

# Appendix I Partial List of Trademarks

The following is a partial list of trademarks which may appear from time to time in patent applications. Proper usage of trademarks requires that they be capitalized at all times. See MPEP § 608.01(v).

Any questions by the examiners as to whether an apparent trademark is in fact a registered trademark or to what particular goods a registered trademark applies should be referred to the Trademark Search Branch (308-9800) for determination.
