

Max Gardner's
BANKRUPTCY BOOT CAMP

Featuring Max's Bankruptcy Litigation Model

Who Is Robo-Signing Now?

Now that LPS Default Solutions LLC has closed down DOCx and now that they have stopped having LPS employees sign affidavits, assignments and endorsements, who is now signing these documents?

The answer may lie with a national temp agency called Aerotek.

Aerotek is actually owned by The Allegis Group. Allegis also owns Sherman Acquisitions, the largest buyer of distressed debt in the world.
