## Introduction

On behalf of the Board of Directors, the Executive Team and all of our individual members, I want to say that it gives me great pleasure to provide you with the year 2009 American Legal & Financial Network® (AFN®) Member Directory.

## Mission and Vision

The mission of the American Legal & Financial Network® (AFN®) is to serve the Legal and Residential Mortgage Banking Professional through leadership, education and professional development. The AFN is a national network of legal and residential mortgage banking professionals and leads the industry as a provider of strategic and timely education. The AFN offers the residential mortgage banking community high quality, robust educational and training resources. AFN's educational and training programs are designed to help its members meet the ever present challenges our industry presents. AFN's membership roster includes professionals from the following segments of the residential mortgage banking community: Legal, Residential Mortgage Bankers and Investors, Risk Evaluation, Investment Research, Consulting, Land and Title, Technology and Asset Protection.

## Our History

In October of 2001, Garry McCubbin, Esq., and Wes Kozeny, Esq., determined to create a different kind of professional organization. Beginning as an effort to bring residential mortgage industry professionals together, today's AFN is the largest national organization of its kind and has become a sweeping industry phenomenon.

## Our Present

AFN members live and work within the residential mortgage banking community. Our members recognize that we are privileged to live and work in an industry that is constantly growing and changing. Our organization teems with talented and highly energetic professionals who are overflowing with new ideas, innovations and approaches. Attorneys, residential mortgage bankers, and service providers alike are part of this dynamic, and by working together we have become the preeminent source for strategic information, quality education, positive innovation and change.

## Our Future

Those of us who are working in the residential mortgage banking industry are witnessing significant changes. The AFN will remain focused upon providing the best in education and working with our members to make this industry of ours a better place for all of its stakeholders.

*"Change your thoughts and you change your world," Norman Vincent Peale (1898 - 1993).*

## Join Us

As the largest and principal legal training and education organization in the U.S., we seek members who will provide our residential mortgage banking colleagues the training necessary to thrive in a business environment of increasing interdependency and change. We seek to foster a dynamic educational environment where the ever present changes in our industry offer our partners an opportunity to learn and grow. We see the AFN as a leader in education, connection, innovation, and industry wide coordination.

## AFN = Your Partner for Success

If your education, training or business needs are not getting the attention they deserve, let's talk. We invite you to review the information provided within our website, learn about our services, read about our accomplishments and then contact our COO, Matt Bartel, for more details and information as to how you might partner with us in our industry changing mission.

Sincerely,

**William M. LeRoy, President & CEO**
