

Attorney Performance Reporting Program

Performance Recognition

2008

Each quarter, FIS Foreclosure Solutions, Inc. recognizes the top 20 performing firms in foreclosure and bankruptcy. We would like to congratulate the following firms for their performance during Q1 2008.

Good luck and *Thank You* for all of your continued hard work on behalf of our clients!

We also wish to thank the 2007-2008 Overall Award Winners announced at the 2008 FIS Foreclosure Solutions Attorney Summit for the following categories:

“Rookie of the Year” Award

The **“Rookie of the Year”** Award is presented to a law firm that is new to the FIS Foreclosure Solutions Attorney Network and has demonstrated the highest standards in both performance and service.

“Summit” Award

The **“Summit”** Award is presented to firms who have maintained “GREEN” status in BOTH the Foreclosure and Bankruptcy Attorney Performance Report (APR) Scorecards for 12 consecutive months. An award of distinction, the Summit Award represents a pinnacle of “Best in Class” performance across both Foreclosure and Bankruptcy. Only twenty-six firms across the nation achieved this milestone of consistent performance last year.

“Service Excellence” Award

Over the last year, 176 firms demonstrated exceptionally high “Service” scores in the APR. However, the Operations staff at FIS Foreclosure Solutions selected two of these firms to receive the **“Service Excellence”** Award who consistently demonstrated the highest standards of communication, partnership, and overall customer service to FIS Foreclosure Solutions and to their clients.

“Performance Excellence” Award

The **“Performance Excellence”** Award is presented to firms who have maintained “GREEN” status in either the Foreclosure or Bankruptcy Attorney Performance Report (APR) Scorecards for 12 consecutive months. Green is equivalent to “Best in Class” performance.

(Award winners are listed on pages 3-9)
