  - j) Notwithstanding anything to the contrary above: (i) the amount of Eligible Forward Flow Accounts to be delivered by Seller, the Yearly Minimum and the \$3.25 billion commitment shall not be reduced; and (ii) Buyer (or its Affiliate) will be deemed not to have breached the Balance Transfer Agreement if (A) Buyer's deficit under the Balance Transfer Agreement is the result of Seller's failure to deliver Eligible Forward Flow Accounts with an aggregate Cut-off Claim Amount equal to or in excess of \$150 million within the 180 day period prior to such deficit under the Balance Transfer Agreement, or (B) a Bi-Monthly Shortfall Adjustment is triggered pursuant to Paragraph 2.4(c)(ii) of this Agreement.

---

b) **Forward Flow Transfer Payments.** On each Closing Date (other than the Account Purchase Closing Date), Buyer shall pay to Seller the applicable Forward Flow Transfer Payment in cash or other immediately available funds to the Wire Transfer Account.

c) **Price Reduction.**

- (i) If the Cut-off Claim Amount of Accounts transferred pursuant to Forward Flow Transfers is less than \$270 million in any given six-month period during the Term, the Forward Flow Transfer Payments shall be reduced in the following six-month period by an amount that is determined by multiplying the Cut-off Claim Amount of Accounts transferred pursuant to Forward Flow Transfers for the six-month period that is less than \$270 million (the “Shortfall”), by the factor set forth on Schedule 2.4 attached hereto (such amount, the “Shortfall Adjustment”). If the total Cut-off Claim Amount of the Accounts transferred pursuant to the Forward Flow Transfers in the following 120 days is insufficient to offset the Shortfall, Seller shall pay Buyer the portion of the Shortfall Adjustment from the prior six-month period that has not been offset.

The amount of any Bi-Monthly Shortfall that results in a Bi-Monthly Shortfall Adjustment payment shall reduce the Yearly Minimum and the \$3.25 billion commitment of Seller for purposes of determining the expiration of the Term.
- (iii) Once the total Cut-off Claim Amount of Accounts transferred pursuant to the Forward Flow Transfers is equal to or greater than \$2.4 billion, up to \$5.0 million of the Escrow may be used to pay any Shortfall Adjustments, and once the total Cut-off Claim Amount of Accounts transferred pursuant to the Forward Flow Transfers is equal to or greater than \$3.0 billion, the remaining portion of the Escrow may be used to pay any Shortfall Adjustments. The amount of any Shortfall associated with a Shortfall Adjustment paid shall reduce the Yearly Minimum and the \$3.25 billion commitment of Seller for purposes of determining the expiration of the Term. Seller shall be entitled to recover all or a portion of any Shortfall Adjustment so paid if in any subsequent period Seller exceeds its aggregate minimum volume requirements to such date under the Forward Flow Transfers; provided, however, any recovery of a Shortfall Adjustment payment shall reverse the previous reduction resulting from such Shortfall in the Yearly Minimum and the \$3.25 billion commitment of Seller for purposes of determining the expiration of the Term.

- 9.2 **Indemnification by Buyer.** Subject to Paragraphs 11.10 and 11.13 herein, Buyer hereby agrees to indemnify, and hold harmless Seller, its parents, subsidiaries and Affiliates, and their officers, directors, general and limited partners, members, managers, principals, controlling persons, agents and employees, from and against any and all damages, losses, costs or expenses (including any and all reasonable attorney's) incurred by Seller or Seller's parents, subsidiaries, Affiliates, officers, directors, general and limited partners, members, managers, principals, controlling persons, employees, and agents, arising out of Buyer's breach of any of the warranties, representations and covenants of this Agreement (excluding any liability arising solely as a result of Seller's actions). At its option, Buyer will have the right to assume the defense, in a manner and with counsel reasonably acceptable to Seller, of any claims, actions, suits or other actual or threatened proceedings for which Seller is entitled to indemnification under this Paragraph 9.2 and to directly pay for all losses, judgments, damages, expenses and other costs (including reasonable fees and disbursements of counsel) which may be imposed in connection therewith. Buyer's aggregate indemnification for any and all claims pursuant to Paragraph 9.2 shall be limited to \$71,406,927.

- 
- 9.3 **Notice.** Promptly after discovery, each party will notify the other party of any claim or threatened claim against the other party, or any claim or threatened claim that may affect the other party. Failure to give such notice to an indemnifying party will not effect any indemnification hereunder except to the extent that such failure adversely affects the indemnifying party.
- 9.4 **Procedures.** The indemnifying party will select defense counsel who is reasonably satisfactory to the indemnified

party and will bear all expenses in connection with the defense and settlement of any claim or suit. The indemnified party will have the right, at its own expense, to participate in the defense of any claim against which it is indemnified and which has been assumed by the obligation of indemnity hereunder. In the defense of any claim, the indemnifying party must not, except with the written consent of the indemnified party, consent to entry of any judgment or enter into any settlement that either: (a) does not include, as an unconditional term, the grant by the claimant to the indemnified party of a release of all liabilities in respect of claims, or (b) otherwise adversely affects the rights of the indemnified party. The indemnified party will cooperate with the indemnifying party in every reasonable way to facilitate the defense of any claim, demand, action or suit.

9.5 **Allocation of Fault.** The allocation between the indemnifying party and the indemnified party of any amounts due in connection with any threatened or pending claim, action, or suit involving events prior to and after the applicable Closing Date will be determined (unless the parties agree otherwise) by the arbitrator or mediator deciding any claim, action, or suit.

9.6 **Exclusive Remedy.** The remedies provided for in this Agreement and the Acknowledgement Agreement shall be the sole and exclusive remedy for the parties with respect to any claim under this Agreement.

10. **Confidentiality.** This Agreement and the terms of this Agreement, including the consideration paid for the Accounts, will remain confidential and will not be disclosed by either party without the written consent of the other, except to the extent such disclosure (i) is required to be made under any applicable court order, law or regulation (including, without limitation, any stock exchange), (ii) is required to be made to any tax, banking or other regulatory authority or legal or financial advisor of either party, (iii) is made in connection with the sale or other transfer of any Account or interest therein by Buyer or its successors or assigns, (iv) is made to such party's current or prospective lenders or investors, or (iv) such information is or becomes public without a breach of this Agreement.

11. **Miscellaneous Terms.**

11.1 **Notices.** All notices and other communications between the parties will be in writing and will be deemed given when delivered personally or four Business Days after mailing by registered or certified mail, return receipt requested, to a party at its address set forth below, or to any other address as a party may designate in writing:

11.2 **Expenses.** Except as otherwise expressly provided in this Agreement, Buyer and Seller will each bear its own out-of-pocket expenses, including fees and disbursements of its attorneys and any other agents or representatives in connection with the transaction contemplated by this Agreement.

11.3 **Successors and Assigns.** This Agreement may not be assigned by a party without the express prior written consent of

the other party, consent for which may be withheld; provided, however, that Buyer may assign this Agreement and any of its rights in this Agreement to an Affiliate without the Seller's consent, provided that no such assignment shall relieve Buyer from its obligations or liabilities under this Agreement.

- 11.4 **Entire Agreement.** This Agreement, the Acknowledgement Agreement, the Escrow Agreement, the Balance Transfer Agreement, the Bankruptcy Receivable Purchase Agreement, and the Transition Services Agreement embodies all of the agreements and understandings between the parties with respect to the subject matter of each respective agreement and such agreements supersede all prior agreements and understandings relating to the subject matter of such agreements.
- 11.5 **Amendment.** Neither this Agreement nor any of its provisions may be changed, waived, discharged or terminated orally. Any change, waiver, discharge or termination may be effected only in writing signed by the party against whom enforcement is sought.
- 11.6 **Governing Law: Severability.** THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS. AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS. If any portion of this Agreement is found by a court of competent jurisdiction to be illegal, unenforceable, invalid or otherwise ineffectual, all remaining terms of this Agreement (unless the economic and legal substance of the transaction, as contemplated by the parties at the time of its execution, is affected in any manner materially adverse to a party) are severable and will remain valid and enforceable without regard to the illegal, unenforceable, invalid or ineffectual provisions. In the event of any such finding, to the extent practicable, the parties will attempt to construe the remaining portions of this Agreement so as to most accurately reflect the legal and economic intent of the parties at the time this Agreement was signed.

- 
- 11.7 **Waivers.** No party shall be deemed to have waived any of its rights or remedies under this Agreement unless such waiver is in writing and signed by such party and then only to the extent specifically recited. No failure to exercise and no delay or omission in exercising any right, remedy or recourse on the part of either party will operate or be deemed as a waiver of such right, remedy or recourse hereunder or preclude any other or further exercise thereof. A waiver or release on any one occasion will not be construed as continuing, as a bar to, or as a waiver or release of any subsequent right, remedy or recourse on any subsequent occasion. All rights and remedies of each party, whether pursuant to this Agreement, or any other document or instrument delivered in connection therewith, are cumulative and concurrent and may be exercised singly, successively or concurrently at the sole discretion of such party and may be exercised as often as occasion therefor may exist. Except as otherwise limited by this Agreement, the rights of each party hereunder or under any such document or instrument delivered in connection therewith shall be in addition to all other rights and remedies provided at law or in equity.
- 11.8 **Headings.** Paragraph headings are for reference only, and will not affect the interpretation or meaning of any provision of this Agreement.
- 11.9 **Counterparts.** This Agreement may be signed in two or more counterparts, each of which will be deemed an original and will constitute one and the same Agreement.
- 11.10 **Survival.** All representations and agreements in this Agreement made on a Closing Date will survive for a period of two (2) years after such Closing Date with respect to the Accounts transferred on such Closing Date; provided, however, that the representation in Paragraph 5.1(a)(viii) (but not any obligation of indemnification for a breach prior to such expiration) will expire at the end of the relevant Guarantee Period with respect to any Ineligible Forward Flow Account and any Ineligible Purchased Account.
- 11.11 **Further Assurance.** From and after the date hereof, each party will take such action as the other party may reasonably request to carry out the purposes of this Agreement.
- 11.12 **Relationship.** Nothing in this Agreement establishes an agency, joint venture, partnership or fiduciary relationship between the parties and neither party has the right or authority to act for or on behalf of the other party.

- 11.13 **Limitations of Liability.** Seller, Buyer and their Affiliates will not be liable, under any circumstances, to each other or any other person or entity for lost profits or any consequential, indirect, exemplary, special, punitive or incidental damages, whether foreseeable or unforeseeable.
- 11.14 **Securities.** The parties mutually represent and warrant that the transactions contemplated by this Agreement do not involve, nor are they intended in anyway to constitute, the sale, or purchase, of a “security” or “securities” within the meaning of any securities laws, rules or regulations.

- 
- 11.15 **No Third-Party Beneficiaries.** Each provision of this Agreement only confers rights and remedies upon, and is for the sole and exclusive benefit of Seller and Buyer and their respective Affiliates. No other person or entity has any rights or remedies, or is a direct or indirect beneficiary of, or has any direct or indirect cause of action or claim in connection with this Agreement, and none of the provisions of this Agreement will be deemed to be for the benefit of (or enforceable by) any other person or entity; provided, however, that Section 9 shall inure to the benefit of any indemnified parties.
- 11.16 **Waiver of Jury Trial.** To the fullest extent permitted by law, the parties (after consulting or having had the opportunity to consult with legal counsel) knowingly, voluntarily and intentionally waive any right either of them may have to a trial by jury in any action or other legal proceeding based upon, relating to, or arising out of this Agreement or any other thing, matter or related transaction in connection herewith. The parties shall not seek to consolidate, by counterclaim or otherwise, any action in which a jury trial has been waived with any other action in which a jury trial cannot be waived. This waiver applies to any action or legal proceeding, whether sounding in contract, tort or otherwise.
- 11.17 **No Strict Construction.** The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event of an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of this Agreement or any of its provisions.
- 11.18 **Dispute Resolution.** Any dispute, claim, controversy arising out of or relating to this Agreement, or its breach, or any issues regarding the enforceability or coverage of this arbitration provision, will be resolved by binding arbitration conducted in accordance with the Commercial Arbitration rules of the American Arbitration Association, as such rules shall be in effect on the date of delivery of demand for arbitration, which arbitration will be held in New York, New York, or such other city and state as mutually agreed upon. Each party shall pay the fees of its own attorneys, the expenses of witnesses and all other expenses connected with the presentation of such party’s case, except that the arbitrators may impose all such fees, costs and expenses otherwise payable by the prevailing party on the losing party if they determine that the losing party’s position was taken without good faith or solely for the purpose of delay. The costs of the arbitration including the cost of the record of transcripts thereof, if any, administrative fees, and all other fees and costs, shall be divided equally between the parties, except that the arbitrators may impose all such fees, costs and expenses otherwise payable by the prevailing party on the losing party if they determine that the losing party’s position was taken without good faith or solely for the purpose of delay. Except as otherwise limited by this Agreement, the arbitrators will be empowered to award damages in the amount established by the preponderance of the evidence. The arbitrators will have no authority to award punitive damages or any other damages not measured by the prevailing party’s actual damages, and may not, in any event, make any ruling, finding or award that does not conform to the terms and conditions of the Agreement. The arbitrators also will have the authority to grant any temporary, preliminary or permanent equitable remedy or relief they deem just and equitable and within the scope of this Agreement, including, but not limited to, an injunction or order for specific performance. Any award will be final and binding upon the parties and their successors and permitted assigns, without appeal or review, except as permitted by the laws of New York. Any party may apply to any court of competent jurisdiction for confirmation and entry of judgment based on the award of the arbitrators.

11.19 **Buyer’s Right of Resale.**

- a) Buyer shall not sell or otherwise transfer any Account purchased hereunder to a third party at any time without

the prior written consent of Seller, such consent not to be unreasonably withheld, conditioned, or delayed; provided, however, that any Chapter 7 bankruptcy Account included in the Account Purchase may only be resold by Buyer within the 12-month period following the bankruptcy filing date of such Account; provided, further, that in no event shall Buyer transfer more than forty percent (40%) of the Accounts purchased by Buyer on each Closing Date (excluding Accounts Buyer is required to sell to Seller and excluding Chapter 7 bankruptcy Accounts included in the Account Purchase) within the first twelve months after such Closing Date. Buyer shall provide Seller in accordance with Paragraph 11.1 and in accordance with Schedule 11.19 setting forth the information in Exhibit I. Thereafter, Seller shall have seven (7) Business Days from the date of such notice to provide its consent. In the event Seller fails to respond to Buyer within the prescribed period of time, Seller shall be deemed to have consented to the transaction set forth in the notice. Upon any such transfer, Buyer will not be relieved of any of Buyer's obligations under this Agreement even to the extent such obligations are transferred to and assumed by the third party.

- b) As a condition of any subsequent assignment, sale or other transfer of Accounts, Buyer must attach, as an exhibit to Buyer's agreement, a redacted copy of this Agreement (after deleting any numerical expressions relating to the Purchase Price, Forward Flow Price Percentage, Account Purchase Putback Factor and Forward Flow Transfer Payments) and Buyer must also: (i) have any assignee explicitly assume each and every term or condition under this Agreement; (ii) explicitly name Seller and Originating Creditor as third-party beneficiaries of the agreement and (iii) grant to Seller and Originating Creditor in Buyer's agreement a direct right to bring a cause of action against any assignee, buyer or other transferee. Nothing contained in this Agreement will relieve Buyer from its obligations or liabilities under this Agreement and Buyer will remain, under all circumstances, liable to Seller for the matters set forth in this Agreement including, without limitation, the acts and omissions of Buyer, the acts or omissions of its assignees, any successors-in-interest, or any other transferees of the Accounts or this Agreement. Buyer will be as fully liable (and responsible) to Seller for the acts and omissions of any subcontractor (or any other entities engaged by Buyer or its agents) as it is for the acts and omissions of its own employees and agents.
