Instructions

For each chapter memorize the subsections included here and know where they are located in our searchable electronic MPEP. This is the best way to ensure that you can quickly and efficiently search for the answers to questions that you are unsure of during the patent bar exam.

100 Secrecy, Access, National Security, and Foreign Filing

- 100 Secrecy, Access, National Security, and Foreign Filing
 - 101 General
 - 102 Information as to Status of an Application
 - 103 Right of Public To Inspect Patent Files and Some Application Files
 - 104 Power to Inspect Application
 - 105 Suspended or Excluded Practitioner Cannot Inspect
 - 106 Control of Inspection by Assignee
 - 106.01 Rights of Assignee of Part Interest
 - 110 Confidential Nature of International Applications
 - 115 Review of Applications for National Security and Property Rights Issues
