c)*]. The contractor may not begin work until the required bonds have been furnished [*48 C.F.R. § 28.102-1(c)*].

For procedures relating to the posting of performance bonds, see *§ 90B.141*.

[c] Amount of Bond

The amount of the performance bond is normally 100 percent of the original contract price, plus an additional amount equal to 100 percent of any increase [*48 C.F.R. § 28.102-2(b)(1)*]. However, the contracting officer may determine that a lesser amount is adequate [*48 C.F.R. § 28.102-2(b)(1),(e)*], or that additional protection is required if the contract price

is increased [*48 C.F.R. § 28.102-2(d)*].

[1] Comment

[a] Use of Form

This form is the official GSA payment bond, which is used by a contractor to submit a payment bond for a government contract [*48 C.F.R. § 28.102-1*; *see* [b], *below*].

Paper copies of the form can be ordered by calling Federal Supply customer assistance at (800) 525-8027. The form also may be downloaded from the Department of General Services web site (GSA Forms Library) at http://www.gsa.gov/. The applicant may complete the application online and then print it or may print the application and then fill it out manually. Instructions for completing the application are located at the web site.

[b] When Payment Bond Is Required

Standard Form 25A, Payment Bond [*48 C.F.R. § 53.301-25-A*], is required for construction contracts exceeding $100,000 [*48 C.F.R. § 28.102-1(a)*; *see 48 C.F.R. § 28.102-1(b)* (exceptions)]. Payment bonds may also be required for contracts other than construction contracts [*see 48 C.F.R. § 28.103-1(a)*]. For other than construction contracts, a payment bond is required only when a performance bond is required [*48 C.F.R. § 28.103-3(a)*]. A payment bond must be furnished by the successful bidder after the Notice of Award is given but before the contract is awarded [*48 C.F.R. § 28.102-1(c)*]. The contractor may not begin work until the required bonds have been furnished [*48 C.F.R. § 28.102-1(c)*].

For procedures relating to the posting of payment bonds, see *§ 90B.141*.

[c] Amount of Bond

The amount of a payment bond must be no less than the amount of a performance bond [*48 C.F.R. § 28.102-2(b)(2)*; *see*

§ 90.232[1][c]]. For contracts exceeding $25,000 but not exceeding $100,000, the penal amount of the payment bond or the amount of alternate payment protection must equal 100 percent of the contract price, plus an additional amount equal to 100 percent of any increase [*48 C.F.R. § 28.102-2(b)(2)*]. The contracting officer also may reduce the amount of security to support a bond [*48 C.F.R. § 28.102-2(d)*], subject to specified limitations [*see 48 C.F.R. §§ 28.203-5(c), 28.204(b)*].

§ 90B.234 Affidavit of Individual Surety--Standard Form 28

[1] Comment

[a] Use of Form

This form is the official GSA affidavit of an individual surety, which is submitted by a contractor in support of its bonds on a construction contract [*48 C.F.R. § 28.203*; *see* [b], [c], *below*].

Paper copies of the form can be ordered by calling Federal Supply customer assistance at (800) 525-8027. The form also may be downloaded from the Department of General Services web site (GSA Forms Library) at http://www.gsa.gov/. The applicant may complete the application online and then print it or may print the application and then fill it out manually. Instructions for completing the application are located at the web site.

[b] When Affidavit Is Required

Standard Form 28, Affidavit of Individual Surety [*48 C.F.R. § 53.301-28*], is prescribed for use when a contractor is using an individual surety for its bonds. The affidavit must be executed by the surety and submitted with the payment and performance bonds. The surety must also execute the bond. The unencumbered value of the assets pledged must equal or exceed the amount of each bond [*48 C.F.R. § 28.203(b)*; *see §§ 90B.232*, *90B.233* (bond forms)].

For procedures relating to the use of sureties and the submission of this affidavit, see *§ 90B.141*.

[c] Use of Sureties

All contracting agencies must obtain adequate security for bonds required or used on supplies and services contracts (including construction contracts). Acceptable forms of security include corporate or individual sureties, or other specified acceptable forms of security [*48 C.F.R. § 28.201(a)*; *see 48 C.F.R. §§ 28.204-1*, *28.204-2* (other forms of security)].

To be acceptable security, corporate sureties must appear on the list contained in Treasury Department Circular 570 [*48 C.F.R. § 28.202(a)(1)*].

Individual sureties are acceptable for all types of bonds except position schedule bonds. The contracting officer will determine the acceptability of individual sureties, and will ensure that the surety's pledged assets are sufficient to cover the bond obligation [*48 C.F.R. § 28.203(a)*]. Acceptable assets from an individual surety include cash, readily marketable assets, and irrevocable letters of credit from a federally insured financial institution [*see 48 C.F.R. § 28.203-2(a), (b)*; *see also 48 C.F.R. § 28.203-2(c)* (unacceptable assets)].

§ 90B.240 Architect-Engineer Qualifications

[1] Comment

[a] Use of Form

This form, Standard Form (SF) 330, Architect-Engineer Qualifications, is the consolidated form for selection of architect-engineer contractors by federal agencies. The form replaces Standard Form 254, Architect-Engineer and Related Services Questionnaire, and Standard Form 255, Architect-Engineer and Related Services Questionnaire for Specific Project.

The form was created based on the results of a joint government-industry survey of the superseded forms. The objectives of this form are to merge the superseded forms into a single streamlined form, expand essential information about qualifications and experience, reflect current architect-engineer disciplines, experience types, and technology, eliminate information of marginal value, permit limitations on submission length, and facilitate electronic usage [*69 Fed. Reg. 1050]* .

Architect-engineer (A-E) firms must use this form to provide information to federal agencies about their professional qualifications [*48 C.F.R. § 53.236-2(b)*; *see 48 C.F.R. § 36.702(b)*]. Federal agencies use the information submitted on this form to evaluate and select the most highly qualified firms from which to make the final selection for the award of a contract [*see 48 C.F.R. § 36.602-3(a),(c)*; *see also* [b], *below*].

Part I of this form presents the qualifications for a specific contract; part II presents the general qualifications of a firm or of a specific branch of the firm [*see* [2], *below*].

This form is available online at the General Services Administration web site at www.gsa.gov/ and can also be found at *48 C.F.R. § 53.301-330*. For clarification of content, contact the Procurement Analyst at (202) 219-0202.

[b] Procedures for Acquisition of Services

Federal agencies obtain A-E services by negotiating in accord with distinct competitive procedures applicable only to A-E contracting [*48 C.F.R. § 36.103(b)*; *see 48 C.F.R. § 36.000 et seq.* (procedures)]. Firms interested in obtaining A-E contracts must file the form in [2], *below*, with the appropriate federal agency and regional or district office for construction activities [*48 C.F.R. § 36.603(b)*].

For discussion of A-E contracts, see *§ 90B.40[4]*. For procedures used in competing for A-E contracts, see *§ 90B.123*.

[a] Use of Form

This form is the official GSA contract used by a contracting agency to award fixed-price contracts for architect-engineer (A--E) services [*48 C.F.R. § 52.236-2(a)*].

Standard Form 252, Architect-Engineer Contract [*48 C.F.R. § 53.301-252*], is prescribed for use for award of fixed-price contracts for A--E services, and includes the project description, location, and amount of the contract [*48 C.F.R. § 52.236-2(a)*; *see 48 C.F.R. § 36.702(a)*]. Pending issuance of a new edition of the form, Block 8, Negotiation Authority, is deleted [*48 C.F.R. § 52.236-2(a)*].

Paper copies of the form can be ordered by calling Federal Supply customer assistance at (800) 525-8027. The form also may be downloaded from the Department of General Services web site (GSA Forms Library) at http://www.gsa.gov/. The applicant may complete the application online and then print it or may print the application and then fill it out manually. Instructions for completing the application are located at the web site.

[b] Evaluation and Selection

Agency contracting officers acquire A--E services by negotiation in accord with distinct competitive procedures applicable only to A--E contracting [*48 C.F.R. § 36.103(b)*; *see 48 C.F.R. § 36.000 et seq.* (procedures for the acquisition of A & E services)]. The response of a firm to a solicitation, as indicated on Standard Form 252, is used by the agency evaluation board in conjunction with information and data submitted on Standard Form 330 [*see § 90B.240* A--E], and with reference to the prescribed selection criteria, to make an initial selection of the most highly qualified firms, before final selection of the firm to be awarded the contract [*48 C.F.R. § 36.602-3(a)-(c)*].

For a discussion of A--E contracts and the selection criteria used for award of such contracts, see *§ 90B.40 [4]*. For

procedures used in competing for A--E contracts, see *§ 90B.123*.

B. Bid Mistakes, Protests, and Claims
1. Correction of Bid Mistakes

30-90B California Legal Forms--Transaction Guide § 90B.250

§ 90B.250 Request for Correction of Mistaken Bid Before Award

[1] Comment

[a] Use of Form

This form is a letter from a bidder to the contracting officer in charge of a procurement requesting permission to correct a mistaken bid before award of the contract is made. Mistakes having to do with the bid actually intended may be corrected before or after the award [48 C.F.R. §§ 14.406-3 (before award), 14.406-4 (after award)]. Correction of mistakes in proposals before the award can be made during negotiations [*48 C.F.R. § 15.607(a), (b)*]. Minor informalities and irregularities in bids may be waived or corrected before the award if doing so does not prejudice other bidders [*48 C.F.R. § 14.405*]. Apparent clerical mistakes on their face may be corrected by the contracting officer before the award, such as obvious misplacement of decimal points or obvious incorrect discounts on verification by the bidder stating the bid actually intended [48 C.F.R. § 14.406-2].

This form is for use by a bidder who discovers a mistake in its bid before award [*see* 48 C.F.R. § 14.406-3(a)]. It may be adapted for use by a contractor who discovers, after the award has been made, that there is a mistake in the bid that led to award of the contract [*see* [c], *below*]. However, a post-award request for "correction" is actually a request either for an amendment to the contract, a supplemental agreement, or rescission or reformation of the contract [*see* 48 C.F.R. § 14.406-4(a), (b)]. For procedures used for correction of mistakes in bids or proposals after award, see *Section 90B.126*.

[b] Correction Before Award

If a bid, as submitted, was responsive to the solicitation, the bidder may request permission to correct a bid mistake before award; permission to correct a mistake in a bid may not be used to make an otherwise unresponsive bid responsive [48 C.F.R. § 14.406-3]. The request must be supported by clear and convincing evidence establishing both the existence of the mistake and the bid actually intended [48 C.F.R. § 14.406-3(a)]. However, if the correction would displace lower acceptable bids, the correction will not be allowed unless the existence of the mistake and the bid

actually intended are ascertainable substantially from the invitation for bid and the bid itself [48 C.F.R. § 14.406-3(a)].

If a bidder requests permission to withdraw a bid, rather than to correct it, and the evidence is clear and convincing both as to the existence of the mistake and as to the bid actually intended, and the bid, both as uncorrected and corrected, is the lowest bid received, the agency head may make a determination to correct, rather than to allow withdrawal [48 C.F.R. § 14.406-3(b)]. If a bidder requests permission to correct a mistake or to withdraw it, and the evidence of the mistake is clear and convincing only as to the mistake but not as to the intended bid or the evidence reasonably supports the existence of a mistake but is not clear and convincing, the bidder may be allowed to withdraw [48 C.F.R. § 14.406-3(c)].

[c] Correction After Award

If the bid mistake is not discovered until after a contract has been awarded, the contractor may seek only the contracting officer's agreement to either an amendment to the contract or a rescission or reformation of the contract [48 C.F.R. § 14.406-4(a), (b)]. An amendment may be approved only if the amendment would make the contract more favorable to the government without changing its essential requirements [48 C.F.R. § 14.406-4(a)]. A rescission or reformation deleting the items as to which a mistake is proven or increasing the price will be allowed if the new contract price does not exceed that of the next lowest acceptable bid [48 C.F.R. § 14.406-4(b)].

The request for relief must be supported with clear and convincing evidence that a mistake was made and either that it was mutual or that it was unilateral but so apparent that the contracting officer should be charged with notice of the probability that there was a mistake [48 C.F.R. § 14.406-4(c)].

The denial of the contractor's request to correct a mistake after the award may be disputed under the Disputes clause contained in the contract [*see* 41 C.F.R. §§ 14.406-4, 33.201 et seq. (disputes and appeals)]. For discussion of resolving claims and disputes under the Contract Disputes Act, see *Section 90B.61*. For procedures used for filing a claim or making a dispute under the Disputes clause, see *Section 90B.140*.

[d] Supporting Evidence

A request for the correction of a bid mistake, whether submitted before or after an award, must be supported with clear and convincing evidence [48 C.F.R. §§ 14.406-3(a), 14.406-4(c)]. The evidence for correction of the bid after the award may consist of written statements by the bidder (illustrated in this form), supported by such documents as the bidder's file copy of its bid, original worksheets and other data used in preparing the bid, any relevant quotations from subcontractors and suppliers, any published price lists bearing on the issue, and any other evidence that would serve to establish the mistake, the manner in which it occurred, and the bid actually intended [48 C.F.R. § 14.406-4(e)(1)].

30-90B California Legal Forms--Transaction Guide § 90B.260

§ 90B.260 Protest to Individual Agency or to General Accounting Office

[1] Comment

[a] Use of Form

This form is a letter for use by a bidder to protest the award or proposed award of a contract to any other bidder on the grounds that the protesting bidder, rather than the successful bidder, is the low responsive responsible bidder and the bidder to whom the contract should be awarded [*see 48 C.F.R. § 7.307(b)*]. It is not used to protest the results of calculations based on cost-comparison for which an informal administrative appeal process must be provided [*48 C.F.R. § 7.307*].

An interested party wishing to protest a contract award is encouraged to seek resolution with the contracting agency before filing a protest with the General Accounting Office (GAO) or, for protests against award of contracts for acquisition of automatic data processing equipment (ADPE), with the General Services Board of Contract Appeals (GSBCA) [*48 C.F.R. § 33.102(c)(1)*].

This form is for making a protest directly to the agency contracting officer and is adaptable for use for making a protest to the GAO. This form may be modified to protest a proposed award on any other ground, such as claimed defects in the procurement process, including defects in the specifications contained in the invitation for bids [*see* [e], *below*].

For the award protest procedures, see *Section 90B.127*. For a thorough discussion of the strategy and tactics of bid protests, see Steiger, Federal Contract Management, Volume 1, Chapter 6, *Bids and Awards* (Matthew Bender).

[b] Notice of Bid Rejection

When an award is made to a bidder other than the low bidder, the contracting agency must promptly notify the unsuccessful lower bidders that their bids were rejected, stating in general terms the reason for rejection [*48 C.F.R. § 14.408-1(a)(1)*]. The unsuccessful bidder may request additional information from the contracting officer, including the

name and address of the successful bidder, the contract price, and the place where an abstract of bids may be inspected [*see 48 C.F.R. § 14.408-1(c)*].

[c] Permitted Protests

Contracting officers are required to consider all protests or objections concerning the award of a contract, whether submitted before or after the award, and whether filed directly with the agency, the GAO, or with the GSBCA for protests regarding contracts for ADPE acquisitions [*see 48 C.F.R. § 33.102(a)*].

[d] Agency Protest

An interested party wishing to protest is encouraged to seek resolution with the agency before filing a protest with the GAO or the GSBCA [*48 C.F.R. § 33.102(c)(1)*]. Agency protests may be submitted by interested parties to the individual or location designated for the agency in the Service of Protest space on the bid or proposal form [*48 C.F.R. § 33.103(b)(1)*; *see 48 C.F.R. § 52.233-2* (prescribed Service of Protest clause)]. The written protest must include the following information [*48 C.F.R. § 33.103(b)(3)*]:

(1) The name, address, and telephone number of the protester;

(2) The identity of the issuing agency and the solicitation and/or contract number;

(3) A detailed statement of the factual and legal grounds of the protest, including relevant documents;

(4) A specific request for a ruling; and

(5) A statement of the relief requested.

For discussion of protests to the individual agency, see *Section 90B.60 [2]*. For procedures used for making protests to an individual agency, see *Section 90B.127*.

[e] Protest to General Accounting Office

In accord with GAO bid protest regulations [4 C.F.R. pt. 21 et seq.], a party wishing to do so may protest an award to the GAO [*48 C.F.R. § 33.102(c)(2)*]. The GAO will consider protests directed to it in advance of any protest to the procuring agency, including protests concerning solicitations and against awards and proposed awards [*see 4 C.F.R. § 21.1(a)*]. The GAO will also consider protests submitted initially to the procuring agency [*see 4 C.F.R. § 21.2(a)(3)*]. The protest filed with the GAO must include the following information [*4 C.F.R. § 21.1(c)*]:

(1) The name, address, and telephone number of the protester;

(2) The original protest signed by the protester and at least one copy;

(3) The identity of the issuing agency and the solicitation and/or contract number;

(4) A detailed statement of the factual and legal grounds of the protest, including relevant documents;

(5) A specific request for a ruling by the Comptroller general of the United States; and

(6) A statement of the relief requested.

No formal briefs or other technical forms, pleadings, or motions are required, but the protest submission should be concise, logically arranged, and clearly state legally sufficient grounds for the protest. A complete copy of the protest must be provided to the contracting officer no later than one day after it is filed with the GAO [*4 C.F.R. § 21.1(e)*].

An agency report must be filed with the GAO within 25 days from the date of notification to it of protest filed with the GAO. In addition, copies of the agency report must be furnished to all interested parties [*4 C.F.R. § 21.3(c)*]. Comments on the agency report must be filed within 10 days after receipt of the report; the protester's failure to file comments, file a written statement requesting that the case be decided on its merits, or to require an extension within a 10-day period, will result in dismissal of the protest [*4 C.F.R. § 21.3(j)*].

A hearing on the merits of the protest may, at the sole discretion of the GAO, be held at the request of the protester for purposes of resolving specific factual disputes essential to the resolution of the protest and that cannot be otherwise resolved from the record. Interested parties may submit written comments on matters developed at the conference within three days of receipt of a transcript of the hearing [*4 C.F.R. § 21.5(a)*]. This form includes a request for a bid protest hearing and the opportunity to comment on the submissions of other parties.

A decision by the Comptroller General of the GAO will be issued generally within 90 days following the filing of the protest [*4 C.F.R. § 21.7(a)*]. Any party may request reconsideration of the GAO's decision [*4 C.F.R. § 21.14(a)*]. For procedures used for making protests to the GAO, see *Section 90B.127*.

[f] Protest to the General Services Administration Board of Contract Appeals

The General Services Administration (GSA) has authority over government acquisition of automatic data processing equipment, including authority of the General Services Board of Contract Appeals (GSBCA) to review decisions of individual agencies' contracting officers regarding the award of such contracts [*48 C.F.R. § 33.102(a)*; *see* 48 C.F.R. pt. 61 (GSBCA rules)]. For discussion of protests to the GSBCA, see *Section 90B.60[4]*. For procedures used for making protests against an award generally, see *Section 90B.127*. This form is drafted for use for protest to the individual agency, but may be adapted for protest to the GSBCA regarding ADPE acquisitions.

§ 90B.270 Initial Claim of Contractor Under Disputes Clause--Claim Directed to Contracting Officer

[1] Comment

[a] Use of Form

This form is a letter for use by a contractor to initiate a claim against the contracting agency pursuant to the Disputes clause [*see 48 C.F.R. § 52.233-1*] and any other pertinent clause contained in the contract. The contractor's claim must be initiated by submission in writing to the contracting officer for decision [*48 C.F.R. § 33.206(a)*]. This form includes a certification [*see* [2] P 6, *below*] for use when the claim involves more than $100,000 (or any claim, regardless of amount, when using alternative dispute resolution), as required by the Contract Disputes Act, and states that the claim is made in good faith, is supported with accurate and complete data, that the amount requested reflects the contract adjustment for which the contractor believes the government is liable, and that the person signing the form is authorized to certify the claim on behalf of the contractor [*48 C.F.R. § 33.207(a), (c), (e)*; *see 48 C.F.R. § 52.233-1(d)(2)(iii)*]. This form also includes a paragraph formally demanding the relief sought as well as a final decision on the subject by the contracting officer.

For discussion of resolving contract claims and disputes, see *§ 90B.61*. For procedures used in filing claims, see *§ 90B.140*.

[b] Claims Arising Under the Contract

A claim is a written demand or assertion by one of the contracting parties seeking, as a legal right, the payment of money, an adjustment or interpretation of contract terms, or other relief arising under or related to the contract [*48 C.F.R. § 2.101*]. However, a written demand or written assertion by the contractor seeking the payment of money exceeding $100,000 is not a "claim" under the Contract Disputes Act of 1978 [*41 U.S.C. § 601 et seq.*] until certified as required by the Act [*48 C.F.R. § 2.101*]. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim. The submission may be converted to a claim, by written notice to the contracting officer as provided in *48 C.F.R. § 33.206(a)*, if it is disputed either as to liability or amount or is not acted upon in a reasonable

time [*48 C.F.R. § 2.101*].

A claim "arising under" a contract, unlike a claim "relating to" that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant [*48 C.F.R. § 33.213(a)*]. Thus, for example, a contractor's claim could be for more money or more time in which to perform the contract under the Changes clause [*see 48 C.F.R. §§ 52.243-1-52.243-7*], or the conversion of a termination of the contract for default to a termination for the convenience of the government under the provisions of the Termination for Convenience of the Government clause [*see 48 C.F.R. §§ 52.249-1-52.249-5*]. Claims for reformation of the contract or monetary relief in mitigation of a unilateral bid mistake are also proper legal claims subject to this process [*see Paragon Energy Corp. v. United States (Ct. Cl. 1981) 645 F.2d 966, 975]* .

[c] Fraudulent Claims

The contents of a claim should be carefully considered. If a contractor cannot support any part of the claim and it is determined that the inability is attributable to misrepresentation of fact or fraud, the claim will be referred to the agency office responsible for investigating fraud [*48 C.F.R. § 33.209*]. For discussion of fraudulent claims, see *§ 90B.61[2][b]*.

[d] Decision by Contracting Officer

The contracting officer must issue a written decision and mail or deliver a copy of it to the contractor. The decision must include a description of the claim or dispute, state the reasons for the contracting officer's decision, and inform the contractor of its rights of appeal [*48 C.F.R. § 33.211(a)(4)(i)-(v)*]. Specific findings of fact are not required. If they are made, they are not binding in subsequent appeals [*41 U.S.C. § 605(a)*]. The decision is final and conclusive and is subject only to review by the agency board of contract appeals or the Court of Federal Claims [*48 C.F.R. § 33.211(a)(4)(v)*; *see 41 U.S.C. § 605(b)*]. The failure of the contracting officer to issue a decision within the time required will be deemed a denial by the contracting officer and will authorize the contractor to file an appeal or suit on the claim [*48 C.F.R. § 33.211(g)*].

[e] Interest on Amounts Due on Claims

A contractor is entitled to interest on amounts found undue and unpaid from (1) the date the contracting officer receives the claim (properly certified if required), or (2) the date payment would otherwise be due, if that date is later [*48 C.F.R. § 33.208(a)*]. Interest is paid at the rate established by the Secretary of the Treasury [*48 C.F.R. § 33.208(b)*].

[f] Contractor's Right of Appeal

The contractor may appeal a contracting officer's decision to the contracting agency's board of contract appeals or to the Court of Federal Claims [*48 C.F.R. § 33.211(a)(4)(v)*]. For the form used for noticing an appeal to an agency board of contract appeals, see *§ 90B.271*.

30-90B California Legal Forms--Transaction Guide § 90B.271

§ 90B.271 Notice of Appeal of Contracting Officer's Final Decision on Contract Claim to Agency Board of Contract Appeals

[1] Comment

[a] Use of Form

This form is a contractor's notice that it is appealing a contracting officer's decision on a disputed claim. This notice of appeal is given in order to initiate the appeal process and it must be filed with the contracting agency's board of contract appeals within 90 days from the date on which the contractor receives the contracting officer's decision. The contractor may appeal after the contracting officer's final decision is received [48 C.F.R. § 32.211]. A copy of this notice must be furnished to the contracting officer [48 C.F.R. § 32.211(a)(4)(v); *41 U.S.C. § 606*].

The contractor may elect to use the board's expedited procedures for small claims of $10,000 or less, with simplified rules of procedure and a decision rendered within 120 days, or accelerated procedures for disputes of $50,000 or less, with a decision rendered within 180 days [48 C.F.R. § 32.211(a)(4)(v)].

[b] Decision by Agency Board of Contract Appeals

Each agency's board of contract appeals has jurisdiction to decide any appeal from a decision of a contracting officer relating to (1) a contract made by its agency, or (2) a contract made by another agency if that agency has delegated jurisdiction. The board may grant any relief that would be available in the Court of Federal Claims, such as damages for breach of contract, compensation for changes or constructive changes, or time or other adjustments [*41 U.S.C. § 607(d)*].

[c] Review of Board's Decision

The contractor or the agency may appeal a decision of the agency board of contract appeals to the Court of Appeals for the Federal Circuit within 120 days after receipt of a copy of the decision [*41 U.S.C. § 607(g)(1)*]. On review, a board

decision on any question of law is not final or conclusive. However, a decision on any question of fact is final and conclusive and may not be set aside unless it is fraudulent, so arbitrary, capricious, or grossly erroneous as to necessarily imply bad faith, or not supported by substantial evidence [*41 U.S.C. § 609(b)*].

[d] Contractor's Duty to Continue Performance

The standard Disputes clause used in government contracts requires that, pending final decision of an appeal or action, a contractor must proceed with performance of the contract in accordance with the contracting officer's decision [*48 C.F.R. § 33.213(a), 41 U.S.C. § 605(b)*]. This requirement applies to claims, appeals, and actions whether arising under a contract or relating to it [*see 48 C.F.R. § 33.213*; *see also 48 C.F.R. § 52.233-1(i)* (Disputes clause)].

Scope

This chapter covers agreements for the services of various kinds of independent sales representatives who sell products of manufacturers and suppliers. Included are discussion, drafting guides, and forms for agreements with manufacturers' and suppliers' agents, distributors, consignees, commission merchants, and independent wholesale sales representatives. For general coverage of sales of goods, see Ch. 52, *Sales of Goods Under the Uniform Commercial Code* .

This chapter does not cover employment contracts with sales representatives who are employees of manufacturers and suppliers. For employment contracts, including those with sales personnel, see Ch. 85, *Employment Agreements* .

This chapter does not cover agency agreements, used in transactions involving sales or exchanges of real property, which are dealt with in Ch. 21, *Agreements With Real Estate Brokers and Agents*.

For coverage of distributorships that operate as franchises, see Ch. 51A, *Franchise Registration* .

CHAPTER 91 CONTRACTS WITH SALES REPRESENTATIVES
PART II. LEGAL BACKGROUND
A. Legal Relationship Between Seller and Sales Representative

30-91 California Legal Forms--Transaction Guide § 91.10

§ 91.10 General Characteristics of Agency Relationships

A sales representative is usually an agent of the manufacturer or producer whose products are being sold. Generally, an agent is one who represents another (the principal) in dealings with third persons [*Cal. Civ. Code § 2295*; *see* Restatement (Second) of Agency § 1(1)]. Any person having capacity to contract may appoint an agent, and any person may be an agent [*Cal. Civ. Code § 2296*].

The sales agency relationships discussed in this chapter are actual agencies created by express agreement of the parties [*see Cal. Civ. Code § 2299* (agency is actual when principal really employs agent)]. However, an ostensible agency may arise when a principal engages in conduct that leads a third person to believe that the principal has employed another to be his or her agent [*see Cal. Civ. Code §§ 2300, 2317*]. For example, an ostensible agency may result on the termination of a contract sales agency if the principal does not take steps to ensure that advertising materials are revised to reflect that the former agent no longer represents the principal.

A sales agency may take one of several forms, depending primarily on which party has possession and title to the products subject to the agreement. Thus, for example, an agent selling products on behalf of a principal may be classified as a traditional sales representative [*see § 91.11*], a consignee [*see § 91.13*], a commission merchant [*see § 91.14*], or an independent wholesale representative [*see § 91.15*]. In contrast, a distributor generally purchases goods from a manufacturer or supplier and resells the goods for the distributor's own account. Thus, at least with regard to the act of reselling the goods, the distributor is not an agent of the manufacturer or supplier, although the distributor may be deemed an agent based on other circumstances (for example, by servicing products under the manufacturer's warranty) [*see Cal. Civ. Code § 2295* (agent is "one who represents another ... in dealings with third persons"); *Alvarez v. Felker Mfg. Co. (1964) 230 Cal. App. 2d 987, 1000, 41 Cal. Rptr. 514* (buyer-seller relation between distributor and the manufacturer or supplier is not agency); *see also § 91.12*].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 91 CONTRACTS WITH SALES REPRESENTATIVES
PART II. LEGAL BACKGROUND
A. Legal Relationship Between Seller and Sales Representative

30-91 California Legal Forms--Transaction Guide § 91.11

§ 91.11 Manufacturer's or Supplier's Agent

A manufacturer's or supplier's agent is one who sells the goods of a manufacturer or supplier to retailers or others, generally on an extended contractual basis within a territory that may be exclusive or nonexclusive. The agent may have limited authority with regard to the prices and terms of sales. Typically, the agent generally also handles noncompeting but related lines of goods. This type of agent also is sometimes referred to as a "selling agent," "sales agent," "broker," or "manufacturer's representative."

A manufacturer's or supplier's agent ordinarily has neither possession of nor title to the goods that the agent sells. Rather, the agent sells on the basis of a sample or samples, taking purchasers' orders and forwarding them to the manufacturer or supplier for acceptance. The manufacturer or supplier then fills the orders accepted and ships directly to the purchasers. This manner of operation distinguishes the manufacturer's or supplier's agent from a distributor, consignee, and commission merchant [see *§§ 91.12*, *91.13*, *91.14*].

A manufacturer's or supplier's agent who solicits wholesale orders only is called an "independent wholesale sales representative" and is subject to special statutory requirements [*see Cal. Civ. Code § 1738.10 et seq.*]. For detailed discussion, see *§ 91.15*].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 91 CONTRACTS WITH SALES REPRESENTATIVES
PART II. LEGAL BACKGROUND
A. Legal Relationship Between Seller and Sales Representative

30-91 California Legal Forms--Transaction Guide § 91.12

§ 91.12 Distributor

A distributor is a sales representative that purchases products from the manufacturer or supplier for resale. Thus, title to the goods passes to the distributor at the time of delivery of the products to the distributor from the manufacturer or supplier. Distributors generally operate at the wholesale level, selling only to retail outlets, but some distributors sell partially or entirely to retail customers.

A distributor differs from a manufacturer's or supplier's agent, and from a consignee, in that the distributor has both possession of and title to the goods that the distributor sells, while a consignee has only possession and not title [*see § 91.13*], and a manufacturer's or supplier's agent has neither possession nor title [*see § 91.11*].

Nonmutual profit is inherent in the contractual relationship between a distributor and a manufacturer. The manufacturer is free to make pricing and distribution decisions for the purpose of increasing profits at the expense of distributors. Although, such decisions usually are made to increase the manufacturer's overall sales and have the effect of benefiting both the manufacturer and the distributors. However, since nonmutual profit is inherent in the relationship, it is not a fiduciary relationship [*Rickel v. Schwinn Bicycle Co. (1983) 144 Cal. App. 3d 648, 654-655, 192 Cal. Rptr. 732* (manufacturer had no fiduciary duty to exercise good faith in deciding whether to approve proposed buyer of distributor's business)].

Distributors are commonly used by manufacturers or suppliers for the marketing of automobiles and automotive parts, electronic equipment and supplies, machine tools and related equipment, plumbing fixtures and supplies, hospital equipment and supplies, furniture, drugs, and toiletries, jewelry, and paper supplies. A distributor may handle the products of only one manufacturer or supplier, or those of several noncompeting manufacturers or suppliers.

A distributor that handles the products of only one manufacturer or supplier may operate as a franchise. The discussion and forms in this chapter focus on nonfranchised distributors. For coverage of franchising, see Ch. 51, *Franchise Agreements* .

A distributorship may or may not include an agency relationship. Considered in isolation, the distributor's sales to its

customers are for the distributor's own account rather than on behalf of the manufacturer or supplier. Thus, the buyer-seller relation between the distributor and the manufacturer or supplier is not an agency relationship [*see Cal. Civ. Code § 2295* (agent is "one who represents another ... in dealings with third persons")]. However, other circumstances may lead to a finding that the distributor is acting as the manufacturer's or supplier's agent [*see Alvarez v. Felker Mfg. Co. (1964) 230 Cal. App. 2d 987, 1000, 41 Cal. Rptr. 514* ("One who receives goods from another for resale to a third person is not thereby the other's agent in the transaction: whether he is an agent for this purpose or is himself a buyer depends upon whether the parties agree that his duty is to act primarily for the benefit of the one delivering the goods to him or is to act primarily for his own benefit." (quoting Restatement (Second) of Agency, § 14J].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 91 CONTRACTS WITH SALES REPRESENTATIVES
PART II. LEGAL BACKGROUND
A. Legal Relationship Between Seller and Sales Representative

30-91 California Legal Forms--Transaction Guide § 91.13

§ 91.13 Consignee

[1] Elements of Consignment

A consignment is an agency relationship in which the consignor (the manufacturer or supplier) places goods in the possession of the consignee (the sales agent), who then sells the goods to the ultimate purchasers. Until an item is sold to the ultimate purchaser, the consignor retains ownership of the product. While in the hands of the consignee, the goods are referred to as being "on consignment," or sometimes "on memorandum," "on behalf of seller," or "in trust." Although the consignee acts as the agent of consignor's agent in procuring a sale of the product, that relationship does not necessarily create fiduciary duties between the parties [*see* City of Hope Nat'l Med. Ctr. v. Genentech, Inc. (Apr. 24, 2008) _____ Cal. 4th _____, _____ Cal. Rptr. 3d _____, _____ P.3d _____, *2008 Cal. LEXIS 4435, at *25* (stating, in dictum, that " no court has ever held or suggested, as far as we know, that [when a car owner takes the car to a garage for repairs,] the garage operator owes fiduciary duties to the car owner. A similar situation might be presented when a manufacturer entrusts its product to a retailer on consignment.")].

A consignee differs from a distributor and from a manufacturer's or supplier's agent, in that the consignee has possession of the goods but not title to them, while a distributor has both title and possession [*see § 91.12*], and a manufacturer's or supplier's agent has neither [*see § 91.11*]. Thus, it is a misnomer to refer to a consignment as a "consignment sale," since the consignee is not a purchaser. The ownership of the goods does not move to or through the consignee; it moves directly from consignor to purchaser [*cf. Cal. U. Com. Code § 2326(4)* (personal, family, or household goods consigned for sale do not become property of consignee unless consignee purchases and fully pays for goods)].

The consignees discussed in this chapter are those whose primary business is selling goods on consignment. However, if the consignee is a merchant thatis not generally known by its creditors to be substantially engaged in selling the goods of others, the consignment agreement can create a security interest in the goods in favor of the consignor, so as to provide protection against claims of the consignee's creditors [*see Cal. U. Com. Code §§ 9102(a)(12)(C), (20), 9109(a)(4)*]. For detailed coverage of the creation and perfection of security interests in personal property, see Ch. 42, *Secured Transactions* .

[2] Duty of Disclosure

A consignee, commission merchant, broker, or factor [*see § 91.14*] to whom any property is consigned or entrusted for sale generally must, when accounting for the property or subsequently on the written demand of the principal or consignor, prepare a written statement setting forth the name and address of the person or persons to whom the property (or any part of it) was sold, the quantity sold to each purchaser, and the prices obtained for the property. However, unless a separate written demand is made, prior to sale, as to each consignment or shipment, it is sufficient to set forth in the statement only as much of the required information as can be obtained from the books of account kept by the consignee, commission merchant, broker, or factor. The written statement is not required for a cash sale for an amount less than $50. Any person violating the foregoing requirements is guilty of a misdemeanor [*Cal. Penal Code § 536a*].

It is also a misdemeanor for any consignee, commission merchant, broker, agent, or factor to willfully and corruptly make, or cause to be made, to the consignor or principal a false statement as to the price obtained for any property consigned or entrusted for sale, or as to the quality or quantity of that property, or as to any expenditures made in connection with that property. This offense is punishable by fine not less than $200 and not more than $1,000, by imprisonment in the county jail for not less than 10 days and not more than 6 months, or by both of fine and imprisonment [*Cal. Penal Code § 536*].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 91 CONTRACTS WITH SALES REPRESENTATIVES
PART II. LEGAL BACKGROUND
A. Legal Relationship Between Seller and Sales Representative

30-91 California Legal Forms--Transaction Guide § 91.14

§ 91.14 Commission Merchant

[1] Terminology

A "commission merchant" is a sales representative similar to a consignee, in that he or she is entrusted with possession of the products of a manufacturer or supplier of goods for sale but does not actually purchase the goods. In addition, however, a commission merchant is entrusted with control of the goods, whereas in a true consignment the consignor undertakes to retain as much control as possible of the goods in the consignee's possession. Moreover, a commission merchant generally may sell in his or her own name as well as in the name of the principal, whereas in a true consignment the consignee sells only in the name of the principal (the consignor).

The term "commission merchant" is generally used today to mean what formerly was called a "factor." The Civil Code does not define "commission merchant," but (in provisions enacted in 1872 and never amended) it defines "factor" as an agent who, in the pursuit of an independent calling, is employed by another to sell property for him or her, and is vested by the employer with possession or control of the property, or is authorized to receive payment for the property from the purchaser [*Cal. Civ. Code § 2026*; *see also Cal. Civ. Code § 2367*]. In commercial circles, "commission merchant" is now used instead of the term "factor" to avoid confusion with financial institutions that provide accounts receivable financing [*see* Ch. 44, *Accounts Receivable Financing and Factoring*]. The Food and Agricultural Code does use the term "commission merchant" [*see Cal. Food & Agric. Code § 56105*; *see also* [3], *below*].

[2] Authority and Operations of Commission Merchant

A commission merchant handles commodities assigned to him or her for selling on a commission basis. The consignor, in order to protect his or her interests against possible abuse, often stipulates a minimum price at which the goods may be sold. The commission merchant generally has authority to consummate sales without obtaining approval from the consignor. The purchaser usually does not know the identity of the consignor, as the commission merchant conducts the sale as if the goods were his or her own. The commission merchant may extend credit to the buyer if desirable and usually arranges for delivery of the goods, renders a bill in the commission merchant's own name to the purchaser, and collects the purchase price. Finally, the commission merchant sends the consignor an accounting of the transaction and the proceeds of the sale, less the commission charged for the commission merchant's services.

Commission merchants are used by owners of commodities who need an immediate outlet for goods that can be consigned quickly without complicated arrangements. Commission merchants thus are most frequently used for the wholesale marketing of produce (vegetables and fruit), livestock, grain, cotton, and tobacco.

A commission merchant must obey the principal's instructions, notwithstanding any advances made to the principal on the consigned property, except that, if the principal forbids a sale at the market price, the commission merchant may nevertheless sell for his or her reimbursement, provided that he or she gives the principal reasonable notice of his or her intention to do so and of the time and place of sale, and proceeds in all respects as a pledgee [*Cal. Civ. Code § 2027*]. A commission merchant may sell consigned property on such credit as is usual, but after having agreed with the purchaser on credit terms, the commission merchant may not extend it [*Cal. Civ. Code § 2028*]. If a commission merchant guarantees that the principal will receive a fixed price, the commission merchant thereby absolutely assumes to pay the price when it falls due as if it were a debt of his or her own. However, he or she does not thereby assume any additional responsibility for the safety of remittance of the proceeds [*Cal. Civ. Code § 2029*]. A commission merchant who receives property for sale under a general agreement or usage to guarantee its sale or the remittance of the proceeds cannot relieve himself or herself from responsibility for the sale or remittance without the principal's consent [*Cal. Civ. Code § 2030*].

A commission merchant (unless specially restricted by the consignor) has the actual authority of agents in general and in addition has the authority to do the following [*Cal. Civ. Code § 2368*]:

- Insure consigned property that is otherwise uninsured;

- Sell on credit goods entrusted to him or her for sale, unless that would be contrary to the usage in the particular situation (but he or she cannot pledge, mortgage, or barter the goods); and

- Delegate his or her authority to a partner or employee, but not to one in an independent employment.

A commission merchant also has ostensible authority to deal with the consignor's property as his or her own in transactions with persons not having notice of the actual ownership [*Cal. Civ. Code § 2369*].

The Commercial Code protects a person who purchases goods from a commission merchant. Thus, a principal's entrusting of the possession of goods to a commission merchant who deals in goods of that kind gives the merchant the power to transfer all rights of the principal to a buyer in the ordinary course of business [*Cal. Com. Code § 2403(2)*]. "Entrusting" in this context includes any delivery and any acquiescence in retention of possession for the purpose of sale, obtaining offers to purchase, locating a buyer, or the like, regardless of any condition expressed between the parties to the delivery or acquiescence and regardless of whether the entrusting or the possessor's disposition of the goods have been procured through criminal larceny [*Cal. Com. Code § 2403(3)*].

Some commission merchants also do merchant wholesaling, that is, buying goods in their own name and selling them for their own account. This practice is often criticized because of the opportunities if offers for the commission merchant to profit at the expense of the original owner of the goods.

For a drafting guide to agreements with commission merchants, see *§ 91.123*. For contract forms, see *§§ 91.240, 91.241*.

[3] Consignment or Farm Products to Commission Merchant

The Food and Agricultural Code imposes special requirements on commission merchants who sell farm products on consignment. A "commission merchant" for this purpose is any person who (1) receives on consignment or solicits any

farm product from a licensed produce dealer or producer of the product, (2) accepts any farm product in trust from a licensed produce dealer or the producer of the product for purposes of sale, (3) sells any farm product on commission, or (4) handles any farm product in any way for the account of or as an agent of the consignor of the product [*Cal. Food & Agric. Code § 56105*]. Thus, a person who accepts a farm product from a licensed produce dealer or the producer of the product for the purpose of sale or resale is a commission merchant, unless the person has bought, or agreed to buy, the farm product by a contract that designates the price to be paid to the seller [*Cal. Food & Agric. Code § 56105(d)*]. Commission merchants are also included within the meaning of the term "produce dealer" [*Cal. Food & Agric. Code §§ 56808, 57010*].

"Farm products" includes agricultural, horticultural, viticultural, and vegetable products of the soil; poultry and poultry products; livestock not for immediate slaughter and livestock products; bees and apiary products including honey; hay; dried beans; and cut flowers [*Cal.Food & Agric. Code § 56109*]."Farm products" do not include flower seed or agricultural or vegetable seed not purchased from a producer [*Food & Agric. Code 56109*]. The term does not include timber or timber products or any milk product subject to the licensing and bonding provisions of *Cal.Food & Agric. Code § 61801 et seq.*]

Any person engaged in the business of buying, receiving on consignment, soliciting for sale on commission, or negotiating the sale of farm products from a licensee or producer for resale, must have a state license [*Cal.Food & Agric. Code § 56181*]. A commission merchant must post his or her license or a copy of it in his or her office or sales room in plain view of the public [Cal.Food & Agric. § Code 56193].

Every commission merchant receiving farm products must keep detailed records showing all of the following [*Cal.Food & Agric. Code § 56271*]:

- The consignor's name and address;
- The date received;
- Condition and quantity of farm products on arrival;
- Date of each sale for consignor's account;
- Sales price;
- Itemized statement of the charges to be paid by the consignor in connection with the sale;
- The names and addresses of all purchasers if the commission merchant has a financial interest in the business of the purchasers or if the purchasers have any financial interest, directly or indirectly, in the business of the commission merchant;
- A lot number or other identifying mark for each consignment, which number or mark must appear on every sales tag, and every other essential record which is needed to identify each consignment from receipt through final sale; and
- Any claim by the commission merchant against any person for overcharges or damages resulting from the injury or deterioration of the farm products. These records must be open to the inspection of the Director of Food and Agriculture and the consignor of the farm product for which such a claim is made.

When requested a consignor, a commission merchant must, before the close of the next business day following the request, transmit to the consignor a true written report of the quantity sold and the selling price [*Cal.Food & Agric.*

Code 56272]. Remittance in full of the amount realized from sales, including all collections, overcharges, and damages, less the agreed commission and other charges, together with a complete account of the sales, must be made to the consignor within 10 days after receipt of the moneys by the commission merchant, unless otherwise agreed in writing [*Cal.Food & Agric. Code § 56273*]. The account of the sales must include the following [*Cal. Food & Agric. Code § 56273, 56273.1(a)*]:

- The date of shipment.
- The terms of original sale concerning where and when title passes.
- The commodity, variety, size, and grade.
- The quantity shipped.
- The quantity disposed of in a manner other than sale by the buyer, if applicable.
- The original selling price.
- The adjusted selling price, if applicable.
- The reason for adjustment, if applicable.
- Any inspection certificate required to be obtained as stated in *Cal. Food & Agric. Code § 56280*.
- The amounts billed and collected from the buyer for services rendered to the buyer by the commission merchant.
- The gross and net returns received from the buyer.
- Any authorized commission merchant charges.
- Any additional amounts paid to the consignor by the commission merchant to support the original price.
- The net amount due the consignor.

In the account, the names and addresses of the purchasers need not be given. When a commission merchant has contracted with two or more consignors that the returns for farm products sold be pooled on a definite basis as to size or grade or both, during a certain period of time, then the commission merchant must obtain the consignor's written consent and must render an account of sales, showing the net average pool return on each size or grade, or both, from sales made and shall keep a correct record of such sales [*Cal.Food & Agric. Code § 56274*].

The commission merchant must retain a copy of all records for each transaction. These records must be available at all times for the confidential inspection of the Director of Food and Agriculture or the consignor or the authorized representative of either [*Cal.Food & Agric. Code § 56275*].

Proof of any sale of farm products by a commission merchant for less than the current market price to any person with whom he or she has any direct or indirect financial connection as owner of its corporate stock, as a partner or otherwise, or of any sale out of which the commission merchant receives, directly or indirectly, any portion of the purchase price, except the commission named in the licensee's application or in a specific contract with the consignor, establishes a

rebuttable presumption of fraud [*Cal.Food & Agric. Code § 56278*(presumption affects burden of proof)].

A commission merchant may not directly or indirectly purchase for his or her own account any farm product that is received on consignment without prior authority from the consignor, together with the price fixed by the consignor, or without promptly notifying the consignor of the purchase. However, a commission merchant may take to account of sales, in order to close the day's business, miscellaneous lots of parcels of any farm product that remains unsold, if he or she forthwith enters the transaction on his or her account of sales [*Cal.Food & Agric. Code § 56605*].

If a commission merchant to whom a consignment is made reconsigns it to another commission merchant or employs a broker to effect the sale, he or she may not deduct more than one charge for effecting the sale without the prior written consent of the consignor [*Cal.Food & Agric. Code § 56608*].

A commission merchant that fails to account promptly, correctly, fully, and properly for funds received on behalf of the consignor is guilty of a misdemeanor [*see Cal. Food & Agric. Code §§ 56623, 56631, 56634*]. In such a case the consignor may also pursue a common-law action for conversion [*Fischer v. Machado (1996) 50 Cal. App. 4th 1069, 1074-1075, 58 Cal. Rptr. 2d 213* (commission merchant commingled general accounts and sale proceeds of farm products that merchant sold as agent for farmer); *see also Mendoza v. Rast Produce Co. (2006) 140 Cal. App. 4th 1395, 1404-1405, 45 Cal. Rptr. 3d 525* (duly authorized subagent owes same duty to principal as agent, and can be held liable for conversion if that duty is breached)].

For a drafting guide to agreements with commission merchants, see *§ 91.123*. For a form of contract for the consignment of farm products to a commission merchant, see *§ 91.241*.

CHAPTER 91 CONTRACTS WITH SALES REPRESENTATIVES
PART II. LEGAL BACKGROUND
A. Legal Relationship Between Seller and Sales Representative

30-91 California Legal Forms--Transaction Guide § 91.15

§ 91.15 Independent Wholesale Sales Representative

The Independent Wholesale Sales Representatives Contractual Relations Act of 1990 provides special protections for independent wholesale sales representatives [*see Cal. Civ. Code § 1738.10 et seq.*]. For this purpose, a "wholesale sales representative" is a person who contracts with a manufacturer, jobber, or distributor for the purpose of soliciting wholesale orders, and who is compensated in whole or part by commission. The term does not include one who places orders or purchases exclusively for his or her own account for resale (i.e., a distributor), or a sales representative who sells or takes orders for the direct sale of products to the ultimate consumer [*Cal. Civ. Code § 1738.12(e)*; *see Cal. Civ. Code § 1738.12(a),(b),(c)* ("manufacturer," "jobber," and "distributor" defined)]. The protections of the Act do not apply to a person licensed under the Alcoholic Beverage Control Act [*Cal. Civ. Code § 1738.17*; see *Bus. & Prof. Code § 23000 et seq.*].

When a manufacturer, jobber, or distributor is engaged in business in California and uses the services of an independent wholesale sales representative to solicit wholesale orders at least partially within California, the parties must enter into a written contract that includes the rate and method by which the commission is computed, the time when commissions will be paid, the territory assigned to the sales representative, any exceptions to the assigned territory and customers in that territory, and what chargebacks will be made against the commission [*Cal. Civ. Code § 1738.13(a),(b)*; *see Cal. Civ. Code § 1738.14*; *see also §§ 91.124* (drafting guide), 91.250 (form)]. For this purpose, a "chargeback" is any deduction not required by federal or state law [*Cal. Civ. Code § 1738.12(d)*]. The contract may not contain any provision waiving any of the sales representative's rights under the Act [*Cal. Civ. Code § 1738.13(e)*].

The written contract must be signed and distributed to both parties, and the sales representative must sign a receipt acknowledging receipt of the signed contract [*Cal. Civ. Code § 1738.13(c)*].

Any payment of commission to the sales representative must be accompanied by a written accounting of the orders for which payment is made, including customer names and invoice numbers, the rate of commission on each order, and information relating to any chargebacks included in the accounting [*Cal. Civ. Code § 1738.13(d)*].

Willful failure to enter into the required written contract or to pay commissions as required in the contract subjects a

manufacturer, jobber, or distributor to liability to the sales representative in a civil action for treble damages [*Cal. Civ. Code § 1738.15*]. In any action brought by the sales representative pursuant to the Act, the prevailing party will be entitled to reasonable attorney's fees and costs [*Cal. Civ. Code § 1738.16*].

A manufacturer, jobber, or distributor who is not a resident of California, and who enters into a contract regulated by the Act, is deemed to be doing business in California for purposes of personal jurisdiction [*Cal. Civ. Code § 1738.14*].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 91 CONTRACTS WITH SALES REPRESENTATIVES
PART II. LEGAL BACKGROUND
B. Trade Regulation

30-91 California Legal Forms--Transaction Guide § 91.30

§ 91.30 Federal Antitrust Regulation

[1] Sherman Antitrust Act

The Sherman Antitrust Act [*15 U.S.C. § 1 et seq.*] provides that every contract, combination in the form of a trust, or conspiracy in restraint of trade or commerce among the states and with foreign nations is illegal [*15 U.S.C. § 1*]. In particular, the Act prohibits monopolies [*see 15 U.S.C. § 2*; *see also Christofferson Dairy, Inc. v. MMM Sales, Inc. (9th Cir. 1988) 849 F.2d 1168, 1174]* ; vertical price fixing, which is a supplier's attempt to set the price charged by those who resell its products [*see General Cinema Corp. v. Buena Vista Distribution (9th Cir. 1982) 681 F.2d 594, 597* ; *see also Dr. Miles Med. Co. v. John D. Park & Sons Co. (1911) 220 U.S. 373, 407-409, 31 S. Ct. 376, 55 L. Ed. 502]* ; horizontal price fixing, which is an agreement among competitors that interferes with the setting of a price by free market forces [*see United States v. Socony-Vacuum Oil Co. (1940) 310 U.S. 150, 224, 60 S. Ct. 811, 84 L. Ed. 1129]* ; and tying arrangements, which are agreements by a seller to sell a product only on the condition that the buyer purchase a product from the seller, or not purchase from any other supplier [*Northern Pac. R. Co. v. United States (1958) 356 U.S. 1, 5, 78 S. Ct. 514, 2 L. Ed. 2d 545]* .

The Sherman Act applies to every person, including sales representatives and their manufacturers and suppliers, engaged in business whose activities might restrain or monopolize commercial dealings in interstate commerce [*see United States v. South-Eastern Underwriters Ass'n (1944) 322 U.S. 533, 553, 64 S. Ct. 1162, 88 L. Ed. 1440]* .

[2] Clayton Act and Robinson-Patman Antidiscrimination Act

The Clayton Act [*15 U.S.C. § 12 et seq.*] prohibits price fixing and tying and exclusive dealing arrangements that have the effect of substantially lessening competition or tending to create a monopoly in any line of commerce [*15 U.S.C. § 14*]. The Robinson-Patman Antidiscrimination Act [*15 U.S.C. § 13a, 13b, 21a*] amends the Clayton Act and prohibits price discrimination if the effect of the discrimination is to substantially lessen competition or tend to create a monopoly. However, good faith discrimination is permissible to meet competition [*15 U.S.C. § 12(a)*].

A sales representative contract that provides for an exclusive dealing arrangement may have antitrust implications. Section 3 of the Clayton Act makes it unlawful for any person engaged in interstate or foreign commerce to lease, sell,

or contract to sell goods or commodities for resale on the condition, agreement, or understanding that the lessee or purchaser must not deal in goods of a competitor, when the effect of that transaction may be to substantially lessen competition or tend to create a monopoly in any line of commerce [*15 U.S.C. § 14*].

Section 3 of the Clayton Act is considerably broader than the Sherman Act [*see 15 U.S.C. § 1 et seq.*; *see also* [1], above], and thus if a particular arrangement does not violate the Clayton Act, it will not violate the Sherman Act [*see Times-Picayune Pub. Co. v. United States (1952) 345 U.S. 594, 608-609, 73 S. Ct. 872, 97 L. Ed. 1277]* .

For the Clayton Act to apply, a transaction or agreement must have five essential elements. First, there must be a sale, lease, or a contract to sell. Thus, a consignment or sales agency arrangement does not fall within the scope of the Act, because title to the goods does not pass to the consignee or sales representative [*see FTC v. Curtis Pub. Co. (1923) 260 U.S. 568, 581, 43 S. Ct. 210, 67 L. Ed. 408]* . However, a distributorship arrangement may be subject to the Act, because a distributor generally acquires title to the goods for ultimate resale in the distributor's own name.

Second, the sale or lease must involve goods or commodities, as opposed to services, for example [*see Columbia Broad. Sys. v. Amana Refrigeration (7th Cir. 1961) 295 F.2d 375, 378]* . Distributorships clearly meet this element.

Third, the seller or lessor must be engaged in and acting in the course of interstate commerce [*see 15 U.S.C. § 12*; *see also United Shoe Mach. Corp. v. United States (1922) 258 U.S. 451, 465, 42 S. Ct. 363, 66 L. Ed. 708]* . Business acts that, although intrinsically intrastate in nature, substantially affect interstate commerce fall within the scope of the federal antitrust acts, including the Clayton Act [*Burke v. Ford (1967) 389 U.S. 320, 321, 88 S. Ct. 443, 19 L. Ed. 2d 554* (business practices of statewide wholesalers involving distribution of goods manufactured out of state held to substantially affect interstate commerce); *but see Gulf Oil Corp. v. Copp Paving Co. (1974) 419 U.S. 186, 196-199, 95 S. Ct. 392, 42 L. Ed. 2d 378* (intrastate sales of asphaltic concrete for purposes of interstate highway construction affected interstate commerce but were not sales in flow of commerce, which is necessary to satisfy jurisdictional requirements of Clayton Act)]. However, if the effect of a local business practice on interstate commerce is merely incidental, such as having out-of-state customers who account for an extremely small portion of all customers, the seller or lessor will not be deemed to be engaged in and acting in the course of interstate commerce [*Kallen v. Nexus Corp. (N.D. Ill. 1973) 353 F. Supp. 33, 36]* .

The fourth element for the application of the Clayton Act is that the sale or lease include a condition, agreement, or understanding that the purchaser or lessee not deal in the goods or commodities of a competitor. In certain instances, an exclusive dealing contract may not expressly provide that all purchases are to be made exclusively from the seller; however, the courts may infer the existence of the restrictive condition [*Times-Picayune Pub. Co. v. United States (1953) 345 U.S. 594, 606 n.23, 73 S. Ct. 872, 97 L. Ed. 1277]* , especially when the purchaser or lessee is by virtue of the business arrangement unable to purchase or lease the goods in question from a source of his choosing [*see United Shoe Mach. Corp. v. United States (1922) 258 U.S. 451, 464, 42 S. Ct. 363, 66 L. Ed. 708* ; *see also McElhenney Co. v. Western Auto Supply Co. (4th Cir. 1959) 269 F.2d 332, 338]* .

Fifth, the probable effect of the business agreement must be such that it will lessen competition substantially or tend to create a monopoly [*see 15 U.S.C. § 14*]. The courts have developed two significant tests to determine whether the proscribed effects of this element exist. These tests are referred to as the "quantitative substantiality test" and the "qualitative substantiality test."

Under the quantitative substantiality test, the effects of an agreement alleged to violate Section 3 of the Clayton Act are examined in terms of such quantitative factors as the percentage of market foreclosed to competitors of the alleged offender due to the exclusionary condition of the agreement. An exclusive dealing contract is deemed, under this test, to violate Section 3 of the Clayton Act when the competition foreclosed by the contract constitutes, in quantitative terms, a substantial share of the market [*Standard Oil Co. v. United States (1949) 337 U.S. 293, 314, 69 S. Ct. 1051, 93 L. Ed. 1371]* . In one case, the United States Supreme Court found a substantial effect on competition when a manufacturer of

clothing patterns controlled 40 percent of the nation's pattern business [*see Standard Fashion Co. v. Magrane-Houston Co. (1922) 258 U.S. 346, 356-357, 42 S. Ct. 360, 66 L. Ed. 653]* . In another case, the Court held that domination of the market by a company using restrictive contracts was sufficient in itself to support an inference that competition had been or probably would be lessened in a substantial way [*see United Shoe Mach. Corp. v. United States (1922) 258 U.S. 451, 455, 42 S. Ct. 363, 66 L. Ed. 708]* . In a third case, the Court found that there was a violation where an association of dress manufacturers controlled 60 percent of all but the least expensive dress market, despite the association's argument that use of requirements contracts was reasonable and necessary to prevent industrial pirating of styles [*see Fashion Originators' Guild v. Federal Trade Comm'n (1940) 312 U.S. 457, 466, 61 S. Ct. 703, 85 L. Ed. 949]* . In another case, the Court held that, although a company did not dominate the market and did not improve its market position due to its use of restrictive contracts, the company violated Section 3 of the Clayton Act since it foreclosed competition in 6.7 percent ($58,000,000) of an extremely large market [*see Standard Oil Co. v. United States (1949) 337 U.S. 293, 314, 69 S. Ct. 1051, 93 L. Ed. 1371]* .

Under the quantitative substantiality test, if a court determines that an exclusionary agreement affects a substantial share of the market in which the seller or lessor participates, that determination is sufficient to support a finding that Section 3 of the Clayton Act has been violated [*see Times-Picayune Pub. Co. v. United States (1953) 345 U.S. 594, 608-609, 73 S. Ct. 872, 97 L. Ed. 1277]* .

The second, alternative standard to determine whether a contract substantially lessens competition or tends to create a monopoly is known as the "qualitative substantiality test." This test supplements the quantitative test by providing further guidelines for those situations in which the seller or lessor does not dominate the relevant market. This test, like the quantitative test, requires a determination of the share of the market affected by the restraining practice and an evaluation of whether the portion of commerce foreclosed in the relevant market is substantial [*see Tampa Elec. Co. v. Nashville Coal Co. (1961) 365 U.S. 320, 329, 81 S. Ct. 623, 5 L. Ed. 2d 580]* . The qualitative substantiality test requires a court, in determining the weight of the probable effect of the contract on the relevant area of effective competition, to take into account the relative strength of the parties, the proportionate volume of commerce involved in relation to the total volume of commerce in the relevant market area, and the probable immediate and future effects that preemption of that share of the market might have on effective competition in that market [*Tampa Elec. Co. v. Nashville Coal Co. (1961) 365 U.S. 320, 329, 81 S. Ct. 623, 5 L. Ed. 2d 580]* .

Under the qualitative test, a violation will normally be found when more than five percent of the market is foreclosed by anticompetitive agreements coupled with the existence of any of the following adverse economic and business factors: the difficulty for new competitors to enter the market [*see United States v. Richfield Oil Corp. (S.D. Cal. 1951) 99 F. Supp. 280, 292 , aff'd, 343 U.S. 922 (1952)]* ; the excessive bargaining power of the seller over the buyers [*see Lessig v. Tidewater Oil Co. (9th Cir. 1964) 327 F.2d 459, 467-470* (violation found where five percent of the market was controlled)]; and the lack of business justification for using exclusive dealing or requirements contracts [*see Susser v. Carvel Corp. (S.D.N.Y. 1962) 206 F. Supp. 636 , aff'd, 332 F.2d 505 (1964)]* .

[3] Federal Trade Commission Act

The Federal Trade Commission Act [*15 U.S.C. § 41 et seq.*] prohibits unfair methods of competition in commerce and unfair or deceptive acts or practices in commerce [*15 U.S.C. § 45*]. "Unfair competition" that violates this Act is a flexible concept and may involve a variety of unrelated activities [*see FTC v. Bunte Bros., Inc. (1941) 312 U.S. 349, 353-354, 61 S. Ct. 580, 85 L. Ed. 881]* . Exclusive dealing arrangements may run afoul of the prohibition against unfair methods of competition [*see Times-Picayune Pub. Co. v. United States (1952) 345 U.S. 594, 609, 73 S. Ct. 872, 97 L. Ed. 1277]* . For a comprehensive discussion of the Federal Trade Commission Act, see von Kalinowski et al., Antitrust Laws and Trade Regulation (2d ed. Matthew Bender).

[4] Structuring Sales Agencies to Avoid Antitrust Violations

A business arrangement for the purpose of establishing exclusive sales distributorships may be classified as one of two types. When the arrangement involves companies on the same level of distribution (e.g., manufacturers, distributors, or retailers), it is described as a "horizontal" arrangement; if the arrangement is between companies of different levels of distribution (e.g., manufacturer and distributor, or distributor and retailer), it is described as a "vertical" arrangement.

The primary objective of a horizontal arrangement is to eliminate competition by apportioning a particular market between participating companies. Horizontal arrangements constitute per se violations of the federal antitrust laws [*see White Motor Co. v. United States (1963) 372 U.S. 253, 263, 83 S. Ct. 696, 9 L. Ed. 2d 738* (decided under Sherman Act)].

Vertical arrangements do not directly cause the apportionment of markets; however, they tend to establish business relationships that result in the exclusion of competitors and the consequential lessening of competition. Such arrangements, although not constituting per se violations of the law, do have antitrust implications [*see Tampa Elec. Co. v. Nashville Coal Co. (1961) 365 U.S. 320, 81 S. Ct. 623, 5 L. Ed. 2d 580* ; *Standard Oil Co. v. United States (1949) 337 U.S. 293, 69 S. Ct. 1051, 93 L. Ed. 1371]* and so should be organized with extreme care.

CHAPTER 91 CONTRACTS WITH SALES REPRESENTATIVES
PART II. LEGAL BACKGROUND
B. Trade Regulation

30-91 California Legal Forms--Transaction Guide § 91.31

§ 91.31 California Antitrust Regulation

[1] Cartwright Act

The most important California statute regulating trade is the Cartwright Act [*Cal. Bus. & Prof. Code § 16700 et seq.*], which prohibits most trusts as unlawful, against public policy, and void [*Cal. Bus. & Prof. Code § 16726*; *but see Cal. Bus. & Prof. Code § 16725* (agreements to promote competition or trade not unlawful)]. A "trust" in this context is a combination of capital, skill, or acts by two or more persons for any of the following purposes [*Cal. Bus. & Prof. Code § 16720*]:

- To create or carry out restrictions in trade or commerce.
- To limit or reduce the production, or increase the price, of merchandise or any commodity.
- To prevent competition in manufacturing, making, transporting, selling, or purchasing merchandise, produce, or any commodity.
- To fix at any standard or figure, whereby its price to the public or consumer will be in any manner controlled or established, any article or commodity of merchandise, produce, or commerce intended for sale, barter, use, or consumption in California.
- To make, enter into, execute, or carry out any contracts, obligation, or agreements of any kind or description, by which the persons do all, any, or any combination of the following:
    - Bind themselves not to sell, dispose of, or transport any article, commodity, or article of trade, use, merchandise, commerce, or consumption below a common standard figure or fixed value.
    - Agree in any manner to keep the price of any article, commodity, or transportation at

a fixed or graduated figure.

- Establish or settle the price of any article, commodity, or transportation between them or between themselves and others, so as directly or indirectly to preclude a free and unrestricted competition among themselves, or any purchasers or consumers in the sale or transportation of any article or commodity.

- Agree to pool, combine, or directly or indirectly unite any interests that they may have connected with the sale or transportation of any article or commodity, that its price might in any manner be affected.

Any contract or agreement that violates the Cartwright Act is void and unenforceable [*Cal. Bus. & Prof. Code § 16722*]. A civil action based on a violation of the Act may be brought by the Attorney General, a district attorney, or any person whose business or property is injured by reason of anything forbidden or declared wrongful by the Act [*Cal. Bus. & Prof. Code § 16750*].

A pricing agreement made as part of a consignment transaction is not subject to the Cartwright Act. The consignor, as owner of the goods, has right to fix the price at which the consignee sells them, and such an arrangement does not violate the Act or other antitrust laws [*Shasta Douglas Oil Co. v. Work (1963) 212 Cal. App. 2d 618, 622, 28 Cal. Rptr. 190* (no violation of Cartwright Act; citing federal antitrust cases); *see Consolidated Accessories Corp. v. Franchise Tax Bd. (1984) 161 Cal. App. 3d 1036, 1040, 208 Cal. Rptr. 74* (consignor's right to set sale price is basic feature of consignment relationship)].

[2] Unfair Practices Act

The Unfair Practices Act [*Cal. Bus. & Prof. Code § 17000 et seq.*] promotes fair and honest competition by prohibiting unfair, dishonest, deceptive, disruptive, destructive, fraudulent, and discriminatory practices [*Cal. Bus. & Prof. Code § 17001*]. The Act prohibits the following:

- Creating locality discriminations in the production, manufacture, distribution, or sale of any article or product with the intent to destroy or prevent competition [*Cal. Bus. & Prof. Code § 17040*].

- Selling below cost or giving away any article or product for the purpose of injuring competitors or destroying competition [*Cal. Bus. & Prof. Code § 17043*]; *see Cal. Bus. & Prof. Code § 17026* (definition of "cost"); *see also Cel-Tech Communications, Inc. v. Los Angeles Cellular Telephone Company (1999) 20 Cal. 4th 163, 169, 83 Cal. Rptr. 2d 548, 973 P.2d 527* (to violate *Cal. Bus. & Prof. Code § 17043* and *17044*, company must act with purpose of injuring competitors or destroying competition)].

- Selling or using any article or product as a "loss leader" [*Cal. Bus. & Prof. Code § 17044*; *see Cal. Bus. & Prof. Code § 17030* (definition of "loss leader"); *see also Cel-Tech Communications, Inc. v. Los Angeles Cellular Telephone Company (1999) 20 Cal. 4th 163, 169, 83 Cal. Rptr. 2d 548, 973 P.2d 527]* .

- Secretly paying or allowing rebates, refunds, commissions, unearned discounts, or special services or privileges not extended to all purchasers that injury competitors [*Cal. Bus. & Prof. Code § 17045*].

- Using any threat, intimidation, or boycott to violate any of these provisions [*Cal. Bus. & Prof. Code § 17046*].

- Soliciting, or participating or colluding in, a violation of the Act [*Cal. Bus. & Prof. Code §§ 17047,*

17048].

Any person or trade association can bring an action to enjoin a violation of these provisions or to recover damages [*Cal. Bus. & Prof. Code § 17070*]. In addition, it is a misdemeanor to violate any of these provisions [*Cal. Bus. & Prof. Code § 17100*].

[3] Unfair Competition Act

The Unfair Competition Act [*Cal. Bus. & Prof. Code § 17200 et seq.*] authorizes courts to enjoin any act of unfair competition [*Cal. Bus. & Prof. Code § 17203*]. "Unfair competition" means any unlawful, unfair, or fraudulent business practice, and any unfair, deceptive, untrue, or misleading advertisement. The term also includes false advertising [*Cal. Bus. & Prof. Code § 17200*; *see Cal. Bus. & Prof. Code § 17500 et seq.*].

§ 91.32 Foreign Corrupt Practices Act

If a sales representation agreement contemplates sales activity in a foreign country, the principal should take steps to ensure compliance with the Foreign Corrupt Practices Act (FCPA) [*see 15 U.S.C. § 78dd-1 et seq.*].The FCPA makes it illegal for a domestic concern (including its officers, directors, employees, agents, or stockholders) to corruptly use interstate commerce or do any act outside the United States in furtherance of any offer, payment, promise to pay, or authorization of the payment of any money, or offer, gift, promise to give, or authorization of the giving of anything of value directly or indirectly to a foreign official, political party, party official or a candidate for political office in order to influence official acts or decisions of that person or entity, to obtain or retain business or to secure any improper advantage [*15 U.S.C. §§ 78dd-1(a),(g), 78dd-2(a),(i)*; *see 15 U.S.C. §§ 78dd-1(f)(1), 78dd-2(h)(2)* ("foreign official" defined)]. A"domestic concern" for purposes of the FCPA includes any individual who is U.S. citizen, resident, or national, as well as any corporation, partnership, association, joint-stock company, business trust, unincorporated organization, or sole proprietorship that has its principal place of business in the United States or that is organized under the laws of a state or a territory, possession, or commonwealth of the United States [*15 U.S.C. § 78dd-2(h)(1)* ("foreign official" defined)]. The FCPA imposes a similar prohibition on non-U.S. persons who use interstate commerce in furtherance of such payments [*15 U.S.C. § 78dd-3(a)*].

Prohibited payments under the FCPA include not only those made to directly influence the making of contracts with a foreign government, but also those made to indirectly facilitate the conduct of business in a foreign country, such as payments made to foreign officials for illegal reductions of taxes on products imported into the foreign country [*see United States v. Kay (5th Cir. 2004) 359 F.3d 738, 748-750]* .

The FCPA does not apply to any facilitating or expediting payment made to expedite or to secure the performance of a routine governmental action by a foreign official, political party, or party official [*15 U.S.C. §§ 78dd-1(b), 78dd-2(b), 78dd-3(b)*]. The FCPA also authorizes the following [*15 U.S.C. §§ 78dd-1(c), 78dd-2(c), 78dd-3(c)*]:

- A payment, gift, offer, or promise of anything of value that is lawful under the written laws and regulations of the foreign official's, political party's, party official's, or candidate's country.

- A payment, gift, offer, or promise of anything of value that is a reasonable and bona fide expenditure, such as travel and lodging expenses, incurred by or on behalf of a foreign official, party, party official, or candidate and was directly related to the promotion, demonstration, or explanation of products or services, or the execution or performance of a contract with a foreign government or agency of a foreign government.

A violation of the FCPA carries civil and criminal penalties [*see 15 U.S.C. § 78ff*].

§ 91.40 Classification of Sales Representative as Independent Contractor

The sales representation arrangements discussed in this chapter involve agents who are independent contractors. For coverage of salespersons who work as employees of a manufacturer or supplier, see Chapter 85, *Employment Agreements* .

Generally, to be treated as an independent contractor for income-tax purposes, a sales representative should operate a business independent of the manufacturer or supplier, and the parties' relationship should be structured so that the manufacturer or supplier does not have the right to control the means and methods by which the sales representative accomplishes the mutually desired result--sales to customers [see *Treas. Reg. § 31.3401(c)-1(b)*].

PART II. LEGAL BACKGROUND
C. Tax Considerations

30-91 California Legal Forms--Transaction Guide § 91.41

§ 91.41 Tax Treatment of Consignment and Commission Merchant Transactions

In a consignment relationship, the consignee never acquires ownership of the product to be sold; rather, when the consignee sells the product, ownership passes directly from the consignor to the ultimate customer [*see § 91.13[1]*]. As a result, no taxable event occurs for either party until the consignee sells the goods; until that time, the goods are includable in the inventory of the consignor, not that of the consignee.

Any failure of the consignee to account for the consigned goods, or the proceeds from sale when they are received by the consignee instead of by the consignor, creates a deductible loss, rather than a bad debt. This is so because the relationship between the consignor and consignee is not that of creditor-debtor [*see I.R.C. § 166*].

Because a commission merchant is similar to a consignee in that neither ever holds title to the products to be sold [*see §§ 91.13[1], 91.14*], the tax principles applicable to a consignment transaction apply, as a general rule, to the relationship between the commission merchant and the principal.

C. Tax Considerations

30-91 California Legal Forms--Transaction Guide § 91.42

§ 91.42 Tax Treatment of Distributorship

The structure of a distributorship involves two separate sales of each product: first, the distributor purchases the product from the manufacturer or supplier; then, the distributor resells the product to the customer [*see § 91.12*]. Thus, the manufacturer or supplier's taxable event occurs on the first sale, and the distributor's taxable event occurs on the second sale.

Products handled under a distribution agreement are generally treated as inventory or stock in trade, rather than capital assets [*see I.R.C. § 1221(a)(1)*].

PART III. TRANSACTION GUIDE
B. Preliminary Determinations

30-91 California Legal Forms--Transaction Guide § 91.110

§ 91.110 Relationship Between Principal and Representative

1. Determine whether representative should function as sales representative, consignee, distributor, independent wholesale sales representative, or commission merchant, considering following:

a. Product or products to be marketed.

NOTE:
Perishable goods, such as farm products, are usually handled by commission merchants. Distributors are commonly used by manufacturers or suppliers for the marketing of products such as automobiles and automotive parts, electronic equipment and supplies, machine tools and related equipment, and plumbing fixtures and supplies.

b. Compensation arrangement desired by each party.

c. Whether:

(1) Principal will sell products to distributor, who will resell to customers.

(2) Principal will sell products directly to customers solicited by agent.

d. Whether principal wishes to control selling price of products.

NOTE:
Maintaining control over retail prices can be one reason for using a consignment arrangement. The consignor, as owner of the goods, has the right to fix the price at which the consignee sells them, and such an arrangement does not violate other antitrust laws [*Shasta Douglas Oil Co. v. Work (1963) 212 Cal. App. 2d 618, 622, 28 Cal. Rptr. 190* (no violation of Cartwright Act; citing federal antitrust cases);

see Consolidated Accessories Corp. v. Franchise Tax Bd. (1984) 161 Cal. App. 3d 1036, 1040, 208 Cal. Rptr. 74 **(consignor's right to set sale price is basic feature of consignment relationship)]**

2. Determine territory for which representative will be responsible.

3. Determine whether representation will be exclusive within assigned territory.

4. Determine whether representative will be authorized to sell competing products.

5. Determine term of relationship between parties, including renewal options.

6. Determine circumstances under which either party may terminate relationship.

§ 91.120 Contract With Manufacturer's or Supplier's Agent

1. Identify each party by name, legal status, and address of principal place of business [*see § 91.200[2]*; *§ 91.201[2]*, art. 1].

2. Include provision expressly appointing agent to be sales representative for principal, either [*see § 91.200[2]*, PP 1, 2]:

a. As exclusive agent within specified territory, with any exceptions to exclusivity clearly defined [*see § 91.201[2]*, P 2.01].

NOTE:
An exclusive agency may have antitrust implications and should be drafted carefully so as to avoid running afoul of federal and state antitrust laws. For discussion of those laws, see *§§ 91.30* and *91.31*.

b. As nonexclusive agent within specified territory.

3. Specify any restrictions on customers that agent may sell to [*see § 91.200[2]*, P 2].

4. Identify products agent will be responsible for selling [*see § 91.200[2]*, P 1].

5. Specify duration of agent's appointment, such as [*see § 91.200[2]*, P 3; § 91.201[2], P 2.05]:

a. Indefinite duration, subject to cancellation on notice by either party.

b. Specified number of years after execution of agreement, with options to renew for succeeding periods, if desired.

6. Specify duties of agent, such as [*see § 91.200[2]*, P 4]:

a. Promoting and marketing principal's products [*see § 91.201[2]*, P 3.03].

b. Establishing and maintaining showroom or other place of business [*see § 91.201[2]*, P 2.04].

c. Meeting specified sales quotas [*see § 91.200[2]*, P 3].

d. Protecting confidentiality of principal's trade secrets such as customer lists.

7. Specify any restrictions on agent's ability to handle products of principal's competitors [*see § 91.200[2]*, P 4].

8. Specify details of sales of products covered by agreement, including [*see § 91.200[2]*, P 5]:

a. Prices.

b. Terms of sale.

c. Whether agent may make sales on credit.

9. Provide for compensation of agent [*see § 91.200[2]*, P 6; § 91.201[2], art. 4].

a. Specify type of compensation, such as commission at specified rate.

b. Define method of computing compensation.

c. Specify when compensation is payable.

d. Specify whether agent will be entitled to any commissions on:

(1) Sales to customers within agent's assigned territory that are not actually solicited by agent.

(2) Sales made outside agent's territory but shipped to customers within that territory.

10. Define procedure for handling orders from customers, including [*see § 91.200[2]*, P 7; § 91.201[2], P 2.08]]:

a. Forwarding of orders to principal.

b. Acceptance of orders by principal.

c. Time frame for shipment of accepted orders.

d. Issuance of invoices on orders.

e. Handling of orders submitted directly to principal by customers within agent's territory.

11. State miscellaneous duties of principal, such as:

a. Maintaining sufficient inventory to fulfill orders as they come in [*see § 91.200[2]*, P 8].

b. Collection of accounts receivable [*see § 91.200[2]*, P 9].

c. Providing agent with samples of products, displays, advertising and other selling aids, and necessary sales training [*see § 91.200[2]*, PP 10, 11, 12; § 91.201[2], P 3.01]].

d. Providing agent with reports of orders shipped [*see § 91.200[2]*, P 15].

12. Describe nature and scope of any product warranty offered to customers by principal, and specify [*see § 91.200[2]*, P 13]:

a. Agent is not authorized to make additional warranty [*see § 91.200[2]*, P 13].

b. Procedure when agent is contacted by customers with warranty inquiries [*see § 91.200[2]*, P 14].

13. Provide for termination of agreement [*see § 91.200[2]*, P 16; § 91.201[2], art. 5].

a. Specify grounds for termination.

b. Specify method of termination, such as by written notice.

c. Specify rights of each party on termination.

14. Include miscellaneous provisions governing:

a. Agent's status as independent contractor rather than employee of principal [*see § 91.200[2]*, P 17].

b. Indemnification for injuries caused by negligence of party [*see § 91.200[2]*, P 18].

c. Giving of notices [*see § 91.200[2]*, P 19].

d. Resolution of disputes arising under agreement, including arbitration provision if desired [*see § 91.200[2]*, P 20].

e. Assignment of rights under agreement [*see § 91.200[2]*, P 21].

f. Waiver of rights under agreement [*see § 91.200[2]*, P 22].

g. Choice of governing law [*see § 91.200[2]*, P 23].

h. Merger of other agreements in present agreement [*see § 91.200[2]*, P 25].

30-91 California Legal Forms--Transaction Guide § 91.123

§ 91.123 Special Provisions for Contract With Commission Merchant

NOTE:

A commission merchant operates basically on a consignment basis. However, a commission merchant is permitted to exercise at least some control over the goods, whereas in the normal consignment the consignor typically retains as much control as possible over the consigned goods. Further, the commission merchant is customarily permitted to sell either in the commission merchant's own name or in the name of the consignor, whereas in the normal consignment the consignee sells only in the name of the consignor for the consignor's account [***see*** *§ 91.14*]. This section presents special provisions for use in an agreement with a commission merchant. In additional to the following provisions, any provision contained in a standard consignment contract may be included in the commission merchant's contract. For a guide to drafting a standard consignment contract, see *§ 91.122*.

1. Include provision expressly stating that entrustment of goods by consignor to commission merchant will be "on consignment" [*see § 91.240[2],* P 2.02], and that:

a. Title to goods will remain in consignor until sold by commission merchant [*see § 91.240[2],* P 2.05].

b. Commission merchant may sell goods in name of consignor or in name of commission merchant [*see § 91.240[2],* P 3.03].

2. 2. Include specification of terms of, and any restrictions on, sales by commission merchant, such as [*see § 91.240[2],* P 3.02]:

a. Requirement that sales be made at:
(1) Specified minimum price.

(2) Highest market price available.

b. Restrictions on customers to whom commission merchant may sell.

c. If desired, express authorization or prohibition of commission merchant's purchase of goods for own account.

d. Any desired restrictions on credit sales.

e. If desired, include provision expressly authorizing or forbidding commission merchant to reconsign goods to another commission merchant.

NOTE:

Generally, an agent cannot delegate a nonmechanical task without express authorization from the principal [*Cal. Civ. Code § 2349*]. If the agreement authorizes the commission merchant to reconsign the goods, any reconsignee will effectively become a subagent that owes the same duty to the consignor as that owed by the original commission merchant [*Mendoza v. Rast Produce Co. (2006) 140 Cal. App. 4th 1395, 1404-1405, 45 Cal. Rptr. 3d 525* (duly authorized subagent owes same duty to principal as agent, and can be held liable for conversion if that duty is breached)].

3. Provide for compensation of commission merchant, such as specified percentage of sales proceeds [*see § 91.240[2]*, P 2.04].

NOTE:

If a commission merchant handling farm products reconsigns the products to another commission merchant or employs a broker to effect the sale, he or she cannot deduct more than one charge for effecting the sale without the written consent of the consignor [*Cal. Food & Agric. Code § 56608*].

4. If desired, include provision governing return of unsold goods to consignor [*see § 91.240[2]*, P 3.08].

NOTE:

Often, the commodities involved in sales through commission merchants are perishable (for example, produce or other farm products). In such a case, the commission merchant will sell them at the highest available price and not return them to the consignor. However, if the goods involved are not perishable, the parties may wish to delineate their respective rights and responsibilities concerning the logistics and expenses involved in returning unsold goods.

5. If farm products are consigned, include following provisions, with any alterations agreed by parties [*see § 91.241[2]*]:

NOTE:

The following requirements are imposed by statute unless the parties agree otherwise in writing [*Cal. Food & Agric. Code § 56273*; ***see*** *Cal. Food & Agric. Code § 56273.1(b)*].

a. Requirement that commission merchant remit full amount realized from sales, including all collections, overcharges, and damages, less agreed commission and other charges, within 10 days after receiving money [*Cal. Food & Agric. Code § 56273*].

b. Requirement that commission merchant provide, along with amount realized, complete account of

sales [*Cal. Food & Agric. Code § 56273, 56273.1*].

PART III. TRANSACTION GUIDE
C. Drafting Guide

30-91 California Legal Forms--Transaction Guide § 91.124

§ 91.124 Special Requirements for Independent Wholesale Sales Representative Contract

NOTE:

Listed below are provisions that, under the Independent Wholesale Sales Representatives Contractual Relations Act of 1990 [***see*** *Cal. Civ. Code § 1738.10 et seq.*], must be included in a written contract for the services of an independent wholesale sales representative [*Cal. Civ. Code § 1738.13(a),(b)*]. For this purpose, a "wholesale sales representative" is a person who contracts with a manufacturer, jobber, or distributor for the purpose of soliciting wholesale orders, and who is compensated in whole or part by commission. The term does not include one who places orders or purchases exclusively for his or her own account for resale (i.e., a distributor), or a sales representative who sells or takes orders for the direct sale of products to the ultimate consumer [*Cal. Civ. Code § 1738.12(e)*; ***see*** *Cal. Civ. Code § 1738.12(a),(b),(c)* ("manufacturer," "jobber," and "distributor" defined)]. Also, the protections of the Act do not apply to a person licensed under the Alcoholic Beverage Control Act [*Cal. Civ. Code § 1738.17*; see *Cal. Bus. & Prof. Code § 23000 et seq.*].

The Independent Wholesale Sales Representative Act requires that the contract be signed and distributed to both parties, and the sales representative must sign a receipt acknowledging receipt of the signed contract [*Cal. Civ. Code § 1738.13(c)*]. For further discussion of the Act, see *§ 91.15*.

In additional to the following provisions, any provision contained in a standard sales representative contract generally may be included in a wholesale sales representative contract. However, the contract may not include any provision waiving any rights under the Independent Wholesale Sales Representative Act [*Cal. Civ. Code § 1738.13(e)*]. For a guide to drafting a standard sales representative contract, see *§ 91.120*.

1. Specify rate and method by which wholesale sales representative's commission will be computed [*Cal. Civ. Code § 1738.13(b)(1)*; *see § 91.250*, P 5(a)].

2. Specify time when commissions will be paid [*Cal. Civ. Code § 1738.13(b)(2)*; *see § 91.250*, P 5(a)].

3. Specify territory assigned to wholesale sales representative [*Cal. Civ. Code § 1738.13(b)(3)*; *see § 91.250*, P 1].

4. Specify any exceptions to assigned territory and customers in that territory [*Cal. Civ. Code § 1738.13(b)(3)*; *see § 91.250*, P 1].

5. Specify what chargebacks, if any, will be made against commissions [*Cal. Civ. Code § 1738.13(b)(4)*; *see § 91.250*, P 5(b)].

NOTE:

A "chargeback" is any deduction not required by federal or state law [*Cal. Civ. Code § 1738.12(d)*].

6. State duty of manufacturer, jobber, or distributor to provide, with each payment of commission to wholesale sales representative, written accounting of orders for which payment is made, including [*Cal. Civ. Code § 1738.13(d)*; *see § 91.250*, P 5(b)]:

a. Customer names and invoice numbers.

b. Rate of commission on each order.

c. Information relating to any chargebacks included in accounting.

7. Prepare acknowledgment of receipt of signed copy of contract, to be signed by wholesale sales representative after receiving copy of signed contract [*Cal. Civ. Code § 1738.13(c)*; *see § 91.250[2]*].

THERFORE, IT IS HEREBY AGREED AS FOLLOWS:

[*Select one of the following:*]

Exclusive Sales Representative

1. Principal hereby appoints Agent as exclusive sales representative to solicit orders for the Products within the Territory. Agent's exclusive authority under this Agreement shall extend to and include the Products, plus any products developed or offered by Principal during the term of this Agreement, subject to Agent's right to refuse acceptance of exclusive sales representation rights with respect to any or all additional products.

[*OR*]

Nonexclusive Sales Representative

1. Principal hereby appoints Agent as nonexclusive sales representative to solicit orders for the Products within the Territory. Agent's nonexclusive authority under this Agreement shall extend to and include the Products, plus any products developed or offered by Principal during the term of this Agreement, subject to Agent's right to refuse acceptance of exclusive sales representation rights with respect to any or all additional products. Principal reserves the right to sell the Products in the Territory, directly and through other sales representatives, and Agent shall not be entitled to any compensation with respect to any sales made by Principal directly or through another sales representative.

[*Continue with the following:*]

Territory and Customers

2. (a) Agent shall have the _____ [exclusive *or* nonexclusive] right to solicit orders for the Products from any potential customer located within the Territory, except those described in Exhibit C attached hereto. In addition, in any geographical area outside the Territory, Principal also grants to Agent the _____ [exclusive *or* nonexclusive] right to solicit orders for the Products from those customers ("Selected Customers"), if any, specifically named or designated in Exhibit D attached hereto.

(b) All sales within the Territory to the United States Government, either directly or indirectly, for any purpose whatever, including for national defense and security, shall be subject to the provisions of this Agreement. Principal shall submit to the United States Government or its contractors or subcontractors as an item of legitimate expense all compensation contracted, owing, or paid to Agent under this Agreement and shall defend Agent's right to the payment of the same in the same way and with as much force and sincerity as it would do with respect to sums or salaries paid to members of Principal's own private organization.

Term

[*Select one of the following:*]

3. This Agreement shall continue in full force and effect until the date or termination specified in a notice given by one party to the other, which termination date shall be at least _____ days after the date notice is given.

[*OR*]

3. The term of this Agreement shall be _____ years from the date of execution of this Agreement. The Agreement will automatically be renewed on the same terms and conditions for successive one-year periods term unless one party gives to the other notice of its intention to terminate the Agreement at least 60 days prior to the expiration of the term or of any renewal period. However, if during the 12 months immediately preceding the last date for giving termination notice the Agent has satisfied the Sales Quota Requirements set forth in Exhibit E attached hereto, the Agreement shall be automatically renewed for another one-year term unless the Agent gives notice of termination.

[*Continue with the following:*]

Selling Effort

[*Select one of the following:*]

4. Agent must use Agent's reasonable best efforts to solicit orders in the Territory and from Selected Customers. During the term of this Agreement (including renewals and extensions), Agent shall have the right to promote, solicit orders for, sell, and/or otherwise market products manufactured or supplied by persons or firms other than Principal. [*If desired, add:* Agent agrees to obtain and forward orders in accordance with the Sales Quota Requirements set forth in Exhibit E attached hereto; failure to meet the applicable quota for any _____ (*specify, e.g.,* one-year) period shall constitute a breach of this Agreement, but Principal only remedy for such breach shall be termination of this Agreement in accordance with Paragraph 3 above.]

[*OR*]

4. (a) Agent must use Agent's reasonable best efforts to solicit orders in the Territory and from Selected Customers. [*If desired, add:* Agent agrees to obtain and forward orders in accordance with the Sales Quota Requirements set forth in Exhibit E attached hereto; failure to meet the applicable quota for any _____ (*specify, e.g.,* one-year) period shall constitute a breach of this Agreement, but Principal only remedy for such breach shall be termination of this Agreement in accordance with Paragraph 3 above.]

(b) During the term of this Agreement (including renewals and extensions), Agent shall have the right to promote, solicit orders for, sell, and/or otherwise market products manufactured or supplied by persons or firms other than Principal ("Other Accounts"), provided that if such Other Accounts compete directly or indirectly with the Products, Agent must first obtain the written consent of Principal with respect to those activities, which consent may not be unreasonably withheld.

[*Continue with the following:*]

Pricing and Terms of Purchase

5. Principal shall have the absolute right to establish the prices, charges, and terms governing the sale of Products (collectively the "Sales Policies"). The Sales Policies in effect from the date of this Agreement until further notice are set forth in Exhibit F attached hereto. Notwithstanding the Sales Policies, Principal must provide to customers solicited by Agent sales terms that are no less favorable than those generally offered to customers outside the Territory, with reasonable adjustments based on differentials in costs due to Principal's distance from the relevant territory and other relevant factors. At least 60 days prior to any change in the Sales Policies, Principal must give written notice to Agent of the proposed change.

Commissions Payable

6. (a) On each order (represented by a contract or sales order) for a Product or Products that is solicited within the Territory, and that is delivered or to be delivered to the Territory, Principal shall pay to Agent commissions determined in accordance with Exhibit G attached hereto. The same commissions shall be payable on each order solicited from a store in a chain or series of stores whenever the order is subject to approval by a customer headquartered outside the Territory, provided the Products are to be or are delivered to the Territory.

(b) On each order that is solicited from a customer headquartered within the Territory but that is to be delivered outside the Territory, Principal shall pay to Agent an amount equal to 50 percent of the fee or other form of commission otherwise generally payable to the sales representative in the territory where the Product is to be delivered. Exhibit G shall not be applicable to such orders. If there is no sales representative in that territory, however, Principal shall pay to Agent an amount equal to 100 percent of the commission that would otherwise be earned by Agent according to Exhibit G but for the fact of Product delivery outside the Territory.

(c) On each order that is solicited from a customer headquartered outside the Territory but that is to be or is delivered to the Territory, Principal shall pay to Agent an amount equal to 50 percent of the commission that would otherwise be due to Agent in accordance with Exhibit G for an order of the identical Product sold within the Territory.

(d) A commissions shall be deemed earned by Agent on acceptance of the order by Principal pursuant to Paragraph 7. The commission earned by Agent shall be computed on the net amount of the invoice rendered for each order or part of an order, exclusive of freight and transportation costs (including insurance), normal and recurring bona fide trade discounts, and any applicable sales or similar taxes. All commissions earned by Agent under this Agreement shall be due and payable to Agent on or before the 20th day of the month immediately following the calendar month during which the invoice applicable to an order solicited by Agent is sent by Principal. The invoice must be sent by Principal no later than 120 days after acceptance of the order.

(e) If this Agreement shall terminate for any reason whatsoever, Agent shall be entitled to receive Agent's full commissions determined in accordance with the provisions of this Paragraph 6 with respect to orders solicited prior to the effective date of the termination, regardless of when those orders are accepted by Principal and regardless of when shipments are made or invoices rendered.

Handling and Acceptance of Orders

7. Agent must forward to Principal the original of each completed order obtained by Agent not later than 10 business days immediately following receipt of the order by Agent. All contracts and sales orders shall be subject to acceptance

or rejection by Principal. Acceptance must not be unreasonably withheld. Any rejection must be given by written notice to the customer, with a true copy of the notice provided to the Agent. Acceptance of an order shall be deemed to have occurred at the earliest of (1) Principal's written notice of acceptance to the purchaser (with a true copy to Agent), (2) Principal's rendering an invoice for the order, or (3) Principal's failure to properly give written notice of rejection to the customer within 30 days after Agent's forwarding the order to Principal. A true copy of any order sent by a customer directly to Principal must be sent immediately to Agent for Agent's information and records.

Supplies and Deliveries

8. Principal must maintain sufficient inventory and supplies to enable it to fulfill all orders solicited by Agent, and Principal must stand ready to deliver promptly all such orders. Principal must furnish to Agent such information relating to the delivery of Products as Agent may reasonably require under this Agreement in the interest of the customer and the parties to this Agreement.

Invoices and Collections

9. All invoices in connection with orders solicited by Agent must be rendered by Principal, directly to the customer, with a true copy to Agent, whether or not any commission to Agent is involved in the transaction. Full responsibility for all collections and bad debts rests with Principal, which exercises complete control over the approval of all customer credits, orders, and contracts. Principal shall have no right to debit Agent for the loss of any sum involved in any invoice from Principal to the customer, unless that customer is the Agent. Agent must forward promptly to Principal any and all monies or remittances in any form that Agent may collect or that may be placed in Agent's hands by customers of Principal. Furthermore, Agent shall make no allowances or adjustments in accounts, or authorize the return of any Products, unless given specific advance authorization, in individual cases, in writing by Principal.

Selling Aids, Supplies, and Promotion

10. Principal must from time to time supply to Agent, at no cost to Agent, reasonable quantities of Principal's advertising and selling literature, samples, displays, drawings, engineering and other Product data, as designed and made available by Principal, that would be helpful in procuring orders. Principal must strive diligently to maintain and enhance the reputation, usefulness, and acceptance of the Products, and in all reasonable and proper ways to assist Agent in promoting the sale of the Products in the Territory and to Selected Customers.

Assistance in Training

11. Principal must, as reasonably requested by Agent, (1) render advice to Agent in connection with Agent's soliciting orders, (2) familiarize Agent with the operation of the Products; and (3) render assistance to Agent in training Agent's employees and representatives, if any, in connection with soliciting orders.

Availability of Information

12. During the term of this Agreement, Principal must, at its expense, promptly make available to Agent and, as appropriate, to customers solicited by Agent, copies of Principal's brochures, customer lists, forms of orders and contracts, and other information reasonably necessary for Agent's performance under this Agreement, all with the same degree of promptness and quality with which Principal furnishes and makes available those materials to its other

representatives and customers.

Product Warranty

13. Principal must furnish, to each customer solicited by Agent, Principal's standard warranty' covering the Products, as established by Principal from time to time.

Handling of Inquiries

14. Principal must promptly forward to Agent the original of any inquiry regarding the Products received by Principal from Selected Customers or any potential or actual customers within the Territory, along with a copy of any acknowledgment Principal may wish to forward to the customer, and Principal must make available to Agent any information, including but not limited to estimates, specifications, and proposals, as required, that may be reasonably advantageous or required by Agent to enable it to process the inquiry intelligently and successfully.

Shipment Reports

15. Principal must furnish to Agent, not later than the 20th day of each calendar month, a list indicating by customer name and Products, the shipments of Products, invoices rendered for Products, and acceptance and rejection of orders during the immediately preceding calendar month. Each such list must be certified by an authorized officer of Principal and shall be subject to audit by public accountants selected by Agent at _____ [his *or* her *or* its] expense, not more frequently than once each calendar quarter.

Termination

16. (a) Either party shall have the right to terminate this Agreement, prior to the expiration of the term (or any renewal term), upon the occurrence of any of the following events:

(1) Breach or default by the other of any of the terms, obligations, covenants, representations of warranties under this Agreement that is not waived in writing by the non-defaulting party. In such case, the non-defaulting party must notify the other of the alleged breach or default, and the defaulting party shall have a period of 30 days to cure the default.

(2) The other party is declared insolvent or bankrupt or makes an assignment for the benefit of creditors.

(3) A receiver or trustee is appointed for the other party.

(b) Promptly upon expiration of the term or other termination (for any reason) of this Agreement, Agent must immediately cease to solicit orders or to represent in any manner that _____ [he *or* she *or* it] is associated with Principal. Upon termination, Agent must return or cause to be returned to Principal, on receiving Principal's written request and at Principal's expense, all equipment, all manner of identification, decals, advertising material, promotional items, sample contracts, and other materials not previously returned to Principal or previously expended in solicitation activities, that have been furnished by Principal in connection with this Agreement.

Relationship Created

17. Agent is not an employee of Principal for any purpose whatsoever; rather, Agent is an independent contractor. Principal is interested only in the results obtained by Agent, who shall have sole control of the manner and means of performing under this Agreement. Except as set forth in Exhibit H attached hereto, Principal shall not have the right to require Agent to collect accounts, investigate customer complaints, attend sales meetings, periodically report to Principal, conform to any fixed or minimum number of hours devoted to selling effort, follow prescribed itineraries, keep records of business transacted, make adjustments, bind the Principal, conform to particular promotional or solicitation policies of Principal, or do anything else that would jeopardize the relationship of independent contractor between Principal and Agent. All expenses and disbursements, including but not limited to those for travel and maintenance, entertainment, office, clerical, and general selling expenses, that may be incurred by Agent in connection with this Agreement shall be borne by Agent, and Principal shall not be in any way responsible or liable for them. Agent does not have, and Agent must not hold _____ [himself *or* herself *or* itself] out as having, any right, power, or authority to create any contract or obligation, either express or implied, on behalf of, in the name of, or binding upon Principal, or to pledge Principal's credit, or to extend credit in Principal's name, unless Principal consents to such representation or activity in advance in writing. Agent shall have the right to appoint suitable and desirable salespersons, employees, and subagents, and Agent shall be solely responsible for those persons and their acts. Compensation of such persons shall be Agent's sole responsibility, and no salesperson, employee, or subagent shall have any claim against Principal for salaries, commissions, items of cost, or other form of compensation or reimbursement. Principal shall be solely responsible for and must bear all expenses of supplying or producing, assembling, packaging, shipping and, wherever required, installing the Products, and for all expenses of the operation of the Principal's offices, plants, and equipment and facilities, and its business activities as a whole. Principal shall have no right or authority to commit Agent in any matter, cause, or thing whatever, without the prior written consent of Agent either under this Agreement or otherwise, or to use Agent's name in any way not specifically authorized by this Agreement.

Indemnification

18. Each party shall save the other harmless from and against, and shall indemnify the other for, any liability, loss, costs, expenses, or damages howsoever caused by reason of any injury (whether to body, property, or personal or business character or reputation) sustained by any person or to any person or to property by reason of any act, neglect, default, or omission of the indemnifying party or any of that party's agents, employees, or other representatives. If either party is sued in any court for damages by reason of any of the acts of the indemnifying party referred to in this Paragraph 18, the indemnifying party must defend the action (or cause a defense to be provided) at the indemnifying party's own expense and must pay and discharge any judgment that may be rendered in the action. If the indemnifying party fails or neglects to defend the action, the party sued may defend the action, and any expenses, including reasonable attorney's fees, that it may pay or incur in defending the action, and the amount of any judgment that it may be required to pay, must be promptly reimbursed upon demand. Nothing in this Paragraph 18 is intended to relieve, nor shall it relieve, either party from liability for the party's own act, omission, or negligence.

Notices and Requests

19. Any notice, demand, or request required or permitted to be given under this Agreement must be in writing and deposited in the United States mail, postage prepaid, registered or certified, and addressed to the addressee at the principal office set forth above. Either party may change that party's address for purposes of this Agreement by written notice given in accordance with this Paragraph 19.

Dispute Resolution

20. Any dispute arising out of or relating to this agreement, or the breach thereof shall be settled by arbitration in accordance with the rules of the American Arbitration Association, and judgment on the award rendered may be entered in any court having jurisdiction.

Assignment

21. The rights or obligations of either party to the Agreement may not be assigned or delegated, unless the other party has consented in writing to the assignment or delegation

No Implied Waiver

22. The failure of either party at any time to require performance by the other party of any provision of this Agreement shall not affect in any way the full right to require such performance at any subsequent time. The waiver by either party of a breach of any provision of this Agreement shall not be taken or held to be a waiver of the provision itself.

Governing Law; Enforcement of Agreement; Attorney's Fees and Costs

23. This Agreement shall be subject to and shall be enforced and construed pursuant to the laws of the State of California. If any provision or term of this Agreement is held to be invalid, void, or unenforceable, the remainder of the provisions shall remain in full force and effect and shall in no way be affected, impaired, or invalidated. In the event of litigation to enforce any of the provisions of this Agreement, the prevailing party may recover court costs and reasonable attorney's fees. Principal shall pay all expenses incurred by Agent in the collection of any commissions that may become due to Agent under this Agreement.

Exhibits

24. Any additional or modified terms and/or conditions, if any, that the parties consider desirable are embodied in Exhibit I attached hereto. The following Exhibits have been attached to this Agreement and are hereby incorporated by reference in this Agreement: "A," Products; "B," Territory; "C," Excluded Customers; "D," Selected Customers; "E," Sales Quota Requirements; "F," Sales Policies; "G," Commissions; "H," Agent's Additional Responsibilities; and "I," Additional Items. Nothing contained in any Exhibit shall be interpreted as superseding or nullifying the terms and provisions of this Agreement, except as expressly stated in the Exhibit, and in the event of any ambiguity in meaning or understanding between the Agreement proper and the appended Exhibits, the Agreement shall control.

Entire Agreement

25. This Agreement, including the Exhibits attached to it, constitutes the entire agreement between Principal and Agent concerning the subject matter of this Agreement and supersedes all prior and contemporaneous agreements between the parties. This Agreement may be amended only by an instrument in writing that expressly refers to this Agreement and specifically states that it is intended to amend it. Neither party is relying upon any warranties, representations, or inducements not set forth in this Agreement. In the event of any conflict between the provisions of this Agreement and the provisions contained in any contract or sales order form used by Principal, the provisions of this Agreement shall control

If any accepted order, or part of order, is thereafter rejected or cancelled, the amount of

commission or compensation to the credit of the Agent on such order, or part of order, shall be charged against the account of the Agent.

[*Continue with the following:*]

Authority to Employ Salespersons

4.02. The Agent may employ such sales personnel at such compensation and on such other conditions as the Agent deems proper to sell the products of the Principal in the territory assigned to the Agent. In employing any salesperson, the Agent shall enter into a written agreement with him or her containing a provision that he or she is the employee of the Agent and is to be paid by Agent alone and that, in employing the salesperson, the Agent is acting individually and not as agent or attorney for the Principal.

Payment of Expenses

4.03. The Agent shall assume and pay all of the costs of conducting the sales agency under this Agreement. This shall include the commissions or other form of compensation to sales personnel in the Agent's employ.

[*Optional:*]

Share of Net Profits

4.04. If the net profits of the Principal from the sales made for it by the Agent during the period of one year from the date of execution of this Agreement, or during any successive term of one year thereafter, exceed the sum of $ _____, the Principal shall pay to the Agent, in addition to the compensation otherwise agreed to be paid to the Agent under this Agreement, _____percent of the net profit over and above such sum. The net profits shall be ascertained by deducting from the gross profits of such business all expenses and losses incurred in the transaction of such business.

[*Optional:*]

Commissions for Sales Outside Territory

4.05. If the Agent, with the prior written approval of the Principal, shall sell any of the products of the Principal for delivery outside the sales territory granted to the Agent under this Agreement, the Agent shall be entitled to receive as full compensation for that sale a sum equal to _____ percent of the usual commissions involved in any such sale or sales.

ARTICLE 5

TERMINATION

Grounds

[*Select one of the following:*]

5.01. If the Agent violates any provision of this Agreement, or becomes insolvent or bankrupt, the Principal may, on 10 days' written notice to the Agent, terminate this Agreement. Notice to the Agent shall be addressed to the principal place of business of the Agent as stated in this Agreement or as subsequently established by written notice to the Principal.

[*OR*]

5.01. If during any period of one year during the term of this Agreement the Agent shall sell less than a total amount of $ _____ of the products of the Principal as determined by the products wholesale prices, the Principal shall have the option of terminating this Agreement by giving to the Agent two weeks' written notice. Notice to the Agent shall be addressed to the principal place of business of the Agent as stated in this Agreement or as subsequently established by written notice to the Principal.

[*OR*]

5.01. Either party may terminate this Agreement by giving to the other party 30 days' written notice. Notice to either party shall be addressed to the principal place of business of that party as stated in this Agreement or as subsequently established by written notice to the other party.

[*OR*]

5.01. The Principal shall have the right to terminate this Agreement at any time after the expiration of one year from the date of this Agreement, for any cause whatsoever, upon giving two weeks' written notice. Notice to the Agent shall be addressed to the principal place of business of the Agent as stated in this Agreement or as subsequently established by written notice to the Principal.

This Agreement shall continue in force for the period of _____ [*e.g.*, three] years from the date of this Agreement and thereafter for successive periods of _____ [*e.g.*, three] years each, unless either of the parties has given the other party written notice of its election to terminate this Agreement at least _____ [*e.g.*, 90] days prior to the end of any _____ [*e.g.*, three]-year period,.

[*Continue with the following:*]

ARTICLE 3

OPERATIONS

Acceptance of Orders; Filling

3.01. (a) All orders the Company receives for its products from the Distributor are subject to acceptance by Company.

(b) The Company will use its best efforts to fill the accepted orders as promptly as practicable subject, however, to delays caused by government orders or requirements, transportation conditions, labor or material shortages, strikes, riots, fires, or any other cause beyond the Company's control. In all cases, the Company will use its best efforts to advise the Distributor in advance of any inability to make full and timely delivery of any products that the Distributor has previously ordered.

Payment

3.02. (a) The Distributor shall pay the Company for its products the Distributor's net prices f.o.b. _____[*city and state*], according to the following schedule of prices: _____[*set forth*].

(b) The Company may change the schedule of prices at any time without notice.

(c) The Distributor shall pay the Company for products on any of the following terms: cash with order, sight draft with bill of lading attached payable with collection charges and exchange, or C.O.D. by express, all f.o.b. _____ [*city and state*].

Distributor's Efforts, Facilities, and Personnel

3.03. The Distributor will use _____ [his *or* her *or* its] best efforts to promote demand for and sale of the Company's products and will maintain adequate facilities and sales and personnel for that purpose.

Place of Business, Display Room, and Service Department

3.04. The Distributor shall maintain a place of business, display room, and service department satisfactory to the Company at all times, and the Company shall have the right at all reasonable times during business hours to inspect the place of business, display room, and service department.

Appointment of Dealers, Salesmen, or Other Representatives

3.05. (a) The Distributor shall work and develop the territory to the satisfaction of the Company, and in doing so shall appoint dealers, salespersons, or other representatives to sell the Company's products.

(b) The Distributor shall file with the Company a copy of each agreement entered into with such dealers, salespersons, or other representatives defining the territory to be served, which agreements shall be on appropriate forms supplied by

the Company.

(c) Upon expiration or prior termination of any such agreement for any cause, the Distributor shall furnish the Company with notice of the termination in order that the Company's field personnel records will be up to date at all times.

Installation and Maintenance Service

3.06. (a) The Distributor shall provide and maintain at _____ [his *or* her *or* its] own expense an efficient installation and maintenance service on all of the Company's products installed in the territory, in accordance with instructions issued from time to time by the Company.

(b) The Distributor shall see that all necessary repairs to and replacements of Company's products are promptly and properly made, and shall use every reasonable effort to maintain a standard of service consistent with the policy of the Company.

(c) In connection with the maintenance of service on the Company's products, the Distributor shall carry in stock an adequate quantity of repair and replacement parts, as the Company stipulates. In stipulating the quantity of parts to be carried in stock, the Company will be governed by the number of products in the Distributor's territory to be serviced. The Company shall have the right at any reasonable time during business hours to inspect Distributor's stock of parts and, if in the Company's judgment a sufficient quantity of parts for repair and replacement purposes are not then in the Distributor's stock, the Distributor shall promptly order such parts as the Company recommends.

Freight and Installation Charges

3.07. The Distributor may charge to and collect from each person to whom the Distributor sells products acquired hereunder the following items:

(a) Freight charges as paid by the Distributor.

(b) Installation charges, to be set forth on the invoice that the Distributor renders to the purchaser.

Return of Products or Service Parts for Repair or Credit

3.08. (a) Unless the Company has authorized or permitted the return of any products or parts, the Company shall not be obligated to accept from the Distributor any products or parts returned, or to make any exchange thereof, or to credit the Distributor for any returned products or parts.

(b) Except in the case of damage or defect attributable to the Company, the Distributor shall not make any claim against the Company for any damaged or defective product or part.

Common Carriers Agents of Distributor

3.09. Whenever the Company delivers or causes to be delivered to a common carrier any goods ordered by the Distributor, whether or not the particular carrier has been designated in the shipping or routing instructions of the Distributor, the Company shall not be responsible for any delays or damages in shipment. For this purpose, the common carrier to which the Company delivers goods shipped to the Distributor shall be treated as the agent of the Distributor.

Report of Sales

3.10. In order to enable the Company to have a complete record of all products sold, the Distributor shall furnish the Company weekly, or at such intervals as the Company and the Distributor shall otherwise agree, a report of all sales of the Company's products in the territory.

Change of Design

3.11. The Company reserves the right to change the design of any product, or any part of any product, at any time without notice to the Distributor. If any such change is made, the Company may, but shall not be obligated to, make the change upon any products or parts shipped thereafter on the orders of the Distributor, but the Company shall not be obligated to make a similar change on any products or parts previously shipped to the Distributor, or to install or furnish any other or different parts than were there when shipment was made.

Division of Profit on Sales in Other Territory

3.12. (a) Subject to the provisions of Subparagraph (b), if a sale of a Company product is made in the territory of one distributor and installation is made in the territory of another distributor, the gross profit (the difference between the distributor's regular cost and the actual selling price resulting from the sale) shall be divided between distributors as follows: _____percent of the gross profit to the selling distributor and _____ percent of the gross profit to the distributor in whose territory installation is made.

(b) In case of removal or resale of products by the purchaser for use in another territory, Subparagraph (a) shall not apply.

(c) If any dispute arises between the distributors over the division of gross profits as referred to in Subparagraph (a), they shall submit the dispute to the Company, and its decision shall be binding and final.

Sales to United States

3.13. (a) When the Company, either directly or through its branch offices, solicits business from the United States Government, the Company will make the price quotation to the government on Company products on whatever basis it deems most advisable.

(b) In the case of purchases of Company products by the United States that are to be installed in the territory of Distributor, the gross profit (the difference between the Distributor's regular cost and the actual selling price) shall be divided as follows: _____percent to the Distributor in whose territory the products are installed and _____ percent to the Company or its branch, as the case may be.

(c) In making installation of products, the Distributor shall see that installation is made promptly in accordance with instructions issued by the Company and that all necessary repairs and replacements are promptly made.

Right to Use Name

3.14. (a) Subject to the provisions of Subparagraph (b), the Distributor may use the name _____ [*set forth name*] as applied to Company products in any sign or advertising during the continuation of this Agreement.

(b) In case of termination of this Agreement, or upon request of the Company, the Distributor shall discontinue use of the name _____ [*set forth name*] in any sign or advertising and thereafter shall not use the name directly or indirectly in connection with the Distributor's business, and shall not use any other name, title, or expression so nearly resembling it as would be likely to lead to confusion or uncertainty or to deceive the public.

Audits of Books

3.15. The Distributor shall have _____ [his *or* her *or* its] books audited at least annually by a competent accountant or auditor and shall furnish a certified copy of the audit to the Company.

ARTICLE 4

TERMINATION

Right of Company to Cancel

4.01. The Company may at its option cancel this Agreement without advance notice to the Distributor if any of the following occurs:

(a) A petition is filed to have the Distributor declared bankrupt.

(b) A petition is filed to appoint a receiver or trustee for the Distributor.

(c) The insolvency of the Distributor.

[*If the distributor is an individual:*]

(d) The death or incapacity of the Distributor.

[*If the distributor is a partnership:*]

(d) The Distributor's existence as a partnership is terminated, or a disagreement of any nature arises between the members of the partnership, whereby the Company determines that its interests may be imperiled.

[*If the distributor is a corporation:*]

(d) The Distributor's existence as a corporation is terminated.

[*Continue with the following:*]

Termination by Either Without Cause

4.02. Either party may terminate this Agreement at any time without cause by giving the other party _____ days' written notice of termination.

Applicability of Terms After Termination

4.03. In the event of termination, this Agreement shall remain applicable to any orders for products that the Distributor has previously placed and to any other orders that may be executed within _____ [*e.g.,* 90] days subsequent to the effective date of termination.

Repurchase of Products on Termination

4.04. In the event of the termination of this Agreement by either party for any reason, the Company may at its option repurchase from the Distributor any Company products and repair and replacement parts on hand in the Distributor's place of business or in the possession of the Distributor. The repurchase shall be made at the net price paid by the Distributor to the Company, plus actual freight on the shipment of the products and repair or replacement parts to the Distributor. On demand and the tender of the repurchase price, the Distributor shall be obligated to deliver such goods to the Company forthwith. The Company reserves the right, however, to reject any product or repair or replacement part that is not in first-class condition.

Uninstalled Products on Termination

4.05. In case of the termination of this Agreement by either party for any reason, if any products have been sold but not yet installed, the Company may install the products and charge all expenses to the Distributor's account, to be deducted at time of final settlement.

Subrogation on Termination

4.06. In case this Agreement shall be terminated for any reason, the Company shall at its option be subrogated immediately to any agreements, rights, and relations of the Distributor with dealers, salespersons, or other representatives appointed by the Distributor with regard to the sale of Company products and service parts, and all such agreements shall contain a clause to make this provision effective in favor of the Company when this Agreement shall be terminated.

ARTICLE 5

INTERPRETATION AND ENFORCEMENT

Notices

5.01. Any notice, request, demand, or other communication required or permitted under this Agreement shall be deemed

to be properly given when deposited in the United States mail, postage prepaid, addressed as follows:

(a) In the case of notice given to the Company, to _____ [*corporate name, name of officer concerned, street address, city, and state*], or to such other person or address as the Company may from time to time furnish to the Distributor.

(b) In the case of notice given to the Distributor, to _____ [*specify name and title, if appropriate, and street address, city, and state*], or to such other person or address as the Distributor may from time to time furnish to the Company.

Dispute Resolution

5.02. Any dispute arising out of or relating to this agreement, or the breach thereof shall be settled by arbitration in accordance with the rules of the American Arbitration Association, and judgment on the award rendered may be entered in any court having jurisdiction.

Distributor Not Agent or Legal Representative

5.03. This Agreement does not constitute the Distributor the agent or legal representative of the Company for any purpose whatsoever. The Distributor is not granted any right or authority to assume or to create any obligation or responsibility, express or implied, in behalf of or in the name of the Company, or to bind the Company in any manner.

Assignment

5.04. This Agreement constitutes a personal contract and the Distributor shall not transfer or assign the Agreement or any part of it without written consent of the Company.

No Implied Waiver

5.05. The failure of either party at any time to require performance by the other party of any provision of this Agreement shall not affect in any way the full right to require such performance at any subsequent time. Nor shall the waiver by either party of a breach of any provision of this Agreement be taken or held to be a waiver of the provision itself.

Controlling Law

5.06. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of _____, the state in which this Agreement is being executed. It is understood, however, that this is a general form of agreement, designed for use in the United States wherever the Company may desire to sell its products, and that any provision in this Agreement that in any way contravenes the laws of any state or jurisdiction shall be deemed not to be a part of this Agreement in that state or jurisdiction.

Complete Agreement

5.07. This Agreement contains all of the agreements, understandings, representations, conditions, warranties, and covenants made between the parties concerning this distributorship. Neither party shall be liable for any representations made that are not set forth in this Agreement, and all modifications and amendments to this Agreement must be in writing.

DISTRIBUTOR AGREEMENT

_____, hereinafter referred to as the "Company," and _____, hereinafter referred to as the "Distributor," in consideration of the promises made herein and intending to be legally bound, agree as follows:

ARTICLE 1

RECITALS

Legal Status of Company

1.01. The Company is a corporation duly organized, validly existing, and in good standing under the laws of the State of _____, with corporate power to own property and carry on its business as it is now being conducted. Company has its principal office and place of business at _____ [*street address, city, and state*].

Status of Distributor

1.02. The Distributor is a corporation duly organized, validly existing, and in good standing under the laws of the State of _____, with corporate power to own property and carry on its business as contemplated by this Agreement. The Distributor has its principal office and place of business at _____ [*street address, city, and state*].

Purpose

1.03. The purpose of this Agreement is to appoint an overseas distributor for certain of the Company's products.

ARTICLE 2

TERMS AND CONDITIONS

Appointment

2.01. The Company appoints the Distributor as its exclusive distributor with authority to sell to wholesale and retail outlets in _____ [*name of foreign country*] certain of the Company's products, hereinafter collectively referred to as "products," namely, _____[*list products*].

Best Efforts

2.02. In consideration of this appointment, the Distributor shall exert its best efforts to promote the sale of the products, and shall not handle any products of any other person, firm, or corporation that compete with, or are of like nature to, the products referred to in Paragraph 2.01.

Prices and Discounts

2.03. The Company, or other sources that the Company approves, will sell the products to the Distributor at regular prices and discounts for overseas distributors quoted in price lists issued from time to time. The annexed price list is in effect now and applies until further notice.

Advertising and Promotion

2.04. (a) On a monthly basis, the Distributor shall pay into the account of the Company, at such bank or depository as the Company shall designate, in local currency, amounts for each product unit computed on a basis to be agreed on from

time to time by the Company and the Distributor. The Company shall expend the amounts paid into the Company account, or such portion thereof as the Company may select, in the advertising and promotion of the products, all as the Company may deem desirable and proper.

(b) The net selling prices to wholesalers are to be agreed on from time to time by the Company and the Distributor.

(c) Until further notice, the amounts to be paid into the Company account and the net selling prices to wholesalers shall be as shown on the attached Schedule.

Reports

2.05. In order that the Company may be apprised of the distribution of its products, the Distributor shall submit all sales reports and marketing information that the Company may from time to time require. The Company or its authorized representative may inspect and audit the books and records of the Distributor relating to the sale of products at any time during usual business hours.

Trademarks

2.06. The Distributor acknowledges the validity of all trademark registrations in _____ [*name of country*] owned by the Company during the term of this Agreement, including the registrations of the trademarks _____, _____, and _____. The Distributor further acknowledges that the Company is the sole owner of the entire right, title, and interest in the trademarks covered by these registrations, hereinafter called "marks," both in _____ [*name of country*] and elsewhere in the world. The Distributor shall not do any thing or commit any act which might prejudice or adversely affect the validity of the marks or the ownership by the Company thereof, and shall cease to use the marks, or any similar marks, in any manner on the expiration or other termination of this Agreement.

Compliance With Foreign Corrupt Practices Act

2.07. In performing its obligations under this Agreement, Distributor shall not undertake any activity that would constitute a violation of the Foreign Corrupt Practices Act, *15 U.S.C. § 78dd-1 et seq.*

Term

2.08. This Agreement shall become effective as of _____ [*date*] and shall bind the parties for a period of one year from that date, but it shall be terminable at any time on _____ [*e.g.*, 90 days'] written notice sent by registered mail by either party to the other at the address set out above, such notice to be complete upon mailing. The Company shall have the right to purchase at the Distributor's cost all products sold under this Agreement and in the Distributor's possession on the date of expiration or other termination of this Agreement. Such expiration or other termination shall not relieve the Distributor of the obligation to pay for products sold to the Distributor prior to the date of expiration or other termination, nor the obligation to account for all amounts owing to the Company under Paragraph 2.04 with respect to products sold by the Distributor prior to such expiration or termination.

§ 91.230 Consignment Agreement--Letter Form

[1] Comment--Use of Form

This form of consignment agreement, in letter format, is appropriate when the relationship between the parties is meant to be informal and the variety of products consigned is limited. In a consignment, there is no sale between the consignor and consignee; rather, the consignor's goods are entrusted to the consignee, who sells them for the consignor's account [*see § 91.13[1]*]. For a drafting guide for consignment agreements, see *§ 91.122*.

For a consignment agreement between the owner of a motor vehicle and a dealer, see *§ 91.231*.

[2] Form

[*Letterhead of consignor*]

[*Date*]

[*Name and address of consignee*]

Dear _____:

This letter is intended to confirm our understanding that you are appointed one of our sales agents within the State of _____, for the sale of _____ [*specify product or products*], hereinafter referred to as "goods," upon the following terms and conditions.

Consignment

1 We shall ship to you from time to time, on consignment, such quantities and styles of goods as we in our discretion may determine, being mindful of the sales potential in your territory.

Consignment Invoices

2. We shall accompany each shipment with a consignment invoice, invoicing the goods to you at our current factory price, less the usual trade discount. This method of invoicing is followed for our mutual convenience and is not to be construed as a sale of the goods to you.

Acceptance of Possession and Sale

3. You shall accept possession of the goods, on consignment, and sell the goods [*if desired, specify* to retail dealers only], for our account, _____[at list prices as we may establish or authorize from time to time *or* at not less than the consignment invoice price].

Expenses

4. From the time you receive possession of the consigned goods, you shall be liable for and shall pay all expenses incident to that possession, including all expenses of cartage, handling, storage, insuring, selling, and delivering to customers.

Title

5. Title to the goods shipped and consigned to you hereunder shall remain in us at all times until you sell them to your customers, at which time title shall pass directly from us to the respective customers. Similarly, title to the proceeds of all goods sold shall vest in and remain in us until you account for and remit to us our share of the proceeds.

Sales

6. In writing up the sales, you shall employ our sales memoranda, which contain the statement that the sale is conditioned on our approval and the receipt by the purchaser from us of a sales confirmation. You shall undertake sales on credit only to customers you judge to be good credit risks.

Compensation

7. You shall be allowed as compensation the amount of the difference between our consignment invoice price to you and the price for which you sell the goods to customers.

Returns of Goods

8. At all times, consigned goods shall be subject to our direction and control. Upon our demand for the return of any unsold goods consigned to you hereunder, you shall promptly return such goods to us. In the event you find any consigned goods to be unsalable, you may return them to us with our prior consent in writing. We shall bear the expense

of return of any consigned goods.

Records

9. You shall keep accurate records showing all of the following: all goods received from us on consignment with the consignment invoice price; all sales to customers, with the names of the customers, quantities purchased, and the terms of sale; all consigned goods remaining on hand with you; all goods returned by or repossessed from customers, together with credits allowed; and all goods returned to us and credits therefor. You shall allow our representatives to have access to such records on demand and, in addition, shall permit our representatives at reasonable times to inventory the consigned goods in your possession.

Accounting and Remittance

10. You shall render to us not later than the _____ [*e.g.*, 15th] day of each month an accurate, detailed account of all sales of goods made from the consigned stock the previous month, together with returns and repossessions, if any. Simultaneously with such accounting, you shall remit to us a sum equal to the consignment invoice price of all goods sold, less the usual trade discount allowed.

Insurance

11. You shall keep the goods insured at the full wholesale list price against damage, destruction, and loss of every kind while the goods are in your possession, and you shall cause us to be the beneficiaries of such insurance together with you, as our respective interests appear. You shall deposit the current insurance policies with us.

Term

12. This Agreement shall continue in force _____ [until terminated *or specify definite period*]. Either party may terminate the Agreement at any time by giving the other party _____ [*e.g.*, 30 days'] notice in writing in advance of the termination date. Upon the giving of a notice of termination, you shall return to us within the _____ [*e.g.*, 30-day] period all consigned goods remaining unsold and shall account for and remit all compensation due us and remaining unpaid.

If this letter expresses your understanding of our agreement, kindly date and sign the enclosed copy where indicated and return it to us for our files.

PART IV. FORMS
C. Consignment Agreements

30-91 California Legal Forms--Transaction Guide § 91.231

§ 91.231 Consignment Agreement With Vehicle Dealer

[1] Comment--Use of Form

This form is a consignment agreement between the owner of record of a motor vehicle and a dealer who will sell the vehicle. This form presents standard terms, disclosures, and conditions designed to elicit all necessary information to ensure a clear understanding of the consignment the parties seek to conclude.

For these purposes, a "consignment" is an arrangement under which a dealer agrees to accept possession of a vehicle of a type required to be registered under the Vehicle Code from an owner for the purpose of selling the vehicle and to pay the owner or the owner's designee from the proceeds of the sale [*Cal.Veh. Code § 266*].

If the consignor is not a licensed dealer, manufacturer, manufacturer branch, distributor, or a distributor branch, the consignment agreement must contain certain disclosures to protect the consignor [*Cal. Veh. Code § 11729(a)*]. In addition to setting forth the date on which it was executed [*Cal.Veh. Code § 11730(a)*], the agreement must contain the following statements, using the language set forth in the statute [*Cal.Veh. Code § 11730(b)*]:

- A statement of consignment.

- An option to return the vehicle or enter into a new agreement at the termination of the present agreement.

- A statement regarding the disbursement of the proceeds of any sale of the vehicle.

- A statement regarding the value and condition of the vehicle, including its current market value, any outstanding liens, any repairs that are to be made, and the percentage of the fee, or the flat fee amount, to be paid to the consignor.

- A statement requiring an accounting within 20 days after any sale.

- A statement prohibiting the use of the vehicle for any purpose other than that stated in the agreement without the consignor's express written consent.

- The consignor's agreement to furnish all documents necessary to transfer title to the vehicle on the payment of all money due.

- The signatures and addresses of the consignor and the consignee.

- Notice of the consignor's rights on any failure by the consignee to comply with the terms of the agreement.

This form contains the necessary statements.

The failure of a vehicle dealer to comply with the foregoing requirements or to pay the agreed amount to the consignor or his or her designee within 20 days after the date of sale, is cause for revocation or suspension of the dealer's license [*Cal.Veh. Code 11729(a)*; *see Cal.Veh. Code 11705(a)(10)*].

CONSIGNMENT AGREEMENT

1. I [*or* We], the undersigned consignor[s], hereby consign and deliver possession of [my *or* our] vehicle, which is a _____ [*year*] _____ [*make*], Vehicle Identification Number _____, License Number _____, registered in _____ [*state*], with current mileage of _____, to _____ [*name*] (Consignee), Dealer Number _____, for the sole purpose of selling the vehicle and paying, to the consignor or his or her designee from the proceeds of the sale of the vehicle, the amount agreed upon under terms of this agreement. This agreement is effective and valid only for a period of _____ days from this date.

2. At the termination of this agreement, the consignee shall return the vehicle to the consignor, or, at the option of both the consignor and consignee, enter into a new agreement.

3. If the vehicle is sold by the consignee during the term of this agreement, the money due the consignor shall be disbursed within 20 days after the date of sale in accordance with the terms of this agreement. As used in this agreement, a "sale" occurs when the consignee either (A) receives the purchase price or its equivalent or executes a conditional sales contract for the vehicle, or (B) when the purchaser takes delivery of the vehicle, whichever occurs first.

4. The following information shall be completed prior to the signing of this agreement:

Current market value: $ _____ Source: _____.

Outstanding liens: $ _____ Lienholder: _____.

(Any difference between the outstanding amount shown and the actual payoff to the lienholder will be credited to the consignor.)

Repairs to be made: $ _____ Work Order # _____.

Moneys to the consignor: _____percent of sale price, flat fee of $ _____, or the following specific formula: _____.

5. Within 20 days after sale, the consignee shall make an accounting to the consignor of all of the following: date of sale, repairs authorized by consignor (supported by work records), exact amount of any liens payable to lienholders, evidence of payment of any liens, and the total sales price.

6. The consigned vehicle is delivered to the consignee in trust for the exact terms set forth in this agreement. The consignee agrees to receive this vehicle in trust and not to permit its use for any purpose other than contained in this agreement without the express written consent of the consignor.

7. Upon payment of the moneys due the consignor, the consignor agrees to furnish the consignee those documents necessary to transfer the ownership of the vehicle to the purchaser.

D. Agreements With Commission Merchants

30-91 California Legal Forms--Transaction Guide § 91.240

§ 91.240 Consignment Agreement With Commission Merchant

[1] Comment--Use of Form

This form is intended for use in consignment transactions between a consignor and a commission merchant. Provisions are necessarily included to cover the differences in status between a commission merchant and a consignee, which primarily relate to the entrustment to the commission merchant of control of the consigned goods, and the authority to sell in his or her own name as well as in the name of the consignor [*see § 91.14*]. The appointment in this form is nonexclusive.

Special statutory requirements apply to a consignment of farm products to a commission merchant [*see Cal. Food & Agric. Code § 56271 et seq.*]. For a form of consignment reflecting those requirements, see *§ 91.241*.

(b) Names and addresses of all purchasers of products of the Consignor during the period whose purchases amount to $ _____ or over, together with the quantities purchased by such purchasers, the wholesale list price charged, and the percentage discounts allowed.

[*Select one of the following:*]

Books and Records

3.06. The Commission Merchant shall keep proper books of account and records containing complete information relating to all products of the Consignor received, stored, and sold, including the names of purchasers, the quantities purchased, and the terms of each sale, and the Consignor shall have access to such records at all reasonable business hours.

Freight Charges

3.07. The Commission Merchant shall prepay the freight charges on all orders that the Commission Merchant fills and ships to retailers from consigned stock. In the case of shipments to retailers amounting to $ _____ or more, the Consignor shall refund to the Commission Merchant the freight charges paid if the Commission Merchant forwards the freight bills to the Consignor within _____ months after the date of shipment.

Disposition of Products Not Sold

3.08. In the event that any of the products of the Consignor remain in the custody of the Commission Merchant for a period in excess of _____ months and are then unsold, the Commission Merchant may return the products to the Consignor and obtain full credit for the wholesale price thereof, or the Commission Merchant may purchase those products by paying the Consignor the wholesale list price less a discount of _____ percent.

Right of Access to Consigned Products

3.09. At any time during the continuation of this Agreement, the Consignor shall have the right to enter on any of the property of the Commission Merchant in which products consigned to _____ [him *or* her *or* it] by the Consignor shall be stored and to make an inventory of the products and examine into their condition and the manner in which they are stored and kept.

Insurance

3.10. At all times during the continuation of this Agreement, the Commission Merchant shall keep the products insured against loss by fire, theft, and other causes in an amount and under a form of policy sufficient to cover all products of the Consignor then in the possession of the Commission Merchant. The insurance shall be taken in the name of and for the benefit of the Consignor, and the policy or policies of insurance shall be delivered to the Consignor. The Commission Merchant shall pay all premiums or other expenses of the insurance.

TERMINATION

Without Cause

4.01. Either party may terminate this Agreement at any time without cause by giving the other party _____ [*e.g.,* 30 days'] written notice of its intention to terminate, and the Agreement shall terminate at

the end of that _____ [*e.g.*, 30-day] period.

For Cause

4.02. In the event that the Commission Merchant violates any provision of this Agreement or the Consignor reasonably becomes dissatisfied with the financial stability of the Commission Merchant, the Consignor may terminate this Agreement by written notice to the Commission Merchant, and the Agreement shall terminate on the giving of notice.

Return of Products

4.03. On termination of this Agreement, the Commission Merchant shall return immediately to the Consignor, without cost to it except for transportation charges, all products of the Consignor that are then in the possession or under the control of the Commission Merchant.

ARTICLE 5

INTERPRETATION AND ENFORCEMENT

Lien of Commission Merchant

5.01. The Commission Merchant shall have a lien on all products consigned to _____ [him *or* her *or* it] by the Consignor, whether or not in the Commission Merchant's constructive, actual, or exclusive possession, and on any accounts receivable or other proceeds resulting from the sale or other disposition of the products, for all of _____ [his *or* her *or* its] loans and advances to and for the account of the Consignor, and also for the commissions, charges, and expenses properly chargeable against, or due from, the Consignor, and for the amount due on any notes or other obligations given to or received by the Commission Merchant for or on account of any such loans, advances, interest, commissions, charges, and expenses.

Notices

5.02. Any notice, request, demand, or other communication required or permitted under this Agreement shall be deemed to be properly given when deposited in the United States mail, postage prepaid, or when deposited with a public telegraph company for transmittal, charges prepaid, addressed as follows:

(a) In the case of notice to the Consignor, to _____ [*corporate name, name of officer concerned, street address, city, and state*], or to such other person or address as the Consignor may from time to time furnish to the Commission Merchant.

(b) In the case of notice to the Commission Merchant, to _____ [*specify relevant data as in subsection*(*a*) *and as appropriate to the form of organization*], or to such other person or address as the Commission Merchant may from time to time furnish to the Consignor.

Completeness of Instrument

5.03. This instrument contains all of the agreements, understandings, representations, conditions, warranties, and covenants made between the parties to this Agreement. Unless set forth herein, neither party shall be liable for any representations made, and all modifications and amendments to this Agreement must be in writing.

D. Agreements With Commission Merchants

30-91 California Legal Forms--Transaction Guide § 91.241

§ 91.241 Consignment Agreement for Sale of Farm Products--Letter Form

[1] Comment--Use of Form

This form is an agreement in letter form written by a commission merchant to a consignor, in which the commission merchant agrees to sell all of a particular type of farm product grown by the consignor during a specified calendar year. A commission merchant handling sales of farm products on a consignment basis must be licensed to do so by the state. This form conforms with the duties and obligations imposed by the Food and Agricultural Code on commission merchants dealing in farm products [*see Cal.Food & Agric. Code § 56271 et seq.*]. The appointment of the commission merchant in this form is exclusive and for a limited period.

For discussion of special requirements for commission merchants who sell farm products, see *§ 91.14[3]*.

[2] Form

[*Letterhead of commission merchant*]

[*Date*]

[*Name and address of consignor*]

Dear _____:

This letter is written to set forth all of the terms of the agreement under which this firm will act as the commission merchant for the sale of all _____ [*e.g.,* tomatoes] grown by you during the calendar year _____ [*year*], hereinafter referred to as "farm products."

It is our understanding that you will at your expense deliver on consignment during our regular business hours to our

warehouse located at _____ [*address*] all such farm products, and that each lot will arrive packed at your expense as follows: _____[*describe in detail, including type, size, quality, and labeling of box, carton, or other package to be used*].

We will accept possession of each such delivered lot of farm products for the purpose of selling it on your account. All expenses incurred in handling and selling it subsequent to the time of its delivery to us will be paid by our firm. However, absolute legal title to the farm products shall remain with you until such time as each of them has been actually sold by us to purchasers; you shall have legal title to the proceeds of each sale of the farm products made by us until such time as we actually remit your share of the sales proceeds to you.

Sales for the farm products will be made by us in the name of our firm and will be at the highest available market price. All sales will be made either for cash or to customers deemed by us to be good credit risks on terms requiring full payments within _____ [*e.g.,* 10 days]. The commission for our services in selling your farm products shall be _____ percent of the gross sales price. We will not purchase any of the farm products for our own account unless we have first obtained your written consent.

At your request, we will, before the close of the next business day following the request, transmit to you a true written report of such sale showing the quantity sold and the selling price. Remittance in full of all amounts realized from such sales, less the agreed commission, together with a complete account of sales, shall be made to you within 10 days after receipt of the moneys by our firm.

All of your farm products consigned to us will be properly insured against fire, burglary, and theft at our expense for your benefit.

If this letter meets with your complete approval, please sign the enclosed copy where indicated and return it to this office in the enclosed addressed envelope.

Yours very truly,

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 91 CONTRACTS WITH SALES REPRESENTATIVES
PART IV. FORMS
E. Agreements With Independent Wholesale Sales Representatives

30-91 California Legal Forms--Transaction Guide § 91.250

§ 91.250 Agreement Between Independent Wholesale Sales Representative and Manufacturer, Jobber, or Distributor

[1] Comment--Use of Form

This form is a contract between a wholesale sales representative and a manufacturer, jobber, or distributor. When a manufacturer, jobber, or distributor is engaged in business in California and uses the services of an independent wholesale sales representative to solicit wholesale orders at least partially within California, the Independent Wholesale Sales Representatives Contractual Relations Act of 1990 requires the parties to make a written contract that includes certain provisions specified by the Act. For this purpose, a "wholesale sales representative" is a person who contracts with a manufacturer, jobber, or distributor for the purpose of soliciting wholesale orders, and who is compensated in whole or part by commission. The term does not include one who places orders or purchases exclusively for his or her own account for resale (i.e., a distributor), or a sales representative who sells or takes orders for the direct sale of products to the ultimate consumer [*Cal. Civ. Code § 1738.12(e)*; *see Cal. Civ. Code § 1738.12(a),(b),(c)* ("manufacturer," "jobber," and "distributor" defined)]. The protections of the Act do not apply to a person licensed under the Alcoholic Beverage Control Act [*Cal. Civ. Code § 1738.17*; see *Cal. Bus. & Prof. Code § 23000 et seq.*].

A contract with a wholesale sales representative must include the rate and method by which the commission is computed, the time when commissions will be paid, the territory assigned to the sales representative, any exceptions to the assigned territory and customers in that territory, and what chargebacks will be made against the commission [*Cal. Civ. Code § 1738.13(a),(b)*; *see Cal. Civ. Code § 1738.14*; *see also* [2], below, PP 1, 5]. The contract may not contain any provision waiving any of the sales representative's rights under the Act [*Cal. Civ. Code § 1738.13(e)*]. This form includes all of the required provisions.

The written contract must be signed and distributed to both parties, and the sales representative must sign a receipt acknowledging receipt of the signed contract [*Cal. Civ. Code § 1738.13(c)*]. At the end of this form is an acknowledgement of receipt.

For further discussion of wholesale sales representatives, see *§ 91.15*. For a drafting guide, see *§ 91.124*.

AGREEMENT BETWEEN INDEPENDENT WHOLESALE SALES REPRESENTATIVE AND _____ [MANUFACTURER *or* **JOBBER** *or* **DISTRIBUTOR**]

This Agreement is made between _____ [*name of manufacturer, jobber, or distributor*], _____ [an individual *or* a California corporation *or* a California partnership *or specify other business organization*] (Principal), and _____ [*name of sales representative*], _____ [an individual *or specify other designation*] (Sales Representative).

Recitals

Principal is a _____ [manufacturer *or* jobber *or* distributor] of _____ [*type of product*]. Sales Representative is an independent wholesale sales representative. The parties wish to enter into an agreement in which Sales Representative will solicit wholesale orders for Principal for a commission, on the terms and conditions set forth below.

Therefore, the parties agree as follows:

Territory and Customers

1. Sales Representative has the exclusive right to solicit wholesale orders in _____ [*specify territory, e.g.,* Alameda and Contra Costa Counties] for Principal. [*Optional:* However, Sales Representative does not have the right to solicit orders _____ (*specify particular customers or areas excepted, e.g.,* within the City of Martinez *or* from the ABC Canning Company) for Principal.]

Sales Policy

2. All of the prices, terms, and conditions of sale will be established by Principal and adhered to by Sales Representative. Principal may change these policies and conditions from time to time, and will give Sales Representative _____ [*e.g.,* 30 days'] notice before any change is to take effect.

Orders and Collections

3. All orders for products solicited by Sales Representative will be sent to Principal within _____ days of the order. All orders are subject to acceptance by Principal. Any sales inquiries made to Principal will be referred to Sales Representative, accompanied by any relevant correspondence or documents. All invoices in connection with orders solicited by Sales Representative will be rendered by Principal directly to the purchaser. A copy of each filled invoice will be sent by Principal to Sales Representative. Principal has full responsibility for collections, bad debts, and credits, orders, and contracts. Sales Representative will forward to Principal any payments it receives on behalf of Principal.

Relationship Created

4. Sales Representative is not an employee of Principal for any purpose, but is rather an independent contractor. Principal is concerned only with the results obtained by Sales Representative. Sales Representative has sole control over the manner and means of performing the duties required under this Agreement, including hiring and managing Sales Representative's own employees. Principal does not have the right to require Sales Representative to do anything to jeopardize the relationship of independent contractor between Principal and Sales Representative. All costs and expenses of performing this Agreement will be borne by Sales Representative. Sales Representative does not have the power or authority to bind Principal to any contract or obligation, express or implied, without Principal's written consent.

Commissions and Chargebacks

5. (a) Principal will pay Sales Representative a commission on wholesale orders solicited or delivered within the agreed territory at a rate of _____ percent. Commissions are calculated on the net amount of the invoice rendered, less shipping costs, insurance, normal bona fide discounts, and taxes. Commissions are deemed earned by Sales Representative on acceptance or delivery of the order by Principal, whichever occurs first. Principal will pay commissions to Sales Representative _____ [*specify time for payment, e.g.,* on the tenth day of each month for commissions earned during the previous month].

(b) On payment of any commission, Principal will provide Sales Representative with an accounting of the orders for which payment is made, including the customer's name and invoice number, the rate of commission on each order, and information relating to any chargebacks included in the accounting. Chargebacks will be made against commissions in the following manner: _____[*specify method of calculating chargebacks*].

Hold-Harmless Provision

6. Each party agrees to hold the other harmless from and against, and agrees to indemnify the other for, any liability, loss, cost, expense, or other damage brought about by an injury of any kind suffered by any person or property as the result of any act, neglect, default, omission of the party or any of its agents, employees, or other representatives. If either party is sued in court for damages because of the acts of the other party, the other party agrees to defend the action at its own expense. Nothing in this paragraph relieves either party from liability for its own act, omission, or negligence.

Term

7. This Agreement is effective beginning on _____ [*date*]. It is effective until _____ [*specify date or* either party gives the other party notice of intent to terminate the Agreement, to take effect _____ (*e.g.,* 90 days) after notice is given *or* both parties mutually agree in a written agreement to terminate]. Principal will pay Sales Representative's commission on orders solicited by Sales Representative before the termination date, regardless of the date and method of termination or the date Principal accepts the orders.

Other Provisions

8. (a) This Agreement is controlled by and is to be construed under the laws of the State of California, the state in which the Agreement is executed.

(b) Principal appoints Sales Representative as its agent for service of process in California for any matter occurring

there concerning this Agreement.

(c) In the event of litigation between the parties concerning this Agreement, the prevailing party will be entitled to reasonable attorney's fees, court costs, and expenses of collection.

(d) This Agreement is the entire agreement between the parties. If any portion of this agreement is determined by a court of competent jurisdiction to be void, invalid, or unenforceable, the remaining provisions will remain in full force and effect and will be in no way affected or invalidated.

This Agreement is executed at _____ [*location*], California, on _____ [*date*].

CHAPTER 92 SERVICE CONTRACTS

30-92 California Legal Forms--Transaction Guide Scope

Scope

Scope

This chapter covers written contracts for the performance of services. The Legal Background examines the formation and enforcement of service contracts and discusses various consumer protection laws designed to protect individuals purchasing services. The Research Guide lists federal and state statutes and regulations that govern contracts for various types of services. The Transaction Guide sets forth the facts, documents, determinations, and procedures required for drafting a service contract. The forms section contains examples and discussions of contracts in the following basic categories:

- Maintenance and repairs of real property.
- Security services for property.
- Maintenance and repairs of personal property.
- Employment--related services.
- Credit-related services.
- Funeral services.

For a detailed discussion of contract formation generally, see Ch. 75, *Formation of Contracts and Standard Contractual Provisions* . Contracts for the sale of goods are covered in Ch. 52, *Sales of Goods Under the Uniform Commercial Code* . For a discussion of contracts for professional services, see Ch. 86, *Agreements for Professional Services* . Computer maintenance and other computer-related services are discussed in Ch. 57, *Computer-Related and Internet Transactions* . For discussion of services for the storage of personal property, see Ch. 54A, *Storage of Goods* . For a discussion of consumer protection laws regulating the advertising of services, Ch. 50, *Advertising and Promotion.* Employment contracts are covered in Ch. 85, *Employment Agreements* . For a list of other chapters that cover contracts for particular types of services, see the Research Guide in this chapter.

CHAPTER 92 SERVICE CONTRACTS
PART II. LEGAL BACKGROUND
A. Service Contracts--In General

30-92 California Legal Forms--Transaction Guide § 92.10

§ 92.10 When Written Contract Is Required

All contracts may be oral, except those required by statute to be in writing [*Civ. Code § 1622*]. The statute of frauds [*Civ. Code § 1624*] enumerates various categories of contracts that are invalid unless the contract, or a note or memorandum of that contract, is in writing and is signed by the party to be charged or that party's agent [*see Ch. 75, Formation of Contracts and Standard Contractual Provisions, § 75.14*]. Service contracts generally do not fall within any of those categories, unless the contract is for future services. An agreement that by its terms is incapable of being performed within a year of its making must be in writing [*Civ. Code § 1624(a)(1)*; *see White Lightning Co. v. Wolfson (1968) 68 Cal. 2d 336, 343, 66 Cal. Rptr. 697, 438 P.2d 345]* .

In addition to the statute of frauds, other statutes intended to protect customers from potential fraud on the part of service providers require a written contract. For example, contracts for purchases of services requiring installment payments must be contained in a single written document [*Civ. Code §§ 1803.1, 1803.2*]. Similarly, contracts for services to be performed over time, such as health club services [*see Civ. Code § 1812.82*; *see § 92.12[3]*] or credit services [*see Civ. Code § 1789.16*; *see § 92.252[1][c]*], often require a written contract.

Although many types of services are performed pursuant to oral contracts or contracts "implied" by conduct [*see Civ. Code § 1621*], the remainder of this chapter discusses only written agreements for services.

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 92 SERVICE CONTRACTS
PART II. LEGAL BACKGROUND
A. Service Contracts--In General

30-92 California Legal Forms--Transaction Guide § 92.11

§ 92.11 Elements of Contract

[1] Essential Elements

Contracts for the performance of services, like all other contracts, must include the consent of parties capable of contracting, a lawful object, and consideration [*Civ. Code § 1550*]. For discussion of these essential elements, see *Ch. 75, Formation of Contracts and Standard Contractual Provisions, § 75.11*.

Depending on the nature of the services to be performed, a service contract may also require specific content set forth by statute or regulation. Those additional requirements are discussed throughout this chapter.

[2] Typical Provisions

A contract for services generally contains various provisions in addition to its basic elements [*see* [1], *above*]. For example, typical provisions include a description of the services to be performed, particular conditions under which the services will be performed, time for performance, customer responsibilities, qualification of employees performing services, insurance and bonds, and use of materials and parts. In addition, service contracts often contain standard contractual provisions regarding such matters as attorneys' fees, arbitration, assignment, governing law, and entirety of the agreement.

[3] Term of Contract

There are a number of alternatives for the term of a service contract, including the following:

- Continuance of the term of agreement indefinitely until either party terminates it by giving the other written notice.

- A fixed period of time but with each party having the right to terminate the contract prior to the completion of that period.

- A fixed term with neither party having the right to terminate it prior to completion of the specified term.

If performance by the parties is to be made over an extended period of time, most contracts (other than service contracts) provide for a fixed term of definite length with neither party having the right to terminate prior to completion of the term, as described in the third method above.

Service contracts, however, are different from most other contracts. The relationship is a more personal one that depends on mutual faith, confidence, and trust. If at any time during the performance of a service contract either party becomes dissatisfied, it is usually best for the interests of both parties that the contract be terminated as soon as possible.

Another factor supporting a flexible termination date in service contracts is that the costs of constituent labor and goods often fluctuate suddenly and materially. Finally, a service contract with a fixed term and no right of termination may subject the service contract to the disclosure requirements of the federal Truth in Lending Act and the California Unruh Act [*see § 92.12[1]*].

For these reasons, the first two methods listed above are the more popular methods for handling this problem in service contracts; in each of these two methods both parties have the right to terminate the contract by giving written notice to the other. Of these two methods, the first, under which the contract continues indefinitely until either party terminates by giving written notice to the other, is often considered the better one because the parties are not obliged to enter into another contract at some fixed date in order for the services to continue.

CHAPTER 92 SERVICE CONTRACTS
PART II. LEGAL BACKGROUND

30-92 California Legal Forms--Transaction Guide § 92.12

§ 92.12 Consumer Protection Laws

[1] Truth in Lending Laws

[a] Governing Law

There are both federal and state consumer protection laws that govern service contracts involving an extension of credit to the consumer. Specifically, the Federal Truth in Lending Act (TILA) [*15 U.S.C. § 1601 et seq.*] and the Unruh Act [*Civ. Code § 1801 et seq.*] require specific disclosures to be given to a consumer if the service contract in question meets certain criteria, as discussed in [b] and [c], *below*. An in-depth discussion of the requirements of TILA and the Unruh Act, as well as the required disclosure forms, are included in Ch. 45, *Consumer Installment Loans and Credit Sales*. Discussion of the applicability of these Acts to home improvement contracts may be *found in Ch. 89, Home Improvement and Specialty Contracts, § 89.18*.

The provisions of TILA and the Unruh Act have similar disclosure requirements. Generally, if the service contract is subject to the Unruh Act, it will also be subject to TILA. In the event of inconsistent provisions, TILA prevails [*15 U.S.C. § 1610(a)*]. It is usually feasible to provide one set of disclosures that comply with both acts [*see Ch. 45, Consumer Installment Loans and Credit Sales, § 45.30*].

[b] Unruh Act

The Unruh Act provides consumer protection from abusive credit practices in retail installment sales of services and goods [*see* Comment, *The Unruh Act: A Legislative History, 4 U.C.D. L. Rev. 1 (1971)*]. It protects the individual consumer, rather than persons involved in business transactions who are more accustomed to dealing in arm's length transactions. The Unruh Act applies to service contracts that meet the following criteria:

- The goods or services involved must be primarily for personal, family, or household purposes [*Civ. Code § 1799.90(a)*]. Exempted are services provided by physicians and dentists and certain services that are subject to federal tariffs [*see Civ. Code § 1802.2*]. Also exempted are services for the construction of an entire residence [*see Civ. Code § 1801.4*].

- The contract must involve a fixed price, payable in installments [*Civ. Code § 1802.5*; *Mackey v. Bristol West Ins. Services of Cal., Inc. (2003) 105 Cal. App. 4th 1247, 1270-1271, 130 Cal. Rptr. 2d 536]* .

- There must be either a finance charge (or a discounted price if paid by cash or credit card, or higher quality services if paid in cash), or there must be more than four payment installments [*Civ. Code § 1802.6*].

- The service provider must be engaged in the business of selling goods and services to consumers, not principally for the purpose of resale [*Civ. Code §§ 1802.3, 1802.4*].

- The contract must be entered into or performed in California [*Civ. Code § 1802.6*; *see Civ. Code § 1802.19(a)*].

Most of the service contracts discussed in this chapter are not subject to the Unruh Act because consumer service agreements often provide for flexible termination rights by one or both parties [*see § 92.11[3]*], thereby defeating the second requirement of a fixed price. For example, if a service contract in the nature of an insurance policy provides for a six-month term with payment to be made in monthly installments, the insurance contract will not be subject to the Unruh Act if the customer can terminate the agreement prior to the end of the six-month period [*see Crawford v. Farmers Group, Inc. (1984) 160 Cal. App. 3d 1164, 1169-1170, 207 Cal. Rptr. 155]* . Other service contracts fail to meet the third requirement, above, because the fees are neither subject to a finance charge nor payable in more than four installments.

For further discussion of the Unruh Act and its requirements, see Ch. 45, *Consumer Installment Loans and Credit Sales* . For a discussion of the provisions of the Unruh Act dealing with "open-end" (revolving) credit, see Ch. 46, *Credit Card and Other Open-End Credit Transactions* .

[c] Truth in Lending Act

The Truth in Lending Act governs service contracts that meet the following criteria:

- The goods or services involved must be primarily for personal, family, or household purposes [*15 U.S.C. § 1602(h)*; *12 C.F.R. § 226.2(a)(12)*]. Exempted are services for agricultural purposes [*15 U.S.C. § 1603(1)*] and service contracts in excess of $25,000, unless secured by real property [*12 C.F.R. § 226.3(b)*].

- There must be a finance charge or more than four payment installments [*12 C.F.R. § 226.1(c)(1)*].

- The service provider must be in the business of regularly extending consumer credit, generally defined as doing more than 25 transactions per year [*see 12 C.F.R. § 226.2(a)(17)(v)*].

An example of a service contract that meets the above criteria is a health club membership in which the buyer is obligated to pay a fixed price, payable in installments over a period of time [*see Glaire v. La Lanne-Paris Health Spa, Inc. (1974) 12 Cal. 3d 915, 920-921, 117 Cal. Rptr. 541, 528 P.2d 357* (health club membership for a fixed price, payable in installments over two-year period, is subject to TILA)]. Likewise, the alarm system contract in § 92.212[2] requires the customer to pay a fixed price, a portion of which is payable in monthly installments over a one year period, with no right of termination by the customer. This contract therefore would be subject to the TILA and Unruh Act [*see* [b], *above*] disclosure requirements.

For further discussion of TILA and its requirements, see Ch. 45, *Consumer Installment Loans and Credit Sales* . For a discussion of the provisions of TILA dealing with "open-end" (revolving) credit, see Ch. 46, *Credit Card and Other Open-End Credit Transactions* .

[2] Express Warranties

The Song-Beverly Consumer Warranty Act [*Civ. Code § 1790 et seq.*] and the Magnuson-Moss Warranty-Federal Trade Commission Improvement Act [*15 U.S.C. § 2301 et seq.*] regulate express and implied warranties for new and used consumer goods. These acts are discussed in *§ 92.52*.

[3] Dance Studio and Health Club Services

Statutes with anti-fraud objectives similar to those of the Unruh Act [*see* [1][b], *above*] have been enacted to protect persons purchasing commercial dance services and health studio services (commonly known as health clubs) [*see Civ. Code §§ 1812.50 et seq.* (Dance Studio Act), 1812.80 et seq. (Health Studio Act)]. Contracts for commercial dance studio lessons and related services and for health club services must comply with certain requirements, including the following [*see Civ. Code §§ 1812.50-1812.69* (commercial dance studio), 1812.80-1812.98 (health club)]:

- The contract must be in writing.
- The contract must contain certain disclosure provisions regarding the beginning of performance, cancellation rights, and hourly rates.
- The contract must comply with statutory limitations on finance or interest charges, total payment, and term of the contract.

For further discussion of the statutory requirements for dance studio and health club services, *see California Forms of Pleading and Practice, Ch. 128, Consumer Contracts: Statutes Regulating Specific Types of Contracts, § 128.10* (Matthew Bender).

[4] Weight Loss and Dating Services

Contracts for weight loss and dating services must meet statutory requirements to be enforceable. Among these are the following requirements [*see Civ. Code §§ 1694.2, 1694.3* (dating service contracts), 1694.7, 1694.8 (weight loss service contracts)]:

- The contract must be in writing.
- The contract must contain specific disclosures concerning the buyer's cancellation rights.
- The contract must contain language providing for the buyer's refund rights in the event of the buyer's death, disability, or change of residence.

For further discussion of the statutory requirements for weight loss and dating services, *see California Forms of Pleading and Practice, Ch. 128, Consumer Contracts: Statutes Regulating Specific Types of Contracts, § 128.11* (Matthew Bender).

[5] Home Solicitation Contracts

[a] Governing Law

Consumers receive special protection against the pressures that arise when salespeople sell services or goods pursuant to home solicitation contracts or offers [*see Weatherall Aluminum Products Co. v. Scott (1977) 71 Cal. App. 3d 245, 248, 139 Cal. Rptr. 329]* . Home solicitation contracts and offers are governed by *Civ. Code § 1689.5 et seq.*

[b] Home Solicitation Contract Defined

A "home solicitation contract or offer" is any contract or offer for the sale, lease, or rental of goods or services, or both, made at other than a normal business location [*see Civ. Code § 1689.5(b)* (definition "appropriate trade premises")] for $25 or more, including any interest or service charges [*Civ. Code § 1689.5(a)*; *see* [c], *below* (exempt transactions)].

The term "services" means work, labor, and services, including, but not limited to, the following [*see Civ. Code § 1689.5(d)*]:

- Services furnished in connection with the repair, restoration, alteration, or improvement of residential premises.

- Services for the repair of goods [*see Civ. Code § 1802.1* (definition of "goods")].

- Courses of instruction, regardless of the purpose for which they are taken.

[c] Exempted Transactions

Certain transactions are exempted from laws governing home solicitation contracts, including the following:

- The services of attorneys, real estate brokers, physicians, or other specified professionals, or the services of financial institutions [*see Civ. Code § 1689.5(d)*].

- Any transaction in which the consumer has rescission rights under the Truth in Lending Act [*Civ. Code § 1689.5(a)*; *see 15 U.S.C. § 1601 et seq.*].

[d] Consumer's Right to Cancel

A consumer has the right to cancel a home solicitation contract as follows:

- For most home solicitation contracts and offers, within three business days after execution of the contract [*see Civ. Code § 1689.6(a)*].

- For home service and repair contracts or offers to purchase written pursuant to a service and repair contract [*see Bus. & Prof. Code § 7159.10(a)* (definition)], until (1) the buyer receives a signed and dated copy of the service and repair contract complying with the contract requirements of *Bus. & Prof. Code § 7159.10* and *(2)* the work begins [Bus. & Prof. Code § 1689.6(a)(3)(A)]. Service and repair contracts that do not conform to specified requirements [*see Bus. & Prof. Code § 7159.10*] are subject to the requirements of *Bus. & Prof. Code § 7159*, applicable to home insurance contracts, regardless of aggregate price [Bus. & Prof. Code § 1689.6(a)(3)(B); *see Bus. & Prof. Code § 7159(e)(6)* (three-day right to cancel)].

- For contracts relating to certain personal emergency response units [*Civ. Code § 1689.6(b)*], within seven business days after execution of the contract [*Civ. Code § 1689.6(b)*].

- For contracts for repair or restoration of residential premises damaged in disaster [*Civ. Code §*

1689.6(c)], within seven business days after execution of the contract, unless Bus. & Prof. Code § 1689.15 is applicable [*Civ. Code § 1689.6(c)*]. Bus. & Prof. Code § 1689.15 provides that the buyer retains any right of cancellation applicable to home solicitation contracts under Bus. & Prof. Code § 1689.5-1689.14 until the buyer receives a signed and dated copy of a service and repair contract that meets all of the specified requirements of *Bus. & Prof. Code § 7159.10*, and the contractor, in fact, begins the project, at which time the cancellation rights provided in Bus. & Prof. Code § 1689.5-1689.14 are extinguished by operation of law.

For the statutory notice of the buyer's right to cancel and the cancellation form, see *§ 92.212[2]*.

[6] Unsolicited Services

A person or entity may not offer services for sale if the offer includes providing services not actually ordered or requested by the recipient, either orally or in writing. The term "services" includes any services that will be provided to the customer unless he or she exercises an option to reject them [*Civ. Code § 1584.5*].

The receipt of any such services will be deemed an unconditional gift to the recipient, who may use them in any manner that he or she sees fit without any obligation to the service provider. If the provider of unsolicited services sends bill statements or requests for payment with respect to the "gift," the recipient may bring an action to enjoin the billing [*Civ. Code § 1584.5*].

Certain exceptions apply. For further discussion of these exceptions, unsolicited advertising by e-mail (commonly known as SPAM), and what must be done to comply with *Civ. Code § 1584.5*, see *Ch. 50, Advertising and Promotion, § 50.11*(6)(anti-spam legislation) and Ch. 52, *Sales of Goods Under the Uniform Commercial Code*, § 52.152.

It is also unlawful for any person to solicit payment of money by a written statement or invoice, or any writing that reasonably could be considered a bill, invoice, or statement of account due, but is actually a solicitation for an order, unless the solicitation includes a boldface disclaimer in prescribed language, located conspicuously, as specified [*see Civ. Code § 1716(a)-(f)*]. Any person damaged by noncompliance with this requirement is entitled to damages in an amount equal to three times the sum solicited [*Civ. Code § 1716(g)*; *see California Forms of Pleading and Practice, Ch. 128, Consumer Contracts: Statutes Regulating Specific Types of Contracts, § 128.13[6]* (Matthew Bender)].

[7] Miscellaneous Services

Contracts for other types of services, such as discount buying services, seller-assisted marketing plans, and invention-development services are similarly regulated to provide consumers with adequate disclosures of the services they are purchasing [*see Civ. Code §§ 1812.100-1812.129* (discount buying services), *Civ. Code §§ 1812.200-1812.221* (seller-assisted marketing plans), *Bus. & Prof. Code §§ 22370-22395* (invention-development services)].

[8] Consumer Affairs Act

[a] Prohibited Activities

Under the Consumer Affairs Act [*Bus. & Prof. Code § 300 et seq.*], a consumer may submit a complaint to the Director of the Department of Consumer Affairs ("Director") regarding any of the following matters [*Bus. & Prof. Code § 325*; *see Bus. & Prof. Code § 302*]:

- Unfair competition.
- Unfair or deceptive acts or practices by any person in the conduct of trade or commerce.

- The production, distribution, sale, or lease of services or goods that may endanger the public.

- Violations of the Business and Professions Code or regulations relating to licensed businesses or professions.

For purposes of the Consumer Affairs Act, "consumer" means any individual who seeks or acquires by purchase or lease any goods, services, money, or credit for personal, family, or household purposes [*Bus. & Prof. Code § 302(c)*].

[b] Complaint Procedure

On receipt of a consumer's complaint [*see* [a], *above*], the Director may notify the person against whom the complaint is made and request appropriate relief for the consumer [*Bus. & Prof. Code § 326(a)*]. The Director must also transmit the complaint to the local, state, or federal agency whose authority provides the most effective means to secure relief [*Bus. & Prof. Code § 326(b)*].

If the complaint indicates a probable violation of any law, rule, or order of any regulatory agency of the state, or if a pattern of complaints from consumers develops, the Director must either (1) transmit any valid complaint together with any evidence or information to the appropriate law enforcement or regulatory agency, or (2) request the Attorney General to undertake appropriate legal action [*Bus. & Prof. Code § 326(c)*].

[9] Consumer Legal Remedies Act

Under the Consumers Legal Remedies Act [*Civ. Code § 1750 et seq.*], a consumer who suffers any damage as a result of specified unfair methods of competition or deceptive acts or practices in a transaction that is intended to result or does result in the sale of services or goods may bring an action for damages or injunctive relief against the person causing that damage [*see Civ. Code §§ 1770, 1780*; *see also Consumer Advocates v. Echostar Satellite Corporation (2003) 113 Cal. App. 4th 1351, 1353-1354, 8 Cal. Rptr. 3d 22* (consumers alleged provider of satellite TV service violated *Civ. Code § 1770(a)(5), (7), (9)*; triable issues of fact found on whether defendants violated statute with representations about number of channels and program schedule)]. If caused damage by the unlawful acts, other consumers similarly situated may bring a class action [*Civ. Code § 1781*].

For purposes of the Consumers Legal Remedies Act, "services" means work, labor, and services for other than a commercial or business use, including services furnished in connection with the sale or repair of goods [*Civ. Code § 1761(b)*]. "Consumer" means an individual who seeks or acquires by purchase or lease, services or goods for personal, family, or household purposes [*Civ. Code § 1761(d)*].

Any consumer who is a senior citizen or a disabled person, in an action for damages resulting from unfair methods of competition or deceptive practices relating to the sale or lease of services or goods, may seek additional damages prescribed by statute [*see Civ. Code §§ 1780(b), 3345*; *see also Civ. Code § 1761(f), (g)* ("senior citizen" and "disabled person" defined)]. In any litigation commenced pursuant to *Civ. Code § 1780*, a prevailing plaintiff is entitled to court costs and attorneys' fees. A prevailing defendant may be awarded reasonable attorneys' fees if the court finds that the plaintiff's prosecution of the action was not brought in good faith [*Civ. Code § 1780(e)*; *see Hayward v. Ventura Volvo (2003) 108 Cal. App. 4th 509, 513, 133 Cal. Rptr. 2d 514* (prevailing plaintiff is entitled to "reasonable" fees, although word omitted from statute; court not limited in awarding fees to those incurred under contingency fee contract)]. A prevailing plaintiff may be awarded treble damages, in addition to all other remedies provided by *Civ. Code § 1780*, for a violation of *Civ. Code § 1770(a)(24)*, which prohibits receiving an unreasonable fee [*see Civ. Code § 1770(a)(24)(B)(ii)* (definition)] to prepare, aid, or advise any prospective applicant, applicant, or recipient in the procurement, maintenance, or securing of public social services [*Civ. Code § 1780(c)*; *see Civ. Code § 1770(a)(24)(B)(i)* ("public social service" defined); *see also Civ. Code § 1770(a)(24)(C)* (exceptions)].

For further discussion and examples of complaints in actions brought under this act, see California Forms of Pleading and Practice, Ch. 504, *Sales: Consumers Legal Remedies Act* (Matthew Bender).

PART II. LEGAL BACKGROUND
A. Service Contracts--In General

§ 92.13 Assignment of Service Contracts

In general, the rights under a contract are assignable, unless prohibited by an express contract provision or statute [*see Civ. Code § 1458*]. However, the duties under a contract generally may not be delegated without the consent of the party to whom the duty is owed [*see Civ. Code § 1457*].

Thus, personal service contracts in which the skill, credit, or other personal quality of the promisor is a distinctive characteristic or a material inducement to the contract are not assignable [*La Rue v. Groezinger (1890) 84 Cal. 281, 285, 24 P. 42* ; *Knipe v. Barkdull (1963) 222 Cal. App. 2d 547, 551, 35 Cal. Rptr. 283]* unless the assignment is with the consent and approval of the promisee [*Madison v. Moon (1957) 148 Cal. App. 2d 135, 145, 306 P.2d 15]* . Performance by an assignee would be essentially different from that for which the promisee contracted.

This prohibition against assignment is inapplicable to contracts for the services of a corporation, which cannot perform personal functions [*see Haldor v. Beebe (1945) 72 Cal. App. 2d 357, 365, 164 P.2d 568]* .

For a general discussion of the assignment of obligations, see Ch. 76, *Assignment of Rights and Obligations* . For examples of contract provisions permitting and prohibiting assignment, see Ch. 75, *Formation of Contracts and Standard Contractual Provisions* .

CHAPTER 92 SERVICE CONTRACTS
PART II. LEGAL BACKGROUND
A. Service Contracts--In General

30-92 California Legal Forms--Transaction Guide § 92.14

§ 92.14 Survival of Obligation to Perform Services

In general, the administrator of an estate has the duty to perform the contracts of a decedent, except for personal service contracts, such as a contract for an artist to produce a work of art or a contract for a lawyer's or physician's services. Such contracts are discharged by the death or disability of the person who was to perform the services. However, if personal services could be performed in an equally satisfactory manner by someone other than the promisor, or if the contract by its terms shows that performance by others was contemplated, the obligation will survive and bind the administrator or executor of the promisor [*Didier v. American Casualty Co. (1968) 261 Cal. App. 2d 742, 750, 68 Cal. Rptr. 217]* .

A contract may contain several obligations, including one for performance of personal services. If the personal services are incidental to substantial performance, the obligations will be held to be independent, and death or disability will excuse only the performance of the personal services. If, however, the personal services are the basis of the agreement, the several obligations are dependent, and death or disability terminates all of those obligations [*see Carver v. Fitzsimmons (1935) 5 Cal. App. 2d 320, 327, 42 P.2d 1066]* .

§ 92.15 Enforcement of Service Contracts

A contract to render personal services may not be enforced by specific performance [*Civ. Code § 3390(1)*; *see* California Forms of Pleading and Practice, Ch. 528, *Specific Performance* (Matthew Bender)]. Equity will not compel one person to perform personal services against his or her will, and therefore the wronged party is limited to legal redress, namely, damages for breach of contract [*Emirzian v. Asato (1913) 23 Cal. App. 251, 255, 137 P. 1072]* .

Similarly, an injunction will not be granted to prevent the breach of a contract for personal services that may not be specifically enforced unless the contract meets the following criteria [*see Civ. Code § 3423(e)*]:

- The contract is in writing.

- The promised service has a special, unique, unusual, extraordinary, or intellectual character that gives it peculiar value, the loss of which cannot be reasonably or adequately compensated in damages in an action at law.

- The compensation provided for under the contract meets certain statutory minimums [*see Civ. Code § 3423(e)*; *Code Civ. Proc. § 526(b)(5)*].

For discussion and complaint forms for injunctive relief, see California Forms of Pleading and Practice, Ch. 303, *Injunctions* (Matthew Bender).

PART II. LEGAL BACKGROUND
B. Maintenance and Repairs of Real Property

30-92 California Legal Forms--Transaction Guide § 92.30

§ 92.30 Elevator Maintenance and Repairs

[1] Governing Law

Safety and inspection requirements for elevators and other moving conveyances are governed by *Lab. Code § 7300 et seq.* This law also establishes minimum standards for persons operating or maintaining elevators and other moving conveyances. These persons must be familiar with the operation and safety functions of the components and equipment. Their documented training or experience, or both, must include, but not be limited to, recognizing the safety hazards and performing assigned procedures in conformance with all legal requirements [*Lab. Code § 7300(b)*].

[2] Elevators and Conveyances Subject to Statutory Regulation

Equipment subject to regulation by *Lab. Code § 7300 et seq.* includes the following [*Lab. Code § 7300.2*; *see Lab. Code § 7300.3* (exempt equipment)]:

- Elevators.
- Platform lifts and stairway chair lifts.
- Escalators.
- Moving walks.
- Dumbwaiters.
- Automated people movers.

Any of the above equipment located in a dwelling of not more than two units and not open to the public is exempt from *Lab. Code § 7300 et seq.* Elevators and other conveyances in multi-residential buildings of two units nevertheless must be inspected after installation or major alterations before being placed in service [*Lab. Code § 7317*; *see* [5], *below*

(inspection requirements)].

The term "elevator" is used in this section to mean all of the conveyances subject to *Lab. Code § 7300 et seq.*

[3] Required Permits

[a] Operating Permit

No elevator may be operated in California unless a permit for its operation is issued by the Division of Occupational Safety and Health of the Department of Industrial Relations (Division) and unless the permit remains in effect and is kept posted conspicuously on the elevator [*Lab. Code § 7301*]. The Division may prohibit the use of any elevator that is operated without a permit, or for which a permit is not conspicuously posted, unless a request for issuance or renewal of a permit has been made and the Division has not acted on the request [*Lab. Code § 7301*].

An operating permit may be issued for an elevator in a safe condition for a period not to exceed one year, unless the elevator is subject to a full maintenance service contract, in which case a permit may be issued for a period not to exceed two years [*Lab. Code § 7304*; *see § 92.202* (full maintenance service contract form)].

A "full maintenance service contract" is an agreement by a certified competent conveyance company and the person owning or having the custody, management, or control of the operation of the elevator [*Lab. Code § 7300.1(p)*]. A "certified qualified conveyance company" is any person, firm, or corporation that (1) has a valid contractor's license if required under *Bus. & Prof. Code § 7000 et seq.*, and *(2)* is certified as a qualified conveyance company by the Division in accordance with *Lab. Code § 7300 et seq.* [*Lab. Code § 7300.1(g)*].

[b] Construction, Repairs, and Alterations

No elevator may be erected, constructed, installed, or materially altered unless a permit has been obtained from the Division before the work is begun [*Lab. Code § 7301.1(a)*]. If the operation of an elevator during repairs or alterations is not immediately dangerous to the safety of persons, the Division may issue a temporary permit for its operation for a period not to exceed 30 days during the making of repairs or alterations [*Lab. Code § 7308*; *see Lab. Code § 7300.1(t)* ("temporary permit" defined)].

[4] Failure to Obtain Permit

The Division may assess a civil penalty not to exceed $1,000 against any person owning or having custody, management, or control of the operation of an elevator who operates an elevator without a permit or fails to conspicuously post the permit [*Lab. Code § 7320*; *see Lab. Code §§ 7321.5, 6317, 6319* (citation and notice of penalty procedures)]. However, a penalty may not be assessed against a person who has requested the issuance or renewal of a permit, if the request has not been acted on by the Division [*Lab. Code § 7320*].

Additionally, if an elevator is being operated without a current valid permit, and is in a condition that its use is dangerous to the life or safety of any person, the Division or any affected person may apply to the superior court of the county in which the elevator is located for an injunction against its operation until the condition is corrected [*Lab. Code § 7303(a)*].

[5] Required Inspections

If an elevator is subject to a full maintenance service contract [*see* [3][a], *above* (definition)], inspection must be at least once every two years [*Lab. Code § 7304(b)*; *see Lab. Code § 7309.1(a)* (inspectors)]. All other elevators are subject to an annual inspection [*Lab. Code § 7304(a)*; *see Lab. Code § 7309.1(a)* (inspectors)].

[6] Dangerous Conditions

The Division may assess a civil penalty not to exceed $70,000 against any person owning or having custody, management, or control of the operation of an elevator, who operates or permits its operation in a condition that is dangerous to the life or safety of any person, or who operates or permits the operation of the elevator in violation of an order prohibiting its use [*Lab. Code § 7321(a)*; *see Lab. Code §§ 7301*, *7305*, *7314* (grounds for orders)].

The Division must issue an order prohibiting use and may assess a civil penalty not to exceed $70,000 against any person who, without a permit, constructs, installs, or materially alters an elevator that is dangerous to the life or safety of any person [*Lab. Code § 7321(b)*; *see* [3][b], *above* (permit requirement); *see also Lab. Code §§ 6319*, *7321.5*, *7322(a)* (procedures to contest and appeal penalties and orders)].

CHAPTER 92 SERVICE CONTRACTS
PART II. LEGAL BACKGROUND
B. Maintenance and Repairs of Real Property

30-92 California Legal Forms--Transaction Guide § 92.31

§ 92.31 Boiler Maintenance and Repairs

[1] Governing Law

Safety and inspection requirements relating to boilers are governed by *Lab. Code § 7620 et seq.* A "boiler" is defined as any fired or unfired pressure vessel used to generate steam pressure by the application of heat [*Lab. Code § 7621*]. Steam boilers that are exempt from *Lab. Code § 7620 et seq.* include the following [*Lab. Code § 7625*]:

- Boilers under the jurisdiction or inspection of the Federal Government.
- Boilers operated by employers not subject to workers' compensation insurance laws [*see Lab. Code § 3201 et seq.*].
- Boilers on which the pressure does not exceed 15 pounds per square inch.
- Automobile boilers and boilers on road motor vehicles.

[2] Inspections and Permits

The Division of Occupational Safety and Health of the Department of Industrial Relations (Division) must inspect, or cause to be inspected, each installed fired boiler internally and externally at least every year. However, if the Division determines that the operating experience and design of the boiler is such that equivalent safety will be maintained, the Division may grant extensions to permit internal inspections to be increased to a maximum interval of 36 months [*Lab. Code § 7682*].

For all other boilers, the Division must establish internal inspection intervals which will insure the safety of people working in the vicinity of the boiler. In determining the intervals, the Division must consider the design of the boilers, the construction of the boilers, and the conditions under which they operate [*Lab. Code § 7682*].

External inspection must be made of all boilers at the time of internal inspection and at such other intervals as are

deemed necessary by the Division, acting through qualified engineers and certified inspectors [*Lab. Code § 7682*].

If a boiler is found to be in a safe condition for operation, the Division issues a permit for a period not to exceed one year [*Lab. Code §§ 7683(a), (d)*]. The permit for each boiler must be posted in a protective container in a conspicuous place at or near the boiler [*Lab. Code § 7684*].

[3] Dangerous Conditions

If inspection shows a boiler to be in an unsafe or dangerous condition, the Division may issue a preliminary report requiring appropriate repairs or alterations and may order its use discontinued until the condition is remedied [*Lab. Code § 7687*]. The owner, operator, or other person in charge of the boiler may request a hearing before the Division to show cause why he or she should not comply with the order [*Lab. Code § 7688*]. If it thereafter appears to the Division that the boiler is unsafe, it may make a final order as it deems proper [*Lab. Code § 7689*]. Such an order may be reheard by the Division or reviewed by the courts [*Lab. Code § 7690*].

If the operation of a boiler constitutes a serious menace to the life or safety of any person employed about it, the Division or any of its safety engineers or any affected person may apply to the superior court of the county in which the boiler is located for an injunction restraining its operation until the condition has been corrected [*Lab. Code § 7691*]. The certification of the Division that no valid permit exists for the operation of a boiler and the affidavit of any safety engineer of the Division that its operation constitutes a menace to the life or safety of any person employed about it are sufficient proof to warrant the immediate granting of a temporary restraining order [*Lab. Code § 7692*].

[4] Criminal Liability

Any person owning or having the custody, management, or operation of a boiler who operates it without a permit is guilty of a misdemeanor, except during the time that a request for a permit has been made and the Division has not acted on the request. Each day of such operation is a separate offense [*Lab. Code § 7750*].

An engineer or other person having charge of a boiler or other apparatus for generating or employing steam used in a factory, railway, or other mechanical works, who willfully or from ignorance or from gross neglect creates or allows to be created such an undue quantity of steam as to burst or break the boiler or other apparatus, endangering human life, is guilty of a felony [*Lab. Code § 7770*]. If such an offense causes the death of a human being, it is punishable by imprisonment in the state prison for two, three, or four years [*Lab. Code § 7771*].

PART II. LEGAL BACKGROUND
B. Maintenance and Repairs of Real Property

30-92 California Legal Forms--Transaction Guide § 92.32

§ 92.32 Property Maintenance and Cleaning

[1] License Requirements

There are no state license requirements for individuals and companies who provide general building maintenance services. However, when the service provided goes beyond general maintenance duties, the service provider may be subject to specific licensing requirements, including, for example, the following:

- A person who engages in repairing buildings and other improvements, servicing air conditioning, heating, or refrigeration equipment that is a fixed part of a structure, or trimming or removing trees is a "contractor" and is required to be licensed under *Bus. & Prof. Code § 7000 et seq.* [*see Bus. & Prof. Code §§ 7026, 7026.1(a), 7026.1(d)*].

- A person who engages in rekeying, installing, repairing, opening, modifying locks, or who originates keys for locks is a "locksmith," who is required to be licensed under *Bus. & Prof. Code § 6980 et seq.* [*see Bus. & Prof. Code § 6980(j)*].

- A person who engages in identifying infestations of household pests and wood destroying pests or organisms, or the performance of any work for the purpose of eliminating, exterminating, controlling, or preventing infestations or infections of such pests or organisms, is a "structural pest control operator," who is required to be licensed under *Bus. & Prof. Code § 8505 et seq.* [*see Bus. & Prof. Code §§ 8505, 8506*].

For discussion and a sample form for a janitorial service contract, see *§ 92.200*. For discussion and a sample form for a swimming pool service contract, see *§ 92.201*.

[2] Window Cleaners

Safety devices on buildings to safeguard window cleaners are governed by *Lab. Code §§ 7325-7332*. *Lab. Code § 7325* defines "building" as any building three stories or more in height, but it excludes dwelling houses occupied by not more

than three families and all buildings constructed with windows that may be, and are, entirely washed and cleaned from inside the building or from a sitting position on the window sill in the manner provided by safety orders issued by the Division of Industrial Safety of the Department of Industrial Relations (Division). The Division defines a "building" as "any building more than one story in height or having window sills more than 12 feet above grade, which is a place of employment" [*8 Cal. Code Reg. § 3281(a)*].

Rings, bolts, lugs, fittings, or other devices (to which may be fastened safety belts or other devices to be used by persons cleaning windows) must be securely fastened to the outside window sills or frames of any building [*Lab. Code § 7326*]. The Division is directed and authorized to do the following:

- It must approve such safety devices before installation [*Lab. Code § 7326*].

- It must designate the manner in which the safety devices are to be attached, installed, and used [*Lab. Code § 7326*].

- It may approve the installation and use of any other devices or means that will effectively safeguard persons engaged in cleaning windows [*Lab. Code § 7327*].

The Division has issued detailed rules and regulations relating to safety devices for window cleaning [*see 8 Cal. Code Reg. § 3281 et seq.*].

Any person employing, directing, or permitting another to wash windows that do not have the proper safety devices for window cleaning is guilty of a misdemeanor [*Lab. Code § 7328*]. Any person who owns or is entitled to possession of a building under a lease, sublease, or other agreement for a period longer than one year and who fails to install, provide, or maintain in good condition the proper safety devices for window cleaning, is guilty of a misdemeanor [*Lab. Code §§ 7329, 7330*].

PART II. LEGAL BACKGROUND
C. Security Services for Property

30-92 California Legal Forms--Transaction Guide § 92.40

§ 92.40 Security Patrol and Guard Services

[1] Governing Law

Private patrol operators are regulated by the Private Security Services Act [*Bus. & Prof. Code § 7580 et seq.*], which is administered and enforced by the Department of Consumer Affairs, Bureau of Security and Investigative Services ("Bureau") [*see Bus. & Prof. Code §§ 7580.1, 7580.2, 7580.4*].

[2] Patrol and Security Officers Defined

A "private patrol operator" is a person, other than an armored contract carrier, who for consideration agrees to furnish, or furnishes, a watchman, guard, patrolperson, or other person to protect persons or property or to prevent the theft, unlawful taking, loss, embezzlement, misappropriation, or concealment of any goods, wares, merchandise, money, bonds, stocks, notes, documents, papers, or property of any kind; or performs the service of a watchman, guard, patrolperson, or other person, for any of these purposes [*Bus. & Prof. Code § 7582.1(a)*].

A "security guard" or security officer is an employee of a private patrol operator who performs the functions of the private patrol operator [*Bus. & Prof. Code § 7582.1(e)*].

[3] Exempt Persons and Organizations

The provisions of the Private Security Services Act do not apply to the following [*Bus. & Prof. Code § 7582.2*]:

- Persons who do not meet the requirements to be a proprietary private security officer [*see Bus. & Prof. Code § 7574.1* (definition)] and are employed exclusively and regularly by any employer who does not provide contract security services for other entities or persons.
- Government employees acting within the scope of official duties.
- Persons engaged exclusively in the business of obtaining and furnishing financial ratings.

- Charitable organizations maintained for the public good and not for profit.

- Patrol special officers appointed by a police commission under the express terms of its charter.

- Attorneys performing their duties as attorneys.

- A collection agency or its employees who are acting within the scope of their employment.

- Licensed insurers, agents, and brokers performing their duties in connection with insurance.

- Banks or savings associations subject to the jurisdiction of the Commissioner of Financial Institutions under Division 1 of the Financial Code [*see Fin. Code § 99 et seq.*] or the Comptroller of the Currency.

- Persons solely engaged in the business of securing information about persons or property from public records.

- Peace officers in off-duty employment [*see Gov. Code § 1126*] (except peace officers who contract for services as private investigators or armed private investigators).

- Retired police officers employed by a private employer in employment approved by the chief law enforcement officer of that jurisdiction, provided the retired officer is in the uniform of a public law enforcement agency, has registered with the Bureau, and has met any training requirements established for security personnel [*see Bus. & Prof. Code § 7583.5*].

- Licensed insurance adjusters performing their duties within the scope of their licenses.

- Secured creditors or lessors repossessing the collateral or leased property.

- Peace officers in official police uniform acting in accordance with *Penal Code § 70(c), (d)*.

- Unarmed uniformed security employees employed exclusively by a motion picture studio facility employer, who do not provide contract services for other persons or entities in connection with their employer's affairs, if they do not carry or use any deadly weapon in the performance of their duties.

[4] License and Registration Requirements

A person who engages in the business of a private patrol operator must be licensed [*Bus. & Prof. Code § 7582.3(a)*; *see Bus. & Prof. Code §§ 7582.6-7582.14, 7583.1* (license application and requirements)]. In addition, any employee of a private patrol operator who performs the function of a security guard or security patrolperson must register with the Bureau [*see Bus. & Prof. Code § 7583.9*]. A person required to be registered as a security guard must carry on his or her person, while on duty, a valid and current security guard registration card [*Bus. & Prof. Code § 7583.3(a)*].

[5] Obligations of Private Patrol Operator

A person licensed as a private patrol operator ("licensee") must comply with all of the following [*see Bus. & Prof. Code § 7583.2*]:

- Properly maintain an accurate and current record of all firearms or other deadly weapons that are in

the possession of the licensee or of any employee while on duty [*see Bus. & Prof. Code § 7583.2(a)* (reports of missing or stolen firearms)].

- Properly maintain an accurate and current record of the name, address, commencement date, and position of each employee, and the date of termination of employment when an employee is terminated.

- Properly maintain an accurate and current record of proof of completion by each employee of the course of training required under the Private Security Services Act.

- Certify an employee's completion of the course of training in the exercise of the power to arrest prior to placing the employee at a duty station.

- Certify proof of current and valid registration for each employee who is subject to registration.

- Not permit any employee to carry a firearm or other deadly weapon without first ascertaining that the employee is proficient in the use of each weapon to be carried.

- Deliver to the Director of Consumer Affairs a written report describing fully the circumstances surrounding the discharge of any firearm, or physical altercation with a member of the public while on duty, by a licensee or any officer, partner, or employee of a licensee while acting within the course and scope of his or her employment within seven days after the incident.

- Notify the Bureau in writing and within 30 days that a manager previously qualified is no longer connected with the licensee.

- Administer to each registered employee the review or practice training required by *Bus. & Prof. Code § 7583.6(f)*.

[6] Obligations of Security Guard

A person required to be registered as a security guard must do all of the following [*Bus. & Prof. Code § 7583.3*]:

- Carry on his or her person, while on duty, a valid and current security guard registration card.

- Carry on his or her person a valid and current firearms permit when carrying a firearm on duty.

- Refrain from carrying or using a firearm unless he or she possesses a valid and current firearms permit.

- Report to his or her employer within 24 hours of the incident the circumstances surrounding any incident involving the discharge of any firearm in which he or she is involved while acting within the course and scope of his or her employment [*see* [9], *below*].

[7] Information Reported by Private Patrol Operator

Any licensee, including officers, directors, partners, or managers, may divulge information concerning criminal offenses to law enforcement officers or district attorneys, but may not divulge that information to any other person unless required by law to do so or directed to do so by the client for whom the information was obtained [*Bus. & Prof. Code § 7582.26(a)*]. No licensee may knowingly make any false report to the client for whom information was obtained [*Bus. & Prof. Code § 7582.26(b)*].

Written reports may be submitted to a client only by the licensee, its qualifying manager, or persons authorized by them to do so. The person who submits the report must exercise diligence in ascertaining whether or not the facts and information reported are true and correct [*Bus. & Prof. Code § 7582.26(c)*].

[8] Training and Use of Firearms and Other Weapons

Every licensee and any person employed by a licensee as a security guard or security patrolperson (with the exception of armored vehicle guards hired before January 1, 1977) who carries a firearm in the course of that employment or business must complete a course of training, at an approved training facility, in the carrying and use of firearms [*Bus. & Prof. Code §§ 7583.5, 7583.22*; *see Bus. & Prof. Code § 7585 et seq.* (firearms and baton training facilities)].

Employees may not carry or use firearms, loaded or unloaded, or operative or inoperative, unless they have in their possession both a valid guard registration card and a valid firearm qualification card issued by the Bureau [*Bus. & Prof. Code §§ 7583.12, 7583.22*; *see Bus. & Prof. Code §§ 7583.13-7583.20* (registration and renewal procedures)]. A firearms qualification card does not authorize the holder to carry a pistol, revolver, or other firearm in a concealed manner [*Bus. & Prof. Code § 7583.31*; *see Bus. & Prof. Code § 7583.37(e)* (exceptions); *see also Penal Code § 12050* (concealed weapons)].

It is also illegal for a licensee's employee to carry an inoperable, replica, or other simulated firearm [*Bus. & Prof. Code § 7583.37(a)*], to illegally use, carry, or possess a dangerous weapon, to brandish a weapon, to draw a weapon without cause, to provoke a shooting incident without cause, or to carry or use a firearm while on duty under the influence of alcohol or dangerous drugs [*Bus. & Prof. Code § 7583.37(b)*]. If an employee carries a firearm on duty, the licensee must also maintain an insurance policy [*see Bus. & Prof. Code §§ 7583.39-7583.42*].

Similarly, personnel who carry a baton on duty must qualify to carry the weapon [*Bus. & Prof. Code § 7583.33*]. Evidence of proficiency includes a certificate of proficiency from an approved baton training facility [*Bus. & Prof. Code § 7583.34*]. Personnel who carry tear gas or other nonlethal chemical agents must complete a course of instruction [*see Bus. & Prof. Code § 7583.35*] and carry a certificate of proficiency from an approved training facility [*see Bus. & Prof. Code § 7583.36*].

[9] Discharge of Firearms

Persons required to be registered as security guards [*see* [4], *above*] must report to their employer within 24 hours the circumstances surrounding any incident involving the discharge of a firearm while acting within the course and scope of their employment [*Bus. & Prof. Code § 7583.3(d)*].

A written report describing the circumstances surrounding the incident must be filed with the Director of Consumer Affairs and with the local police department within seven days of the incident [*see Bus. & Prof. Code § 7583.4* (applies both to security guards and to patrolpersons)]. The written report must include the name, address, date of birth, registration number, and firearm permit number of the guard, a description of the injuries and damages that occurred, the identity of all participants, whether a police investigation was conducted, and the date and location of the incident [*Bus. & Prof. Code § 7583.4(a)-(h)*].

[10] Training in Power to Arrest

A person employed by a private patrol operator to perform the functions of a security guard or a security patrolperson must complete a course in the exercise of the power to arrest prior to being assigned to a duty location [*see Bus. & Prof. Code § 7583.6(a)*].

[11] Uniforms and Other Forms of Identification

Uniforms and insignias worn by uniformed employees of a private patrol operator must be clearly distinguishable from the uniforms worn by regular local law enforcement officers [*Bus. & Prof. Code § 7583.38*]. No private patrol licensee or employee may wear a badge, except while engaged in guard or patrol work and while wearing a distinctive uniform [*Bus. & Prof. Code § 7582.26(f)*]. Patches that read "private security" and include the name of the private patrol company by which the person is employed must be worn on the uniform [*Bus. & Prof. Code § 7582.26(f)*; *see Bus. & Prof. Code § 7582.28*]. The patches must be clearly visible at all times, and must be of a standard design approved by the Bureau [*Bus. & Prof. Code § 7582.26(f)*].

Private patrol operator personnel must not use or wear a baton or an exposed firearm unless wearing a uniform in compliance with *Bus. & Prof. Code § 7582.27* [*Bus. & Prof. Code § 7582.26(i)*]. There must be a patch on each arm of the uniform that reads "Private Security" and includes the company name of the employer. The patches must be clearly visible at all times, and must be of a standard design approved by the Bureau [*Bus. & Prof. Code § 7582.27*].

[12] Use of Fictitious Business Name

Licensees may not conduct business under any business name, fictitious or otherwise, without written authorization from the Bureau. The Bureau will not authorize the use of a fictitious or other business name if the name is so similar to that of a public officer or agency or a name used by another licensee that the public could be confused or misled. The Bureau will require, as a condition precedent to the use of a fictitious name, that the licensee file a statement of fictitious business name [*Bus. & Prof. Code § 7582.17*; *see Bus. & Prof. Code § 17900 et seq.*; *see also* Ch. 1A, *Role of Counsel in Starting a New Business*].

[13] Violations of the Private Security Services Act

Any person who violates any provision of the Private Security Services Act, or who conspires with another person to violate any provision the Act relating to private patrol operator licensure, or who knowingly engages a nonexempt unlicensed person, is guilty of a misdemeanor punishable by a fine of $5,000, or by imprisonment in the county jail not to exceed one year, or by both that fine and imprisonment [*Bus. & Prof. Code § 7582.3(b)*].

In addition, civil penalties not to exceed $10,000 and an injunction may be imposed on a person who violates the license requirement of *Bus. & Prof. Code § 7582.3* [*Bus. & Prof. Code § 7582.4(a)*; *see* [4], *above*].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 92 SERVICE CONTRACTS
PART II. LEGAL BACKGROUND
C. Security Services for Property

30-92 California Legal Forms--Transaction Guide § 92.41

§ 92.41 Alarm Systems

[1] Governing Law

The practices of alarm companies and their employees are governed by the Alarm Company Act [*Bus. & Prof. Code § 7590 et seq.*], which is administered and enforced by the Department of Consumer Affairs, Bureau of Security and Investigative Services ("Bureau") [*see Bus. & Prof. Code §§ 7591-7591.20*].

The provisions of the Alarm Company Act do not prevent local authorities from enacting ordinances requiring alarm company operators, and in some cases their employees, to obtain a business permit, a permit to operate an alarm system, or register with the local authority. The local authorities may also enact ordinances governing false alarm activations and responses [*Bus. & Prof. Code § 7592.8*].

[2] Alarm Company Operator and Alarm Agent Defined

An "alarm company operator" is any person who, for any consideration whatsoever, engages in business or accepts employment to install, maintain, alter, sell on premises, monitor, or service alarm systems or who responds to alarm systems, but an alarm company operator does not include an alarm agent, as defined below. An alarm company operator also includes any entity hired to monitor one or more alarm systems, whether or not the entity performs any other duties within the definition of an alarm company operator [*Bus. & Prof. Code § 7590.2*].

An "alarm system" is an assembly of equipment and devices arranged to signal the presence of a hazard requiring urgent attention and to which police are expected to respond [*Bus. & Prof. Code § 7590.1(n)*; *see Novar Corp. v. Bureau of Collection & Investigative Services (1984) 160 Cal. App. 3d 1, 5, 206 Cal. Rptr. 287* (system that results in horn sounding and light flashing for 10 seconds to deter or frighten an intruder, but that is not connected to any police or alarm agency, is probably not an alarm system under Alarm Company Act)].

An "alarm agent" is a person employed by an alarm company operator whose duties include selling on the premises, or altering, installing, maintaining, moving, repairing, replacing, servicing, responding, or monitoring an alarm system, or a person who manages or supervises a person employed by an alarm company to perform any of these duties, or any

person in training for any of these duties [*Bus. & Prof. Code § 7590.1(o)*].

[3] Exempt Persons

The Alarm Company Act does not apply to the following persons [*see Bus. & Prof. Code § 7590.3*]:

- A person employed exclusively and regularly by any employer who does not provide contract alarm services for other entities or persons. A person so employed may at no time carry or use any deadly weapon in the performance of his or her duties.

- An officer or employee of California or the United States of America, while that person is engaged in the performance of his or her official duties.

- Patrol special police officers appointed by the police commission of any city or county.

- A licensed private patrol operator or any employee of a licensed private patrol operator who is employed as a security guard, security officer, or street patrolperson [*see Bus. & Prof. Code § 7582.1*] and who is employed to respond to alarm systems [*see § 92.40[2]*].

[4] License and Registration Requirements

[a] Alarm Company Operator

Any person who engages in the activities of an alarm company operator must obtain a license to do so, unless exempted from the provisions of the Alarm Company Act [*Bus. & Prof. Code § 7592*; *see* [3], *above* (exempt persons); *see also Bus. & Prof. Code § 7593* (license requirements)]. An applicant for an alarm company operator license must be at least 18 years old [*Bus. & Prof. Code § 7590.5*]. The term "licensee" is used throughout this section to refer to a licensed alarm company operator.

A person who is required to be licensed may not bring an action for compensation for the performance of any act or agreement, without alleging and proving that the person was duly licensed at all times during the performance of the act or agreement [*Bus. & Prof. Code § 7592.5*].

[b] Alarm Agent

Within three working days of commencing employment as an alarm agent, the employee, if not currently registered, must submit to the Bureau an application for registration [*Bus. & Prof. Code § 7598.4(a)*; *see Bus. & Prof. Code §§ 7598.5-7598.7* (application requirements)]. An applicant for an alarm agent registration must be at least 18 years old [*Bus. & Prof. Code § 7590.5*].

If the alarm agent is currently registered with the Bureau, the alarm company operator must verify proof of current and valid registration within three working days from the time an employee is first compensated for alarm agent services [*Bus. & Prof. Code § 7599.39*].

[5] Business Operations of Alarm Company Operator

In addition to certain record keeping requirements [*see* [9], *below*], a licensed alarm company operator must comply with the following requirements:

- The license must be conspicuously displayed at the operator's place of business [*Bus. & Prof. Code § 7593.9*].

- A licensee may not conduct an alarm company operator business in any name other than the name for which he or she is licensed. If the licensee desires to operate under a fictitious business name, he or she must apply and qualify for a license under that name [*Bus. & Prof. Code § 7594*].

- A licensee who desires to operate a business at a location other than the principal place of business shown on the license must apply for a branch office registration for each additional location [*Bus. & Prof. Code § 7594.1*; *see Bus. & Prof. Code §§ 7599.20-7599.29* (branch office requirements)].

- Each office of an alarm company operator must be managed by a qualified manager or branch office manager [*see Bus. & Prof. Code §§ 7594.2-7592.6*; *see also Bus. & Prof. Code §§ 7599-7599.10* (qualifications and examination of qualified managers)].

- A licensee must at all times be responsible for ascertaining that his or her employees subject to registration are currently registered or have made proper application for registration [*Bus. & Prof. Code § 7598.16*; *see* [4][b], *above* (registration requirements)].

[6] Obligations Regarding Performance of Services

A licensed alarm company operator and, in some cases, his or her employees, must comply with the following requirements:

- A licensee must not allow any employee to carry a firearm or other deadly weapon without first ascertaining that the employee is proficient in the use of each weapon to be carried [*Bus. & Prof. Code § 7599.40*; *see* [7][a], *below* (firearms training course)].

- A licensee and his or her employees must not enter any private buildings, except those open to the public, without the consent of the owner or the person entitled to possession [*Bus. & Prof. Code § 7599.45*].

- A licensee and his or her employees must not knowingly make any false reports to an employer or client [*Bus. & Prof. Code § 7599.48*].

- A licensee and his or her alarm agents must not make any untrue or misleading statements in connection with the business of the licensee, such as a statement that (1) an alarm system is "Underwriters Laboratory approved or listed" (UL approved or listed) unless the entire system, and not only one or more components, is in fact, UL approved or listed, or (2) an alarm system is insurance approved, police approved, or approved by the Department of Defense, unless in fact the approval has been obtained in writing [*Bus. & Prof. Code § 7599.55*].

- A licensee must not abandon the installation of an alarm system prior to completion without legal excuse [*Bus. & Prof. Code § 7599.49*], or willfully refuse, without legal excuse, to pursue the installation of an alarm system with reasonable diligence, causing material injury to another [*Bus. & Prof. Code § 7599.53*].

- A licensee must not fail in any material respect to complete an alarm system installation for the price stated in the alarm system contract [*Bus. & Prof. Code § 7599.52*].

- Each contract for the installation of an alarm system, including lease agreements, monitoring agreements, and service agreements, must be in writing and must satisfy certain other requirements [*see*

Bus. & Prof. Code § 7599.54]. For discussion and a sample lease agreement for an alarm system, see *§ 92.212*.

- A licensee must not willfully depart from or disregard any plans or specifications (or in the absence of specific requirements, the plans or specifications of accepted trade standards for good and workerlike construction) in any material and prejudicial manner, without consent of the owner or his or her duly authorized representative, and without the consent of the person entitled to have the particular installation of alarm system substantially completed in accordance with the plans and specifications [*Bus. & Prof. Code § 7599.50*].

- A licensee must not willfully or deliberately disregard any building laws, safety law, or labor laws of California, or its political subdivisions [*Bus. & Prof. Code § 7599.51*].

Additionally, a licensee must not do any of the following [*Bus. & Prof. Code § 7599.58*]:

- Knowingly install a defective alarm system.

- Willfully fail to service the alarm system pursuant to the terms of the warranty or service agreement.

- Willfully fail to notify the owner of a defective system when the alarm company operator makes a discovery of a defect in a system after installation.

- Willfully fail to provide any service described in the agreement for the installation of the alarm system [*see Bus. & Prof. Code § 7599.54* (installation agreement requirements)].

[7] Training Programs

[a] Firearms

Every licensee and registrant under the Alarm Company Act who carries a firearm in the course of his or her employment must complete a training course in the carrying and use of firearms and obtain a firearms qualification card prior to carrying firearms [*Bus. & Prof. Code § 7596*; *see Bus. & Prof. Code §§ 7596.3-7596.83* (use of firearms)].

[b] Powers to Arrest

Every licensee and registrant under the Alarm Company Act who carries a firearm in the course of his or her employment must complete a training course in the exercise of the powers to arrest [*Bus. & Prof. Code § 7596*]. Additionally, every alarm agent who responds to alarm systems must complete a course in the exercise of the powers to arrest prior to being assigned to a duty location responding to an alarm system [*Bus. & Prof. Code §§ 7598.1-7598.3*].

[c] Tear Gas

Every person licensed or registered under the Alarm Company Act who carries tear gas, or any other nonlethal chemical agent, must complete a training course in the use of tear gas [*Bus. & Prof. Code § 7596.12*].

[8] Uniforms and Other Forms of Identification

An alarm agent who responds to an alarm system must wear a prominently displayed patch or other designation that clearly identifies the name of the licensee. If the alarm agent carries a deadly weapon while responding to an alarm system, he or she must wear a recognizable uniform bearing the identifying patch. The uniform must be distinguishable from the uniforms worn by local regular law enforcement officers [*Bus. & Prof. Code § 7598.53*].

[9] Record Keeping

[a] Required Records

A licensed alarm company operator must maintain the following records:

- Accurate and current record of all firearms or other deadly weapons that are in the possession of the licensee, or of any employee of the licensee, while on duty [*see Bus. & Prof. Code § 7599.41*].

- Employee records containing the name, address, commencement and termination dates of employment, and position of each employee. These records must be retained for at least two years after employment ceases, and must be available for inspection by the Bureau [*Bus. & Prof. Code § 7599.36*].

[b] Required Reports

A licensed alarm company operator must prepare and submit the following reports and documents to the Bureau:

- Reports of any violent incident involving a dangerous weapon that has been caused by or occurred upon a licensee or its officers, partners, qualified managers, or employees, while acting within the course and scope of employment, and that (1) results in bodily injury or death to any person, or (2) involves the discharge of a weapon, excluding any discharge which occurs on the range. The report must describe fully the circumstances surrounding the incident, any injuries or damages incurred, the identity of all participants, and whether a police investigation was conducted. The report must be mailed to the Bureau within seven days of the incident [*Bus. & Prof. Code § 7599.42*].

- A copy of any final civil court judgment against the licensee or its officers, partners, qualified managers, or employees for an amount of more than $500 pertaining to any act done within the course and scope of employment and that may be in violation of the Alarm Company Act. The report must be mailed to the Bureau within seven days after receipt of the final judgment [*Bus. & Prof. Code § 7599.43*].

[c] Inspections and Investigations

The Chief of the Bureau of Security and Investigative Services may inspect the books and records of an alarm company operator, excluding client information relating to the operational integrity of the alarm system [*Bus. & Prof. Code § 7591.7*]. It is also the duty of the Chief to conduct investigations into the business operations of an alarm company operator who is not operating in accordance with the provisions of the Alarm Company Act, or about whom a written complaint has been filed with the Bureau about the actions and conduct of the alarm company operator or his or her employees or agents [*Bus. & Prof. Code § 7591.5*].

[10] Violations of Alarm Company Act

Any person who violates, or who conspires with another person to violate, any provision of the Alarm Company Act, or who knowingly engages an unlicensed alarm company operator after being notified in writing by the Bureau of the alarm company operator's unlicensed status, is guilty of a misdemeanor, and is punishable by a fine of $1,000, or by imprisonment in the county jail for not more than one year, or by both the fine and imprisonment [*Bus. & Prof. Code § 7592.2*]. Administrative fines may also be imposed for violations of the Alarm Company Act [*see Bus. & Prof. Code §§ 7591.9, 7598.50, 7599.30*].

A licensed alarm company operator is at all times responsible for those actions of his or her employees, including a qualified manager, that are performed within the course and scope of employment and are in violation of the Alarm

Company Act [*Bus. & Prof. Code § 7599.31*].

CHAPTER 92 SERVICE CONTRACTS
PART II. LEGAL BACKGROUND
C. Security Services for Property

30-92 California Legal Forms--Transaction Guide § 92.42

§ 92.42 Sentry Dog Services

[1] Governing Law

The use of trained dogs for security and investigative purposes is governed by the Dog Act of 1969 ("Dog Act") [*Health & Safety Code § 121875 et seq.*]. Four types of dogs are covered by the Dog Act:

- A "sentry dog" is a dog trained to work without supervision in a fenced facility and to deter or detain unauthorized persons found within the facility [*Health & Safety Code § 121880*].

- A "narcotic detection dog" is a dog trained to locate narcotics by scent [*Health & Safety Code § 121885*].

- A "tracker or attack dog" is a dog trained to work with a handler in searching out facilities for burglary suspects and other intruders [*Health & Safety Code § 121890*].

- A "guard dog" or "attack dog" is any dog trained to guard, protect, patrol, or defend any premises, area, or yard, or any dog trained as a sentry or to protect, defend, or guard any person or property, or any dog such as a schutzhund or any similar classification [*Health & Safety § 121881*].

Unless otherwise specified, any violation of any provision of the Dog Act (other than *Health & Safety § 121945*, discussed *below*) is punishable by a civil penalty of up to $1,000 [*Health & Safety Code § 121940*]. Alternatively, any person or owner who violates the Dog Act is subject to a civil penalty of up to $1,000, or prohibition from selling, renting, leasing, or training any attack, guard, or sentry dog for up to 30 days, or both. For a second offense, the person or owner is subject to a civil penalty of up to $2,500, or a prohibition of up to 90 days, or both. For a third offense, the person or owner is subject to a civil penalty of up to $5,000 or a prohibition of up to six months, or both. For a fourth or any subsequent offense, the person or owner is subject to a civil penalty of up to $10,000 or a prohibition of up to one year, or both. For purposes of this section, however, a violation that occurred more than five years before the most recent violation will not be considered [*Health & Safety Code § 121945*].

For discussion and a sample contract for sentry dog services, see *§ 92.213*.

[2] Definitions

For purposes of the Dog Act, a "person" means any individual, partnership, firm, joint stock company, corporation, association, trust, estate, or other legal entity [*Health & Safety Code § 121906*]. An "owner" means any person who has purchased, or obtained legal custody of, an attack, guard, or sentry dog [*Health & Safety Code § 121907*]. A "trainer" means any person who engages in the practice of training any attack, guard, or sentry dog [*Health & Safety Code § 121896*].

A "sentry dog company" is "any person who agrees to furnish trained sentry, attack, or narcotic detection dogs for hire" [*Health & Safety Code § 121895*]. "Hire" includes, but is not limited to, the renting or leasing of a dog with or without a dog handler, or the sale of a dog with an option to repurchase [*Health & Safety Code § 121905*].

A "dog handler" is any person trained in the handling of dogs, including their care, feeding, and maintenance, and in the procedures necessary to control the dog's behavior [*Health & Safety Code § 121900*].

[3] Registration and Notification Requirements

Each sentry dog company must register each sentry, narcotic detection, and tracker or attack dog handled by it with the: (1) local law enforcement agency and (2) state, city, county, or district fire department that has the responsibility for the prevention and suppression of fires in the area in which the sentry dog company is located [*Health & Safety Code § 121910*].

Each sentry dog company must also notify the appropriate local law enforcement agency and the appropriate fire department by mail not more than 15 days before a sentry, narcotic detection, tracker, or attack dog is sent on an assignment of the location and duration of the assignment. The local law enforcement agency and fire department must maintain a file of such assignments [*Health & Safety Code § 121915*].

[4] Identification and Supervision of Sentry Dog

The owner or trainer of any attack, guard, or sentry dog must ensure that the dog has been microchipped and the owner's identification entered into a local or national registry [*Health & Safety Code § 121920(a)*].

An identification tag provided by the attack, guard, or company furnishing the dog for hire must be worn at all times by each dog subject to the Dog Act. The identification tag must include the attack, guard, or name of the dog and the name, address, and telephone number of the sentry dog company furnishing the dog. The telephone number must be to a telephone manned by a person 24 hours per day every day of the year so that calls from the public may be received and answered [*Health & Safety Code § 121920(a)*]. The above identification tag is in addition to any tag required or issued by any governmental agency to show that a dog has been immunized or inoculated against disease [Health & Safety Code § 121920b].

No person may let for hire, sell, or give away any guard, attack, or sentry dog unless immunization and certification of vaccine requirements are met [*see Health & Safety Code § 121921(a)*].

Whenever such a dog is being transported anywhere, it must be well secured in a humane manner that will reasonably prevent its possible escape [*Health & Safety Code § 121925*].

Wherever and whenever such a dog is on actual duty, the dog must be visited by a dog handler at least once every 12

hours to insure that the dog's physical condition, its surroundings, and its food and water supply are adequate, and, if inadequate, the dog handler must do whatever is necessary to remedy the situation. The dog handler must be either the owner of, or be employed by or under contract to, the sentry dog company that placed the dog on assignment [*Health & Safety Code § 121930*].

[5] Permit Requirements

Any person or owner of an attack, guard, or sentry dog that operates or maintains a business to sell, rent, or train an attack, guard, or sentry dog must obtain a permit from the local public agency or private society or pound contracting with the local public agency for animal care or protection services [*Health & Safety Code § 121916(a)*; *see Health & Safety Code § 121916(c)* ("local public agency" means city, county, or city and county)]. When applying for a permit, the applicant must furnish the local public agency with a list of the types of animals to be kept or used for any purpose, the estimated maximum number of animals to be kept, and the name and telephone number of a responsible person who has access to the animals and can be reached in an emergency [*Health & Safety Code § 121917(a),(b)*; *see Health & Safety Code § 121917(c)-(f)* (additional operational requirements)].

[6] Grounds for Suspension or Revocation of Permit

The local public agency may suspend or revoke a permit issued under the Dog Act if the agency determines that the permittee has done any of the following [*Health & Safety Code § 121919*]:

- Made any false statement or given any false information in connection with an application for a license, or a renewal or reinstatement.
- Violated any provisions of the Dog Act.
- Violated any rule of an ordinance adopted pursuant to the authority contained in the Dog Act [*see Health & Safety Code § 121918* (list of ordinances local public agency may adopt regarding dog welfare)].
- Committed any other act that would be grounds for denial of a license.

D. Maintenance and Repair of Personal Property

30-92 California Legal Forms--Transaction Guide § 92.50

§ 92.50 Repair of Electronics and Appliances

[1] Governing Law

Repair services of electronics and appliances [*see* [2], *below* (products covered)] are governed by the Electronic and Appliance Repair Dealer Registration Law ("Repair Act") [*Bus. & Prof. Code § 9800 et seq.*] and its implementing regulations [*16 Cal. Code Reg. § 2701 et seq.*]. The Repair Act is administered by the Bureau of Electronic and Appliance Repair, Home Furnishings, and Thermal Insulation ("Bureau"), within the Department of Consumer Affairs [*Bus. & Prof. Code § 9810*].

The Director of the Department of Consumer Affairs ("Director") must distribute to each registered service dealer [*see* [2], *below* (definition)] copies of applicable statutory provisions and implementing regulations [*Bus. & Prof. Code § 9814*].

For discussion and a sample of a receipt and estimate form that meets the requirements of the Repair Act, see *§ 92.220*. For discussion and a sample of an invoice form that meets the requirements of the Repair Act, see *§ 92.221*.

[2] Service Dealer Defined

A "service dealer" is a person ("person" includes firm, partnership, association, limited liability company, or corporation [*Bus. & Prof. Code § 9801(a)*]) who for compensation engages in, or holds himself or herself out to the public as offering services in, the business of any of the following activities [*Bus. & Prof. Code § 9801(f)*]:

- Repairing, servicing, or maintaining television, radio, audio or video recorders or playback equipment, video cameras, video games, video monitors, computer systems, photocopiers, or fax machines [*see Bus. & Prof. Code § 9801(h)* ("electronic set" defined)] normally used or sold for personal, family, household, or home office use.

- Installing, repairing, servicing, or maintaining "equipment" (*i.e.*, an electronic set, appliance, antenna, rotator, and accessories [*see Bus. & Prof. Code § 9801(g)*]) or a burglar alarm system for use in

private motor vehicles.

- Installing, repairing, servicing, or maintaining television or radio receiver antennas , rotators, and accessories or direct satellite receiving equipment located on or adjacent to a residence and not involving a contractor's function [*see Bus. & Prof. Code § 7000 et seq.*].

- Repairing, servicing, or maintaining major home appliances.

A person is classified as a service dealer if he or she does any of the following [*16 Cal. Code Reg. § 2711*]:

- Solicits or advertises the repair or installation of equipment by telephone directory, newspaper, printed handbill, printed business card, printed poster, or painted or electric sign, or any other method that might lead the customer to believe that he or she repairs or installs such equipment.

- Bills a customer for repair or the installation of equipment as provided in the Repair Act, on his or her own invoice.

- Sells service contracts for the repair of equipment and accepts requests for the repair of such equipment under the service contract [*see § 92.51* (service contracts)].

- Accepts requests for repair or receives equipment for repair or, as part of a sales transaction, provides for the installation of equipment and renders control of the equipment received or transmits the requests for repair or installation to another service dealer.

- Repairs or installs equipment as an independent contractor.

[3] Registration Requirement

[a] Who Must Register

It is unlawful to act as a service dealer without first having registered with the Bureau and unless the registration is currently valid [*Bus. & Prof. Code § 9840*]. Each service dealer must display the registration certificate in a conspicuous place at the place of business for which the registration was issued [*16 Cal. Code Reg. § 2714*].

However, licensed automobile dealers or manufacturers are not required to register as service dealers solely because they install or replace an electronic set or automobile burglar alarm as a function related to the sale or repair of a motor vehicle [*Bus. & Prof. Code § 9806(a)*]. Similarly, a licensed automotive repair dealer [*see § 92.53[1]*] is not required to have a separate service dealer's license if the dealer's activities are within the scope of the dealer's license and consist of installing an electronic set or automobile burglar alarm system for use in private motor vehicles [*Bus. & Prof. Code § 9806(b)*].

A service dealer who does not operate a place of business in California, but who engages in the electronics repair industry or the appliance repair industry in California, must hold a valid registration issued by the Bureau and must pay the required registration fee [*see* [b], *below*] as if the dealer had a place of business in California [*Bus. & Prof. Code § 9830*].

[b] Fees and Forms

Each service dealer must pay a registration fee [*see Bus. & Prof. Code § 9873*] for each place of business and each drop-off location the dealer operates in California and must register with the Bureau on forms prescribed by the

Director. The forms must contain sufficient information to identify the service dealer, including specific information required by statute and other information that is prescribed by the Bureau [*see Bus. & Prof. Code § 9830*].

[c] Renewal of Registration

Original registrations are issued for a maximum of 12 months [*Bus. & Prof. Code § 9832(a)*]. Renewal of a dealer's registration requires submission of a renewal application and payment of a renewal fee [*Bus. & Prof. Code § 9832(b)*; *see Bus. & Prof. Code § 9873* (fees)].

[d] Invalidation of Registration

The Director may deny, suspend, revoke, or place on probation, the registration of a service dealer for any of the following acts or omissions done by the dealer (or by any employee, partner, officer, or member of the service dealer) related to the conduct of the dealer's business [*Bus. & Prof. Code § 9841(a)*]:

- Making or authorizing any statement or advertisement that is untrue or misleading, and that is known, or that by the exercise of reasonable care should be known, to be untrue or misleading.

- Making any false promises of a character likely to influence, persuade, or induce a customer to authorize the repair, installation, service, or maintenance of the equipment covered by the Repair Act.

- Any conduct that constitutes fraud, dishonest dealing, incompetence, or negligence.

- Failure to comply with the provisions of the Repair Act or any implementing regulation, rule, or standard.

- Any willful departure from or disregard of accepted trade standards for good and workmanlike installation or repair.

- Conviction of a crime that has a substantial relationship to the qualifications, functions, and duties of a registrant under the Repair Act, in which event the record of the conviction will be conclusive evidence of the conviction.

- Violation of any order of the Bureau of Electronic and Appliance Repair in the Department of Consumer Affairs under the Repair Act.

Additionally, the director may also deny, or may suspend, revoke, or place on probation, the registration of a service dealer if the dealer has committed acts or crimes constituting grounds for denial of licensure [*Bus. & Prof. Code § 9841(b)*; *see Bus. & Prof. Code § 480*]. The director may also deny, or may suspend, revoke, or place on probation, the registration of a service dealer if the service dealer will be or is holding the registration for the benefit of a former registrant whose registration has been suspended or revoked and who will continue to have some involvement in the service dealer's business [*Bus. & Prof. Code § 9841(c)*].

[4] Relationship to Contractors' State License Law

A licensed contractor [*see Bus. & Prof. Code § 7000 et seq.*] is not prohibited from repairing, servicing, or maintaining equipment of any type, if installing that equipment may be performed under the contractor's license [*Bus. & Prof. Code § 9804*].

A licensed service dealer is not required to hold a contractor's license if the dealer's activities consist only of: (1)

installing satellite antenna systems on residential structures or property, or (2) installing, repairing, servicing, or maintaining televisions, or an electronic set normally used or sold for personal, family, household, or home office use, or any appliances, and that installation, repair, service, or maintenance is not subject to and regulated under the contractors' licensing law [*Bus. & Prof. Code § 9805*]. For detailed coverage of contractor licensing requirements, see Ch. 88, *Licensing of Contractors* .

[5] Quotation for Service Calls

Before making a service call [*see 16 Cal. Code Reg. § 2702(r)* (definition)], a service dealer must quote a charge for the service call and for a diagnosis fee, if there is one. Additional charges may be added to the quoted charge only for time spent determining the nature of the malfunction in preparing a written estimate. If a diagnosis fee is charged, it must be included in the service call charge [*16 Cal. Code Reg. § 2752*; *see Bus. & Prof. Code § 9844*].

[6] Receipt, Estimate, and Invoice

Service dealers must comply with specific requirements of the Repair Act as to the contents and format of documents furnished to the customer, including a receipt or claim check at the time the dealer accepts possession of equipment for service, an estimate of the service charges, and an invoice for the work actually completed [*see Bus. & Prof. Code §§ 9842* (invoices), 9844 (estimates); *16 Cal. Code Reg. § 2721* (receipts)]. These requirements are discussed in detail in *§ 92.220[1]* and *§ 92.221[1]*.

[7] Lien Rights

A lien or other right to maintain possession of the equipment pending payment of charges for repair or installation is prohibited if the total charges for the repair of the equipment exceeds the higher of (1) any amount estimated in writing pursuant to *Bus. & Prof. Code § 9844*, or *(2)* a written revision of the estimate signed and dated by the owner of the equipment, or an oral revision of the written estimate when the oral revision is authorized by the owner and fully documented by the service dealer [*Bus. & Prof. Code § 9844.5*].

[8] Replaced Parts

[a] Returned to Customer

The service dealer must return all replaced parts to the customer, except the following [*Bus. & Prof. Code § 9843*; *16 Cal. Code Reg. § 2765*]:

- Those parts that the service dealer must return to the manufacturer or distributor under a warranty arrangement.

- Electronic or appliance parts replaced or sold on an exchange basis, such as picture tubes, printed circuit components, tuners, and plug-in modules.

- Parts removed from appliances if the customer has waived return of the parts in writing.

- Parts that contain toxic material identified as a health hazard or for which the manufacturer provides a safety disposal procedure.

[b] Compensation to Employees

A service dealer may not make the compensation of any employee, partner, officer, or member dependent on the value of the parts replaced in any equipment by, or with the consent of, the employee, partner, officer, subcontractor, or

member [*Bus. & Prof. Code § 9845*]. This restriction does not apply to certain sales of equipment [*Bus. & Prof. Code § 9845*; *see Bus. & Prof. Code § 9801(g)* (equipment)].

[9] Untrue or Misleading Advertising

[a] Requirements for Advertisements

As discussed in [3][d], *above*, the Director may refuse to validate, or may invalidate temporarily or permanently, the registration of a service dealer for making any untrue or misleading statement or advertisement [*Bus. & Prof. Code § 9841(a)*]. In order not to be deemed untrue or misleading, an advertisement for the repair of equipment must contain the following information: (1) the firm name and address of the business enterprise as shown on the service dealer's state registration certificate and (2) the business telephone number as listed in the telephone directory [*16 Cal. Code Reg. § 2751(a)(1), (2)*]. This information must be included as a protection to persons answering advertisements [*16 Cal. Code Reg. § 2751(a)*].

[b] Specific Language

The use of words like "guaranty, "guaranteed," and "no fix-no pay," or similar phrases, are prohibited as untrue or misleading advertising unless their terms or qualifications are clearly and completely stated. Thus, the nature and extent of the guaranty as to time, parts, or labor must be clearly and completely stated. Likewise, the guarantor must be identified (that is, the advertisement must clearly identify whether the service dealer, the retailer, the manufacturer, or any combination of those persons is the guarantor) [*16 Cal. Code Reg. § 2751(b)(1), (2)*].

If the advertisement includes terms like "repaired in the home," it must also state that there will be a charge if repairs cannot be completed in the home if it is in fact the policy of the dealer to assess those additional charges [*16 Cal. Code Reg. § 2751(c)*].

If the advertisement quotes the price of the picture tube, it must also disclose whether the quoted price includes installation and whether the picture tube offered is new, used, rebuilt, or rejuvenated [*16 Cal. Code Reg. § 2751(d)*].

No service dealer may use the word "free" in an advertisement unless the article or service is actually free, or, if the offer is conditioned in any way, those conditions are clearly specified in the advertisement [*16 Cal. Code Reg. § 2751(e)*].

A service dealer may not use the terms "24-Hour," "Day and Night" or similar terms to describe operations of the firm unless service is actually available to the public at any time during the 24 hours of the day and night [*16 Cal. Code Reg. § 2751(f)*]. Use of an answering service to relay messages for scheduling service calls at a later time is not sufficient to allow a service dealer to claim 24-hour service [*16 Cal. Code Reg. § 2751(f)*].

A dealer must not state or imply in any advertisement that repairs or services will be performed by a person who is "Factory Trained," a "Factory Specialist," "Factory Authorized," "Authorized," "Licensed," "Certified," or a similar term unless the term used is true and not misleading [*16 Cal. Code Reg. § 2751(g)*].

A dealer's advertisement may not contain the words "Discount Coupons," "Discount Prices," or similar words unless the normal or customary price that is being discounted is prominently displayed in the advertisement and is specifically referred to as the normal or customary price (e.g., "$5 off regular service call price ... regular service call $17.50") [*16 Cal. Code Reg. § 2751(h)*].

If the price of a service call [*see 16 Cal. Code Reg. § 2702(r)*] is quoted in an advertisement, no charges generally may be made in addition to the service call charge advertised [*16 Cal. Code Reg. § 2751(i)*; *see Bus. & Prof. Code § 9844*

(service dealer may charge reasonable fee for services provided in determining malfunction in preparation of written estimate for repair)].

[10] Violations of the Electronic and Appliance Repair Dealer Registration Law

[a] Effect of Failure to Register

A service dealer required to have a valid registration by the Repair Act [*see* [3], *above* (registration requirement)] cannot acquire any lien for labor and materials without possession of a valid registration [*Bus. & Prof. Code § 9852*]. A service dealer is also required to have a registration as a condition of the dealer's right to sue on a contract for repairs or installation performed by the dealer [*Bus. & Prof. Code § 9852*].

[b] Criminal Liability

Failure to comply with any provision of the Repair Act, or its implementing regulations, is a misdemeanor punishable by fine, imprisonment, or by both [*Bus. & Prof. Code § 9850*].

[c] Injunctions Against Service Dealer

The superior court for the county in which anyone carries on, or attempts to carry on, business as a service dealer in violation of the Repair Act or its implementing regulations must, on the application of the Director, issue an injunction or other appropriate order restraining that conduct. The proceeding is governed by *Code Civ. Proc. §§ 525-535*, except that the Director is not required to allege facts necessary to show, or tending to show, lack of an adequate remedy at law or irreparable injury [*Bus. & Prof. Code § 9851*].

[d] Customer Complaints

A customer who is dissatisfied with the service received from a service dealer may make a complaint by contacting the Bureau of Electronic and Appliance Repair, Department of Consumer Affairs, Sacramento, California 95814 [*see Bus. & Prof. Code § 9860*]. If the complaint does not appear to state any violation of the Repair Act or of its implementing regulations, the Director will advise the complainant and take no further action [*Bus. & Prof. Code § 9861*].

If the complaint indicates a possible violation of the Repair Act or of its implementing regulations, the Director may advise the service dealer of the contents of the complaint and, after the service dealer has had a reasonable opportunity to reply, must make a summary investigation of the facts [*Bus. & Prof. Code § 9862*]. The commission of certain acts or omissions constitutes grounds for the temporary or permanent invalidation of a service dealer's registration [*see Bus. & Prof. Code § 9841*; *see also* [3][d], *above*].

PART II. LEGAL BACKGROUND
D. Maintenance and Repair of Personal Property

30-92 California Legal Forms--Transaction Guide § 92.51

§ 92.51 Service Contracts for Electronics, Appliances, and Other Consumer Products

[1] Governing Law

Service contracts for electronics, appliances, and certain consumer products are governed by the Electronic and Appliance Repair Dealer Registration Law ("Repair Act") [*see Bus. & Prof. Code §§ 9855-9855.9*] and its implementing regulations [*16 Cal. Code Reg. § 2701 et seq.*]. The Repair Act is administered by the Bureau of Electronic and Appliance Repair, Home Furnishings, and Thermal Insulation ("Bureau"), within the Department of Consumer Affairs [*Bus. & Prof. Code § 9810*].

In addition to the requirements of the Repair Act, service contracts must comply with the service contract provisions of the Song-Beverly Consumer Warranty Act ("Warranty Act") [*see Civ. Code §§ 1794.4, 1794.41*; *see also* [4], [5], and [7], *below*].

A "service contract" is a contract in writing to perform, over a fixed period of time or for a specified duration, services relating to the maintenance, replacement, or repair of products covered under the Repair Act [*Bus. & Prof. Code § 9855(a)(1)*] or the Warranty Act [*Civ. Code § 1791(o)*; *see* [3], *below* (products subject to statutory regulation)].

All the statutory requirements of the Repair Act that pertain to service contracts [*see Bus. & Prof. Code §§ 9855-9855.9*] are slated for repeal on January 1, 2013, absent contrary legislative action prior to that date [*Bus. & Prof. Code § 9855.9*]. However, in the event of repeal, most service contracts will still be subject to applicable provisions of the Warranty Act [*see Civ. Code §§ 1794.4, 1794.41*; *see also* [4], [5], and [7], *below*].

This section discusses the statutory requirements of the Repair Act and the Warranty Act relating to service contracts for products governed by both acts [*see* [3], *below* (products subject to statutory regulation)]. For further discussion and a sample of a service contract form that meets the requirements of both statutes, see *§ 92.222*.

For discussion of violations of the Repair Act, see *§ 92.50[10]*. For discussion of the provisions of the Warranty Act that relate to repairs made under a warranty rather than a service contract, see *§ 92.52[2]*. For discussion of the

provisions of the requirements of the Warranty Act that relate to motor vehicles, see *§ 92.53[3]*. For discussion of a consumer's remedies for violations of the Warranty Act for both repairs made under warranty and repairs under a service contract, see *§ 92.52[2][t]*.

[2] Service Contractor Defined

Under the Repair Act, a "service contractor" is a person who either sells or offers to sell a service contract or who administers a service contract [*see Bus. & Prof. Code § 9855(b), (c), (e)* (applicable definitions)]. Service contractors are regulated separately from "service dealers" under the Repair Act [*see § 92.50[2]* (service dealers)].

[3] Products Subject to Statutory Regulation

[a] Electronic and Appliance Repair Dealer Registration Law

The Repair Act contains provisions regulating service contracts for specified categories of products [*see Bus. & Prof. Code § 9855(a)(1)*]. These provisions originally applied to home electronic equipment and appliances, but their application has been considerably expanded to apply to other types of products and equipment as well. The Repair Act now applies to service contracts relating to the maintenance, replacement, or repair of the following [*Bus. & Prof. Code § 9855(a)(1)*]:

- An electronic set or appliance. An "electronic set" includes, but is not limited to, any television, radio, audio recorder, video recorder, playback equipment, video camera, video game, video monitor, computer system, photocopier, or fax machine normally used or sold for personal, family, household, or home office use [*Bus. & Prof. Code § 9801(h)*]. An "appliance" includes, but is not limited to, any refrigerator, freezer, range, microwave oven, washer, dryer, dishwasher, trash compactor, or room air conditioner normally used or sold for personal, family, household, or home office use, or for use in private motor vehicles [*Bus. & Prof. Code § 9801(i)*].

- Furniture.

- Jewelry.

- Lawn and garden equipment.

- Power tools.

- Fitness equipment.

- Telephone equipment.

- Small kitchen appliances and tools.

- Home health care products.

[b] Song-Beverly Consumer Warranty Act

The products covered under the Warranty Act are broader in scope than those covered by the Repair Act. The Warranty Act applies to "consumer goods," defined as any new product that is used, bought, or leased for use primarily for personal, family, or household purposes, including new and used assistive devices [*see Civ. Code § 1791(p)*], but excluding clothing and consumables [*Civ. Code § 1791(a)*]. However, the Warranty Act requirements for service contracts do not apply to home protection plans issued by a home protection company that is regulated under the

Insurance Code [*Civ. Code § 1794.4(a)*; *see Ins. Code § 12740 et seq.*] or automobile insurance policies as defined in *Ins. Code § 116* [*Civ. Code § 1791(o)*].

[4] Obligations of Service Contractor

Except as provided in the contract, a service contract obligates the "service contractor" to provide the buyer of the product all the services and functional parts necessary to maintain proper operation of the entire product under normal operation and service for the duration of the service contract, without additional charge [*Civ. Code § 1794.4(b)*].

During the period in which the service contract is in effect, a retailer that sells a service contract, with the exception of a vehicle service contract [*see Ins. Code § 12800* (definition)] must [*Civ. Code § 1794.45*]:

- Maintain contract information that includes a description of the terms and conditions of the service contract, and provide that information to the purchaser of the service contract or other beneficiary on request; or

- Obtain a copy of the service contract on request from the purchaser of the service contract or other beneficiary, and provide that copy to the requester within 10 business days after receiving the request.

[5] Relationship to Express Warranty

Under the Warranty Act, service contracts and express warranties are mutually exclusive categories, except when the manufacturer chooses to use the terms "warrant" or "guarantee" in a service contract, in which event the service contract is subject to the provisions of the Warranty Act relating to express warranties [*see Gavaldon v. DaimlerChrysler Corp. (2004) 32 Cal. 4th 1246, 1259* ; *13 Cal. Rptr. 3d 793* ; *90 P.3d 752]* .

There is no law that prohibits the sale of a service contract to the buyer in addition to or in lieu of an express warranty if the service contract fully and conspicuously discloses the terms, conditions, and exclusions of the contract in simple and readily understood language [*Civ. Code § 1794.4(a)*].

[6] Registration and Filing Requirements

The Repair Act requires any service contractor to register with the Bureau [*Bus. & Prof. Code § 9855.1*] and to maintain and furnish proof of service contract reimbursement insurance [*see Bus. & Prof. Code §§ 9855.2-9855.4*]. In addition, any service contract form to be issued by the service contractor must be filed with the Director of the Department of Consumer Affairs (which oversees the Bureau) prior to its use by the service contractor [*Bus. & Prof. Code § 9855.3(a)*].

[7] Disclosure and Other Requirements

Service contracts covering home appliances and home electronic products purchased for use in California must comply with the following [*Civ. Code § 1794.41(a)*]:

- The contract must contain certain required disclosures [*see Civ. Code § 1794.4*; *see also § 92.222* (sample contract form)] and a statement of the buyer's cancellation and refund rights.

- The contract must be available for inspection by the buyer before sale and delivered to the buyer within 60 days after sale.

- The contract must apply only to items, costs, and time periods not covered by the express warranty. However, a service contract may run concurrently with or overlap an express warranty if the contract

covers items and costs not covered by the express warranty, or if it provides relief to a buyer not available under the express warranty.

[8] Incidental Indemnity Payment

A service contract may include provisions for incidental payment of indemnity under limited circumstances, including, but not limited to, power surges, food spoilage, or accidental damage from handling [*Bus. & Prof. Code § 9855(a)(1)*], provided that this incidental indemnity payment does not exceed a retail value of $250 per year [*Bus. & Prof. Code § 9855(a)(2)*].

[9] Time of Service or Repair

[a] Four-Hour Repair Period

If a service contract between a consumer and a retailer with 25 or more employees for service or repair of merchandise requires the presence of the consumer at the time the service or repair is to be performed, then on receiving a request for service or repair, the retailer and consumer must agree, prior to the date of service or repair, on a four-hour period within which the service or repair will be commenced [*Civ. Code § 1722(a)(1)*].

Once the service or repair period is established, the retailer or the retailer's agent must begin service or repair of the merchandise within the period specified. This requirement applies whether or not the retailer sold the merchandise to the consumer [*Civ. Code § 1722(a)(1)*; *see Civ. Code § 1722(a)(2)-(5)* (remedies for failure to commence repairs within four-hour period)].

Any provision included in a service or repair contract in which the consumer or subscriber agrees to modify or waive rights afforded by *Civ. Code § 1722* (four-hour repair provisions) is void as contrary to public policy [*Civ. Code § 1722(d)*].

[b] Consumer's Remedies for Failure to Comply

If service or repair is not begun within the specified four-hour period, except for delays caused by unforeseen or unavoidable occurrences beyond the control of the retailer, the consumer may bring an action in small claims court against the retailer for lost wages, expenses actually incurred, or other actual damages not exceeding a total of $600 [*Civ. Code § 1722(a)(2)*]. The action is not considered valid if the consumer is not present at the time, within the specified period, when the retailer or retailer's agent attempted to perform the service or repairs, or made a diligent attempt to notify the consumer, by telephone or in person, of its inability to do so [*Civ. Code § 1722(a)(3)*]. If notification is by telephone, the retailer must leave a telephone number for a return call by the consumer, to enable the consumer to arrange a new two-hour period for delivery, service, or repair [*Civ. Code § 1722(a)(3)*].

[c] Service Provider's Defenses

Delays caused by unforeseen or unavoidable occurrences beyond the control of the retailer provide a defense to the consumer's action for damages if the retailer made a diligent attempt to notify the consumer of the delay. It is also a defense to the action that the retailer or the retailer's agent was unable to notify the consumer of the delay because of the consumer's absence or unavailability during the specified four-hour period [*Civ. Code § 1722(a)(5)*].

Neither of these defenses is available unless the retailer or the retailer's agent makes the service or repairs within two hours of a newly agreed upon time, or unless the consumer unreasonably declines to arrange a new time for the service or repairs [*Civ. Code § 1722(a)(5)*].

In a small claims action, logs and other business records maintained by the retailer or the retailer's agent in the ordinary

course of business are prima facie evidence of the time period specified for service or repairs, and of a diligent attempt by the retailer or the retailer's agent to notify the consumer of the justified delay [*Civ. Code § 1722(a)(4)*].

[d] Cable Television and Utility Companies

Cable television and utility companies are bound by rules similar to those stated in [a], *above*. Whenever a subscriber contracts with a cable television company or utility for a service connection or repair that is to take place at a later date, and the parties have agreed that the presence of the subscriber is required, the company and the subscriber must agree, before the date of service connection or repair, on the time for commencement of the four-hour period for service connection or repair [*Civ. Code § 1722(b)(1), (c)(1)*].

The remedies of the subscriber and the defenses of the cable television company or utility are similar to those applicable to service or repair contracts [*see Civ. Code § 1722(b)(2)-(5), (c)(2)-(5)*; *see also* [b] and [c], *above*]. However, no action is valid against a cable television company if the franchise or any local ordinance provides the subscriber with a remedy for a delay in commencement of a service connection or repair and the subscriber elects to pursue that remedy. If the subscriber elects to bring an action in small claims court instead of pursuing the remedy provided by the franchise or ordinance, the franchising or state or local licensing authority is barred from imposing any fine, penalty, or other sanction against the company arising out of the same incident [*Civ. Code § 1722(b)(6)*].

PART II. LEGAL BACKGROUND

30-92 California Legal Forms--Transaction Guide § 92.52

§ 92.52 Express Warranties for Consumer Goods

[1] Governing Law

Consumer product warranties are governed by the federal Magnuson-Moss Warranty--Federal Trade Commission Improvement Act ("Magnuson-Moss Act") [*15 U.S.C. § 2301 et seq.*; *see* [3], *below*] and the Song-Beverly Consumer Warranty Act ("Warranty Act") [*Civ. Code § 1790 et seq.*; *see* [2], *below*]. The Warranty Act also includes certain provisions relating to service contracts for consumer goods [*see Civ. Code §§ 1794.4*, 1794.45, *1794.41*; *see also § 92.51* (service contracts)].

The remedies provided by the Warranty Act are cumulative and will not be construed as restricting any remedy that is otherwise available [*Civ. Code § 1790.4*]. For example, the provisions of the Warranty Act do not affect the rights and obligations of parties under the Commercial Code, except in the case of a conflict, in which case the provisions of the Warranty Act prevail [*Civ. Code § 1790.3*]. For discussion and sample forms for express warranties under the Commercial Code, see *Ch. 52, Sales of Goods Under the Uniform Commercial Code, §§ 52.128, 52.290-52.297*.

This section focuses on the rights and obligations relating to express warranties under the Warranty Act and, to the extent required by the Warranty Act, the provisions of the Magnuson-Moss Act. For further discussion of the Magnuson-Moss Act, see *Ch. 52, Sales of Goods Under the Uniform Commercial Code, §§ 52.128, 52.290*.

[2] Song-Beverly Consumer Warranty Act

[a] Products and Transactions Covered

The Warranty Act governs express warranties of "consumer goods," defined as any new product or part thereof that is used, bought, or leased primarily for personal, family, or household purposes, including assistive devices (designed to assist the physically disabled), but excluding clothing and consumables [*Civ. Code § 1791(a)*; *see Civ. Code § 1791(p)* ("assistive devices" defined); *see also Atkinson v. Elk Corporation (2003) 109 Cal. App. 4th 739, 757, 135 Cal. Rptr. 2d 433* (analyzing statutory definition of "consumer goods" and holding that roof shingles are not consumer goods under the Warranty Act)]. The Warranty Act also governs express warranties of used goods, with certain qualifications [

see [b], *below*].

Clothing and consumables, the retail sale of which is accompanied by an express warranty, are subject to special provisions concerning the obligation of the manufacturer to allow the buyer to return nonconforming goods [*see Civ. Code § 1793.35*; *see* [m], *below*].

A "lease" is a contract for the lease or bailment for the use of consumer goods by an individual for a term exceeding four months primarily for personal, family, or household purposes, whether or not it is agreed that the lessee bears the risk of the consumer goods' depreciation [*Civ. Code § 1791(g)*].

If express warranties are regularly furnished to buyers of the same kind of goods, the same warranties will apply to both new and used leased goods, and the lessor and lessee will each be deemed the first purchaser for the purpose of the warranty provision limiting warranty benefits to the original purchaser [*Civ. Code § 1795.4(a)*]. The lessee has the same rights against the manufacturer, the lessor, and the party who sold the goods to the lessor that the lessee would have if the lessee had purchased the goods [*Civ. Code § 1795.4(b)-(d)*].

The Warranty Act does not apply to a defect or nonconformity in consumer goods caused by the unauthorized or unreasonable use of the goods following sale [*Civ. Code § 1794.3*].

The requirements of the Warranty Act apply to any equipment or any mechanical, electrical, or thermal component of a system designed to heat, cool, or otherwise condition air. However, the Warranty Act does not apply to the system as a whole if such a system becomes a fixed part of a structure [*Civ. Code § 1795.1*].

[b] Used Goods

Notwithstanding the definition of "consumer goods" to mean only new items [*Civ. Code § 1791(a)*; *see* [a], *above*], a distributor or retail seller of used consumer goods in which an express warranty is given has the same obligations as that imposed on manufacturers in a sale of new goods, with the following qualifications:

- The distributor or retail seller making express warranties with respect to used consumer goods (and not the original manufacturer, distributor, or retail seller making express warranties with respect to those goods when new) must maintain sufficient service and repair facilities within California to carry out the terms of those express warranties [*Civ. Code § 1795.5(a)*].

- The provisions of *Civ. Code § 1793.5* (liability to retail seller relating to failure to maintain repair and service facilities in California) do not apply to the sale of used consumer goods [*Civ. Code § 1795.5(b)*].

- The duration of the implied warranty of merchantability or of fitness will be coextensive in duration with the accompanying express warranty, but not less than 30 days or more than three months [*Civ. Code § 1795.5(c)*].

- The obligation of a distributor or retail seller who makes express warranties with respect to used goods sold in California extends to the sale of all such used goods, regardless of when those goods may have been manufactured [*Civ. Code § 1795.5(d)*].

[c] Express Warranty Defined

Express warranty means either of the following [*Civ. Code § 1791.2(a)*]:

- A written statement arising out of a sale to the consumer of a consumer good under which the manufacturer, distributor, or retailer undertakes to preserve or maintain the utility or performance of the consumer good or provide compensation if there is a failure in utility or performance.

- In the event of any sample or model, that the whole of the goods conforms to the sample or model.

[d] How Express Warranty Is Created

To create an express warranty, it is not necessary that formal words, such as "warrant" or "guarantee," be used; but if such words are used, then an express warranty is created. However, an affirmation merely of the value of the goods or a statement purporting to be merely an opinion or commendation of the goods does not create a warranty [*Civ. Code § 1791.2(b)*]. Statements or representations, such as expressions of a general policy concerning customer satisfaction, which are not subject to any limitation, also do not create an express warranty [*Civ. Code § 1791.2(c)*].

Every manufacturer, distributor, or retailer making express warranties with respect to consumer goods must set forth the warranties in readily comprehensible language and clearly identify the party making the express warranties [*Civ. Code § 1793.1(a)(1)*]. The warranties must conform to the federal standards for disclosure of warranty terms and conditions set forth in the federal Magnuson-Moss Act [*see* [3], *below*] and in the regulations of the Federal Trade Commission adopted pursuant to the provisions of that act [*Civ. Code § 1793.1(a)(1)*; *see § 92.223* (sample warranty form)].

[e] Impact on Implied Warranties

Nothing in the Warranty Act affects the right of a manufacturer to make express warranties with respect to consumer goods. However, a manufacturer, distributor, or retailer, in transacting a sale in which express warranties are given, may not limit, modify, or disclaim the implied warranties guaranteed by the Warranty Act [*Civ. Code § 1793*].

[f] Relationship to Service Contracts

Nothing in the Warranty Act may be construed to prevent the sale of a service contract to the buyer in addition to, or in lieu of, an express warranty if the contract fully and conspicuously discloses the terms, conditions, and exclusions in simple and readily understandable language [*Civ. Code § 1794.4(a)*; *see § 92.51* (service contracts)].

Under the Warranty Act, service contracts and express warranties are mutually exclusive categories, except when the manufacturer chooses to use the terms "warrant" or "guarantee" in a service contract. Thus, unless the manufacturer uses those terms in its service contract, the service contract is not subject to the express warranty provisions of the Warranty Act [*see Gavaldon v. DaimlerChrysler Corp. (2004) 32 Cal. 4th 1246, 1259* ; *13 Cal. Rptr. 3d 793* ; *90 P.3d 752]* .

[g] California Service Facilities Required

To carry out the terms of its warranties, every manufacturer of consumer goods sold in California for which the manufacturer makes an express warranty must maintain sufficient service and repair facilities in California reasonably close to all areas where its consumer goods are sold. Alternatively, the manufacturer may designate and authorize in California independent service and repair facilities reasonably close to all areas where its consumer goods are sold [*Civ. Code § 1793.2(a)(1)(A)*].

In the event that the manufacturer fails to provide qualifying service and repair facilities, the manufacturer is liable to a retailer who performs services or incurs obligations in giving effect to express warranties [*Civ. Code § 1793.5*; *see* [p], *below*].

[h] Service Literature and Parts

Every manufacturer of consumer goods sold in California for which the manufacturer has made an express warranty must provide to authorized service and repair facilities enough service literature and replacement parts to make repairs during the express warranty period [*Civ. Code § 1793.2(a)(3)*].

This requirement applies only to products with a wholesale price to the retailer of not less than $50 and not more than $99.99 [*Civ. Code § 1793.03(a)*]. If the products have a wholesale price to the retailer of $100 or more, then the manufacturer must provide sufficient service literature and functional parts to service and repair facilities to make repairs for at least seven years after the date a product model or type was manufactured, regardless of the product's warranty period [*Civ. Code § 1793.03(b)*].

Additionally, every manufacturer making an express warranty with respect to most electronic equipment and appliance products [*see Bus. & Prof. Code § 9801(g)-(j)* (definitions of specific products covered)] must provide enough service literature and functional parts to service and repair facilities to make product repairs for at least three years after the date a product model or type was manufactured, regardless of whether the three-year period exceeds the product's warranty period.

For discussion of the consumer's remedies for the manufacturer's failure to comply with the requirements in this subsection, see [q], *below.*

[i] Notification to Buyer of Service Facilities

Every manufacturer, distributor, or retailer who makes express warranties and who elects to maintain service and repair facilities in California must do one or more of the following [*Civ. Code § 1793.1(e)*]:

- At the time of the sale, furnish the buyer with the name and address of each service and repair facility in California.

- At the time of the sale, furnish the buyer with the name, address, and telephone number of a service and repair facility central directory in California, or a toll-free telephone number of a service and repair facility central directory outside California. This directory must provide, on inquiry, the name and address of the authorized service and repair facility nearest the buyer.

- Maintain at the retailer's premises a current listing of the warrantor's authorized service and repair facilities, or retail sellers to whom the consumer goods are to be returned for service and repair, whichever is applicable, in California. It is the duty of every retail seller provided with that listing to provide, on inquiry, the name, address, and telephone number of the nearest authorized facility, or the retail seller to whom the consumer goods are to be returned for service and repair, whichever is applicable.

[j] Registration Card or Form

Any manufacturer, distributor, or retailer that provides a warranty or product registration card or form, or an electronic online warranty or product registration form, must inform the buyer that the card or form is for product registration and that failure to return the card or form does not diminish the warranty rights during the warranty period [*Civ. Code § 1793.1(a)(1)(A), (B)*]. A warranty or product registration card or form may not be labeled as a warranty registration or a warranty confirmation [*Civ. Code § 1793.1(b)*].

[k] Time Period for Repairs

If service and repair facilities are maintained in California and service or repair of the goods is necessary because they do not conform to the applicable express warranties, service and repair must be commenced within a reasonable time following receipt of the goods by the manufacturer or its representative in California. Unless the buyer agrees otherwise in writing, the goods must be serviced or repaired so as to conform to the applicable warranties within 30 days. Delay caused by conditions beyond the control of the manufacturer or its representative serve to extend this 30-day period. When this type of delay arises, conforming goods must be tendered as soon as possible following termination of the condition giving rise to the delay [*Civ. Code § 1793.2(b)*].

[l] Receipt or Work Order

Every manufacturer or seller performing warranty repairs or service on consumer goods must provide to the buyer a work order or receipt with the date of return and either the date the buyer was notified that the goods were repaired or serviced or, if applicable, the date the goods were shipped or delivered to the buyer [*Civ. Code § 1795.6(d)*].

[m] Tolling of Warranty Period

Every warranty period relating to an implied or express warranty accompanying a sale or consignment for sale of consumer goods selling for $50 or more is automatically tolled for a period commencing on the date on which the buyer does either of the following [*Civ. Code § 1795.6(a)*]:

- Delivers nonconforming goods to the manufacturer or seller for warranty repairs or service.

- Notifies the manufacturer or seller of the nonconformity of the goods [*see Civ. Code §§ 1793.2(c), 1793.22*].

The warranty period is tolled up to, and including, the date on which one of the following events occurs [*Civ. Code § 1795.6(a)*]:

- The repaired or serviced goods are delivered to the buyer.

- The buyer is notified the goods are repaired or serviced and are available for the buyer's possession.

- The buyer is notified that repairs or service has been completed, if repairs or service have been made at the buyer's residence.

Moreover, a warranty period will not expire if either or both of the following situations occur [*Civ. Code § 1795.6(b)*]:

- After the buyer delivers the nonconforming goods to the manufacturer or seller or notifies these parties of the nonconformity of the goods, as mentioned, *above*, the warranty repairs or services have not been performed due to delays caused by circumstances beyond the control of the buyer.

- The warranty repairs or service performed on the nonconforming goods does not remedy the nonconformity for which the repairs or service was performed, and the buyer notifies the manufacturer or seller of this failure within 60 days after the repairs or service was completed.

Every work order for warranty repairs or service must include a statement explaining the extension of the warranty period in prescribed statutory language [*see Civ. Code § 1793.1(a)(2)*; *see also § 92.220[1][d]*]. The term "manufacturer," as used in this subsection, includes the manufacturer's service or repair facility [*Civ. Code § 1795.6(c)*].

[n] Goods That Cannot Be Returned Easily

The buyer has a duty to deliver nonconforming goods to the manufacturer's service and repair facility in California, unless, due to reasons of size and weight, or method of attachment, or method of installation, or nature of the nonconformity, delivery cannot reasonably be accomplished. Should the buyer be unable to effect return of nonconforming goods for any of these reasons, the buyer must notify the manufacturer or its nearest service and repair facility in California. Written notice of nonconformity to the manufacturer or its service and repair facility constitutes return of the goods [*Civ. Code § 1793.2(c)*].

On receipt of the notice of nonconformity the manufacturer must, at its option, service or repair at the buyer's residence, or pick up the goods for service and repair, or arrange for transporting the goods to its service and repair facility. All reasonable costs of transporting the goods if the buyer is unable to effect return are the manufacturer's responsibility. The reasonable costs of transporting nonconforming goods after delivery to the service and repair facility until return of the goods to the buyer are at the manufacturer's expense [*Civ. Code § 1793.2(c)*].

[o] Replacement or Reimbursement Alternative

If the manufacturer or its representative in California is unable to service or repair the goods to conform to applicable express warranties after a reasonable number of attempts, the manufacturer must either replace the goods or reimburse the buyer in an amount equal to the purchase price paid by the buyer, less that amount directly attributable to use by the buyer prior to the discovery of the nonconformity [*Civ. Code § 1793.2(d)(1)*].

Similarly, if goods cannot practicably be serviced or repaired by the manufacturer or its representative to conform to the applicable express warranties because of the way they are installed or because the goods have become so affixed to real property that they are now a part of it, the manufacturer must either replace and install the goods or reimburse the buyer in an amount equal to the purchase price, including installation costs, less any amount directly attributable to the buyer's use, before the discovery of the nonconformity [*Civ. Code § 1793.2(e)(1)*; *see Civ. Code § 1793.2(e)(2)* (certain exceptions for deficiencies in construction of new residential dwelling)].

For discussion of warranty repair or replacement of defective motor vehicles, see *§ 92.53[3]*.

[p] Liability for Failure to Provide California Facilities

A manufacturer making express warranties that does not provide service or repair facilities in California [*see Civ. Code § 1793.2*; *see also* [g], *above*] is liable to a retail seller of the manufacturer's goods if the retailer incurs liability in giving effect to the express warranties that accompany the manufacturer's consumer goods. The amount of liability is determined as follows [*Civ. Code § 1793.5*]:

- In the event of replacement, in an amount equal to the actual cost to the retail seller of the replaced goods, and costs of transporting the goods, if those costs are incurred, plus a reasonable handling charge.

- In the event of service or repair, in an amount equal to that which would be received by the retail seller for like service rendered to retail consumers who are not entitled to warranty protection, including actual and reasonable costs of the service and repair and the cost of transporting the goods, plus a reasonable profit.

- In the event of reimbursement to the buyer of the purchase price, in an amount equal to that reimbursed to the buyer plus a reasonable handling charge.

Every manufacturer making express warranties whose consumer goods are sold in California is liable to every independent service provider who performs services or incurs obligations in giving effect to the express warranties that

accompany the manufacturer's consumer goods. The amount of the liability is an amount equal to the actual and reasonable costs of the service and repair, including any costs for parts and any reasonable cost of transporting the goods or parts, plus a reasonable profit [*Civ. Code § 1793.6*].

For discussion and a sample form for a complaint by a retail seller or independent service provider against a manufacturer for failing to maintain repair facilities in California, see *California Forms of Pleading and Practice, Ch. 502, Sales: Warranties, § 502.162* (Matthew Bender).

[q] Buyer's Alternatives If Service Facilities Not In California

If the manufacturer making express warranties for consumer goods sold in California does not provide service and repair facilities within California or fails to provide sufficient service literature and replacement parts to service and repair facilities [*see* [g] and [h], *above*], the buyer may pursue any one of the following courses of action:

- Return the nonconforming consumer goods to the retail seller of those goods, who in turn must do one of the following [*Civ. Code § 1793.3(a)*]:
  - Service or repair the nonconforming goods to conform to the applicable warranty.
  - Direct the buyer to a reasonably close independent repair or service facility willing to accept service or repair under the relevant provisions of the Warranty Act. In such an event, the manufacturer is liable for the reasonable cost of repair services [*Civ. Code § 1793.3(d)*].
  - Replace the nonconforming goods with goods that are identical or reasonably equivalent to the warranted goods.
  - Refund to the buyer the original purchase price less that amount directly attributable to use by the buyer prior to the discovery of the nonconformity.
- Return the nonconforming consumer goods to any retail seller of like goods of the same manufacturer within California who may do one of the following [*Civ. Code § 1793.3(b)*]:
  - Service or repair the nonconforming goods to conform to the applicable warranty.
  - Direct the buyer to a reasonably close independent repair or service facility willing to accept service or repair under this section. In such an event, the manufacturer is liable for the reasonable cost of repair services [*Civ. Code § 1793.3(d)*].
  - Replace the nonconforming goods with goods that are identical or reasonably equivalent to the warranted goods.
  - Refund to the buyer the original purchase price less that amount directly attributable to use by the buyer prior to the discovery of the nonconformity.
- Secure the services of an independent repair or service facility for the service or repair of the nonconforming consumer goods, when (1) service or repair of the goods can be economically accomplished and (2) the buyer is not furnished appropriate relief by returning the goods to the retailer of those goods, or to any retail seller in California of like goods of the same manufacturer. In that event, the manufacturer is liable to the buyer, or to the independent repair or service facility on the assignment of

the buyer's rights. The amount of liability is the actual and reasonable cost of service and repair, including any cost for parts and any reasonable cost of transporting the goods or parts, plus a reasonable profit [*Civ. Code § 1793.3(c)*].

In the event that the buyer is unable to return nonconforming goods to the retailer due to reasons of size and weight, or method of attachment, or method of installation, or nature of nonconformity, the buyer must give notice to the retailer. On receipt of the notice of nonconformity, the retailer must, at its option, service or repair the goods at the buyer's residence, or pick up the goods for service or repair, or arrange for transporting the goods to its place of business. The reasonable costs of transporting the goods are at the expense of the retailer, and the retailer is entitled to recover all such costs from the manufacturer [*Civ. Code § 1793.3(e)*].

If an option is exercised in favor of service and repair under *Civ. Code § 1793.3*, the service and repair must be commenced within a reasonable time and, unless the buyer agrees otherwise in writing, the goods conforming to the applicable express warranties must be tendered within 30 days. Delay caused by the conditions beyond the control of the retail seller or the seller's representative extends this 30-day requirement. When this type of a delay arises, conforming goods must be tendered as soon as possible following termination of the condition giving rise to the delay [*Civ. Code § 1793.4*].

[r] Notification to Buyer of Alternatives If Service Facilities Not in California

The manufacturer of consumer goods with a wholesale price to the retailer of $50 or more for which the manufacturer has made express warranties must provide written notice to the buyer of the courses of action available to the buyer [*Civ. Code § 1793.3(f)*; *see* [q], *above* (buyer's courses of action); *see also § 92.223[2]* (express warranty form)].

[s] Return of Clothing or Consumables

If the retail sale of clothing or consumables is accompanied by an express warranty and those items do not conform to the terms of the express warranty, the buyer may return the goods within 30 days of purchase or the period specified in the warranty, whichever is greater. The manufacturer may, in the express warranty, direct the purchaser to return the goods to the retail seller of like goods of the same manufacturer for replacement. Upon return, the retailer must replace the nonconforming goods if the manufacturer has so directed in the express warranty. If replacement is not directed by the manufacturer, the retailer may replace the goods or reimburse the buyer in an amount equal to the purchase price paid by the buyer for the goods, at the option of the retailer. Costs for those remedies are recoverable from the manufacturer [*Civ. Code § 1793.35(a),(b)*; see *Civ. Code § 1793.5*].

[t] Violations of Song-Beverly Consumer Warranty Act

A buyer of consumer goods who is damaged because of a violation of the Warranty Act, or because of a failure to comply with obligations under express or implied warranties or service contracts, may bring an action for legal or equitable relief, or both [*Civ. Code § 1794(a)*].

If the buyer has accepted the goods and given notice that they do not conform to the contract terms, the buyer may recover reasonable damages for any loss resulting from that nonconformity [*Civ. Code § 1794(b)(2)*; *see Com. Code §§ 2714(1)*, 2607(3)]. If the nonconformity of accepted goods constitutes a breach of warranty, the buyer may recover the difference, at the time and place of acceptance, between the value of the goods accepted and the value they would have had if they had been as warranted [*see Civ. Code § 1794(b)(2)*; *see also Com. Code §§ 2714(2), 2715*].

A buyer who rightfully rejects or revokes acceptance of consumer goods or exercises a right to cancel the sale may do any of the following [*Civ. Code § 1794(b)(1)*]:

- Purchase substitute goods and recover the difference between their cost and the contract price [*see Com. Code §§ 2711(1), 2712*].

- Recover the difference between the contract price and the market price of the goods at the time the buyer learned of the seller's breach [*see Com. Code §§ 2711(1)(b), 2713*].

- Obtain a decree of specific performance if the goods are unique, or other proper circumstances [*see Com. Code §§ 2711(2)(b), 2716*].

- Recover any unshipped goods from an insolvent seller if the buyer has paid at least part of the purchase price and tenders any unpaid balance [*see Com. Code § 2711(2)(a)*; *see also Com. Code § 2502*].

- Take a security interest in goods the buyer controls or possesses [*see Com. Code § 2711(3)*].

The damaged buyer of consumer goods generally may also recover incidental damages (commercially reasonable charges and expenses) and consequential damages occasioned by the seller's breach [*see Civ. Code § 1794(a), (b)*; *see also Com. Code § 2715*]. The court must award costs and attorneys' fees to a buyer who prevails in an action brought under *Civ. Code § 1794* [*see Civ. Code § 1794(d)*].

Defendant sellers who are prevailing parties are also entitled to recover their costs and expert witness fees under the Warranty Act. Although *Civ. Code § 1794(d)* refers only to "prevailing buyers," it may be reconciled with Civ. Code Proc. § 1032(b) under which prevailing defendants are entitled to costs [*Murillo v. Fleetwood Enterprises, Inc. (1998) 17 Cal. 4th 985, 999, 73 Cal. Rptr. 2d 682, 953 P. 2d 858]* .

If the seller's noncompliance was willful, the buyer may also recover a civil penalty of up to twice the actual damages [*see Civ. Code § 1794(c)*]. The term "willful" means the seller knew of its obligations but intentionally declined to fulfill them; there is no requirement of blame, malice or moral delinquency [*Schreidel v. American Honda Motor Co., Inc. (1995) 34 Cal. App. 4th 1242, 1249-1250, 40 Cal. Rptr. 2d 576]* .

This civil penalty, however, is not available to buyers who bring actions under *Code Civ. Proc. § 382* (class actions naming unwilling plaintiffs as defendants) or *Civ. Code § 1781* (Consumers Legal Remedies Act), or to claims based solely on breach of implied warranties [*see Civ. Code § 1794(c)*].

For discussion and a sample of a complaint by a retail buyer against a manufacturer and a retail seller for violations of the Warranty Act, see *California Forms of Pleading and Practice, Ch. 502, Sales: Warranties, § 502.160* (Matthew Bender).

[3] Magnuson-Moss Warranty--Federal Trade Commission Improvement Act

The Magnuson-Moss Act applies to "consumer products," defined as tangible personal property that is distributed in commerce and that is normally used for personal, family, or household purposes (including any such property intended to be attached to or installed in any real property without regard to whether it is so attached or installed) [*15 U.S.C. 2301(1)*]. "Commerce" means trade, traffic, commerce, or transportation between a place in a state and anywhere outside, or that which affects such movement [*15 U.S.C. 2301(14)*].

The Warranty Act [*see* [2], *above*] requires that written warranties of consumer goods conform to the standards of disclosure of terms and conditions under the Magnuson-Moss Act [*Civ. Code § 1793.1*]. The terms and conditions of any written warranty must be fully and conspicuously disclosed and must contain certain detailed statements [*see 15 U.S.C. 2302(a)*; *see also § 92.223[1][b]* (required statements)].

If, after a reasonable number of attempts, the warrantor is unable to repair a defective product, it must permit the consumer to elect either a replacement of the product without charge or a refund [*see 15 U.S.C. 2304(a)(1)-(4)*].

Nothing in the Magnuson-Moss Act invalidates or restricts any right or remedy of a consumer under the Warranty Act [*15 U.S.C. 2311(b)(1)*]. For discussion and a sample of an express warranty for consumer goods that satisfies the Warranty Act and the required elements of the Magnuson-Moss Act, see *§ 92.223*. For further discussion of the Magnuson-Moss Act, see California Forms of Pleading and Practice, Ch. 502, *Sales: Warranties* (Matthew Bender) and Ch. 52, *Sales of Goods Under the Uniform Commercial Code.*

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 92 SERVICE CONTRACTS
PART II. LEGAL BACKGROUND
D. Maintenance and Repair of Personal Property

30-92 California Legal Forms--Transaction Guide § 92.53

§ 92.53 Motor Vehicle Repairs

[1] Repairs in General

[a] Governing Law

Motor vehicle repairs generally are governed by the Automotive Repair Act ("Automotive Act") [*Bus. & Prof. Code § 9880 et seq.*] and its implementing regulations [*16 Cal. Code Reg. § 3303 et seq.*]. The Automotive Act is administered by the Bureau of Automotive Repair ("Bureau"), within the Department of Consumer Affairs [*see Bus. & Prof. Code § 9882*].

[b] Persons, Products, and Activities Defined

An "automotive repair dealer" is a person (or firm, partnership, association, limited liability company, or corporation) who, for compensation, engages in the business of repairing or diagnosing malfunctions of motor vehicles [*Bus. & Prof. Code § 9880.1(a), (f)*]. Also included as an automotive repair dealer is a person who, for compensation, adjusts, installs, or tests retrofit systems for purposes of *Health & Safety Code § 44200 et seq.*, which governs direct import used motor vehicles [*Bus. & Prof. Code § 9884.6(b)*; *see Health & Safety Code § 44200 et seq.*].

A "motor vehicle" is a passenger vehicle required to be registered, and all motorcycles whether or not so required, under the Vehicle Code [*Bus. & Prof. Code § 9880.1(d)*].

"Repair of motor vehicles" means all maintenance of and repairs to motor vehicles performed by an automotive repair dealer, including automotive body repair work, but excluding the following [*Bus. & Prof. Code § 9880.1(e)*]:

- Repairs made pursuant to a commercial business agreement.

- Repairing of tires, changing tires, lubricating vehicles, installing light bulbs, batteries, windshield wiper blades, and other minor accessories, cleaning, adjusting, and replacing spark plugs, replacing fan belts, oil, and air filters, and other minor services which by regulation (for example, a transmission fluid

change [*16 Cal. Code Reg. § 3303(i)*]), are determined to be customarily performed by gasoline service stations. However, no service will be designated as minor if it is found that performance requires a mechanical expertise, has given rise to a high incidence of fraud or deceptive practices, or involves a part of the vehicle essential to its safe operation.

Repair of a motor vehicle does not include the repair of that portion of a recreational vehicle that is intended for human habitation and that is unrelated to the operation of the vehicle or a transmission fluid change [*16 Cal. Code Reg. § 3303(h)*].

An "automotive technician" is an employee of an automotive repair dealer or is that dealer, if the employer or dealer repairs motor vehicles, and who for salary or wage performs maintenance, diagnostics, repair, removal, or installation of any integral component parts of an engine, driveline, chassis or body of any vehicle. The job description excludes those services which customarily are performed by a gasoline service station [*Bus. & Prof. Code § 9880.1(g)*].

[c] Persons Exempted

The following persons are exempt from the registration requirements [*see* [d], *below*] of the Automotive Act:

- Any employee of an automotive repair dealer if the employee repairs motor vehicles only as an employee [*Bus. & Prof. Code § 9880.2(a)*].

- Any person who engages solely in the business of repairing the motor vehicles of one or more commercial, industrial, or governmental establishments [*Bus. & Prof. Code § 9880.2(b)*].

- Persons registered as electronic and appliance repair dealers [*see § 92.50[3]*] if their work is limited to the installation or replacement of a motor vehicle radio, antenna, audio playback equipment, or burglar alarm [*Bus. & Prof. Code § 9880.2(c)*].

- A person whose primary business is the wholesale supply of new or rebuilt automotive parts who engages solely in the re-machining of individual automotive parts without compensation for warranty adjustments to those parts and who does not engage in repairing or diagnosing malfunctions of motor vehicles or motorcycles [*Bus. & Prof. Code § 9880.2(d)*]. However, a person in this category, before commencing work, must (1) provide a notice containing the Bureau of Automotive Repair's toll-free telephone number to the customer that the person is not regulated by the Bureau, and (2) provide a written description of the re-machining services to be performed to the customer [*Bus. & Prof. Code § 9880.2(d)*].

[d] Registration Requirements

Automotive repair dealers must hold a currently valid registration with the Bureau and adhere to the requirements of the Automotive Act, including requirements that affect invoices [*Bus. & Prof. Code §§ 9884.2, 9884.6(a)*, 9884.8; *see § 92.224* (estimate/invoice form)].

No person required to have a valid registration as an automotive repair dealer may have the benefit of any lien for labor or materials or the right to sue on a contract for motor vehicle repair provided without a valid registration [*Bus. & Prof. Code § 9884.16*; *see § 92.55[4]* (motor vehicle liens)].

[e] Suspension or Revocation of Registration

The automotive repair dealer's registration may be denied, suspended, revoked, or placed on probation for certain

business acts or omissions if the dealer cannot show there was a bona fide error on the part of the automotive technician, employee, partner, officer, or member of the organization concerned [*Bus. & Prof. Code § 9884.7(a)*]. These acts and omissions include the following [*Bus. & Prof. Code § 9884.7(a)(1)-(10)*]:

- Making or authorizing a written or oral statement that is untrue or misleading and that is known, or by the exercise of reasonable care, should be known to be so.

- Causing or allowing a customer to sign any work order that does not state the repairs the customer requested or the vehicle's odometer reading at the time.

- Failing or refusing to give the customer, as soon as signed, a copy of any document requiring his or her signature.

- Any fraudulent conduct.

- Any grossly negligent conduct.

- Failure in any material respect to comply with the relevant regulatory provisions.

- Willful departure from, or disregard of, accepted trade standards for good and workmanlike repair in any material respect, if prejudicial to another, without consent of the owner or the owner's duly authorized representative.

- Making false promises of a character likely to influence, persuade, or induce a customer to authorize the repair, services, or maintenance of automobiles.

- Having repair work done by someone other than the dealer or the dealer's employees without the knowledge or consent of the customer, unless the dealer can demonstrate that the customer could not reasonably have been notified.

- Criminal misconduct relating to insurance referrals [*see Penal Code § 551*].

The suspension, revocation, or probationary status will only affect the registration of the specific place of the repair dealer's business that has violated the provisions. It will not affect in any manner the dealer's right to operate any other place of business. However, the registrations for all places of business operated in California may be suspended, revoked, or placed on probation if it is officially found that the dealer has, or is, engaged in a course of repeated and willful violations of the Automotive Act [*Bus. & Prof. Code § 9884.7(b), (c)*].

[f] Estimate and Invoice Requirements

There are specific statutory requirements under the Automotive Act relating to repair estimates [*see Bus. & Prof. Code § 9884.9*] and invoices [*see Bus. & Prof. Code § 9884.8*] for motor vehicle repairs. For discussion and a sample form containing the required terms and conditions for a combined estimate and invoice, see *§ 92.224*.

[g] Return of Replaced Parts to Customer

On request of the customer at the time the work order is taken, the automotive repair dealer must return replaced parts at the time the work is completed, except parts that are exempted by regulation because of size, weight, or similar factors, and except parts that must be returned to the manufacturer under a warranty arrangement [*Bus. & Prof. Code § 9884.10*].

In the latter excepted case, the dealer at the time the work order is taken needs to offer to show, and on acceptance of the offer or request must show, any such parts to the customer on completion of the work, unless no charge is being made for the replacement [*Bus. & Prof. Code § 9884.10*].

[2] Vehicle Service Contracts

[a] Governing Law

A "vehicle service contract" to repair, replace, or maintain a motor vehicle or watercraft [*see Ins. Code § 12800(a), (b)* (definitions)] is subject to various regulatory provisions, including requirements relating to licensing, contract forms, notices, cancellations, and insurance [*see Ins. Code §§ 12800-12865*]. Additionally, certain provisions of the Song-Beverly Warranty Act ("Warranty Act") apply to vehicle service contracts [*see Civ. Code 1794.41*; *see also § 92.51*]. In case of conflict between *Civ. Code 1794.41* and Ins. Code *§ 12800 et seq., the Insurance Code* provisions control [*Civ. Code 1794.41(d)*].

For discussion and a sample of a service contract that may be modified for motor vehicles, see *§ 92.222*. The contract requirements discussed in [3], *below*, should be integrated into the extended service contract *set forth in § 92.222*.

On the assumption that a vehicle service contract is an insurance contract, there can be no doubt that *Ins. Code § 700* (requiring every person transacting any class of insurance business in California to have a license from the Insurance Commissioner) and the policy behind that statute require that a consumer who innocently purchases a vehicle service contract from a company unlicensed in California may still enforce that contract, even though it is illegal [*Medina v. Safe-Guard Prods., Int'l, Inc. (2008) 164 Cal. App. 4th 105, 108-109, 78 Cal. Rptr. 3d 672]* .

[b] Vehicle Service Contract Defined

"Vehicle service contract" means any of the following contracts or agreements [*Ins. Code § 12800(c)(1)-(3)*]:

- An agreement, for separately stated consideration and for a specific duration, to repair, replace, or maintain a motor vehicle or watercraft.

- An agreement to indemnify for the repair, replacement, or maintenance of a motor vehicle or watercraft necessitated by an operational or structural failure due to a defect in materials or workmanship, or due to normal wear and tear.

- An agreement for at least one year, for separately stated consideration, that promises routine maintenance.

A "vehicle service contract" also includes an agreement that promises the repair or replacement of a tire or wheel necessitated by wear and tear, defect, or damage caused by a road hazard. However, if the obligor is the tire manufacturer, the agreement is exempt from the requirements of a vehicle service contract. A warranty provided by a tire or wheel distributor or retailer is also exempt, provided the warranty covers only defects in the material or workmanship of the tire or wheel [*Ins. Code § 12800(c)(4)(A)*].

Similarly, a "vehicle service contract" includes an agreement that promises the repair or replacement of glass on a vehicle necessitated by wear and tear, defect, or damage caused by a road hazard. However, a warranty provided by a vehicle glass manufacturer is exempt from the requirements of a vehicle service contract. A warranty provided by a vehicle glass distributor or retailer is also exempt, provided the warranty covers only defects in the material or workmanship of the vehicle glass [*Ins. Code § 12800(c)(4)(B)*].

Finally, "vehicle service contract" includes an agreement that promises to remove a dent, ding, or crease without affecting the existing paint finish using paintless dent repair techniques, and that expressly excludes replacing vehicle body panels, sanding, bonding, or painting [*Ins. Code § 12800(c)(4)(C)*].

[c] Persons Authorized to Sell Vehicle Service Contracts

No one other than a seller may sell or offer a vehicle service contract to a purchaser [*Ins. Code § 12810(a)*]. "Seller" with respect to motor vehicles means a dealer or lessor-retailer licensed in one of those capacities by the Department of Motor Vehicles, who sells vehicle service contracts incidental to the business of selling or leasing motor vehicles [*Ins. Code § 12800(f)(1)*].

[d] License and Insurance Requirements

The obligor of a vehicle service contract, that is, the party who is obligated under the service contract, as distinguished from the seller [*see Ins. Code § 12800(g)* (definition)], must obtain and maintain a vehicle service contract license [*see Ins. Code § 12815(a)*; *see also Ins. Code § 12845* (penalties for violation)].

A service contract administrator [*see Ins. Code § 12800(d)* (definition)] must be licensed as a fire and casualty broker-agent [*Ins. Code § 12815(b)*].

An obligor of a vehicle service contract must also file with the Insurance Commissioner ("Commissioner"), and receive the Commissioner's approval to use, a copy of an insurance policy covering 100 percent of the obligor's vehicle service contract obligations [*see Ins. Code §§ 12830, 12835*; *see also Ins. Code § 12845* (penalties for violation)].

[e] Contract Requirements

Prior to offering a vehicle service contract form to a purchaser or providing a vehicle service contract form to a seller, an obligor must file with the Commissioner a specimen of that vehicle service contract form [*Ins. Code § 12820(a)*].

The vehicle service contract form may include any or all of the benefits described in *Ins. Code § 12800(c)* [*see § 92.53[2][b]*] and must comply with the following requirements:

- Either:
    - If an obligor has filed with the Insurance Commissioner a copy of an insurance policy covering 100 percent of the obligor's vehicle service contract obligations [*see Ins. Code § 12830*], the contract must include a disclosure in substantially the following form: "Performance to you under this contract is guaranteed by a California approved insurance company. You may file a claim with this insurance company if any promise made in the contract has been denied or has not been honored within 60 days after your request. The name and address of the insurance company is: (insert name and address). If you are not satisfied with the insurance company's response, you may contact the California Department of Insurance at 1-800 -927-4357" [*Ins. Code § 12820(b)(1)(A)*]; or
    - If an obligor has, as an alternative to filing a copy of its insurance policy[*see Ins. Code § 12830*], established to the Commissioner's satisfaction that is possesses a net worth of $100,000,000 [*see Ins. Code § 12836*], the contract must include a disclosure in substantially the following form: "If any promise made in the contract has been denied or has not been honored within 60 days after your request, you may contact the California

Department of Insurance at 1-800 -927-4357" [*Ins. Code § 12820(b)(1)(B)*].

- All language that excludes coverage, or imposes duties on the purchaser, must be conspicuously printed in boldface type no smaller than the surrounding type [*Ins. Code § 12820(b)(2)*].

- The vehicle service contract must do each of the following [*Ins. Code § 12820(b)(3)*]:

  - State the obligor's full corporate name or a fictitious name approved by the Commissioner, the obligor's mailing address, the obligor's telephone number, and the obligor's vehicle service contract provider license number.

  - State the name of the purchaser and the name of the seller.

  - Conspicuously state the vehicle service contract's purchase price.

  - Comply with *Civ. Code §§ 1794.4, 1794.41* [*see § 92.51[4], [5], [7]*].

  - Name the administrator, if any, and provide the administrator's license number.

- If the vehicle service contract excludes coverage for preexisting conditions, the contract must disclose this exclusion in 12-point type [*Ins. Code § 12820(b)(4)*].

[f] Incidental Payment of Indemnity

A vehicle service contract may also provide for the incidental payment of indemnity under limited circumstances for the following additional benefits only: coverage for towing, substitute transportation, emergency road service, rental car reimbursement, reimbursement of deductible amounts under a manufacturer's warranty, and reimbursement for travel, lodging, or meals [*Ins. Code § 12800(c)(2)*].

[g] Obligor's Right to Cancel Contract

An obligor may include a provision in a vehicle service contract that reserves its right to cancel the contract within 60 days subject to the following conditions [*Ins. Code § 12825(a)*]:

- Notice of cancellation is mailed to the purchaser postmarked before the 61st day after the date the contract was sold by the seller.

- The obligor provides the purchaser with a refund equal to the full purchase price stated on the contract within 30 days from the date of cancellation. However, if the obligor has paid a claim, or has advised the purchaser in writing that it will pay a claim, it may provide a pro rata refund, less the amount of any claims paid prior to cancellation.

- The service contract ceases to be valid no less than five days after the postmark date of the notice.

- The notice states the specific grounds for the cancellation.

An obligor may at any time cancel a service contract for nonpayment by the purchaser, conditioned on each of the following [*Ins. Code § 12825(b)*]:

- Notice of cancellation is mailed to the purchaser.

- If any refund is owed pursuant to *Civ. Code § 1794.41* [*see § 92.222[1][g]*], the refund is paid within 30 days of the date of cancellation.

- The service contract ceases to be valid no less than five days after the postmark date of the notice.

- The notice states the specific grounds for the cancellation.

An obligor may at any time cancel a service contract for material misrepresentation or fraud by the purchaser, conditioned on each of the following [*Ins. Code § 12825(c)*]:

- Notice of cancellation is mailed to the purchaser.

- A pro rata refund of the purchase price stated on the contract is paid within 30 days of the date of cancellation.

- The notice states the specific nature of the misrepresentation.

An obligor who cancels a contract is liable for claims reported prior to the effective date of cancellation [*see Ins. Code § 12825(d)*]. In such an event, an obligor may pay a pro rata rather than a full refund of the purchase price [*see Ins. Code § 12825(e)*].

[h] Maintenance and Inspection of Records

Every obligor or its administrator must maintain at its principal office complete and accurate accounts, books, and records of all transactions among the obligor, its administrator, if any, sellers, insurers, and purchasers [*Ins. Code § 12840(a)*]. These records must be made available to the Commissioner on reasonable request. Any computerized recordkeeping system must be capable of producing a legible hard copy of all required records. Accounts, books, and records must include [*Ins. Code § 12840(a)*]:

- A complete set of accounting records, including, but not limited to, a general ledger, cash receipts and disbursements journals, accounts receivable registers, and accounts payable registers.

- Copies of each type of service contract sold.

- The name and address of each service contract purchaser to the extent that the name and address have been furnished by the service contract purchaser.

- A list of the locations where service contracts are marketed, sold, or offered for sale.

- Written claims files, which must contain at least the dates and descriptions of claims related to the service contracts.

All required records pertaining to a service contract must be maintained by the obligor, its administrator, or the insurer underwriting the contract, for at least three years after the expiration of the contract [*Ins. Code § 12840(b)*].

Every insurer that has issued a policy to an obligor has an ongoing right to access that obligor's books and records in order to permit the insurer to fulfill all obligations to purchasers [*Ins. Code § 12840(c)*].

The Commissioner may also examine and investigate the affairs of every obligor and its administrator. Any

examination or investigation will be at the expense of the obligor or the administrator, in the discretion of the Commissioner. Any information contained in the books and records, including, but not limited to, the identity and addresses of sellers and purchasers of service contracts, will be kept confidential, except that the Commissioner may use the information in any proceeding or investigation instituted against an obligor or an administrator [*Ins. Code § 12840(d)*].

An obligor's failure to keep or maintain the required accounts, books, or records, or to provide the Commissioner with full and immediate access to those records, are grounds for the immediate suspension or revocation of the obligor's vehicle service contract provider's license, and also are grounds for the Commissioner to issue a cease and desist order [*Ins. Code § 12840(e)*; *see Ins. Code § 1065.2* (cease and desist order)].

[i] Settlement of Claims

An obligor has the burden of proving that a claim is not covered by a service contract. The obligor also has the burden of proving that a claim settlement amount is proper under the terms of the contract [*Ins. Code § 12850(a)*].

No seller of a service contract who participates in or influences, directly or indirectly, the processing, administration, or adjustment of claims, may enter into any agreement or understanding the effect of which is to make the amount of the seller's commission or compensation contingent on savings effected in the adjustment, settlement, or payment of losses covered by the contract [*Ins. Code § 12850(b)*].

[3] Vehicle Warranties--Special Rules

[a] Governing Law

Consumer warranties generally are governed by the Song-Beverly Warranty Act ("Warranty Act") [*Civ. Code § 1790 et seq.*] and the federal Magnuson-Moss Warranty--Federal Trade Commission Improvement Act [*15 U.S.C. 2301 et seq.*]. Under the Warranty Act, the term "consumer goods" includes any new product that is used, bought, or leased primarily for personal, family, or household purposes [*see Civ. Code § 1791(a)*]. Most motor vehicles would come within this definition. For discussion of the Warranty Act in general, see *§ 92.52[2]*.

Within the Warranty Act is the Tanner Consumer Protection Act [*Civ. Code § 1793.22*], more commonly known as the Lemon Law. This discussion focuses on the Lemon Law and other provisions of the Warranty Act that apply specifically to motor vehicles.

For discussion and sample complaint forms for breach of warranties relating to the sale of motor vehicles, see *California Forms of Pleading and Practice, Ch. 91, Automobiles: Actions Involving Defects and Repairs, §§ 91.60, 91.64*.

[b] New Motor Vehicle Defined

A "new motor vehicle" means a new motor vehicle that is bought or used primarily for (1) personal, family, or household purposes, or (2) business purposes if the gross vehicle weight is under 10,000 pounds and the owner has not registered more than five vehicles in California. The term "new motor vehicle" includes the chassis, chassis cab, and portion of a motorhome devoted to propulsion, a dealer-owned vehicle, and a demonstrator or other motor vehicle sold with a manufacturer's new car warranty [*Civ. Code § 1793.22(e)(2)*; *see Civ. Code § 1793.22(e)(3)* ("motorhome" defined)]. Even though the coach portion of a motorhome is excluded from the Lemon Law, it nevertheless qualifies as "consumer goods" under the Warranty Act, and its owner is entitled to the protections under the Warranty Act [*National R.V., Inc. v. Foreman (1995) 34 Cal. App. 4th 1072, 1079, 40 Cal. Rptr. 2d 672]* .

An automobile sold with a balance remaining on the manufacturer's new motor vehicle warranty qualifies as a new

motor vehicle under the "other motor vehicle sold with a manufacturer's new car warranty" definition [*see Civ. Code § 1793.22(e)(2)*; *Jensen v. BMW of North America, Inc. (1995) 35 Cal. App. 4th 112, 125-127, 41 Cal. Rptr. 2d 295]* .

A new motor vehicle does not include a motorcycle or motor vehicle not registered because it is to be operated or used exclusively off the highways [*Civ. Code § 1793.22(e)(2)*].

Insofar as the Warranty Act applies to new motor vehicles [*see Civ. Code §§ 1793.2(d)(2), 1793.22*], the Act is limited in application to vehicles that were bought in California. The Act has been held inapplicable to a new vehicle that a California resident had bought in Idaho and that could not be repaired after repeated attempts at the manufacturer's authorized repair facility in California [*Cummins, Inc. v. Superior Court (2005) 36 Cal. 4th 478, 483, 493, 30 Cal. Rptr. 3d 823, 115 P.3d 98]* .

[c] Restitution or Replacement Remedy

If the manufacturer of a new motor vehicle [*see* [b], *above* (definition)], or its agent, is unable to conform the vehicle to any applicable express warranties after a reasonable number of attempts, the buyer is entitled to restitution (refund) or a replacement vehicle [*Civ. Code § 1793.2(d)(2)*]. The buyer is free to elect a refund in lieu of replacement and may not be required to accept a replacement vehicle [*Civ. Code § 1793.2(d)(2)*].

Reasonable continued use of the motor vehicle does not impair the buyer's right to assert these remedies [*see Ibrahim v. Ford Motor Co. (1989) 214 Cal. App. 3d 878, 897-898, 263 Cal. Rptr. 64]* , but the manufacturer is entitled to a credit for the buyer's use prior to repair or replacement [*see Civ. Code § 1793.2(d)(2)(C)*]. Nor does the failure of the buyer to exercise these remedies within a reasonable time impair the buyer's rights for restitution or a replacement [*Krotin v. Porsche Cars North America, Inc. (1995) 38 Cal. App. 4th 294, 301-302, 45 Cal. Rptr. 2d 10]* .

In the case of replacement, the manufacturer must replace the buyer's vehicle with a new motor vehicle substantially identical to the vehicle replaced. The replacement vehicle must be accompanied by all express and implied warranties that normally accompany new motor vehicles of that specific kind. The manufacturer also must pay the amount of any sales or use tax, license fees, registration fees, and other official fees that the buyer is obligated to pay in connection with the replacement, plus any incidental damages to which the buyer is entitled [*see Civ. Code § 1794*], including, but not limited to, reasonable repair, towing, and rental car costs actually incurred by the buyer [*Civ. Code § 1793.2(d)(2)(A)*].

In the case of restitution, the manufacturer must make restitution in an amount equal to the actual price paid or payable by the buyer, including any charges for transportation, manufacturer-installed options, collateral charges such as sales tax, license fees, registration fees, and other official fees, plus any incidental damages to which the buyer is entitled [*see Civ. Code § 1794*], including, but not limited to, reasonable repair, towing, and rental car costs actually incurred by the buyer. However, the manufacturer is not required to make restitution for nonmanufacturer items installed by a dealer or the buyer [*Civ. Code § 1793.2(d)(2)(B)*].

A buyer exercising the restitution remedy is also entitled to recover finance charges paid; those charges constitute part of "the actual price paid or payable" under *Civ. Code § 1793.2(d)(2)(B)* [*Mitchell v. Blue Bird Body Co. (2000) 80 Cal. App. 4th 32, 35-39, 95 Cal. Rptr. 2d 81* (although *Civ. Code § 1793.2(d)(2)(B)* does not expressly allow recovery of paid finance charges, reasonable construction is that California legislature intended to allow buyers to recover entire amount actually expended for new motor vehicle less any expenses expressly excluded by statute)].

[d] Reasonable Number of Attempts to Repair

There is a rebuttable presumption that the manufacturer has made a reasonable number of attempts to conform a new motor vehicle to applicable express warranties if, within 18 months from delivery to the buyer or 18,000 miles, one or

more of the following occurs [*Civ. Code § 1793.22(b)*]:

- The same nonconformity results in a condition that is likely to cause death or serious bodily injury if the vehicle is driven, and the nonconformity has been subject to repair two or more times by the manufacturer or its agents, and the buyer or lessee (having been notified of these requirements) has at least once directly notified the manufacturer of the need for the repair of the nonconformity.

- The manufacturer or its agents have repaired the same nonconformity four or more times, and the buyer or lessee (having been notified of these requirements) has at least once directly notified the manufacturer of the need for the repair.

- The vehicle has been out of service due to repairs for more than a cumulative total of 30 days (which may be extended if repairs cannot be made due to conditions beyond the control of the manufacturer or its agents) since delivery to the buyer.

Because the phrase "reasonable number of attempts" is written in plural, *Civ. Code § 1793.22(b)* clearly does not require the manufacturer to make restitution or replacement after only one opportunity to repair [*see Silvio v. Ford Motor Company (2003) 109 Cal. App. 4th 1205, 1207-1208, 135 Cal. Rptr. 2d 846]* , at least if the vehicle has not been out of service due to repairs for more than 30 days [*see Civ. Code § 1793.22(b)*].

Before invoking the presumption concerning reasonable attempts to repair, the buyer must submit the dispute for resolution to a qualified third-party panel, if one exists and if the buyer has received timely notice of the existence, operation, and effect of the third-party process [*Civ. Code § 1793.22(c)*].

If the buyer accepts the decision of a qualified third-party panel, that decision will be binding on the manufacturer [*see Civ. Code § 1793.22(d)(2)*]. A third-party dispute resolution process used for arbitration of disputes concerning defects in new motor vehicles must be certified by the Department of Consumer Affairs before operation [Bus. & Prof. Code § 1793.22(d)(9); *see Bus. & Prof. Code §§ 472.1, 472.2*]. The process is subject to annual review to determine whether it is in substantial compliance with the requirements of *Civ. Code § 1793.22(d)* and *Bus. & Prof. Code §§ 472-472.5* [*Bus. & Prof. Code § 472.3(a)*].

[e] Buyer's Damages for Failure to Provide Restitution or Replacement

The measure of a buyer's damages for the manufacturer's (or its agents') failure to provide restitution or replacement as discussed in [c], *above*, includes the damages for violations of the Warranty Act set forth *Civ. Code § 1794* [*see § 92.52[2][t]* (damages for violations)] and specifically includes a civil penalty of up to two times the amount of damages [*Civ. Code § 1794(e)*; *see also Oregel v. American Isuzu Motors, Inc. (2001) 90 Cal. App. 4th 1094, 1104-1105, 109 Cal. Rptr. 2d 583* (substantial evidence supported jury's finding that oil leak was nonconformity impairing use and value, that manufacturer was unable to fix leak after reasonable number of attempts, and that manufacturer willfully violated its obligation to give restitution to the buyer and should pay civil penalty equal to amount of damage award)]. However, the penalty for failure to replace or make restitution is not available if any of the following conditions applies:

- The manufacturer maintains a qualified third-party dispute resolution process in substantial compliance with *Civ. Code § 1793.22* [*Civ. Code § 1794(e)(2)*].

- After occurrence of the events giving rise to the presumption that a reasonable number of attempts to conform a new motor vehicle to the applicable express warranties have been made, the buyer fails to give the manufacturer a written notice requesting replacement or restitution [*Civ. Code § 1794(e)(3)*].

- The manufacturer receives the notice requesting replacement or restitution and complies within 30

days [*Civ. Code § 1794(e)(4)*].

- The buyer recovers the similar penalty available under *Civ. Code § 1794(c)* for willful violations of the Warranty Act [*Civ. Code § 1794(e)(5)*].

Damages for emotional distress are not recoverable by the buyer [*Bishop v. Hyundai Motor America (1996) 44 Cal. App. 4th 750, 757-758, 52 Cal. Rptr. 2d 134* ; *Kwan v. Mercedes Benz of North America, Inc. (1994) 23 Cal. App. 4th 174, 187-192, 28 Cal. Rptr. 2d 371]* .

[f] Relationship to Service Contracts

Under the Warranty Act, service contracts and express warranties are mutually exclusive categories, except if the manufacturer chooses to use the terms "warrant" or "guarantee" in a service contract. Thus, unless the manufacturer uses those terms in its service contract, the breach of its service contract does not make it subject to the replacement/restitution remedy reserved in *Civ. Code § 1793.2(d)(2)* for purchasers of motor vehicles sold with express warranties [*Gavaldon v. DaimlerChrysler Corp. (2004) 32 Cal. 4th 1246, 1259,, 90 P.3d 752* ; *13 Cal. Rptr. 3d 793]* .

[g] Warranty, Disclosures, and Corrective Repairs for Vehicle Reacquired by Manufacturer

No one may sell (either at wholesale or retail), lease, or transfer a motor vehicle transferred by a buyer or lessee to a manufacturer pursuant to the restitution or replacement provisions of *Civ. Code § 1793.2(d)(2)* (or a similar statute of another state) unless the nature of the nonconformity experienced by the original buyer or lessee is clearly and conspicuously disclosed to the prospective buyer, lessee, or transferee [*Civ. Code § 1793.22(f)(1)*].

In addition, the nonconformity must be corrected and the manufacturer must warrant for a period of one year to the new buyer, lessee, or transferee, in writing, that the motor vehicle is free of that nonconformity [*Civ. Code § 1793.22(f)(1)*; *see Civ. Code § 1793.22(f)(2)* (exception for vehicles transferred to educational institutions for use in automotive repair courses)].

"Nonconformity" means a nonconformity that substantially impairs the use, value, or safety of the new motor vehicle to the buyer or lessee [*Civ. Code § 1793.22(e)(1)*]. Whether an impairment is "substantial" [*see Civ. Code § 1793.22(e)(1)*] is determined by an objective test, based on what a reasonable person would understand to be a defect [*Lundy v. Ford Motor Company (2001) 87 Cal. App. 4th 472, 478-479, 104 Cal. Rptr. 2d 545]* .

Further, the reacquired vehicle must be retitled in the name of the manufacturer, a notation of "Lemon Law Buyback" made on the ownership certificate, and a decal affixed to the vehicle [*see Veh. Code § 11713.12*] prior to sale or lease in California or transfer to another state for sale or lease, if the manufacturer knows or should have known that the vehicle was subject to the restitution or replacement provisions of *Civ. Code § 1793.2(d)(2)* [*see Civ. Code § 1793.23(c)*].

In addition, the manufacturer of a reacquired vehicle must, before the sale, lease, or other transfer of the vehicle, execute and deliver to the subsequent transferee a notice and obtain the transferee's written acknowledgment of a notice, as prescribed by *Civ. Code § 1793.24* [*Civ. Code § 1793.23(d)*].

Any person, including any dealer, who acquires a motor vehicle for resale and knows or should have known that the vehicle was reacquired by the vehicle's manufacturer in response to a request by the last retail owner or lessee of the vehicle that it be replaced or accepted for restitution because the vehicle did not conform to express warranties must, prior to the sale, lease, or other transfer, execute and deliver to the subsequent transferee a notice and obtain the transferee's written acknowledgment of a notice, as prescribed by *Civ. Code § 1793.24* [*Civ. Code § 1793.23(e)*].

Any person, including any manufacturer or dealer, who sells, leases, or transfers ownership of a motor vehicle when the

vehicle's ownership certificate is inscribed with the notation "Lemon Law Buyback" must, before the sale, lease, or ownership transfer of the vehicle, provide the transferee with a disclosure statement signed by the transferee that includes information specified by statute [*Civ. Code § 1793.23(f)*].

The disclosure requirements in *Civ. Code § 1793.23(d), (e),* and *(f)* are cumulative with all other consumer notice requirements and do not relieve any person, including any dealer or manufacturer, from complying with any other applicable law, including any requirement of *Civ. Code § 1793.22(f)* [*Civ. Code § 1793.23(g)*].

[h] Restrictions on Buyer's Disclosures Relating to Reacquired Vehicle Prohibited

Any automobile manufacturer, importer, distributor, dealer, or lienholder who reacquires, or assists in reacquiring, a motor vehicle is prohibited from the following:

- Requiring, as a condition of the reacquisition, that a buyer or lessee who is a California resident agree not to disclose the problems experienced with the vehicle or the nonfinancial terms of the reacquisition [*Civ. Code § 1793.26(a)(1)*].

- Including in any release or other agreement for signature by the buyer or lessee, a confidentiality clause, or gag clause, prohibiting the buyer or lessee from disclosing information to anyone about the problems with the vehicle or the nonfinancial terms of the reacquisition [*Civ. Code § 1793.26(a)(2)*]. Any such confidentiality clause is null and void as a violation of public policy [*Civ. Code § 1793.26(b)*; *see Civ. Code § 1793.26(c)* (confidentiality clauses relating to financial terms of reacquisition are unaffected by this code section)].

CHAPTER 92 SERVICE CONTRACTS
PART II. LEGAL BACKGROUND
D. Maintenance and Repair of Personal Property

30-92 California Legal Forms--Transaction Guide § 92.54

§ 92.54 Home Protection Contracts

[1] Governing Law

Home protection contracts are governed by *Ins. Code § 12740 et seq.* and are subject to certain other provisions of the Insurance Code [*see Ins. Code § 12743*] and to regulations issued by the Insurance Commissioner [*see 10 Cal. Code Reg. § 2570 et seq.*]. Home protection contracts are exempted from the Song-Beverly Warranty Act [*Civ. Code § 1794.4(a)*; *see § 92.51[3][b]*].

For discussion of the required contents of a home protection contract and a sample contract form, see *§ 92.225*.

[2] Home Protection Contract and Home Protection Company Defined

A "home protection contract" is a contract in which a person, other than a builder, seller, or lessor of the home that is the subject of the contract undertakes, for a specified period of time and for a predetermined fee, to repair or replace all or any part of any component, system, or appliance of a home necessitated by wear and tear, deterioration, or inherent defect arising during the effective period of the contract, and, if there is a prequalification inspection [*see* [10], *below*], by the failure of that inspection to detect the likelihood of any such loss [*Ins. Code § 12740(a)*].

A "home protection company" means any licensed person who issues home protection contracts [*Ins. Code § 12740(b)*].

[3] Exempted Services

The statutory provisions governing home protection contracts do not apply to any of the following [*Ins. Code § 12741*]:

- Performance guarantees or service contracts given by either the builder or manufacturer of a home or the seller or manufacturer of an appliance or other system or component, whether or not an identifiable charge is made for such a guarantee or service contract.

- Any service contract, guarantee, or warranty intending to guarantee or warrant the repairs or service

of a home appliance, system or component, provided that the service contract, guarantee, or warranty is issued by a person who has sold, serviced, repaired or provided replacement of that appliance, system or component at the time of, or prior to issuance of the contract, guarantee, or warranty, and, provided, further, that the person issuing the service contract, guarantee, or warranty does not engage in the business of a home protection company.

- The provider of any pest control service agreement pursuant to [*Bus. & Prof. Code § 8516*].

[4] License Requirements

Any person who issues or offers to issue home protection contracts must be licensed by the Department of Insurance [*Ins. Code § 12744(a)*; *see Ins. Code § 12744(b)* (exception); *see also Ins. Code § 12744(c)* (requirements for foreign applicant)] and must also hold a valid Certificate of Authority to transact miscellaneous insurance under *Ins. Code § 120* [*10 Cal. Code Reg. § 2570.03*]. The application procedures to obtain a license are found in *10 Cal. Code Reg. §§ 2570.04-2570.09*.

However, insurance companies with home protection affiliates are exempted from the general licensing and regulatory requirements of *Ins. Code § 12740 et seq.* [*see Ins. Code § 12745*].

[5] Net Worth Requirements

In addition to obtaining a license as a home protection company [*see Ins. Code § 12744*; *see also* [4], *above*], the company must maintain a minimum net worth of $40,000 for up to 1,000 contracts issued or renewed in the preceding calendar year. For each additional 500 contracts, or any fraction thereof, up to 10,000 contracts, an additional $20,000 net worth is required [*Ins. Code § 12750(a)*; *see Ins. Code § 12750(b)* ("net worth" defined)]. A home protection company will be deemed insolvent whenever its net worth is reduced below 50 percent of this amount [*Ins. Code § 12755*].

[6] Reserve and Investment Requirements

A home protection company must maintain a reserve for unearned premiums in an amount not less than 40 percent of the aggregate premiums charged on its contracts currently in force. Amounts to be reserved must be on a 12-month basis. Specified rules apply to reserves for contracts for periods of more than 12 months and contracts for coverage during the selling or listing period of the real property [*see Ins. Code § 12753(a)*]. There are also specific rules for reserves for contracts that were issued prior to January 1, 1979, and that are otherwise exempt from the statutory provisions regarding home protection contracts [*see Ins. Code § 12751*; *see also 10 Cal. Code Reg. § 2570.02*].

A home protection company may invest only in those assets defined in *Ins. Code § 1170 et seq.* and *Ins. Code § 1190 et seq.*, except that an amount of its admitted assets (as determined by the Insurance Commissioner) may be invested in tangible personal property held by it for the purpose of repair or replacement of home components, systems or appliances under its home protection contracts [*Ins. Code § 12756*].

[7] Commissions and Other Inducements Prohibited

A home protection company may not pay a commission to any person as an inducement or compensation for the issuance, purchase or acquisition of a home protection contract. In addition, a home protection company may not, either directly or indirectly, as a part of any real property transaction in which a home protection contract will be issued, purchased, or acquired, require that a home protection contract be issued in conjunction with or as a condition precedent to the issuance, purchase, or acquisition, of any other policy of insurance [*Ins. Code § 12760*].

However, a home protection company is not prohibited from paying an override commission or marketing fee to an

employee or commission sales agent who is the marketing representative of the home protection company (or its parent, subsidiary, or affiliate) on the sale or marketing of a home protection contract, provided that the person is not a real estate licensee sharing in or entitled to share in, or affiliated with a real estate brokerage firm that is entitled to share in the real estate commission generated by the underlying real property transaction [*Ins. Code § 12760*].

[8] Consideration for Contract Required

The furnishing of a home protection contract without charge to any person is unlawful. A home protection contract providing coverage prior to the time an interest in the home to which it attaches is sold may not be issued unless it provides for consideration, but that consideration may consist of a bona fide promise to pay the protection contract fee at the time of and only upon transfer of title [*Ins. Code § 12761(a)*].

[9] Cancellation of Contract

A home protection contract may not be cancelled during the initial term for which it was issued, except in any of the following circumstances [*Ins. Code § 12764(a)*]:

- Nonpayment of protection contract fees.
- Fraud or misrepresentation of facts material to the issuance of such a contract.
- For contracts providing coverage prior to the time that a residential property to which it attaches is sold, if the sale does not occur.

However, this does not confer any right on the contract holder to renew any contract [*Ins. Code § 12764(b)*].

[10] On-Site Inspection

A home protection company may require an on-site inspection as a prequalification for a home protection contract, and in such an event offer a report on the inspection in connection with a bona fide application for the issuance of such a contract, even though the issuance of a contract on the property that is the subject of the inspection does not occur [*Ins. Code § 12761(b)*].

[11] Review of Business Conditions and Affairs

Each home protection company must file annual statements with the Insurance Commissioner exhibiting its conditions and affairs [*see Ins. Code § 12752(a)*].

In addition, the Insurance Commissioner, prior to licensure and at other times as appears necessary, must examine the business and affairs of any home protection company. Every home protection company so examined must open its books and records for inspection by the Insurance Commissioner and must otherwise facilitate and cooperate in the examination [*Ins. Code § 12752(b)*].

§ 92.55 Possessory Liens

[1] Personal Property in General

A person who, while in lawful possession of an article of personal property, renders any service to its owner by labor or skill for its protection, improvement, safekeeping, or carriage, has a special lien for compensation due for that service as long as that person continues to possess the property [*Civ. Code § 3051*].

Similarly, a person who makes, alters, or repairs an article of personal property at the request of the owner or legal possessor has a lien on that property for the reasonable charges for the balance due for work and materials furnished [*Civ. Code § 3051*]. In particular, laundry and dry cleaning proprietors, veterinarians, foundry proprietors, and plastic fabricators have liens dependent on possession for the balance due from a customer for services rendered on the customer's personal property [*Civ. Code § 3051*].

If the service has been requested by a person other than the holder of the legal title, the portion of the lien in excess of $300 for any work, services, or care, or in excess of $200 for any safekeeping, will be invalid unless the lien claimant gives actual notice in writing either by registered letter addressed to the title holder or by personal service [*Civ. Code § 3051a*; *see* Ch. 102A, *Personal Property Liens*].

[2] Sale of Property Subject to Lien

The lienholder may sell the property if payment for services is not received within 10 days after it becomes due, provided that previous notice is given [*Civ. Code § 3052*; *see* Ch. 102A, *Personal Property Liens*]. The proceeds must be applied to the discharge of the lien and the costs of keeping and selling the property. Any remainder must be paid to the legal owner [*Civ. Code § 3052*].

However, a lienholder who is a service dealer registered with the Bureau of Electronic and Appliance Repair [*see Bus. & Prof. Code § 9800 et seq.*; *see also § 92.50[3]*] may instead dispose of the property pursuant to one of several other methods if the lienholder reasonably believes that the serviced product is of nominal value [*Civ. Code § 3052.5*; *see* Ch. 102A, *Personal Property Liens*].

[3] Watches, Clocks, and Jewelry

Every person who performs work on any watch, clock, or jewelry for a price has a lien for the amount due for that work, including the value or agreed price of materials furnished by the lienholder in connection with the work. If the amount due remains unpaid for one year after completion of the work, the lienholder may sell the article upon written notice to satisfy the account [*Civ. Code § 3052a*]. For an example and discussion of the notice of sale, see *Ch. 102A, Personal Property Liens, § 102A.327*.

[4] Motor Vehicles

Every person has a lien dependent upon possession for compensation to which that person is entitled for (1) making repairs or performing labor on, (2) furnishing materials for, (3) storing, repairing, safekeeping, or (4) renting parking space for, any vehicle of a type subject to registration under the Vehicle Code [*Civ. Code § 3068(a)*]. Special rules govern the enforcement of vehicle liens [*see Civ. Code §§ 3067-3074*]. For examples and discussion of vehicle liens, see *Ch. 102A, Personal Property Liens, § 102A.200* et seq.

However, if an automotive repair dealer [*see Bus. & Prof. Code § 9880 et seq.* (Automotive Repair Act)] wrongfully withholds possession of an automobile based on a lien for repairs that the customer never authorized or for which no written estimate was given, the dealer will be liable for return of the vehicle, conversion, actual damages, and possibly punitive damages [*see Harris v. Dixon Cadillac Co. (1982) 132 Cal. App. 3d 485, 489-493, 183 Cal. Rptr. 299* ; *see also Zhadan v. Downtown Los Angeles Motor Distributors, Inc. (1979) 100 Cal. App. 3d 821, 831, 834-839, 161 Cal. Rptr. 225* (approving punitive damages of $90,000 on compensatory damages of $5,260)].

[5] Freight

A carrier has a lien on freight in its possession for the total amount owed for freightage, services, and advances due on freight previously delivered pursuant to the shipper's promises to pay those amounts [*Civ. Code § 3051.5(a)*]. For further discussion, see *Ch. 54, Shipment of Property, § 54.34*. For forms related to the carrier's lien, see *Ch. 102A, Personal Property Liens, §§ 102A.340, 102A.341*.

[6] Other Services

Possessory liens also exist for various financial, agricultural, and other services. For an extensive list of liens for services performed on personal property, see Ch. 102A, *Personal Property Liens* .

If no statutory lien exists, or the service provider wants to provide for different lien arrangements, the parties may create a lien by contract provision [*see Civ. Code § 2881(1)*].

30-92 California Legal Forms--Transaction Guide § 92.70

§ 92.70 Employment Agency Services

[1] Governing Law

Employment agencies are governed by the Employment Agency, Employment Counseling, and Job Listing Services Act ("Employment Act") [*see Civ. Code § 1812.500 et seq.*]. There are specific statutory requirements for a contract between an employment agency and a jobseeker [*see Civ. Code § 1812.504*]. For a discussion of these requirements and a sample employment agency contract, see *§ 92.240*. The Employment Act also governs job listing services [*see § 92.71*], employment counseling services [*see § 92.72*], and nurses' registries [*see § 92.73*].

For discussion and a sample contract between a temporary help employment agency and an employee of the agency, see *Ch. 85, Employment Agreements, § 85.223*.

[2] Employment Agency Defined

Under the Employment Act, an "employment agency" is any person [*see Civ. Code § 1812.501(l)*("person" defined)] who, for a fee or other valuable consideration to be paid directly or indirectly by a jobseeker, performs, offers to perform, or represents that it can perform any of the following services [*Civ. Code § 1812.501(a)(1)(A)*]:

- Procure, offer, promise, or attempt to procure employment or engagements for others, or employees for employers.
- Register persons seeking to procure or retain employment or engagement.
- Give information as to where and from whom this help, employment, or engagement may be procured.
- Provide employment or engagements.

In addition, "employment agency" includes any person who offers, as one of its main objectives or purposes, to procure

employment for any person who will pay for its services, or that collects dues, tuition, or membership or registration fees of any sort, if the main object of the person paying those fees is to secure employment [*Civ. Code § 1812.501(a)(1)(B)*; *see Civ. Code § 1812.501(k)* ("registration fee" defined)]. The term also includes any person who, for a fee or other valuable consideration, procures, offers, promises, provides, or attempts to procure babysitting or domestic employment for others or domestics or babysitters for others [*Civ. Code § 1812.501(a)(1)(C)*].

"Employment agency" does not include a nursing, business, or vocational school, unless the school charges a fee for placement [*Civ. Code § 1812.502(e)*]. The term also does not include a job listing service or an employment counseling service [*Civ. Code § 1812.501(a)(2)*; *see §§ 92.71, 92.72*, respectively]. Nor does it include a business that sells lists of job opportunities, but has no contact with employers in regard to any individual job applicant [*Sacramento Data Processing Etc. Sales v. Department of Consumer Affairs (1982) 129 Cal. App. 3d 348, 352, 181 Cal. Rptr. 51* (interpreting *Bus & Prof. Code § 9902(a)*, predecessor of *Civ. Code § 1812.501(a)*]. However, a business that sells job listings may not place advertisements for specific job openings because it may not give the appearance that it is an employment agency that need not comply with the advertising regulations that apply to employment agencies [*Sacramento Data Processing Etc. Sales v. Department of Consumer Affairs (1982) 129 Cal. App. 3d 348, 355, 181 Cal. Rptr. 51]* .

[3] Exempt Persons

Persons who provide and charge fees for employment agency services exclusively to employers are exempt from the Employment Act's regulations, except for persons who provide babysitting or domestic employment [*Civ. Code § 1812.502(a)*]. However, this exemption does not apply to employment counseling services [*Civ. Code § 1812.502(a)*; *see § 92.72*].

Nonprofit corporations organized for the purpose of economic adjustment, civic betterment, and providing vocational guidance and placement to its members or others, are exempt from the Employment Act's regulations when all of the following conditions exist [*Civ. Code § 1812.502(b)*]:

- None of the directors, officers, or employees of the corporation receives any profit other than a nominal salary for services performed for the corporation or organization.

- No fee is charged for the services, though a voluntary contribution may be requested.

- Membership dues or fees charged are used solely for maintenance of the organization or corporation.

Also exempt from the Employment Act are nonprofit corporations formed in good faith for the promotion and advancement of the general professional interests of their members, and that maintain placement services principally engaged in securing employment for those members with the state or any county, city, district, or other public agency under employment contracts for one year or longer [*Civ. Code § 1812.502(c)*]. Labor organizations also are exempt from the Employment Act, as are newspapers of general circulation, bona fide newsletters, magazines, trade or professional journals, or other publications of general circulation not specifically designed to assist in locating employment for others [*Civ. Code § 1812.502(d)*; *see Lab. Code § 1117* (labor organizations)].

[4] Inspection of Records and Record Keeping

An employment agency, employment counseling service [*see § 92.72*], or job listing service [*see § 92.71*] must make available all books, records, files, schedules, and other papers required under the Employment Act for inspection at all reasonable hours by a representative of the Attorney General, any district attorney, or any city attorney. Upon request, an employment agency, employment counseling service, or job listing service must furnish to any of those persons a true copy of the required papers. Further, an employment agency, employment counseling service, or job listing service

must make reports as prescribed by the Attorney General [*Civ. Code § 1812.522(a)*].

An employment agency must maintain a record of all advertised jobs, correlated to show the date and the publication in which the advertisement appeared and the job order number of each job advertised. This record must be kept for one year [*Civ. Code § 1812.508(f)*].

If an employment agency, employment counseling service, or job listing service also engages in any other business not subject to the provisions of the Employment Act, the records of the agency or service pertaining to matters regulated by the Employment Act must be kept separate from the records of the other business [*Civ. Code § 1812.522(b)*].

[5] Surety Bond

An employment agency must maintain a surety bond for the principal sum of $3,000 at all times while conducting business [*see Civ. Code § 1812.503(a)-(m)*]. The bond is for the benefit of persons damaged by any violation of the Employment Act, or by fraud, dishonesty, misstatement, misrepresentation, deceit, unlawful acts or omissions, or failure to provide contractual services, by the agency or its agents, representatives, or employees while acting within the scope of their employment [*Civ. Code § 1812.503(b)*]. A copy of the bond must be filed with the Secretary of State [*Civ. Code § 1812.503(a)*].

Before January 1, 1999, instead of obtaining a bond, the agency could make a deposit with the Secretary of State in an amount equal to or greater than the bond requirement [*see Code Civ. Proc. § 995.710(a)*; *see Civ. Code § 1812.503(d)* (claims against deposit)]. Any agency that made such a deposit may continue to utilize it in lieu of a bond; however, the deposit will not be renewable [*Code Civ. Proc. § 995.710(e)*].

[6] Fees

[a] Fee Schedule

An employment agency must provide a copy of the agency's fee schedule and payment terms to any jobseeker prior to an interview by a counselor [*Civ. Code § 1812.505(a)(1)*]. For discussion and a sample fee schedule, see *§ 92.241*.

[b] Deposits

If the employment agency requires a deposit from the jobseeker it must give a receipt to the jobseeker [*see Civ. Code § 1812.501(i)* ("deposit" defined)]. No other deposit or prepayment may be required by the agency. If the jobseeker accepts employment, the deposit must be applied to the fee to be paid by the jobseeker [*Civ. Code § 1812.505(e)*].

[c] Employment for 90 Days or Fewer

A jobseeker's fee for temporary employment must not exceed 1/90th of the fee for permanent employment for each consecutive calendar day during the period that the jobseeker is employed or compensated as though employed [*Civ. Code § 1812.505(g)*]. The distinction between "permanent" and "temporary" employment is based on the number of days for which the employment lasts. Employment lasting 90 days or fewer is considered "temporary"; employment lasting more than 90 days is "permanent" [*Civ. Code § 1812.506(b)(1)*].

If a jobseeker leaves employment for just cause or is discharged for reasons other than work-related misconduct within 90 days from the starting date of employment, the agency must reduce the jobseeker's fee to that payable for temporary employment and must refund any fee paid in excess of that amount [*Civ. Code § 1812.505(f)(1)*; *see Civ. Code § 1812.506(b)(2)* ("just cause" and "discharge for reasons other than misconduct" defined)].

If the jobseeker leaves employment without just cause or is discharged for misconduct within 90 days from the starting

date, the agency may charge a fee in excess of that authorized for temporary employment only if the agency's fee schedules, contracts, and agreements specifically provide for the charge, and if lack of just cause or misconduct exists [*Civ. Code § 1812.505(f)(2)*; *see Civ. Code § 1812.506(b)(3)* ("lack of just cause" and "discharge for misconduct" defined)].

[d] Fee Based on Commission or Draw

If a jobseeker accepts employment that pays on the basis of straight commissions, or a drawing account against commissions, or either a drawing account or salary plus commissions, the jobseeker's employment fee may be based on the employer's estimate of the jobseeker's projected total gross earnings during the first year of employment [*Civ. Code § 1812.505(h)(1)*]. At the conclusion of that year, the jobseeker may provide the employment agency with a computation of his or her actual gross earnings and, based on appropriate proof of earnings, the fee must be adjusted. The agency must refund any excess fee paid by the jobseeker, or the jobseeker must pay any deficiency to the agency [*Civ. Code § 1812.505(h)(2)*].

If the jobseeker's employment is terminated prior to the conclusion of the first year, the jobseeker's actual total gross earnings for the period of employment must be projected to 12 months on a pro rata basis as though the jobseeker had been employed for the entire 12-month period, and the fee to be paid will be determined as though the jobseeker had been employed for that period [*Civ. Code § 1812.505(h)(3)*].

[e] Fee for Employment in Different Position With Same Employer

If a jobseeker accepts employment with an employer to whom the jobseeker has been sent by the agency, but in a position other than the one specified in the order for employment, the agency is entitled to a fee payable by the jobseeker, computed under the terms of the fee schedule in effect at the time of referral. In order for the agency to be entitled to a fee under those circumstances, the jobseeker must have accepted employment within 180 days of the date of referral. The expiration date of the referral must be stated in the contract [*Civ. Code § 1812.505(i)*].

[f] Interagency Disputes

In interagency disputes concerning the fee for placement of a jobseeker, the fee is earned by the agency responsible for the placement of the jobseeker. A billing agency must make a reasonable effort to determine that it is entitled to the fee. The jobseeker is responsible for only one full fee for any single placement, and this fact must be stated in the contract [*Civ. Code § 1812.505(i)*].

[g] Fee Restrictions

An employment agency may not charge or divide fees as follows:

- It may not divide fees with an employer, agent, or other employee of an employer or person to whom help is furnished [*Civ. Code § 1812.505(j)(1)*].

- It may not charge a jobseeker a fee for accepting employment with the employment agency or any subsidiary of the agency [*Civ. Code § 1812.505(j)(2)*].

- It may not charge a jobseeker a fee when help is furnished to an employer, an agent, an employee of an employer, a member, or a person who has a financial interest in the employment agency [*Civ. Code § 1812.505(j)(3)*].

- It may not charge or collect from a jobseeker a fee in excess of the scheduled fee [*Civ. Code § 1812.505(b)*].

- If employment is accepted and subsequently terminated, the jobseeker may not be charged a fee greater than the jobseeker's total gross income from the employment [*Civ. Code § 1812.505(f)(3)*].

- It may neither accept a fee from a jobseeker nor send a jobseeker for employment unless the agency has obtained a bona fide oral or written job order for employment [*Civ. Code § 1812.507(a)*; *see Civ. Code § 1812.507(b)* (job orders)].

- It may not accept a registration fee of any kind [*Civ. Code § 1812.505(c)*; *see Civ. Code § 1812.501(k)* ("registration fee" defined)]. For example, an agency may not charge a fee for simply arranging a job interview for a jobseeker, without regard to whether the jobseeker accepts employment [*Smith v. La Farge (1966) 242 Cal. App. 2d 806, 809, 51 Cal. Rptr. 877* (citing Lab. Code § 1633, predecessor to *Civ. Code § 1812.505(c)*)].

[h] Refunds

If the jobseeker pays or makes a deposit on a fee for placement and fails to accept employment, the employment agency, upon demand, must repay the amount of the fee or deposit to the jobseeker. If the agency fails to return the deposit within 48 hours after demand, the agency must pay to the jobseeker an additional sum equal to the amount of the deposit. A notice to this effect must be included in all contracts between the agency and the jobseeker, in all receipts given to the jobseeker for cash payment in advance of employment, and in the fee schedule posted in the agency's office [*Civ. Code § 1812.506(a)*].

If a refund is due for any reason other than the jobseeker's failure to accept employment, the agency must make the refund within 10 working days after request by the jobseeker. If the agency decides not to make a refund, it must notify the jobseeker in writing within the 10 working day period, stating the specific reasons why the refund is not being made. If the agency fails either to tender a refund or to notify the jobseeker of the reasons why it will not make a refund within the required period, it is liable to the jobseeker for an additional sum equal to the amount of the refund [*Civ. Code § 1812.506(c)*].

[i] Deferred Payment of Fee

An employment agency may not take a confession of judgment, a promissory note or notes, or an assignment of wages from a jobseeker to cover its fees [*Civ. Code § 1812.505(d)*]. However, there are situations in which the jobseeker is unable or unwilling to pay the fee in cash and the employment agency agrees to allow the jobseeker to pay the fee in installments. Any employment agency extending credit must comply with the provisions of the Federal Truth in Lending Act [52 Ops. Cal. Atty. Gen 242 (1969) ; *see 15 U.S.C. § 1601 et seq.*; 12 C.F.R. § 226 et seq. (Reg. Z)] and of the Unruh Act [*Civ. Code § 1801 et seq.*].

For discussion and a form containing the required disclosures under the Truth in Lending Act and the Unruh Act, see *Ch. 45, Consumer Installment Loans and Credit Sales, § 45.225*.

[7] Advertisements and Representations

It is unlawful for an employment agency to do any of the following:

- Make any false, misleading, or deceptive advertisements or representations concerning its services [*Civ. Code § 1812.508(a)*].

- Publish or cause to be published any false, fraudulent, or misleading information, representation,

notice, or advertisements [*Civ. Code § 1812.520(b)(1)*].

- Give any false information or make any false promise or representation concerning an engagement or employment to any jobseeker who applies for an engagement, employment, or help [*Civ. Code § 1812.508(b)(4)*].

- Refer a jobseeker to a job knowing, or having reason to know, that the job does not exist or that the jobseeker is not qualified for the job [*Civ. Code § 1812.507(c)(1)*].

- Refer a jobseeker to a job knowing, or having reason to know, that the job has been described in a false, misleading, or deceptive manner [*Civ. Code § 1812.507(c)(2)*].

- Refer the jobseeker without having obtained written or oral permission to list the job from the employer or the employer's authorized agent [*Civ. Code § 1812.507(c)(3)*].

An employment agency must comply with specified advertising restrictions, including disclosures regarding the service's name, street address, telephone number, special requirements of the job, salaries, fees, and, except for a nurses' registry qualifying as an employment agency, a designation of the agency as "agency" or "personnel service" [*see Civ. Code § 1812.508(b)-(e)*; *see § 92.73* (nurses' registry services)].

[8] Minors

An employment agency must not accept any application for employment made by or on behalf of any minor, or place or assist in placing any minor in violation of specified California law regarding employees' wages, hours, and working conditions or regarding the employment of pupils [*Civ. Code § 1812.509(a)*; *see Lab. Code § 1171 et seq.* (wages, hours, and working conditions), *Educ. Code § 49100 et seq.* (employment of pupils); *see also* Ch. 100B, *Contracts and Employment of Minors*].

[9] Domestic Jobs

Before referring a jobseeker for babysitting or domestic employment, an employment agency must conduct a personal interview of the jobseeker and make a reasonable effort to verify his or her experience or training [*Civ. Code § 1812.509(d)*].

[10] Residential Nursing Services

It is unlawful for an employment agency to represent that it is or performs the services of a home health agency [*Civ. Code § 1812.508(b)(5)*; *see Health & Safety Code § 1727(a)* ("home health agency" defined)].

The employment agency must provide a written disclosure to each individual receiving residential nursing services that includes (1) a statement that the agency does not perform the services of a home health agency, and that it is an employment agency only, and (2) a listing of the appropriate health and law enforcement officials with whom a complaint concerning nursing services should be filed [*Civ. Code § 1812.508(b)(5)*].

The agency must provide the addresses and telephone numbers of the officials mentioned above to all patients before they are under the care of any nursing services personnel [*Civ. Code § 1812.508(b)(5)*].

[11] Union Membership and Labor Troubles

Before sending a jobseeker to a place of employment, an employment agency must disclose to the jobseeker whether a labor contract is in existence at the place of employment and whether union membership is required [*Civ. Code §*

1812.509(b)]. Additionally, the employment agency must disclose to a jobseeker the fact that a strike, lockout, or other labor trouble exists at the place of employment, which disclosure must be included in the contract between an employment agency and a jobseeker [*Civ. Code §§ 1812.504(a)(8), 1812.509(c)*].

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 92 SERVICE CONTRACTS
PART II. LEGAL BACKGROUND
E. Employment--Related Services

30-92 California Legal Forms--Transaction Guide § 92.71

§ 92.71 Job Listing Services

[1] Governing Law

Job listing services are governed by the Employment Agency, Employment Counseling, and Job Listing Services Act ("Employment Act") [*see Civ. Code § 1812.500 et seq.*]. There are specific requirements for a contract between a job listing service and a jobseeker [*see Civ. Code § 1812.516(a), (c)*]. For a discussion of these requirements and a sample contract for job listing services, see *§ 92.242*. For discussion of record keeping and inspection of records of job listing services, see *§ 92.70[4]*.

The Employment Act also governs employment agencies [*see § 92.70*], employment counseling services [*see § 92.72*], and nurses' registries [*see § 92.73*].

[2] Job Listing Service Defined

A "job listing service" is any person [*see Civ. Code § 1812.501*(*l*)("person" defined)] who provides, offers, or represents that it can provide any of the following services for a fee or other valuable consideration paid directly or indirectly by the jobseeker [*Civ. Code § 1812.501(c)*]:

- Matching jobseekers with employment opportunities.
- Providing or offering to provide jobseekers lists of job openings or like publications.
- Preparing resumes or lists of jobseekers for distribution to potential employers.

[3] Exempt Persons

Certain nonprofit corporations, labor organizations, newspapers, and other publications are exempt from the Employment Act, as discussed in *§ 92.70[3]*. Additionally job listing services that meet specific criteria [*see Civ. Code § 1812.502(f)* (qualifying criteria)] are exempt from certain provisions of the Employment Act [*Civ. Code §*

1812.502(f)(1)], including the bond requirement [*see Civ. Code § 1812.515*; *see also* [7], *below*], the contract requirements [*see § 92.242[1][b]*], the fee schedule [*see Civ. Code § 1812.517*; *see also* [4], *below*], fee restrictions [*see Civ. Code § 1812.516*; *see also* [5], *below*], refund provisions [*see Civ. Code § 1812.518*; *see also* [6], *below*], certain job order provisions [*see Civ. Code § 1812.519(a), (b), (c)(3), (d)*], certain provisions relating to advertisements [*see Civ. Code § 1812.520(b)(2), (c)-(f)*], provisions relating to minors [*see Civ. Code § 1812.521(a)*; *see also* [10], *below*], and provisions relating to union membership and labor troubles [*see Civ. Code § 1812.521(b),(c)*; *see also* [11], *below*].

[4] Fee Schedule

A job listing service must provide a copy of its fee schedule and payment terms to any jobseeker prior to an interview by a counselor [*Civ. Code § 1812.517(a)(1)*]. The fee schedule must indicate the maximum fee and must include the charges of every kind to be rendered. The job listing service may make changes in the schedule, but changes are not effective until seven days after they have been posted in a conspicuous place in the job listing service [*Civ. Code § 1812.517(a)(2)*].

A copy of the fee schedule in effect, including all changes to it, must be posted in the job listing service in a conspicuous place. The posted schedule and all changes to it must be in lettering or printing of not less than standard pica capitals. The effective date of the schedule and of all changes must appear on the posted copies [*Civ. Code § 1812.517(a)(3)*]. Copies of all fee schedules and of all changes to those fee schedules must be kept on file at the job listing service for a period of one year [*Civ. Code § 1812.517(a)(4)*]. For a sample fee schedule that may be modified for use by a job listing service, see *§ 92.241[2]*.

[5] Fee Restrictions

A job listing service may not charge or collect from a jobseeker a fee in excess of the scheduled fee [*Civ. Code § 1812.517(b)*]. Moreover, a job listing service may neither accept a fee from a jobseeker nor send a jobseeker for employment unless the job listing service has obtained a bona fide written job order for employment [*Civ. Code § 1812.519(a)*; *see Civ. Code § 1812.519(b)* (job orders)].

The fee charged the jobseeker must not be based on a portion or percentage of the salary or wages earned or to be earned in the employment obtained through the job listing service [*Civ. Code § 1812.517(d)*]. It is unlawful for a job listing service to do any of the following [*Civ. Code § 1812.517(e)*]:

- Divide fees with an employer, an agent, or other employee of any employer or person to whom help is furnished.

- Charge any jobseeker a fee for accepting employment with the job listing service or its subsidiary.

- Charge the jobseeker a fee when help is furnished to an employer, an agent, any employee of any employer, a member, or person who has a financial interest in the job listing service.

Additionally, a job listing service may not take from a jobseeker a confession of judgment, a promissory note or notes, or an assignment of wages to cover its fees [*Civ. Code § 1812.517(c)*].

[6] Right to Refund

[a] Full Refund

If the job listing service does not supply the jobseeker at least three employment opportunities that meet contract specifications, and that are then available to the jobseeker, within seven business days after execution of the contract, it must refund in full the advance fee paid by the jobseeker [*Civ. Code § 1812.518(a)(1)*].

The job listing service will be deemed to have supplied conforming information if the information meets the contract specifications with respect to type of job, the jobseeker's interests and qualifications, hours, salary, benefits, and other conditions of employment, job location, and any other specifications expressly set forth in the contract [*Civ. Code § 1812.518(a)(2)*].

The jobseeker's fee must be refunded to the jobseeker within 10 days after the jobseeker's request. If the refund is not made within the 10-day period, the job listing service must pay an additional sum equal to the amount of the deposit [*Civ. Code § 1812.518(c)*].

[b] Partial Refund

If the jobseeker does not obtain a job or the job obtained lasts fewer than 90 days, the job listing service must refund any amount over and above the sum of a $25 service charge [*Civ. Code § 1812.518(b)*]. The job listing service must return the fee within 10 days after the jobseeker's request for a refund. If the refund is not made within the 10-day period, the job listing service must pay an additional sum equal to the amount of the deposit [*Civ. Code § 1812.518(c)*].

[7] Surety bond

A job listing service must maintain a surety bond for the principal sum of $10,000 at all times while conducting business [*see Civ. Code § 1812.515(a)-(m)*]. The bond is for the benefit of persons damaged by any violation of the Employment Act, or by misrepresentation, deceit, unlawful acts or omissions, or failure to provide contractual services, by the service or its agents, representatives, or employees while acting within the scope of their employment [*Civ. Code § 1812.515(b)*]. A copy of the bond must be filed with the Secretary of State [*see Civ. Code § 1812.515(a)*].

Instead of obtaining a bond, before January 1, 1999, the service could make a deposit with the Secretary of State in an amount equal to or greater than the bond requirement [*see Code Civ. Proc. § 995.710(a)*; *see also Civ. Code § 1812.515(d)* (claims against deposit)]. Any service that made such a deposit may continue to utilize it in lieu of a bond; however, the deposit will not be renewable [*Code Civ. Proc. § 995.710(e)*].

[8] Job Orders

A job listing service must not send a jobseeker for employment without first obtaining a bona fide job order for employment [*Civ. Code § 1812.519(a)*]. The service must identify itself as a job listing service to the employer when contacting an employer for the purposes of soliciting a job order [*Civ. Code § 1812.519(b)(1)*].

All job orders must be recorded in writing. A job order is considered to have been given if the employer requests or gives permission that the job listing service recruit or refer jobseekers who meet the job specifications and the employer provides sufficient job description information [*Civ. Code § 1812.519(b)(1)*]. A job order is valid for the referral of any qualified jobseeker until it is filled or canceled by the employer [*Civ. Code § 1812.519(b)(2)*].

A job listing service may not refer a job to a jobseeker if it has not confirmed the availability of the job during the four-day period prior to the date on which it disseminates the listing information [*Civ. Code § 1812.519(b)(2)*]. It is illegal for a job listing service to refer a jobseeker to a job if it knows or has reason to know that the job does not exist, that the jobseeker is unqualified for the job, that the job has been described in a false, misleading, or deceptive manner, or that it has not obtained written permission from the employer to list the job [*Civ. Code § 1812.519(c)*].

A job order may serve as the basis for job listing service advertising [*Civ. Code § 1812.519(b)(2)*; *see* [9], *below*]. A job listing service must not exchange job orders with an employment agency that charges a placement fee [*Civ. Code § 1812.519(d)*; *see § 92.70*].

[9] Advertisements and Representations

A job listing service may not make any false, misleading, or deceptive advertisements or representations concerning its services [*Civ. Code § 1812.520(a)*]. Additionally, a job listing service must not publish or cause to be published any false, fraudulent, or misleading information, representation, notice, or advertisements [*Civ. Code § 1812.520(b)(1)*].

A job listing service must comply with specified advertising restrictions, including disclosures of the service's name, street address, telephone number, and special requirements of the job and salaries [*see Civ. Code § 1812.520(b)-(d)*]. In addition, a job listing service must not, by its choice of name or by advertisement or representation, represent itself to be or to perform the services of an employment agency [*Civ. Code § 1812.520(b)(4)*; *see Civ. Code § 1812.501(a)(2)* ("employment agency" defined)].

A job listing service must maintain a record of all advertised jobs, correlated to show the date and the publication in which the advertisement appeared, and the job order number of each job advertised. This record must be kept for one year [*Civ. Code § 1812.520(e)*].

[10] Minors

A job listing service must not accept any application for employment made by or on behalf of any minor, or place or assist placing any minor in violation of specified California law regarding employees' wages, hours, and working conditions or regarding the employment of pupils [*Civ. Code § 1812.521(a)*; *see Lab. Code § 1171 et seq.* (wages, hours, and working conditions); *Educ. Code § 49100 et seq.* (employment of pupils); *see also* Ch. 100B, *Contracts and Employment of Minors*].

[11] Union Membership and Labor Troubles

Before sending a jobseeker out in response to a request for employment, a job listing service must disclose to the jobseeker whether a labor contract is in existence at the place of employment and whether union membership is required [*Civ. Code § 1812.521(b)*]. Additionally, the job listing service must not send a jobseeker to a place of employment that has a strike, lockout, or other labor trouble without notifying the jobseeker of that condition. This disclosure must be included in the contract or receipt [*Civ. Code § 1812.521(c)*].

§ 92.72 Employment Counseling Services

[1] Governing Law

Employment counseling services are governed by the Employment Agency, Employment Counseling, and Job Listing Services Act ("Employment Act") [*see Civ. Code § 1812.500 et seq.*]. There are specific requirements for a contract between an employment counseling service and a jobseeker [*see Civ. Code § 1812.511(a)*]. For a discussion of these requirements and a sample contract for employment counseling services, see *§ 92.243*. For discussion of record keeping and inspection of records of employment counseling services, see *§ 92.70[4]*.

The Employment Act also governs employment agencies [*see § 92.70*], job listing services [*see § 92.71*], and nurses' registries [*see § 92.73*].

[2] Employment Counseling Service Defined

An "employment counseling service" is any person [*see Civ. Code § 1812.501*(*l*)("person" defined)] who advertises or represents that it can or will provide any of the following services for a fee [*Civ. Code § 1812.501(b)(1)*]:

- Career counseling.
- Vocational guidance.
- Aptitude testing.
- Executive consulting.
- Personnel consulting.
- Career management, evaluation, or planning.

- Development of resumes and other promotional materials relating to preparation for employment.

However, the following are excluded from the definition of an employment counseling service [*Civ. Code § 1812.501(b)(2)*]:

- Employer-retained firms that do not require the jobseeker to sign a contract or pay a fee.
- Certain vocational rehabilitation counselors [*see Civ. Code § 1812.501(b)(2)(B)*].
- Resume-writing services that do not hold themselves out as offering other jobseeking or placement services, and that do not charge more than $300 for any resume, cover letter, or a combination of both.
- Public educational institutions.
- Qualifying private educational institution employment counselors [*see Educ. Code § 94760 et seq.*].
- Licensed psychologists providing psychological assessment, career or occupational counseling, or consultation and related professional services within their scope of practice.
- Licensed educational psychologists.

An "employment counseling service" also does not include persons who provide services strictly on an hourly basis with no financial obligation required of the consumer beyond the hourly fee for services rendered [*Civ. Code § 1812.501(b)(1)*]. Nor does it include the functions of an "employment agency" [*Civ. Code § 1812.501(b)(1)*; *see Civ. Code § 1812.501(a)* ("employment agency" defined); § 92.70[2]].

Specified nonprofit corporations, labor organizations, newspapers, and other publications also are exempt from the Employment Act [*see § 92.70[3]*].

[3] Surety Bond

An employment counseling service must maintain a surety bond for the principal sum of $10,000 at all times while conducting business [*see Civ. Code § 1812.510(a)-(m)*]. The bond is for the benefit of persons damaged by any violation of the Employment Act, or by fraud, dishonesty, misstatement, misrepresentation, deceit, unlawful acts or omissions, or failure to provide contractual services, by the service or its agents, representatives, or employees while acting within the scope of their employment [*Civ. Code § 1812.510(b)*]. A copy of the bond must be filed with the Secretary of State [*Civ. Code § 1812.510(a)*].

Instead of obtaining a bond, before January 1, 1999, the service could make a deposit with the Secretary of State in an amount equal to or greater than the bond requirement [*see Code Civ. Proc. § 995.710(a)*; *see Civ. Code § 1812.510(d)* (claims against deposit)]. Any service that made such a deposit may continue to utilize it in lieu of a bond; however, the deposit will not be renewable [*Code Civ. Proc. § 995.710(e)*].

[4] Fee Schedule

An employment counseling service must provide a copy of its fee schedule and payment terms to any customer before an interview by the service [*Civ. Code § 1812.512(a)(1)*]. The fee schedule must indicate the maximum fee and must include charges of every kind. The service may make changes in the schedule, but changes are not effective until seven days after they have been posted in a conspicuous place at the service [*Civ. Code § 1812.512(a)(2)*].

A copy of the fee schedule in effect must be posted in the employment counseling service in a conspicuous place. The posted schedule and all changes to it must be in lettering or printing of not less than standard pica capitals. The effective date of the schedule and of all changes must appear on the posted copies [*Civ. Code § 1812.512(a)(3)*]. A copy of all fee schedules and of all changes to those fee schedules must be kept on file at the service for a period of one year [*Civ. Code § 1812.512(a)(4)*]. For a sample fee schedule that may be modified for use by an employment counseling service, see *§ 92.241[2]*.

[5] Fee Restrictions

It is unlawful for an employment counseling service to do any of the following:

- Accept, directly or indirectly, a registration fee of any kind [*Civ. Code § 1812.512(c)*].
- Charge a fee in excess of the scheduled fee [*Civ. Code § 1812.512(b)*].
- Accept from a customer a confession of judgment, a promissory note or notes, or an assignment of wages to cover its fees [*Civ. Code § 1812.512(d)*].

[6] Advertisements and Representations

An employment counseling service must not make any false, misleading, or deceptive advertisements or representations concerning its services [*Civ. Code § 1812.513(a)*]. Additionally, a service must not publish or cause to be published any false, fraudulent, or misleading information, representation, notice, or advertisements [*Civ. Code § 1812.513(b)(1)*].

An employment counseling service must maintain a record of all advertisements for the service, correlated to show the date and the publication in which the advertisement appeared. This record must be kept for one year [*Civ. Code § 1812.513(d)*].

A service must also comply with specified advertising restrictions, including disclosures of the service's name, street address, and telephone number [*Civ. Code § 1812.513(b)(2)*]. An employment counseling service must not represent itself, by its choice of name or by advertisement or representation, to be an employment agency or to perform the job placement services of an employment agency [*Civ. Code § 1812.513(e)*].

Additionally, a service must not give any false information or make any false promises or representations concerning engagement or employment to any customer, or make any oral or written promise or guarantee of any job or employment [*Civ. Code § 1812.513(c)*].

CHAPTER 92 SERVICE CONTRACTS
PART II. LEGAL BACKGROUND
E. Employment--Related Services

30-92 California Legal Forms--Transaction Guide § 92.73

§ 92.73 Nurses' Registry Services

[1] Governing Law

Nurses' registries are governed by the Employment Agency, Employment Counseling, and Job Listing Services Act ("Employment Act") [*see Civ. Code §§ 1812.500 et seq.*]. A nurses' registry that makes referrals for nurses' employment other than private duty nursing must comply with the provisions of Chs. 1 and 2 of the Employment Act applicable to employment agencies [*Civ. Code § 1812.524(b)*; *see Civ. Code §§ 1812.500-1812.502*, *Civ. Code §§ 1812.503-1812.5095*; *see also § 92.70*]. A nurses' registry that makes referrals for the employment of private duty nurses must comply with other specific provisions of the Employment Act [*see Civ. Code §§ 1812.524-1812.533*]. The remainder of this discussion will cover referrals for employment of private duty nurses.

The Employment Act also governs employment agencies [*see § 92.70*], job listing services [*see § 92.71*], and employment counseling services [*see § 92.72*].

[2] Nurses' Registry Defined

A "nurses' registry" is any person [*see Civ. Code § 1812.501*(*l*)("person" defined)] who engages in the business of obtaining and filling commitments for nursing service [*Civ. Code § 1812.524(b)*]. "Nursing service" means the assignment of a nurse as a private duty, self-employed, licensed registered nurse, licensed vocational nurse, or practical nurse to render service to a patient under the direction or supervision of a physician or surgeon registered to practice in California [*Civ. Code § 1812.524(a)*]. A "private duty nurse" is a self-employed nurse who renders service in the care of either a physically or mentally ill patient under the direction of a physician or surgeon, who is paid by the patient or the patient's agent, and who acts as a private contractor [*Civ. Code § 1812.524(c)*].

Certain nonprofit corporations, labor organizations, newspapers, and other publications are exempt from the Employment Act, as discussed in *§ 92.70[3]*.

[3] Surety Bond

A nurses' registry must maintain a surety bond for the principal sum of $3,000 at all times while conducting business [*see Civ. Code § 1812.525(a)-(m)*]. The bond is for the benefit of persons damaged by any violation of the Employment Act, or by fraud, dishonesty, misstatement, misrepresentation, deceit, unlawful acts or omissions, or failure to provide contractual services, by the registry or its agents, representatives, or employees while acting within the scope of their employment [*Civ. Code § 1812.525(b)*]. A copy of the bond must be filed with the Secretary of State [*Civ. Code § 1812.525(a)*].

Instead of obtaining a bond, before January 1, 1999, the registry could make a deposit with the Secretary of State in an amount equal to or greater than the bond requirement [*see Code Civ. Proc. § 995.710(a)*; *see Civ. Code § 1812.525(d)* (claims against deposit)]. Any registry that made such a deposit may continue to utilize it in lieu of a bond; however, the deposit will not be renewable [*Code Civ. Proc. § 995.710(e)*].

[4] Fee Schedule

A nurses' registry must provide a copy of its fee schedule and payment terms to any nurse prior to an interview by the registry [*Civ. Code § 1812.527(a)(1)*]. The fee schedule must indicate the maximum fee and must include charges of every kind to be rendered. The nurses' registry may make changes in the schedule, but changes are not effective until seven days after they have been posted in a conspicuous place in the nurses' registry [*Civ. Code § 1812.527(a)(2)*].

A copy of the fee schedule in effect must be posted in the nurses' registry in a conspicuous place. The posted schedule and all changes to it must be in lettering or printing of not less than standard pica capitals. The effective date of the schedule and of all changes must appear on the posted copies [*Civ. Code § 1812.527(a)(3)*]. The fee schedule must also be included in any contract with a private duty nurse [*Civ. Code § 1812.526(c)*].

A copy of all fee schedules and of all changes to those fee schedules must be kept on file at the nurses' registry for a period of one year [*Civ. Code § 1812.527(a)(4)*]. For a sample fee schedule that may be modified for use by a nurses' registry, see *§ 92.241[2]*.

[5] Fee Restrictions

It is unlawful for a nurses' registry to charge, accept, or divide fees as follows:

- It must not accept, directly or indirectly, a registration fee of any kind [*Civ. Code § 1812.530(a)*].

- It must not divide fees with any physician, surgeon, nurse, hospital, patient, or an agent or employee of any of these persons or entities [*Civ. Code § 1812.531*].

- It may not accept from a nurse a confession of judgment, a promissory note, or an assignment of wages to cover its fees [*Civ. Code § 1812.530(b)*].

If the nurse's registry collects a fee or expenses for an assignment, and the nurse fails to obtain or be paid for the assignment, the nurses' registry must, upon demand, repay the amount of the fees and expenses to the nurse. If the registry fails to make repayment within 48 hours after demand, the registry must pay to the nurse an additional sum equal to the amount of the fee [*Civ. Code § 1812.532*].

[6] Verification of Nurse's Experience

A nurses' registry must verify in writing the claims as to experience or training listed on the nurse's application. The registry must keep a file of those records in the nurse's folder at the nurses' registry. The person interviewing the nurse must require the nurse to show his or her license and must then make a notation on the application that the license has

been inspected and note the date of the license's expiration [*Civ. Code § 1812.528*].

[7] Record Keeping

A nurses' registry must continuously maintain in its offices true and correct permanent log sheets and other records disclosing the following information [*Civ. Code § 1812.529*]:

- The date and hour of the receipt of an order for a private duty nurse by the registry.
- The date and hour of the making or giving of each assignment to the nurse by the registry.
- The name of the nurse assigned.
- The name of the patient and the address where the nurse is assigned.
- The name of the attending physician.
- The start date of the assignment.
- The period of actual service for each assignment.
- The amount of the fee charged for each assignment.

These log sheets must be maintained for a period of one year [*Civ. Code § 1812.529*]. Falsification of the records by the registry or its agent or employee is a violation of the Employment Act [*see Civ. Code § 1812.523*].

[8] Advertisements and Representations

A nurses' registry must not make any false, misleading, or deceptive advertisements or representations concerning its services [*Civ. Code § 1812.533(a)*]. Additionally, a nurses' registry must not publish or cause to be published any false, fraudulent, or misleading information, representation, notice, or advertisements [*Civ. Code § 1812.533(b)(1)*]. A nurses' registry must not give any false information or make any false promises or representations concerning an assignment or employment to any nurse who registers or applies for an assignment or employment [*Civ. Code § 1812.533(b)(3)*].

A nurses' registry must comply with specified advertising restrictions, including disclosures of the registry's name, and street address or telephone number [*see Civ. Code § 1812.533(b)(2)*]. A nurses' registry must also maintain a record of all advertisements, correlated to show the date and the publication in which the advertisement appeared. This record must be kept for one year [*Civ. Code § 1812.533(c)*].

In addition, it is unlawful for a nurses' registry to represent that it is, or performs the services of, a home health agency [*Civ. Code § 1812.533(b)(4)*; *see Health & Safety Code § 1727(a)* ("home health agency" defined)].

The nurses' registry must provide a written disclosure of the following to each individual receiving residential nursing services [*Civ. Code § 1812.508(b)(5)*; *see Civ. Code § 1812.524(a)* ("nursing services" defined)]:

- That the agency does not perform the services of a home health agency.
- A clear statement that that it is a nurses' registry only.
- That any complaints against licensed personnel providing nursing services must be brought to the

local district attorney and the Department of Consumer Affairs. The agency must provide the addresses and telephone numbers of these officials to all patients before they are under the care of any nursing services personnel.

§ 92.74 Violations of the Employment Agency, Employment Counseling, and Job Listing Services Act

Any violation of the provisions of the Employment Agency, Employment Counseling, and Job Listing Services Act ("Employment Act") [*Civ. Code § 1812.500 et seq.*] is a misdemeanor subject to criminal prosecution and suit for restraint and injunction instituted by the Attorney General, any district attorney, or any city attorney [*see Civ. Code § 1812.523(a), (b)*].

If any person [*see Civ. Code § 1812.501(l)*("person" defined)] uses any untrue or misleading statement, information, or advertisement to sell its services, or if that person or a contract fails to comply with the applicable provisions of the Employment Act, the contract will be void and unenforceable as contrary to public policy, and the jobseeker, customer, or nurse will be entitled to the return of all sums paid [*Civ. Code § 1812.523(c)*].

Any person injured by a violation of the Employment Act or by the breach of a contract subject to the Employment Act may bring an action for the recovery of damages, an equity action to restrain and enjoin the violations, or both. The damage recovery may be up to three times actual damages, but in no event may it be less than the amount paid by the jobseeker, customer, or nurse. If the person liable for a damage award refuses to pay the award, the amount may be satisfied by the security required under the Employment Act [*Civ. Code § 1812.523(d)*; *see Civ. Code §§ 1812.503, 1812.510, 1812.515, 1812.525*]. A prevailing plaintiff will be awarded reasonable attorneys' fees and costs. The court may also award punitive damages if the violation or breach was willful [*Civ. Code § 1812.523(d)*].

The provisions of the Employment Act are not exclusive and do not relieve persons subject to the Employment Act from the duty to comply with all other applicable laws [*Civ. Code § 1812.523(e)*]. Likewise, the remedies provided by the Employment Act are not exclusive and are in addition to any other remedies or procedures provided in any other law [*Civ. Code § 1812.523(f)*].

Any waiver by a consumer, jobseeker, or nurse of the provisions of the Employment Act is contrary to public policy and is void and unenforceable. Any attempt by a person subject to the Employment Act to have a jobseeker, customer, or nurse waive rights granted under the Employment Act is a violation of the Employment Act [*Civ. Code § 1812.523(g)*].

CHAPTER 92 SERVICE CONTRACTS
PART II. LEGAL BACKGROUND
F. Credit Reporting and Collection Services

30-92 California Legal Forms--Transaction Guide § 92.80

§ 92.80 Consumer Credit Reporting Services

[1] Governing Law

Consumer credit reporting services are governed by the federal Fair Credit Reporting Act [*15 U.S.C. § 1681 et seq.*; *see* [3], *below*] and the Consumer Credit Reporting Agencies Act [*see Civ. Code §§ 1785.1-1785.36*; *see* [2], *below*].

With certain specified exceptions [*see* [4][b], *below*], the Fair Credit Reporting Act does not annul, alter, affect, or exempt any person from complying with state laws with respect to the collection, distribution, or use of any information on consumers, or for the prevention or mitigation of identity theft, except to the extent that a state law is inconsistent with any provision of the Fair Credit Reporting Act, and then only to the extent of the inconsistency [*see 15 U.S.C. § 1681t(a) et seq.*].

In enacting the Fair Credit Reporting Act, Congress did not attempt to reserve to itself all efforts to regulate the consumer credit reporting business. California is not foreclosed from enacting greater protections for consumers injured by the activities of reporting agencies, nor is the California legislature's decision to include an attorneys' fee provision for any prevailing party barred, notwithstanding the fact that the federal Act provides for the recovery of attorneys' fees by the prevailing plaintiff only [*Cisneros v. U.D. Registry, Inc. (1995) 39 Cal. App. 4th 548, 577, 46 Cal. Rptr. 2d 233]* .

For discussion and sample forms related to credit card transactions, see Ch. 46, *Credit Card and Other Open-End Credit Transactions* .

[2] Consumer Credit Reporting Agencies Act

[a] Purpose of Legislation

The purpose of the Consumer Credit Reporting Agencies Act ("Credit Reporting Act") [*see Civ. Code §§ 1785.1-1785.36*] is to require consumer credit reporting agencies to adopt reasonable procedures in the furnishing of consumer information that meets the needs of commerce and that is fair and equitable to the consumer [*Civ. Code §*

1785.1(d)].

Among other requirements, the Credit Reporting Act requires agencies to allow consumers to inspect their credit files, requires certain disclosures to consumers, and prevents certain types of information from being reported [*see Civ. Code §§ 1785.10, 1785.11, 1785.20*].

The notices and disclosures to consumers provided for under the Credit Reporting Act are required to be made only to those consumers who have a mailing address in California [*Civ. Code § 1785.6*].

[b] License Not Required

A state license is not required to operate a credit agency. Although persons who make investigations of others are generally required to be licensed as private investigators [*see Bus. & Prof. Code §§ 7520, 7521(a)*], persons engaged exclusively in the business of obtaining and furnishing information on the credit ratings of persons are exempt from this licensing requirement [*Bus. & Prof. Code § 7522(c)*].

[c] Consumer Credit Reporting Agency Defined

A "consumer credit reporting agency" ("credit agency") is a person [*see Civ. Code § 1785.3(j)* ("person" defined)] that, for compensation or on a nonprofit cooperative basis, regularly engages in the business of assembling or evaluating consumer credit information or other consumer information for the purpose of furnishing consumer credit reports to third parties. The term does not include a governmental agency whose records are maintained primarily for traffic safety, law enforcement, or licensing purposes [*Civ. Code § 1785.3(d)*].

In addition, a person who, for compensation or on a nonprofit cooperative basis, regularly engages in the practice of assembling, evaluating, or disseminating information on the checking account experiences of consumer customers of banks and other financial institutions, with the exception of compliance with the requirements of *Civ. Code § 1785.10(c),(d),(e)* (inspection of files by consumer [*see* (p), *below*]) only with regard to the provision of address and phone number, is subject to the laws governing consumer credit reporting agencies [*Civ. Code § 1785.5*].

A "consumer" is a natural individual [*Civ. Code § 1785.3(b)*].

[d] Consumer Credit Report Defined

A "consumer credit report" is any written, oral, or other communication of any information by a credit agency relating to a consumer's creditworthiness, credit standing, or credit capacity that is used or expected to be used in determining a consumer's eligibility for one of the following [*Civ. Code § 1785.3(c)*]:

- Credit to be used primarily for personal, family, or household purposes.
- Employment purposes.
- The hiring of a dwelling unit [*see Civ. Code § 1940(c)*].
- Other purposes for which a consumer credit report may be used [*see Civ. Code § 1785.11*].

Many types of reports and communications are exempted from the definition of "consumer credit report" [*see Civ. Code § 1785.3(c)*]. For example, the consumer's address or employment information by itself, having no bearing on the consumer's credit, is not a consumer credit report under *Civ. Code § 1785.3(c)* [*Gomon v. TRW, Inc. (1994) 28 Cal. App. 4th 1161, 1167, 34 Cal. Rptr. 2d 256]* .

[e] Information Released by Credit Agency

A credit agency may furnish a consumer credit report only in the following circumstances [*Civ. Code § 1785.11(a)*; *see Olson v. Six Rivers National Bank (2003) 111 Cal. App. 4th 1, 11-13, 3 Cal. Rptr. 3d 301* (bank's request for husband's credit information in connection with wife's loan application was permissible under *Civ. Code § 1785.11(a)(3)(A), (F)*)]:

- In response to a proper court order.
- In accordance with the written instructions of the consumer to whom it relates.
- To a person the credit agency has reason to believe will use the information for certain legitimate business purposes [*see* [f], *below*].

In furnishing information to be used in connection with a credit transaction not initiated by the consumer, the credit agency may provide the information only if the consumer authorizes the agency to furnish the consumer credit report, or if the proposed transaction involves a firm offer of credit to the consumer and other requirements are met [*see Civ. Code § 1785.11(b)*].

If a credit agency furnishes a prequalifying report in connection with a credit transaction not initiated by the consumer [*see Civ. Code § 1785.11(b)(2)*], the agency must provide a notification system, including a toll-free telephone number, that permits the consumer to notify the agency of the consumer's election to have his or her name removed from any list of names provided by the agency [*Civ. Code § 1785.11(e)*].

A credit agency may not furnish to any person (other than the consumer, who has a statutory right to receive this information [*see Civ. Code § 1785.15(a)(3)*]) a record of inquiries solely resulting from credit transactions that were not initiated by the consumer [*Civ. Code § 1785.11(c)*].

[f] Permissible Purposes

A credit agency may not issue a credit report to any person (other than pursuant to a court order or with the consumer's consent [*see* [e], *above*]) unless it has reason to believe that the person intends to use the information for the following purposes only [*Civ. Code § 1785.11(a)(3)*]:

- A credit transaction, or a court order for support, involving the extension of credit to, or review or collection of an account of, the consumer.
- Employment purposes.
- The underwriting of insurance involving the consumer, or for insurance claims settlements.
- A determination of the consumer's eligibility for a license or other benefit granted by a governmental instrumentality required by law to consider the applicant's financial responsibility or status.
- The hiring of a dwelling unit.
- A legitimate business need for the information in connection with a business transaction involving the consumer.

[g] Inaccurate or Incomplete Information Furnished to Credit Agency

Civ. Code § 1785.25 covers the furnishing of incomplete or inaccurate information to any consumer credit reporting agency. That section, specifically *Civ. Code § 1785.25(g)*, as well as *Civ. Code § 1785.31*, are recognized as preempted by the federal Fair Credit Reporting Act [*see 15 U.S.C. § 1681 et seq.*; *see also* [2][x], [3], *below*] in *Howard v. Blue Ridge Bank (2005) 371 F. Supp. 2d 1139, 1144* .

A person may not furnish information on a specific transaction or experience to a credit agency if the person knows or should know the information is incomplete or inaccurate [*Civ. Code § 1785.25(a)*; *see Hussey-Head v. World Savings and Loan (2003) 111 Cal. App. 4th 773, 779-780, 4 Cal. Rptr. 3d 171* (consumer claimed lender furnished incomplete and inaccurate information to credit reporting agencies; court found triable issues of material fact concerning violation of *Civ. Code § 1785.25(a)*)].

If a person who regularly furnishes information to a credit agency determines that information on a specific transaction or experience is not complete or accurate, he or she must notify the agency and provide corrections to make the information complete and accurate [*Civ. Code § 1785.25(b)*].

[h] Disputed Information

If a dispute between a furnisher of credit information and a consumer is ongoing, the furnisher may not furnish information to a credit agency without including a notice about the dispute [*Civ. Code § 1785.25(c)*].

If a person who provided information about a consumer receives notice of a dispute [*see Civ. Code § 1785.16*; *see also* [i], *below*], the person must conduct an investigation about the disputed information and report to the credit agency within 30 business days [*Civ. Code § 1785.25(f)*].

If a consumer disputes the completeness or accuracy of any information in his or her consumer credit file and communicates the dispute to the credit agency, the agency, within a reasonable period and without charge, must reinvestigate and record the current status of the disputed information within 30 business days from the date the agency received notice of the dispute. The agency need not reinvestigate if it has reasonable grounds to believe the dispute is frivolous or irrelevant, which includes a consumer's failure to provide sufficient information to investigate a dispute [*Civ. Code § 1785.16(a)*].

Unless the agency determines the dispute is frivolous or irrelevant, the agency must notify any person who provided information that is in dispute within five business days of the dispute. The credit agency may require that disputes by consumers be in writing [*Civ. Code § 1785.16(a)*].

In conducting that reinvestigation, the agency must review and consider all relevant information submitted by the consumer. If the agency determines the dispute is frivolous or irrelevant, it must notify the consumer by mail or other authorized means within five business days that it is ending the reinvestigation. This notice must state the specific reasons why the agency has determined the dispute is frivolous or irrelevant [*Civ. Code § 1785.16(b)*].

Information in the consumer's file that contradicts the consumer's contention is not, of itself, reasonable grounds for believing the dispute is frivolous or irrelevant [*Civ. Code § 1785.16(e)*].

If, after reinvestigation, the agency finds that the disputed information is missing, inaccurate, or can no longer be verified by the evidence submitted, the agency must correct the consumer's file [*Civ. Code § 1785.16(b)*]. The agency must provide written notice to the consumer of the results of the reinvestigation within five days of completing the reinvestigation. The notice must contain specified information about the reinvestigation [*see Civ. Code § 1785.16(d)*].

On notification of the results of a reinvestigation, a consumer may demand that any person furnishing information to the credit agency correct information the consumer believes to be inaccurate. The consumer may require the agency to

indicate in subsequent reports that the information is disputed. Information determined to be inaccurate or incomplete must be deleted or corrected within a reasonable time [*Civ. Code § 1785.30*].

If information is deleted from a consumer's file or if a consumer disputes information in his or her file, on the consumer's request, the credit agency must give notice of the deletion or dispute to any person designated by the consumer who, within two years for employment purposes, or within 12 months for any other purpose, has received a consumer credit report about the consumer [*Civ. Code § 1785.16(h)*].

Information may not be reinserted in a consumer's file after having been deleted unless the furnisher of the information certifies its accuracy. When information is reinserted in a consumer's file, the agency must notify the consumer of the reinsertion [*Civ. Code § 1785.16(c)*]. Agencies must maintain reasonable procedures to prevent properly deleted information from reappearing in a consumer's file [*Civ. Code § 1785.16(i)*].

Whenever a consumer files a dispute, the agency must note in any subsequent consumer credit report containing the disputed information that the consumer disputes the information, and must include in the report the consumer's statement about the dispute or a summary of the statement [*Civ. Code § 1785.16(f), (g)*].

[i] Negative Information Furnished to Credit Agency

A creditor may submit negative credit information [*see Civ. Code § 1785.26(a)* (definitions)] about a consumer to a credit agency only if the creditor notifies the consumer [*Civ. Code § 1785.26(b)*; *see Civ. Code § 1785.26(c)(2)* (form for giving notice)]. The notice must be in writing and must be delivered in person or by mail before or within 30 days after transmission of the information [*Civ. Code § 1785.26(c)*].

In general, a creditor may not provide adverse information to a credit agency about a cosigner of a consumer credit contract entered into on or after July 1, 1992, unless written notice is provided to the cosigner [*Civ. Code § 1799.101(b)*]. For further discussion, see Ch. 45, *Consumer Installment Loans and Credit Sales* .

[j] Content of Consumer Credit Report

The Credit Reporting Act restricts the content of consumer credit reports. A credit agency may not include any of the following in a consumer credit report [*Civ. Code § 1785.13(a)*]:

- Bankruptcies that, from the date of the order for relief, antedate the report by more than 10 years.

- Suits and judgments which, from the date of entry or renewal, predate the report by more than seven years, or until the governing statute of limitations has expired, whichever is longer.

- Unlawful detainer actions, unless the lessor was the prevailing party. However, this provision has been held to be unconstitutional by the Court of Appeal for the Second District, as a violation of the free speech rights of the *First Amendment* [*U.D. Registry, Inc. v. State of California (1995) 34 Cal. App. 4th 107, 114-116, 40 Cal. Rptr. 2d 228]* .

- Paid tax liens that predate the report by more than seven years.

- Accounts placed for collection, or charged to profit and loss, that predate the report by more than seven years.

- Certain criminal records that predate the report by more than seven years [*see Civ. Code § 1785.13(a)(6)*]. Criminal records must not be reported if no conviction resulted or if a full pardon was

granted.

- Any other adverse information that predates the report by more than seven years.

If an agency is notified that a consumer's open-end credit account has been closed, any future report about that consumer must indicate the account is closed [*Civ. Code § 1785.13(e)*]. Medical information about a consumer may not be included in a file or furnished for credit, employment, or insurance purposes without the consumer's consent [*Civ. Code § 1785.13(f)*]. However, a report must include information about a consumer's failure to pay overdue child or spousal support in certain circumstances [*see Civ. Code § 1785.13(g)*; *see also Fam. Code § 4701*].

A credit agency that compiles and reports items about consumers that are matters of public record must specify in any report containing public record information the source of the information, including the particular court, if that was the source, and the date the information was initially reported or publicized [*Civ. Code § 1785.18(a)*]. Agencies that report potentially adverse public record information for employment purposes must maintain procedures to ensure that the information is complete and up to date [*see Civ. Code § 1785.18(b)*].

A credit agency that furnishes credit reports for employment purposes may not report information on the age, marital status, race, color, or creed of a consumer [*Civ. Code § 1785.18(c)*].

[k] Credit Card Solicitations

A consumer may elect to have his or her name removed from any list that a credit agency furnishes for credit card solicitation by notifying the agency, by telephone or in writing, in accordance with specified notification procedures [*Civ. Code § 1785.11*.8; *see Civ. Code § 1785.11(d)* (notification procedures)]. This election is effective for a minimum of two years, unless otherwise specified by the consumer [*Civ. Code § 1785.11*.8].

[l] Security Alert Notice

Credit agencies must accept security alerts from consumers, by written request or via a toll-free telephone number [*Civ. Code § 1785.11*.1(a); *see also Civ. Code § 1785.11*.1(c), (d)(requirements for toll-free number)]. A "security alert" is a notice placed in a consumer's credit report, at the request of the consumer, that notifies a recipient of the credit report that the consumer's identity may have been used without the consumer's consent to obtain goods or services fraudulently in the consumer's name [*Civ. Code § 1785.11*.1(a)].

Consumer credit reporting agencies must place a security alert in a consumer credit report within five business days of receiving a request from the consumer [*Civ. Code § 1785.11*.1(e)]. The security alert must remain in place for at least 90 days, and the consumer has the right to request its renewal [*Civ. Code § 1785.11*.1(f)].

Agencies must notify each person requesting a consumer's credit information of a security alert in the consumer's credit report, regardless of whether a full credit report, credit score, or summary report is requested [*Civ. Code § 1785.11*.1(b)]. A credit agency must notify each consumer who has requested that a security alert be placed on his or her consumer credit report of the expiration date of the alert [*Civ. Code § 1785.11*.1(j)].

Any person who uses a consumer credit report in connection with the approval of credit based on an application for an extension of credit, or with the purchase, lease, or rental of goods or non-credit-related services, and who receives notification of a security alert in accordance with *Civ. Code § 1785.11*.1(a), may not lend money, extend credit, or complete the purchase, lease, or rental of goods or non-credit-related services without taking reasonable steps to verify the consumer's identity, in order to ensure that the application for an extension of credit or for the purchase, lease, or rental of goods or non-credit-related services is not the result of identity theft [*Civ. Code § 1785.11*.1(g); *see Civ. Code § 1785.11*.1(h)("extension of credit" does not include increase in dollar limit of existing open-end credit plan or any

change to, or review of, existing credit account); *see also Civ. Code § 1785.11*.1(i)(steps taken to verify consumer's identity in accordance with *Civ. Code § 1785.20*.3(b) may constitute compliance with *Civ. Code § 1785.11*.1)].

If the consumer has placed a statement with the security alert in his or her file requesting that identity be verified by calling a specified telephone number, any person who receives that statement, with the security alert in a consumer's file in accordance with *Civ. Code § 1785.11*.1(a), must take reasonable steps to verify the identity of the consumer by contacting the consumer, using the specified telephone number before lending money, extending credit, or completing the purchase, lease, or rental of goods or non-credit-related services [*Civ. Code § 1785.11*.1(g)].

If a person uses a consumer credit report to facilitate the extension of credit or for another permissible purpose on behalf of a subsidiary, affiliate, agent, assignee, or prospective assignee, that person may verify a consumer's identity, in lieu of the subsidiary, affiliate, agent, assignee, or prospective assignee [*Civ. Code § 1785.11*.1(g)].

[m] Security Freeze Notice

Civ. Code § 1785.11.2 governs security freezes on credit reports. A prior version of this section, however, was held unconstitutional as applied to plaintiff credit reporting agency, as violating free speech [*U.D. Registry, Inc. v. State (2006) 144 Cal. App. 4th 405, 412, 50 Cal. Rptr. 3d 647]* .

A credit agency must place a security freeze on a consumer credit report within three business days of receiving a request from the consumer, submitted in writing by mail [*Civ. Code § 1785.11*.2(a), (b)]. A "security freeze" is a notice placed in a consumer's credit report, at the request of the consumer and subject to certain exceptions, that prohibits the credit agency from releasing the consumer's credit report or any information from it without the express authorization of the consumer [*Civ. Code § 1785.11*.2(a)].

If a security freeze is in place, the agency may not release information from a consumer's credit report to a third party without prior express authorization from the consumer [*Civ. Code § 1785.11*.2(a)]. However, a credit agency may advise a third party that a security freeze is in effect with respect to the consumer's credit report [*Civ. Code § 1785.11*.2(a)].

A third party who requests access to a consumer credit report in connection with an application for credit or any other use may treat the application as incomplete if a security freeze is in effect and the consumer does not allow his or her credit report to be accessed for that specific party or period of time [*Civ. Code § 1785.11*.2(h)].

A security freeze must remain in place until either the consumer requests to have the security freeze removed [*see Civ. Code § 1785.11*.2(d), (j)], or on discovery by the credit agency that the consumer's credit report was frozen due to a material misrepresentation by the consumer [*see Civ. Code § 1785.11*.2(g)(2)].

A credit agency may charge a fee to freeze, remove a freeze, or temporarily lift a freeze regarding access to a consumer credit report [*see Civ. Code § 1785.11*.2(m)]. However, a credit agency may not charge a fee to a victim of identity theft who has submitted a valid police report or valid Department of Motor Vehicles investigative report that alleges a violation of *Penal Code § 530.5* [*Civ. Code § 1785.11(m)*].

Certain information service companies are not required to place in a credit report either a security alert or a security freeze [*see Civ. Code § 1785.11*.6; *see also Civ. Code § 1785.11*.2(*l*)(exceptions to application of *Civ. Code § 1785.11*.2)]. Certain credit agencies that act only as resellers of consumer credit information and do not maintain permanent consumer credit data bases from which new credit reports are produced are also exempt from the requirements of *Civ. Code §§ 1785.11*.1-1785.11.3. However, these agencies are required to honor any security freeze placed on a credit report by any other credit agency [*see Civ. Code § 1785.11*.4].

[n] Identity Theft

In addition to any other rights the consumer may have under the Credit Reporting Act, every credit agency, after being contacted by telephone, mail, or in person by any consumer who has reason to believe he or she may be a victim of identity theft, must promptly provide the consumer with a statement, written in a clear and conspicuous manner, describing the statutory rights of victims of identity theft under the Credit Reporting Act [*Civ. Code § 1785.15*.3(a); *see Civ. Code § 1785.15*.3(c)(exception for certain consumer credit reporting agencies that act only as resellers of credit information collected from other credit reporting agencies)]. This written statement must include information about security alerts and security freezes and their consequences [*see Civ. Code § 1785.15(f)*; *see also Ch. 45, Consumer Installment Loans and Credit Sales, § 45.231[2]* (sample of statement form)].

Further, every credit agency, on receipt from a victim of identity theft of a police report prepared in accordance with *Penal Code § 530.6*, or a valid investigative report made by a Department of Motor Vehicles investigator with peace officer status regarding the public offenses described in *Penal Code § 530.5* (which prohibits unauthorized use of personal identifying information) must provide the victim, free of charge and on request, with up to 12 copies of his or her file during a consecutive 12-month period, not to exceed one copy per month, following the date of the police report [*Civ. Code § 1785.15*.3(b)].

[o] Procedures for Ensuring Proper Use of Credit Information

Credit agencies must maintain reasonable procedures designed to avoid providing prohibited information [*see Civ. Code § 1785.13*] and to limit the furnishing of consumer credit reports to proper purposes [*Civ. Code § 1785.14(a)*; *see Civ. Code § 1785.11*]. A one-time certification from an organization that it will use information requested about consumers for one or more of the proper purposes is sufficient; it is not necessary that a separate certification be furnished for each request about an individual consumer [*Hiemstra v. TRW, Inc. (1987) 195 Cal. App. 3d 1629, 1632-1633, 241 Cal. Rptr. 564]* . Agencies must also follow reasonable procedures to assure maximum accuracy of information furnished [*Civ. Code § 1785.14(b)*].

In addition, agencies must provide written notice about the person's obligations imposed by the Credit Reporting Act to (1) any person who regularly, and in the ordinary course of business, supplies consumer credit information to the agency, and (2) any person to whom the agency furnishes a consumer credit report [*Civ. Code § 1785.14(d)*]. On request, an agency must create a procedure to prevent a credit report or credit information from being provided for marketing purposes or for a credit offer not requested by the consumer [*Civ. Code § 1785.19*.5].

In addition, agencies must maintain reasonable procedures to prevent properly deleted information from reappearing in a consumer's file [*see Civ. Code § 1785.16(i)*]. Agencies that report potentially adverse public record information for employment purposes must maintain procedures to ensure that the information is complete and up to date [*see Civ. Code § 1785.18(b)*].

The federal Fair Credit Reporting Act [*see* [3], *below*] imposes similar compliance procedure requirements [*see 15 U.S.C. § 1681e*; *see also Schoendorf v. U.D. Registry, Inc. (2002) 97 Cal. App. 4th 227, 238, 118 Cal. Rptr. 2d 313* (tenant's action against reporting agency for refusal to add clarifying information to her report in violation of both state and federal acts)].

[p] Consumer's Inspection of Credit Agency Files

On request and proper identification of a consumer, a credit agency must allow the consumer to visually inspect all files regarding that consumer maintained at the time of the request [*Civ. Code § 1785.10(a)*]. All information in the files must be available for inspection, including the names and addresses of the sources of the information [*Civ. Code § 1785.10(c)*]. For discussion and a sample form for use by a consumer to request disclosure of information in his or her

credit agency file, see *Ch. 45, Consumer Installment Loans and Credit Sales, § 45.230*.

On being contacted by a consumer by telephone, mail, or in person regarding information that may be contained in the agency's files on that consumer, a credit agency must advise the consumer of his or her rights under *Civ. Code §§ 1785.11*.8 [*see* [k], *above*], 1785.19 [*see* [w], *below*] and 1785.19.5 [*see* [o], *above*], and of the agency's obligation to provide disclosure of the files [*see Civ. Code § 1785.15*], as discussed in this subsection [*Civ. Code § 1785.10(b)*]. The agency may impose a reasonable charge for allowing a consumer to examine a file [*Civ. Code § 1785.17(a)*; *see Civ. Code § 1785.10*].

A credit agency must also disclose the following information to the consumer:

- A record of any recipients of the consumer's credit report for employment purposes within two years preceding the request [*Civ. Code § 1785.10(d)(1)(A)*].

- A record of any recipients of the consumer's credit report for any purpose, other than for employment purposes, within the 12 month period preceding the request [*Civ. Code § 1785.10(d)(1)(B)*].

- A record of all inquiries received in the 12 months preceding the request that identified the consumer in connection with a credit transaction not initiated by the consumer. This record of inquiries must also include the name, address and, if provided by the recipient, the telephone number identified for customer service for each recipient making an inquiry [*Civ. Code § 1785.10(e)*].

- The consumer's credit score and an explanation of the credit score, and the key factors as defined in and required by *Civ. Code § 1785.15*.1 [*see* [t], *below*], if the consumer so requests [*Civ. Code § 1785.10(b)*].

Disclosure of the recipients of consumer credit reports must include the recipient's name or, if applicable, the recipient's fictitious business name, the recipient's address and, if provided by the recipient, its customer service telephone number [*Civ. Code § 1785.10(d)(2)*].

[q] Inspection Procedures

Credit agencies must supply files and information required to be available to consumers [*see Civ. Code § 1785.10*; *see also* [p], *above*] during normal business hours and on reasonable notice [*Civ. Code § 1785.15(a)*]. The consumer may be accompanied by one other person [*Civ. Code § 1785.15(e)*]. Agencies must provide trained personnel to explain information to consumers [*Civ. Code § 1785.15(d)*]. Files may be disclosed in person, by mail, by summary, or by another form if authorized by the consumer [*Civ. Code § 1785.15(b)*].

[r] General Disclosures to Consumer

In addition to the disclosures required as part of a consumer's inspection of the credit agency's files [*see* [p], *above*], a consumer has the right to request and receive all of the following [*Civ. Code § 1785.15(a)*]:

- Either a decoded written version of the file or a written copy of the file, including all information in the file at the time of the request, with an explanation of any code used.

- A credit score for the consumer, the key factors, and the related information, as defined in and required by *Civ. Code § 1785.15*.1 [*see* [t], *below*].

- A record of all inquiries, by recipient, concerning credit transactions not initiated by the consumer

during the 12-month period preceding the request.

- The recipients of any consumer credit report on the consumer for employment purposes within the two-year period preceding the request, and for any other purpose, within the 12-month period preceding the request.

Identification of the recipients above must include the name of the recipient or, if applicable, the fictitious business name, and if requested by the consumer, the address of the recipient [*Civ. Code § 1785.15(a)*].

In addition, any written disclosure required by *Civ. Code § 1785.15* must include a summary of the consumer's rights under the Credit Reporting Act [*Civ. Code § 1785.15(f)*]. For a sample form for this summary statement, see *Ch. 45, Consumer Installment Loans and Credit Sales, § 45.231[2]*.

[s] Disclosures Regarding Adverse Action

If any person takes adverse action with respect to a consumer and the action is based, in whole or in part, on information contained in a consumer credit report, that person must provide all of the following to the consumer [*Civ. Code § 1785.20(a)*]:

- A written notice of the adverse action.

- The name, address, and telephone number of the credit agency that furnished the report.

- A statement that the decision to take adverse action was based in whole or in part on information in the report.

- A written notice of the consumer's right to obtain a free copy of the report and right to dispute the information furnished by the credit reporting agency.

If credit or insurance for personal, family, or household purposes is denied or the charge for that credit is increased because of information about a consumer's creditworthiness or credit standing obtained from other than a credit agency, on the consumer's request, the user of that information must disclose the nature and substance of the information to the consumer within a reasonable time [*Civ. Code § 1785.20(b)*].

Any person who uses a consumer credit report in connection with a credit transaction not initiated by the consumer that is a firm offer of credit must include specified information about the credit report in any solicitation made to the consumer [*see Civ. Code § 1785.20*.1].

Before requesting a consumer credit report for employment purposes, the user of the report must provide written notice to the consumer stating that a report will be used and identifying the source of the report; it must also state that the consumer may request a copy of the report [*Civ. Code § 1785.20*.5(a)]. If employment is denied because of information contained in a consumer credit report from a credit agency, the user of the report must advise the consumer of the adverse action and supply the name and address of the credit agency making the report [*Civ. Code § 1785.20*.5(b)].

A user of consumer credit information may notify a consumer that, on the consumer's request, the user will contact the credit agency regarding an investigation of the current status of credit information if the consumer disputes the accuracy or completeness of the information [*Civ. Code § 1785.21(a)*]. If the request is properly made, the agency must review the consumer's file and report the current status to the user and the consumer [*Civ. Code § 1785.21(b), (c)*].

[t] Credit Score Disclosures

A "credit score" is a numerical value or a categorization derived from a statistical tool or modeling system used by a person who makes or arranges a loan, to predict the likelihood of certain credit behaviors, including default. The numerical value or the categorization derived from this analysis may also be referred to as a "risk predictor" or "risk score" [*Civ. Code § 1785.15*.1(b)].

The term "credit score" does not include any mortgage score or rating of an automated underwriting system that considers any factors in addition to credit information, including, but not limited to, the loan-to-value ratio, the amount of down payment, or a consumer's financial assets. The term also does not include other elements of the underwriting process or underwriting decision [*Civ. Code § 1785.15*.1(b)].

On receiving a consumer's request for a credit score, a credit agency must supply to the consumer a notice that includes the following information, along with a statement indicating that the information and credit scoring model may be different than the credit score used by the lender [*Civ. Code § 1785.15*.1(a)]:

- The consumer's current credit score or the consumer's most recent credit score that was previously calculated by the credit reporting agency for a purpose related to the extension of credit.

- The range of possible credit scores under the model used.

- All of the key factors that adversely affected the consumer's credit score in the model used, the total number of which must not exceed four [*see Civ. Code § 1785.15*.1(c)("key factors" means all relevant elements or reasons adversely affecting credit score for particular individual, listed in order of their importance based on their effect on credit score)].

- The date the credit score was created.

- The name of the person or entity that provided the credit score or credit file on which the credit score was created.

However, if the consumer requests the credit file and not the credit score, then the consumer must receive the credit file and a statement that he or she may request and obtain a credit score [*Civ. Code § 1785.15*.1(a)].

A credit agency must supply the consumer with either a credit score that is derived from a credit scoring model that is widely distributed to users by that credit agency in connection with residential real property loans, or with a credit score that assists the consumer in understanding the credit scoring assessment of his or her credit behavior and predictions about his or her future credit behavior, along with a statement indicating that the information and credit scoring model may be different than that used by the lender [*Civ. Code § 1785.15*.2(a)]. A credit agency may charge a reasonable fee for providing the required information [*Civ. Code § 1785.15*.2(b)].

A credit agency cannot be compelled to develop or disclose a score if the agency does not distribute scores that are used in connection with residential real property loans and does not develop scores that assist credit providers in understanding a consumer's general credit behavior and predicting his or her future credit behavior [*Civ. Code § 1785.15*.1(e)].

A credit agency that distributes credit scores developed by another person or entity is not required to provide a further explanation of them, or to process a dispute arising pursuant to *Civ. Code § 1785.16(a)* [*see* [h], *above*], except that the credit agency must provide the consumer with the name and address and website for contacting the person or entity who developed the score or the methodology of the score. This does not apply to a credit agency that develops or modifies scores that are developed by another person or entity [*Civ. Code § 1785.15*.1(f)].

A credit agency is not required to maintain credit scores in its files [*Civ. Code § 1785.15*.1(g)]. Any provision in a contract that prohibits the disclosure of a credit score by a person who makes or arranges loans or a credit agency is void. A lender has no liability under any contractual provision for disclosure of a credit score [*Civ. Code § 1785.16(m)*].

[u] Reselling Consumer Credit Reports

A person may not procure a consumer credit report for the purpose of reselling the report or information in it unless the person discloses to the credit agency issuing the report the identity of the ultimate end user and each permissible purpose for which the report is issued [*Civ. Code § 1785.22(a)*]. A person procuring a consumer credit report to resell the report or information in it must do both of the following [*Civ. Code § 1785.22(b)*]:

- Establish and comply with reasonable procedures designed to ensure that the report or information in it is resold only for a permitted purpose, including identifying each prospective user and certifying each purpose for which the report or information will be used.

- Before reselling the report or information, make reasonable efforts to verify those identities and certifications.

[v] Information Blocked from Credit File

If a consumer submits to a credit reporting agency a copy of a valid police report or a valid investigative report made by a Department of Motor Vehicles Investigator with peace officer status, filed pursuant to *Penal Code § 530.5* (identity theft), the credit agency must promptly and permanently block reporting of any information that, the consumer alleges, appears on his or her credit report as a violation of *Penal Code § 530.5*, so that the information cannot be reported [*Civ. Code § 1785.16(k)*].

Information may be unblocked only on a preponderance of the evidence showing that either (1) the information was blocked due to a material misrepresentation of fact by the consumer or fraud, or (2) the consumer agrees that the blocked information, or a portion of the blocked information, was blocked in error, or (3) the consumer knowingly obtained (or should have known that he or she obtained) possession of goods, services, or money as a result of the blocked information. If the blocked information is unblocked, the consumer must be promptly notified [*Civ. Code § 1785.16(k)*; *see Civ. Code § 1785.16(c)* (notification procedures)].

In unblocking information, a consumer reporting agency must comply with all requirements of *Civ. Code § 1785.16* and *15* U.S.C. § 1681i [*see* [h], *above* and [3][j], *below*] relating to reinvestigating disputed information [*Civ. Code § 1785.16(l)*].

In addition, a credit agency must accept the consumer's version of the disputed information and correct or delete the disputed item when the consumer submits to the credit agency documentation obtained from the source of the item in dispute or from public records confirming that the report was inaccurate or incomplete, unless the credit agency, in the exercise of good faith and reasonable judgment, has substantial reason based on specific, verifiable facts to doubt the authenticity of the documentation submitted and notifies the consumer in writing of that decision, explaining its reasons for unblocking the information and setting forth the specific, verifiable facts on which the decision was based [*Civ. Code § 1785.16*(*l*)].

[w] Waiver of Act Unenforceable

Any waiver of the provisions of the Consumer Credit Reporting Agencies Act is contrary to public policy, and is void and unenforceable [*Civ. Code § 1785.36*].

[x] Violations of Consumer Credit Reporting Agencies Act

A consumer who suffers damage from any person's violation of the Consumer Credit Reporting Agencies Act ("Credit Reporting Act") may bring an action to recover damages [*see Civ. Code § 1785.31(a)*; *see also Schoendorf v. U.D. Registry, Inc. (2002) 97 Cal. App. 4th 227, 238, 118 Cal. Rptr. 2d 313* (tenant's action against reporting agency for refusal to add clarifying information to her report in violation of both state Credit Reporting Act and federal Fair Credit Act)]. However, *Civ. Code § 1785.31* and *Civ. Code § 1785.25(g)*, the provisions that create a private right of action to enforce § 1785.25(a), were recognized as preempted by the federal Fair Credit Reporting Act [*see 15 U.S.C. § 1681 et seq.*; *see also* [2][g], *above*, and [3], *below*] in *Howard v. Blue Ridge Bank (2005) 371 F. Supp. 2d 1139, 1144* .

Ordinarily, a consumer may recover actual damages including lost wages, attorneys' fees, court costs, and pain and suffering [*Civ. Code § 1785.31(a)(1)*]. Injunctive relief is also available, whether or not the consumer seeks any other remedy [*Civ. Code § 1785.31(b)*]. In cases of willful violations, punitive damages are available [*Civ. Code § 1785.31(a)(2), (c)*].

In addition, a consumer or the person or entity responsible for a consumer credit file may bring a civil action against anyone who improperly gains access to or obtains data from a consumer credit file [*see Civ. Code § 1785.11*], or who uses data received from a file contrary to an agreement [*Civ. Code § 1785.19*].

Any action must be brought within two years of the date the plaintiff knew (or should have known) of the violation, but not more than seven years from the earliest date liability could have arisen, or within two years of the date of discovery of a misrepresentation [*Civ. Code § 1785.33*].

If the defendant agency prevails in an action brought for a violation of the Credit Reporting Act, it also is entitled to recover reasonable attorneys' fees and court costs [*Civ. Code § 1785.31(d)*], notwithstanding the fact that the Fair Credit Act does not provide for attorneys' fees to the prevailing defendant [*Gomon v. TRW, Inc. (1994) 28 Cal. App. 4th 1161, 1173, 34 Cal. Rptr. 2d 256]* .

If a plaintiff brings an action under *Civ. Code § 1785.31* against a debt collector [*see Civ. Code § 1788.2* ("debt collector" defined)], and the basis of the action is related to the collection of a debt, whether issues relating to the debt collection are raised in the same or another proceeding, the debt collector may recover reasonable attorneys' fees on a finding by the court that the action was not brought in good faith [*Civ. Code § 1785.31(e)*].

Other remedies are provided by the Consumers Legal Remedies Act [*see Civ. Code § 1750 et seq.*; *see also § 92.12[9]*]. For discussion and sample complaint forms based on violations of the Credit Reporting Act, see *California Forms of Pleading and Practice, Ch. 129, Consumer Credit Reporting, §§ 129.110*-129..120 (Matthew Bender).

[3] Federal Fair Credit Reporting Act

[a] Purpose of Legislation

Congress has determined that inaccurate credit reports directly impair the efficiency of the banking system, and unfair credit reporting methods undermine the public confidence essential to the working of that system. It has recognized that the credit industry, particularly consumer reporting agencies, has developed an elaborate mechanism for investigating and evaluating the creditworthiness, credit standing, credit capacity, character, and general reputation of consumers. To assure that these agencies exercise their responsibilities with fairness, impartiality, and respect for the consumer's right to privacy, Congress has passed the Fair Credit Reporting Act ("Fair Credit Act") [*15 U.S.C. § 1681 (a)*; *see 15 U.S.C. § 1681 et seq.*].

All consumer reporting agencies are required to adopt reasonable procedures for meeting the needs of commerce for

consumer credit, personnel, insurance, and other information in a manner that is fair and equitable to the consumer, with regard to the confidentiality, accuracy, relevancy, and proper utilization of such information under the Fair Credit Act [*15 U.S.C. § 1681(b)*].

[b] Consumer Reporting Agency Defined

A "consumer reporting agency" under the Fair Credit Act is any individual or entity [*see 15 U.S.C.A. § 1681a(b)* ("person" defined)] that for monetary fees, dues, or on a cooperative nonprofit basis, regularly engages in the practice of assembling or evaluating consumer credit information, or other information on consumers, for the purpose of furnishing consumer reports to third parties, and that uses any means or facility of interstate commerce for the purpose of preparing or furnishing consumer reports [*15 U.S.C. § 1681a(f)*].

Most forms of transportation and communication are capable of being involved in interstate commerce, such as the telephone, the telegraph, and the mails. It should be noted that the Fair Credit Act does not specify that the reporting in any particular case itself be an instance of interstate commerce, but only that it use the means or facilities of interstate commerce to come under the auspices of the Fair Credit Act.

[c] Consumer Report Defined

A "consumer" entitled to protection under the Fair Credit Act must be an individual [*15 U.S.C. § 1681a(c)*]. A "consumer report" is any written, oral, or other communication of any information by a consumer reporting agency bearing on a consumer's creditworthiness, credit standing, credit capacity, character, general reputation, personal characteristics, or mode of living that is used, or expected to be used or collected, as a factor in establishing the consumer's eligibility for credit or insurance to be used primarily for personal, family, household, or employment purposes, or other purposes expressly authorized under the Fair Credit Act [*15 U.S.C. § 1681a(d)(1)*; *see* [d], *below* (permissible purposes)].

A consumer report, however, does not include the following [*see 15 U.S.C. § 1681a(d)(2)*]:

- A report that contains information solely as to transactions between the consumer and the person making the report.

- Certain communications among persons related by common ownership or affiliated by corporate control [*see 15 U.S.C. § 1681a(d)(2)(A)(iii)*].

- An authorization or approval of a specific extension of credit directly or indirectly by the issuer of a credit card or similar device.

- A report in which a person who has been requested by a third party to make a specific extension of credit directly or indirectly to a consumer conveys his or her decision with respect to the request, if the third party advises the consumer of the name and address of the person to whom the request was made, and if that person then makes the disclosures to the consumer as required under *15 U.S.C. § 1681m* [*see* [g], [i], *below* (required disclosures)].

- Certain other communications related to investigative consumer reports, employment opportunities, investigations of employees, and communications for which the consumer's consent is obtained [*see 15 U.S.C. § 1681a(o), (x)*; *see also* [f], *below*].

In addition, there are certain restrictions regarding the release of the consumer's medical information [*see 15 U.S.C. §§ 1681a(d)(3), 1681b(g)*].

[d] Permissible Purposes

A consumer reporting agency may furnish a consumer report only under certain legally permissible circumstances. It may do so in response to the order of a competent court, in response to a subpoena issued in connection with proceedings before a federal grand jury, or in accordance with the written instructions of the consumer to whom it relates [*15 U.S.C. § 1681b(a)(1), (2)*]. A consumer reporting agency may also furnish a consumer report to a person that the agency has reason to believe intends to use the information for the following purposes [*15 U.S.C. § 1681b(a)(3)*]:

- In connection with a credit transaction involving the consumer about whom the information is to be furnished and involving the extension of credit to, or review or collection of an account of, the consumer.

- In connection with an extension of credit to the consumer or for employment purposes.

- In connection with the underwriting of insurance involving the consumer.

- In connection with a determination of the consumer's eligibility for a license or other benefit granted by a governmental instrumentality required by law to consider an applicant's financial responsibility or status.

- In connection with a valuation or assessment of the credit or prepayment risks associated with an existing credit obligation by a current insurer or a potential investor or servicer.

- In connection with a business transaction initiated by the consumer, or to review an account to determine whether the consumer continues to meet the terms of the account, for which the recipient of the report otherwise has a legitimate business need for the information.

- To executive departments and agencies in connection with the issuance of government-sponsored individually-billed travel charge cards.

In addition, under specified circumstances, a consumer reporting agency may furnish a consumer report to a local child-support-enforcement agency [*see 15 U.S.C. § 1681b(a)(4)*] and a state agency that administers support programs for children [*see 15 U.S.C. § 1681b(a)(5)*]. Furthermore, a consumer reporting agency may furnish a consumer report to the FDIC or the National Credit Union Administration under circumstances in which it acts as conservator, receiver, or liquidating agent for an insured depository institution or credit union [*see 15 U.S.C.A. § 1681(b)(6)*].

Additionally, notwithstanding the strict classification of permissible information, a consumer reporting agency may furnish identifying information respecting any consumer to a governmental agency, consisting only of any of the following kinds of items: name, address, former addresses, places of employment, or former places of employment [*15 U.S.C. § 1681f*].

[e] Content of Consumer Report

Except as noted below, a consumer report may not contain any of the following information [*15 U.S.C. § 1681c(a)*]:

- Bankruptcies that, from date of adjudication of the most recent one, antedate the report by more than 10 years.

- Civil suits, civil judgments, and records of arrest that, from date of entry, antedate the report by more than seven years or until the governing statute of limitations has expired, whichever is longer.

- Paid tax liens that, from date of payment, antedate the report by more than seven years.

- Accounts placed for collection, or charged to profit and loss, that antedate the report by more than seven years.

- Any other adverse item of information, other than records of criminal convictions, that antedates the report by more than seven years (or longer for specified adverse information relating to U.S. government insured or guaranteed student loans or to national direct student loans [*see 20 U.S.C. §§ 1080a(f), 1087cc(c)(3)*]).

- The name, address, or telephone number of any medical-information furnisher that has notified the agency of its status, unless either (1) that information is restricted or reported using codes that do not identify, and do not provide information sufficient to infer, the specific provider or the nature of the medical services, products, or devices, to a person other than the consumer, or (2) the report is being provided to an insurance company for a purpose relating to engaging in the business of insurance other than property and casualty insurance.

However, the prohibition on reporting the first five items above does not apply for those reports to be used in connection with the following matters [*15 U.S.C. § 1681c(b)*]:

- A credit transaction involving, or that may reasonably be expected to involve, a principal amount of $150,000 or more.

- The underwriting of life insurance involving, or that may reasonably be expected to involve, a face amount of $150,000 or more.

- The employment of any individual at an annual salary that equals, or that may reasonably be expected to equal, $75,000 or more.

[f] Reports for Employment Purposes

Consumer reporting agencies also furnish consumer reports for employment purposes [*see 15 U.S.C. § 1681a(h)* (employment purposes defined as evaluating consumer for employment, promotion, reassignment, or retention as employee)], and for that purpose compile and report items of information on consumers that are matters of public record and are likely to have an adverse effect on a consumer's ability to obtain employment. With respect to these reports, the agency must do one or the other of the following [*15 U.S.C. § 1681k(a)*; *see 15 U.S.C. § 1681k(b)* (exception for national security investigations)]:

- At the time public record information is reported to the user, notify the consumer of that fact, together with the name and address of the person to whom it is being reported.

- Maintain strict procedures designed to insure that whenever public record information that is likely to have an adverse effect on a consumer's ability to obtain employment is reporated, it is complete and up to date.

Within the context of the employment purposes report, items of public record relating to arrests, indictments, convictions, suits, tax liens, and outstanding judgments are considered up to date if the current public record status of these items at the time of the report is reported [*15 U.S.C. § 1681k(a)(2)*].

Certain communications relating to the employer's investigation of employees are not subject to the disclosure and

consent requirements. To fall within this exclusion, a communication must be made to an employer and must be made in connection with an investigation of one of the following [*15 U.S.C. § 1681a(x)(1)(B)*]:

- Suspected misconduct relating to employment.
- Compliance with federal, state, or local laws.
- Compliance with the rules of a self-regulatory organization [*see 15 U.S.C. § 1681a(x)(3)* (definition)].
- Compliance with any pre-existing written policies of the employer.

Further, the communication must not be for the purpose of investigating a consumer's creditworthiness, credit standing, or credit capacity and must not be provided to anyone other than the employer or its agent, a governmental authority, or a self-regulatory organization with regulatory authority over the employer [*15 U.S.C. § 1681a(x)(1)(C)*]. Employees have a right to notice if the employer takes adverse action based on these communications [*15 U.S.C. § 1681a(x)(1)(D)(v)*]. Employees also have a right to a summary of the nature and substance of the communications [*15 U.S.C. § 1681a(x)(2)*].

[g] General Disclosures to Consumers

Every consumer agency, on request and on proper identification of the consumer, must clearly and accurately disclose in writing, unless otherwise specified by the consumer [*see 15 U.S.C. § 1681h(a), (b)*], the following matters:

- All information in the consumer's file at the time of the request, with the exception of credit scores, any other risk scores, or predictors relating to the consumer, and provided that if on request of the consumer, the first five digits of the consumer's social security number may be omitted [*15 U.S.C. § 1681g(a)(1)*].
- The sources of the information, with the exception of sources used to prepare an investigative consumer report [*see* [f], *above*; *§ 92.81*] and actually used for no other purpose, and with limited exceptions relating to discovery in the event that an action is brought under the Fair Credit Act [*15 U.S.C. § 1681g(a)(2)*].
- The identification of each person (including each end-user identified under *15 U.S.C. § 1681e(e)(1)* relating to consumer reports for resale) who procured a consumer report for employment purposes, during the two-year period preceding the date the request is made, or for any other purpose, during the one-year period preceding the date the request is made, with certain exceptions for government agencies and departments for security clearances [*see 15 U.S.C. § 1681g(a)(3)*].
- The dates, original payees, and amounts of any checks on which any adverse characterization of the consumer is based [*15 U.S.C. § 1681g(a)(4)*].
- A record of all inquiries received by the agency during the one-year period preceding the request in connection with a credit or insurance transaction that was not initiated by the consumer [*15 U.S.C. § 1681g(a)(5)*].
- If the consumer requests the credit file and not the credit score, a statement that the consumer may request and obtain a credit score [*15 U.S.C. § 1681g(a)(6)*].

A consumer reporting agency must also provide the consumer, along with each written disclosure required under *15 U.S.C. § 1681g* [*15 U.S.C. § 1681g(c)(2)*]:

- A written summary of the consumer's rights prepared by the FTC [*see 15 U.S.C. § 1681g(c)(1)* (specific items required to be disclosed)].
- A toll-free telephone number for any nationwide credit reporting agency.
- A list, with telephone numbers, of federal agencies responsible for enforcing the Fair Credit Reporting Act [*see 15 U.S.C. § 1681g(c)(2)(C)*].
- A statement that the consumer may have additional rights under state law and may wish to contact a state or local consumer protection agency or a state attorney general to learn those rights.
- A statement that a consumer reporting agency is not required to remove accurate derogatory information from a consumer's file unless the information is outdated [*see 15 U.S.C. § 1681c*] or cannot be verified.

Additional required disclosures include:

- A summary of rights of identity theft victims [*see 15 U.S.C. § 1681g(d)*; [4][c], *below*].
- For identity theft victims, and for any federal, state, or local government law enforcement agency, copies of an identity thief's application and business transaction records [*15 U.S.C. § 1681g(e)(1)*; *see 15 U.S.C. § 1681g(e)(2), (3), (5)* (procedures to request information; exceptions)].
- An explanation of the factors that went into deriving the credit score [*see 15 U.S.C. § 1681g(f)*; *see also 15 U.S.C. § 1681g(g)* (disclosure of credit scores by certain mortgage lenders)].

[h] Disclosure Procedures

With specified exceptions, the disclosures required to be made under *15 U.S.C. § 1681g* [*see* [g], *above*] must be made in writing [*15 U.S.C. § 1681h(a)(2)*]. However, if authorized by a consumer, a credit agency may make the required disclosures other than in writing and in a form specified by the consumer in accordance with statutory requirements, if available from the agency [*15 U.S.C. § 1681h(b)(1)*; *see 15 U.S.C. § 1681h(b)(2)* (requests may be in person, by telephone after written request, by electronic or other reasonable means, if available from the agency)].

The agency must provide trained personnel to explain to the consumer any information which is being furnished to him or her [*15 U.S.C. § 1681h(c)*]. The consumer may be accompanied by another person of his or her choosing, who needs to furnish reasonable identification; however, the agency may require the consumer to give it a written statement granting permission to discuss the consumer's file in that person's presence [*15 U.S.C. § 1681h(d)*].

[i] Disclosures Regarding Adverse Action

If any person takes any adverse action with respect to any consumer that is based in whole or in part on any information contained in a consumer report, the person must notify the consumer of the following [*see 15 U.S.C. § 1681m(a)*]:

- An adverse action against the consumer has been taken.
- The name, address, and telephone number (including the toll-free number of any nationwide credit

reporting agency) of the consumer reporting agency making the report.

- A statement that the consumer reporting agency did not make the decision to take the adverse action and is unable to provide the consumer specific reasons why the action was taken.

- Notification that the consumer may obtain a free copy of this report within 60 days after learning of the adverse action and may dispute the accuracy or completeness of the adverse information.

A similar procedure is involved when the decision of denial or increase of charges relating to credit for personal, family, or household purposes is based wholly or partly on certain information obtained from a third party other than a consumer reporting agency. The information must bear on the consumer's creditworthiness, credit standing, credit capacity, character, general reputation, personal characteristics, or mode of living. The user, within a reasonable period of time, upon the consumer's written request for the reasons for the adverse action received within 60 days after learning of the adverse action, must disclose the nature of the information to the consumer. The user of the information must clearly and accurately disclose to the consumer the consumer's right to make such a written request at the time the adverse action is communicated to the consumer [*15 U.S.C. § 1681m(b)*].

There is no liability under the above requirements for advising the consumer if the defendant shows by a preponderance of the evidence that at the time of the alleged violation the defendant maintained reasonable procedures to assure compliance with all such provisions [*15 U.S.C. § 1681m(c)*].

Any person who uses a consumer report in connection with any credit or insurance transaction that is not initiated by the consumer must provide with each written statement made to the consumer regarding the transaction specified disclosures, including a statement that information contained in the consumer's credit report was used in connection with the transaction, that the consumer received the offer of credit or insurance because of having satisfied certain criteria for creditworthiness or insurability, that credit or insurance may not be extended if the consumer does not meet these criteria, that the consumer has a right to prohibit information contained in his or her consumer credit file from being used in connection with credit or insurance transactions not initiated by the consumer, and that the consumer may exercise this right by using the notification system established under *15 U.S.C. § 1681b(e)* [*15 U.S.C. § 1681m(d)*].

[j] Disputed Information

The consumer may notify the consumer reporting agency directly, or indirectly through a reseller, of any dispute about either the completeness or accuracy of any item of information contained in the consumer's file. The agency then must reinvestigate free of charge and record the current status of that information in accordance with specified procedures [*see 15 U.S.C. § 1681i(a)*], before the end of the 30-day period beginning on the date on which the agency receives notice of the dispute by the consumer [*15 U.S.C. § 1681i(a)(1)(A)*; *see 15 U.S.C. § 1681i(a)(1)(B), (C)* (extension of period to investigate and limitations on extension)].

Within five business days, a consumer reporting agency must provide prompt notice of the dispute to the furnisher of the information [*see 15 U.S.C. § 1681i(a)(2)*] and must review and consider all relevant information submitted by the consumer [*see 15 U.S.C. § 1681i(a)(4)*]. After reinvestigation, it must promptly delete inaccurate or unverifiable information [*see 15 U.S.C. § 1681i(a)(5)*] and must provide written notice of the results of the reinvestigation, including a description of the reinvestigation procedure, to the consumer within five business days of completion of the reinvestigation [*see 15 U.S.C. § 1681i(a)(6)*].

If the reinvestigation does not resolve the dispute, the customer is entitled to file a brief statement setting forth the nature of the dispute. The agency may limit such statements to not more than 100 words if it assists the consumer in writing a clear summary of the dispute [*15 U.S.C. § 1681i(b)*].

After a statement of the dispute is filed (unless there are reasonable grounds to believe that the dispute is frivolous or irrelevant), the consumer reporting agency in any subsequent consumer report containing the information in question, must clearly note that it is disputed by the consumer, and it must provide either the consumer's statement or a clear and accurate codification or summary of the dispute [*15 U.S.C. § 1681i(c)*].

Following any deletion of information which is found to be inaccurate, or the accuracy of which can no longer be verified, or following any notation as to disputed information, at the request of the consumer, the agency must furnish either (1) a notification that the item has been deleted or (2) a statement, codification, or summary of the dispute. These must be furnished to any person specifically designated by the consumer who, within the previous two years, has received a consumer report for employment purposes or who, within six months, has received a consumer report for any other purpose, if the report contained the deleted or disputed information [*15 U.S.C. § 1681i(d)*].

A consumer may dispute the accuracy of furnished information directly with a furnisher of information that is a financial institution, if the circumstances of the dispute meet conditions required to be specified in regulations by the federal banking agencies, the National Credit Union Administration, and the Federal Trade Commission [*see 15 U.S.C. § 1681s-2(a)(8)(A)-(D)*]. In that event, the financial institution has a duty to investigate (unless the dispute is frivolous or irrelevant) and to notify consumer reporting agencies of any discovered inaccuracies in the information furnished by the financial institution to those agencies [*15 U.S.C. § 1681s-2(a)(8)(E),(F)*].

When a furnisher of inaccurate information is not a financial institution, a consumer is obliged to deal with the consumer reporting agency whose report disclosed the inaccurate information [*see 15 U.S.C. § 1681s-2(b)* (duties of furnishers of information on receiving notice of dispute)]. If the consumer directly notifies the furnisher of the information, stating that the accuracy of the information is disputed, that notification will not trigger any duty by the furnisher to investigate the dispute [*Sanai v. Saltz (2009) 170 Cal. App. 4th 746, 764-765, 88 Cal. Rptr. 3d 673* (furnisher of credit information has no responsibility to investigate credit dispute under *15 U.S.C. § 1681s-2(b)* until after it receives notice from consumer reporting agency; notification from consumer is not enough)]. When the furnisher of the information receives notice of the dispute from the consumer reporting agency, the furnisher must [*15 U.S.C. § 1681s-2(b)(1)*]:

- Investigate the consumer's claim.
- Review all relevant information provided by the consumer reporting agency [*see 15 U.S.C. § 1681i(a)(2)*].
- Report the results of the investigation to the consumer reporting agency.
- Correct the information with each nationwide agency to which the furnisher has given the information, if the furnisher finds the information is inaccurate.
- Modify, delete, or permanently block that item of information, if the furnisher find the information is inaccurate.

The agency must complete all investigations and reports before the end of the 30-day period beginning on the date the furnisher receives notice of the dispute by the consumer [*15 U.S.C. § 1681s-2(b)(2)*; *see 15 U.S.C. § 1681i(a)(1)*; *see also 15 U.S.C. § 1681s-2(c), (d)* (limitations on liability; enforcement)].

If a furnisher violates its obligations to provide accurate information [*see 15 U.S.C. § 1681s-2(a)*] or to comply with accuracy guidelines designed to protect the integrity of consumer information [*see 15 U.S.C. § 1681s-2(e)*], the state may not immediately bring an action for damages on behalf of its residents [*15 U.S.C. § 1681s(c)(5)(A)*]. Instead, the state first must obtain an injunction against the violator [*15 U.S.C. § 1681s(c)(5)(A)(i)*]; then, if the furnisher violates

the injunction, the damages are limited to those incurred after the date of the injunction [*15 U.S.C. § 1681s(c)(5)(A)(ii),(B)*].

[k] Violations of the Fair Credit Reporting Act

Willful failure of a consumer reporting agency or user of information to comply with any requirement of the Fair Credit Reporting Act ("Fair Credit Act") with respect to any consumer may lead to liability for actual and punitive damages as well as attorneys' fees [*15 U.S.C. § 1681n(a)*; *see Safeco Ins. Co. of Am. v. Burr (2007) 551 U.S. 47, 127 S. Ct. 2201, 167 L. Ed. 2d 1045, 1058-1060* (when consumer's action is based on "willful" failure to comply with Fair Credit Reporting Act, that may encompass not only knowing violations but also defendant's reckless disregard of statutory duties)]. Negligent failure to comply may lead to liability for actual damages and attorneys' fees [*15 U.S.C. § 1681o*].

An action to enforce liability created under the Fair Credit Act may be brought in any appropriate United States District Court, without regard to the amount in controversy, within two years from the date of discovery by plaintiff of the violation that is the basis for the liability, or five years after the date on which the violation occurs, whichever occurs first [*15 U.S.C. § 1681p*].

Any person who knowingly and willfully obtains information regarding a consumer from a consumer reporting agency under false pretenses may be fined or imprisoned for not more than two years, or both [*see 15 U.S.C. § 1681q*]. Any officer or employee of a consumer reporting agency who knowingly and willfully provides information concerning an individual from the agency's files to an unauthorized person is subject to those same penalties [*15 U.S.C. § 1681r*].

[l] Administrative Enforcement of Fair Credit Reporting Act

The Federal Trade Commission (FTC) has the primary responsibility for enforcing the federal Fair Credit Reporting Act [*15 U.S.C. § 1681s(a)*]. The FTC has concentrated its supervisory and investigative forces in this area within the Bureau of Consumer Protection, Division of Credit Practices, which is available for advance consultation and interpretations relating to proposed practices under the law [*16 C.F.R. §§ 1.71-1.73*].

PRACTICE TIP:

The federal Bureau of Consumer Protection's website provides information on the Fair Credit Reporting Act, including instructions about ordering a free annual credit report [*see* www.ftc.gov; *see also* [4][c], *below*].

Parallel responsibilities are given to the traditional federal regulatory bodies in the more specialized areas, such as banks, savings and loan associations, credit unions, common carriers, air carriers, and certain agricultural entities [*see 15 U.S.C. § 1681s(b)*]. States are also authorized to bring actions to enjoin violations under this law and to recover damages [*see 15 U.S.C. § 1681s(c)*].

[4] Fair Credit Transactions Act

[a] General Purposes and Effective Dates

The Fair and Accurate Credit Transactions Act of 2003 (FACTA) added provisions to the Fair Credit Reporting Act (FCRA) [*15 U.S.C. § 1681 et seq.*; *see generally § 92.80[3], above*] to ensure the accuracy of information in credit transactions and to help fight identity theft [*see* Pub. Law No. 108-159, § 514(a)(2)(J)]. FACTA also included provisions related to privacy, limits on information sharing, and consumer rights to disclosure.

Generally, the FACTA provisions without a specific effective date became effective on December 1, 2004; however, in some cases, FACTA provided that the FTC or the Federal Reserve Board will determine the effective date [*see* 16 C.F.R. pt. 602; *69 Fed. Reg. 6526, 29061]* , but regulations are not required to be issued by any particular date [*see,*

e.g., 15 U.S.C. § 1681c(h)(2) (procedures to deal with address discrepancies in consumer reports); *15 U.S.C. § 1681g(c)(1)* (summary of rights to obtain and dispute credit information in consumer reports and to obtain credit scores); *15 U.S.C. § 1681m(e)* ("red flag" guidelines regarding identity theft)].

[b] Preemption

The Fair Credit Reporting Act provides that no requirement or prohibition may be imposed under the laws of any state with respect to any subject matter regulated under the following [*15 U.S.C. § 1681t(b)(1)(A)-(F)*]: *15 U.S.C § 1681b (c),(e)* (relating to the prescreening of consumer reports); *15 U.S.C. § 1681i* (relating to the time by which a consumer reporting agency must take any action in any procedure related to the disputed accuracy of information in a consumer's file); *15 U.S.C § 1681m(a), (b)* (relating to the duties of a person who takes any adverse action with respect to a consumer); *15 U.S.C. § 1681m(d)*(relating to the duties of persons who use a consumer report of a consumer in connection with any credit or insurance transaction that is not initiated by the consumer and that consists of a firm offer of credit or insurance); *15 U.S.C. § 1681c* (relating to information contained in consumer reports); *15 U.S.C. § 1681s-2* (relating to the responsibilities of persons who furnish information to consumer reporting agencies, except that this paragraph does not apply with respect to *Civ. Code § 1785.25(a)* (as in effect on September 30, 1996).

FACTA added the following to the FCRA list of preempted subjects [*15 U.S.C. § 1681t(b)(1)(G)-(I)*; *see 15 U.S.C. § 1681g(e)* (requiring business entities that have done business with identity thief to provide transaction information to victim); *15 U.S.C. § 1681m(h)* (requiring creditors to issue new risk-based pricing notices); *15 U.S.C. § 1681s-3* (right to opt out of certain affiliate marketing solicitations); *see also § 92.80[1], above* (governing law)]. In addition, FACTA preempts state laws imposing any requirement or prohibition regarding specified disclosures about credit scores [*15 U.S.C. § 1681t(b)(3)*; *see 15 U.S.C. § 1681g(c)* (summary of consumer's rights to dispute information and obtain credit scores to be provided to consumers); *15 U.S.C. § 1681g(d)* (summary of identity theft victim's rights to consumers who believe they are or might be victims); *15 U.S.C. § 1681g(e), (g)* (right to credit scores from credit agencies and mortgage lenders)]. However, certain California laws are not preempted: *Civ. Code §§ 1785.15-1785.15.2* (general disclosures and credit score disclosures) [*see § 92.80[2][r], [t], above*]; *Civ. Code § 1785.10* (consumer's inspection of credit agency files) [*see § 92.80[2][p], above*]; *Civ. Code § 1785.16* (disputed information) [*see § 92.80[2][h], above*]; *Civ. Code § 1785.20.2* (required information and notice for consumer loan secured by one to four units of residential property)[*15 U.S.C. § 1681t(b)(3)(A)*].

In the context of identity theft, FACTA preempts state law "requirements or prohibitions" with respect to specified conduct [*see 15 U.S.C. § 1681t(b)(5)*; *see also 15 U.S.C. § 1681c(g)* (truncating credit card and debit card numbers); *15 U.S.C. § 1681c-1* (placing fraud and active duty alerts on credit reports); *15 U.S.C. § 1681c-2* (blocking identity theft-related information); *15 U.S.C. § 1681g(a)(1)(A)* (omitting first five digits of consumer's social security number); *15 U.S.C. § 1681j(a)* (providing free annual credit report); *15 U.S.C. § 1681m(e)* (establishing "red flag" guidelines and regulations by creditors); *15 U.S.C. § 1681m(f)* (sale or transfer of debt caused by identity theft); *15 U.S.C. § 1681m(g)* (notifying consumers of fraudulent debts); *15 U.S.C. § 1681s(f)* (coordinating consumer complaint investigations); *15 U.S.C. § 1681s-2(a)(6)* (furnisher's duties on notice of identity theft-related information); *15 U.S.C. § 1681w* (disposing of consumer records)]. However, language added to the general preemption section of the act [*15 U.S.C. § 1681t*] appears to preserve the rights of states to enact laws protecting consumers from identity theft, provided they are not inconsistent with other provisions of the FCRA [*see 15 U.S.C. § 1681t(a)*; *but see 15 U.S.C. § 1681t(b)(2)* (state law is preempted by provisions of federal act concerning exchange of information among persons affiliated by common ownership or common corporate control); American Bankers Ass'n v. Lockyer (9th Cir. 2008) 541 F.3d 1214, 1216, 1218 (*Fin. Code § 4053(b)(1)* is preempted insofar as it applies to consumer-report information as defined in *15 U.S.C. § 1681a(d)(1)* but is not preempted insofar as it applies to nonconsumer-report information); American Bankers Ass'n v. Gould (9th Cir. 2005) 412 F.3d 1081, 1087 (federal act preempts California Financial Information Privacy Act, *Fin. Code § 4050 et seq.*, insofar as California law attempts to regulate inter-affiliate communication of "information," as that term is defined in *15 U.S.C. § 1681a(d)(1)*)].

[c] Significant Provisions

FACTA adds a number of significant provisions to the FCRA.

- Numerous steps are mandated to prevent identity theft or provide help for identity-theft victims, including:

  - *Free credit reports:* A consumer is entitled to one free credit report during any 12-month period from the three major nationwide credit reporting agencies and all nationwide speciality consumer reporting agencies [*see 15 U.S.C. § 1681j(a)(1)*]. Reports from specialty agencies may contain data regarding the consumer's employment history, residential rental history, check writing history, insurance claims, or medical records or payments [*see 15 U.S.C. § 1681a(w)*].

  - *Fraud alerts:* Consumers who believe they have been the victim of fraud or a related crime, including identity theft, may add a fraud alert to their files with a nationwide consumer reporting agency [*see 15 U.S.C. § 1681c-1(a), (b)*]. The agency must provide the alert to other agencies, and all agencies must include the alert in the consumer's file and provide the alert each time they generate the consumer's credit score. Initial fraud alerts are effective for 90 days and may be extended, by consumer request, for seven years [*see 15 U.S.C. § 1681c-1(a)(1), (b)(1)*]. These alerts entitle the consumer to a free credit report [*15 U.S.C. § 1681c-1(a)(2), (b)(2)*]. (California law requires that credit agencies must accept "security alerts" from consumers [*see Civ. Code § 1785.11*.1; [2][*l*], *above*].)

  - *Active duty alerts:* Consumers on active duty may add an alert of their status to their files. The alert must be kept in the file for at least 12 months. The active duty alert does not entitle the consumer to a free credit report [*see 15 U.S.C. § 1681c-1(c)*].

  - *"Red flags":* The FTC and the National Credit Union Administration are charged with issuing regulations for implementing "red flag" guidelines regarding identity theft [*see 15 U.S.C. § 1681m(e)*]. In addition, they are charged with imposing special verification procedures when a card issuer receives a change of address followed shortly by a request for a replacement card [*see 15 U.S.C. § 1681m(e)(1)(C)*].

  - *Truncating numbers on credit cards and debit cards:* Businesses must not print more than the last five digits, or the expiration date, of a consumer's credit card or debit card number on electronically printed receipts [*15 U.S.C. § 1681c(g)(1)*; *see 15 U.S.C. § 1681c(g)(2), (3)* (limitations; effective dates one year and three years after enactment)].

  - *Truncating social security number:* A consumer who requests a copy of his or her file may also request that the first five digits of the consumer's social security number be omitted on that report [*see 15 U.S.C. § 1681g(a)(1)(A)*].

  - *Business transaction information available to victim:* Businesses that have dealt with identity thieves must provide information about the transactions to the victim and to law enforcement [*15 U.S.C. § 1681g(e)(1)*; *see 15 U.S.C. § 1681g(e)(2), (3), (5)* (procedures to request information; exceptions)].

  - *Selling or transferring debt resulting from identity theft:* Once a creditor is notified that a debt is the result of identity theft, the creditor may not sell or transfer the debt [*15*

U.S.C. § 1681m(f)].

- *Blocking identity theft information:* Credit agencies must block identity theft information within four days of receiving proof of identity, a copy of the identity-theft report, the consumer's identification of the fraudulent information, and the consumer's statement that the information does not relate to any transaction by the consumer [*15 U.S.C. § 1681c-2(a)*].

- *Notice of consumer rights:* The FTC must prepare a summary of the rights of identity theft and fraud victims (including the rights to file a fraud alert, to block information in a report that resulted from fraud, and to obtain copies of documents used to commit fraud), and a credit agency reporting must provide the summary to any victim who contacts the agency about a theft or fraud [*see 15 U.S.C. § 1681g(d)*].

- *Disposal of consumer records:* Consumer reporting agencies and any business that uses a consumer report must adopt procedures for proper disposal [*see 15 U.S.C. § 1681w(a)(1)*].

- Credit agencies and mortgage lenders must disclose the consumer's credit score, the range of possible scores, the key factors that adversely affected the score, the date the score was created, and the source of the credit score [*15 U.S.C. § 1681g(f)*].

- A consumer may dispute the accuracy of furnished information directly with a furnisher of information that is a financial institution, if the circumstances of the dispute meet conditions required to be specified in regulations [*see 15 U.S.C. § 1681s-2(a)(8)*]. When a furnisher of inaccurate information is not a financial institution, a consumer is obliged to deal with the consumer reporting agency whose report disclosed the inaccurate information [*see 15 U.S.C. § 1681s* 2(b); *Sanai v. Saltz (2009) 170 Cal. App. 4th 746, 764-765, 88 Cal. Rptr. 3d 673]* .

- A financial institution must notify a consumer on furnishing negative information about the consumer [*see 15 U.S.C. § 1681s-2(a)(7)*; *see also 15 U.S.C. § 1681s-2(a)(7)(F)* (protection from liability)]. However, once the consumer had been notified, the financial institution may report additional negative information without notifying the consumer [*15 U.S.C. § 1681s-2(a)(7)(A)(ii)*].

- When a creditor extends credit on terms "materially less favorable than the most favorable terms available to a substantial portion of consumers," the creditor must provide the consumer with a notice explaining that the terms are based on information in a credit report and that the consumer can request a free credit report [*15 U.S.C. § 1681m(h)(1)*].

- The consumer may opt out of an affiliate's use of information relating to consumer transactions to market the affiliate's products or services. Affiliates must also notify the consumer of the possibility that the affiliate will use the consumer's information for marketing and of the consumer's right to opt out of that use [*15 U.S.C. § 1681s-3(a)(1), (2)*; *see 15 U.S.C. § 1681s-3(a)(4)* (exceptions)]. California residents may use opt out provisions in the Financial Information Privacy Act [*Fin. Code § 4050 et seq.*], which affords better protection than the federal law [*see Fin. Code § 4053(a)*; *see also Ch. 46, Credit Cards and Other Open-End Credit Transactions, § 46.98[2]*]. However, state laws are preempted by provisions of the federal act concerning the exchange of information among persons affiliated by common ownership or common corporate control [*15 U.S.C. § 1681t(b)(2)*], and the federal act preempts the Financial Information Privacy Act insofar as the California law attempts to regulate the communication between affiliates of consumer-report information as that term is defined in *15 U.S.C. § 1681a(d)(1)* [

American Bankers Ass'n v. Lockyer (9th Cir. 2008) 541 F.3d 1214, 1216, 1218 (*Fin. Code § 4053(b)(1)* is preempted insofar as it applies to consumer-report information as defined in *15 U.S.C. § 1681a(d)(1)* but is not preempted insofar as it applies to nonconsumer-report information); American Bankers Ass'n v. Gould (9th Cir. 2005) 412 F.3d 1081, 1087] .

- A credit reporting agency is prohibited from furnishing a report for employment purposes, or in connection with a credit or insurance transaction, that contains medical information, without the consumer's specific written consent that describes in "clear and conspicuous language" the use for which the information will be furnished [*15 U.S.C. § 1681b(g)(1)(B)(ii)*]. An agency may furnish medical information that pertains solely to financial transactions, provided the information does not disclose the specific medical provider or the nature of the medical services [*15 U.S.C. § 1681b(g)(1)(C)*].

The disclosure and consent requirements of the FCRA do not apply when an employee is suspected of misconduct and the employer hires an outside investigator [*see 15 U.S.C. § 1681a(d)(2)(D), (x)*; *see also § 92.81[3][d]*]. However, the investigation must not be for the purpose of investigating a consumer's creditworthiness, credit standing, or credit capacity, and must not be provided to anyone other than the employer or its agent, a governmental authority, or a self-regulatory organization with regulatory authority over the employer [*15 U.S.C. § 1681a(x)(1)(C), (D)*]. Employees have a right to notice if the employer takes adverse action based on the investigation [*see 15 U.S.C. § 1681a(x)(1)(D)(v)*]. Employees also have a right to a summary of the nature and substance of the investigator's communications to the employer [*see 15 U.S.C. § 1681a(x)(2)*].

§ 92.81 Investigative Consumer Reports

[1] Governing Law

Investigative consumer reports are governed by the Investigative Consumer Reporting Agencies Act [*Civ. Code § 1786 et seq.*; *see § 92.81[2], below*] and the federal Fair Credit Reporting Act [*15 U.S.C. § 1681 et seq.*]. The provisions of the Fair Credit Reporting Act relating to consumer reporting agencies generally are discussed in *§ 92.80[3]*. There are a few requirements of that Act that are specific to investigative consumer reports, as discussed in *§ 92.81[3], below*.

[2] Investigative Consumer Reporting Agencies Act

[a] Purpose of Legislation

The Investigative Consumer Reporting Agencies Act ("Investigative Act") [*Civ. Code § 1786 et seq.*] establishes guidelines for organizations that collect, assemble, evaluate, compile, report, transmit, transfer, or communicate information on consumers for purposes of employment, insurance, the hiring of dwelling units, subpoenas and court orders, licensure, and other lawful purposes [*see Civ. Code § 1786(a)*].

The purpose of the Investigative Act is to require that investigative consumer reporting agencies adopt reasonable procedures for assuring that their compilation and use of employment and insurance information, and information relating to the hiring of dwelling units, is fair and equitable to the consumer with respect to confidentiality, accuracy, relevancy, and proper utilization [*see Civ. Code § 1786(f)*].

Further, the California legislature has declared that because identity theft has become the fastest growing white collar crime in the United States, and notice of identity theft is critical before the victim can take steps to stop and prosecute the crime, consumers are best protected if they are automatically given copies of investigative reports made on them [*Civ. Code § 1786(c)-(e)*; *see Civ. Code § 1798.92(b)* ("identity theft" defined)].

[b] Investigative Consumer Reporting Agency Defined

For purposes of the Investigative Act, an "investigative consumer reporting agency" is any person [*see Civ. Code § 1786.2(a)* ("person" defined)] who, for compensation, engages in whole or in part in the practice of collecting, assembling, evaluating, compiling, reporting, transmitting, transferring, or communicating information concerning consumers for the purpose of furnishing investigative consumer reports to third parties [*Civ. Code § 1786.2(d)*].

The term does not include governmental agencies whose records are maintained primarily for traffic safety, law enforcement, or licensing purposes, licensed private investigators and their employees, licensed insurance agents, insurance brokers, solicitors, insurers, or life insurance agents [*Civ. Code § 1786.2(d)*].

[c] Investigative Consumer Report Defined

An "investigative consumer report" means a consumer report in which information on a consumer's character, general reputation, personal characteristics, or mode of living is obtained through any means [*Civ. Code § 1786.2(c)*]. However, it does not include a consumer credit report that is limited to specific factual information relating to a consumer's credit record or manner of obtaining credit [*see Civ. Code § 1786.2(c)*]. *Civ. Code § 1786.2(c)* has been held unconstitutionally vague as applied to tenant screening reports containing unlawful detainer information [*Trujillo v. First American Registry, Inc. (2007) 157 Cal. App. 4th 628, 640, 68 Cal. Rptr. 3d 732* (stating that persons of reasonable intelligence cannot determine whether unlawful detainer information is character information subject to the Investigative Consumer Reporting Agencies Act, or creditworthiness information subject to the Consumer Credit Reporting Agencies Act)].

[d] Permissible Purposes

An investigative consumer reporting agency ("agency") may furnish an investigative consumer report under the following circumstances [*Civ. Code § 1786.12*]:

- In response to a court order or a lawful subpoena.
- In accordance with the consumer's written instructions.
- To a person whom the agency has reason to believe intends to use the information for one or more of the following purposes (except that a report may not be furnished if it contains medical information about the consumer, unless the consumer consents to the furnishing of the report [*see Civ. Code § 1786.12(f)*]):
    - Employment purposes.
    - As a factor in determining a consumer's eligibility for insurance or the rate for any insurance.
    - A determination of the consumer's eligibility for a license or other governmental benefit in which the applicant's financial responsibility or status is considered.
    - A court support order.
    - The hiring of a dwelling unit.

An agency may also furnish to a governmental agency a consumer's name, address, former address, places of employment, or former places of employment [*Civ. Code § 1786.14*].

[e] Conditions Under Which Report May Be Furnished

An investigative consumer report may not be procured or caused to be prepared unless certain conditions are met [*see Civ. Code § 1786.16*]. If the report is sought in connection with the underwriting of insurance, it must be clearly and accurately disclosed in writing at the time the application form, medical form, binder, or similar document is signed by the consumer that a report regarding the consumer's character, general reputation, personal characteristics, and mode of living may be made [*Civ. Code § 1786.16(a)(1)*].

If no signed application form, medical form, binder, or similar document is involved in the underwriting transaction, the disclosure must be made to the consumer in a writing mailed or otherwise delivered to the consumer no later than three days after the report was first requested. The disclosure must include the name and address of any consumer reporting agency conducting an investigation, the nature and scope of the investigation, and a summary of the provisions of *Civ. Code § 1786.22*, governing supplying files and information and explaining coded information [*Civ. Code § 1786.16(a)(1)*].

If the report is sought for employment purposes other than suspicion of wrongdoing or misconduct by the subject of the investigation, the person seeking the report may procure the report or cause it to be made subject to the following conditions [*Civ. Code § 1786.16(a)(2)*]:

- The person procuring or causing the report to be made has a permissible purpose [*see Civ. Code § 1786.12* (permissible purposes); *see also* [d], *above*].

- The person procuring or causing the report to be made provides a clear and conspicuous disclosure in writing to the consumer at any time before the report is procured or caused to be made in a document that consists solely of the disclosure, that does all of the following:

    - States that an investigative consumer report may be obtained.

    - Identifies the permissible purpose of the report. (The disclosure may include information on the consumer's character, general reputation, personal characteristics, and mode of living).

    - Identifies the name, address, and telephone number of the agency conducting the investigation.

    - Notifies the consumer in writing of the nature and scope of the investigation requested, including a summary of the provisions of *Civ. Code § 1786.22* [*see* [h], *below*].

- The consumer has authorized in writing the procurement of the report.

If the report is sought in connection with the hiring of a dwelling unit, the person who procures or requests the report must, no later than three days after requesting it, provide the consumer with written notice, including the name of the consumer reporting agency, that an investigative consumer report will be made regarding the consumer's character, general reputation, personal characteristics, and mode of living [*see Civ. Code § 1786.16(a)(3)*].

[f] Procedures for Procuring Report

Prospective users of an investigative consumer report must identify themselves, certify to the agency the purposes for which the information is sought and that the information will be used for no other purposes. The agency must make a reasonable effort to verify the identity of a new prospective user and the uses certified by the prospective user prior to

furnishing the user any investigative consumer reports. Furthermore, an agency may not furnish a report to a person unless it has a written agreement that the reports will be used by that person only for approved purposes [*Civ. Code § 1786.20(a)*; *see Civ. Code § 1786.12* (approved purposes)].

In addition, the person procuring or causing the report to be made must certify that the person has made the applicable disclosures to the consumer required by *Civ. Code § 1786.16(a)* [*see* [e], *above*] and that the person will comply with written disclosure requirements specified by *Civ. Code § 1786.16(b)* [*Civ. Code § 1786.16(a)(4)*], as discussed in this section.

The person procuring the report or causing it to be prepared must provide a copy of the report to the consumer, if requested, within three business days of the date the report is provided to the recipient [*Civ. Code § 1786.16(a)(5)*; *see Civ. Code § 1786.16(b)(1)*]. The notice to request the report may be contained on either the disclosure form, as required by *Civ. Code § 1786.16(a)(2)*, or a separate consent form. The copy of the report must contain the name, address, and telephone number of the person who issued the report and information on how to contact that person [*Civ. Code § 1786.16(b)(1)*].

If the taking of adverse action is a consideration, the user must comply with *Civ. Code § 1786.40* (specifying mandatory disclosures to consumers against whom adverse action, such as denial of or increased cost of insurance, or denial of employment or housing, has been taken based on an investigative consumer report) [*Civ. Code § 1786.16(b)(2)*]. These rules do not apply to a report procured or caused to be prepared by an employer if the report is sought for employment purposes and the employer suspects wrongdoing or misconduct by the subject of the investigation [*Civ. Code § 1786.16(c)*].

[g] Content of Investigative Consumer Report

An agency must follow reasonable procedures to assure maximum possible accuracy of the information on a consumer in an investigative consumer report [*Civ. Code § 1786.20(b)*]. The first page of the report must include the following [*Civ. Code § 1786.29*]:

- A notice in at least 12-point boldface type stating that the report does not guarantee the accuracy or truthfulness of the information as to the subject of the investigation, but only that it is accurately copied from public records, and information generated as a result of identity theft, including evidence of criminal activity, may be inaccurately associated with the consumer who is the subject of the report.

- The agency will provide a consumer seeking to obtain a copy of a report or making a request to review a file, a written notice in simple, plain English and Spanish setting forth the terms and conditions of his or her right to receive all disclosures, as provided in *Civ. Code § 1786.26*.

Except as noted below, an investigative consumer report may not contain any of the following items [*Civ. Code § 1786.18(a)*]:

- Bankruptcies that, from the date of the order for relief, antedate the report by more than 10 years.

- Lawsuits that, from the date of filing and satisfied judgments that, from the date of entry, antedate the report by more than seven years.

- Unsatisfied judgments that, from the date of entry, antedate the report by more than seven years.

- Unlawful detainer actions in which the defendant was the prevailing party or the action was resolved by settlement agreement.

- Paid tax liens that, from the date of payment, antedate the report by more than seven years.

- Accounts placed for collection, or charged to profit and loss, that antedate the report by more than seven years.

- Records of arrest, indictment, information, misdemeanor complaint, or conviction of a crime that, from the date of disposition, release, or parole, antedate the report by more than seven years. These items of information must not be reported if at any time it is learned that, in the case of a conviction, a full pardon has been granted or, in the case of an arrest, indictment, information, or misdemeanor complaint, a conviction did not result, except that records of arrest, indictment, information, or misdemeanor complaints may be reported pending pronouncement of judgment on the particular subject matter of those records.

- Any other adverse information that antedates the report by more than seven years.

However, the preceding items need not be excluded from reports in the following circumstances [*Civ. Code § 1786.18(b)*]:

- If the report is to be used in the underwriting of life insurance involving, or that may reasonably be expected to involve, an amount of $250,000 or more.

- If the report is to be used by an employer who is explicitly required by a governmental regulatory agency to check for records that are otherwise excluded, as set forth above, in reviewing a consumer's qualification for employment.

An agency must not furnish a report that includes information that is a matter of public record and that relates to an arrest, indictment, conviction, civil judicial action, tax lien, or outstanding judgment, unless the agency has verified the accuracy of the information during the 30-day period ending on the date on which the report is furnished [*Civ. Code § 1786.18(c)*].

In the case of reports for employment purposes, an agency must maintain strict procedures designed to insure that whenever it reports public record information that is likely to have an adverse effect on a consumer's ability to obtain employment, the reported information is complete and up to date [*Civ. Code § 1786.28(b)*].

Furthermore, an agency must not furnish a report on a consumer that contains adverse information and that is obtained through a personal interview with a neighbor, friend, or associate of the consumer, or with an acquaintance who has knowledge of the information, unless either (1) the agency has followed reasonable procedures to obtain confirmation of the information from an additional independent source who has direct knowledge of the information, or (2) the person interviewed is the best possible source of the information [*Civ. Code § 1786.18(d)*].

No adverse information in the report (other than information that is a matter of public record) may be included in a subsequent report unless that adverse information has been verified in the process of making the subsequent report, or unless the adverse information was received within the three-month period preceding the date the subsequent report is furnished [*Civ. Code § 1786.30*].

[h] Consumer's Inspection of Files

The agency must make its files available for visual inspection by a consumer by the following means [*Civ. Code §§ 1786.22(b), 1786.10*; *see Civ. Code § 1786.26* (fees permitted to be charged to consumer)]:

- In person, if the consumer appears in person and furnishes proper identification.

- By certified mail, if the consumer makes a written request with proper identification for copies to be sent to a specified addressee.

- By telephone in summary form if the consumer has made a written request with proper identification for telephone disclosure.

All items of information must be available for inspection, except that the sources of information, other than public records and data bases, acquired solely for use in preparing an investigative consumer report and actually used for no other purpose need not be disclosed. However, those sources must be available to the consumer under appropriate discovery procedures in the court in which any action is brought [*Civ. Code § 1786.10(b)*].

The agency must also identify the recipients of any investigative consumer report within the three-year period preceding the request [*Civ. Code § 1786.10(c), (d)*] and the dates, original payees, and amounts of any checks or charges on which any adverse characterization of the consumer is based [*Civ. Code § 1786.10(e)*].

The agency must provide trained personnel to explain to the consumer any information furnished to him or her [*Civ. Code § 1786.22(d)*], as well as a written explanation of any coded information contained in files maintained on a consumer [*Civ. Code § 1786.22(e)*].

The consumer may be accompanied by one other person, who must furnish reasonable identification. An agency may require the consumer to furnish a written statement granting permission to the agency to discuss the consumer's file in that person's presence [*Civ. Code § 1786.22(f)*].

[i] Disputed Information

If a consumer disputes the completeness or accuracy of any information in his or her file, and the dispute is conveyed directly to the agency, the agency must, without charge, reinvestigate and record the current status of the disputed information or delete the item from the file within 30 days of receipt of notice of the dispute from the consumer [*Civ. Code § 1786.24(a)*].

The agency must notify any person who provided information in dispute at the address and in the manner specified by that person. The notice must include all relevant information regarding the dispute that the agency has received from the consumer. The agency must also promptly provide the person who provided the disputed information all relevant information regarding the dispute that is received by the agency from the consumer during the reinvestigation [*Civ. Code § 1786.24(b)*].

In conducting a reinvestigation, the agency must review and consider all relevant information submitted by the consumer with respect to the disputed item of information [*Civ. Code § 1786.24(c)*]. If the agency reasonably determines that the dispute is frivolous or irrelevant, including by reason of a failure by a consumer to provide sufficient information to investigate the disputed information, the agency may terminate a reinvestigation of disputed information [*Civ. Code § 1786.24(d)*].

The presence of information in the consumer's file that contradicts the contention of the consumer does not, in and of itself, constitute reasonable grounds for believing the dispute is frivolous or irrelevant [*Civ. Code § 1786.24(h)*].

Upon making a determination that a dispute is frivolous or irrelevant, the agency must notify the consumer, by mail or, if authorized by the consumer for that purpose, by any other means available to the agency. In this notification, the

agency must state the specific reasons why it has determined that the consumer's dispute is frivolous or irrelevant and provide a description of any information required to investigate the disputed information [*Civ. Code § 1786.24(d)*].

If a reinvestigation is made and, after reinvestigation, the disputed information is found to be inaccurate, incomplete, or cannot be verified by the evidence submitted, the agency must promptly delete that information from the consumer's file or modify the information, as appropriate, based on the results of the reinvestigation, and must notify the consumer that the information has been deleted or modified [*Civ. Code § 1786.24(e)*].

In that instance, the agency must also notify any and all sources from which the disputed information was obtained and inform them in writing of the reasons and results of the reinvestigation, and send a copy of this notification to the consumer. The copy of the notification sent to the consumer need not reveal the identity of the source of information, unless otherwise required by law [*Civ. Code § 1786.24(e)*; *see Civ. Code § 1786.10(b)*].

No information may be reinserted into the consumer's file after having been deleted, unless the person who furnished the information verifies that the information is complete and accurate. If any information deleted from a consumer's file is reinserted, the consumer reporting agency must promptly notify the consumer of the reinsertion in writing or, if authorized by the consumer for that purpose, by any other means available to the agency [*Civ. Code § 1786.24(f)*].

The agency must also provide to the consumer the following in writing [*Civ. Code § 1786.24(f)*]:

- A statement that the disputed information has been reinserted.
- The name, address, and telephone number of any furnisher of information that was reinserted.
- A notice that the consumer has the right to a reinvestigation of the information reinserted by the agency and the right to add a statement to his or her file disputing the accuracy or completeness of the information.

An agency must provide notice to the consumer of the results of any reinvestigation by mail or, if authorized by the consumer for that purpose, by other means available to the agency. The notice must include the following [*Civ. Code § 1786.24(g)*; *see Civ. Code § 1786.24(m)* (agency exempt from this requirement under certain circumstances if dispute resolved within three business days)]:

- A statement that the reinvestigation is completed.
- A copy of the investigative consumer report based on the consumer's file as revised as a result of the reinvestigation.
- A description or indication of any changes made in the report as a result of those revisions to the consumer's file.
- A notice that if requested by the consumer, a description of the procedure used to determine the accuracy and completeness of the information will be provided to the consumer, including the name, business address, and telephone number of any furnisher of information contacted in connection with that information.
- A notice that the consumer has the right to add a statement to the consumer's file disputing the accuracy or completeness of the information.
- A notice that the consumer has the right to request that the agency furnish notifications to certain

persons who received reports in the past [*see Civ. Code § 1786.24(k)*].

If the agency determines that the dispute is frivolous or irrelevant, or if the reinvestigation does not resolve the dispute, or if the information is reinserted into the consumer's file, the consumer may file a brief statement setting forth the nature of the dispute [*Civ. Code § 1786.24(i)*; *see Civ. Code § 1786.24(m)* (agency exempt from this requirement under certain circumstances if dispute is resolved within three business days)]. The agency may limit these statements to not more than 500 words if it provides the consumer with assistance in writing a clear summary of the dispute [*Civ. Code § 1786.24(i)*].

Furthermore, if a statement of dispute is filed, the agency, in any subsequent investigative consumer report containing the information in question, must clearly note that the information is disputed by the consumer and include in the report either the statement of the consumer or a clear and accurate summary of the dispute [*Civ. Code § 1786.24(j)*; *see Civ. Code § 1786.24(m)* (agency exempt from this requirement under certain circumstances if dispute is resolved within three business days)].

In addition, following the deletion of information from the consumer's file, or following the filing of a dispute by the consumer, the agency must, at the consumer's request, furnish notification that the item of information has been deleted or that the item of information is disputed [*Civ. Code § 1786.24(k)*].

In the case of disputed information, the notification must include the statement or summary of the dispute as described above. This notification must be furnished to any person who, within two years prior to the deletion or the filing of the dispute, has received a report concerning the consumer for employment purposes, or who, within one year of the deletion or the filing of the dispute, has received a report concerning the consumer for any other purpose, if these reports contained the deleted or disputed information, unless the consumer specifically requests in writing that this notification not be given to all persons or to any specified persons. The agency must clearly and conspicuously disclose to the consumer his or her rights to make a request that this notification not be made [*Civ. Code § 1786.24(k)*].

An agency must maintain reasonable procedures designed to prevent the reappearance in a consumer's file and reports information that has been deleted and not reinserted [*Civ. Code § 1786.24*(*l*)].

[j] Record Keeping

An agency must retain an investigative consumer report for two years after the report is provided [*Civ. Code § 1786.20(b)*]. It must also make available to the consumer a copy of any report for at least two years after the report is furnished to the person who requested it [*Civ. Code § 1786.11*; *see Civ. Code § 1786.26* (fees permitted to be charged to consumer)].

[k] Violations of Investigative Consumer Reporting Agencies Act

Any agency or user of information who fails to comply with any requirement under the Investigative Consumer Reporting Agencies Act with respect to an investigative consumer report is liable to the consumer who is the subject of the report in an amount equal to the sum of all the following [*Civ. Code § 1786.50*]:

- Any actual damages sustained by the consumer as a result of the failure or, except in the case of class actions, $10,000, whichever sum is greater.

- In the case of any successful action to enforce any liability, the costs of the action together with reasonable attorneys' fees as determined by the court.

- If the court determines that the violation was grossly negligent or willful, the consumer may recover

punitive damages.

However, an agency or user of information will not be liable to the consumer for failure to comply with the Investigative Consumer Reporting Agencies Act if the failure to comply results in a more favorable report than if there had not been a failure to comply [*Civ. Code § 1786.50(c)*].

[3] Federal Fair Credit Reporting Act

[a] Investigative Consumer Report Defined

Under the federal Fair Credit Reporting Act ("Fair Credit Act") [*15 U.S.C. § 1681 et seq.*], an "investigative consumer report" is a consumer report [*see 15 U.S.C. § 1681a(d)(1)* ("consumer report" defined)], or portion of such a report, in which information on a consumer's character, general reputation, personal characteristics, or mode of living is obtained through personal interviews with neighbors, friends, or associates of the consumer reported on, or with others with whom the consumer is acquainted, or who may have knowledge concerning any such items of information [*15 U.S.C. § 1681a(e)*].

However, this kind of information does not include specific factual information on a consumer's credit record that is obtained directly from a creditor or a consumer reporting agency, if that information was obtained directly from a creditor or the consumer [*15 U.S.C. § 1681a(e)*].

[b] Disclosures to Consumer

An investigative consumer report cannot be procured or caused to be prepared on any consumer unless the person procuring or causing the report to be prepared satisfies the following requirements [*15 U.S.C. § 1681d(a)*]:

- It must be clearly and accurately disclosed to the consumer that an investigative consumer report, including information as to the consumer's character, general reputation, personal characteristics, and mode of living, whichever are applicable, may be made.

- The disclosure may be made in a writing mailed or otherwise delivered to the consumer not later than three days after the date on which the report was first requested.

- The disclosure must include a statement informing the consumer of his or her right to request a full additional disclosure and the written summary of rights of the consumer prepared in accordance with *15 U.S.C. § 1681g(c)*.

Anyone who does arrange for such a report must, on written request made by the consumer within a reasonable period of time after the consumer's receipt of the disclosure, make a complete and accurate disclosure of the nature and scope of the investigation requested. This subsequent disclosure must be made in a writing and mailed or otherwise delivered to the consumer not later than five days after the date the request was received, or on which the report was first requested, whichever is the later [*15 U.S.C. § 1681d(b)*].

The person arranging for the report must also certify to the consumer reporting agency that it has made the disclosure required under *15 U.S.C. § 1681d(a)* and that it will make the additional disclosure to the consumer required under *15 U.S.C. § 1681d(b)* [*15 U.S.C. § 1681d(a)(2)*].

No one is to be held liable for any violation of the above requirements if that person can show, by a preponderance of the evidence, that at the time of the violation he or she maintained reasonable procedures to assure compliance with this law [*15 U.S.C. § 1681d(c)*].

[c] Adverse Information

Whenever the consumer reporting agency prepares an investigative consumer report, no adverse information in the consumer report (other than information which is a matter of public record) may be included in a subsequent consumer report unless it has been verified in the process of making such a subsequent report, or the adverse information was received within the three-month period preceding the date the subsequent report is furnished [*15 U.S.C. § 1681 l*].

[d] Employee Misconduct Investigation

The Fair Credit and Transactions Act of 2003 (FACTA) excludes certain communications related to an employer's investigation of an employee from the FCRA disclosure and consent requirements. (This exclusion overrides an FTC opinion letter, called the Vail letter, stating that the FCRA disclosure and consent requirements applied even when an employee was suspected of misconduct and the employer hired an outside investigator.) To fall within this exclusion, the communications must be made to an employer and must be made in connection with an investigation of one of the following [*15 U.S.C. § 1681a(x)(1)(B)*]:

- Suspected misconduct relating to employment.
- Compliance with federal, state, or local laws.
- Compliance with the rules of a self-regulatory organization [*see 15 U.S.C. § 1681a(x)(3)* (definition)].
- Compliance with any pre-existing written policies of the employer.

Further, the communication must not be for the purpose of investigating a consumer's creditworthiness, credit standing, or credit capacity, and must not be provided to anyone other than the employer, or its agent, a governmental authority, or a self-regulatory organization with regulatory authority over the employer [*15 U.S.C. § 1681a(x)(1)(C)*]. Employees have a right to notice if the employer takes adverse action based on these communications [*15 U.S.C. § 1681a(x)(1)(D)(v)*]. Employees also have a right to a summary of the nature and substance of the communications [*15 U.S.C. § 1681a(x)(2)*].

PART II. LEGAL BACKGROUND
F. Credit Reporting and Collection Services

30-92 California Legal Forms--Transaction Guide § 92.82

§ 92.82 Services to Obtain Credit or Improve Credit Rating

[1] Governing Law

The ability to obtain and use credit has become of great importance to consumers, who have a vital interest in establishing and maintaining their creditworthiness and credit standing. As a result, consumers who have experienced credit problems may seek assistance from credit services organizations that offer to obtain credit or improve their credit standing [*Civ. Code § 1789.11(a)*].

The practices of credit service organizations are governed by the Credit Services Act of 1984 ("Credit Services Act") [*Civ. Code §§ 1789.10-1789.26*], which was enacted to provide prospective buyers of services of credit services organizations with the information necessary to make an intelligent decision regarding the purchase of those services and to protect the public from unfair or deceptive advertising and business practices [*Civ. Code § 1789.11(b)*].

[2] Credit Service Organization Defined

A "credit services organization" is a person [*see Civ. Code § 1789.12(f)* ("person" defined)] that, with respect to the extension of credit by other parties, sells, provides or offers to provide, for a fee or other valuable consideration, services designed to improve a person's credit record or rating or to obtain a loan or other extension of credit to a buyer [*Civ. Code § 1789.12(a)*; *see Civ. Code § 1789.12(c)*]. The term also includes one who provides advice or assistance to a buyer for either of these purposes [*see Civ. Code § 1789.12(a)*]. Banks and other lenders, licensed proraters, real estate brokers, attorneys, securities salespersons, and nonprofit organizations are excluded from the definition of "credit services organization" [*Civ. Code § 1789.12(b)*].

[3] Prohibited Conduct

Credit service organizations and their salespersons, agents, representatives, and independent contractors must not do any of the following [*Civ. Code § 1789.13*]:

- Charge or receive compensation before completing the services the organization has agreed to

perform.

- Fail to perform the agreed services within six months after the buyer signs the contract for the services.

- Charge or receive compensation for a referral of a buyer to a retailer if the credit extended is substantially on the same terms as those available to the general public, or on substantially the same terms that would have been extended without assistance of the organization; or if the credit grantor is paid money or consideration or derives money or consideration for any costs, fees, finance charges, or principal from the buyer's payments to the credit grantor.

- Make, or assist buyers in making, untrue or misleading statements.

- Remove, or assist buyers in removing, accurate and current adverse information from their credit records.

- Create, or help buyers to create, a new credit record by using different buyer information.

- Make or use untrue or misleading representations in offering or selling the services of a credit services organization.

- Engage in a fraudulent or deceptive act, practice, or course of business.

- Advertise the services of a credit services organization without being registered with the Department of Justice [*see Civ. Code § 1789.25*].

- Fail to maintain an agent for service of process in California.

- Transfer or assign their certificates of registration.

- Submit a buyer's dispute to a consumer credit reporting agency without the buyer's knowledge.

- Use a consumer credit reporting agency's telephone credit reporting system or toll-free telephone number to represent the caller as the buyer in submitting a dispute of a buyer or requesting disclosure without prior authorization of the buyer.

- Directly or indirectly extend credit to a buyer.

- Refer a buyer to a credit grantor that is related to the credit services organization by any common ownership, management, or control, including any common owner, director, or officer.

- Refer a buyer to a credit grantor for which the credit services organization provides, or arranges for a third party to provide, any services related to the extension of credit, such as underwriting, billing, payment processing, or debt collection.

- Provide a credit grantor with an assurance that any portion of an extension of credit to a buyer referred by the credit services organization will be repaid, including providing a guaranty, letter of credit, or agreement to acquire a part of the credit grantor's financial interest in the extension of credit.

- Use a scheme, device, or contrivance to evade any of the acts enumerated above.

[4] Surety Bond

To conduct business in California, a credit services organization must obtain a surety bond in the principal amount of $100,000, issued by an admitted surety. The bond must be in favor of the State of California and must be maintained for two years after the credit services organization ceases to conduct business in California. A copy of the bond must be filed with the Secretary of State [*Civ. Code § 1789.18*].

[5] Registration Requirement

Before conducting business in California, a credit services organization must register with the Department of Justice. The Department will issue a certificate of registration if the organization has completed the registration application, paid the registration fee, and filed a copy of the surety bond with the Secretary of State [*Civ. Code § 1789.25(a)*; *see Civ. Code § 1789.18*]. The Department will not issue the certificate, however, until it establishes that the organization has satisfied the requirements of *Civ. Code § 1789.25(f)* [*Civ. Code § 1789.25(a)*]. That subsection provides that the Department will not issue a certificate of registration to any person who has engaged in or proposes to engage in any activity violating *Civ. Code § 1789.13* [*see* [3], *above*], any law prohibiting the use of untrue or misleading statements, or any law related to the extension of credit to persons for personal, family, or household purposes [*Civ. Code § 1789.25(f)*]. Certificates of registration are renewable annually [*Civ. Code § 1789.25(d)*].

[6] Disclosure and Contract Requirements

Before execution of the contract, the organization must give the buyer a written statement with specified disclosures [*see Civ. Code §§ 1789.14*, *1789.15*]. The buyer must acknowledge receipt of the statement by signing the statement. The organization must retain the statement for a period of two years [*Civ. Code § 1789.14*].

The contract between a credit services organization and the buyer of the services must contain certain specified information [*see Civ. Code § 1789.16*]. For discussion and sample forms for the disclosure statement and the contract, see *§ 92.252*.

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 92 SERVICE CONTRACTS
PART II. LEGAL BACKGROUND
F. Credit Reporting and Collection Services

30-92 California Legal Forms--Transaction Guide § 92.83

§ 92.83 Debt Collection Services

[1] Governing Law

The practices of collection agencies and other debt collectors are governed by the Rosenthal Fair Debt Collection Practices Act [*Civ. Code §§ 1788-1788.33*; *see* [2], *below*] and the federal Fair Debt Collection Practices Act [*15 U.S.C. §§ 1692-1692p*; *see* [5], *below*].

The Fair Debt Collection Practices Act does not annul, alter, or affect, or exempt any person subject to the provisions of that act from complying with the laws of any state with respect to debt collection practices, except to the extent that those laws are inconsistent with any provision of the act, and then only to the extent of the inconsistency. A state law is not inconsistent with the act if the protection that law affords any consumer is greater than the protection provided by the act [*15 U.S.C. § 1692n*].

[2] Rosenthal Fair Debt Collection Practices Act

[a] Purpose of Legislation

Under the Rosenthal Fair Debt Collection Practices Act ("Rosenthal Act") [*Civ. Code §§ 1788-1788.33*], debt collectors are prohibited from engaging in unfair or deceptive acts and practices in the collection of consumer debts. The Rosenthal Act also requires debtors to act fairly in entering into and honoring consumer debts [*Civ. Code § 1788.1(b)*]. This section, however, was held to be preempted by the Fair Credit Reporting Act in Nelson v. Equifax Information Services, LLC (2007) 522 F. Supp. 2d 1222, 1234 [*see 15 U.S.C. § 1681 et seq.*; *see also § 92.80[3], above*].

[b] Debt Collector Defined

A "debt collector" is any person who, in the ordinary course of business, regularly engages in debt collection for himself or herself, or for others. The term includes a person who composes and sells, or offers to compose and sell, forms, letters, and other types of communication meant to be used for debt collection. The term does not include attorneys or counselors at law [*Civ. Code § 1788.2(c)*].

[c] Consumer Credit Transaction Defined

A "consumer credit transaction" is a transaction between a natural person and another person in which property, services or money is acquired on credit by that natural person from such other person primarily for personal, family, or household purposes [*Civ. Code § 1788.2(e)*]. Thus, a typical automobile repair transaction, in which the garage repair shop performs services in advance of payment, does not constitute a consumer credit transaction because repair shops typically do not release the vehicle before payment is made and therefore the vehicle owner does not acquire the services [*Gouskos v. Aptos Village Garage, Inc. (2001) 94 Cal. App. 4th 754, 759-760, 114 Cal. Rptr. 2d 558]* .

[d] Prohibited Conduct of Debt Collector

A debt collector may not collect or attempt to collect a consumer debt (money, property or their equivalent, owing from a natural person by reason of a consumer credit transaction) by any of the following methods [*Civ. Code § 1788.10*; *see Civ. Code § 1788.2(f)* ("consumer debt" defined)]:

- Using or threatening to use physical force, violence, or criminal means to harm the person, reputation, or property of a person.

- Threatening that a debtor's failure to pay a debt will result in a criminal accusation, if the accusation would be false.

- Communicating or threatening to communicate to anyone that a debtor has engaged in conduct, other than failing to pay a consumer debt, that the debt collector knows or has reason to believe will defame the debtor.

- Threatening to sell or assign a debtor's obligation with a false representation that the sale or assignment will cause the debtor to lose a defense to the debt.

- Threatening anyone that nonpayment of the debt may result in a debtor's arrest, the seizure, garnishment, attachment, or sale of a debtor's property, or the garnishment or attachment of a debtor's wages, unless that action is lawful and actually contemplated by the debt collector.

- Threatening to take any action against a debtor prohibited by the Rosenthal Act.

A debt collector is also prohibited from engaging in the following improper uses of the courts as a method for collecting a debt [*Civ. Code § 1788.15*]:

- The use of judicial proceedings if the debt collector knows that service of process, if essential to jurisdiction over the debtor or his or her property, has not been legally effected.

- An attempt to collect a consumer debt, other than one reduced to judgment, by means of judicial proceedings in a county other than the county in which the debtor has incurred the consumer debt or the county in which the debtor resides at the time the proceedings are instituted, or resided at the time the debt was incurred.

Furthermore, a debt collector may not engage in any of the following practices when collecting or attempting to collect a consumer debt by [*Civ. Code § 1788.11*]:

- Using obscene or profane language.

- Placing telephone calls without disclosing the caller's identity or alias.

- Causing expense for long-distance telephone calls, telegram fees, or other communications charges by misrepresenting the purpose of the communication.

- Causing a telephone to ring repeatedly or continuously to annoy the person called.

- Communicating by telephone or in person with a debtor so frequently as to be unreasonable and to constitute harassment.

The litigation privilege [*see Civ. Code § 47*; *see generally California Forms of Pleading and Practice, Ch. 340, Libel and Slander, § 340.60* (Matthew Bender)] cannot be used to shield violations of the foregoing prohibitions [*Komarova v. National Credit Acceptance, Inc. (2009) 175 Cal. App. 4th 324, 337-340, 95 Cal. Rptr. 3d 880* (in action against debt collector who harassed plaintiff because of mistaken identity, court affirmed judgment for plaintiff on special verdicts finding violations of *Civ. Code §§ 1788.11* and *1788.15*)].

[e] Prohibited Communications by Debt Collector

A debt collector may make reasonable legitimate business communications about debtors [*see Civ. Code § 1788.12(e)*]. However, a debt collector may not collect or attempt to collect a consumer debt by communicating with the debtor's employer or family, except in limited circumstances [*see Civ. Code § 1788.12(a), (b)*; *see Komarova v. National Credit Acceptance, Inc. (2009) 175 Cal. App. 4th 324, 337-340, 95 Cal. Rptr. 3d 880* (court affirmed judgment against debt collector on special verdict finding violation of *Civ. Code § 1788.12(a)*; defendant could not rely on litigation privilege under *Civ. Code § 47* to shield violation)].

A debt collector may not provide a "deadbeat list" or communicate with a debtor in a manner intended to embarrass the debtor [*see Civ. Code § 1788.12(c), (d)*]. In addition, a debt collector must not send false simulated legal or judicial documents to a debtor [*see Civ. Code § 1788.16*].

If a debt collector has been notified in writing that a debtor is represented by an attorney regarding the debt, the debt collector must communicate with the attorney, not with the debtor, except concerning a statement of accounts. This does not apply if the attorney fails to communicate with the debt collector about the case [*see Civ. Code § 1788.14(c)*].

A debt collector is prohibited from making a variety of false representations in the collection of consumer debts [*see Civ. Code § 1788.13*]. If a consumer debt has been discharged in bankruptcy, a debt collector may not obtain an affirmation from the debtor without disclosing that the debtor is not obligated to make the affirmation [*Civ. Code § 1788.14(a)*].

[f] Identity Theft

A debt collector must cease collection activities on receipt from a debtor of both the following documents [*Civ. Code § 1788.18(a)*]:

- A copy of a police report filed by the debtor alleging that the debtor is the victim of an identity theft crime.

- The debtor's written statement or certification that the debtor claims to be the victim of identity theft with respect to the specific debt being collected by the debt collector [*see Civ. Code § 1788.18(b)* (statement requirements)].

If a debtor notifies a debt collector orally that he or she is a victim of identity theft, the debt collector must notify the consumer, orally or in writing, that the debtor's claim must be in writing. If a debtor notifies a debt collector in writing that he or she is a victim of identity theft but omits the information required by *Civ. Code § 1788.18(a), (b)*, the debt collector that does not cease collection activities must provide written notice to the debtor of the additional requirements [*Civ. Code § 1788.18(c)*].

On receipt of the complete statement and required information, the debt collector must review and consider all of the information provided by the debtor and the creditor and all information in the file. The debt collector may recommence debt collection activities only upon making a good faith determination that the information does not establish that the debtor is not responsible for the specific debt in question [*see Civ. Code § 1788.18(d)*].

The debt collector must notify the debtor in writing of that determination and the basis therefor before proceeding with any further collection activities [*Civ. Code § 1788.18(d)*].

[g] Violations of the Rosenthal Fair Debt Collection Practices Act

A debt collector that violates any provision of the Rosenthal Act is liable for actual damages, plus additional damages for willful, knowing violations [*see Civ. Code § 1788.30(a), (b)*].

However, there is no civil liability if the debt collector corrects its violation within 15 days of notification of the error, or if the debt collector shows by a preponderance of evidence that the violation was unintentional and occurred despite procedures reasonably adapted to avoid that type of violation [*see Civ. Code § 1788.30(d), (e)*].

[3] Consumer Collection Notice

Third-party debt collectors subject to the federal Fair Debt Collection Practices Act [*15 U.S.C. § 1692p* et seq.; *see § 92.83[5]*] must provide a notice to debtors that includes the following description of debtor rights [*Civ. Code § 1812.700(a)*]:

> "The state Rosenthal Fair Debt Collection Practices Act and the federal Fair Debt Collection Practices Act require that, except under unusual circumstances, collectors may not contact you before 8 a.m. or after 9 p.m. They may not harass you by using threats of violence or arrest or by using obscene language. Collectors may not use false or misleading statements or call you at work if they know or have reason to know that you may not receive personal calls at work. For the most part, collectors may not tell another person, other than your attorney or spouse, about your debt. Collectors may contact another person to confirm your location or enforce a judgment. For more information about debt collection activities, you may contact the Federal Trade Commission at 1-877-FTC-HELP or www.ftc.gov."

This notice may be changed only as necessary to reflect changes under the federal Fair Debt Collection Practices Act that would otherwise make the disclosure inaccurate [*Civ. Code § 1812.701(a)*].

The notice must be included with the first written notice initially addressed to a California address of a debtor in connection with collecting the debt by the third-party debt collector [*Civ. Code § 1812.700(b)*]. The type size used in the disclosure must be in at least the same type size as that used to inform the debtor of his or her specific debt, but is not required to be larger than 12-point type [*Civ. Code § 1812.701(b)*]. If a language other than English is principally used by the third-party debt collector in the initial oral contact with the debtor, the notice must be provided to the debtor in that language within five working days [*Civ. Code § 1812.700(c)*].

Any violation of this statute will be considered a violation of the Rosenthal Act [*Civ. Code § 1812.702*; *see § 92.83[2][g]*].

[4] Attorney as Debt Collector

Attorneys and any of their employees who are employed primarily to assist in the collection of a consumer debt owed to another person must comply with the Rosenthal Act governing debt collector responsibilities [*Bus. & Prof. Code § 6077.5(a)*; *see § 92.83[2]*]. Attorneys' employees, if not members of the State Bar, must identify themselves to debtors, state the name of their employer, and specify their title or job capacity [*Bus. & Prof. Code § 6077.5(b)*]. Communications between the attorneys or their employees and the debtor may not be made at any unusual or inconvenient time or place without the consent of the debtor [*see Bus. & Prof. Code § 6077.5(c)*].

If the debtor refuses to pay the debt or indicates a desire that the attorney or employees cease collection efforts, the attorney or employees may not continue to communicate with the debtor except as follows [*Bus. & Prof. Code § 6077.5(d)*]:

- To advise the debtor that the attorneys or their employees' further efforts are being terminated.

- To notify the debtor that the attorneys or their employees or the creditor may invoke specific remedies which ordinarily are invoked by the attorney or creditor.

- If applicable, to notify the debtor that the attorney or creditor intends to invoke a specific remedy.

- If a suit has been filed or is about to be filed and the debtor is not represented by counsel or has appeared in the action on the debt in propria persona.

Neither attorneys nor the employees may take or threaten to take any nonjudicial action to dispose of or disable property if there is no present right to possession of the property under an enforceable security interest, if there is no present intent to take possession of the property, or if the property is exempt by law from the threatened disposition or disablement [*Bus. & Prof. Code § 6077.5(e)*].

Within five days after the first debt collection communication with a debtor, the attorneys or employees must send the debtor a written notice specifying the facts involved (unless that information is contained in the initial communication or the debtor pays the debt) [*see Bus. & Prof. Code § 6077.5(g)*]. The attorneys or employees may not make collect telephone calls or other communications without disclosing the true purpose of the communication [*see Bus. & Prof. Code § 6077.5(f)*].

If a written notice is sent to the debtor and the debtor replies in writing disputing the debt or requesting the name and address of the creditor, the attorneys and employees must cease collection of the debt or disputed portion of the debt, except for filing suit, until the attorney obtains written evidence of the debt or judgment or the name and address of the original creditor and mails it to the debtor [*Bus. & Prof. Code § 6077.5(g)(5)*]. If the debtor owes multiple debts and makes any single payment to the attorney, the latter may not apply the payment to any disputed debt and must apply the payment in accordance with any direction from the debtor [*Bus. & Prof. Code § 6077.5(h)*].

Willful breach of any of these requirements constitutes grounds for discipline [*Bus. & Prof. Code § 6077.5(i)*].

[5] Federal Fair Debt Collection Practices Act

[a] Comparison to Rosenthal Act

The federal Fair Debt Collection Practices Act ("Debt Collection Act") [*15 U.S.C. § 1692p et seq.*] imposes restrictions on debt collectors that are generally similar to the restrictions of the California Rosenthal Fair Debt Collection Practices Act ("Rosenthal Act") [*Civ. Code § 1788 et seq.*; *see § 92.83[2]*]. Civil liability imposed by the Fair Credit Act is

similar to California liability [*see 15 U.S.C. § 1692k*; *see also § 92.83[2][g]*].

[b] Debt Collector Defined

For purposes of the Debt Collection Act, a "debt collector" is anyone who uses an instrumentality of interstate commerce or the United States mail in a business whose principal purpose is the collection of debts, or anyone who regularly collects or attempts to collect debts owed or due, or asserted to be owed or due, to another person [*15 U.S.C. § 1692a(6)*; *but see 15 U.S.C. § 1692a(6)(F)* (exemptions); *see also, e.g., Rowe v. Educational Credit Mgmt. Corp. (9th Cir. 2009) 559 F.3d 1028, 1035* (Educational Credit Management Corporation did not qualify for exemption under *15 U.S.C. § 1692a(6)(F)(i)*, covering debt-collection activity "incidental to a bona fide fiduciary obligation" of person or entity engaged in that activity, when ECMC's only role in this case was to collect student's educational loan assigned to it by lender after borrower's default; it was irrelevant that ECMC generally had bona fide fiduciary obligation as guaranty agency for educational loans)].

[c] Unfair or Unconscionable Means of Collection Prohibited

A debt collector may not use unfair or unconscionable means to collect or attempt to collect any debt, including, but not limited to, the following: [*see 15 U.S.C. § 1692f*]:

- Collecting any amount (including any interest, fee, charge, or expense incidental to the principal obligation) unless that amount is expressly authorized by the agreement creating the debt or permitted by law.

- Accepting a check (or other payment instrument) postdated by more than five days unless the person writing the check is notified in writing of the debt collector's intent to deposit the check or instrument not more than 10 nor less than three business days prior to the deposit.

- Soliciting any postdated check (or other postdated payment instrument) for the purpose of threatening or instituting criminal prosecution.

- Depositing or threatening to deposit any postdated check or other postdated payment instrument prior to the date on the check or instrument.

- Causing charges to be made for communications (such as collect telephone calls and telegram fees) by concealing the true purpose of the communication.

- Taking or threatening to take any nonjudicial action to effect dispossession or disablement of property under certain circumstances [*see 15 U.S.C. § 1692f(6)*].

- Communicating with a consumer regarding a debt by post card.

- Using any language or symbol, other than the debt collector's address, on any envelope when communicating with a consumer by use of the mails or by telegram, except that a debt collector may use his or her business name if the name does not indicate that the person is in the debt collection business.

[d] Harassment and Abuse Prohibited

A debt collector may not engage in any conduct the natural consequence of which is to harass, oppress, or abuse any person in connection with the collection of a debt, including, but not limited to, the following [*15 U.S.C. § 1692d*]:

- The use or threat of use of violence or other criminal means to harm the physical person, reputation, or property of any person.

- The use of obscene or profane language or language the natural consequence of which is to abuse the hearer or reader.

- The publication of a list of consumers who allegedly refuse to pay debts, with limited exceptions [*see 15 U.S.C. § 1692d(3)*].

- The advertisement for sale of any debt to coerce payment of the debt.

- Causing a telephone to ring or engaging any person in telephone conversation repeatedly or continuously with intent to annoy, abuse, or harass any person at the called number.

- Except for inquiries about the consumer's location [*see* [g], *below*] the placement of telephone calls without meaningful disclosure of the caller's identity.

[e] False or Misleading Representations Prohibited

A debt collector may not use any false, deceptive, or misleading representation or means in connection with the collection of any debt, including, but not limited to, the following [*15 U.S.C. § 1692e*]:

- The false representation or implication that the debt collector is vouched for, bonded by, or affiliated with the United States or any State, including the use of any badge or uniform.

- The false representation of the character, amount, or legal status of any debt.

- The false representation of any services rendered or compensation that may be lawfully received by any debt collector for the collection of a debt.

- The false representation or implication that any individual is an attorney or that any communication is from an attorney.

- The representation or implication that nonpayment of any debt will result in the arrest or imprisonment of any person, or the seizure, garnishment, attachment, or sale of any property or wages of any person, unless that action is lawful and the debt collector or creditor intends to take such an action.

- The threat to take any action that cannot legally be taken or that is not intended to be taken.

- The false representation or implication that a sale, referral, or other transfer of any interest in a debt will cause the consumer to lose any claim or defense to payment of the debt, or subject the consumer any practice prohibited by the Debt Collection Act.

- The false representation or implication that the consumer committed any crime or other conduct in order to disgrace the consumer.

- Communicating or threatening to communicate to any person credit information which is known or which should be known to be false, including the failure to communicate that a disputed debt is disputed.

- The use or distribution of any written communication which simulates or is falsely represented to be

a document authorized, issued, or approved by any court, official, or agency of the United States or any state, or which creates a false impression as to its source, authorization, or approval.

- The use of any false representation or deceptive means to collect or attempt to collect any debt or to obtain information concerning a consumer.

- The failure to disclose in the initial written or oral communication with the consumer that the debt collector is attempting to collect a debt and that any information obtained will be used for that purpose, and the failure to disclose in subsequent communications that the communication is from a debt collector (except for pleadings made in connection with a legal action).

- The false representation or implication that accounts have been turned over to innocent purchasers for value.

- The false representation or implication that documents are legal process.

- The use of any business, company, or organization name other than the true name of the debt collector's business, company, or organization.

- The false representation or implication that documents are not legal process forms or do not require action by the consumer.

- The false representation or implication that a debt collector operates or is employed by a consumer reporting agency as defined by *15 U.S.C. § 1681a(f)* [*see § 92.80[3][b]*].

[f] Validation of Debt

Within five days after the initial communication with a consumer [*see 15 U.S.C. § 1692g(d),(e)* (exclusions from definition of "initial communication"] in connection with the collection of any debt, a debt collector must, unless the following information is contained in the initial communication or the consumer has paid the debt, send the consumer a written notice containing the following [*15 U.S.C. § 1692g(a)*; *see Mahon v. Credit Bureau of Placer County Inc. (9th Cir. 1999) 171 F.3d 1197, 1201-1203* (construing *15 U.S.C. § 1692g* regarding notice to debtor to require only that notice be sent; debt collector need not establish actual receipt by debtor); *see also Renick v. Dun & Bradstreet (9th Cir. 2002) 290 F.3d 1055, 1057-1058* (second collection notice did not violate validation of debts provision in *15 U.S.C. § 1692g(a)*)]:

- The amount of the debt.

- The name of the creditor.

- A statement that unless the consumer disputes the validity of the debt, in whole or in part, within 30 days after receipt of the notice, the debt will be assumed to be valid by the debt collector.

- A statement that if the consumer notifies the debt collector in writing within the 30-day period that the debt, in whole or in part, is disputed, the debt collector will obtain verification of the debt or a copy of a judgment against the consumer and a copy of the verification or judgment will be mailed to the consumer by the debt collector.

- A statement that on the consumer's written request within the 30-day period, the debt collector will provide the consumer with the name and address of the original creditor, if different from the current

creditor.

If the consumer notifies the debt collector in writing within the 30-day period described above that the debt, in whole or in part, is disputed, or that the consumer requests the name and address of the original creditor, the debt collector must cease collection of the debt until the debt collector obtains verification of the debt or a copy of a judgment, or the name and address of the original creditor, and a copy of the verification or judgment, or name and address of the original creditor, is mailed to the consumer [*15 U.S.C. § 1692g(b)*]. Collection activities and communications that do not otherwise violate the Debt Collection Act may continue during the 30-day period referred to in *15 U.S.C. § 1692g(a)* unless the consumer has notified the debt collector in writing that the debt (or any portion of it) is disputed or that the consumer requests the name and address of the original creditor. Any collection activities and communication during the 30-day period may not overshadow or be inconsistent with the disclosure of the consumer's right to dispute the debt or request the name and address of the original creditor [*15 U.S.C. § 1692g(b)*].

[g] Inquiries About Location of Consumer

Any debt collector communicating with any person other than the consumer for the purpose of acquiring location information about the consumer must comply with all of the following [*15 U.S.C. § 1692b*]:

- The debt collector must identify himself or herself, state that he or she is confirming or correcting location information concerning the consumer, and, only if expressly requested, identify his or her employer.

- The debt collector must not state that such consumer owes any debt.

- The debt collector must not communicate with any such person more than once unless requested to do so by that person or unless the debt collector reasonably believes that the person's earlier response is erroneous or incomplete and that the person now has correct or complete location information.

- The debt collector must not communicate by post card.

- The debt collector must not use any language or symbol on any envelope or in the contents of any communication by mail or telegram that indicates that the debt collector is in the debt collection business or that the communication relates to the collection of a debt.

- After the debt collector knows the consumer is represented by an attorney and has knowledge of, or can readily ascertain, the attorney's name and address, the debt collector must not communicate with any person other than that attorney, unless the attorney fails to respond within a reasonable period of time to communication from the debt collector.

[h] Communications With Consumer

Without the prior consent of the consumer given directly to the debt collector or the express permission of a court of competent jurisdiction, a debt collector may not communicate with a consumer (or a consumer's spouse, parent [if the consumer is a minor], guardian, executor, or administrator) in connection with the collection of any debt in the following circumstances [*15 U.S.C. § 1692c(a), (d)*]:

- At any unusual time or place or a time or place known or which should be known to be inconvenient to the consumer. In the absence of knowledge of circumstances to the contrary, a debt collector may not communicate with the consumer before 8:00 a.m. or after 9:00 p.m.

- If the debt collector knows the consumer is represented by an attorney with respect to the debt and has knowledge of, or can readily ascertain, the attorney's name and address, unless the attorney fails to respond within a reasonable period of time to a communication from the debt collector or unless the attorney consents to direct communication with the consumer.

- At the consumer's place of employment if the debt collector knows or has reason to know that the consumer's employer prohibits the consumer from receiving that communication.

If a consumer notifies a debt collector in writing that the consumer refuses to pay a debt or that the consumer wishes the debt collector to cease further communication with the consumer, the debt collector must not communicate further with the consumer with respect to that debt, except for the following purposes [*15 U.S.C. § 1692c(c)*]:

- To advise the consumer that the debt collector's further efforts are being terminated.

- To notify the consumer that the debt collector or creditor may invoke specified remedies which ordinarily are invoked by the debt collector or creditor.

- If applicable, to notify the consumer that the debt collector or creditor intends to invoke a specified remedy.

[i] Communications With Third Parties

Except for inquiries about the consumer's location [*see 15 U.S.C. § 1692b*; *see also* [g], *above*], a debt collector may not communicate, in connection with the collection of any debt, with any person other than the consumer, the consumer's attorney, a consumer reporting agency if otherwise permitted by law, the creditor, the attorney of the creditor, or the attorney of the debt collector without the prior consent of the consumer given directly to the debt collector, or the express permission of a court of competent jurisdiction, or as reasonably necessary to effectuate a postjudgment judicial remedy [*15 U.S.C. § 1692c(b)*].

[6] Assignments for Collection

With the 1992 repeal of the Collection Agency Act [*see* former *Bus. & Prof. Code §§ 6850-6956*], collection assignments are no longer subject to specific drafting requirements. Therefore, the parties are free to draft an assignment that complies with general contract requirements [*see* Ch. 75, *Formation of Contracts and Standard Contractual Provisions*]. For discussion and a sample form for an assignment for collection, see *Ch. 76, Assignments of Rights and Obligations, § 76.203*.

Assignments for collection are generally recognized as valid, even though no consideration has been given [*Bechtel v. Baglieto (1936) 13 Cal. App. 2d 495, 501, 57 P.2d 192]* . The effect of an assignment for collection is to vest legal title in the assignee, sufficient to enable the assignee to maintain an action in his or her own name while the assignor retains the equitable or beneficial interest in the underlying claim [*Mihojevich v. Harrod (1963) 214 Cal. App. 2d 360, 363, 20 Cal. Rptr. 440]* .

G. Funeral Services

30-92 California Legal Forms--Transaction Guide § 92.90

§ 92.90 Funeral Services For Decedent

[1] Governing Law

Funeral establishments and services are governded by the Funeral Directors and Embalmers Law ("Funeral Act") [*Bus. & Prof. Code § 7600 et seq.*] and its implementing regulations [*16 Cal. Code Reg. § 1202 et seq.*]. The Funeral Act is administered by the Cemetery and Funeral Bureau ("Bureau"), within the Department of Consumer Affairs [*Bus. & Prof. Code § 7602*].

Other statutes relating to funeral and related services are *Health & Safety Code §§ 7000-8030* (dead bodies), 8100-9677 (cemeteries), and 102100-103800 (vital statistics); *Penal Code § 642* (criminal offenses); *Gov. Code § 27471* and 27491-27491.8 (coroners); *Welf. & Inst. Code § 11158* and *17409* (exemption of funeral fund trusts and burial insurance in determining property of welfare recipient); and *Mil. & Vet. Code § 944*, *945* (veteran's burial allowance).

For discussion and a sample of an agreement for funeral services for a decedent, see *§ 92.260*.

[2] Funeral Director Defined

A funeral director is a person engaged in or conducting, or holding himself or herself out as engaged in any of the following [*Bus. & Prof. Code § 7615*]:

- Preparing for the transportation or burial or disposal, or directing and supervising for transportation or burial or disposal of human remains.

- Maintaining an establishment for the preparation for the transportation or disposition or for the care of human remains.

- Using, in connection with his or her name, the words "funeral director," or "undertaker," or "mortician," or any other title implying that he or she is engaged as a funeral director.

[3] Exempt Persons

The provisions of the Funeral Act do not apply to the following exempt persons [*Bus. & Prof. Code § 7609*]:

- Any officer of any public institution or of any duly accredited medical college.
- Any hospital licensed pursuant to *Health and Safety Code § 1250 et seq.*
- Anyone engaged only in the furnishing of burial receptacles.
- Anyone engaged in the operation of a cemetery solely for the interment of human dead.

[4] Funeral Establishment Defined

A licensed funeral establishment is a place of business conducted in a building or separate portion of a building that has a specific street address or location and is devoted exclusively to the activities as are incident, convenient, or related to the preparation and arrangements, financial or otherwise, for the funeral, transportation, burial, or other disposition of human remains. A funeral establishment includes, but is not limited to, either of the following [*Bus. & Prof. Code § 7616(a)*]:

- A suitable room for the storage of human remains.
- A preparation room that contains sanitary flooring, drainage, ventilation, instruments, and supplies for the preparation, sanitation, or embalming of human remains for burial or transportation.

Licensed funeral establishments under common ownership or by contractual agreement within close geographic proximity of each other are deemed to be in compliance with these requirements if at least one of the establishments has a room described in *Bus. & Prof. Code § 7616(a)* [*Bus. & Prof. Code § 7616(b)*].

There is no requirement that a funeral establishment conduct its business or financial transactions at the same location as its preparation or storage of human remains [*Bus. & Prof. Code § 7616(d)*]. However, the business of a licensed funeral establishment must be conducted and engaged in at a fixed place or facility [*Bus. & Prof. Code § 7617*].

[5] License Requirements

[a] Funeral Directors

A person (including a partnership, association, corporation, or other organization) may not open or maintain a place or establishment at which to engage in or conduct (or hold himself or herself or itself out as engaging in or conducting) the activities of a funeral director without a license [*Bus. & Prof. Code § 7622.2*; *see also Bus. & Prof. Code § 7618* (application requirements)]. The funeral director's license must be displayed conspicuously in the place of business [*Bus. & Prof. Code § 7680*].

Additionally, a licensed funeral director may not engage in or conduct (or hold himself or herself out as engaging in or conducting) the activities of a funeral director without being employed by, or without being a sole proprietor of, a licensed funeral establishment [*Bus. & Prof. Code § 7619.3*].

A person may not operate or maintain a preparation room for the preparation, sanitation, or embalming of human remains for burial or transportation unless he or she is licensed as a funeral director, except accredited mortuary science programs engaged in teaching students the art of embalming, and except those persons exempt from the Funeral Act [

Bus. & Prof. Code § 7616(c); *see Bus. & Prof. Code § 7616(a)(2)*; *see also Bus. & Prof. Code § 7609* (exempt persons)].

[b] Funeral Establishments

A person (including a partnership, association, corporation, or other organization) may not open or maintain a place or establishment at which to engage in or conduct (or hold himself or herself or itself out as engaging in or conducting) the business of a funeral establishment without a license [*Bus. & Prof. Code § 7617*; *see Bus. & Prof. Code § 7617.1* (applicant requirements)].

[6] Cremation Services

A funeral establishment must obtain a signed declaration designating specific instructions with respect to the disposition of cremated remains from the person with the right to control the disposition [*see Health & Safety Code § 7100*] or the person prearranging the cremation and disposition of his or her own remains [*Bus. & Prof. Code § 7685.2(b)*].

The declaration form must include, but is not limited to, the names of the persons with the right to control the disposition of the cremated remains and the person who is contracting for the cremation services; the name of the deceased; the name of the funeral establishment in possession of the remains; the name of the crematorium; and specific instructions regarding the manner, location, and other pertinent details regarding the disposition of cremated remains. The declaration form must be signed and dated by the person arranging for the cremation and the funeral director, employee, or agent of the funeral establishment in charge of arranging or prearranging the cremation service [*Bus. & Prof. Code § 7685.2(b)*].

PRACTICE TIP:

A declaration form for this purpose, entitled Declaration for Disposition of Cremated Remains, is available online on the Bureau's website [www.cfb.ca.gov].

[7] Embalming Services

Human remains may not be embalmed without the express authorization of a person having the legal right to control disposition of the remains [*see Health & Safety Code § 7100*], except that prior authorization is not required if embalming is necessary in order to comply with applicable laws or regulations, or is necessary to avoid irreparable deterioration of the dead body, in which case, a good faith effort must be made to obtain permission [*16 Cal. Code Reg. § 1214*; *see Health & Safety Code § 7304*].

PRACTICE TIP:

A form for this purpose, entitled "Authorization for Disposition With or Without Embalming," is available online on the Bureau's website [www.cfb.ca.gov].

Human remains must be embalmed by a licensed embalmer [*see Bus. & Prof. Code §§ 7640-7650*], by an apprentice embalmer under the supervision of a licensed supervising embalmer, or by a student in a program accredited by the American Board of Funeral Services Education, under the supervision of a licensed embalmer [*Bus. & Prof. Code § 7632*].

[8] Funeral and Cemetery Guide

The Bureau will make available to funeral establishments a copy of a consumer guide for funeral and cemetery purchases for purposes of reproduction and distribution [*Bus. & Prof. Code § 7685.5(a)*]. A funeral establishment must prominently display this consumer guide and make it available to any individual who, in person, inquires about funeral or cemetery purchases [*Bus. & Prof. Code § 7685.5(b)*]. In addition, the funeral establishment must provide the

consumer with a copy, for retention, of this consumer guide prior to drafting a contract for funeral services [*Bus. & Prof. Code § 7685.5(c)*].

PRACTICE TIP:

The Consumer Guide to Funeral and Cemetery Purchases is available online on the Bureau's website [www.cfb.ca.gov].

[9] Disclosure of Preneed Funeral Arrangements

Every funeral establishment, prior to drafting any contract for funeral goods or services, must present to the survivor of the deceased who is handling the funeral arrangements, or the responsible party, a statement disclosing whether the funeral establishment has any preneed agreement made by or on behalf of the deceased [*Bus. & Prof. Code § 7685.6(a)*].

If the funeral establishment has a preneed agreement, the statement must also declare the establishment's compliance with *Bus. & Prof. Code § 7745* (duty to give survivor copy of preneed agreement). The disclosure statement must be signed and dated by the representative of the funeral establishment and by the survivor or responsible party, with a copy given to the survivor or responsible party. The completed disclosure statement must be retained by the funeral establishment for a period of time determined by the Bureau [*Bus. & Prof. Code § 7685.6(a)*]. The Bureau is obligated to develop this disclosure form and make it available to funeral establishments [*Bus. & Prof. Code § 7685.6(b)*].

[10] Prices for Funeral Services and Caskets

Every funeral director must provide to any person, on beginning discussion of prices or of the funeral goods and services offered, a written or printed list containing, but not necessarily limited to, the price for professional services offered, which may include the funeral director's services, the preparation of the body, the use of facilities, and the use of automotive equipment. All services included in this price or prices must be enumerated [*Bus. & Prof. Code § 7685(a)*].

The list must also include a statement to the effect that the survivor of the deceased who is handling the funeral arrangements, or the responsible party, is entitled to receive, prior to the drafting of any contract, a copy of any preneed agreement that has been signed and paid for, in full or in part, by or on behalf of the deceased, and that is in the possession of the funeral establishment [*Bus. & Prof. Code § 7685(b)*].

The list must also include the price range for all caskets offered for sale. When a request for specific information on caskets is made in person by any individual, the funeral director must also provide a written statement or list that, at a minimum, specifically identifies a particular casket or caskets by price and by thickness of metal, or type of wood, or other construction, interior and color, in addition to other casket identification requirements under 16 C.F.R. § 453. The same information must also be provided over the telephone, if requested [*Bus. & Prof. Code § 7685(c)*].

The funeral director must place the price on each casket in a conspicuous manner. Each casket must be priced individually, irrespective of the type of service purchased. Each price tag must also include information about the type of construction of the casket. A funeral director who advertises a funeral service for a stated amount must display in a reasonably convenient location in the show room, and have available for sale, any casket that is used for determining the stated price [*Bus. & Prof. Code § 7685.1(a)*].

A funeral director may not charge a handling fee for a casket supplied by a survivor or responsible party, and may not charge an additional fee for handling or embalming a body when death was due to a contagious or infectious disease [*Bus. & Prof. Code § 7685.1(b), (c)*].

[11] Memorandum of Fees and Costs for Individual Purchaser

No funeral director may enter into a contract for furnishing services or property in connection with the burial or other disposal of human remains until after having submitted to the potential purchaser of those services or property a written or printed memorandum containing the following information, provided that information is available at the time of execution of the contract [*Bus. & Prof. Code § 7685.2(a)*]:

- The total charge for the funeral director's services and the use of his or her facilities, including the preparation of the body and other professional services, and the charge for the use of automotive and other necessary equipment.

- An itemization of charges for the following merchandise as selected: the casket, an outside receptacle, and clothing.

- An itemization of fees or charges and the total amount of cash advances made by the funeral director for transportation, flowers, cemetery or crematory charges, newspaper notices, clergy honorarium, transcripts, telegrams, long distance telephone calls, music, and any other advances as authorized by the purchaser.

- An itemization of any other fees or charges not included above.

- The total of the amount of the four items specified above.

If the charge for any of the above items is not known at the time the contract is entered into, the funeral director must advise the purchaser of the charge for such items within a reasonable period after the information becomes available. All prices charged for items on the funeral director's price list or displayed on the caskets [*see* [10], *above*] must agree with those in the memorandum [*Bus. & Prof. Code § 7685.2(a)*].

[12] Duty of Care

Funeral establishments and funeral directors have a duty to exercise the ordinary skill and competence of members of their profession, and a failure to discharge that duty will subject them to liability for their own negligence [*Hansell v. Santos Robinson Mortuary (1998) 64 Cal. App. 4th 608, 612, 75 Cal. Rptr. 2d 361]* .

That duty includes using reasonable care in selecting a crematorium, but it does not make the funeral establishment vicariously liable for the wrongful acts of the crematorium if the funeral establishment had no knowledge of the wrongful acts [*Hansell v. Santos Robinson Mortuary (1998) 64 Cal. App. 4th 608, 612-613, 75 Cal. Rptr. 2d 361]* . Even though a funeral establishment is authorized by statute to direct and supervise the burial or disposal of human remains [*see Bus. & Prof. Code § 7615*], that authorization does not impose on the funeral establishment a duty to actually supervise the cremations [*Hansell v. Santos Robinson Mortuary (1998) 64 Cal. App. 4th 608, 612-613, 75 Cal. Rptr. 2d 361]* .

There is an implied covenant in every contract for funeral services that the services will be conducted with dignity and respect toward the family members for whose benefit the services are performed [*Christensen v. Superior Court (1991) 54 Cal. 3d 868, 895, 2 Cal. Rptr. 2d 79, 820 P.2d 181* ; *Wilson v. Houston Funeral Home (1996) 42 Cal. App. 4th 1124, 1133, 50 Cal. Rptr. 2d 169]* .

Additionally, a funeral establishment may be liable to close family members for damages of emotional distress engendered by knowledge of the negligent or intentional mishandling of the decedent's remains even if they did not observe the misconduct or its consequences. This liability is not limited to the family member who holds the statutory right to control disposition of the remains [*see Health & Safety Code § 7100*] or the person who actually contracts for

the services [*Christensen v. Superior Court (1991) 54 Cal. 3d 868, 895, 2 Cal. Rptr. 2d 79, 820 P.2d 181]* .

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 92 SERVICE CONTRACTS
PART II. LEGAL BACKGROUND
G. Funeral Services

30-92 California Legal Forms--Transaction Guide § 92.91

§ 92.91 Preneed Funeral Arrangements

[1] Governing Law

Preneed funeral services (arrangements for funeral services before the need arises) are governed by the Funeral Directors and Embalmers Law ("Funeral Act") [*see Bus. & Prof. Code §§ 7735-7746*] and its implementing regulations [*see Bus. & Prof. Code § 7740*; *16 Cal. Code Reg. § 1200 et seq.*]. The Funeral Act is administered by the Cemetery and Funeral Bureau ("Bureau"), within the Department of Consumer Affairs [*Bus. & Prof. Code § 7602*].

A preneed contract is one that requires payment of money or securities to a funeral establishment to pay for the final disposition of human remains or for funeral services, personal property, or funeral merchandise, when the use or delivery of those services, property or merchandise is not immediately required [*Bus. & Prof. Code § 7735*].

None of the statutory provisions that relate to preneed funeral arrangements [*see Bus. & Prof. Code §§ 7735-7746*] apply to cemetery property, cemetery commodities, cemetery service, or merchandise that is delivered as soon as paid for [*Bus. & Prof. Code § 7740*].

[2] Contract Requirements

Any preneed contract must require that all money paid and all securities delivered under the contract (or any collateral agreement) be held in trust for the purpose for which they were paid or delivered until the preneed contract is fulfilled [*Bus. & Prof. Code § 7735*]. The contract must also clearly state if benefits are unavailable or limited for any reason [*Bus. & Prof. Code § 7735.5*].

For discussion and a sample of a combined preneed funeral contract and trust agreement, including its required contents, see *§ 92.261*.

[3] Trust Requirements

[a] Deposit With Trustee

All money and securities received by a funeral establishment from the trustor under a preneed contract must be placed in trust with the trustee within 30 days of receipt pursuant to a trust agreement signed by the funeral establishment, the trustor, and the trustee. [*see Bus. & Prof. Code § 7737* (trust agreement requirements)].

Similarly, money received under an "agreement collateral" to a preened funeral agreement must also be placed in trust [*see American Funeral Concepts v. Board of Funeral Directors & Embalmers (1982) 136 Cal. App. 3d 303, 312-313, 186 Cal. Rptr. 196* (funeral society membership agreement with option to enter into preneed contract with fixed prices was an agreement collateral to preneed contract under *Bus. & Prof. Code § 7737*, requiring deposit of membership fee into trust)]. For discussion and a sample of a combined preneed funeral contract and trust agreement, including its required contents, see *§ 92.261*.

The trustee of a preneed trust may be either (1) a bank or trust company legally authorized by the State of California to act as trustee or (2) not less than three persons, one of whom may be an employee of the funeral establishment [*Bus. & Prof. Code § 7736*].

[b] Permissible Expenses

The corpus of a preneed trust may not be used for the payment of any commission or other expense of trust administration [*Bus. & Prof. Code § 7735*]. The income from the trust, however, may be used to pay a reasonable annual fee for administering the trust, including a trustee fee, and to establish a reserve, not to exceed 10 percent of the trust corpus, as a revocation fee in the event of cancellation on the part of the beneficiary [*Bus. & Prof. Code § 7735*].

The annual fee for trust administration may be recovered by withdrawals from accumulated trust income, provided that the total withdrawals for this purpose do not exceed the amount determined by the Bureau. However, the total amount withdrawn in a year for trust administration may not exceed the total amount of posted trust income in the immediate 12 preceding months [*Bus. & Prof. Code § 7735*]. Actual expenses for administering a preneed trust may be recovered from the trust income in an amount up to 4 percent of the corpus each year. All remaining trust income must be credited to the corpus [*16 Cal. Code Reg. § 1265*].

[c] Permissible Investments

The trustee of a preneed funeral arrangement trust may deposit the corpus of the trust in any financial institution insured by the Federal Deposit Insurance Corporation [*Bus. & Prof. Code § 7737.5*], or in any credit union insured by the National Credit Union Share Insurance Fund [*Bus. & Prof. Code § 7737.7*].

The trustee must invest the corpus in one of the following [*16 Cal. Code Reg. § 1263(a)*]:

- Bonds of or securities guaranteed by the United States, an agency of the United States, the State of California, or a county, city, or city and county of California.

- Bonds that are legal investments for commercial banks in California.

- Certificates of deposit or other interest-bearing accounts in any bank in California insured by the Federal Deposit Insurance Corporation.

- Investment certificates or shares in any state or federally chartered savings and loan association insured by the Federal Savings and Loan Insurance Corporation.

- Investments of the type and in the manner provided in *Prob. Code § 15001 et seq.*

For additional discussion of the investment rules applicable to trustees in general, see Ch. 64A, *Testamentary Trusts: Trustee Provisions* .

Loans may not be made to any licensed funeral establishment; owner, director, officer, partner, or stockholder of a licensed funeral establishment; trustees of the trust funds; or partners, relatives, agents, or employees of any trustee or any licensed funeral establishment [*16 Cal. Code Reg. § 1263(b)*].

[d] Restrictions on Commingling Funds

Preneed funeral arrangement trust funds may not be mingled or commingled with the funds of any other person, firm, or corporation, except that preneed funeral trust funds received and held by a single trustee or a single set of trustees may be commingled for investment [*16 Cal. Code Reg. § 1268*].

[4] Accounts and Records

[a] Maintenance and Retention Requirements

Each funeral establishment that enters into a preneed funeral arrangement trust agreement must maintain, or see that the trustee maintains, complete financial records of all preneed contracts and arrangements. These records must be maintained in California, must be available for inspection by the Bureau during reasonable working hours, and must be established and maintained in accordance with generally accepted accounting principles [*see 16 Cal. Code Reg. § 1267* (specific requirements); the State Board of Funeral Directors and Embalmers referred to in this regulation is now the Cemetery and Funeral Bureau; *see Bus. & Prof. § 7602*].

All records must be retained for one year after the account has been cancelled or serviced and audited by the Bureau and all recommendations have been complied with and all audit exceptions resolved, or for seven years from the date of service or cancellation, whichever comes first [*16 Cal. Code Reg. § 1267(j)*; the State Board of Funeral Directors and Embalmers referred to in this regulation is now the Cemetery and Funeral Bureau; *see Bus. & Prof. § 7602*].

[b] Annual Trust Fund Report

Each licensed funeral establishment and each licensed funeral director who enters into any preneed funeral arrangements, contracts, or plans must file annually with the Bureau on or before May 1 of each year, or on the transfer of a license or the cessation of business, a written verified or audited report of the funds received and held under the agreement on a form furnished by the Bureau. Firms that use a fiscal year accounting system may ask the executive officer, in writing, for permission to report on a fiscal year basis. If permission is given, the report must be filed within 120 days from the close of the firm's fiscal year [*see 16 Cal. Code Reg. § 1269* (specific requirements); the State Board of Funeral Directors and Embalmers referred to in this regulation is now the Cemetery and Funeral Bureau; *see Bus. & Prof. § 7602*].

PRACTICE TIP:

An annual report form for this purpose, entitled "Preneed Trust Fund Report," is available online on the Bureau's website [www.cfb.ca.gov].

Two or more funeral establishments that use a common preneed trust fund may have the trustee of that fund file one combined annual report, provided each funeral establishment's information is disclosed separately [*16 Cal. Code Reg. § 1269(f)*].

[c] Declaration of Nonreporting Status

A funeral establishment that is otherwise exempt from the requirement of filing an annual preneed trust report (e.g., a funeral establishment that does not have any preneed contracts or arrangements), or whose preneed trust funds are reported in a combined preneed annual trust report [*see* [b], *above*], must file annually a declaration of non-reporting status with the Bureau [*Bus. & Prof. Code § 7746(a)*]. The declaration must be filed on or before May 1 of each year and also on the transfer of ownership or the cessation of business [*Bus. & Prof. Code § 7746(b)*].

PRACTICE TIP:

An annual report form for this purpose, entitled "Preneed Funeral Trust Fund Declaration Of Non-Reporting Status," is available online on the Bureau's website [www.cfb.ca.gov].

[d] Commingled Trust Fund Audit Report

All commingled preneed trust funds held by a funeral establishment [*see* [3][d], *above*] must be subjected to an annual independent certified financial audit. A copy of the audit must be submitted to the Bureau within 120 days of the close of the fund's fiscal year. Any noncompliances found by the auditor must be reported to the Bureau in a separate report [*Bus. & Prof. Code § 7737.3*].

[5] Commingling With Special Endowment Care Fund Prohibited

A licensed funeral establishment that is also a licensed cemetery authority may not deposit any money or securities received in connection with preneed funeral arrangements into a special endowment care fund [*see Health & Safety Code §§ 8775-8779.5*]. Likewise, a licensed funeral establishment may not permit the deposit of any money or securities received in connection with a special endowment care fund into a preneed funeral trust fund. However, any such investment lawfully entered into and existing on December 31, 1981, need not be liquidated or converted [*Bus. & Prof. Code § 7738*].

[6] Revocability of Trust

If the beneficiary of a preneed funeral trust is a recipient of public assistance under the provisions of *Welf. & Inst. Code § 11158(a)* or *Welf. & Inst. Code § 12152(e)(1)* (and provided the value limitations of these statutes are not exceeded), the trust agreement may provide that the trust is irrevocable [*Bus. & Prof. Code § 7737*]. Moreover, because the corpus of a revocable preneed funeral trust is considered part of the beneficiary's personal property for purposes of determining his or her eligibility for public assistance [*see Welf. & Inst. Code §§ 11158(a), 12152(e)(1)*], it is advisable that such a trust be irrevocable.

If the beneficiary of the preneed trust is not a recipient of public assistance, the trust agreement must provide that the trustor or his or her representative may revoke the trust at any time before the funeral establishment furnishes the merchandise and services provided for in the contract. If, however, the trustor becomes otherwise eligible for public assistance [*see Welf. & Inst. Code §§ 11158(a), 12152(e)(1)*], he or she may agree at that time that the trust will be irrevocable [*Bus. & Prof. Code § 7737*].

[7] Delivery of Preneed Contract to Survivor

Every funeral establishment must present to the survivor of the deceased (or the responsible party handling the funeral arrangements) a copy of any preneed agreement that has been signed and paid for by or on behalf of the deceased and that is in the possession of the funeral establishment. The copy may be presented in person, by certified mail, or by facsimile transmission, as agreed on by the survivor of the deceased or the responsible party. A funeral establishment that knowingly fails to present a preneed agreement to the survivor of the deceased or the responsible party will be liable for a civil fine equal to three times the cost of the preneed agreement, or $1,000, whichever is greater [*Bus. & Prof. Code § 7745*].

PART II. LEGAL BACKGROUND
G. Funeral Services

30-92 California Legal Forms--Transaction Guide § 92.92

§ 92.92 Funeral Societies

A funeral society is a nonprofit organization designed to enable its members to arrange in advance for the funerals of themselves and members of their immediate families. Such an organization generally includes in its title the words "funeral society" or "memorial society" or "memorial association" or "memorial-funeral society." "Funeral society" will be used consistently in this chapter to refer to such an organization.

The avowed purposes of funeral societies are to enable their members to do the following:

- Obtain funerals at a cost less than would otherwise have to be paid.
- Determine the funeral arrangements in advance of death so that the decision can be made in an atmosphere free of emotional vulnerability and stress.
- Avoid elaborate funeral rites, since they take the position that such rites act as a distraction to the commemoration of the deceased and fail to compensate for the loss of a loved one.

A funeral society enters into contracts with various funeral establishments in the area served by it whereby the funeral establishments agree to provide basic funeral services at specified rates for the society members and their immediate families [*see § 92.262* for a typical contract of this type]. The cost of joining a funeral society generally is a specified sum (such as $30) for a lifetime membership.

PRACTICE TIP:
The Funeral Consumers Alliance is a useful resource for obtaining information about funeral societies in California. Its website [www.funerals.org] provides a database of funeral societies throughout the United States and helpful consumer information about funeral services.

NOTE:
Some service providers may be required to carry insurance in order to perform particular services [***see** § 92.115*].

PRACTICE TIP:
Many trade and other industry associations offer a certification program as a way to insure high standards within their profession or industry. For example, alarm company operators may apply to have a central monitoring system listed by Underwriter's Laboratories Inc. as meeting certain industry standards. If representing a customer, it is desirable to check whether the service provider has obtained such a certification. If representing the service provider, an industry certification is useful in marketing services, but it should be not included in the contract. The certification may or may not continue for the duration of the contract and may give the customer a basis to claim reliance on an unintended representation of a certain level of competence or service.

PART III. TRANSACTION GUIDE
B. Preliminary Determinations

30-92 California Legal Forms--Transaction Guide § 92.110

§ 92.110 Need for Written Agreement--Statute of Frauds

1. Determine whether statute of frauds [*see Civ. Code § 1624*; *see also § 92.10*] requires contract to be in writing:

NOTE:
The following list includes only those portions of the statute of frauds that may be applicable to service contracts. For a complete list of contracts covered by that statute, see *Ch. 75*, ***Formation of Contracts and Standard Contractual Provisions****, § 75.115*.

a. Agreement that by its terms is incapable of being performed within one year of its making.

b. Agreement authorizing or employing agent, broker, or other person to buy or sell real estate, or to lease real estate for period of more than one year for compensation or commission.

c. Agreement authorizing or employing agent, broker, or other person to procure, introduce, or find buyer or seller of real estate or lessee or lessor of real estate when lease is for period of more than one year, for compensation or commission.

d. Agreement that by its terms is not to be performed during lifetime of promisor.

2. Determine whether statute or regulation governing particular type of service or transaction requires contract to be in writing.

NOTE:

Because of the wide variety of service contracts, and the fact that new legislation regulating additional types of services is frequently enacted, no attempt is made here to list all statutes and regulations governing service contracts. Contract requirements generally are imposed in conjunction with licensing or permit requirements for the performance of particular services, or on contracts containing the potential for fraud by the service provider, such as those providing for payment in installments. A partial list of these statutes and regulations is set forth in the Research Guide. Particular statutes and regulations that govern the contracts set forth as forms in this chapter are discussed in the comments to those forms.

3. If written contract is not required [*see* P 1, *above*], determine whether other type of writing is required by statute or regulation.

NOTE:

For example, the Electronic and Appliance Repair Dealer Registration Law [*Bus. & Prof. Code § 9800 et seq.*] and the Automotive Repair Act [*Bus. & Prof. Code § 9880 et seq.*] require the person providing repairs to provide the customer with a written invoice and estimate of charges [***see*** *Bus. & Prof. Code §§ 9842, 9844* (electronic repairs); ***see also*** *Bus. & Prof. Code §§ 9884.8, 9884.9* (automotive repairs)].

4. If written agreement is not required by law, determine whether agreement should nonetheless be in writing for either of following reasons:

a. Written form is customarily used for that type of service.

b. Possibility of misunderstanding between parties could result in hardship to either or both parties.

NOTE:

Many service contracts are not required to be in writing [***see*** *§ 92.10*]; but, with the possible exception of services that are small in scope and brief in duration, it is generally advisable to reduce the parties' understanding to a written agreement. By setting forth the agreed-upon terms of the parties' bargain, a written contract may prevent litigation that could arise in the absence of specificity. Thus, the remainder of this Transaction Guide assumes that a written contract will be drafted.

30-92 California Legal Forms--Transaction Guide § 92.111

§ 92.111 Parties to Contract

1. Determine whether parties to contract have legal capacity to enter into contract:

NOTE:
All contracts must contain the consent of parties capable of contracting [*Civ. Code § 1550*; ***see*** *Civ. Code §§ 1565-1590*]. For a more detailed discussion of this requirement, see *Ch. 75,* ***Formation of Contracts and Standard Contractual Provisions****, § 75.11[2]*.

a. If party to contract is corporation, determine whether specific resolution authorizing execution of contract is required, and if so, whether it has been adopted.

b. If agent, employee, or attorney-in-fact will sign on behalf of party, determine whether that person has been granted authority to do so.

c. Determine whether any party is a minor.

NOTE:
Special considerations apply when a minor is involved. For a discussion of the capacity of minors to form contracts, see *Ch. 100B,* ***Contracts and Employment of Minors****, §§ 100B.20-100B.23*.

2. Verify that consent to contract is given freely [*see Civ. Code §§ 1565-1568*].

NOTE:
Apparent consent is not valid if obtained through duress, menace, fraud, undue influence, or mistake [*Civ. Code § 1567*; ***see*** *Ch. 75,* ***Formation of Contracts and Standard Contractual Provisions****, §*

75.11[2][a]].

§ 92.112 Lawful Object of Contract

1. Determine whether proposed services meet following criteria:

NOTE:
For a detailed discussion of the statutory requirements regarding the purpose of a contract, see *Ch. 75, **Formation of Contracts and Standard Contractual Provisions**, § 75.11[3]*.

a. Lawful at time of execution [*Civ. Code §§ 1550, 1595-1599*].

b. Possible and ascertainable by time of performance.

2. If service provider is corporation, association, limited liability company, or partnership, determine whether basic organizational documents do either of following [*see § 92.102*]:

a. Prohibit or restrict proposed contractual activity.

b. Authorize, prohibit, or restrict entity's agents or employees from providing proposed services.

§ 92.113 Term of Agreement

1. Determine what term of agreement should be, considering following options:

a. Term of short duration with exact date and, if appropriate, exact time, for expiration [*see, e.g., § 92.242[2],* P 5].

b. Term to commence on specified date and continue until terminated by advance written notice by one party [*see, e.g., § 92.200[2],* P 1].

c. Term for definite length, with right to terminate by advance written notice [*see, e.g., § 92.202[2],* P 1 (second alternative)].

d. Specific term without right of prior termination [*see, e.g., § 92.202[2],* P 1 (first alternative)].

NOTE:
This type of provision may be appropriate when one of the parties must substantially change position in order to enter into the contract. For example, the service provider may purchase expensive specialized equipment in order to perform the intended services.

e. Term for one year, to be automatically renewed for annual periods thereafter unless either party terminates by advance written notice [*see, e.g., § 92.203[2],* P 1].

f. Term that is terminable at any time by advance written notice [*see, e.g., § 92.210[2],* P 1].

§ 92.114 License or Registration Requirements

1. Determine whether service provider must obtain license or registration from governmental entity before performing any services.

NOTE:

It is unlawful for some services to be performed unless a license or registration to carry on that service has been obtained from the appropriate governmental entity. For discussion of license and registration requirements relating to service contracts covered in this chapter, see *§ 92.40[4]* (private patrol and security guard personnel), § 92.41[4] (alarm company operators and alarm agents), §§ 92.50[3], 92.51[6] (electronic and appliance service dealers), § 92.53[1][d] (automotive repair dealers), § 92.53[2][d] (obligors of vehicle service contracts), § 92.54[4] (home protection companies), § 92.82[5] (credit services organization), and § 92.90[5] (funeral establishments and funeral directors).

2. Determine whether service provider must obtain specific certification from appropriate governmental agency before providing services.

NOTE:

For example, a company that provides full service maintenance services on elevators must be certified by the Division of Occupational Safety and Health [***see*** *Lab. Code § 7300.1(g), (p)*; ***see also*** *§ 92.30[3][a]*].

30-92 California Legal Forms--Transaction Guide § 92.115

§ 92.115 Insurance and Bond Requirements

1. Determine whether service provider is required to obtain and post bond.

NOTE:

Many service businesses are required to obtain and post a bond with the state [***see, e.g.,*** *Bus. & Prof. Code § 8697* (structural pest control operator); *Civ. Code § 1812.503(a)-(m)* (employment agency); *Civ. Code § 1812.515* (job listing service); *Civ. Code § 1812.510* (employment counseling service); *Civ. Code § 1812.525* (nurses' registry); *Civ. Code § 1789.18* (credit services organization)].

2. Determine whether service provider is either required or advised to carry insurance.

NOTE:

For example, if the service provider will use a car in the performance of services, auto insurance must be obtained [***see*** *Veh. Code § 16020*]. In contracts with the risk of substantial damages in the event of negligence on the part of the service provider, such as an elevator maintenance contract, a customer may require that the service provider carry public insurance liability insurance [***see*** *§ 92.202[2]*, P 12].

§ 92.116 Advertising Requirements

1. Determine whether service provider plans to advertise services prior to execution of contract.

NOTE:
Advertisements for services are subject to various requirements [***see*** Ch. 50, ***Advertising and Promotion***]. Specific regulations govern certain service contracts. For example, there are specific advertising requirements and restrictions for electronic and appliance repair dealers [***see*** *§ 92.50[9]*] and employment agencies [***see*** *§ 92.70[7]*].

2. Review any proposed or actual advertising used by service provider with respect to performance of services.

NOTE:
The attorney drafting the service contract should ensure that the contract provisions reflect any representations made in advertisements relating to the services.

PART III. TRANSACTION GUIDE
B. Preliminary Determinations

30-92 California Legal Forms--Transaction Guide § 92.117

§ 92.117 Content of Contract

1. Determine whether particular category of contract is subject to statutes or regulations imposing specific content requirements.

NOTE:

Many licensing statutes (or their implementing regulations) require or prohibit certain provisions in contracts for the type of services or activities being licensed. For example, particular statutes and regulations govern the contents of elevator maintenance contracts [***see*** *§ 92.202[1][b]*], alarm system installations [***see*** *§ 92.212[1][b]*], service contracts for electronics, appliances, and other consumer products [***see*** *§ 92.222[1][c]*], home protection contracts [***see*** *§ 92.225[1][b]*], employment agency contracts [***see*** *§ 92.240[1][b]*], job listing contracts [***see*** *§ 92.242[1][b]*], employment counseling contracts [***see*** *§ 92.243[1][b]*, nurses' registry contracts [***see*** *§ 92.244[1][b]*], credit services contracts [***see*** *§ 92.252[1][c]*], funeral contracts [***see*** *§ 92.260[1][c]*], and preneed funeral trust agreements [***see*** *§ 92.261[1][b]*].

2. Determine whether agreement meets following criteria of "retail installment contract" for performance of work, labor, or services [*Civ. Code § 1802.6*; *see Civ. Code §§ 1799.90* ("consumer credit contract" defined), 1802.2 ("services" defined), 1802.5 ("retail installment sale" defined)]:

NOTE:

Under the Unruh Act ("Act") [*Civ. Code § 1801 et seq.*], "retail installment contracts" must contain certain disclosure statements [***see*** *Ch. 45,* ***Consumer Installment Loans and Credit Sales****, §§ 45.60-45.67*]. The Act does not cover the services of physicians or dentists, or services for which the tariffs, rates, charges, costs, or expenses, including the deferred payment price, are required by law to be filed with and approved by the federal government or any official, department, division, commission, or agency of the United

States [*Civ. Code § 1802.2*].

For further discussion of the Act, see Ch. 45, ***Consumer Installment Loans and Credit Sales*** . For a discussion of the provisions of the Act dealing with "open-end" (revolving) credit, see Ch. 46, ***Credit Card and Other Open-End Credit Transactions*** .

a. Services involved are primarily for personal, family, or household purposes.

b. Contract will be entered into or performed in California.

c. Services will be furnished by retail seller to retail buyer for deferred payment price.

d. Customer is required to pay finance charge (or higher price than if paid by cash or credit card), or amount due is payable in more than four installments.

3. Determine whether service contract is offered in addition to or instead of express warranty under Song-Beverly Consumer Warranty Act [*see Civ. Code § 1790 et seq.*; *see also § 92.52[2]*].

NOTE:

Any express warranty offered by a manufacturer on its products sold in California or service agreement offered in addition to or instead of an express warranty must comply with the provisions of the Song-Beverly Consumer Warranty Act [*Civ. Code §§ 1793.2(a)(1)(A), 1794.4(a)*].

4. Determine whether service contract between consumer and retailer with 25 or more employees for service or repair of merchandise requires presence of consumer at time service or repair [*see Civ. Code § 1722*].

NOTE:

In the case of a service contract for electronics, appliances, or other consumer products, if the retailer has 25 or more employees and the service or repair of merchandise requires the presence of the consumer, the retailer and consumer must agree, prior to the date of service or repair, on a four-hour period within which the service or repair must be commenced [*Civ. Code § 1722(a)(1)*; ***see*** *§ 92.51[9]*].

5. Determine whether any other laws applicable to proposed services require or prohibit particular provisions.

NOTE:

Often contracts for services that will be performed over a long period of time or that may otherwise result in fraud on the part of the service provider are required to contain warnings or disclosures to the potential customer. For example, a contract for discount buying services must make various disclosures regarding the service provider [***see*** *Civ. Code § 1812.107*]. Other services that require specific disclosures to the customer include alarm system installations [***see*** *§ 92.212[1][b]*], electronic and appliances repairs [***see*** *§§ 92.220[1][d], 92.221[1][c]*], express warranties for consumer goods [***see*** *§ 92.223[1][b]*], consumer credit reporting services [***see*** *§ 92.80[2][r]-[t]*], investigative consumer reporting services [***see*** *§ 92.81[2][e]*], services to improve credit rating or obtain credit [***see*** *§ 92.82[6]*], and debt collection services [***see*** *§ 92.83[3]*].

B. Preliminary Determinations

30-92 California Legal Forms--Transaction Guide § 92.118

§ 92.118 Lien Rights

NOTE:
This section applies only to contracts that require services to be provided to a customer's personal property. Liens may be created by operation of law or by contract of the parties [*Civ. Code § 2881*].

1. Determine whether any statute provides for possessory liens on property to be serviced.

NOTE:
Various statutes give a special lien, dependent on possession, to persons who repair, improve, store, or protect personal property, for the compensation due for those services. Some of the more common liens for services of personal property include those for laundry and dry cleaning, veterinary services, watches, clocks, jewelry, motor vehicles, and freight services [***see*** *§ 92.55*]. For an extensive list of those liens, see Ch 102A, ***Personal Property Liens*** .

2. Determine whether service contract should give service provider lien rights over property to be serviced.

NOTE:
A person who repairs personal property at the request of the owner has a statutory lien on that property for the reasonable charges for work and materials furnished [*Civ. Code § 3051*]. However, in some cases, it is advisable to also create a contractual lien [***see*** *Civ. Code § 2881*], especially if the time required for enforcement of the statutory lien negates any value to be obtained from the lien.

For example, in the case of boarding contracts for animals, a lien is created by statute [***see*** *Civ. Code § 3051*]. However, boarding costs for the statutory period preceding sale may well exceed the market value

of the animal involved. Therefore, the parties may wish to create, by contract, a lien with a shorter enforcement period [***see, e.g.,*** *§ 92.226[2]*, P 5].

30-92 California Legal Forms--Transaction Guide § 92.119

§ 92.119 Assignment and Survival of Contract

1. Determine whether contract will be assignable:

a. Determine whether assignment is prohibited or restricted by statute.

NOTE:
A promisor may not transfer the burden of an obligation without the consent of the promisee [*Civ. Code § 1457*]. The laws governing a particular type of service may contain other restrictions or prohibitions on assignment.

b. Determine whether contract is for personal services.

NOTE:
Contracts for personal services in which the skill, credit, or other personal quality of the promisor is a distinctive characteristic or a material inducement to the contract generally are not assignable [***see § 92.13***]. However, this rule does not apply to corporations, which cannot perform personal functions [***see*** *Haldor v. Beebe (1945) 72 Cal. App. 2d 357, 365, 164 P.2d 568]* .

2. If contract is assignable, determine whether any laws specify procedures for making assignment.

NOTE:
For example, *Civ. Code § 1812.88* sets forth requirements for making an assignment of a contract for health studio services.

3. Determine whether contract will survive death or disability of either party [*see § 92.14*]:

a. Determine whether contract is for personal services.

b. Determine whether services could be performed in an equally satisfactory manner by someone other than promisor.

NOTE:

Generally, contracts for personal services will not bind the administrator or executor of an estate, unless the services could be performed in an equally satisfactory manner by someone other than promisor-decedent. In that situation, the obligation to perform those services will survive, despite the apparently "personal" nature of those services [*Didier v. American Casualty Co. (1968) 261 Cal. App. 2d 742, 750, 68 Cal. Rptr. 217]* .

30-92 California Legal Forms--Transaction Guide § 92.120

§ 92.120 Format and Delivery of Written Contract

1. Determine whether there are any specific format requirements imposed by statute or regulation.

NOTE:

For example, the statutory provisions required in some types of service contracts and forms must be in boldface type or a certain size print [***see, e.g.,*** *§ 92.220[1][d]* (receipt/estimate form for electronic and appliance repairs), § 92.221[1][c] (invoice form for electronic and appliance repairs), § 92.240[1][b], [c] (employment agency contract), § 92.242[1][b], [c] (job listing service contract), § 92.243[1][b], [c] (employment counseling service contract), § 92.244[1][b], [c] (nurses' registry contract), § 92.252[1][b], [c] (credit services contract), and § 92.260[1][c] (funeral services contract)].

2. Determine whether there are any execution or filing requirements imposed by statute or regulation.

NOTE:

For example, an original and duplicate contract must be executed for each transaction between an employment agency and a customer. The original must be given to the applicant, and the duplicate must be kept on file by the agency [***see*** *Civ. Code § 1812.504*; *see also § 92.240[1][c]*]. Similar requirements apply to job listing service contracts [***see*** *Civ. Code § 1812.516*; *see also § 92.242[1][c]*], employment counseling service contracts [***see*** *Civ. Code § 1812.511*; *see also § 92.243[1][c]*], and nurses' registry contracts [***see*** *Civ. Code § 1812.526*; *see also § 92.244[1][c]*].

3. Determine whether contract form itself must be approved by governmental agency before service provider offers services.

NOTE:

For example, a form for a service contract for electronics, appliances, and other consumer products must be filed with the Director of the Department of Consumer Affairs prior to its use [*Bus. & Prof. Code § 9855.3(a)*; ***see*** *§ 92.50[6]*].

30-92 California Legal Forms--Transaction Guide

NOTE:

Because this Part is intended as a general drafting guide to service contracts, it does not attempt to list the provisions of any one particular type of contract. The elements that are essential to every contract are discussed in *§ 92.110-§ 92.113* [***see*** *Civ. Code § 1550*]. Provisions required by law for certain types of contracts are discussed in *§ 92.114*, and *§ 92.115-§ 92.120* discuss various other provisions that may be appropriate for some service contracts. Particular requirements for the service contracts set forth as Forms for this chapter are discussed in the comments to those Forms.

For a general guide to drafting contracts, see *Ch. 75,* ***Formation of Contracts and Standard Contractual Provisions****, § 75.130* et seq.

In practice, of course, a great many service contracts are drafted as standard preprinted forms that contain blanks for the identity of the customer, the price, and other nonstandard information. An attorney who uses the following guide to draft such a standard form agreement should simply provide adequate blank space for those nonstandard items of information that must be completed at the time the parties actually enter into the contract.

NOTE:
For a discussion and example of recitals, see *Ch. 75,* ***Formation of Contracts and Standard Contractual Provisions****, § 75.221*.

2. Include recital describing business of service provider, including reference to license, if required [*see, e.g., § 92.210[2]* (security patrol service contract)].

3. If customer's real property will be serviced, state customer's interest in property, such as [*see § 92.200[2]*]:

a. Customer is owner of property.

b. Customer is tenant of property, with full rights to contract for intended services.

CHAPTER 92 SERVICE CONTRACTS
PART III. TRANSACTION GUIDE
D. Drafting Guide to Service Contracts

30-92 California Legal Forms--Transaction Guide § 92.142

§ 92.142 Description of Services

1. Describe services to be performed:

NOTE:
Although the general purpose of the contract is often set forth in the recitals [***see § 92.141***], the specific details of the services should be described.

a. In one or more contract provisions; or

NOTE:
For examples of provisions describing in detail within the body of the contract the services to be performed, see *§ 92.200[2],* P 2 and § 92.201[2], P 2.

b. By reference to an attached document.

NOTE:
For an example of this method of describing the services, see *§ 92.261[2],* P 4(a).

2. If customer's personal property will be serviced, describe property to be serviced.

NOTE:
For example, if an item of personal property to be serviced is unique or valuable, such as a piece of jewelry, the contract should include a detailed description of the property to be serviced. Similarly, an estimate form for automobile repairs should include the license number of the vehicle.

3. Specify when services will be performed:

a. Once, at specified time [*see, e.g., § 92.260[2]*, P 1].

b. Once, with performance partially dependent on customer [*see, e.g., § 92.240[2]*, PP 1, 3].

c. For one specified period [*see, e.g., § 92.226[2]*, P 1].

d. For specified period of time each day during term of agreement [*see, e.g., § 92.213[2]*, P 2].

e. At specified times each day [*see, e.g., § 92.210[2]*, P 2(a)].

f. Specified number of times each week [*see, e.g., § 92.200[2]*, P 2].

g. Specified number of times weekly during particular seasons [*see, e.g., § 92.201[2]*, P 2].

h. Weekly or monthly [*see, e.g., § 92.202[2]*, P 4].

i. Bimonthly or semi-annually [*see, e.g., § 92.203[2]*, P 3].

j. At times to be mutually agreed upon [*see, e.g., § 92.222[2]*, P 12].

k. At irregular times during term of agreement [*see, e.g., § 92.250[2]*, P 4].

l. Whenever needed to keep equipment in good working order and repair [*see, e.g., § 92.212[2]*, P 2(d)].

m. On request of customer [*see, e.g., § 92.225[2]*, P 3].

4. If desired, include provision for additional services when required by customer [*see, e.g., § 92.202[2]*, P 8(b)].

CHAPTER 92 SERVICE CONTRACTS
PART III. TRANSACTION GUIDE
D. Drafting Guide to Service Contracts

30-92 California Legal Forms--Transaction Guide § 92.143

§ 92.143 Compensation

1. Include one of following provisions specifying how service provider will be compensated:

NOTE:

All contracts must contain a sufficient cause or consideration [*Civ. Code § 1550*; ***see*** *Civ. Code §§ 1605-1615*]. For a detailed discussion of this requirement, see *Ch. 75,* ***Formation of Contracts and Standard Contractual Provisions****, § 75.11[4]*.

a. Lump sum.

NOTE:

This type of provision is appropriate if the service will be performed at a known time shortly after execution of the contract [***see, e.g.,*** *§ 92.260[2]*], or if the time of performance is unknown but the exact services and compensation are specified [***see, e.g.,*** *§ 92.261[2]*].

b. Fixed amount per month [*see, e.g., § 92.200[2],* P 5].

NOTE:

This method is generally used when the amount of the services rendered each month is expected to be more or less constant. If the amount of services to be rendered will vary at different seasons of the year, the contract can provide for different rates for different seasons [***see, e.g.,*** *§ 92.201[2],* P 5].

c. Initial fee plus fixed monthly amounts [*see, e.g., § 92.212[2],* P 7].

d. Annual charge payable during first 30 days of each year that agreement is in effect [*see, e.g., § 92.203[2],* P 5].

NOTE:

This method is desirable when the services are performed less frequently than monthly, or the annual charge is relatively small with regard to the scope of the business involved.

e. Schedule of fixed charges for particular services that may be selected [*see, e.g., § 92.262[2],* P 1].

f. Contingent fee depending on degree of success achieved by service provider [*see, e.g., § 92.240[2],* P 5].

g. Specified amount for each hour expended by employees of service provider [*see, e.g., § 92.211[2],* P 7].

NOTE:

Compensation is generally determined by this method when the service provider will supply trained personnel for the customer's use, and no expenditures for materials are involved [***see, e.g.,*** *§ 92.211[2],* P 7(a)]. The contract should also include a provision requiring the service provider to furnish the customer with regular time sheets showing the hours expended in carrying out its contractual duties [***see, e.g.,*** *§ 92.211[2],* P 7(c)].

2. If appropriate, include provision for adjustment of compensation if conditions change:

a. Statement that compensation will be adjusted to reflect increases or decreases in cost to service provider of labor [*see, e.g., § 92.200[2],* P 5(b)], or parts and materials [*see, e.g., § 92.202[2],* P 9(c)].

b. Statement of additional compensation to be paid for anticipated additional work at irregular intervals [*see, e.g., § 92.211[2],* P 7(a)].

3. Include provision specifying manner of payment:

a. If service provider will be paid monthly, describe billing and payment procedures [*see, e.g., § 92.202[2],* P 9(d)].

b. If service provider will be paid annually, provide that customer will pay annual charge during specified period in each year that contract is in effect [*see, e.g., § 92.203[2],* P 5 (first 30 days of year)].

c. Payment in advance [*see, e.g., § 92.226[2],* P 2].

d. Payment due within certain number of days on completion of services [*see, e.g., § 92.240[2],* P 5].

e. Payment due on execution of contract [*see, e.g., § 92.212[2],* P 7(a)].

4. If contract is "retail installment contract" [*Civ. Code § 1802.6*; *see § 92.117*], ensure that all payment and finance provisions comply with the following:

NOTE:

The two acts listed below govern consumer credit terms in California. For a detailed discussion of their requirements, see Ch. 45, ***Consumer Installment Loans and Credit Sales*** . For an example of a retail

installment contract for services that complies with these acts, see *Ch. 45, **Consumer Installment Loans and Credit Sales**, § 45.225*.

a. Federal Truth in Lending Act [*15 U.S.C. § 1601 et seq.*; *see § 92.12[1][c]*].

b. Unruh Act [*Civ. Code § 1801 et seq.*; *see § 92.12[1][b]*].

5. If contract is not "retail installment contract" [*see* P 4, *above*], but interest will be imposed on delinquent accounts:

NOTE:
The detriment caused by breach of an obligation to pay money, only, is deemed to be the amount due with interest [*Civ. Code § 3302*]. Any legal rate of interest stipulated by a contract remains chargeable after a breach, until the contract is superseded by a verdict or other new obligation [*Civ. Code § 3289(a)*]. If a contract does not specify a legal rate of interest chargeable after a breach, the obligation will bear interest at a rate of 10 percent per annum [*Civ. Code § 3289(b)*].

a. Specify date on which interest will begin to accrue.

b. Specify interest rate not to exceed maximum legal rate.

6. If appropriate, include provision for reimbursement of expenses reasonably incurred by service provider.

7. If appropriate, add that travel expenses of service provider's representatives beyond specified distance will be charged to customer.

CHAPTER 92 SERVICE CONTRACTS
PART III. TRANSACTION GUIDE
D. Drafting Guide to Service Contracts

30-92 California Legal Forms--Transaction Guide § 92.144

§ 92.144 Statutory Requirements

NOTE:
Some provisions required by statute or regulation must follow format requirements, such as size or style of typeface [***see** § 92.120*].

1. If services are subject to license, registration, or certification requirements [*see § 92.114*], include provisions regarding current status of service provider.

NOTE:
For a sample provision requiring the service provider to maintain a specific certification, see *§ 92.202[2]*, P 3(a), (b).

2. If service contract is subject to statutory requirements for warnings or other disclosures to consumer, include required disclosures in contract.

NOTE:
For example, a contract and trust agreement for preneed funeral arrangements between a licensed funeral director and a customer must contain various disclosures and required statements [*Bus. & Prof. Code § 7735-7746*; ***see, e.g.,** § 92.261[2]*].

3. If contract will be used for solicitation of services not yet ordered or performed [*see § 92.170*], include statutory warning that contract constitutes solicitation only [*Civ. Code § 1716*].

NOTE:
The following warning must appear in conspicuous boldface capital letters of a color prominently contrasting with the background and at least as large, bold, and conspicuous

as any other print on the face of the solicitation but no smaller than 30-point type: "This Is Not a Bill. This Is a Solicitation. You Are Under No Obligation to Pay the Amount Stated Above Unless You Accept This Offer." [*Civ. Code § 1716(b)*].

4. If contract is a "home solicitation contract or offer" [*see § 92.171*], include the following [*Civ. Code § 1689.7*]:

a. On first page, name and address of seller to which notice of cancellation is to be mailed and date on which customer signed agreement.

b. In immediate proximity to space for customer's signature, statement of cancellation rights.

c. Completed form cancellation notice (in duplicate).

NOTE:
For a form containing the statutory cancellation provisions, see *§ 92.212[2]*. Although the service provider is required to provide a form containing those provisions, the notice of cancellation given by the customer need not be set forth on that particular form. A notice of cancellation, however expressed, is effective if it indicates the intention of the customer not to be bound by the home contract or offer [*Civ. Code § 1689.6(f)*].

5. If proposed services are subject to any specific statute or regulation governing contents of contract [*see § 92.117*]:

a. Include all required provisions.

NOTE:
For example, a contract for health studio services must include the customer's right to cancel the contract within a certain period, among other disclosures [***see*** *Civ. Code § 1812.85*].

b. Exclude any prohibited provisions.

NOTE:
For example, a contract for health studio services may not require payments or financing by the customer over a period exceeding three years from the date of execution, among other prohibited provisions [***see*** *Civ. Code § 1812.84*].

6. If desired, include provision stating that service provider will comply with all applicable federal, state, county, and city statutes, ordinances, and regulations [*see, e.g., § 92.202[2]*, P 10].

NOTE:
Such a provision may further state that if compliance is impossible, the service provider will immediately notify the customer of the reasons for noncompliance.

7. If agreement is service contract offered in addition to or instead of express warranty under Song-Beverly Consumer Warranty Act, include all of following [*Civ. Code § 1794.4(b), (c)*]:

NOTE:
The Song-Beverly Consumer Warranty Act [***see*** *Civ. Code § 1790 et seq.*] regulates service and repairs made under express and implied warranties on consumer goods [*Civ. Code §§ 1791(a), 1795.5*; ***see*** *§*

92.52[2]], as well as service contracts offered to a customer in addition to or in lieu of an express warranty [*Civ. Code § 1794.4(a)*; ***see*** *§ 92.51*]. Special rules apply to service contracts covering motor vehicles, home appliances, and home electronic products purchased for use in California [***see*** *Civ. Code § 1794.41(a)*; ***see also*** *§ 92.222[1]*].

a. Statement that service contract includes all services and functional parts that may be necessary to maintain proper operation of entire product under normal operation and service for duration of service contract and without additional charge.

b. Clear description and identification of covered product.

c. Point in time or event when term of service contract commences, and its duration measured by elapsed time or objective measure of use.

d. If enforceability of service contract is limited to original customer or persons other than every consumer owner of covered product during term of service contract, description of limits on transfer or assignment of service contract.

e. Description of any services, parts, characteristics, components, properties, defects, malfunctions, causes, conditions, repairs, or remedies excluded from scope of contract.

f. Any other limitations on application of language in (a), *above*, such as limit on total number of service calls.

g. Any additional services that service provider will provide.

h. Whether obligation of service provider includes preventive maintenance and, if so, nature and frequency of preventive maintenance that service provider will provide.

i. Whether customer has obligation to provide preventive maintenance or perform any other obligation and, if so, nature and frequency of preventive maintenance and of any other obligations, and consequences of noncompliance.

j. Step-by-step explanation of procedure that customer should follow to obtain performance of any obligation under service contract [*see Civ. Code § 1794.4(c)(5)*].

k. Explanation of steps that service provider will take to carry out its obligation under service contract.

l. Description of any right to cancel contract if customer returns product or product is sold, lost, stolen, or destroyed, or, if there is no right to cancel or right to cancel is limited, statement of that fact.

m. Information concerning availability of any informal dispute settlement process.

8. If agreement is service contract covering motor vehicle, home appliance, or home electronic product purchased for use in California, include all information in P 7, *above*, and all of following [*Civ. Code § 1794.41(a)*]:

NOTE:

For any service contract subject to the provisions of the Electronic and Appliance Repair Dealer Registration Law [***see*** *§ 92.50*], the form of the contract to be issued by a service provider must be filed

with the Director of the Department of Consumer Affairs (which oversees the Bureau of Electronic and Appliance Repair) prior to its use [*Bus. & Prof. Code § 9855.3(a)*; ***see*** *Bus. & Prof. Code § 9855.9* (requirement slated for repeal on January 1, 2013, absent contrary legislation prior to that date)]. Other provisions apply to service contracts for motor vehicles, home appliances, and home electronic products [***see*** *Civ. Code § 1794.41*; ***see also*** *Ins. Code § 12800 et seq.* (vehicle service contracts)]. For discussion of *Civ. Code § 1794.41*, see *§ 92.222[2][e], [f], [g]*. For discussion of *Ins. Code § 12800 et seq.*, governing vehicle service contracts, see *§ 92.53[2]*].

a. Unless contract provides for longer period, provision for cancellation of contract by purchaser and refund of full amount paid if purchaser has made no claim against contract and provides written notice of cancellation to person specified in contract within:

(1) 30 days after receipt of contract covering used motor vehicle without manufacturer's warranty, home appliance, or home electronic product; or

(2) 60 days after receipt of contract covering other than used motor vehicle without manufacturer's warranty, home appliance, or home electronic product.

NOTE:
If the purchase of the service contract was financed, the seller may make the refund payable to the purchaser, the assignee, or lender of record, or both [*Civ. Code § 1794.41(a)(4)(C)*].

Refunds on cancellation are made on a pro rata basis if a claim has been made within the first cancellation period. Pro rata refunds are based on either elapsed time or an objective measure of use, such as mileage or the retail value of any service performed, at the seller's option as indicated in the contract [*Civ. Code § 1794.41(a)(4)(A), (B)*].

b. Unless contract provides for longer period for obtaining full refund, provision allowing pro rata refund of contract price to purchaser on written notice of cancellation to person specified in contract after:

(1) 30 days after receipt of contract covering used motor vehicle without manufacturer's warranty, home appliance, or home electronic product; or

(2) 60 days after receipt of contract covering other than used motor vehicle without manufacturer's warranty, home appliance, or home electronic product.

NOTE:
If the purchase of the service contract was financed, the seller may make the refund payable to the purchaser, the assignee, or lender of record, or both [*Civ. Code § 1794.41(a)(4)(C)*].

All pro rata refunds are based on either elapsed time or an objective measure of use, such as mileage or the retail value of any service performed, at the seller's option as indicated in the contract [*Civ. Code § 1794.41(a)(4)(A), (B)*].

9. If service contract is between consumer and retailer with 25 or more employees for service or repair of merchandise requiring presence of consumer at time service or repair is to be done, include provision stating that on receipt of

request for service under contract, retailer and consumer must agree, prior to date of service or repair, on four-hour period within which service or repair will be commenced [*Civ. Code § 1722(a)(1)*; *see § 92.222[2]*, P 12].

10. If agreement is express warranty of consumer product by its manufacturer, include all of following [*see 15 U.S.C. § 2302(a)*; *see also § 92.223*]:

NOTE:

Every manufacturer, distributor, or retailer making express warranties with respect to consumer goods must set forth the warranties in simple and readily understood language, and must clearly identify the party making the express warranty. Express warranties on consumer goods must conform to federal standards for warranty terms and conditions, which require the following information [*Civ. Code § 1793.1(a)*; ***see*** *15 U.S.C. § 2302(a)*].

a. Clear identification of names and addresses of warrantors.

b. Identity of party or parties to whom warranty is extended.

c. Product or parts covered.

d. Statement of what warrantor will do, at whose expense, and for what period of time, in event of defect, malfunction, or failure to conform with written warranty.

e. Statement of what consumer must do and expenses consumer must bear.

f. Exceptions and exclusions from terms of warranty.

g. Step-by-step procedure that consumer should take to obtain performance of any obligation under warranty, including identification of any person or class of persons authorized to perform obligations set forth in warranty.

h. Information relating to availability of any informal dispute settlement procedure offered by warrantor and recital, if warranty so provides, that purchaser may be required to resort to procedure before pursuing any legal remedies in courts.

i. Brief, general description of legal remedies available to consumer.

j. Time at which warrantor will perform any obligations under warranty.

k. Period of time within which, after notice of defect, malfunction, or failure to conform with warranty, warrantor will perform any obligation under warranty.

l. Characteristics or properties of products or parts not covered by warranty.

m. Elements of warranty in words or phrases that would not mislead reasonable, average consumer about nature or scope of warranty.

n. Statement to buyer: "This warranty gives you specific legal rights, and you may also have other rights which vary from state to state" [*see 16 C.F.R. § 701.3(a)(9)*].

§ 92.145 Time for Performance

1. If appropriate, include one of following provisions:

a. That services will be performed only during service provider's regular working hours on regular working days [*see, e.g., § 92.202[2]*, P 8(a)].

NOTE:
Contracts of this type generally include another provision for increased compensation if service during overtime is requested by the customer [***see*** *§ 92.202[2]*, P 8(b)].

b. That emergency service will be provided 24 hours a day, seven days a week at no additional cost [*see, e.g., § 92.212[2]*, P 3(b)].

2. If retailer has 25 or more employees and consumer must be present for service or repair of merchandise under contract, add provision setting forth all of following [*Civ. Code § 1722(a)(1)*; *see § 92.222[2]*, P 12]:

a. Parties' agreement that presence of consumer is required at time of service or repair.

b. Consumer's obligations to request service or repair under contract and to be present during mutually agreed on period specified for commencement of service or repair.

c. Retailer's obligations, on receipt of request for service or repair under contract, to specify, before date of service or repair, four-hour period within which service or repair will be commenced and to commence service or repair during specified period.

NOTE:
If the service or repairs do not begin within the agreed on four-hour period, the consumer

may with certain exceptions bring an action in small claims court for lost wages, expenses actually incurred, or other actual damages not exceeding $600 [***see*** *Civ. Code § 1722(a)(2)*]. No action is valid if the consumer was not present when service or repair was attempted during the period, or if the retailer made a diligent effort to notify the consumer by telephone or in person of a delay caused by unforeseen or unavoidable occurrences beyond the retailer's control [*Civ. Code § 1722(a)(3)*]. If notification is by telephone, the retailer must leave a telephone number for a return call by the consumer, to enable the consumer to arrange a new two-hour period for delivery, service, or repair [*Civ. Code § 1722(a)(3)*]. Any provision included in the contract in which the consumer or subscriber agrees to modify or waive these rights is void as against public policy [*Civ. Code § 1722(d)*].

3. Describe types of delays or failure of performance that do not give rise to breach [*see, e.g., § 92.200[2]*, P 8].

NOTE:

Typical provisions excuse delays caused by labor disputes, acts of God, or causes beyond service provider's control.

1. If appropriate, provide that any materials or parts needed for proper service will be supplied by service provider:

a. At no additional cost [*see, e.g., § 92.201[2]*, P 3].

b. At no additional cost, except that certain specified materials are to be supplied by customer [*see, e.g., § 92.200[2]*, P 3].

c. Cost to be adjusted by reference to an industry index [*see, e.g., § 92.202[2]*, P 9(c)].

2. If service involves maintaining heavy equipment and supplying any necessary parts:

NOTE:
The service provider may want to protect itself with regard to expensive parts that are in workable condition but will need replacement in the future. In some cases, the cost of replacing a particular part can exceed the monthly service charge.

a. Require parts in question to be replaced at customer's expense before service is commenced under contract.

NOTE:
This alternative sacrifices the remaining useful life of those parts.

b. Prorate total cost of replacing parts.

NOTE:

Under this method, the service provider is liable only for that part of the replacement cost which is proportionate to the period of time the part was used during the contract period.

3. If appropriate, state that service provider will provide customer with signs to be posted on customer's property [*see, e.g., § 92.213[2]*, P 8(a)].

1. If customer desires assurance regarding qualifications of service provider's employees, include any of the following provisions:

NOTE:
Qualification may be an issue when the services to be performed require specialized training or certification. For example, employees of a service company that repairs and maintains elevators and other moving conveyances must be certified competent conveyance mechanics [*Lab. Code § 7311.2(a)*; ***see*** *Lab. Code § 7300.1(h)* (definition)].

a. Names and credentials of particular employees that will perform services.

b. All employees performing services must be well trained and properly qualified [*see, e.g., § 92.202[2],* P 3(c)].

c. All employees performing services must perform duties in strict accordance with recognized practices and with standards and special instructions issued by customer [*see, e.g., § 92.211[2],* P 4].

2. If desired, include following statements with respect to persons that will perform services:

NOTE:
A customer may want to establish that the persons performing the services are the employees of the service provider, in order to avoid liability regarding withholding of taxes, payment of payroll taxes, intentional or negligent acts committed by those persons, and worker's compensation. For an example of this type of provision, see *§ 92.211[2],* P

5.

a. Persons performing services will be employees of service provider.

b. Employees will be subject to direct supervision and control of service provider.

c. Service provider will have sole responsibility for paying salaries, taxes, and all other expenses relating to those persons.

3. If applicable, add following statements regarding supervision of service provider's employees:

a. Supervisory personnel from service provider will conduct systematic inspections of services performed [*see, e.g., § 92.200[2],* P 4].

b. Supervisory personnel of service provider will be available at all times to report to and confer with designated employees of customer [*see, e.g., § 92.211[2],* P 4(e)].

c. If for any reason customer believes that any employee of service provider is not properly carrying out duties, service provider will immediately replace that employee with another [*see, e.g., § 92.211[2],* P 4(d)].

2. If desired, include provisions for automatic termination of agreement upon occurrence of specified events, such as:

NOTE:
For discussion and examples of general termination provisions, see *Ch. 75,* ***Formation of Contracts and Standard Contract Provisions*** *§§ 75.240-75.243*. For examples of automatic termination provisions, see *Ch. 84,* ***Independent Contractors****, § 84.200*.

a. Bankruptcy or insolvency of either party.

b. Sale of either party's business.

c. Death of either party.

d. Any other event agreed upon by parties.

3. If desired, include provisions giving parties right to terminate agreement for:

NOTE:
For examples of these types of provisions, see *Ch. 84,* ***Independent Contractors****, § 84.200*.

a. Breach of contract by either party.

b. Failure of customer to make required payments to service provider, if failure is not remedied within specified time period.

4. If service provider is required to maintain a license, registration, or certification as condition to agreement, include provision granting customer right to terminate agreement if that service provider fails to maintain that license, registration, or certification.

NOTE:

For an example of this type of provision, see *§ 92.202[2]*, P 3(b).

§ 92.150 Insurance and Bonds

1. If service provider is required to carry insurance [*see § 92.115*], include provision requiring service provider to keep insurance in full force and effect during term of agreement.

NOTE:
For an example of a provision requiring public liability and worker's compensation insurance, see *§ 92.203[2]*, P 8.

2. If service provider is required to obtain bond [*see § 92.115*], include provision requiring service provider to post and maintain bond [*see, e.g., § 92.252[2]*], if desired.

PRACTICE TIP:
Generally, a bond requirement is not included in service contracts drafted by the service provider unless it is required by law. However, if the attorney is representing the customer in a particular transaction, it may be advisable to include this obligation.

§ 92.151 Liens

NOTE:
This section applies only when services will be rendered with respect to real or tangible personal property of the customer.

1. If desired, include reference to any statutory lien in contract [*see § 92.118*].

NOTE:
Although it is unnecessary to refer to the lien in the service contract, liens are sometimes mentioned to make the customer aware of the existence of the lien and to induce prompt payment [***see***, ***e.g.,*** *§ 92.224[2]*].

2. If appropriate, add provision creating lien in contract [*Civ. Code § 2881(1)*; *see § 92.118*].

§ 92.152 General Provisions

1. If desired, include exculpatory clause [*see, e.g., § 92.222,* P 8].

NOTE:

Exculpatory clauses are provisions intended to limit liability of a party, and his or her agents, usually for negligence. A contract cannot exempt one party from responsibility for fraud, willful injury to the person or property of another, or violation of law, whether willful or negligent [*Civ. Code § 1668*; ***see, e.g.,*** *Health Net of California, Inc. v. Department of Health Services (2003) 113 Cal. App. 4th 224, 226-227, 6 Cal. Rptr. 3d 235* (contractual clause that prohibited any recovery of damages, but not equitable relief, for any violation of statutory or regulatory law not made part of the parties' contractual obligations was held invalid under *Civ. Code § 1668*)]. For examples and discussion of exculpatory clauses, see *Ch, 75,* ***Formation of Contracts and Standard Contractual Provisions****, § 75.234*.

2. If appropriate, add provision obligating parties to keep information relating to contract confidential [*see, e.g., § 92.250[2],* P 11].

3. If desired, add provision for attorneys' fees and costs [*see, e.g., § 92.250[2],* P 14].

NOTE:

Most written contracts contain a provision for attorneys' fees [***see*** *Civ. Code § 1717* (contract provision regarding attorneys' fees)]. For a discussion and example of attorney fee provisions generally, see *Ch. 75,* ***Formation of Contracts and Standard Contractual Provisions****, § 75.252*.

4. Include provision for arbitration of matters in controversy, if desired [*see, e.g., § 92.202[2],* P 17].

NOTE:

Arbitration is the submission for determination of a disputed matter to private unofficial persons selected in the manner provided by law or by the agreement of the parties [*Stockwell v. Equitable F. & M. Ins. Co. (1933) 134 Cal. App. 534, 540, 25 P.2d 873* ; ***see*** *Tipton v. Systron Donner Corp. (1979) 99 Cal. App. 3d 501, 505, 160 Cal. Rptr. 303]* . For examples and discussion of arbitration clauses generally, see *Ch. 75,* ***Formation of Contracts and Standard Contractual Provisions****, § 75.250*.

5. If desired, include a prohibition on assignment by one party without written consent of other [*see, e.g., § 92.203[2],* P 12].

NOTE:

Many contracts for personal services are not assignable or survivable [***see*** *§ 92.119*]. For examples and discussion of assignment provisions generally, see *Ch. 75,* ***Formation of Contracts and Standard Contractual Provisions****, §§ 75.280-75.282*.

6. Statement that contract contains entire agreement of parties [*see, e.g., § 92.200[2],* P 9]:

NOTE:

For discussion of this type of provision in contracts generally, see *Ch. 75,* ***Formation of Contracts and Standard Contractual Provisions****, § 75.270*.

7. Statement (if appropriate) that California law will govern agreement [*see, e.g., § 92.200[2],* P 14].

NOTE:

For a discussion of choice of law provisions in contracts generally, see *Ch. 75,* ***Formation of Contracts and Standard Contractual Provisions****, § 75.273*.

8. Specify modification/amendment rights [*see, e.g., § 92.200[2],* P 10].

NOTE:

Modification is usually only permitted with the written consent of both parties.

9. Specify manner of giving notices [*see, e.g., § 92.200[2],* P 13].

NOTE:

For a discussion of notice provisions in contracts generally, see *Ch. 75,* ***Formation of Contracts and Standard Contractual Provisions****, § 75.294*.

10. If desired, provide that agreement will be severable in event of partial invalidity.

NOTE:

For a discussion of provisions regarding severability in contracts generally, see *Ch. 75,* ***Formation of Contracts and Standard Contractual Provisions****, § 75.271*.

11. If desired, include provision for liquidated damages [*see, e.g., § 92.212[2],* P 11].

NOTE:

A liquidated damages clause in a contract for services to be used primarily for the consumer's personal, family, or household purposes is void, unless it would be impracticable or extremely difficult to fix the actual damages sustained from a breach [***see*** *Civ. Code § 1671(c), (d)*]. In other types of contracts, a

liquidated damages provision is valid unless it was unreasonable under the circumstances existing at the time the contract was made [***see*** *Civ. Code § 1671(a), (b)*; ***see, e.g.,*** *Ridgley v. Topa Thrift and Loan Assn. (1998) 17 Cal. 4th 970, 979-981, 73 Cal. Rptr. 2d 378, 953 P.2d 484* (promissory note clause that imposed charge of six months' interest if borrowers prepaid loan principal, and provided that charge would not be imposed six months after execution of note unless borrowers had made late interest payment or otherwise defaulted, held to be unenforceable penalty for late payment)]. For a more detailed discussion of liquidated damages provisions, see *Ch. 75,* ***Formation of Contracts and Standard Contractual Provisions****, § 75.251*.

1. Will contract accompany unsolicited services not actually ordered or requested by recipient?

NOTE:
Unsolicited services will be deemed a gift to the recipient, and the provider of those services cannot request payment for them [*Civ. Code § 1584.5*; ***see*** *§ 92.12[6]*].

2. Will invoice or statement be used for solicitation of services not yet ordered or performed?

NOTE:
A document used to solicit money for services not yet performed or ordered must contain a statutory warning that it is only a solicitation [*Civ. Code § 1716*; ***see*** *§ 92.12[6]*].

3. If customer receives services not actually ordered or requested orally or in writing, even if accompanied by bill statement, inform customer of his or her rights [*Civ. Code § 1584.5*]:

NOTE:
The receipt of services not requested, including any services that will be provided to the customer unless he or she exercises an option to reject the offer, will be deemed an unconditional gift [*Civ. Code § 1584.5*].

a. Customer may use services in any manner without any obligation to provider.

b. Customer may bring action to enjoin provider of services from sending bills or requests for payment.

4. If customer receives written statement or invoice for services not yet performed and not yet ordered, without statutory warning that statement is only a solicitation, inform customer of his or her right to bring action for damages equal to three times sum solicited [See *Civ. Code § 1716(g)*].

§ 92.171 Home Solicitation Contracts

1. Determine whether contract meets following criteria for "home solicitation contract" [*Civ. Code § 1689.5(a)*]:

NOTE:
Home solicitation contracts or offers are required to contain certain statutory provisions [*Civ. Code § 1689.7*; ***see*** *§ 92.144*, P 4], unless the customer has the right to rescind under the federal Truth in Lending Act [*Civ. Code § 1689.5(a)*; ***see*** *15 U.S.C. § 1635*; ***see also*** *Ch. 89,* ***Home Improvement and Specialty Contracts****, § 89.17*].

a. Contract is for sale, lease, or rental of goods or services.

b. Service will be provided on premises other than where service provider normally carries on business, or where goods are normally offered for sale in course of business carried on at those premises.

c. Amount due for services is $25 or more.

NOTE:
The $25 minimum includes any interest or service charges [*Civ. Code § 1689.5(a)*].

2. If customer wishes to cancel "home solicitation contract or offer" for services, inform customer that contract may be cancelled during the following time periods:

NOTE:
Even if the service provider has already performed services before cancellation, the service provider is

not entitled to any compensation. Furthermore, if the service provider's services result in the alteration of the customer's property, the service provider must restore the property to substantially the same condition as it was when the services were rendered [*Civ. Code § 1689.11(c)*]. For further discussion of home solicitation contracts, ***see*** *Ch. 89,* ***Home Improvement and Specialty Contracts****, § 89.17*.

a. Within three business days after execution, if contract contains notification of right to cancel and form for cancellation, for most home solicitation contracts and offers [*see Civ. Code § 1689.6(a)*].

b. Within seven business days after execution, if contract contains notification of right to cancel and form for cancellation, for certain personal emergency response units [*Civ. Code § 1689.6(b)*] or for repair or restoration of residential premises damaged in disaster [*see Civ. Code § 1689.6(c)*].

NOTE:

A home solicitation contract or offer for the repair or restoration of residential premises signed by the customer on or after the date on which a disaster caused damage to the premises, but not later than midnight of the seventh business day, is void unless the customer or his or her agent or insurance representative solicited the contract at the trade premises of the seller [*Civ. Code § 1689.14(a)*].

c. At any time after execution, if required notice and form is not provided in contract [*Civ. Code § 1689.7(g)*].

NOTE:

Individuals who seek or acquire services for personal, family, or household purposes ("consumers") [***see*** *Bus. & Prof. Code § 302(c)*; *Civ. Code § 1761(d)*] and who have complaints with respect to the services or service provider may pursue remedies under the Consumer Affairs Act [*Bus. & Prof. Code § 300 et seq.*] and the Consumer Legal Remedies Act [*Civ. Code § 1750 et seq.*].

1. If consumer has complaint regarding any of following with respect to services performed, advise customer to send complaint to Director of Department of Consumer Affairs [*Bus. & Prof. Code § 325*; *see Bus. & Prof. Code § 302*]:

NOTE:

Under the Consumer Affairs Act [*Bus. & Prof. Code § 300 et seq.*], the Director may request appropriate relief for a consumer from the person against whom the complaint is made [*Bus. & Prof. Code § 326(a)*], and must transmit the complaint to the local, state, or federal agency whose authority provides the most effective means to secure relief [*Bus. & Prof. Code § 326(b)*; ***see*** *§ 92.12[8][b]*].

a. Unfair or deceptive acts or practices by any person in conduct of trade or commerce.

b. Production, distribution, sale, or lease of services or goods that may endanger public.

c. Violations of code or regulations relating to licensed businesses or professions.

2. If consumer has complaint against person licensed or registered by Department of Consumer Affairs,

advise consumer to send complaint to appropriate board or bureau [*Bus. & Prof. Code § 129*; *see Bus. & Prof. Code § 101* (list of licensing boards)].

NOTE:

For example, complaints against a person registered as an electronics service dealer may be directed to the Bureau of Electronic and Appliance Repair [*Bus. & Prof. Code § 9860*; ***see*** *§ 92.50[10][d]*].

3. If consumer suffers damage from unfair methods of competition or deceptive acts or practices in transaction intended to result or resulting in sale of services, advise him or her of right to:

NOTE:

For purposes of an action under the Consumers Legal Remedies Act [*Civ. Code § 1761(b)*; ***see*** *§ 92.12[9]*]. The remedies under the Act are nonexclusive [*Civ. Code § 1752*].

Any consumer who is a senior citizen or a disabled person, in an action for damages resulting from unfair methods of competition or deceptive practices relating to the sale or lease of services or goods, may seek additional damages prescribed by statute [***see*** *Civ. Code §§ 1780(b), 3345*; ***see also*** *Civ. Code § 1761(f), (g)* ("senior citizen" and "disabled person" defined)]. A prevailing plaintiff may be awarded treble damages, in addition to all other remedies provided by *Civ. Code § 1780*, for a violation of *Civ. Code § 1770(a)(24)*, which prohibits receiving an unreasonable fee [***see*** *Civ. Code § 1770(a)(24)(B)(ii)* (definition)] to prepare, aid, or advise any prospective applicant, applicant, or recipient in the procurement, maintenance, or securing of public social services [*Civ. NOTE:
This section will be relevant to service providers who have not received payment for performing services to a customer's property, and who are entitled to a possessory lien pursuant to statute or contract provision [***see*** *§ 92.118*]. For more detailed coverage of possessory liens, see Ch. 102A, ***Personal Property Liens*** .

1. If service provider is entitled to statutory lien, enforce lien according to statutory provisions:

NOTE:
For further discussion of statutory liens, see *§ 92.55*.

a. Wait for statutory payment period to expire.

NOTE:
The length of the statutory period varies according to the type of lien. For example, a dry cleaning establishment may give a customer notice of sale as early as 10 days after the cleaning bill becomes due [***see*** *Civ. Code §§ 3051, 3052*]. However, a jeweler who has performed watch repairs must wait one year after the account becomes due before giving notice of sale [***see*** *Civ. Code § 3052a*].

b. Give notice of sale to title holder.

NOTE:
The notice period varies according to the type of lien. For example, a jeweler must

provide 30 days notice of sale [***see*** *Civ. Code § 3052a*], while a dry cleaner must provide only 10 days notice [***see*** *Civ. Code § 3052*].

c. Apply sale proceeds to liquidate indebtedness secured by lien.

d. Pay any remaining amount from sale to property owner.

e. If required, comply with redemption provisions.

NOTE:
For example, the legal owner of an animal sold by a veterinary surgeon to satisfy a medical lien may redeem the animal within 20 days after sale [***see*** *Civ. Code §§ 3051, 3052*].

2. If lien was created pursuant to contract provision [*see § 92.118*], comply with contract provisions regarding enforcement.

CHAPTER 92 SERVICE CONTRACTS
PART IV. FORMS
A. Maintenance and Repairs of Real Property

30-92 California Legal Forms--Transaction Guide § 92.200

§ 92.200 Janitorial Service Contract

[1] Comment--Use of Form

This form is an illustrative contract for janitorial service for a large office building. Janitorial service for small buildings is generally done by small firms without a written contract. Housecleaning service for a home is also typically done without a written contract. However, written contracts are common when a janitorial service firm is hired to do all the maintenance work necessary for a large building.

Most types of written service contracts usually are printed forms. However, printed forms generally are not used for janitorial service contracts. This is because the services to be performed vary a great deal in each case, depending on the particular desires of the owner or operator of the building, the type of businesses conducted by the various tenants, the design of the building, the type of construction, the age of the building, and the particular type and amount of furniture, furnishings, draperies, floor coverings, and office equipment.

Paragraphs 2, 3, and 4 of this form (services to be performed, materials and supplies, and supervision) are the parts of a contract for janitorial service that should be given the most attention by the attorney. These paragraphs are illustrative ones dealing with a hypothetical situation that may not apply to the particular circumstances in the case confronting the attorney. The attorney should carefully analyze the situation and then draft provisions that will fit the needs of the particular situation.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contractual provisions.

[2] FORM

Janitorial Service Contract

JANITORIAL SERVICE CONTRACT

This AGREEMENT is made on _____[*date*] between _____[*name of service company*] ("Janitorial Service Company"), _____[*capacity, e.g.,* a Delaware corporation *or* a California limited liability company *or* a California general partnership] with its principal place of business at _____[*address*], and _____[*name of customer*] ("Customer"), _____[*capacity*] with _____[its *or* his *or* her] principal place of business at _____[*address*].

Recitals

Customer is _____[*specify property rights to building, e.g.,* the owner of *or* a lessee with full rights to maintain the building at] the property located at _____[*address of building*] ("building").

Janitorial Service Company desires to provide janitorial and cleaning maintenance services to Customer and Customer desires to obtain such services from Janitorial Service Company.

THEREFORE, in consideration of the mutual promises set forth below, the parties agree as follows:

Term of Agreement

1. The term of this agreement shall commence on _____[*date*] and shall continue in full force and effect thereafter until it is terminated by _____[*e.g.,* 30] days written notice from either party to the other.

Services to Be Performed

2. Janitorial Service Company agrees to perform the following janitorial and cleaning maintenance services for the building:

[*Describe specific maintenance services to be performed, e.g., as follows; or, in the alternative, attach a schedule of items to be maintained and refer to the schedule in this paragraph*]:

(a) Three times per week:

- Clean front door glass and threshold.
- Sweep and dust mop all tile floors.
- Sweep all halls and stairways.
- Vacuum all carpets and rugs, and spot clean as needed.
- Empty and clean all ashtrays.
- Empty all waste containers.
- Dust all office furniture, telephones, ledges, and woodwork, and all other surfaces within reach.

- Remove finger marks from both sides of all entrance doors and from all interior doors, walls, woodwork, and partitions.
- Scrub and disinfect all rest room floors and fixtures.
- Replace restroom supplies in respective containers.
- Dust light fixtures.
- Maintain janitorial room in a neat and orderly condition.

(b) One time per month:

- Thoroughly clean and wax all tile floors.
- Clean all exterior windows on both the inside and the outside.

Materials and Supplies

3. Janitorial Service Company shall furnish all materials and equipment necessary to perform the services described in Paragraph 2 of this agreement with the exception of hand soap, towels, toilet tissue, and seat covers, which are to be supplied by Customer, who shall maintain an adequate supply of these supplies in the janitorial room of the building.

Supervision

4. Systematic inspection shall be conducted by the field superintendents of Janitorial Service Company to ensure that all services are properly performed. To make certain that any problems that may arise will be promptly taken care of, Janitorial Service Company shall maintain a 24-hour answering service seven days per week for the receipt of any complaints. The telephone number for this service is _____.

Compensation

5. (a) Customer shall pay Janitorial Service Company at the rate of $_____ per month for the services to be performed under this agreement. Janitorial Service Company shall invoice Customer at the end of each month and Customer shall make full payment within _____[*e.g.*, 30] days of the billing date.

(b) The compensation in subparagraph (a) is based on the present union wage scale for employees of Janitorial Service Company and on the existing rates of federal, state, city, and county taxes. In the event of any increase or decrease in the union wage scale or in the aforementioned taxes, the compensation to be paid Janitorial Service Company by Customer shall be adjusted accordingly. That adjustment shall be operative no sooner than 10 days from the date Customer receives notice of that increase or decrease, provided that in the event of an increase, Customer shall have the right to terminate this agreement prior to the commencement date of the increased rates, with termination to be effective on written notice to Janitorial Service Company.

Compliance With Applicable Statutes, Ordinances, and Regulations

6. In performing the services required of it under this agreement, Janitorial Service Company shall comply with all applicable federal, state, county, and city statutes, ordinances, and regulations.

Insurance

7. Janitorial Service Company, at its own cost and expense, shall procure and maintain throughout the term of this agreement a workers' compensation insurance policy for the protection of its employees engaged in work under this agreement.

Excusable Delays and Failures

8. Neither party shall be liable for any delay or failure in its performance under this contract (except for payment obligations) caused by events beyond the reasonable control of the party, including, but not limited to, terrorism, war, riots, labor strikes, interruption of utility services, fires, floods, earthquakes, and other natural disasters.

Entire Agreement

9. This contract supersedes any and all other agreements, either oral or in writing, between the parties with respect to the subject of this contract. This contract contains all of the covenants and agreements between the parties with respect to the subject of this contract, and each party acknowledges that no representations, inducements, promises, or agreements have been made by or on behalf of any party except the covenants and agreements embodied in this contract. Any agreement, statement, or promise not contained in this contract shall not be valid or binding between the parties with respect to the subject of this contract, except for a subsequent written modification signed by the party to be charged.

Amendment of Contract

10. This contract may be amended or modified at any time with respect to any provision by a written instrument executed by Janitorial Service Company and Customer.

Successors and Assigns

11. Neither party may assign or transfer this agreement, in whole or in part, without the prior written consent of the other party. This agreement shall be binding on, and inure to the benefit of, each party's heirs, executors, administrators, successors, and permitted assigns.

Attorneys' Fees

12. If any legal action, including arbitration, is brought to enforce or interpret the provisions of this contract, the prevailing party shall be entitled to recover reasonable attorneys' fees from the other party. These fees, which may be set by the court in the same action or in a separate action brought for that purpose, are in addition to any other relief to which the prevailing party may be entitled.

Notices

13. Any notice required or permitted to be given under this contract shall be written, and may be given by personal delivery or by registered or certified mail, first-class postage prepaid, return receipt requested. Notice shall be deemed given upon actual receipt in the case of personal delivery, or upon mailing. Mailed notices shall be addressed as follows, but each party may change address by written notice in accordance with this paragraph:

To Janitorial Service Company at: _____ [*address*].
To Customer at: _____ [*address*].

Governing Law

14. This contract shall be governed by and construed in accordance with the laws of California.

Executed on _____[*date*], at _____, California.

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 92 SERVICE CONTRACTS
PART IV. FORMS
A. Maintenance and Repairs of Real Property

30-92 California Legal Forms--Transaction Guide § 92.201

§ 92.201 Swimming Pool Service Contract

[1] Comment

[a] Use of Form

This form is a contract for maintenance service of a swimming pool. It is designed to be used for either a private or a public pool.

The form provides for more services to be rendered during the summer than during the winter season. Because swimming pools are generally used to a greater extent during the summer than during the winter months, more maintenance service is usually required during that period. For that reason, this form makes provision for different rates of compensation during these two periods of the year.

In addition to the differential rates for seasons, the amount charged by pool service companies generally depends on the size of the pool, the type of pool equipment (older equipment generally requires more service time), the anticipated amount of pool use (the charge for public pools is higher than for private use), the sanitation requirements of all applicable governmental authorities, and the individual needs or desires of the particular pool owner.

Paragraphs 2 and 3 of this form, describing the services to be provided by the pool service company, are illustrative provisions based on a hypothetical situation. The attorney should modify these provisions, if necessary or desirable, in order to meet the requirements of the particular situation.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contractual provisions.

[b] Public Swimming Pools

Public swimming pool sanitation is governed by *Health & Safety Code §§ 116025-116068*. The Department of Health Services supervises the sanitation, healthfulness, and safety of public swimming pools [*Health & Safety Code § 116035*]

and has the authority to make and enforce rules and regulations pertaining to the sanitation, healthfulness, and safety of public swimming pools and to impose a fine for violation of any code provisions or department rule or regulation [*Health & Safety Code § 116050*]. Department of Health Services regulations apply to certain commercial and public pools, but not to private pools maintained by an individual for the use of family and friends [*see 22 Cal. Code Reg. § 65503(b)*].

A "public swimming pool" is any public swimming pool, bath-house, or public swimming and bathing place, and all related appurtenances [*Health & Safety Code § 116025*].

Every person operating or maintaining a public swimming pool must do so in a sanitary, healthful and safe manner [*Health & Safety Code § 116040*; *see Health & Safety Code § 116043*].

[2] FORM

Swimming Pool Service Contract

SWIMMING POOL SERVICE CONTRACT

This AGREEMENT is made on _____[*date*] between _____[*name of service company*] ("Pool Service Company"), _____[*capacity, e.g.,* a Delaware corporation *or* a California limited liability company *or* a California general partnership] with its principal place of business at _____[*address*], and _____[*name of customer*] ("Customer"), _____[*capacity*] with _____[its *or* his *or* her] principal place of business at _____[*address*].

Recitals

Customer is _____[*specify property rights to pool, e.g.,* the owner of *or* a lessee with full rights to maintain] the swimming pool ("pool") located at _____[*address of property location of pool*].

Pool Service Company desires to provide pool maintenance services to Customer and Customer desires to obtain such services from Pool Service Company.

THEREFORE, in consideration of the mutual promises set forth below, the parties agree as follows:

Term of Agreement

1. The term of this agreement shall commence on _____[*date*], and shall continue in full force and effect thereafter until it is terminated by _____[*e.g.,* 30] days written notice from either party to the other.

Services to Be Performed

2. Pool Service Company shall have a fully qualified pool service person perform the following services for the pool _____[*e.g.,* two *or* three] times each week during the summer season (May through September) and _____[*e.g.,* one *or* two] times each week during the winter season (October through April):

- Test pool water for chlorine residual and alkalinity each trip.
- Treat pool water with necessary chemicals for sanitation and pH control each trip.
- Vacuum pool each trip.
- Skim water surface to remove floating matter each trip.
- Backwash filter system as needed.
- Scrub tile in pool weekly in the summer season, and semimonthly in the winter season.
- Clean and polish chrome deck equipment weekly in the summer season and semimonthly in the winter season.
- Remove and clean strainer basket each trip.

Chemicals and Supplies

3. Pool Service Company shall provide all chemicals and supplies necessary to perform the above operations [*if the pool has a diatomaceous earth filter, add:* including the diatomaceous earth for the filter].

Service Reports

4. After each visit for maintenance purposes, Pool Service Company shall leave a service report in _____[*state location where service report is to be left*], indicating the maintenance that was performed during that visit. Recommendations for any necessary or desirable preventative measures shall be noted on the service report.

Compensation

5. Customer shall pay Pool Service Company at the rate of $_____ per month during the summer season (May through September) and $_____ per month during the winter season (October through April) for the services to be performed under this agreement. Pool Service Company shall invoice Customer at the end of each month and Customer shall make full payment within _____[*e.g.*, 10 days of the billing date].

Compliance With Applicable Statutes, Ordinances, and Regulations

6. In performing the services required of it under this agreement, Pool Service Company shall comply with all applicable federal, state, county, and city statutes, ordinances, and regulations concerning the sanitary requirements for swimming pools.

Insurance

7. Pool Service Company, at its own cost and expense, shall procure and maintain throughout the term of this agreement

a workers' compensation insurance policy for the protection of its employees engaged in work under this agreement.

Excusable Delays and Failures

8. Neither party shall be liable for any delay or failure in its performance under this contract (except for payment obligations) caused by events beyond the reasonable control of the party, including, but not limited to, terrorism, war, riots, labor strikes, interruption of utility services, fires, floods, earthquakes, and other natural disasters.

Entire Agreement

9. This contract supersedes any and all other agreements, either oral or in writing, between the parties with respect to the subject of this contract. This contract contains all of the covenants and agreements between the parties with respect to the subject of this contract, and each party acknowledges that no representations, inducements, promises, or agreements have been made by or on behalf of any party except the covenants and agreements embodied in this contract. Any agreement, statement, or promise not contained in this contract shall not be valid or binding between the parties with respect to the subject of this contract, except for a subsequent written modification signed by the party to be charged.

Amendment of Contract

10. This contract may be amended or modified at any time with respect to any provision by a written instrument executed by Pool Service Company and Customer.

Successors and Assigns

11. Neither party may assign or transfer this agreement, in whole or in part, without the prior written consent of the other party. This agreement shall be binding on, and inure to the benefit of, each party's heirs, executors, administrators, successors, and permitted assigns.

Attorneys' Fees

12. If any legal action, including arbitration, is brought to enforce or interpret the provisions of this contract, the prevailing party shall be entitled to recover reasonable attorneys' fees from the other party. These fees, which may be set by the court in the same action or in a separate action brought for that purpose, are in addition to any other relief to which the prevailing party may be entitled.

Notices

13. Any notice required or permitted to be given under this contract shall be written, and may be given by personal delivery or by registered or certified mail, first-class postage prepaid, return receipt requested. Notice shall be deemed given upon actual receipt in the case of personal delivery, or upon mailing. Mailed notices shall be addressed as follows, but each party may change address by written notice in accordance with this paragraph:

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 92 SERVICE CONTRACTS
PART IV. FORMS
A. Maintenance and Repairs of Real Property

30-92 California Legal Forms--Transaction Guide § 92.202

§ 92.202 Elevator Maintenance Contract

[1] Comment

[a] Use of Form

Safety and inspection requirements for elevators and other moving conveyances are governed by *Lab. Code § 7300 et seq.* This form is a "full maintenance service contract," covering passenger and freight elevators in a business location, between a "certified qualified conveyance company," and the owner (or the person who has custody, management, or charge of the operation) of those elevators [*see Lab. Code § 7300.1(g), (p)* (definitions)].

If an elevator is subject to a full maintenance service contract, it need only be inspected and permitted by the Division of Occupational Safety and Health once every two years rather than annually [*Lab. Code § 7304(b)*; *see § 92.30[3][a], [5]*]. For discussion of the safety, inspection and permit requirements for elevators and other conveyances, see *§ 92.30*.

This form is designed as a guide for drafting contracts for elevator maintenance services. Thus, it is necessarily somewhat general in nature. The attorney should modify it as needed to meet the requirements of the particular situation. For example, the specifications for service in Paragraph 4 of the form will vary depending on the type of elevator(s) involved.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contract provisions.

[b] Contract Requirements

The agreement must provide that the conveyance company is responsible for effecting repairs required for the safe operation of the equipment and that it will provide services as frequently as is necessary, but no less often than monthly [*Lab. Code § 7300.1(p)*].

[c] Term of Agreement

In this form the service company undertakes at a stipulated monthly price both to provide maintenance service and to supply all necessary parts and materials. Many elevator parts are very expensive. For that reason, and because the amount of work to be done and the parts to be supplied can vary considerably from month to month, this type of contract is generally entered into for a lengthy minimum period, usually three to five years. However, if the elevators are few in number and the cost for materials needed for maintenance is not expected to be substantial, the owner of the elevators may be able to negotiate a right to terminate the contract with notice. Paragraph 1 of the form provides for both these options.

[d] Costs for Labor and Materials

Because of the relatively long term [*see* [c], *above*], it is a good idea to have the monthly contract price increase or decrease in accordance with changes in the cost of labor and materials. This is provided for in Paragraphs 9(b) and 9(c) of the form.

Emergency service work on elevators often must be done on overtime hours. This contract provides for additional compensation for overtime in Paragraph 8(b) of the form.

[e] Qualifications of Service Provider

Except in certain emergency situations [*see Lab. Code § 7301.5*], any person who, without supervision, erects, constructs, installs, alters, tests, maintains, services or repairs, removes, or dismantles any elevator must be certified as a certified competent conveyance mechanic by the Division for Occupational Safety and Health [*Lab. Code § 7311.2(a)*]. A "certified competent conveyance mechanic" means any person who has the qualifications and ability of a competent journey-level conveyance mechanic and is so certified by the Division [*Lab. Code § 7300.1(h)*].

[f] Liability to Third Parties--Nondelegable Duty

Paragraph 4 of the form requires the elevator service company to maintain the elevators to insure safe operation. However, an owner of an elevator may not escape liability to third parties for failure to maintain elevators in a safe condition by delegating that duty to an independent contractor. If an independent contractor, no matter how carefully selected, is employed to maintain property, the owner or possessor of the property is answerable for harm caused by the negligent failure of his or her contractor to maintain the buildings and structures in reasonably safe condition, irrespective of whether the contractor's negligence lies in his or her incompetence, carelessness, inattention or delay [*Brown v. George Pepperdine Foundation (1943) 23 Cal. 2d 256, 259-260, 143 P.2d 929]* .

[2] FORM

Elevator Maintenance Contract

ELEVATOR MAINTENANCE CONTRACT

This AGREEMENT is made on _____[*date*] between _____[*name of service company*] ("Service Company"), _____[*capacity, e.g.,* a Delaware corporation *or* a California limited liability company *or* a California general partnership] with its principal place of business at _____[*address*], and _____[*name of customer*] ("Customer"), _____[*capacity*] with _____[its *or* his *or* her] principal place of business at _____[*address*].

Recitals

Service Company is a Certified Qualified Elevator Company, certified by the Division of Occupational Safety and Health of the State of California in accordance with *Lab. Code § 7300 et seq.* Service Company operates a business of installing, repairing, and maintaining elevators and other moving conveyances.

Customer is _____[*specify property rights to elevators, e.g.,* the owner of *or* a lessee with full rights to repair and maintain the elevators at] the property located at _____[*address of property location of elevators*].

Service Company desires to provide elevator maintenance services to Customer and Customer desires to obtain such services from Service Company.

THEREFORE, in consideration of the mutual promises set forth below, the parties agree as follows:

Term of Agreement

[*Either:*]

1. The term of this contract shall commence on _____[*date*] and shall continue in full force and effect for a period of _____[*e.g.,* five] years.

[*Or:*]

1. The term of this contract shall commence on _____[*date*] and shall continue in full force and effect for a period of _____[*e.g.,* five] years, unless terminated earlier by _____[*e.g.,* 60] days written notice from either party to the other.

[*Continue with the following:*]

Elevators To Be Serviced

2. Subject to the terms and conditions of this contract, Service Company shall furnish maintenance service on the elevators [owned *or* operated] by Customer ("elevators") and more specifically described as: _____[*include list or schedule with specific description of each elevator, including make, capacity in pounds, year installed and number of stops. If list is extensive, attach schedule to contract and incorporate it by reference*].

Service Company Qualifications

3. (a) Service Company represents that it is a certified qualified conveyance company, certified by the Division of Occupational Safety and Health of the State of California in accordance with *Labor Code Section 7300 et seq.* Service Company shall use its best efforts to keep its certification current for the duration of this contract.

(b) If Service Company loses its certification, or if it has reason to know that its certification may be lost, at any time during the term of this contract, it shall promptly notify Customer in writing of this fact. In that case, Customer shall

have the right to terminate this contract on written notice to Service Company at any time during the period Service Company lacks such certification. In the event of termination under this paragraph, all fees and costs due under this contract shall be prorated as of the termination date.

(c) Service Company agrees that all services under this contract shall be performed by certified competent conveyance mechanics, as defined in *Labor Code Section 7300.1(h)*, employed and supervised by Service Company. Service Company agrees that each of its employees will be properly trained and qualified.

Services and Materials

4. Service Company shall do the following with regard to each of the elevators:

(a) Make all repairs and complete all preventative maintenance in accordance with the manufacturer's recommendations and to insure the safe operation and peak performance of the elevators, minimizing the amount of down time. Service shall be provided as often as necessary, but not less than monthly, and shall include the maintenance items described in subparagraphs (b) through (h), below. All service and repair work shall be performed in compliance with *Labor Code Section 7300 et seq.*

(b) Each _____[*e.g.*, week *or* month] examine, adjust, lubricate, and, if conditions warrant, repair or replace the motor, machine, generator, and controller parts, including gears, worms, bearings, thrusts, brake shoes, brake magnet coils or brake motors, commutators, brushings, windings, rotating elements, coils, contacts, magnet frames, resistance for operating and motor circuits and other mechanical parts [*add if desired:* using only _____ (*specify brand*) parts].

(c) Furnish all required lubricants and parts.

(d) When necessary to maintain safety, renew all wire ropes, equalize the tension on all hoisting ropes, and repair or replace conductor cables.

(e) When necessary to insure smooth and quiet operation, renew guide shoe gibs or guide rollers, and keep the guide rails properly lubricated, except where roller guides are used.

(f) Examine all safety devices and governors each _____[*e.g.*, week *or* month].

(g) Conduct a complete safety test _____[*e.g.*, annually].

(h) Provide prompt service in response to Customer's reports of equipment malfunctions (call-backs) with the intent of minimizing down time.

(i) Maintain a service chart for each elevator in which the date, the service provided, and the name of the employee of Service Company who completed the service are recorded for each service visit. A copy of each month's maintenance service charts shall be provided to Customer within _____[*e.g.*, 15] days of the end of each month.

(j) Maintain the machine room in a clean and orderly condition.

Excluded Equipment

5. The following items of elevator equipment are excluded from this contract and Service Company shall have no

responsibility whatsoever with regard to them: _____[*e.g.*, hoistway enclosure; hoistway doors, gates, sills, and frames; car enclosure, including door panels, removable panels, plenum chambers, hung ceilings, light tubes and bulbs, light diffusers, mirrors, carpets, and handrails; cylinders, plungers, and buried piping on hydraulic elevators].

Excluded Services

6. Unless authorized in writing by Customer, in which case additional reasonable charges shall be billed to Customer, Service Company shall not be required to:

(a) Make other safety tests or install new attachments on the elevators, whether or not recommended or directed by governmental authorities or by insurance companies.

(b) Make any replacements with parts of a different design.

(c) Make repairs or renewals caused by negligence or misuse of the equipment or any other factor except ordinary wear and tear.

Alterations

7. Service Company shall not make any changes or alterations to the existing mechanical equipment, circuit wiring, or sequencing unless such changes or alterations are first approved in writing by Customer. Any such approved alterations, if material, shall be done with a permit pursuant to *Labor Code Section 7301.1(a)*.

Working Hours

8. (a) The services required of Service Company under this contract, including emergency minor adjustment call-back service, shall be performed during its regular working hours of _____[*e.g.*, 9:00 a.m. to 5:00 p.m.] on its regular working days of _____[*e.g.*, Monday through Friday], except as provided in subparagraph (b).

(b) If Customer requests that Service Company perform any of its services at times other than during its regular working hours, then for the services performed during overtime hours Customer shall pay to Service Company an amount in addition to the regular monthly compensation provided for in this contract. This additional amount shall be computed by multiplying the total number of overtime hours worked on the elevators by the employees of Service Company by the difference in the usual hourly billing rates of Service Company for regular time and for overtime.

Compensation

9. (a) Customer shall pay Service Company a monthly fee of $_____ for the services described in Paragraph 4 of this contract.

(b) The amount specified in (a), above, shall be adjusted annually to reflect any changes in Service Company's cost of labor. $_____[*portion of the monthly contract price allocable to labor*] of the monthly contract price shall be increased or decreased on each anniversary of the commencement date of service under this contract by the percentage of increase or decrease in the straight-time hourly cost (which means the straight-time hourly labor rate, including fringe benefits, paid to elevator mechanics in the area where the elevators are located) for the month within

which falls the anniversary of the commencement of service under this contract as compared with the straight-time hourly cost for the month within which the commencement date of service under this contract falls.

(c) The amount specified in (a), above, shall be adjusted annually to reflect any changes in the costs of the parts, equipment, and materials supplied by Service Company under this contract. $_____[*that portion of the monthly contract price allocable to materials*] of the monthly contract price shall be increased or decreased on each anniversary of the commencement date of service under this contract by the percentage of increase or decrease shown by the index of "Wholesale Commodity Prices for Metals" published by the Bureau of Statistics, United States Department of Labor for the month within which falls the anniversary of the commencement date of service under this contract as compared with the same index for the month within which the commencement date of service under this contract falls.

(d) Service Company shall invoice Customer at the end of each month and Customer shall make payment within _____[*e.g.*, 30] days of the billing date.

Compliance With Applicable Statutes, Ordinances, and Regulations

10. In performing the services required of it under this agreement, Service Company shall comply with all applicable federal, state, county, and city statutes, ordinances, and regulations.

Indemnity Agreement

11. Service Company shall indemnify and hold Customer and the property of Customer free and harmless from any and all claims, losses, damages, injuries, and liabilities arising from the death or injury of any person or persons (including employees of Service Company), or from the damage or destruction of any property or properties, caused by or connected with the performance of this contract by Service Company or Service Company's agents or employees.

Insurance

12. Service Company, at its own cost and expense, shall procure and maintain throughout the term of this agreement the following insurance policies and shall, on demand, provide Customer a certificate evidencing the policies:

(a) Workers' compensation insurance for the protection of its employees engaged in work under this agreement.

(b) Public liability and property damage insurance in a minimum amount of $_____[*specify minimum insurance amount, e.g.*, $500,000] for any one loss due to bodily injury or death and $_____[*specify minimum insurance amount, e.g.*, $500,000] for any one loss due to damage or destruction of property.

Excusable Delays and Failures

13. Neither party shall be liable for any delay or failure in its performance under this contract (except for payment obligations) caused by events beyond the reasonable control of the party, including, but not limited to, terrorism, war, riots, labor strikes, interruption of utility services, fires, floods, earthquakes, and other natural disasters.

Entire Agreement

14. This contract supersedes any and all other agreements, either oral or in writing, between the parties with respect to the subject of this contract. This contract contains all of the covenants and agreements between the parties with respect to the subject of this contract, and each party acknowledges that no representations, inducements, promises, or agreements have been made by or on behalf of any party except the covenants and agreements embodied in this contract. Any agreement, statement, or promise not contained in this contract shall not be valid or binding between the parties with respect to the subject of this contract, except for a subsequent written modification signed by the party to be charged.

Amendment of Contract

15. This contract may be amended or modified at any time with respect to any provision by a written instrument executed by Service Company and Customer.

Successors and Assigns

16. Neither party may assign or transfer this agreement, in whole or in part, without the prior written consent of the other party. This agreement shall be binding on, and inure to the benefit of, each party's heirs, executors, administrators, successors, and permitted assigns.

[*Add, if desired:*]

Arbitration

17. Any dispute arising under this contract shall be settled by arbitration in accordance with _____[*specify method of arbitration or refer to specific rules, e.g.,* the Commercial Arbitration Rules of the American Arbitration Association], and judgment on the award rendered by the Arbitrator may be entered in any court having jurisdiction.

[*Continue with the following:*]

Attorneys' Fees

18. If any legal action, including arbitration, is brought to enforce or interpret the provisions of this contract, the prevailing party shall be entitled to recover reasonable attorneys' fees from the other party. These fees, which may be set by the court in the same action or in a separate action brought for that purpose, are in addition to any other relief to which the prevailing party may be entitled.

Notices

19. Any notice required or permitted to be given under this contract shall be written, and may be given by personal delivery or by registered or certified mail, first-class postage prepaid, return receipt requested. Notice shall be deemed given upon actual receipt in the case of personal delivery, or upon mailing. Mailed notices shall be addressed as follows,

but each party may change address by written notice in accordance with this paragraph:

PART IV. FORMS
A. Maintenance and Repairs of Real Property

30-92 California Legal Forms--Transaction Guide § 92.203

§ 92.203 Boiler Maintenance Contract

[1] Comment--Use of Form

This form is an agreement for preventive maintenance service of boilers. The parties are the owner or operator of the boilers and a service company. For discussion of the safety, inspection, and permit requirements for boilers, see *§ 92.31*.

This form provides for an attached Schedule A, which consists of detailed preventive maintenance schedule for the boilers that are the subject of the contract. This should be prepared by the service provider or customer, most likely the service provider, and approved by the other party. The manufacturer's recommendations for maintenance should be considered in drafting Schedule A.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contract provisions.

[2] FORM

Boiler Maintenance Contract

BOILER MAINTENANCE CONTRACT

This AGREEMENT is made on _____[*date*] between _____[*name of service company*] ("Service Company"), _____[*capacity, e.g.*, a Delaware corporation *or* a California limited liability company *or* a California general partnership] with its principal place of business at _____[*address*], and _____[*name of customer*] ("Customer"), _____[*capacity*] with _____[its *or* his *or* her] principal place of business at _____[*address*].

Recitals

Service Company operates a business of installing, repairing, and maintaining steam boilers and _____[*add further description of service provider's business, if desired*].

Customer is _____[*specify property rights to boilers, e.g.,* the owner of *or* a lessee with full rights to repair and maintain the boilers located at] _____[*address of property location of elevators*] ("Customer's property").

Service Company desires to provide boiler maintenance services to Customer and Customer desires to obtain such services from Service Company.

THEREFORE, in consideration of the mutual promises set forth below, the parties agree as follows:

Term of Agreement

1. The term of this agreement shall commence as of the date of this agreement and shall continue in full force and effect for one year. This Agreement shall be automatically renewed thereafter for annual periods from year to year unless either party gives written notice of cancellation to the other party at least 30 days prior to the next renewal date.

Boilers To Be Serviced

2. Subject to the terms and conditions of this contract, Service Company shall furnish preventive maintenance service for the following equipment at Customer's property ("boiler equipment"):

MODEL	SERIAL	PRESSURE	LOCATION
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Services To Be Performed

3. Service Company agrees that:

(a) It shall have a fully qualified service engineer make _____[*frequency, e.g.,* bimonthly *or* semiannual] calls to make preventive inspections and adjustments on the equipment as set forth on the Preventive Maintenance Schedule attached to this agreement as Schedule A and incorporated into this agreement by this reference.

(b) Such inspections and adjustments shall be made in a thorough and workmanlike manner.

(c) All items on the attached Schedule A shall be cleaned, adjusted, inspected, tested, and recorded during each call, insofar as the equipment and operating conditions permit.

(d) Following each service visit Service Company shall furnish to Customer a report indicating that each scheduled item

on the Preventive Maintenance Schedule set forth in the attached Schedule A was inspected and adjusted as needed.

Additional Services, Materials, or Calls

4. If Customer requests Service Company to perform any services or to provide any materials or to make any calls other than those specified in this agreement, including the items listed on the attached Schedule A, Customer shall pay Service Company for those additional services, materials, or calls at the standard rates of Service Company in addition to the annual charges provided for in this agreement.

Compensation

5. Customer shall pay to Service Company for its services an annual charge of $_____. This annual charge shall be paid during the first 30 days of each annual period that this agreement is in effect.

Compliance With Applicable Statutes, Ordinances, and Regulations

6. In performing the services required of it under this agreement, Service Company shall comply with all applicable federal, state, county, and city statutes, ordinances, and regulations.

Indemnity Agreement

7. Service Company shall indemnify and hold Customer and the property of Customer free and harmless from any and all claims, losses, damages, injuries, and liabilities arising from the death or injury of any person or persons (including employees of Service Company), or from the damage or destruction of any property or properties, caused by or connected with the performance of this contract by Service Company or Service Company's agents or employees.

Insurance

8. Service Company, at its own cost and expense, shall procure and maintain throughout the term of this agreement the following insurance policies and must, on demand, provide Customer a certificate evidencing the policies:

(a) Workers' compensation insurance for the protection of its employees engaged in work under this agreement.

(b) Public liability and property damage insurance in a minimum amount of $_____[*specify minimum insurance amount, e.g.*, $500,000] for any one loss due to bodily injury or death and $_____[*specify minimum insurance amount, e.g.*, $500,000] for any one loss due to damage or destruction of property.

Excusable Delays and Failures

9. Neither party shall be liable for any delay or failure in its performance under this contract (except for payment obligations) caused by events beyond the reasonable control of the party, including, but not limited to, terrorism, war, riots, labor strikes, interruption of utility services, fires, floods, earthquakes, and other natural disasters.

Entire Agreement

10. This contract supersedes any and all other agreements, either oral or in writing, between the parties with respect to the subject of this contract. This contract contains all of the covenants and agreements between the parties with respect to the subject of this contract, and each party acknowledges that no representations, inducements, promises, or agreements have been made by or on behalf of any party except the covenants and agreements embodied in this contract. Any agreement, statement, or promise not contained in this contract shall not be valid or binding between the parties with respect to the subject of this contract, except for a subsequent written modification signed by the party to be charged.

Amendment of Contract

11. This contract may be amended or modified at any time with respect to any provision by a written instrument executed by Service Company and Customer.

Successors and Assigns

12. Neither party may assign or transfer this agreement, in whole or in part, without the prior written consent of the other party. This agreement shall be binding on, and inure to the benefit of, each party's heirs, executors, administrators, successors, and permitted assigns.

[*Add, if desired:*]

Arbitration

13. Any dispute arising under this contract shall be settled by arbitration in accordance with _____[*specify method of arbitration or refer to specific rules, e.g.,* the Commercial Arbitration Rules of the American Arbitration Association], and judgment on the award rendered by the Arbitrator may be entered in any court having jurisdiction.

§ 92.210 Security Patrol Service Contract

[1] Comment--Use of Form

This form is a contract between a private patrol operator and a client to provide regular patrol protection of the client's property. Private patrol operators may be hired to provide guards or patrol personnel to protect persons or property or to prevent the theft, unlawful taking, loss, embezzlement, misappropriation, or concealment of goods, money, securities, documents, or property of any kind [*Bus. & Prof. Code § 7582.1(a)*]. For detailed discussion of the licensing and other requirements of private patrol operators under the Private Security Services Act [*Bus. & Prof. Code § 7580 et seq.*], see *§ 92.40*.

Paragraph 2 of this form, describing the services to be provided by the private patrol operator, is an illustrative provision based on a hypothetical situation. The attorney should modify it, if necessary or desirable, in order to meet the requirements of the particular situation.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contractual provisions.

[2] FORM

Security Patrol Service Contract

SECURITY PATROL SERVICE CONTRACT

_____[*Name of patrol service company (actual or fictitious name authorized by the Bureau of Security and Investigative Services)*]

License Number: _____[*license number issued by the Bureau of Security and Investigative Services*]

_____[*Address*]

_____[*Telephone number*]

Name of Client: _____

Job Site Address: _____

Telephone Number: _____

This AGREEMENT is made on _____[*date*] between _____[*name of patrol service company*] ("Patrol Service Company"), _____[*capacity, e.g.*, a Delaware corporation *or* a California limited liability company *or* a California general partnership] with its principal place of business at _____[*address*], and _____[*name of customer*] ("Client"), _____[*capacity*] with _____[its *or* his *or* her] principal place of business at _____[*address*].

Recitals

Patrol Service Company is a private patrol operator licensed under the Private Security Services Act. It operates a business of providing guards and patrol personnel to protect persons and property.

Client is _____[*specify property rights, e.g.*, the owner of *or* a lessee with full rights to protect] the property located at _____[*address of property location to be guarded*] ("Client's property").

Patrol Service Company desires to provide patrol services for Client's property and Client desires to obtain such services from Patrol Service Company.

THEREFORE, in consideration of the mutual promises set forth below, the parties agree as follows:

Term of Agreement

1. The term of this agreement shall begin on _____[*date*], and shall continue in full force and effect until it is terminated by _____[*e.g.*, 30 days] written notice from either party to the other.

Services to be Furnished

2. (a) Patrol Service Company shall furnish fully qualified, well trained patrol personnel to patrol Client's property. Each patrol employee of Patrol Service Company shall be registered with the California Bureau of Security and Investigative Services. The specific duties of the patrol personnel shall be to visually inspect the exterior and interior of Client's property at the times and frequencies noted below:

[*List time schedule for both exterior and interior patrol checks by day of the week*]

(b) In the event patrol personnel observe any suspicious criminal activity, bomb threats, evidence of actual or impending theft or damage to property, or evidence of actual or impending harm to persons on Client's property, the patrol personnel shall immediately notify appropriate local law enforcement agencies, supervisory personnel of Patrol

Service Company, and Client.

(c) The patrol services provided for by this agreement shall be performed by qualified, efficient, and discreet employees maintaining a professional demeanor at all times in strict accordance with the recognized best industry practices.

(d) Patrol Service Company shall have available by telephone a live supervisor 24 hours a day, 7 days a week, who can be reached by patrol personnel on duty and Client at _____[*telephone number*]. Patrol Service Company shall also have mobile supervisors available to provide backup assistance to patrol personnel at Client's property, as needed.

Uniforms and Equipment

3. While patrolling Client's property, patrol personnel furnished by Patrol Service Company shall be completely outfitted with a uniform bearing a patch on each shoulder having the words "Private Security" and the name of Patrol Service Company and a badge bearing the name of Patrol Service Company, and all necessary equipment, including _____[*specify weapons to be used, e.g.*, a firearm, baton, or other weapon].

Employees of Agency

4. All patrol personnel furnished by Patrol Service Company shall be employees of Patrol Service Company and shall at all times be subject to the direct supervision and control of Patrol Service Company. Patrol Service Company shall have the sole responsibility of paying the salaries, taxes (including, but not limited to, federal social security taxes and federal and California unemployment taxes) and all other expenses relating to each employee of Patrol Service Company.

Training and Qualifications of Guards

5. Each employee of Patrol Service Company who patrols Client's property shall satisfy the following requirements:

(a) Each employee shall have completed a course in the exercise of the power to arrest pursuant to *Business & Professions Code Section 7583.6*.

(b) Each employee who carries a firearm shall have completed the training course required by *Business & Professions Code Section 7583.22* and shall at all times carry a valid guard registration card and a valid firearm qualification card issued by the Bureau of Security and Investigative Services.

(c) Each employee who carries a baton shall have obtained a certificate of proficiency from an approved baton training facility pursuant to *Business & Professions Code Section 7583.34*.

(d) Each employee who carries tear gas or other nonlethal chemical agents shall have completed a course of instruction [*see Bus. & Prof. Code § 7583.35*] and carry a certificate of proficiency from an approved training facility pursuant to *Business & Professions Code Section 7583.35* and *7583.36*.

Compensation

6. (a) For the services agreed to be performed under this agreement, Client shall pay Patrol Service Company the sum of $_____ per month. The rate of $_____ per hour shall be charged for any additional

patrol services requested by Client.

(b) At the end of each month Patrol Service Company shall send to Client a statement showing the amount of compensation due it for services performed during that month. Client shall make payment within _____[*e.g.*, 10 *or* 30] days of the billing date.

Hiring Patrol Service's Employees

7. Client agrees that it shall not, either during the term of this agreement or for a period of _____[*e.g.*, one year] following termination of this agreement, hire for its own employment any of the employees of Patrol Service Company who performed services at any time in carrying out the terms of this agreement.

Compliance With Applicable Statutes, Ordinances, and Regulations

8. In performing the services required of it under this agreement, Patrol Service Company shall comply with all applicable federal, state, county, and city statutes, ordinances, and regulations.

Insurance

9. Patrol Service Company, at its own cost and expense, shall procure and maintain throughout the term of this agreement a workers' compensation insurance policy for the protection of its employees engaged in work under this agreement.

Excusable Delays and Failures

10. Neither party shall be liable for any delay or failure in its performance under this contract (except for payment obligations) caused by events beyond the reasonable control of the party, including, but not limited to, terrorism, war, riots, labor strikes, interruption of utility services, fires, floods, earthquakes, and other natural disasters.

Entire Agreement

11. This contract supersedes any and all other agreements, either oral or in writing, between the parties with respect to the subject of this contract. This contract contains all of the covenants and agreements between the parties with respect to the subject of this contract, and each party acknowledges that no representations, inducements, promises, or agreements have been made by or on behalf of any party except the covenants and agreements embodied in this contract. Any agreement, statement, or promise not contained in this contract shall not be valid or binding between the parties with respect to the subject of this contract, except for a subsequent written modification signed by the party to be charged.

Amendment of Contract

12. This contract may be amended or modified at any time with respect to any provision by a written instrument executed by Patrol Service Company and Client.

Successors and Assigns

13. Neither party may assign or transfer this agreement, in whole or in part, without the prior written consent of the other party. This agreement shall be binding on, and inure to the benefit of, each party's heirs, executors, administrators, successors, and permitted assigns.

[*Add, if desired:*]

Arbitration

14. Any dispute arising under this contract shall be settled by arbitration in accordance with _____[*specify method of arbitration or refer to specific rules, e.g.,* the Commercial Arbitration Rules of the American Arbitration Association], and judgment on the award rendered by the Arbitrator may be entered in any court having jurisdiction.

[*Continue with the following:*]

Attorneys' Fees

15. If any legal action, including arbitration, is brought to enforce or interpret the provisions of this contract, the prevailing party shall be entitled to recover reasonable attorneys' fees from the other party. These fees, which may be set by the court in the same action or in a separate action brought for that purpose, are in addition to any other relief to which the prevailing party may be entitled.

Notices

16. Any notice required or permitted to be given under this contract shall be written, and may be given by personal delivery or by registered or certified mail, first-class postage prepaid, return receipt requested. Notice shall be deemed given upon actual receipt in the case of personal delivery, or upon mailing. Mailed notices shall be addressed as follows, but each party may change address by written notice in accordance with this paragraph:

30-92 California Legal Forms--Transaction Guide § 92.211

§ 92.211 Security Guard Service Contract

[1] Comment--Use of Form

This form is a contract between a private patrol operator (referred to in the form as the "guard service") and a client for uniformed guard protection service on the client's property. Private patrol operators may be hired to provide guards or patrol personnel to protect persons or property or to prevent the theft, loss, embezzlement, misappropriation, or concealment of goods, securities, documents, or other property [*Bus. & Prof. Code § 7582.1(a)*]. For detailed discussion of the licensing and other requirements of private patrol operators under the Private Security Services Act [*Bus. & Prof. Code § 7580 et seq.*], see *§ 92.40*.

This form is drafted in very general terms and is intended for use primarily when it is anticipated that the number of guards needed will vary from time to time. If the attorney drafting the contract knows exactly what the company will require for guard protection, this form can be used as a guide to draft a contract that will be more specific and that will fit the requirements of the particular situation.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contractual provisions.

This AGREEMENT is made on _____[*date*] between _____[*name of private patrol operator*] ("Guard Service Company"), _____[*capacity, e.g.,* a Delaware corporation *or* a California limited liability company *or* a California general partnership] with its principal place of business at _____[*address*], and _____[*name of customer*] ("Client"), _____[*capacity*] with _____[its *or* his *or* her] principal place of business at _____[*address*].

Recitals

Guard Service Company is a private patrol operator licensed under the Private Security Services Act. It operates a business of providing guards and patrol personnel to protect persons or property.

Client is _____[*specify property rights, e.g.,* the owner of *or* a lessee with full rights to protect] the property located at _____[*address of property location to be guarded*] ("Client's property").

Guard Service Company desires to provide uniformed guard services to Client at Client's property and Client desires to obtain such services from Guard Service Company.

THEREFORE, in consideration of the mutual promises set forth below, the parties agree as follows:

Term of Agreement

1. The term of this agreement shall begin on _____[*date*], and shall continue in full force and effect until it is terminated by _____[*e.g.,* 30 days] written notice from either party to the other.

Furnishing of Guards

2. Guard Service Company shall furnish fully qualified, well trained uniformed guards for Client's property as requested by Client. Each guard shall be registered with the California Bureau of Security and Investigative Services, and at all times while on duty, carry a valid security guard registration card. The exact number, principal posts, and hours of duty of the guards shall be as stipulated from time to time by Client.

Uniforms and Equipment

3. While on duty at Client's property, each guard furnished by Guard Service Company shall be completely outfitted with a uniform with a patch on each shoulder bearing the words "Private Security" and the name of Guard Service

Company and a badge bearing the name of Guard Service Company, and all necessary equipment, including _____[*specify weapons to be used, e.g.,* a firearm, baton, or other weapon].

Guards' Duties

4. (a) The specific duties of the guards shall be as follows, as modified from time to time by written instructions from time to time by Client:

[*Add description of duties and hours per week for each position, e.g.,* Perimeter Guard to tour first floor of building once every hour, checking that doors and windows are secured. Hours per week: 40.]

(b) Each guard who reports for duty shall sign in at the time his or her shift starts and sign out at the end of his or her shift. Each guard shall also prepare the following reports: _____[*describe reports, e.g.,* a daily log report, a written incident report within 24 hours of any unusual incident].

(c) The guard protection services provided for by this agreement shall be performed by qualified, efficient, and discreet employees maintaining a professional demeanor at all times in strict accordance with the recognized best practices and with the standards and special instructions issued by Client.

(d) If for any reason Client believes that any employee of Guard Service Company is not properly carrying out his or her duties, Guard Service Company shall immediately remove that employee from the performance of the services to be provided under this agreement and simultaneously substitute another employee.

(e) Guard Service Company shall have available by telephone a live supervisor 24 hours a day, seven days a week, who can be reached by the guards on duty and Client at _____[*telephone number*]. Guard Service Company shall also have mobile supervisors available to provide backup assistance to on-site guards at Client's property, as needed.

(f) In the event the guard on duty observes any suspicious criminal activity, bomb threats, evidence of actual or impending theft or damage to property, or evidence of actual or impending harm to persons on Client's property, the guard shall immediately notify appropriate local law enforcement agencies, supervisory personnel of Guard Service Company, and Client.

Employees of Agency

5. All uniformed guards furnished by Guard Service Company shall be employees of Guard Service Company and shall at all times be subject to the direct supervision and control of Guard Service Company. Guard Service Company shall have the sole responsibility of paying the salaries, taxes (including, but not limited to, federal social security taxes and federal and California unemployment taxes) and all other expenses relating to each employee of Guard Service Company.

Training and Qualifications of Guards

6. Each guard reporting for duty at Client's property shall satisfy the following requirements:

(a) Each guard shall have completed a course in the exercise of the power to arrest pursuant to *Business & Professions Code Section 7583.6.*

(b) Each guard who carries a firearm shall have completed the training course required by *Business & Professions Code Section 7583.22* and shall at all times carry a valid guard registration card and a valid firearm qualification card issued by the Bureau of Security and Investigative Services.

(c) Each guard who carries a baton shall have obtained a certificate of proficiency from an approved baton training facility pursuant to *Business & Professions Code Section 7583.34*.

(d) Each guard who carries tear gas or other nonlethal chemical agents shall have completed a course of instruction [*see Bus. & Prof. Code § 7583.35*] and carry a certificate of proficiency from an approved training facility pursuant to *Business & Professions Code Sections 7583.35* and *7583.36*.

Compensation

7. (a) For the services agreed to be performed, Client shall pay Guard Service Company at the rate of $_____ per hour per person. However, the overtime rate of $_____ per hour shall be charged if Client requests that a specific employee of Guard Service Company work more than 40 hours in any one work week, for all services on all legal holidays, and whenever required by law.

(b) The compensation in subparagraph (a) is based on the present union wage scale for employees of Guard Service Company and on the existing rates of federal, state, city, and county taxes. In the event of any increase or decrease in the union wage scale or in the aforementioned taxes, the compensation to be paid Guard Service Company by Client shall be adjusted accordingly. The adjustment shall be operative no sooner than 10 days from the date Client receives notice of the increase or decrease, provided that in the event of an increase, Client shall have the right to terminate this agreement prior to the commencement date of the increased rates, with termination to be effective on written notice to Guard Service Company.

(c) Guard Service Company shall furnish Client with daily [*or* weekly *or* monthly] time sheets covering all of the hours spent by its employees in carrying out the terms of this agreement.

(d) At the end of each month Guard Service Company shall send to Client a statement showing the amount of compensation due it for services performed during that month. Client shall make payment within _____[*e.g.*, 10 *or* 30] days of the billing date.

Hiring Guard Service's Employees

8. Client agrees that it shall not, either during the term of this agreement or for a period of _____[*e.g.*, one year] following its termination, hire for its own employment any of the employees of Guard Service Company who performed services at any time in carrying out the terms of this agreement.

Compliance With Applicable Statutes, Ordinances, and Regulations

9. In performing the services required of it under this agreement, Guard Service Company shall comply with all applicable federal, state, county, and city statutes, ordinances, and regulations.

Insurance

10. Guard Service Company, at its own cost and expense, shall procure and maintain throughout the term of this agreement a workers' compensation insurance policy for the protection of its employees engaged in work under this agreement.

CHAPTER 92 SERVICE CONTRACTS
PART IV. FORMS
B. Security Services for Property

30-92 California Legal Forms--Transaction Guide § 92.212

§ 92.212 Alarm System Contract

[1] Comment

[a] Use of Form

This form is an installation and lease agreement between an alarm company and a customer for the installation and maintenance of an integrated alarm system at the customer's residence. The alarm equipment is designed to transmit a signal to a central monitoring station on any indication of a fire or intruder.

Alarm systems and alarm company operators are governed by the Alarm Company Act [*Bus. & Prof Code § 7590 et seq.*]. For further discussion of the requirements of the Alarm Company Act, see *§ 92.41*.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contractual provisions.

[b] Installation Agreement Requirements

Every agreement, including lease agreements, monitoring agreements, and service agreements (and amendments to any such agreements), that includes labor, services, and materials for the installation of an alarm system must be in writing. Each initial agreement must contain the following [*Bus. & Prof Code § 7599.54(a)-(h)*]:

- The name, business address, business telephone number, and license number of the licensed alarm company operator and the registration number of any alarm agent who solicited or negotiated the agreement.

- The approximate dates when the work will begin and be substantially completed.

- A description of the work to be done, a description of the materials to be used, and the agreed consideration for the work.

- A disclosure that alarm company operators are licensed and regulated by the Bureau of Security and Investigative Services, Department of Consumer Affairs, Sacramento, CA, 95814.

- A description of the alarm system, including the major components and services to be provided to the purchaser once the alarm is installed, and including response or monitoring services, if any.

- A statement that on completion of the installation of the alarm system, the alarm company will thoroughly instruct the purchaser in the proper use of the alarm system.

- In the event a mechanic's lien is to be utilized, a notice-to-owner statement that describes, in nontechnical language and in a clear and coherent manner using words with common and everyday meaning, the pertinent provisions of California's mechanics' lien laws and the rights and responsibilities of an owner of property and a contractor, including the provisions relating to the filing of a contract concerning a work of improvement with the county recorder and the recording in the office of a contractor's payment bond for private work.

- Other matters agreed to by the parties of the contract.

In addition, any residential sales and lease agreement with a cumulative total cost exceeding $250, including the cost of all labor, service, or material for the installation, must comply with the following [*Bus. & Prof Code § 7599.54(i)*]:

- The agreement must include a schedule of payments showing the amount of each payment as a sum in dollars and cents. This schedule of payments must be referenced to the work for services to be performed or to any materials or equipment to be supplied.

- If the payment schedule contained in the agreement provides for a down payment to be paid before commencement of the work, that down payment must not exceed $1,000, or 10 percent of the contract price, excluding finance charges, whichever is less.

- The payment schedule may not provide that the alarm company will receive, nor may the alarm company actually receive, payment in excess of 100 percent of the value of the work performed on the project at any time, excluding finance charges, except that the alarm company may receive an initial down payment as described above.

- A failure by the alarm company, without legal excuse, to substantially commence work within 20 days of the approximate commencement date specified in the contract, will postpone the next succeeding payment for that period of time equivalent to the time between when substantial commencement was to have occurred and when it did occur. The contract must include a description of what constitutes substantial commencement of work.

- The contract must include a notice-to-owner statement that describes, in nontechnical language and in a clear and coherent manner using words with common and everyday meaning, the pertinent provisions of California's mechanics' lien laws, including the rights and responsibilities of an owner of property and a contractor and the provisions relating to the filing of a contract concerning a work of improvement with the county recorder and the recording in the office of a contractor's payment bond for private work. Note that *Bus. & Prof. Code § 7018.5*, which formerly set out the prescribed notice-to-owner statement, was repealed on January 1, 2006 [*see* 2005 Stats., ch. 48, § 3]. However, *Bus. & Prof. Code § 7599.54(h)*, which requires a notice-to-owner statement in an alarm system contract if a mechanic's lien is to be utilized, was not similarly repealed, and remains effective. Therefore, the form in

[2], *below*, includes the statutory notice to owner that was contained in former *Bus. & Prof. Code § 7018.5* [*see* former *Bus. & Prof. Code § 7018.5(a)* (official form)]. The notice describes the pertinent provisions of California's mechanics' lien laws and the rights and responsibilities of an owner of property and a contractor under those laws [*see* former *Bus. & Prof. Code § 7018.5(a)*; [2], *below*].

- The contract must include a disclosure that failure by the alarm company, without legal excuse, to substantially commence work within 20 days from the approximate date specified in the agreement when the work will begin is a violation of the Alarm Company Act.

- The contract must include a disclosure informing the buyer of any potential permit fees that may be required by local jurisdictions concerning the monitoring of an existing alarm system.

The agreement must be legible and in a form that clearly describes any other document that is to be incorporated into the contract. Before any work is done, the client must be furnished with a copy of the written agreement signed by the alarm company operator [*Bus. & Prof Code § 7599.54(f)*].

[c] Liquidated Damages

This agreement includes a provision for liquidated damages in the event the alarm system fails and there are resulting losses [*see* P 11 of form]. Such liquidated damages provisions are valid if they meet the requirements of *Civ. Code § 1671* [*see Atkinson v. Pacific Fire Extinguisher Co. (1953) 40 Cal. 2d 192, 196-197, 253 P.2d 18* ; *see also Feary v. Aaron Burglar Alarm, Inc. (1973) 32 Cal. App. 3d 553, 557-558]* .

In a contract for services primarily for personal, family, or household purposes, as is the case for the installation and maintenance of an alarm system in a residential property, a liquidated damages provision is void, unless, from the nature of the case, it would be impracticable or extremely difficult to fix the actual damage [*see Civ. Code § 1671(c)(1), (d)*].

[d] Truth in Lending Disclosures

The term of alarm system lease agreements is typically one or more years, payment to be made with an initial deposit and monthly lease payments. Consequently, because there will be more than four payment installments in a typical alarm system lease agreement for residential property, and the customer does not have the right to terminate the agreement before the term expires, the lease agreement is subject to the Federal Truth in Lending Act [*see 15 U.S.C. § 1601 et seq.*; 12 C.F.R. pt. 226 (Reg. Z)] and the Unruh Act [*Civ. Code § 1801 et seq.*; *see also § 92.12[1]*].

For discussion and a sample form for the required disclosures under the Truth in Lending Act and the Unruh Act, see *Ch. 45, Consumer Installment Loans and Credit Sales, § 45.225*.

[e] Home Solicitation Contract

An alarm system contract qualifies as a "home solicitation contract" if it is entered into at the customer's residence and if the cost for the system is $25 or more [*see Civ. Code § 1689.5(a)*; *see also § 92.12[5][b]*]. A home solicitation contract must satisfy the following requirements:

- The contract must be written in the same language, e.g., Spanish, as principally used in the oral sales presentation, and it must be dated, signed by the buyer, and contain in immediate proximity to the space reserved for the buyer's signature a conspicuous statement in a size equal to at least 10-point bold type, as follows: "You, the buyer, may cancel this transaction at any time prior to midnight of the third business day after the date of this transaction. See the attached notice of cancellation form for an

explanation of this right" [*Civ. Code § 1689.7(a)(1)*].

- The contract must contain on the first page, in a type size no smaller than that generally used in the body of the document, the (1) the name and address of the seller to which the cancellation notice is to be mailed, and (2) the date the buyer signed the agreement or offer to purchase [*Civ. Code § 1689.7(b)*].

- The contract must be accompanied by an easily detachable, completed form in duplicate, captioned "Notice of Cancellation," in language prescribed by statute [*Civ. Code § 1689.7(c)*; *see* Notice of Cancellation attached to this form].

- The seller must provide the buyer with a copy of the contract or offer to purchase and the attached notice of cancellation, and must inform the buyer orally of his or her right to cancel and the requirement that cancellation must be in writing, at the time the home solicitation contract or offer is executed *Civ. Code § 1689.7(f).*

This AGREEMENT is made on _____[*date*] between _____[*name of alarm company operator*] ("Alarm Company"), _____[*capacity, e.g.*, a Delaware corporation *or* a California limited liability company *or* a California general partnership] with its principal place of business at _____[*address*], and _____[*name of customer*] ("Buyer"), _____[*capacity*] with _____[its *or* his *or* her] principal place of business at _____[*address*].

Recitals

Alarm Company is licensed as an alarm company operator under the California Alarm Company Act [*Bus. & Prof Code § 7590 et seq.*]. It operates a business of installing, testing, and maintaining alarm systems for residential and commercial properties.

Buyer is _____[*specify property rights, e.g.*, the owner of *or* a lessee with full rights to install an alarm system on] the property located at _____[*address of residence*] ("Buyer's property").

Alarm Company and Buyer desire to enter into an agreement for the installation, maintenance, and operation of an alarm system for Buyer's residence.

THEREFORE, in consideration of the mutual promises set forth below, the parties agree as follows:

Term of Agreement

1. The term of the lease portion of this agreement shall be _____[*number, e.g.*, one *or* two] years, commencing on the first day of the month following substantial completion of the alarm system installation. The term of this agreement shall be automatically renewed for successive one-year periods, unless either party notifies the other party in writing at least _____[*number of days, e.g.*, 30] days prior to expiration that this agreement shall not be renewed.

Alarm Company's Obligations

2. Alarm Company shall undertake the following tasks in connection with an alarm system on Buyer's property:

(a) Within _____[*number, e.g.*, 15] days of the date of this agreement ("commencement date"), Alarm Company shall commence installation of the alarm system described in Paragraph 3 of this agreement ("alarm system"). Failure to substantially commence the installation of the alarm system within 20 days of the commencement date, without legal excuse, is a violation of the Alarm Company Act. Substantial commencement of the work means the installation of any wiring or equipment referred to in Paragraph 3 of this agreement.

(b) Alarm Company shall furnish all equipment and materials needed to install the alarm system. Once installed, Alarm Company shall test the system to ensure that it is functioning properly. Alarm Company agrees to complete the

installation and testing of the alarm system within _____[*number, e.g.,* 30] days of the date of this agreement.

(c) Once the alarm system is installed and tested, Alarm Company shall thoroughly instruct Buyer on the use and operation of the alarm system at a time mutually agreeable to both parties.

(d) Alarm Company shall maintain the alarm system in good operating condition throughout the term of this agreement. Maintenance services shall include, but not be limited, to _____[*list specific maintenance services, e.g.,* the inspection and testing of equipment at least once every _____ [*number, e.g.*, three] months, and promptly responding to Buyer's reports of malfunction of any part of the alarm system].

Alarm System Specifications

3. (a) The alarm system to be installed at Buyer's property shall consist of wiring, smoke detectors, carbon monoxide detectors, door and window contacts, motion sensors, and other equipment that is designed to alert occupants of a fire or an intruder and to transmit a signal to _____[*list either a third-party monitoring company, or if Alarm Company has its own monitory system, describe that system, e.g.,* our U.L. listed Central Monitoring Station] on any indication of a fire or intrusion to Buyer's property. The exact number and location of each type of equipment to be installed at Buyer's Property is set forth on Schedule A, which is attached to and incorporated into this agreement.

(b) Immediately on receiving a signal from the alarm system at any time of day 365 days a year, _____[*name of monitoring system*] shall, as appropriate, inspect Buyer's property or contact the appropriate local authorities to respond to the damage or threat to Buyer's property.

License and Registration

4. (a) Alarm company operators are licensed and regulated by the Bureau of Security and Investigative Services, Department of Consumer Affairs, Sacramento, CA, 95814. Alarm Company holds a valid, current license issued by the Bureau; (see license number at the top of this agreement).

(b) All employees of Alarm Company who engage in selling on the premises, or altering, installing, maintaining, moving, repairing, replacing, servicing, responding, or monitoring an alarm system, and any person who manages or supervises the employees of Alarm Company, shall be registered as alarm agents by the Bureau of Security and Investigative Services, Department of Consumer Affairs, Sacramento, CA 95814.

Entry on Buyer's Property

5. Buyer hereby grants to Alarm Company, its employees and its agents, [*add if third-party monitoring company is used:* including the central monitoring company referred to in Paragraph 3 of this agreement,] the right to enter Buyer's property for the purposes of installing and maintaining the alarm system, as provided in Paragraph 2 of this agreement, and for the purposes of responding to alarm signals, as provided in Paragraph 3(b) of this agreement.

Buyer's Obligations

6. (a) Buyer shall use Buyer's reasonable best efforts to prevent any damage or interference with the alarm system equipment installed at Buyer's property. If Buyer makes any alterations to Buyer's property that affect the alarm system

equipment in any way, or otherwise interferes with or damages the equipment, Buyer authorizes Alarm Company to do any resulting work on the alarm system required to maintain the full function and operation of the alarm system. Buyer shall pay Alarm Company the reasonable costs for any such work within _____[*number of days, e.g.*, 15] of receipt of the invoice for the costs.

(b) If the alarm system equipment sustains any damage from acts of God or interference from third parties, Alarm Company shall repair and restore the alarm system to its full operation. Buyer shall pay Alarm Company the reasonable costs for any such work within _____[*number of days, e.g.*, 15] of receipt of the invoice for the costs.

(c) Notwithstanding the provisions of subparagraph (b), if Buyer's property is damaged by fire or other casualty that renders the property uninhabitable, Buyer may terminate this agreement on written notice to Alarm Company, and no further lease payments shall be due under this agreement.

Compensation

7. Buyer shall pay Alarm Company for the alarm system services agreed to be performed under this agreement the total sum of $_____[*list the total sum of the initial deposit and the cumulative total of monthly lease payments due under this agreement*]. The schedule of payments to be made under this agreement is as follows:

(a) Installation fee of $_____[*dollar amount*]. An initial deposit of $_____[*dollar amount, which may not exceed $1,000, or 10 percent of the contract price, excluding finance charges, whichever is less*] is due on execution of this agreement, and the balance of the installation fee ($_____[*amount of balance due*]) is due on substantial completion of the installation.

(b) Monthly [lease] payments of $_____[*amount*], due on the first day of each month for _____[*number, e.g.,* 12 *or* 24] consecutive months, commencing on the first day of the month following substantial completion of the alarm system installation.

Compliance With Applicable Statutes, Ordinances, and Regulations

8. In performing the services required of it under this agreement, Alarm Company shall comply with all applicable federal, state, county, and city statutes, ordinances, and regulations, provided, however, that Buyer shall pay all permit fees required by any local jurisdiction for the monitoring of an alarm system, whether in effect at this time, or later enacted. At this time, the following permit fees apply to the alarm system to be installed at Buyer's property: $_____[*list amount, jurisdiction and any conditions of fees, e.g., fees based on dollar amount of installation cost or monthly lease payments*].

Insurance

9. Alarm Company, at its own cost and expense, shall procure and maintain throughout the term of this agreement a workers' compensation insurance policy for the protection of its employees engaged in work under this agreement.

Excusable Delays and Failures

10. Neither party shall be liable for any delay or failure in its performance under this contract (except for payment obligations) caused by events beyond the reasonable control of the party, including, but not limited to, terrorism, war,

riots, labor strikes, interruption of utility services, fires, floods, earthquakes, and other natural disasters.

Liquidated Damages

11. Alarm Company is not an insurer of Buyer's property and life safety, and the payments paid by Buyer under this agreement are solely for the value of the service in the operation of the alarm system. If the alarm system fails to function properly and there are resulting losses, determining the amount of actual damages would be impracticable or extremely difficult. Therefore, the parties agree that, in the event that Alarm Company is found to have breached any of its obligations under this agreement and Buyer has sustained losses as a result of that breach, Alarm Company shall pay the sum of $_____[*amount, e.g.*, $200] to Buyer as liquidated damages.

Entire Agreement

12. This contract supersedes any and all other agreements, either oral or in writing, between the parties with respect to the subject of this contract. This contract contains all of the covenants and agreements between the parties with respect to the subject of this contract, and each party acknowledges that no representations, inducements, promises, or agreements have been made by or on behalf of any party except the covenants and agreements embodied in this contract. Any agreement, statement, or promise not contained in this contract shall not be valid or binding between the parties with respect to the subject of this contract, except for a subsequent written modification signed by the party to be charged.

Amendment of Contract

13. This contract may be amended or modified at any time with respect to any provision by a written instrument executed by Alarm Company and Buyer.

Successors and Assigns

14. Neither party may assign or transfer this agreement, in whole or in part, without the prior written consent of the other party. This agreement shall be binding on, and inure to the benefit of, each party's heirs, executors, administrators, successors, and permitted assigns.

[*Add, if desired:*]

Arbitration

15. Any dispute arising under this contract shall be settled by arbitration in accordance with _____[*specify method of arbitration or refer to specific rules, e.g.*, the Commercial Arbitration Rules of the American Arbitration Association] , and judgment on the award rendered by the Arbitrator may be entered in any court having jurisdiction.

[*Continue with the following:*]

Attorneys' Fees

16. If any legal action, including arbitration, is brought to enforce or interpret the provisions of this contract, the prevailing party shall be entitled to recover reasonable attorneys' fees from the other party. These fees, which may be set by the court in the same action or in a separate action brought for that purpose, are in addition to any other relief to which the prevailing party may be entitled.

Notices

17. Any notice required or permitted to be given under this contract shall be written, and may be given by personal delivery or by registered or certified mail, first-class postage prepaid, return receipt requested. Notice shall be deemed given upon actual receipt in the case of personal delivery, or upon mailing. Mailed notices shall be addressed as follows, but each party may change address by written notice in accordance with this paragraph:

To Alarm Company at: _____ [*address*].
To Buyer at: _____ [*address*].

Governing Law

18. This contract shall be governed by and construed in accordance with the laws of California.

You, the buyer, may cancel this transaction at any time prior to midnight of the third business day after the date of this transaction. See the attached notice of cancellation form for an explanation of this right.

SCHEDULE A

[*Add list of equipment, including their number and location, to be installed at the Buyer's property*].

NOTICE TO OWNER

Under the California Mechanics' Lien Law, any contractor, subcontractor, laborer, supplier, or other person or entity who helps to improve your property, but is not paid for his or her work or supplies, has a right to place a lien on your home, land, or property where the work was performed and to sue you in court to obtain payment.

This means that after a court hearing, your home, land, and property could be sold by a court officer and the proceeds of the sale used to satisfy what you owe. This can happen even if you have paid your contractor in full if the contractor's subcontractors, laborers, or suppliers remain unpaid.

To preserve their rights to file a claim or lien against your property, certain claimants such as subcontractors or material suppliers are each required to provide you with a document called a "Preliminary Notice." Contractors and laborers who contract with owners directly do not have to provide such notice since you are aware of their existence as an owner. A preliminary notice is not a lien against your property. Its purpose is to notify you of persons or entities that may have a right to file a lien against your property if they are not paid. In order to perfect their lien rights, a contractor, subcontractor, supplier, or laborer must file a mechanics' lien with the county recorder which then becomes a recorded lien against your property. Generally, the maximum time allowed for filing a mechanics' lien against your property is 90 days after substantial completion of your project.

TO INSURE EXTRA PROTECTION FOR YOURSELF AND YOUR PROPERTY, YOU MAY WISH TO TAKE ONE OR MORE OF THE FOLLOWING STEPS:

(1) Require that your contractor supply you with a payment and performance bond (not a license bond), which provides that the bonding company will either complete the project or pay damages up to the amount of the bond. This payment and performance bond as well as a copy of the construction contract should be filed with the county recorder for your further protection. The payment and performance bond will usually cost from 1 to 5 percent of the contract amount depending on the contractor's bonding ability. If a contractor cannot obtain such bonding, it may indicate his or her financial incapacity.

(2) Require that payments be made directly to subcontractors and material suppliers through a joint control. Funding services may be available, for a fee, in your area which will establish voucher or other means of payment to your contractor. These services may also provide you with lien waivers and other forms of protection. Any joint control agreement should include the addendum approved by the registrar.

(3) Issue joint checks for payment, made out to both your contractor and subcontractors or material suppliers involved in the project. The joint checks should be made payable to the persons or entities that send preliminary notices to you. Those persons or entities have indicated that they may have lien rights on your property, therefore you need to protect yourself. This will help to insure that all persons due payment are actually paid.

(4) On making payment on any completed phase of the project, and before making any further payments, require your contractor to provide you with unconditional "Waiver and Release" forms signed by each material supplier, subcontractor, and laborer involved in that portion of the work for which payment was made. The statutory lien releases are set forth in exact language in *Civil Code Section 3262*. Most stationery stores will sell the "Waiver and Release" forms if your contractor does not have them. The material suppliers, subcontractors, and laborers from whom you obtain releases are those persons or entities who have filed preliminary notices with you. If you are not certain of the material suppliers, subcontractors, and laborers working on your project, you may obtain a list from your contractor. On projects involving improvements to a single-family residence or a duplex owned by individuals, the persons signing these releases lose the right to file a mechanics' lien claim against your property. In other types of construction, this protection may still be important, but may not be as complete.

To protect yourself under this option, you must be certain that all material suppliers, subcontractors, and laborers have signed the "Waiver and Release" form. If a mechanics' lien has been filed against your property, it can only be

voluntarily released by a recorded "Release of Mechanics' Lien" signed by the person or entity that filed the mechanics' lien against your property unless the lawsuit to enforce the lien was not timely filed. You should not make any final payments until any and all such liens are removed. You should consult an attorney if a lien is filed against your property.

TRUTH IN LENDING DISCLOSURES

[*Add truth in lending disclosures (see 1 d , above)*].

[*If the alarm system contract qualifies as a home solicitation contract (see [1][e], above), add the following notice in an easily detachable form in duplicate, in at least 10-point type, in the same language, e.g., Spanish, as used in the contract:*]

NOTICE OF CANCELLATION

You may cancel this transaction, without any penalty or obligation, within three business days from the above date.

If you cancel, any property traded in, any payments made by you under the contract or sale, and any negotiable instrument executed by you will be returned within 10 days following receipt by the seller of your cancellation notice, and any security interest arising out of the transaction will be canceled.

If you cancel, you must make available to the seller at your residence, in substantially as good condition as when received, any goods delivered to you under this contract or sale, or you may, if you wish, comply with the instructions of the seller regarding the return shipment of the goods at the seller's expense and risk.

If you do make the goods available to the seller and the seller does not pick them up within 20 days of the date of your notice of cancellation, you may retain or dispose of the goods without any further obligation. If you fail to make the goods available to the seller, or if you agree to return the goods to the seller and fail to do so, then you remain liable for performance of all obligations under the contract.

To cancel this transaction, mail or deliver a signed and dated copy of this cancellation notice, or any other written notice, or send a telegram to _____[*name of seller*] at _____[*address of seller's place of business*] not later than midnight of _____[*date*].

I hearby cancel this transaction.

CHAPTER 92 SERVICE CONTRACTS
PART IV. FORMS
B. Security Services for Property

30-92 California Legal Forms--Transaction Guide § 92.213

§ 92.213 Sentry Dog Service Contract

[1] Comment--Use of Form

This form is a contract for sentry dog service. The Dog Act of 1969 [*Health & Safety Code § 121875 et seq.*] authorizes the use of sentry dogs to protect property. Sentry dogs are dogs trained to work without supervision in a fenced facility and to deter or detain unauthorized persons. This form is a complete contract between the owner or lessee of private property and a sentry dog company regarding the use of the services of sentry dogs for guarding and protecting property.

For discussion of the requirements of the Dog Act, see *§ 92.42*. The Dog Act's requirements for proper identification, registration, supervision, and notification to the local authorities of each sentry dog placed in service [*see Health & Safety Code §§ 121910* (registration), 121915 (notification), 121920 (identification), 121930 (visits by dog handler)] are set forth in Paragraphs 2-5 of this form.

Written contracts are commonly used for the services of sentry dogs. Because narcotic detection and attack dogs are not as frequently hired out under written contract, no form for those services is provided here. However, if it should become necessary to draft such a contract, this form may be used as a starting point.

This form, because it is designed as a guide for drafting any service contract involving the use of sentry dogs, is necessarily somewhat general in nature. The attorney should modify it, if necessary or desirable, in order to meet the requirements of the particular situation.

The contractual areas that should be given most careful consideration by the attorney drafting a sentry dog contract are: (1) the exact days on which the dogs are to work, (2) the precise times that the dogs are to be delivered and picked up, and (3) the measures to be taken to insure that the sentry dogs will not be able to leave the guarded property and that no persons will enter the guarded property while the dogs are on duty. It should be borne in mind that sentry dogs are trained to attack all persons encountered except their dog handlers.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contractual provisions.

[2] FORM

Sentry Dog Service Contract

CONTRACT FOR SENTRY DOG SERVICE

This AGREEMENT is made on _____[*date*] between _____[*name of sentry dog company*] ("Sentry Dog Service"), _____[*capacity, e.g.,* a Delaware corporation *or* a California limited liability company *or* a California general partnership] with its principal place of business at _____[*address*], and _____[*name of client*] ("Client"), _____[*capacity*] with _____[its *or* his *or* her] principal place of business at _____[*address*].

Recitals

Sentry Dog Service is a sentry dog company as defined by *Health & Safety Code Section 121895* and offers trained sentry dogs to guard and protect property. Sentry Dog Service holds a valid permit to operate its business under *Health & Safety Code 121916*.

Client is _____[*specify property rights, e.g.,* the owner of *or* a lessee with full rights of protection for] the property located at _____ ("guarded property") [*address of property location to be guarded*].

Sentry Dog Service desires to provide sentry dog services to Client and Client desires to obtain such services from Sentry Dog Service.

THEREFORE, in consideration of the mutual promises set forth below, the parties agree as follows:

Term of Agreement

1. The term of this agreement shall commence on _____[*date*], and shall continue in full force and effect thereafter until it is terminated by _____[*e.g.,* 30] days written notice from either party to the other.

Sentry Dogs Furnished

2. Sentry Dog Service shall deliver _____[*specify number of dogs*] healthy sentry dogs to the guarded property on _____[*e.g.,* each and every day during the term of this agreement, including Saturdays, Sundays, and holidays]. Each dog shall be properly trained to work without supervision on the guarded property and to deter or detain unauthorized persons found within the guarded property. Sentry Dog Service shall ensure that each dog has been microchipped and the owner's identification entered into a local or national registry. Furthermore, each dog shall have an identification tag that shall include the name of the dog and the name, address, and telephone number of Sentry Dog Service. The dogs shall be delivered by Sentry Dog Service to the guarded property at [*or* after] _____ p.m. and shall be picked up at [*or* after] _____ a.m. of the following day.

Food and Water

3. Sentry Dog Service shall provide all food and water needed by its sentry dogs. [*If the sentry dogs will be on duty at any time for a period in excess of 12 hours, add:* A dog handler of Sentry Dog Service shall visit the sentry dogs at least once every 12 hours while the dogs are on duty at the guarded property to insure that the dogs' physical condition and their food and water are adequate.]

Registration and Notification Procedures

4. (a) Prior to delivery of the sentry dogs as provided in Paragraph 2 of this contract, Sentry Dog Service shall register each sentry dog furnished under this contract with the local law enforcement agency and fire department having responsibility for the area in which the guarded property is located.

(b) Sentry Dog Service shall notify the local law enforcement agency and the local fire department by mail not more than 15 days before the commencement of the services under this agreement of the location and duration of the assignment of the sentry dogs to the guarded property.

Twenty-Four Hour Telephone Service

5. The public access telephone number for Sentry Dog Service is _____[*phone number*], which telephone number shall be listed on the identification tags of each sentry dog. Sentry Dog Service shall arrange for this number to be answered by a live person (and not an answering machine or voice mail service) 24 hours per day every day of the year so that any calls regarding the sentry dogs may be received and answered.

Maintenance of Guarded Property

6. Client agrees to maintain the guarded property in a safe and secure condition and to assume sole responsibility for checking all fences, gates, doors, windows, and enclosures of any nature whatsoever so as to insure that the sentry dogs will not be able to leave the guarded property.

Defective Condition of Guarded Property

7. If Sentry Dog Service becomes aware of any defective condition on or about the guarded property, it shall notify Client as soon as possible. If the defective condition is not repaired by Client immediately after notified by Sentry Dog Service and if the defect is sufficient either to permit the sentry dogs to leave or to endanger their health and wellbeing, then Sentry Dog Service may at its option do any of the following:

(a) Place a dog handler on the premises to restrain the dogs until the defective condition is corrected. In addition to other compensation provided in this agreement, Client shall pay to Sentry Dog Service a fee of $_____ for each hour or each part of an hour that the dog handler remains on the guarded property for this purpose.

(b) Discontinue delivery of sentry dogs until the defective condition is corrected.

(c) Terminate this agreement on written notice to Client.

Notification to Persons Having Access to Guarded Property

8. (a) Sentry Dog Service shall provide Client with _____[*describe number and type of signs, e.g.,* four prominent] warning signs and Client shall install these signs on the guarded property to notify all persons that the guarded property is being protected by sentry dogs.

(b) Client shall notify all persons having access to the guarded property at times when the sentry dogs will be on duty of the presence of the sentry dogs and to warn them not to enter the guarded property while the sentry dogs are on duty.

Compensation

9. Client shall pay Sentry Dog Service at the rate of $_____ per month for the services agreed to be performed. Sentry Dog Service shall invoice Client at the end of each month and Client shall make payment within _____[*e.g.,* 10] days of the billing date.

Compliance With Applicable Statutes, Ordinances, and Regulations

10. In performing the services required of it under this agreement, Sentry Dog Service shall comply with all applicable federal, state, county, and city statutes, ordinances, and regulations.

Excusable Delays and Failures

11. Neither party shall be liable for any delay or failure in its performance under this contract (except for payment obligations) caused by events beyond the reasonable control of the party, including, but not limited to, terrorism, war, riots, labor strikes, interruption of utility services, fires, floods, earthquakes, and other natural disasters.

Entire Agreement

12. This contract supersedes any and all other agreements, either oral or in writing, between the parties with respect to the subject of this contract. This contract contains all of the covenants and agreements between the parties with respect to the subject of this contract, and each party acknowledges that no representations, inducements, promises, or agreements have been made by or on behalf of any party except the covenants and agreements embodied in this contract. Any agreement, statement, or promise not contained in this contract shall not be valid or binding between the parties with respect to the subject of this contract, except for a subsequent written modification signed by the party to be charged.

Amendment of Contract

13. This contract may be amended or modified at any time with respect to any provision by a written instrument executed by Sentry Dog Company and Client.

Successors and Assigns

14. Neither party may assign or transfer this agreement, in whole or in part, without the prior written consent of the other party. This agreement shall be binding on, and inure to the benefit of, each party's heirs, executors, administrators, successors, and permitted assigns.

[*Add, if desired:*]

Arbitration

15. Any dispute arising under this contract shall be settled by arbitration in accordance with _____[*specify method of arbitration or refer to specific rules, e.g.,* the Commercial Arbitration Rules of the American Arbitration Association], and judgment on the award rendered by the Arbitrator may be entered in any court having jurisdiction.

[*Continue with the following:*]

Attorneys' Fees

16. If any legal action, including arbitration, is brought to enforce or interpret the provisions of this contract, the prevailing party shall be entitled to recover reasonable attorneys' fees from the other party. C. Maintenance and Repairs of Personal Property

30-92 California Legal Forms--Transaction Guide § 92.220

§ 92.220 Receipt/Estimate Form for Repairs of Electronics and Appliances

[1] Comment

[a] Use of Form

This form may be used by a service dealer for the repair of electronics and appliances normally used or sold for personal, family, or household purposes. Repair services of electronics and appliances ("equipment") are governed by the Electronic and Appliance Repair Dealer Registration Law ("Repair Act") [*Bus. & Prof. Code § 9800 et seq.*] and its implementing regulations [*16 Cal. Code Reg. § 2701 et seq.*].

This form may be used to serve either or both of two functions: (1) to acknowledge receipt of equipment left by the customer with the dealer for repair; and (2) to provide an estimate of the cost of the labor and parts necessary to repair the equipment. This form meets the Repair Act's requirements for both purposes. For a full discussion of the products, persons, and activities governed by the Repair Act, see *§ 92.50*.

Separate requirements apply to a service dealer's invoice [*see § 92.221*]. Some electronic service dealers combine the invoice with the receipt/repair estimate into one set of interleaf forms.

[b] Receipt or Claim Check

A service dealer who removes equipment from a home, home office, or private motor vehicle, or accepts equipment for repair at his or her place of business, must give the owner of the equipment a receipt or claim check stating all of the following [*16 Cal. Code Reg. § 2721*]:

- The name and registration number of the service dealer and the address and telephone number of the location where the equipment will be repaired.

- The date the equipment was accepted or received for repair.

- A description of the equipment including model and serial numbers.

- A summary of the customer's description of the problem associated with the equipment.

- The name and address of the customer.

- The complete and legible signature or employee number of the service dealer or of the service dealer's representative.

- The following statement printed in prominent type:

"An estimate as required (*Section 9844 of the California Business and Professions Code*) for repairs shall be given to the customer by the service dealer in writing, and the service dealer may not charge for work done or parts supplied in excess of the estimate without prior consent of the customer. Where provided in writing, the service dealer may charge a reasonable fee for services provided in determining the nature of the malfunction in preparation of a written estimate for repair. For information contact the Bureau of Electronic and Appliance Repair, Department of Consumer Affairs, Sacramento, California 95814."

- Removal and reinstallation charge, if any.

- A statement, if appropriate, that the deposited property is not insured or protected to the amount of its actual cash value against loss occasioned by theft, fire, and vandalism while the property remains with the service dealer or his or her representative [*see Civ. Code § 1858.1*].

[c] Repair Estimate

The service dealer must give the customer a written estimate of the cost before performing any repairs. This estimate must include all costs for parts and labor [*Bus. & Prof. Code § 9844*]. In preparing the estimate, the dealer may not withhold or insert any statement or information that tends to mislead or deceive customers, prospective customers, or the consuming public [*16 Cal. Code Reg. § 2720*].

The dealer may not charge for work done or parts supplied in excess of the estimate without the previous consent of the customer [*Bus. & Prof. Code § 9844*]. Consent may be either written or oral. If consent is oral, the service dealer must note certain items on the invoice [*see 16 Cal. Code Reg. § 2722*; *see also § 92.221[2]* (invoice form)]

The service dealer may charge a reasonable fee for services provided in determining the nature of the malfunction in preparation of a written estimate for repair. The dealer must advise the customer in writing of the amount of this fee before a repair made in the residence, removal of the consumer goods from the customer's residence, or upon acceptance of the goods at the repair facility or registered location [*Bus. & Prof. Code § 9844*].

Estimates must be given for installations as well as repairs. This form may be modified to provide for installation of equipment. The charge for installing any equipment subject to the Repair Act must be given to the customer in writing before making the installation [*Bus. & Prof. Code § 9844.1*].

[d] Repairs Under Warranty

Every work order or repair invoice for warranty repairs or service [*see § 92.52* (express warranties)] of consumer goods

[*see Civ. Code § 1791(a)* (definition)] must clearly and conspicuously incorporate in 10-point boldface type the following statement, either on the face of the work order or repair invoice, or on the reverse side, or on an attachment to the work order or repair invoice [*Civ. Code § 1793.1(a)(2)*]:

> **"A buyer of this product in California has the right to have this product serviced or repaired during the warranty period. The warranty period will be extended for the number of whole days that the product has been out of the buyer's hands for warranty repairs. If a defect exists within the warranty period, the warranty will not expire until the defect has been fixed. The warranty period will also be extended if the warranty repairs have not been performed due to delays caused by circumstances beyond the control of the buyer, or if the warranty repairs did not remedy the defect and the buyer notifies the manufacturer or seller of the failure of the repairs within 60 days after they were completed. If, after a reasonable number of attempts, the defect has not been fixed, the buyer may return this product for a replacement or a refund subject, in either case, to deduction of a reasonable charge for usage. This time extension does not affect the protections or remedies the buyer has under other laws."**

If the required notice is placed on the reverse side of the work order or repair invoice, the face of the work order or repair invoice must include the following notice in 10-point boldface type: **"Notice to Consumer: Please read important information on back."** [*Civ. Code § 1793.1(a)(2)*]. A copy of the work order or repair invoice and any attachment must be presented to the customer at the time that warranty service or repairs are made [*Civ. Code § 1793.1(a)(2)*].

PRACTICE TIP:

The term, "work order," as used above, is not defined by statute, but it would be reasonable to conclude that a receipt/estimate form given to the customer at the time the equipment is delivered to the service dealer for repair could be construed as a work order. Thus, it is advisable to include the above disclosure on both the receipt/estimate form and the invoice form [*see § 92.221[2]* (invoice form)].

PART IV. FORMS
C. Maintenance and Repairs of Personal Property

30-92 California Legal Forms--Transaction Guide § 92.221

§ 92.221 Invoice Form for Repairs of Electronics and Appliances

[1] Comment

[a] Use of Form

This form may be used by a service dealer as an invoice for the repair of electronics and appliances normally used or sold for personal, family, or household purposes. Repair services of electronics and appliances ("equipment") are governed by the Electronic and Appliance Repair Dealer Registration Law ("Repair Act") [*Bus. & Prof. Code § 9800 et seq.*] and its implementing regulations [*16 Cal. Code Reg. § 2701 et seq.*].

This form meets the Repair Act's requirements for an invoice. For a more detailed discussion of the products, persons, and activities governed by the Repair Act, see *§ 92.50*.

Separate requirements apply to a service dealer's receipt or claim check and an estimate of the charges [*see § 92.220*]. Some electronic service dealers combine the invoice with the receipt/repair estimate into one set of interleaf forms. One copy of the invoice must be given to the customer and one copy must be retained by the service dealer for at least three years [*Bus. & Prof. Code § 9842*].

[b] Contents of Invoice

All work done by a service dealer must be recorded on an invoice. The invoice must describe all service work done and all parts supplied and must contain all information required by relevant regulations discussed below. If any used parts are supplied, the invoice must clearly state that fact [*Bus. & Prof. Code § 9842; see 16 Cal. Code Reg. § 2725*].

Invoices must be legible, not in checklist format, and must clearly set forth the following [*16 Cal. Code Reg. § 2725*]:

- The business name, address, and telephone number of the service dealer.
- The service dealer's state registration number.

- The date of the invoice.

- If the equipment is removed from a home, home office, or private motor vehicle, the address of the location where the equipment was repaired, and the state registration number of the service dealer.

- The name and address of the customer.

- A description of the equipment serviced, including the make, model number, and serial number.

- A summary of the customer's description of the problem associated with the equipment.

- A statement of the total charges.

- An itemization of each part in the equipment including a description by class and type if possible, indicating any part within warranty that was replaced, and the charge levied for any part or parts not covered by warranty.

- An itemization and description of labor or technical services performed within warranty or for which a charge was levied.

- An itemization and description of all other charges.

- If any used or exchanged parts are supplied, the invoice must state that fact indicating which parts are used or exchanged and the charge levied for each part. If a picture tube is installed, the description of the replacement picture tube must conform to regulatory requirements [*see 16 Cal. Code Reg. § 2727 et seq.*].

- The complete and legible signature, or employee number, of person filling out the invoice.

- The complete and legible signature or employee number of the person performing the actual repair on the equipment.

[c] Repairs Under Warranty

Every work order or repair invoice for warranty repairs or service [*see § 92.52* (express warranties)] of consumer goods [*see Civ. Code § 1791(a)* (definition)] must clearly and conspicuously incorporate in 10-point boldface type the following statement, either on the face of the work order or repair invoice, or on the reverse side, or on an attachment to the work order or repair invoice [*Civ. Code § 1793.1(a)(2)*]:

> **"A buyer of this product in California has the right to have this product serviced or repaired during the warranty period. The warranty period will be extended for the number of whole days that the product has been out of the buyer's hands for warranty repairs. If a defect exists within the warranty period, the warranty will not expire until the defect has been fixed. The warranty period will also be extended if the warranty repairs have not been performed due to delays caused by circumstances beyond the control of the buyer, or if the warranty repairs did not remedy the defect and the buyer notifies the manufacturer or seller of the failure of the repairs within 60 days after they were completed. If, after a reasonable number of attempts, the defect has not been fixed, the buyer may return this product for a replacement or a refund subject, in either case, to deduction of a reasonable charge for usage. This time extension does not affect the protections or**

remedies the buyer has under other laws."

If the required notice is placed on the reverse side of the work order or repair invoice, the face of the work order or repair invoice must include the following notice in 10-point boldface type: **"Notice to Consumer: Please read important information on back."** [*Civ. Code § 1793.1(a)(2)*]. A copy of the work order or repair invoice and any attachment must be presented to the customer at the time that warranty service or repairs are made [*Civ. Code § 1793.1(a)(2)*].

[d] Charges In Excess of Estimate

The dealer may not charge for work done or parts supplied in excess of the estimate without the previous consent of the customer [*Bus. & Prof. Code § 9844*; *see § 92.220[2]* (estimate form)]. Consent may be either written or oral. If consent is oral, the service dealer must note certain items on the invoice [*16 Cal. Code Reg. § 2722(a)*]:

- The date.
- The time.
- The name of the person authorizing additional repairs.
- Any telephone number called by the dealer.
- The name of the person receiving oral consent.
- The conditions of consent.
- The additional parts and labor.
- The total additional cost.

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 92 SERVICE CONTRACTS
PART IV. FORMS
C. Maintenance and Repairs of Personal Property

30-92 California Legal Forms--Transaction Guide § 92.222

§ 92.222 Service Contract for Electronics, Appliances, and Other Consumer Products

[1] Comment

[a] Use of Form

This form is a service contract for electronics, appliances, and other consumer products. Typically, a service contract is sold to a buyer at the same time the buyer purchases a consumer product. Often the service contract goes into effect once an initial warranty period expires. For discussion and a sample form for an express warranty for a consumer product, see *§ 92.223*.

For purposes of this form and the discussion in this comment, the term "service contract" is not used in a general sense; but rather, it refers to the specific definition of that term contained in the Electronic and Appliance Repair Dealer Registration Law ("Repair Act") [*Bus. & Prof. Code § 9800 et seq.*; *see § 92.51*] and in the Song-Beverly Consumer Warranty Act ("Warranty Act") [*Civ. Code § 1790 et seq.*; *see § 92.51*]. Under these statutes, a service contract is a contract in writing to perform, for an additional cost, over a fixed period of time or for a specified duration, services relating to the maintenance, replacement, or repair of most consumer products, including electronic products and appliances [*Civ. Code § 1791(o)*; *Bus. & Prof. Code § 9855(a)(1)*].

This form meets the statutory requirements for a service contract under both the Repair Act and the Warranty Act. For detailed discussion of these requirements, including which products are covered under each statutory scheme, see *§ 92.51*.

The term "service contractor" is used in this form and comment to mean a service contractor under the Repair Act [*see Bus. & Prof. Code § 9855(e), (b), (c)* (applicable definitions)] and to a manufacturer, distributor, or retailer under the Warranty Act [*see Civ. Code § 1791(e), (j), (l)*]. The term "customer" is used in this form and comment to mean a service contract holder under the Repair Act [*see Bus. & Prof. Code § 9855(d)*] and a buyer or purchaser under the Warranty Act [*see Civ. Code § 1791(b)*].

The requirements of the Repair Act that relate to service contracts are slated for repeal on January 1, 2013, absent

contrary legislation prior to that date [*Bus. & Prof. Code § 9855.9*].

This form may be modified for a vehicle service contract by integrating the contract requirements discussed in *§ 92.53[2][e]*. See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contractual provisions.

[b] Approval of Contract Form

For any service contract subject to the provisions of the Repair Act [*see § 92.51[3][a]* (products covered)], the form of the contract to be issued by a service contractor must be filed with the Director of the Department of Consumer Affairs (which oversees the Bureau of Electronic and Appliance Repair) before it is used by the service contractor [*Bus. & Prof. Code § 9855.3(a)*].

[c] Contents of Contract

A service contract for new or used consumer products subject to the Warranty Act [*see § 92.51[3][b]* (products covered)] must contain all the following items of information:

- A statement that the service contract includes all services and functional parts that may be necessary to maintain proper operation of entire product under normal operation and service for duration of the service contract and without additional charge [*Civ. Code § 1794.4(b)*].

- A clear description and identification of the covered product [*Civ. Code § 1794.4(c)(1)*].

- The point in time or event when the term of the service contract commences, and its duration measured by elapsed time or an objective measure of use [*Civ. Code § 1794.4(c)(2)*].

- A description of the limits on transfer or assignment of the contract if the enforceability of the contract is limited to the original buyer or is limited to persons other than every consumer owner of the covered product during the term of the service contract [*Civ. Code § 1794.4(c)(3)*].

- Clear and conspicuous statements of all the following [*Civ. Code § 1794.4(c)(4)*]:

    - Any services, parts, characteristics, components, properties, defects, malfunctions, causes, conditions, repairs, or remedies excluded from the scope of the service contract.

    - Any other limits on the application of the language of the service contractor's general obligation, such as a limit on the total number of service calls.

    - Any additional services that the service contractor will provide.

    - Whether the obligation of the service contractor includes preventive maintenance and, if so, its nature and frequency.

    - Whether the customer has an obligation to provide preventive maintenance or perform any other obligations and, if so, the nature and frequency of the customer's obligations, and the consequences of noncompliance.

- A step-by-step explanation of the procedure that the customer must follow to obtain performance of any obligation under the service contract, including all the following [*Civ. Code § 1794.4(c)(5)*]:

- The full legal and business name of the service contractor.
- The mailing address of the service contractor.
- The persons or class of persons who are authorized to perform service.
- The name or title and address of any agent, employee, or department of the service contractor that is responsible for the performance of any obligations.
- The method of giving notice to the service contractor of the need for service.
- Whether in-home service is provided or, if not, whether the costs of transporting the product for service or repairs will be paid by the service contractor.
- If the product must be transported to the service contractor, either the place where the product may be delivered for service or repairs or a toll-free telephone number that the customer may call to obtain that information.
- All other steps the customer must take to obtain service.
- All fees, charges, and other costs that the customer must pay to obtain service.

- An explanation of the steps that the service contractor will take to carry out its obligations under the contract [*Civ. Code § 1794.4(c)(6)*].
- A description of any right to cancel the contract if the customer returns the product or the product is sold, lost, stolen, or destroyed, or if there is no right to cancel, or the right to cancel is limited, then a statement of that fact [*Civ. Code § 1794.4(c)(7)*].
- Information respecting the availability of any informal dispute settlement process [*Civ. Code § 1794.4(c)(8)*].

[d] Time of Service or Repair

If a contract between a customer and a service contractor with 25 or more employees for service or repair of merchandise requires the presence of the customer at the time the service or repair is to be performed, then on receiving a request for service or repair under the contract, the service contractor and customer must agree, prior to the date of service or repair, on a four-hour period within which the service or repair will be commenced [*Civ. Code § 1722(a)(1)*].

For a detailed discussion of the regulations relating to this four-hour repair period, see *§ 92.51[9][a]*.

[e] Customer's Inspection of Contract

Prior to purchase, a service contract covering a home electronic product, home appliance, or motor vehicle must be made available for inspection by the customer. In addition, either the contract or a brochure specifically describing the terms, conditions, and exclusions of the contract as well as provisions for contract delivery, cancellation, and refund must be delivered to the customer at or before the time of purchase of the contract [*Civ. Code § 1794.41(a)(2)*].

Within 60 days after the date of purchase, the contract itself must be delivered to the customer. If a service contract for a

home appliance or a home electronic product is sold by means of a telephone solicitation, the seller may elect to satisfy these requirements by mailing or delivering the contract to the customer not later than 30 days after the date of sale of the contract [*Civ. Code § 1794.41(a)(2)*].

During the period in which the service contract is in effect, a retailer that sells a service contract, with the exception of a vehicle service contract [*see Ins. Code § 12800* (definition)], also must [*Civ. Code § 1794.45*]:

- Maintain contract information that includes a description of the terms and conditions of the service contract, and provide that information to the purchaser of the service contract or other beneficiary on request; or

- Obtain a copy of the service contract on request from the purchaser of the service contract or other beneficiary, and provide that copy to the requester within 10 business days after receiving the request.

[f] Relationship to Express Warranty

A service contract for any home electronic product, home appliance, or motor vehicle is applicable only to items, cost, and time periods not covered by an express warranty. However, a service contract may run concurrently with or overlap an express warranty if: (1) the contract covers items or costs not covered by the express warranty, or (2) the contract provides relief to the customer not available under the express warranty, such as automatic replacement of a product when the express warranty only provides for repair [*Civ. Code § 1794.41(a)(3)*].

[g] Customer's Right to Cancel

The purchaser of a service contract for any home electronic product, home appliance, or motor vehicle must be permitted to cancel the contract under the following conditions [*Civ. Code § 1794.41(a)(4)*]:

- If no claims have been made against the contract and if the purchaser provides written notice of cancellation to the person specified in the contract within the first 60 days after receipt of the contract (or longer period provided by the contract), the seller must refund to the purchaser the full amount paid for the contract. With respect to a contract covering a used motor vehicle without manufacturer warranties, a home electronic product, or home appliance, the relevant time period is only 30 days after receipt of the contract.

- If a claim has been made against the contract within the first 60 days after receipt of the contract, the seller must make a pro rata refund to the purchaser based on either elapsed time or an objective measure of use (such as mileage or the retail value of any service performed), at the seller's option as indicated in the contract, if the purchaser provides a written notice of cancellation to the person specified in the contract. With respect to a contract covering a used motor vehicle without manufacturer warranties, a home electronic product, or home appliance, the statutory time period is 30 days after receipt of the contract.

- Unless the contract provides for a longer period for obtaining a full refund, after the first 60 days after receipt of the contract (or 30 days with respect to a contract covering a used motor vehicle without manufacturer warranties, a home electronic product, or home appliance), the seller must make a pro rata refund to the purchaser based on either elapsed time or an objective measure of use (such as mileage or the retail value of any service performed), at the seller's option as indicated in the contract, if the purchaser provides a written notice of cancellation to the person specified in the contract. In addition, the seller may assess a cancellation or administrative fee not to exceed 10 percent of the price of the service contract or $25, whichever is less.

- If the purchase of the service contract was financed, the seller may make the refund payable to the purchaser or assignee, or to the lender of record, or both.

For service contracts subject to the Repair Act [*see § 92.51[3][a]* (products covered)], a refund that is not timely paid bears interest until it is paid [*Bus. & Prof. Code § 9855.6*].

The names, addresses, and telephone numbers of personnel and facilities authorized to perform service under this contract are _____[*specify, or* provided on the attached list, entitled "Authorized Service Facilities," which is incorporated into this contract as if fully set out here]. Customer may obtain updated information on the locations and business hours of service facilities by calling the following toll-free number: _____[*phone number*], or by checking the website: _____[*website address*].

The name and address of the person financially and legally obligated to perform the services specified in this contract are: _____[*name and address*].

Procedure to Obtain Service

11. To obtain service under this contract, Customer must comply with the procedures checked below:

[*The service contractor will check one of the two options below, depending on the type of product involved.*]

_____ In-Home Service. Customer shall call the toll-free number _____ [*phone number*] to report a malfunction of the covered equipment and to request in-home service. Customer shall have a copy of this contract available when making this telephone call. The Service Contractor will attempt to diagnose and troubleshoot the problem and if not solved with telephone support, an appointment for a service call will be made [*add if Paragraph 12 is included:*, in accordance with the provisions of Paragraph 12 of this contract].

_____ Drop-Off Service. Customer, at his or her own cost, shall bring the covered equipment to an authorized service facility during business hours with a copy of this contract, fill out a service authorization form, and leave the covered equipment for service. Service Contractor shall provide a receipt for the covered equipment, and shall contact Customer at the address or telephone number listed in Paragraph 1 above when service has been completed. In-home service is _____ [not available under this contract *or specify, e.g.*, available at an additional charge of $_____ per service call by contacting, by telephone or by mail, the authorized service facility nearest to Customer's address].

In the event the covered equipment cannot be serviced or repaired to a level of normal use and functionality, Service Contractor shall provide a replacement of the same product or, at the option of Service Contractor, a reasonable equivalent of the same product to Customer. Customer may be required to return the damaged equipment to Service

Contractor on receipt of the replaced equipment.

[*Add if service provider has 25 or more employees and the customer's presence is required during the repair period:*]

Time of Service or Repair

12. Customer must request service or repairs under this agreement. On receipt of that request, Service Contractor and Customer must agree, prior to the date of service or repair, on a four-hour period within which the service or repair must begin. Customer, or an adult authorized by Customer, shall be present and available during that four-hour period. Service Contractor shall begin the requested service or repairs within the specified period, unless delayed by unforeseen or unavoidable occurrences beyond Service Contractor's control. In case of such a delay, Service Contractor shall make a diligent attempt to notify Customer of the delay, by telephone or in person, and the parties shall arrange a new two-hour period for the performance of the service or repairs.

Customer's Right to Cancel

13. (a) Within _____[30 *or* 60, *depending on type of produce (see [1][g], above*] days after receipt of this contract Customer may cancel this contract and receive a refund of the full amount paid if Customer provides a written notice of cancellation to Service Contractor at the address specified in Paragraph 1, above, provided that no claim has been made against the contract during that _____[30-day *or* 60-day] period. If a claim has been made during that period, Service Contractor shall pay Customer a pro rata refund, based on _____[elapsed time *or another objective measure of use, e.g.*, the retail value of any service performed].

(b) After the expiration of _____[30 *or* 60, *depending on type of produce (see [1][g], above)*] days following the receipt of this contract, Customer may cancel this contract and receive a pro rata refund, based on _____[elapsed time *or another objective measure of use, e.g.*, the retail value of any service performed] if Customer provides a written notice of cancellation to Service Contractor at the address specified in Paragraph 1, *above*. [*Add if desired:* Cancellation after the expiration of the _____ (30-day *or* 60-day) period shall be subject to _____ (a cancellation *or* an administrative) fee of $_____ (*amount that does not exceed 10 percent of the price of the contract or $25.00, whichever is less*)].

[*For service contracts regulated under the Repair Act, add:*]

(c) If any refund due by law is not paid to Customer or credited to Customer's account within 30 days after Service Contractor's receipt of Customer's written notice of cancellation, the amount of the required refund or credit shall bear interest, payable to Customer, at the annual rate of 10 percent for each additional 30 days (or fraction of each 30-day period) the refund or credit remains unpaid by Service Contractor.]

Transferability

14. Customer may transfer his or her rights under this contract to subsequent consumer owners of the covered equipment during the term of this contract, provided that the transferring owner gives Service Contractor written notice of any transfer of this contract within 30 days of that transfer. Notice of the transfer shall be sent to: _____[*address*]. Failure of the transferring owner to give this notice shall terminate this contract.

Governing Law

15. This contract shall be governed by and construed in accordance with the laws of California.

Executed on _____[*date*], at _____, California.

PART IV. FORMS
C. Maintenance and Repairs of Personal Property

30-92 California Legal Forms--Transaction Guide § 92.223

§ 92.223 Express Warranty for Consumer Goods

[1] Comment

[a] Use of Form

This form is designed for use as an express warranty of a consumer product by its manufacturer. In it the manufacturer agrees to replace or repair, at its service center located in California, any part proving defective in material and workmanship. If the manufacturer does not maintain service facilities in California, the buyer's alternatives are set forth in the express warranty form.

Consumer product warranties are governed by the federal Magnuson-Moss Warranty--Federal Trade Commission Improvement Act ("Magnuson-Moss Act") [*15 U.S.C. 2301 et seq.*] and the Song-Beverly Consumer Warranty Act ("Warranty Act") [*Civ. Code § 1790 et seq.*]. For further discussion of the these acts, see *§ 92.52*.

[b] Warranty Requirements

Every manufacturer, distributor, or retailer making express warranties with respect to consumer goods must set forth the warranties in readily understood language and clearly identify the party making the express warranties [*Civ. Code § 1793.1(a)*].

The Warranty Act requires that express warranties with respect to consumer goods conform to federal standards for disclosure of warranty terms and conditions set forth in the Magnuson-Moss Act [*Civ. Code § 1793.1*; *see 15 U.S.C. § 2301 et seq.*]. Accordingly, all such warranties must contain the following information [*see 15 U.S.C. § 2302(a)*; *see also 16 C.F.R. § 701.3(a)(1)*]:

- Name and address of warrantor.

- Identification of the party to whom the warranty is extended, and whether enforceability of the written warranty is limited to the original consumer purchaser or is otherwise limited to persons other

than every consumer owner during the term of the warranty [*see 16 C.F.R. § 701.3(a)(1)*].

- Identification of the product or part covered.

- Statement of what the warrantor will do (for what period of time and at whose expense) if the goods malfunction, are defective, or fail to conform to a written warranty.

- Statement of what the consumer must do and what expense he or she must bear.

- Exceptions to and exclusions from the warranty terms.

- Step by step procedures the consumer must take to obtain performance of any obligation under the warranty, including an identification of any person or class of persons authorized to perform that obligation.

- Availability of informal dispute settlement procedures offered by the warrantor and a recital as to whether the purchaser may be required to resort to those procedures before pursuing any legal remedies.

- A brief, general description of the legal remedies available to the consumer.

- The time at which the warrantor will perform obligations under the warranty.

- The period of time within which, after notice of a defect, malfunction, or nonconformity, the warrantor will perform obligations under the warranty.

- Characteristics or properties of any products or parts not covered by the warranty.

- The elements of the warranty listed in a manner that would not mislead a reasonable, average consumer regarding the warranty's nature or scope.

- A statement to the buyer: "This warranty gives you specific legal rights, and you may also have other rights which vary from State to State" [*see 16 C.F.R. § 701.3(a)(9)*].

[c] Restrictions and Limitations

The warrantor of a consumer product may not condition the warranty on the consumer's use, in connection with that product, of any article or service identified by a brand, trade, or corporate name unless that article or service is provided without charge under the terms of the warranty, or unless the Federal Trade Commission waives this requirement [*see 15 U.S.C. § 2302(c)*].

Moreover, the warrantor may not exclude or limit consequential damages for breach of the warranty unless the exclusion or limitation appears conspicuously on the face of the warranty [*15 U.S.C. § 2304(a)(3)*]. Any such limitation must be accompanied by the following statement [*16 C.F.R. § 701.3(a)(8)*]:

> "Some States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you."

[2] FORM

Express Warranty for Consumer Goods

_____ [FULL *or if limitation of damages paragraph is included (see below)* **LIMITED] WARRANTY**

Covered Product:

_____[*brand name of product*] _____[*type of product, e.g.,* color television set *or* electronic organ]

Model Number _____, Serial Number _____

Buyer:

Name: _____

Address: _____

[*Add the following paragraph, if desired. It must appear conspicuously on the face of the warranty:*]

Limitation of Damages

In no event shall _____[*name of manufacturer*] be liable for consequential damages for breach of this warranty. Some States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to the buyer.

Warranty Coverage

_____[*Name of manufacturer*] warrants the Covered Product to be free of all defects in material and workmanship for _____[*specify period, e.g.,* one year] from _____[*commencement date, e.g.,* date of original purchase *or* date of installation]. This warranty extends to the original buyer [only *or* and each successive buyer within the warranty period].

Within the period of this warranty, _____[*name of manufacturer*] will repair or replace, free of charge, any part proving defective in material or workmanship. All warranty repairs and service must be performed _____[*specify manner or location of service, e.g.,* by an authorized _____ [*name of manufacturer*] technician, *or* at an authorized _____ (*name of manufacturer*) service facility].

All expenses related to replacing or repairing a defective part under this warranty shall be assumed by _____[*name of manufacturer*] except for the following expenses, which shall be assumed by the buyer: _____[*list expenses for which buyer will be responsible, e.g.,* cost of transporting the product to service center at the address listed below].

Warranty Exclusions

This warranty does not apply to any costs, repairs, or services for the following:

- Service calls to correct the installation of the Covered Product, or to explain the usage of the product

to the buyer.

- Repairs necessitated by use other than normal home use.
- Damage resulting from misuse, abuse, accidents, alterations, or improper installation.
- Corrective work necessitated by repairs made by anyone other than a _____ [*name of manufacturer*] authorized service technician.

How To Obtain Warranty Service

[*Choose one of the following alternatives:*]

[*If warranty repairs will be made in the home, as in the case of large appliances, add the following:*]

The buyer must notify _____[*name of manufacturer*] by calling the toll-free number _____[*phone number*] of any defect, malfunction, or nonconformity promptly upon discovery. Within _____[*number, e.g.,* 15, *but in no event more than 30 days if service facilities are maintained in California*] days, an authorized service technician shall visit the buyer's home for the purpose of repairing or replacing the defective part.

[*If warranty repairs will be made at an authorized service center in California, add the following:*]

The buyer should carefully pack the Covered Product, preferably in the original packing materials, and deliver it, together with a copy of the original purchase receipt and a description of the problem, to one of the following repair and service facilities in California:

_____ [*Name(s) and address(es) of authorized service centers, or, in the alternative, attach a list of names and addresses of authorized service centers*]

If the buyer sends the product by U.S. mail, we recommend that the buyer insure it and send it return receipt requested. We accept no liability for products lost or misplaced in shipment.

[*If the manufacturer of consumer goods does not maintain service facilities for express warranty repairs in California and warranty repairs will not be made in the home, add the following:*]

Upon discovery of any defect, malfunction, or nonconformity in the Covered Product, the buyer may choose one of the following options for obtaining warranty service and repairs:

(a) The buyer should carefully pack the Covered Product, preferably in the original packing materials, and deliver it, together with a copy of the original purchase receipt and a description of the problem, to:

_____ [*Name(s) and address(es) of authorized service center, or, in the alternative, attach a list of names and addresses of authorized service centers*]

If the buyer sends the product by U.S. mail, we recommend that the buyer insure it and send it return receipt requested. We accept no liability for products lost or misplaced in shipment.

(b) The buyer may return the Covered Product to the retail seller, or to any retail seller in California of like goods of the same manufacturer, who will do one of the following:

- Service or repair the Covered Product to conform to the applicable warranty.
- Direct the buyer to a reasonably close independent repair or service facility.
- Replace the Covered Product with goods that are identical or reasonably equivalent to the warranted goods.
- Refund to the buyer the original purchase price less that amount directly attributable to use by the buyer prior to the discovery of the nonconformity.

(c) The buyer may secure the services of an independent repair or service facility for the service or repair of the Covered Product, when service or repair of the goods can be economically accomplished and when the buyer is not furnished appropriate relief the provisions of subparagraph (b). In that event, _____[*name of manufacturer*] will reimburse the independent repair or service facility for the reasonable cost of service and repair, including any cost for parts and any reasonable cost of transporting the goods or parts, plus a reasonable profit.

[*Continue with the following:*]

Registration Card

We recommend that the buyer fill out and send in the registration card included in the original package of the Covered Product. This will facilitate any warranty repairs or service, if needed. It is not required that the buyer send in this registration card for this warranty to be effective.

Notice to Buyer

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. You have the right to bring any action at law or equity to resolve disputes concerning or to enforce the provisions of this warranty.

[*Add, if informal settlement procedures are offered:*]

If the buyer and _____[*name of manufacturer*] disagree over either's performance under the terms of this warranty, the buyer may submit the matter for resolution to _____[*specify panel or other body that will arbitrate dispute*]. The buyer shall not be responsible for expenses incurred in submitting a dispute for resolution under the terms of this paragraph. The buyer _____[is *or* is not] required to submit any dispute for resolution under this paragraph before pursuing any legal remedies to which he or she may be entitled.

_____ [*printed name of manufacturer*]
[*manufacturer's address*]

§ 92.224 Terms and Conditions in Motor Vehicle Repair Estimate/Invoice

[1] Comment

[a] Use of Form

This form contains the terms and conditions that appear in a typical estimate and invoice form for motor vehicle repairs. The estimate and invoice forms are essentially identical in format and are sometimes prepared as multiple copies of one form. Typically these conditions appear in small print, and most automobile owners sign the form without being aware of these terms. Portions of the estimate/invoice that include space for description of the work, price estimate, descriptive information about the vehicle, and so forth, have been omitted from this form.

The Automotive Repair Act [*Bus. & Prof. Code § 9880 et seq.*] includes certain requirements for a written estimate and an invoice for motor vehicle repairs, which are discussed in [b]-[e], *below*. Additionally, if the repairs are done under a warranty, the buyer must be provided with notice in specific statutory language that the warranty period is tolled during the period of repairs [*see Civ. Code § 1793.1(a)(2)*]. For further discussion of the requirements of the Automotive Repair Act, see *§ 92.53[1]*.

For discussion and a sample complaint by an automotive repair dealer to collect amounts due for repairs, see *California Forms of Pleading and Practice, Ch. 274, Garages and Gas Stations, § 274.48* (Matthew Bender). For discussion and a sample complaint by an automobile owner for breach of contract to make repairs, see *California Forms of Pleading and Practice, Ch. 274, Garages and Gas Stations, § 274.47* (Matthew Bender). For discussion and sample complaints by an automobile owner against a dealer for the negligent operation, repair, or maintenance of motor vehicle, see California Forms of Pleading and Practice, *Automobiles: Actions Including Defects and Repairs*, Ch. 91, §§ 91.80-91.83 (Matthew Bender).

[b] Estimate Requirements

The automotive repair dealer must satisfy the following requirements with respect to motor vehicle repairs or service [*Bus. & Prof. Code § 9884.9(a)*]:

- A written estimated price for labor and parts necessary for a specific job must be given to the customer.

- Work may not be done and charges may not accrue before authorization to proceed is obtained from the customer.

- The dealer may not charge for work done or parts supplied in excess of the estimated price without the oral or written consent of the customer, which must be obtained at some time after it is determined that the estimated price is insufficient and before the work not estimated is done or the parts not estimated are supplied.

The automotive repair dealer must also include with the written estimate a statement of any automotive repair service that, if required to be done, will be done by someone other than the dealer or the dealer's employees [*Bus. & Prof. Code § 9884.9(b)*].

Additionally, an automotive dealer, when doing auto body or collision repairs, must provide the customer with an itemized written estimate of all parts and labor. The estimate must describe labor and parts separately and must identify each part, indicating whether the replacement part is new, used, rebuilt, or reconditioned. The written estimate must identify each "crash part" (nonmechanical sheet metal or plastic parts that generally constitute the exterior of a motor vehicle, including inner and outer panels) and indicate whether the crash part is an original equipment manufacturer crash part or a nonoriginal equipment manufacturer aftermarket crash part [*Bus. & Prof. Code § 9884.9(c)*; *see Bus & Prof. Code § 9875(b)* (definition)].

A customer may designate another person to authorize work or parts supplied in excess of the estimated price, if the designation is made in writing at the time the initial authorization is signed by the customer. The designee may not be the automotive repair dealer providing the services or an insurer involved in a claim that includes the motor vehicle being repaired, or any employee or agent acting on behalf of the dealer or insurer [*Bus. & Prof. Code § 9884.9(d)*].

If a dealer fails to give a written estimate or a precise oral estimate of the costs or extent of the repairs to be performed in violation of *Bus. & Prof. Code § 9884.9*, the repair contract is unenforceable at law, and equitable relief will be granted in such cases only under narrowly drawn exceptions to the general rule designed to discourage such violations by refusing relief [*Bennett v. Hayes (1975) 53 Cal. App. 3d 700, 704, 125 Cal. Rptr. 825]* .

[c] Charges in Excess of Estimate

The customer may provide written consent or authorization for an increase in the original estimated price by electronic mail or facsimile transmission. If the customer's consent is oral, the dealer must make a notation on the work order of the date, time, name of person authorizing the additional repairs, and telephone number called, if any, together with a specification of the additional parts and labor and the total additional cost [*Bus. & Prof. Code § 9884.9(a)*].

Furthermore, the dealer must either (1) make a notation on the invoice of the same facts set forth in the notation on the work order or (2) on completion of repairs, obtain the customer's signature or initials to an acknowledgment of notice and consent in the following language: "I acknowledge notice and oral approval of an increase in the original estimated price" [*Bus. & Prof. Code § 9884.9(a)*].

This form contains two optional provisions, either of which may be used by an automotive repair dealer to confirm the oral consent of a customer for additional repairs.

[d] Lack of Insurance

If the motor vehicle received by the automotive dealer is used for personal, family, or household purposes, the automotive dealer's receipt/estimate must include a statement, if appropriate, that the vehicle is not insured or protected to the amount of its actual cash value against loss occasioned by theft, fire, and vandalism while the vehicle remains with the automotive dealer [*see Civ. Code § 1858.1*].

[e] Invoice Requirements

Under the Automotive Repair Act, all work done by an automotive repair dealer, including all warranty work, must be recorded on an invoice describing all service work done and parts supplied. Service work and parts must be listed separately on the invoice, which also must state separately the subtotal prices for service work and for parts (not including sales tax) and state separately the sales tax which is applicable to each. If any used, rebuilt, or reconditioned parts are used, the invoice must clearly state that fact. If a part of a component system is composed of new and used, rebuilt or reconditioned parts, that invoice must clearly state that fact [*Bus. & Prof. Code § 9884.8*].

The invoice must also include a statement indicating whether any "crash parts" (nonmechanical sheet metal or plastic parts that generally constitute the exterior of a motor vehicle, including inner and outer panels [*see Bus & Prof. Code § 9875* (definition)]) are original equipment manufacturer crash parts or nonoriginal equipment manufacturer aftermarket crash parts. One copy of the invoice must be given to the customer and one copy is to be retained by the dealer [*Bus. & Prof. Code § 9884.8*].

[2] FORM

Terms and Conditions in Motor Vehicle Repair Estimate/Invoice

[*Include the following in the estimate form directly above the customer's signature line:*]

I hereby authorize _____[*name of automotive service dealer*] to perform the repair work described above, including any sublet work noted in the above estimate, and to furnish all necessary materials and parts. I understand storage will be charged beginning three days after I receive notice that repairs are completed at a rate of _____[*amount, e.g.,* $15] per day. You and your employees may operate the vehicle at my risk for the purposes of testing, inspection, moving, or delivery. A lien on the vehicle to secure the amount of labor, parts and storage is acknowledged. You will not be held responsible for loss or damage to the vehicle or any articles left in the vehicle in case of fire, theft, accident, or any other cause beyond your control. In the event that any contract action is necessary to enforce or interpret the terms of this contract, the prevailing party will be entitled to reasonable attorneys' fees and court costs.
_____ Dated:

_____ [*signature*]
[*typed name*]

[*If the equipment is intended for personal, family, household, or home office purposes, include following statement, if appropriate:*]

RISK OF LOSS

The equipment you have left with us for repair is not insured or otherwise protected to its actual cash value by us against loss occasioned by theft, fire, or vandalism while it remains with us.

[*Optional provision if dealer obtains oral consent for additional automotive repairs and desires to make a notation of the consent on the work order and invoice:*]

_____[*Name of automotive repair dealer*] acknowledges that _____[*name of person authorizing additional repairs*] [, whose telephone number is _____,] orally authorized the additional repairs described below on _____[*date*], at _____[a.m. *or* p.m.]. The additional parts and labor and total additional cost authorized by the above-named person are as follows:
_____[*specify additional parts and labor and total additional cost; if any "crash parts"--nonmechanical sheet metal or plastic parts that generally constitute the exterior of a motor vehicle, including inner and outer panels--are involved, identify each crash part and indicate whether part is an original equipment manufacturer crash part or a nonoriginal equipment manufacturer aftermarket crash part (see Bus & Prof. Code § 9875)*].

[*Alternative optional provision when dealer, on completion of repairs, obtains the customer's signature or initials to an acknowledgment of notice and consent for additional repairs:*]

I acknowledge notice and oral approval of an increase in the original estimated price.

[*Continue with the following:*]

_____ [*signature or initials*]
[*typed name*]

[*Include the following paragraph in 10 point boldface type if the repairs are subject to express warranties:*]

A buyer of this product in California has the right to have this product serviced or repaired during the warranty period. The warranty period will be extended for the number of whole days that the product has been out of the buyer's hands for warranty repairs. If a defect exists within the warranty period, the warranty will not expire until the defect has been fixed. The warranty period will also be extended if the warranty repairs have not been performed due to delays caused by circumstances beyond the control of the buyer, or if the warranty repairs did not remedy the defect and the buyer notifies the manufacturer or seller of the failure of the repairs within 60 days after they were completed. If, after a reasonable number of attempts, the defect has not been fixed, the buyer may return this product for a replacement or a refund subject, in either case, to deduction of a reasonable charge for usage. This time extension does not affect the protections or remedies the buyer has under other laws.

[*If preceding statement appears on reverse side of work order, repair invoice, or an attachment, that fact must be noted on face of order or invoice in 10-point boldface type as follows:*]

30-92 California Legal Forms--Transaction Guide § 92.225

§ 92.225 Home Protection Contract

[1] Comment

[a] Use of Form

A home protection contract is a contract in which a home protection company undertakes, for a specified period of time and for a predetermined fee, to repair or replace all or any part of any component, system or appliance of a home necessitated by wear and tear, deterioration or inherent defect, arising during the effective period of the contract. The home protection contract generally covers major home appliances, and plumbing, heating, and electrical systems, with optional coverage for pools, roofs, and septic systems.

This type of contract, also known as a home warranty plan, typically is issued in connection with the sale of residential property, although a home owner can purchase or renew a home protection contract independently of a sale of the subject property. For an additional premium, a home warranty plan may also be issued during the period the property is listed for sale, protecting the seller during the listing period and the buyer after the title passes on the property.

Home protection contracts generally are not signed by either party, but appear in format similar to an insurance policy. The form of the contract must be filed with the Insurance Commissioner prior to its use by a home protection company [*Ins. Code § 12763*].

Home protection contracts are governed by *Ins. Code §§ 12740-12764*. For discussion of the law that applies to home protection companies, see *§ 92.54*.

[b] Contract Requirements

A home protection contract must specify, in clear and conspicuous terms, the following information [*Ins. Code § 12762(a)*]:

- Each of the appliances, systems and components covered by the contract.

- All exclusions and limitations respecting the extent of coverage.

- The period during which the contract will remain in effect, the home protection contract fee and the renewal terms, if any.

- With respect to the performance of services by the home protection company, all of the following:

    - The services to be performed by the company and the terms and conditions of that performance.

    - The service fee or fees, if any, to be charged for the services.

    - All limitations respecting the performance of services, including any restrictions as to the time period when or geographical area within which services may be requested or will be performed.

    - A statement that services will be performed on telephonic request to the home protection company, without any requirement that claim forms or applications be filed prior to the rendition of service.

    - A representation that services will be initiated within 48 hours of a request made by any person entitled to make such a request under the contract, or the agent of such a person.

- A Covered System that was not installed properly is not covered under this contract.
- The Covered System must be in good working order at the commencement date of this contract.
- Repairs or replacement necessitated by manufacturer's defects or covered under manufacturer's warranties are not covered under this contract.
- Repairs or replacement necessitated from conditions other than normal wear and tear are not covered under this contract. Cosmetic defects and damage resulting from fire, flood, earthquake, storms, and other acts of God, theft, vandalism, pest damage, or misuse are not covered.
- Covered Systems must be located within the perimeter of the main foundation of the home or garage on the Covered Property (except for covered pools, air conditioning, well pumps, and septic systems).

3. Contract Holder must call the Service Call Telephone Number indicated above to report a malfunction of a Covered System and to request repair of the Covered System. All telephone calls must be made within the effective period of this contract. The Company shall contact its authorized service contractor ("contractor") within _____[

number of hours, e.g., four, *but not to exceed 48*] hours on weekdays or _____[*number of hours, not to exceed 48*] hours on Saturdays and Sundays of receiving telephonic notice from Contract Holder. The contractor shall promptly contact Contract Holder to arrange a mutually beneficial time for a repair visit.

4. (a) Contract Holder shall pay the Service Call Fee listed above directly to the contractor for each trade service call, defined as a single repair visit by a contractor, plus any additional repair visits required to remedy the same problem. If the Covered System cannot be repaired to full operating condition, the Company shall arrange for replacement of the Covered System, subject to the following limitations:

[*List any limitations in coverage, e.g., a dollar limitation for replacing heating systems or roofs, or excluding costs for removing inoperable appliances that are replaced*].

(b) If a covered appliance needs to be replaced, the Company shall attempt to match the color of the appliance, but it cannot guarantee a perfect match. The Company also has the option to replace a Covered System rather than repair it.

[*Continue with the following:*]

5. If Contract Holder is a homeowner who has listed the Covered Property for sale and has elected to pay the Listing Option Upgrade cost listed above, this contract shall be assigned to the buyer of the Covered Property at the time title passes to the buyer. In such an event, an additional premium equal to the cost for Basic Coverage, prorated for each day between the commencement date of this contract and the date title passes, shall be due and payable on close of escrow. Upon payment of the additional premium, the period of coverage shall be extended to the first anniversary of the close of escrow date.

6. In no event shall the Company be liable for any incidental or consequential damages or for any delay or failure in its performance under this contract caused by events beyond the reasonable control of the Company, including, but not limited to, terrorism, war, riots, labor strikes, interruption of utility services, fires, floods, earthquakes, and other natural disasters.

CHAPTER 92 SERVICE CONTRACTS
PART IV. FORMS
C. Maintenance and Repairs of Personal Property

30-92 California Legal Forms--Transaction Guide § 92.226

§ 92.226 Boarding Contract for Domestic Animal

[1] Comment

[a] Use of Form

This form is a contract between a kennel and the owner of a domestic animal for the boarding of the animal. It also contains provisions for other services to be performed during the boarding period, such as bathing or clipping the animal. This form is likely to be used as a standard form to be drafted for the kennel. The attorney should modify it, if necessary or desirable, in order to meet the requirements of the kennel.

This form is not designed to be used in connection with the boarding of livestock or wild animals [*see 14 Cal. Code Reg. § 671.4* (regulations concerning boarding of wild animals)].

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative contractual provisions.

[b] Provision for Lien

Most kennel contracts provide the kennel with a lien on the animal for services performed. This type of provision is used because the length of time required to enforce a statutory lien often results in the incurring of boarding costs in excess of the value of the animal. A lien may be created by contract [*Civ. Code § 2881*]. This form provides for a contractual lien, which can be enforced in a shorter period than that required for a statutory lien. For detailed discussion of the laws relating to personal property liens, see Ch. 102A, *Personal Property Liens* .

[c] Confinement of Animal

Any person who keeps an animal confined in an enclosed area must provide the animal with an adequate exercise area. If the animal is restricted by a leash, rope, or chain, the leash, rope, or chain must be affixed so as to prevent the animal from becoming entangled or injured and permit the animal to obtain adequate food, water, and shelter. Failure to

comply with these requirements is a misdemeanor. These requirements do not apply to an animal that is in transit, in a vehicle, or in the immediate control of a person [*Penal Code § 597t*].

1. _____[*name of kennel*] ("Kennel") agrees to board the animal described above and to provide other services as specified above, at the rates stated above. The kennel shall be open each day [except _____ (*e.g.,* Sunday)] from _____ A.M. to _____ P.M.

Charges

2. _____[*name of owner*] ("Owner") agrees to pay for the services specified above at the rates stated above _____[in advance *or* at the time the animal is picked up by Owner]. For purposes of computing boarding charges, any part of a calendar day shall be considered as a full day.

Status of Animal

3. Owner represents that he or she is the sole owner of the animal and that there is no lien or mortgage against the animal. Owner certifies that all the information stated above regarding the animal is correct. Owner guarantees that the animal is in good health and has not been exposed to any contagious disease within the past _____[*e.g.,* 30] days.

Illness or Injury

4. If the animal becomes ill or injured, Kennel shall immediately attempt to notify Owner or, if Owner cannot be contacted, the alternate party listed above. If Owner cannot be reached, or fails to instruct Kennel regarding measures to be taken, or if an emergency situation exists, Kennel is authorized to engage the services of a veterinarian or administer medicine or give other attention that appears advisable. Owner shall pay to Kennel all costs for these services at the time the animal is picked up.

Lien

5. Owner hereby grants a lien on the animal to Kennel for all charges resulting from boarding and rendering other services as described above to the animal. If any such charges are not paid within _____[*e.g.,* 15] days

after they become due under the terms of this contract, Kennel may, on _____[*e.g.,* five] days written notice to Owner, specifying the amount due and informing Owner that payment of that amount within _____[*e.g.,* five] days shall entitle Owner to redeem the animal, sell the animal at a public or private sale to satisfy the account. The notice may be served by registered or certified mail with return receipt requested, delivered to Owner's address as stated above. The proceeds of the sale, after paying the expenses of sale, shall be applied to liquidate the debt, including all charges accrued in caring for the animal up to the date of sale. The balance, if any, shall be paid over to Owner. If the proceeds of the sale are insufficient to pay the expenses of the sale and satisfy the account, Owner shall pay the balance to Kennel. This provision does not in any way limit Kennel's legal remedies against Owner.

Compliance With Applicable Statutes, Ordinances, and Regulations

6. In performing the services required of it under this agreement, Kennel shall comply with all applicable federal, state, county, and city statutes, ordinances, and regulations.

30-92 California Legal Forms--Transaction Guide § 92.240

§ 92.240 Employment Agency Contract

[1] Comment

[a] Use of Form

This form is a contract between an employment agency [*see Civ. Code § 1812.501(a)* ("employment agency" defined)] and a jobseeker to be signed by the parties at the time the employment agency refers a specific position to the jobseeker. Employment agencies are governed by the Employment Agency, Employment Counseling, and Job Listing Services Act ("Employment Act") [*see Civ. Code § 1812.500 et seq.*].

An employment agency must give a written contract to each jobseeker from whom a fee or deposit is to be received, whether directly or indirectly [*Civ. Code § 1812.504(a)*]. This form incorporates the minimum requirements of the Employment Act for a contract between an employment agency and a jobseeker [*see* [b], *below*]. For general discussion of the Employment Act's requirements regarding employment agencies in general, see *§ 92.70*.

For discussion and a sample form illustrating a schedule of fees that may be appended to the agreement in this form or posted at the agency's premises, see *§ 92.241*. For discussion and a sample contract for job listing services, see *§ 92.242*. For discussion and a sample contract to be used by an employment counseling service, see *§ 92.243*. For discussion and a sample contract to be used by a nurses' registry, see *§ 92.244*. For discussion of remedies for violations of the Employment Act, breaches of contracts subject to the Employment Act, and enforcement of the Employment Act's provisions [*see Civ. Code § 1812.523*], see *§ 92.74*.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contract provisions.

[b] Contents of Contract

The contract between the jobseeker and the employment agency must include all of the following [*Civ. Code § 1812.504(a)(1)-(10)*]:

- The name, address, and telephone number of the employment agency. If the employment agency has more than one office or location, the contract must state the address and telephone number of the principal office and the address of the location providing services to the jobseeker.

- The name and address of the person giving the order for help, the date and consecutive number of the receipt of the order by the agency and its manner of transmission.

- The name of the jobseeker, the name and address of the person to whom the jobseeker is sent for employment, and the address to which the jobseeker is to report for employment.

- The date and consecutive number of the contract.

- The amount of the fee to be charged and collected from the jobseeker and the amount of the fee paid or advanced by the prospective employer and by whom paid or advanced. The fee clause must include a statement that if the employment is terminated, the fee may not exceed the gross earnings of the jobseeker in that employment [*see Civ. Code § 1812.501(j)* ("fee" defined)].

- The kind of work or employment.

- The daily hours of work, the wages or salary, including any consideration or privilege, the benefits, and any other conditions of employment.

- Whether any labor trouble exists at the place of employment [*see Civ. Code § 1812.509(b), (c)*].

- A contract expiration date not later than 180 days from the date of the referral or signing of the contract, whichever is first (however, a domestic agency operating as a registry may enter into a continuing contract subject to termination by written notice by either the domestic worker or the agency).

- Any other term, condition, or understanding agreed upon between the agency and the jobseeker.

The contract must also include a statutory statement of the jobseeker's right to a refund [*See Civ. Code § 1812.506(a)*]. The refund caption must be set out in type no smaller than 10-point boldface type and the remaining portion in full capitals, boldface, or italics, in type no smaller than that generally used throughout the contract [*Civ. Code § 1812.504(a)(11)*].

There is no legal requirement that the fee schedule be included in the contract or receipt of the employment agency. However, many employment agencies do include it so that the client-jobseeker can readily refer to it and to minimize any misunderstandings as to the amount of the fee.

For discussion of the limitations on fees charged to jobseekers, see *§ 92.70[6]*.

[c] Contract Format and Delivery

The complete agreement between a jobseeker and the employment agency must be set out in a single document and must contain certain elements required by statute [*Civ. Code § 1812.504(c)*; *see* [b], *above* (required contents of contract)]. Contracts must be numbered consecutively and each must be dated [*Civ. Code § 1812.504(b)*].

An original and a duplicate contract must each be executed by the jobseeker and by the person acting for the employment agency [*Civ. Code § 1812.504(b)*]. The original must be given to the jobseeker at the time the contract is

signed and before the employment agency accepts any fee or deposit or before the jobseeker becomes obligated to pay a fee or deposit, and the duplicate kept on file at the agency [*Civ. Code § 1812.504(a), (b)*].

When a referral is made by telephone, the agency must execute the contract in triplicate and must mail the original and duplicate to the jobseeker on the day the referral is made. The date of mailing of the contract must be entered on the contract by the agency. The jobseeker must be instructed to sign both copies and return the duplicate to the agency. The same contract may not be used for more than one referral [*Civ. Code § 1812.504(d)*].

[d] Truth in Lending Laws

If the employment agency agrees to finance the fee charged to the jobseeker, and the terms of the loan include a finance charge or more than four installments, the contract is subject to the Federal Truth in Lending Act [52 Ops. Cal. Atty. Gen 242 (1969) ; *see 15 U.S.C. § 1601 et seq.*; 12 C.F.R. pt. 226 (Reg. Z)] and the Unruh Act [*Civ. Code § 1801 et seq.*; *see also § 92.12[1]*]. For discussion and a sample form with the required disclosures under the Truth in Lending Act and the Unruh Act, see *Ch. 45, Consumer Installment Loans and Credit Sales, § 45.225*.

[*Continue with the following:*]

Fee

5. Jobseeker shall pay Agency a fee of $_____[*actual fee for the job contemplated under this agreement, e.g.,* $300] for the services provided under this agreement. Payment of the fee, less the deposit, if any, paid by Jobseeker as provided in Paragraph 6 of this agreement, is due within _____[*number of days, e.g.,* 15] days of the first day of employment. If employment is terminated, the fee, as specified above, shall not exceed the gross earnings of Jobseeker in the employment designated in this agreement. In no event shall Jobseeker be obligated to pay to Agency or any other employment agency more than the one fee stipulated in this paragraph.

Deposit

6. This contract constitutes an acknowledgment and receipt of a deposit of $_____ paid by Jobseeker, which deposit shall be deducted from the total fee due referred to in Paragraph 5 of this agreement. If Jobseeker does not accept the employment described in Paragraphs 2 and 3 of this agreement, the deposit shall be returned to Jobseeker within 48 hours of Jobseeker's demand for a refund. If Agency fails to return the deposit within 48 hours after demand, Agency must pay to Jobseeker an additional sum equal to the amount of the deposit.

Attorneys' Fees

7. If Agency or Jobseeker brings any legal action regarding any provision of this contract, the prevailing party in the litigation shall be entitled to recover reasonable attorneys' fees from the other party, in addition to any other relief that may be granted.

Expiration Date

8. This Agreement shall expire on _____[*date not later than 180 days from referral*].

[*Include the following four paragraphs in boldface, italics, or full capitals in a size no smaller than that generally used throughout the contract; and with the caption in no less than 10-point boldfaced type*]:

RIGHT TO REFUND

If you pay all or any portion of a fee and fail to accept employment, the employment agency shall, upon your request, return the amount paid to you within 48 hours after your request for a refund.

If you leave employment for just cause or are discharged for reasons other than misconduct connected with your work within 90 days from the starting date of employment, the agency shall reduce your fee to that payable for temporary employment and shall refund any excess paid within 10 days of your request for a refund.

No fee larger than that for temporary employment may be charged to you for employment lasting 90 days or less unless the agency's fee schedules, contracts, and agreements provide for a further charge if you leave employment without just cause or are discharged for misconduct in connection with your work.

If any refund due is not made within the time limits set forth above, the employment agency shall pay you an additional sum equal to the amount of the refund.

30-92 California Legal Forms--Transaction Guide § 92.241

§ 92.241 Employment Agency Fee Schedule

[1] Comment

[a] Use of Form

This form is a schedule of employment agency fees. It meets the requirements of the Employment Agency, Employment Counseling, and Job Listing Services Act ("Employment Act") [*see Civ. Code § 1812.500 et seq.*]. For discussion and a sample contract between an employment agency and a jobseeker, see *§ 92.240*. For general discussion of the Employment Act's requirements regarding employment agency fees, see *§ 92.70[6]*.

An employment agency must provide the jobseeker with a copy of its fee schedule [*Civ. Code § 1812.505(a)(1)*] and must also post the fee schedule in a conspicuous place [*Civ. Code § 1812.505(a)(3)*]. A copy of all fee schedules and of all changes to those fee schedules must be kept on file at the employment agency for a period of one year [*Civ. Code § 1812.505(a)(4)*].

There is no legal requirement that the fee schedule be included in the contract or receipt of the employment agency. However, many employment agencies do include it so that the client-jobseeker can readily refer to it and to minimize any misunderstandings as to the amount of the fee.

[b] Contents of Fee Schedule

The fee schedule of the employment agency must include all of the following:

- A list of classes of various employments or salary ranges by which the fee will be computed or determined [*Civ. Code § 1812.505(a)(2)*].

- The maximum fee in each class, which must include all charges in each transaction [*Civ. Code § 1812.505(a)(2)*].

- The percentage of both the projected annual and first month's total gross earnings represented by the fees [*Civ. Code § 1812.505(a)(1)*].

The agency may make changes in the schedule, but changes are not effective until seven days after they have been posted in a conspicuous place in the agency [*Civ. Code § 1812.505(a)(2)*].

[c] Format of Fee Schedule

The fee schedule that is required to be posted in the employment agency in a conspicuous place, including all changes made to it, must be in lettering or printing of not less than standard pica capitals. The effective date of the schedule and of all changes must appear on the posted copies [*Civ. Code § 1812.505(a)(3)*].

A. Permanent Positions (Lasting More Than 90 Days)

[*The following figures are for illustrative purposes only. The actual range of salaries and agency fees used by the employment agency should be inserted.*]

Monthly Salary	Agency Fee*	Monthly Percent	Annual Percent
$1,000 or less	Up to $300	30%	2.5%
$1,001-$2,000	$400-$800	40%	3.3%
Over $2,000	(based on percent)	50%	4.1%

* The exact fee will be calculated based on the applicable percentage (see the percent columns above) of the actual salary.

If a jobseeker leaves employment for just cause or is discharged for reasons other than work-related misconduct within 90 days from the starting date of employment, the agency shall reduce the jobseeker's fee to that payable for temporary employment and shall refund any fee paid in excess of that amount. Moreover, if employment is accepted and subsequently terminated, the jobseeker shall not be charged a fee greater than the jobseeker's total gross income from the employment.

B. Temporary Positions (Lasting 90 Days or Less):

The fee for temporary positions is _____[*e.g.*, 20] percent of the total gross amount earned. The fee shall not exceed any of the following: (1) the fee for a permanent position, (2) 1/90 of the permanent fee for each

calendar day employed, or (3) total gross earnings.

C. Miscellaneous Fees:

[*Insert fees for any optional services, such as resume preparation, interview coaching, etc.*]

D. Terms of Payment:

[*Add if a deposit is required of the jobseeker:*]

A deposit of _____[*specify number, e.g.,* 20] percent of the estimated fee is due at the time the referral to a job is given to the jobseeker. If the jobseeker does not accept the employment, the deposit shall be returned to the jobseeker within 48 hours of the jobseeker's demand for a refund. If the agency fails to return the deposit within 48 hours after demand, the agency must pay to the jobseeker an additional sum equal to the amount of the deposit.

[*Continue with the following:*]

The total fee, less the deposit, if any, shall be paid by the jobseeker within _____[*specify number, e.g.,* 15] days of the first day of employment.

If a jobseeker accepts a position that was not referred by the agency, but with the same employer as a position that was referred by the agency, the jobseeker shall owe the agency a fee that is in effect at the time of the referral.

§ 92.242 Job Listing Service Contract

[1] Comment

[a] Use of Form

This form combines a contract between a jobseeker and a job listing service [*see Civ. Code § 1812.501(c)* ("job listing service" defined)] with a receipt for the fee paid by the jobseeker. Job listing services are governed by the Employment Agency, Employment Counseling, and Job Listing Services Act ("Employment Act") [*see Civ. Code § 1812.500 et seq.*]. For discussion of the Employment Act's requirements regarding job listing services in general, see *§ 92.71*.

This form contains the minimum contract requirements imposed by the Employment Act and must be completed, executed, and given to the jobseeker by the service before it accepts a fee from the jobseeker [*see Civ. Code § 1812.516(a)*].

For discussion and a sample contract to be used by employment agencies that charge a placement fee, see *§ 92.240*. For discussion and a sample contract to be used by an employment counseling service, see *§ 92.243*. For discussion and a sample contract to be used by a nurses' registry, see *§ 92.244*. For discussion of remedies for violations of the Employment Act, breaches of contracts subject to the Employment Act, and enforcement of the Employment Act's provisions [*see Civ. Code § 1812.523*], see *§ 92.74*.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contract provisions.

[b] Contents of Contract

A job listing service must give the jobseeker a written contract that includes the following information [*see Civ. Code § 1812.516(a)*]:

- The name of the job listing service and the addresses and telephone numbers of the principal office

of the job listing service and the location that provides the services to the jobseeker.

- The amount of the fee to be charged and collected from the jobseeker.

- A description of the service to be provided, including significant conditions, restrictions, and limitations, if any.

- The jobseeker's specifications for the job, clearly expressed, including but not limited to the kind of work, interests of jobseeker, qualifications of jobseeker, daily hours of work, wages or salary, benefits, other conditions of employment, and location of the job.

- A contract expiration date, no later than 90 days from the date of the contract.

- A statement of the jobseeker's right to cancel, in statutory language [*see Civ. Code § 1812.516(a)(6)* (statutory language)].

- A statement of the jobseeker's right to a refund of the fee paid in advance, in statutory language [*see Civ. Code § 1812.516(a)(7)* (statutory language); *see also § 92.71[6]*].

- If any labor trouble exists at the place of employment, that fact must be stated in the listing for the employment [*see Civ. Code § 1812.516(a)(8)*; *see also Civ. Code § 1812.521(b), (c)*].

There is no legal requirement that the fee schedule be included in the contract of the job listing service. However, a job listing service must provide a copy of its fee schedule and payment terms to any jobseeker prior to an interview by a counselor [*Civ. Code § 1812.517(a)(1)*] and many services attach it to the contract for ease of reference and to minimize any misunderstandings as to the amount of the fee. For a sample fee schedule that may be modified for a job listing service, see *§ 92.241[2]*.

[c] Contract Format and Delivery

A job listing service contract must be contained in a single document [*Civ. Code § 1812.516(c)*] and must be dated and consecutively numbered in sets consisting of an original and two copies [*Civ. Code § 1812.516(b)*]. The original and both copies must be signed by the jobseeker and the person acting for the job listing service. The original and one copy must be given to the jobseeker and the other copy must be kept on file by the job listing service [*Civ. Code § 1812.516(b)*].

(f) Employment benefits desired: _____

(g) Other conditions of employment: _____

(h) Location of job: _____

Labor Disputes

4. If a place of employment to which Jobseeker is referred has a labor contract in existence at the time of the referral, Agency shall notify Jobseeker of that fact and of any requirement of union membership before Jobseeker is sent to that job opportunity. Jobseeker shall not be sent to any place of employment where a strike, lockout, or other labor trouble exists without being first notified of that fact in the listing for the employment opportunity.

Expiration Date

5. This Agreement shall expire on _____[*date not later than 90 days from date of contract*].

Receipt of Original and Duplicate

6. Jobseeker hereby acknowledges receipt of the original and a duplicate of this agreement.

[*Include the following three paragraphs with the caption in no less than 10-point boldface type, and the rest in either boldface, italics, or full capitals in type no smaller than that used in the rest of the agreement:*]

RIGHT TO REFUND

If, within seven business days after payment of a fee or deposit, the job listing service has not supplied you with at least three available employment opportunities meeting the specifications of the contract as to type of job; interests of jobseeker; qualifications of jobseeker; hours, salary, benefits, and other conditions of employment; location of job; and any other specifications expressly set forth in the contract, the full amount of the fee or deposit paid shall be refunded to you upon your request.

If you do not obtain a job through the services of the job listing service, or if you obtain employment which lasts less than 90 days, any amount paid in fees or deposits in excess of a twenty-five dollar ($25) service charge shall be refunded to you, upon your request after expiration of the contract.

Any refund due must be made to you within 10 days of your request. If the refund is not made in that time, the job listing service must pay to you an additional sum equal to the amount of your fee or deposit.

[*Include the following paragraphs concerning cancellation in type no smaller than 10-point boldfaced type:*]

CHAPTER 92 SERVICE CONTRACTS
PART IV. FORMS
D. Employment--Related Services

30-92 California Legal Forms--Transaction Guide § 92.243

§ 92.243 Contract for Employment Counseling Services

[1] Comment

[a] Use of Form

This form is an agreement between an employment counseling service [*see Civ. Code § 1812.501(b)* ("employment counseling service" defined)] and an individual who seeks the services of an employment counseling service. Employment counseling services are governed by the Employment Agency, Employment Counseling, and Job Listing Services Act ("Employment Act") [*Civ. Code § 1812.500 et seq.*]. For general discussion of the Employment Act's requirements regarding employment counseling services, see *§ 92.72*.

This form incorporates the minimum requirements of the Employment Act for a contract between an employment counseling service and its customer [*see Civ. Code § 1812.511*].

For discussion and a sample contract to be used by employment agencies that charge a placement fee, see *§ 92.240*. For discussion and a sample contract to be used by a job listing service, see *§ 92.242*. For discussion and a sample contract to be used by a nurses' registry, see *§ 92.244*. For discussion of remedies for violations of the Employment Act, breaches of contracts subject to the Employment Act, and enforcement of the Employment Act's provisions [*see Civ. Code § 1812.523*], see *§ 92.74*.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contract provisions.

[b] Contents of Contract

An employment counseling service contract must include all of the following [*Civ. Code § 1812.511(a)(1)-(6)*]:

- The name, address, and telephone number of the counseling service.

- The name and address of the person signing the contract and the person to whom the services are to be provided.
- A description of the services to be provided.
- A statement indicating when the services are to be provided.
- A statement indicating the duration of the contract.
- The refund provisions that apply if the described services are not provided according to the contract.
- The amount of the fee and the date or dates when the fee must be paid.
- A statement in type no smaller than 10-point boldface, in language prescribed by statute, disclaiming any promise or guarantee of employment [*see Civ. Code § 1812.511(a)(5)* (statutory language)].
- A statement in type no smaller than 10-point boldface, in language prescribed by statute, of the customer's right to cancel the contract, with space for the customer to do so [*see Civ. Code § 1812.511(a)(6)* (statutory language)].

There is no legal requirement that the fee schedule be included in the contract of the employment counseling service. However, an employment counseling service must provide a copy of its fee schedule and payment terms to any customer before an interview by the service [*Civ. Code § 1812.512(a)(1)*] and many services do attach it to the contract for ease of reference and to minimize any misunderstandings as to the amount of the fee. For a sample fee schedule that may be modified for an employment counseling service, see *§ 92.241[2]*.

[c] Contract Format and Delivery

The full agreement between the parties must be in writing and must be contained in a single document [*Civ. Code § 1812.511 (a), (c)*]. It must also be dated and numbered consecutively in triplicate. The completed contract and two duplicates must each be signed by the customer and the person acting for the employment counseling service [*Civ. Code § 1812.511(b)*]. The original and one copy must be given to the customer when he or she signs it and before the counseling service accepts any fee or deposit [*Civ. Code § 1812.511(a)*]. The service must retain the other copy on file [*Civ. Code § 1812.511(b)*].

[d] Truth in Lending Laws

If the employment counseling service agrees to finance the fee charged to the customer, and the terms of the loan include a finance charge or more than four installments, the contract is subject to the Federal Truth in Lending Act [52 Ops. Cal. Atty. Gen 242 (1969) ; *see 15 U.S.C. § 1601 et seq.*; 12 C.F.R. pt. 226 (Reg. Z)] and the Unruh Act [*Civ. Code § 1801 et seq.*; *see also § 92.12[1]*]. For discussion and a sample form containing the required disclosures under the Truth in Lending Act and the Unruh Act, see *Ch. 45, Consumer Installment Loans and Credit Sales, § 45.225*.

CHAPTER 92 SERVICE CONTRACTS
PART IV. FORMS
D. Employment--Related Services

30-92 California Legal Forms--Transaction Guide § 92.244

§ 92.244 Nurses' Registry Contract

[1] Comment

[a] Use of Form

This form is an agreement between a nurses' registry [*see Civ. Code §§ 1812.501(d),* 1812.514(b) ("nurses' registry" defined)] and a self-employed private duty nurse for continuing work assignments. Nurses' registries are governed by the Employment Agency, Employment Counseling, and Job Listing Services Act ("Employment Act") [*see Civ. Code § 1812.500 et seq.*]. For discussion of the Employment Act's requirements relating to nurses' registries in general, see *§ 92.73*.

Nurses' registries may enter into continuing contracts with private duty nurses covering the assignment of those nurses to nursing duties [*see Civ. Code § 1812.526*]. This form incorporates the minimum requirements for those contracts [*see Civ. Code § 1812.526(a)-(e)*; *see also* [b], *below*].

For discussion and a sample contract to be used by employment agencies that charge a placement fee, see *§ 92.240*. For discussion and a sample contract to be used by a job listing service, see *§ 92.242*. For discussion and a sample contract to be used by an employment counseling service, see *§ 92.243*. For discussion of remedies for violations of the Employment Act, breaches of contracts subject to the Employment Act, and enforcement of the Employment Act's provisions [*see Civ. Code § 1812.523*], see *§ 92.74*.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contract provisions.

[b] Contents of Contract

A nurses' registry agreement governing continuing work assignments by the registry must state the following information [*Civ. Code § 1812.526*]:

- The name, address, and telephone number of the registry.
- The name, address, and telephone number of the nurse.
- The nurses' registry current fee schedule [*see § 92.241[2]* for a sample fee schedule that may be modified for a nurses' registry].
- The date on which the agreement was signed by the parties.
- A statement that the agreement's provisions are to govern only the assignment of private duty nurses.
- A designation of the registry as the nurse's continuous agent for purposes of assignment.
- A provision that the agreement may be terminated at any time by written notice from either party to the other for any future assignment.
- A provision for delivery to the nurse, at the time the agreement is executed, of a written schedule of the rates of nurses' charges currently agreed upon between the registry and the nurse for patient services.
- A provision stating that the registry will immediately notify the nurse in writing of all subsequent changes in the rates to be charged the patient, and that the nurse will agree to abide by those rates.
- An express undertaking by the registry that it will continuously maintain true and correct records of orders for private duty nursing service and assignments to the nurse.
- A provision that the registry will periodically (at least monthly) render to the nurse a written statement of fees claimed to be due the registry, and an identification of each assignment by inception date, period of service covered, the name of the patient, and the amount of service fee claimed.
- A notice advising the nurse of his or her right to dispute the correctness of any service fee claimed by the registry in its periodic statement and that, in the absence of objections within a reasonable time, any such fee may be presumed to be correctly charged.
- All other terms, conditions, or understandings agreed upon between the parties.

[c] Contract Format and Delivery

The full agreement between the parties must be contained in a single document containing all required elements [*Civ. Code § 1812.526(g)*; *see* [b], *above* (required elements)]. Contracts must be numbered consecutively in original and duplicate, and both copies of the completed agreement must be signed by both the nurse and the registry. The original copy must be given to the nurse and the registry must retain the duplicate on file in the nurse's records [*Civ. Code § 1812.526(f)*].

[2] FORM

Nurses' Registry Contract

NURSES' REGISTRY AGREEMENT

_____[*name of nurses' registry*]
_____[*address*]

_____[*telephone number*]

Date: _____
Contract Number: _____

Parties to Agreement

1. This nurses' registry agreement is entered into between _____[*name of nurses' registry*] ("Registry"), and _____[*name of nurse*] ("Nurse"), of _____[*nurse's address*], telephone number _____.

Agency Agreement

2. Nurse designates Registry as Nurse's continuous agent for the purpose of assigning Nurse to nursing service duties as a self-employed private duty _____[*specify one:* licensed registered nurse *or* licensed vocational nurse *or* practical nurse]. The provisions of this agreement shall govern only the assignment of Nurse as a self-employed private duty nurse for continuing work assignments.

Referral of Nursing Assignments

3. (a) To be eligible for referral of work assignments, Nurse must notify Registry that Nurse wishes to be placed on "on call" status. Nurse may advise Registry of any preferences or restrictions on the hours, days, locations, and type of work that Nurse will accept. Nurse may also indicate that he or she will be "on call" only for a limited period. Nurse may discontinue "on call" status at any time, and may reinstate "on call" status at any time after any such discontinuance.

(b) Registry makes no promise or guarantee of any referrals. In referring work assignments, Registry shall not be obligated to give Nurse preference over any other nurse registered with Registry.

(c) Nurse may reject all or any portion of any assignment for any reason. Rejection of any assignment shall be without penalty and shall not affect Nurse's eligibility for subsequent assignments.

(d) The agency created by this agreement is non-exclusive. Nurse may place his or her name "on call" with other registries without penalty. If offered conflicting assignments by two or more registries, Nurse may accept the one he or she considers most desirable. Nurse agrees, however, that he or she will not accept a conflicting assignment during the course of another assignment.

(e) A referral by Registry does not guarantee that Nurse will be found acceptable for the assignment. The party for whom the services are to be performed, or any person authorized by that party, may require Nurse to satisfy that party as to Nurse's experience, qualifications, and overall suitability for the assignment before agreeing to accept Nurse's services.

(f) Nurse shall not be required to work any additional time beyond that originally contemplated for an assignment, and may refuse without penalty to work additional time. If Nurse does agree to work additional time on an assignment, Nurse agrees to notify Registry of that fact and of the amount of additional time involved.

Registry's Rate Schedule for Nursing Services

4. Registry's schedule of rates for nursing services is attached to this agreement as Schedule A and incorporated into this agreement by this reference. Nurse agrees to charge for his or her services in accordance with the rates set forth in that schedule. Registry shall immediately notify Nurse in writing of all subsequent changes in the rates to be charged, and Nurse agrees to abide by those rates.

Billing

5. (a) Registry shall supply Nurse with forms to be used for keeping time records. Nurse shall indicate on these forms all days and hours worked in connection with each assignment accepted from Registry. Upon conclusion of each assignment, or _____[*specify period, e.g.,* weekly] for assignments in excess of _____[*specify period, e.g.,* one week], Nurse shall forward to Registry the original copy of the time record indicating the hours and days worked during that period. Nurse may retain the duplicate copy for his or her records.

(b) Nurse may have Registry bill the responsible party for Nurse's services, or, at Nurse's option, may make his or her own billing arrangements with the responsible party. If Registry bills the responsible party, Registry may deduct its fee from any payment received, and shall forward the remainder to Nurse promptly upon receipt.

Registry's Fee for Referrals

6. (a) Nurse agrees to pay Registry a fee in accordance with the fee schedule attached to this agreement as Schedule B and incorporated into this agreement by this reference for any assignment referred by Registry and actually performed by Nurse. This fee shall be payable _____ [*specify terms of payment, e.g.,* at the time Nurse receives compensation for the assignment, either on completion of the assignment or _____ (*specify period, e.g.,* weekly) for assignments in excess of _____ (*specify period, e.g.,* one week)].

(b) Registry shall render to Nurse a written statement of all fees due to it from Nurse _____[*specify period (at least monthly)*]. That statement shall identify each assignment by inception date, period of service covered, the name of the patient, and the amount of service fee claimed by Registry.

(c) Nurse shall have the right to dispute the correctness of any service fee claimed by Registry in its periodic statement. In the absence of objections within a reasonable time, any such fee shall be presumed to have been correctly charged.

Independent Contractor Status

7. Nurse and Registry understand and agree that Registry's function shall be limited to that of a nurses' registry, as defined in *California Civil Code Section 1812.524,* and that Nurse is and at all times during the term of this agreement shall remain an independent contractor and not an employee of Registry. Registry shall not be responsible for collecting unemployment insurance, disability insurance, or social security, or for withholding federal or state income tax from amounts received by Nurse for services rendered in connection with any assignment received from Registry.

Insurance

8. Nurse agrees to maintain in force, at all times during the term of this agreement, a policy of malpractice insurance in an amount and on terms acceptable to Registry, and, on request by Registry at any time, to furnish Registry with

evidence acceptable to Registry that such a policy is then in full force and effect.

Incidental Expenses

9. Nurse shall be responsible for providing, at his or her own expense, any uniforms, caps, shoes, and other incidental items required in connection with any assignment. Nurse shall also be responsible for providing his or her own meals and for any travel or other incidental expenses incurred in connection with any assignment.

Hold Harmless Clause

10. Nurse agrees to indemnify and hold Registry harmless from any liability resulting from Nurse's representations to Registry or any third party regarding Nurse's experience or qualifications, and from any liability resulting from Nurse's performance of any assignment referred by Registry.

Records of Orders and Assignments

11. Registry expressly agrees that it shall continuously maintain true and correct records of orders for private duty nursing service and its assignments to Nurse.

Termination

12. This agreement may be terminated at any time by written notice from either party to the other, effective for any assignments not yet accepted by Nurse.

§ 92.250 Contract for Consumer Credit Reporting Services

[1] Comment--Use of Form

This form is a contract between a consumer credit reporting agency and its customer for the furnishing of credit information and credit reports. The practices of consumer credit reporting agencies are regulated by the Consumer Credit Reporting Agencies Act [*see Civ. Code §§ 1785.1-1785.36*] and the federal Fair Credit Reporting Act [*see 15 U.S.C. § 1681 et seq.*]. For detailed discussion of the requirements of these acts, see *§ 92.80*.

Credit reporting agencies often refer to their customers as "members" or "subscribers" and the latter term is used in this contract to refer to the party contracting for the credit reporting service.

Many credit reporting agencies also act as collection agencies. For discussion and a sample form for use by a consumer to request disclosure of information in his or her credit agency file, see *Ch. 45, Consumer Installment Loans and Credit Sales, § 45.230*.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contractual provisions.

[2] FORM

Contract for Consumer Credit Reporting Services

CONSUMER CREDIT REPORTING SERVICES AGREEMENT

This AGREEMENT is made and entered into on _____[*date*], by and between _____[*name of credit bureau*] ("Bureau"), _____[*status, e.g.,* a California corporation], with its principal place of business at _____[*address*], and _____[*name of customer*] ("Subscriber"), _____[*status, e.g.,* a California general partnership], with its principal place of business at _____[*address*], subject to the following terms and conditions:

Purpose of Agreement

1. The purpose of this agreement is to state the terms and conditions under which Bureau shall furnish to Subscriber credit information relating to persons designated by Subscriber in accordance with the provisions of the Consumer Credit Reporting Agencies Act [*Civ. Code §§ 1785.1-1785.36*] and the federal Fair Credit Reporting Act [*15 U.S.C. § 1681 et seq.*].

Information Supplied by Subscriber

2. (a) Subscriber shall provide Bureau with relevant identifying information about itself and a statement of the purpose for which consumer credit reports provided by Bureau will be used.

(b) Subscriber shall also provide identifying information on each person for whom a credit report is to be issued by Bureau. Subscriber may communicate this information to Bureau by _____[*specify acceptable modes of communication, e.g.*, United States mail, facsimile, e-mail, or on Bureau's website _____ (*website address*)] in formats designated by Bureau.

Compilation of Information by Bureau

3. Bureau shall use its reasonable best efforts to obtain and compile credit information from appropriate sources deemed reliable relating to the financial fitness of persons. However, Bureau does not guarantee the accuracy of the credit reports based on this information.

Services Provided by Bureau

4. Upon the request of Subscriber, Bureau shall furnish to Subscriber credit information, including credit scores from credit repository systems ("Repositories"), including _____[*list companies used, e.g.*, Experian, Equifax, Trans Union], regarding the person for whom the information is sought. Any credit report submitted by Bureau shall exclude prior bankruptcies, lawsuits, liens, unpaid accounts, and other adverse information that precedes the report by a specified time period, as required by *California Civil Code Section 1785.13(a)* and *15 United States Code Section 1681c(a)*.

PRACTICE TIP:

With respect to 4., *above*, note that a prior version of Civ. Code § 1786.13(a)(3) was held unconstitutional as a violation of the *First Amendment* [*U.D. Registry, Inc. v. State of California (1995) 34 Cal. App. 4th 107, 116, 40 Cal. Rptr. 2d 228]* ; *see § 92.80[2][j], above*.

Subscriber Use Limitations

5. Subscriber certifies and agrees that it shall request and use credit data received from Bureau solely for the following purposes and no other:

(a) Determining the credit fitness of a consumer or in connection with the review or collection of an account of the consumer;

(b) Determining employment fitness of a prospective employee;

(c) In connection with underwriting of insurance for a consumer;

(d) Determining a consumer's eligibility for a license or other benefit granted by a governmental instrumentality requiring a consideration of the applicant's financial responsibility or status;

(e) In connection with the hiring of a dwelling unit; or

(f) A legitimate business need for the information in connection with a business transaction involving the consumer.

Bureau's Obligations

6. In furnishing to its other subscribers and customers credit data emanating from Subscriber, Bureau shall exercise its best efforts to confine the ultimate use of the data to credit transactions, or non-credit business transactions as specified in Paragraph 5 of this agreement, or transactions for which applicable federal or state law authorizes the furnishing of consumer credit data. Bureau agrees to comply with all disclosure and other obligations required of it under the Consumer Credit Reporting Agencies Act and the federal Fair Credit Reporting Act.

Subscriber's Obligations

7. Pursuant to *Civil Code Section 1785.14(d)*, Bureau shall provide Subscriber with written notice of Subscriber's obligations under the Consumer Credit Reporting Agencies Act by attaching to this agreement photocopies of the code sections of the Act that apply to Subscriber. Subscriber agrees to comply with all disclosure and other obligations required of it under the Consumer Credit Reporting Agencies Act and the federal Fair Credit Reporting Act.

Excusable Delays and Failures

8. Neither party shall be liable for any delay or failure in its performance under this contract (except for payment obligations) caused by events beyond the reasonable control of the party, including, but not limited to, terrorism, war, riots, labor strikes, interruption of utility services, fires, floods, earthquakes, and other natural disasters.

Compensation

9. For each request submitted by Subscriber, Subscriber agrees to pay to Bureau the charges listed on Bureau's price schedule, as set forth on the attached Schedule A, which is incorporated into this agreement. Bureau may make changes to its price schedule on _____[*e.g.*, 30] days written notice to Subscriber. Bureau shall invoice Subscriber at the end of each month and Subscriber shall make full payment within _____[*e.g.*, 30] days of the invoice date.

Term of Agreement

10. The term of this agreement shall commence as of the date of execution of this agreement, and shall continue in full force and effect until terminated by either party on _____[*number of days, not to be greater than the*

number of days for any change in the price schedule as set forth in Paragraph 9, e.g., 30] days written notice from either party to the other.

Confidentiality of Information

11. All information passing to and from Bureau and Subscriber shall be strictly confidential, except for those disclosures authorized or required under the Consumer Credit Reporting Agencies Act [*Civil Code Sections 1785.1-1785.36*] or the federal Fair Credit Reporting Act [*15 U.S. Code Section 1681 et seq.*]. Subscriber shall use its reasonable best efforts to ensure that its employees and agents are properly informed and trained to comply with this provision.

Indemnification

12. Subscriber agrees to indemnify and hold Bureau and Repositories harmless on account of any loss, injury, damage, or claim that may result from the failure of Subscriber to maintain the confidentiality of the information provided under this agreement, or from any violation by Subscriber, its employees or agents, of the Consumer Credit Reporting Agencies Act [*Civil Code Sections 1785.1-1785.36*] or the federal Fair Credit Reporting Act [*15 United States Code Section 1681 et seq.*].

Nonliability of Bureau

13. Bureau shall not be liable to Subscriber in any manner, including but not limited to incidental or consequential damages, for any loss or injury resulting from its obtaining, compiling, and communicating information relating to the credit information of persons.

Attorneys' Fees

14. If any legal action, including arbitration, is brought to enforce or interpret the provisions of this contract, the prevailing party shall be entitled to recover reasonable attorneys' fees from the other party. These fees, which may be set by the court in the same action or in a separate action brought for that purpose, are in addition to any other relief to which the prevailing party may be entitled.

Notices

15. Any notice required or permitted to be given under this contract shall be written, and may be given by personal delivery or by registered or certified mail, first-class postage prepaid, return receipt requested. Notice shall be deemed given upon actual receipt in the case of personal delivery, or upon mailing. Mailed notices shall be addressed as follows, but each party may change address by written notice in accordance with this paragraph:

PART IV. FORMS

30-92 California Legal Forms--Transaction Guide § 92.251

§ 92.251 Contract for Investigative Consumer Reports

[1] Comment--Use of Form

This form is a contract between an investigative consumer reporting agency and its customer for the furnishing of investigative consumer reports. An "investigative consumer report" is a consumer report in which information on a person's character, general reputation, personal characteristics, or mode of living is obtained through any means [*Civ. Code § 1786.2(c)*]. *Civ. Code § 1786.2(c)* has been held unconstitutionally vague as applied to tenant screening reports containing unlawful detainer information [*Trujillo v. First American Registry, Inc. (2007) 157 Cal. App. 4th 628, 640, 68 Cal. Rptr. 3d 732* (stating that persons of reasonable intelligence cannot determine whether unlawful detainer information is character information subject to the Investigative Consumer Reporting Agencies Act, or creditworthiness information subject to the Consumer Credit Reporting Agencies Act)]. This report is broader in scope than a credit report and typically includes information about the person's employment history, rental history, academic status and verification, as well as information gleaned from public records, such as criminal convictions or driving records.

Investigative Consumer Reports are governed by the Investigative Consumer Reporting Agencies Act [*Civ. Code § 1786 et seq.*] and the federal Fair Credit Reporting Act [*15 U.S.C. § 1681 et seq.*]. For detailed discussion of the requirements of these acts, see *§ 92.81*.

This type of report is frequently used by employers in evaluating a prospective employee. It may also be used in connection with insurance, subpoenas and court orders, licensure, and other lawful purposes [*see Civ. Code § 1786(a)*].

This form is drafted to comply with applicable state and federal law. See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contractual provisions.

[2] FORM

Contract for Investigative Consumer Reports

CONTRACT FOR INVESTIGATIVE CONSUMER REPORTS

This AGREEMENT is made and entered into on _____[*date*], by and between _____[*name of agency*] ("Agency"), _____[*status, e.g.,* a California corporation], with its principal place of business at _____[*address*], and _____[*name of customer*] ("Subscriber"), _____[*status, e.g.,* a California general partnership], with its principal place of business at _____[*address*], subject to the following terms and conditions:

Purpose of Agreement

1. The purpose of this agreement is to state the terms and conditions under which Agency shall furnish to Subscriber investigative consumer reports in accordance with the provisions of the Investigative Consumer Reporting Agencies Act [*Civ. Code § 1786 et seq.*] and the federal Fair Credit Reporting Act [*15 U.S.C. § 1681 et seq.*].

Information Supplied by Subscriber

2. (a) Subscriber shall provide Agency with relevant identifying information about itself, a statement of the purpose for which the investigative consumer reports will be used, and the certification described in Paragraph 6 of this agreement.

(b) Subscriber shall also provide identifying information on each person for whom an investigative consumer report is to be provided by Agency. Subscriber may communicate this information to Agency by _____ [*specify acceptable modes of communication, e.g.,* United States mail, facsimile, e-mail, or on Agency's website _____ (*website address*)] in formats designated by Agency.

Services Provided by Agency

3. (a) Upon Subscriber's request for an investigative consumer report, Agency shall investigate and report to Subscriber, subject to the provisions of subparagraph (b), below, any and all information about the character, general reputation, personal characteristics, and mode of living of the person about whom the report is to be issued, including, but not limited to, the following information: _____[*specify information to be included in the report, e.g.,* name, current address, previous addresses for the last 10 years, employment history, including the reason for any termination, academic history, including the date and type of degrees earned, professional credentials and references, references from current and prior landlords, personal references, history of drug or alcohol use, and information from public records such as credit reports, bankruptcy proceedings, worker's compensation claims, participation in lawsuits, criminal records, and driving records.]

(b) Any investigative consumer report submitted by Agency shall exclude prior bankruptcies, lawsuits, liens, unpaid accounts, and other adverse information that precedes the report by the time periods specified in *California Civil Code Section 1786.18* and *15* U.S. C. Section 1681c(a). The report shall exclude medical information of the person about whom the report is provided, unless that person consents to the issuance of the report.

(c) Agency shall use its reasonable best efforts to use reliable sources of information, but it does not guarantee the accuracy of the investigative consumer reports.

Subscriber Use Limitations

4. Subscriber certifies that it shall request and use the information in an investigative consumer report received from

Agency solely for the following purposes and no other:

(a) Determining employment fitness of a prospective employee;

(b) In connection with underwriting of insurance for a consumer;

(c) Determining a consumer's eligibility for a license or other benefits granted by a governmental instrumentality requiring a consideration of the applicant's financial responsibility or status;

PRACTICE TIP:

With respect to (d), *below*, note that *Civ. Code § 1786.2(c)* has been held unconstitutionally vague as applied to tenant screening reports containing unlawful detainer information [*Trujillo v. First American Registry, Inc. (2007) 157 Cal. App. 4th 628, 640, 68 Cal. Rptr. 3d 732]* ; *see § 92.251[1], above*.

(d) In connection with the hiring of a dwelling unit; or

(e) In connection with a court support order.

Agency's Obligations

5. Agency agrees to comply with all disclosure and other obligations required of it under the Investigative Consumer Reporting Agencies Act and the federal Fair Credit Reporting Act.

Subscriber's Obligations and Certification

6. Subscriber agrees to comply with all disclosure and other obligations required of it under the Investigative Consumer Reporting Agencies Act and the federal Fair Credit Reporting Act. With each request for an investigative consumer report, Subscriber shall certify to Agency that Subscriber has satisfied the disclosure requirements of *Civil Code Section 1786.16(a)* and *15* U.S.C. § 1681d(a), and that it agrees to comply with the disclosures requirements of *Civil Code Section 1786.16(b)* and *15* U.S.C. § 1681d(b).

Excusable Delays and Failures

7. Neither party shall be liable for any delay or failure in its performance under this contract (except for payment obligations) caused by events beyond the reasonable control of the party, including, but not limited to, terrorism, war, riots, labor strikes, interruption of utility services, fires, floods, earthquakes, and other natural disasters.

Compensation

8. For each request submitted by Subscriber, Subscriber agrees to pay to Agency the charges listed on Agency's price schedule, as set forth on the attached Schedule A, which is incorporated into this agreement. Agency may make changes to its price schedule on _____[*e.g.*, 30] days written notice to Subscriber. Agency shall invoice Subscriber at the end of each month and Subscriber shall make full payment within _____[*e.g.*, 30] days of the invoice date.

Term of Agreement

9. The term of this agreement shall commence as of the date of execution of this agreement, and shall continue in full force and effect until terminated by either party on _____[*number of days, not to be greater than the number of days for any change in the price schedule as set forth in Paragraph 8, e.g.,* 30] days written notice from either party to the other.

Confidentiality of Information

10. All information passing to and from Agency and Subscriber shall be strictly confidential, except for those disclosures authorized or required under the Investigative Consumer Reporting Agencies Act or the federal Fair Credit Reporting Act. Subscriber shall use its reasonable best efforts to ensure that its employees and agents are properly informed and trained to comply with this provision.

Indemnification

11. Subscriber and Agency each agree to indemnify and hold the other party harmless on account of any loss, injury, damage, or claim that may result from the failure of either party to maintain the confidentiality of the information provided under this agreement (except as authorized or required by law), or from any violation of the Investigative Consumer Reporting Agencies Act or the federal Fair Credit Reporting Act by either party, their employees or agents.

Nonliability of Agency

12. Except as provided in Paragraph 11 of this agreement, Agency shall not be liable to Subscriber in any manner, including but not limited to incidental or consequential damages, for any loss or injury resulting from its obtaining, compiling, and communicating information relating to the credit information of persons.

Attorneys' Fees

13. If any legal action, including arbitration, is brought to enforce or interpret the provisions of this contract, the prevailing party shall be entitled to recover reasonable attorneys' fees from the other party. These fees, which may be set by the court in the same action or in a separate action brought for that purpose, are in addition to any other relief to which the prevailing party may be entitled.

Notices

14. Any notice required or permitted to be given under this contract shall be written, and may be given by personal delivery or by registered or certified mail, first-class postage prepaid, return receipt requested. Notice shall be deemed given upon actual receipt in the case of personal delivery, or upon mailing. Mailed notices shall be addressed as follows, but each party may change address by written notice in accordance with this paragraph:

To Agency at: _____ [*address*].
To Subscriber at: _____ [*address*].

CHAPTER 92 SERVICE CONTRACTS
PART IV. FORMS
E. Credit-Related Services

30-92 California Legal Forms--Transaction Guide § 92.252

§ 92.252 Contract for Services to Obtain Credit or Improve Credit Rating

[1] Comment

[a] Use of Form

This form is an agreement under which a credit services organization undertakes to provide its services to a client (that is, a buyer). It begins with the disclosures that must be made to the buyer before he or she executes a credit services agreement or pays a fee [*see Civ. Code §§ 1789.14, 1789.15*; *see also* [b], *below*] and continues with the contract itself [*see Civ. Code § 1789.16* (contents of contract); *see also* [c], *below*]. This form is required by the Credit Services Act of 1984 [*Civ. Code §§ 1789.10-1789.25*].

For a definition of "credit services organization" and discussion of the statutory limitations imposed on such organizations, see *§ 92.82*.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contractual provisions.

[b] Disclosures to Consumer

Before execution of the contract, a credit services organization must provide the buyer with a written statement making the disclosures described below. The disclosure statement must be signed by the buyer as the buyer's acknowledgement of receipt [*Civ. Code § 1789.14*]. The statement must include all of the following information [*Civ. Code § 1789.15*]:

- A complete and detailed description of the services to be performed by the credit services organization for or on behalf of the buyer, and the total amount the buyer will have to pay for the services.

- A statement of the buyer's right to proceed against the bond [*see Civ. Code § 1789.18*].

- The name and address of the surety company that issued the bond.

- A complete and accurate statement of the availability of nonprofit credit counseling services.

The information statement must be printed in at least 10-point boldface type. It must be accompanied by a specified statement or its substantial equivalent concerning consumer credit file rights [*Civ. Code § 1789.15*]. This form includes this statement.

The credit services organization must maintain an exact copy of the signed statement on file or microfilm for a period of two years [*Civ. Code § 1789.14*].

[c] Contract Requirements

A contract between a credit services organization and a buyer must be in writing, dated, and signed by the buyer. It must include all of the following information [*Civ. Code § 1789.16(a)*]:

- A full, detailed description of the services to be performed and the estimated date by which they are to be performed or the estimated length of time involved, not to exceed six months, all guarantees, and all promises of full or partial refunds.

- The organization's principal business address and the name and address of its agent for the service of process.

- The terms and conditions of payment, including the total of all payments to be made by the buyer, whether to the organization or some other party.

- A conspicuous statutory statement in at least 10-point type, in immediate proximity to the signature block, disclosing the buyer's right to cancel the contract within a five-day period.

The contract must be accompanied by a completed notice of cancellation. That notice must be in duplicate, attached to the contract in an easily detachable manner, and must contain both a description of the buyer's right to cancel the contract, in language prescribed by statute, and space for the buyer to indicate his or her intent to cancel the transaction [*Civ. Code § 1789.16(b)*].

A copy of the fully completed contract and all other documents the organization requires the buyer to sign must be given to the buyer at the time they are signed [*Civ. Code § 1789.16(b)*].

The contract may not contain any language under which the buyer waives any of his or her rights under the Credit Services Act of 1984. Any such waiver is contrary to public policy, void, and unenforceable. An attempt to have a buyer waive his or her rights is a violation of the Act [*Civ. Code § 1789.19(a)*; *see Civ. Code §§ 1789.20* (violation is misdemeanor), 1789.21 (civil remedies for violation)].

CONSUMER INFORMATION STATEMENT

Consumer Credit File Rights Under State and Federal Law

You have a right to obtain a copy of your credit file from a consumer credit reporting agency. You may be charged a reasonable fee not exceeding $8. There is no fee, however, if you have been turned down for credit, employment, insurance, or a rental dwelling because of information in your credit report within the preceding 60 days. The consumer credit reporting agency must provide someone to help you interpret the information in your credit file.

You have a right to dispute inaccurate information by contacting the consumer credit reporting agency directly. However, neither you nor any credit repair company or credit services organization has the right to have accurate, current and verifiable information removed from your credit report. Under the Federal Fair Credit Reporting Act, the consumer credit reporting agency must remove accurate, negative information from your report only if it is over seven years old. Bankruptcy information can be reported for 10 years.

If you have notified a credit reporting agency in writing that you dispute the accuracy of information in your credit file, the consumer credit reporting agency must then reinvestigate and modify or remove inaccurate information. The consumer credit reporting agency may not charge a fee for this service. Any pertinent information and copies of all documents you have concerning an error should be given to the consumer credit reporting agency.

If reinvestigation does not resolve the dispute to your satisfaction, you may send a brief statement to the consumer credit reporting agency to keep in your file, explaining why you think the record is inaccurate. The consumer credit reporting agency must include your statement about disputed information in any report it issues about you.

You have a right to cancel the contract for any reason within five working days from the date you signed it. If for any reason you do cancel the contract during this time, you do not owe any money.

You have a right to sue a credit services organization if it misleads you.

Services to Be Performed

_____[*Name of credit services organization*] will provide you with services designed to improve your credit record, history, or rating, or to assist you to obtain a loan or other extension of credit, including those features checked below:

[*Set forth full and detailed description of services to be performed, e.g.,*

Review of Client's consumer credit reporting agency records

Assistance in correcting or updating those records

Attempts to arrange revised payment schedules or agreements on delinquent accounts

PART IV. FORMS
F. Funeral Services

30-92 California Legal Forms--Transaction Guide § 92.260

§ 92.260 Agreement for Funeral Services for Decedent

[1] Comment

[a] Use of Form

This form is an agreement with a funeral establishment for the funeral services of a decedent. Funeral establishments and services are governed by the Funeral Directors and Embalmers Law ("Funeral Act") [*Bus. & Prof. Code § 7600 et seq.*] and its implementing regulations [*16 Cal. Code Reg. § 1202 et seq.*]. For discussion of the requirements of the Funeral Act, see *§ 92.90*.

This type of agreement usually provides for interest on any balance that has not been paid within 30 days from the date of the agreement. However, it is customary for funeral establishments to waive this interest, since it usually takes some time before a probate estate is in a position to pay the funeral expenses.

Although the funeral expenses are usually paid out of the probate estate of the decedent, it should be noted that this type of agreement makes the person who arranges for the funeral services and who signs the agreement personally liable for the funeral expenses.

This form is signed only by the person or persons arranging for the funeral services and not by the funeral establishment. Most agreements used by funeral establishments are drafted in this unilateral manner.

For forms relating to litigation involving human remains, see California Forms of Pleading and Practice, Ch. 180, *Dead Bodies and Cemeteries* (Matthew Bender).

[b] Person Entitled to Make Funeral Arrangements

Unless the decedent leaves contrary written instructions, the persons who have the right to make decisions about disposition arrangements after an individual's death are the following in the order named [*see Health & Safety Code § 7100(a)*]:

- An agent under a power of attorney for health care that includes the power to dispose of the body.
- A competent surviving spouse.
- Adult children.
- Parents.
- Adult siblings.
- Other surviving competent adult kin.

[c] Contract Requirements

A funeral director must provide prescribed written information about the Cemetery and Funeral Bureau when presenting a sales contract to an individual. The information must appear in at least eight-point boldface type on the first page of any contract for goods or services offered by a funeral director [*Bus. & Prof. Code § 7685.3*; *see* [2], *below*].

For the Bureau's most current contact information, including mailing address, phone, and fax for use in the agreement, see www.cfb.ca.gov.

[d] Cremation Services

A funeral director entering into a contract to furnish cremation services must provide to the purchaser, either on the first page of the contract, or on a separate page attached to the contract, a written or printed notice containing the following information [*Bus. & Prof. Code § 7685.2(c)*]:

- A person having the right to control disposition of cremated remains may remove the remains in a durable container from the place of cremation or interment, pursuant to *Health & Safety Code § 7054.6*.
- If the cremated remains container cannot accommodate all cremated remains of the deceased, the crematory must provide a larger cremated remains container at no additional cost, or place the excess in a second container that cannot easily come apart from the first, pursuant to *Health & Safety Code § 8345*.

[e] Preneed Funeral Arrangements

Every funeral establishment, prior to drafting any contract for funeral goods or services, must present to the survivor of the deceased who is handling the funeral arrangements, or the responsible party, a statement disclosing whether or not the funeral establishment has any preneed agreement made by or on behalf of the deceased [*Bus. & Prof. Code § 7685.6(a)*; *see § 92.90[9]* (required disclosures)].

PART IV. FORMS
F. Funeral Services

30-92 California Legal Forms--Transaction Guide § 92.261

§ 92.261 Agreement for Preneed Funeral Arrangements

[1] Comment

[a] Use of Form

This form is a contract and trust agreement between a trustor, a funeral establishment, and a trustee. The trustor contracts with the funeral establishment for funeral arrangements to be provided after the trustor dies. In the same document, the trustor establishes a trust for the purpose of paying the funeral establishment when it renders the services. In this situation, the trustor is also the beneficiary under the trust agreement.

Preneed funeral arrangements and contracts are governed by the Funeral Directors and Embalmers Law ("Funeral Act") [*see Bus. & Prof. Code §§ 7735-7746*] and its implementing regulations [*see Bus. & Prof. Code § 7740*; *16 Cal. Code Reg. § 1202 et seq.*]. The trustee of a preneed trust may be either (1) a bank or trust company legally authorized by the State of California to act as trustee or (2) not less than three persons, one of whom may be an employee of the funeral establishment [*Bus. & Prof. Code § 7736*].

For further discussion of the requirements of the Funeral Act as they relate to preneed funeral services, see *§ 92.91*.

[b] Required Contents

A preneed trust agreement must provide that the trustee will hold the money or securities in trust for the purposes for which deposited and that the trustee, upon the signature of a majority of the trustees, will deliver the corpus of the trust to the funeral establishment upon the filing of a certified copy of the death certificate or other satisfactory evidence of the death of the beneficiary, together with satisfactory evidence that the funeral establishment has furnished the merchandise and services [*Bus. & Prof. Code § 7737*].

Furthermore, if the beneficiary of a preneed funeral trust is a recipient of public assistance under the provisions of *Welf. & Inst. Code § 11158(a)* or *Welf. & Inst. Code § 12152(e)(1)* (and provided the value limitations of these statutes are not exceeded), the trust agreement may provide that the trust is irrevocable [*Bus. & Prof. Code § 7737*].

If the beneficiary of the preneed trust is not a recipient of public assistance, the trust agreement must provide that the trustor or his or her representative may revoke the trust at any time before the funeral establishment furnishes the merchandise and services provided for in the contract. On written demand of the trustor, or the legally appointed representative, the trustor is entitled to receive the return of the corpus of the trust, together with any income accrued in the trust, less a revocation fee not to exceed 10% of the corpus of the trust [*Bus. & Prof. Code § 7737*; *see Bus. & Prof. Code § 7735* (revocation fee)].

If, however, the trustor becomes otherwise eligible for public assistance [*see Welf. & Inst. Code §§ 11158(a), 12152(e)(1)*], he or she may agree at that time that the trust will be irrevocable [*Bus. & Prof. Code § 7737*].

Preneed trust contracts must also include the following information [*16 Cal. Code Reg. § 1275*]:

- The name and address of the trustor.
- The name and address of the beneficiary.
- The names and addresses of the trustees.
- The name, address and phone number of the funeral establishment.
- A sequential number which shall be continuous and in order of issue.
- A copy of the completed funeral arrangements forms including, but not limited to, the following:
    - A description of the merchandise and services selected that is sufficiently detailed to identify them.
    - Any disclosure of prices or itemization of services or merchandise that is required to be provided pursuant to state or federal law, rule or regulation then in effect.
- A statement that earned annual income is being credited to the account and that administrative expenses, if charged, are paid from income only.
- A statement, in clear nontechnical language, that the contract is or is not a guaranteed preneed contract and, if guaranteed only in part, the services or merchandise included in the guarantee must be specified. This statement shall be printed in bold face type and shall be located on the first page of the contract. It must also include the following:
    - If the contract is guaranteed, the contract must include a complete explanation of all the terms and conditions limiting the guarantee.
    - If the contract is not guaranteed, the contract must include a complete explanation of how the trust balance will be applied to pay for services and merchandise provided at the beneficiary's death and that there may be additional payments required or a refund due.
- A statement that the trustees will deliver the corpus of the trust and net income to the funeral establishment when it files a certified copy of the death certificate and evidence that it has furnished the merchandise and services [*Bus. & Prof. Code § 7737*].

- A statement that the amount of revocation fee to be charged in the event of revocation, will in no event exceed 10% of the paid-in corpus and is chargeable against earned income only.

- A statement that no revocation fee will be charged if the funeral establishment is unable to perform substantially according to the terms of the agreement.

- In immediate proximity to the space reserved for the purchaser's signature, in a size equal to at least 10 point bold type, the following statement: "All funds received will be deposited with the trustees within 30 days and held in a trust which is fully refundable upon 15 days written notice except when the beneficiary is the recipient of public assistance, as provided in the Welfare and Institutions Code and this trust agreement has been designated as being irrevocable thereunder."

Agreement for Preneed Funeral Arrangements

CONTRACT AND TRUST AGREEMENT
FOR Preneed FUNERAL ARRANGEMENTS

_____[*name of funeral establishment*]
_____[*address of funeral establishment*]
_____[*telephone number of funeral establishment*]

Contract No. _____[*this number must be a based on a continuous, sequential numbering system, with each new contract issued receiving the next number in sequence.*]

Date: _____

This Contract and Trust Agreement is entered into on _____[*date*] between _____[*name of funeral establishment*] ("the Funeral Establishment"), _____[*name of trustor*] ("the Trustor"), _____[*address*], and _____[*name and address of each trustee; there must either be one trustee (in which case the trustee must be a bank or trust company legally authorized to act in California as a trustee) or not less than three trustees (in which case one of the trustees may be an employee of the funeral establishment*)] ("the Trustee" *or* "the Trustees").

Recitals

The Funeral Establishment holds a current license as a funeral establishment under *Business and Professions Code Section 7617* and provides funeral and related services for the disposition of human remains.

The Trustor desires to make advance arrangements for certain funeral and related services for _____[himself *or* herself].

[*If there is only one trustee, add:*]

The Trustee is a _____[*either* bank *or* trust company] legally authorized by the State of California to act as trustee.

[*Or, if there are at least three trustees, add:*]

The Trustees have agreed to serve as trustees for a preneed trust agreement pursuant to *Business and Professions Code Section 7736*.

THEREFORE, in consideration of the mutual promises set forth below, the parties agree as follows:

[*Select one of the three following options. This paragraph must be in boldface type and it must be printed on the first page of the contract.*]

[*Either:*]

Full Guarantee

1. This preneed contract is guaranteed in full. This means that the Funeral Establishment will provide the services and merchandise set forth in Paragraph 4 of this agreement in exchange for the amount of the trust balance at the time of the Trustor's death. This guarantee is limited by the following conditions: _____[*specify terms and conditions of limitations*].

[*Or:*]

Partial Guarantee

1. This preneed contract is guaranteed in part. This means that the Funeral Establishment shall guarantee only the following services and merchandise in exchange for the amount of the trust balance at the time of the Trustor's death: _____[*list services to be provided*]. The cost for any additional services or merchandise set forth in Paragraph 4 of this agreement in excess of the trust balance at the time of the Trustor's death shall be paid by the duly appointed executor or other legal representative of the estate of the Trustor. Those costs shall be based on the then current price list of the Funeral Establishment.

[*Or:*]

No Guarantee

1. This preneed funeral arrangement contract is not guaranteed. This means that, if at the time of the Trustor's death the trust balance is not sufficient to pay for all the services and merchandise set forth in Paragraph 4 of this agreement, the amount due in excess of the trust balance shall be paid by the duly appointed executor or other legal representative of the estate of the Trustor. The costs for the services and merchandise provided by the Funeral Establishment shall be based on the then current price list of the Funeral Establishment.

[*Continue with the following:*]

Corpus of Trust

2. On _____[*date*], the Trustor delivered to the Funeral Establishment the following money or securities, or both: _____[*describe money, securities, or other property*] ("trust corpus") as full payment for the funeral services described in Paragraph 4 of this agreement [*add, if Paragraph 1 provides for either a partial or no guarantee:*, subject to the provisions of Paragraph 1]. The Funeral Establishment shall transfer the trust corpus to the Trustee(s) within 30 days from the date of its receipt of the trust corpus.

Purpose of Trust

3. The Trustee(s) shall hold the trust corpus, invest, and reinvest the trust corpus for the purposes of providing the funeral services referred to in Paragraph 4 of this agreement. The Trustee(s) shall deliver the trust corpus to the Funeral Establishment, on the signature of _____[*either* the Trustee *or* a majority of the trustees] and on the filing of a certified copy of the death certificate or other satisfactory evidence of the death of the Trustor, together with satisfactory evidence that the Funeral Establishment has furnished the merchandise and services specified in this agreement for the funeral of the Trustor. If the trust corpus at that time is greater than the amount required for the payment of the funeral expenses, the Funeral Establishment shall refund the excess to the duly appointed executor or other legal representative of the estate of the Trustor.

Preneed Funeral Arrangements

4(a). As soon as convenient after the death of the Trustor, the Funeral Establishment shall conduct the funeral for the body of the Trustor in the following manner:

Services to be held at: _____
Clergy member to be: _____
Lodge or society to officiate: _____
Interment to be at: _____
Cremation: _____
If cremation, disposition of ashes: _____
Other: _____

4(b). The Funeral Establishment shall furnish the merchandise and services for the funeral of the Trustor, as set forth on the attached Schedule A, which is incorporated into this agreement. The current price list of the Funeral Establishment is attached to this Agreement as Schedule B.

Investments

5. The Trustee(s) shall invest and reinvest the trust corpus in any or all of the following:

(a) Bonds of or securities guaranteed by the United States or an Agency thereof or California, or of any County, City, or City and County of California.

(b) Bonds which are legal investments for commercial banks in California.

(c) Certificates of deposit or other interest-bearing accounts in any bank in California insured by the Federal Deposit Insurance Corporation.

(d) Investment certificates or shares in any state or federally chartered savings and loan association insured by the Federal Savings and Loan Insurance Corporation.

(e) Investments of the type and in the manner authorized by law for investment of trust funds, as set forth in *Probate Code Section 15001 et seq.*

Trust Income

6. Earned annual income shall be credited to the trust account. The Trustee(s) may utilize the income from the corpus to pay for a reasonable annual fee for administering the trust, including a trustee fee, to be determined by the Cemetery and Funeral Bureau of the Department of Consumer Affairs, and to establish a reserve of not exceeding 10 percent of the corpus as a revocation fee in the event of cancellation on the part of Trustor. None of the trust corpus shall be used for the payment of (a) expenses of trust administration or (b) any commission.

Revocability of Trust

[*Either, if the trustor-beneficiary is a recipient of public assistance under the Welfare and Institutions Code:*]

7. This contract and trust agreement is irrevocable and is not subject to amendment or cancellation by the Trustor.

[*Or, if the trustor-beneficiary is not a recipient of public assistance under the Welfare and Institutions Code:*]

7. The Trustor, at any time before the Funeral Establishment has furnished the merchandise and services provided for in this agreement, shall have the following rights:

(a) To amend this agreement by written instrument executed by the Trustor, the Funeral Establishment, and the Trustee(s).

(b) To revoke this agreement, and demand in writing and receive the return of the trust corpus together with any income accrued in the trust, less the revocation fee provided for in Paragraph 6 of this agreement. However, no revocation fee shall be charged if the Funeral Establishment is unable to substantially perform its duties under this agreement.

[*Continue with the following:*]

If Funeral Services Not Furnished

8. If for any reason the Funeral Establishment cannot provide the services and merchandise specified in Schedule A attached to this agreement on the death of the Trustor, then the Trustee(s) shall distribute and deliver the then remaining balance of the trust corpus to the duly appointed executor or other legal representative of the estate of the Trustor.

Entire Agreement

9. This contract supersedes any and all other agreements, either oral or in writing, among the parties with respect to the subject of this contract. This contract contains all of the covenants and agreements among the parties with respect to the

subject of this contract, and each party acknowledges that no representations, inducements, promises, or agreements have been made by or on behalf of any party except the covenants and agreements embodied in this contract. Any agreement, statement, or promise not contained in this contract shall not be valid or binding among the parties with respect to the subject of this contract, except for a subsequent written modification signed by the party to be charged.

Amendment of Contract

10. This contract may be amended or modified at any time with respect to any provision by a written instrument executed by Funeral Establishment, Trustor, and Trustee.

Successors and Assigns

11. No party to this agreement may assign or transfer this agreement, in whole or in part, without the prior written consent of the other parties. This agreement shall be binding on, and inure to the benefit of, each party's heirs, executors, administrators, successors, and permitted assigns.

[*Add, if desired:*]

Arbitration

12. Any dispute arising under this contract shall be settled by arbitration in accordance with _____[*specify method of arbitration or refer to specific rules, e.g.*, the Commercial Arbitration Rules of the American Arbitration Association], and judgment on the award rendered by the Arbitrator may be entered in any court having jurisdiction.

[*Continue with the following:*]

Attorneys' Fees

13. If any legal action, including arbitration, is brought to enforce or interpret the provisions of this contract, the prevailing party shall be entitled to recover reasonable attorneys' fees from the party or parties at fault. These fees, which may be set by the court in the same action or in a separate action brought for that purpose, are in addition to any other relief to which the prevailing party may be entitled.

Notices

14. Any notice required or permitted to be given under this contract shall be written, and may be given by personal delivery or by registered or certified mail, first-class postage prepaid, return receipt requested. Notice shall be deemed given upon actual receipt in the case of personal delivery, or upon mailing. Mailed notices shall be addressed as follows, but each party may change address by written notice in accordance with this paragraph:

To the Funeral Establishment at: _____ [*address*].
To the Trustor at: _____ [*address*].

To the Trustee(s) at: _____ [*address*].

Governing Law

15. This contract shall be governed by and construed in accordance with the laws of California.

[*The following paragraph must be printed in at least 10-point boldface type and in immediate proximity to the space reserved for the trustor's signature:*]

All funds received shall be deposited with the trustees within 30 days and held in a trust which is fully refundable upon 15 days written notice except when the beneficiary is the recipient of public assistance, as provided in the Welfare and Institutions Code and this trust agreement has been designated as being irrevocable thereunder.

CHAPTER 92 SERVICE CONTRACTS
PART IV. FORMS
F. Funeral Services

30-92 California Legal Forms--Transaction Guide § 92.262

§ 92.262 Contract Between Funeral Society and Funeral Establishment

[1] Comment

[a] Use of Form

This form is designed for use as a complete contract between a funeral society and a funeral establishment that agrees to provide funeral services for those members of the funeral society who select that particular funeral establishment. For a discussion of funeral societies and how they operate, see *§ 92.92*.

A funeral society may be organized either as a nonprofit corporation or as a nonprofit unincorporated association [*see* Ch. 13, *Nonprofit Corporations* , and Ch. 13A, *Nonprofit Unincorporated Associations*].

The typical funeral society enters into this type of contract with a dozen or so different funeral establishments. The purpose of the funeral society in having that many funeral establishments available for the use of its members is twofold: (1) to cover all geographical parts of the area served by the funeral society, and (2) to afford its members in each part of that area some freedom of choice in selecting a funeral establishment.

The attorney drafting this type of contract should give most careful consideration to the schedule of services and costs (Paragraph 1). This is the part of the agreement that is most apt to cause problems later. It should be clearly written so that there will be no misunderstanding as to what is to be provided by the funeral establishment at what charge. Misunderstandings and disagreements in this matter are the most common cause for one party or the other exercising its right to terminate the contract.

See Ch. 75, *Formation of Contracts and Standard Contractual Provisions* , for additional and alternative standard contractual provisions.

[b] Term of Agreement

The provision for the term of the agreement (Paragraph 5) is different from those ordinarily used in service contracts. It

will take several weeks after the execution of this agreement before the members of the funeral society can be notified that the funeral establishment that signed it is available for service to the membership. It would normally be several months thereafter before any appreciable number of members would select this funeral establishment and much later before any deaths occurred in the families of such members. For this reason the agreement is not subject to termination by either party at any time on 30 days notice to the other. Instead it is automatically renewed from year to year unless prior to 30 days from the completion of the annual period then in effect either party terminates the agreement by giving written notice of termination to the other party.

[2] FORM

Contract Between Funeral Society and Funeral Establishment

FUNERAL SOCIETY CONTRACT

This AGREEMENT is made on _____[*date*] between _____[*name of funeral society*] ("Society"), _____[*type of organization, e.g.,* a California nonprofit corporation *or* an unincorporated association], _____[*address*], and _____[*name of funeral establishment*] ("Funeral Establishment"), _____[*type of organization, e.g.,* a partnership *or* a California corporation], _____[*address*].

Recitals

Funeral Establishment holds a current license as a funeral establishment under *Business and Professions Code Section 7617* and provides funeral and related services for the disposition of human remains.

Society is a consumer membership organization that desires to enter into this contract with Funeral Establishment for the purpose of obtaining funeral services for its members.

THEREFORE, in consideration of the mutual promises set forth below, the parties agree as follows:

Services and Costs

1. Funeral Establishment agrees to provide funeral services for members of Society and their families ("member") in accordance with the following schedule:

(a) Basic Funeral. Funeral Establishment shall charge $_____ for each basic funeral, which shall consist of a simple casket, transportation of the body from the place of decease to the Funeral Establishment and thereafter to the cemetery or crematory, and necessary legal papers (including one death certificate). Burial costs, cremation, embalming, and use of the chapel of Funeral Establishment are not included in the basic funeral. The burial or cremation, including the plot or niche, must be arranged for and paid by the member or the duly appointed executor or other legal representative of the member's estate. Funeral Establishment shall, if desired, assist in making such arrangements.

(b) Embalming. If embalming is necessary or desired, it shall be done by Funeral Establishment for an additional charge of $_____.

(c) Use of chapel. If it is desired that the chapel of Funeral Establishment be used for memorial services, the additional charge shall be $_____ if the body is present and $_____ if the body is not

present.

(d) Transportation charges. The transportation of the member's body shall be furnished at no additional cost only within an area whose limits are no farther than _____ miles from the Funeral Establishment. Any transportation of the body beyond this distance or to a church shall be at the rate of _____ cents per mile.

(e) Additional charges. An additional reasonable charge shall be made for any extra services (such as music or obituaries) requested by member in advance or by the responsible party who makes arrangements for member's funeral.

Other Obligations of Funeral Establishment

2. Funeral Establishment agrees that it shall:

(a) Conduct each funeral for a member of Society or any one of his immediate family in accordance with an instruction sheet to be provided by the member, which sheet shall contain the funeral instructions for the member and his immediate family.

(b) Immediately after each such funeral mail to Society an itemized copy of the statement for all services rendered by Funeral Establishment.

Obligations of Society

3. Society agrees to:

(a) Designate Funeral Establishment as an approved Funeral Establishment.

(b) Place Funeral Establishment on its approved list and to make the approved list available to all members of Society.

(c) Forward to Funeral Establishment an executed copy of the member instruction sheet for each member of Society who selects Funeral Establishment. This shall be done by Society within _____[*number of days, e.g.,* 15] days after receiving the instruction sheet from the member.

Responsibility for Funeral Expenses

4. Society shall not be responsible in any manner whatsoever for the cost of funeral services performed by Funeral Establishment. Such charges shall be paid by the member or by the duly appointed executor or other legal representative of the member's estate.

Term of Agreement

5. This contract shall become effective immediately as of the date of its execution and shall continue in effect for one year and be automatically renewed for annual periods thereafter from year to year, unless either party terminates the contract by giving written notice to the other party at least 30 days prior to the completion of the annual period then in effect.

Entire Agreement

6. This contract supersedes any and all other agreements, either oral or in writing, between the parties with respect to the subject of this contract. This contract contains all of the covenants and agreements between the parties with respect to the subject of this contract, and each party acknowledges that no representations, inducements, promises, or agreements have been made by or on behalf of any party except the covenants and agreements embodied in this contract. Any agreement, statement, or promise not contained in this contract shall not be valid or binding between the parties with respect to the subject of this contract, except for a subsequent written modification signed by the party to be charged.

Amendment of Contract

7. This contract may be amended or modified at any time with respect to any provision by a written instrument executed by Funeral Establishment and Society.

Attorneys' Fees

8. If any legal action, including arbitration, is brought to enforce or interpret the provisions of this contract, the prevailing party shall be entitled to recover reasonable attorneys' fees from the other party. These fees, which may be set by the court in the same action or in a separate action brought for that purpose, are in addition to any other relief to which the prevailing party may be entitled.

Notices

9. Any notice required or permitted to be given under this contract shall be written, and may be given by personal delivery or by registered or certified mail, first-class postage prepaid, return receipt requested. Notice shall be deemed given upon actual receipt in the case of personal delivery, or upon mailing. Mailed notices shall be addressed as follows, but each party may change address by written notice in accordance with this paragraph:

To Funeral Establishment at: _____ [*address*].
To Society at: _____ [*address*].

PART II. LEGAL BACKGROUND

30-93 California Legal Forms--Transaction Guide § 93.10

§ 93.10 Definitions

Three different terms have been used interchangeably in business to describe the type of retailing operation discussed in this chapter. The three are "automatic merchandising," "machine selling," and "vending," the latter being perhaps the most commonly employed.

- "Automatic merchandising," "machine selling," or "vending" means a method of selling goods which employs a machine to complete automatically a sales transaction upon the insertion of coins by a customer. Its distinctive characteristic is the completion of a sales transaction without the aid of a sales clerk. It does not extend, for example, to the playing of music by a juke box because, although operated by a coin similarly to a vending machine, the juke box does not vend an item of goods.

- "Bulk vending" means the selling of unpackaged goods, usually candy, ball gum, and nuts.

- "Commission" means the compensation paid by the operator to the location-owner for the privilege of placing the vending machine in the owner's premises.

- "Location" means the premises or site in which the machine is placed.

- "Location-owner" means the individual or firm which owns the location in which the machine is placed.

- "Operator" means the individual or firm which owns, locates, services, and repairs vending machines.

- "Route" means the list of locations called upon by the service provider.

- "Servicing" means the periodic replenishment of the supply of goods in a machine, the collection of receipts, and the inspection, cleaning, and minor adjustment of the machine.

- "Traffic" means the number of consumers passing the site of the machine during a stated time interval.

- "Vending machine" or "vender" means a machine which automatically completes a sales transaction upon the insertion of coins by a customer. It is a slot machine which operates mechanically and (1) vends an item of goods; (2) operates either manually or electrically; (3) requires only periodic attention from service or repair personnel; and (4) is easily transported from one place to another.

§ 93.11 Types of Entities

Businesses connected with and having a significant interest in the field of vending are classifiable by function into four categories. These are: (1) manufacturers, (2) operators, (3) location-owners, and (4) suppliers. Some participants in the field combine two of these functions, while others combine one of these functions with another function outside the vending industry.

PART II. LEGAL BACKGROUND

30-93 California Legal Forms--Transaction Guide § 93.12

§ 93.12 Types of Agreements

[1] Receipts and Space Leases

The simplest form of written agreement in the vending machine industry is the receipt, which is nothing more than an acknowledgment by the location owner that one or more machines have been placed on his premises and that in return he will receive a specified commission based upon the proceeds from sales made through the machine or machines. The receipt does not provide a definite term for the agreement and creates a mere license which may be revoked at any time by the location owner at his pleasure. Since the receipt offers the vending machine operator little or no protection, its use is necessarily limited to smaller operations where the capital investment in the individual machines is not very great and the machines can be readily moved from location to location at minimal expense.

The space lease is another type of agreement between a vending machine operator and a location owner. This form of agreement provides the vending machine operator with an outlet for the operator's products for a definite period of time during which the operator can amortize the cost of installing the machines. The main drawback of this form of agreement is that many occupants of locations do not own the location and cannot execute a lease because of some restriction contained in their own lease of the premises. In this situation, the standard location contract, or one of its variations, is a practical necessity.

[2] Location Contracts

The most common form of agreement used by the vending industry is the location contract, which consists of a written agreement between the vending machine operator and the owner or occupant of the premises on which the vending machines have been placed. The location contract embodies all of the basic terms of the parties' agreement, including such things as the installation of the vending machines, commission payments, maintenance and servicing of the machines and the premises, and any other terms which the parties desire to reduce to writing.

PART II. LEGAL BACKGROUND

30-93 California Legal Forms--Transaction Guide § 93.13

§ 93.13 Purposes of Location Contracts

Location contracts are designed to serve two main purposes: To guarantee business continuity and to set out the mutual benefits and obligations which flowfrom the business relationship. The degree to which one or the other of these purposes is emphasized in a given location contract will depend to a large degree upon the type of installation involved and the principal objectives of the parties. For example, a vending machine company which handles a single line of machines and whose route consists of a number of single-machine installations in public or "street" locations will be primarily interested in a simple contract which grants the vending company the exclusive right to operate its machines in their various locations for a specific term, generally from three to five years. On the other hand, a vending company which handles large multiple-machine and food service operations will be primarily interested in a contract which spells out the rights and duties of the respective parties in sufficient detail to prevent disputes from arising and to afford adequate protection in the event that they do arise.

DIVISION VI: PERFORMANCE OF SERVICES
CHAPTER 93 AGREEMENTS FOR AUTOMATIC MERCHANDISING
PART II. LEGAL BACKGROUND

30-93 California Legal Forms--Transaction Guide § 93.14

§ 93.14 Applicable Laws

[1] Name and Address Requirement

Several laws directly or indirectly affect owners and operators of vending machines. One law provides that every person who owns a vending machine must have his or her name and address affixed to the machine in a place where it may be seen by anyone using the machine [*Bus. & Prof. Code § 17570*]. In the event that a person owns more than one vending machine located at the same place, the person, in lieu of affixing his or her name and address to every machine, may post a clearly readable sign containing the same information in a conspicuous location near the machines [*Bus. & Prof. Code § 17570*]. For purposes of this requirement a "vending machine" is defined as any device the operation of which depends upon the insertion of a coin or other thing representative of value in the denomination of five cents or more and which dispenses or vends a product, service, or exchange of equal value, other than a telephone service furnished under public utility tariffs [*Bus. & Prof. Code § 17571*]. Excluded from this definition is any equipment used by a financial institution for the purpose of facilitating financial transactions, whether that equipment is located on the premises of the financial institution or at a remote location [*Bus. & Prof. Code § 17571*]. Also excluded from the definition are the "penny" vendors, whose greatest market has been the sale of bubble gum to children.

Any person who violates the name and address requirement is guilty of a misdemeanor punishable by imprisonment for a period not to exceed six months, or by a fine not to exceed $1,000, or by both, for each violation [*Bus. & Prof. Code § 17572*].

[2] Sales of Cigarettes and Other Tobacco Products

Cigarette vending machines (and vending machines for other tobacco products) are generally prohibited in California [Bus. & Prof. Code § 22960(a)]. A limited exception permits cigarette vending machines in premises with on-sale public premises alcoholic beverages licenses [*see* Bus & Prof. Code § 23039], provided the machines are located inside the premises and and are at least 15 feet away from the entrance [Bus. & Prof. Code § 22960(b)]. Furthermore, local governments are permitted to adopt even more restrictive standards, including a complete ban on the sale of cigarettes or tobacco products from vending machines [Bus. & Prof. Code § 22960(c)]. Civil penalties may be assessed for violations [Bus. & Prof. Code § 22958(a), (b)]. Cigarette or tobacco product distributors, wholesalers, and operators are required to comply with annual reporting requirements, including the requirements that operators annually report their

name and the address of each location where cigarette vending machines are placed [Bus. & Prof. Code § 22954].

In addition, furnishing tobacco or other products to minors is a misdemeanor punishable by a fine and imprisonment [Penal Code § 308]. Anyone who deals in tobacco must post at each point of purchase a notice required by the Stop Tobacco Access to Kids Enforcement Act [*see* Bus & Prof. Code § 22952(b)], and failure to do so may be punished by a fine or imprisonment [Penal Code § 308(c)].

Items that may not be sold, given, or furnished to a person under the age of 18 years include any tobacco, cigarette, or cigarette papers, or blunt wraps, or any instrument or paraphernalia that is designed for the smoking or ingestion of tobacco, products prepared from tobacco, or any controlled substance. In addition to criminal prosecution, every person, firm, or corporation that sells or furnishes tobacco to a person under 18 years old is subject to a civil penalty not to exceed $1,000. In the case of sales of tobacco and related products in a vending machine, the person authorizing the installation of the machine will be held liable if he or she knew or should have known that the machine would be used by minors [*Penal Code § 308(a)*].

If a civil penalty has been assessed, or a violator has been prosecuted for a single, specific violation of the Business and Professions Code provisions relating to tobacco sales, the violator may not also be prosecuted under Penal Code § 308 for a violation based on the same facts or specific incident for which the civil penalty was assessed, or for which the violator was prosecuted under the Business and Professions Code sections relating to tobacco sales [Bus. & Prof. Code § 22958(e)].

[3] The California Retail Food Code

Owners and operators of food vending machines, particularly those with their own food preparation and packing facilities, need to be aware of the California statutes governing preparation and sale of food. The governing statute is the California Retail Food Code (CRFC) [*see Health & Safety Code § 113777* et seq.]. The purpose of the CRFC is to safeguard public health and provide to consumers food that is "safe, unadulterated, and honestly presented through adoption of science-based standards" [*Health & Safety Code § 113703*]. The statewide health and sanitation standards for retail food facilities, including vending machines [*see* Health & Safety Code § 141145], are exclusive of all local health sanitation standards relating to retail food facilities [*Health & Safety Code § 113705*].

For purposes of the CRFC,, the terms "equipment" and "food facility" both include vending machine [*Health & Safety Code §§ 113777(a), 113789(b)(8)*; *see Health & Safety Code § 113781* ("food" defined)]. A "vending machine" is a self service device that, on insertion of money or tokens, dispenses food without the necessity of replenishing the device between each vending operation and that operates in conjunction with a commissary [*Health & Safety Code § 113938*]. "Vending machine" does not include any device dispensing exclusively peanuts, nuts, popcorn, gum, or hard candy, prepackaged candy, cookies, crackers, or similar snacks and beverages that are not potentially hazardous food, and prepackaged ice [*Health & Safety Code § 113938*].

Vending machines must meet all applicable requirements of the CRFC [Health & Safety Code § 141145]. In addition, vending machines must comply with the following [Health & Safety Code § 141145(a)-(h)]:

- Each vending machine or machine location must have posted in a prominent place a sign indicating the owner's name, address, and telephone number.

- Wet storage of prepackaged products is prohibited.

- Potentially hazardous food must be dispensed to the consumer in the original package into which it

was placed at the commissary or food processing plant. Bulk potentially hazardous food is prohibited.

- Single-use articles that are used in machines dispensing products in bulk must be obtained in sanitary packages. The single-use articles must be stored in the original package until introduced into the container magazine or dispenser of the vending machine.

- A record of cleaning and sanitizing must be maintained by the operator in each machine and must be current for at least the past 30 days.

- All vending machines must be constructed in accordance with applicable NSF International or National Automatic Merchandizing Association standards, or the equivalent.

- If located outside, a vending machine must be provided with overhead protection.

- The dispensing compartment of a vending machine must be equipped with a self closing door or cover if the machine is located in an outside area that does not otherwise afford the protection of an enclosure against the rain, windblown debris, insects, rodents, and other contaminants that are present in the environment, or if the machine is available for self service during hours when it is not under the full time supervision of an employee.

A person who proposes to build or remodel a food facility, including a vending machine, must submit complete plans and specifications to the enforcement agency for review, and must receive plan approval before starting any new construction or remodeling of any facility for use as a retail food facility [*see Health & Safety Code § 114380(a)*]. A permit must be obtained from the enforcement agency for each proposed food facility, after investigation of the machine has determined that its method of operation meets the specifications of the approved plans and conforms to legal requirements of the CFRC [*see Health & Safety Code § 114381(a), (b)*]. Once issued, a permit is nontransferable [*Health & Safety Code § 114381(c)*].

Vending machines must obtain food from sources that comply with all applicable laws [*see Health & Safety Code § 114021 et seq.*]. Those that dispense "potentially hazardous food" [*see Health & Safety Code § 113871* (definition)] are subject to the CRFC's time and temperature requirements [*see Health & Safety Code § 113996 et seq.*].

The general food safety requirements for food facilities, including vending machines, are set forth in *Health & Safety Code § 113980 et seq.* Vending machines must obtain food from sources that comply with all applicable laws [*see Health & Safety Code § 114021 et seq.*]. Those that dispense "potentially hazardous food" [*see Health & Safety Code § 113871* (definition) are subject to the CRFC's time and temperature requirements [*see Health & Safety Code § 113996 et seq.*]. Vending machines are also subject to requirements for cleanliness and freedom from litter [*see Health & Safety Code §§ 114257-114257.1*] and from vermin and animals [*see Health & Safety Code §§ 114259-114259.5*]; cleaning and sanitation requirements [*see Health & Safety Code §§ 114095 et seq.*; *114326 et seq.*], and provisions for employee sanitation [*see Health & Safety Code § 114250*]. The CRFC also includes provisions for the safety and sanitation of the facilities themselves [*see Health & Safety Code § 114326 et seq.*].

Food facilities are subject to inspection by enforcement officers, who are authorized to enter and inspect facilities and secure samples, photographs, or other evidence [*Health & Safety Code § 114390(b)(1)*]. The enforcement officers may impound food, equipment, or utensils that are found or suspected to be unsanitary or contaminated or in such disrepair that they may become contaminated [*Health & Safety Code § 114393(a)*]. A written report must be supplied to the owner, manager, or operator of the food facility [*Health & Safety Code § 114390(e)*]. Additionally, the enforcement agency that has impounded the food, equipment, or utensils must within 30 days either begin proceedings to release the impounded materials or seek an administrative or legal remedy for their disposition [*Health & Safety Code § 114393(c)*].

Any person who violates the CRFC or any of its implementing regulations is guilty of a misdemeanor and subject to fine or imprisonment [*see Health & Safety Code § 114395*]. The owner, manager, or operator of a food facility is responsible for violations by employees [*see Health & Safety Code § 114397*]. A permit may be suspended or revoked by a local enforcement officer for a violation of the statute [*see Health & Safety Code § 114405(a)*].

[4] Contracts to Buy or Lease Vending Machines, Products, or Supplies

The use of seller assisted marketing plans in connection with the sale of vending machines and related products, supplies, and services is subject to certain statutory restrictions [*Civ. Code § 1812.200 et seq.*]. A "seller assisted marketing plan" is any sale or lease or offer to sell or lease any product, equipment, supplies, or services that requires an initial payment of from more than $500 to less than $50,000 in cash when the seller has represented that the buyer "will earn, is likely to earn, or can earn" an amount in excess of the initial payment, that there is a market for the subject of the plan, and that the seller will buy the product or equipment back [*see Civ. Code § 1812.201(a)*]. The purpose of the statute is to provide prospective purchasers with information necessary to make an intelligent decision regarding the plansbeing offered, to safeguard the public against deceit and financial hardship, to require adequate disclosure by sellers, to prohibit misleading representations, and to prohibit or restrict unfair contract terms [*Civ. Code § 1812.200*]. Thus, any representation regarding a buyer's ability to earn an amount in excess of the purchase price, including a representation that it is *possible* to earn income exceeding the cost of the seller's products and services, is within the scope of the statute [People ex rel. Brown v. iMergent, Inc. (2009) 170 Cal. App. 4th 333, 339-341, 87 Cal. Rptr. 3d 844 (in light of statutory purpose, *Civ. Code § 1812.201(a)*'s reference to representation that buyer "will earn, is likely to earn, or can earn" amount in excess of initial payment is not unconstitutionally vague)].

These statutory provisions regulate certain sellers or lessors of vending machines or vending machine products, supplies, or services by requiring that they follow prescribed filing [*Civ. Code §§ 1812.203, 1812.214*], bookkeeping [*Civ. Code § 1812.213*], and disclosure requirements [*Civ. Code §§ 1812.205, 1812.206*]. Any seller assisted marketing plan contract must be in writing and contain specified information including a notification of the vending machine owner or operator's right to cancel the contract [*see Civ. Code §§ 1812.207-1812.209*]. Seller assisted marketing plans are currently regulated by the Attorney General's Office [*Civ. Code § 1812.203*].

For further discussion of seller assisted marketing plans, including definitions of important terms, see *§§ 93.220[1]-93.222[1]*.

NOTE:

The vending machine operator will ordinarily want the exclusive right to provide vending service on the premises of the location owner, free from competition from other vending machines as well as from direct selling by the location owner or anyone else. In some instances, however, an exclusive grant will be impractical, such as in the installation of a soft drink machine in a supermarket.

2. Consider whether and to what extent replacement or substitution of machines should be permitted without requiring a rewriting of entire agreement [*see §§ 93.203[2]*, PP 3, 4, 93.204[2], P 3].

3. To protect rights of the vending operator against creditors of the location owner, consider inclusion of an express provision relating to ownership of vending machines which have been installed on premises [*see §§ 93.203[2]*, P 8, 93.204[2], P 4, 93.205[2] P 4].

4. Determine allocation between parties as to risks of loss, damage, or theft of or from vending machines [*see §§ 93.203[2]*, P 10, 93.204[2], P 15].

5. Determine duties of respective parties with regard to maintenance of machines and of premises and with regard to notice of machine failures or other matters needing attention [*see §§ 93.203[2]*, PP 11, 12, 93.204[2], P 9, 93.205[2] P 13].

6. Determine allocation of control over pricing and selection of goods offered for sale [*see §§ 93.203[2]*, P 9, 93.204[2], P 13].

7. Determine which party is to furnish and bear expense of utility and service connections [*see §§ 93.203[2]*, P 13, 93.204[2], P 10, 93.205[2] P 14].

30-93 California Legal Forms--Transaction Guide § 93.124

§ 93.124 Commission Payments, Records, and Statements

1. Determine what form of compensation will be paid to location owner for the use of premises.

NOTE:
The commission may be a straight percentage of gross sales, or may be based on a schedule broken down by type and quantity of sales, or may consist of a profit-loss sharing type of agreement with provision for a management fee (as in the case of a food service operation) [*see §§ 93.203[2]*, P 5, 93.204[2], PP 5, 6, 93.205[2] PP 5, 6].

2. Consider whether vending operator should have the right to adjust the commission rate to reflect changes in taxes, costs, or other variables [*see § 93.204[2]* P 6].

3. Determine what records are to be required of receipts from operation and what statements are to be prepared and whether payment of commission is to accompany statement [*see §§ 93.203[2]*, P 6, 93.204[2], P 7, 93.205[2] P 8].

4. Determine whether and to what degree the location owner will be given the right to be present at the time that collections are made and extent to which location owner will be permitted to inspect records [*see §§ 93.203[2]*, P 6, 93.204[2], P 7, 93.205[2] P 8].

1. Determine length of agreement and consider whether provision should be made for automatic renewal [*see §§ 93.203[2]*, P 7, 93.204[2], P 20, 93.205[2] P 21].

2. Determine by whom and under what circumstances agreement may be terminated prior to expiration of its normal term [*see §§ 93.203[2]*, P 18, 93.204[2], P 21, 93.205[2] P 22]:

a. By either party by giving notice to the other. [*see §§ 93.204[2]*, P 21(a), 93.205[2] P 22(a)].

NOTE:
Consider whether the location owner should be required to pay a predetermined sum to the vending operator to compensate the operator for the expenses of installation should the location owner elect to terminate the agreement during, for example, the first six months.

b. By either party upon breach by the other [*see §§ 93.203[2]*, P 18(a), 93.204[2], P 21(c), 93.205[2] P 22(c)].

NOTE:

C. Drafting Seller Assisted Marketing Plan Documents

30-93 California Legal Forms--Transaction Guide § 93.140

§ 93.140 Preliminary Determinations

1. Determine whether contract of sale or lease of vending machines qualifies under definition of seller assisted marketing plan contract [*see Civ. Code § 1812.201(a), (j)*].

NOTE:

A "seller assisted marketing plan" is any sale or lease or offer to sell or lease any product, equipment, supplies, or services that requires an initial payment of from more than $500 to less than $50,000 in cash when the seller has represented that the buyer "will earn, is likely to earn, or can earn" an amount in excess of the initial payment, that there is a market for the subject of the plan, and that the seller will buy the product or equipment back [see *Civ. Code § 1812.201(a)*]. Thus, any representation regarding a buyer's ability to earn an amount in excess of the purchase price, including a representation that it is *possible* to earn income exceeding the cost of the seller's products and services, is within the scope of the statute [People ex rel. Brown v. iMergent, Inc. (2009) 170 Cal. App. 4th 333, 339-341, 87 Cal. Rptr. 3d 844 (*Civ. Code § 1812.201(a)*'s reference to representation that buyer "will earn, is likely to earn, or can earn" amount in excess of initial payment is not unconstitutionally vague)].

2. Determine whether vending machine seller or lessor comes within definition of "seller" [*see Civ. Code § 1812.201(c), (d)*].

3. Determine whether offer to sell or to lease or sale or lease of vending machines, occurred in California [*see Civ. Code §1812.202*].

PART IV. FORMS
A. Location Contracts

30-93 California Legal Forms--Transaction Guide § 93.200

§ 93.200 Receipt for Vending Machine

[1] Comment--Use of Form

This form is a receipt for a vending machine. The receipt is the simplest form of written agreement covering the installation of a vending machine on the premises of a location owner. The receipt is basically an acknowledgment by the location owner that one or more described machines have been installed on the premises. In addition to the acknowledgment of installation, the receipt may also set forth the commission rate to be paid to the location owner, the frequency of collection and servicing of the machines, and the ownership interest in the machines.

Because the receipt does not include many essential terms, it should be used only in limited circumstances when the parties do not wish a more complete written agreement and when a small financial investment is involved, as in the case of bulk vending machines that dispense candy, nuts, or gum. Under the receipt form of agreement, either party may terminate at will, and therefore such an agreement should not be used if installation or removal of the machines will be difficult or expensive. A more complete agreement should be used in such cases.

§ 93.201 Agreement Between Location Owner and Vending Machine Operator--Lease of Space for Vending Machines

[1] Comment--Use of Form

This form is for use when the parties desire that their agreement be embodied in the form of a lease. The main purpose of this type of agreement is to provide a definite term during which the vending machine operator will be able to keep his vending machines on the premises of the location owner. This form of agreement differs from the normal lease in that the amount of the "rental" payment is based on the gross receipts of the vending machine operator rather than a fixed monthly sum. The use of this form of agreement rather than the normal location contract may bring into play landlord-tenant laws and procedures which would not otherwise be applicable.

LEASE OF SPACE FOR VENDING MACHINES

AGREEMENT made this _____ day of _____, 20 _____, by and between _____[*name of location owner*], hereinafter referred to as the "Lessor," and _____[*name of vending machine operator*], hereinafter referred to as the "Lessee."

In consideration of the mutual covenants and promises herein contained, it is agreed:

Lease of Portion of Premises

1. In order that the Lessee may install certain vending machines and sell products through the machines to patrons, the Lessor leases to the Lessee the portion of Lessor's premises described in Schedule A attached hereto and made a part

hereof [*or* as follows: _____ (*common description of portion of premises*)].

Compensation to Lessor

2. Lessee shall pay to Lessor as rental for the portion of premises so leased a sum equal to _____ percent of the gross receipts derived from sales of products through the vending machines during the term of the Lease.

Statements and Payments

3. (a) Lessee shall furnish to Lessor not later than the fifth [*or specify other*] day of each month a complete statement of all sales of products through the installed machines during the preceding month, which shall include a statement of the amount due from Lessee to Lessor for that month, computed as specified in Paragraph 2 hereof.

(b) Simultaneously with the furnishing of the statement, Lessee shall pay to Lessor the amount so computed and due to Lessor.

Property of Lessee

4. The vending machines so installed are and shall remain the property of Lessee. They are not to be removed during the continuance of this Lease by anyone other than the Lessee or a duly authorized representative.

Term of Lease

5. The term of this Lease is _____[*e.g.,* three years] from the date of execution. Thereafter, unless either party gives notice of termination of the occupancy to the other party, Lessee shall continue to occupy the designated portion of the premises on a month-to-month basis but otherwise on the same terms and conditions.

Termination for Cause

6. In the event either party hereto breaches this Lease, unless such breach is cured within _____[*e.g.,* 72 hours] after written notice thereof, the other party may terminate this Lease forthwith by notice to the breaching party.

Assignment

7. It is understood by both parties hereto that this Lease is not assignable.

[1] Comment--Use of Form

The letter form of agreement permits the combination of a basic and informal style with a written embodiment of the terms and conditions of the contract between the parties. While the letter agreement ordinarily lacks the precision, detail, and complexity of the formal written agreement, it permits the expression of the terms of the agreement in language that is meaningful to and readily understood by the average layman, and therefore is more acceptable to him.

§ 93.203 Agreement Between Location Owner and Vending Machine Operator--Agreement for the Installation and Servicing of Single Type of Machine

[1] Comment--Use of Form

This form constitutes what is known in the vending industry as a "single machine agreement." The form is for use by a vending machine operator who plans the installation of a single type of machine, on the premises of a location owner. The single machine agreement avoids some of the additional problems that may occur with a full-line or full-service agreement with multiple commission schedules and provisions for varying the numbers and types of machines placed on the premises.

[2] FORM

Agreement Between Location Owner and Vending Machine Operator--Agreement for the Installation and Servicing of Single Type of Machine

VENDING MACHINE AGREEMENT

AGREEMENT made this _____ day of _____, 20 _____, by and between _____[*name of location owner*], hereinafter referred to as the "Proprietor," and _____[*name of vending machine operator*], hereinafter referred to as the "Operator."

Recitals

1. The Operator is a sole proprietor [*or* partnership *or* corporation] with principal office and place of business at _____[*address*], City of _____, State of California, and is engaged in the business of installing and operating automatic vending machines at various business locations and of selling articles of merchandise, food, and beverage to the public through such machines.

2. The Proprietor is the owner [*or* operator] of a [*e.g.,* restaurant] located at _____[*address*], City of _____, State of California.

3. The Operator desires to install one or more automatic vending machines on the premises of the Proprietor for the sale of _____ [*e.g.,* soft drinks], and the Proprietor desires to grant to the Operator a license for such purpose on the terms and conditions contained in this Agreement.

THEREFORE, in consideration of the mutual covenants and promises herein contained, it is agreed:

Exclusive Grant

1. The proprietor hereby grants to the Operator the exclusive right and privilege to install, operate, and maintain one or more _____[*specify type, e.g.,* soft drink] vending machines on the premises owned [*or* leased *or* operated] bythe Proprietor at _____[*address*], City of _____, California, and it is expressly understood and agreed that all sales of _____[*specify type, e.g.,* soft drinks] on the aforementioned premises of the proprietor shall be by means of the _____[*specify type, e.g.,* soft drink] vending machines installed and operated by the Operator and that the Proprietor shall not cause or permit the sale of _____[*specify type, e.g.,* soft drinks] or the operation of a _____[*specify type, e.g.,* soft drink] vending machine or machines by any other person, firm, or corporation, including the Proprietor.

Installation of Machines

2. The Operator shall install on the premises of the Proprietor at a location mutually agreed upon by the parties the following _____[*specify type, e.g.,* soft drink] vending machines:

Kind	Serial Number
1. _____	_____
2. _____	_____

Removal and Replacement of Machines

3. The Operator shall have the right to remove any of the machines installed on the premises of the Proprietor under this Agreement and to replace any such machine with a vending machine of similar type, quality, and appearance.

Increase or Decrease in Numbers of Machines

4. The Operator shall have the right to increase or decrease the number of machines installed on the premises of the Proprietor to adjust to changes in demand, sales, or economic conditions, provided, however, that at least one machine shall be provided at all times during the term of this Agreement. The Proprietor shall have the right to impose reasonable restrictions on the number or placement of machines if such number or placement would interfere with the normal operation of the Proprietor's business.

Compensation

5. The Operator shall pay to the Proprietor for the exclusive right to sell _____[*specify type, e.g.,* soft drinks] on the described premises _____ percent of the gross receipts from sales through the vending machines [*or* the sum of _____ cents per can of soft drinks sold]. The Operator shall have the right to adjust the commission due the Proprietor hereunder to reflect any increase in _____[*e.g.,* wholesale soft drink costs license fees, or any other federal, state or local taxes affecting the cost of soft drinks] over the amounts prevailing on the date of the execution of this Agreement.

Records and Statements

6. The Operator shall maintain a complete and accurate record of all sales made through the vending machines located on the premises of the Proprietor and covered by this Agreement and shall, within _____[*e.g.,* 10 days] after the end of each month, submit a statement of such sales and of the commissions due the Proprietor under Paragraph 5 of this Agreement. Payment in full for such commissions shall accompany the statement.

Term

7. This Agreement shall be for a term of _____[*e.g.,* one year] from the date of its execution and shall continue in full force and effect for succeeding _____ [*e.g.,* one-year] periods unless terminated in writing at least _____[*e.g.,* 30] days prior to the expiration of the then current period.

Ownership of Machines

8. It is agreed by the parties that the vending machines installed on the premises of the Proprietor by the Operator shall remain the property of the Operator. On termination of this Agreement by any means the Operator shall have the right without further notice to the Proprietor to remove any and all of the vending machines belonging to the Operator which have been installed on the premises of the Proprietor.

Selection and Pricing

9. The Operator shall keep the machines stocked at all times with sufficient quantities of _____[*specify type, e.g.,* soft drinks] to insure continuous service to the patrons of the Proprietor. The Operator shall have sole control over the selection of brands of _____[*specify type, e.g.,* soft drinks] to be offered for sale through the vending machines and of the prices at which they are offered for sale, but the Operator shall seek, to the extent possible, to offer the patrons of the Proprietor a wide selection of brands at competitive prices.

Risk of Damage to Machines

10. Except as it may be attributable to the Proprietor by reason of the negligence of its officers, agents, or employees while acting within the scope of their employment, the Operator assumes the full risk and responsibility for any loss, destruction, or damage occurring to the vending machines.

Maintenance and Service

11. The Operator shall regularly service, clean, and maintain the described vending machines and shall promptly and at

its own expense repair or replace faulty or defective parts or equipment or broken glass.

Notification of Machine Failure

12. The Proprietor agrees to notify the Operator promptly of any failure of the_____[*specify type, e.g.,* soft drink] vending machines to function properly and further agrees to permit only authorized agents of the Operator to remove, open, or in any way tamper with the machines.

Utilities

13. The Proprietor shall furnish and bear the cost of all utilities necessary for the operation of the _____[*specify type, e.g.,* soft drink] vending machines installed under this agreement and shall furnish suitable electrical outlets for use by those machines.

Fees and Taxes

14. The Operator shall be responsible for and shall pay all state, county, and city license fees and sales or other merchandising taxes that may be imposed on the sales of _____[*specify type, e.g.,* soft drinks] through its vending machines.

Insurance

15. The Operator shall obtain and continue in force suitable policies of insurance to cover its potential liability for injury or damage to persons or property arising from the operation of its vending business and shall indemnify and hold the Proprietor harmless from any claims arising out of the actions of the Operator or its employees in installing, removing, or servicing any of the vending machines covered by this Agreement or carrying on any other activities on the premises of the Proprietor.

Relation of Parties

16. It is the intention of the parties that the Operator be an independent contractor and that no agency or employment relationship be created by this Agreement.

Compliance With Laws

17. Each party shall comply with all federal, state, local, or other laws or regulations applicable to the sale of _____[*specify type, e.g.,* soft drinks] through vending machines.

Termination

18. (a) This Agreement may be terminated by either party if the other party defaults in the performance of an obligation or materially breaches any of the terms or conditions of this Agreement and fails to cure the default or breach within five days after service of written notice on him or her of the default or breach.

(b) This Agreement may be terminated by the Operator if, during any period, sales from the vending machines fall below _____[*e.g.*, _____ cans per week].

Assignment

19. This Agreement shall not be assignable by either party without the prior written consent of the other party. Subject to this limitation, this Agreement is binding on the successors and assigns of the respective parties.

Entire Agreement

20. This Agreement constitutes the entire agreement of the parties with respect to the subject matter of the agreement and supersedes any and all other agreements, either oral or in writing.

§ 93.204 Agreement Between Location Owner and Vending Machine Operator--Agreement for the Installation and Servicing of Full Line of Machines

[1] Comment--Use of Form

This form is for use in conjunction with a full-line vending machine operation when several types of machines are involved. This agreement also contemplates that an area adjacent to the vending machines will be provided with tables and chairs for use by vending machine patrons and others for eating and general relaxation. A basic feature of this agreement is the multiple-commission schedule which provides for the payment of commissions at varying rates for each of the enumerated classes of products sold through the vending machines.

[2] FORM

Agreement Between Location Owner and Vending Machine Operator--Agreement for the Installation and Servicing of Full Line of Machines

VENDING MACHINE AGREEMENT

AGREEMENT made on _____[*date*] between _____[*name of location owner*], the "Proprietor," and _____[*name of vending machine operator*], the "Operator."

Recitals

1. The Operator is a corporation [*or* partnership *or* sole proprietorship] with its principal office and place of business at _____[*street address and city*], California, and is engaged in the business of installing and operating automatic vending machines at various business locations and of selling articles of merchandise, food, and beverage to the public through such machines.

2. The Proprietor is the owner [*or* operator] of an _____[*e.g.*, office building] located at

_____[*street address and city*], California.

3. The Operator desires to install and operate a vending machine complex with adjoining public eating area on the premises of the Proprietor, and the Proprietor desires to grant to the Operator a license for such purpose on the terms and conditions of this Agreement.

THEREFORE, in consideration of the mutual covenants and promises herein contained, it is agreed:

Exclusive Grant

1. The Proprietor grants to the Operator the exclusive right and privilege to operate a full-line vending service on the premises of the Proprietor located at _____[*street address and city*], California, and to sell _____[*specify e.g.*, hot and cold beverages, ice cream, fresh fruits, candy and confections] to employees, guests, and patrons of the Proprietor.

Installation of Machines

2. The Operator shall install on the premises of the Proprietor at such locations as agreed upon by the parties such food, and beverage, vending machines as the Operator determines to be necessary to supply the needs of the employees, guests, and patrons of the Proprietor [*or* such machines for the sale of products as are set forth in Schedule A attached to this agreement and incorporated by this reference]. The Operator shall have the right to remove any of the machines installed and to replace such machine with a machine of like quality and appearance.

Changes in Machines

3. The Operator shall have the right, with the approval of the Proprietor, to furnish additional machines as required to meet the needs of the vending machine customers. The Operator shall have the further right to remove any machines whose operation proves unprofitable.

Ownership of Machines

4. All machines placed on the premises of the Proprietor by the Operator hereunder are and shall remain the property of the Operator, and the Proprietor shall not permit anyone other than a duly authorized agent of the Operator to remove or in any way tamper with or change any of the machines. Except as it may be attributable to the Proprietor by reason of the negligence of its officers, agents, or employees while acting within the scope of their employment, the Operator assumes the full risk and responsibility for any loss, destruction, or damage occurring to the vending machines.

Schedule of Commissions

5. The Operator shall pay to the Proprietor a monthly commission computed on the gross receipts of all classes of goods sold each month at the rate or percentage on each class of goods as shown by the following schedule of commissions:

(a) Coffee:

_____ cent(s) per cup on all sales up to _____ cups

_____ cent(s) per cup on all sales over _____ cups

(b) Soft Drinks:

_____ % of monthly sales up to $ _____
_____ % of monthly sales over $ _____

(c) Milk and ice cream:

_____ % of monthly sales

(d) Confections (Candy, gum, and nuts]:

Percentage	Monthly Sales
_____ %	Less than $ _____
_____ %	$ _____ to $ _____
_____ %	$ _____ to $ _____
_____ %	Over $ _____

Adjustments of Commission Schedule

6. It is understood that the commissions to be paid by the Operator to the Proprietor as set forth in Paragraph 5 are based upon federal, state, and local sales and excise taxes existing at the date of the execution of this Agreement. In the event of any change in such tax rates, the schedule shall be adjusted to conform with the change in the tax rate by proportionally increasing or decreasing the commission payment.

Records and Statements

7. The Operator shall at all times keep an accurate and true record of all inventories supplied to the vending machines on the premises of the Proprietor and of all sales and collections made in connection with the Operator's vending machine operation on said premises. The Operator shall permit the inspection of such records during normal business hours by the Proprietor or Proprietor's authorized representative for the purpose of verifying the correctness of the accounts and of the amounts due to the Proprietor as commissions. The Operator shall submit to the Proprietor within _____ [*e.g.*, 10] days following the end of each month a complete statement of all sales made during the month and of the commissions due to the Proprietor under Paragraph 5 of this Agreement. The Operator shall remit payment in full for commissions due along with the monthly statement.

Furniture in Eating Area

8. The Proprietor shall provide a suitable area on its premises for the placement of the vending machines provided under this Agreement and for use by patrons of the vending machines for eating or for rest and relaxation. The Operator shall

select, purchase, and install in that eating area chairs and tables which meet with the approval of the Proprietor. The Operator shall be reimbursed for the cost of such furniture by retaining _____ percent of the monthly commissions otherwise due to the Proprietor until the cost of such furniture has been reimbursed in full. Title to the furniture shall remain in the Operator until full reimbursement has been made, and, in the event of the termination of this Agreement prior to complete reimbursement of the Operator, the balance remaining shall become due and payable by the Proprietor to the Operator within _____[*e.g.,* 30] days after such termination.

Maintenance and Service

9. (a) The Operator shall regularly inspect and service the vending machines covered by this Agreement and shall keep them operating and in good working order at all times and shall maintain them in a clean and sanitary condition in accordance with all applicable federal, state, and local laws.

(b) The Proprietor shall furnish and bear the expense of regular janitorial service for the area in which the vending machines covered by this Agreement are located and shall at all times keep the tables, chairs, and floor and wall areas around, behind, and under the vending machines clean and free from rodents, insects, or other pests.

(c) The Proprietor shall supply suitable waste disposal containers for the convenience of users of the vending machines and of the adjacent eating areas and shall provide and bear the expense of garbage removal and disposal services. All trash containers shall be emptied at least once daily.

Utility and Service Connections

10. The Proprietor shall furnish and bear the expense of all necessary heat, lighting, hot and cold water, and electricity that may be required for the operation of the vending machines and eating area and shall provide a sufficient number of utility outlets in convenient positions where the vending machines are to be located. The Proprietor shall provide continuous service to the machines and machine areas and shall not cause or permit the interruption of such service except in the event of an emergency. The Proprietor shall notify the Operator promptly of any interruption in service to the machines or machine area.

Electrically Operated Machines

11. All electrically operated vending machines furnished hereunder shall be equipped so as to provide thermal overload protection, and shall comply with Specification _____ and any amendments thereto hereafter issued with regard to the elimination of radio interference. In addition, all machines furnished hereunder shall bear the seal of approval of the Underwriters' Laboratories, Inc. All electrical equipment and wiring required to be installed to provide for the operation of the machines shall be installed in strict accordance with the applicable ordinances and regulations of the City of _____.

Storage Room

12. (a) Upon request of the Operator, the Proprietor shall provide a suitable room for the storage of products to be used in the vending machines operated by the Operator on the Proprietor's premises. The storage room shall have a door which may be locked so as to prevent unauthorized entry and shall contain a minimum of _____ square feet of floor area. The Proprietor shall furnishthe Operator with two sets of keys to that storage room and shall prevent entry to such storage room by unauthorized persons.

(b) All products and merchandise stored by the Operator in the storage room provided hereunder shall remain the property of the Operator, and the Operator shall bear the risk of loss or destruction of such products and merchandise, except by the negligent or willful conduct of the Proprietor or its agents or employees.

Selection and Pricing

13. The Operator shall have sole control over the selection and pricing of products and merchandise offered for sale in the vending machines placed on the premises of the Proprietor hereunder, but it shall attempt insofar as possible to supply a variety of standard brands of quality merchandise at competitive prices prevailing in the area. The Proprietor may, from time to time, make suggestions to the Operator relating to the selection, stocking, or pricing of goods offered or to be offered in its machines.

Service Personnel

14. (a) The Operator's service personnel shall at all times be dressed in clean uniforms and shall observe all regulations in effect on the Proprietor's premises.

(b) The Proprietor shall furnish the Operator's service personnel with such identification passes as may be required for entrance to or exit from the Proprietor's premises.

Supervision of Premises

15. The Proprietor shall at all times maintain adequate supervision of the premises upon which the vending machines and eating area furniture are contained and shall protect the premises and contents from fire, theft, vandalism, or other preventable hazards. The Proprietor shall bear the expense of losses due to the use of slugs or tokens by the patrons of the vending machines and for losses due to the theft of money or merchandise from the vending machines or the theft or breakage of furniture placed on the premises under this Agreement. The liability of the Proprietor in any such circumstance shall be limited to the lower of (1) the repair or replacement cost of furniture plus the value of money and merchandise lost or (2) $ _____ per occurrence.

Cash Fund for Refunds

16. The Proprietor shall maintain a cash fund to be supplied by the Operator for the reimbursement of vending machine patrons for sums lost due to malfunctions of the machines or machine mechanisms. The Proprietor shall maintain a record of the names of customers who are reimbursed, the dates and amounts of the losses, and of the machines which have malfunctioned. The Operator shall, from time to time, replenish the cash fund. The Proprietor shall notify the Operator promptly of any machine malfunctions that are brought to its attention.

Compliance With Laws

17. Both the Operator and the Proprietor shall comply with all applicable federal, state, or local laws relating to the sale of products through vending machines.

Fees and Taxes

18. The Operator shall be responsible for and shall pay all state, county, and city license fees and sales or other taxes that may be imposed on the sales of articles through its vending machines.

Insurance and Indemnity

19. (a) The Operator shall procure and maintain in full force and effect during the term of this Agreement the following policies of insurance:

(1) Comprehensive Bodily Injury, Property Damage, and Liability Insurance covering losses caused by the operation of automobiles, trucks, or other vehicles with limits of $ _____ for injury or death of one person and $ _____ for injury or death of two or more persons in any one accident, and $ _____ for property damage in any one accident, and also including bodily injury and property damage or loss caused by independent contractors or by agents of the Operator.

(2) Product Liability Insurance with minimum limits of $ _____ for injury or death of one person and $ _____ for each accident or occurrence to cover the liability of both the Operator and the Proprietor and the agents and employees of each.

(3) Worker's Compensation Insurance as prescribed by the laws of the State of California.

(b) In addition, the Operator agrees to indemnify and hold the Proprietor harmless from any claims arising out of the actions of the Operator or its agents or employees in installing, removing, or servicing any of the vending machines covered by this Agreement or in carrying on any other activities on the premises of the Proprietor.

Term

20. This Agreement shall be for a term of one year from the date of execution and shall be renewed automatically for successive one-year periods unless notice of termination is given by either party to the other at least _____[*e.g.,* 30] days prior to the expiration of the then current yearly period.

Termination

21. (a) Either party may terminate this Agreement by giving_____[*e.g.,* 60] days notice in writing to the other party of intention to terminate, provided, however, that the Proprietor may not terminate this Agreement during the first _____[*e.g.,* six months] without first paying the Operator the sum of $ _____ to cover in part the expenses incurred in installing the machines and equipment on the premises.

(b) This Agreement may be terminated at any time by the Operator by reason of the unprofitability of the operation by giving _____[*e.g.,* 10] days notice in writing to the Proprietor.

(c) This Agreement may be terminated by either party upon the default of the other party in the performance of an obligation or upon a material breach of any of the terms or conditions of this Agreement if such other party fails to cure the default or breach within _____[*e.g.,* five] days after service upon it of notice of the default or

breach.

Removal of Machines

22. Upon termination of this Agreement the Operator shall vacate the premises of the Proprietor and shall remove all vending machines and vending machine products which have been placed by it on the premises. The Operator shall not remove any of the tables, chairs, or other furniture installed under Paragraph 8 of this Agreement. The Operator shall, however, to the extent possible, restore the premises to their condition prior to the installation of the vending machines. In the event that the Operator fails to remove its machines and products, the Proprietor may have them removed and stored at the expense of the Operator.

Damages for Breach

23. (a) In the event that this Agreement is terminated by reason of a breach or default in performance by the Proprietor, the Operator shall be entitled to recover, in addition to any other sums to which he may be entitled, the unamortized expenses incurred in the installation of the vending machines and equipment on the premises of the Proprietor plus _____ percent of the average monthly gross receipts from the vending machine operation up to the time of breach multiplied by the number of months remaining under the contract at the time of termination, prorated to take into account any partial monthly period.

(b) In the event that this Agreement is terminated due to a breach or default by the Operator, the Proprietor shall be entitled to receive an amount for lost commissions, such amount to be calculated by multiplying the average monthly commissions earned up to the time of breach by the number of months remaining under the Agreement at the time of termination, prorated to account for any partial monthly period.

Independent Contractor Status

24. It is the intention and understanding of the parties that the Operator be an independent contractor hereunder and that no agency or employment relationship be created between the parties by this Agreement.

Notices

25. All written notices required to be given hereunder shall be addressed, in the case of the Proprietor, to it at _____[*address*], and, in the case of the Operator, to it at _____[*address*]. Either party may change his address for the purpose of receiving notice by giving the other party written notice of such change.

Alterations in Facilities

26. The Operator shall make no alterations in the premises covered by the Agreement unless authorized in writing by the Proprietor. The Proprietor agrees to notify the Operator of any alterations in the premises that may affect the operation of the vending machine service or which will affect any of the areas covered by this Agreement. The Proprietor shall cooperate with the Operator in making any alterations which may be necessary by the expansion of the vending machine operation to meet increases in customer demand.

Business Interruption

27. In the event that business operations on the premises of the Proprietor are interrupted or stopped on account of fire, earthquakes, war, strikes, or other causes beyond the control of the parties, the performance of this Agreement, with the exception of the payment of money already due and owing, shall be suspended and excused until such time as the business operations are again resumed, and the term of this Agreement shall be extended for a period of time equal to the length of time during which performance was suspended or excused, provided, however, that no such extension shall be made if the interruption is permanent or lasts for a period in excess of _____[*e.g.*, six months], and in such case, this Agreement may be terminated by either party by giving notice in writing to the other.

Assignment

28. This Agreement shall not be assignable by either party without the prior written consent of the other party. Subject to the foregoing limitation, this Agreement shall inure to the benefit of and be binding on the successors and assigns of the respective parties.

Entire Agreement

29. This Agreement constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes any and all other agreements, understandings, statements, or representations, either oral or in writing.

Governing Law

30. The validity of this Agreement and of any of its terms or provisions, as wellas the rights and duties of the parties hereunder, shall be interpreted and construed pursuant to and in accordance with the laws of the State of California.

§ 93.205 Agreement Between Location Owner and Vending Machine Operator--Agreement for the Operation of Full Line Vending Machine and Food Service Facility

[1] Comment--Use of Form

This form is for use by a vending machine operator who will also operate a food service facility on the premises. This agreement provides for the subsidy of the food service operation by the location owner and the payment of a guaranteed management fee to the vending operator by the use of a profit and loss clause combined with the inclusion in operational costs of the fee for managing the food service operation. Also built into the profit and loss clause is a provision for an incentive bonus in the form of a share of the profits if the food service operation results in a profit above a specified level. Another feature of this agreement is the provision for catering services, which will provide additional revenues to the parties depending on who sponsors the event to be catered.

[2] FORM

Agreement Between Location Owner and Vending Machine Operator--Agreement for the Operation of Full Line Vending Machine and Food Service Facility

VENDING AND FOOD SERVICE AGREEMENT

AGREEMENT made this _____ day of _____, 20 _____, by and between _____[*name of location owner*], hereinafter referred to as the "Proprietor," and _____[*name of food service operator*], hereinafter referred to as the "Operator."

Recitals

1. The Operator is a corporation [*or* partnership *or* sole proprietorship] with its principal office and place of business at _____[*street address and city*], California, and is engaged in the business of installing and operating automatic vending machines and food preparation facilities at various business locations for the purposes of serving the

patrons and employees of such locations.

2. The Proprietor owns [*or* leases] a _____[*e.g.*, manufacturing plant] located at _____[*street address and city*], California, with a total of _____[*number*] employees.

3. The Operator desires to install and operate a complete vending and food service operation on the premises of the Proprietor, and the Proprietor desires to grant to the Operator an exclusive license for such purpose on the terms and conditions of this Agreement.

THEREFORE, in consideration of the mutual covenants and promises of the parties herein contained, it is agreed:

Exclusive Grant

1. The Proprietor grants to the operator the exclusive right, privilege, andlicense to sell food and beverage products on the premises of the Proprietor located at _____[*address*] and to install and operate a complete vending, catering, and food service operation on the premises.

Food Preparation Facilities

2. The Proprietor shall provide on its premises a fully equipped kitchen and food service facility for use in the preparation and dispensing of food in connection with the Operator's vending machine and manual food service operation. The facilities provided shall include dressing rooms and sanitary toilet facilities and shall comply with the provisions of the California Restaurant Act. The Proprietor shall make all normal repairs that may be required to maintain the food preparation facilities and equipment in operating condition.

Installation of Machines

3. The Operator shall install on the premises of the Proprietor at such locations as agreed upon by the parties such food and beverage, vending machines as the Operator determines to be necessary to supply the needs of the employees, guests, and patrons of the Proprietor [*or* such machines for the sale of foods and beverages, as are set forth in Schedule A attached to this agreement and incorporated by reference]. The Operator shall have the right to remove any machine installed hereunder and to replace those machines with a machine of like appearance and quality.

Ownership of Machines

4. All machines placed on the premises of the Proprietor by the Operator hereunder are and shall remain the property of the Operator, and the Proprietor shall not permit anyone other than a duly authorized agent of the Operator to remove or in any way tamper with or change any of the machines.

Compensation

5. (a) The Operator shall pay to the Proprietor a monthly commission of _____ percent of the gross receipts of all sales made through vending machines covered by this Agreement. The Operator shall have the right to adjust the commission rate payable hereunder to reflect any increase in federal, state, or local sales or excise taxes after the date of the execution of this Agreement.

(b) The costs of operation of the food service under this Agreement shall be determined pursuant to Paragraph 6 of this Agreement and subtracted from the receipts from the food service operation during each monthly period of this Agreement. If the food service operation, after the deduction of such costs, has resulted in a deficit, such deficit shall be borne by the Proprietor, and the Proprietor shall reimburse the Operator for the amount of such deficit. In the event that the operations result in a surplus and the amount of the surplus is less than $ _____, the entire surplus shall be paid to the Proprietor. If the amount of the surplus exceeds $ _____ in any one month, the Operator shall be entitled to _____ percent of such surplus in excess of $ _____ and the balance shall be paid to the Proprietor.

Operational Costs

6. The costs of the operation of the food service facilities shall be determined on an accrual basis according to accepted accounting principles consistently applied by the Operator and shall consist of the following items:

(a) The costs of all labor employed in the food service operations by the Operator.

(b) The costs of all merchandise, materials, and supplies used in such operations.

(c) The costs of all operating expenses including taxes, insurance, licenses, and other expenses.

(d) An amount equal to the greater of _____ percent of gross receipts or $ _____ per week for general and administrative expenses to reimburse the Operator for costs incurred in office overhead and special administrative services.

(e) A sum equal to the lesser of _____ percent of gross receipts or $_____ per week as a management fee to compensate the Operator for management services rendered in the operation of the food service facilities.

Catering Service

7. The Operator may use the food preparation facilities on the described premises in providing catering services for dinners and parties sponsored by groups of employees or other persons if the prior approval of the Proprietor is obtained. The Operator shall pay _____ percent of the gross receipts from any such catering services to the Proprietor. The Operator shall provide a catering service for events and special functions sponsored by the Proprietor for a fee of cost plus _____ percent. The Proprietor shall give the Operator at least _____[*e.g.*, 10] days notice of any such event or special function where catering services will be required.

Records and Statements

8. The Operator shall maintain an accurate record of all merchandise, sales, and collections made in connection with the vending machine operation under this Agreement and shall maintain a separate record of the operational costs of the manual food service operation hereunder. Such records shall at all times be open to inspection by the Proprietor or its accountants and shall be retained by theOperator for a period of _____[*e.g.*, three] years. The Operator shall submit to the Proprietor within _____[*e.g.*, 10] days following the end of each month a complete statement showing receipts from the vending machines operations during the preceding month and commissions due to

the Proprietor. The Operator shall submit a separate statement showing the receipts from, and the costs of operation of, the food service and the amount of any resulting profit or loss. Payment in full for any amounts due to the Proprietor shall accompany each statement.

Furniture in Eating Area

9. The proprietor shall provide a suitable area on its premises adjacent to the vending machines and food service area for use by patrons and employees as an area for eating or for rest and relaxation. The Operator shall select, purchase, and install in such eating area chairs and tables which meet with the approval of the Proprietor. The cost of the tables and chairs shall be depreciated over the life of this Agreement and reflected as a cost of operation of the food service. In the event that this Agreement is terminated prior to the expiration of its term, the Proprietor shall pay the unamortized balance remaining to the Operator within _____[*e.g.*, 30] days after any such early termination. The furniture shall remain the property of the Operator until such time as it has been fully depreciated or the Operator has been paid in full for any undepreciated balance and it shall then become the property of the Proprietor without any further action on the part of the Operator.

Alterations in Facilities

10. The Operator shall make no alterations in the premises covered by this Agreement unless authorized in writing by the Proprietor. The Proprietor agrees to notify the Operator of any alterations in the premises that may affect the operation of the vending machine service or which will affect any of the areas covered by this Agreement. The Proprietor shall cooperate with the Operator in making any alterations which may be necessary by the expansion of the vending machine operation to meet increases in customer demand.

Equipment and Supplies

11. The Proprietor shall supply necessary office equipment and furniture including desk, safe, filing cabinet, typewriter, and adding machine. The Operator shall supply expendable items such as dishes, flatware, glassware, silverware, and kitchen utensils and may include the cost of those items as part of the cost of operations hereunder.

Storage Room

12. (a) The Proprietor shall provide a suitable room for the storage of products and merchandise for use by the Operator in connection with its vending machine operation on the Proprietor's premises. The storage room shall be conveniently located so as to be near to the vending machine area and shall be furnished with a door which may be locked so as to prevent unauthorized entry. Such room shall contain a minimum of _____ square feet of floor area and shall be furnished with suitable shelves for storage purposes.

(b) All products and merchandise stored by the Operator in the storage room provided hereunder shall remain the property of the Operator, and the Operator shall bear the risk of loss or destruction of such products and merchandise, except by the negligent or willful conduct of the Proprietor or its agents or employees.

Maintenance and Sanitation

13. (a) The Operator shall operate and maintain all vending machines and all food service equipment in a clean and

sanitary condition in accordance with recognized standards for such equipment and in accordance with all applicable federal, state, and local laws and regulations. The Operator shall provide for the regular inspection, cleaning, service, and repair of all machines and equipment covered by this Agreement.

(b) The Proprietor shall furnish and bear the expense of regular janitorial services and shall keep the vending machine and food service areas in a clean and sanitary condition and free from rodents, insects, or other pests. The Proprietor shall be responsible for the cleaning of the walls, ceilings, windows, floors, and furniture in and around the vending machine and food service area and for the cleaning of all hoods, ducts, drapes, and light fixtures.

(c) The Proprietor shall supply suitable waste disposal containers for the convenience of users of the vending machines and food service and adjacent eating areas. The Proprietor shall provide and bear the expense of trash and garbage disposal and shall see that all trash and garbage containers are emptied at least once daily.

Utilities and Service Connections

14. The Proprietor shall furnish without cost to the Operator all necessary heat, light, electricity, hot and cold water, steam, and gas as may be required for the operation of the machines and facilities covered by this Agreement. The Proprietor shall further install electrical outlets where needed and shall provide garbage and sewage disposal service for the facilities. The Proprietor shall not cause or permit the interruption or stoppage of any of the utility or service connections provided hereunder except in emergency situations. In the event that any such service is interrupted or stopped, the Proprietor shall notify the Operator immediately.

Food Service Personnel

15. (a) The Operator shall be responsible for providing suitable personnel tooperate the vending and food service facilities and shall hire only employees who meet with prescribed health and cleanliness standards and who comply with applicable rules and regulations relating to the preparation of food. The Operator shall not retain in his employ on the Proprietor's premises any employee who does not meet with the approval of the Proprietor.

(b) The Operator's service personnel shall at all times be dressed in clean uniforms and shall observe all regulations in effect on the Proprietor's premises.

(c) The Proprietor shall furnish the Operator's service personnel with such identification passes as may be required for entrance to or exit from the Proprietor's premises.

Employees of Parties

16. Each party agrees not to interfere in any way with the employment relationship between the other party and its employees. Neither party shall hire an employee or former employee of the other within _____ [*e.g.*, six months] of the date of termination of their employment without written permission of the other party.

Compliance With Laws

17. Both the Operator and the Proprietor shall comply with all applicable federal, state, or local laws relating to the sale of products through vending machines and to the operation and maintenance of a food preparation and dispensing facility. The Proprietor shall permit the posting of all signs required by law.

Fees and Taxes

18. The Operator shall be responsible for and shall pay all state, county, and city license fees and sales or other taxes which may be imposed on the sales of articles through its vending machines or on the preparation and sale of food and beverages in connection with its food service operations.

Insurance and Indemnity

19. (a) The Operator shall procure and maintain in full force and effect during the term of this Agreement the following policies of insurance:

(1) Comprehensive Bodily Injury, Property Damage, and Liability Insurance covering losses caused by the operation of automobiles, trucks, or other vehicles with limits of $ _____ for injury or death of one person and $ _____ for injury or death of two or more persons in any one accident, and $ _____ for property damage in any one accident, and also covering bodily injury and property damage or loss caused by independent contractors or by agents or employees of the Operator.

(2) Products Liability Insurance with minimum limits of $ _____ for injury or death of one person and $ _____ for each accident or occurrence to cover the liability of both the Operator and the Proprietor and the agents and employees of each.

(3) Worker's Compensation Insurance as prescribed by the laws of the State of California.

(b) The Operator shall further indemnify and hold the Proprietor harmless from any and all claims arising out of the Operator's vending and food service operations, including claims arising out of the actions of the Operator or its agents or employees in installing, removing, or servicing vending machines or equipment, or in preparing and dispensing food and beverages, or in carrying on any other activities on the premises of the Proprietor.

Notice of Claims

20. The Proprietor shall promptly notify the Operator in writing of any claims against either the Proprietor or against the Operator arising out of the vending machine or food service operations covered by this Agreement and, in the event of suit, shall forward copies of all papers promptly to the Operator. The Proprietor shall make no settlement of any claim nor incur any expense in connection therewith without first notifying and obtaining the consent of the Operator.

Term

21. This Agreement shall be for a term of _____[*e.g.*, one year] from the date of execution and shall be renewed automatically for successive _____[*e.g.*, one-year] periods unless notice of termination is given by either party to the other at least _____[*e.g.*, 30] days prior to the expiration of the then current _____[*e.g.*, yearly] period.

Termination

22. (a) Either party may terminate this Agreement by giving _____[*e.g.*, 60] days notice in writing to the other party of that party's intention to terminate, provided, however, that the Proprietor may not terminate this Agreement during the first _____[*e.g.*, six months] without first paying the Operator the sum of $ _____ to cover in part the expenses incurred in installing the machines and equipment on the premises.

(b) The Operator may terminate this Agreement at any time due to the unprofitability of the vending machine and food service operations by giving _____[*e.g.*, 30] days notice in writing to the Proprietor.

(c) Either party may terminate this Agreement upon a default by the other partyin the performance of an obligation or upon a material breach of any of the terms or conditions of this Agreement by the other party if such other party fails to cure such default in performance or material breach within _____[*e.g.*, five] days after service of notice upon it of such default or breach.

Removal of Property

23. Upon termination of this Agreement the Operator shall vacate the premises of the Proprietor and remove all vending machines, equipment, and property belonging to the Operator. The Operator shall not, however, remove the chairs, tables, and other furniture installed under Paragraph 9 of this Agreement, nor shall it remove any of the equipment, fixtures, or property belonging to the Proprietor. Upon vacating the premises the Operator shall restore them to the extent possible to the condition existing at the time that the Operator entered the premises, allowing for normal wear and tear. In the event that the Operator fails to remove its machines or other property, the Proprietor may have such property removed and stored at the expense of the Operator.

Damages for Breach

24. (a) In the event that this Agreement is terminated by reason of a breach or default in performance by the Proprietor, the Operator shall be entitled to recover, in addition to any other sums to which the Operator may be entitled, the unamortized expenses incurred in the installation of the vending machines and equipment on the premises of the Proprietor plus _____ percent of the average monthly gross receipts from the vending machine operation up to the time of breach multiplied by the number of months remaining under the contract at the time of termination, pro-rated to take into account any partial monthly period.

(b) In the event that this Agreement is terminated due to a breach or default by the Operator, the Proprietor shall be entitled to receive an amount for lost commissions, and that amount is to be calculated by multiplying the average monthly commissions earned up to the time of breach by the number of months remaining under the Agreement at the time of termination, pro-rated to account for any partial monthly period.

Independent Contractor Status

25. It is the intention of the parties that the Operator be an independent contractor under this Agreement and that no agency or employment relationship be created between the parties by this Agreement.

Notices

26. Any notice to be given hereunder by either party to the other may be effected by personal delivery in writing or by registered or certified mail, postage prepaid, return receipt requested, and shall be deemed communicated as of the time of mailing. The address of the Proprietor for the purpose of receiving notice shall be _____[*address*], and the address of the Operator for this purpose shall be _____[*address*]. Either party may designate another address for the purpose of receiving notice by giving the other party written notice of the other address.

Business Interruption

27. In the event that business operations on the premises of the Proprietor are interrupted or stopped on account of fire, earthquakes, war, strikes, or other causes beyond the control of the parties, the performance of this Agreement, with the exception of the payment of money already due and owing, shall be suspended and excused until such times as the business operations are again resumed, and the term of this Agreement shall be extended for a period of time equal to the length of time during which performance was suspended or excused, provided, however, that no such extension shall be in excess of _____[*e.g.*, six months], and in such case, this Agreement may be terminated by either party by giving notice in writing to the other.

Assignment

28. This Agreement shall not be assignable by either party without the prior written consent of the other party. Subject to the foregoing limitation, this Agreement shall inure to the benefit of and be binding on the successors and assigns of the respective parties.

Entire Agreement

29. This Agreement constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes any and all other agreements, understandings, statements, or representations, either oral or in writing.

Governing Law

30. The validity of this Agreement and of any of its terms or provisions, as well as the rights and duties of the parties hereunder, shall be interpreted and construed pursuant to and in accordance with the laws of the State of California.

§ 93.220 Disclosure Statement by Seller of Seller Assisted Marketing Plan

[1] Comment

[a] Use of Form

This form sets forth the disclosure information which must be given to potential purchasers of a seller assisted marketing plan. A seller assisted marketing plan, as applied to vending machine owners and operators, is any sale, or lease, or offer to sell or lease vending machines or vending machine products, supplies, or services that requires a total initial payment of an amount exceeding $500, but requires an initial cash payment of less than $50,000, that will aid a purchaser, or will be used by or on behalf of the purchaser, in connection with or incidental to beginning, maintaining, or operating a business when the marketing plan seller has advertised or in any way solicited the purchase or lease of the marketing plan and represented that the purchaser "will earn, is likely to earn, or can earn" or is likely to earn, an amount in excess of his or her initial payment, that there is a market for the product, equipment, supplies, or services, or that the seller will buy back, or is likely to buy back, any product made using the product, supplies, equipment, or services initially sold or leased, or offered for sale or lease to the purchaser by the seller of the marketing plan [*see Civ. Code § 1812.201(a)*]. Any representation regarding a buyer's ability to earn an amount in excess of the purchase price, including a representation that it is possible to earn income exceeding the cost of the seller's products and services, is within the scope of the statute [People ex rel. Brown v. iMergent, Inc. (2009) 170 Cal. App. 4th 333, 339-341, 87 Cal. Rptr. 3d 844 (*Civ. Code § 1812.201(a)*'s reference to representation that buyer "will earn, is likely to earn, or can earn" amount in excess of initial payment is not unconstitutionally vague)]. The definition of a seller assisted marketing plan does not, however include certain specified transactions, such as the sale of a franchise [*see Civ. Code § 1812.201(b)(2)*] nor the renewal or extension of an existing seller assisted marketing plan contract [*Civ. Code § 1812.201(b)(9)*]. A seller assisted marketing plan contract is any contract or agreement that obligates a "purchaser" to a "seller" as those terms are defined by law [*Civ. Code § 1812.201(j)*].

In the first in-person communication with a potential purchaser or in the first written response to an inquiry about the seller assisted marketing plan from a potential purchaser, the seller must provide the purchaser with a written document entitled "DISCLOSURE REQUIRED BY CALIFORNIA LAW" [*Civ. Code § 1812.205*]. The written document must disclose certain required information, and must contain a guarantee of earnings statement in exact language prescribed

by law [*Civ. Code § 1812.205*]. This disclosure form is appropriate for use in the first in-person communication or response to a written inquiry from a prospective purchaser.

The disclosure document set forth in this form may be combined with the seller assisted marketing plan information sheet [*see § 93.221*] if the time requirements of both documents are met. See *§ 93.221[1]* for the time requirement for that document.

[b] Definitions

Several important terms used in the definition of seller assisted marketing plan are also defined by law.

A "seller" is any person, including an individual, corporation, partnership, joint venture, or other business entity, who sells, or leases, or offers to sell or to lease a seller assisted marketing plan, and who either has sold or leased or represents or implies that the seller has sold or leased at least five such plans within two years prior to a solicitation, or intends or represents or implies that such seller intends to sell at least five such plans within one year after a solicitation is made [*Civ. Code § 1812.201(c), (d)*].

A "purchaser" is any person who is solicited to become or does become obligated on a contract [*Civ. Code § 1812.201(c), (e)*], such as a vending machine owner or operator who buys or leases on a seller assisted marketing plan.

A "product" includes any tangible chattel, including food or living animals, which the purchaser intends to sell or lease to the public [*see Civ. Code § 1812.201(h)*], and "supplies" includes any and all materials used to produce, grow, breed, or make any product [*Civ. Code § 1812.201(g)*].

"Services" is defined as any assistance, guidance, direction, work, labor, or services provided by the seller to initiate or maintain the plan [*Civ. Code § 1812.201(h)*].

"Initial payment" means the total amount a purchaser is obliged to pay to the seller under the contract either before or at the time of delivery of the vending machines, supplies, products or services, or within six months of the purchaser commencing operation of the plan [*Civ. Code § 1812.201(k)*]. Initial payment includes all specific monthly payments as well as any down payment [*Civ. Code § 1812.201(k)*].

"Initial cash payment" or "downpayment" means that portion of the initial payment that the purchaser is obligated to pay to the seller prior to or at the time of delivery of equipment, supplies, products, or services. It does not include any amount financed by or for which financing is to be obtained by the seller, or financing which the seller assists in obtaining [*Civ. Code § 1812.201(l)*].

Another term which will be encountered is "buy-back" or "secured investment," which means any representation that implies in any manner that the purchaser's initial payment is protected from loss [*Civ. Code § 1812.201(m)*].

[c] Transactions Occurring in California

Several restrictions are imposed on a seller when the seller sells, leases, or offers to sell or lease a seller assisted marketing plan in California. The seller is restricted in the manner in which the seller may use the phrase "buy-back" or "secured investment" [*see Civ. Code § 1812.204*], and the seller must substantiate any representation concerning income or earning potential, disclosing the data on which the claim is based [*see Civ. Code § 1812.204(d)*]. The seller also must be careful in its use of the trademark, service mark, trade name, logotype, advertising, or other commercial symbol of any business which is not a controlling owner of the seller or does not accept responsibility for all representations made by the seller regarding the plan [*Civ. Code § 1812.204(e)*], and any advertisement regarding a seller assisted marketing plan must include prescribed information [*see Civ. Code § 1812.204(f)*].

Specified actions or facts constitute a sale, or lease, or offer to sell or to lease occurring in California. Basically, these occur if the offer to sell or offer to lease is made or accepted in California, the purchaser resides in California at the time of the offer or sale, the offer to sell or to lease originates from California and is directed to and received at a place in California, or the acceptance is communicated to a seller situated in California [*Civ. Code § 1812.202*].

[d] Disclosure Document Contents

The cover sheet of the disclosure document must be entitled, in at least 16-point boldface capital letters, "DISCLOSURE REQUIRED BY CALIFORNIA LAW" [*Civ. Code § 1812.205*]. Under this title must appear, in at least 10-point type and in the precise language prescribed by statute, a statement which alerts the purchaser to the fact that the state of California has not reviewed nor approved any seller assisted marketing plan [*see Civ. Code § 1812.205*]. Nothing else may appear on the cover sheet except the title and required statement [*Civ. Code § 1812.205*].

The document must state the name of the seller, the seller's business name, and the name of any parent or affiliated company that will transact business with purchasers or accept responsibility for statements made by the seller [*Civ. Code § 1812.205(a)*].

A statement of the specific initial payment charged, or when not known, the approximate initial payment charged must be included [*Civ. Code § 1812.205(b)*]. There must also be a statement of the amount of the initial payment to be paid to a person inducing, directly or indirectly, a purchaser to contract for the plan [*Civ. Code § 1812.205(b)*].

The document must give a full and detailed description of the actual services which the seller will undertake to perform for the purchaser [*Civ. Code § 1812.205(c)*], and a complete description of any promised training and the length of the training [*Civ. Code § 1812.205(e)*]. If the seller promises services in connection with the placement of the vending machines, products, or supplies at a location from which these will be sold or used, the full nature of those services and the nature of the agreements to be made with the owner or manager of thelocation at which the purchaser's machines, products, or supplies will be placed, must be set forth [*Civ. Code § 1812.205(f)*].

When the seller makes any statement concerning earnings or range of earnings that may be made through the plan, the disclosure statement must contain information in the precise language prescribed by statute [*see Civ. Code § 1812.205(d)*].

If the seller represents orally or in writing at any time that there is a "buy-back" arrangement or that the initial payment is "secured," the entire and precise nature of the "buy-back" or "security" arrangement must be completely and clearly disclosed in the document [*Civ. Code § 1812.205(g)*].

[e] Filing With the Attorney General

At least 30 days before placing any advertisement or making any other representations to prospective purchasers, the seller of any seller assisted marketing plan must file a copy of the required disclosure statements with the California Attorney General's office [*Civ. Code § 1812.203(a)*; *see Civ. Code § 1812.205, 1812.206*; *see § 93.221*]. In addition, the seller of the plan must provide a list of the names and residence addresses of individuals who sell the plan on behalf of the seller. The filing will not be deemed to have occurred until a notice of filing has been issued by the Attorney General [*Civ. Code § 1812.203(a)*]. The seller may not make any advertisement or other representation to prospective purchasers until a notice of filing has been issued by the Attorney General [*Civ. Code § 1812.203(a)*].

The disclosure statements on file must be updated whenever material changes occur during the year following the filing. The update must include all the information required under *Civ. Code §§ 1812.205* and *1812.206* and a list of the names and residences of all current salespersons and all salespersons who have acted on behalf of the seller since the previous

filing [*Civ. Code § 1812.203(a)*].

The appropriate fee payable to the Attorney General must accompany all required filings [*see Civ. Code § 1812.203(a)*].

§ 93.222 Seller Assisted Marketing Plan Contract--Information Required by Law

[1] Comment

[a] Use of Form

This form sets forth the information that is required to be contained in a seller assisted marketing plan contract. Every contract for the sale or lease of a seller assisted marketing plan in California must be in writing and must comply with the seller assisted marketing plan provisions of the Civil Code [*Civ. Code § 1812.207*]. This form is appropriate for use as a guide to drafting a seller assisted marketing plan contract.

[b] Contract Contents

Every seller assisted marketing plan contract must include, in at least 10-point type or equivalent size if handwritten, all of the following information [*Civ. Code § 1812.209*]:

- The terms and conditions of payment including the initial payment, additional payments, and down payment. If the contract provides for the seller to receive more than 20 percent of the initial payment before delivery of the equipment, supplies, products, or services to the purchaser, the contract must contain the following information concerning the escrow account established pursuant to *Civ. Code § 1812.210(b)* [*see* discussion, *below*]: the name and address of the escrow account holder, and the institution, branch, and account number of the escrow account. Additionally, the contract must state that payment of the amount in excess of 20 percent must be by separate instrument made payable to the escrow account [*Civ. Code § 1812.209(a)*].

- A full and detailed description of the acts or services the seller will perform for the purchaser.

- The seller's principal business address, and the name and address of its agent in California authorized to receive service of process [*see Civ. Code § 1812.214*].

- The business form of seller, whether corporate, partnership, or otherwise.

- The delivery date of items to purchaser. When the contract provides for staggered delivery of items, the approximate date of delivery of sufficient items so as to enable purchaser to begin or maintain his or her business. In either case, also state whether the products, equipment (vending machines), or supplies are to be delivered to purchaser's address or will be placed at locations owned or managed by persons other than the purchaser.

- A complete description of the buy-back or security arrangement if seller has represented orally or in writing when soliciting, offering, selling, or leasing a seller assisted marketing plan that there is a buy-back or that the initial investment is secured.

- An accurate statement of the purchaser's right to void the contract [*see Civ. Code § 1812.215*].

- Immediately above the place for the purchaser's signature, the notification of the purchaser's right to cancel the contract, in bold face type and in the precise language that is prescribed by law [*see Civ. Code § 1812.209(b)*].

If the contract provides for a downpayment, it may not exceed 20 percent of the initial payment amount [*Civ. Code § 1812.210(b)*]. The contract payment schedule may provide for the seller to receive more than 20 percent of the initial payment before delivery of the products, supplies, or equipment to the purchaser or to the place where these items will be located, but only if all sums in excess of 20 percent are placed in an escrow account that cannot be released until the purchaser notifies the escrow agent in writing of the delivery of those items [*Civ. Code § 1812.210(b)*]. The notification of delivery by the purchaser must not be unreasonably withheld [*Civ. Code § 1812.210(b)*].

[c] Purchaser's Copy of Contract

A copy of the fully completed contract and all other documents that the seller requires the purchaser to sign must be given to the purchaser at the time they are signed [*Civ. Code § 1812.207*].

[d] Cancellation of Contract

Any purchaser has the right to cancel a contract for any reason at any time within three business days of the contract date, and the notice of the right to cancel and the procedures to be followed are prescribed by law [*see Civ. Code § 1812.209*]. The text of the statutory notice is set forth in this form in the space immediately preceding the signature line.

If a seller inadvertently fails to make a required disclosure [*see Civ. Code §§ 1812.205, 1812.206*] or to meet the requirements for a contract [*see Civ. Code §§ 1812.207-1812.211*], the seller may cure the defect in the manner prescribed by law [*see Civ. Code § 1812.215(a)*] and the purchaser will have an additional 15 days after the date on which the defect is cured within which to cancel the contract and receive a full refund of monies paid in exchange for the return of all items in the purchaser's possession [*Civ. Code § 1812.215(a)*]. If the purchaser does not cancel the contract within this 15-day period, he or she is precluded from laterexercising the right to void the contract under the voidability provision [*Civ. Code § 1812.215*] on the basis of noncompliance with the disclosure or contract requirements provisions which govern these seller assisted marketing plan contracts [*Civ. Code § 1812.215(a)*].
