6. Based upon a careful review of the information available to the Plaintiff, including loan records, service returns in the pending case, internet search and skip-trace services, searches of the Department of Defense Manpower Data Center (which cannot, however, be made without a social security number), none of the defendants herein are

believed to be in active military service as defined by the Servicemembers' Civil Relief Act of 2003.

Affiant knows of his/her own knowledge that the information set forth is true and correct.
